### Kitty's Korner

By Kitty Montgomery

Thought for sure we just weren't going to make it this week, but here we are. We sat around all last week and Monday wondering if we were going to have enough news to fill up a couple of pages, and Tuesday the dam broke, so we stayed late and had a couple of extra pages. Good Grief!

You'll notice as you read these pages this week that we have a new columnist to join Mrs. Post, Miss Gentry and me. Kay McMullan has graciously consented to let us in on the news at school every week, and we are so happy to have her. Hope we can hang on to her until school is out.

We've been a little amiss in reporting school doings since we no longer have a student around OHS in our own household, and just can't get around to snooping in the halls and on campus for news these days. Kay will no doubt take care of that, and I feel sure she would welcome any news tips from kids or faculty to help her out each week.

I was sorry to note that the minimum wage is going to be raised possibly to \$2.20. This is going to make it plenty tough on kids looking for their first jobs, and will eliminate many jobs.

Lots of businesses do not come under the "Minimum Wage Law," but lots do, and there isn't a company or corporation in the world that can afford to pay a minimum wage like that to inexperienced personnel.

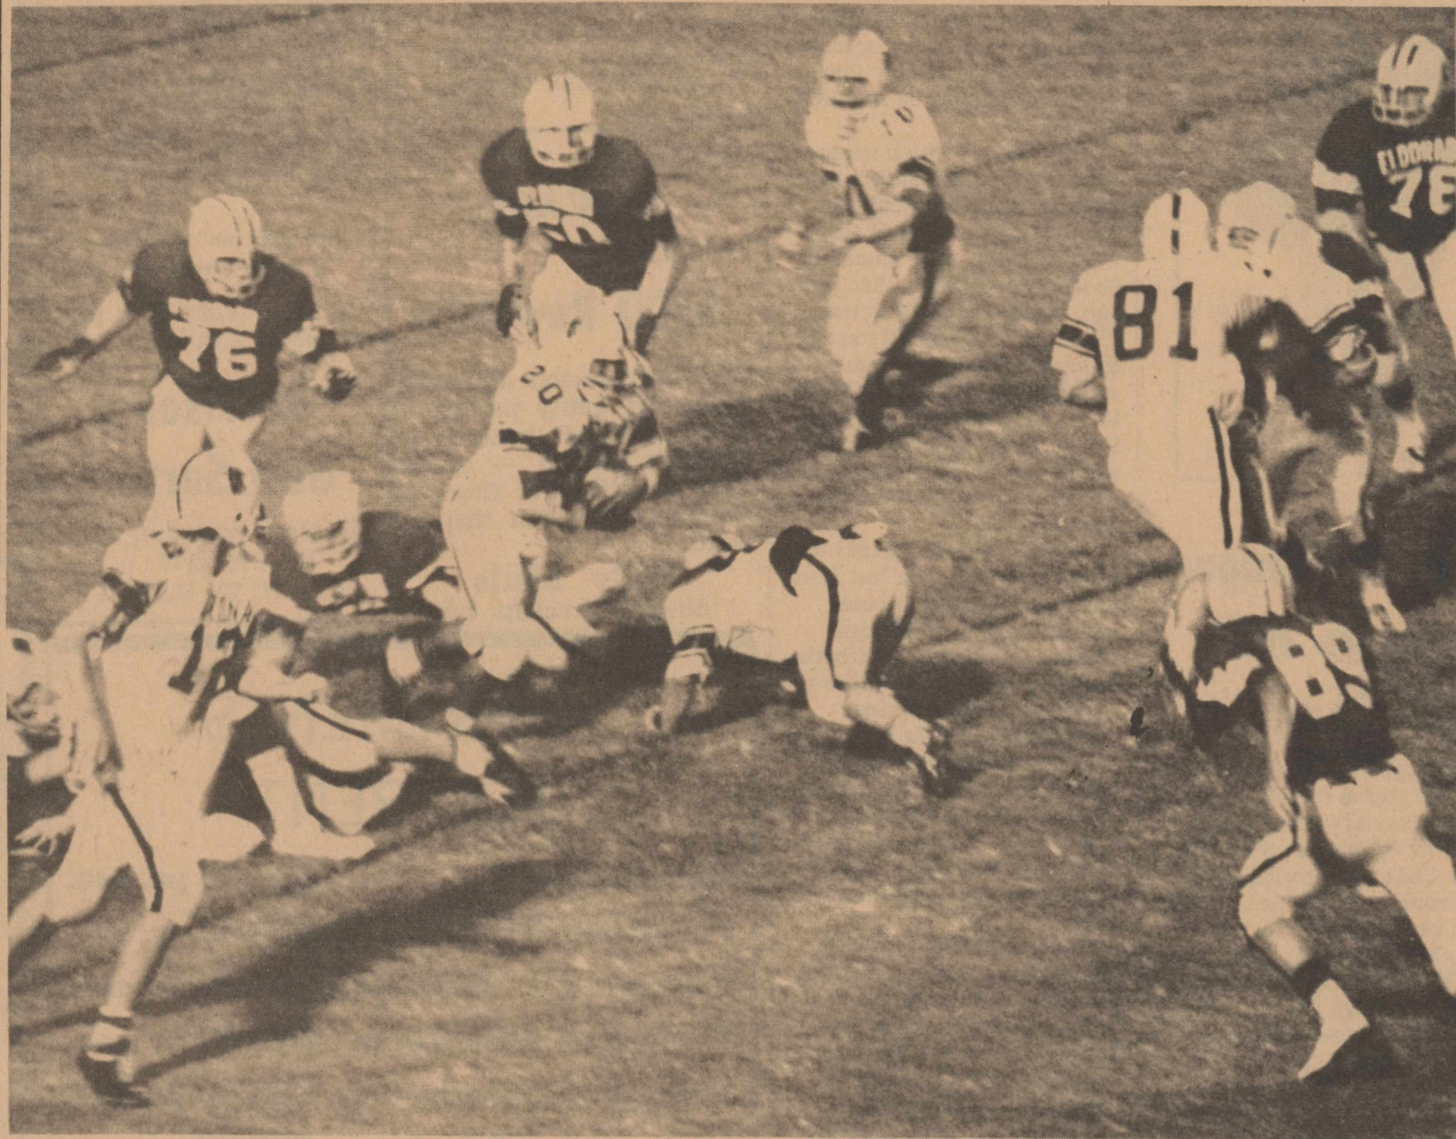

It takes a month to six months for a worker to gain knowledge of a new job, often even longer, and until an employe gets some experience under his belt and learns the operation, he's really far more trouble than he's worth.

This is an election year, and legislators gain many votes by raising the minimum wage, but in the long run it cuts down on jobs, and they haven't really done the people or the country a favor.

Union wages have already priced our products out of the world market, and upping the minimum wage is sure to depress the job market. Most hurt will be those with minimum education and no experience, and this will, of course, swell the welfare rolls which are already bursting at the seams.

Well, the Texas legislature is back in another "special session," and costing the taxpayers \$33,000 each day makes it plenty special. I understand they are going to try to do something about the exorbitant insurance pre-

(Continued on last page)

THE FIGHTING LIONS SCORE AGAIN, and again, against the Eldorado Eagles Friday night on the home field. Here Ruben Tambunga heads for paydirt, surrounded by blockin' and tacklin'.

Lions. The score was 34-6 in the Lions' favor, a big boost for the team when they meet the Mason Punchers on the same field tomorrow night. (Don Ingram Photo)

## Lions Take On Mason Punchers For Homecoming After 34-6 Win

Ozona High School's Lions expect to put up a real fight against the Mason Punchers tomorrow night. The Lions are coming to battle with a big win, 34-6 against the Eldorado Eagles, under their belts, and it's the annual homecoming game which always gives the Lions a little added vigor.

The Mason crew is tough, however, and have won their first two outs against class AA schools by big margins. They beat Llano, 39-0, in their opener, and blanked San Saba

### Sorority To Hold Annual Spagetti Supper Fri. Nite

Beta Sigma Phi Sorority will hold its annual spaghetti supper tomorrow night before the Ozona-Mason football game at the Civic Center.

