Kitty's Korner

By Kitty Montgomery

I took off last week and watched every minute of the President's press conference, and I'm so glad I did. The runs cut out a lot of the good part and by the time it was analyzed two or three times, it got pretty twisted. I can't seem to get over the fact that people only hear what they want to hear.

Even during the press conference one reporter twisted an earlier statement made by the President and was vigorously corrected.

I have never seen a President of the United States, nor anyone else for that matter, put through such an ordeal. It must have been a terrific strain, but had it been a sports event, President Nixon clearly emerged the winner.

Of course, it was one against about 50 and the odds were bad for President Nixon. I didn't hear a friendly voice during the entire fifty minutes of questions and answers.

The President came through loud and clear, and whether the mass media was satisfied or not, the general public got a great deal of satisfaction out of the fact that he spoke up in no uncertain terms.

In the opinion of this "old country editor," the President more than held his own with the national press corps. I wish he would do it more often, however, he's only human, and nobody can blame him for not holding more press conferences. Not after that vicious attack.

Since this week is the anniversary of the Woman's Liberation Movement, I guess it should be mentioned in passing.

I don't know why, but it seems that all good causes wind up headed by a bunch of kooks, and I just can't go along with their philosophy.

I am in accord with their thinking when they demand equal pay for women who do the same job as men. I've found that women tend to be more conscientious than men, and I think probably that women should make more money than men for doing the same job.

However, I thoroughly enjoy being a woman and take as much advantage as I can from it. I don't want to be treated like a man. I can safely tongue-lash a man twice my size and never worry about getting punched in the mouth.

I am used to and expect my men, Tom and Jim, to open doors for me, carry out the trash, mow the lawn, pay the bills, make the decisions I don't want to cope with, and the thousand and one other things that are on the plus side for women.

I guess everyone has to do his or her "thing" and perhaps the "movement" has done some good in some instances, but for the most part it seems to be led by women who are more masculine than feminine, and they are so militant that they've about turned everyone off their cause. Sorry about that girls.

Sorry also about the "before picture" of the freshman girls last week. In the last minute turmoil of getting the paper together, yours truly picked up the wrong picture. I was the most surprised person in town when I saw the paper and discovered the "good" picture still in its place on the makeup table. You are never to old to learn, and I have learned to throw the bad pictures away immediately if not sooner.

Caught by the photographer at a practice session behind the high school Monday afternoon, the girls are, 1, to r., front, Sally Bailey, Bobby Jones, Sylvia Flores. In back are head cheerleader Jan Pelto, Anne Tillman and Debra Clayton.

Lions To Scrimmage Lakeview In Ozona Tomorrow Night

Ozona football fans will have an opportunity to see all three Lion teams in action tomorrow afternoon and night. The Lions will scrimmage Lakeview at the stadium here. The freshman team will get activities underway, starting their scrimmage at about 4 o'clock. The junior varsity will scrimmage their Lakeview counterparts about 5:15 or thereabouts with the varsity to begin scrimmage around 6:45.

Lion coach Rip Sewell said the class AAA Lakeview teams should be as strong or stronger than any teams the Lions are scheduled to play, and the outcome should give coaches and fans a pretty good preview of what the coming season will be like.

Sewell was especially pleased with the team last Friday night in an inner-squad scrimmage and said the Lions looked good overall. The backfield was a pleasant surprise to all the coaches. Sewell said that Oliver Payne and Romaldo Cervantez looked good at the tailback spots. Pete Maldonado and Richard Gonzales turned in good performances at the full back positions, and Rick Hunnicutt did an outstanding

job at wing back. Craig Taliaferro and Chris Reeves, both up from the junior varsity, looked good quarterbacking.

Most impressive was the offensive line, Sewell said, all returning lettermen.

Sewell said the Lions needed more work in the defensive secondary, but that the boys were coming around nicely.

The scrimmages will be the usual controlled pre-season scrimmages with no kicking, each team will have the ball for 20 plays, and then switch.

The Booster Club barbecue which was planned for tomorrow night has been re-scheduled for Tuesday evening, Sept. 11.

Lions Varsity Roster carries the following players: Craig Taliaferro, 150 lb. Sr., QB, B-Team exp.; Lionel Cervantez, 140 lb. Sr., QB, B-Team exp.; Chris Reeves, 155 lb. Sr., QB, B-Team exp. Jim Tambunga, 145 lb. Jr., WB, 1 letter; Rick Hunnicutt, 150 lb. Sr., WB, 2 letters; Romaldo Cervantez, 150 lb. Jr., TB, B-Team exp.; Richard Gonzales, 162 lb. Jr., FB, B-Team exp.; Oliver Payne, 170 lb. Sr., TB, 2 letters; Pete Maldonado, 170 lb. Sr., FB, 2 letters; Henry Fay, 150

Two Flu Shots A Must This Year

The State Department of Public Health has advised that two flu shots will be necessary this year, according to County Health Officer Wm. R. Johnson, M. D.

The two shots are necessary due to the new strain of flu that developed last fall. The shots should be taken about three weeks apart and completed before November 1, Dr. Johnson said.

