Only One Change This Week In Hunting Contest

Chamber of Commerce manager Hubert Baker reported only one change in the three-category hunting contest over the past week and that was in the heaviest field dressed race.

Warren White of Mer Rouge, La took over the lead with a kill of 125 pounds field dressed from Manuel Herrera who had a record 122 pounds the week before.

Widest rack record is still held by J. L. Hudman with a measurement of 21 inches and most points is still the 15 pointer killed by J. C. Roberts of Fort Worth two weeks ago.

Rankin Wins Annual Ozona BB Tournament; Lions Runners-Up

It was "often a bridesmaid but never a bride" for the Ozona Lions in the final game of the 42nd Annual Basketball Tournament last Saturday night. The Rankin Red Devils beat the Lions 49-41 in the championship game to take the top trophy and leave the Lions in the runner-up spot.

Del Rio beat Comstock 73-51 to take the third-place trophy, and the Reagan County Owls prevailed over the Sonora Broncos 55-41 for the consolation title.

Mertzon was awarded the sportsmanship trophy. Gerald Huff of Ozona was named outstanding player for the tournament. Named to the all-tournament team were Robert Gunnels of Big Lake; Gary Scott of Brady, Darrel Wieshunn of Wall, Bodie Bennett of Rankin, Bruce Kerbow of Sonora, Randy Crawford of Ozona, Raymond Skiles of Comstock, Gene Flores of Del Rio, Jimmy Matthews of Rankin, and Jim Bailey of Mertzon.

Officially counted the tournament one of the most successful in years as most of the games were very close, with eleven out of the seventeen games played being won or lost by from one to six points.

Good crowds were on hand for the tournament at all sessions, especially the final session Saturday night when an almost capacity crowd watched the final games.

Play got underway Thursday afternoon with Wall smashing Sonora 74-49, and Comstock easing by Mertzon 49-48. In the night session Lakeview picked up its first win of the season, easing by Big Lake 57-55. In the final game Thursday night Ozona beat Eldorado 58-35.

In the second round of the championship finals Comstock downed Lake View 41-37 while Ozona overcame Wall 38-37 in what was probably the most exciting game of the tournament. The Lions were down 16-2 at the end of the first quarter, but made a fine comeback.

In third round play Saturday afternoon Rankin beat Comstock 81-52 while Ozona beat Del Rio 59-56.

Other action during the week saw the Lions in a rematch with Lake View Tuesday night and the B team and the freshman team are in Mertzon tonight for a double header in the Mertzon gym.

Ozona Lions Club To Host District Meet

The Ozona Lions Club will be the host club for the mid-winter conference of the Lions District 2 A - 1. The meeting is scheduled to be held on January 12 and 13, 1972. On Friday evening, January 12, the club will host the district governor, Ewart E. Phillips, and his cabinet for their mid-winter meeting. Saturday morning, January 13, the actual conference will get under way with registration beginning between 8 and 9 a. m. The entire day will be filled with meetings and seminars on various subjects. The theme of the seminar will be VIP or "Vision is Precious".

Most of the seminar will be dealing with the progress of the District Eye Bank which is located in Midland, Texas. The Eye Bank is a project of Lions International with local clubs participating on a local basis. The district Eye Bank for the Ozona area is located in Midland with Leonard Hanson serving as chairman of the Eye Bank. The ideal was conceived that individuals would donate their eyes to the Eye Bank which then in turn could be used at various parts throughout the country for various operations on the eyes. In discussing the functions of the Eye Bank, Deputy District Governor, Bill Watson, stated that to date there have been at least two eye transplants in San Angelo. It was pointed out by Watson that the Eye Bank under the direction of Mr. Hanson has proceeded to begin operations in full force. The mid-winter conference

Commissioners Court Votes For Bond Election For Nursing Home

Meeting in regular monthly session Monday morning, the Crockett County Commissioners Court voted to call a bond election to build a half-million dollar nursing home for the county.

If the voters pass the revenue tax bond, the nursing home will be built adjoining the hospital at the north side. The court directed the County Judge to instruct the architect to hold the building cost to \$450,000, including furnishings and architect fees. No additional alterations to the hospital will be included. Members of the court have pledged to use the revenue-

sharing checks from the federal government to pay for the facility and feel that no new taxes will be necessary.

A check in the amount of \$41,163 was received by the county this week and another check in the same amount will be mailed in July. This will take care of the 1972 amount of \$82,326 for Crockett County. Revenue-sharing checks for 1973 will be paid quarterly.

