

With Boys in the Service

Stafford Barking At Us Again.

Under date of October 22, J. D. Stafford, erstwhile constabull of this county and precinct, "draps" us a line to say that he has missed a copy of this dear old gospel sheet, being as how he has moved again. Why don't you pay your rent, J. D., and those Californians would let you stay awhile in one place?

Anyway, J. D., after missing a copy of the Herald, states that he can understand why the Herald is such company to the boys in the service. Not even you, J. D. says, can understand what the old home town paper means to us that have left there. Boy, it is the best paper on the globe for us.

Says he is still applying himself at the Consolidated, where he works some then some more. They are now living where many service men pass, and plenty of them pass, he says. Recently saw the Saratoga, the largest and fastest in the world. The Staffords recently roped in Tom Harrod for a Sunday with them. Tom, he says, is as fat as a pig and a fine looking soldier.

Then he takes a crack at O. E. Pollock, another Terryite further up the Pacific coast. Says Stafford, "what does he mean bragging on his planes. Don't he know the B-24 Liberator is the best yet. Consolidated also builds the PBY Catalina and the PB2y3 Coronola's both seaplanes, both good, but the B-24 is outstanding."

Reports an earthquake the 21st which he says rocked things about but did little damage. Hopes to get his paper from now on, and says tell all hello!

Dinner Honoring J. B. Huckabee

Mr. and Mrs. Chris Quante honored Mr. J. B. Huckabee with a farewell dinner last Friday night.

The table was covered with a gold chrysanthemums and gold tapers in crystal holders centered it. A baked chicken dinner was served to the following guests: Misses Van Clark, Myrtle Henderson of Lamesa, Minnie Hazle Gore, Sgt. J. T. Bowman, Mesdames, Clyde Bond, Bertie Lee Brewer, Dr. and Mrs. T. L. Treadaway, Mr. and Mrs. O. D. Huckabee, honoree and the host and hostesses.

Johnny Haynes Honored With Party

Mrs. Jonny Haynes gave a farewell party Monday evening honoring her husband, who left Tuesday for Kelly Field.

She was assisted by Mrs. Ted Hardy who registered the guests as they arrived, and Mrs. Slim Schellinger who poured.

The guest were served Coffee, individual cake squares which carried out the patriotic motif, mints and salted nuts form a lace covered table.

Those who attended were Mrs. and Mmes. Geo. Warren, Raymond Bryant, Frank Szydoski, Howard Blake, John Bolan, Y. A. Haynes, Kyle Graves, Earl Denton, E. C. Davis, Slim Schellinger, Ted Hardy, and Mmes. Eldora White, Bud Patterson, Woody Inman, Jimmie Miller, and Ted White, Bob King, Dee Taylor, Frank Cox, Jr., and Marshall Loyd.

ARMISTICE DANCE WEDNESDAY, NOV. 11th

The American Legion and Texas Defense Guard are sponsoring a dance Wednesday, Nov. 11th, at the American Legion Hall. Admission will be \$1.10 per couple or stag. Entire receipts go to the Legion and Defense Guard.

Mrs. Jim Lewis was in this week, and reported her son, Carl, with the Engineers of the Army, has recently been transferred from Massachusetts to Florida, Carl, or James C., as his moniker happens to be in army life, did not get his Herald regularly in Mass. We

About 40 Others Waiting For The Herald

Some Terry County man met us on the street one afternoon late last week. As we were both hurriedly passing each other on the street he sang out, "the boy is getting his Herald regularly, and he says he reads everything in it, and there are about 40 boys waiting for it, no matter whether they ever saw Terry county or not."

In other words, the boys scattered all over the face of the earth in Uncle Sam's uniform, are hungry for news from the States. We just wonder if other parents are as good about sending the home paper to their boys as Terry county parents?

And we wish we could remember who the man was. But there are too many with boys in the service to try to remember now.

Leslie Green Hurt While Breaking Colt

Mr. and Mrs. Alton Green of the Meadow community were glad to have their son, William (Bill) Green home on a furlough. He has been in the Signal Corps of the army since October 25th, 1941, and if we are not mistaken, Mrs. Green stated Saturday this was the first time they had seen their son since he left in 1941.

During this time, he has married a Miss Margaret Jane Dodson, but the lady was unable to make the trip home with him, as she is likely employed on the west coast.

For the past 11 months Bill has been in Australia, and says he likes the country and people fine, and he looks for lots of the boys to stay there after the war. Bill, however, will return to the U. S. and very likely good old Terry.

DR. EUGENE DARBY TO JOIN NAVY

Dr. Eugene C. Darby, getting his call from the local draft board in Palo Pinto County, left this week for Dallas where he will be sworn into the Navy. Dr. Darby will leave from Dallas to go to his training station.

He wishes to express his thanks for the courtesy shown him and his wife while living such short time in Brownfield.

Dr. Darby is going into the Hospital Corps as a third class officer, but will not be allowed to have his wife with him until he is advanced to a second class officer, so until that time, Mrs. Darby is going to reside at 1812 Avenue N., in Lubbock.

LEJEUNE LINCOLN MOVING ABOUT

LeJeune Lincoln, son of Mr. and Mrs. Abe Lincoln, has been assigned to the USS Gillis, somewhere in the North Pacific. He has been moving around so often that his mail doesn't reach him very often, but wishes to express his thanks to those who have written, and to say hello to everyone he knows in good old Terry County, and best of everything for each.

His address is: Lucian LeJeune Lincoln, S 2/c, USS Gillis, Pat. Wing 4, c/o Fleet P. O., Seattle, Wash.

Sgt. Robt. M. Warren Home On Furlough

We had an article written last week about the visit of Sgt. Robert M. Warren here with his parents, Mr. and Mrs. Robert M. Warren, Sr., out on route three. He is located at Camp White, Oregon. Guess the article was lost in the rush.

The elder Warren stated that Robert was a real husky, weighing over 180 pounds. He had only five days at home, as he wished to visit his sister in Abilene while in Texas.

Mrs. Emily Conant of Roswell, N. M., is visiting this week with her sister Mrs. John King and mints and salted nuts from a lace families.

hope he gets all issues in his new location.

Automobiles Trucks, Motorcycles Must Register

For three days, beginning November 12th and ending the 14th, every automobile and motorcycle must be registered in Terry county, if the owner expects to be supplied with gasoline when the rationing starts Nov. 22. This procures a rationing card for you, and with the card goes the obligation of periodical inspection of your tires. You are allowed only five tires and tubes, but you are privileged to keep the best—if any.

Form 534 is now available at the Ration Office and at all Service Stations. This form must be made out by car owners before they go to the school houses to register. Ownership papers must be taken to the school house and the application signed by the actual owner.

Each car owner will receive a ration book with 32 coupons, good for 4 gallons each. The basis is 240 miles per month.

When form 534 is presented at the school house, with the tire inspection record complete, the car owner will receive the ration book, a sticker for his car, and the tire record returned so that he may have regular tire inspections. Every car must be inspected at a qualified service station by Jan. 31, 1943, and every four months afterward.

When registering, each car owner must certify that he has sold back to the government all in excess of five casings for each car he owns.

Gasoline rationing is effective Nov. 22. A speed of 35 miles per hour is the limit, and ration books will be taken up when that speed is violated.

Every car owner will receive the Class A coupon book when his papers are correct. If he needs additional gasoline, he must make out an additional blank and present it to the gasoline rationing board. It is estimated that fully 75 percent of the people of this section will be entitled to additional gasoline, but they must make their needs clear to the local board.

There is no shortage of gasoline in the Southwest, but rationing is the only method of preserving needed tires.