OHS Band Gets Organized

The Ozona Lion Band started the new season with a bigger and better band than ever before. The band boasts a 96-member marching band and has 110 students enrolled. An outstanding front line will feature the State champion male twirler, Harvey Weant.

Weant was also chosen band president for the coming year. Jan Pelto was elected vice president and Bobbie Jones, reporter.

The percussion section of the band spent Saturday in Brownwood at a day-long clinic. They were featured in a demonstration for attending band directors.

Food Stamp Program To Begin In Crockett County October 1

There has been some confusion about the change over from commodities to food stamps in the county. The Food Stamp Program will start in the county Oct. 1, and the commodity program will be phased out with the handing out of September commodities.

All commodity and welfare recipients in the county have been mailed application forms. Accompanying the eight-page form is a self-addressed envelope and the completed form should be returned in it as soon as possible.

Tax Official Assumes Duties Today In Ozona

John Skelton recently of Coleman assumed his duties as tax supervisor for Crockett County today, replacing Mrs. Gertrude Perry, who resigned last Friday due to ill health.

Skelton was appointed by Sheriff Billy Mills, tax assessor-collector, last week. He has been Coleman County Tax Assessor-Collector for several years and was an elected official there. He still had three years to run on his present term of office, before resigning to accept the job here.

Mrs. Eddie Arnold and Mrs. Luetta Beall are presently employees in the tax office which is under the supervision of the sheriff's department in Crockett County.

SS Checks To Be Delivered on 1st

Social security checks for August will be delivered on September 1st this year, which is "unusually" early, according to J. M. Talbot, social security manager.

"Checks for a given month are usually delivered on the 3rd of the following month," Mr. Talbot said. "When the 3rd falls on a day mail isn't delivered -- a Sunday or a national holiday -- the checks are usually delivered a day ahead, the 2nd of the month."

"This year, September 2nd is a Sunday and September 3rd is Labor Day; so, social security checks will be delivered on Saturday, the 1st. It doesn't happen very often," he said.

Miss Leta Powell was in Big Spring over the weekend where she attended the 50th wedding anniversary celebration of her aunt and uncle, Mr. and Mrs. U. G. Powell.

For those who have not received the form or have lost the form, applications are available at the courthouse.

After an application is approved the recipient family will receive notification and a card with information on how much the stamps cost, etc. Stamps will be purchased at the post office and anyone with a cash-income of \$35 or more a month will be required to pay some amount for the food stamps.

Benefit Tennis Tournament Set In San Angelo

The attention of Ozona tennis enthusiasts-youth and adult-is drawn to a Tennis Tournament being held in San Angelo on September 15 and 16 benefiting the American Cancer Society.

Headquarters for the tournament will be Central High School and Pete Barizon, coach, is chairman of this special event.

All the tennis courts in San Angelo will be reserved for the tournament. Tennis balls and trophies will be given.

Events are as follows: SINGLES: High School Boys' & Girls'; Jr. High School Boys' & Girls'; Men's and Women's.

DOUBLES: High School Boys' and Girls'; Jr. High School Boys' and Girls'; Men's and Women's Mixed; Men's and Women's.

Tax deductible entry fees are: Doubles: \$7.00; Singles \$5.00 adults; \$4.00 juniors and entry deadline is September 10, 1973. Checks should be made payable to American Cancer Society and entries mailed to Pete Barizon, 908 Shiloh #9, San Angelo, Texas 76901.

Trophies will be awarded to winner and runner-up and players may enter two events in addition to mixed doubles.

Annual Booster Club Banquet To Be Sept. 11

The annual Lion Booster Club banquet will be held Sept. 11 at 7:30 P.M. behind the high school, instead of tomorrow night as originally planned.

Tickets will be \$2 each. The tickets are actually membership cards and entitle the holder to participate in any activity of the club during the year, along with the barbeque.

Following the meal, the players and coaches will be introduced and officers for the year will be elected.

Jack Baggett, current president of the club, will be in charge of the ticket sales.

Eligible households pay a determined amount for food stamps and are then given bonus stamps based on the size of the household and their total net income. Bonus stamps make up the difference between what a household can pay for food and what is necessary for a nutritious diet.

Bonus stamps represent money that low income households would not otherwise have to spend at local grocery stores. A recent study revealed that food stamps represented from five to ten percent of the total retail food sales.

Ozona grocers were represented 100 percent last Thursday night at a meeting in Sonora concerning food stamp eligibility. They were given applications to fill out and were told that their stores would receive an inspection prior to certification as a participating grocery.

Participating grocers accept food stamps for the purchase of most foods and food products. Food stamps cannot be used to buy alcoholic beverages, tobacco and most imported items.

Participation in the food stamp program is voluntary and does not prevent the household from receiving any other benefits to which the members might be eligible.

Food stamps increase the food purchasing power of low-income households, and generally stimulate a community's economy.

Monday Will Be Holiday

Although Monday has been officially named as a city holiday, several businesses will be open.

Offices, the bank, the post office and most retail outlets will be closed, but most cafes, service stations and grocery stores will open as usual Monday morning.

