A BOOSTER FOR TERRY COUNTY FOR THIRTY-FIVE YEARS—"BELIEVE IT OR NOT!"

PRINTED IN TERRY COUNTY, ON THE SOUTH PLAINS, THE IDEAL DIVERSIFIED FARMING SECTION FOR THE FEEDER-B REEDER OF LIFE STOCK—WHERE THE ANIMALS AND ABUNDANCE OF FEED CONVERGE
VOLUME THIRTY-FIVE BROWNFIELD, TERRY COUNTY, TEXAS, FRIDAY, NOVEMBER 3, 1939 NUMBER 13

Ralls Is Ready For Wes-Tex 'Bill's Day'

"Most interesting coming event on the South Plains is the 'West Texas Bill's Day', stated Max Bentley, WTCC Activities Manager over a five-station radio hookup broadcast in Texas. This celebration is scheduled for next Monday, November 6.

Streets are being decorated, floats are being prepared, and banquet arrangements nearing completion this week, in preparation for Monday's annual meeting of the most unique "Bills' Club" with guest speaker Bills, the famous "Aalfa" Bill Murray of Oklahoma, and William "Bill" McCraw, ex-attorney general of Texas.

Opening the day's program will be the famous Wah-wah-tasee drum and bugle corps of McMurry College, Abilene, leading a giant parade of bands and floats. In their maroon and white uniforms, carrying twelve bugles, four drums, and two bugle lyres, the McMurry aggregation will be on parade in their usual outstanding style. Excepting the pep parades and downtown parades in Abilene, this will be the first official appearance of the Wah-wah-tasee this season.

Following in the parade will be bands of West Texas including the 80 piece Junior High School band of Lubbock, and those of Crosbyton, Floydada and Spur.

Introducing Attorney Virgil Campbell

Mr. Virgil Campbell, of Floydada has decided that Brownfield is the town in which he wishes to hang out his shingle as a member of the bar and law fraternity, and he says that the town looks good to him with its good agricultural and oil possibilities, not to say a growing, progressive city. And he says he sure likes the people he has met.

Mr. Campbell graduated from the law department of Baylor University, receiving his degree last June. He was born at Grandview, Texas, but lived most of his life in West Texas. He is not married, girls, and is handsome. His office is in the Brownfield building on the west side of the square.

Another young attorney located here last week, coming from Fort Worth, a Mr. E. S. Hurt, but we have not had the pleasure of meeting him. He is officing in the Brownfield State Bank building.

Texas Tax Bill, Crop Value Compared

DALLAS, October 30.—Total amount of taxes paid by the people of Texas during the fiscal year 1938 was equivalent to more than the value of all the field and non-field crops produced in the State that year, plus the value of all the wool and mohair, plus all the cash income from cattle and calves, according to the current issue of the Taxpayer's Digest, Dallas.

The new tax publication for Texans, published by the Taxpayer's Research Bureau, Dallas, and edited by Peter Molyneux, widely known journalist, author and economist, with Booth Mooney as associate editor, points out these facts in its first regular issue, dated November 1.

The total tax bill for Texans for the fiscal year ended June 30, 1938, was not less than \$454,000,000. The Taxpayer's Digest explains, while the combined value of all State crops, all wool and mohair, and all cash income from cattle and calves amounted in 1938 to \$452,200,000.

J. E. Sims and family, are entitled to a pass to the—

Cubs Wallop Tahoka Bulldogs By 28-7

By Tom Rowden

Fighting their opponents to a standstill, and then turning on their real strength in the last quarter, the Fighting Cubs swept over the Tahoka Bulldogs 28-7, to spoil Tahoka's homecoming.

At the beginning of the game, the Cubs seemed doomed to defeat, but a fighting spirit, which has been the Cubs' greatest weapon, brought them from the bottom, back into the ball game, and the hearts of the many fans who followed them to the game.

Receiving, the Cubs drove deep into Bulldogs territory, only to have their drive stopped by an intercepted pass. And then the Bulldogs staged their greatest offensive drive of the night. With Minor, an all-district man, if there ever was one, carrying the ball, the Bulldogs struck at every point in the Cubs' line, and drove the Cubs to the one-yard line. Here the "Mighty Mites", built a defensive wall that held off the attack four downs. The Cubs took over the ball on the one-yard line where Bryan, sturdy end, and punter for the Cubs, kicked it out on the 35-yard line.

Starting a drive in the second quarter, Tankersly, blocking back for the Cubs, broke off his own right guard for a neat 25-yard run, placing the ball on the Bulldogs, 20-yard line. Dropping back to the 30, Brown passed to Warren for the first score of the game. Bowers converted. Thus the half ended, Cubs 7; Bulldogs 0.

After an exchange of punts in the third quarter, neither team seemed to be able to score. But this was broken early in the fourth period when the Cubs, led by "Power House" Locke, whom the Bulldogs seemed unable to handle, in four attempts drove 40 yards and a touchdown for the Cubs. Bowers converted. But this only began the real scoring of the night, for a few minutes later, Bowers intercepted a Bulldog pass and with the aid of his blockers, ran 70 yards for the third Cub score. His conversion was good.

The Bulldogs lone score of the game came late in the fourth quarter when Minor from the Cubs 30 yard line passed to Massen and then to Parker for the touchdown. Minor passed to Massen for the extra point. The last score of the night came in the last few minutes of the ball game. Not expecting a pass, the Bulldogs defense moved in close, only to be caught off guard by a 20 yard pass from Brown to Hill who was hauled down on the 5 yard line. The next play, quarterback Brown crossed the double stripe for the Cubs' last counter. Bowers again converted.

Outstanding for the Cub line was Akers, the only man to tackle the great Minor behind the line of scrimmage, and Lewis Center who did not make a bad pass the entire game. While in the backfield were Locke, and Tankersly, with Bowers and Brown playing a fine game.

Starting lineup for the Cubs: Ends, Bryan, Hill; Tackles: Akers, Waters; Guards: Rambo, Burnett; Center, Lewis; Halves: Bowers, Warren; Quarter: Brown; Full Back: Tankersly.

Yardage Results
CUBS BULLDOGS
311 Yards Rushing 113
2 for 45 Passing 9for 105
2 of 5 Passes Completed 9 of 26
2 for 77 Interceptions 2 for 80
5 for 177 Punts 3 for 81
20 First Downs 12
5 for 25 Penalties 5 for 35
The Cubs will be idle this week, as they are making ready for the toughest and most important game of the season. This game will probably decide who will play for District honors. It is undecided whether this game will be played November 10 or 11. But we feel confident that the Cubs, with the town behind them, can pull through with another District Championship.

Mrs. Troy Noel and Mrs. Lee O. Allen were Lubbock visitors Monday.

State-County Tax Collections Ahead of '38

We don't know whether it is just because our people are more prosperous this year, or getting out their crops earlier than last year, or are taking advantage of the discount offered by the county and state if payments are made this fall. Anyway, the payments this year are around a thousand per cent better than at the same time last year.

It is true that we had a very severe drouth over most of the county last year, and it was none too good over some of the section this year, especially in the immediate Meadow area, but while the people were paying a measly \$3,779.00 last year by the first of November, Sam White, deputy sheriff and collector informed us that up to November 1, this year the collections were approximately \$35,000.00, and he felt sure that some more money was in the mail, possibly from out-of-town and out-of-state people, who are taking advantage of the October discount.

The fact of the business is, perhaps, that they are far ahead of collection to date of any year in the county's history. If collections continue good until January 31, after which time the penalty goes on, there will be a record amount of taxes paid in Terry county. Just how much of this is delinquent from other years, we do not know.

"Billie Sadler" To Be Here Fri.-Sat.

Mrs. Harley Sadler, better known to her many friends throughout this part of Texas as "Billie", will be in Brownfield with the Harley Sadler show Friday and Saturday, Nov. 3rd and 4th. Mrs. Sadler is the character woman with the company and will be seen in excellent parts during her visit to Brownfield. She is also the bookkeeper with the company and keeps the records required of a business of today in an enviable manner. The Sadler show will be here for the two nights only and will be sponsored

by the Junior Chamber of Commerce, and this season the tent will be located next to the Brownfield Steam Laundry. The opening play is "He Couldn't Take It", and eight acts of big time vaudeville will be presented between acts of the play.

Great Demand For New Chevrolets

DETROIT, Oct. 26.—Public demand for the new 1940 Chevrolets introduced in the company's 8,600 dealerships throughout the country October 14, has hit a record high for immediate post-announcement orders, it was announced here today by W. E. Holler, general sales manager.

Mr. Holler reported that the new cars have won instant approval of the car-buying public, interest being expressed not only in the offerings as a whole, but in individual models of the most comprehensive line ever introduced by Chevrolet.

"Never before in my experience have I seen such a heavy demand for all models of the new car," Mr. Holler said.

Mr. and Mrs. Tom May and daughter, Mrs. Roy Ballard were Lubbock visitors, Tuesday.

Terry County Ginnings Well Ahead of 1938

R. D. Copeland, Special Agent, Department of Commerce, Bureau of the Census gave us his report this week for cotton ginned in Terry county prior to October 18, 1939, showing a total of 9,576 bales up to that time, compared with ginning same date last year of only 618 bales. This is a gain of 635 per cent.

Quizzed a bit, R. D. said he was of the opinion that near 15,000 bales had been ginned up to Tuesday, but of course he was guessing, and nothing official about it. Yet we readily agree that he has something there, too, because the gins have certainly been busy places since October 18, with clear weather and nothing to hinder gathering.

Mr. Copeland said he believed those who still hold out that Terry will gin 20,000 bales are safe. He enlarged by saying that the young cotton is just now coming in, and that it was turning out much better than the most optimistic thought for awhile.

Some thought two weeks ago that by this time the bulk of the crop would be out, and that the Mexican population would have returned home, but you couldn't miss any of them here Saturday.

It is true that some of the old cotton fields are looking a bit black now, but there is a whale of a lot of cotton open in Terry county yet.

The ginnings up to October 18 were within about 2,000 bales of being as much as the total ginnings in 1938.

Local School Student In Serious Condition

The many friends of Mr. and Mrs. C. J. (Cecil) Smith and family, over this entire section will deeply sympathize with them in the illness of their son, Bub, who has a very rare type of brain tumor. Bub went to school last Monday, but had not been feeling well for some time. He is not the type to complain, but Monday of last week when he went home he complained of blindness, seeing double and an awful headache. Tuesday he was carried to Lubbock to have glasses fitted, and his parents were told there was something else wrong, and the services of medical skill were sought. They were told their boy had a rare type of brain tumor and they were advised to carry him to Mayo Clinic, Rochester, Minn., but also said there was but a chance in a million for him.

It being a race between time and death, a comfortable bed was prepared in the Smith car, and Cecil and his brother, Dell Smith left Sunday for Rochester, arriving during the night, Sunday. He stood the trip better than was expected, and he started through the clinic Monday, and reports Wednesday by wire were that they might finish yesterday, (Thursday.) Let us hope for cheering news.

Bub, with his ready smile has won scores of friends, who hope he will be the one in a million. He had to have a kidney removed something over a year ago, and has been making regular trips to Dallas to a kidney specialist. Mrs. Smith, accompanied by her sister, Mrs. Elmo Carver, of Amarillo, left Monday by plane for Minneapolis, where they take the train to Rochester.