Separate books for trucks and non-highway use will be issued by the local committee.

County Judge C. L. Lincoln stated last week that the Rationing Board would consist of Leo Holmes banker; C. C. Primm, druggist; Tom Cobb, dry goods merchant; John Chisholm, hardware dealer, and J. S. Smith, farmer.

The Terry County Salvage Committee consists of A. L. Hartzog, county agent; Spencer Kendrick, banker; M. G. Tarpley, implement dealer, and Miss Dorothy Blanton, HD agent.

FUTURE SOLDIER HONORED WITH A DINNER

Mr. and Mrs. C. O. V. Wood, entertained their son, Elbeck Dysart Wood, with a few friends and relatives. Elbeck left for Fort Sill Saturday morning, October 31, 1942.

Guest list was: Mr. and Mrs. E. C. Hicks, Herbert and Jean Hicks, Marvin McNutt of Meadow, Miss Bonnie K. Dysart and Dr. Agnes True of Lubbock, and Marguerite K. Wood of Big Spring.

An old fashion country dinner was served to the group.

10-DAY FURLOUGH FOR RANCH BOY

LUBBOCK—He certainly had the right spirit, did the Hart, Texas, cattleman who wrote Capt. A. E. Noel of the South Plains Army Flying School and requested a furlough for his son.

Concluding his letter, he wrote, "I would be quite willing to come down and put in a few day's work at the camp in exchange when I get caught up here." The son got a ten-day furlough.

Flying Instructor A. V. Clark now of Hobbs, N. M. was over Sunday.

Pvt. (Bill) Green Home On Furlough

A long time ago, as time goes, Leslie Green, who owns a fine farm in the Union Community, worked on the old Mallet ranch, and it was related that he was none too choicy of his mounts. He was young then and supple, and a spill was just another tumble.

But since he turned stock farmer he has turned out quite a lot of good polo horses, as well as regular work stock and he usually "breaks his own" as they come. But a young one reared up with him last week, when the horse was reined in too suddenly when he started to gallop. The horse reared, throwing Leslie, and to add insult to injury, kicked him when he fell.

Maybe you had best find a young fellow from now on, Leslie, who can duck better.

Pvt. Scales Home On Furlough

Mrs. Elmer Edwards, sister of Pvt. Malcolm Scales, was in Tuesday, and reported that Malcolm came in Oct. 25th, and left for his camp this week. He visited his mother and his brother Harmon, Mrs. Edwards, and Miss Gladly during his furlough.

Malcolm has been out at Rice on the desert for maneuvers, but has moved back to the regular camp at Salinas.

ELROY BOONE GRADUATES AT SHEPPARD FIELD

A notice from Sheppard Field, near Wichita Falls, tells us that Pvt. Elroy Boone, son of Mr. and Mrs. H. D. Boone of Meadow, Texas, has graduated from an extensive course in Aviation Mechanics, and is now prepared to blast the Axis.

Before entering Shepherd Field, he was trained at one of the basic training centers of the air force, and learned to fight the Axis with things other than the tools of his trade.

Bill price has organized "Billie Byron's Dixie-Land Band". It is an eleven piece band made up entirely of Texas Tech boys, and has already played for several school and club dances.

Mr. and Mrs. Y. A. Haynes and daughter, Mrs. Jimmie Miller, have moved here from Lubbock. They will make their home with Mrs. Johnny Haynes and help her with the bakery while Johnny is gone.

Mr. and Mrs. Jessie May had dinner Sunday with Mrs. May's parents, Mr. and Mrs. J. C. Green. They had been to the valley and were on their way home to Clovis, N. M.

Mrs. R. N. McClain returned last week from Tennessee where she has been visiting with her husband, Lt. McClain.

Mr. and Mrs. Johnny Haynes left Tuesday for San Antonio where he is to enter training on Thursday, Nov. 5th.

Cadets Dave Warren and John Day of the Lubbock Army Flying School visited with their families over the week-end.

Dad Roberts of Weisman, was in to see us Monday, to get his Herald in advance again. He is janitor of the Wellman school, and reported he had to hurry home to get the building ready for election, Tuesday.

We are a bit squeemish about outright theft, but we were sorely tempted Monday. In messing around over town, we found Cam Sears' wagon and team parked in the west part of the city. There was a 60 or 70 pound pumpkin sitting right up in the middle of his wagon. But we considered the rest of the family and left the pumpkin.

Remember away back when the family consisted of mother and dad and from eight to a dozen kids? Today too many think a pair will beat a full house.

Terry Long On Turnips This Year

We have seen some of the largest, some of the most solid, as well as some of the sweetest turnips this year in our more than three score years of existence in any man's country, right here in old Terry this year. As a consequence, we have been obliged to hill up a lot of these gift turnips for future use.

And he that does not take care of food this year is simply not very patriotic. The Ed Thompson family brought them in nearly every time they came to town. Our old friend, J. D. McCullough has a quart block of them that he planted back in September that is a sight for sore eyes, and we can have all we want by a visit there.

Then, we had a visit Tuesday morning from good old Cam Sears with a batch of those great purple top white globes big enough to knock a bull down with. The birds got a lot of his turnips when young. Thanks a million.

Close following was another large bunch from the Sewell Dean farm near Wellman. One of these white globes weighed 4 and 5/8 pounds, enough for a log rolling. Sewell says they have more juice in them than an elberta peach.

Sure Are Missing Their Herald

Had a short note from Mrs. Bernard Evans the past week. The Evans family are now at Carlsbad, N. M., who states that due to wrong address, they failed to get their Herald.

She had written us the week before to start the paper to her Dad, Harry Copeland of Ropesville, but thought perhaps that the money had to be on hand before the paper was started. Harry's paper was started Oct. 30th.

We hope the Evans family will get their paper regularly from now on.

Cpl. Samie Riley Home On Furlough

Among callers this week were, S. N. Riley, Sr., of Welch section of Terry county, called Wednesday, along with his fine son, Cpl. Samie N. Riley Jr., who is home on a 15 day furlough. Samie trained at Ft. Benning, Ga., but since his graduation as a parachute trooper in July, has been assigned to Ft. Bragg, N. C. where he is busy training other men.

Samie is a graduate of the Union High school with the class of '38. Apparently he is liking army life, as he is the picture of health. He stated that the army was training many men now in the art of landing from planes.

THREE MORE JOIN AIR CORPS GROUP

Since the last issue of the Herald, Homan Dean Moorhead and Joe Weldon Bailey of this city and Leroy Price of Meadow have joined the army at the Lubbock recruiting station, each choosing to make air corps specialists.

John Christopher Formby was also listed as from McAdoo, but since that is not in this county, we imagine his name was accidentally put in as from Terry county.

Cubs own Plainview On Penetrations

The Cubs fought the Plainview Bulldogs to a 6 to 6 tie on their field last Friday night. The game was given to Brownfield on penetrations, with a two point margin.

The touted Lubbock Westerners will be here in force this afternoon, bringing a caravan of 100 cars and their band. They licked the Pampa Harvester last week 14 to 13; Pampa tamed the Cubs 29 to 7, so there is your comparison dope.

But most anything can happen at a football game. Dope buckets are not only sometimes overturned, but they have been spilled all over the field.

Elections Show Drifting To Isolationism

Here in Terry county there was the usual big democratic lead but with a very light vote. County Clerk H. M. (Dube) Pyeatte reported Wed. morning that with but five boxes in, there appeared to be about 250 for the Stock Law and 7 or 8 against the law. So, apparently, the overwhelming majority of Terry County people want people to confine their livestock to their own property or suffer prosecution.

