NUMBER 3

BROWNFIELD GETS THE MAGNOLIA CO. HEADQUARTERS

HERE IS YOUR SUPER MARKET

This is the first of a series of pictures of the exterior of business firms in the city who do business with the Herald. This that you may know them, the owners and their personnel. These pictures were taken at a time when there were few if any customers in front of the stores in order to get a better picture of the building.

The Super Market really had its beginning in June 1939 and was known at that time as the South-side Grocery. Later Mr. J. R. Lindley sold his interest to Messrs. Tom Cadenhead and E. S. Hall, and is known as the Super Market with the firm name of Cadenhead & Hall. Tom Cadenhead has the management of the grocery. In the

fall of last year, the original wooden building was moved off the lot and a much larger brick and tile building with pleasing architecture to replace it, as in the picture. They have done a thriving business from the start. Clyde Miller has charge of the meat market department and knows the business. Joe Bishop is the efficient grocery clerk.

In connection, Willie Arnett is in charge of the filling and service station, while Mr. Hall is in charge of wholesale diesel fuel and Patton refined products of Post Refining Co.

This firm down on highway 51 will be glad for you to call and inspect their plant.

New Power and Light Engine Shipped

E. D. Jones, Utilities superintendent for the city, has just returned from Buffalo, N. Y., where he went to see the new 1200 horsepower engine for the city power and light plant in actual operation before being dismantled and shipped. It uses natural gas for fuel.

While the foundation for the new engine will have to set for some time before the engine is mounted after it is received, it is believed that by the middle of September it will be installed. An engineer will be sent to supervise its erection, but local employees of the plant will actually do the erecting, according to Jones.

One hundred and thirty-eight yards of gravel, sand and cement will go into the foundation for this big piece of machinery, and the city will be pretty well healed for power when it is installed.

Terry's Biggest Well Gauges 1,780 Barrels

Largest initial potential for the Terry County portion of the Slaughter pool in southwestern Hockley County has been registered at the Western States Gasoline Corporation No. 4 Frazier, section 9, block X, ps1 survey, which flowed at the rate of 1,783 barrels of oil daily. The well had been acidized with 10,000 gallons at total depth of 5,201 feet.

School Opening Program Announced

Supt. Emmitt Smith has announced the following as the program for school opening, term of 1940-1941.

Sept. 4. General faculty meeting, at 10:00 in the morning. Sectional meeting in the afternoon.

Sept. 5. Registration to begin at 9:00 in the morning; grades one to five in the West Ward building; grades 6 to 11 in gymnasium.

J. R. Lindley and family.

Compliment: Rialto and Herald Be sure to present this clipping at the box office at the Rialto Theatre.

Expect City Mail Delivery Soon

Some of the business men had recently expressed themselves as desiring to talk to the next Postal Inspector that came here in order to help Postmaster James H. Dallas in every way possible to not only get another clerk for the office, but city delivery as well. Mr. Dallas stated to the Herald last week that an inspector had just been there, and that he had mentioned sending in applications for another clerk and about city delivery.

The postmaster stated that the inspector was a genuinely friendly fellow, and really saw the needs here, but present business called him away before he had time to go over this matter thoroughly, and asked that Mr. Dallas hold applications until he could come back some time in September. Mr. Dallas not only believes that he will get another clerk which is badly needed in handling of the business of not only the local office, but the increasing outlet of mail through this office to the trade area. Mr. Dallas also has high hopes of not only getting a man for down town delivery, but the residence section as well.

No one wants to hinder this move by butting in unless it is essential, and upon invitation of the inspector. But we are sure that if Postmaster Dallas feels that a statement from some of the business men will help matters, he may unhesitatingly call upon them at the proper time to do so.

Tentative Dates Set For County Fair

At a meeting last week of the Chamber of Commerce, that organization went on record again that they would undertake to stage the Terry County Fair. Tentative dates were set as Friday and Saturday, September 27-28. A committee on arrangement consisting of County Agent R. N. McClain, C. T. Edwards, and J. E. Shelton was announced.

This committee is to take the lead, and other committees are to be appointed as fast as they are needed, as time is limited. With the best crop since 1937 apparently in the offering, a fine display of agricultural products should be obtained from each and every community.

The Jonah, however, before the committee is housing arrangements. What we certainly most need is a permanent fair home for the fair with its own housing, pens and sheds. At one time, we seemed to almost have such a project in the bag, with WPA funds, but seems the bag was left open.

Fair Ways and Means Committee Meet

At a meeting of the County Fair Committee and representatives of the Lions Club, which was held Wednesday afternoon for the purpose of discussing ways and means of financing the affair, it was decided to undertake to organize a permanent County Fair and in order to secure the opinion of public spirited citizens concerning ways and means of financing it, it was decided that a mass meeting of all public spirited citizens will be called for Friday night, August 23rd in the District court room.

Members of all civic organizations and all farmers are urged to attend this meeting as not too much time is left to decide upon the proposal.

Midland Boosters To Be Here August 27

Pat Patterson, secretary of the C. of C. informs us that a group of Midland citizens will be here at 4:20 p. m. August 27, to advertise their Sixth Annual Midland rodeo. The Midland Jr. C. of C. is sponsoring the good will trip. They will make the trip in a 37-passenger Greyhound bus.

Brownfield School May Get Recreation Project

Mr. Alvin Egging, district supervisor of the WPA recreation project, of Lubbock, met Thursday afternoon at the Chamber of Commerce office with representatives from the Lions, Rotary, Maids & Matrons, Business and Professional Women's clubs and a committee of the Chamber of Commerce to discuss the organization of a recreation project here and explain how the work is carried on and what would be expected of the city when and if the project is started here.

Mr. Egging stated that it was a project for every citizen and that while it is intended to make better citizens of our youth, that many adult participants are welcome. It would cost the city 25 or 30 dollars per month, which is used for equipment and supplies, and the city would also have to provide a building. The project would employ twelve local people, with approximately \$600 or \$700 monthly payroll, which is paid by the government. The supervisor must be a college graduate.

The city appoints a managing committee or council. Weaving, sewing, clay modeling, woodcraft, and dramatics are among the subjects taught, and sports are also stressed. Littlefield, Lamesa, Lubbock, Snyder and Post already have this project. Cooperation with the school and their recreation program is planned.

Sheriffs to Hold Meet In Fort Worth

The Sheriffs' Association of Texas will hold its 62nd annual convention at Fort Worth on August 28, 29, and 30. Headquarters will be in the air conditioned Hotel Texas, and Sheriff A. B. Carter with the aid of Chief of Police Karl Howard of Fort Worth will act as hosts.

Sheriff W. M. Adams of Amarillo, President of the Association, said recently that he was anxious to have as many peace officers present as possible, regardless of their connections. Police, constables, deputies, FBI men, border patrolmen, liquor board inspectors, Rangers, and highway patrolmen as well as special officers employed by railroads and other private firms will be welcome and if they attend will be invited to participate in a round-table that promises to be something unique in peace officer conventions.

The Sheriffs' Association of Texas is the oldest organization of its kind in the United States.

Corner Drug Store Remodeling Front

Not to be left in the rear by several other business houses of the city, the Corner Drug Store, always progressive, has started remodeling the front, which is going to add 100 per cent to the looks of the store when the job is done. The one thing that will add more than any other, is the lowering of the plate glass in front, giving a better view of merchandise displays in front, as well as floods of light they are not getting at present. They are also making a radical change for the better in display arrangement up front.

Congratulations to Jim Graves and his force.

To See Preview Of 1941 Plymouth

On Monday, August 26th, the 1941 model of the Plymouth car will go on exhibit at Amarillo, attended by the numerous dealers, salesmen, and mechanics of this district.

Those who will attend from here will be F. Jordan and son, F. A. Jordan of the Jordan Motor Co., dealers of this city, and their salesman Cleve Bowdtn, and C. L. Buchanan, serviceman and mechanic.

Local Board of Health Appointed

Judge R. A. Simms announced this week the appointment of a local board of health to govern the activities and work with the Five County Health Unit in Brownfield and Terry county. The purpose of this board will be to improve health conditions here by aiding the health unit in forming the health policies of this county. In other words, the people of this county will have a voice in forming health policies through the board of health. It is the wish of the State Health Department that the local health units carry them out.

The board will consist on ten representative citizens as follows: Judge R. A. Simms, Mayor C. Coleman, Tom May, Lee Fulton, Dr. M. E. Jacobson, Dr. R. B. Parish, Mrs. Lloyd Copeland of Meadow, Mrs. Tom Cobb, Emmitt Smith.

Dr. W. S. Brumage, director of the five county health unit will serve as an advisory and an ex-officio member of the board. The first meeting of the board will be held on Sept. 7 at which time it will be officially organized and various duties assigned.

Some Changes in State Dept. of Welfare

Mrs. Jack Holt, local administrator of the State Department of Public Welfare, reports that she has received from Adam R. Johnson some important changes in eligibility standards, of which the public should be informed, as follows:

No. 1. "Applicants who are unemployed, and in need of employment, but whose family groups are not in need, may be selected, with allotments remaining on deposit for the enrollee until the end of the enlistment period."

For further information, if interested, we suggest you see Mrs. Holt for particulars.

Pete Brown to Play With West Team

PLAINVIEW, August 19.—Pete Brown of the 1939 Brownfield high school football team will play with the West team at Plainview, Friday August 30 at 8 p. m. in an all-star grid game that climaxes the Plains Coaching School to be conducted at Plainview August 26 to 30.