Assembly of God Revival Sept. 2-9

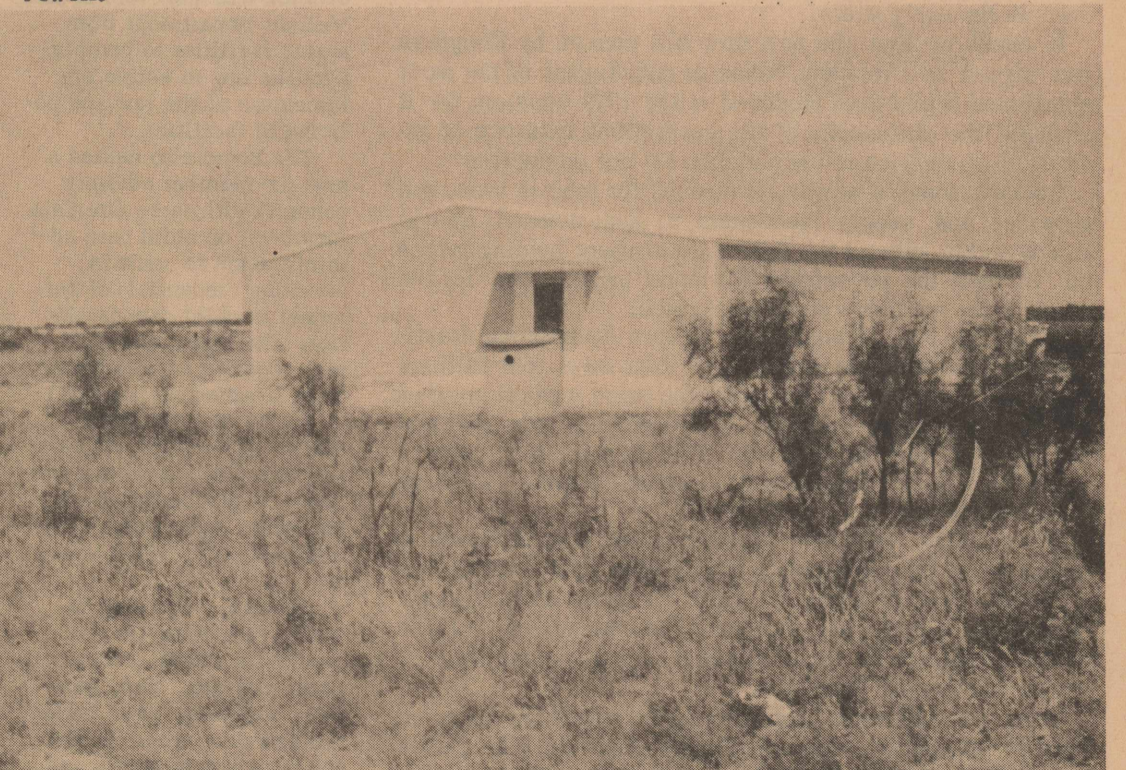

The Assembly of God Church will hold a revival beginning Sunday, Sept. 2, and continuing through Sunday Sept. 9.

Rev. Leo Villa of San Antonio will be the visiting preacher. Services will start each evening at 7 o'clock.

The public is cordially invited to attend the services at the church on Santa Rosa St. and Hwy 163.

INDUSTRIAL AREA IN OZONA HAS NEW CONSTRUCTION-

The building shown will be a new veterinary clinic for Ozona and surrounding area. Dr. Gary Vannoy, recent graduate of Texas A&M College of Veterinarian Medicine and a native of Fort Stockton, will practice here. He expects to open the clinic within a month and will have a mixed practice. He and his wife, Nancy, have moved into the Mrs. B. B. Ingham home and he is presently practicing there and out of his specially equipped pickup. He is taking small animal clients at his home until the clinic opens.

Kennedy's Strategy?

Senator Edward Kennedy (D-Mass), the leading contender according to some polls for the Democratic presidential nomination in 1976, is being connected to the grand design behind the Senate Watergate Committee.

The recent revelation that one of the committee's staff members had been a special consultant to the late President Kennedy raised suspicions, naturally enough, that he is now indirectly working for Kennedy interests.

Kennedy at one time was considered for the chairmanship of the Senate's special investigating committee but Senator Sam Erwin instead was selected. In view of his own scandal involving the death of his secretary one night, which he didn't report until next morning, he was not the best Democrat to head the committee.

Yet as one of the Democratic candidates, he obviously stands to gain if the Nixon Administration is completely discredited. And that is certainly a political possibility in 1976. Watergate could, conceivably, be decisive in bringing about Democratic victory in 1976, which might be the same as a Kennedy victory. And will Senator Sam be the second man on the Democratic ticket?

The Politics Involved

One reason the American public, and many writers, have had second thoughts about the fairness of the hearings of the Watergate Committee is the obvious and possible political motivation involved.

This is not to say the motives of committee members are improper. But elected politicians are, after all, politicians. And every committee in Congress is Democratic. And every Democrat wants to regain the White House in 1976. They should. The temptation here to act politically is obvious.