The days of fencing fields seems to be out in Terry county, which is a great thing, as there is no fences to catch tumbling weeds, and pile up drifting sand. Also, since fences have been removed from the farms, farmers seem to be better able to control drifts, and with coverage crops, the roads and highways seem to escape drifts better than formerly. In other words, we believe the time is coming when farmers, worthy of the name, will so control wind erosion that living here will be no worse than in the days of strictly ranching.

Nationally, the nation seems to be gradually drifting back to isolationism and Republicanism, just as it did in the closing day of Woodrow Wilson's administration. Of course this is what the people want we guess, and maybe the results somewhat of an off year election, when people are at war, and many pay little attention to politics. But those of us who are old enough to remember, hark back to Lodge, Reed and Clark, that lead the fight against Wilson's peace plans in 1918-19. We know the results, and you can too, if you will read history. We won the war, but lost the peace, and as a result, the men who fought the other war, are furnishing sons to fight this one 24 years later.

If we lose the peace this time by a bunch of old isolationists of the Henry Cabot Lodge, Ham Fish and other tripe stripe, the nation had as well begin to prepare to defend itself again some 20 years hence.

There are some Republicans that are in this war to win just as heartily as any Democrat, such for instance as Wendell Willkie, but some of the others that went over again this time, as Ham Fish, who along with Lindbergh, set in on Bund meetings and were otherwise mixed up with bund proceeding. Well, we have just as much respect for a tumblebug if not more. The tumblebug is at least an American insect.

The Herald doesn't have as much confidence in an off brand American as it has in a colled rattlesnake. The rattlesnake at least thinks he is just protecting himself, while the off brands want to change our form of government and make us like it.

Rio Part Time Program Goes Over

Quizzed Pedro Zant a bit this week about how the Rio was doing with a part week program. Zant stated that Saturday and Sunday patronage was real good, but Fridays and Mondays were not so good. However the average paid.

Before the war this fine theatre was opened every fall full time by the owner, Mrs. Ethel Jones, but closed in the spring and throughout summer.

The new arrangement seems to be fitting in well on war time.

Mad Dog Warning

Dr. Breedlove of the Five County Health Unit phoned us late Thursday that a dog believed to be affected with rabies was killed south of Tokio, and its head sent to Austin for examination. The report came back that there were distinct signs of rabies (hydrophobia) in the animal's head.

This short notice is to warn people to watch their dogs.

Mrs. Daniel Davis spent Tuesday in Lubbock.

Readers Responding Nicely to Notices

As stated in these columns last week, some 475 statements were mailed to readers whose accounts showed to be delinquent. Up to this time, the response has been good, more than 75 having come in and settled or mailed their checks or money. While most of these paid one dollar, several paid \$2.00 a few \$3.00 and one paid his subscription five years in advance.

In view of the fact that farm people are very busy, too busy to think of anything except getting their crops harvested, we are running the delinquents over this week, but next week, we shall work the list up to date, and then cut off all who have not paid to that time.

In doing this, we are not in any way displeased at our readers, but our government postal authorities say it must be done whether we like it or not. It is just like parting from old friends, for some have been readers for years, but as no notices have been sent out for two years, some have unthoughtfully gotten behind.

Many of those who have called stated that they knew they were behind, but just couldn't remember to drop in and pay up when in town. A little matter of one dollar per year worries few people, as they consider it an insignificant amount, but several hundred delinquents is calculated to worry a country newspaper man, and that's what it adds up to.

We hope that we have a big response Saturday when you come in shopping. Or while your cotton is being ginned, is a good time to drop in and pay up. We'll be looking for you.

Old Time Terryite Passes in Arizona

R. H. McCormack called at this week to deliver the news that Mrs. M. D. Williams had passed away at a Glendale, Ariz., hospital of heart trouble, after only two day's illness. She died at 10:30 last Thursday night, Oct. 29th. Funeral was held at Glendale, and burial beside her husband who passed on some five years ago.

The Williams family moved to Terry county about the time of its organization, and settled on what is now known as the Cleve Hogue place one mile north of the city. They migrated to Arizona soon after the railroad came here in 1917. Many of their old friends still reside here.

Survivors are a daughter and four sons, Mrs. Henry Witt, of Farmington, N. M.; Henry, Tom and John Williams of Glendale, Ariz., and Earle Williams of Anaheim, Calif. Also several grand and great-grand children.

Farmers to Elect AAA Committeemen

Terry county's farmers will elect next year's AAA committeemen Friday evening at 8 o'clock, November 13.

According to Looee Miller, Secretary, Terry County ACA, community committee elections will be held at the following places:

Meadow Challis, Pleasant Valley, Needmore, Union, Scudday, Wellman, Lahey, Tokio, Johnson. Delegates to the county convention and alternate community committeemen also will be elected at those meetings, the Secretary said.

In county convention Saturday morning, the Terry County delegates will select the county committeemen who will head next year's AAA program.

"We have a tough battle to fight on our farms next year and we need our best leaders on AAA committees to help out," the Secretary explained.

Although county USA War Boards have done an excellent job of charting the county's wartime agricultural course, they need assistance from other county leaders, he explained and added that in all probability some of the increasing responsibility would be shifted to community AAA committeemen.

A headline in the Clarendon Leader says, "Owners Are Allowed to Keep Their Five Best Tires." Who has what five best tires?

Next week, on Wednesday, November 11th, we again celebrate the armistice that ended the fighting of World War I. It has been 24 years since that memorable day of November 11, at 11:00 o'clock, that the Germans, Austrians, Bulgarians and Hungarians laid down their arms and promised to behave. But the men that composed the US Senate at that time fumbled the ball, and put Woodrow Wilson, the far seeing man of the

hour, on the bench. The veterans of that war know better than any one that their fight was in vain for that very reason. The American Legion stands as one man this time to see that their sons, and the sons of their friends will not be betrayed after this fight is won. The first World War Vets did a good job; they did what they were sent to do. May God help us if we have a Senate loaded with quack statesmen when World War 2 is over.

Such death dealing diseases as smallpox, typhoid, tuberculosis, pneumonia and numerous others, have been hit a hard blow by the medical profession in the past few years that has either eradicated or controlled them. This was the work of medical men both private and official, who spend hours in laboratories, with no glaring headlines in papers to announce the new cure or remedy. It is believed that these patient and tireless workers have made more progress in the past 30 years than any other single profession. Their knowledge and skill has also played a great part in morale of the country in this trying hour.

Just now the amateur military strategist is coming in for a lot of lambasting. Even the President took a whack at newspaper and magazine writers who attempt to give military advice. Being a radio star in his own right, the President overlooked the daily babble from commentators who are giving their advice about the conduct of the war. Why shouldn't

Mothers and wives of sons in the service, and far from them, know that their boy or husband is going to get the best medical and surgical care in the world. It could just be possible that the work of these unselfish men will hold civilization together in its great task, so that the whole world will not pitch into the hellish cauldron of facism.

It keeps the Herald on the jump these day changing addresses of its readers, especially the boys in the service. But a great many of the changes come from those off in war production plants of one nature and another. In either case, they set up a howl that makes us dizzy if they fail to get their copy of the Herald. And they write that one away from home just doesn't realize until he is away, how important it is to get each copy of the old home paper. It is even more interesting than letters, they say, for the reason that if the folks write, it is mostly about the immediate family, and not a word about what Tom Jones or John Brown and their families are doing. Here's a tip to readers that are temporarily away from Brownfield and area. As soon as you know you are moving, and the new address, drop us a postal card. If you don't, you miss the next paper, as it will go to the old address, and the postal department notifies the Herald by card that costs us 2c to get out of the office here. Don't see milke much, does it, but add in a year's time a dozen or so a week, and the figure runs up. Of course, we realize the boys in the service are moved to unknown (to them) destinations on a few hour's notice, and they can't comply with this and we don't expect them to do so. But if possible notify us of your move, as we are sending you the Herald just as cheaply as we can under present conditions.

