The Seabees Are Buzzing Around

Of late, we have gotten a number of letters, etc., from our good friend, John Dumas, whose picture we show herewith. This was made from a photo sent us back in the fall. Whenever John runs across anything he thinks we might get a kick out of, or be interested in, he sends it to us, usually by air mail.

In the latest package, which required four air mail stamps, was a copy of an extra of "Buzzin' Briefs, Vol. II," and published at Shangri-La, December 22, 1943. There was some real worthwhile articles in the four-page mimeographed paper, as well as quite a bit of droll fun.

Tucked away in the paper was a menu of the dinner they were to have Christmas day, and if we are any judge of what it takes to cure the thirst and hunger of a healthy service man, the 32 articles of eat and drink mentioned should do the job up in a rag, headed up by such things as "roast young tom turkey," and "Virginia ham a la king en patty shell," whatever that means.

We also looked at the "Christmas punch" item more than once and wondered if it really had any punch to it. The rounds of viands closed out with cigars, assorted candy, cigarettes, entertainment, coffee, music.

ROBERT HEATH FINISHES COURSE AT SIOUX FALLS

Pfc. Robert L. Heath, son of Mr. and Mrs. L. C. Heath of 315 Lubbock Road, Brownfield, recently completed an intensive course in radio operator-mechanics at the technical school, army air forces' training command, Sioux Falls, S. D. In addition to attending school, he went through a rigid drilling and physical training program in order to be fully prepared to take over an assignment in a combat area, if necessary.

He is now prepared to join the crew of a bomber, or take up any other radio duties to which the AAF training command may assign him.

NORRIS CITED FOR OUTSTANDING QUALITIES

In a citation, recently received by the Herald, Pvt. Delbert G. Norris, son of Mrs. Rosa B. Norris of this city, was cited by his Lt.-Col. LMC, Charles S. Shaunese, executive officer. The citation stated that Delbert showed outstanding qualities in which he participated in history making Mena conference.

Just what that all means is not clear to the Herald, especially the Mena conference, unless it was the Roosevelt-Churchill-Chiang conference, which took place in Egypt, where young Norris is said to be located.

The statement says that it is hard to single out soldiers to tell of their good qualities, but there are some, like Delbert, that are outstanding.

Mrs. Marner Price, who left Puerto Rico last Friday morning, arrived in Dallas Saturday morning, and in Brownfield Saturday night. Marner, who has been there with the air force, is expected to be here after being stationed somewhere in the states.

Sgt. Jim Neill left Sunday for Denver, from whence he will go to OSC at Miami, Fla.

Cpl. Ovie Holleman, son of H. L. Holleman of Route 3, came in Sunday from Alliance, Nebr. We hear he will return to his base next Tuesday.

Mr. and Mrs. Jack Browder received a Christmas card from their son, Staff Sgt. Norwood M. Browder, somewhere in England.

Naval Construction Man On Furlough

W. E. Williams, who has been with the Seabees in Africa, is spending a 30-day furlough with his father, W. K. Williams of Tatum, N. M., and other relatives including the J. C. Cravens of Brownfield. He displayed a gun scabbard he had made from leather he had taken from a puncture proof gas tank off a German plane shot down near his station at Bizerte, shortly after the Yanks took the town.

He endured 16 air raids, missed death only because a shell that fell into the foxhole he and buddy were occupying, happened to be a dud. Said Biserte was a pile of rubble when the Seabees got on the job rebuilding docks.

Cadet Milliken Jones, who is stationed in Altus, Okla., visited in the home of his aunt and family, Mr. and Mrs. R. A. Crosby.

Mrs. John Day was in the past week from the Tokio section to renew for their Herald and the Lubbock Avalanche. She reports that her son, Raymon, who was wounded last spring in the south Pacific war area, is still doing MP duty.

FFA OFFICERS TRAINING SCHOOL

An F. F. A. officers' training school for the Brownfield district was held in the Brownfield high school auditorium on Tuesday evening. The purpose of the meeting was to give the officers instructions on how to perform their duties.

Of the 11 chapters in the district, the following were represented by their officers: Plains, New Home, Ropes, Wilson Meadow, Seagraves, Seminole, Tahoma, Loop, and Brownfield.

