This has just got to be the shortest column I've ever written. It's not that I have nothing to say, it's just that we need the room for news this

Oh well, it has its advantages. Nobody will be mad. I will not have agreed nor disagreed with anyone about anything, so no arguments for a whole week. Guess it will be sort of dull, but I'll try to endure it.

Surely I will be able to make up for it next week.

H'ween Parade To Be Sponsored By Girl Scouts

Girl Scout Troop 189 will sponsor the annual Halloween parade for all Ozona children again this year.

The parade will be held Tuesday, October 31, and all the children in the community are invited to meet at 4 p.m. in the downtown park in costume. The parade will get underway at 4:30, traveling once around the square.

Prizes will be given for best costumes in three divisions, pre-school, kindergarten to third grade, and fourth grade

Keilers To Post With Water Dist.

Mr. and Mrs. Dee Keilers have moved here from San Angelo, and Mr. Keilers will be the new assistant superintendent for the Crockett County, Water District.

The Keilers are at home on Waterworks hill with their family, Lance Ray, 5, and Karen Kay, 8.

Before moving to Ozona, Keilers had been district superintendent for the San Angelo Water Department for twelve years.

ber of Ozona Troop 221. She has been in scouting for ten years

and has attained the rank of First Class GS. Diana will serve as

a resource person for the discussion group "Developing Cross-

Cultural Understanding Through the Girl Scout Program."

"THE HSU SINGING MEN" A musical group from Hardin Simmions University selected to entertain for the Ozona High School seniors at the annual Baptist Banquet honoring seniors to be held at the Civic Center Oct. 28. The group, which has toured the U. S. and Japan, will also perform during the morning worship hour at the First Baptist Church the following morning.

Lions Meet Owls In

Ozona's Fighting Lions are braced for their first district game tomorrow night in Big Lake with the Reagan County

Coach Rip Sewell feels that the game will prove to be one of the toughest for the Lions, as the Owls have a versatile ball club and are playing sound fundamental football. The Owls have one of the toughest defensive clubs in the district and have given up only 24 points to their opponents in five ball games.

The Lions will be favored to win and rightly so. They have won four games in a row with impressive scores, having a 4-1 season while the Owls have won three, lost one and behind the Owls in team defense and second to Coahoma in offense, while the Owls are next to last in offense in the

Statistics show the Lions last in only one category. They have received fewer penalties than the other five teams in the district.

In individual statistics for the district the Lions own the top rusher, Ruben Tambunga, and have three other men in the top twenty rushers in the district. Gerald Huff is third and has a slightly better average per carry than Tombunga. Other Ozona backs in the top twenty are Tim Evens and David Sewell.

Ozona's Sewell is fourth in the passing department, but top in touchdown passes

twenty receivers for the district. but has caught three touchdown passes to lead in that department.

Although Beal of Coahoma leads the district in scoring, Ozona players own the next three spots. Tambunga is second, Sewell third and Huff

Stanton is the only other team in the district besides

the Lions to own a 4-1 record. The Lions are in good physical shape with the exception of linebacker Gary Mitchell, who is still out with an injured knee and probably will not see action.

Game time changes for district play and kick-off time is 7:30 instead of 8 p.m. All Ozona fans are urged to be on hand early to get seats, as the game promises to be one of the biggest attractions in the district.

Member Pioneer **Crockett Family** Dies In Santone

Funeral services were held Friday afternoon in San Antonio for Miss Carcie Stricklen, 63, member of a pioneer Crockett County family, who died Thursday in San Antonio where she had lived the past 20 years.

course for adult ranchers will be held October 30 under the sponsorship of the Ozona High School Vocational Agriculture Department, according to L. B. T. Sikes, superintendent, and Jim Leech, teacher of vocational agriculture.

Bill Hollenback, welding specialist with the Agricultural Education Adult Specialist Program headquartered at Texas A&M University, will do the instructing in the course.

Mr. Hollenback holds a B. S. Degree in Agricultural Education from Oklahoma State University and an M.S. in Agricultural Education from Texas A&M University. Hollenback was a professional welder for Atlas Tank and Steel for five years with headquarters at Tonkawa, Okla, He has taught Vocational Agriculture for years pri or to joining the Adult Specialist Program.

The short course at Ozona High School is scheduled to begin Oct. 30 at 7:00 p.m. in the vocational agriculture building. Other meetings in the series of four will be held Oct. 31, Nov. 1, and Nov. 2. During the dates the short course is in progress, Mr. Hollenback will be available to assist ranchers and farmers with individual problems and to provide on-the-farm instruction.

Those interested in attending the short course should write or call the teacher of vocational agriculture, Jim Leech. An entry fee of \$5,00 will be charged. Farm Welding Short Course certificates will be presented to each enrollee who attends all the training sessions.

