

Lt. Graham Truckers Gets "Okay" of General "Ike"

Lt. Sawyer Graham writes in from somewhere "over there" to say that he is now getting about three-fourths of his Herald, and he gets six or eight at a time, occasionally. On Sept. 23rd, he received the issues of July 18 and 25th, and August 1 and 8th. He also has a new APO number. Yep, you are right Sawyer, we have to change a mint of them every week, but that's our job, and you boys have a job, too.

By the way Sawyer sent us a clipping from Stars and Stripes, in which General Eisenhower paid a glowing tribute to the army truck drivers, of which Sawyer is an official part, for the way they get supplies, ammunition, food, up to the front. They are called "Red Ball" drivers, you know what that means in railroad parlance.

A picture showed Maj.-Gen. E. S. Hughes congratulating Cpl. Robert F. Bradley, negro, of Lynchburg, V. A., a Red Ball driver, awarding him Bronze Star on behalf of Gen. Ike. Sawyer says 60 percent of the drivers are negroes. Here is a boxed article in the clipping:

No Tape in Red Ball, Congressmen Learn

The Red Ball Express waits for nobody, as 10 junketing congressmen discovered yesterday. Driving from an air field near Paris to Gen. Eisenhower's headquarters, the congressmen were delayed when they had to stop while a Red Ball convoy roared by enroute to the front.

Stice Now Wears Wings and Boots Of the USAP

Pfc. Harold B. Stice, son of Mr. and Mrs. B. Stice of Route 2, Brownfield, has won the right to wear Wings and Boots of the United States Army Paratroopers. He has completed four weeks of jump training during which time he made five jumps, the last a tactical jump at night involving a combat problem on landing.

Jumping at the Parachute School has been steadily developed to a recognized war science. American Paratroopers have been recognized throughout the world for their meritorious action against the enemy.

In addition to producing jumpers, Parachute Specialist Training is given to qualified men in Communications, Demolition, Rigging and Parachute Maintenance, vital skills for Airborne Troops.

Craig Family Receives Gifts From Son

Last week the M. J. Craig family received gifts from their son Robert Lee, Hospital Apprentice 1/C.

Robert Lee served 19 days combat with the Marines on Saipan, and while on the Island, he picked up shells and when he returned to Hawaii, he had the shells made into necklaces for his mother and sister, Jean. He didn't forget his dad, tho', he sent him a Parker fountain pen.

Robert Lee, now 19 years old, finished high school here in 1943, and volunteered to the Navy, September, 24, and was stationed at San Diego. In January he transferred to the Marines.

Mr. and Mrs. Craig have another son in service, Corp. M. J. Craig Jr., age 21, who is stationed at Gallion Field, Boise, Idaho. He is a gunner in the Air Corps. Corp. Craig finished high school here in 1942, and volunteered for C. P. T., where he trained for three months then sent home to wait for his call for the Air Corps.

Cpl. and Mrs. J. H. Hoover are here visiting Mrs. Hoover's sister, who works in the Brownfield State Bank. We understand that Mrs. Hoover will also be employed by that bank, as Cpl. Hoover expects to be called to overseas duty, soon.

Seaman Glenn R. Day In Five Major Battles

Glenn Russell Day, F. 2/C, son of Mr. and Mrs. G. R. Day, graduated with the class of 1940 from the Union High School. His father was the Supt. at the time. He took one year college work in Tech before volunteering in

Glenn Russell Day the navy in October 1942. He also worked for a drug store at Plainview.

Young Day took his boot camp training at San Diego. He has been in five major battles in the Pacific in the past 18 months; Gaum, Saipan, Marshalls, Gilberts and Trarawa. His sister, Miss Evelyn, is bookkeeper and cashier for the J. B. Knight Hardware.

Cpl. Lewis M. Waters Gunnery School Grad

Panama City, Fla., Cpl. Lewis M. Waters has been graduated from the Army Air Forces Flexible Gunnery School at Tyndall Field, one of the largest schools of its kind in the Army Air Forces Training Command.

Upon his graduation, the soldier received a pair of silver wings, signifying that now he is ready to take his place as a member of the combat crew of an AAF bomber.

At the gunnery school he was trained in the operation of .30 and .50 calibre machine guns, first on ground ranges and later in the air, learning by simulated aerial battle conditions, how to blast enemy fighter planes from the sky.

As an aerial gunner he will join thousands of his "teammates of the sky," carrying the attack to the enemy in all parts of the world as guardians of America's heavy and medium bombers.

He is the son of Mr. and Mrs. C. W. Waters, Rt 4, Brownfield.

Sgt. Edsel Miller Is Home After 33 Months Overseas

Mrs. I. H. Miller was surprised last Saturday evening when her son, Sgt. Edsel Miller came in to spend a 30 day furlough, after serving in the marines overseas for 33 months.

Sgt. Miller took part in four major battles, Guadalcanal, Trarawa, Saipan and Tinian. His unit has received two Presidential citations.

After his rest here he will go to a marine corps school at Quantico, Va.

Sgt. Miller finished high school in 1937, and was employed with the AAA offices here before enlisting with the marines, Sept., 1941. He took boot training in San Diego, and sailed in January 1942.

Lions Stage Carnival

The Lions club here will sponsor their annual carnival next Thursday, Friday, and Saturday on the vacant lots just east of the court house. They will have ferris wheel, and kiddie cars and the various other features of a carnival, for the entertainment of the public.

Proceeds, above expenses to be expended by the Lions in charity and civic projects for the benefit of the community.

Chad, Tarpley came in this week from San Antonio, where he received an honorable discharge from the army. He will be employed at the Teague-Ballie Chevrolet Co.

Lt. Fern Green May See Foreign Service

1st Lt. Fern Green, daughter of Mr. and Mrs. L. C. Green of the Union community, PTA of Brooke Field General Hospital, at Fort Sam Houston, expects to go to foreign service soon. She is a graduate in physical Ther-

Lt. Fern Green apy, from the Walter Reed Hospital, Washington, D. C.

After finishing at the Walter Reed, she was stationed at Camp Robinson, Ark., for six months, before being sent to Fort Sam Houston.

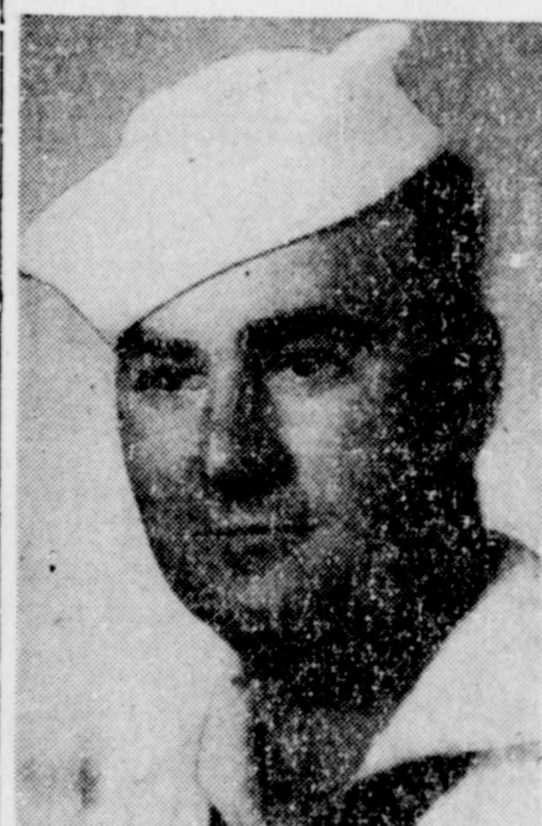

Lt. Green is a graduate of Texas Tech college with a B. S. Degree, and before entering the service was a teacher of Physical Education in the Iran high school.