Secondly, the committee staff is really the group running the hearing, not committee members, whose time is stretched so thin. The chief counsel of the committee is Samuel Dash, who is at least suspect as being radically anti-Nixon.

Another staff member, Carmine Belino, is accused of having aided in the Democratic bugging of Nixon headquarters in 1960. Belino denies the three affidavits, but G.O.P. Senators asked he be removed from the Watergate committee. Chairman Sam Erwin refused.

All this, plus the hero behavior of committee members, reacting to the applause and exhibitionism of spectators, gives the hearing a less-than-impartial flavor. The committee's refusal to postpone its show at the request of Democratic investigator Archibald Cox, of the Justice Department, also indicates the politicians want the limelight.

They have put on a good show, members are now national celebrities, and much valuable information has been publicized and uncovered—but it nevertheless has been a partisan, political show to a large degree.

A New Farm Era

Because of world conditions and Republican farm philosophy the nation and its farmers are moving into a new era. The new era ends one begun by President Franklin Roosevelt, a parity price support system which has cost the nation varying billions each year, in holding down production and holding up prices, saving many farmers, however, in the early years.

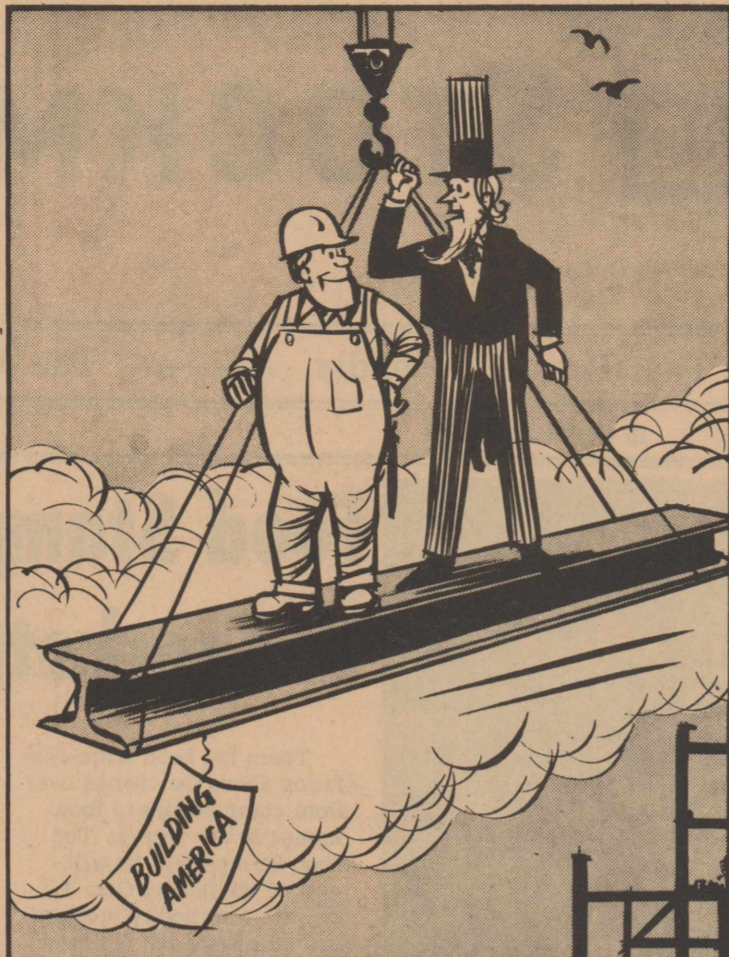

It could be that the new farm bill passed by Congress and signed by President Nixon in mid-August is the most significant legislation produced at the 1973 session, for it changes the philosophy of the government from one of restricting production to encouraging all-out production.

Because today's worldwide demand for food is great and growing, and supply inadequate to meet demand, this is now possible without the federal government holding prices up. In fact, the government's support prices today for the major crops are below the market price.

Thus the cost of support to farmers is dropping drastically. Agriculture Secretary Earl Butz says four billions were paid farmers last year under the price support program but that this figure will drop to two billions this year and to only half a billion next year. This is refreshing news in times when every federal budget seems to grow and every dollar is needed.

Historically, the new law means the United States is taking a turn back toward its agricultural past, will become a greater farm products exporter, as in its early history. (Industrial exports are also likely to expand; the dollar's recent devaluations make American prices especially attractive to foreign buyers.)

Thus the American public is to save billions on price support payments annually—though higher market prices eliminating their necessity means higher food prices. Increasing farm exports will also help balance the nation's international payments and thus help stabilize the dollar. These interesting new prospects, plus the new maximum support payment limit to one farmer of \$20,000, ending abuses, make the new agriculture program a welcome one.

HIGHLIGHTS AND SIDELIGHTS FROM YOUR STATE CAPITAL

BY BILL BOYKIN
Texas Press Association

The Texas Constitutional Revision Commission made key decisions last week on finance and legislative sections of the state's basic laws. It will formulate recommendations September 6-8 on judiciary and education provisions. Sections on local government and general provisions will be reviewed September 13-15.

