CROCKETT, TEXAS, OCTOBER 15, 1925.

Volume XXXVI—Number 38.

THE EASTERN TEXAS PRESBYTERY MEETS IN CROCKETT

The Presbytery of Eastern Texas convened in Crockett Tuesday night at 7:30 for their regular fall meeting. This is the first time the Presbytery has met here for some years, and it was feared that the heavy rains that covered eastern Texas would keep many of the commissioners from attending, but a good attendance is in evidence notwithstanding, and it is said to be the best attendance for a fall meeting in many years.

Rev. J. J. Wester, pastor at Rusk, was elected moderator, and the Presbytery seems to be well satisfied with his rule. Rev. H. J. McGee of Trinity preached the opening sermon Tuesday night, he being chosen by virtue of being the retiring moderator. Rev. G. C. Moore of Livingston is stated clerk of the Presbytery, and Rev. C. E. Newton of Lufkin temporary clerk. In addition to these, the following are present as regular workers in the district: Rev. B. Broom of Silsbee, Rev. J. H. McLeod of Rusk, Dr. J. C. Oehler of Palestine and Rev. S. E. Ayers of Orange. Rev. E. T. Drake, D. D., of Orange and Rev. T. M. Hunter of Beaumont were delayed by the extensive rains covering this country and were expected to arrive late Wednesday afternoon. Delegates are present from many of the churches of the Presbytery.

Rev. Brooks I. Dickey, D. D., of Dallas appeared Wednesday morning and spoke for half an hour on the home mission work of the state, of which he is the state superintendent. Rev. Dr. Watts, head of the Presbyterian orphanage at Itasca, also spoke for an hour on the work at that institution. Much business of importance is said to be before the body.

The visitors are being entertained in the homes of the Presbyterians of Crockett, and are expressing the cordial and thoughtful way in which they are being entertained.

The Presbytery will conclude its labors today (Thursday). Crockett is glad to have had the Presbytery.

NINE CARS CATTLE SHIPPED IN WEEK

Four cars of cattle were shipped from the Crockett station Saturday. All of these went to the Fort Worth market. Two cars were shipped by Brooks & Green, while one car each was shipped by Karl Leediker and R. L. Downs. These were good beef cattle, ready for market. Two cars of cattle were shipped Wednesday by Carey Spence to Palestine.

Smith Bros. are shipping three cars today (Thursday). These cattle go to the Smith Bros. ranch at Paint Rock, in west Texas. They will be fed and pastured on the ranch.

These shipments are a total of nine cars, all of which are going out in one week's time. This rapid shipping does not mean that Houston county will face a shortage of beef stock, but will tend to eliminate the surplus, and put the cattle business on a more sound basis locally. East Texas cattle are now in demand in west Texas, where the cattle supply is badly depleted.

First Methodist Church.

Splendid audiences attended the services last Sunday, morning and evening. A goodly number attended from out of town; they are not only welcome, but urgently invited to attend any of the services, as well as our people from town.

Sunday at 11 a. m. the pastor will preach on "True Wealth"

and at 7:30 p. m. on "The Light of the World." We extend a most cordial invitation to members of the Presbyterian and Christian churches to worship with us until they have their own pastors.

Sunday school begins "promptly" at 9:30 a. m. The Men's Bible class, in their own room east of the church, at 10:00 a. m. The Intermediate League now meets at 4:00 p. m. Sunday and the Senior Epworth League at 6:30 p. m. The Junior Epworth League meets Friday at 3:15 p. m.

Announcements for the week will be made Sunday.

C. A. Lehmborg,
Pastor.

LOVELADY MARINE ON DUTY IN HAITI

Starting a period of duty in the tropics, Clyde F. Hollis, son of Byron Hollis, of Lovelady, is now on duty with the U. S. Marines in Haiti, according to the official records at Marine Corps headquarters at Washington. He will probably remain in the West Indies for a year or longer before returning to the United States.

A small force of marines have been on duty in Haiti since 1915, when the soldiers of the sea landed in that country to restore order during a revolution. During their occupation of Haiti the marines have established school systems, aided in building roads and in public works, and have encouraged agriculture and thrift among the Haitians.

Clyde, who is a native of Lovelady, joined the marine corps at Houston in August, 1924, and for a while was stationed at Parris Island, S. C., where he learned the various duties performed by marines. He left that station recently with a detachment of marines bound for Port au Prince, the picturesque capital of Haiti.

RADIO WORKER HAS NARROW ESCAPE

A Crockett man installing a radio in a Crockett residence Wednesday morning threw a copper radio wire over and across an electric light wire and blew out a transformer switch at the electric light plant. Electric light workers believe the only thing that saved the radio man's life was his turning the wire loose when he threw it over and before contact was effected. Thus good fortune smiled on the radio worker. The Courier printing plant, which is electrically equipped, and others using electric power were temporarily "out of luck" until the necessary repairs could be made at the electric light plant and connection restored.

CITY MAIL DELIVERY FOR TEXAS CITIES

The Jacksonville Daily Progress announces the fact that Jacksonville is to have city mail delivery, and proper recognition is given the value and importance of this improvement. The Nacogdoches Daily Sentinel states that two weeks of city mail delivery has convinced that city of the value of the service. Crockett has had city mail delivery since July 1, and is quite accustomed to the wonderful improvement in mail service. The Courier wishes to congratulate our neighbor cities on their new acquisition in the forward march of progress. Washington officials were fore-sighted enough to realize the necessity of this service to rapidly growing east Texas cities.

Never too late to begin to learn—some things.

PITTSBURGH PIRATES GRAB WORLD SERIES

Walter Johnson, the old master, failed in his attempt to win the world series single-handed for Washington. Pittsburgh hammered steadily at the fireball of the premier Senator hurler and nosed out a 9 to 7 win in the seventh game. The game was slow, and consumed well over two hours time.

The Senators got away to a four-run lead in the first inning. Aldridge allowed two hits and walked three batters. Morrison then went in and hit Peckinpugh, forcing over the third run. An error by Moore allowed the fourth run.

Three singles and a double gave Pittsburgh three runs in the third inning. It was evident that Johnson was not master of the Pirates as in the first and fourth games.

Singles by Rice and Goslin and J. Harris' double gave Washington two more runs in the fourth.

Morrison was taken out in the fourth for a pinch hitter and Kremer went to the box, retiring the whole Washington team in order in the fifth, sixth and seventh innings. Doubles by Carey and Cuyler gave the Pirates a run in the fifth. In the seventh, Peckinpugh's error on Moore's high fly. Carey's double and Traynor's triple sent the tying runs across.

Peckinpugh sent the Senator's once more to the front with a home run in the first of the eighth.