Tickets are \$1.50 for adults and 75¢ for children and the entire family is invited to eat out with friends before the football game. The menu will consist of spaghetti and meat sauce, salad, bread, tea or coffee. The group will begin serving at 5:00 p.m., and continue until just before the game at 8 p.m.

Various kinds of recipe books will also be on sale by the sorority at a nominal fee. The adult ticket entitles the holder to a chance on the stadium set which will be given as a door prize.

Tickets may be purchased from any sorority member or at the door.

last Friday night 27-0. They have a big experienced team, with 10 returning starters from last year's 8-2 season. They throw the ball well and have outstanding speed in their backfield. Also, the Punchers are the largest team the Lions have tackled.

Coach Sewell reports that the Lions are full strength, but quarterback Sewell and halfback Tambunga missed practice a day each this week with the flu.

Homecoming activities begin tonight with the snake dance and bonfire, and fans will see much sparkle and glitter as the band and cheerleaders put on their most exciting half-time of the year during the game tomorrow night. The football queen will be crowned at the half. Candidates, selected by the team, include Dana Collett, Stacy Dockery, Kay McMullan, Jan Felto, and Darolyn Wilson. Name of the queen will be announced at the half-time and will be kept secret until that time.

The homecoming dance will be held Saturday night at the Civic Center.

The Lions had an easy time plucking the Eagles last Friday night on the home field, picking up 424 yards rushing to the hapless Eagles' 1, and having 19 first downs to the Eagles' 6. The Lions lost the ball 6 times, but so did their opponents. The wet field more than likely had a great deal to do with the fumble department. Intermitent rain fell throughout the game and during the day. Ruben Tambunga scored

twice for the Lions in the first quarter with David Sewell kicking the PAT.

The only Eagle touchdown came in the last quarter when Mike Manning went in from six yards out. The PAT failed.

In the second quarter Randy Crawford recovered a fumble in the end zone for a Lion score with Sewell running for the two points. Sewell went in from the five yard line for another touchdown later in the quarter, toeing his own extra point.

Gerald Huff scored again for the Lions in the second quarter, but the PAT failed.

### Ozona Residence Gutted By Fire

Firemen were called out last Tuesday around 6 p.m. to extinguish a blaze in the home of Mrs. Hilda Rodriguez on Piedra Street in the south side of Ozona.

By the time the alarm was sounded and the firemen arrived the house was totally destroyed by flames.

Mrs. Rodriguez's children were watching television when the fire started and told firemen that the set exploded.

Authorities said cause of the blaze was not known, but felt that an overload on the wiring behind the television set probably caused the fire which completely gutted the three-room structure.

They were called back around nine o'clock that night, but only found smoldering furnishings inside the house and no flame.

## Phone Service Out Due To Stolen Cable

If Ozonans were expecting a long distance call or trying to make one from Ozona last Thursday night past 9 o'clock, they were just too late. Over 3,000 feet of long-distance telephone line had been removed by thieves, and phone service in or out of Ozona was impossible.