WIRE late Thurs. Examination completed. Will not operate. Started course of X-Ray treatment.

Stop, Look and Notice

Women and girls of all communities in Terry county:

Will you help us get that long needed Home Demonstration Agent? Just "talk" it every where you go.

Then when we are some 400 strong we'll all get together and get one. Don't Fail Us!

Doe deer, fawns and spike bucks are protected by law in Texas.

Local Young Man Is Making Good

Second Lieut. Wilson H. Banks

Lieutenant Wilson H. Banks was born at Munday, Texas, June 11, 1916. In 1922 he moved with his parents to the Gomez community where they have resided since. He received his early day training at Gomez and Brownfield and graduated from high school at Dallas, Texas.

Lieutenant Banks attended Texas Technological College from September, 1934 to January, 1937, whereupon he received a position with the Ford Motor Company for which he worked a year before receiving his appointment as a flying cadet at the Air Corps Training Center, Randolph Field. He graduated from the advanced Flying School at Kelly Field, Texas, February 1, 1939; received his commission as a Second Lieutenant in the U. S. Army Air Corps and was stationed on active duty with the 96th Bombardment Squadron at Langley Field, Virginia.

Lieutenant Banks' parents, Mr. and Mrs. Wes Banks still live near Gomez, and are considered among our finest citizens. The Herald is always pleased when a former Terryite makes good. The success of Wilson may be the means of encouraging other young people of the area. His company is to make a good will flight to Brazil, soon.

Minimum of 33 Degrees Here Sunday

In conversation with Herman Heath, manager of the West Texas Gas Co., their minimum registration here Sun. night following the norther, was a fraction over 33 degrees, and for Monday night 39 degrees, as the weather warmed up a bit Monday. Between 30 and 31 degrees was registered at Lubbock, which is pretty well in line.

The writer kept the government thermometers here for seven years and during a norther, Lubbock would usually register from 2 to 3 degrees under us, and Tahoka just about in the same notch, while Lamesa almost always was slightly warmer than Tahoka and Brownfield.

We have talked with a number of farmers, and the Secretary Shelton of the Chamber of Commerce also says that he has talked with several, and no material damage was reported. Some, however reported their thermometers on the north side of the house Sunday night registered as low as 29 degrees. But they were probably gift thermometers, or if purchased didn't cost much and were not very accurate. It usually takes about 26 degrees here to kill vegetation.

Assistant Manager of Clovis Furr Store

A local boy, Clyde Eicke, son of Mr. and Mrs. E. N. Eicke of this city, has accepted a position the Furr Food Store at Clovis, N. M., as assistant manager. Mr. Eicke has been employed with the same company at Hereford, Texas, for the past two years.

Clyde and wife recently moved to Clovis to make their home. The Herald is always glad to see and hear of the local young men making good in the business world.

Kyle Gets Free Trip To San Antonio

One of the most tickled boys in this city, is Kyle Graves, who won a free trip to the National Red and White Convention, which is to be held this year in Texas for the first time, at the Alamo City. We wonder why the Red & White folks didn't send us along to watch him. Anyway he is to leave here the last of the week, along with others from this section, making up three car loads.

They will make it to Waco Saturday afternoon in time to see the Baylor-TCU game played, and if any of the crowd likes football any better than Kyle, they'll be going some. Thence on to San Antonio Saturday night, as the Duncan Coffee Co., will be host to the visitors Sunday. The Imperial Sugar Co. will be their host Monday, and a good time and much entertainment is promised the delegation.

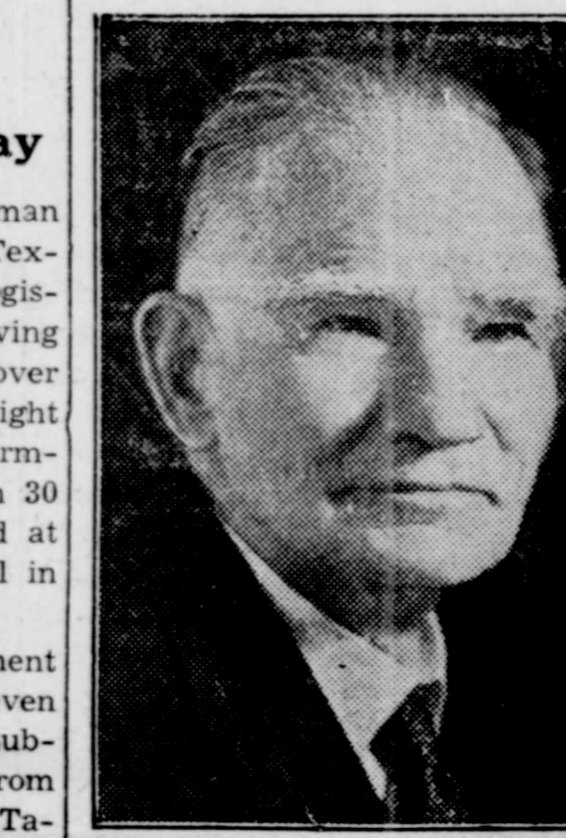

Salesmanship lecturers of national renown will be on hand the three days to instruct the delegates in the latest methods of selling groceries as well as keeping a neat fresh stock, nice window displays and making up their advertising schedule.

More Parity Checks Arrived Tuesday

J. E. Patterson, secretary of the County Committee, Agricultural Program, informed us this week that another batch of parity checks from the Agricultural department had arrived Tuesday, making a total to date of \$163,000.00, which has been distributed to Terry county farmers.

These checks are arriving at an opportune time, when loans on new cotton is kinder at a standstill. It is said that Secretary Wallace and his department still have these loans under advisement, but so far as we have heard nothing has been released up to the time this is written, Wednesday afternoon.

Serving 61st Year As College Professor

Dr. Samuel L. Hornbeak, whose name is synonymous with education in the Southwest, is now in his sixty-first year of active work in Trinity University, Waxahachie, Texas.

Two years ago the veteran educator was stricken with almost total blindness, but even such a handicap as this could not stop him in the field that he chose as a life work. Aided by his gallant wife who has proved the most comforting companion that life had to offer him, Dr. Hornbeak is going about his work of administration and instructing this year with the enthusiasm of one much younger in years.

Beasley Lost Brother In California

J. D. Beasley of north Terry, was in this week on business and paid the Herald a short call. He informed us that he had but recently returned from a trip to California, where he lost a brother.

Mr. Beasley owns a fine body of land in the Needmore section and has given the writer a pressing invitation to "come up some time" and see what he has and augur awhile.

Lamb Turns Thumbs Down on Jail Bonds

By a smashing majority, rolled up in the southern part of Lamb county last Saturday, which is the most populous part of the county, the voters of Lamb county let it be known in plain and understandable language that they do not want to build a \$30,000 jail at Olton at this time. The southern part of the county, below the sand hill contains the cities of Littlefield, Amherst and Sudan, the first two ambitious to be the county seat town some time.

Fact is, Olton don't lack a great deal of being in Hale or Dimmitt counties, and although Littlefield is far from the center of the county, it is much nearer than Olton, and also much nearer the center of population. Amherst is nearer both the geographical as well as population center of Lamb county, than any of the towns mentioned.

So, there may have been other reasons than financial that the jail bonds were snowed under. Littlefield is keeping county prisoners almost free it is said, but others maintain the jail is crowded often, with a general mixture of whites and blacks. Anyway, as stated above, there may have been just a bit of political maneuver, for let it be remembered that neighbor Hockley would probably stick out its tongue at a measly \$30,000 jail; they have one costing \$70,000.

Long Mileage in Star Tires is Explained

Greater mileage and safety from dangerous skids reported by users of Triple Star Tires is explained by L. E. McClish of The Star Tire Store in this way:

Mr. McClish says that an automobile tire is just as good as the manufacturer builds it, and that the percentage of its price put into quality and workmanship has everything to do with the performance and mileage delivered by the product.

"If too large a proportion of each tire dollar goes into expensive distribution and excessive selling costs", Mr. McClish explained, "the consumer is buying an assortment of operations and handling processes that do not concern him, with a tire thrown in. But when a Triple Star is purchased, the car owner buys a product into which the costliest materials have been built, because the distributing economies and direct selling method of the Hicks-Star organization have made it possible to put more of the tire dollar into the tire itself.

"The result is greater mileage, for quality always pays. The extra quality costs no more—thanks again to the distributing and sales economies. The entire factory output of Star Tire is taken by Hicks-Star cooperative tire dealers, and the savings are passed on to the consumer.

Warning to Terry County Farmers

It has been called to the attention of the County Committee that some of the producers are going to have their cane and sudan threshed or combined that they have classed as Non Depleting crops, (Government Land) under the farm program. If this is done you will be subjected to a penalty on your Agricultural Payments. The only way that these crops can be used is for hay and silage. We wish to caution you on the matter in this order to save you trouble later on in the farm programs.

J. E. Patterson, Sec'y.
R. N. McClain, County Agt.

Come! Come!!

Be sure and attend the Band Mothers Carnival, Tuesday night at 7 o'clock at the gym.

Come and see all the sights and vote for your favorite candidate for football queen. Help with the funds for the band boys.

Mr. and Mrs. Martin Line and children spent Sunday in O'Donnell, visiting her sister, Mrs. Cecil Pierce.

The Official Paper of Terry County and the City of Brownfield

The Ropes Plainsman is now being printed from their own plant, being a tabloid size, containing several pages. The Herald congratulates Editor Morris on establishing his own plant, which like home, sweet home, may be humble, but there is no place like it. We have often thought that if we had to go to some other town to get out the Herald, we'd stop the business and get a job grubbing. By the way, the Plainsman had big red headlines or page streamers across the top, and one or two ads appeared in red—a regular Denver (Colo.) Post, if you get what we mean.

The city of Lamesa had a real blackout for awhile Monday night of last week, when a small tornado near the village of Ackerly blew down five poles of the high line between the main plant at Big Spring and Lamesa. But those Lamesans are resourceful, and they have some resourceful merchants, who brought out their tall candles, lit a few of them, as well as kerosene lamps, and sold candles like hot cakes, it was said. Linemen for the Texas Electric Company worked until after 2 a. m., getting the poles back in place ready to turn on the juice again. It seems they have an auxiliary plant at Lamesa that was used to produce as much "juice" as possible.

The Herald recently had a bulletin from the German library of Information, printed in English and in New York at that, which we read sufficiently to find out that the authors are making a good case out for Bro. Hitler, and at the same time making it appear that Britain and France are two ordinary gashouse gangsters. Apparently Der Fuehrer, if that is the way to spell it, is no fly in the ointment of Europe, but did all he could to protect women and children and non-combatants in Poland, but those roughneck Poles just wouldn't behave. It was the hope of the GLI that as those bullies, England and France started this mess, that they would be finally defeated and humbled.

The Meadow Star came to us last week with a greatly enlarged edition, the issue being devoted mostly to the fine system of public schools, centralized at Meadow, and including Needmore and Pool. The edition was well-edited, and contained many interesting articles about not only the Meadow school past and present, but some of the old timers, and those who have done much toward making the Meadow school stand out. Among some of the things we learned, for instance, is that the Meadow schools hold more trophies than any school in this entire section, which alone is saying a lot. If you don't think the people of that section are for their schools in any kind of contest, athletic or literary, just attend some contest some time. You'll find them 100 per cent loyal to the core.