Pittsburgh won the world series in the eighth inning. Wright fouled out to Judge. McInnis flew out to Rice. Smith then started the fireworks with a double. Yde ran for Smith. Bigbee batted for Kremer and doubled, sending Yde across with the tying run. Moore walked. Peckinpugh's error on Carey's grounder filled the bases. Cuy-

(Continued on page 4)

DISTRICT COURT CONVENED MONDAY

The fall term of district court for Houston county convened Monday morning with Judge Ben F. Dent presiding. The grand jury was empanelled as follows: J. C. Kennedy, foreman; H. C. Rich, clerk; P. D. Austin, S. L. Murchison, E. S. Atkinson, J. A. Harrelson, Jim Meriwether, Henry Threadgill, Bob Turner, Chas. Haltom, Louis Herod and M. B. Creath. After having received the usual charge from Judge Dent, the grand jury set about its work. W. D. Justice, district attorney, and Mrs. Bandy, court stenographer, are present for the beginning of court.

The following were appointed bailiffs: A. P. Dewitt, door bailiff; J. C. Lacy, town bailiff; C. C. Mortimer, G. M. Cleveland, H. J. Shaw, Houston Betts, W. J. Townsend and Alf Harrell, riding bailiffs.

The first week of court is taken up with non-jury civil cases, including divorces. Civil cases requiring juries will be taken up the following week, for which week a jury list was drawn. The third, fourth and fifth weeks are usually given over to the trial of criminal cases.

CROCKETT BOOSTER BOOSTING CROCKETT

Mr. and Mrs. E. J. Callahan have returned from an automobile trip through the central states and into Canada. They visited a number of the principal cities of the country, but they say they were glad to get back to Crockett, liking Crockett better than any place they visited on their trip. Mr. Callahan likes the Crockett atmosphere so well that he brought back with him in some of his tires the same air that he left with.

Baylor Ties T. C. U.

Dallas, Texas, Oct. 13.—Baylor and T. C. U. wallowed through a 7-7 tie on the muddy state fair gridiron this afternoon. Each team scored on a break. Kelley fumbled a punt on his own 17-

yard line and Matthews recovered for T. C. U. as the first quarter ended. T. C. U. plunged over in the second quarter, Williams going over for the touchdown. Washmon kicked goal.

In the third quarter Jones broke through and blocked Clark's punt and J. Taylor covered on T. C. U.'s 1-yard line. Nash carried the ball over on the first play. Jack Jones kicked goal. The game was a see-saw punting duel, Clark of T. C. U. having the edge. Both teams remain as conference contenders.

COMPULSORY SCHOOL ATTENDANCE LAW

Every child in Texas who is eight years and not more than fourteen years old shall be required to attend the public schools in the district of its residence, or in some other district to which it may be transferred, as provided by law for a period of not less than one hundred days.

The county board of education has set Monday, October 12, as a uniform date for the opening of the compulsory school law in the schools of Houston county which are under its supervision.

Principals of schools are asked to report to the county superintendent the names of all children in their district who are in the compulsory school age and have not entered school within five days after the opening date of this law.

Children who are blind, dumb, feeble-minded, or whose physical condition would render attendance inadvisable, are exempted from the provisions of the compulsory school law; as are also children in a few other cases and under certain conditions.

Any parent or person convicted of violating the compulsory school law shall be deemed guilty of a misdemeanor and shall be fined \$5.00 for the first offense, \$10.00 for the second offense and \$25.00 for each subsequent offense.

It is not contemplated that there will be any serious violations of this law, but this little article is written because there seems to be a growing disregard for this good law, and teachers, trustees and patrons are in this manner urged to assist in complying with its requirements to the end that every child may have, at least, the fundamentals of an education.

Mrs. Gertie Sallas,
Houston Co. Schools.

Married at Palestine.

Mr. Oscar Hgoks and Miss Flora Hassell were married at Palestine Thursday. The bride is the daughter of Mr. and Mrs. Sam Hassell, who recently moved to this city from Palestine. Mr. Hassell being employed as a salesman for Edmiston Bros. The groom has been engaged in business in Crockett for several years, coming here from Pennington, where he was reared. Both of these popular young people have a host of friends, with whom the Courier joins in extending best wishes for a long and happy married life.

Center of Things.

For the benefit of those who may not know, we wish to state that the Crockett post office is located just opposite the Courier building. The express office is the next door east of the Courier office. The telephone office is almost opposite the Courier, while the City auditorium is in the block opposite. These public institutions are fortunately located near the Courier building, in order that no one should have any trouble finding them. The Courier is the center of things, it might seem.

Robert King, J. F. Shivers, Ike Daniel, T. D. Craddock Jr. and H. F. Craddock Jr. attended the state fair at Dallas last weekend.

COTTON RECEIPTS AND SHIPMENTS AT CROCKETT

Receipts at the Crockett cotton warehouse at Wednesday noon had reached 14,459 bales. Records of 1924 receipts show this to be 2,055 bales more than had been received through October 14, 1924, when 12,404 bales had been weighed.

Shipments from the Crockett railroad station Wednesday had climbed to 14,624 bales, or more than had been weighed at the warehouse. Around 4,000 bales of this cotton was shipped direct from the platform, and does not show in the warehouse receipts. About 4,000 bales, therefore, remain in the warehouse.

Since the 4,000 bales shipped direct from the railroad station do not show in the warehouse receipts, the total Crockett cotton receipts are nearly 18,500 bales. Exact figures are not available, but we believe this amount is in excess of the total 1924 receipts for Crockett. Quite a bit of cotton remains to be picked, ginned and marketed. Recent rains have temporarily halted picking, but sunshine will set the cotton movement back into motion. Houston county will exceed 30,000 bales this year, making more cotton than it did last year.

TEXAS PRESBYTERY IN SESSION HERE

The eastern Texas Presbytery, embracing seventeen counties, east and south from Palestine, met in Crockett Wednesday. About 25 churches make up the Presbytery, each sending its minister and an elder to the Crockett meeting. The occasion was the fall meeting, the meetings being semi-annual.

Among the best-known of those attending the meeting are Rev. H. J. McGehee of Trinity, out-going moderator; Rev. W. A. Ziegler, superintendent of home missions; Rev. C. E. Newton of Lufkin, Dr. Hunter of Beaumont, Dr. Drake of Orange, Dr. Oehler of Palestine and Dr. George C. Moore of Livingston. Quite a few of the visitors arrived on Tuesday. All were entertained in the homes of Crockett people. Crockett is proud of the honor of having the Presbytery meet here, and hopes that future meetings will be held here.

Business Is Good.

Business has been good with the Courier this year, both in the matter of collections and volume of business. We wish to thank our friends for their patronage, and hope that we may continue to receive your patronage and good will. The Courier will continue to make every effort to present a first-class newspaper each week and hopes to be rewarded with good patronage from the people of Crockett and Houston county. The Courier is not only for Crockett, but for the whole of Houston county.

Returns to Crockett.