The old Apostle is busy. Very busy, nursing the sick, making kraut, "linsey-woolsey" comforts and a lot of things he thinks he will need as winter comes on. As a pack rat, the old Apostle has the world skinned. He got a lot of ideas of preparation while living out a New Mexico homestead many, many years ago. Why his big bunch of boys ate so much rabbit meat that they would every one scramble under the floor every time they saw a stray dog. They ate so many beans that every joint became ball-bearing, etc. and a lot of other things that would not look so hot in print. Adios, Amigos.—Clarendon Leader.

civilians criticize when they know that the government is going haywire? You recall the military brass hats crucified Billy Mitchell for advocating that an ample air force be built. You will recall that the navy brass hats insisted upon spending most of their money for big battleships, which admiral Leahy now admits was a mistake. You will recall that Will Rogers, Arthur Brisbane and many other bold civilians were ignored by the army and navy when these forward-looking civilians advocated ample air force. After all, civilians sometimes are able to see advantages of munitions which military men cannot see. Just now Henry J. Kaiser is building ships faster than any naval man thought possible, and Kaiser never built a ship until a few months ago.—Canyon News.

I GIVE YOU TEXAS by BOYCE HOUSE

All my life I've been hearing of Joe Miller. Wondering if his jokes are really as bad as reputation said, your columnist visited the University of Texas library and perused a copy of Joe Miller's Jests or the Wit's Vade-Mecum. And Joe isn't as bad as reputation says- he's worse.

Here's Jest No. 72: A gentleman eating some mutton that was very tough, said that it put him in mind of an old English poet. Being asked who that was; "Chau-er," replied he.

No. 78 is better: Being once in great danger at sea, everybody was observed to be upon their knees but one man, who being called upon to come with the rest to prayers said to the captain, "Not I; it is your business to take care of the ship; I am a passenger."

No. 118 was plucked from the same tree; A melting sermon being preached in a country church, all fell a-weeping but one man, who being asked why he did not weep with the rest, said "Oh, I belong to another parish."

Those are among the best. If you don't believe that, the book contains the one about the dog rushing at the man who then ran a pitchfork through the creature. The owner remonstrated, "Why didn't you hit him with the other end of the pitchfork?" and the man replied, "Why didn't he come at me with the other end?"

Still another is about two rural visitors in the city who went to the theatre for the first time. The orchestra played several selections and then the curtain rose and two actors came out on the stage and started talking. One of the visitors got up to leave, saying to his

ABOUT THAT JUNK YOU SEE PILED UP

There have been a few who see the large stacks of scrap metal piled here and there in the junk dealer's yard and say, "I don't think they need scrap so badly. They are yelling for scrap but do not ship it. It just doesn't add up."

Well, neighbor, a representative of the War Production Board in Plainview this week explains it in this manner. The War Production Board and the big mills know about every bonded scrap dealer and how much he has, and the scrap is the same as theirs when it is sold to the scrap dealer. The mills up north are shipping all the metal from the northern dealers before the snow flies, and when winter sets in they will begin shipping from the Southern dealers.

One thing the War Production Board member impressed on the local committee is that the government expects this to be a long war. "If this war is a short war it will mean we will get licked," he said. And in view of this, the government is contemplating a time when there will be no great amount of scrap on the farms and in the households. Hence the organization of an industrial scrap committee to be prepared for that

friend, "We'd better go; they may be talking private business."

Most unusual feature of Mr. Miller's little book, which was published in 1739, was the dedication: "Most humbly inscribed to those choice spirits of the age, Capt. Bodens, Mr. Alexander Pope, Mr. Professor Lacy, Mr. Orator Henley and Job Baker, the kettle-drummer."

If Ed Killman of the Houston Post, Paul Bolton of the International News Service in Austin and some of the other "choice spirits" of the press don't watch out, I'll collect my jokes and inscribe the book to them.

More recollections of a sojourn in Los Angeles: You stand on a metal plate and push a button when you want to get off a street car; and here is a warning sign, "Don't leave arms in door after alighting"—apparently there are absent-minded contortionists in California. . . . Travel signs in the offices of the steamship lines (this was way back in the days of peace): "Rio and Buenos Aires—the South American Way" and "To the South Seas and Tahiti"—take your choice between rolling down to Rio or watching the silver waves roll in on a golden strand. . . . Strolling around one Sunday evening, your columnist heard singing in the sky and thought of an angelic chorus—actually it was a choir on an eighth floor balcony.

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

ELECTION NOTICE

THE STATE OF TEXAS COUNTY OF TERRY CITY OF BROWNFIELD

Notice is hereby given of a special election to be held in the City Hall of the City of Brownfield, Terry County, Texas, on the 17th day of November, 1942 for the purpose of electing an alderman to fill the unexpired term of Herman Chesshir, resigned.

Said election shall be held as near as possible in conformity with the law governing general elections. J. D. Miller is hereby appointed presiding judge of said election.

This notice is given in compliance with an order passed by the City Council of the City of Brownfield on the 2nd day of November, A. D. 1942.

Jesse D. Cox Mayor, City of Brownfield ATTEST: Jewel G. Smith City Secretary.

CITATION BY PUBLICATION

THE STATE OF TEXAS TO: J. W. LANGSTON GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 23rd day of November, A. D., 1942, at or before 10 o'clock A. M., before the Honorable District Court of Terry County, at the Court House in Brownfield, Texas.

Said plaintiff's petition was filed on the 10th day of October, 1942. The file number of said suit being No. 2807. The names of the parties in said suit are: Helen Langston as Plaintiff, and J. W. Langston as Defendant.

The nature of said suit being substantially as follows, to wit:

That plaintiff resides in Terry County, Texas; that defendant's residence is unknown to plaintiff; that plaintiff has resided in the State of Texas for 12 months and in Terry County for six months preceding the filing of this suit; that plaintiff and defendant were lawfully married on February 25, 1938; that plaintiff and defendant separated on or about April 15, 1939 on account of the cruel and harsh treatment and improper conduct of defendant toward plaintiff, since which time they have not lived together; that said marriage relations still exist; that defendant's action and conduct has rendered their further living together insupportable; that no child was born of said marriage.

Plaintiff prays for judgement for divorce, costs of suit, restoration of her maiden name.

Issued this the 10th day of October, 1942.

Given under my hand and seal of said Court at office in Brownfield, Texas, this the 10th day of October A. D., 1942. Eldora A. White, Clerk, District Court, Terry County, Texas. 14c (Seal)

WTCC DIRECTORS MEET IN 100 TOWNS

ABILENE—An unusual turnover in the 200 member directorate of the West Texas Chamber of Commerce is indicated in returns from its referendum meetings.

Through last week more than 100 town in the area had held their group sessions in 18 of these nominations of new directors were made for ratification and induction by the WTCC's executive and referendum board, which meets Nov. 10.

Newspapers Praised By Irving Olds

Irving S. Olds, chairman of the board of directors of the United States Steel Corporation, expressed his gratitude recently to the newspapers of the country for their aid in the nation-wide scrap salvage drive.

"The newspapers of America are an indispensable ally of industry in fulfilling the unprecedented demand for steel to win the war," Mr. Olds said. "Without the wholehearted co-operation of the newspaper publishers the industry's urgent need would not have been made known to the public."