The National Fire Protection Association has figured that out of 154 typical church building fires

last year, 50 of them were laid to defective heating units of chimneys. Defective wiring was given as the cause of 17, and this largely was caused by lay electricians making makeshift connections from a socket in another department in order to more adequately light another room, as one of the members charged nothing, while they would have to pay a licensed electrician. Twelve were caused by lightning; balance "unknown." for the sake of argument, is it cheaper to have someone do a temporary or permanent wiring who don't know their business about insulation? Fires are destructive and the cheapest route to prevent them is to have the building wired and heating apparatus installed by those who have made a study of the business. We are not writing this for the benefit of plumbers and electricians, although we have many friends in that trade or calling. We are writing it to cause people to study the question just a minute, and see if they don't think cheap wiring and plumbing is a costly experiment.

Black gold seems to be the signal for controversy, not only among neighbors, but among counties and in some instances, between states, as per the Red river bed dispute between Texas and Oklahoma a few years ago. We had something in these columns a few weeks ago about a suit to settle the lines between Lamb, Hockley, Cochran, and Bailey counties, as oil is being found. Now comes a dispute about the north line of Gaines county and the south line of Yoakum county. Just a few years ago the land along that line was not valuable. There were few farms, mostly very sandy; the rest ranches, and the two counties seemed to content themselves with letting the owners pay taxes at Seminole or Plains, as suited their fancy. But now there are hundreds of oil wells all along that line, some with potentialities of several thousand barrels of oil per day, if not prorated, and both counties are wanting just a bit more of this former deep sandy, shinnery oak land. According to Bro. Hale's Yoakum county Review, the line for years was recognized as running along what is now known as the county line road, but Gaines county is wanting it moved north far enough to take in part of that fast growing town, Denver City. Gaines may have an equally good alibi which will be brought out in a long drawn out suit, perhaps.

The Lynn County News: A lot of newspapers that do not dare openly espouse the cause of Adolf Hitler are indirectly doing so by continually taking dirty digs at England and France, especially England. In them we find hardly a word of criticism of the arch fiend of modern times and the greatest liar living, the said Adolf Hitler. England is not perfect by any means. It has not always been just in its dealings with other nations. It has sometimes treated America unfairly. It has a lot of snobbishness that we detest. But after all is said and done, it is the most democratic country and possibly has the most just government of any country on earth except the United States. Furthermore, it is our mother country. We Americans have more English blood in our veins than we have of any other nationality. We are closer kin to the English by blood and in our manners, customs, and ideals than we are to any other European nation. Just why a few of our people, including a few newspaper editors, take pleasure in directing thrusts at England week after week at just this particular time unless their sympathies are really with that monster Hitler, is more than we can understand.

ANOTHER OLD TIMER PASSES TO REWARD

In the passing of Mrs. Francis Scudday, West Texas loses one of those rare old-time pioneer mothers. It was such as she that came here just before or just after organization of the county, and helped to make it what it is today. When the writer came here 30 years ago last January, the Scudday family was living on their ranch or stock farm as they were then called, in the south part of the county. But soon after that time the family built where the Flache residence now stands, and moved into town. Her home was always open to visitors and friends and her table was always ready for the hungry. She died last Sunday at the home of her daughter,

Mrs. Matt Smith, after several months illness. Her death caused a wave of regret in this city, among old-timers who had known her so long. She was born near Little Rock, Ark., in 1864 and was married to John C. Scudday in December, 1879, at Richland Springs, Texas, where they remained until 1903, when they moved to Terry county. To this union eleven children were born, nine of which survive her. Her husband passed away several years ago. Funeral services were conducted Monday by Rev. John W. Hendricks, assisted by Rev.

Jesse Young and a former pastor, Rev. R. T. Breedlove. The body was laid beside that of her husband in the Brownfield cemetery. The immediate family who attended the funeral were: John C. Scudday, Jr., of Forsan; Mrs. S. F. Lane, city; Mrs. Matt Smith, Alpine; Mrs. Eula Durham, Wichita Falls; Walter Scudday, Fort Stockton; Earl Scudday, Alpine; Arthur Scudday, Tatum, N. M.; Mrs. Allie Graham, Graham; and Fred Scudday, Sweetwater, were unable to attend. Also, 35 grandchildren and 19 great grand children survive, many of whom at-

tended the funeral. Mrs. Scudday joined the Methodist church under the preaching of Abe Mulkey, noted Methodist revivalist here in 1910, and had been a true member since. One of her daughters declared if there ever was a Christian, she was a true one. Pallbearers were Homer Winston, Ervin Rambo, Cecil Smith, Gay Price, Chock Hamilton and Arch Fowler, all long-time friends of the family. Out of town friends of the family who attended were: Mrs. B. F. Dixon, Ben Dixon, and Mrs. Norma McCasteen, Lubbock; Mr.

and Mrs. John D. Lane, Sterling City, brother of S. F. Lane; Mrs. R. A. Hall, Tatum, N. M.; Dr. A. M. Lindsey, Slaton; and her only brother, S. P. Myrick, Stanton, Texas.

CARD OF THANKS

We wish to express our sincere appreciation for the sympathy and kindness shown during the recent illness and death of our beloved mother. Mr. and Mrs. Jno. C. Scudday, Jr., Mr. and Mrs. S. F. Lane, Mr. and Mrs. Matt Smith, Mrs. Allie Graham, Mrs. Eula Durham, Mr. and Mrs. W. F. Scudday, Mr. and Mrs. Fred Scudday, Mr. and Mrs. Earl Scudday, and Mr. and Mrs. Arthur Scudday.

Differential Rate to be Removed in Wes-Tex.

ABILENE, Oct. 23.—Action of the Texas Railroad Commission in ordering removal of differential rates in far West Texas was highly commended today in a statement by J. M. Wilson of Floydada, president of the Freight Rate Equality Federation.

As head of the statewide federation, sponsored by the West Texas Chamber of Commerce, Wilson also urged the Railroad Commission to issue an additional order equating the entire level of Texas rates with that of the North and East.

The Commission's order of October 16 will reduce rates from 10 to 20 per cent in seventy West and South Texas counties. This penalty against this area has existed for more than 50 years and the West Texas Chamber of Commerce has long sought its removal, Wilson pointed out.

Removal of the differential rate was one of two things sought by the WTCC and the FREF in testimony at the Railroad Commission's hearing on freight rates in Austin last June. The other thing sought was equalization of all Texas rates with those in the favored zones of the North and East.

IN THE UNITED STATES DISTRICT COURT IN AND FOR THE WESTERN DISTRICT OF TEXAS WACO DIVISION

J. M. Hubert Vs. No. 236-In Equity Temple Trust Company

NOTICE IS HEREBY GIVEN that the undersigned has filed his application with the Clerk of the United States District Court in and for the Western District of Texas, Waco Division, for an order authorizing him to sell and convey to R. H. Crocker and wife, Lela Crocker, 160 acres of land lying and being situate in Terry County, Texas, and being all of the Northeast one-fourth (NE 1/4) of Section 108, Block D-11, Certificate 267, C & M Ry Company Survey, and for a consideration of \$2400.00 and of which amount \$1600.00 will be paid in cash, and the balance, \$800.00, to be evidenced by one note in said sum, to be executed by said purchasers, payable to the order of the undersigned at his office in the city of Temple, Bell County, Texas, and the principal of said note to become due and payable in eight annual installments as follows: Installment No. 1 due on or before 3-1-41, \$100.00. Installment No. 2 due on or before 3-1-42, \$100.00. Installment No. 3 due on or before 3-1-43 \$100.00. Installment No. 4 due on or before 3-1-44 \$100.00. Installment No. 5 due on or before 3-1-45 \$100.00. Installment No. 6 due on or before 3-1-46 \$100.00. Installment No. 7 due on or before 3-1-47 \$100.00. Installment No. 8 due on or before 3-1-48 \$100.00.

to bear interest from January 1, 1940 at the rate of six per cent per annum, the interest to become due and payable annually on the first days of March of each year, beginning March 1, 1941, and defaulting principals and interest to bear interest from maturity at the rate of ten per cent per annum, and said note to provide that failure to pay any annual installment of principal or interest thereon when due shall at the option of the holder mature said note; to stipulate for ten per cent additional as attorney's fees, and said note to be secured by a vendor's lien and deed of trust lien on the property and premises above described.

Said application will be heard by the Honorable Charles A. Boynton, Judge of said Court, after this notice shall have been published for a period of ten days, and any person interested in said Receivership Estate may contest

this application. WITNESS my hand at Temple, Texas, this the 30th day of October, A. D. 1939.

H. C. GLENN, as Receiver for Temple Trust Company. 2t

"THESE GLAMOUR GIRLS"

Coming to the RIALTO Tonight and Saturday.

JOHNSON P.-T. A.

October 20 the P.-T. A. of this community gave a tacky party and invited some negroes to come and help entertain. After the singing all the young people played games outside. Everyone went home feeling better after an evening of merriment and fun.

Friday night, October 27, the Hallowe'en Party was given at the school house. And all those who stayed away just missed the fun of a real carnival. There was the bingo stand, hoop-o-lo, Cat rack, hot dogs, hot chocolate, pop corn, peanuts, candies, delicious pies and cakes (baked by the prize winning cooks of the P.-T. A.) soda pop—anything and everything that a carnival should have.

Nobody knows exactly where all the money came from unless Mrs. Jones and Mrs. Howard spent it at the bingo stand.

Chances were sold for a quilt which was made and quilted by the ladies of the community. Mrs. Howard bought the lucky number.

Dorothy Jo Tuckness was crowned "Queen of the Carnival" by the president of the P.-T. A. Mrs. L. S. Salsar. Her strong competitors in the race were Christine Smith and Melba Green.

Dorothy Jo wore a gown of blue taffeta with silver sandals and a bright red corsage. Christine wore yellow and Melba wore a gorgeous gown of rich red velvet.

Jerry Jones was "King of the Carnival" with Gordon Patton and Bob Campbell second and third in the race.

The people of Johnson were not altogether responsible for such a successful carnival, however, and everyone sends their sincere thanks and gratitude to 60 business men and merchants of Brownfield and surrounding neighborhood.

1937 QUILTING CLUB
Mesdames Lester McPherson and S. H. Daugherty entertained the 1937 Quilting Club Wednesday afternoon at the McPherson home. Two quilts were finished and refreshments of sandwiches, cocoa, ice cream and cake were served to the following guests: Mmes. Jim Jackson, K. W. Howell, J. W. Hogue, Jess Smith, R. M. Kendrick, W. L. Bandy, A. L. McBurnett, L. A. Rhyne, E. L. Redford, E. D. Ballard, J. H. Carpenter, Enoch Hunter, W. A. Tittle and Walter Gracey.

Mr. and Mrs. Roy Herod spent the past week end in Snyder visiting his parents.

'LETO'S' FOR SORE GUMS
An Astringent for superficial soreness that must please the user or Druggists return money if first bottle of "LETO'S" fails to satisfy. Nelson-Primm Drug Co.