Mr. and Mrs. H. W. Wyers of Nacogdoches were in Crockett Sunday. Mrs. Wyers remained in Crockett to take charge of the millinery department of the Cooper-Posey Co. Mr. and Mrs. Wyers formerly lived in Crockett before going to Nacogdoches. Our people are glad to see Mrs. Wyers returning to Crockett.

Jury Excused.

The petit jury for the second week of district court, beginning Monday, October 19, has been excused, pending further orders from the court. The jury is excused for the week summoned.

He who loses most in the long run is the fat man.

HAVE SOME

Tea Biscuits

**AMERICAN MAID
TEA BISCUITS**

- 3 level cups
- AMERICAN MAID FLOUR
- 4 level teaspoons baking powder
- 1/2 teaspoon salt
- 4 level tablespoons shortening
- 1/2 cups sweet milk

Mix all dry ingredients. Add shortening, rubbing in very lightly. Gradually add milk, mixing well. Place dough on moulding board that has been previously dusted with flour. Pat out one inch thick, cut with small biscuit cutter and bake in hot oven seven to ten minutes. Makes twelve Tea Biscuits.

AMERICAN RED CROSS SERVING HUMANITY

"The American Red Cross has one outstanding purpose—service to humanity in accordance with the International Treaty of Geneva and its own charter from the Congress of the United States.

It operates through its National organization and more than 3000 Chapters in cities and towns.

It continues its obligation to assist the men disabled in the world war, and their families, and to help the men of the regular army and navy with their family and individual problems. Since the Armistice it has expended \$53,000,000 in this work. It aids more than 100,000 disabled veterans and their families each month. It is serving 249,000 soldiers, sailors and marines now in active service.

For great emergencies it has an enrolled reserve of 41,000 nurses. It has on duty 1000 public health nurses demonstrating the tremendous importance of safe-guarding the health of the community.

During the year 67,281 women, girls and boys received instruction in Home Hygiene and Care of the Sick, helping them protect the home from disease.

To reduce unnecessary deaths from drowning and accident, the

Red Cross during the year trained 21,000 men, women and youths in water rescue and resuscitation, and 18,000 persons in First Aid to the Injured.

Children have been taught the importance of the proper use of foods and the relation of nutrition to health, through classroom instruction to 130,000; 31,000 adults through home visits.

Volunteers have produced 1,317,716 surgical dressings, 173,822 garments and 97,450 pages of Braille for the blind, in addition to many other services rendered.

Enrolled in the Junior Red Cross are 5,596,663 school children. In varied ways they are taught the principles and value of unselfish service to others.

In more than 500 communities where there is no other family welfare agency, the Red Cross is supplying this service.

It lends a helping hand through works of mercy when great disasters strike in foreign lands.

In all of these services YOU can take part through membership. The Annual Roll Call is the Red Cross invitation to the people to join its ranks."

C. A. Lehmborg,
Roll Call Chairman.

Conner Creek News.

Editor Courier:

Another good rain has fallen, which was very badly needed; however, it did considerable damage to the cotton. The top crop is quite good, and is still to be picked.

On Sunday morning of this week Ola Dell, the little daughter of Mr. and Mrs. Henry Oliver, quietly passed away after a brief illness. Our hearts are filled with sympathy for the family in their sorrow.

Mr. and Mrs. H. Hendry were called to Lufkin Monday because of the serious illness of Mr. Brock, Mrs. Hendry's father.

Miss Byrdie Lee Payne spent the week-end at home.

Mr. R. S. Tatom made a business trip to Nacogdoches Monday.

Quite a few attended the singing convention at Energy from here Sunday.

Mr. Porter Payne went to Lufkin Monday.

Misses Edith and Johnnie Ainsworth visited their parents briefly Sunday afternoon.

Mrs. H. Hendry was notified of the death of her father, Mr. Brock, at Lufkin Wednesday afternoon. Funeral services will be held at Mt. Pisgah cemetery Thursday.

Ben, son of Mr. and Mrs. Henry Oliver, who has been seriously ill for some time, is still very ill, but is some better.

Sol.

JUST A WORD WITH OUR SUBSCRIBERS

On the strength of the government report last week the price of cotton went down, and there has been considerable rain during the past week, consequently the Courier's list of subscriptions this week is smaller than last week. When the list is large, the fact is attributable to a good paper; when small the price of cotton, the weather, or something else, is to blame.

The Courier of course cannot appreciate a small list as much as a large one, but we appreciate each subscription just the same, whether the list be large or small. We are never too busy to take a subscription. This week's list is really a good one, and we hope for better ones each week.

Among those calling to renew or subscribe, or sending in their subscriptions and renewals during the past week are the following:

M. Q. Dominy, Kennard Rt. 3.
Jim Shields, Palestine.
W. F. Grounds, Crockett Rt. One.

M. McCarty, Crockett.
W. E. Gainey, Creek.
Geo. W. Shaver, Grapeland.
Miss Louise Denny, Dallas.
O. E. Allbright, Lorraine.
Vernon Sanders, Crockett Rt. Four.

C. B. Isbell, Crockett Rt. 5.
G. W. Manning, Ranger.
Richard Cassidy, Monroe, La.
J. M. Carlton, Crockett Rt. 5.
Louella Long, Crockett Rt. 7.
J. F. Frizzell, Kennard Rt. 1.
T. R. Aldrich, Denver, Colo.
Lee Swearingen, Crockett Star Route.

J. B. Sowers, Weldon.

Statement of the Ownership, Management, Etc.

Required by the act of congress of August 24, 1912, of the Crockett Courier, published weekly at Crockett, Texas, for October 1, 1925:

State of Texas, County of Houston, ss.

Before me, a notary public in and for the state and county aforesaid, personally appeared W. W. Aiken, who, having been duly sworn according to law, deposes and says that he is the owner of the Crockett Courier, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation,) etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 411, Postal Laws and Regulations, to wit:

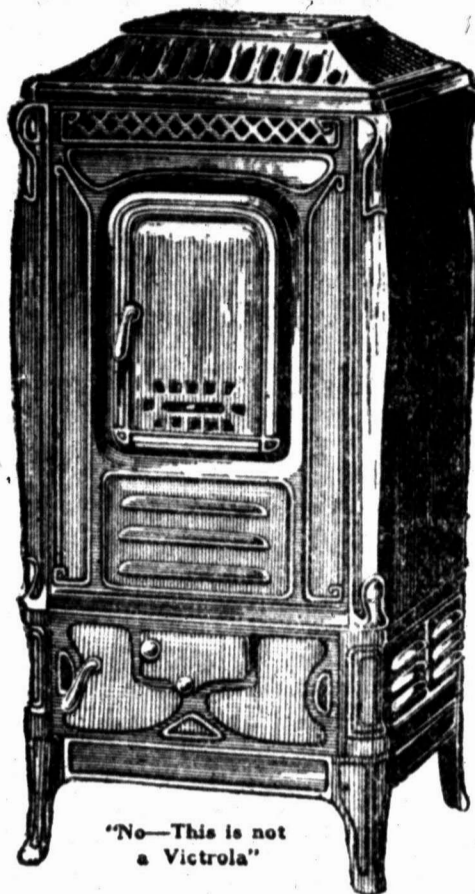

1. That the name and address of the publisher, editor, managing editor and business manager are: W. W. Aiken, Crockett, Texas.