"Already, since the inception of the publishers' campaign a series of interesting, informative articles, appearing in the public press, has dramatized the necessity for collecting every available pound of scrap."

Mrs. Bob Spear and Mrs. Pauline Long visited Sunday in the home of Mrs. R. D. Simms of Hobbs, N. M.

Miss Dorothy Bynum and Katherine Pickett spent the week-end in Hobbs, N. M., with Miss Kathryn Underwood.

Mrs. Minnie Bryant, Mrs. L. M. Perry and Miss La Verne Perry visited with relatives in Levelland last Sunday.

Mrs. Bertha Stahler went to Roswell, N. M. Monday to see her son Lt. Bob Stahler who is now stationed there.

Rat Control Program

Are You Helping Hitler? Get Rid Of The Rats

The report of a new case of typhus fever in Brownfield, this week, shows the urgent need of destroying the rats in this area.

From the Public Health standpoint, the rat and his parasites carries some of man's worst diseases. These include Bobonic Plague, typhus fever, rat bite fever, infectious juncture and other diseases, to man alone, besides conveying hog cholera, bowl tuberculosis, and probably hoof and mouth diseases to man's domestic animals.

In addition to carrying disease the rats eat many times their weight of vitally needed food in a year. A rat will eat nearly two dollars worth of foodstuff annually and it is estimated, that a single rat will destroy, ruin, and defile enough food, merchandise, supplies, furniture, and other things each year to amount to nearly ten times that amount.

Therefore, a county-wide rat control campaign has been organized by A. L. Hartzog, County Agent, in cooperation with John W. White of the Fish and Wildlife Service. The Rodent Control Service will help by mixing the bait to poison rats. They will mix the bait at cost, 30c per pound.

This Poison is available, not only to farmers, but also to residents living in town.

Saturday, Nov. 7th, will be the last chance to make reservation for rat poison. It is hoped that all will cooperate to rid Terry Co. of this destructive pest.

From now until Saturday, November 7th, you may go to one of the following places most convenient to you and book your order for the rat poison in advance:

From now until Saturday, November 7th, you may go to one of the following places most convenient to you and book your order for the rat poison in advance:

In Brownfield at, West Texas Gin Co., Farmers Co-Op Gin, Independent Gin, Phillips Gin Co., and in Meadow at Farmers Gin Co., Bill Smith Gin Co., West Texas Gin Co., and the following rural gins: McNabb-Furr Gin, Gomez; McNabb Gin, Johnson; Farmers Co-Op Gin, Union; Farmers Co-Op Gin and the Campbell Gin Co., both at Wellman; Tudor Gin Co., Needmore; Tokio Gin, Tokio; Foster Gin, Foster; and the Locketville Gin, Locketville.

Then, after you have booked your order for rat poison, plan to go back on Tuesday afternoon, November 10, from 1:00 P. M. to 6:00 P. M. and get the bait, take it home and put it all out that night. The bait will be in one pound cartons, and instructions on its use will be printed on the

carton. The bait will be fresh and should be put out the first night for the best results Two pounds will be enough for the average farm. After being exposed two nights, baits not eaten should be picked up and destroyed.

Red Squill is not obtainable because of the war, so Barium Carbonate has been substituted, and every user should be cautioned as to the danger of poison pets, livestock, and even humans. It is a mild poison, but will kill domestic animals if eaten in sufficient quantities.

In line with making the greatest possible contribution to the protection of health and toward insuring adequate amounts of food and feed, we feel that a determined effort should be made to control rats in every community.

Dorothy Blanton Home Demonstration Agt. A. L. Hartzog County Agent.

Coffee Will Be Rationed Nov. 28

Coffee will be rationed starting at midnight, Nov. 28, at a rate of one pound every five weeks for each person over 15 years old, the Office of Price Administration announced Monday.

On the basis of 35 to 40 cups to the pound, the ration means slightly more than a cup a day per person.

Retail sales will be halted at midnight, Nov. 21, Price Administrator Leon Henderson said, for a week-long freezing during which grocers will stock their shelves for the start of rationing.

The first rationed coffee will be purchased on the last stamp in the sugar ration book, Stamp No. 28. Subsequent rations will be issued by working backwards thru the sugar book, using stamps No. 28, to No. 19, in sequence.

The war production board ordered OPA to take control of consumer distribution to assure an equal supply to all Henderson said, and attributed the emergency action mainly to "excessive buying by consumers."

Eligibility will be determined by the age shown on war ration book No. 1—the sugar book.

If the age shown when the book was issued in May was 15 or older, the holder is entitled to coffee rations; if 14 or younger, the book is not valid for coffee purchases. Use of the book for sugar will continue as in the past.

Mrs. Tracy Cary and children of Pampa were Brownfield visitors last week.

Mrs. J. K. Giles and family of Shallowater visited Sunday in the J. R. Sullivan home.

MEADOW H. D. ENTERTAINED BY MRS. MATTIE GREEN

The Meadow H. D. Club met in the home of Mrs. Mattie Green November 3 for an all-day meeting, with each member taking a covered dish for lunch. Mrs. Green demonstrated her improved bedroom which was very interesting and beneficial. The club also quilted a quilt.

JORDAN MOTOR CO.
Phone 345
Brownfield, Texas

Special Notice to Truck Owners

To expedite the issuance of Certificates of War Necessity required of all trucks and commercial vehicles beginning November 15, blanks are now available at the Office of Defense Transportation motor transport district located at 623 Lubbock National Bank Building, Richard E. Wood, District ODT motor transport manager, announced today.

The application blanks are for the use of commercial motor vehicle operators who did not receive their application blanks by mail from the ODT central mailing office in Detroit.

Any operator of a truck, bus, taxicab or other commercial vehicle who has not yet received an application for a Certificate of War Necessity should report this fact at once, Mr. Wood said today. Local operators are asked to come by in person for their application blanks; other operators of the state will be served by mail.

Because there is so little time left—all carriers must have the actual Certificate of War Necessity in their hands by November

Useless To Win A War Unless It Stays Won

President Roosevelt said something in his recent radio address which, in my opinion, has much more significance than many other parts of the address that were widely discussed in the press and on the radio.

"There are a few people in this country," he said, "who, when the collapse of the Axis begins, will tell our people that we are safe once more, that we can tell the rest of the world to stew in its own juice; that never again will we help pull the other fellow's chestnuts out of the fire; that the future of civilization can jolly well take care of itself insofar as we are concerned.

"But it is useless to win battles if the cause for which we fought these battles is lost. It is useless to win a battle unless it stays won."

—Southwestern Banker.

Mr. W. A. Quattlebaum of Abilene, passed away at his home Saturday. Mrs. J. L. Newberry and Mrs. N. A. Lindsey, both of Brownfield are sisters-in-law of the deceased and were unable to attend the funeral due to illness. Mrs. J. E. Shelton this week.

Mr. and Mrs. Tom Neely spent the week-end in Seagraves with Mr. and Mrs. Curtiss Barrett.

Mrs. Buddy Tarbutton and Miss Mona Perry were Lubbock visitors Monday afternoon.

Mr. Charlie Culpepper of Chickasha, Okla., is visiting in the L. M. Perry home this week.

Mr. and Mrs. A. E. Bowman and Miss Minnie Hazel Gore took Sgt. Bowman to Amarillo last Sunday. From there he was to return to Camp San Luis Obispo, Calif.

Mrs. Money Price received word Tuesday that Buell Price, H. A., First Class Seaman, has been transferred. He is now at the Naval Training Station at Farragut, Idaho.