For this game Star Class A performers who have completed their high school football career, are divided into two teams, the East and the West, the former coached by Frank Kimbrough, head football coach at Hardin-Simmons U. and the latter by Jack Curtice, West Texas State College mentor.

Gomez School to Open September 4

Terry Redford, Superintendent of the Gomez school, was in late last week and stated that the Gomez school would open this year Wednesday, Sept. 4.

It has been opening in August heretofore, but as they send their Juniors and Seniors to Brownfield now, they made the change to comply with the opening date here, so that both would close next spring at the same time.

Evangelist Peacock To Hold Revival

Evangelist Howard Peacock is to begin a series of meeting for the Church of Christ, worshipping at the First Christian church building on Broadway, Sunday night, August 25, to run for two weeks.

Services are to begin promptly each night at 8:15, and the public is cordially invited to attend these services.

Boy Tarpley left Wednesday for Abilene, where he will visit his brother, Chad F. Tarpley and Mrs. Tarpley.

Try a Herald Ad For RESULTS

MAGNOLIA'S LOCATION HERE WILL MEAN MUCH TO THE CITY

One of Greatest Things Here Since Coming of Railroad. Will Add Many People, Enlarge the Payroll, Enhance the Value of All Property. Will Be starting Point To Land Other Industries.

The Chamber of Commerce of the city put over a good one for the city last week, when as intervenors, they got the Magnolia Petroleum Co., and the Santa Fe railroad together on trackage arrangements just north of the city limits. All that remains to be done now is to get the deeds to some property, for which an option has already been taken, to get from the Santa Fe right-of-way to the 12-acre tract off the northwest corner of the Alton Webb land, on which the Magnolia holds an option.

To down some rumors here, let us say that the Magnolia Petroleum Co., nor for that matter the Santa Fe asked the town for not one red penny. The Magnolia believed that if they gave their tonnage to the Santa Fe instead of the T. & P., they should build the track to their property line. The Santa Fe seemed to think that a spur to their edge of the right-of-way with switch, was all that could be expected of them. Thus, a committee of business men had to step in and get them together on a proposition that will mean much, very much to Brownfield.

What it will mean to Brownfield is somewhat problematical just at present, but we have been informed by people in the know that it will mean that the Magnolia Petroleum Co., is moving their production headquarters from Kermit to Brownfield. It means an additional 60 to 70 people at the outside, and some 12 or more residences constructed on the land for their employees. It will mean a payroll of several thousand dollars monthly. It will mean some big machine shops, as the Magnolia does their own drilling, and it means large supplies of all kinds to go out from here to the Gaines, Yoakum, Cochran, Hockley and Terry county oil fields.

Not only that, but it means that with the coming of this big major oil company that others, including the Mid-Continent, as well as strictly supply houses are almost sure to seek locations in Brownfield. In fact, it may mean that a real era of growth has just started, and that while we don't hope to be any Tulsa or anything like it, we stand a chance to be in a class with such oil towns as Odessa, Midland and others.

There is not a town with modern conveniences in this area that is more convenient to the oil fields of the counties mentioned above than Brownfield. Beginning at Cedar Lake, describing a half circle south, west and north of the city, and you have the bulk of the producing wells within from 20 to 40 miles of the city. Many here that have been in other oil field developments, say that the coming of the Magnolia is the biggest thing to hit the town since the railroad came in 1917.

There is something for all of us to do, and we'd better do it if we know which side of our bread is buttered. One of them is to forget that we are going to get rich quick off some one, and sell our property, if it is wanted at a reasonable figure. We were passed up three years ago because we took the wildeye. Rents and rooms are also high enough, and the prices should not be raised.

Let's all work for the upbuilding of the town and county, but let's be reasonable—let's be courteous and kind to the newcomer, and not feel that they were just sent here for us to make money on.

Mr. M. D. Self, attorney for the Magnolia Petroleum Co., was up Wednesday from Midland, and closed the deal with Alton Webb and wife for 12 acres. Consideration \$1200.00. Mr. Self announced to a Herald representative that they were moving to Brownfield,

and thought they would like the town fine.

Magnolia has announced that surveys are to be started at once and construction of warehouse and residences pushed. Eight or ten other supply houses have announced their intention of locating in Brownfield, as well as a number of trucking contractors, who will be here soon.

The Magnolia Pipe Line Co. will also headquarter here. The production department plans extensive operations in both the Cedar Lake and Hockley-Terry pools.

Newberry Brings In First Melons

A. N. Newberry of the Gomez community brought in a fine melon Monday from his 30 acre field, and presented it to the Herald as the first fruits of this year's yield. Up to the time this is written, we have not cut the melon, as we have not gotten enough people together to eat it.

Mr. Newberry says that he has a much better grade of melons than last year, and that he is lining up his dealers in various sections, and will have his truckers ready to go on a moment's notice. He will also have stickers printed again this year in order that people may know they are getting genuine Newberry melons.

Mr. Newberry also stated that he had 320 acres of mighty good crops of all sorts this year, and some as fine cotton as he ever raised. His corn and feed crops are excellent, he said, but that the family had sure worked, early and late. He and Mrs. Newberry had done all the hoeing.

He stated that Mr. Wingo's 300 acre melon crop south of town was fine this year, but a bit later than his (Newberry's). Newberry stated that the rains had set back ripening to some extent.

Gordon Bros. Tire Shop Is Expanding

For the second time in the past year, Gordon Bros., proprietors of the Safety Tire Shop, have had to expand their floor space in order to meet constantly increasing business. It has been just a few years since this firm entered business here in a very modest way, but from the jump go, they have had a good business, and more and better room to care for this business was demanded.

They are removing the partition between their own building and the T. C. Hogue building, which gives them an additional space of 12 1/2 x 50 feet, or 625 square feet of additional floor space. Their stock of tires and tubes is frequently enlarged, and added machinery to their repair department demands more space. They are now prepared to handle the repairs on any tire from the smallest car to the larger trucks and tractors.

They handle the famous U. S. Royal Cord tires and tubes, which are as good as are made.

Malcolm Timmons Has Good Cotton

While his mother was in the hospital here last week, Malcolm Timmons of the Meadow section brought in a sample stalk of cotton from his field that has had a large number of grown bolls, small bolls, blooms and squares. Malcolm stated it was a fair sample from his field.

He also stated that he had a fine corn and feed crop, the best in several years. Malcolm is a good farmer, following in the footsteps of his father, the late Hershel Timmons, who was one of our prominent old settlers.

THE HERALD

Entered as second-class matter at the postoffice at Brownfield, Tex. as under the act of March 3, 1879. A. J. Stricklin & Son Owners and Publishers...

POLITICAL ANNOUNCEMENTS

The Herald is authorized to announce the following candidates for the office to which they aspire, subject to the Democratic Primary Saturday August 24, 1940.

- FOR DISTRICT ATTORNEY: Burton G. Hackney, Rollin McCord. FOR COUNTY JUDGE: W. A. Tittle, C. L. (Abe) Lincoln. FOR ASSESSOR-COLLECTOR: Sam C. White, J. Virgil Burnett. FOR COMMISSIONER PRE. 2: J. S. (Jess) Smith, W. T. (Bill) Settle.

Candidate Wendell Willkie's idea that President Roosevelt has time to hike about over the country and debate with him, is pitifully childish. He is old enough to have some manners even if he has no reason about him.

The many friends of George Mahon, our congressman, are greatly sympathizing with him in the loss by death of his brother, Thomas M., at Loraine last Saturday. George came home for the funeral by plane.

Experienced cotton men are advising farmers not to try getting too much cotton in a bale. They say that when extra large bales go into high-density presses, the pressure is so great that it cuts the staple badly.

The Austin Daily Tribune, the Texas daily more close to Gov. O'Daniel than any other paper, weekly or daily perhaps, has come out editorially for Olin Cuberson for Railroad Commissioner. O'Daniel has endorsed no one, so far, and says he will not do so.

Editor A. E. Richards of the Meadow Star has certainly stuck his neck out by permitting a religious argument to start up in his paper, and he is one of the arguers. We think E. E. Hill of the Tahoka News got well fed up on that stuff last year, and could have given Bro. Richards some very wholesome advice, no doubt.

John Price, of the County Wide News, Littlefield, cites the fact that Lamb county has busted all records in the past six months by having 42 divorce cases on record. Maybe, John, if the draft law goes into effect, some of those couples will decide to be regrafted. Anyway, since the draft law talk started, they tell us that wedding bells are tolling as never before over the land. But the authorities say that a hasty wedding will not save the would-be draft dodger.

Again, north and east Texas had all the 31 distilleries that were captured by the Liquor Control Board during July. The area is about the size of the Panhandle and starts in at Bowie county near Texarkana, goes southwest as far as Bell county, thence southeast to the Texas-Louisiana line. Votingly speaking that is about as "dry" as the South Plains, but evidently those east Texans love their lick that comes out of the big thicket unbranded and untinted.

The popular polls over the country are giving Wendell Willkie 304 electoral votes to 227 for President Roosevelt. About the same date in 1936, the same concern was giving Landon 276 to 255 for the president. It positively gave Landon such states as Massachusetts, Connecticut, New Jersey, New Hampshire, Delaware, Wyoming, Kansas and Nebraska, as well as Maine and Vermont, the last two being all that Landon really carried. "Leaning" Republican, were New York, Pennsylvania, Illinois, Ohio, Indiana, Rhode Island, Iowa, Minnesota, South Dakota and Michigan, all of which went Democratic overwhelmingly.