Final action of the 37-member body, which is studying changes needed in the state's basic laws, is scheduled September 27-29. Meanwhile, a legislative planning committee for the January-May 1974 constitutional convention of lawmakers is moving ahead with preparations for the historic gathering.

The planners have voted to spend \$33,938 on new chairs and desks to place in the House of Representatives chamber during the convention. Chairs, costing \$165 apiece, will be replicas of those used by delegates to the 1876 constitutional convention. The desks, considerably more economical, will be made by state prison inmates at a cost of \$22.50 each.

The revision commission practiced some economies (of language) in shortening the recommended general legislative tax power section of the constitution from the present lengthy statement of limits and exemptions to the following:

"Taxes shall be levied and collected by general law for public purposes only, and shall be equal and uniform."

The 181 legislators who will be delegates to the convention will convene here December 6-8 for a briefing on details of the commission's recommendations. The convention will open January 8.

CHILD CARE RULES TIGHTENED—The State Board of Public Welfare is toughening requirements for licensing child-care institutions and has named former State Rep. Randy Pendleton of Andrews as temporary head of a licensing division.

Pendleton said the new division will shift role of the Welfare Department from urging facilities to comply with the law to active enforcement of the law and policing of facilities.

The Board also named a new six-member advisory council (with three alternate members) on child care administration to assist in checking credentials of personnel at child care facilities. The legislature this year required administrators to be licensed by January 1.

FARM PRODUCTION HIGHS SET—Texas farmers and livestock raisers are setting new production levels this year, Agriculture Commissioner John White reported.

Records, according to White, are being tied or broken for wheat, cotton, grain sorghum, corn, peanuts, soybeans, oats, barley, rye and rice. Texas is first in the nation in cotton and grain sorghum and fourth in wheat production.

and an increase of nine percent over last year. White said cattle producers marketed more cattle during June and July than they did a year ago, proving that they are not holding back because of the price freeze on beef.

White predicted that removal of the beef price ceiling will not cause skyrocketing of meat prices and may even help bring them down.

He said there are warning signs consumer resistance to the rising prices of food products is stiffening.

INSURANCE DEALS TARGETED—New Insurance Board rules aim to halt rate discrimination and unfair competition in property and casualty insurance.

Board Chairman Joe Christie said some non-rate-regulated companies, including Lloyds and reciprocals, offer unrealistically low rates to prime risks with the intention of having ultimate liability assumed by a rate-regulated company.

Christie said the "brother-in-law" deals can result only in higher rates for the majority of policyholders.

"A farce has slowly but surely been perpetrated when a large company either forms a Lloyds, or even rents one by one scheme or another, for the purpose of evading this state's regulatory laws," Christie said.

LETTERS TO THE EDITOR:

Dear Mrs. Montgomery:
I received a copy of the Ozona Stockman published August 16, 1973, as my son, Gib Bell, was one of the buckle winners. As I was reading through your paper I noticed your column "The News Reel", and the first item occurring 29 years ago was a write-up of James Kenney winning the match roping between he and Toots Mansfield, which was in the paper Aug. 17, 1944.

I thought it was so unusual for my son to be included in the write-ups on the front page and my father and his grandfather to have had a write-up of 29 years ago in the same paper.

I feel sure that whoever goes through the files of your paper did not know of the connection. I was only six years old at the time of the match roping and did not remember the event taking place approximately at the same time of the last roping this year.

We enjoyed your paper.
Sincerely,
Mrs. Gilbert Bell

SCHOOL TEAM
THE **LION'S ROAR**
NEWS FROM OZONA HIGH SCHOOL BY TERESA SHAW

Last Friday afternoon, elections were held at O. H. S. for Student Council and class officers. Student Council nominees were voted for first since those elected were ineligible for class offices. The Senior class elected Lessly R. to run for Student Council Representative. Jimmy West was chosen as President, Gary Mitchell as Vice President, and Pat Sanker as Secretary.

The Junior class elected Rex Parker, Donald Higginbotham, Virginia Henderson, and Anne Tillman to run for Student Council Representatives. Tommy Hoover was chosen as President, Sylvia Flores as Vice President, and Debbie Montoya as Secretary.

The Sophomore class elected Ricky Perry, Frankie Garza Carmen Galvan, and Belinda Beebe for Student Council. Lynn Maness was chosen as President, Kerby Kirken as Vice President, and Karla Fenton as Secretary.

The Freshman class elected Bobby Knox, Orlando DeHoyas, Kathy Sewell, and Nancy Womack to run for Student Council Representatives. Brian Gries was chosen President, Mike Fay Vice President, and Johnny Castro Secretary.

The Ozona Lion Band began practicing their music and marching before school started. The enrollment for the first day of school brought us 110 Band members. The drum section picked up some new cadences and is really making the band sound sharp.

During the summer sessions band officers were also chosen. Harvey Weant is to serve as President, Jan Pelto as Vice President, and Bobbie Jones as Reporter. The band marches on the parking lot across from the football field and spectators are welcome.