The court voted unanimously to use the federal monies for the nursing home if the issue passes the voters. The nursing home facility has been under consideration by the court for some time and plans have been drawn and accepted.

Up to the present time, plans for the facility and the cost have been vague and varied, but the public may expect a more precise and detailed explanation before

the bond election is called. In other business it was reported to the court that the six-inch water line to the cemetery is almost completed and water pressure is ample all over the cemetery with the exception of the northeast corner. The court approved having West Texas Utilities install a service meter in the tool shed at the cemetery.

A request from the Texas State Department of Health that Crockett County take action to make the dump ground meet the state's minimum solid waste disposal standards was taken under consideration. It was agreed to drill test holes at the present dump ground site to determine whether a sanitary land fill can be put in operation at that spot.

Bids were opened for a one-half ton pickup and a one-ton pickup. Rutherford Motor Co. was low bidder on both vehicles.

Former Ozonan Bill Brock Dies In Monahans

W. C. (Bill) Brock, 83, of 302 S. Franklin, Monahans, died suddenly at his home November 18. Services were held in Monahans, November 20, with burial in Monahans Cemetery. He was born in Kentucky, May 7, 1889, and was retired. He had lived in Monahans 15 years, moving there from Ozona where he was a 35 year resident. A son, Sonnie Brock, preceded him in death.

Survivors include two daughters, Mrs. Roy L. Peters, of Abilene; and Mrs. Christell Story, of Clovis, New Mexico; two sisters, Mrs. Nellie Olsen, of Sonora; Mrs. J. W. Young, of Lubbock; and one brother, Jake Young, of Ozona.

Santa To Visit Ozona Children

North Pole -- Santa Claus has scheduled his annual pre-Christmas visit to Ozona. He will fly into town by plane, as his sled is being packed with toys and his reindeer harnessed for his Christmas rounds. He will be met at the airport by the fire truck and make a circle around the park, throwing candy to Ozona children, before setting up shop between the annex and the courthouse.

He will arrive Friday, Dec. 22, immediately following the close of schools for the holiday period. He will visit with each child individually and give each a package of candy. After hearing the wishes of Ozona children he will be off again to prepare for his Christmas visit.

Santa's visit to Ozona each year is sponsored by the Ozona Volunteer Fire Department.

Art Exhibit In Progress At Bank

Another exhibit of paintings from the Texas Fine Arts Association and the Texas Commission on the Arts and Humanities is on display at the Ozona National Bank and will be exhibited until Dec. 22.

Perhaps the most striking feature of this collection of art works is the many different ways each artist has sought to lend the appearance of textures to his work or has used materials to the same end.

The paintings in this exhibit received the 61st Texas Fine Arts Assn. annual awards. The public is cordially invited to view the paintings. The series of exhibits is sponsored here by the Ozona National Bank.

Drama Department Sets Christmas Plays

The Ozona High School Drama Department will present "A Christmas Festival" next Tuesday, Dec. 19, at the high school auditorium. The festival will consist of two plays beginning at 7:30 p.m.

The first play "Mr. Scrooge Finds Christmas," was adapted from the Charles Dickens' classic, A Christmas Carol. The play shows the transformation of a bitter miser into a charitable man who loves Christmas. The setting is Christmas Day, 1844. Leading roles are played by Steve Wilkins, David Sewell, Patti Schroeder, Jerri Lyn Hill, Denise Deaton and Gary Don Whitley. Others in the cast include Hector Cantu, Polly Dixon, Timmy Evans, Melonie Feltner, Gilda Johnigan, Phyllis Kerby, Emma Martin-

First Baptist To Present Cantata

The First Baptist Church choir will present the Christmas Cantata, "A Song Unending," by John W. Peterson Sunday night, December 17, at 7:00 o'clock.

The choir will be under the direction of Mrs. Steve Kenley. Accompanists are Miss Gilda Johnigan and Mrs. David Wallace.

Wayne Sage of San Angelo will narrate the cantata. Soloists are Mrs. A. Y. Allee, Mrs. Huey Ingram, Mrs. Gene Hood and Mrs. David Wallace. The public is cordially invited to attend.