The officers from the Brownfield chapter receiving training were: Earl Sears, the president; J. A. Chambliss, vice-president; Leonard Ellington, reporter; Gene Langford, treasurer; Billy Winn, secretary; Lester Decker, historian; Dale George, sentinel; Dee Langford, song leader; Kenneth Burkes, merchant; Billy Joe Snodgrass, area reporter.

Pvt. Harold B. Stice, an engineering student from the University of Oregon, Eugene, is visiting his father, B. Stice, and other relatives.

Seaman First Class Winfred Doss is visiting his parents, Mr. and Mrs. Doss of near Gomez.

Corp. Mack Pickett is here visiting with his family. He is on his way to a camp in Salt Lake City, Utah.

Pvt. Walter (Woozie) Fulton, who is in the air corps, is here visiting his family.

Cpl. C. H. Haynes is visiting his grandfather, J. H. Haynes, Cpl. Haynes was in the south Pacific more than two years.

Pfc. Larry Miller has been visiting with his parents, Mr. and Mrs. J. D. Miller. Larry is stationed at Newark, Delaware. Mr. and Mrs. Miller carried him to Lubbock, Wed.

Sgt. William Powers, Mrs. Powers, and Danny, from Colorado Springs, Colo., are here visiting Mrs. Powers' mother, Mrs. Dora

? Sgt. Powers was recently discharged from the army.

Mrs. T. O. Miller formerly of Brownfield, now of Amarillo sent the cash this week for the Herald to visit her weekly, and another to go to her son, Cpl. T. O. Miller in care San Francisco postmaster.

Lt. Clifton Orel Greenfield came in Sunday night from Fort Knox, Kentucky, to visit with his father, Mr. and Mrs. L. A. Greenfield. Lt. Greenfield is in the armored forces and will leave here about the 10th for a camp in Louisiana.

Mr. and Mrs. Bruce Bailey are selling out their farm equipment and will move in about two weeks to Fayetteville, Ark.

Over Six Million Dollars On Deposit

Again, the December call for bank statements was a record breaker for the two local banks. Never before in history were deposits so high. Many times loans have gone as high and higher than at present. But the people of the area have more money than ever before. The combined deposits of the two banks was \$6,311,489.45 on December 31. They are even higher now.

In conversation Monday with a banker, he stated that one of the reasons the deposits were so high was that little money was now going out of the county. People, generally speaking, have their automobiles and appliances that they used to buy on installment, paid out, and can buy no more. Some have even finished paying for their home. But what little money that is now going out is payment on homes, mostly.

Well, there is a good investment they can make, and at the same time help their country. BUY WAR BONDS AND STAMPS. Better lay up some savings while the laying is good. Prices for merchandise and farm products are not always going to be as high as now.

So, go to your postoffice or your bank or picture show and buy war bonds and stamps. Remember we have a Fourth War Loan drive coming up next week.

Brownfield Schools Re-Opened Monday

Following a 10-day recess for the holidays, the Brownfield schools resumed work Monday. Superintendent Hancock in charge says there has been some resignations among the teachers and expects some more by the end of this week, but has replaced most of them, and by re-organizing their classes and work, manages to carry on with full service to the students.

Fire Department Has Annual Banquet

Members of the Brownfield Fire Department, Mayor Cox, the City Council, Judge Lincoln and other guests spent an enjoyable evening at the department's annual banquet Wednesday night.

The event opened with a general get-together at the Higginbotham-Bartlett Lumber Yard. The group later re-assembled at the Thompson Cafe for a turkey dinner with all the trimmings in the banquet room. At the conclusion of the meal, the guests were recognized and the need of a City-County owned fire truck was discussed.

Miss Bernice Weldon stated this week that she had successfully passed the examination as a licensed chiropractor under the new law passed by the last state legislature, licensing them.

Mrs. Kelly Sears stated that her brother, George McLeroy, in the weather bureau service of the army, and located in Kansas, has recently been promoted from Staff to Technical Sergeant.

District Court In Session This Week

The first regular session of the 1944 district court convened Monday, with Judge J. E. Garland of Lamesa, being re-elected by the bar as special judge for the term, in absence of a regularly elected judge. The grand jury reconvened with Herman Chesshir elected by the jury as foreman, an innovation suggested by Judge Garland. The jury later returned one bill of indictment for forgery. The court granted six divorces and several cases were disposed of.