Leading the band this year will be Karen Moody as drum major, State champ Harvey Weant as feature twirler, and majorettes Virginia Henderson, Suzanne Williams, Pam Sanker and Nancy Womack. A six yard banner will be carried by Karen Williams

State observances of the day will coincide with those established nationwide by President Nixon.

In his proclamation, Briscoe cited American hunters and anglers as "leaders in major conservation programs throughout our nation."

"Through their publications and organizations," Briscoe continued, "hunters and fishermen have led the nation in the battle for a better environment and the wise use of our natural resources."

The governor urged all Texans to join with the sportsmen-conservationists in a rededication to the wise use of natural resources and their proper management for the benefit of future generations.

He also prompted the state's citizens to visit sportsmen's clubs on Hunting and Fishing Day Sept. 22 to learn more about conservation and outdoor skills.

Parks and Wildlife Department Executive Director Clayton T. Garrison is making the department's facilities available to the public. Hatcheries, wildlife management areas and other stations will be open in observance of the day.

Information officers of the department will also be available as speakers to local sportsmen and conservation organizations.

"Observances of National Hunting and Fishing Day in Texas will be an excellent opportunity for the state's sportsmen to see firsthand how their hunting and fishing license money is being put to use," said Garrison.

"Through license funds and support from the outdoorsmen of the state, Texas can boast about some of the nation's best hunting and fishing."

THE FAMILY LAWYER

Danger From Below
Farmer Watson's sheep, grazing in their pasture one morning, spied a thick, molasses-like liquid oozing out of the ground. Finding it appetizing, they all took a long drink.

Unhappily, the liquid was nothing but crude oil, seeping up from a broken pipeline that ran underneath the farm. In short order the sheep sickened and died.

Watson lost no time in seeking damages from the pipeline company. In court, he pointed out that the company had known of the leak for more than a week without bothering to warn him of the danger.

Result: the court ordered the company to pay for the dead sheep. The judge said it had failed to exercise the "reasonable care" that the law demands in such circumstances.

This case illustrates the type of claim that can arise from the network of cross-country pipelines now spreading swiftly under our land.

Gas pipelines too have their hazards. In another case, a gas pipeline was laid on the surface of some suburban property, close behind a small house. A resident of the house unwittingly backed his car over the line, cracked it open, and suffered a toxic dose of escaping gas.

When the man asked for damages, the company said it had a contractual right to lay pipeline "anywhere on the premises." But a court said this did not mean it could do so without fair regard for the safety of people living there.

Of course, the resident who is aware of a pipeline has to take reasonable precautions too.

Another farmer was injured when his plow struck a buried pipeline, throwing him to the ground. But it seems he had known where the pipeline was, and had been hoping that the plow would just slide right by it.

A court decided he could not collect damages from the pipeline company.

"He contributed," said the court, "to his own hurt."

Miss Dryness And Mr. Mitchell Are Married

Miss Lois Marie Dryness and George Keith Mitchell, Jr., were married Friday, August 24, in a ceremony at Faith Presbyterian Church in Quarryville, Penn.

Parents of the couple are Dr. and Mrs. Franklin Dymess of Quarryville and Mr. and Mrs. G. K. Mitchell of Sanderson. The bride's father performed the ceremony, assisted by the bride's brother, Rev. F. S. Dymess, Jr.

Matron of honor was Mrs. Charles Baldwin of Maywood, Ill. Bridesmaids were Miss Nancy Dymess and Mrs. Lawrence Andres, both sisters of the bride of Quarryville, Mrs. David Weston, sister of the bride of Lancaster, Pa., Mrs. Thomas Hayre, sister of the bridegroom, of Sanderson, and Mrs. Tom Harpootlian of Sterling Heights, Mich.

Best man was William Frazier of Ames, Iowa. Groomsman and ushers were Lance Wise of Seattle, Wash., Ronald Good of Pittsburgh, Pa., Rev. Lawrence Andres of Quarryville, Dr. David Weston of Lancaster, Pa., and Thomas Hayre of Sanderson.

The bride wore a floor-length gown of silk organza with re-embroidered chantilly lace bodice and high neckline, featuring lantern sleeves and lace cuffs. Lace and flower motifs trimmed the skirt and

detachable cathedral-length train. Her Victorian bridal cap was attached to a three-tiered veil bordered with lace. She carried a bouquet of orchids, stephanotis and white sweetheart roses with greenery.

A reception followed the wedding on the lawn of the bride's home.

The bride is a graduate of Solanco High School, and Wheaton College. She received her Master's Degree in English Literature from the University of Minnesota where she was a member of Lambda Iota Tau.

The bridegroom is a graduate of Ozona High School and New Mexico State University. This past spring he received a Master's Degree in Divinity from Westminster Theological Seminary in Philadelphia, Pa. He is a member of Blue Key, Alpha Zeta, Pi Gamma Mu, and Phi Kappa Phi.

The rehearsal dinner was hosted by the bridegroom's parents at the Treadway Inn in Lancaster, Pa.

Also attending from Sanderson were Mr. and Mrs. N. M. Mitchell and Mr. and Mrs. N. M. Mitchell, Jr. and family.