Calls began to come in to

### McMullan Named Top Salesman

Frank McMullan, Jr., of Ozona, who ranches between Ozona and Big Lake, was recently announced the "outstanding salesman in the nation" for the week ending September 2, by the Mooman Mfg. Co. of Quincy, Ill.

Mr. McMullan's recognition was merited by his sales and service contribution for the week. Among sales leaders, he was ranked first out of more than 2,000 field representatives throughout the United States.

Sheriff Billy Mills was in Austin last week to attend the Attorney General's Conference.

local repair men just after 9 o'clock and a check revealed the line had been removed about four miles north of Ozona between this city and Barnhart. Although the theft was committed by the side of Hwy 163 and in plain view of motorists, nobody saw anything out of the ordinary. The line was removed from the poles along the east side of the highway.

Officials stated that the line weighed around 150 pounds and was stolen for its copper content. Value of the line runs between 50 and 60 cents per pound. Cost to the telephone company was considerably higher than cost of the line, according to Ted Short, installation and maintenance foreman, of Eldorado. Labor ran high as linemen worked all night and into the next day restoring service. By 4:00 a.m., Friday restorative service had been restored. However, most Ozonans trying to call out of town were still receiving a busy signal by 10: a.m. Friday.

Officers had no clues at mid-week, but were certain that the thief or thieves had had some experience with telephone line work.

## Airman Crawford Is Assigned To Hill AFB, Utah

### Co. Horse Owners Urged To Attend A&M Horse Course

County Extension Agent Pete Jacoby encourages all horse owners in Crockett County to plan to attend the 12th Annual Horse Short Course at Texas A&M University, October 6-7.

"This year's short course will be highlighted by demonstrations of western horsemanship and how to have fun with cutting, pleasure and reining horses," points out Jacoby. "The program will feature two outstanding horsemen, John Trimmier, Jr. of Hale Center and Speedy Cockrell of Aubrey. They will be assisted by some of the state's top junior horse-

(Continued on last page)

## Two Discoveries In Crockett County Fields

The Miller (Ellenburger) field of Crockett County gained its third producer and 5/8 mile south and slightly east extension with the completion of Texas Oil & Gas Corp., Midland, No. 1 Williams Gas Unit, 25 miles south of Ozona, for a calculated absolute open flow of 19 million cubic feet of dry gas per day.

Production was through perforations at 11,806-14 and 11,839-43 feet which have been acidized with 1,250 gallons. The following tops were picked on Kelly bushing elevation of 2,239 feet; Devonian, 10,673 feet; Fusselman, 10,928 feet; Montoya, 11,080 feet; Simpson, 11,197 feet; Joins, 11,404 feet; and Ellenburger, 11,465 feet. It was drilled to 11,849 and plugged back to 11,847 feet. Location is 2,000 feet from south and 1,200 feet from west lines of 5-0-C. W. Brown.

Adobe Oil Co., Midland, No. 1 Hoover, in 14-NN-GC&SF, Crockett County wildcat, 21 miles south-east of Sheffield, seven miles northwest of the depleted one-well Pandale, North (Clearfork) field, flowed gas from the Ellenburger for 1-3/4 hours at the rate of 969,000 cubic feet daily when drilling reached 14,201 feet. The project had encountered a drilling break at 14,040 feet on ground elevation of 2,493 feet.

OZONA VFW POST DONATES TO WELFARE FUND - Al Fields of the Ozona VFW Post gives Sheriff Billy Mills a check for \$100 to help out with the county welfare fund the Sheriff's office administers. The fund was almost depleted last month when an appeal went out for help, and many organizations responded most generously according to Sheriff Mills.