The Stamford American sent us a marked copy of their paper the

past week, in which U. S. 380 was under consideration, they stating that a short gap in Kent county would soon be paved, and thought the gap between Bronco and Plains would soon be paved. The contract for work on the Plains-Bronco section will be let the 20th of September. Will also state that New Mexico is now building the bed preparatory to paving the gap of 17 miles through the Apache Indian reservation. They are straightening a great deal of this road, also. It is believed that the entire length of the highway from Fort Worth to California will be paved by next summer.

PLAINS

Mrs. Meurl Hawes and children of Lubbock visited her sister, Mrs. Harvey Morris and family, Thurs. J. H. Lynn, Joe Dixon and Leslie McLaren were visiting in Paducah and other points last week.

Mr. and Mrs. Bill Cox and children of Tulsa were visiting his parents, Mr. and Mrs. F. M. Cox and family, last week. Mr. Albright of Oklahoma is here visiting his daughters, Mrs. Warner Hayhurst and Mrs. Les Covington.

Mr. and Mrs. Byron Willis from Galveston and Mr. and Mrs. O. Covington of Lamesa were visiting Mr. and Mrs. H. H. Roberts last week.

Mrs. W. R. Patterson was called to Globe, Arizona last Monday on the death of her son-in-law, Mr. Cribbes, who passed away last Sunday.

Mrs. H. F. Williams and Mrs. A. A. Jones of Lubbock spent Thursday with their sister, Mrs. J. H. Morris and family.

Mrs. J. W. Moore was taken to Brownfield Friday, and is reported very ill with rheumatism. Mrs. Bill Burseson and children are visiting in Fort Worth, this week.

LAHEY

There were good rains all around here and the crops are doing fine.

There was good attendance at Sunday school and church. The Methodist Revival began Sunday morning, Rev. I. M. Morrison of Lubbock is doing the preaching. Everyone is invited to attend.

Malcolm Thomason and family spent the day in Shorty Thomason's home, Sunday.

The young folks spent the day in Miss Christine Thomason's home Sunday.

Maxine Thomason spent Sunday with Wanda Pearl Thomason.

Galia Thomas spent Sunday with Lela Jo Ticer.

Maureen and Thelma Ticer spent the week end in the Pool com-

Says Sam White Is Fair and Honest

For three years I worked with Mr. Sam C. White in the Tax Assessor-Collector's Office and believe he would make an official we would be glad to have. Mr. White has always been honest and fair in all dealings that I have known anything about. And in this office, where practically all the county's money comes in, we are entitled to someone of this type to hold the office. He is interested in the religious as well as the civic welfare of his community, and has had 3 1/2 years experience working in the office for which he is now running. He is courteous to the public and is willing to do more than is actually required of his job.

I do not think you can go wrong by voting for Mr. White, in fact, I believe he is better qualified for the Tax Assessor-Collector's Office than any man in the county, due to the experience he has had in the office. I am sure he will appreciate your vote.

Bennie Arnett Smith (Political adv.)

G. W. LUKER HONORED ON BIRTHDAY

G. W. Luker of the Union community was honored with a birthday dinner Sunday at his home. All the children and their families with the exception of one attended. They brought basket lunches and a very enjoyable day was spent. Mr. and Mrs. Gay Price, city, and Mr. and Mrs. Rufe Loftiss of Lubbock were among those attending.

BUILDING CAFE

Mrs. Roy Moreman of a began the construction of a cafe, Saturday of last week. The cafe will be 20x30 ft. and is being built on the Farmers Co-op gin yard. The establishment will be known as Boot's Cafe.

The ringtail cat is protected in both Texas and Louisiana as fur bearers. They are numerous in Texas. None have been taken alive in Louisiana, it is reported.

Community with Annie Lou and Edna Redding.

Those on the sick list this week are, Mrs. Malcolm Thomason and Mrs. Lambeth.

Mr. and Mrs. J. H. Mabry and daughters, Pauline and Helen, spent a few days last week in Lubbock with his mother, Mrs. R. C. Camp.

Mr. and Mrs. Finch moved into the teacherage last week to await the starting of the next school term. Mr. Finch will be principal of the school.

DRIVE IN NOW FOR 7-Point Summerize Service

Let the Summerize banner on our service station be a constant reminder that your car needs all seven protective Summerize Services, now! Proper lubrication with correct, summer-weight Mobiloils and Mobilgreases, plus summer Mobilgas, give you utmost mileage, in town or on the highway, for fewest upkeep dollars. Drive in, or phone us about Summerize Service. We'll gladly call for and deliver your car.

The Old He and The Herald Have Birthdays

Here is a likeness of the present plant of the Herald. Constructed of brick and concrete, size 25x60 feet, can be enlarged to 50x140 feet with lots owned, but we don't expect to see this done—soon.

As the Old He will be "Sweet Sixty" today, Friday the 23rd, having been born in the year 1880, and as the Herald has just passed its 36th mile post, we are going to give the readers a small surprise, and maybe some fun and a

Now here is the original Herald building. Size 14x24. But we were prouder of it than we were of the present building. It was the first.

bit of information, and the information will be highly illustrated. If you have no other use for the illustrations, just paste them on some card board, and keep the vovles out of the melon patch.

The Old He took charge of the Herald 31 years ago June 1st, past. At that time "she" was just an infant of five years, lacking a bit, but she has lead us a merry life by the nose since. We have been so used to being led by the nose that we generally wear a ring in it so the rope can be snapped in

try grow from a few ranches to more than 11,000 people. In the 31 years it has been under the present management, it has grown from a bit over 1,000 to its present population. The first census (1910), following our coming in 1909, gave the county 1474, but by 1920, by migration and the birth route, we had 2236. In the meantime, the Santa Fe had built into Brownfield in 1917. In 1930, we had gone up to 8883.

As to the town, it was a village of possibly 200 people in 1909. Today it was more than 4000 people, and growing like rips. We expect to see it double again by 1945.

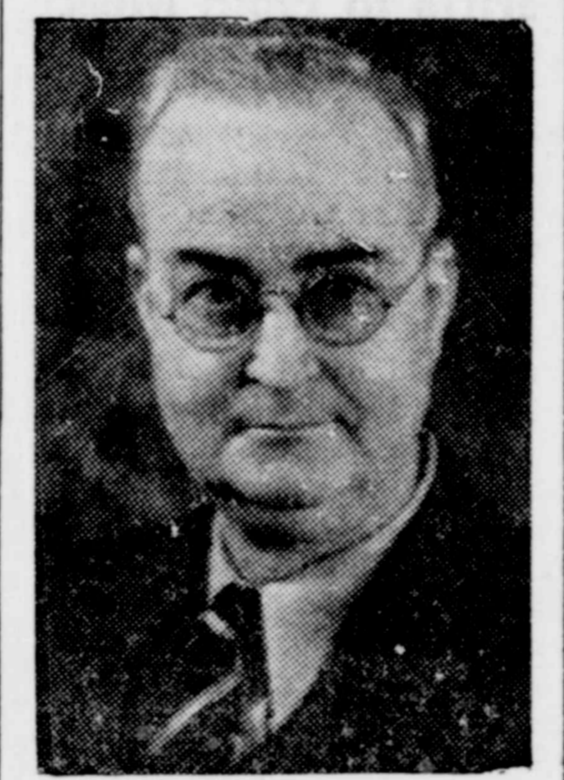

At the time the Old He came,

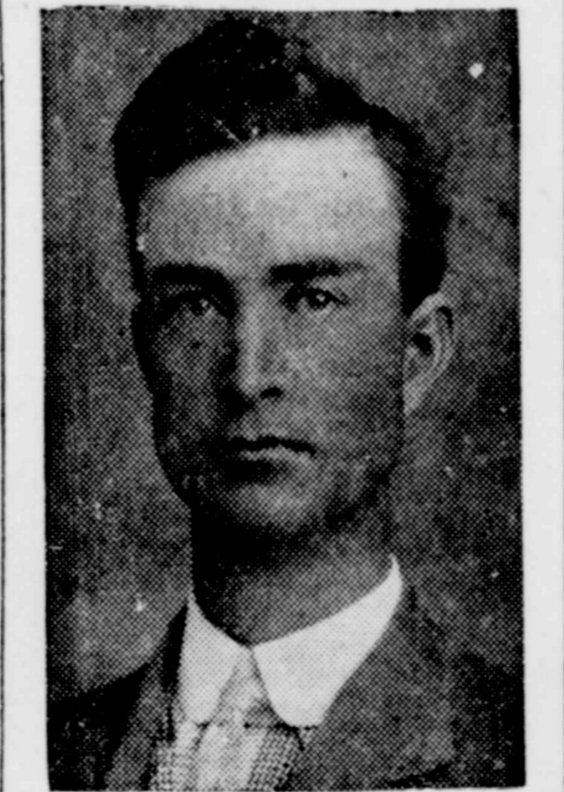

This is Jack II. Born June 9, 1913. Married February 9, 1934. Has been assistant editor and publisher since he finished high school. Rather write sports articles.

Gomez was the better town of the two, having more stores and more people. But the railroad came here and missed them, and sealed the doom of the once prosperous community. Both towns freighted from Big Spring or Plainview, about equal distance at that time.

The Herald has had to get up and hike to keep the pace set by the growth of the town and community. But it has at least tried, and that is the best anyone can do. For a few years the Old Jack and wife following our marriage in July 1910, issued the Herald, as we were trying to pay out the plant, which cost us \$700. Later we purchased a two room home and moved it to the northwest part of the city, and then we purchased

Above is Jack I, at the present time or about. Will say that we are really Jack No. II, as our dad was called that, but he got his name during the Civil War, and was Jack to his friends and mother the rest of his life, although his name was really John Wesley Stricklin.