BAKED HAM IDEAL FOR HOLIDAY

As a pleasant change from the usual, why not have a tempting, richly browned whole ham as the piece de resistance of your Thanksgiving dinner? The tangy flavor of smoked ham combines well with the fall fruits and vegetables so plentiful at this time of year. And when the ham is decorated with nut halves and orange slices, it presents an even more festive appearance in keeping with the fall season.

Baking a whole ham these days is a very easy matter. With the mild cures that hams are given now, no parboiling is necessary. Simply place the ham, fat or skin side up, on a rack in an open roasting pan and bake it uncovered at a low temperature until it is done. An oven temperature of about 300 degrees F. has been found to give excellent results. If the rind was not removed before the ham was purchased, this should be done a little while before the ham is done. In cooking, the rind becomes loosened, so that all you need to do is take the ham from the oven, lift off the rind, and return the ham to the oven until it is slightly browned.

There are many ways to decorate a baked whole ham for Thanksgiving. One of the easiest is by placing almond halves in diagonal rows over the ham. Or you may wish to spell the word Thanksgiving with whole cloves across the surface of the whole ham. If desired, you may rub the surface with brown sugar or strained honey and return to the oven to glaze.

Here is a Thanksgiving menu featuring ham suggested by Inez S. Wilson, home economist:

- Thanksgiving Menu**
Cranberry Cocktail
Celery Olives Carrot Sticks
Baked Whole Ham with Almonds
Candied Sweet Potatoes
Buttered Cauliflower
Hot Rolls Butter Jelly
Grapefruit and Pineapple Salad
Individual Pumpkin Pies
Whipped Cream Coffee

Mrs. Perla Caldwell has returned home after a five weeks visit with her sister at Byers.

Mr. and Mrs. G. S. Webber and guest, W. O. Fox, spent Sunday in Lamesa visiting Mrs. Webber's and Mr. Fox's sister, Mrs. T. M. Key.

Among those from here attending the District Federation of Music Clubs in Lubbock last Wednesday were Mesdames C. T. Edwards, Money Price, Eunice Jones, A. J. Stricklin, Seale, Arnett Bynum, Ellison Carson, B. Brown, Joe Price, Vice pres. of 7th Dist., Mrs. W. H. Dallas; Misses Mattie Jo Fields, Olga Fitzgerald and Rev. and Mrs. Witt Hendrix.

Diphtheria Kills Many

AUSTIN, Oct. 23.—One preventable disease, diphtheria, has been responsible for 1,279 deaths in Texas during the past four years, according to the records of the Texas State Department of Health. The majority of these deaths were among children less than four years old, and were all preventable had these children been properly immunized prior to contracting the disease.

Prevention of diphtheria in children is a simple matter of inoculation with toxoid. If you child is six months old or more, take him to your family physician and have diphtheria toxin administered. The technique of inoculation causes the child no discomfort. In approximately 90 per cent of the children receiving toxoid, there will be established a life-time immunity to the disease.

To be sure that this immunity has been established in your child, six months after the first dose of toxoid, he should be taken to the physician to be Schick tested to determine his positive immunity against diphtheria. The test consists of injecting a few drops of diphtheria toxin between the layers of the skin. If the child is immune, no reaction will be noted. If not, there will appear some redness at the site of injection in three or four days.

Increased education of the general public on the importance of diphtheria inoculation has resulted in decreased death rates from diphtheria. Year by year mortality from diphtheria is decreasing, as witness the fact that in Texas 457 children died from diphtheria in 1935; 351 in 1936; 238 in 1937; and 233 in 1938.

You can help the Texas State Department of Health obtain a goal of not one death a year from diphtheria, and protect your loved ones by seeing that they are immunized at once.

SALES TO PORTUGAL

An example of the shifting of trade already caused by the war in Europe is seen in the recent authorization by the government of Portugal for a purchase of \$5,000,000 worth of railroad equipment in the United States.

The first order is for stainless steel passenger coaches, to be followed by purchases of locomotives and rails. Until the outbreak of the war Portugal's imports came largely from Germany and England.

While the proposed transactions will be on a cash basis, it is understood that efforts will be made to dispose of Portuguese goods of equal value in the United States.

These goods will consist of cork, preserved fish, port wine and olive oil from Portugal, and coffee from her colonies.

Negotiations for this deal were conducted by Charles B. McDaniel, an American now living in Paris, who has formed a trading corporation to promote foreign trade with the United States.

Although the amount involved in this initial transaction is not in itself very great, it indicates that a good deal of trade which formerly was carried on with nations now at war may be diverted to the United States, because of war conditions.

Mrs. Nell Fry of Dallas and Mrs. Marlin Davis of Fort Worth are guests of Mr. and Mrs. W. R. McDuffie this week. Mrs. Davis is Mr. McDuffie's sister and Mrs. Fry his aunt.

J. W. McPherson was confined to his home because of illness last week.

ASSEMBLY OF GOD CHURCH

An all day sectional fellowship meeting will convene at 10 o'clock a. m., Nov. 9. All local pastors and church members are expected to attend. You are also invited to attend our regular weekly services. Sunday school 10 a. m. and young people 7:30 p. m.

Pastor E. L. Dorris

BACK ON THE JOB

Evangelist Jno. R. Denning, who has been ill with pneumonia for the past three weeks, has resumed his ministry with the North Side Baptist church and hopes to greet the entire membership and his many friends in the services next Sunday morning.

An ever increasing interest in the Bible work of the Sunday school is reported by the superintendent, W. J. Noel, and a substantial increase in attendance is anticipated for next Sunday.

A cordial invitation is extended to all who do not regularly attend and such school, to come and observe the helpful method of teaching from the Bible only, and enjoy the benefit of the memory work and drills conducted by the pastor in the closing exercises.

All teachers and officers are urged to meet with the pastor at the church Saturday night at 7:30.

Mr. and Mrs. J. C. Bohannon brought their baby over from Lovington, N. M., last week to local physicians, as the little fellow was suffering with herysipelas. J. C., who was a former postmaster here, and both he and his wife long residents here, stated that they had a good physician at Lovington, but they just wanted their old home town doctor to treat the case. They spent the time while here with her parents, Mr. and Mrs. Bingham, and when they returned home the little fellow was fast improving.

Be courteous. You may want to hunt on the farmer's land again.

P.-T. A. PICK-UPS

The West Ward Parent-Teachers met October 26, at the high school auditorium for their study course. Mrs. W. A. Bell, a charming speaker, gave a most interesting talk on "Schools Now and Then." A good crowd enjoyed the meeting. Come to these meetings and see what you are missing.

Mrs. Vernon Brewer
Publicity Chairman

Mesdames J. B. Knight, J. J. McGowan, Lela Toone, John King, W. A. Bell and W. H. Collins attended the book review of "Next to Valor," given by Evelyn Oppen-

O. E. Coltharp, of Nocona, was a guest in the home of Mrs. Ben Hill and family while here attending the Gomez' ex-students' home coming and re-union. Mr. Coltharp was not a student but an early day superintendent of the Gomez schools, except that they called them "principals" at that time, there, as well as at Brownfield.

hiemer in Lubbock at the Hilton Hotel, Tuesday.

J. J. McGowan and Jesse D. Cox attended court in Morton Tuesday.

TEXACO SERVICE STATION

West Main Street — Brownfield, Texas

Mr. and Mrs. Customer:

It is time now to get your car fixed up for the winter. WE HAVE PRESTONE, and the proper way to clean your radiator before you put your Prestone in. So why not have it put in before it turns cold so we will have time to check every hose and heater connection for leaks, which will assure you that you will have Prestone Protection all winter. We also have the new low-priced Goodrich Hot Water heater. For only \$9.95 and \$13.95. The heaters are in comparison of the ones that you pay \$20.00 to \$22.50 for. So be sure and see the Heaters before you install one, for they are a real bargain. You can always save money at the TEXACO SERVICE STATION. We still charge radio batteries for 35c and car batteries for 75c. So see us for better service on your car. The place you pay cash and save money.

WILL HE EVER WIN a blue ribbon?

It's HARD to tell...but EASY to pick a winning oil

FOUR thousand dogs sleep and snarl, sit up and blink, strut and pose for the judges at the annual show in Madison Square Garden. Blue-bloods seeking blue ribbons. Rash indeed is the man who would try to predict which dog will finally be selected as the grand winner, the "best in show."

But you don't have to be an expert yourself... you need no technical training... to choose a winning oil for your motor. It's easy to tell. This is why:

Of the many oils refined by Phillips, we have set apart one as our best. Without reservations of any kind, we frankly publish the fact that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer.

Now you know how to get a blue ribbon oil. Just drain and refill with Phillips 66 Motor Oil at the Orange and Black 66 Shield.

Phillips Finest Quality

We Don't Crave A Job as the "Law"

Every four years here in Terry county, a great bunch makes the race for Sheriff, a lot more for Constable, and heretofore a large number for City Marshall, but that is all out now as a police chief is appointed by the city council, as well as his force. The job of enforcing the law has never appealed to us in the least, but if we had ever been inclined to offer our services to the "deer peepul" in the capacity of some law enforcement officer, that ambition went out Monday afternoon.

We didn't have much to do; just standing around on the streets, when Sheriff Ches Gore and Burton G. Hackney, county attorney, asked us to make a trip with them to that rip-roaring, thriving little oil city in Yoakum county, known as Denver City. Said they were going after a prisoner. Later they let us know that it was a woman or rather a girl, who had deserted three children to her parents, for them to look after, while the girl went to Denver City to seek employment.

Sheriff Joe Ellison of Yoakum was on hand and soon found after arrival, but he was then preparing to return to Plains for the night; he promised to find the girl next morning. But Ches Gore had another idea. He got a lead from one lead to another, and in half an hour or slightly after dark, the girl was found at a tourist camp. By the way, Sheriff Joe Ellison has to spend most of his time at the big, growing oil town instead of Plains, the county seat, now. Says they are starting a hoosegow at Denver City this week.

He also turned over a young Federal prisoner to Ches to bring to Brownfield, to be held until Federal officers come for him. He is charged with car theft and carrying it across a state line. He was paroled, but violated it, but decided to give up to Sheriff Ellison and take the rest of the rap, 90 days at Leavensworth. He seemed to be pleased to be on his way back. Said dodging and assumed names didn't suit him. Our bet is this young fellow goes right when released.

TO BUILD OR LET THE BRITISH BUILD

American capitalists and the British government are getting ready to build airplanes just across the border in Canada. We are faced with a strange dilemma.

Billions of dollars are already stacked up to build probably the most powerful airforce on earth just over the border and to train flyers there, in case the embargo is not repealed.

Granting Lindbergh could be right about getting England out of North America, he is choosing a strange way of doing it. While we have long been on the best of terms with the British, it would be just a little uncomfortable to have airplane factories running day and night on British territory within two hours of New York, three hours of Washington, and only a power dive from the Great Lakes automobile building and industrial centers.

If we sell planes to the British, there will be no need for them to go to the expense of establishing factories in Canada. If we do not sell them planes, they will have to build them in Canada. That is it in a nutshell.

By trying to keep America out of Europe the isolationists are fixing to get Europe over here in a big way. Fine phrases are one thing, but how a thing actually works out is usually something else.

Of course we might settle the question by going over and annexing Canada to the United States, like Germany annexed Poland. It would be a little rough, seeing how nice the Canadians have been to us, and how much they have bought from us. Somebody might get killed.—Abilene Times.

