OUR BOYS WITH THE COLORS

CARL A. MULLINS QUALIFIES AS A SHARPSHOOTER

Camp Kohler, Calif. — Private Carl A. Mullins, who is stationed at the Western Signal Corps Unit Training Center at Camp Kohler, has qualified as a sharpshooter with the 30 calibre rifle, according to announcement by Lt. Col. Arthur J. Wehr, Commanding officer. His score was 162 out of 195.

Private Mullins is a resident of Brownfield, and the son of Mr. and Mrs. Wayne Mullins of this city. He entered the army on January 18, 1944.

Lt. Buddy Rambo wired his parents to meet him in Amarillo, Tuesday night.

Sgt. Jack L. Browder has arrived safely in England, so his parents have been advised.

Elmer Heldreth, seaman second class, left Saturday after spending a 15 day furlough with his mother, Mrs. E. Dickerson, and Mr. Dickerson. Sgt. Earl Heldreth of Fort Sill, Okla., visited here.

Pfc. Deverle Lewis is now located somewhere in the southwest Pacific. He writes his parents that he is well and where he is, it is not so hot.

Miss Jane Brownfield, aviation cadet at Avenger Field, Sweetwater, visited with her family, here Sunday.

T/4 Miner P. Marchbanks called Saturday while the editor was out to renew. He is now located at Camp Barkley, Texas. Sorry I didn't get to see you, lad.

Major Kenneth Lance Turner called his parents, Mr. and Mrs. A. W. Turner, Sunday and stated he was still in the hospital with a bone infection, but was being treated with the new drug, penicillin, and seemed to be improving.

TINY NELSON GETS KICK OUT OF THE HERALD

From way down somewhere near or in Trinidad, West Indies, comes a Masadonian call from old John W. (Tiny) Nelson, who used to make himself more or less useful over at the postoffice. The burden of his communication was that:

The paper is sure appreciated by us boys far from home. He didn't want to miss a copy, so was giving latest address. Late getting here, Tiny stated, but his news to us, and just like a great big letter. Be sweet Tiny, and as Snuffy Smith says keep your eyeballs peeled for any monkey business from Nazis.

A card was received from Jeff Farley recently stating that he was sure appreciating the visits of the Herald. He is stationed at Camp Barkley in a medical training battalion. He was formerly an employee of the J. B. Knight Funeral Home.

Mrs. Harris P. Smith of Costa Mesa, Cal., sent in her renewal this week. She stated that although they had been in California for almost two years, they still appreciated the Terry county news.

HANG ONTO YOUR TIRE INSPECTIONS

The lifting of the requirements of having your passenger tires inspected at certain periods of time, by no means does away with the value of the inspection record. Your tire inspection record is your certificate of title to your tires, and you must present it when renewing your supplementary ration.

And, if you buy or sell a car, you must have the tire inspection record. By all means keep your tire inspection record.

BOARD DEVELOPMENT ELECTS OFFICERS

The Terry County Board of Development, at a recent meeting, elected O. L. Peterman, as president; Lee O. Allen vice-president, and J. Virgil Burnett, secretary-manager, and the following board of directors: Herman Chesshir, Homer Winston, C. C. Coleman, Kyle Graves, Lal Copeland, J. O. Gillham, H. M. Pyeatt, Roy Herod, Jess Smith and Odell Fulton.

It was decided at this meeting that the opportunities of Terry county were too great to remain undeveloped; that there is too much so near at hand to further lag on the job. Their first meeting was held at the Thompson Cafe Thursday noon, to plan and begin operations to further achievements of the county.

Details could not be obtained as we go to press, but will be given next week. Owners who have houses to rent are urged to telephone Mr. Burnett for free service for tenants.

AND SO, THE BIG ONE FINALLY GOT AWAY

Fisherman's luck followed Tom May, Moury Lewis and Bruce Knight far inland, Monday, when after making the biggest catch of their piscatorial career, and on their way home, with four 60 pounder cat fish, and several hundred pounds of the smaller fry, the pick-up belonging to Tom, caught fire on the road near Ft. Stockton, and burned.

This included their bedding, tackle, and all their fish. They salvaged three tires, and fish-hiked their way home, after disposing of the car as junk.

The fish, presumably were well cooked but sans corn meal, salt and grease.

