

STATEWIDE POOL OF LOW GRADE COTTON

Corpus Christi, Nov. 9.—More than thirty signatures are attached to a call issued to the farmers of Texas to meet in Waco November 16th, for the purpose of considering a statewide pool of low grade cotton, to be shipped and sold to Europe.

Following is the call:
"We, the undersigned cotton growers of Texas, hereby call a mass meeting of all citizens of this State who are now holding low grade cotton, to meet in Waco, Texas, on Tuesday, November 16th, at 10 a. m., at the offices of the Chamber of Commerce, for the purpose of considering the advisability and practicability of pooling all low grade cotton in this State for shipment and sale to European countries.

"In view of the fact that low grade cotton has been accumulating during and since the Great War, it is absolutely necessary that some effective measures be adopted at once to dispose of this low grade cotton before next year's crop is put on the market. After a careful investigation and conferences with leading farmers and cotton growers of this State, it is deemed wise and proper that the best course to pursue is the one outlined above.

"Investigation shows that Germany alone today needs two million bales of cotton; Bohemia needs half a million bales, and other European nations need at least a million bales. These countries today are idle for lack of cotton.

"The time is too short to rely upon any export corporation yet to be organized to handle the enormous quantity of low grade cotton now on hand in this country.

"We urge the citizens of every county and community who are holding low grade cotton to attend this meeting or send representatives.

"If we can succeed in disposing of this low grade cotton through a pooling system, next year's crop will bring cost of production plus a profit, but should we fail to accomplish this purpose, every bale carried over will be a liability against next year's crop to hammer down the price.

"This is your business and needs your attention now. We are counting on you to be present at this meeting and to do your part."

CIVIC LEAGUE PROGRAM

The following program will be given by the Civic League on Wednesday afternoon, November 17, at 3 o'clock, at the Methodist church. The subjects are ones of interest to everyone in Graham and all are extended a cordial invitation to be present.

Members of the Civic League who were away this summer reported the city of Washington to be distinguished by brilliant cannas growing it seemed, in every yard; by a riot of roses in the city of Portland. Why not adopt a flower for Graham? What flower or shrub shall it be? Can it be done? Could not this plant be grown in every yard in Graham as well as in the public parks and school grounds? Can one grow flowers and chickens in the same yard?

What is the Interscholastic League and why is not our school identified with it?

Come out and help make Graham what we would like to have it.

Piano, "Humoresque"—Mrs. A. A. Morrison.

WOMAN, 110 YEARS OLD DIES AT SULPHUR SPRINGS

Sulphur Springs, Nov. 8.—"Aunt" Bettie Tally, 110 years old, is dead at the home of her son near Yantis. The aged woman came to this vicinity with the first settlers and has lived here ever since. She was born two years before the war with Great Britain and eleven years before Stephen F. Austin brought his little colony to the wilds of Mexico. Santa Anna at her birth was a youthful soldier, while Jean Lafite was terrorizing the Galveston harbor with his band of outlaws.

SAVED HIS HORSE

Mr. R. L. McIntyre, of Altoona, Ala., says, "Dr. LeGear's Antiseptic Healing Powder quickly healed some bad wire cuts on my horse. I defy any stranger to find the slightest scar on him."

Dr. LeGear's Advice and Remedy saved this valuable animal. He warns you not to leave a wound, sore or cut exposed, but to dust on Dr. LeGear's Antiseptic Healing Powder, which instantly forms an antiseptic protection and promotes healthy healing.

In his 28 years of Veterinary Practice and Expert Poultry Breeding, Dr. LeGear has compounded a remedy for every curable ailment of stock or Poultry. Whenever they require a remedy, it will pay you, as it did Mr. McIntyre, to purchase from your dealer the proper Dr. LeGear Remedy, on a satisfaction or money back guarantee. 11

BROTHERS DEFEAT BROTHERS

Gainesville, Nov. 5.—One of the freaks of the general election in Cooke county Tuesday was the defeat of two brothers running for county office on the Democratic ticket by two brothers running for the same offices on the Republican ticket. This is the first time in the history of the county, it is said, that two Republicans have been elected to office.

Joe Kathman defeated G. A. Stelzer for public weigher in Precinct 8, while H. H. Kathman defeated A. C. Stelzer for constable in the same precinct. This precinct is in the Muenster neighborhood, which voted Republican almost solidly.