Mrs. Fred Walker and children, Wilma and Louise, are spending two weeks with relatives in Wichita Falls.

BENEFIT PARTY

The Woodmen Circle invites the public to a benefit party at the I. O. O. F. Hall November 8 at 7 o'clock. Bingo, 42, and chinker checks will be played. Refreshments will be served. Admittance 10c. Proceeds will help to pay on piano.

WORLD'S FINAL FOLLY

The black war clouds hover over Europe. Out of those clouds come cruel bombs, bearing messages of the world's hate. They fall on peaceful women and innocent children, who never did anybody any harm.

It seemed during the World war as if the nations of Europe were just destroying themselves. But now after 20 years struggle to pick themselves out of the dust, they are at it again. Cruel things done that in former times would have been called unworthy of human beings.

Peaceful nations that want to dwell in quiet with their neighbors are forced to fight. Apparently the people of no country want any war. Why then do they do these things they abhor? Mainly for lack of free speech and a free press.

If our American newspapers, with their facts and truth could be published in Germany, those folks would throw away their guns, and go home kicking themselves.

The noble cause of liberty, in many countries now, is under a dark cloud of tyranny and war. But the desire of the human heart for freedom is as unchanging as the stars of heaven. As the sun disperses the mists and clouds that gather around it, so the sacred principle of liberty will eventually triumph over the oppressors and warmakers.—Abilene Times.

In 1931 and 1932, although the South did not suffer any large loss in cotton exports, the price of cotton went down to 5 cents a pound and the average income per family from cotton and cottonseed went down to \$216.

Profiteering on Human Heartache

By Pierce Brooks

Free land is gone; but Democracy will not go with it if agrarians demand their own and the nation's integrity.

Agrarianism objects today, as it objected in ante-bellum days, to production for sale in a free and competitive market, and purchase in a restricted and a protected one.

The ultimate solution is not to restrict the production of cotton, corn and meat. We shall never achieve abundance by permanently restricting manufactured or agricultural production. Financial overlords, called by President Roosevelt "economic royalists", through long habituation of the art of making profits by making goods scarce, cannot be expected to relinquish their repressing grip even at this time of European war and waste, but it is not too hopeful to farmers by steady, cautious steps to advance upon the mastery of the processing and the marketing of their own raw materials, whereby the consumer and the working man may buy cheaply and readily enough to keep both our agricultural and industrial machines functioning in unison, and yet at a capacity adequate to provide for the increasing demands of the season.

We look with fear and trembling at advancing prices of the necessities of life, especially when we realize that the farmer, the producer, is not receiving the benefits of the increase.

Cooperation seems to be a path to such a manifest destiny, a path to the goal of integrity for both the farmer and the state and nation.

Yes, rising prices due to European war will be felt in every home in Texas before snow flies, and now is the time to brand the war profiteer as an enemy of his country. Urge your business men to stand firm against all advances of prices which surely are unwarranted in a land of bulging granaries and much old substance.

\$21,000 A MINUTE

Yes—life insurance justifies its name. Last year U. S. and Canadian life companies paid out over \$3,000,000,000—and 62.91 per cent went to living policyholders, and only 37.09 per cent to beneficiaries. Every working day premiums totaled \$21,041 per minute.

So much for the statistics. Now think of those tremendous payments in terms of human happiness, contentment, and independence.

In the face of all political schemes for advancing human security, life insurance remains the soundest plan yet devised for meeting the varying needs of the individual.

The Foursquare church is preparing to stucco the exterior of their building to make it more comfortable for winter.

TEXAS' FUTURE FARMERS

Texas Future Farmers at the FFA convention in Kansas City more than upheld their State's reputation for winning championships and trophies in recognition of achievement and are to be congratulated for their outstanding showing.

The Texas group, comprising 23,131 rural youths in 553 chapters, won first place in the state association contest. West Texas had a winner, the Ollie Webb Chapter of Abilene, which was singled out as the organization contributing most to the surrounding rural community. First prize went to Texas in the contest in which awards were made to the five Future Farmer associations in the Nation in following a common program of vocational agricultural and organization improvement. The South's star Future Farmers turned out to be Texas twin youths, 17-year-old Albert and Arthur Lacy, of Hondo, Medina County, who had practically identical records of achievement. Among other honors won was that for the North Texas area, which for the third consecutive year had the best financial record of any area

Approximately 26,000 Southern farmers are filling responsible placing of leadership by serving on community, state and county Agricultural Conservation Committees. In Texas 5,000 farmers are serving on communities helping administer the AAA program.

The domestic demand for wheat in this country, year in and year out, is from 650 to 700 million bushels.

The well-informed sportsman says: "A bevy of quails; flight of doves; brood of grouse; covey of partridges; flock of geese; plump of ducks; stand of plover and wist of snipe."

It is illegal to hunt in Texas under the license of another person.

in the country. L. I. Samuels of NTAC at Arlington is the supervisor of the North Texas district.

Any pessimism which the older generation may foster toward today's problems of agriculture must be tempered by optimism toward tomorrow, founded upon the firm footing which the State's Future Farmers are building.

The Dallas Morning News

"Texas' No. 1 Newspaper"

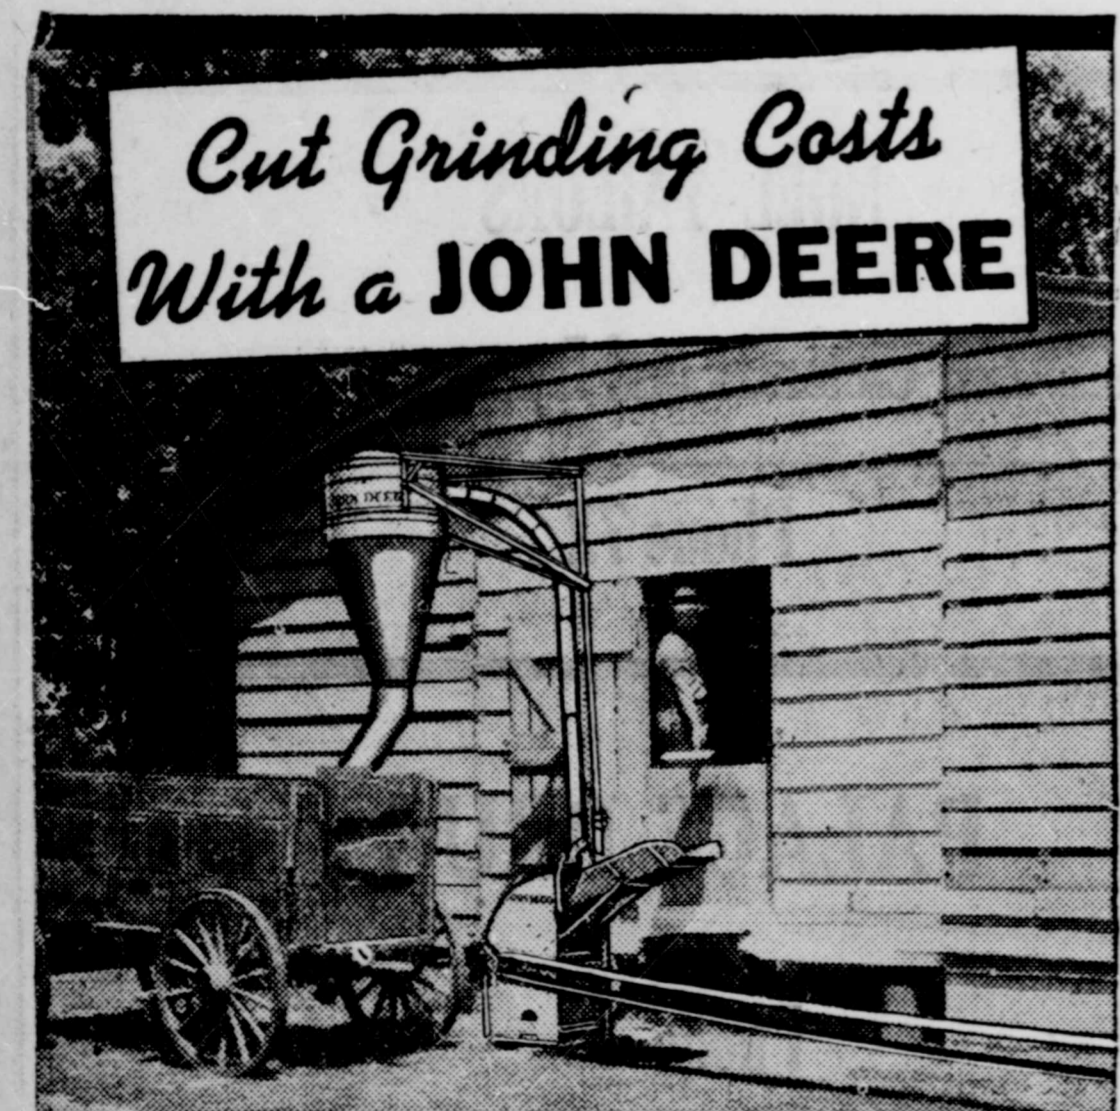

"The Dallas News is one of the best newspapers in America. It is free from sensationalism, its editorials are admirable in matter and expression, and its reports accurate."

—From Autobiography With Letters, by William Lyon Phelps, published by Oxford University Press, 1939.

The News relies not alone on one great wire service—it has TWO... the greatest in the world... Associated Press and United Press. It also has the great wire feature service of North American Newspaper Alliance (NANA). Most newspapers would be content with these—but NOT The News, which also maintains its exclusively-owned bureaus in Washington, Austin, East, West and Central Texas... to say nothing of more than 200 local correspondents scattered over the Southwest... and the largest local staff of editors, reporters, artists and feature writers of any newspaper in Texas.

In the **BIG SUNDAY NEWS** you get: A Rotogravure Picture Section, "THIS WEEK," Colorgravure Magazine, a 16-page comic section in full colors, also The American Institute of Public Opinion, with Dr. Gallup's weekly polls. **CLIP THIS COUPON AND MAIL TODAY**

72,570 CARS OF LIVESTOCK MOVE IN 1ST 9 MONTHS OF '39

AUSTIN, Oct. 31.—Texas ranchers shipped nearly a fourth more livestock on a carload basis during September than during the same month last year. The University of Texas Bureau of Business Research reports.

All classes of livestock gained substantially as the equivalent of 10,509 rail cars moved to both interstate and intrastate points last month. Only 949 cars were shipped to Texas points.

Largest out-of-state shipments of cattle went to Illinois and Iowa; calves to Illinois and Kansas; swine to California; and sheep to Kansas and Missouri.

On a rail car basis, 72,570 cars of livestock have moved from Texas during the first nine months of 1939 as against 70,504 during the corresponding period last year.

Billy Mack Herod entertained with a Hallowe'en dinner Tuesday evening, when he had as his guests Roscoe Treadaway and Robert Heath.

METHODIST W. M. S.

The W. M. S. met at the church Tuesday at 3 p. m. to continue the study of the book, "Through Tragedy to Triumph." Leader, Mrs. Webber. Subject of lesson: "The Christian at Home and Abroad." Devotional was given by Mrs. Linville. African home, Mrs. Cheney; Indian home, Mrs. Carpenter; Chinese home, Mrs. Hendrix; Findings from the Madras Conference, The American Home, Mrs. Stephens; In Earthen Vessels, Mrs. Hughes.