RECREATION NIGHT FOR YOUNG PEOPLE

Each Tuesday evening from 7:30 to 9:30, all young people of Brownfield and environs are invited to attend a recreational program at the Presbyterian church. There will be an adult sponsor on hand at each meeting and you are urged to come and have fun, the recreation hall is open to all regardless of church affiliations.

HUGH COOK, NEW FURR FOOD STORE MANAGER HERE

Hugh Cook, and family, of Plainview, moved to Brownfield over the week end. Mr. Cook is to be manager of Furr Food store in this city. His family consists of his wife, a son, 13, and a daughter, two years old. We welcome this new family to Brownfield.

Mr. Cook has had years of experience in the grocery business, having formerly been employed by Piggly Wiggly. He replaces Harry Stalnaker, who has been manager here since the store opened several months ago.

CHIROPRACTORS TO MEET HERE

About thirty chiropractors of the 15 county district of their association, are expected to attend a meeting to be held here next Sunday. After luncheon at the Thompson cafe, they will hear an address by their President, Dr. McAllister. I. L. Mellroy D. C., is in charge of arrangements.

MUCH DRUNK DRIVING REPORTED BY OFFICERS

Local officers report considerable drunkenness and driving while drunk the past weekend, and it appears to be increasing. No particular reason is assigned for it, unless some people can't stand prosperity.

But it has given employment to the County Treasurer, writing receipts for fines paid. A cafe on the highway sustained a broken window in a fight, Saturday nite, between two men.

BOYCE HOUSE TO SPEAK TO LIONS HERE

Boyce House, well known Texas writer, lecturer and humorist, will speak to the Lions, their wives and guests at the American Legion Hall, Wednesday night May 10th. Lion clubs of adjacent counties have been invited to attend.

Local Banks Show Great Statements

This is the season of the year when banks, as a whole, usually show a slight decline in deposits, owing to the fact that farmers have put most of the year's products on the market, and have little outside of livestock and poultry products to sell. By June of July this decline has just about reached bottom, and with fall deposits begin to rise.

This happens in any community in the south or southwest, in strictly cotton or other agricultural areas, and after all cotton is still the old reliable so far as we are concerned.

True, oil plays a great part in our financial life at the present, which gives a big boost to our bank deposits. But agriculture is the main trend of our population, and perhaps always will be.

We aimed to have called attention to the printed statements of our fine banks last week, when they were printed, and we hope you read them. But, both banks decided right on the spur of the moment to have their statements printed last week, but with the limited help in the office, we had about all we could do to get the statements in, much less write anything about them.

As to the personnel of our banks, better men at the helm of banks do not exist. They are just everyday sort of fellows like you and I. They call most of us by our given names, after knowing us a few months, and the word "Mister" is not appreciated by them from their friends; they are just J. O., Leo, R. M., Dick, Bull Dog, and what have you.

You can't help liking our bankers. There's not a "snooty" one in a carload.

CONSERVATORY DIRECTOR AWARDED NEWTON MEDAL

Austin, Tex., April 25—Dr. Otto Struve, director, of the University of Texas' McDonald Observatory at Ft. Davis, has been awarded the Isaac Newton Medal for 1944, conferred by the Royal Astronomical Society of London, for work on observation and interpretation of the spectra of stars in nebulae.

Dr. Struve, a native of Russia, and former student at the University of Kharkoff, is also director of the Yerkes Observatory, operated by the University of Chicago at Williams Bay, Wis. He became director of the McDonald Observatory in 1939 and has been director of the Yerkes Observatory since 1932.

THE EDITOR LOSES A VERY DEAR FRIEND

Back many years ago there was a very popular song, rendered by neighborhood boys in the old states, "A Boys Best Friend is His Mother." That song is as true today as the day it was written. A man's wife, his children and other close relatives may turn against him, but a boy, a youth, or the young man will always find an abiding friend in his mother.

It so happened that the editor of this paper lost his own dear mother when he was eight, and his father three years later. But, our elder brother had been married several years, and we went to live with them. Our own mother, if she had lived, could not have been more concerned about our welfare. The only trouble was that she failed to use the rod on us sufficiently. That was out, as far as she was concerned.

During the later part of February, we made a trip back to Tennessee especially to see her, as her daughters and grand-daughters had reported to us by letter that she was almost totally blind, and was always wishing she could see me. We are truly glad we made the hard trip, especially hard during war times, and with our advancing years.

On Monday, April 17th at 6 o'clock, p.m., this foster-mother passed on from the effects of a blocked heart that struck her down on Thursday before. Thus passed a true and tried friend, the wife of our elder brother, deceased in '32, Mrs. W. R. (Minnie) Stricklin.