Local Boy Promoted At LAAF to Cpl.

LAAF, Lubbock, Texas, Oct. 6, 1944.—The promotion of Don D. King, from private first class to corporal, was announced recently at this twin-engine base. Cpl. King, son of Mr. and Mrs. Jno. B. King, 309 East Cardwell, Brownfield, is a member of the field maintenance department at Lubbock Army Air Field.

Corporal L. Z. Barrett, brother of E. V. Barrett of near Tokio, came in last week to visit friends and relatives. He was engaged in farming four years near Tokio before enlisting with the marines August 1940. Corp Barrett served in the Southwest Pacific for 22 months. He will report October 23 to Camp LaJuna, New River, North Carolina.

Sgt. Edsell Miller, Pfc. Stanley Miller, and Mrs. I. H. Miller, left Tuesday to visit their sister and daughter, Mrs. Oscar Sloss, in Shamrock.

JACK STRICKLIN JR. S 2/C

Here is a late picture of the Junior Editor, who is now doing his turn in a print shop somewhere in the area of Pearl Harbor. And he states: "Am better satisfied away from home since they gave me a job I can do."

NOTICE TO HOUSEWIVES:—

Brownie Scout troops 4 and 5 will collect paper bags from the city's housewives this afternoon. Sacks of any kind or size are acceptable.

The girls are endeavoring to make enough money to stage a birthday celebration about the middle of Nov., as their organization will be one year old then.

Patsy Lewis is now employed at the Vogue Fashion Shoppe in Lubbock.

Sgt. Pharr Keeps GI Shoes In Repair

In Combat With The XIV Army Corps Service Command, Southwest Pacific.—Sgt. Travis E. Pharr, 20, son of Mr. and Mrs. John Dalton Pharr of Brownfield Texas, has been awarded a combat star, for participation in the campaign for Bougainville, Northern Solomons. The combat star is to be worn on his Asiatic-Pacific ribbon bar.

A former student at the North Texas State Teacher's College, Sgt. Pharr is now on duty with a Quartermasters salvage repair company. He is a machine mechanic in the shoe repair section of his unit. All kinds of complex shoe machines are kept in constant working order thanks to his ability. The Brownfield soldier plays an important part in seeing to it, that good fitting and well repaired shoes are provided for the jungle soldiers.

Of his 19 months in the Army, the last nine has been spent overseas. For a time he was stationed in New Caledonia. He was trained at Ft. Warren, Wyo., and Camp Ellis, Ill. He also holds the Good Conduct Medal.

His brothers, Robert Pharr, Chief Petty Officer; Otis Pharr, Machinist 2nd class; and Cpl. Vernon Pharr, of the Army Air Corps, make up a team of family men, doing a great share in their country's fight.

Local Boy Cited For Outstanding Service

15th AAF In Italy—M/Sgt. J. B. Kempson, son of Mrs. Bertha Kempson, R. 5, Brownfield, Texas, is serving with a group recently commended for outstanding performances in the European theatre of operations.

As a member of a heavy bombardment B-24 Liberator unit, based in Italy, which has been cited for a sensational success in operations against the rail yards in Bucharest, Rumania, he is now entitled to wear the Distinguished Unit Badge.

This group received its citation for its remarkable feat of destroying 40 Nazi planes of all descriptions while achieving the destruction of the target. More than 90 planes attacked the Liberators, then unscathed, using rocket guns, cannon and machine guns, and ariel bombs in a desperate effort to halt the American bombers. The battle raged for more than an hour and a half and at its zenith, the big bombers dropped their lethal load on the marshalling yards and accomplished the return trip home with a loss of only seven planes.

The unit is commanded by Colonel Thomas J. Gent, Jr., of Victorville, Calif. and has participated in more than 130 attacks against widespread targets in Hitler's dying empire.

WAC Recruiters To Be Here October 20

WAC Recruiting personnel will be in Brownfield Friday, Oct. 20th, for the purpose of interviewing women who are willing to do their part in the present conflict.

Particular emphasis is placed on the need of medical technicians at this time. Colonel Kurtz has expressed the urgent call for 48,000 women to help heal the physical hurts of the men who are every day returning to this country in every increasing numbers. This need increases as the days go by and the army needs women to fulfill this requirement, because of the understanding nature, and the calm, peaceful feeling that only a woman's touch can give to a warped body, mind and spirit. If you are interested in answering this plea for women, please contact the Recruiting personnel at the Post Office, where Lt. Antonelli,

Cpl. Jabe A. Caldwell, Cpl. Rachel Featherston or Cpl. Lorraine Adams will be more than glad to give you the facts. They urgently request that you find out just how important you can become in doing your share to bring victory nearer and nearer.

The Texan's Share In The War

The wives of two of Texas' most famous fighting men have called on the people of the Lone Star state to support the National War Fund campaign which opened in every Texas county and community this week.

They were Mrs. Dwight D. Eisenhower, wife of the supreme allied commander in Europe, and Mrs. Chester W. Nimitz, wife of the Texas naval commander, whose fleets are blasting the Japs in the Pacific.

There is little doubt that the people of Texas will respond to the call, for this state has sent more than its share of soldiers and sailors to war, and Texans everywhere are anxious to give them every possible home-front support.

But more than wishes will be required if the Texas campaign for approximately \$5,000,000 is to go over the top. Thousands of volunteer leaders and campaign workers are giving their time to the drive, and every man, woman and child in Texas must join in the effort if it is to succeed.

War fund dollars go to the support of our own fighting men and their allies, and to alleviate suffering among war victims throughout the world.

War fund dollars provide USO centers for our troops in training camps at home, and send USO-Camp show troupes abroad to entertain our fighting men near every battlefield — often within sound of guns.

War fund dollars provide rest and recuperation camps for our merchant sailors, through United Seamen Service, serving the many men injured while sailing their ships to assault beaches or through war zones.

War fund dollars send games, books, study courses, athletic equipment, musical instruments, and many other supplies to our men in enemy prison camps, to help combat the dread "barbed wire sickness" that threatens their morale.

War fund dollars send food to the helpless children of China, whose parents have been killed and whose land has been ravished by the Japanese.

War fund dollars send medicines, food, clothing and other supplies to the aged and the helpless in areas liberated, areas liberated by our armies, giving new hope to the oppressed peoples while helping our own fighting men restore the areas they have freed from the enemy.

War fund dollars help bring earlier victory, through services to our fighting men and their allies.

War fund dollars give new hope to the entire war-stricken world, and carry the message of Freedom to every remote section of the globe.

Texans, always generous, always in the forefront of every fight for freedom and decency among nations, are responding enthusiastically to the call on behalf of humanity. There is little doubt that in every county and every community, the National War Fund drive will go over the top.

For Texans everywhere are voicing the words of the war campaign slogan:

"Sure, I'll Give a Texan's Share!"

Brownie Scouts Collect 320 Pounds Of Waste Fat

The Brownies troops 4 and 5, assisted by their able sponsor, Mrs. R. A. Crosby, gathered 312 pounds of waste fat from Brownfield's housewives recently, netted them \$21.84. These essential drives are made real often. Save every bit of your waste fat, as it is essential to the war effort.