Hollenback says that the short course will be adjusted to the wishes and interests of those en-

cover such subjects as safety in welding, factors controlled by the operator in running a bead, striking an arc, types of electrodes, preparation of joints, distortion, cutting, hard for Mr. Moran surfacing, and pipe welding.

Assurance that an election will be called at the earliest practical date for a bond issue to build a nursing home in Ozona was given a group of interested citizens meeting with the Crockett County Commissioners Court at a postponed session Monday afternoon.

"If the people approve the issue, the Court further pledges its assurance that it will proceed with all due haste to bring about the construction and equipping of such a home for the county's senior citizens, " County Judge Troy Williams further assured the group.

The meeting of the citzen group was arranged following last week's gathering with the county judge in the absence of other members of the court, just back from attending a meeting of the County Judges and Commissioners Association meeting.

Rev. John Berkley, pastor of the Ozona United Methodist Church, acted as spokesman for the group of citizens, presenting on behalf of those present a plea for action by the court to bring about construction of the nursing faci-

Rev. Berkley presented the proposal from the standpoint of community need and its

economic advantage. "A recent survey showed a total of approximately 20 aged persons from Ozona who are now receiving care in nursing homes outside the county," Rev. Berkley said. "The survey revealed the average cost at approximately \$300

Mrs. R. A. Harrell, another citizen-worker for the nursing home, pointed out the urgency of the need, citing the experience here and in other counties where those most in need of care are gone before facilities can be completed. Careful planning, of course, is necessary, Mrs. Harrell conceded but there is such urgency behind this project as to merit immediate and se-

rious planning and execution. Judge Williams pointed to another obvious fact for citizens to consider--that when you go to capital expenditures you are going to face a raise in taxes.

"We are hopeful, however, " the Judge continued, "that the raise in taxes can be kept at a moderate figure." We have recently been informed that this county will receive some \$82,000 from the federal government under the revenue sharing plan recently passed by the Congress. If this is so, it appears to me that this will be an excellent place to use such a fund, thus reducing the county's obliga-

tion in the construction cost. "On behalf of the court, I want to thank all of you for coming and showing your interest in this matter. And I want to again assure you that this court will carry out the plan to set the bond election and if it is approved by the electorate will proceed with the award of construction contracts as rapidly as possi-

"We have done a good job for our youth and I think that is excellent, " Mrs. Thompson said. "Now I think we should get on with the job of providing care facilities for our senior citizens. It, no doubt, will cost the county something but the dividends will be great. I believe it will help stabilize the doctor situation and prove a means of increasing the nursing

Also speaking for the project were Mrs. Tom Powers and Mrs. Larry Arledge, Mrs. Arledge president of the Ozona Woman's Forum, offered that organization's endorsement of a nursing home bond issue and Rev. Berkley spoke for the Ozona Rotary Club, declaring that organization membership favor ing the plan.

Rev. Berkley expressed the group's appreciation to the court for its good work so far in the planning and for its attention to citizen

Letters To the Editor

Dear Editor. One of the duties of a Christian pastor is to visit the sick and elderly of his congregation. As I make my rounds in Ozona, and survey the needs ate new jobs. Someday our of my own congregation, I oil activity, highway constru am constantly reminded of our need for a nursing home. At the present moment Ozona has between 20 or 30 in nursing or retirement homes outside of our community. In addition some of my members compiled a list of over 202 who may need a nursing home within the next 5 to 10 years. One of the human tragedies is that our elderly must be sent away from their home, community, family, and friends into a strange community to spend their declining years. In addition most of their friends who could visit

them are not able to because

From another point of view, every town needs some kind of an industry or business to keep the economy miving. Tie community needs some

our money working in the community or bring outside money in to make it prosper. A nursing home is a ready-made industry which will not only serve the physical needs of our people, but will also creoil activity, highway construction, and pipeline work will be more or less completed and economic benefits from these activities will decline. We will need something to fill the gap created by these economic changes. If the proposed 40 bed nursing home were completed and in full operation at that time, it would be operating at about \$144,000 or more in revenue per year. And a good part of that would be from Federal Funds. A least we would not be losing the \$6,000 or more being spent per month by those 20 or more living outside our community now. Economically it is better Ave. C. Call 392-5162 or 884-

Is this true? Are we all really helpless victims of circumstance? If you think so, reconsider! We make our own decisions! Sometimes they are right, sometimes they are wrong, but they belong to us-not to chance. Perhaps that is why we all need help, inspiration and self-dignity. We need to know that as God's children, our faith comes only as a gift from Him.

Where do we find all this? Well, we start to find it in the Church. Shown the way, the rest is up to us. Why not go to church next Sunday?