HENRY CHAPEL

Our school opened Monday morning with tolerable good attendance. All the cotton is not picked yet.

We are glad to say little Florence Bowers is getting better after her bad spell of diphtheria the past week.

Ruel Young has just completed a nice new addition to Mr. Moren's residence.

Jon McLaren, of Dallas, paid his parents, Mr. and Mrs. J. L. McLaren, a short visit the past week. He returned to school Monday.

Mrs. Shelton Bowers spent part of last week visiting in Graham.

Little Mary Glidewell spent Monday evening with Artie and June Vick of Finis.

Mr. and Mrs. John Gilmore marketed turkeys in Graham Monday at a nice profit.

We did not have any Sunday School Sunday evening. The superintendent came and the weather being unfavorable he went home. A very good crowd gathered during the evening. The Henry Chapel people enjoy going to Sunday School too well for a little rain to keep them at home.

Posie Bowers has moved to Horace Ribble's place. Shelton Bowers has moved to Mr. Bowers' home place.

Mr. and Mrs. A. C. Anderson and Miss Adele visited Grandma Anderson Sunday. Mrs. Anderson brought little Mary Glidewell a beautiful bouquet of flowers which Mary was sure proud of.

Mr. and Mrs. Fred Moren will leave for their home at Dalhart this week. FARMER.

STOCK ADVANCES TO \$12.50 PER SHARE NOVEMBER 15

Will not guarantee that it will remain at this price longer than that one day. It will continue to sell at Par until the 15th.

The O. P. & G. well, making over four hundred barrels in the 2100 foot pay, demonstrates beyond a question that the best production in the entire South Bend territory lies west of the river toward and in the hills. This well is approximately one half mile of our 120 acre lease, where our own well is drilling.

There are five other wells now drilling in close proximity to our leases which are due to reach the sand within the coming week.

THE YOUNG COUNTY OIL AND GAS COMPANY

stock is going to be sold for what it is worth. We have money enough to drill our first well, and our second, and yes, even the third, even though we do not sell any stock, and if we are forced to drill these wells with the personal money of the officers, what stock is sold to the public will sure come high.

Should any of the several wells drilling close to our holding come in, the price advances again, and it will continue to advance for every well that comes in on our side of the river. By Christmas, when our own well will be completed, this stock should be selling five for one; the company will sell it for that, as the company sets the price on this stock, and not the public.

You have felt all along that this was a good buy. IT IS. Be wise, buy yours at Par, you still have a few days. It is the opinion of experienced operators that our first well should be good for at least 1000 barrels per day. We are in line for the larger production; can't see how it would be possible to miss us.

ANOTHER WORD.

Snowden-McSweeney on the Stovall land, are 2400 feet deep. They are just one thousand feet or so from our 22 acre lease. Denny is about two thousand feet deep. That well is just three hundred feet from our lease. Should either of these be a well we will start a well on our lease immediately, but our stock will be selling for at least three for one, beyond a doubt.

NEVER BEFORE have you has the opportunity to buy Oil Stock which was a sure a shot. The YOUNG COUNTY OIL AND GAS COMPANY has all the earmarks of the kind that pays fabulous returns on an investment made.

Are you going to be in on the enormous dividends? Are you going to get part of the wealth that will be made in Young County Oil? Or are you going to let this golden opportunity pass by.

ALL DAY MEETING AT PRESBYTERIAN CHURCH

On Thursday of last week the Presbyterians observed an all day meeting in the church auditorium. The occasion was the study and completion of the book, "The Church and the Community," a treatise on the social privileges and obligations of the church.

Placards bearing the inscription, "Does our Church serve the Community?" and others of like sentiment, with huge bouquets of chrysanthemums, added an individual note to the interior.

Various teams led the different chapters of the book, all endeavoring to make their special topic one of interest. The study was interspersed by readings, story-telling, and special music numbers.

At noon a delightful luncheon was served at the manse. Three long tables were replete with dainties contributed by some of Graham's expert cooks. Ingenious place cards of blue and white circles advertised the "Circle Plan" which was later explained by Mrs. R. A. Duncan and four "circles" were organized with Mrs. T. J. Price, Mrs. H. L. Morrison, Mrs. Gary Smith and Mrs. R. G. Hallam as leaders in the endeavor to stimulate interest in the work of the Auxiliary among the members of the church.