George E. Beck, Sp. F. 3C, came in Sunday to visit his parents, Mr. and Mrs. J. M. Beck, until Oct. 20. He is an instructor in a fire fighting school in the U. S. naval repair base in San Diego, California.

Terry County Crops Moving

Despite the inclement weather of the past 2 weeks, ginners report over a thousand bales up to Tuesday, and with fair weather predict 1500 by end of the week, which is approximately the same as this time last year. New cotton is being received at the Compress and the Oil Mill has begun operating on this seasons output of seed. All complain however of shortage of help.

Henry Newman of Brownfield Milling Co., Ches Gore of Gore Grain, and Grady Goodpasture of Goodpasture Grain & Milling Co., leading grain men of this county, state they have received ample railroad cars, to move all grain out, so far, ready for more, and have been promised considerably more cars as needed, and believe that shipments will keep pace with harvesting. They have already shipped more than 100 cars of this seasons crop, and expect many more by end of week.

The acreage is much more than last year, but because of late seasons last spring, a large grain producing part of the county, will be late, and frost may be very damaging. The price ranged about \$1.40, but is subject to sudden fluctuations. They also report the grain so far, has rather heavy content of moisture.

Mr. and Mrs. J. D. Gunn, of Nashville, Tenn., came in Monday to visit in the home of their son, Gene Gunn.

Robert C. Cox Killed In Action

R. C. Cox was in Monday and showed us a telegram from the Adjutant General's department at Washington, stating they regretted to have to inform him that his son, Robert C. Cox, Technician Fourth Grade, was killed in action in Italy, on September 23. He was Mr. Cox's eldest son.

Mr. Cox stated that Robert had out of his army pay of about one hundred dollars a month, bought nearly one thousand dollars in war bonds, and had written several times how he aimed to use them after the war. But such is human flesh. It is here today, and gone tomorrow. We can all sympathize with Mr. Cox in his great loss, as well as other folks who are losing sons, brothers or husbands.

Another son, Cpl. James W., is training in the air corps at Platt, Kans. Still another son, Floyd, is working on a ranch at Fillmore Calif.

Promotion Given To Clyde R. Lewis

A Ninth Troop Carrier Base, European Theatre of Operations.—Promotion to the grade of Corporal came recently to Clyde R. Lewis, whose wife, Mrs. Irene Lewis resides in Brownfield, Texas. The announcement of the promotion was made at a Ninth Troop Carrier base in the European Theatre of Operations.

Lewis, who is a motor vehicle operator with the transportation section of a Troop Carrier squadron, serves with a unit which has recently received the Presidential Citation for "performance of duty in action against the enemy on 5, 6 and 7th of June, 1944," in which an "outstanding contribution was made to the success of the initial phases of the invasion."

The Ninth Troop Carrier Command is headed by Major Paul L. Williams, and is a part of the newly formed First Allied Airborne Army now operating in the European Theatre of Operations.

SINGING CONVENTION WILL MEET AT FOUR SQUARE CHURCH SUNDAY

The quarterly meeting of the Terry County Singing convention will meet next Sunday afternoon, October 15th, 2 o'clock P. M., at the Four Square church on the Lubbock highway.

All good singers and lovers of singing are cordially invited to be on hand.

GI Mail Can Be Registered

Certain articles for members of the armed forces outside continental United States will be accepted for registration under a new ruling by the postmaster general, L. A. Greenfield, acting postmaster, said.

Letters or packages containing certain articles addressed to persons receiving mail through Army postoffice outside the United States will be accepted for registration if they contain:

1—Valuable or important papers.
2—Small articles of intrinsic value. (Registered articles must be sealed and bear first class rate of postage and be prepared adequately for overseas shipment in parcels weighing not more than eight ounces. After Saturday the articles must be specifically requested by the addressee.)

The registration service is intended to cover the mailing of such items as watches, eyeglasses or fountain pens, especially desired and not readily available overseas. It does not cover foodstuffs.

Indemnity is payable when applicable.

During the period ending Saturday the requirements of a request from the serviceman will be waived when accepting registration letters or parcels addressed to overseas Army postoffices.

After Sunday packages or letters weighing not over the 8 ounces maximum and containing the small articles of intrinsic value will be allowed only upon request of the serviceman or woman. The letter of request must be presented at the postoffice with the package.

The exportation of currency to most overseas postoffice's is prohibited, Greenfield, said. "It is not advisable to enclose currency in any letter," he added. The use of money order service for remittance is recommended.

Arvil J. Glover Missing In Action

Mr. and Mrs. J. A. Glover recently received word that their son, Pfc. Arvil J. Glover, was missing in action, over France, on August 12.

He was employed at the Chisholm Implement company before being inducted into the army.

Mr. and Mrs. Glover have one other son in the service, 75 Sgt. Ben Glover, who is somewhere in the South Pacific.

County Survey To Be Made By Rotary Club

"Jobs for the boys who return from service!" In a nut shell these words explain the purpose of the all-inclusive survey that is to be made by the Brownfield Rotary Club. In fact, work necessary to the survey was actually begun on Tuesday, Oct. 2, when the steering committee met with Evert Latham, Rotary President, at a 7 o'clock breakfast held at Thompsons Cafe.

Out of the discussion at the meeting, came the decision to make the survey an all-inclusive one—that is, to secure all data possible which might determine Terry county's need for the post-war period. In order to accomplish this, it was decided to use three different questionnaires: the household, the commercial, and the farm. The idea in each case is to determine the needs for the post war period, so that plans may be made to have jobs ready for the boys when they return after the war.

The steering committee, consisting of W. M. Vernon, chairman, C. G. Griffith, Evert Latham, Riley Carlton, and O. L. Peterman; will be assisted by W. R. McDuffie, J. O. Gillham, Vernon Brewer, V. D. Armstrong, J. T. Jones and Hamilton Still. The schools of the county will also be asked to help with the distribution of the questionnaires.

Terry County Herald
Brownfield, Texas

Entered as second-class matter at the postoffice at Brownfield, Texas, under the act of March 3, 1879.

American Press Ass'n

225 W. 39th St New York, N. Y.

The Good Old Party is feeding the press with plenty ads these days for us to get someone to underwrite and pay for. The Herald is just not interested. War Bond or USO drives are just about all the "we the undersigned" ads we solicit these days, as the business men here are getting fed up on such tripe every week without measure. But as long as this war lasts, we'll try, for the boys sake "over there" to get up a war effort ad now and then. But we are not interested in asking any one to underwrite an ad for either party. When some of the big Wall Street fellows send us GOP ads, and S.

Hillman and his bunch decide to underwrite a few inches of advertising for the old Donkey party, we may become interested. Otherwise, we'll enjoy sauntering up the street and getting a cupa Arbuckle, better.

Since all the big mags, as Walter Winchell calls them, together with the metropolitan daily press have come out for Gov. Dewey for President, it would be well for us middle class Americans to steer clear of that crowd. And, on the other hand, just note the crowd you line up with if you are for FDR—the reds, the blacks and tans. So, what is the plain average, so-called white collar guy and farmer to do? That is a sixty-four dollar four bit question, as sure as you are my Uncle Fuller. Just to be heartlessly plain, we think politics in this country of ours has us in a mellofahes. Talk about the poor down trodden negro. He is in hog heaven beside the step down the southern white man and woman has taken. We just don't seem to have a friend either north or south of the Mason and Dixon line. If we quit the so-called Democratic party for the GOP, it will be leaping from the frying pan to the fire.