2. That the owner: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company or other unincorporated concern, its name and address, as well as those of each individual member, must be given.) W. W. Aiken, Crockett, Texas.

3. That the known bondholders, mortgagees and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: Barnhart Bros. & Spindler, Dallas, Texas.

4. That the two paragraphs next above giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stock-

Samples Received of New Wonderful WASHINGTON HOME FURNACE

"No—This is not a Victrola"

The furnace that produces circulating moist heat at stove cost. The only furnace made in grained mahogany finish without name plate or advertisement on the outside. Looks like piece of fine mahogany furniture. Can be installed in living room.

Will heat as much as two or three stoves or five or six grates at the cost of operating one stove.

Let us show you this wonderful furnace.

It will reduce your coal bill one-third to one-half.

AMERICAN LEGION AND THE RED CROSS

At the recent national convention of the American Legion at Omaha, October 5 to 9, Commander James A. Drain of that organization spoke enthusiastically of the assistance given the legion by the American Red Cross in the work for ex-service men since the close of the great world war.

Introducing Judge John Barton Payne, chairman of the American National Red Cross and one of the principal speakers at the legion convention, Commander Drain said in part: "The American Legion and the American Red Cross have a special affinity for each other. In a very large measure touching our rehabilitation service, the two have been working hand in hand and in full partnership. The American Legion owes the

American Red Cross a debt which it can never repay except through service to others, because you will know, men and women of the legion, that for three years previous to this year, but for the generosity of the American Red Cross, it would not have been possible for the American Legion to properly carry on its rehabilitation work." Prolonged applause followed Commander Drain's remarks.

Things one tries to overdo are generally only half done.

Wife and Husband Both Ill With Gas

"For years I had gas on the stomach. The first dose of Adierika helped. I now sleep well and all gas is gone. It also helped my husband." (signed) Mrs. B. Brinkley. ONE spoonful Adierika removes GAS and often brings astonishing relief to the stomach. Stops that full, bloated feeling. Brings out old, waste matter you never thought was in your system. This excellent intestinal evacuant is wonderful for constipation. John F. Baker, Druggist.

Does Your Car Need Repairing?

If your car is in need of expert attention; if there is a slight knock or squeak that puzzles you, lift the receiver off your phone and call 428 for a man. You'll get perfect service at a moderate cost.

When your business goes wrong you go to a lawyer, or a banker, or some other business specialist. When your body seems ill you go to a health specialist. When your car needs attention send it here. It was made by specialists—it should be repaired by specialists.

We have the tools and we have the men. We have the equipment necessary for the best results from both men and tools. To deliver any job properly finished and on time is not merely our ideal, it is our habit.

RED CROSS WORK HELPS CHILDREN

The following report of Miss Ahlshier, Red Cross nurse, should be interesting to every man and woman in the county: Five rural schools have been visited, 423 children have been examined, and 418 have been found more or less defective.

Forty-two have defective vision, 94 have infected eye lids, 49 have bad teeth, 32 noses affected, 188 throats affected, 9 skin trouble, 6 heart affected, 43 glands affected, 151 malnutrition, 16 posture, 196 underweight, 15 overweight.

She finds that few children have enough of whole sweet milk, and a large majority have no milk at all. This is strange when Texas is a great cattle country, and any family can have at least one cow which, if well fed, would supply milk enough for any ordinary family. She also finds that many children have poor lights to study by at night, which is ruining their eyes; and that, too, can be easily remedied by keeping the lamps well cleaned, with a good chimney, which should furnish a good light.

The great trouble is, that children do not complain much, unless they are very sick, and as soon as they are a little better, they are up and at play, so they do not get the attention they should have, grow up diseased in such a way that many of them spend the remainder of their lives grunting and complaining, when a little attention, given them while young, would have made them well and strong.

The time was when it was the general opinion that children were naturally well and strong with few exceptions, and that diseases attacked them after they had grown up, so the children did not get much attention. The draft boards in the world's war served to open the eyes of thinking people, and the question that would not down was, "What

is wrong with our American young men that so many were not fit for service?" Then the fact came out that most of the trouble could have been corrected in childhood, and a general campaign was started to examine the children and have their defects treated. We are not expecting another war, but the children will be engaged with this war of making a living almost from the cradle to the grave, so let's give them a good start.

In this work of examination, too much praise cannot be given our good physicians. They have given freely of their time, and as a rule, the doctors are the busiest men in the country, but they left their work, went out in the country and examined the children. These examinations would have cost two or three hundred dollars, yet they did it, not expecting to get a penny out of it.

If you are called on to give a few dollars to defray the nurse's expenses, don't say a word, but go down into your pockets and give what you can, and give it gladly. Think of the children who need this attention, and you will want to give your part.

This is your work, and we will let you know from week to week how it is progressing, and when it is all over, you will be mighty proud that you had a part in it.

Mrs. J. A. McConnell,
Publicity Supt.

FARM CLUB BOYS TO DALLAS FAIR

County Agricultural Agent R. R. Morrison left Monday morning with nine agricultural club boys to attend the Dallas fair. These trips are given to the club boys by the Dallas Fair association through the extension service of the A. & M. College and are awarded to the boys on their crop project work and their year's club work.

The outstanding members in this year's project work were Maurice Parrish of the Stubblefield club, who produced 2169 pounds of cotton on one acre, and Preston Graham, whose estimated yield of sweet potatoes on one-fourth acre is 108 bushels.

Other club boys to win this trip are Frank Roberts of the Latexo club; Wesley Jones of the Wesley Chapel club; Earl Murdock of the Ephesus club; Murray Muckelroy of the Arbor Grove club; Milton Cook of the Porter Springs club; J. D. Leamonds of the Ephesus club, and Bill Montgomery of the Rateliff club. All of these boys did excellent club work in addition to producing a good crop on their crop project.

POSTOFFICE CREW ARE HARD WORKERS

Crockett postoffice employes are efficient. Likewise, they are courteous. Patrons of the post office are extended every courtesy possible. Every effort is made to please.

The Crockett post office handles a large volume of mail—extremely large for the number employed in handling this daily flood of letters, papers, parcels, etc. Yet speed and accuracy is marked in the handling of every article.

Recently the postoffice system was changed by the putting on of two city carriers. The system was quickly regulated to the change and mail is handled with the same care, speed and accuracy, with the added service.