And this folks, is how Jack I looked 31 years ago. Quite a change, eh! Well, 31 years will do a lot to folks. And we put on some additional weight, also. We weighed about 140 then, and about 185 when the other picture was taken. This is the first time we have ever put our own picture in the Herald.

And this is Jack III. Isn't writing much yet, but can ask some quite confusing questions at times. He was three on the 14th day of February, being born on the birthday of his grandmother, "Mammy" to him. He calls us "Pop." Will be ready to hit the ball in a few more years.

a home for the plant. The original plant consisted of a G. Washington hand press, two cases of badly worn news type, a few cases of equally worn job type. New stuff was added as fast as possible with our limited means.

We want to tell the readers the story of the first little old Herald

home illustrated herewith. It was the original ranch home of A. M. Brownfield, on whose land the town is built. The lumber was hauled from either Big Spring or Colorado City. Dick "got able" to build a nice home—mighty nice for that time—and sold the little two room affair to Tom Hunter, three times candidate for governor, he being school "Principal" here at that time. When Tom left Brownfield, he sold us the little house for \$300, taking a pump shotgun at \$30.00 on the down paying, the rest at \$15 per month. The partition was torn out, after it was moved to a location on the southwest corner of the square, on a site obtained lease free from W. G. Hardin. Later it was moved to the present site of the Herald office, or one lot south, where it stood until the present building was erected in 1924. This information is for the reader who has never visited Brownfield, but lives in other states and has holdings here; also for new people that may not know.

It is true that we had our disadvantages in those days. One time we issued a paper on Monday and another the following Saturday. The reason was that our freight wagon was caught at Big Spring in bad weather, and it was a 12 day trip any old time. We had to wait for print paper. In 1910, when the Santa Fe built to Lubbock, 40 miles—Gee! we were close to a railroad, and was close when it came to Tahoka in 1912? Sometimes the town would run out of flour, meal, bacon or all three, but the people had it as long as it lasted, and then substituted until the freight wagon came in. Uncle Horace Adams and son, Bill, put in a grist mill at Gomez that helped a lot, so we could always have cornbread, at least.

We have had a number of chances to sell, but we have married and reared a family here. It is the only place that appeals to us as a home. So why sell? The two kids have both married and flown from the family roof, but the son lives here and the daughter in Snyder, not far away. We didn't expect them to stay babies and at home always. Besides we now have a grandbaby, which we can share with his dad and mother. So, in conclusion of this rather tiresome article, when we have to retire one way or another, we can be happy in the thought that there will be two jacks and a couple of queens to carry on.

Mr. and Mrs. Robert Little of El Centro, California, arrived Saturday to visit her parents, Mr. and Mrs. L. E. McClish and his mother, Mrs. B. F. Little at Wellman. They will be here two weeks.

Mrs. Spencer Kendrick and Mrs. Ralph Bailey spent Thursday with relatives in Tahoka.

NOTICE TO BIDDERS

The Commissioners' Court of Terry County, Texas will receive competitive bids up until 10:00 o'clock a. m. on the 9th day of September 1940 at the Court House in Brownfield, Texas on the following described road machinery: One Heavy Duty Type Power Control Single Tandem Drive Diesel Powered Motor Grader with Full Diesel Motor 66 H. P. or more, with electric starter, with Power Control for each adjustment—including Power Steering, with 12.75-24 Low Pressure rear tires, puncture proof rear tubes, with 9.00-24 Pneumatic front tires, plain front tubes, with wide tread front axle and with leaning front wheels, 12 ft. moldboard and two 2 ft. extensions, with fully enclosed steel and glass cab and with "V" type scarifier. Machine to weigh 23,000 pounds or more, and at said time and place said Court will proceed to let a contract if any bid is accepted. Certified check in the amount of five per cent of amount of bid required, and the Court reserves the right to reject any and all bids.

If any contract is made the Court intends to issue interest bearing time warrants in an amount not to exceed \$6,000.00, said warrants to bear interest at the rate of 5% per annum and the full amount of said warrants to mature at a date not later than May 15th, 1940. R. A. Simms County Judge of Terry Co. 4c

Public Notice

JUDGE JAMES P. ALEXANDER

for
CHIEF JUSTICE

of the
SUPREME COURT

A working judge with an outstanding record of public service. He deserves promotion to the Supreme Court.

Don't confuse his opponent with the late O. S. Lattimore. Hal Lattimore is the son of Judge O. S. Lattimore.

This ad paid for by Terry County friends of Judge Alexander.)

So Post Office Mural Will Get a Change

We note in the dailies that the mural for the Brownfield post-office has been tentatively accepted, with some minor changes, and all of us hope that people will like the picture. It is a prairie fire scene, and all we have had here is a photo of the pencil sketch.

The men looked too Spanish, but artist Frank Mechau, of Colorado, says that most anyone would look rather dark after fighting a fire several hours. He also agrees to have open stirrups, instead of the long enclosed ones, sometimes used by rodeo announcers. He'll also put a hide on the steer they are dragging to put out the fire.

Mr. Mechau was here this spring. He visited the Herald office with James H. Dallas, postmaster, and we thought James Harely was leading in a House of David man. The P.O. force and others geyed him about being a member of that sect. He took it good naturedly with a grin, through his whiskers.

Had the privilege of looking over a world of correspondence between Mr. Dallas and the artist, as well as a lot of Postal dignitaries, and you'd be surprised, knowing the somewhat timidity of our P.M., at the hot argument he put up with those fellows, and in most case won his point.

As a compromise, he has them tentatively agreeing that as soon as they can get another appropriation, they will have a painting made from an old Brownfield ranch scene photograph, that really will picture ranch life as it was here. A place for it will also be found in the lobby.

HARMONY

Since the good rain, some farmers are plowing their crops while others are hoeing and heading maize.

Mr. C. C. McCombs and little Elizabeth Jo Davis are on the sick list this week.

The Baptist meeting is in progress and will continue until next Sunday night. Rev. Dave Lindley of Littlefield is doing the preaching. The interest is growing each service. You are invited to attend.

Mr. and Mrs. Joe A. Davis had the following guests during the past two weeks: their daughter and granddaughter, Mrs. Vernon Bradley and Norma Gail of Plainview, Mrs. L. C. Dulaney of Oklahoma City, and Mrs. Jimmy Rogers of Amarillo.

Mr. and Mrs. C. A. Wilhite had as their guests last week last week her nephew and his friend, John Franklin Manor and Bobby McKelvey of Lubbock.

We are glad to report Miss Claudine Garrett was able to come home last Monday from the local hospital, where she had an appendicitis operation not many days ago. Her friends wish for her a speedy recovery.

A religious census was taken in the Harmony community last week.

Miss Clela and Avenelle Garner are visiting their sister and family, Mr. and Mrs. Clin Carter of Plainview.

Miss Nellie Mae McLeroy visited in the home of Mr. and Mrs. Joe A. Davis last Wednesday evening.

We received an announcement from Miss Velma McManis, who is attending Tech and on next Friday August 23, she will receive her A. B. degree from that institution. We understand Miss Velma will teach in the Gomez school system this year. Gomez you will have a good teacher.

CIRCLE 1, METHODIST M. S.

Circle No. 1 of the Methodist Missionary Society, met at the church Monday afternoon, when Mrs. Judson Cook led a lesson on the second chapter of "Home and Harvest." At the close of the class, plans were made for the revival which is to begin Sunday, August 25.

Mrs. C. F. Holt, one of the real old timers in Terry, called this week to renew. This makes about 30 times that family has renewed.

There will be a beer election in Gaines county next Wednesday, and some business men at Seagraves are fearful that the drys will win, and throw some 300 beer employees out of work they say. They also claim that Seagraves is already in the doldrums, and business from Brownfield, Lubbock and other "dry" towns helps business in general.

Mrs. Estelle Brown and daughter Juanita and Mark Percy attended the wedding of Mrs. Brown's niece in Stephenville, last week.

We thank A. L. Fleming, route 1 Seagraves, for his renewal, Reports a fine crop.

KIDNEY STAGNATION IS WORSE THAN CONSTIPATION!

Because We Treat Constipation at The Onset, While We Neglect Our Kidneys indefinitely

No other organ in your body is of more importance than your kidneys. For in your kidneys there are nine million tubes which must work day and night to filter the fluids and keep the system free from wastes, acids, poisons which, if permitted to remain, may cause serious kidney and bladder troubles.

It is no wonder then that Nature often calls for help to clean out the kidneys. So if you are troubled with Getting-Up-Nights, Leg Pains, Backache, Nervous Headache, Dizziness or Loss of Energy, due to functional kidney disorders, try KIDANS, the famous kidney remedy, which aids Nature to flush out the kidneys, to filter all wastes, to prevent kidney stagnation.

KIDANS is Safe and Reliable. Thousands report entire satisfaction. Taken according to directions, KIDANS will give splendid results. Try KIDANS. Buy it at our Special Price Offer on two boxes. Use one box. If not satisfied, return unopened box and GET YOUR MONEY BACK.

If your local druggist cannot supply you, send \$1.00 to the The Kidans Company, Atlanta, Georgia, for two full-size boxes on a money-back guarantee.

Mrs. J. I. Howell and son Joseph and daughter, Eva Jane of Jasper, visited their daughter and sister, Mrs. Virgil Crawford this week. Mr. Crawford's parents, Mr. and Mrs. S. M. Crawford of Floydada were also recent guests in the Crawford home.

Sam Pyeatt and family visited relatives at Tatum, N. M., last week.

Mr. and Mrs. A. W. Turner attended the graduation of Miss Glynn Anderson of Plainview, from Texas Tech, Friday.