There is no question that the newspaper situation is getting serious, else such papers as the Dallas News and Star-Telegram would not be cuttin some of the week day editions to six and eight pages to keep within

their quota. With this in view, we do not look for any bargain rates this fall. After all, is not a newspaper worth just as much in July as it is in December? If not, why not? Even the smaller papers like the Herald, while are getting all the paper they order—finally—sometimes, y e s, most of the time for the past year, have not received all the paper we order at one time. While our jobbers have taken care of us nicely, we remember one time they had to pick up part of our order somewhere else. While that time has not point that weekly newspapers arrived, it may come to the will have to quit taking more subscriptions. But that time has NOT arrived, yet. But if it does, we promise this: Our home town and home trade territory readers will be taken care of first.

In one of his late tirades, Drew Pearson, syndicate writer for the dailies, seemed all worked up and hot and bothered, with a possibility he couldn't keep his shirt on. The reason was that he thought A. Hitler was going to escape all unpunished. Pearson entioned the fact, or perhaps a fact, anyway, that Adolph was not on our crime list, nor the British war criminal list, and stated that some of the London papers had intimated that the English "legal forces had bogged down." That there was no law; nor precedent, or something like that. As far as we are concerned if the US or Britain are

The Nation Loses Two Great Men

In the space of two weeks, the nation lost two of its leading citizens, Alfred E. Smith, democrat and Wendell Willkie, republican, both of whom switched parties on occasion, just as FDR has done. No matter whether we agree with them or not, we have to admit in this hour of sore trial, the nation can ill afford their passing.

Al Smith, reared by a widowed mother, had to quit school at an early age to support the family. Yet, he went to the top in his State, New York, being elected its governor four times. He was defeated for the presidency in 1928, partly because he was an anti-prohibitionist, but mainly because he was a Catholic. He was defeated by Herbert Hoover, who served only one term, to be defeated by another wet, President Roosevelt.

Mr. Willkie was little known in the nation prior to 1940, but without doubt, he put up the best fight against the third term for FDR of any living man in America, under the circumstances. No one ever had to guess where Mr. Willkie stood on any question, and he was more nearly like Mr. Roosevelt than old line Republicans on foreign affairs. He was in every sense an internationalist.

Neither Al Smith or Wendell Willkie could, by any stretch of the imagination, be classified as isolationists. Both were true, red blooded Americans. Peace to their ashes.

Malcolm Scales Writes From Somewhere Overseas

Had a V-mail recently from Sgt. Malcolm Scales, in which he affixed no date, but started it "In China." Being in the Air Corps, one may guess pretty well where Malcolm is located. He is with the 47th Photo Laboratory section. He says:

Have been receiving my Herald's very irregular lately, but the ones I am getting are very welcome. Maybe the missing ones will show up some time, so that I'll get at least two a month, and I guess I'm pretty lucky to get that many of them through.

I hope you are enjoying better health now, and will put out an edition to tell of the victory over Germany. Write again Malcolm, and we hope it won't be too long before you read your Herald right here in good old Terry.

Corporal Edgar Self left Tuesday after spending a 15-day furlough with his parents, Mr. and Mrs. Ned Self. Corp. Self is stationed at Camp Roberts, Calif.

A. W. Turner left Wednesday morning to attend business in Dallas.

afraid of getting their feet wet in deep water, we are in favor of turning the whole thing over to a gentleman by the name of Joe Stalin. If there is no law in Russia to shoot, burn, hang or guillotine a war criminal, Joe can pass a law in fifteen minutes to take care of that matter. Why worry.

Local Spanish-American Fights In Rainbow

From the headquarters of the famous Fifth Army in Italy, came quite a boost for one of our local boys of Mexican decent, Pfc. Frank Garcia, who is listed as an automatic rifleman. He is in what is known as the Rainbow regiment of General Clark's army. His colonel is Henry C. Hine of Livingston, N. J. This regiment has been hitting the Huns for a long time, beginning in North Africa. His regiment, the 168th, has received 8 DSC's; 147 Silver Stars; 109 Bronze Stars, and 4 soldier Medals, and in the Italian campaign alone had received 3024 Purple Hearts and Clusters.

Mr. and Mrs. J. O. Green of Lubbock visited in the home of Mrs. Green's sister, Mrs. O. L. Jones, Sunday.

Corporal Olen Evans of Lubbock army air field visited his parents, Mr. and Mrs. Elco Evans Tuesday.

The normal pressure of the air at sea level is 14.7 pounds per square inch or more than 2,100 pounds per square foot.

NOTICE IN RE GUARDIANSHIP OF A MINOR

In Re Guardianship of Wanda Grigg, a Minor, in the County Court of Terry County Texas:

To all persons interested in the above minor person or estate: You are hereby notified that I have on this the 10th day of October, A. D. 1944, filed with the County Clerk of Terry County, Texas, an application under oath, for authority, to make an oil and gas and mineral lease, on said minors 1/10 interest in and to the SW. 1/4 of Survey Number One Hundred and Forty-Four, (144) of Block D-11, 160 acres of land in Terry County Texas.

That C. L. Lincoln, Judge of the County Court of Terry County Texas, on the 10th day of October 1944, duly entered in his order, designating the 23rd day of October, 1944, at 10 A. M., in the County Court room of said County, at such time and place, said application will be heard.

Along the "Route to Tokyo"

13,147 miles of track serving the Southwest Santa Fe, as the map above shows, is an important lap on the "Route to Tokyo."

Curves have been ironed out so trains may get around them faster.

New Diesel "head ends" are pulling bigger loads up mountain grades.

Ingenious Centralized Traffic Control Systems have been installed at important points so the same rails can carry 50 per cent more traffic.

A new Santa Fe bridge is now being built across the Colorado River.

We have enlarged our capacity to meet the increasing loads of war. There will be no slackening of our job until the war is completely won.

I GIVE YOU TEXAS

At least this war has produced one good result: when you buy a new shirt it is held in its folded condition by bits of gummed paper instead of by innumerable pins. The only way to find all the invisible pins was to put the shirt on—and get scratched in three or four places.

All of us talk sentimentally of "the little red schoolhouse." As a matter of fact, I don't know of a single such schoolhouse in the State through I have seen countless little white schoolhouses.

Likewise we speak of the "blue-backed speller" but the one that I studied and this was almost 40 years ago—had a red back.

It takes more than a ton of gasoline to "deliver" a ton of bombs—or another.

Since 1942, the output of 100 octane aviation gas has increased eightfold and it requires almost twice as much crude oil to produce a gallon of 100 octane gas as it does to produce a gallon of regular automotive gas.

Training one pilot uses more gas than the average car owner

would burn in 18 year. In one hour, a Flying Fortress consumes enough gasoline to last the average motorist six months.

These are some of the facts pointed out by District 3 product of the Petroleum War Industry in its campaign to acquaint the public with the need for conserving gasoline and to eliminate the black market. The committee declares: "Fighting forces must come first and will get what they need. As a result, the home front will get less than it wants; and the biggest part of the home front allotment must go to essential needs—farms, trucks, buses, industry

doctors. Needs of this group are imperative; they are the supply line to victory."

The Temple Telegram called these gems from relief workers' case reports in Texas:

"Man has ulster on his stomach."

"These people are extremely cultured. Something should be done about their conditions."