Attorney Carl Roundtree of Lamesa, was attending court here Wednesday.

May Have to Take Drastic Measures About the Dogs.

The rabies situation is not improving in spite of the efforts of the City and Health Department.

We are now getting the rabid contacts to the first dog or dogs who were rabid. Two more known positive cases have developed this week (Tuesday noon) and eleven more people have started taking rabies vaccine for bites or dangerous contacts with rabid dogs.

Most of the citizens of this community are complying with the emergency laws, but there are always a few who do not believe in the laws of God or man, people who place their supposed personal liberty and rights above the safety and security of their neighbors, it may become necessary for the protection of each home holder, that each assist local authorities with any method at his command to rid the city of our present menace.

Our police are doing, in addition to their duties, an excellent piece of work and with complete cooperation would soon have the situation under control, but as stated above, there are some who will not assist us.

The giving of rabid serum is not unattended with dangerous after effects; it's use is painful, expensive and time consuming, which could be put to better purposes at the present time. Rabies serum should be given to each person bitten irrespective of the severity of the bite, and while it is our only treatment, bitten people have died from rabies in spite of having had the rabies treatment.

The cheapest treatment is rigid control of dogs and eradication of those not under control. Cats should also be watched.

Rabies vaccine and dependable information can be had from your local health department in the courthouse.

Paul G. Capps, M. D. Director.

EX-SHERIFF JOE PRICE HOME, LOOKING GOOD

Ex-Sheriff Joe Price, now G. I. Joe, was home over the week end from Fort Sill, Okla., where he is learning to make Uncle Sam as good a soldier, perhaps, as he made Terry county a good sheriff. That's his ambition, anyway.

No longer that he was at home he had to hurry around, certainly, but he made most of the business places, including the Herald office. He still has that friendly grin that would be a problem for a hard boiled drill sergeant to rub off.

Joe said he was getting along fine, but was glad to be home just a wee bit, to visit old friends.

STATE SUPERVISOR OF TUBERCULOSIS ASS'N TO SPEAK HERE

A special meeting of the Terry County Tuberculosis Association will be held Saturday, April 29th, 4 PM, in the District Court room. The State Supervisor of the Tuberculosis Association, from Austin, will be with us on this occasion and will speak for us.

We urge that all members be present, and a special invitation is extended to all to come and be with us.

Mrs. O. L. Jones, Chairman of Terry County Tuberculosis Association.

HEATH BULLS BRING MODERATE PRICES

County Atty. L. C. Heath informed us recently that his dad's sale of fine bulls recently went over OK, but that many of the bulls brought no more than they cost a year ago, not to mention feed bills in the meantime.

The sale was held Saturday, April 15th, at the O. K. Wagonyard. L. C. said he bought one of the young bulls but sold it to another party before it was moved from the lots.

Mrs. B. Stice was in from Route 2 last week, and renewed for her Herald; also one going to her brother-in-law, Pvt. Harold B. Stice, located at Camp Roberts, Calif.

CALLOWAY HUFFAKER
Candidate for District Attorney, whose announcement appeared in these columns last week.

BOY SCOUTS HOLD COURT OF HONOR

Two of the four troops of Boy Scouts held their Court of Honor at the courthouse, Monday night. R. A. Simms and Ralph Bailey, scout masters, officiated.

Awards of First Class was given to three; Second Class to 6; Star to 3; Palms to 4. Merit badges for various achievements awarded to 22 boys. Eagle recognition extended to 2, and Life to one.

Last Tribute Paid To Tub Smith

Cecil Ross Smith, age 19, better known as Tub Smith, prominent young man of Brownfield, passed away Sunday, April 23rd, at Mayo Clinic Rochester, Minn., due to an internal ailment, dating from young childhood.

The body which was returned to Brownfield Wednesday morning, accompanied by his parents, Mr. and Mrs. Cecil J. Smith of this city, lay in state at Brownfield Funeral Home where scores of friends called to pay respect.

Bub was well loved by all, both young and old, and he loved his friends and his family to the extent that he begged them not to grieve for him, that he was not afraid to die. He was a talented musician and contributed to social gatherings and functions of all kinds.

Having been born and reared in Brownfield, he received his education here. He was a member of several organizations; namely, the Boy Scouts, Methodist church, an orchestra, and had only recently been made a member of the I. O. O. F. lodge.