Betty Cope of Lamesa, visited her aunt, Mrs. Phillip McKee, this week.

Mr. and Mrs. H. R. Belew and daughter Barbara arrived here Friday from Winters to make their home. Mr. Belew is superintendent of the new Cotton Oil Mill. They have moved into the house formerly occupied by Mr. and Mrs. W. E. Latham, on Broadway.

Mr. and Mrs. W. E. Latham spent Sunday in Vernon visiting her sister.

Garlic Helps Dizziness

Dizziness? Intestinal poisoning due to harmful bacteria in your colon may be the cause. Medical science says that Garlic helps combat this condition. Now you can get Garlic in odorless, tasteless, easy-to-take tablets. Ask your druggist for DEAR-BORN Concentrated Garlic Tablets. Big economy size, special now only 59c.

THEY DO READ THE ADS

When your merchant says, "Nobody reads the paper, so why advertise?" ask him:

1. Why publicity seekers and local organizations want space in the paper.

2. Why the politicians are so anxious for the paper's support.

3. Why does the eloquent subscriber squawk when his paper is dropped, and why do they yell when they fail to get a weekly edition.

4. Why are residents so anxious to have their misdeeds kept out of the paper.—The Ky. Press.

SANTA FE CARLOADINGS

The Santa Fe Railway System carloadings for the week ending August 17, 1940, were 18,195, as compared with 18,265 for the same week in 1939. Received from connections were 5,331, as compared with 4,972 for the same week in 1939. The total cars moved were 23,526, as compared with 23,237 for the same week in 1939. The Santa Fe handled a total of 18,200 cars during the preceding week of this year.

Mrs. Billie Criswell was here recently en route to her home in Plains after visiting near Canadian.

The Lyntegar Rural Electrification has announced that they will take over 135 miles of additional lines in S.W. and West Terry, west in southwest and west Terry, west Yoakum and north Gaines county, which is proposed to be built soon.

Misses Twilla Graham and Evelyn Jones visited Miss Patti Nell Little in Odessa this week.

Cleve Hogue dropped in this week to renew for the Herald going to his father-in-law, E. A. Boyd, Bowie, Texas.

Mr. and Mrs. W. B. Little and daughter Billy Ruth of Levelland, visited Mr. and Mrs. Tom Cobb, Sunday. Mr. Little is manager of Cobb's store in Levelland.

A new lumberman arrived to take up his abode with Mr. and Mrs. Cecil Smith, last Friday. Haven't learned his name.

Fred Smith is suffering with a rising behind one of his eyes. It has been very painful this week.

Mr. and Mrs. Mumford Smith left last Saturday for their home in Glendale, Arizona, where he is employed as city secretary. They were accompanied by Mrs. Stricklin that far, who after a few days visit with them, will go on to California for a few week's visit with relatives.

Mr. and Mrs. Joe Bailey and children of Lubbock were luncheon guests of Mr. and Mrs. J. E. Shelton, Sunday.

Mrs. Earl Jones and daughter Earlene and sons, Bobbie and Sammie were Dallas visitors, this week.

Miss Francis Lynn Meeks returned to her home in Hobbs, Tuesday after visiting Mr. and Mrs. Jay King.

Mr. and Mrs. Prentice Walker and Mr. and Mrs. Ray Stephenson of Tahoka were dinner guests of Mr. and Mrs. Spencer Kendrick, Sunday.

Joe Safady, accompanied by Mrs. Safady of Lovington, and Mrs. Ed Arayain of Seminole were in Dallas buying merchandise for their stores, this week.

BRITISH THANK UNITED STATES FOR HELP

WASHINGTON, D. C.—A letter of "deep appreciation" for American Red Cross war relief operations in England has been received here by Chairman Norman H. Davis from Field Marshal Sir Phillip Chetwode, chairman of the British Red Cross executive committee.

Sir Phillip's letter said: "We are immensely grateful for the credit of \$400,000 opened for us in America by you. Other wonderful gifts have been ambulances and most valuable surgical instruments—whole outfits for operating theatres have reached us and in particular a wonderful brain surgery unit, very much wanted, and which is being of greatest value in the special hospital set up to deal with head injuries.

"You are sending us very valuable gifts which will be of great assistance in equipping the 200 hospitals which we have now been asked to establish to meet the casualties which are bound to occur if Hitler makes his promised attack on these islands.

"Supplies from the American Red Cross and from individual Chapters have been of the greatest value in meeting the sudden urgent demands after the tragic episode of Dunquerque when a great strain was put upon our resources through tremendous losses of military hospital stores in France."

Mr. and Mrs. C. W. Roberts and daughter Louise, of Andrews, were guests of friends and relatives here Sunday. Louise remained to spend a week in the home of her brother, C. W. Roberts, Jr., and Mrs. Roberts.

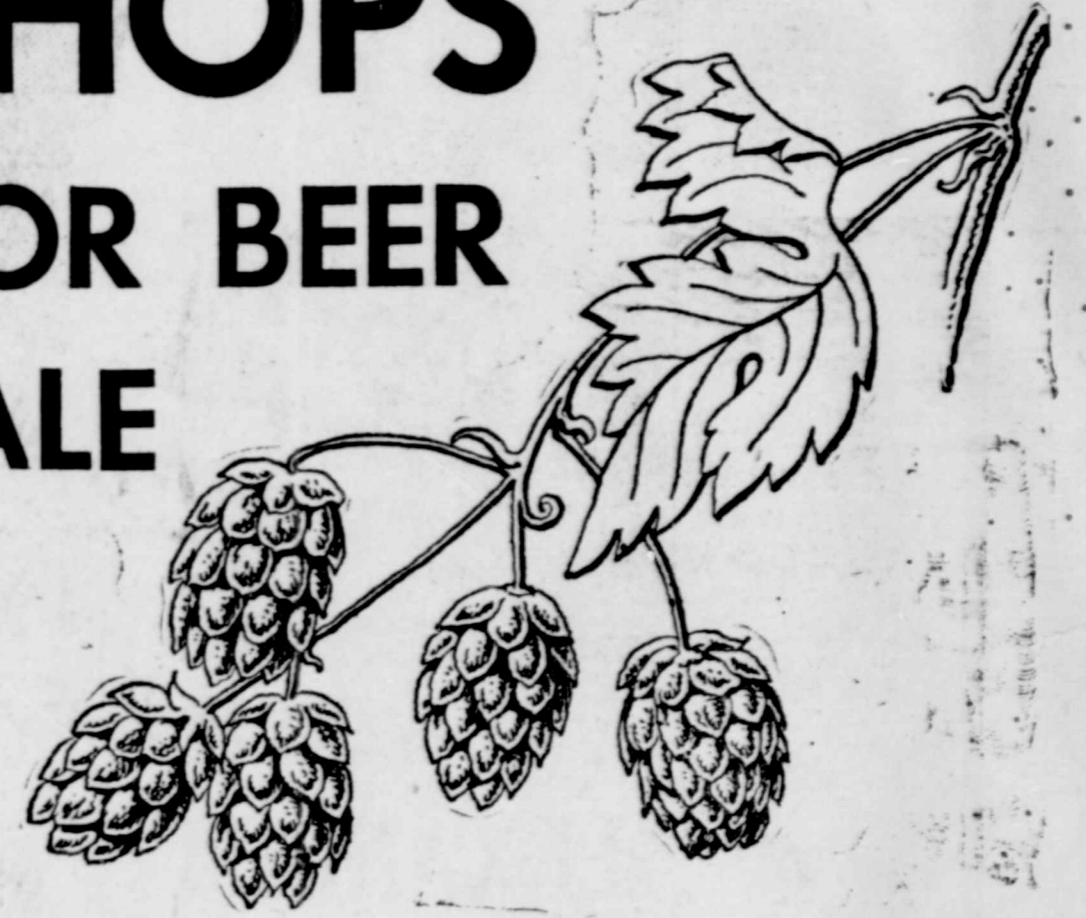

Mrs. H. C. Billings and Mr. and Mrs. Earl Chester and children of Whitharral, visited in the Harvey Gage home, Sunday.

The Federal Cotton loan in this area has been set at 9:34 for 15-16th middling cotton.

THE RECORD... Facts That Concern You

No. 21 of a series

WHAT HOPS DO FOR BEER AND ALE

Hops are for flavor. They give to good beer and ale their lively, appetizing flavor, their pleasant, aromatic tang.

Brewers select and blend their hops with extreme care. In fact, every step in making beer and ale is conducted with masterly skill—to give you better-tasting, more wholesome beverages.

Now the brewing industry wants to do one thing more. It wants to protect your right to drink good beer

and ale—by keeping the places where beer and ale are sold wholesome, too.

We want undesirable, anti-social establishments "cleaned-up or closed-up." A plan of action has already been put into effect in a number of states. This plan is being extended. We'd like you to know about it. Send for interesting free booklet.

Write—United Brewers Industrial Foundation, 19 East 40th St., New York, N. Y.

BEER...a beverage of moderation

DWELLING SHOULD BE INSPECTED TWICE A YEAR

AUSTIN, Aug. 19.—The inspection of all dwellings twice a year is a very important part of an adequate fire prevention program, and it is particularly desirable that rooming houses be checked frequently, according to Marvin Hall, state fire insurance commissioner.

Within the next few weeks, thousands of Texas youngsters will be returning to college, the Commissioner said, pointing out that all rooming and boarding houses should have two means of exit, front and rear stairs, halls open and unobstructed, all buildings over two stories to be equipped with standard fire escapes, and attics permanently inaccessible.