Postmaster W. T. Cutler is a hard worker. He is early to arrive and late to leave, and always courteous and accommodating.

The rural carriers are out early, carrying mail far into the country six days a week, whether the sun shines or rain pours, be the weather hot or cold.

No one on the whole postoffice pay roll fails to do everything required, and much more, to serve the patrons to the fullest extent. We owe much to the hardworking postoffice people and to the carrier service of the county.

SUMMER HEAT ENDS WITH FALL RAINS

The long summer drouth has been effectively broken. Rains during the latter part of last week, and the early part of this, have given the ground a good soaking, and have relieved the shortage of stock water. This seasoning will put the necessary moisture in the ground for fall plowing, all of which benefits the farmers and all others.

The rains, with consequent cooler weather, have also effectively ended the almost unbearably hot summer through which the country has just passed. Cooler weather is indeed welcome to the people who have suffered one of the longest summers ever recorded.

Immediately after the rains, roads present a soft and slippery surface, but the rains will, if not of too long duration, put the roads in better shape than they have been for months.

Beginning Sunday night, the skies began pouring out an intermittent, but steady string of showers, continuing to Tuesday noon, when leaden skies prevailed and showed no signs of letting up.

The thrifty citizen will now plant his fall garden and do his fall plowing.

Commissioners' Court.

Among the commissioners' court items not previously mentioned in the Courier are the following:

In the September 14 session, upon application of O. B. Hale, sheriff, R. A. Parker was appointed as a deputy sheriff.

In the September 28 session the following actions carried: The names of W. R. Grissett and Henry Estill were placed on the pauper list of the county at \$15 per quarter, with Geo. Russell as trustee.

Compensation of E. F. Woolam, pauper, was raised from \$10 to \$15 per quarter.

Motion carried to transfer \$53.95 from the general fund to the plat book fund to pay the balance of interest due on interest warrants due October 10, against the plat book fund.

Motion carried to transfer \$1500.00 from the jury fund to the general fund to meet expenses in the general fund.

Good Farm for Sale Cheap.

640 acres near Neches in Anderson county. This farm has four sets of improvements and has made as high as 75 bales of cotton a year with lots of other farm products. Under proper management ought to pay for itself in a short time. If interested write R. E. Aiken, 978 Morrell Street, Abilene, Texas. 4t.*

CROCKETT, TEXAS

EIGHT MAIL BOXES SENT TO CROCKETT

Eight mail boxes have been received by Postmaster W. T. Cutler. Postmaster Cutler states that one of these boxes will be put on the northwest corner of the courthouse square, near the Dailey store. Another will be put up on the southeast corner of the public square, near Baker's drug store, while the remaining six boxes will be placed at convenient locations in the residence section of the city.

Contract for putting up these boxes has been awarded to A. W. Ellis. Mr. Ellis is awaiting posts for the mail boxes, however. No information has been received as to when these posts will arrive.

These boxes will be a great convenience to the people of Crockett. They will save innumerable trips to mail letters, post cards, etc. These boxes, however, do not receive parcel post packages. This will make a worthy improvement for the city of Crockett.

City mail delivery has proved a great convenience to residents of Crockett, and the list of patrons using this service continues to increase. The delivery saves the necessity of maintaining a post office box, or of calling at the general delivery window for mail. It brings your mail right to your door.

Celebrates 75th Birthday.

Mrs. J. H. Smith and Mrs. W. O. Faris were hostesses at a dinner at Mrs. Smith's home Tuesday, October 6, in honor of the seventy-fifth birthday of their father, Mr. F. H. Hill. An excellent dinner was served, and those present report an enjoyable party. Guests present were Messrs. Andrew Sims, T. W. Thompson, W. B. Worthington, W. H. Kent, J. C. Lacy, C. H. Beazley, Sam Platt and E. M. Callier, all old-time friends of Mr. Hill, half of whom formerly resided in the eastern part of Houston county, where Mr. Hill also lived in early life.

We are Headquarters For

CROCKETT, TEXAS

SESSION WEDNESDAY AFTERNOON EASTERN TEXAS PRESBYTERY

Eastern Texas Presbytery was concerned mostly Wednesday afternoon with routine business. One important matter was the report of the Home Mission committee. A very large development work is being carried on in the Presbytery, and they were faced with a deficit, and measures for overcoming that were discussed. It was also brought out that pastors and churches should do all in their power to take upon themselves the matter of full support, so that the funds being contributed to them might be diverted to other needy channels. It was said that this Presbytery is now beyond question the third of the ten Presbyteries of Texas in point of actual work being done. Three years ago the Presbytery was at the bottom of the list.

Wednesday night was given to a more popular program, and a large number of local people were in attendance. Music was presented by the orchestra and choir of Crockett churches which delighted the audience. Rev. M. O. Cockerham led in a short devotional service, after which a number of interesting and encouraging reports were heard.

The last consideration Wednesday night was the selection of the next place of meeting. Port Arthur was chosen, and the body will go there in the spring. McRae Memorial church of near San Augustine also gave an invitation for the next meeting. Port Arthur church is the youngest in the Presbytery, having been organized less than a year, but having already over 125 members, and \$20,000 worth of property. Rev. Frank C. Langham is the pastor there.

FIRST GAME SHOULD DRAW LARGE CROWD

Crockett high school will send her football team on the field Friday afternoon at 4 o'clock against Madisonville. Madisonville has played two games, winning from Madisonville by one touchdown and losing to Huntsville by a single touchdown. The opposition will, as this fact indicates, be enough to test the

strength of any team, especially a new team without previous experience. Little is known of the weight, or tactics displayed, by Madisonville.

The Crockett line-up is not definitely known, but Dan Foster will probably start at quarter back, with Buster Odom running the team should Foster be taken out. Odom will run at offensive half and defensive end. Calvin Brannen, a fast and husky, but untried man, will probably be at a half-back post. Roth Parker will be at fullback, and looks like a real triple threat man. He will punt and pass. Raymond Callaway, Tom Adams and Gerald Driskell may all see service in the backfield.

Oran Dawson, 190 pounds of bone and muscle, will be at center, a new position for him. He is expected to disappoint the opposition in plunges at the center of the line. Charley Towery, Red Bryant and Julian Durst are leading candidates for guard positions. Lonnie Nelson and Harry Tolliver will probably start at tackle, but C. G. Lansford may get the call on one side. If Arthur Dawes gets his scholastic difficulties straightened out, he will see service in the game. The wings will be manned by Frank Sharp and Jack Turner in all probability. Among the others due to get in the game are Jack Sharp, Lawrence Murphy and Nat Jordan.

Although these men are almost all beginners in the game, fair weight and speed is present. As the game will probably be played on a muddy field, alertness will help to cover many fumbles, and will go a long way toward winning the game. The team is expecting a strong side line to encourage it. A good view can be had from the grandstand and even rain should not prevent attendance of a large crowd.