Surviving are his parents, Mr. and Mrs. Cecil J. Smith, a sister, Mrs. Johnnie J. Kendrick and a small brother, Mike, his grandparents, Mr. and Mrs. W. C. Smith of this city and Ross Renfro, of Amarillo.

Out of town relatives attending the funeral were Mr. and Mrs. M. M. Smith and Mrs. Sawyer Graham and son, Mumford Austin, Glendale, Ariz., Mr. and Mrs. Dell Smith and Gloria of Seagraves, S/Sgt Adolphus Smith of the Army Air Base, Bryan, Mrs. Elmo Carver and two children, Mr. and Mrs. Tobe Renfro and two children, Ross Renfro, all of Amarillo.

Funeral services were conducted by Rev. J. O. Quattlebaum, Thursday afternoon at 3 o'clock at the Methodist church. Flower girls were: Jaunda Ruth Turner, Christine McDuffie, Jean Knight, Billie Lackey, Glenna Faye Winston Francis Joyce Rambo, Joyce Dunnagin, Carolyn Harris, Patsy Carter, Patsy Ballard, Barbara Taylor and Billy Finney. Pallbearers were N. T. House, Virgil Bynum, Ches Gore, Lt. Buddy Rambo, Kenneth Jones and Everett Latham.

Special songs were by Mrs. Eldora A. White and Clyde Lewis, and were "Safe in the Arms of Jesus" and "Will the Circle be Unbroken". The choir sang "Rock of Ages" with Mrs. Roy Herod at the piano.

NEW OIL WELL BEGINS OPERATION

Material is on the ground and derrick being erected this week for the oil well test five miles north-east of town, near Challis, drilling to start within the next two weeks, to a depth of 5500 feet. Much interest is being taken by operators and speculators.

Lots of Good Sandies, But the Daddy of All Came Saturday

Just about everything not tied down at both ends was moved Saturday. It was a day for the "littleuns" to get out of the way of the "biguns." We seldom write up a sandstorm, but the one Saturday was so awe-inspiring, so rip-roaring, and its velocity so great, that it really needs two or three columns to do the day justice.

It has been several years since we had one of the flavor that raged all day Saturday. Indeed, we have to go back to the days of the "dust bowl" when it was in its prime; to the middle 30ties. And then, maybe, the wind would have nothing like the velocity it registered Saturday, but with more strangling dust than our old rolling sand puts into the air.

True, there were some clouds, and evidently once in awhile they would try to start something of their own, and get mixed up with the sandstorm, and the mixture of the two made the kids crawl under the bed, as they thought the old man was coming home drunk, again. Friday night, there was a bit of sleet or hail or both, and two or three times there was a brief sprinkle of rain Saturday, but the dust put the quietus on it.

Well, there is just nothing that can be done about the weather, even though we all talk about it, brag on it occasionally, but be mean it mostly. But, it is a notorious fact that when and if we have a lovely February and March, out here on the Plains, look out for April and the first part of May.

You get your sandstorms, late maybe, but you get 'em.

LOCAL FFA BOYS WIN IN AREA CONTEST

The annual FFA Area Contests were held at Texas Tech, last Saturday, April 22. Fifty-one chapters in the area participated, with a total of 364 boys.

The contests consisted of poultry judging, milk judging, grain grading and grain identification.

The following boys from the Brownfield FFA entered the following contests:

Poultry — J. A. Chambliss, Willard Brock.

Milk — Wayland Sanders, Kenneth Burke, Dale George.

Crops — Earl Sears, Norris Kempson, Leonard Ellington.

Brownfield won fifth place in milk judging, and first place in crop contest. A large banner was awarded for the first place winning.

ARMY TRUCK GETS SALVAGED PAPER HERE

Two army trucks from the LAA F base at Lubbock, came down Thursday morning and picked up over 5000 pounds of salvaged paper, assembled at the Judge Neil residence.

Mr. Neill will continue to care for all paper brought in, to the same place, same way, and expresses thanks for the contribution of so many.

COUNTY COURT SUMMONS MAY JURORS

Regular term of the County Court convenes May 10th, at which time several misdemeanor cases are set for trial. The following jurymen are summoned for that week.

Lee O. Allen, Jack Bailey, Ralph Carter, Herman Chesshir, Clyde Edwards, Grady Goodpasture, B. W. Hahn, Spencer Kendrick, Clyde Lewis, Marshal Loyd, Troy Noel, C. H. Heafner, J. M. Burleson, Kenneth Furr, Roy Golden, D. A. Lowe, and O. L. Peterman.

