Bicentennial Projects Progressing

The Crockett County Bicentennial Steering Committee is pleased that a number of proposed projects are now under way. Work on the nature trail has begun under the sponsorship of the Ozona Garden Club, as well as the annual town clean-up which they have sponsored for many years, through the cooperation of the county officials.

Displays at the Crockett County Museum are being renewed and the transcribing of oral history tapes into written records continues. New planting around the museum has been taken as a project by the Ozona Woman's League and the Historical Society's History Publication adds to the list of projects now under way.

The next meeting of the Steering Committee will be Monday, March 31, at 3:00 p. m., at the courthouse. All interested persons are urged to attend. Crockett County's beautiful logo is ready for display and use and guidelines for its use will be formulated at this meeting. Vonnie Womack, the artist whose design was chosen in competition, has completed a large copy for display which has been attractively framed by Ray Boykin, and it will be used throughout the Bicentennial celebration. Along with the official certificates it will be placed in the Crockett County Museum for permanent display at the conclusion of the celebration.

In order to avoid duplication and to meet Bicentennial guidelines, all projects should be listed and cleared through the committee.

County Field Gains Wildcat

Estoril Producing Co. will drill the No. 1 Bealke as a 1,500-foot gas wildcat in Crockett County, 9 1/2 miles northwest of Iraan, 1,650 feet west of the Hanson (Grayburg oil) field, producing at 1,168 feet, a southeast twin to a 1,476-foot failure and 3/8 mile north of a Pecos County undesignated Grayburg gas strike.

Location is 480 feet from the southwest (Pecos River) and 467 feet from the southeast lines of 1-AB&M. Ground elevation is 2,236 feet.

The gas discovery, the firm's No. 1 Shell-Mann, was finalized Sept. 30, 1974, for a calculated, absolute open flow of 1.89 million cubic feet of gas per day through perforations at 1,158-223 feet. The following tops were reported on elevation of 2,222 feet; Grayburg, 1,151 feet; San Andres, 1,259 feet; and Glorieta, 2,000 feet. An Ellenburger failure, it was drilled to 7,851 feet.

TIGHT SQUEEZE -- An Ozona lady found herself and her passengers between the proverbial "rock and hard place" Friday afternoon when a long tank truck attempted a right turn off Hwy 290 onto State Highway 163 out of the left hand lane.

The force of the collision pushed the station wagon up on the light base and the auto was badly damaged on the right side. Traffic was tied up in the center of the town for some time, but all involved escaped injury.

Lions Edged By Mason In Brady Bank Meet Today Relays; At Del Rio Officers Promoted

Ozona's Lions just missed capturing the championship at the Brady Relays by a nose, getting edged by Mason. They brought home the runner-up trophy and 21 individual trophies while scoring 117 points. Times in all events were improved and the Lions put on a superior performance considering the absence of two top trackers due to injuries.

The Lions are in Del Rio today for an afternoon and night track meet, in preparation for the annual Ozona Invitational Track Meet which will be held April 5. The Del Rio meet will feature two divisions, varsity and junior varsity.

In Brady the Lions won two relay events with very good times. The shuttle hurdle relay team of Richard Harrison, Mike Fay, Rodney Ruthardt and John Galvan had the best time in both divisions with their winning time of 44.4.

The Lions won the sprint medley relay in the very good time of 3:47.2. The team is made up of Vaden Aldridge, Romaldo Cervantez, Ronald Shaw and Clifford Crawford. Crawford's anchor time in the 880 was a very fine 2:02.9. Complete results were as follows:

440 relay - first, 47.4, (Henry Fay, Howard Huereca, Vaden Aldridge, Gary Warren) 880 dash - Ronald Shaw, seventh, Brian Gries, eighth. 100-yd. dash - Blake Moody, sixth. 120-yd. high hurdles - Richard Sanchez, first, 15.2.

Spring Clean Up Begins Next Week

Ozona's annual spring clean-up gets under way next week. The annual event is sponsored by the Ozona Garden Club in cooperation with the county, and it affords residents an opportunity to rid their property of trash, debris and unwanted items without charge.

County trucks will be cruising the town daily to pick up refuse. It is not necessary to call. Officials do ask, however, that anything to be hauled off be placed where it is convenient to load on the trucks, near the curb, in an alley or near a driveway.