"Milk needed by baby and father unable to supply it."

"Man hit by automobile—speaks broken English."

HARMONY HOME DEMONSTRATION CLUB

Mrs. Jewel Bell was hostess to the Harmony Home Demonstration club, Oct. 5th.

Roll call: The Type of Dress I Like Best.

Demonstration: Types of Clothes for Different Occasions.

Election of officers for the year was at this meeting and were: President, Mrs. Paul Gracey; Vice President, Mrs. Jewel Bell; Secretary, Mrs. W. A. Gill; Treasurer, Mrs. H. F. Briganee; Council Delegate, Mrs. Claud Garrett; Parliamentarian, Mrs. John Gracey; Reporter, Mrs. R. E. Townzen.

A delicious up-side down cake, coffee and tea were served to Murry, O. O. Miller, G. E. Kissinger, John Gracey, Paul Gracy, W. A. Gill, R. E. Townzen, and Mrs. C. E. Bartley.

Our next meeting will be in the home of Mrs. W. A. Smith.

Reporter

Dr. A. F. Schofield left this week for a long needed vacation and rest.

GUN MOLL

EDITH ARNOLD, "the best gun moll in the business," has bumped off more than 200 guys in the last four years. But Edith, who has two degrees in philosophy and studies metaphysics as a hobby, is not really tough. It's just the part she has played each day night for the past four years in the CBS radio show "Crime Doctor."

Herald \$1. Per Yr., Terry County

Mrs. Tom Howard came in recently to get their Herald changed to Hot Spring, N. M. where they were moving to make their new home. Mrs. Howard said they would engage in the feed business. The Howards are highly esteemed pioneers of the Needmore section and will be greatly missed.

Mrs. C. C. Ward of Amarillo, has returned home after a visit with friends and her daughter, Mrs. Leonard Chessfir.

Mrs. L. T. Redding had us send Herald to husband, Seaman First Class, L. T. Redding, who is on USS Sirius, somewhere in Pacific zone.

Mrs. Brit Claire was in last week and stated that her nephew Pvt. Duane Dumas, was being transferred from Camp Hood, Texas, to Camp Van Dorn, Miss., and had written her to have his Herald changed so one would be there when he got to his new camp. Well, here she comes, Duane.

12,000,000th Member

The twelve millionth member of the Boy Scouts of America since it started nearly 35 years ago is 12-year-old Preston Ellsworth Koentop (above) who is doing a man-sized job, handling tractors and other farm machinery on his father's 151-acre farm at Brandon, Wis. His dad was a Boy Scout in the same town just 30 years ago. Typifying the average American boy, the twelve millionth member was the guest of national rural and Boy Scout leaders at a luncheon in Chicago and spoke on a coast-to-coast book-up with Burrige D. Butler, Editor and Publisher of "Prairie Farmer", Wheeler McMillen, Editor of "Farm Journal and Farmer's Wife", both members of the National Committee on Rural Scouting, Walter W. Head of St. Louis, President of the Boy Scouts of America and Dr. Elbert K. Fretwell, Chief Scout Executive and Editor of "Boys' Life."

THE LOW DOWN FROM HICKORY GROVE

You know, these lawyer persons in the Govt., who have been saying the railroads are a bad lot and should be put in jail, are talking through their cheapeau.

I can talk when it comes to railroads. Worked for the Santa Fe quite a spell, inspecting electric wires and such, so as to make 'em safe against causing fires—and being one month in Texas and next in Iowa or New

DO "PLATE-SORES" BOTHER YOU?

Nelson-Primm Drug Company

Mexico, etc. But Susie and myself, we are fixin' to get married—she is a Topekaite—and since I couldn't take her along when I was crawling around oil road-houses or tug boats on San Francisco Bay, I ups and quits the road. But if there was ever a nice outfit to work for, it was the Santa Fe. Those boys savvied railroading. Some of 'em I reckon were Republicans and some were Democrats, but their job was railroading—not making speeches. Govt. ownership and a swivel chair for himself, is what is in the back of these political lawyer's beans, while they lamblast the roads but talk sweet to the voters, telling us how they stay awake nights and worry about our welfare.

Yours with the low down

A Time for Planting . . .

THE broad lands of Europe and Asia, freed of the oppressor, can now be planted again. The farmers in Russia and Poland and other ravaged countries can raise food to banish the specter of starvation . . . if they get the seed.

You can help them make their fertile acres fruitful once more. You can bring them new hope, new faith, and a chance to grow their daily bread. You can help—with your gift to your local War Fund this year.

Through this fund, not only is seed provided for fellow farmers, but a host of other kindly things are done for our own and our allies all over the world.

This once-a-year war drive provides such vital necessities as books and sports equipment for prisoners of war; entertainment for millions of Ameri-

can boys through the U. S. O.; medicines and surgical equipment for our fighting allies; aid for struggling China; help to men of the merchant marine who often lose all their possessions to the hungry oceans.

The money you give will yield many-fold. Give once—and you give to many organizations engaged in sowing good will. The need this year is very great. Won't you try to increase the amount you gave last year?

BIG REFINERY TOWER MAKES TRIPLE LOAD

The Santa Fe used three flat cars to move this 500,000-pound fractionating tower from Tulsa, Okla., to an undisclosed out-of-state plant, where it will be used in the manufacture of butadiene for synthetic rubber. The huge pressure tank was the largest ever built in Tulsa, and the largest ever shipped in a single piece on any railroad. The load was 150 feet long; 13 feet, 6 inches wide, and 20 feet, 6 inches high. These dimensions called for a special routing in order to clear bridges, viaducts and other structures along the way, and at one point it was necessary to lower the track a few inches to get the shipment through. The two end cars which bore the brunt of the 250 tons, were fitted with pivoted cradles to allow the load to take curves. Movement of this unusual war-time cargo was in daylight only and at restricted speed.

ASK THE NEWSBOY

The success of any enterprise in a free country is in direct proportion to the service rendered. Anyone who has done a day's work should realize this basic truth. Ask the newsboy how he gets and keeps customers. If he is a successful newsboy, his answer will be the same as that of the president of the largest corporation. It is just that simple.

New industries are the results of someone figuring out a way to supply something the public wants. A hundred years ago a train conductor saw the need of speedy transportation of certain types of perishable or valuable commodities. Out of his idea, the Railway Express Agency developed. While it carries the name of railroads, it does not confine its activities to moving goods by rail. As in beginning, its primary objective is to render a special fast shipping service to the public, regardless of the means of conveyance.

When the potentialities of air transport were recognized, air express were established. Packages can now be shipped by air from thousands of off-airline points. Every railway express office is an air express office. Parcels marked for air express travel by rail to the nearest airline and are transhipped.

Without stopping to consider the newness of air transport, some so-called "experts" occasionally point to the volume of

MEANING OF GOOD MANAGEMENT

The most amazingly successful management job in history was the preparation for opening of the second front. For sheer efficiency, it resembled the working methods of industry here at home. Men and materials were assembled at the right place at the right time to do a specific job. In the handrum existence of peace time, this organizing genius, traditional to the United States, never seemed very important. Management was often derided. But suddenly when our armies hit the beaches of Normandy, everyone prayed that nothing had been overlooked. They prayed that management in industry, in government and in the army had done a good job. Countless lives depended on good management.