Thos. A. Hicks has recently been promoted to Tech. Sgt. He is with the air force in England.

Agricultural Notes

By Looe Miller, Secretary Terry County ACA.

Taking advantage of the assistance offered under the Agricultural Adjustment Agency's conservation program, farmers of Terry Co. attained marked success in soil-building during 1943, according to a report of the Terry county CA sent in to regional AA A officials at Washington by B.F. Vance, state administrative officer.

Assisted by county and community AAA committeemen and the county administrative officer, farmers of Terry county last year constructed 57,918 feet of terrace on 4 farms; 5000 A. strip farming on the contour on 6 farms; 1464 acres of erosion-resisting crops alternating with peanuts; 1031 acres of erosion-resisting crops alternating with other types of erosion-resisting or erosion-permitting crops; 82,467 of contour isting and contour intertilled crops; 214,174 acres green manure left on land; 11,200 acres of deferred grazing.

Administration of the program was by the county AAA committee, composed of three farmer-elected members. The county is divided into 10 AAA communities, each with 3 committeemen, also elected by farmers. These committeemen assisted in keeping the farmers in their communities informed of all phases of the conservation and war production programs, assisted the county committee in establishing production goals for vitally needed war crops, assisted individual producers in planning farming operations for maximum production and conservation and in reporting performance under the AAA program, arranged and conducted necessary community meetings and assisted in other programs assigned to the AAA.

LOCAL JAYCEES WIN TROPHY AT STATE MEETING

At the State War Conference of the Junior Chamber of Commerce, held at Odessa last week, and attended by some 12 local members, the local Jaycees won first prize for achievement in agriculture, because of the recent Calf Show here April 8th, which they sponsored.

The large trophy will be on display soon, after pictures and cuts are made from it, for publication. The outstanding feature than won first place for the local Jaycees, was the fact of liberal awards they gave boys who "Almost Won," instead of all for the Champion.

It was pointed out that the Calf Calf Shows furnishes home consumption for feed abundantly raised here, and will cause much better beef to be raised, and encourage boys to devote time and effort to more useful and lucrative vocations.

GIRL SCOUTS TO STAGE COURT OF HONOR

Girl Scouts, troops number 1 and 2, and the Brownies of this place, will celebrate their 4th birthday, tonight beginning at 8:30, at the American Legion hall, and are inviting all parents and friends to attend. The girls will furnish program and entertainment of their own making featuring a night club. Aurelia Cobb will be master of ceremonies, welcome address by Delores Gilham, danced by 10 pretty girls, Marion Winger will play Bogie Woogie on piano.

Janet Davis does a good pantomime, with characters played by Lois Jean Watson, Shirley Jean Miller, Patsy McMahon, Elsie Fay Ray, then a spanish dance by Betty Jean Holmes.

Cynthia Tankersley will sing St Louis Blues" Yvonne Forbus will give imitation. A square dance, the Texas Star, by eight pretty girls. The girls will cut a large birthday cake. The hall for the occasion has been elaborately decorated.

DISTRICT COURT IN SHORT SESSION

Acting Judge, J. E. Garland of Lamesa, held court here Wednesday and tried the civil case of John Black vs Terry county, involving alleged road damages.

IT WILL BE A GLORIOUS DAY

When we have won the war and can all return to the American way of life!

Under the regulations imposed on cottonseed products in war time we have done our best to divide our cake, meal, and hulls as fair as possible.

We have received an order from Uncle Sam in the form of a directive from the War Food Administration, telling us to ship our hulls to be used in the synthetic rubber program.

Our supply has been inadequate in face of the need, but our efforts have been sincere and we want our customers to appreciate the handicap under which we are working.

We thank the farmer, dairyman, feeder, and cattleman for their fine co-operation under these trying times, and assure you it is our desire to render high protein service in the traditional West Texas way.

WEST TEXAS COTTONOIL CO.

Congratulations

TO THE CLASS OF '44'

So much depends on you—the youth of our nation! For your educational advantages will better fit you to take part in making the better world that is to follow the war. Just as a sound educational background will better equip you to help fight this war, if you are going forth from classroom to combat duty!