Rodney Ruthardt, fourth. 440-yd. dash - Frankie Garza, eighth. 330-yd. intermediate hurdles - Richard Sanchez, first, 41.6; Rodney Ruthardt sixth; John Galvan, seventh. 220-yd. dash - Romaldo Cervantez, eighth. Mile run - Ricky DeHoyos, eighth. Mile relay - third, 3:35.2, (Frankie Garza, Richard Sanchez, Ronald Shaw and Clifford Crawford). 880 relay - third, 1:37.9, (John Galvan, Orlando DeHoyos, Romaldo Cervantez, and Clifford Crawford). High jump - Richard Sanchez, sixth.

SASA Branch Slates Formal Opening Here

The Ozona Branch office of San Angelo Savings will celebrate its formal opening with an open house from March 31 through April 4, according to SASA president, H. J. "Mickey" Sallee.

During the five day celebration, daily prizes of \$50 passbook savings accounts will be given away at the close of business from each day's registrations. On Friday, April 4, a \$250 passbook savings account will be given as a grand prize. The grand prize winner will be drawn from all registrations for the entire week.

Registration for prizes will be limited to the Ozona branch office which is open from 9 a. m. to 3 p. m., Monday through Friday. Registrants do not have to be present to win nor do they need to be a SASA depositor.

Hostess for the 5 day open house is Ann Mayfield, manager of the Ozona branch. Mrs. Mayfield is extending a public invitation to come tour the new facility and enjoy free refreshments. San Angelo Savings' 800 square foot Ozona branch office, at 1002 Avenue E, has been extensively remodeled. The branch houses a reception area, teller room, service counter, coffee bar and storage area.

Area Airport Officials Meet With TAC To Air Improvements

Representatives of four West Texas communities, including Ozona, met with members of the Texas Air Commission last Thursday morning at the courthouse to discuss present airport conditions and to hear suggested improvements in short- and long-term plans.

James McCausland, George Dresser and Ray Hampton, all of the TAC, conducted the meeting for the Texas Airports Systems Plan, which has been formed under a federal grant to study individual airports in the state to determine what improvements are needed to accommodate that community's needs. Hopefully, the studies will "act as a lever," according to McCausland, in obtaining state and federal funding for future airport improvements.

In order to perfect individual airport plans, the TAC representatives were here to inquire what local people want in their air service.

Crockett County was represented at the meeting by County Judge Troy Williams, C of C manager Hubert Baker, and airport manager Mrs. James Heame. Officials from Big Lake, Eldorado, Sonora, and a representative from the Concho Valley Council of Governments were also present at the meeting.

Joe Kemp Is New Ambulance Attendant

Joe Kemp was hired by the Crockett County Hospital after Al Ramirez resigned as ambulance attendant last week. Kemp will be on duty at the hospital from 8 a. m. until 5 p. m., as a hospital orderly, and will take emergency calls there during the day. After his duty hours, he will be on call with the ambulance and will be called by radio or telephone when ambulance calls come in to the hospital.

Several Ozona men are being trained as emergency medical technicians to comply with regulations requiring an attendant with the ambulance driver on all calls.

The fire department has placed the other Ozona ambulance at the hospital also, making available two ambulances whenever necessary.

Kemp formerly worked in the Colorado City nursing home during summer vacations. He is married to the former Dana Collett of Ozona. They are the parents of an infant daughter, Heather.

Following the presentation, individual discussions were held with representatives from each county.

Judge Williams and Baker both spoke briefly on the growth pattern of Crockett County, each of them stating that the county's growth had been slow but steady in the past and should remain so in the future. No drastic changes were predicted for Crockett County in the foreseeable future.

Mrs. Heame gave a brief description of the airport, its usage and maintenance. The only improvements she could suggest were a taxiway or turn-around to improve occasional heavy traffic and a cross-wind strip for use when wind direction made landing on the present north-south runway difficult.

According to the TAC research, the Crockett County airport was judged to be sufficient for the present; however, several suggestions were made for possible improvement.

McCausland advised the group that any technical assistance or research is readily available from TAC.

Ozona Tennis Team Wins Iraan Meet

The Ozona tennis team continues to burn up the courts with another championship win at the Iraan tennis tournament last weekend. Eleven trophies were collected by the 12-member team.

The boys won, scoring 32 points out of a possible 40. The girls won with 29 points out of 40.

Ronnie Schneider easily won the boys singles. He beat McGhee of Wink 8-3, Henderson of Marfa, 8-0, and in the finals, downed Lee of Rankin 6-0 and 6-2.