If a single phase in the management of the invasion had failed, the whole project would have been thrown out of gear. For instance, thousands of land, sea and aircraft, from giant tanks, jeeps, airplanes, and battleships, had to be fueled and ready to go on the instant of H-Hour. Fueling and lubricating the invasion was up to the American oil industry. That task has become known as the "biggest filling station" operation in history. It was done without a hitch, thanks to the good management of the oil men.

After the war is over, good management will be needed to keep the industry going in the tough days of reconversion. It will be needed not only in the oil industry, but in mining, transportation, electric power, and every other enterprise. It saved lives in the invasion. In peacetime it will save jobs. There is no better manager than the independent American business man. We should remember this in the days to come.

Major and Mrs. Jerome Kirschner and small daughter, Barbara Kay, visited in the home of his parents, Mr. and Mrs. Sam Kirschner, recently while enroute from Ft. Sill, Okla., to Camp Coffee, Fort Smith, Ark.

Mrs. Tobe Howze and Mrs. Mark Olsen left Tuesday for California to visit their son and brother, Bobby Jones, who has just completed his boot training in the marines.

Mrs. T. L. McClure of Odessa, left for home last week, after visiting here with her father, W. C. Clark.

Mr. and Mrs. Jack Griggs and children spent the weekend in Abilene with her mother, Mrs. George Allen.

LT. FIFIELD VISITS HIS AUNT, MRS. MCBURNETT

LT. M. F. Fifield, USN., lately returned from 17 months of service in the South Pacific, and his mother, Mrs. M. F. Fifield, of Albuquerque, N. M., visited Mrs. Fifield's sister, Mrs. A. M. McBurnett, Sunday. Lt. Fifield was enroute to Washington, D. C., where he is stationed.

air express shipments as compared to rail express, and infer that the railroads are being favored. Thus, they show their ignorance. Air express will expand as rapidly as demand and facilities permit, because express, like the airlines, the railroads, or the corner grocery, must give the public the service it wants, if it is to survive. It lives by the same rules as the newsboy.

THE GA'S MET MONDAY

GOMEZ HD MET WITH MRS. KELLIE SEARS

The Gomez Home Demonstration club met September 28 in the home of Mrs. Kellie Sears.

New officers were elected for the coming year. Mrs. Kellie Sears president; Mrs. Kenneth Hodges, vice-president; and Miss Ida Leach, secretary and treasurer. The Gomez club will have a display of canned foods on exhibit at the J. B. Knight hardware store Saturday, October the 14th.

The next meeting of the club will be with Mrs. Roy Heart-sill October the 12th.

All members are urged to be present.

Reporter.

Modern girls wear less on the streets than their grandmothers did in bed.

"I'm in a Cold Sweat!"

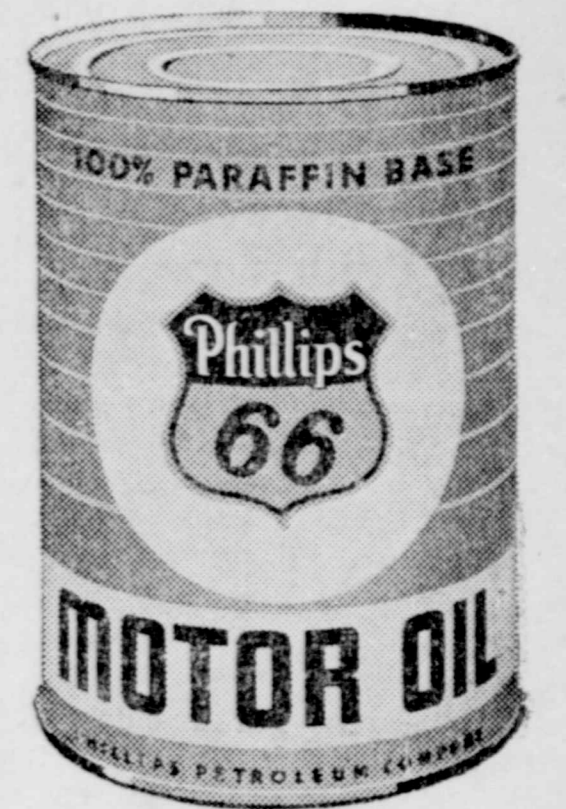

FEAR IS WHAT DOES IT, and many a car-owner has felt that freezing chill this summer, when a sudden, new noise from his motor has filled him with dread that his car was chugging its last.

There's nothing like that fear to make a stupid driver resolve to follow better driving practices. The intelligent motorist needs no such warning; and he always makes certain that the motor runs only with quality oil in the crankcase.

Obviously there are a number of such oils. And to help you select one of them, easily and with certainty, Phillips gives you these facts:

Phillips offers a number of oils because car-owners' preferences and pocketbooks vary. But when you want our best oil, remember Phillips tells you frankly that Phillips 66 Motor Oil is our finest quality . . . the highest grade and greatest value . . . among all the oils we offer to average motorists.

It's good for your motor, under today's reduced driving conditions, to change oil every two months, say experts. For that change, and for seasonal draining and refilling, you make sure of getting a quality lubricant, when you simply say: Phillips 66 Motor Oil.

It's Phillips Finest Quality

PROVED IN 50 BILLION MILES OF SERVICE

THE OLD JUDGE SAYS...

"We can't argue with the Judge on that point, can we Mabel? It's not fair to penalize the many for the actions of the few."
"That, folks, is exactly what we would be doing in this country if we ever voted for prohibition again. Authorities who have made a careful study of the problem, report that only about 5% of those who drink abuse the privilege occasionally...95% drink sensibly. Probably doesn't compare with the number of folks who overeat and do other things to excess. Prohibition certainly

isn't the answer. It's not that simple. We had nearly 14 years proof of that, didn't we?"
"The real answer is education and better control. In fact, the responsible members of the distilling industry are working constantly toward that end. They don't want anybody to abuse the use of their product any more than the three of us do."
"If everybody would take that sensible attitude, Judge, and cooperate as more and more are now doing, we'd be a lot better off a lot quicker."

This advertisement sponsored by Conference of Alcoholic Beverage Industries, Inc.

Mom Flint Sends Herald to Her Boys

Mrs. W. M. Flint, who lives north of West Point school house in Lynn county, together with four of her daughters, called Saturday afternoon to get the Herald going to two of her sons in the Navy, Jake Flint, F. 1/C, on USS Reid, and B. J. Flint, Coxswains on the USS Yakutat, both boys operating in the Pacific zone.

Mrs. Flint stated that both her sons wrote her to send them the Herald, she got the letters the same day. The Flint family formerly lived in the Union community, and have always done their trading in Brownfield, is the reason the boys are partial to a Brownfield paper.

SANTA FE CARLOADINGS

The Santa Fe carloadings for the week ending October 7, were 24,937 compared with 22,763 for the same week of 1943. Cars received from connections totaled 17,404 compared with 14,933 for same week in 1943. Total cars moved were 42,341 compared with 37,696 for the same week in 1943. Santa Fe handled total of 41,830 cars in the preceding week of this year.

Outlook On Scarce Items

What's the outlook for household items that need replacing? Well, it's pretty spotty.

First about electric irons—The Texas A. and M. Extension Service has been advised by Washington agencies that some irons are being delivered to wholesalers and we can expect more in the months ahead. Incidentally, if you need one and are lucky enough to find one, you'll find the price about the same as you used to pay. The ceiling is based on March, 1942.