Miss Harrison And Mr. Sewell Are Married

Miss Nikki Lee Harrison, daughter of Mr. and Mrs. W. L. (Bud) Harrison, and David Neil Sewell, son of Mr. and Mrs. L. T. Sewell, were married Friday, Aug. 24, in Mexico.

Attending the ceremony were the bride's mother, the bride-groom's mother and Mr. and Mrs. Wesley Fisher, cousins of Mrs. Harrison.

David is presently enrolled at Southwest Texas State University in San Marcos where he is playing football. Nikki is a senior in Ozona High School and will finish school in San Marcos, where the couple will be at home at the Riverside Apartments.

The bride was honored with a pantry shower Saturday afternoon at the home of Miss Teresa Shaw. Assisting hostesses were Miss Jan Pelto and Miss Lara Sue Arledge. Around 20 guests attended.

Mrs. Nicholas Attends Cancer Meeting

Mrs. M. E. Nicholas, Crockett County Crusade Chairman, represented the county as one of the approximately 350 delegates attending the 28th Annual Division Meeting of the American Cancer Society last week in Houston.

"One of the first items that caught my eye in the hotel lobby," Mrs. Nicholas said, "was the fact that Crockett County was third in the state for fundraising per capita."

Coach Tom Landry flew in from California for the opening session Wednesday. State Crusade Chairman last year, he was selected director-at-large and elected to the Executive Committee. He expressed a desire to continue working with the Society and seemed particularly impressed with the all-out use of volunteers rather than paid staff. Landry flew back to California following the meeting.

Mrs. Nicholas was elected as director-at-large for this district along with Dr. Robert Grant of San Angelo. Mrs. Nicholas has served as a district director for the past three years and this year will serve as district crusade chairman for 16 counties.

Mrs. Birch Bayh spoke at a luncheon. She will serve along with Peter Graves, as co-chairman for the National Crusade in 1974. Mrs. Bayh spoke in glowing terms of the help she was given by the Reach-to-Recovery volunteer who visited her last October after a mastectomy. This help is available in this district upon recommendation of the patient's physician.

Mrs. Nicholas was impressed with the Science Fair winners, high school students from all over. She encourages

Ozona science teachers and students to inquire about the Science Fair program of the ASC.

"One of the most interesting sessions I attended," Mrs. Nicholas reported, "was early detection programs on breast and uterine cancer." Doctors spoke of clinics being held in the Dallas-Fort Worth area giving the public access to test for early cancer. They detected many cancers that had not shown any symptoms. It was their hope that this program will spread throughout the state, enabling those who feel they cannot afford the examinations to catch early cancer.

Don't fall for any so-called "clean-up deal" before you see your **Chrysler-Plymouth Dealer.**

Darrell Royal

You might be surprised how easily you can afford a Chrysler at year-end prices.

If you're looking for a really good buy in a fine car, you really ought to know all the facts—facts about value—before you put down your hard-earned money. That's why your Chrysler-Plymouth dealer has asked me to invite you to come in and compare his '73 Chrysler. He'd like you to compare it with any other car around. Compare Chrysler for beauty... for ride... for comfort... for features. And, of course, compare his year-end price. You'll find, for all its value, a Chrysler is surprisingly affordable. Rather than go for a "clean-up deal," why don't

you see for yourself what kind of value your Chrysler-Plymouth dealer offers in a '73 Chrysler at year-end prices.

Tips For Gardeners

From the Ozona Garden Club by Mrs. Bailey Post

Since the last of August is here it is time to start a new season for planting and improving well established flower beds. Most of our gardens are at their prime now, but will soon give way to the fall blooming mums, asters and fall roses.

Many hardy perennial seeds may be planted in pots or seed beds to have plants ready to set out in late September or October. Snapdragons, Shasta daisies, pansies, English daisies, larkspur, phlox, etc., will over-

winter and give excellent spring and early summer bloom next year. One of the most enjoyable aspects of gardening is the seeking and finding of good combinations of perennials. One horticulturist says one key to successful companion plantings is controlled competition. The gardener who grows a perennial flower border is designed not only for color, texture, height and bloom sequence, but also for control of competition through proper spacing and varying heights. Large plants often form small protective sites for smaller ones. Any plants grown together must do well under the same conditions. Azaleas, pieris, and holly are good companions because they prefer a humousy-acid soil content containing plen-

ty of moisture. Many rock garden plants need well drained sunny sites and less water. Make your own useful discoveries by watching your companion plants. Mix vegetables with the flowers and flowers with vegetables. With good care and spacing, both gardens will be more interesting.

If you have a sunny window or space for potted plants, select one of your favorite petunias. Clip it back to force it into bushy new growth, loosen the soil around it and give liquid fertilizer. By the end of September, dig it, and put in a pot, keep watered until established, and then when needed, it should bloom all winter.

MRS. LARRY KILGORE - nee Nancy Jane Gresham

Miss Gresham Is Married To Mr. Kilgore In Waco

Miss Nancy Jane Gresham became the bride of Mr. Larry Wayne Kilgore in a ceremony Saturday evening, Aug. 25, at the Highland Baptist Church in Waco with the Rev. Bob C. Ross, pastor, officiating.