The offering amounted to \$60.00.

CREAGER WILL HANDLE G. O. P. PATRONAGE IN STATE

Washington, Nov. 6.—R. B. Creager of Brownsville, twice Republican candidate for governor of Texas, who seconded Senator Harding's nomination at the Chicago convention, and at whose home the President-elect is to be a guest for twelve days, will handle the Republican patronage in Texas, according to reliable authority. Heretofore under Republican administrations Texas patronage has been handled by the national committee-men, as was the case when Cecil Lyon's endorsement was necessary before President Roosevelt would make an appointment in Texas. But H. P. McGregor, present national committeeman from Texas, will not handle the patronage under the Harding administration in the first place, it is said, McGregor was not an avowed Harding man, while Creager for more than two years worked for Harding's nomination.

Creager and F. E. Scobey of San Antonio are ranked as Harding's closest friends. Scobey, however, is said to be without political ambitions, and is more likely to be the Colonel House of the Harding administration. Just how large the patronage of Texas will be is as yet undetermined. Just now this patronage, which is handled by Senators Culberson and Sheppard, is confined to collectors and some subordinates in the internal revenue offices at Austin and Dallas, five district attorneys, five United States marshals, collectorships, along the border, prohibition enforcement officers and when a vacancy occurs federal judges.

However, it is believed here that President Harding, shortly after his inauguration, will relieve the postoffices from civil service and fill them with deserving Republicans. The opening wedge for this has already been driven by Republican newspapers which are asserting that Postmaster General Burleson filled these postmasterships with Democrats and then blanketed them under civil service. If the postmasterships again go under the old spoils system the patronage in Texas will amount to millions of dollars a year. Chairman Hays, who is regarded as the most likely to be appointed postmaster general, is said to be in favor of opening the postoffices again. The new rule would apply to first, second and third class offices. There are now a number of vacant postmasterships in Texas, including Amarillo, first class office. It is believed that President Wilson

will not fill these offices at the coming short session of congress, realizing that the appointees might be turned out.

Troy Mayo was bitten by a rattlesnake last Saturday afternoon. He is in a critical condition. He is the 12 year old son of W. A. Mayo of Lower Tonk.

Mrs. Lucy K. Isaacs has resigned her position as first grade teacher and Miss Walker Riddle, of Celina, Texas, has been elected to succeed her. Miss Riddle is a successful teacher. She resigned her position at Cleburne to accept the position in Graham.

C. Adams, manager of the Whistle Bottling Company of Graham, left Monday for Cincinnati, Ohio, to attend the National Beverage Exposition. Mr. Adams will buy new equipment for his bottling company while on this trip. The Whistle Bottling Company is planning considerable improvement on the plant during the winter months.

RAIN DELAYS WHEAT SOWING

The recent rains are delaying wheat sowing in some sections. On account of the low price of cotton, much wheat is being sowed this fall. The fall has been favorable for the sowing of wheat and more is planted this year than usual.

The rain has also delayed cotton picking and the harvesting of fall crops, but it is putting the ground in fine condition for next year's crop.

RED STAR DEMONSTRATION

The Young County Hardware and Furniture Company made a successful demonstration of their famous Red Star Vapor Stoves Monday.

A special representative was present to show the special features of this stove. A large number of people were present to witness the demonstration and were well pleased. Hot biscuit with butter and coffee were served to many people during the day.

FRANKLIN-DUNCAN

Rev. A. W. Franklin, of Graham, and Miss Vera Duncan, of Meridian, Texas, were married at the home of the bride's mother, Mrs. T. B. Duncan, Tuesday morning, November 9, Rev. C. A. Bickley officiating.

The happy couple left immediately after the ceremony for Fort Worth to attend the Annual Conference.

Rev. Franklin has lived here two years and has many friends in the city and in the communities around Graham where he has served the people so acceptably as pastor for the two years of his residence here.

The bride lives at Meridian and is an accomplished young lady who is held in high esteem by her large circle of friends.

They are receiving the congratulations of their many friends this week and Brother Franklin is the happiest man at the conference.