There was a short business session. Mrs. G. S. Webber and Mrs. Pete Crump were nominated to the Mission and church extension committee.

Thirteen members were present. Society adjourned to meet with Mrs. H. O. Longbrake next Tuesday for a covered dish luncheon. Mesdames Linville, Harris, Jackson Hogue and Longbrake hostesses. Ladies of both circles are invited.

A. S. Underwood of Lubbock was a visitor here Monday.

E. N. CAIN HAS CAR WRECK

E. N. Cain wrecked his practically new Nash near Ft. Worth, Wednesday of last week. While turning a curve he skidded and went into a ditch. Damage to the car has not been estimated but Mr. Cain was so glad to escape uninjured, he is not complaining.

ANOTHER OLD TIMER PASSES

Many of the old timers were greatly shocked this week, when they learned that V. E. Hargett, 79, had passed away at his suburban residence at Seagraves, Tuesday at 12:15. Mr. Hargett was well known in Brownfield and Terry county by the old timers, as he settled on a farm a few miles southwest of Brownfield about 30 years ago, coming here from Seymour, where he lived for a number of years. Mr. Hargett was born in Columbus, Ga., but moved to Greenville, Texas, soon after he and Mrs. Hargett married, and from there to Seymour.

The writer has visited in the Hargett home many times, after they moved to town, and later while they lived at Shallowater in Lubbock county, and for the past 20 years or more at Seagraves. They were truly a hospitable family, and enjoyed the visits of their friends. Mr. Hargett has been in poor health several years, and practically an invalid for the past two years.

Following funeral services conducted by a former pastor, Rev. A. B. Anise, and the Seagraves Methodist pastor, Rev. Cecil Fox, at the Seagraves Methodist church, the body was laid to rest in the Seagraves cemetery. He is survived by his wife and three sons, Earl of Seagraves, Harry and V. A. of Dallas, three daughters, Mrs. Jack Creel and Miss Rejina of Seagraves and Miss Wee Bell Hargett of Dallas.

GOMEZ

The Gomez P.-T. A. met on Friday evening of last week in the local school auditorium, for a Hallowe'en party. After a short business session, interesting games were enjoyed by every one, under the direction of Mrs. Lee Fulton and Supt. Terry Redford. Refreshments consisting of apples, pop corn, peanuts and stick candy were served to approximately 65 patrons, teachers, young people and children.

Mr. and Mrs. Lee Walker and family visited relatives at O'Donnell Sunday.

Misses Dixie Jean Redford and Marie Whitley were guests in the W. G. Swain home Sunday.

Misses Louise Daugerty and Verna Mae Oars were guests of Estelle Swain Sunday.

Mesdames W. G. Swain and H. N. Key, teacher and sponsor of the Junior BYPU class entertained 20 juniors in the home of Mrs. W. G. Swain on Sunday afternoon.

Indoor and outdoor games were enjoyed by the youngsters, after which refreshments of sandwiches, potato chips, cake, cookies and hot chocolate with marshmallows were served. Also Mesdames Kenneth Furr and R. A. Whitley enjoyed this lovely affair.

Mr. Leon Morgan returned to his home in Santa Anna, Texas after several days visit with his aunt, Mrs. T. W. Bruton.

Messrs. and Mesdames Bill Phillips and Bernard Franks, visited Sunday in the home of Mr. and Mrs. Troy Wright.

Mr. and Mrs. J. M. Peterson from Lamesa, visited Sunday in the home of Mr. and Mrs. J. J. Gaston, and Dr. Thena Robinson and granddaughter Nancy Lee Robinson, returned home with

TECH COLLEGE SHOWS INCREASED ENROLLMENTS

LUBBOCK, Oct. 23.—A total of 211 more men and 172 more women students have enrolled at Texas Tech this fall than were registered in the fall of 1938, a gain of 10.9 per cent in the total enrollment of 3,890 students.

The division of agriculture shows the greatest gain, a 12.7 per cent increase with an enrollment figure of 533. The 2,005 students enrolled in all the arts and sciences give that division a gain of 11.9 per cent. Home economics division shows an increase of 9.47 per cent, with 462 enrolled, and Engineering an 8.4 per cent gain with 891 registered. There is a three per cent gain in graduates.

L. F. Locke of Tokio, was in this week and put his Herald up to well in 1940.

Mrs. Jim Jones came in this week to renew. This is one of the good ladies we have been threatening you men with. If you don't pay, they will, and check on you for it.

Mrs. Ike Breedlove of Levelland, was the guest of her sister, Mrs. Elliott, this week.

Wade Hill, son of Mrs. Ben Hill of this city has accepted a position with Mark Halsey Store No. 1, at Lubbock, beginning work there last Saturday. Wade was a star football player for the Cubs a few years ago.

DOROTHY HENDERSON GIVES PARTY

Mrs. C. P. Henderson entertained Friday evening with a Halloween party for her daughter, Dorothy. Witches, ghosts, jack-o-lanterns and black cats were used in decorating. Fortune telling and a trip through the witch's cave provided much merriment. Dainty refreshments were served to the 24 guests.

PROGRESSIVE "42" PARTY

Mr. and Mrs. Wayne Brown entertained Wednesday of last week with a progressive "42" party. Following the game, refreshments of sandwiches, coffee and pop corn balls were served to Mr. and Mrs. Martin Line, Mr. and Mrs. Wayne Daniels, Mr. and Mrs. Crawford Burrows, Mrs. Alfred Mangrum, Mrs. Jack Benton and Mr. and Mrs. Howard Hogue.

HALLOWE'EN PARTY GIVEN BY CHEESY McSPADEN

A Halloween party was given Tuesday night by Cheesy McSpaden at the home of her parents, Mr. and Mrs. Flem McSpadden. Misses Rudel Stephens and Edna Rowe assisted in directing games and in serving. Refreshments of open face sandwiches, cocoa and candy were served to 24 guests.

HOSPITAL NOTES

Mrs. Ray Duke of Tokio, underwent major surgery Wednesday.

A. L. Kiker of Meadow entered the hospital for treatment of a hand injury, Tuesday.

Mrs. M. B. Dyke is receiving medical treatment.

Mr. and Mrs. Wayne Brown and Mr. and Mrs. Tobe Helms visited the latter's daughter, Miss Geraldine Helms in Lubbock, Sunday. Miss Helms is a student nurse at the Lubbock sanitarium.

NEW BOOKS IN LIBRARY

There have been eight new books placed on the rent shelf at the free library in the court house. You may read the books on the rent shelf for two cents per day, but all other books you can read free.

New books on rent shelf are: Field, Raechel—"All This and Heaven Too"; Benefield, Barry—"April Was When It Began"; Marquand, John—"Wickford Point"; Maugham, W. Somerset—"Teller of Tales"; Putnam, Earhart—"Soaring Wings"; Partridge—"Country Lawyer"; Ferber—"A Peculiar Treasure"; Stienbeck, J., "Grapes of Wrath."

The following new books have been placed on the shelves of the free library:

Grey, Zane—"The Light of Western Stars"; and Wanderers of the Wasteland"; Hill, G. L.—"The Best Man"; and "The Enchanted Barn"; Burroughs, Edgar Rice—"Loston Viners"; and "Tarzan's Quest"; Kyne, Peter B.—"Cappy Ricks Comes Back"; and "The Pride of Palomar"; Norris, Kathleen—"Bread Into Roses"; and "Heartbroken Melody."

If you really like good literature you have a wide range of choice among more than a thousand volumes.

This service is free, take advantage of it.

LOCAL LADY HONORED

Mrs. W. H. Dallas, vice-president of the 7th District Federation of Music Clubs, has been appointed and accepted a chairmanship in the State Federation of Music Clubs and was also made chairman of the Resolutions Committee in the 7th District.

Mrs. T. W. Cadenhead, Sr., of Lubbock spent Sunday with her son, T. W. Cadenhead, Jr., and Mrs. Cadenhead.

MRS. GUTHRIE ALLEN ENTERTAINS CLUB

The Mexican theme was carried out in refreshments of tortillas, Mexican beans, Spanish rice and pecan pie with coffee. Enjoying the afternoon were Mesdames C. C. Primm, James P. Davis, R. L. Bandy, John L. Cruce, Ed Stuart, Charles Stahler, Troy Noel, and Miss Virginia May.

A lovely wine pottery set was presented to Mrs. Ed Stuart for high score.

HONORED WITH PARTY AND SHOWER

Saturday night, Mr. and Mrs. Herman Edwards entertained with a Halloween party to shower Mr. and Mrs. Guy Smith, newly weds.

After playing several interesting games, refreshments of Halloween candy wrapped in dainty cellophane packages and apples were served to 57 guests. After refreshments the honoree was presented with several nice gifts.

The guests then surprised the hostess with a six-tier birthday cake and a number of birthday presents.

Miss Thelma Edwards assisted the hostess in the entertaining and serving.

ACE-HI CLUB PARTY GIVEN BY MRS. L. M. WINGERD

Mrs. L. M. Wingerd entertained the Ace-Hi club Friday afternoon at her home. Decorations and refreshments carried out the Halloween motif. Guests were Mesdames D. M. Evans, Mon Telford, E. G. Akers, G. L. Daugherty, Ray Christopher, A. A. Sawyer, J. J. McGowan, R. N. McClain, T. L. Treadaway, Clyde Cave, Wilson Collins, W. H. Collins, Ned Self, Jack Bailey, Jim Graves and R. B. Parish. Mrs. Gieson of Denver Colorado, mother of Mrs. Evans, was a tea guest.

HALLOWE'EN PARTY

Mrs. Martin Line, assisted by Mesdames Jesse Ferguson, Wayne Brown and Alfred Mangrum entertained for her sons, Bobbie and Joe Verle Friday evening with a Halloween party.

The house was attractively decorated with witches, black cats and jack-o-lanterns. Refreshments of taffy apples, doughnuts, cocoa and jelly beans and popcorn were served to the thirty-three guests.

MON TELFORD JR. HAS BIRTHDAY PARTY

Mr. and Mrs. Mon Telford entertained with a surprise birthday party Wednesday evening, to honor their son, Mon Telford, Jr. A wagon ride and refreshments prepared over a camp fire proved lots of fun for the youngsters. A gift shower was presented the honoree. Guests were Leon Lewis, Larry Tarpley, Edgar Self, Marion Bowers, Morgan Cope, Charles Dial, Dudley Repp, Richard McDuffie, Bobbie Jones, Ewell McCrary, Sammie Jones, Patsy Carter, Beverly Pittman, Christine McDuffie, Maxie Hunter, Juanda Ruth Turner, Patsy Frank Ballard, Peggy Lewis, Beatrice Farr, Glen Zeneter, W. E. Henson, and Caroline Jane Harris.

MRS. FRANK WEIR ENTERTAINS FOR DAUGHTERS

Mrs. Frank Weir entertained Monday evening with a Halloween party for her daughters, Nancy Myrle, and Frances Jane. The party was given in the garage, black cats, witches and jack-o-lanterns were used to decorate. A treasure chest held the favors, which were noise makers of every description. Fortunes were told by a Gypsy fortune teller and numerous games were played. Orange punch and cheese niblets were served to the 43 guests.