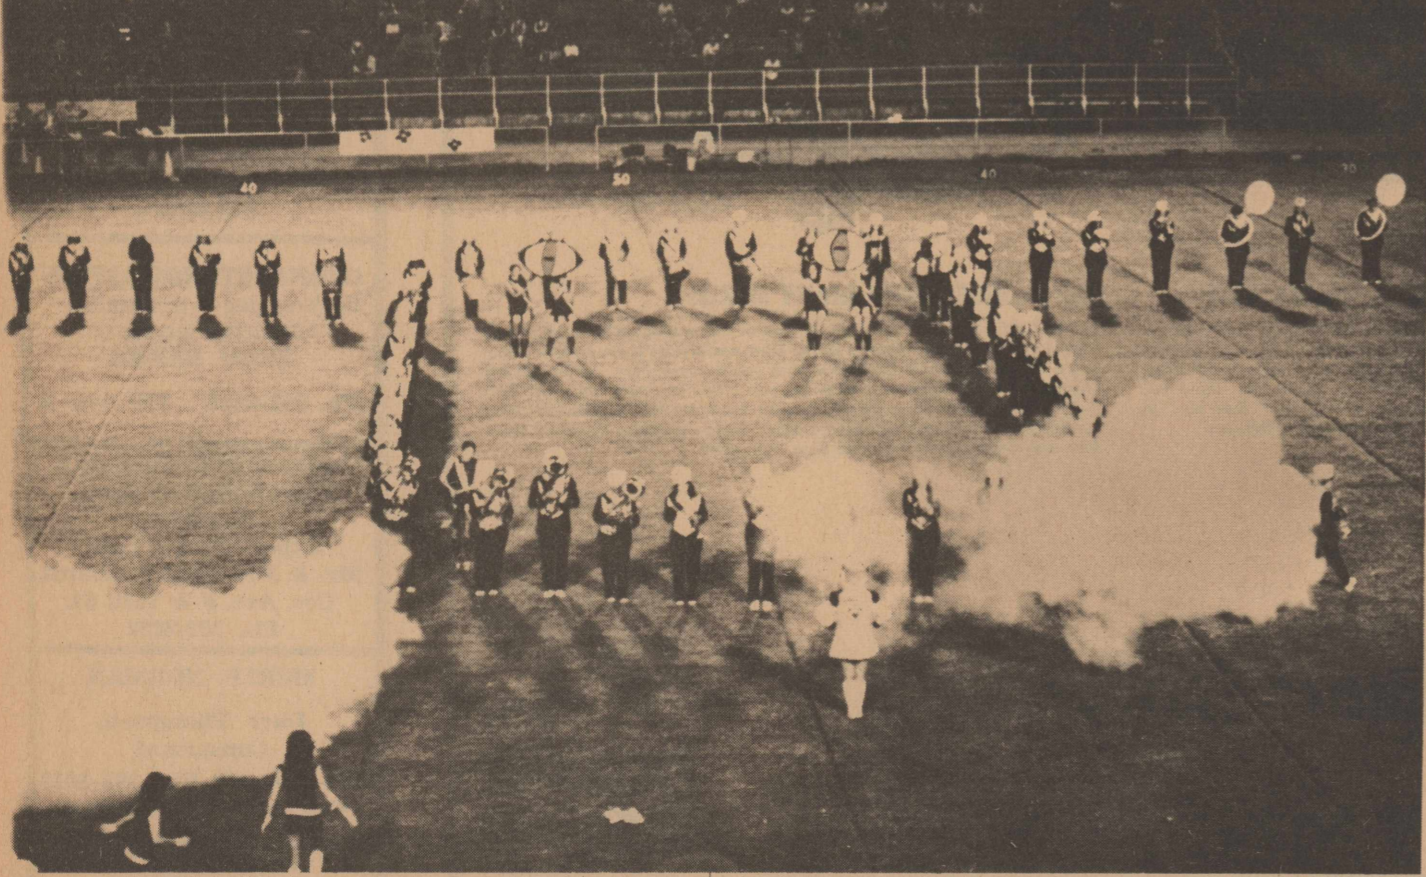

## Trophy Buckles Presented Sun. As Ozona Roping Season Closes

The Ozona Roping Club terminated its summer roping season Sunday afternoon and evening with a large crowd in attendance. All-around winners for the season were announced and belt buckles were given winners in each event. To be eligible, the participant must have been entered in five or more of the Ozona summer ropings.

Buckle winners and events were Joletta Everett, junior barrel race; Karen Kirby, 13-16 barrel race; Allison Powers, open barrel race; R. J. Everett, junior flag race; Anne Tillman, 13-16 flag race; Christi Davidson, open flag race; Andy Smith, breakaway roping; Marshall Millican, ribbon roping; and calf roping; two steer average, Jack Riggs and Dan Riggs. Sunday winners were as follows: Junior barrel race-P m Powers, 18.8; Joletta Everett, 20.0; Rick Powers, 20.2;

Will M. Black, 20.6 13-16 Barrel Race - Cindy Bruton, 19.3; Anne Tillman, 20.0; Lee Ann McMullan, 20.2; Karen Kirby, 20.2 Open Barrel Race - Pam Upton, 18.3; Pam Powers, 18.5; Margo Powell, 19.0; Kay McMullan, 19.1 Junior Flag Race - R. J. Everett, III, 10.7; Cliff McMullan, 11.2; Houston Powers, 11.2; Joletta Everett, 11.4 13-16 Flag Race, Martha Seahorn, 10.6; Lee Ann McMullan, 10.6; S Ily Bailey, 10.9; Anne Tillman, 10.9 Open Flag Race - Margaret Powell, 9.8; Kay McMullan, 9.9; Christy Davidson, 10.2; Judy Huckabee, 10.3 Ribbon Roping - Jack R. ggs, 9.0; John Rae Powell, 9.3; Johnny McMullan, 11.5; Jimmy Powers, 11.6 Breakaway Roping - Douglas Bean, 25.7; Andy Smith, 29.9; Cliff McMullan 32.00 Calf Roping - Zane Powers, 10.1; Billy Teague, 10.5;

Bob Johnson 10.7; Bobby Bowers, 11.5 Second Go Round - Kenny McMullan, 9.6; Max Schneemann, tie with Marshall Millican, 10.3; Bill Davis, 10.6 Best Average - Bob Johnson, 22.6; Max Schneemann, 23.8; Zane Powers, tie with Billy Teague, 24.2. Two Steer Average - Jack Riggs and Bill Teague, 7.4; J. L. Kinney and Bob Johnson, 8.5; Pancho McMullan and John Rae Powell, 8.6; Earl Acton and John Ray Powell, 9.8; Bill Tankersley and Buddy Ingham, 9.8 Second Go Round - George Cox and John Rae Powell, 8.0; Jack Riggs and John Rae Powell, and Mrs. E. E. Nicholas and Harvey, Rev. John Beckley 8.6; Mickey & Jimmy Powers, 8.7; J. L. Kinney & Billy Teague Average - Earl Acton and John Rae Powell, 18.9; J. L. (Continued on last page)

OZONA HIGH SCHOOL BAND has come up with some most entertaining halftime routines this year. Above is "Snuffy Bull with Bloodshot Eyes." The band performed the routine during halftime last Friday night during the Ozona-Eldorado football

game. Inside the bull's head, formed by the band, the bloodshot eyes are being held by the twirlers. Majorette Beth Crowder is almost blanked out by Snuffy's snorting. She is in white, front and center. (Don Ingram Photo)

**WHO VOTES IN AMERICA?**

It seems that in the last few years people are increasingly interested in politics. Women, youths and minorities are swelling the voting ranks, while the unemployed, poor and uneducated become more politically conscious.