The backfield men will wear numbers as follows: No. 1, Odom; No. 5, Brannen; No. 9, Foster; No. 11, Parker. Nelson will be No. 12, Tolliver No. 10 and Dawson No. 3. Other numerals were not available. These numbers will help in following the players.

Attends National Convention.

County Judge Leroy L. Moore is attending the national convention of the American Red Cross in St. Louis. Judge Moore goes as the representative of the local chapter of the Red Cross organization.

Let the Courier print your sale bills.

AMERICAN BASEBALL LEAGUE CHAMPIONS PRESBYTERY REPORT

The Courier will be the first newspaper to reach its readers in Crockett this afternoon (Thursday) carrying the final result of the American Baseball League Championship struggle—the Pittsburgh Pirates and the Washington Senators. This afternoon's game decides the championship in the national baseball game. The Courier will not only be the first local newspaper to reach its readers with as complete a report as the Courier contains, but it will be the first newspaper published anywhere to reach Crockett readers with as complete a report as the Courier contains today. The Courier will be the first newspaper to reach its readers in Crockett conveying a photographic message from the winning team. The Courier will be the first newspaper in Crockett to contain photographs of the winning team. The Courier will be the first newspaper in Crockett to contain a three-column picture of the winning team. The Courier's report tells the news of the winners and it is the completest newspaper report you will get to-day.

The Courier will not only be first in the matter of baseball news, but the Courier contains in this issue the completest and latest reports of the Eastern Texas Presbytery, concluding its session in Crockett Thursday afternoon. The Courier's Presbytery reports are as nearly complete and accurate as it is possible for newspaper reporters to make them. We feel that the ground, from a journalistic standpoint, is covered in the Courier's reports.

The Courier not only carries the church and the baseball news, but there is much news of other things, local and general, in the Courier's columns this week.

PITTSBURG PIRATES GRAB WORLD SERIES

(Continued from page one.)

ler doubled to deep right, scoring Bigbee and Moore, and taking the world's baseball championship from the national capital to the smoky city. Stanley Harris threw out Barnhart to end the inning.

Oldham pitched the ninth inning for the Pirates. He fanned Rice, then forced Stanley Harris to pop to Moore, ending the game and series by fanning Goslin.

Score by innings: R. H. E. Sens 400 200 010 7 7 2 Bucs 003 010 23* 9 15 2 Batteries: Johnson and Ruel; Aldridge, Morrison, Kremer, Oldham and Smith, Gooch.

Manager Harris of Washington took a sportsman's chance and allowed the great Johnson to pitch the entire game, despite the fact that good relief pitching would have won a world championship. McKetchmie juggled his line-up continually, using fifteen men, including four pitchers. Kremer will doubtless be credited with the victory, his second of the series. He was beaten once.

Christian Church.

We miss Brother Fitts, but hope to have another pastor soon. We must try to "stay on the job" until we do.

Our Christian Endeavors have asked for the morning hour next Sunday, the 18th.

Stewardship is their subject. Everybody is invited. We urge all members of the church to be present, encourage the young people and enjoy the program.

This is not to make money, but to hold the members together until we get a leader. Reporter.

In communities that never had the benefit of family work the experienced Red Cross worker serves those who need friendly council and assistance.

NOTICE BY PUBLICATION.

The State of Texas, County of Houston. In Probate Court.

The State of Texas.

To the Sheriff or Any Constable of Houston County, Greeting: You are hereby commanded to cause to be published in the Crockett Courier, a newspaper of general circulation published in said county, at least once a week for twenty consecutive days before the return day hereof, the following notice:

The State of Texas.

To all persons interested in the Estate of I. A. Daniel, Deceased:

Mrs. Ruth King Daniel, administratrix of the estate of I. A. Daniel, deceased, has filed in the County Court of Houston County, an application to sell the following described real estate to-wit:

An undivided one-half interest in and to lots four, five, six, seven, and eight, in block two, of Depot Addition to the City of Crockett, as shown on the map of said addition as same appears of record in the Deed Records of Houston County, Texas, together with gin, gin machinery, buildings and other improvements situated upon said premises, which said proceeding will be heard by said Court on the 9th day of November, 1925, at the Court House of said County, in Crockett, at which time all persons interested in said estate are required to appear and answer said proceeding, should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Crockett, Texas, this 14th day of October, 1925.

(Seal) W. D. Collins, Clerk, County Court, Houston County, Texas.

Stove for Sale.

Large wood range. Nearly new. Cheap for cash. 2t. J. M. Ellis.

Reception Postponed.

The reception to be given by the Parent-Teachers' association at the high school auditorium has been postponed from Friday night, October 16, to Friday night, October 23.

From whatever point comes the call of distress, the forces of your Red Cross are at hand; always ready to act as your representative in administering service and relief. No emergency, whether of war or of peace, whether in our own land, in our insular possessions or on the soil of another nation, calls without meeting instant response.

Tell him that you saw his ad in the Courier.

Tunstall Sells Shop.

E. L. Tunstall has sold his shoe repair machinery to Paul Herman, who is moving the machinery to his shop on the east side of the court house square. Mr. Tunstall has been offered employment at the state orphan home at Corsicana, which he now has under consideration.

CHARACTER THE FOUNDATION.

I heard a splendid talk the other day. It was to several hundred boys and girls attending the farmer's short course at Baton Rouge, by the superintendent of education for Louisiana.

"You may not think it is worth while to get an education but if you do, oh, how sorry you'll be some day when you find yourself out-distanced in a dozen ways all through life, others able to succeed where you achieve only mediocrity.

"I am going to give you a few suggestions about some subjects to which you might well give consideration. Despire them not today for tomorrow they will open to you many a door of opportunity.

"Speak correctly. It places you with those whom you meet.

"Spell correctly. It places you with those at distance.

"Be thorough. The habit will help in everything you undertake as long as you live.

Study arithmetic. It helps to give a nimble brain, aside from business reasons.

"Learn history. It broadens you. It gives you an understanding of what you, your state and your nation are, that you do not get otherwise.

"Above all," he said impressively, "all this learning is worth while only when founded on character."—Mrs. W. N. Hutt.

GOOD HABITS.

broadest sense, is responsible for his thoughts.

This is a psychological fact that has been emphasized so often that most people are familiar with it, but how many realize its importance in forming habits, which in reality determine what our true character shall be?

Tendencies toward thinking and acting in certain ways are called habits and they are the outgrowth of training and experience.

Many form evil habits as children that remain with them through life because they did not have the proper directing influence before their powers of reasoning were very highly developed.

Children have characteristics that make the acquiring of habits easy because they are suggestible. They imitate the words and actions of their el-

REVEALING THE SECRET OF CHARM

By Louise Fazenda.