All other cases set for trial on January 17th, at which time the petit jury is to return, and also a special venire of 50 men was ordered summoned for the trial of a colored man charged with murder of another here some two months ago.

Semi-Annual Announcement of Grade A Milk Distributors

The grade of all supplies of milk for the city of Brownfield have been determined by the local health department in accordance with the grade specifications of the Milk Ordinance of the City.

All milk and cream sold for fluid consumption in the city, is produced according to the requirements of the ordinance as indicated by Grade A label and the name of the distributor which appears on the bottle cap.

The following named distributors have complied with the requirements of the ordinance and have been issued permits by the city health officer to sell Grade A milk and milk products in the city.

Pasteurized: Banner Creamery. Raw: W. F. McCracken, W. T. Perkins, R. E. Thompson.

Any person other than the above named dairymen who offer milk or cream for sale for fluid consumption in the city of Brownfield is subject to the penalties of the ordinance.

TWO LARGE BUILDINGS BEING COMPLETED

One of the largest grain storage buildings on the Plains is rapidly nearing completion at the north end of Seventh street. It is owned by R. C. Kennedy of Pauls Valley, Okla., who owns several sections of farms in the Pool community, from which he receives many tons of feed, but will also handle grains for the public.

Grady Goodpasture's large building annex to his elevator is completed and they are busy this week installing an unusually large engine, that will pull three sets of machinery, including new mills and feed grinders.

Lt. Kenneth W. Hill has notified his mother, Mrs. Ben Hill, that he has been promoted to 1st Lt. Lt. Hill is stationed somewhere in England.

Mrs. Hardin Joyce was in this week to start the Herald to Aviation Cadet Hardin Joyce jr., who is training in North Carolina.

Pfc. Walter W. Fulton, for the past seven months with the air force in Puerto Rico, came in Dec. 27th, on a 20-day furlough, with his home folks, the W. A. Fultons. He then goes to Biloxi, Miss., for aviation cadet training.

HOMER WINSTON QUILTS OIL BUSINESS

It was announced Tuesday that H. R. (Homer) Winston, who for many years owned and operated the Snappy Filling Station, at the intersection of the Lubbock and Tahoma highways, had sold his stock and equipment to the Cosden Oil Co., who took over Wednesday and announced they will continue operation at the same old stand, with most, if not all, the present employees retained in service.

Cosdens are one of the largest independent producers and refiners of oil in the state, having a large refinery at Big Spring. Winston will continue his tire business on West Main street, and other interests here.

BURGLARS VISIT THE CITY

Red's Tire shop, owned and operated by O. V. Newton, on Main street was broken into Monday night, and four new tires, Cooper Deluxe brand, size 600x16, were taken. Officers obtained no definite clues, but are investigating a car, with four men and a woman, seen on the streets that night.

The same night, the Hillside grocery on West Main street, owned and operated by C. R. Warren, was entered by breaking the front glass door. A small quantity of several varieties of groceries were reported missing, though the cash register was unmolested. Officers are investigating.

Baptist Clear Building Of Debt

Our pulpit was filled last Sunday morning by Alfred A. Brian, the pastor at Levelland, and Rev. Lowell Ponder, missionary of district nine, preached Sunday evening, each service being well attended. The Girls Choir, led by Pastor Fred Walker of the Presbyterian church, sang for us Sunday evening, and their singing was enjoyed and appreciated by the congregation, and we hope to have them come again.

Pastor Brian of the Levelland church, was extended a call to become pastor here, and his answer will be coming soon. He has been at Levelland a good many years, and it is hoped that he will accept the call here, as he is identified with this Plains country, and is known by many of our people already, and is not quite like a preacher unacquainted with our western citizenship.

The check is in the mails to pay off the remaining indebtedness of our church building, and while a great number have not yet contributed to this fund, it is hoped they will do so now, as by common consent, and without any church action as yet, we wish to obtain money enough over the building obligation, to install an electric organ, which will add greatly to the volume of music. This improvement is now easily possible if those who have paid nothing on this campaign, will make a worthy offering and mark it building fund for this purpose.