EXPERIENCE ... NECESSARY
"No Experience Necessary" is a common phrase in advertisements in many areas, today; because many lines of business are forced to take unskilled workers. But, everyone knows that the experienced man can produce more when he's working on the job he knows best how to do.
In farming, this is doubly true; and more farmers have the experience and skill to produce cotton than any other crop.
Cotton farmers who have not only the experience, but the soil and equipment that are best suited for this crop, will make their maximum contribution to the war effort by producing more cotton in 1944.

THE OLD JUDGE SAYS...

"We can't argue with the Judge on that point, can we Mabel? It's not fair to penalize the many for the actions of the few."
 "That, folks, is exactly what we would be doing in this country if we ever voted for prohibition again. Authorities who have made a careful study of the problem, report that only about 5% of those who drink abuse the privilege occasionally... 95% drink sensibly. Probably doesn't compare with the number of folks who overeat and do other things to excess. Prohibition certainly

isn't the answer. It's not that simple. We had nearly 14 years proof of that, didn't we?"
 "The real answer is education and better control. In fact, the responsible members of the distilling industry are working constantly toward that end. They don't want anybody to abuse the use of their product any more than the three of us do."
 "If everybody would take that sensible attitude, Judge, and cooperate as more and more are now doing, we'd be a lot better off a lot quicker."

Purr-r-r-s just like Daddy's Car

A sweet-running motor doesn't just happen, especially in a car that is three or more years old. It is the result of the owner's good driving habits, of regular service, and the use of a quality lubricant.

These facts are so clear, so well understood by most motorists, that it is practically a proverb that "good oil is cheaper than repairs." Today, with both practical and patriotic reasons for prolonging the life of every automobile, no sane car owner will risk using anything but high quality motor oil.

That is why his most frequent question is: How can I judge quality? How can I be sure? The answer is easy: Phillips tells you simply and frankly that if you want our best oil, we specify that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists!

These are days when cars must last. Hence experts now recommend changing oil every two months. Do the wise thing, do the safe thing, by asking for Phillips 66 Motor Oil when draining winter-worn lubricant or making regular changes.

 Graduate

Now don't think for a minute I'm actually expecting a gift just because I'm graduating . . . not really. But, if someone really wants to give me something, I do wish they'd look around in the Go're Shop at some of those perfectly adorable clothes and accessories. Seems like they were just made for me!

Such darling little ear clips would be just perfection me don't you think?

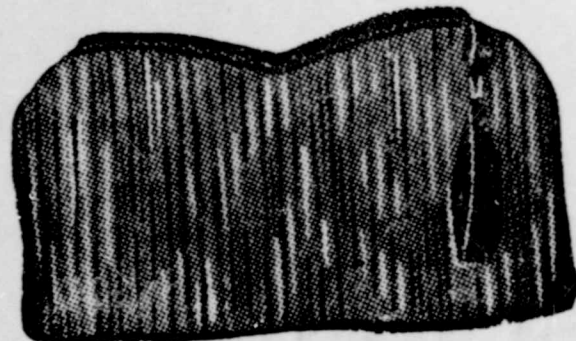

And when you see those perfectly beautiful lapel pins, and think how sweet they'd look on my suits, I just know you'll want one for me.

. . . and Sweaters! How I love sweaters! They've just gobs and gobs to choose from, so you couldn't miss here.

I like to be sure I'm at my best and a good compact sure helps—specially when I can fill it with my very own powder.

I really do need a new bag, and you'll agree these are the smartest little numbers of the season.

I might also add, they have just oodles of . . .

Mrs. Jess Howel now has the Herald going to her sons, Pfc. Wayne D., of Camp White, Oreg., and Ralph W., on the USS Missouri on the east coast.

HARMONY HD'S MEET WITH MRS. JOHN GRACEY

The Harmony HD met in the home of Mrs. John Gracey April 17th, for an all day meeting. Miss Reast met with us and gave a demonstration on making over old clothes. She helped Mrs. Gracey in making over a dress, and showed us a number of bonnet patterns.

The club decided to meet once a month, with an all day meeting, until the busy season is over. The club decided to accept the picnic invitation extended to them by Mrs. Leonard Lang. The club members and their families are to meet at the home of Mr. and Mrs. Lang April 28, and go on his truck to Post, to spend the day.

There were 14 old members and one new member present. We are very proud to gain so many new members, and would like to have as many as will come to our next meeting, which will be May 15th, with Mrs. Paul Gracey. This is to be an all day meeting.—Reporter.