MRS. KENDRICK ENTERTAINS WITH MEXICAN DINNER

On Wednesday evening of last week, Mrs. Clovis Kendrick entertained with a Mexican dinner. She had as her guests Messers and Mesdames Spencer Kendrick, Jack Stricklin, Jr., Everett Latham, A. D. Repp, W. R. McDuffie, Wilson Collins and Orb Stice.

Woodmen Circle News

Brownfield Woodmen Circle No. 462 held a regular meeting Oct. 27.

Mrs. Effie Smith, guardian, presiding over the group. Mrs. Janet Cook was initiated into the Circle.

MISS RASCO ENTERTAINS PUPILS AND PARENTS

Miss Gertrude Rasco entertained her music pupils and their parents with a Halloween party Saturday at the Presbyterian church. Clever Halloween decorations were used and various games played. A musical program given by the pupils was enjoyed and refreshments of pop corn, candy and apples were served.

PARTY AT WILDER HOME

Dorothy Jean Wilder and Beverly Pittman entertained Saturday evening with a Halloween party at the Wilder home. Halloween decorations were used and refreshments of cookies and cocoa were served to Edgar Self, Charles Dial, Bobbie Jones, Sammie Jones, Glen Zentner, Billy Bob Wilder, Christine McDuffie, Patsy Carter, Patsy Frank Ballard, Juanda Ruth Turner, Peggy Lewis, Caroline Harris, Wanda Joyce Finney, Ida May and Leon Lewis.

SHOWER IS GIVEN FOR MRS. NOAH LEMLEY

Mmes. Flem McSpadden, A. A. Sawyer and Miss Wanda Graham were hostesses Thursday evening at a miscellaneous shower at the McSpadden home, to honor Mrs. Noah Lemley, recent bride. Miss Evelyn Jones presided at the bride's book. Miss Graham proposed a toast to the bride and Miss Betty Shelton one to the girls left behind. Miss Edna Rowe played piano selection. Autumn flowers were used in the decorations and nosegays were plate favors. Ice cream molded in the shape of a wedding bell and angel food squares were served to the 40 guests.

"OIL BATH" FOR FURNITURE

College Station, Oct. 30.—Giving furniture a semi-annual bath is suggested by Mrs. Bernice Claytor, specialist in home improvement for the A. & M. College Extension Service, who says frequent dusting, no matter how thorough, may not be sufficient.

A good "oil bath" is advocated as a helpful treatment for most furniture since the dry air in many modern homes is as bad for furniture as it is for people. Drying, cracking and warping, or loosening of the veneer may be reduced by the oil bath. However, Mrs. Claytor warns that if the furniture has been waxed it is necessary to remove the wax before the oil is applied.

Mixture of two-thirds linseed oil and one-third turpentine will prove a satisfactory oil bath. The oil feeds the wood, while the turpentine loosens the dirt and helps the oil penetrate the wood.

"Apply the mixture with a soft cloth," the specialist suggests, "and wipe off all excess polish with a clean cloth. To polish, rub the surface the way of the grain until the wood is thoroughly dry and the fingers leave no mark on the surface."

In addition to keeping the furniture well-oiled, it is a good thing to keep the room air moist by having a pan of water near a radiator, register, or stove in cold weather, Mrs. Claytor suggests.

IST PRESBYTERIAN CHURCH Fred A. Walker, Pastor

Sunday School 10:00
James H. Dallas, Superintendent
Morning Worship 11:00
Senior C. E. 6:45
Evening Worship 7:30
You are cordially invited to all services.

FOURSQUARE CHURCH Pastor Irene Lee

We had a grand service all day Sunday, as Bro. Phil Kerr was our guest, also some from Lubbock. Bro. Kerr brought to us many gospel songs and much well-enjoyed music, also an inspiring sermon.

Monday evening the young people, (about 30) were given a social at the home of our Crusader Captain, Mrs. Marie Roper and her mother, Mrs. Nettles. Everyone had a very lovely time.

Services as follows:

Friday, 1:30; Regular service.
Saturday 2:30; Children's church.
Sunday 10:00; Sunday School.
This part of the church is growing very fast. Are you helping to make it so? If not come and be with us Sunday, Sunday 11:00; Morning Worship. Subject of Sermon, "The Sacrifice Some have Made." Sunday 6:45; Young People's Service. Sunday 7:30; Evangelistic Service. The pastor will perhaps be preaching an illustrated sermon with five beautiful scenes portrayed. Subject of Sermon, "The Family and Home." Miss Katy Lynn Humphries is expected to be with us and taking part in the service. She was also with us this past Sunday.

Welcome to one and all.

Tuesday, 7:30; Regular Service.

BAPTIST CHURCH

Services had only moderate attendance here last Sunday and the offering was made special for the mission work sponsored by the Baptist State Convention of Texas, whose goal for their work for the year closing with October was one million dollars. The Baptist State Convention will convene at San Antonio, Nov. 14-17 and representation from this church is expected.

Brother J. S. Tipton has taken charge as superintendent of the Sunday school and is asking all teachers and officers to fully assume their responsibility in this work that the teaching service shall be what it should.

Attention of all those who have subscribed to the building fund as well as those who have not and should do so: either bank will accept deposits from you for this fund and is mentioned for your convenience in paying. An effort is making some progress to secure enough cash and subscriptions for this fund that the work may begin and be pressed forward to completion. If you have not rendered it the encouragement you should, by all means do not delay it, but act at once.

The W. M. U. will meet in circles for Bible study next Monday

METHODIST CHURCH

John Witt Hendrix, Pastor

Church school meets at 9:45 a. m. Outside of the classes which meet regularly in the church, two classes meet out: a young people's class, mixed, some married, some single, meet in the parsonage; also a Men's Bible class meets in the Wines Hotel. To any and all of these classes you are invited.

Morning Worship comes on at 11 a. m., with a program of choice sacred hymns of church, and the pastor preaches. The subject of the sermon is: "The Garden Around the Half-Way House." This is an interesting subject, indeed so. What are we going to allow to grow in that garden, to allow to seek its roots deep into our being and prosper and grow.

Evening Worship features Dr. O. P. Clark who will bring the message

at 3 p. m. The Lockett circle, (Mrs. Flache) will meet with Mrs. Enoch Hunter.

It is not enough to send your children to the Bible school but bring them, and remain for the preaching service, as the children should be brought into the preaching service and not to leave it. If a stranger in the city, a hearty welcome awaits you in this church.

CHURCH OF CHRIST

Bible Study, 9:45 p. m. Wed.

Every one invited to each of these services. Please come and bring a friend.

James F. Black, Minister.

sage and also after the service hold the fourth and last Quarterly conference. At this conference the final reports of various organizations are to be made. Chief among these reports is that it has been set as a goal that the budget be in full. In fact, it is now reported that six charges have already reported in full. Sunday is set as pay Sunday.

Young People will meet in separate session at 6:45 p. m. This brings together a large group of young people in a distinct period of their own. If you are young; if you do not attend such a session elsewhere, this bears an invitation for you. Among other activities this past Monday evening some forty of them met in a big Halloween party at the church, had a big time in games and were served delicious refreshments.

SOPHOMORE CLASS MEETS

By Joy Lee Gordon
 The sophomores had a class meeting Tuesday morning, October 24, for the purpose of electing class officers. The following were nominated: President, LeJune Lincoln; Vice-Pres., Larry Miller; Secretary and Treasurer, Lois Nettles, and the following were appointed on the social committee: T. C. Hogue, Billy Hinson, M. J. Craig, Jacqueline Thompson and Helen Gillham. They also discussed a party about which the details were not decided.

OUR SENIORS; KATHERINE BARRIER

Katherine Barrier was born in Lubbock, Texas, February 1, 1923. She started her school career at Lubbock but when she was seven, her parents, Mr. and Mrs. R. Barrier moved from Lubbock to San Antonio. From there she moved to Brownfield. Again, when she was in the fifth grade, she returned to San Antonio, and now she has returned to Brownfield in her senior year to graduate.

Kathryn's hobby is playing the piano, and her ambition is to fly to every country in the world.

MARIE CARTER

Marie Carter was born in Slaton, Texas, November 8, 1921. She has attended school at Gomez up until the last two years, in which she has attended school in Brownfield.

She is interested in mission work of some phase after she finishes high school. She is very fond of piano music and her favorite dish is fruit salad.

A VISIT TO AVONLEA

By Roberta Underwood

Avonlea is the scene of eight books written by Laura Montgomery. "Anne of Green Gables" is the first book of the series of eight written by this author. Avonlea is a small town a few miles from the shore of Prince Edward Island, and it was here that Anne Shirley, the lovable heroine of the books goes to school and church, and later teaches. Anne has many amusing escapades, such as the time she dyed her beautiful red hair a horrible shade of green.

Anne had a creative imagination and all the places around Avonlea bore special names which she gave

to them such as "The Lake of Shining Waters", known to other people as "Barry's Pond", and other places such as Violet Vale, Lover's Lane, Driads Bubbles, and Idlewild.

I am sure that we would all enjoy a visit to Avonlea to see the many interesting things mentioned in this story.

DEFINITION OF AUTOMOBILE

The automobile is a large iron and rubber contrivance for transforming gasoline into speed luxury, excitement and obituaries. It consists of a handsome leather upholstered carriage body mounted on fat rubber tired wheels and containing a gizzard full of machinery suffering from various ailments. It has run over one hundred miles and ten thousand people. It can transport people from the front porch to the police station, the bankruptcy court or the golden gate in less time than any other method known.

GRADE SCHOOL NEWS

By Esther Smith

All grades in West Ward are decorated with Hallowe'en decorations, which they made in art classes.

All music classes have learned Hallowe'en songs, and all classes are giving plays in English.

P.-T. A. met last Thursday in the second study course of the school year. Mrs. W. A. Bell discussed "Education, then and Now." A good reception was there. Every parent with a child in West Ward should attend these meetings, they meet the second Thursday of every month. Mrs. W. M. Adams is chairman of the P.-T. A.

B. H. S. PEP SQUAD WILL GO TO SLATON

By Katherine Speed

The pep squad is working up

a good drill which they are going to use when the Cubs play Slaton, November 11. The members of this organization are: Sammie Crossland, Georgia Hard, Sammie Jo Tankersley, Frankie Lou Ellis, Janette Scott, Doris Axley, Genevieve Murphy, Erma Jean Baggett, Charlotte Dial Juanita McIlroy, Dorothy Sexton, Geraldine Bolls, Geraldine Pyeatt, Martha Dean Jackson, Jimmie Jackson, Louise Foster, Juadell Claunch, Lorraine Johnson, Oniea Bandy, Linnie Whisenhunt, Mary Lena Winston, Mary Jo Byrd, June Barnwell, Charlie Mae Harold, Estelle Butcher, Mozelle Butcher, Eva Elizabeth Jeter, Lucille Gressett, Pearl Ruth Cox, Lyndal Reed, Jo Pete May, Dorothy Chisholm, Patsy Ruth Lewis, Francis Kee, Ruth Tucker, Flavrine Stherman, Evelyn Seale, Vivian Seale, Vyrnell Patterson, Bobbie Nell Newsom, and Inez Erwin. The pep leaders are Dorothy Murphey, Mildred Clay, Virgella Nan Dunn, and Grace Tarpoley. Their sponsor is Miss Huff. The pep squad went to Tahoka Friday night, October 27, and really yelled, and helped the boys as much as they could.