A letter to this church from the Chaplain on one of Uncle Sam's battle wagons in the far Pacific, was read Sunday evening, asking that this church receive for membership, Victor R. Harris, who is the son of a fellow members, G. W. Harris and wife of this city, the letter stating the fact that he had accepted Christ by faith and had been baptized by the Baptist chaplain. He was unanimously received into our membership. May all of us reconsecrate our lives to Him, as the world is torn by hatred and war, and may an enduring peace be established in the world where religious and political freedom may prevail for a thousand years.—D. P. Carter.

Chisholm Hatchery Now Texas-U.S Approved Pullorium Tested

First eggs for the 1944 hatch were placed in the giant incubator at the Chisholm hatchery Monday.

This hatchery will do no custom hatching this year, as it is now a Texas Approved Pullorium Tested Hatchery, and no eggs will be accepted except from blood-tested flocks. Pullorium is a blood disease and is carried in the egg on to the chick, and causes losses in unhatched eggs, as well as chickens that are very unproductive. It will mean dollars to you to have your chickens blood-tested for this disease.

The Chisholm hatchery put out two hundred and twenty thousand (220,000) chickens the past year.

X-Ray Clinics to Be Held in January

The health department wishes to announce that the state mobile X-rays on those who had positive on Thursday, January 13, 1944, for the purpose of making chest X-rays on those who had positive patch tests at the recent examinations.

The X-ray clinic will be held in the gymnasium on the high school grounds. This clinic will be open for only one day and between the hours of 9 to 12 a.m., and 1 to 4 p.m.

Other X-ray clinics will be held in this district at: Levelland on January 11. Brownfield on January 13. Seagraves on January 14.

If any one misses the clinic in their community they are eligible to attend a later clinic at one of the other designated towns in our district.

Nineteen Forty-Three A History-Maker

GWN

The year 1943 has made the headlines of the present, and the front pages of history. It had so many great events, shortage of paper prevents enumeration in detail. It has endured and carried and carried on the most worldwide battlefronts of all history. It's really the first all-world war. In the snows and in the tropics, on both sides of the equator, from the skies to the ocean's floor. None of the seas and continents, and but few of its thousands of islands, but that has felt this year the scourge of war, the heat of which has melted into a oneness of purpose, more different races, creeds and color than has ever been achieved. It marks the beginning of the putting into practice the universal brotherhood of man. It has impressed, especially on the Axis, the folly of National ambitions and conquest, and on the Allies the success of Unity, and the failure of pettishness, and on America the fact that we cannot live unto ourselves alone. It has been a year of conferences of the great leaders.

Nineteen forty - three rescued the world from a bloody trend of the Juggernaut of barbarism, rendered it first aid, and hands it, all but salvaged, over to 1944, to finish the job. It witnessed a complete stoppage of all Nazi aggression and progress, and transferred the initiative and offensive to the Allies, on every front, in the air and on the land and seas. It rebuilt America's Pacific navy from the crumbs of Pearl Harbor to a floating giant, hunting and daring it's adversary, and began the setting of the "Rising Sun."

The first of the great events began the year with the battle of Stalingrad, which ended Russia's gloom, and began the Nazi doom, followed by the greatest rollback in history. Other notable events was the driving of the enemy entirely off the continent of Africa. The fall of ancient Italy, the toppling of its 20-year long dictator, and the bombing from the air huge cities to destruction.

It carried for the first time, the war into Germany, and proves that total war means all. None are immune from its blight.

Another high light of the year, is America's mass production of war equipment; one hundred thousand war planes to becloud the world-wide skies, as many tanks and war machines to crawl over every battlefield, and a sea ship every hour to plow the seven seas, training six million men to man them all. History can't fail to record this year's industrial achievements.

The year marked the first in when mass entertainment of stage and show, wit and humor, followed the flag to the fighting fronts, in person and through the air. The greatest pile of money raised and expended, ever accomplished in this or any other nation. Taxation was brought closer to more people, who endured a year of rationing and price fixing of civilian goods. Advertising of transportation and public utilities were reversed to lessen its use.

1943 excelled, not in numbers, but the most serious and dangerous labor strikes and home let-downs any nation ever got by; nearer to the edge of utter collapse, the thinnest margin betwixt failure and success of the war, we ever skied over. But they were industrial Pearl Harbors in awakening public opinion.