Drew Ingram made it to the finals before losing to Green of Christoval 6-4 and 6-3. He beat Jones of Stanton 8-1 and Hope of Marfa 8-4 on his way to the finals.

In boys doubles, Ricky Perry and Greg Thompson defeated Sanderson 8-2 and Wink 8-1 and downed Iraan in the finals 6-1 and 7-5.

Tony Hoover and Daryl Karr beat Sonora 8-3 before losing out to Marfa 8-2.

In winning the girls division, Lisa Clayton beat Denham of Sonora 8-6, Medley of Marfa 8-6 but lost to Borrego of Iraan in the finals, Shannon Dockery downed Hugh of Rankin 8-5, but lost to Gibbs of Sonora 8-1.

In girls doubles Karla Fenton and Lynn Maness downed Big Lake 8-0 and Marfa 8-2 before losing to Sanderson in the finals 6-4 and 6-3. Karen Kirby and Karen Beebe beat Christoval 8-0 and Marfa 8-5 and downed Big Lake in a tie-breaker in the finals in the match of the day. The Ozona girls lost the first set 6-4, but came back to win 7-6 and 7-6 for the victory.

Voter Precinct Bill By McBee Passes House

The House of Representatives in Austin has passed by a vote of 133-0 House Bill 784, by Representative Susan McBee. This bill is designed to give relief to those voters in sparsely populated areas of the state by allowing the smaller precincts to retain their voting boxes.

Under current law a minimum of 100 voters is required to form an election precinct. Mrs. McBee's bill allows voting precincts of under 100 to be created by the County Commissioners' Court. The bill was amended on the floor of the House in order to exclude counties with over 100,000 population.

"This piece of legislation is particularly important to us in South and West Texas. I am very gratified that the House has passed it unanimously," said Mrs. McBee. She seems confident that Senator Snelson, who will sponsor the bill in the Senate, will be equally successful in getting it passed in the Senate also.

Interest Growing In County History Book

Interest in the publication of a complete Crockett County History continues to grow. Many interested citizens left orders for from one to ten copies of the proposed book at the Ozona National Bank last week and sales are continuing this week. The book is the Bicentennial project of the Crockett County Historical Society.

Mrs. P. L. Childress is president and most active in the promotion of the publication. She and other members of the committee have spoken to various groups and displayed copies of histories from other counties which will be similar to Crockett County's history. Comments from purchasers have been most favorable and many have expressed a desire to participate also in the memorial pages of the book.

In this month's bank statement will be included a letter which explains in detail how to write family stories and reserve copies of the book. Such a history will make special gifts for many years to come and should be ordered in quantity. Advance sales will determine how many copies will be printed. Families are urged to contact out-of-town members and friends as soon as possible in order that they may get in orders and stories for the books. Experience has shown that such books in a very short time become collector's items since they are always printed in limited editions.

VILLAGE DRUG PRESCRIPTIONS NUMBER 100, 101 and Mrs. Eddie Wall, center, was the holder of the lucky prescription. She receives her prescription free from pharmacist Clayton Robinson, left, and a ten dollar gift certificate from store owner Ray Boyd, right. The goal was reached at mid-morning Monday.

TENNIS CHAMPS -- The Ozona tennis team brought home eleven trophies from the Iraan Tennis Tournament which they won last weekend. Considering there are 12 members on the team, it was not a bad day at all for Ozona. They have won every meet entered this season.

Reward For Lost Pet

To the people of Ozona:

We lost our big, solid black tom cat fifteen or twenty miles east of your town of Hwy. 290 on the night of March 20. He was wearing a yellow collar with a bell and I. D. Tag. His name is Kitty Chub.

My husband and I drive a semi-truck and we made a rest stop. Somehow, our cat climbed through a crack in the truck window. The I. D. Tag has my husband's name, Emory Frye, on it, but an old address. The quickest way of reaching us is through the dispatch office of Sherwood Van Line, Milling Road, P. O. Box 20167, San Antonio, Texas, telephone 512-333-2210. We report in daily. We may also be reached at my parents' home, Irene Catlett, Route 4, Morris Lane, Lucasville, Ohio, 45648, telephone 614-259-4267.