ACE-HIGH MET WITH MRS. SELF

Mrs. Ned Self entertained the Ace-High club with games of bridge last Friday afternoon.

Mrs. Dick McDuffie made high score and Mrs. Jack Bailey second high. Mrs. Frank Ballard won the Bingo prize.

Others present were Mesdames R. M. Kendrick, Lawton Nicholson, Ray Christopher, Troy Noel, and A. J. Stricklin, sr.

PRESBYTERIAN WOMEN'S SERVICE GUILD

The Presbyterian women met in the auditorium of the church Monday afternoon, April 17, at 3 o'clock.

Mrs. James King gave the devotional and was lesson leader in the candlelight service.

Following a short business meeting, Reverend Walker installed new officers for the following year. Mrs. James King was re-elected president; Mrs. Mary Ellen Brown, vice-president; and Mrs. Elbert Swanson, secretary-treasurer.

A social hour followed in the recreation hall.

Next meeting will be May 1, at the church at 3 o'clock.

TUESDAY AFTERNOON CLUB

Mrs. Crawford Burrows entertained the Tuesday afternoon club with games of bridge in her home on East Cardwell street, Tuesday afternoon.

Frosted cakes and cookies were served to Mesdames J. E. Mathews, O. W. Proctor, Frank Szydlowski, Ray Christopher, Oliver Wheat, Mike Blair and Ed Mayfield.

THE PRESBYTERIAN CHURCH NEWS

Next Sunday is visitors day at our Sunday School, and our aim is the largest attendance of the year. The pastor will be out of town and there will be no preaching service. Therefore all are invited to the Sunday School and each member is invited to bring a visitor.

Our community night for young people is getting a good start. The recreation room is open every Tuesday night from 7:30 to 9:30. Various kinds of recreation are sponsored, and all seem to be enjoying this time together. All high school students are invited, and also all junior high school students over 12 years of age.

JOHNSON HD ENTERTAINED BY MRS. BLOCKER

Johnson HD club met in the home of Mrs. W. R. Blocker, April 18th, with the president in the chair. The secretary's report was read and approved. Subject discussed was diseases and insects of poultry.

The president appointed Mrs. Willard Shaver as club secretary, also appointed Mrs. Dona Bench, assistant reporter. Ten members were present, including one new member and a visitor.

Miss Mildred DuBose was the lucky one to receive the new quilt. One will be made each month to raise funds for the club.

Next meeting will be at the home of Mrs. G. G. Gore on May 2nd at 2:30 PM. Our demonstration agent will be with us full of information about preparation of fowls for the home market. Be prepared to tell about the first time you tried to kill a chicken. I imagine this is going to be good.—Club Reporter.

"TEXAS A WORLD WITHIN ITSELF"

The Maids and Matrons study club met with Mrs. Leo Holmes Tuesday April 18th. Mrs. W. B. Brown was program chairman.

Mrs. Roy Wingerd reviewed the book "Texas, a World Within Itself," by George Sessions. Roll call was answered by "Interesting Facts about Texas". There were seventeen members present.

WAR BONDS . . . will help to back the Wacs, Waves and Spars.

SUSAN ANDERSON G. A'S MEET

The Susan Anderson Girls Auxilliary met at the First Baptist Church Monday afternoon at 5 o'clock.

Th G. A. Hymn, "A Story to Tell to the Nation" opened the meeting. A devotional from Psalms was given by Anna Grace Nicholson. The groupe colored some of the standard of excellence. They set Star Ideals, Allegiance and Watch Words. The meeting was dismissed by prayer by Bobbie Helen Brian.

Those present were Juanelle Grenfield, Willa Jobson, Anna Grace Nicholson, Jean Marie Wright, Deenie Ballard, Bobbie Helen Brian, Ruby Burns, Bernice Gross, Alma Faye Baker, Jackie Little and the teacher, Juanda Jean Tyler. There was one visitor, Jane Jobe. Deenie Ballard, assisted.

Wanda Holmes has gone to her home in Alba, Texas, on a sick leave of absence from the office of A. W. Turner, Ins.

FAMILY REUNION

Mrs. Margaret Barton had all her children home last week except Sgt. Vaughn Barton, who is stationed somewhere in New Guinea. Those present were Jodie S2/c of Port Hueneme, Calif., Sgt. Bruce or Camp Atterbury, Ind., Mr. and Mrs. Willie Arnett and daughter, Myrna, and Mr. and Mrs. Jennings Noel and son Jay from La Porte, Mr. and Mrs. Elmo Adair and children from Wellman. It was Jodie's first trip home since he joined the Navy in July 1942. Bruce has been in the field artillery over three years. Vaughan has been in the medical corps over three years.