TRAVELUTTE AT GRAHAM THEATRE ALL NEXT WEEK

The Orpheum Theatre was filled to capacity, hundreds standing up at the rear last night which goes to show the people thoroughly enjoy the performances of the Great Travelutte who is considered one of the greatest living hypnotists, mentalists and magicians.

The management, McSennan and Thompson, are greatly pleased in having been successful in having this company of refined people who have made many friends here as well as playing to tremendous business, it having increased every night till now on the last days of the engagement the S. R. O. sign is out long before curtain time, and every one compliments the show.

Their intention is to book only the best road attraction and pictures in the future. The seating capacity is over 1100 and they soon intend to add a balcony so as to hereafter handle the crowds as judging by their opening attraction the following ones being booked for Lawton certainly will be the best, for Lawton certainly de-

serves it. Today matinee and night will close the 8-day run of Travelutte who announced last night he had saved the best for the last and would have lady subjects for the hypnotic part so every one would be assured of a pleasant evening's program and a pleasant memory to keep and talk of such as no other entertainment can afford.—Lawton Constitution

A home talent musical program will be given at the Graham Theatre November 29 by children, consisting of choruses, duets, dances, etc. Benefit High School Ground Equipment.

Hughes and Kizer closed the contract this week to install thirty-five new fixtures in the Walker House, including hot and cold water. This is one of the largest rooming houses in West Texas and the new equipment will add much to comfort of the guests.

The little daughter of Mr. and Mrs. Ellis Bentley, of Newcastle, was burned to death last Saturday. The Leader is not in possession of the details of the tragedy.

Earl Wheat returned Saturday night from a prospecting trip over the Plains country. While at Hereford he visited his old friend Frank Richards, an erstwhile Young county boy who has been making it well in the west since going there eighteen years ago. Earl is well pleased with the Plains and is thinking some of moving to that country next year.

J. M. Williams, who has been associated with the Young County Hardware and Furniture Company for some time, has accepted a position with the Guaranty State Bank. He is assistant cashier and an experienced banker.

The Graham Storage Battery Company and the Graham Tire Company have moved into the building recently vacated by the Graham postoffice. They have larger quarters and are better prepared to serve their customers.

TUBERCULOSIS SUNDAY, DEC. 5TH

Tuberculosis Sunday will be observed in churches all over the United States, according to plans made by the National Tuberculosis Association. In the Lone Star State, the Texas Public Health Association has made plans for the observance of the day in hundreds of Texas churches.

Many ministers have pledged their co-operation in the fight for better health, and in the war against tuberculosis, and, from their pulpits, will lecture on these subjects.

The Texas Public Health Association will send out special literature for Tuberculosis Sunday, and will furnish an outline for talks by ministers, Sunday School superintendents and teachers.

Through the churches thousands of Texans will be reached with the messages of good health, and will learn of the importance of stamping out the "Great White Plague" that menaces every home and community. They will learn of the thousands of deaths from this disease in Texas every year, estimated at 10,000; of the many thousands of cases; of the dangers of the spread of the disease—and on the other hand, of the simple cure for the disease; rest, fresh air, good food, care of a good physician, and cheerfulness. They will be taught the ways in which to prevent the disease, and build up their bodies to resist all illness.

Do not forget Tuberculosis Sunday December 5th.

COX SAYS TALK OF NEW PARTY ABSURD

Columbus, Ohio, Nov. 5.—On his return to Columbus Friday Governor Cox issued his first and only statement since the election.

"For the first time in ten years, the Republican party is in complete control of the legislative and executive branches of the National Government, therefore policy as to statute and administration is with it. Its task is no longer that of the critic but the constructor. It is my hope and firm belief that the Democracy of the Nation will not attempt political sabotage.

"The country has seen quite enough of that. We are in the midst of emergency and the Nation's every resource should co-ordinate in behalf of things that are helpful. So long as Government exists, the principles of Thomas Jefferson will be the center about which human hopes will

"Talk of a new party is absurd. One might as well discuss the destruction of human emotions. As essential as it has been to the welfare of the country in the past, the creed of Democracy is more need now than ever because recent events have made it distinctly the American party.