The cat might have lost his collar, so don't just go on that. He is just a larger than average black tom cat. We raised him ourselves from the time he was 3 days old. He is 1 1/2 years old now. So you can understand why he means so much to us. We will pay \$50 reward, plus the expense of a newspaper ad. Just send us the bill for the ad in the paper and a copy of the ad regardless of whether or not the cat is found.

We will make necessary arrangements to pick him up if he is located. Please help us in our search. That's rough country for a city cat to survive. We love him and miss him very much. He is all we have.

EAST WIND RISING

The winds of change blow strongly throughout much of the world and they do not blow in the direction of freedom or democracy. It is the communist camp which pops the champagne corks and toasts the new order.

It is not only Indo-China which will soon fly the red flag. That sorry spectacle seems already to be accepted as an accomplished fact by the American Congress if not the people. The shocker is what is now also unfolding in the West as the first NATO nation, Portugal, passes rapidly down the road to Communist control.

The Portuguese comparison with the Russian experience of 1917 is striking. In Russia, the overthrow of the right-wing Tsarist autocracy was followed by a brief democratic interregnum under Kerensky and then, in less than a year, by the Communist seizure of power under Lenin. In Portugal, General Antonio de Spínola, who led the coup against the Caetano dictatorship last April, has now played out his Kerensky role to the full by himself fleeing into exile in Brazil. He was accused of plotting a coup against the military regime which had earlier stripped him of his power. Now that same regime, dominated by radical leftists, is using the excuse of the plot to solidify its power, arrest and purge all moderate and conservative elements in the country and set the nation on the road to quick socialization. The delighted Communists see the road to their own seizure of power wide open.

This will be a great tragedy, which the many Portuguese now demonstrating happily in the streets will only later discover for themselves. Portugal may also be the first "domino" in Western Europe — to be followed by Spain, Italy, Greece, and perhaps others. The worry in the U.S. and its NATO allies runs very deep at this hour.

Sad to say, the U.S. probably speaks truly when it says it had no role in the recent events in Portugal. Even if we wished to help those Portuguese who do not want to see their country slip behind the iron curtain, we could not, since the CIA has been so badly crippled by the attacks of its domestic opponents. The east wind rises, and for us Americans the storm clouds gather. But few there are in the halls of Congress who seem to care.

IT SHOULDN'T COME TO THIS

STATE CAPITAL Highlights AND Sidelights by Lyndell Williams TEXAS PRESS ASSOCIATION

AUSTIN — Legislators are getting nervous over new reform laws which restrict their political fund-raising. House Speaker Bill Clayton has advised representatives to postpone their efforts to retire campaign debts until after the legislative session in view of warnings by a district attorney. Travis County District Attorney Robert O. Smith told House leaders direct solicitation of Austin-based lobbyists for contributions to campaign war chests is a violation which he would feel called on to take before a grand jury.

The issue came to Smith's attention when a Texas Civil Liberties Union official, who is a registered lobbyist, complained that he had been solicited for a contribution to a representative's fund-raising reception in Dallas.

A provision of the new penal code makes it an offense for a legislator to solicit any benefit from a person known to have an interest in legislation. There are less-strict interpretations than the one by Smith, but the district attorney is the one lawmakers feel they must stay on the right side of.

Serious attention is being given to amending some of the laws passed in 1973 — particularly the penal code provisions which cast a legal cloud on a lawmaker's accepting a "benefit" from a person who has an interest in any matter before the legislature or "contemplated" by the legislature.

LOSS REPORTED

A Texas Education Agency indicates students lost more than 2.4 million in tuition refunds they should have received from 19 proprietary schools.

When a student quits, he is supposed to get back the unused portion of his tuition within 30 days.

Woodrow W. Bean of El Paso, State Board of Education member, called on Gov. Dolph Briscoe and Atty. Gen. John Hill for a complete audit of all Texas Education Agency financial transactions during the last four years.

Bean charged refund losses may be as much as \$5 million to \$8 million. He also claimed (while admitting he could not confirm) that about \$105 million in public funds administered by TEA has been "misused, misapplied or otherwise lost somewhere."

SMOKE BAN VOTED

Smoking in public places could bring a stiff fine under a bill just passed by the Texas Senate and sent to the House.

The ban covers elevators, theaters, movie houses, libraries, museums, hospitals, school facilities, intrastate buses, planes or trains — except in specifically designated areas.

SCHOOLS CRITICIZED

Some public schools and junior colleges have been criticized by House members for allegedly using emergency funds to raise teachers' pay, make investments and pave parking lots. Rep. Tom Massey of San Angelo, House Education Committee chairman, said a special report is being compiled on the "abuse."