Parents of the couple are Mr. and Mrs. J. D. Kilgore of Ozona and Mr. and Mrs. Abeel Gresham of Waco.

The bride wore a formal ivory gown of sheer organza. A tucking effect styled the empire bodice which was trimmed with Val lace and seed pearls. Her deep cuffs, hemline and detachable cathedral train were bordered with the matching lace. Her ivory silk illusion butterfly face veil fell from a Venise lace flower spray adorned with a cluster of seed pearls. She carried a traditional cascade of ivory multi-mixed flowers, yellow sweetheart roses, graced with Ming fern and German statice.

Maid of Honor was Miss Robin Gresham, sister of the bride. Bridesmaids were Miss Debbie Cornwell of Waco, Miss Carolyn Leftwich of Manitou Springs, Colo., and Miss Molly Hammonds of Katy.

The bride's attendants wore daffodil yellow formal dresses of voile. The dresses featured leg-o-mutton sleeves with Val lace. Saki sashes accented the princess styled skirts. They carried free-form bouquets of white daisies, graced with yellow baby's breath and love knot streamers.

Best man was Don Kilgore, brother of the groom of Ozona. Groomsmen were Mike Kilgore of Fort Worth, Gary Gilliam of Lubbock, and Mark Bantzen of Edcouch. Ushers were cou-

sins of the bride, Danny Maness of Ozona, Sam Gresham of Waco and Mike Gresham of Waco.

Mrs. Carleton Harrell and Randy Yarbrough, both of Waco, presented wedding music.

A reception, hosted by the bride's parents, followed the wedding in the fellowship hall of the church. Members of the houseparty were Miss Lynn Maness of Ozona, Miss Linda Christopherson of Waco, Miss Shanna Hawk of Midland and Miss Debbie Bosworth of Tyler.

The bride is a senior business education major at the University of Houston. Her husband, a graduate of Ozona High School and of Texas Tech University, is an auditor for Getty Oil Co. in Houston.

Out of town guests were Mr. and Mrs. Weldon Maness and Bobby Maness of Ozona.

The bridegroom's parents hosted the rehearsal dinner at the Elite Steak House Saturday at noon.

Just for a minute, think about the local places you have loved... the old swimming hole, the town park, the walk by the river, the view from the hill—your church! Life would be so much less without them; yet we tend to take them for granted.

What a beautiful world God has created for us! How much He must love us to have given us shaded valleys and sparkling waters! He planned for us the constant variety of the changing seasons. For our enjoyment, He made trees and grasses, flowers and fruits. Before such miraculous inventiveness, science stands baffled and incredulous.

It is obvious that behind all creation there is a power greater than we, a power constantly concerned with man's development. In the church of your choice you will find the opportunity to give thanks for the gifts of creation. Here, too, you will learn to understand better the complexities of our world. You will find a faith that will sustain you throughout life.

Debra Says:
By HD Agent
Debra Price

Just because tenderizers make meat tender, they won't tenderize people's stomachs. Although many consumers worry about the question of safety in meat tenderizers, they can go ahead and tenderize those less tender, less expensive cuts of meat.

The actual tenderizer is a natural plant enzyme called papain. It's obtained from the papaya fruit and is generally recognized as safe to use on foods that will be cooked. Papain is readily destroyed by the heat needed to cook meat. Even if all the papain weren't destroyed by heat, the stomach's gastric juices would finish the job easily.

Many people are confused about usage and safety of another chemical used in food--monosodium glutamate (MSG). It simply improves natural flavors--it's neither a tenderizer nor a preservative. It's also safe. Made from an amino acid--which is one of the "building blocks" of proteins, MSG usually comes from the vegetable proteins in soybeans, wheat and corn.

Some canned vegetables and canned tuna are processed with MSG, as are mayonnaise, French dressing and salad dressing if the label lists it as an ingredient. Also, consumers can buy it to add to foods at home.

TACO SANDWICHES

1 pound ground beef

- 1/2 cup chopped onion
 - 1 8-ounce can tomato sauce (1 cup)
 - 1 tsp. Worcestershire sauce
 - 1/4 tsp. salt
 - 1/4 tsp. chili powder
 - 1/8 tsp. garlic powder
 - 1 1/2 c. corn chips, crushed (1/2 cup) (optional)
 - 10 to 12 hamburger buns, split and toasted
 - 1 medium head lettuce, shredded (3 cups)
 - 2 tomatoes, peeled and diced
 - 3 oz. sharp process American cheese, shredded (3/4 cup)
 - Bottled hot pepper sauce (optional)
- In skillet cook ground beef and onion till meat is browned and onion is tender. Add tomato sauce, Worcestershire sauce, salt, chili powder, and garlic powder; mix well and simmer 10 minutes.
- Fold in crushed corn chips. Immediately spoon mixture onto bottom halves of buns. Top with lettuce, tomato, cheese and tops of buns. Pass bottled hot pepper sauce, if desired. Makes 10 to 12 sandwiches.