Whether you are endowed with beauty or not, I feel that every girl can develop a charm of personality that will do more toward winning her the regard and love of others, than the possession of startling physical beauty.

Charm is something that cannot be explained in words, but is the biggest part of a woman's appeal. It embraces a sweetness of manner; tact; thoughtfulness; and savoir faire.

Remember that a pleasant manner always receives courtesy in response. Smile naturally when you are addressed by people and you will find that they answer you in kind—and that they will show a readiness to go out of their way to establish a friendly footing.

Don't grouch or grumble. If you must give vent to your exasperation or blues, do it when you are alone, but always present a poise of good humor and ever-ready interest to the world. Bear this in mind—if you display a genuine eagerness to make friends, you will find everybody more than willing to meet you half-way, because there is nothing more delightful in the daily contact of people than these little oases of good cheer.

There is a difference between a sincere attempt to talk entertainingly and a crude, half-revealed boldness that many girls mistake for vivacity. Just be yourself! If the conversation is light and graceful, add your bit to it, without becoming too conspicuous or loud, but if the subject under discussion is outside your ken, maintain an intelligent silence. That bespeaks common-sense on your part, while a silly bluff at knowledge only humiliates you and makes you seem ridiculous.

In all my motion picture work at the Warner studio, where I am just finishing my latest picture, "Compromise," I have found that the real secret of charm is sincere friendliness and co-operation.

Every girl can make herself lovable, if she really wants to be.

ders and if they are not taught the difference between right and wrong, they will very easily develop harmful habits.

This makes the responsibility especially heavy on parents or any grown people who may, without their knowledge, be examples from which children will acquire habits that will shape their lives.

How's Your Radio Battery?

We sell, repair and recharge radio batteries as well as automobile batteries and will be glad to inspect yours any time. We carry the well known Willard line and we know and you know there is none better.

We have a first-class wrecker now which is at your service at all times—day or night. We also have our steam cleaner operating and can clean your motor and chassis the way it should be cleaned.

In buying tires some motorists depend upon the reputation of the tire dealer. Others depend upon the reputation of the tire itself. We suggest that you look to both, for the one is exactly as important as the other. All tires, tubes, parts and accessories bought here may be depended upon for service and satisfaction.

Day and Night

Popular Actress Warns Against Too Freakish Extremes.

Every woman wants to look attractive. It is the most natural desire in the world, but unconsciously, many confuse the words "attractive" and "conspicuous."

There are a hundred different little tricks whereby a woman can add to her charm and appearance. In fact, she owes it to herself to do so, but being conspicuous in her mannerisms or get-up only cheapens her.

Few women realize the danger of looking freakish as well as screen actresses do. They know that while a striking appearance may be fascinating, it often creates the wrong impres-

sion. As Patsy Ruth Miller, the beautiful Warner star who will soon be seen in "Red Hot Tires" explains it, women should never exaggerate, either in their make-up, their dressing or their behavior.

Time for Renewing.

The postoffice department allows one year for renewal of newspaper subscriptions. The publishers are not allowed, after a subscription has been unpaid for more than a year, to enter newspapers at the postoffice at the pound rate. All subscribers are therefore expected to renew their subscriptions within one year after the expiration of the time paid for. If not, the con-

struction of the ruling is that the paper is no longer wanted by the subscriber.

For Sale.

Rates and Capital

HERE does the Texas Power and Light Company get the money with which to do business? Here in the United States we expect to get what we pay for, and we expect to pay in return for the work we do in the service we render. The Texas Power and Light Company, and every other public utility, is entitled to be paid for the service it renders. Its pay is called "rates," and its work is called "service." It, in turn, has to pay the costs of operation and maintenance, and a return to its stockholders for the use of their money that should be sufficiently liberal to attract new capital. All this has to be paid out of the rates it receives for its services. Rates provide the money for running expenses, while capital provides the means for extension and growth.

It is this fresh capital that builds the extensions and improvements. Every thrifty man or woman who succeeds in saving something from his or her earnings, wants to invest this money to the best possible advantage. They want to invest it safely and where they may expect a good rate of interest in exchange for the use of it. If they don't get it they won't invest. That is common sense, for no one should be expected to lend his savings for nothing. It is the rates that pay the interest on capital invested for public utilities.

The Texas Power and Light Company has to pay as much as any other for the materials it needs to carry on its business—oil, steel, iron, copper, wood, and the many other products needed in the production and distribution of electricity. Its employees must be efficient and satisfied, and it must pay them the "market" price in wages; otherwise they will go into other industries. Unlike other businesses, however, the utility company cannot fix its own selling prices. It has to pay the "market" price for what it gets, but its own selling prices, or rates, are fixed by some outside authority.

It is from these two sources, Capital and Rates, that the Texas Power and Light Company gets the money to carry on its business.

Your Electric Servant,

Texas Power and Light Co.

TO OUR FARMER FRIENDS

We have had a very successful season and wish to thank you for giving us your liberal patronage.

We are ginning every day, and doing better work than ever. The best sample in Crockett, and the biggest turnout.

CROCKETT, TEXAS

FARMER-MUSTANG BATTLE HEADLINER

WEEK-END SHOULD SEE THREE TEAMS OUT OF RACE IN CONFERENCE.

By Brewer Bennett.

The headliner of this week-end's football contests will be the conference tilt between S. M. U. and A. & M. at College Station. These two teams are expected to furnish much of the conference fight and each will show every trick it knows Friday. S. M. U. has a slightly better offensive, while defensive merit probably favors A. & M. The breaks should decide this game. S. M. U. vanquished Washington Friday 20 to 6, while A. & M. fought to win a 6 to 6 tie with Sewanee Saturday. S. M. U. and A. & M. tied last year, 7 to 7.

At Houston Saturday the Rice Owls meet Arkansas. These two teams at present seem to be the worst in the conference. Rice should win, with the home ground advantage and a veteran line. Trinity beat Rice Saturday 13 to 0, while Arkansas was losing to Oklahoma Baptist College 6 to 0.

Texas meets Auburn at the State fair Saturday. The Longhorns made a good showing, though beaten by

Vanderbilt 15 to 6. The Texas team should win from Auburn in a good game.

T. C. U. meets Simmons Saturday at Ft. Worth four days after her game with Baylor. Simmons, with a brilliant team, has trained for two weeks for this game, and a Cowboy triumph looks like the probable outcome. T. C. U. won last year 7 to 0.

Baylor, three days rest sufficing, should have little trouble downing Trinity with her first string Saturday, but a worn-out first team, or a second team, will hardly hold the veteran Tiger line.

Howard Payne meets Southwestern at Georgetown Friday in a T. I. A. A. and Texas conference game. Howard Payne should win, though the Pirates should do much better than last year when they were beaten 20 to 8.