"In spirit I am as proud as when the fight started. I would not retrace a single step nor yield a single jot in principle. It was a privilege to make the contest for the right in face of overwhelming odds.

"There is a distinct difference between defeat and surrender. The flag of Democracy still flies as the symbol of things more enduring than the passions and resentments that come with the aftermath of war."

GROWING STRENGTH OF LIBERTY BONDS

The former owners of Liberty Bonds who became panic stricken and turned their bonds loose a few months ago because prices of them sank to low levels, now have opportunity to meditate over their mistakes.

As the bonds were thrown on the market, the weight of the load naturally depressed quotations, just as the unloading of cotton in recent weeks has served to depress cotton prices. The more that was sold the lower the price went.

Through the retirement of large blocks of the bonds, however, the price recently has been steadily on the upgrade, and it is only a matter of time until they will be selling at par, and probably above. The wise investor who has retained his bonds, and those who have been shrewd enough to buy as many as they could at the discounts, will be the ones to profit materially from this development.

WILLIAM FAVERSHAM NEW MOTION PICTURE STAR

The newest addition to the ever-increasing ranks of the motion picture stars is William Faversham, for many years one of the most distinguished actors of the English-speaking stage, who makes his appearance in "The Man Who Lost Himself," the first of a series of Eiznick pictures featuring this famous player.

"The Man Who Lost Himself," from a book by H. de Vere Stacpoole will be shown at the National Theatre Monday, November 15.

It is described as a mystery comedy drama with setting in London. It concerns the adventures of an American who goes to sleep one night as plain Victor Jones, of Philadelphia, and awakes the next morning as the Earl of Rochester, with a household of ornate servants and disagreeable relatives, a beautiful wife of whom he is supposed to be estranged, and a reputation that makes him one of the most shunned men in English polite society.

Poor Jones has an equally hard time living up to the title or trying to get away from it, and his numerous odd adventures are said to constitute one of the most remarkable comedy dramas ever presented on the screen, and a production fully worthy of Mr. Faversham's talents.

"THE GIRL WHO DARED" COMING TO THE NATIONAL

"The Girl Who Dared," a new Western drama by Alvin J. Seltz, in which Edythe Sterling is the featured performer, will be the main attraction at the National Theatre Wednesday, November 17.

According to advance information on this photoplay it is a speedy, red-blooded story of the Old West which begins at a fast clip and gains momentum as each incident flies by. Adventure and romance form the foundation for this new story, and it is said that no picture of the season offers a more varied line of novelties and thrills.

In brief, the story is that of a dashing young girl of the West who, through her courage and skill, demonstrates her superiority over all rivals as the leading contestant in horsemanship. Although undesired by her, she is literally thrust into the office of County Sheriff by her townsmen and admirers and it is at that stage that the story begins to move with added speed and interest. Romance creeps into the action as villainous crops out and it is these elements, interwoven one among the other, that make for one of the most engrossing dramas of the season.

In this play many prominent players are seen in support of the star, among them being Jack Carlyle, Steve Clements, "Yakima" Canutt and Gordon Sackville. Cliff Smith directed the picture.

"THE GIFT SUPREME" AT NATIONAL THEATRE NOV. 18

The story of "The Gift Supreme," which is to be shown at the National Theatre Thursday, November 18, is one of those rare stories which is fascinating to rich and poor alike. It is somewhat melodramatic and yet retains a fineness which brings out many light comedy points as well as heart-throbs for all.

George Allan England drew his characters from the two extreme of life—the rich and the poor. His principal character is the son of a wealthy man who, in seeking knowledge of the world, is thrown in close contact not only with the poorest of poor but with the lower type of criminals. And in this atmosphere he meets the young woman who later becomes his wife. But how he wins her, how he defeats the pride of his rich-but-once-poor parents, and how he assists in the reformation of the lives of several helpless creatures, gives the story that uncommon twist which places it far above the level of the average.

In this Republic release some of the screen's most capable players are shown in leading parts. Such players as Lon Chaney, Seena Owen, Melbourne MacDowell, Bernard Durning, Jack Curtis, and many others of equal prominence add to the attractiveness of the production.

"THE VALLEY OF DOUBT"

The National Theatre offers as its star attraction Tuesday, November 16, "The Valley of Doubt," a Selznick picture, in which Arline Pretty and Thurston Hall have the leading roles. It is described as an "outdoor" picture, as most of the action takes place out in the Canadian snows.