Rep. Fred Head of Troup proposed to repeal an \$18 million emergency grant to meet junior college enroll-

ment increases.

COURTS SPEAK

The State Supreme Court again upheld constitutional-ity of a law permitting legislator-lawyers to delay trials in which they represent clients. The Court said the continuance provision may not be used if only enforcement of prior court orders are involved, however.

The Court of Criminal Appeals reversed a negligent homicide conviction of a Hillsboro man because the jury assessed an improper punishment of two years in jail.

Third Court of Civil Appeals upheld power of the State Finance Commission to prohibit savings and loan associations from offering premiums to lure new accounts.

In an order applauded by the Attorney General as the beginning of a statewide enforcement effort, a Bexar County district judge granted an injunction to prohibit air pollution by a rendering plant.

AG OPINIONS

Attorney General Hill warned legislators they may be overstepping the law by accepting speech-making honorariums from groups interested in legislation. In other recent opinions, Hill concluded:

- The open meetings law applies to hospital authorities created by city ordinance.
Texas Coastal and Marine Council has no authority to supplement the legislatively-determined salary of its executive director.
Port of Houston Authority may appoint and employ peace officers, and the officers may carry handguns while on duty.
Proposed annexation of school district territory must be approved by a majority of trustees in the receiving district.
Kidney Health Care Act benefits may not be denied to aliens.

SHORT SNORTS

Texas' traffic death toll for 1974 was 3,046, representing a saving of 646 lives from the record 3,692 highway deaths of 1973.

Campfire Girls and Boy Scouts can sell their candy and cookies and other goodies without paying sales taxes under a bill passed by the Senate.

Claudia Brummett of Alvarado, Alicia Chacon of El Paso and Lem Allen of Kingsbury are new Texas members of the National Democratic Committee.

The House reversed ground and rejected a bill requiring the state to pay 100 per cent of right-of-way buying for U.S. and state highways.

Sinking of 12 ships for artificial fishing reefs at four locations along the Texas coast has been approved as a Texas Coastal and Marine Council project.

Now it seems that there was a family name Bare--Mama Bare, Papa Bare & Baby Bare. They lived down on the draw and got along fairly well until Papa Bare lost his job. Things seemed to go from bad to worse, and pretty soon all they had to eat was oatmeal. Now Papa Bare did not like oatmeal in the first place, nor in the second place. So one day when he came in tired to the bone (from the golf course) he found the usual thing for supper, oatmeal. He got mad as a wet hen and said, "I cannot eat this stuff, it's cold as kraut!" About this time Baby Bare came to the table and said, "I cannot eat this stuff, it's hot as fire!" Well, this was the

last straw with Mama Bare. She said, "Now look here, you two bares, I've been working and slaving like a bear trying to find something to eat while you two are out yonder at that golf course. You eat that or else!" "And another thing: I've worn this dress until you can see my bare skin. It's not right for a bear to dress like this. You get a job or you hit the road." With that Papa Bare left and he was gone for days and days. Finally Mama Bare got so lonesome she could barely stand it. So she said, "I cannot bear it any longer. Junior, write and tell your papa to come home. I'll just have to grin and bear it. So Papa Bare returned home, ate his oatmeal and the Three Bares lived happily ever after. (I know this is a strange story, but it's the bare facts!)" --LR--

Tips For Gardeners

From the Ozona Garden Club by Mrs. Bailey Post

With March almost gone and spring just beginning after having missed a severe freeze, I'm sure everyone has enjoyed one of the most colorful months of several years. Of course, Easter hasn't passed yet, so we will hope hail will skip us again this year, that we may have a bountiful fruit and pecan crop.

Many of the bulbs that have been in bloom early, plus the new ones that were planted after the fall bulb sale, has extended their blooming season.

One of the most attractive shrubs on display now is the brilliant yellow forsythia in several yards. The red bud trees in bloom at the Flying W show the advantage of planting trees and shrubs in groups for a more interesting landscape, rather than in a straight line.

There are many possibilities in using Begonias outdoors, so have become a popular favorite flower.

They may be classed by some as temperamental house plants, but some are tough enough to tolerate almost any kind of outdoor summer climate. These kinds are useful in masses outdoors for color as bedding plants, window boxes, planters, hanging baskets, and borders. The basic outdoor begonias are of three main kinds.