Pvt Baylor Brazil of the Lubbock Army Air Corps spent the week-end with his wife.

We ask K. W. Howell this week, why he was in such a hurry to get from the Corner Drug over to the Cobb corner. "Wanted to get across before the light was frozen," he cracked.

Ed Evans, Union Gin man, was in on business Monday.

Lt. Jim Shelton, formerly stationed in California and now on his way to Fort Sill, Okla., visited with his parents, Mr. and Mrs. J. E. Shelton this week.

Farmers Income For Sept. 133 Milion

AUSTIN—Farm cash income in Texas during September—exclusive of government subsidies—was nearly 133 million dollars, an increase of 28 per cent from the income of farmers in September a year ago, the University of Texas Bureau of Business Research has reported.

This amount brings the total of agricultural income during this year to 545 million dollars, as

compared with 341 million dollars during the corresponding nine-month period of 1941, the Bureau reported.

Dr. F. A. Buechel, assistant director of the Bureau, declared that it is unlikely that the same rate of increase will be continued during the next three months, but that the total increase in income during the year will probably be at least 40 per cent.

Miss Elsie Clair visited with friends in Lubbock last Sunday.

★ ★ **ARMISTICE DAY** ★ ★

Can you remember peacetime? Can you remember the noisy joy-filled throngs that celebrated the Armistice Day that ended World War I? We're "celebrating" that Armistice today—embroidered in World War II. And this is a different war: a people's war in which every civilian wages a fight. This war is going to be a fight to the finish — of totalitarian, fascist, power-lusting. This war is going to end with a more glorious Armistice than the last—because when this war ends Liberty's torch will flame brightly, and she'll hold her head high—forever. When this war ends, those responsible for war shall have learned their lesson, and paid a heavy price for it. They won't want another war—ever. That's the kind of Victory to which we pledge ourselves this Armistice Day in tribute to all who fight—and ever fought for freedom!

1918
1942

Maybe you can't carry a gun. Maybe you can't turn out a tank. But you can buy War Bonds and Stamps—even the point of privation. Because everything's worth doing without, that will help the United Nations win a speedy Victory—a true peace . . .

MAIDS AND MATRONS MEET TUESDAY AFTERNOON

Mrs. Roy Wingard was hostess to the Maids and Matrons Tuesday afternoon. The program consisted of a book review, "Mariflas" by C. Espind, given by Mrs. E. C. Davis, and a "Spanish Sernade", played by Mrs. Roy Herod. There were sixteen members present and one guest.

DIXIE JEAN REDFORD HALLOWE'EN HOSTESS

Dixie Jean Redford was hostess at a Halloween party Thursday evening, October 29. Those present were Rolland Treadaway, Arnold Dalton, Odell Quante, Babe Lincoln, Billy Don Borden, Glenna Fae Winston, Dana Ruth McIlroy, Gloria Hughes, Billie Faye Finney, Ruth Hogue, and Ganelle Newman. Also Bobby Donnell of Lubbock. The party was given at her home Halloween games were played and refreshment were served.

HALLOWE'EN - BIRTHDAY PARTY

Friday afternoon Mrs. Frank Ezydoski honored her daughter Kay Francis with a party on her 8th Birthday. The house decorations carried out the Halloween theme and the guests came in costume. After an afternoon of games the guests were served tuna sandwiches, olives, pickles, smacks, fruit punch and cake decorated with black cats and orange candles sitting in pumpkins. Those attending were: Jo Ann Knight, Jo Ann Zant, Jo Ann Shelton, Fredda Ruth Lowe, Frida Ann Anthony, Dixie Glover, Doris Walls, Wilma Lois Walker, Marlene and Lanny Webb, Lynn and Richard Sturges, Patsey Stice, Sandra Bailey, Parlee Nelson,

A Hallowe'en Dinner Dance

Misses Marion Wingard and Betty Jean Holmes were hostess Saturday night to a Hallowe'en Dinner Dance. The guests met at 11 o'clock at Betty Jean's, where they danced until 12. The party then went over to Marion's for buffet dinner.

The dinner consisted of meat loaf, baked beans, tomatoes, green peppers, brown nut bread, pumpkin pie, fruit punch and nuts. The table was beautifully decorated with a lace cloth over an orange spread and centered with a silver tray holding a large pumpkin with fruit spilling from it. The buffet and table were lighted by orange and black candles in jack-o-lantern holders. Favors of black candy cats were scattered over the table.

After dinner the following guests went to the mid-night preview: Lois Gillham, John Earl Dalton, Arnold Dalton, Billie Faye Finney, Morgan Copeland, Patsy Frank Ballard, Ted White, Myron Glen Harris, Mary Nell Hanks, and hostesses Betty Jean Holmes and Marion Wingard. The sponsors were Mmes. Leo Holmes, Roy Wingard, Bit Copeland, and Emily Conant of Roswell, N. M.

LAS AMIGAS CLUB

Mrs. Orb Sitce was hostess to the Las Amigas Club Tuesday night. The house was decorated with fall flowers. Miss Minnie Hazel Gore won high and Mrs. Slick Collins second high, and Mrs. Troy Noel won high cut.

A salad course was passed to the following, Mesdames Troy Noel, Jack Hamilton, Crosby Scott, Slick Collins, Ruth Huckabee, Ike Bailey, Dick McDuffie, Evert Latham, Glen Akers, Clovis Kendrick and Miss Minnie Hazel Gore. Mrs. Richard Kendrick was a tea guest.

Bobby Latham, Don Cary, Gene Aven, Roscoe Treadaway, Donald Wayne Adress, John Marsh, and Jimmy Szydoski

"SHOW ME SOMETHING I'LL FEEL DRESSED-UP IN"

Is the Plea of So Many Women

... and here are the answers to your yearnings! Velveteen for added interest in "good, little suit-dresses... flattering side-swept bodices for so-small waistslines... and slim laime tops, for narrow silhouettes!

A lovely lady in a bewitching, slimming dress. What could be better suited to the times? Dresses such as this are the ones you'll want to wear now and all through the Christmas season. Stop in and have one laid away now. Choice of several styles fabrics and colors. Better dresses, priced at...

\$19.95

Dressy, side swept bodice with soft drapery of a full gored skirt. Little dresses like this will serve you now and on through the season. A wise choice.

\$10.75

Little suits of velveteen or trimmed in velveteen will bring you satisfaction the year around. Wear them and feel "dressed up."

\$22.50

Have your accessories laid away now so you'll be sure and get your pick. The Christmas season ahead will make a heavy demand on all merchandise and we probably will not be able to replace it.

BAGS \$1.00, \$7.95
GLOVES \$1.00, \$2.98
HATS \$1.98, \$6.95
COSTUME JEWELRY \$1.00 plus tax

Don't Neglect To Buy War Bonds And Stamps

THE GO'RE FASHION SHOP

Little Sammy Kay Kendrick has been real sick this week.

ARMISTICE Day

1918 - 1942

TODAY we honor the heroes, living and dead of two World Wars. To one an Armistice brought peace in 1918. For the other, peace must still be won in the future, by long and hard fighting. In the name of that first Armistice—we look forward to the termination of World War II with the United Nations victorious, and justice meted out for all the people of the world who have fought so zealously for the end of facism and the rebirth of world freedom!

BUY WAR BONDS AND STAMPS

Whether you are a fighter or a worker or a civilian—this is the one valuable way you can help speed the war, and to so speed the Victory. We sell War Bonds and stamps—and will gladly serve you when you come to make your purchase in commemoration of Armistice Day.

FIRST NATIONAL BANK

"A Phoney Penguin...if I ever saw one!"