Misses Martha and Frances Harred have returned after a three weeks visit with their grandmother, Mrs. Lucy Beaver and other relatives at Prairie Grove, Ark.

Mrs. J. D. Pharr and Mr. and Mrs. Randolph Hyman and family visited Mrs. V. E. Perry in Spur, last week end.

Mrs. Duncan Graham and son of Lubbock, visited a few days here with her brother, Mr. and Mrs. W. M. Vernon.

Gardening for Victory

along the Santa Fe

Soon travelers will be seeing plots of beets, beans, tomatoes, corn and other needed vegetables "coming along" on both sides of our tracks.

For once again Santa Fe has made its right-of-way available to its employees for Victory Garden space.

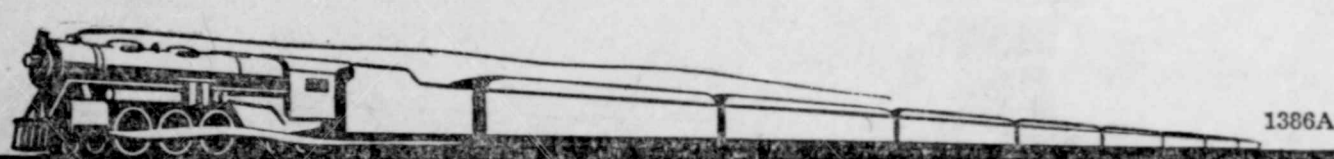

This railroad is heart and soul behind America's Victory Garden project. Not only has land been made available, but we are offering \$2000 in War Bonds to our best Victory Gardeners as an added incentive toward helping "Food Fight for Freedom."

Located as we are "Along the Route to Tokyo," Santa Fe people throughout our 13,148 miles of track can "feel" this war. They are working full hours to move along the never-ending loads of guns, tanks, men and munitions.

Perhaps that's another reason why they're not only working harder on their railroad jobs, but are pretty fine War Bond buyers and Victory Gardeners as well.

It's Santa Fe all the way for the U. S. A!

A Word of Appreciation to Cosden Customers

As you know, it takes gasoline to power a modern war. COSDEN 80-OCTANE ALL-PURPOSE GASOLINE and COSDEN 91-OCTANE AVIATION GASOLINE are helping give the Axis heels a headache.

COSDEN appreciates the faithful patronage of the many thousands of Southwest motorists who express their preference for COSDEN by their purchases, and assures them *even finer* gasolines and motor oils when post-war plans now being perfected can be put into operation—soon, we hope!

COSDEN HIGHER OCTANE GASOLINE

Yes, there's still plenty of COSDEN 70-72 OCTANE GASOLINE for essential civilian driving—and it's GOOD GASOLINE!

WELLMAN CLASS TO PRESENT PLAY

The senior class of Wellman high school will present their annual play, "Cheerio My Dear" in the high school auditorium. The play will start at 9 o'clock, Friday night April 28th. Everyone is invited.

Mrs. Bernice Bevins has returned from a months visit in San Diego, with her husband, Bernard W. Bevins, Seaman 2nd class. Enroute home she visited her sisters, Mrs. T. E. Stucker and Mrs. Shirley Durham, in Los Angeles and Mrs. P. H. Hardin and family of Tulare.

Mrs. U. Sawyer and Fern of Cross Roads, New Mexico, visited with relatives Friday.

CARD OF THANKS

We wish to express our sincere appreciation for the sympathy and kind deeds shown us during the illness and death of our beloved mother and grandmother.

WHY IT PAYS TO FEED WATKINS MINERALS IN SPRING AND SUMMER

Just because it is Spring and grass soon will be up, don't let anyone tell you it is not necessary to feed minerals now. Here's why: A cow producing 40 pounds of milk per day requires 23.3 grams of calcium and 22.4 grams of phosphorus daily—nearly one ounce of each of these important minerals. When her feed fails to supply these requirements, she draws on the reserve supply in her body. This heavy burden frequently causes early breakdown of high-producing cows—one of the major problems of the dairy industry. A cow with calf must get sufficient minerals to supply her body needs; produce milk; and build the body of the unborn calf. See Lewis H. Bates, your Watkins distributor, Lubbock-Seagraves highway