The political atmosphere is deceiving, though. Despite tremendous get-out-the-vote efforts, fewer Americans are exercising this right.

Nothing proves this more than youth voting. In 1968, only one-third of the 18-20 year olds (allowed to vote in some states) went to the polls. In the 1970 Congressional races, a mere 26% voted.

Mature citizens vote much more regularly. In 1968, 75% of the 45-64 age group went to the polls. Slightly over half of the 21-24 bracket did. Even the over-65 group topped them (66%).

Rushing to conclusions is obviously a mistake. For example, men vote in higher percentages than women. The men led in 1968, 70% to 66%, and in 1970, 57% to 53%. Those earning over \$10,000 yearly vote in higher percentages than those making less, 80% to 65%.

Lack of education is another landmark of poor voting records. Over 80% of the people with more than high school educations voted in 1968, the highest of any educational group. Only 72% of all eligible high school graduates voted, and the figures decline from here.

Should someone argue that the unemployed, worried about job changes, go to the polls more frequently, he would be wrong. In 1968, 71% of the employed voted, but only 52% of the unemployed did. Those not even in the labor force (mostly homemakers) had a higher percentage, 63%.

Given the near-universal suffrage, it goes without saying that everyone ought to vote. Americans, however, are going to the polls less.

For the Congressional election years 1962, 1966 and 1970, voting percentages declined, from 47% to 46% to 44%.

Presidential elections have also seen smaller percentages of voters going to the polls. In 1960, 64% of those eligible cast their ballots. In 1964, 63%, and in 1968, 62%. Congressional elections likewise plummeted (1960, 60%; 1964, 54%; 1968, 57%).

Carping about being "alienated" and being ignored by the "power structure" is palaver when one looks at the facts. Groups, from youths to farmers, complain that no one cares what happens to them. But they themselves do not care (e.g., urban residents vote in higher percentages than rural ones). Until the fault-finders show some interest in the "system," it is not likely that the system will show the interest in them they think they deserve.

**\$6 Million In Safety Projects For Hiways**

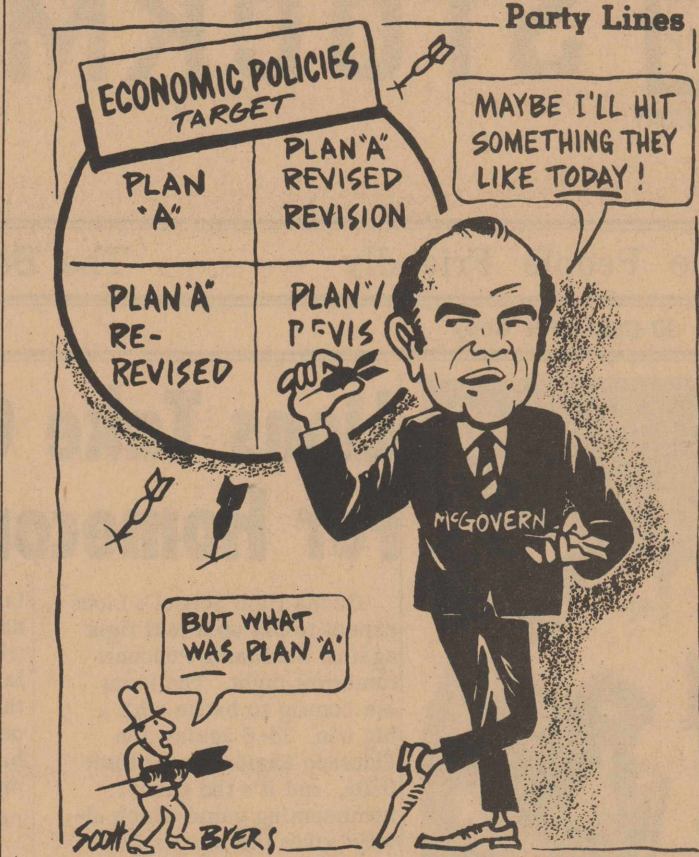

Austin--Work totalling nearly \$6 million was initiated by the Texas Highway Department for highway safety improvement projects during the months of May, June and July. This brings to \$218 million the amount of purely safety-oriented work since 1965.

These safety projects were selected for their potential to reduce accidents and the severity of accidents rather than to increase traffic capacity or general traffic serviceability. These projects are in addition to normal increased safety features involved in new construction and reconstruction.

During the three-month period, the Highway Department accepted bids on 14 contracts and initiated work on 68 projects involving departmental labor. In addition, bids were accepted on 14 Federal Aid projects which involved safety improvement at work.

Of the total three-month figure for financing these projects, the Federal government contributed \$580 thousand while the Texas Highway Department provided \$5.3 million.

**NOTICE TO BIDDERS**

Sealed bids will be received in the Court House, District Court Room, Ozona, Texas, until 2 o'clock P. M., CST, October 16, 1972, and be publicly opened and read aloud, for the construction of a Crockett County Road Department Building located in Ozona, Texas.

Proposals will be received on the building for all General Construction, Electrical, Plumbing, Heating, Ventilating and Air Conditioning as a combined bid. All proposals received after closing time will be returned unopened.