Canyon Normal is weaker than usual this year and lost to Abilene Christian last week 13 to 0. The West Texas boys will probably lose again when she meets New Mexico U. at Canyon Saturday.

Daniel Baker goes to Sherman Friday to play Austin College and is in for a drubbing. Daniel Baker beat Sul Ross 7 to 0 last week, while Austin was fighting a 3-3 draw with Tech at Lubbock.

Denton Teachers play host to Stephen F. Austin Friday, and will doubtless send the Nacogdoches team home without any bacon. Stephen F. Austin played a scoreless tie with

Lon Morris last week.

Commerce Normal plays Abilene Christian at Abilene Friday, and should hold A. C. C. to a close win. The 7-0 victory over Sam Houston last week should help the morale of the Commerce team. A. C. C. is out to avenge last season's 17 to 7 defeat.

Sam Houston plays Southeastern Louisiana institute at Huntsville Saturday and should win if the Bear Kats play football, and forget the Rice game. S. L. I. won last year.

Texas Tech plays Montezuma College at Lubbock Saturday and should win her first victory on the gridiron.

Westminster and T. M. C. meet at Terrell Friday, with Westminster the favorite. Westminster sustained a 6 to 17 loss against Rice Frosh Friday.

Tulane should again win easily Saturday against Mississippi A. & M. She defeated Mississippi U. 26 to 6 last week.

Big Ten teams play as follows: Michigan at Wisconsin; Illinois at Iowa; Northwestern at Chicago; Columbia at Ohio.

Missouri Valley teams play as follows: Kansas Aggies at Kansas U.; Drake at Oklahoma; Cornell college at Grinnell; Washington at Nebraska.

Other important games are Notre Dame vs. Army at New York; Wabash at Minnesota; So. California vs. Stanford at Los Angeles; California vs. St. Mary's at Berkeley; Sewanee at Alabama; Tennessee at Vanderbilt; Florida at Georgia Tech; Pennsylvania at Yale; Holy Cross at Harvard; Princeton vs. Navy at Baltimore; Cornell vs. Rutgers at Ithaca; Syracuse at Indiana; Carnegie at Washington and Jefferson.

Results last week include the following:

- Missouri 9, Nebraska 6.
- Yale 35, Georgia 7.
- Army 26, Knox 7.
- Pittsburg 15, West Virginia 7.
- Georgia Tech 16, Penn. State 7.
- Michigan 63, Indiana 0.
- Notre Dame 19, Beloit 3.
- Alabama 42, L. S. U. 0.
- St. Edwards 18, Arlington Aggies 0.
- Ames 20, Kansas 0.
- Chicago 3, Ohio State 3.
- Drake 19, Kansas A. & M. 0.
- Iowa 41, St. Louis 0.
- Minnesota 34, Grinnell 6.
- Oglethorpe 20, Centre 0.
- Pennsylvania 9, Brown 0.
- Navy 19, Marquette 0.
- Illinois 16, Butler 14.
- Kansas State Teachers 21, Oklahoma A. & M. 0.
- Purdue 29, Depauw 0.
- Princeton 15, Washington & Lee 6.
- Allen Academy 28, St. Edwards Academy 0.

NO. 12803.

TREASURY DEPARTMENT

Office of Comptroller of the Currency, Washington, D. C., August 5, 1925.

Whereas, by satisfactory evidence presented to the undersigned, it has been made to appear that

"The State National Bank of Lovelady"

in the town of Lovelady, in the county of Houston and state of Texas, has complied with all the provisions of the statutes of the United States, required to be complied with before an association shall be authorized to commence the business of Banking;

Now therefore I, Charles W. Collins, acting Comptroller of the Currency, do hereby certify that

"The State National Bank of Lovelady"

in the town of Lovelady, in the county of Houston and state of Texas, is authorized to, commence the business of Banking as provided in Section Fifty one hundred and sixty-nine of the Revised Statutes of the United States.

CONVERSION of the Lovelady State Bank, Lovelady, Texas:

In testimony whereof witness my hand and seal of office this fifth day of August, 1925. (Seal) Charles W. Collins, Acting Comptroller of the Currency.

The Better Buick is a Man-sized Motor Car

The 3-Passenger Country Club Model

People appreciate a smart-driving, easily-handled, but full-sized, man-sized car. The Better Buick, for instance.

Each Buick model seats its capacity of full-grown people—in relaxed ease—without cramped legs or necks. Tall people, especially, enjoy its extra head-room and leg-room.

American men and women are above the average stature. And a smaller car than Buick is apt to be tight-fitting, low-ceilinged, crowded!

Drop in and try the ample, arm-chair comfort of a car that is right in size. Bring some of your six-footer friends. You will find another big reason why Buick is so widely considered a better motor car—another reason why there are a million and more enthusiastic Buick owners.

Or telephone, and we will send a Better Buick to your home or office for you to try.

Colored Fair a Success.

The colored fair held at Mary Allen Seminary Thursday and Friday was a success in every detail. H. C. Langrum, colored farm demonstration agent, reports an increased interest, a larger attendance and a better array of exhibits than last year. The fair was taken part in by large numbers of colored people from all over Houston county. This exhibition means much to the industrial and moral life of the negroes of Houston county.

Even travelling in a rut is better than going no place at all.

How Doctors Treat Colds and the Flu

To break up a cold overnight or to cut short an attack of gripe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.

One or two Calotabs at bed-time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please,—no danger.

Get a family package, containing full directions, only 85 cents. At any drug store. (adv)

STOP THAT ITCHING

Sufferers from skin diseases such as Itch, Eczema, Tetter, Poison Oak, Ringworm, Old Sores or Sores on Children may find relief from the use of a jar of BLUE STAR REMEDY or their money will be refunded. The first application relieves that terrible itching. Will not stain clothing and has a pleasant odor.

JOHN F. BAKER

WRIGLEYS

AFTER EVERY MEAL

Probably one reason for the popularity of WRIGLEYS is that it lasts so long and returns such great dividends for so small an outlay. It keeps teeth clean, breath sweet, appetite keen, digestion good.

Fresh and full-flavored always in its wax-wrapped package.

So Weak Couldn't Stand

"My wife's health broke down and for years she was just a physical wreck," says Mr. Thomas Glyn, of Gibson, La. "We did everything we knew, yet she seemed to get worse and worse. She was so weak till she couldn't stand, and had to be carried like a baby. It looked like nothing would save her that had been done."

CARDUI

For Female Troubles

"I began looking around. I knew that Cardui was for women. I decided to try it for her as all else had failed. She couldn't eat, she couldn't sleep, and I was desperate. After taking a few doses of Cardui, we were so glad to note that she wanted something to eat, and with each bit of nourishment, and each day's doses of Cardui, she grew stronger and got up out of bed. She is now able to cook, and stronger than in a long time."

Cardui has been in successful use for nearly 60 years in the treatment of many common female troubles.