Hall said many students in college towns throughout the state have been living in virtual fire traps, and that operators of these places should seek the aid of the local fire marshal to eliminate hazards which might escape attention of the layman.

Other recommendations were for rigid gas stove connections, the testing of all gas piping, space heaters to be closed type and vent-

ed certically through heat insulated flues whose tops are two feet above roof, all hot water heaters to be vented the same as space heaters above and not in attic space, approved chemical extinguishers in kitchen and upper hall available to all sleeping quarters.

Commissioner Hall also reminded that state law delegates to city councils the authority to establish such regulations for the prevention of fires as the councils may deem expedient.

Deer, elk, antelope, wild sheep, bear, squirrels and javelinas are classed as game animals in Texas. Dick Collins of Lamesa spent

Thursday and Friday of last week as the guest of his brother, Wilson Collins and Mrs. Collins. Mrs. Collins returned to Lamesa for a few days visit in the W. B. Collins home.

Miss Maretta Holloway spent Sunday with her parents in Lubbock.

MERE "GUESS-SO" AND "THINK-SO" are just old stuff these days, in discussing gasoline mileage. Now you can know-so... accurately! For awaiting you now at Your Mileage Merchant's Conoco station is your Conoco Mile-Dial—FREE.

THIS INVENTION makes Conoco Bronz-z-z gasoline put itself on record in bunk-proof figures. Your impartial, certified Mile-Dial gives you mileage proof that you can double-check and triple-check. If you think you made it too easy for your Conoco Bronz-z-z the first time, you can dial your whole Labor Day trip, with a week-end overload in your car—heading for hills or inching through traffic.

HUNDREDS of different driving conditions will be on record, as you keep using your handy Mile-Dial. Then nobody will be able to hint (politely) that you try to remember only your highest mileage. For your free Mile-Dial, keeping count day after day, reports your true average on Conoco Bronz-z-z.

THAT'S WHY YOUR MILEAGE MERCHANT is urging you to drive in to his Conoco station today for your fascinating Mile-Dial—FREE, while they last. Continental Oil Company

CONOCO BRONZ-Z-Z

"AMERICAN"
by Fostoria

MAKE IT "AMERICAN" AND MIX IT WITH MODERN!

In Colonial days, there were not many glassware patterns. The process of making was then too costly. So pure genius inspired a design fitting for all times and all occasions.

Recently, Fostoria recreated this traditional pattern; made "American" pieces by a less expensive, more modern process, but retained its sparkling beauty for luxurious banquets or the most informal luncheons.

Fostoria's "American" is primarily designed for homes of colonial simplicity. Nevertheless, it hobnobs on intimate terms with even the ultra-modern. It is crystalware unaffected by passing fashions, in harmony with any setting.

Our "American" panorama is here on display. Its sparkle will delight you. Its variety will please you. The very low prices will surprise you.

PALACE DRUG

Mr. and Mrs. Jack Burdett of Porcupine, S. D. and Mrs. L. R. Darnell of Seattle, Washington, were guests of Mr. and Mrs. J. T. Auburg, last week end. Mr. Burdett is Mrs. Auburg's brother and Mrs. Darnell her sister.

Game birds cannot be legally shot in Texas with a gun larger than ten-gauge.

The Mexican Police Tipica Orchestra, with 110 musicians and artists, will again be presented as a free attraction at the 1940 State Fair of Texas, October 5 to 20. This is one of the most internationally famous musical groups in the entire world.

The Junior Fat Stock Show to be held as a feature of the Livestock Show of the State Fair of Texas will give boys of Texas an opportunity to show their prize animals and to sell them also, as auctions will be held for the disposal of steers, hogs and lambs.

The Dallas Public Evening Schools will have an exhibit of what "nite school" pupils are doing, at the 1940 State Fair of Texas. Professor J. O. Mahoney, head of the night school, will be in charge of the exhibit, which will be in the Educational Building.

Mr. and Mrs. James King and children and Mr. and Mrs. J. H. Carpenter were visitors in Roswell and Artesia, Sunday.

Mr. and Mrs. J. J. McGowan and son Bill returned Saturday from a short vacation spent in Taos, N. M. and Colorado Springs.

The largest collection of Texas Indian Lore in the world is on exhibit in the famous Russian National Museum at Leningrad. It was gathered some years ago by a Russian noble. There are still numerous collections in Texas, both in privately owned and in the several museums of the state.

Mr. and Mrs. Frank Denton have returned to their home in Trinidad, Texas after visiting in the Earl and Harold Denton homes.

Many Texas counties have closed seasons on fox, but some allow owners of poultry to kill fox destroying poultry. The pelts, however, cannot be in possession.

LITTELL'S LIQUID
A Calcium Sulphurate Solution for relieving the discomforts of itching that frequently accompanies Minor Skin Irritations, Prickly Heat, and the Bites of Non-Poisonous Insects. Locally it helps to allay the itching of Eczema. Price 50c per bottle.

NELSON-PRIMM DRUG CO.

To The Voters of Terry County

With a heart filled with gratitude toward my good friends for the nice votes you gave me on July 27th, I wish to say that I feel humble and thankful to each of you for same, and words cannot express my appreciation. I further wish to extend my very kindest personal regards to each of the honorable gentlemen who failed to make the run-off, for the clean race that each made. And may I ask each of you who voted for them to investigate my record and if you think I should be promoted to the office of Tax Assessor and Collector I will certainly thank you for your vote and will show my appreciation by being ever faithful to the trust given me.

Sam C. White

BOBBIE LATHAM HONORED ON BIRTHDAY

Mrs. W. E. Latham entertained with a party Monday from 5:30 to 7 o'clock, to honor her son, Bobbie, whose 6th birthday fell on that date.

Games were played and balloons were given the small guests as favors.

Refreshments of sandwiches, cookies and punch were served to the following guests: Sandra Bailey, Frieda Ann Anthony, Joe Brown, Herbie Kendrick, Sammie Kendrick, Deenie Ballard, Roscoe Treadaway, Ronnie and Margie Graham, Robert Heath, Paralee and Graves Nelson, Earl Davis, Althea and Irene Jacobson, Charlotte Ann Smith, Billy Mack Herod, Frieda Ruth Lowe, Juanda Turner, Christine McDuffie and Sonny McDuffie. The honoree received a shower of gifts.

FOSTER H. D. CLUB

Although most of the officers and several members were off vacationing, Foster Home Demonstration Club met August 14 at the home of Mrs. Claude Buckner with a very interesting program.

The program conducted by Mrs. Herman Edwards was a great help in keeping well and in caring for the sick.

An attractive tray suitable for an invalid was demonstrated, and the fine points in feeding the sick explained by Mrs. Edwards.

Bring your neighbor with you, and come and learn a little and laugh a lot next meeting day, August 28 at the home of Mrs. Bob Burnett.

PLEASURE CLUB ENTERTAINED WEDNESDAY

Members of the Pleasure club met Wednesday afternoon at Hancock's Cafe with Mrs. R. L. Bandy as hostess.

Mrs. John L. Cruce scored high and was given a hanging flower basket. Mrs. Ed Watson was given a wooden fruit bowl for second high. Refreshments of sandwiches, and iced tea were served.

Guests were Meses. J. L. Cruce, C. C. Primm, Ed Stewart, R. L. Bandy, Bruce Zorns, Roy Ballard, Jack Hamilton and Bill Ed Watson.

RED WOODS HONORED ON BIRTHDAY WITH DINNER

Mrs. Red Woods honored her husband, Red Woods, with a dinner dance Thursday night in the Sky Room of Hancock's Cafe, to celebrate his birthday.

Pot plants and ferns in wall vases were used in decorating.

13 couples attended.

C. E. Ross was in Slaton on business, Wednesday.

Masons Visit With The Odessa Lodge

Four prominent local Masons, Jesse D. Cox, Grand Conductor of State Grand Lodge, Clovis Kendrick, Master of the local Council; Terry Redford, district Deputy G. M., and J. W. Nelson visited the Odessa Council last week.

While there they put on the Council Degree to five candidates. They reported a fine time.

BAPTIST CHURCH

The meeting now in progress in this church has greatly endeared the preacher, brother A. B. White to our people, as he is bringing the simple message of salvation by the free gift of God as baptists have stood for through the ages.

The preacher says "regeneration always brings reformation," but if you have not heard brother White yourself, hear him in the next few services allowed you before his going away.

Our goal of 425 was not reached for the Bible study last Sunday, there being only 383 in time to be counted, some coming late.

Will you not come promptly at 9:45 next Sunday that the goal may be reached and passed as literally hundreds of people pay less attention to the bible than to the almanac and some of them claim to be Christians.

A great day is anticipated in this church next Sunday when the meeting is expected to close and visiting people are welcome to these closing services.

The results of the meeting will be recorded later as well as the date of the baptismal services.

Monday evening at 8:15 is the Brotherhood meeting of the church in which all men are invited to come and hear their own fellows bring the program in their own way.—Reporter.

FOURSQUARE CHURCH

Revival continues.

Great interest is being shown in the revival with large crowds in attendance. Several have been saved and new members taken in the church.

Service every night next week at 8:15. Morning services at 9:45. Sunday 10:00 a. m., Sunday school. Sunday, 11 a. m. Morning Worship; Sunday, 7:30 p. m., Young people's service, at which time we will have a play.

Sunday, 8:15 p. m. Another great evangelistic service. Come bring your friends, everyone welcome. Pastors Rev. Irene Lee Wilson and Rev. Carl Wilson.