In fact, one of the greatest achievements of the year, not now publicized, but will be more visible later, is the discovery that we are in a war. A general awakening. The ending of dreams and the facing of facts brought realism to the front; gave impetus to evolution in international relations, our own domestic government, and even our individual lives, that only the future can reveal.

Great has been the military bigness this year. Also as great as has been the littleness, numerous and constant bickerings, griping,

Terry's Fourth War Loan Quota Set At \$445,000

L. Nicholson, County Chairman of the Fourth War Loan Drive stated this week that he had been advised by State Chairman, Nathan Adams of Dallas, that the Terry County quota in the drive is to be \$445,000, of which \$141,000 is assigned to him for the Series E bonds to small investors.

Mr. Nicholson seems to have a good lineup in the communities of the county, and the Herald believes these men will put the loan over in good shape. There is lots of money in the county, and the people should buy war bonds and finish putting a crimp in the style of Hitler and Tojo. The following is the names of the community chairmen and the amount assigned them:

Lal Copeland, Brownfield, \$275,900, percentage, 62.00; John Cadenhead, Meadow, \$85,662.50, percentage, 19.25; J. T. Jones, Wellman, \$42,275.00, percentage, 9.50; M. V. Armstrong, Union, \$41,162.50, percentage, 9.25.

The drive starts Tuesday, January 18th.

MY GRACIOUS

And in the Christian Herald I found this:

"This is a funny world; Its wonders never cease. All 'civilized' people are at war, All savages are at peace."

Mrs. Lee O. Allen visited her mother in Lorenzo last week.

MOTOR VEHICLE MUST SELL AT OPA PRICES

All sales of used commercial motor vehicles, whether by private owner or dealer, are covered by OPA regulations according to J. B. Mooney, district price executive.

No sale can be made at a price higher than that provided under the regulation and a certificate of transfer must be filled out and filed by the used truck or other commercial vehicle owner when he applies for gasoline rationing, Mooney said.

The certificates of transfer and ceiling prices for used vehicles can be had from the local war price and rationing board.

TWO LADY FRIENDS SURPRISE US MONDAY

Real early Monday morning, our little six year old lady friend, little Miss Jonelda Edwards, the daughter of Sgt. and Mrs. Curley Edwards, came in and presented us with a belated Christmas present. We feel sure she aimed it for a Christmas present, but the manufacturers, as well as the mail, were just that slow.

It was a carton of paper matches in nice gold-covered containers, and just the two words, "Daddy Jack," printed on the holders. The matches were black with white tips. Thanks a lot my little friend. Then, that afternoon, we had a letter from another lady friend that has grown up now until we would not have known her if we had met her on the streets, as she has been in Washington the past three years. She is Miss Beverly Ann Duke, and she enclosed her picture. She is now 14 and a peach, and wretes just as sweet a letter as she looks.

But "Bev", as she calls herself, says she never has gotten over longing for Texas, where one has real friends. Catch a ride during vacation and visit us, Beverly.

fault finding and criticisms, unparalleled even in depression years. But two of the foremost achievements, though lapping over into 1944, is the uncovering of individual selfishness, and exposing the activities of organized pressure groups, sponsoring it, and the necessity to suppress them to hasten or even win the war. And also the realization, that if we lose the war at all, it will be lost on the home front. The only other unfinished business left over for 1944 is—Victory!

TO THE CITIZENS OF TERRY COUNTY:

Your County's War Bond Quota Is

\$445,000!

Appearing herewith is the chairman and quota for each school district, outlining what is expected for each district.

At strategic centers — Brownfield, Meadow, Wellman and Union — spirited activity for the Fourth War Loan Drive is requested

Greater attacks are in the making. We want to back each and every attack. Invasion on a big scale is in the offing. This is a period of prosperity in Terry County. Let's invest in War Bonds generously for our own welfare, as well as the welfare of our nation, an especially that of our fighters throughout the world.

Let's start off 1944 by buying War Bonds and Stamps. You give nothing. You invest.