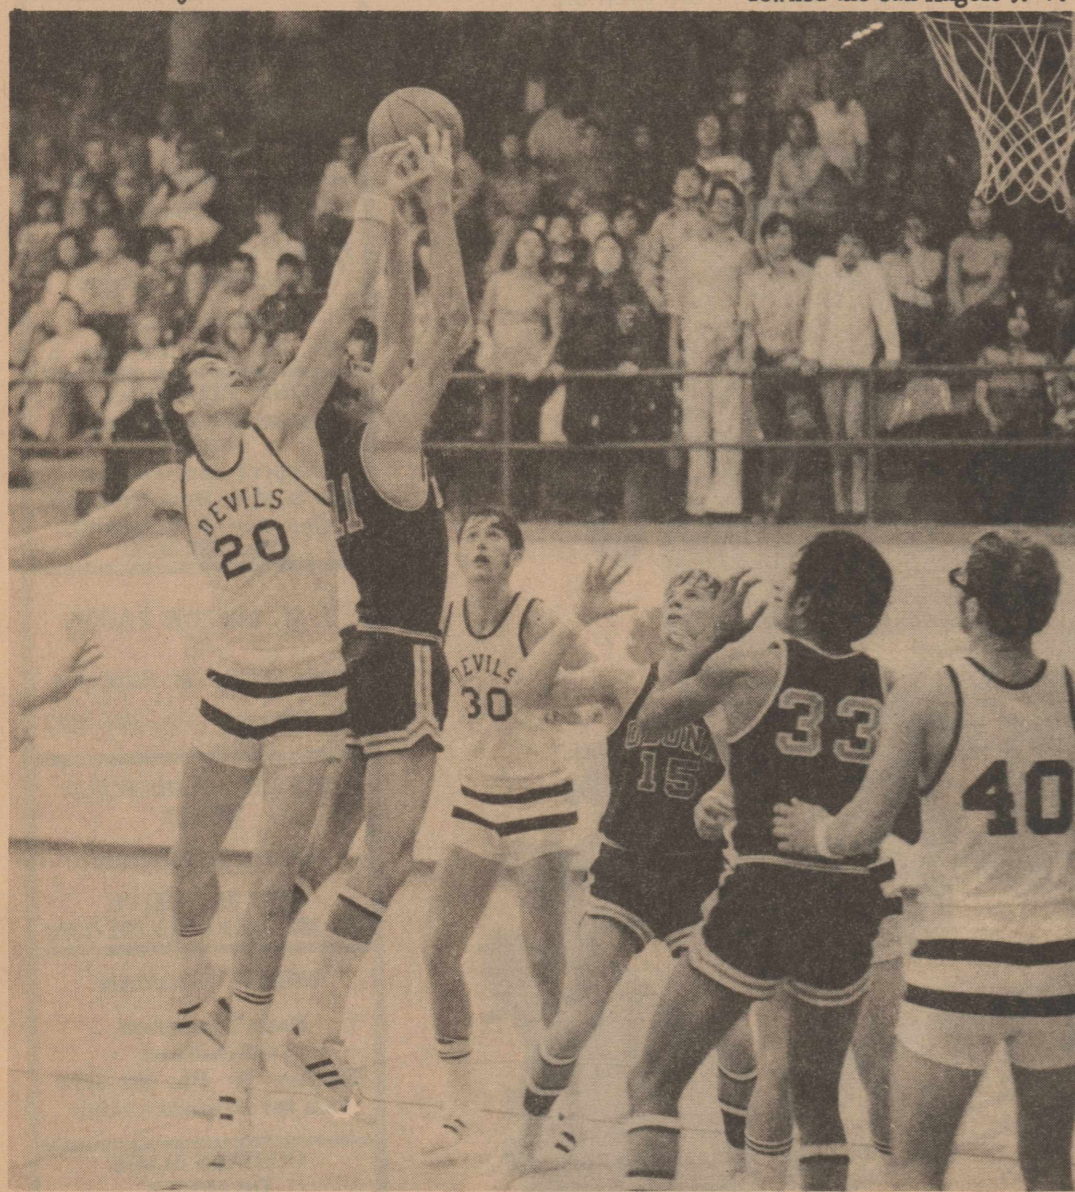

ez, Allan Wright, Brad Hoover, Mary Jo Hayes, Pete Maldonado, Jan Pelto, Jeff Hill, Kim Williams and Trey Rickey. The second play, "S. O. S. From Santa," is a spoof about an absent-minded Santa who has lost his suit on Christmas Eve. Jack Baggett plays Santa, Lida Tillman plays Mrs. Claus and others in the cast include Marissa Cantu, Debbie Deaton, Shelley Jones, Randal Papanas, Rebecca Seahorn, Lynn Thompson, Rickey Webster, Mark Kerby, Duane Williamson, Jan Eppler and Lesley Wellman.