IT'S FUN but it's a phoney, says this skeptical young student of Spheniscidae (penguins, to you). With one poke of his inquiring finger, he established the fact beyond question.

Now that cars must last for the duration, many a motorist wishes that he could wish as little doubt and effort pick a quality oil.

You can! Phillips, one of the leading independent petroleum organizations, makes a frank and simple statement which does away with doubt. If you want our best oil, remember we tell you frankly that Phillips 66 Motor Oil is our finest quality . . . the highest grade and greatest value . . . among all the oils we offer to car-owners like yourself.

Don't forget that the easy way to spot the genuine article is to look for the name, Phillips 66 Motor Oil. Do that whenever you make either the seasonal or regular 1,000-mile oil change.

IT'S PHILLIPS FINEST QUALITY

Let The FBI Handle The Case

With the rising tide of alarm occasioned by recent espionage activity within our borders, U. S. citizens are naturally inclined to exercise the greatest possible vigilance against attempts by enemy aliens to interfere with the war effort.

Unexplained occurrences, coming to the attention of citizens, may sometimes arouse honest doubts concerning the integrity of a neighbor or acquaintance whose origins or antecedents make him suspect.

It may seem paradoxical, but the fairest course to follow, where the person under such suspicion may very well be entirely innocent, is to report the matter directly to the local officer of the F. B. I.

On no condition should a citizen

attempt to prosecute an amateur investigation of his own. There are several reasons for this. The F.B.I. to begin with, is the best investigating source. The March of Time film, "The F.B.I. Front", just released, should convince even the most skeptical that no layman could hope to complete effectively with the facilities and training of the men whose work is shown in the picture. The honest alien has nothing to fear from an F.B.I. inquiry, whereas the slightest slip, the vaguest rumor of suspicion spread by careless talk may reach and alarm a guilty suspect, and by putting him on his guard, destroy forever the chances of apprehending him. Or such a bungling amateur investigation may hurry him into committing irreparable damage which might have been foreseen and prevented.

As a further point, made in the film, "The F.B.I. Front," should not only set at rest the mind of the particular suspect may have

the worst possible consequences. The suspect, even if guilty, may himself be of only negligible importance. His arrest may alarm really important figures with whom he maintains contact. If allowed to remain at liberty, unsuspecting, he eventually will lead the F.B.I. to these higher-ups, who in turn can then be rounded up at the right time and with a maximum of success.

Let us repeat the announced policy of the F.B.I.: No law-abiding alien, even though he be of German or other enemy origin, need fear unfair restriction or prosecution at the hands of the U. S. Government. But woe betide those enemy aliens who have been acting as agents for foreign espionage groups, or as organizers of subversive propaganda organizations in this country! The lessons taught by the March of Time film, "The F.B.I. Front," should not only set at rest the mind of the honest alien, but also calm

the ambitions of any amateur sleuth who fancies himself an adequate substitute for the trained, scientific, and, above all, humane agents of the F.B.I.

FIRST CHRISTIAN CHURCH

J. A. Dennis, Minister
Mrs. W. R. McDuffie, Supt
Mrs. K. N. McClain, Pianist
Sunday School — 10:00 A. M.
Worship Service 11:00 A. M.

We believe in cooperation with all denominations, looking forward to the day of unity of all Christians.

We have no Creed but Christ. We preach Christianity rather than "Churchanity". Not what you think, or I think, but what did Jesus say and do?
You are welcome at the Christian Church.

Carl Mullins was home over the week-end visiting with his parents. He is attending Hardin Simmons University this year.

Hunting Season Dangerous To Hunters
AUSTIN—As the hunting season approaches the Texas State Health Department urges caution in handling firearms. More than 200 Texans were killed in 1941 as a result of carelessness in handling guns, and at this time when human lives are being snuffed out in the war that is enveloping the whole world, it is more than ever important that we would conserve human lives on the home fronts.

With the inauguration of meat rationing and the reduced supply of this particular food, there is a possibility of more hunters going into the field than has been the custom for many years.

"It is not enough to deplore the waste of human lives caused by the careless handling of fire arms," asserts Dr. Geo. W. Cox, State Health Officer, "we should learn from the deaths of these victims the lessons of safety which will prevent this needless and shocking waste."
The State Department of Health suggests the following safety suggestions in handling guns:
While hunting be sure that the loaded gun is on safety until ready to fire. Never shoot without seeing your target clearly. Never crawl through a fence carrying a loaded gun. If hunting with a companion stay close to him. Do not

strike the ground or wounded game with the but of a loaded gun. Never scuffle while holding a loaded gun or point it at a person "for fun." Always unload a gun before attempting to clean it. Always unload guns before taking them into the home. All guns should be carefully put away in the home out of the reach of small children.

Mr. and Mrs. Gay Price and children and Mr. Luker visited with relatives in Comanche this past week.

Don't fail to tell us when your children in the service are visiting in the community, or for that matter anything of interest about them.

The Beauty Shop's Wartime Problem Is Fewer Operators

DURING THESE SERIOUS TIMES PLEASE CO-OPERATE WITH US

1. By being punctual with your appointments.
2. By having pins out and hair down so that operator can start immediately.
3. By not expecting styles to stay in when permanent wave has grown out.
4. By removing pins when your hair is thoroughly dry.
5. By making your next appointment early.
6. Housewives please make appointments from 9:00 A. M. to 5:00 P. M., leaving later appointments for school and working girls.
7. By women in town making appointments early in week, leaving Saturday for the women that live out of town.
8. Expect your appointments to be cancelled if more than ten minutes late.
9. By stating clearly the work you wish so the operator will know how much time to allow for you.
10. It is better for you to be early than for the operator to wait—making her late for the next appointment.
11. If you must cancel an appointment, please do it early—then some other busy woman can use that time.

LET'S ALL HELP EACH OTHER

These may seem like small things, but they will help us to help you—and it is small things that will add up to VICTORY!

THANK YOU

CHALLIS

Rev. James Dee Taylor of Brownfield preached at the Papist church here Sunday and Sunday night.

Several young people enjoyed a party at the church house Saturday night.

We wish to congratulate Mr. and Mrs. Oran Buckner of Houston upon the arrival of Oran S. D. Buckner, Jr., the 16 of October. The baby weighed 8 pounds 14 ozs., at birth.

Mr. and Mrs. Buckner taught school at Challis 1939-41.

Mr. and Mrs. J. L. Porter visited Mr. and Mrs. J. B. Wilborn of Meadow Sunday.

Mr. and Mrs. L. V. Langford of Brownfield are visiting his parents Mr. and Mrs. J. L. Langford. Mr. and Mrs. L. V. Langford have been in San Diego, Calif., the past few weeks.

Mr. and Mrs. John Garner, Cleta and Avenell visited Mr. and Mrs. Robert Garner and family of Gomez Sunday.

Mr. and Mrs. J. A. Dennis have gone to Kansas to visit with relatives.

New Mexico Rancher In On Rat Fight

Had a letter last week from our good friend and reader, Mr. R. T. Graves, Elkins, N. M. rancher, who tells us right off the reel that he is in the fight to a finish against the rats in Terry, and will be over here and personally on the job helping to destroy these food destroyers and disease carriers.

Mr. Graves who is a brother to Judge R. L. Graves of this city, owns a fine farm in the Union community. He has reports that rats on his place are getting rather bad. He will try to be here Saturday.

J. B. Knight, Tom May, Dick McDuffie and Bill Glasscock went to the Shrine Ceremonial in Amarillo last Thursday. Mr. Glasscock who is from Seagraves, was a candidate.

Mrs. Flem McSpadden and Cheezie went to Lubbock on business Saturday afternoon.