Here are the quotas for each school district in Terry County for the Fourth War Loan Drive:

Name of District	Chairman	Percentage	Quota For 4th War Loan
Brownfield	Lal Copeland	62.00%	\$275,900.00
Meadow	John Cadenhead	19.25%	85,662.50
Wellman	J. T. Jones	9.50%	42,275.00
Union	M. V. Armstrong	9.25%	41,162.50

UNITED STATES TREASURY
WAR FINANCE COMMITTEE
OF TEXAS

December 31, 1943

Mr. L. Nicholson, Chairman
Terry County War Finance Committee
P. O. Box 1066
Brownfield, Texas

Dear Mr. Nicholson:

I wish to advise you that the over-all quota for Terry County for the Fourth War Loan drive is \$445,000, of which \$141,000 is assigned to you for the sale of Series E War Bonds.

The Fourth War Loan drive is a challenge to all of us, since it is directed primarily to individual investors, and accordingly our state quota on sales to individuals has been increased 10 per cent.

You will find enclosed a memorandum covering details of issues, credit allocations and reports. I am sure this will be of immediate interest to you.

I must look to you for leadership in your community to make the Fourth War Loan drive an outstanding success in Texas, and I know I can count on your wholehearted support.

With all good wishes for your success, I am

Sincerely Yours,

Nathan Adams
State Chairman.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Samuel L. Wilson
GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 31st day of January, A. D., 1944, at or before 10 o'clock A. M., before the Honorable District Court of Terry County, at the Court House Brownfield, Texas.

Said plaintiff's petition was filed on the 13th day of December, 1943.

The file number of said suit being No. 2903.

The names of the parties in said suit are: Nova Evelyn Wilson as Plaintiff, and Samuel L. Wilson as Defendant.

The nature of said suit be substantially as follows, to wit:

Suit for divorce from the defendant, plaintiff's petition alleging that she and defendant were lawfully married on August 21, 1943 and separated September 21, 1943; plaintiff seeks the divorce on the grounds of cruel and harsh treatment and improper conduct of defendant toward plaintiff; plaintiff also sues for the title and possession of one 1941 Model Ford Coupe automobile engine No 186750997.

Issued this the 13th day of December, 1943.

Given under my hand and seal of said court, at office in Brownfield, Texas, this the 13th day of December, A. D., 1943.

As we go forward into the New Year, we wish to express our appreciation to you for your valued patronage and to assure you we will endeavor to give you the food and service in the months to come that you have every reason to expect.

We will have, as the market affords, a well balanced menu each day for your enjoyment, all well cooked and politely served.

We have always felt that our customers and the people with whom we have business are as much our friends as the people we meet socially, and we have always made an earnest endeavor to promote such feeling in our business relations.

We feel that way toward you and therefore take this opportunity to express our best wishes to you in this New Year's Season.

The local church gave 175 per cent more than they did last year.

NEWS OF THE HOMEMAKING DEPT. IN BROWNFIELD HIGH SCHOOL

The girls in the homemaking department have been busy the past few weeks at various things in different classes.

The second year foods class served a luncheon to the ladies of the high school faculty several weeks ago during the noon hour. The meal was planned, prepared and served by the girls with the help and supervision of Mrs. Jake Gore, the homemaking teacher.

A few weeks later the same class served a Christmas dinner to the men on the high school faculty. The Christmas theme was carried out in the decorations and in the menu.

The girls have made and put up decorations in the department this year in both foods and clothing laboratories. A Christmas tree was decorated in one of the rooms. Cedar and red berries, and red bows, along with a Santa Claus motif was used in the foods room. The dining room has a candle and poinsetta arrangement on the buffet, while a snow scene is used as a centerpiece for the table.

The first year foods class served a class tea on Wednesday afternoon just before the Christmas holidays. Four of the girls in the class were acting hostesses for the occasion.

The clothing classes are finishing up dresses for themselves to be modeled the week after school takes up from the holidays. They plan to make service kits for the Red Cross after mid-term exams are over.

Draft-Age Farmers Released for Temporary War Jobs!

State Headquarters for Selective Service permits draft-age farmers in this area to accept war jobs during the slack seasons without affecting their deferment classifications.

Because men are urgently needed in vital war industries in this area, farmers and farm laborers may accept temporary jobs in essential industries under the following conditions as cited in a Headquarters memorandum of Dec. 6th to all local boards, WMC Area No. 6:

- (A) They remain in their seasonal occupations for a period of not less than 8 months of the year;
- (B) They become engaged during the off-season for farming operations in some occupation in war production or in support of the war effort; and
- (C) Upon the reopening of the season in which they may pursue their normal seasonal occupation they return to the seasonal occupations that constituted the basis for their original deferment and resume their status as necessary men therein.