Both plays are directed by Mrs. Tony Allen, Ozona High School Speech teacher. Also included on the program will be various musical selections by Patti Schroeder and Gilda Johnigan along with traditional carols by the students. A special treat for the younger set will be a visit from Mr. and Mrs. Santa Claus.

The public is urged to attend the "Christmas Festival." Tickets are \$1 for adults and 75¢ for students. They may be purchased at the door or from any drama student.

A special performance is scheduled for Wednesday morning for Ozona Primary school students. They will be taken by bus to the auditorium at 10 a.m. The performance will be for primary students only.

As a special feature during the week of December 17-23, the speech department will have Santa Claus available to visit homes and school parties.

AN EXCITING FINALE to the annual basketball tournament was the championship game between the Lions and the Rankin Red Devils Saturday night. The Rankin team held out to win 49-41, but the Lions were within a point of taking over the lead with two minutes to go in the game. The action brought fans from their seats several times. (David Wallace Photo)

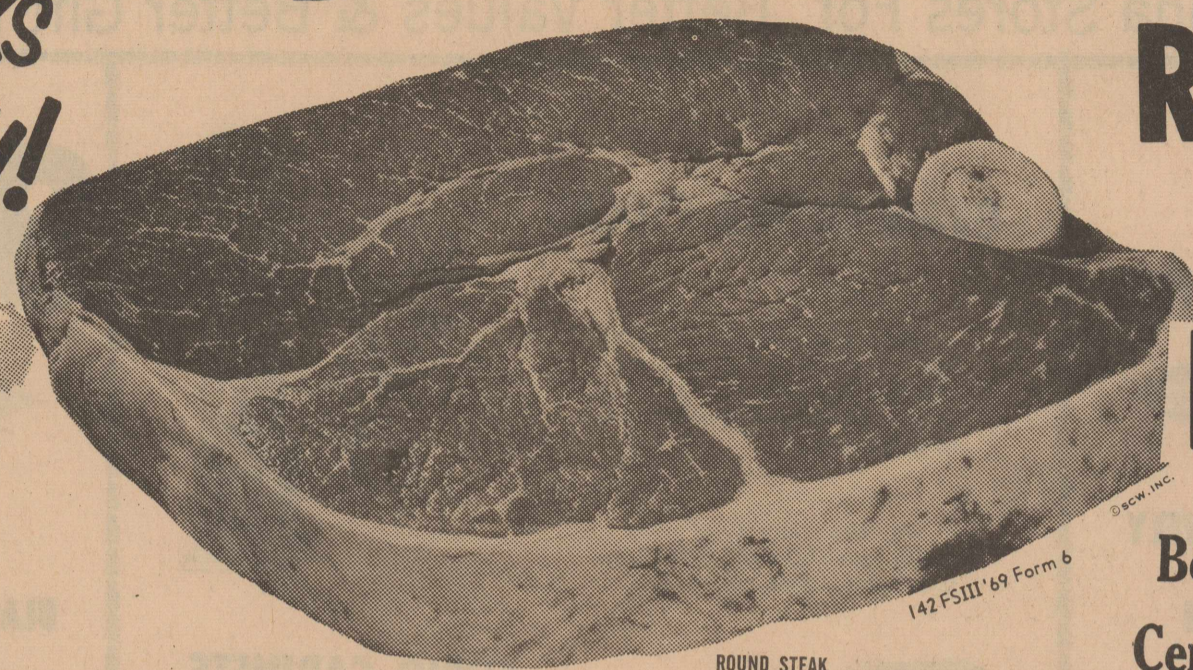

COLD NIGHT IN DOWNTOWN OZONA -- Even the Christmas lights failed to lend warmth Sunday night when the mercury dipped to 15 degrees above zero and all Ozonans and travelers alike felt the chill. Hunters were driven in at mid morning Sunday when the coldest spell of the winter hit the area. The

front hit around 9:00 a. m. and the mercury fell steadily all day and into Monday morning. Light mist and particles of snow resulted in icy streets and sidewalks, but the heavy ice storm missed the Ozona area. (David Wallace Photo)

Tips For Gardeners

From the Ozona Garden Club
By Mrs. Bailey Post

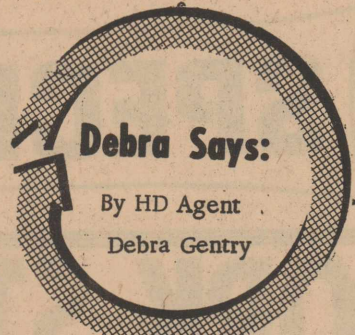

The beautiful, warm fall days we look forward to each year were abruptly ended with the most severe and extended cold we have experienced for several years. I have never seen the pecan trees defoliated so quickly. The discarding of these leaves have been the main chore and diversion for several weeks. Every shrub or tree should be fully dormant now, so it would be safe to move at the first warm-up this month, or wait until late February. This is the best time to plant bare-root fruit, nut and shade trees.