MISS BALLARD ENTERTAINS H. & H. CLUB

Miss Mary Ballard was hostess to the H. & H. Club at Hancock's Cafe, Tuesday afternoon. Miss Jane Brownfield scored high and was given a novelty compact. A patriotic motif bracelet was given Miss Ethelda May for second high.

A salad course, cookies and iced tea were served to Meses Gertrude Jones, Alma Turner, Betty Shelton, Kathleen Nelson, Wanda Graham, Queenelle Sawyer, Ethelda May, Jane Brownfield; Meses. J. J. Kendrick, Roy Parnell and Paul Jones and the special guests, Meses Alma Ballard and Jackie Holt.

I-DEAL CLUB MEETS WITH MRS. DALLAS

Mrs. James Harley Dallas entertained the I-Deal club, Wednesday afternoon at her home.

Mrs. Ray Christopher scored high and Mrs. Taylor second high. Gifts of boxes of "Bubble Bath" were given each. A salad course and iced tea were refreshments.

Guests were Meses. E. G. Akers, I. M. Bailey, D. M. Evans, Roy Herod, W. R. McDuffie, J. J. McGowan, R. R. Taylor, G. L. Daugherty, E. C. Davis, L. Nicholson, Lester Treadaway and Ray Christopher.

SUB-DEB CLUB ENTERTAINED IN GOIN HOME

Members of the Sub-Deb club met Monday afternoon at 3 o'clock in the home of Miss Jeanne Goin. Card games were enjoyed and the hostess served cookies and Coca-Colas.

Those present were the hostess, Minnie Lee Walton, Helen Gillham, Emma Jean Coleman, Vyrnell Patterson, Juanita Cranford, Lyndall Reed, Eldora Lewis and Jacqueline Thompson.

Pelts of southern muskrats are more valuable than those taken in Canada. Texas produces many muskrat each year.

PLEASANT VALLEY HOME DEMONSTRATION CLUB

"Serving a good wholesome meal with plenty of vitamins is very easy," said Miss Maretta Holway to the eleven ladies present at the Pleasant Valley Home Demonstration club Friday evening, which met in the lovely home of Mrs. G. W. Hicks "providing you are willing to put out a little elbow grease and will power in the summer months by canning your surplus peas, beans, corn, tomatoes, greens, and a chicken or two also dry some okra and corn, which is good in soup."

Miss Holloway demonstrated properly canned food and their containers and gave us a good beet and cabbage relish recipe.

One new member, Mrs. Johnnie Steen, one visitor. Refreshments were potato chips, apple pie, candy, cookies, sandwiches with cooling lemonade.

Our next meeting will be with Mrs. Sim Hodge, August 30 at 2:30 p. m.—Reporter.

TWO BROWNFIELD STUDENTS GRADUATING AT A.C.C.

Evelyn Virginia White, daughter of Mr. and Mrs. Sam C. White, Brownfield is a candidate for the B. S. degree in Abilene Christian College, Abilene Texas, also James R. Burnett, son of Mr. and Mrs. J. R. Burnett Brownfield, is a candidate for the B. S. degree.

Commencement exercises will be held for nearly fifty graduates, at 8:15 p. m., Thursday, August 22. This is the largest summer graduating class for Abilene Christian College in its thirty-four year history.

Baccalaureate sermon will be given Sunday, August 18, in the college auditorium, by President Don H. Morris. Vice President W. R. Smith will make the commencement address. Diplomas will be awarded by Dr. Grover C. Morlan, director of the summer session.

WEBB FAMILY REUNION HELD NEAR MEDICINE PARK, OKLAHOMA

Mr. and Mrs. Jim Webb and four children have returned from the Wichita Mountains near Medicine Park, Oklahoma, where they attended a five-day reunion of the Webb family. Those attending were Mr. and Mrs. C. L. Walker, Mr. and Mrs. Ralph Webb and Dale, Maricopa, California; Mrs. Lillian Hayslett, Bakersfield, California; Mr. and Mrs. S. C. Keeton and five children, Hollis, Oklahoma; Mr. and Mrs. Henry Webb and Wanda, Mr. and Mrs. Robert Webb and three children, Crane; Mr. and Mrs. Herman Nickleson, Mrs. C. A. Stokes, Plainview; Mrs. Floyd Daniell, Mr. and Mrs. H. J. Walker and five children, Quanah, Texas; Mrs. Drucilla Jeffrey Taft, and Mr. and Mrs. D. W. Autrey, Houston, Texas.

MRS. RANDAL IN LITTLE ROCK HOSPITAL

Friends of Mrs. J. L. Randal will be sorry to learn that she is ill and confined to the Baptist Hospital in Little Rock. Mrs. Ruth Moore received a message from Mrs. Gaster Spencer, Mrs. Randal's daughter Wednesday, saying that Mrs. Randal was lonely and would like to hear from her friends here.

The Herald and Mrs. Randal's many Brownfield friends hope for her a speedy recovery.

WALTER BOND MARRIED AUGUST 12

Word has been received here of the marriage of Walter Bond, son of Mrs. J. C. Bond of this city, and Miss Opal Elliott of El Paso. The marriage took place August 12.

Mr. Bond is a graduate of the Brownfield High School and also a former Texas Tech student. He is a salesman for Johnson & Johnson. Mrs. Bond is a surgical nurse at an El Paso hospital. The couple will make their home in El Paso.

MRS. MOORE GIVEN SHOWER

Mrs. Lorn Walters entertained with a bridge party and handkerchief shower, Wednesday afternoon, at her home to honor Mrs. Weldon Moore, who is moving to Slaton. The hostess presented the honoree with a gift and Mrs. Andrews also received a gift for high score.

Refreshments were served to the honoree, Meses. W. R. Stafford, Alfred Mangum, Ocie Andrews, Ed Mayfield, Mike Blair and Hoard.

Pedro Zant was a business visitor in Dallas this week.

MISS LONGBRAKE ENTERTAINS WITH PICNIC AND SKATING PARTY

Miss Betty Longbrake entertained with a picnic at the home of her parents, Mr. and Mrs. H. O. Longbrake, Wednesday evening of last week. Following the meal the girls enjoyed skating at the roller rink.

The guest list included Mrs. Marie Williams, Meses Katherine Underwood, Katrene Pickett, La Verne Mullins, Maurine Hall, Genevieve Murphy and Juanita Holder.

Mr. and Mrs. Horace Smith and baby of Odessa spent Sunday here with her parents, Mr. and Mrs. G. R. Arnett.

Lawrence Woodard, Tommy Woodard and Horace Grigg were San Angelo visitors Sunday.

Mr. and Mrs. Noah Lemley were Seminole visitors Thursday.

Hospital Notes

F. F. Joplin had an appendectomy Sunday 18.

Mrs. F. J. Gaston underwent surgery Thursday, August 15.

J. D. Keith entered for treatment of pneumonia Monday, August 19.

Pauletta Gracey had a tonsillectomy Tuesday, August 20.

B. E. Shaddock underwent minor surgery Monday, August 19.

Master Charley Otis Webb, rt. 5, underwent major surgery Tuesday, August 20.

Mrs. Jesse D. Cox underwent major surgery Tuesday, August 20.

Marilyn and Vasca Lou Smith and Jackie Dale and Frankie Lee Condra had tonsil operation Tuesday, August 20.

Miss Bessie Johnson had a tonsil operation Wednesday, Aug. 21.

Jean Finley, three-year-old daughter of Mrs. Bertha Finley,

of Vada, had a tonsillectomy Wednesday Thursday, August 15. She lives near Ralls, Texas.

PATTERSON REUNION HELD IN PLAINVIEW

T. L. Patterson, city, accompanied by his parents, Mr. and Mrs. T. L. Patterson and son Bobbie, of Hobbs, a brother, Herman Patterson and wife of Lubbock, were in Plainview Sunday to attend a family reunion at the home of their daughter and sister, Mrs. Bob Wayland and Mr. Wayland. Other members of the family present were Mr. and Mrs. C. E. Hight of Houston and Paul Patterson, Plainview.

The Patterson family enjoys a "get-together" twice a year.

Miss Evelyn White, who received her B. S. degree from A.C.C. Thursday night of this week will teach in the Union school, this year.

GEORGE BRUCE HANCOCK INJURES FOOT

George Bruce Hancock, of Hancock's Cafe is on crutches as the result of a painfully injured foot he received when helping a customer push a stalled car from in front of the cafe Saturday night. Several ligaments were torn loose and his foot badly bruised when the car wheel rolled on him.

Mrs. H. W. Craig of Hobbs is visiting her parents, Mr. and Mrs. Lester McPherson.

Mr. and Mrs. Sam Houtchens will spend this week end in Amarillo attending business and will also visit her sister.

Roy Hunter and family of Amarillo were guests of his parents, Mr. and Mrs. E. Hunter, Sunday.

Miss Kate Walls of Lubbock was the guest of her brother, John Walls and Mrs. Walls, Sunday.

AAA Cotton loans On 1941 Crops

College Station, Aug. 20.—All Texas farmers cooperating with the AAA will be eligible to obtain Commodity Credit Corporation loans at the full loan rates of their 1940 cotton crops.

No definite time has yet been set when all the necessary forms and instructions will be available so that loan applications can be accepted, George Slaughter, chairman of the state AAA committee, said, but the material is now being printed and will be shipped to the loan agencies as soon as possible.

The loan rate will be based on 15-16 inch middling cotton, net weight basis, with differentials for grade, staple, and location instead of on 7-8 middling as was the case last year, the chairman pointed out. The rate in Texas for 15-16 middling, net weight basis, will range from 9.16 cents in West Texas to 9.80 cents at all Gulf ports. As in 1939, the net weight loan rate is placed 40 points above that for the gross weight bale to compensate for the smaller number of pounds on which the loan is extended.