PANTEX NEEDS YOU NOW

TO HELP LOAD BOMBS AND SHELLS

Here is your opportunity to earn extra money during your off-season and at the same time get in an extra blow at Hitler and Tojo.

You need no experience to work at Pantex. Wages begin at 75 cents an hour. Living quarters for men in barracks at the plant. Meals available in cafeterias at the plant. Frequent bus transportation available between the plant and Amarillo.

For complete details regarding your draft deferment and work at Pantex see your local Selective Service Board.

For employment at Pantex apply immediately at the plant or at one of the following offices of the United States Employment Service: LUBBOCK, PLAINVIEW, CHILDRESS, AMARILLO, PAMPA, BORGES.

Judge Says:

A mere national difference: In England it's the RAF; in Germany it's RUF.

This year we will shoot out the old and bomb in the new.

That pin-up craze has reached Europe, The Reds pinned up four Nazis on their gallows last week.

Our boys overseas didn't let Christmas go by unobserved; they at least put on the fireworks.

Rommel may have won the Marathon race, but we enter McArthur in next year's Olympics as champion island hopper.

And here comes another sad wail from one of the old home boys, Staff Sgt. Ollie Warren, who forgot to write and tell us that he had moved from the army air base at Alamogordo, N. M., to Langley Field, Va. We sent him a back number or two so he could get up with the old home town again.

Mr. and Mrs. Murray Machen and family of Seymour spent the Christmas here with his sisters, Mrs. J. B. Worsham and Mrs. Jim Quinlan.

B. O. Black, wife and daughter, spent Christmas with their son, Byron O., at Tulsa, Okla., where he is stationed with the Air Force.

Mr. and Mrs. J. L. O'Dell and John Jr., spent the holidays in Abilene and Haskell.

The Grady Terrys, who recently moved down to Midland, are now on the list for a year of the Herald.

The Stricklin families, Sr. and Jr., enjoyed having the rest of the family, Mr. and Mrs. Herman Trigg and dog, Buddie, of Brownwood up for a few days Christmas. Herman says he always enjoys his ma-in-law's eats. So does Sallie and Buddie, apparently.

J. W. Baxter of the Navy, stationed at Camp Parks, Calif., was in town last week. He is visiting his wife at Denver City.

Mr. and Mrs. Guthrie Allen and family of Plainview spent the holidays with Mrs. Allen's parents, Mr. and Mrs. Jess Smith.

Miss Twilla Graham, of Lindenwood, St. Charles, Mo., is spending the holidays in the home of her parents, Mr. and Mrs. E. A. Graham.

FUR SALE—Monday and Tuesday at Gore Sport Shop!

Rev. A. A. Brian and family of Levelland were business visitors here Monday.

Mrs. Jack Feeler from Tulsa, Okla., was here last week visiting Miss Twilla Graham.

YOU DON'T HUNT BEARS WITH A SLING-SHOT!

... and you're sure hunting trouble when you put cheap, "will fit" replacement parts on your John Deere tractor and farm equipment. When you put such parts on a John Deere machine, you're not repairing it—you're seriously impairing the working and wearing qualities of that machine.

So be wise—buy only genuine John Deere parts for your John Deere equipment... they're made from the same patterns and by the same skilled workmen as were the original parts. Remember, too, when you buy John Deere equipment, you're sure of prompt repair service during its long life. We make good this promise.

Announcing —the— Re-opening —of the— SNAPPY SERVICE STATION

I have leased the Snappy Service Station to the—

COSDEN PETROLEUM CORP.

... and cordially invite my old friends and customers who have been so faithful to me the past eighteen years, to give the new owners your support and business .

In coming here for your petroleum products and service, you will not be trading with strangers, as the old personnel, who understands your needs, has been retained and I, also, will be with them for an indefinite period.

Thanks, folks, it has been, and still is, a pleasure to serve you . . . and to you new comers to this trade territory, come around and let's get acquainted . . . you are never a stranger but once. You are always welcome.