Fibrous rooted (Wax) These can take partial shade or full sun, are unparticular about soil, tolerate a reasonable amount of drought, remain unspoiled by insects or diseases, and always look neat and colorful right up to the season's end. They range in sizes from dwarfs--6 to 8 inches to the showy tall growers up to 14 inches. Colors are white,

pink, rose or scarlet. Hardy begonia (B. evansiana) It is quite tolerant of all sorts of summer temperatures and conditions. It blooms in late summer and fall with two-foot drooping sprays of light pink flowers. It does not do well in the sun, and dies back at the first frost. The foliage is handsome and definitely looks like a begonia. Tops die back and reappear from a small bulb or tuber again late the next spring after the soil warms. Plant in humusy soil in spring; cover an inch deep; mark to avoid disturbing it prior to its late appearance each year. Space tubers 6 inches apart. Once established this plant will perpetuate itself for many years, and has been one of my favorite plants.

Tuberous-rooted begonias These are the glamorous beauties with large foliage and bold double flowers in glorious colors and patterns. They include brilliant oranges and yellows, tones of rose, red, salmon, copper and white. Their forms resemble carnations, roses or camellias. Some of these will not tolerate our intense heat and sun, but the ones that will are used in pots, planters and baskets and kept in the shade. In the basket type, pinch out tips of main stems as they reach 6 inches. This encourages side stems and helps promote the drooping habit. Water all types when the soil surface feels dry. Fertilize with mild organic fertilizer every two weeks for best results.

Debra Says

Use of fad diets increases during spring as consumers try to "shape up" for summer activities. Although you may lose weight fast on a fad diet, whenever you return to your former eating pattern, weight returns too. All fad diets follow a typical pattern of early enthusiasm but are soon forgotten when they fail to produce miraculous results.

One popular diet--high fat, high protein and low carbohydrate diet--does lead to fast weight loss at first. This is due to water loss. This diet could be dangerous for people with atherosclerosis, diabetes and kidney disease, or for pregnant women.

The best way to get in shape for spring and summer is to begin now with daily exercising, cutting the quantity of meals down and eating more lower calorie foods from the basic four food groups.

Choose two-three servings from the milk group. Select skim, buttermilk, or non-fat dry milk instead of whole milk. Try cheeses made with skim milk, such as low fat mozzarella cheese and dry curd cottage cheese.

Four servings of low calorie fruits and vegetables, which could include fresh or frozen fruits and vegetables, unsweetened canned pie fruit or dietetic fruits.

Fresh vegetables can be seasoned with vinegar, tomato juice, lemon juice, herbs, mint, chopped parsley, and mustard. Bouillon or tomato juice enhances the flavor of cooked vegetables.

Some of the better choices for four servings from the bread and cereal group would include whole wheat or enriched breads or cereals. Don't add sugar to

cereals or purchase sugar-coated ones. Serve nutritious cookies, such as oatmeal, molasses, peanut butter, or raisin.

From the meat group, include two or more 2 1/2 ounce servings of lean meat--beef, pork, poultry or fish. Baking and broiling are two cooking methods that don't add fat and calories.

A safe weight loss each week is one-two pounds. Weight didn't get put on overnight--and it won't disappear that way either. --0--

Triumphant Hour
I arose early today for a quiet walk in my garden. Faraway, church bells in the valley glorified the morning. Suddenly, it seemed I saw another garden, another woman. She stood crying by an empty tomb. The beauties of the morn meant nothing to her, for He, who had given meaning to her life, had died on Calvary. Weeping, she turned, "tell me where thou hast laid him..." "Mary." By one single word joy was reborn. "Master!" she said, and knew her Lord lived. Now, the tumultuous triumph of that hour across the centuries and swelled within me! The Lord is risen. Come join the mighty chorus. Attend your church--learn the joyous promise of God's love.

REDDY'S REFRIGERATOR SAVINGS TIPS

Don't open refrigerator door unnecessarily. Plan your trips to the refrigerator while cooking. Make sure the children maintain a closed-door policy.

Buy the size that fits your needs. An over-large refrigerator or freezer wastes space as well as electricity.

Clean external coils, fins and motor often and keep them free from dust.

Defrost your refrigerator and freezer before ice deposit exceeds 1/2 inch. Excess ice causes your refrigerator to work harder.