The full loan rate will be available only to cooperating cotton producers who have not on any farm knowingly planted or permitted the planting of 1940 cotton in excess of the cotton acreage required by law, non-cooperators will be eligible to receive a loan at 60 per cent of the rate applicable to cooperating producers, and only on that part of their production in excess of their farm marketing quotas. Non-cooperators must have their loan documents approved by the AAA county committee.

Loans will be made directly by the Commodity Credit Corporation and by banks and other local lending agencies under arrangements similar to those pertaining to previous cotton loans. The loans will bear three per cent interest and will be called on demand with the maturity date fixed July 31, 1941. Loans will be available until May 1, 1941. All cotton to be eligible for the loan must be classed by Board of Cotton Examiners of the Agricultural Marketing Service of the Department of Agriculture.

Few loans were made in Texas in 1939, Slaughter pointed out, be-

Lauds Alexander

At a home county rally held last week McLennan County went on record for its native son, Judge James P. Alexander, candidate for the office of Chief Justice of the Supreme Court of Texas. The farmers, labor, the professional and business men were all represented on the program.

A past president of the Waco Trade Council told of Judge Alexander's unending fairness toward the laboring classes and their problems.

A former district judge, H. M. Richey reviewed Judge Alexander's career as judge, stressing his service of four years as county judge, four years as district judge, 14 years in the private practice of law, and 10 years as an Associate Justice of the Court of Civil Appeals.

"In those ten years, Judge Alexander has made a record that should be the envy of every man on an appellate court", said Judge Richey.

Dr. J. T. Harrington, for many years a member of the board of Trustees, of Baylor University, where for twenty years Judge Alexander has taught a class in law at off hours, declared that for years he was a close and warm friend of the late O. S. Lattimore, Justice of the Court of Criminal Appeals, now deceased, but that in this race he recognized Alexander was the best qualified man for the Supreme Court.

"Judicial greatness is not inherited. It is only achieved through laborious work, and James P. Alexander has attained his outstanding place in judicial circles through long years of diligent effort. The people should not confuse Judge Alexander's opponent with Justice O. S. Lattimore, he declared. "That great man has long since passed to his just reward."

In McLennan County in the first primary Alexander received nearly 15,000 votes, while his opponent received only 2200.

RAINS REVIVE PASTURES IN LAMESA AREA

Recent rains have done much to revive pastures and row crops in the Lamesa Camp area. Many crops where soil and moisture conservation practices were used were holding up well, but on other farms crops were rapidly being cut short when the rains came.

In parts of the county as much as four inches of rain fell during the night and only two farms that were terraced reported any runoff. This rain was followed by continual cloudy weather with additional rain which insures sufficient moisture to maintain row crops.

Moisture is always the limiting factor in crop production on the Plains, and moisture stored in the soil before the crop is planted is often equivalent to a rain while the crop is growing. Certainly the water that is permitted to run off the fields and pastures during heavy rains will not be of any use to the crops and grass growing on the land.

FIREMEN MUST REPORT ON MEETINGS HELD

AUSTIN, Aug. 21.—Fire in all Texas cities where members of the fire department attended the annual training school at College Station, have been advised by Marvin Hall, state fire insurance commissioner, that drill reports must be sent in promptly every three months.

The chiefs are required to submit a detailed report of the work carried on each drill night, and a majority of the membership must be present at least twice each month throughout the year with the instruction extending over two hours.

During the periods of inclement weather, it was suggested that first aid work, salvage, knots and hitch-hikes, and ventilation be studied.

Cities having firemen at the training school are eligible for a credit, the Commissioner said, and the engineering department is in the process of adjusting key rates in these cities.

cause the loan was not announced until most Texas cotton had been sold.

Destruction of Rural Mail Boxes Must Stop

There have been a large number of complaints of damage to rural mail boxes, and, in some instances of theft of such boxes, in this part of the country. Our own rural patrons have had a hard time keeping their boxes erect and two boxes were recently missed by rural families in this vicinity.

We all know this is a source of much annoyance to our rural patrons. It is also a violation of our Federal statutes. It has been stated that any one convicted of damage or theft of rural mail boxes is subject to a fine of one thousand dollars or to a sentence of not more than three years in a Federal institution. Any one having, or hereafter obtaining information concerning the persons responsible for damage to any rural mail box is urged to contact his local postmaster at once.

DANGER FROM TULAREMIA

Biologists of the State Game Department have found indications of some squirrels in Texas being infected with tularemia, and The Department is issuing a warning to hunters and other persons skinning squirrels to play safe by using rubber gloves while skinning out the little nut eaters. Tularemia is more prevalent in rabbits, but is often found in several other species of wildlife.

Mrs. J. E. Shelton left Tuesday for Waco, where she will visit her sister, Mrs. J. Ed Brown.

To be called lynx-eyed is to be complimented. The name lynx is derived from the Greek word meaning "to see." Lynx are so named for their extremely large vision.

C. M. Donovan is spending the week in Crowell on business.

PROMOTE OLIN CULBERSON

—TO—
RAILROAD COMMISSIONER

CULBERSON, THE MAN—

1. Reduced gas rates \$500,000 a year in 100 Texas towns.
2. Smashed "hot oil" racketeering.
3. Has always demanded fairness and honesty in government during his service as an employee of the Railroad Commission and while he served as county clerk and judge of Hill County.
4. Is a 50-year-old, happily-married grandfather, Legionnaire, Presbyterian, member of the Sons of American Legion.
5. Forfeited his job under the Railroad Commission rather than bow to the big interests of the State which demanded that he forget his drive for lower gas rates, more stable business conditions and other matters of interest and help to the common people of Texas.

IT'S AMERICAN TO VOTE—IT'S SENSIBLE TO ELECT A SAFE, HONEST, EXPERIENCED AND CAPABLE MAN.

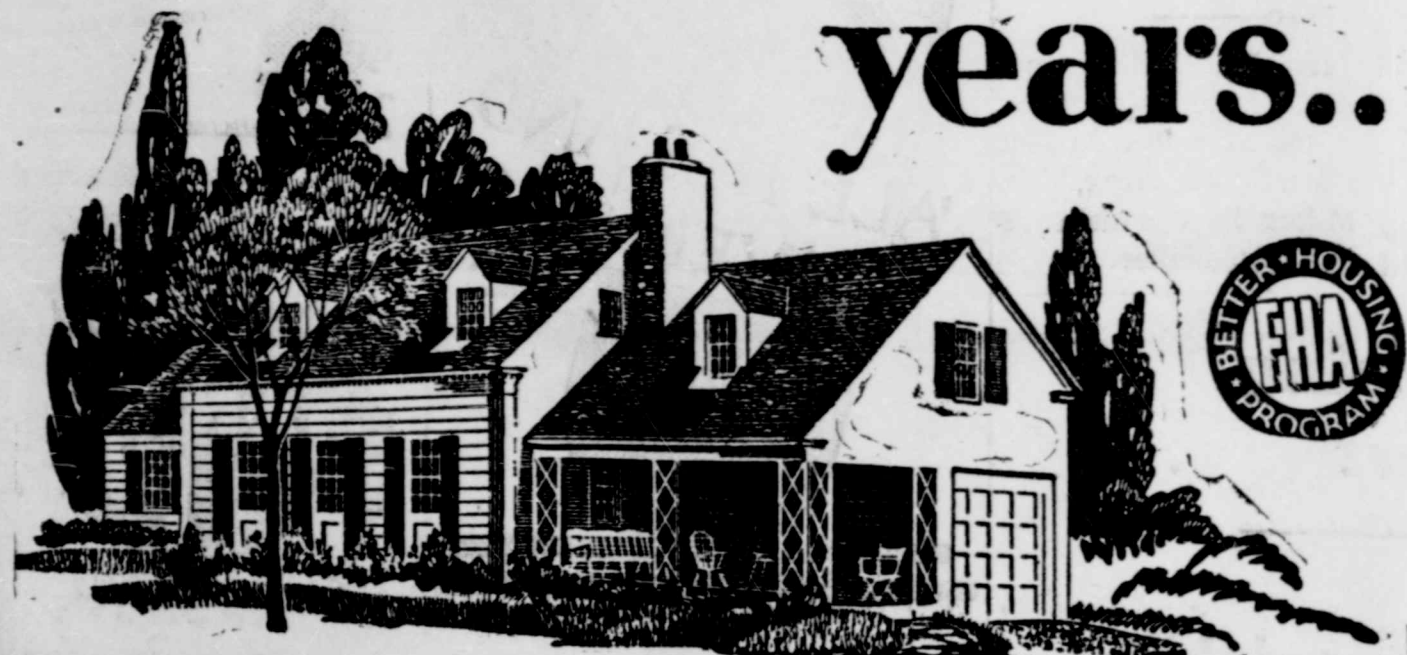

PROMOTE

OLIN CULBERSON

TO

RAILROAD COMMISSIONER

A HOME for the years..

THINKING OF BUILDING A HOME?

If you are, let us figure with you. We can avoid many troublesome delays often encountered in attempting to obtain F. H. A. loans through inexperienced parties. Our excellent record with Loan Agency Headquarters has been rewarded by being allowed certain privileges that insure the absolute minimum of delay in applying for a loan.

Then too, we can draw up your plans and specifications, thereby eliminating additional expense, and we carry a complete modern stock of builders hardware, plumbing fixtures and the latest materials that go to make a modern home.

For these reasons, we believe we are capable of taking care of your building problem now more satisfactorily than many other dealers.