Bids shall be made with ink or typewriter and be enclosed in a sealed envelope and marked "General Construction Bid on Crockett County Road Department Building" and addressed to the Commissioners Court, Crockett County Court House, Ozona, Texas.

Plans and specifications may be obtained from Leta Powell, County Clerk, Crockett County, Texas, for a deposit of \$25.00. The deposit will be returned, provided the plans and specifications are returned in good condition within three (3) days following the date of opening.

All bids must be accompanied by Bid Bond, Certified Check, Money Order or Surety Bond in the amount of not less than five percent (5%) of the total amount of bid payable to County Judge of Crockett County, Texas. The successful bidder will be required to furnish Performance Bonds in the amount of one hundred percent (100%) of the contract, also he will be required to execute a formal Contract within ten (10) days after bid opening. Attention is called to the fact that there must be paid on this contract not less than general prevailing rates of wages for all classes of Laborers and Mechanics as required by law.

All questions or matters pertaining to the construction and Contract shall be referred to the Honorable County Judge, Crockett County, Texas, or Mr. Ronnie Onken, 1004 S. Oaks, San Angelo, Texas. The Commissioners Court reserves the right to reject any or all bids submitted.

**Womans League Sponsors Fall Style Show**

"A Stylish Look for Fall" was the theme for a program by the Ozona Woman's League Tuesday evening at the Methodist Church fellowship hall.

Fashions from a San Angelo shop were modeled by Mrs. Bob Childress, Mrs. Charles Spieker and Mrs. Jeff Sutton.

Models from San Angelo were Mrs. Booze Hartgrove and Mrs. Susan Sands. Ideas on how to get the "Now Look" by adding to your present wardrobe were shown as well as fashions for all occasions.

Mrs. Truman Smith of San Angelo gave the commentary. Mrs. H. O. Hoover and Mrs. John R. Hunnicutt were hostesses. The audience was made up of members and guests.

CARPET NEED CLEANING? Call J. D. Brown at Brown Furniture Co. about the new steam clean process, 392-2341.

**Washington News Letter**  
By Congressman O. C. Fisher

Little Rhodesia, the anti-Communist stronghold in Africa, survived another attack a few days ago when the House, by a vote of 253 to 140, voted down an amendment designed to negate a law we enacted a year ago which allows Rhodesian Chrome to be imported to the U. S.

Chrome, of which we produce none, is a required ingredient in the manufacture of stainless steel. Most of the world's supply is produced in Rhodesia and Russia. Six years ago, following a UN action, President Johnson unilaterally imposed a trade embargo against Rhodesia. This forced U. S. industry to turn to the U. S. S. R. for 60% of its chrome which had raised the price from \$25 per ton to \$72, a 188% increase.

Now, however, thanks to congressional action last year, the Presidentially imposed boycott again -- Rhodesian chrome was lifted. And both the House and Senate have now reaffirmed this decision.

Rhodesia was the victim of another insult when her athletes were summarily barred from the recent Olympics in Munich -- an act described by Olympic chairman Avery Brundage as "political blackmail."

By a vote of 36 to 31 the Olympic Committee ruled out Rhodesian participation when a dozen African nations threatened to withdraw if Rhodesia remained. The Communist bloc made the difference.

That unwarranted snub was widely condemned throughout the world and cast a dark shadow over the ensuing contests where good will and sportsmanship are supposed to reign. One writer observed:

"There will be no hypocrisy contest, and more's the pity-- for some of the greatest hypocrites in the human race are represented on the playing fields of Munich."

**Tips For Gardeners**

From the Ozona Garden Club By Mrs. Bailey Post

This month has been perfect for the display of the beautiful roses over our city. It seems the texture of petals and the deeper coloring is most always improved over the spring blooms. This year the good rains and very little wind had much to do with their growth, good form and beauty.

Gardening efforts begin to change from maintenance chores to stressing activities connected with planting and transplanting. The upkeep of plants nearing maturity calls for staking, tying, disbudding and other routine work.

Repeat plants that have spent the summer outside and need new soil or a larger pot.

Prepare pansy bed by working in plenty of manure. Plant or transplant peonies at this time.

To me daylilies are one of the most amazing plants that can stand the heat of our Southwest summer heat. Even though the blooms last only a day, new blossoms appear the next day to take their place.

There are so many beautiful daylily varieties to choose from, and if you have the early, middle and late bloomers, the season will last much longer. This fall I've had four varieties to bloom again with about as many blooms as in the spring. Their culture is not difficult for they are easily grown in ordinary loamy garden soil, which has been well dug and liberally supplied with compost. They thrive best in a sunny place but will do well in light shade. Daylilies make a very attractive and colorful display in a large bed of one variety or effective in borders. Now evening blooming varieties may be chosen.

Mrs. Mable Wakefield returned last Saturday from Denver, Colo. where she had been at the bedside of her son Col. Elmer H. Sorrels, who was seriously ill in Fitzsimmons Army Hospital there. She reports that he is much improved and will return to his home in Boulder this weekend.

No other fruit or vegetable in the world has such a legendary figure associated with it as the American apple. Traveling throughout the Ohio Valley country, Jonathan Chapman, better known as Johnny Appleseed, spread miles and miles of apples. His efforts provided settlers and native Indians with abundant supplies of fresh, delicious apples.

Crunchy, good-tasting, and bright, I'm talking about apples, just wash and eat, what a quick and easy snack. Apples are low in calories and are great for satisfying a dieter's urge for something sweet.

Use apples for pies, cakes, fruit salads, tarts and dumplings. Apples are among the foods included on the September plentiful foods list of USDA's Agricultural Marketing Service.

Give this Apple Upside-Down Cake a try.