Larry Miller was home from Tech this week-end.

Baptist Church News

Messengers from some 3,100 churches of Texas will be assembling in Ft. Worth, Tuesday of next week to make a report of the work accomplished in their churches during the last twelve months.

They will be greatly interested to know if they have succeeded in retiring the four hundred thousand dollar indebtedness of their convention during October and closing the books Nov. 6th and while we make no prediction about the outcome we are confident that a large amount if not all of this indebtedness will be paid and clear the way for future operations which should be on a pay as you go basis.

This writer has been quite familiar with the work of this convention for fifty years and steady progress has been made with gains in every phase of the work every year during that time.

Fifty years ago there were no "hospitals owned by the Convention and now there are four large ones. Struggling colleges of that time have grown to be large institutions free from debt with a student body of more than five thousand each year.

The mission work of the Convention has grown steadily and the numbers of churches cooperating has increased from year to year until from a membership of a quarter of a million they are now in excess of eight hundred thousand and will no doubt reach a full million in a very few years. There has not been a time during that fifty year period when baptist churches have been in such harmony and with such a fine spirit of cooperation in the work of the Master and it's a wonderful opportunity for any church to have fellowship with a people who place such emphasis upon a command of Christ when he said "Go into all the world and preach the gospel to every creature". Our church here has had some small part in the progress since its organization and are glad to have such a place with our sisters churches. We invite all Baptist to come with us.

LARRY MILLER PLEDGED OF ALPHA PHI OMEGA

LUBBOCK, Oct. 29. — James Larry Miller of Brownfield is one of 22 men students accepted as pledges of Alpha Phi Omega, national scouting fraternity, at Texas Technological college. Son of Mr. and Mrs. J. D. Miller, he is enrolled as a freshman mechanical engineer.

Mrs. Richard Kendrick and Mrs. John Kendrick went to San Antonio this week to visit with their husbands, who are stationed at Kelly Field.

Fast Growing Pigs Require More Protein

Can Save One Billion Bushels of Corn by Better Rations.

(Editor's Note: This is the 5th article of a series, "Feed to Speed War Production," published to help the "Food for Freedom" program.)

"Hogs have usually been more deficient in protein feed than any other class of livestock", the United States Department of Agriculture has said in a "Food for Freedom" release.

This, the Department added, was because many farmers thought they could be raised efficiently on corn alone. Swine, however, are fast-growing animals and especially need high-protein feeds up to 100 pounds in weight.

Protein also is highly important, feeding authorities agree, as a means of saving grain in hog rations. One hundred pounds of a protein supplement—such as cottonseed meal or peanut meal combined with tankage or fish meal, or a mixture of two parts cottonseed meal, two parts peanut meal and one part alfalfa meal—will save 400 to 600 pounds of corn or other grain. As one billion pounds of corn in the United States could be saved in 1942, alone, by proper use of protein supplements in hog rations, it is estimated.

"Five to 6 bushels of corn fed with 50 pounds of protein supplement will add as much weight to a hog in less time than 10 bushels of corn fed alone," J. R. Hawkins, South Carolina Livestock Specialist, points out.

Increased supplies of cottonseed meal, peanut meal and other vegetable protein concentrates make it easy for hog raisers to produce more pork and save grain this season, despite the estimated decrease of about 8 per cent in 1942 total supplies of animal-protein feeds, including skim milk (18 per cent less animal-protein feed per animal unit than in 1941).

Practical methods of combining cottonseed meal and peanut meal with limited amounts of animal-protein feeds include the use of a protein-supplement mixture of two parts cottonseed meal, one part alfalfa meal and one part tankage or fish meal; or a mixture of cottonseed meal, peanut meal and alfalfa meal may be used. Where tankage is available, a widely-used protein supplement for many years has been a half-and-half mixture of cottonseed meal and tankage, fish meal or shrimp meal.

Scarcity of labor on many farms is being overcome in part by following the plan of self-feeding swine, which saves both labor and time. Growing pigs and fattening hogs may receive whole grain in one compartment of the self-feeder, with the protein supplement in the other, or a mixture of grains and protein supplement may be fed. Pigs will start eating when about three weeks old, and will eat any grain well if a ration adequate in protein is kept in a conveniently-located creep-feeder.

Recognizing the increasing need for pork and pork products as

Mrs. Ed Neill Passes

Mrs. Ed Neill died at Big Spring, Tuesday morning about 7 o'clock after suffering for some time with a malignant trouble of long standing. Ed passed on a few years ago.

She leaves three children, one about grown, and there are two grown children by his first wife, who was a Currier, and whose family lived here in the early days. Burial in Big Spring was set for Wednesday.

Preparing to attend the funeral from here were, Mrs. Geo. W. Neill, sister-in-law, and her daughter, Mrs. Ted Hardy, and Mrs. Jim Jackson, who is an aunt of deceased.

Dr. and Mrs. T. H. Mellroy and Dana Ruth attended the Chiropractor's Convention in Lubbock last week-end.

Beauty Operators Make New Rulings

Elsewhere in this issue of the Herald, you will find a cooperative ad by six beauty parlors of the city. These good ladies, like all the rest of us, find that they are short handed, and that there is no let up in the work required of them.

Therefore, they are making some rules which the Herald hopes their customers will read and religiously obey the instructions they give the public. In this way, it gives the hard worked but willing operators a better chance to give their customers the usual good service, and no waiting jams.

In this time of war, we must cooperate to the best of our ability, with the least griping possible.

Junk Will Be Your Pass to the Show

Mrs. Ethel Jones announced this week that on Saturday, November 21, the Rialto Theatre will give a show to those who bring in junk to be used for war purposes, such as metal, iron and rubber. The name of show will be announced next week. Show will start at 9:30 Saturday morning.

The theatre is doing this in order to help in the war effort without financial consideration. Children will be admitted for 10 pounds of metal, and adults 20 pounds.

Let's make this one of the real big events in Terry county in order to lick the Germans and Japs.

Henson Sees the Big Denison Dam

George Henson was in this week telling about his recent trip to his old stomping grounds in that section of Oklahoma near the Denison Dam, where he was reared. Said he did not realize just how much water that dam was impounding until he saw it.

Another thing, George was complaining of his lips being sore. Well, they use some lye in making moonshine in that section, but of course that was not the trouble with George's lips.

LOSES WIFE

As we get ready for press, we learn that Charley Gaston lost his wife Wed. afternoon. Funeral arrangements were not complete at that time, but was expected to be set for today. Further details next week.

Rev. H. W. Hanks leaves Monday to attend the annual Northwest Texas Conference of the Methodist church, which will be held in Sweetwater this year. He stated that the church was making a good report this year, to the conference.

Had a letter this week from Mr. and Mrs. Weldon Robbs, of Gainesville. She enclosed \$2.00 for the Herald, and stated that although they had left Brownfield, they had many good friends here, and wanted to keep track of 'em. The two batskins paid them up for fifteen months.

The naval recruiting station at Dallas is denying a report being circulated that they are taking no more recruits. That might have been the reason the Lubbock station fell behind with only 132 of their 200 quota. Terry county usually fills more than its ten men per month.

The Santa Fe railway moved a total of 38,714 cars last week in comparison to 32,531 the same week of 1941.

Pvt. W. T. Sanner of the US army, located at Maxey, Texas, is at home on a furlough, visiting his wife and 8 pound son, Eugene Thomas Sanner, who arrived on Oct. 31. Congratulation to Pvt. and Mrs. Sanner.

W. T. Jones who lives out nine miles southeast of the city, found a ladies purse in the draw near