Cleaning
Inside of cabinet
a. Should be cleaned twice a month
- dispose of forgotten foods
- clean up spillovers
- eliminate "off" odors that transfer flavors
b. Use warm water and baking soda solution. (1 teaspoon soda to 1 quart water). Rinse in clear water and dry.

Miss Newport - Mr. Baker Wed In Eldorado Friday

Miss Verna Gene Newport became the bride of Mr. James Michael Baker of Ozona in a ceremony Friday, March 21, at 7:30 in First United Methodist Church in Eldorado.

The soloist, Mr. Bob Lester of Eldorado sang "O Perfect Love."

A reception followed the wedding in the fellowship hall. Mrs. Bruce Hill of Ozona presided at the bride's register. Miss Peggy Hill and Miss Claudia Meador, both of Eldorado, served at the bride's table. Presiding at the bridegroom's table were Mrs. Robert Reeves of Houston and Miss Beverly McDonald of Sonora.

Members of the houseparty included Mrs. Eldon McGinnes, Mrs. Palmer West, Mrs. W. F. Edmiston, Mrs. Charlie Trigg, Mrs. Honey Thompson, Mrs. T. P. Robinson, Mrs. Otis Deal, Mrs. Jack Jones, Mrs. Pete Peters, Mrs. Walter Wallis, Mrs. Lynn Meador, Mrs. Joe Ed Hill, Mrs. Ed Meador and Mrs. Delbert Edmiston, all of Eldorado and Mrs. Albert McGinnes of Sterling City.

The bridegroom's parents hosted the rehearsal dinner Thursday night at the Eldorado Restaurant.

The couple will be at home in Fort Stockton following a week's cruise on the Caribbean.

During 1974, approximately 4000 cases of child abuse were reported--these cases were only a fraction of the total incidents of child abuse that actually occurred throughout the state.

Fresh fruits and vegetables are usually cheaper and higher quality in season. Choose those that are free from large bruises, cuts or spots of decay.

Band Boosters Plan Spring Activities

Ozona Band Boosters met in the band hall Tuesday evening. It is expected that approximately three thousand dollars will be needed to purchase the teaching aid for band students at both OHS and the junior high school. A total of \$1,091 was reported in the bank.

A nominating committee for 1975-76 officers was appointed, namely, Lane Scott, band director, Sonny Kirklen, Mrs. Bill Dixon, Claude Montoya and Mrs. Sonny Henderson. The committee will report at the next meeting scheduled for Tuesday, May 13.

It was reported that arrangements for the banquet to honor OHS band to be held at the Civic Center on April 28 at 7:30 p.m. were well in hand under the direction of Mrs. Bill Dixon, banquet chairman. Mrs. Dixon would appreciate any monetary donations toward the cost of the meat for the banquet.

There was considerable discussion concerning fund raising projects and it was decided to delay the Poor Man's Supper until the early fall to be arranged prior to one of the home games; the date to be set when the football schedule is known.

A concentrated effort to sell membership in Band

Boosters will be made during the two weeks prior to the commencement of school in August, when marching practice is begun.

Lane Scott announced the following events:

April 18: OHS band clinic to be conducted by Dr. Joe Bellamah from Texas A&I University.

April 10: (tentative) Junior high band concert, to be held during the daytime.

April 15: Dress rehearsal for spring band contest at 7:30 p.m. in the high school auditorium.

April 25: Twirling try-outs.

Cancer Crusade Is Organized For April

Mrs. Bill Black and Mrs. Tony Allen, co-chairmen, have announced that the American Cancer Society educational and fund-raising drive will be conducted in Ozona and Crockett County during the month of April--Cancer Control Month--and the generous support of local residents will be appreciated.

Hubert Baker will again head up the business drive and asks that all businessmen be as generous as they have in the past for this important cause.

Mrs. Black is organizing the rural crusade, and the Beta Sigma Phi Sorority will conduct the north residential drive under the direction of Mrs. Charlie Spieker on April 7 with follow-up calls to be made during the few days following.

Families in more than 40 million homes will get a quiz to do this April. But this is a special kind of quiz. The answers to the questions can save your life.

It's a cancer quiz for every family. It gives you a chance to test your knowledge about a disease which is the nation's second biggest killer. The Cancer Society volunteers calling at your homes are not encouraging idle speculation. This quiz asks questions--and gives answers--about measures you and other members of your family can take to protect yourselves against cancer. Experts say that in its early stages cancer is a high curable disease.