Marion Hilgrade goes with her brother, Tommy, a weakling, to their father's lumber camp, hoping that the free outdoor life will make a man of him. There Marion meets Jules Bonnavet and they fall in love with each other. This does not please Macy, the manager of the lumber camp, who has designs on Marion, and he does all he can to discredit Jules. The story promises much in the way of intrigue and unusual plot development.

Burton George directed "The Valley of Doubt," and the result is said to be a vivid picture of life and conditions in the far North.

NEW VERSION OF "PANTHEA" COMING NATIONAL THEATRE

"Panthea," by all odds the greatest photoplay in which Norma Talmadge starred, has been revived by Selznick Pictures and will be the featured attraction at the National Theatre Saturday, November 20.

Directed by Allan Dwan, than whom the screen boasts no more prominent figure in production activities, "Panthea" brings with it a plot that is surcharged with all the elements of entertainment—mystery, intrigue, tragedy, romance and humor.

It's all there, bound together in an enthralling story of the great love of a Russian woman for a man in whose abilities she sincerely believes. So deep is the love of Panthea for this man that she sacrifices her honor in order to raise him to the pinnacle of success of which she dreams.

"Panthea" is a fast moving story with the requisite punch to give it a place among the great films of all time. It has for a background the shadows of a Nihilist-torn Russia in the days before chaos held the land in its tragic grasp.

The role of Panthea will be remembered throughout Miss Talmadge's screen career as her crowning achievement.

SHADE TREES AND FLOWERS

Nothing adds more to the looks of a town than beautiful yards and parks with an abundance of trees and flowers. Every citizen of Graham should co-operate with the ladies of the Civic League in making Graham the most beautiful city in Texas. Trees and flowers grow well here and the seasons this year have been favorable for the planting of trees and flowers.

We should not wait until February to put out trees. With the good season in the ground trees should be put out any time during the winter. Several thousand trees should be planted in Graham this winter and with the coming of spring much attention should be given flowers.

Begin now when the seasons are favorable to put out your trees.

Prepare for cold weather by purchasing your Coal Hods at SNODDY & SON. 9tc.

SHORT & CO.'S PRICES

ARE NOW IN ACCORD WITH THE LOWERED MARKET

We have revised every price in our house on a downward scale. Lines we are out of are now being bought by a buyer in the market and all merchandise that we handle regardless of former price is now much cheaper.

COME AND SEE FOR YOURSELF

Thousands of people from Palo Pinto, Jack, Archer, Stephens, Throckmorton, Baylor and Young attended our great Price Readjustment Sale that closed last Saturday night. These people made their winter purchases at great savings. They have spread the news that we have put on one of the greatest sales in the history of this town and as a result, people are daily coming into our store and asking if our sale is over. We now take this opportunity to say **IT IS NOT OVER. WE HAVE JUST STARTED ON OUR CAMPAIGN TO SAVE THE PEOPLE OF GRAHAM MONEY ON THEIR PURCHASES.** All lines that were depleted are now being bought again by our buyers at extremely low prices and are coming in daily to be offered to you at ridiculously low prices. We invite you to take advantage of this opportunity. Everything offered you is guaranteed to be a standard brand and of recognized quality. Understand that we **WE GUARANTEE OUR MERCHANDISE. IT SPEAKS FOR ITSELF.**

We can afford to do this. Why? We made cash sales during our selling campaign that ran into thousands. With this money we have liquidated our bills that come due on the high priced merchandise. Now we are buying goods at very near our own price and on better terms. We will make a profit but yet we are going to give you prices on merchandise that will astound you. We have sold out of sheets, pillow cases, outing flannels, gingham, shirtings, comforts and quilts, work pants, dress pants, Ladies Fine Dresses, and several lines of underwear. These we will replace with the same grade of merchandise and offer to you at a price coordinate with our sale prices. **WE ASK YOU—CAN YOU SAVE MONEY ON THESE PURCHASES AT NEW PRICES.** Come and talk with us about it. **WE ARE ON THE TRAIL OF THIS HIGH COST OF LIVING** and it will not be long until we have the old man's scalp hanging to our belt.