- Apple Upside-Down Cake**
- 1/2 cup butter
  - 1/2 cup sugar
  - 1 egg
  - 1 teaspoon vanilla
  - 1 1/2 cups sifted flour
  - 2 teaspoons baking powder
  - 1/2 teaspoon salt
  - 1/2 cup mild
  - 2 to 4 firm-fleshed apples
  - 2 teaspoons cinnamon mixed with 1/2 cup sugar

Cream the butter, add the sugar, well-beaten egg and vanilla. Sift the dry ingredients together and add alternately with the milk to the first mixture. Spread a thick coating of fat on the bottom and sides of a glass baking dish or very heavy pan. Pare, quarter and slice the apples thin, spread in an overlapping layer on the bottom of the baking dish and sprinkle with the cinnamon and sugar. Pour the cake mixture over the apples. The batter is rather thick and may need to be smoothed on top with a knife.

Bake in a 300 to 325 degree oven for 45 minutes. Loosen the sides of the cake, turn it out carefully, upside down, and the top will be covered with a neat layer of transparent apples. Serve hot with hard sauce or whipped cream.

Mr. and Mrs. Paul Shacklette and children from the Panama Canal Zone are here visiting her parents, Judge and Mrs. Troy Williams.

Mr. and Mrs. Evart White spent several days last week and the weekend visiting their daughter and her family, Mr. and Mrs. Sid Moughon and children, in Gilmer.

**Baptist Women Observe 'Week Of Prayer'**

The Baptist women of First Baptist Church met Wednesday morning in the home of Mrs. Ted Dews. A special program was presented in observance of the Week of Prayer for State Missions.

The program entitled, "Christ is for Now--For all People," was presented by Mrs. Joe Bean, Mrs. Lowell Littleton, Mrs. George Glynn, Mrs. T. L. Watson, Mrs. Bobby Halydier, and Mrs. Ivy Mayfield. Mrs. Bean announced that a special Ingathering Day would be observed on Sunday, September 17, to receive an offering for state missions. "Texas-shaped" cookies and coffee were served following the program.

Others attending were Mrs. Gene Welch, Mrs. Perry Jones, Mrs. O. C. Webb, Mrs. S. E. Cmes, Mrs. R. J. Everett, Jr., Mrs. Bob Moore, Mrs. W. O. Strother, and Mrs. Jess Sweeten.

**Survival**

Medieval knights felt invincible when they strode forth to battle in a suit of armor. Unfortunately, more protection meant less mobility. Finally armor became so cumbersome that it was relegated to museums—the useless antique was discarded—not the man under the metal coverall. He had to adapt to the change!

How many of our ideas and customs have become useless? The world is not static and even some values change. What we cherish must be genuine. That goes for Faith, too. A shallow faith cannot survive the twentieth century—or any era for that matter. But the Christian faith is not superficial, or outmoded! It survives, and continues to reach millions each Sunday—proof that Christianity is not destined for the museum.

Other winners not pictures were Christy Davidson, Open Flag Race; Allison Powers, Open Barrel Race, and Andy Smith, Breakaway Roping.

## Hunting Season Approaching; Expert Gives Many Good Tips

College Station--The fall hunting season is fast approaching and Texas sportsmen will want to get "geared up," as far as their equipment and physical condition are concerned.

"A little time and effort devoted to getting your field gear and physique 'in shape' can be a big plus for that upcoming hunting adventure," contends Dr. Milo Shult, area wildlife specialist for the Texas Agricultural Extension Service.

A good beginning for the equipment check is your firearm. Clean the piece carefully, giving special attention to the bore and the action. "Carefully sight in all rifles and handguns," suggests Shult. "This will not only prevent disappointment over a missed shot but also will help the shooter get the 'feel' of his weapon again."

To sight in center-fire rifles, use the bullet weights and powder charges that you expect to use in the field. Determine sighting distances by the type of game to be hunted and the likely terrain. As a rule of thumb, shot groupings from 50, 100 and 200 yards will prepare the hunter for most situations.

The specialist suggests that handguns be sighted in for distances up to 60 yards. Accuracy is difficult at greater distances up to 60 yards. Accuracy is difficult at greater distances. Remember, range safety is of critical importance with all firearms but especially with handguns, cautions Shult.

For the shotgun enthusiast, the specialist suggests getting in a little trap or skeet shooting.

Another good practice is "patterning" the shotgun. This can be done by firing at large sheets of paper or cardboard at distances of 15, 25 and 50 yards. Thus the hunter will know how his weapon performs at those distances with whatever load he is using.

For the hunter with a double barrel, slide-action or semi-automatic shotgun, it's good to fire more than one round to get used to getting off a second or even third shot.

An equipment check is also

### OZONA RIFLE CLUB

The Ozona Rifle Club held its annual organizational meeting last week and elected officers for the year.

Officers elected were Lenamon Eastarley, president; Reid Holmsley, vice president; Frank Revis, secretary-treasurer.

The club voted to have a rifle and pistol match this Sunday, Sept. 24, at the rifle range to begin at 2:00 p.m.

## Range Care And Management

By-Clitis H. Sinclair,  
D. C. - S. C. S.

Things to remember in producing an abundance of good livestock forage; 83% of the feed value of a plant is in the top 50% of the plant. This is the approximate proper use height of most plants. Next year's grass growth comes from this year's care! It comes from the food stored in the root system by last year's leaf growth. From 20-30% of the roots of a grass plant die off annually. If we don't allow a plant to replace these roots, produced by adequate leaf surface, these plants will be replaced by something less desirable.