Pine trees do well here if the soil is properly prepared, given adequate water and fertilizer. Young ones are easier to grow if planted out of doors, or to be container grown. Some varieties to choose from are Loblolly, Scotch, white, slash, native of Big Bend area Pinon, Austrian, Japanese black and Panderosa.

A wide selection of roses should be available now, and for best results choose only No. 1 grade bushes. Plant now if possible in bed that has already been prepared. If you prefer to wait until Feb. or March most will be sold in buckets to be transplanted.

For Christmas decorations the beautiful evergreen branches from our yards make attractive and durable arrangements or wreaths for anyplace you want greenery. Immediately after cutting, crush or clip stem ends with a hammer or knife. Then place them in deep water in a cool place over night or for several hours. To care for poinsettias, supply with ample moisture but not to excess. Place the pot in a sunny location, keep-

ing your room temperature higher than where grown will slightly shorten the life of the bloom. Keep out of drafts at moderate temperature. Dormant spraying to combat scale insects and certain other pests and diseases may now be given attention. Check weather reports and do not spray if there is danger of the temperature dropping below freezing.

Gift shopping by mail can mean many advantages to customers as Christmas draws nearer.

Holiday buyers may save time and money shopping by mail--but first certain precautions must be remembered.

Wise shoppers will compare prices and goods at other kinds of stores--discount or wholesale stores and department stores--before buying by mail. A catalogue price isn't necessarily the lowest price available.

Also, the customer must order well in advance. Goods may suffer damages, be the wrong merchandise, or not arrive at all. They even could be unsuitable due to misleading advertisements.

A checklist for the consumer buying by mail is as follows:

Use a familiar company or ask the Better Business Bureau about it.

Follow mailing instructions carefully; write your return address clearly.

Know shipping charges and handling fees in advance (ask

at the post office, United Parcel Service or REA offices). Use checks or money orders; don't mail cash.

Know company policy on returns and substitutes. Keep records of order date, date check was mailed, and exact goods ordered.

To report problems or complaints, write the company and explain in detail.

If this doesn't bring satisfactory results, write to Direct Mail Advertising Association's Mail Order Actionline, 230 Park Avenue, New York, New York 10017.

On getting to the top...

Take another look at these stairs. You're right, there are no landings! Risky business climbing stairs without landings. And stupid, too, since they don't go anywhere.

There are people who would sacrifice almost anything to get to the top. They talk excitedly about the ladder of success. But in their eagerness to climb, they often choose a *stairway to nowhere*.

One day the stone masons and cement-pourers will catch up with the structural-steel men. Then a building will unfold this stairway. It will have meaning and purpose. It will be a *stairway to somewhere*.

Our churches are busy building spiritual values into the structure of our society. As these spiritual values unfold man's quest for success, the man on his way to the top becomes a dedicated servant of God and the community.

Brought To You By J. D. Brown SEE HOW WELL YOU CAN DO

ON FURNITURE QUIZ In a previous column, we mentioned that everybody likes quiz games and we brought you a "furniture and decorating quiz". Today, we thought you might enjoy another quiz to see how well you can do.

One of the most famous periods in furniture history is the Georgian Period. In what years did it develop?

Almost everybody has heard of a style of furniture called "Hepplewhite" who is it named after?

Who exactly is a Welsh Cupboard? Who is the style of furniture called "Sheraton" named after?

What is Baroque? Answers:

The Georgian Period developed primarily during the reigns of George I, George II and George III between the years 1714-1820.

Hepplewhite style of furniture is named after one of history's great cabinetmakers, George Hepplewhite, who lived in the 18th Century.

A Welsh Cupboard is a cabinet with an enclosed storage base and the upper part composed of open shelves.

The style of furniture called Sheraton is named after Thomas Sheraton who designed furniture in the late 1700s.

Baroque is a style best described as featuring irregularly shaped and ornate furniture.