Since old age is creeping upon washing machines, sewing machines and vacuum cleaners, the War Production Board is permitting manufacturers to make larger quantities of spare parts for repair purposes. That truly is good news. A limited quantity of household screening is being released to civilians. Since no more is being made just now, you can't expect to find much, even if there is a hole in your screen door big enough for the cat to come through.

Now for one of the darker spots in the picture. You can expect to have continued difficulty in finding bedding fabrics, ticking, upholstery and bedspreads. The reasons are greater military demands for tent materials and shortage of manpower at the mills. Practically all the looms are working on ducking and duck substitutes to fill army orders. The only bright spot in this situation is that the wool and mohair situation is easing up. Soon you should be able to get wool upholstery, for instance.

Jaunice Johnson, of Newsome, Texas, has accepted a position with Stanolin and will make her home with her aunt, Mrs. A. W. Turner.

SPENCER APPOINTED AGRICULTURAL DIRECTOR

Dallas, Texas, Oct. 11.—C. B. Spencer, Temple, assistant state conservationist, Soil Conservation Service, has been appointed Agricultural Director of the Texas Cottonseed Crushers Association, effective Jan. 1, Jas. D. Dawson Jr., Houston, president, announced here today.

Spencer will work with Texas agricultural, educational and business organizations to enlist widest support for sound policies to increase farm income, rebuild soil fertility, and develop balanced farming and livestock production built around cotton as the state's major cash crop and source of needed feed and food.

MRS. W. B. TOONE OF DALLAS MEETS OLD FRIENDS

Last Wednesday from 4 to 6 o'clock, neighbors of Mrs. W. A. Bell called to see Mrs. W. B. Toone, who is visiting in the Bell home from Dallas. Mrs. Toone was happy to greet her old friends and neighbors. Cake and punch were served.

Corp. J. K. Woolsey of Camp Polk, La., came in Friday to visit his sisters, Mrs. Daniel Davis and Mrs. Spencer Kendrick while on a 14-day furlough.

Hospital Notes

Surgical patients: Mrs. Grady Sherron, Tokio; Mrs. J. C. Johnson, Plains, Texas; Mrs. K. M. Marshall, Silverton, Texas; Mrs. H. H. Roller, Brownfield, Texas; Mrs. Rebecca Ballard, Brownfield, Texas; and Mrs. L. D. Culbert, Brownfield.

Births: Mr. and Mrs. H. E. Robbins of Brownfield, a boy, Oct. 11; Mr. and Mrs. Joe Bridges, Sundown, a girl, October 9; Mr. and Mrs. W. P. Schultz, Brownfield, a girl, October 6.

Accident: Charles Jenkins of Brownfield, October 2.

Medical: C. G. Griffith, Brownfield, October 11.

Mrs. J. S. Webb will leave today for her home near Hereford, after being confined to the local hospital for six weeks.

Pfc. Harold Stice has finished his paratroop training Sept. 30, at Fort Benning, Ga., and is visiting his father, B. Stice, on a 10-day leave. He will report back to Fort Benning for advanced training.

INTERESTING FACTS ABOUT RAILROADS

Railroads since 1921 have made capital expenditures of 12 billion dollars for improvement in cars, locomotives, road beds, signaling, terminals, and other purposes, having to do with transportation.

The amount of taxes paid by Class I railroads in 1943 exceeded their net income in that year by approximately one billion dollars.

The average distance a freight car now moves per day is nearly twice as great as it was in 1920.

A letter and remittance for another year of the Herald, came in from Dr. M. C. Bell, out at Quemada, N. M., this week. He reports much too dry weather early, but good rains finally came, and they have good grass and fine wheat planting season.

Cpl. and Mrs. Don King and Donna of Lubbock will visit in the home of his parents, Mr. and Mrs. John B. King, this weekend.

Future Homemakers Chapter Organize at Brownfield High

The Home Economics girls of Brownfield met October 4, in the high school auditorium for the purpose of organizing a local Future Homemakers Chapter for the coming year. The following officers were elected: President, Glenna Winston; Vice President, Charlotte Bennett; Secretary, Oleta Day; Reporter, Jean Garnett; Parliamentarian, Daina McIlroy. The club plans to meet the first Monday in each month, as do the F. F. A. boys, to discuss their plans of socials and other points of interest.

At this meeting Ganelle Newman was elected to represent the Brownfield Chapter in this area as recording secretary. The officers for the district chapter are selected by schools from their local clubs. The First District council meeting was held in the homemaking department at Tahoka High School, Saturday, October 7, 1944. Schools represented with their sponsors and officers were: Tahoka, Lubbock, Spur, Post, Aspermont and Brownfield. Those representing Brownfield were Ganelle Newman, secretary and Mrs. Jake Gore, sponsor.

A luncheon consisting of sandwiches, salad, pickles, potato chips, punch, ice cream and angel food cake were served to the officers and sponsors present. Business was transacted by the council and plans for the coming year formed. The next meeting date will be March 3rd, at Tahoka to finish up the year's work.

Jean Garnett, Reporter

LT. HERRON AND MISS MYRTLE G. SHELTON WED IN ABILENE

Lt. Gerald W. Herron, son of W. A. Herron, of this city, and Miss Myrtle Glynn Shelton, only daughter of Mr. and Mrs. Sim Shelton of Abilene, were united in marriage last Saturday evening at 8:30 o'clock, in the home of her parents, with Dr. J. O. Haynes, pastor of St. Paul's Methodist church, officiating.

W. A. Herron and son, Logan, of this city, attended the wedding.

THE LOS AMEGAS CLUB MET WITH MRS. LATHAM

The Los Amegas Club met with Mrs. Evert Latham, Thursday evening.

Mrs. Hartwell Mnnick scored high and Mrs. Ike Bailey scored second high in games of bridge. Sandwiches, angel food cake and cokes were served to Mmes. Mnnick, Bailey, Anthony, Zorns, Noel, Huckabee, Tarpley, Kendrick, McDuffie, Mason and Copeland.

DELTA HAND CLUB MET WITH MRS. M. BLAIR

Mrs. Jack Benton scored high and won a pottery pitcher, and Mrs. Ed Mayfield won pottery vases for second high in games of bridge, when Mrs. Mike Blair entertained the Delta Hand club, last Thursday evening.

A sandwich plate and hot coffee, were served to Mmes. Benton, Mayfield, Aven, Brown, Hahn, Webb, and Burrow.

CEN-TEX HARMONY CLUB ENTERTAIN WITH TEA TRI-COUNTY MEETING

The Cen-Tex Harmony club will entertain with a tea tomorrow at 3:30 o'clock at the Presbyterian church to honor the Tri-County Music club, which include Seagraves, Plains, and Brownfield. Each club will present several numbers.

Mrs. Ola Wall left Wed. to visit friends in Eunice, N. M.

Ladies In Meeting Sunday to Pack Overseas Kits

Sunday afternoon at the Red Cross rooms, 233 overseas kit bags were filled to be given by the Red Cross at the ports of embarkation. In each kit, made of heavy kahki, was placed one package of cigarettes, pack of playing cards, novel, soap in plastic box, housewife (needles, pins, buttons, thread), razor blades, tablet pencil, shine rag, package of hard candy, shoe strings.

Too much praise can not be given to the Home Economic Class at Meadow and to the Home Economic class of Brownfield high school, of which Mrs. Jake Gore is teacher. Ninety some odd were made at Meadow and the balance of kits, made here. There are 55 more kits to pack and the ladies will likely meet again next Sunday afternoon and pack them.