STUDENT COUNCIL TAKES GOOD WILL TOUR

By Billy Phillips

About nine members of the Student Council went to Slaton on a good-will tour Wednesday, November 1.

Their chaperones were Mrs. Gillham and Miss Jewell Edwards. Mrs. Gillham took her car, and Mr. Smith's car was taken although he didn't go. Eleanor Gillham, President of the Student Council, made a speech in assembly, and also Edwin Helms spoke on friendly relations between the schools.

TO BE DECIDED

The date for the Slaton-Brownfield football game is still undecided, but the authorities are trying to get it for Friday night, November 10.

BAND CARNIVAL

At the Band Carnival on Nov. 7, the following attractions will be given: the crowning of the football queen in the high school auditorium; and in the gymnasium there will be penny pitching, good hamburgers to suit your taste, guessing beans in a jar, candy, a shooting gallery, fortune telling, guessing ages and weights, fishing pond, hitting the water baby, peanuts and popcorn, an honor gallery, a cake walk, a wrestling match, bingo, novelties, a show minstrel, pitching rings, and a Lady Baltimore Booth.

ABC CLUB MEETS

By Janelle Turner

The ABC club met the second period, October 27. The meeting was called to order by the president, Morgan Copeland. The Thrift Committee gave the following program: A play—"The Land of What We Are." Characters, Janet by Louise Murray; Blackboard by Clyde Perry; Desk by James Hubert Walker; Clock by S. D. Loyd; Selfish Sam by Robert Fant; Long Tugue by Hugh Tucker Lilly; Careless Carl by Freddy Windsor; Blockhead by Darelle Lovelace; Long Ears by Jesse Turner; Long Hands by Donald Wayne Moore; Lazy Clara by LaVern Cameron; Dishonest Dan by Dale Hill; Greed by Barbara Taylor; Never Listen by Tom Henry Smith; Big Eyes by Frank Gordon; King of Good Citizenship by Jesse Turner.

The new Chairman of the Committee is Freddy Windsor, and the new Chairman of the Thrift Committee is LaVern Cameron. The Good Manners Committee will give the next program under the leadership of Donald Wayne Moore. The five best citizens of the week are Earl Bates, DuBoise Huckabee, Daricle Lovelace, R. B. Walls and Janelle Turner.

"LITTL DUNK" WARREN

By Alfred Smith

I am going to introduce you to a real athlete, William Doyle Warren. He comes from the Charles Warren family of many athletes. He is 5 feet, eight inches tall and weighs 125 pounds. He plays half-back and this is his second year on the team. He can run the 100 yards in about 10.1. Although he hasn't done much passing on the team, he is an excellent passer. So far he has made 11 touchdowns. His playing number is 10, and when you see the Cubs in action, keep your eye on him. In the game against Ralls he got the ball four times and made four touchdowns. Who can beat that?

ARE YOU COURTEOUS?

What is meant by being courteous? It means showing courtesy or being polite and affable. Courtesy means genuine and habitual politeness and courtliness. Affable means easy and courteous in manners and being friendly. Being courteous implies being kind to and considerate of others at all times.

When you meet your friends, do you greet them with a smile and friendly word of greeting, or do you just speak because you feel that you have to speak because you know them, and speak in a cold, matter-of-fact manner? You should remember that a kindly greeting would often cause people to feel that life is worth living after all, and would often relieve loneliness.

When you hurriedly run into people or step on their toes unintentionally, do you stop to say, "Excuse me", or beg their pardon? Or do you just grunt, give them a hard look in a rude manner and go on your way? You should apologize even when you are not to blame, and make the other person feel ashamed for not apologizing. If you are courteous to others, you can expect courtesy from them but if you are not courteous, you cannot expect to be treated in a polite or courteous manner. Do you say "Thanks", or "I thank you", when some one does you a favor or a good turn?

It pays in many ways to be courteous. You will be respected more, and you will be better trained and cultured, you will have more friends, you will receive better service and more kindness and favors from others, and you will be happier and get more out of life if you will try to be more courteous to others, check up on yourself and see if you are courteous.

SEVENTH GRADE HAS HALLOWE'EN PARTY

By Roberta Underwood

On Monday, October 30, the 7th Grade was honored with a lovely Hallowe'en party. Games were played and refreshments enjoyed. After the party, the pupils were given Hallowe'en hats. Most of the pupils were there and all reported a good time.

The seventh grade wishes to thank the sponsors and room mothers who helped with the party.

Gene Green, a senior last year, who is working at Bryant's Pharmacy in Lamesa this year, visited school Tuesday and came in to greet some of the members of the Press Club and their sponsor, who was still working.

BUS STUDENTS MEET

By Flaura Lee Shults

A meeting was called at 10:00 o'clock Tuesday, October 31 for all bus students. Mr. Smith received information such as age, and the district from which they live, from these students in order to receive the tuition of these students for the Brownfield school. Mr. Smith said that approximately one-third of the students of this school were bus students, and that they should feel that this school is as much a school for them as for the students who live in Brownfield.

Mrs. Johnnie Clark returned to her home in Amarillo Monday, after a two weeks visit with her parents, Mr. and Mrs. John Jenkins.

FIRST GRADE PET SHOW

As a culminating activity to their study of pets and the care of them, the first grade children arranged a pet show. The room mothers of the three first grade rooms, and in fact, nearly every mother helped with the show. A large number of visitors came. A small admittance fee was charged to cover the cost of the movie picture of the children with their pets. The picture was filmed immediately after the pet show and will be shown soon.

MRS. T. D. BISHOP HONORED

Misses Florine Williamson and Maxine Kelley entertained with a miscellaneous shower, honoring Mrs. T. D. Bishop, recent bride, Tuesday afternoon at the home of Mrs. Martin Line. Sixty-five ladies called or sent gifts. Potted plants were used in decorating and a lovely bouquet was presented the honoree by Mrs. W. H. Dallas. Refreshments of cookies and punch were served.

HALLOWE'EN DANCE

Mr. and Mrs. Carl Lewis entertained Tuesday evening with

on the farm. Discard that old wood, coal or oil stove. Quit bringing in coal and kindling and carrying out ashes.

DID YOU KNOW--

that the Federal Housing Act will furnish money to install plants at your farm home, with easy monthly payments at a very low rate of interest?

Let us help you get a plant. Can be used for lighting your home, for your heating and cook stoves, ironing or hot water heaters. See us today. A plant can even now be installed before extreme cold weather.

J. B. KNIGHT HARDWARE

a Hallowe'en dance, honoring their daughter, Patsy Ruth. Colored balloons were favors and ack o'lanterns and autumn flowers were used in decorating. Fruit punch was served. After the dance the party attended the Hallowe'en matinee at the Rialto theatre.

PLAINS

The Home Dem. Club put on a Hallowe'en party Saturday night in the home of Mr. and Mrs. Roy Elliott. Stories were enjoyed by Judge McInturff and Coach Ferrel. Coffee and doughnuts were served to 18. All reported a good time.

John Sam Cox had the misfortune of getting hurt last Friday while playing football. He is in the hospital. We hope him a speedy recovery.

Mr. McAllister was in Lubbock Saturday night.

Mr. and Mrs. V. L. Wheeler and children of Odessa, and Buck Morris, were visiting in the J. H. Morris home Saturday night.

H. W. Taylor, who is teaching in Silvesta, was in Plains last week end.

Mr. and Mrs. Raymond Bookout and children and Mrs. W. Hayhurst and Mrs. Les Coventon attended the show in Brownfield Saturday night.

Mrs. Carl Rushing and son, Mrs. Dad Rushing and son and Perk Marshall attended the show in Brownfield Sunday afternoon.

Lance Turner, Tech student, spent Sunday with his parents, Mr. and Mrs. A. W. Turner.

Since 1932-33 the cotton farmer's cash income, including Federal price adjustments and conservation payments, has nearly doubled.

Mr. and Mrs. H. L. Cain of Lubbock, spent Sunday here as the guests of his brother, E. N. Cain and Mrs. Cain.

Mrs. Jim Van Dyke and son, of Tahoka, visited her cousin, Mrs. J. W. Duke, Monday.

"Behind the Scenes In American Business"

NEW YORK, Oct. 30.—BUSINESS—Denoting a brighter outlook for the business future are indications that a boom is beginning in what retailers call "luxury merchandise", furs, jewelry, silverware and the like. In various parts of the country jewelry sales are running from 32 to 73 per cent ahead of last year. Fur sales are up 28 per cent and 18 per cent more silverware is being sold. All this spells returning confidence with a capital C. For merchandise of this sort requires a greater than average outlay of cash, or else purchase on the installment plan. And most people are reluctant to commit themselves financially to such an extent unless they have a pretty secure feeling that their jobs and earning power will not slack off for some time.

WASHINGTON — About 500,000 men and women found jobs during September, payroll information reported to the Departments of Commerce and Labor indicates. On the heels of August's rise in employment of 440,000 it's the best showing in many a year. For the next few months, however, further gains in employment will depend largely upon the retail trade. Factory employment, accounting for about one-quarter of all jobs, has about reached its peak, since most industries are now operating near capacity. Farm work, which accounts for another 25 per cent of the nation's jobs, has passed its peak for this year. But in retailing, heavy employment months are Nov. and December when extra help is needed to handle the Christmas shopping rush.

Mr. and Mrs. Fred Lowe and daughter and Mr. and Mrs. Archie Collins were guests at the Raymond Buckner home at the Windham ranch, Tuesday for a Halloween dinner.

Mrs. Eldora White, Mrs. George Warren and Misses Ima George Warren, Elizabeth Travis, Margaret Travis and J. K. Davidson attended a singing convention at Idalou, Sunday.

Mrs. Lisle Copeland of Ralls, visited her sisters, Mrs. I. M. Bailey and Mrs. L. M. Wingerd Tuesday. Mrs. Bailey and daughter, Sandra, returned home with her for a few days visit.

Mrs. Eldora White, district clerk, has returned from Mineral Wells, where she underwent treatment. She is much improved.

Basil L. Webb, wife and baby have moved to Levelland, where he has a position as automobile salesman. We regret losing this fine family to Levelland.

Dr. L. A. Wood, State Superintendent of Schools in Texas, was a guest in the home of Mr. and Mrs. Grady Wright last Friday morning. He spoke in Lubbock during a meeting of teachers, Friday afternoon. Dr. Woods is the father of Mrs. Wright.

Texas has twenty-one counties which have the universal hunting and fishing license law. All monies collected in those counties is spent there by the State Game Department.

Mrs. T. H. McIlroy recently visited her sister, Mrs. E. W. Foreman in Lubbock. Another sister, Mrs. C. V. Binnicker of Albuquerque was also a guest in the Foreman home.

Mrs. L. M. Wingerd and Mrs. T. L. Treadaway entertained Saturday evening with a Halloween party, for their daughter and son, Marion and Roland, at the Wingerd home. Halloween decorations were used and refreshments of doughnuts, cocoa, apples and nuts were served. Fortune telling and various games were enjoyed. There were 35 guests.

Mrs. Homer Craig, formerly Frances McPherson of Meadow, spent the week with her parents, Mr. and Mrs. Lester McPherson.