If two crops are growing side-by-side and under the same levels of fertility and moisture, and one produces more than the other, remember that more has been taken from one or both of the manufacturing centers-the soil or the air! The portion from the air does not cost-it pays.

A COORDINATED PROGRAM OF PROPER GRAZING USE OF ADAPTED PLANTS, DEFERRED GRAZING, AND A PLANNED GRAZING SYSTEM WILL MAKE EFFICIENT USE OF AVAILABLE SOIL MOISTURE AND THIS COMBINED TREATMENT WILL AID IN INCREASING SOIL MOISTURE. IT'S THE RAIN FALL ONE KEEPS, NOT THE AMOUNT THAT FALLS, THAT PAYS OFF IN DOLLARS AND CENTS! Conservation is proper use of grasses!

Do your Christmas shopping early and easy-send subscriptions to the Saturday Evening Post. (My mama says it's the good old Sat. Eve. Post the way it used to be.) I like it too. Miss Leanne Arledge, Sales Representative. Please call 392-2138. 28-2tc

Houseguest in the home of Mrs. Stephen Perner over the weekend were her son and his MOBILE HOMES, INC. junction, family, Mr. and Mrs. Chris Perner and children, of Friendswood. 28-6tc

in order for the archer. For instance, broadheads may need sharpening.

Most hunters carry some type of cutting tool for dressing game. These knives, hand axes and bone saws should be checked and sharpened.

Wearing apparel also needs checking. Footwear is especially important as a painful blister can ruin an otherwise enjoyable hunting experience. Boot stitching should be checked and the leather should be oiled or treated for comfort and protection. It is a good idea to break in new boots before starting out on a long day's hunt.

In addition to checking the gear, the smart hunter pre-

pares himself physically for the field. The best solution is to start early with sensible exercise. This may mean just walking every day or it may include jogging and dieting off a few pounds. Remember, more hunters die from heart attacks brought on by over-exertion than from firearm mishaps, Shult said.

Reduce safe and fast with Go-Bese Tablets & E-Vap "water pills" Village Drug. 28-8tp

men." Another attraction will be a polo demonstration by the Texas A&M Polo Club. Resignation for the short course begins on October 6 at 4 p. m. at the Ramada Inn in College Station which is serving as headquarters for the annual event.

According to Jacoby, the short course will be preceded by a 4-H Horse Adult Leaders Seminar beginning at 12 noon. This seminar will feature in-depth discussions on more effective methods for conduction 4-H and youth horse programs. The Saturday morning session of the short course will include discussions by officials of the Texas A&M College of Veterinary Medicine. Information will be presented on colic, lameness, reproduction in stallions and mares, and various surgical methods and techniques.

Dr. Loyd Davis with the U. S. Department of Agriculture will speak at a noon luncheon.

That afternoon, information will be provided on the Texas Trailer Brake Law and horse pasture management. A clinic on western pleasure and reining will also be conducted.

A meeting of the Texas Horse Council at 7:30 p. m. will conclude the short course, adds Jacoby.

**Iraan Horse Show K-K— Set For Saturday**

Iraan's Fourth Annual Junior Horse Show will be held at the Yates Arena on Saturday, Sept. 23, 1972, starting at 9:30 A. M. This is an Open Junior Show with Junior and Senior Divisions through 19 years of age in Performance Classes and Regular Halter Classes. There will be a fee of \$3.00 for the First Class entered and \$2.00 for each additional class, with the exception of Calf Roping events and those classes will have a \$4.00 charge.

Performance Classes will include: Western Pleasure, Reining, Barrel Race, Pole Bending, Flag Race, Jr. Boy's Breakaway Roping, Sr. Boy's Calf Roping, and Girl's Goat Tying.

Get your entry blank from County Agent Pete Jacoby or write the Iraan Saddle Club, Box 473, Iraan, Texas 79744. In the event of bad weather, the show will be held the following Saturday, Sept. 30.

**Around The Halls At OHS**

By Kay McMullan

Lion Spirit is finally at large again in the halls of O. H. S. Cheerleaders are frequently seen practicing for pep rallies, painting signs and boosting the spirit in general.

The band practices every day and has originated some really cute half-time shows. First the candy-bar and then the snuffy bull with blood shot eyes. Jan P. got attacked by a fire extinguisher, and Sally's "moo" solo didn't quite make it because somebody didn't hook the amplifier up right.

Our twirlers not only twirled but also clinched roses in their teeth and did a routine with tamborines.

The skit Friday which featured the Lion Machine had four tires (Karen W., Pat S., Denise D. and Jeri Lyn H.), an engine (Mary Jo H.), an Eldorado Eagle (Gerald O.), an Ozona Lion (Jack Welch), a victory (me), and Lida T. as narrator.

Anne T. couldn't yell at pep rally or game because of cracked voice box??

The sign under the scoreboard looked great. Hope to have one for every game.

Seniors have been receiving spirit lessons and lessons in football in Civics class.

The Juniors have the concession stands at football games and seniors will be busy decorating mums today and delivering them tomorrow.

The snake dance and bonfire will be tonight. We play Mason tomorrow night for our homecoming game, be there! The homecoming dance will be Saturday night from 8 to 12 at the Civic Center.

Bon-fire and snake dance should get underway about 8:45 tonight.

**LIONS CLUB PANCAKE SUPPER BIG SUCCESS**

The annual Lions Club pancake supper held last week before the football game was counted very successful. Total profit after expenses amounted to \$128.97, including tips. The money will be sent to the Texas Lions Camp for Crippled Children in Kerrville.