Ladies working were: Mesdames D. P. Lewis, Geo. Warren, Cecil Acker, John Haynes, Eldora A. White, A. J. Stricklin and Misses Kathleen Slemmons and Margaret Slover.

Watch this paper for dates of Red Cross sewing as we have been asked to fill a quota of hospital garments.

THE ADDRESS BEAUTY SHOP TO EXPAND

Mrs. Buck Address, proprietor of the Cinderella Beauty Shop, has taken the room now occupied by Loyd Shoe Shop, and will soon remodel and add to her shop now in an adjacent compartment.

Loyds will soon move to a building recently vacated by the Lamarr Grocery just east of the First National Bank.

PLEASURE CLUB MET WITH MRS. MIKE BARRETT

Mrs. Mike Barrett was hostess to the Pleasure Club, Wednesday in her home on east Tate St.

High score and second and bingo prizes were awarded winners. Refreshments were served to Mrs. J. T. Bowman, Lee Brownfield, Gene Freeman, Walter Hord, N. L. Mason, C. A. McLaughlin, Ruth Huckabee, Charles Didway, Frank Szydoski, Joe Shelton, E. L. Sturgis and Miss Gertrude Jones.

PIANO PUPILS IN RECITAL

Mrs. Walter Breedlove presented the following "beginner" piano pupils in recital Tuesday evening at her home, 209 South Second street.

Mrs. J. C. Criswell led the group in singing "America".

Barbara Jean Miller presented three numbers; Roxann Miller, two; Norma Ruth Rogers, four; James Herbert Chesshir, one; Rena Fay Chesshir, one; Robert Ames Flache, one; and Charles Gunn, one.

A selection of hymns was rendered by Joyce Cave, Guendolyn Franks, and Irene Sanders.

Charlie Lou Gaston closed the program with "God Bless Our Soldiers."

Other pupils and visiting children were Doyle, Betty and Jeanie Criswell, Glenn Chesshir, Barbara Louise Chesshir, LaFaun Raynes, Ginger Gunn, Jane Breedlove and Nancy Morgan.

After the recital Bennie Tapp and Lorence Hargrove entertained with piano and accordion numbers. Iced punch and cookies were served to 52.

MRS. JOHN H. JENKINS HONORED AT TEA-SHOWER

Mrs. John H. Jenkins, the former Miss Helen Watson, was honored at an informal bridal tea shower, last Friday afternoon from 4 to 6 o'clock, in the home of Mrs. Claud Henderson, with Mmes. K. W. Howell, Florene Webb and N. T. House, as co-hostesses.

The serving table was laid with a lace cloth with a centerpiece of nasturtium flanked by yellow tapers in crystal holders. Gold colored punch was ladled from a crystal bowl, and cake, squares iced in white and yellow, were served by Mmes. Gordon Alexander and Mrs. Roy D. Harris, aunt and sister of the bride.

Guests were registered in a white satin with lace and ribbon trim, bride's book. Mrs. Archie Waddell, sister of the groom presided.

The gifts were displayed by the hostesses and members of the house party. About twenty-five registered and many others sent gifts, who were unable to attend.

Fall flowers of yellow and gold were used throughout the receiving rooms.

TEA SHOWER HONORS MRS. BUSTER HOLDER

Mrs. Buster Holder, the former Miss Hester Johnson, was honored with a tea shower last Thursday afternoon from 4 until 6 o'clock in the home of Mrs. Pete Tiernan with Mrs. Tiernan, Mrs. Lee O. Allen and Miss Genivieve Murphy as hostesses. Mrs. Tiernan greeted the guests and introduced them to Mrs. Holder and her mother, Mrs. Johnson.

Miss Murphy presided at the leather bride's book.

A bowl of roses centered the tea table which was covered with a lace cloth. Mrs. Allen ladled punch from a crystal bowl and Miss Gertrude Jones assisted her in serving cup cakes.

The gifts were displayed by members of the houseparty. The receiving rooms were decorated with mums and other fall flowers.

PIONEER RANCHMAN DIED HERE WEDNESDAY

Wm. T. Arnett, 71, pioneer cattleman of west Texas, died in the local hospital Wednesday morning of heart ailment, suffered for two months.

He and his wife, who was a Goode, were of well-known Texas families.

Funeral services were conducted by the Rev. R. S. Shannon at the Meadow Baptist church on Thursday afternoon, with interment in the Meadow cemetery.

He is survived by his widow, one sister, and five brothers; one son, W. J. Arnett, of Loop, and four daughters. He was a cousin of Sam C. Arnett, former ranchman of this county, now a banker in Lubbock.

Mrs. Logan Redford of Okmulgee, Okla., spent the weekend with Mrs. E. L. Redford, and in the Terry Redford home.

MAIDS AND MATRONS

The Maids and Matrons met Tuesday evening Oct., 3rd, in the sky room of the Thompson Cafe, with Mrs. Lee Fulton, hostess.

Mrs. Redford Smith, chairman, took charge of the meeting, which was on Safety and Health. Mr. John Wood, Highway Patrolman, discussed Traffic regulations and Mrs. Davis gave an interesting resume of "New Medicines and Treatment." Mrs. Tarpley gave an article on "Cancer."

A picture of the B-25 bomber, named after Brownfield was shown. The bomber was named for our city because a sufficient amount of bonds were purchased by the Maids and Matrons Club during the 4th War Loan Drive.

Coffee and pie were served to Mesdames Adams, Akers, Bell, Brown, Davis, Ferguson, Holmes, Miller, Nicholson, Price, Peterman, Randal, Smith, Tarpley, Teague, Telford, Wingerd, Wright and Miss Olga Fitzgerald, and a guest, Mrs. Leila Toone.

T/SGT. KENNEDY GUEST OF THE LIONS CLUB

T/Sgt. Duard Kennedy, former Meadow boy, who has been with the army ordnance corp, in the Aleutian islands, and other North Pacific waters, for over 31 months, was a guest of the Lions club Wednesday.

Young Kennedy was on a 21-day furlough, visiting his father, W. C. Kennedy of this city. He says because of their remote stations, but little war relief gets to them, but what does, is sure appreciated.

Herald \$1 Per Yr., Terry County

Workers Urgently Needed to Roll Surgical Dressings

The Brownfield Chapter has on hand 24,200 surgical dressings that have to be folded and received by the Army Depot before December 31st. This means that our attendance will have to be increased. You ladies who have loved ones in the service, and to you who do not, do you not feel it your patriotic duty to help in this war effort? Uncle Sam depends on the Red Cross for 90 per cent of the dressings that are used on our battlefronts, and the Red Cross is YOU. Please forget your flimsy excuses and come help in this home front work for the next two and half months. Rooms open from 1:30 to 5:30, Tuesday through Friday.

ALPHA OMEGA MEET WITH MRS. F. CARTER

The Alpha Omega Study club met in the home of Mrs. Finis Carter Tuesday afternoon at 5 o'clock.

Mrs. Jack Hamilton was program chairman and discussed: "How Is Our Club An Asset To Our Community?" The club collect was given by the members and Mrs. V. L. Patterson led a parliamentary drill.

A refreshment plate was served to Mesdames P. R. Cates, Grady Goodpasture, Jake Gore, Hamilton, Arlin Hartzog, Roy Herod, Walter Hord, Ruth Huckabee, N. L. Mason, J. L. D'Dell, Patterson, David Pinkston, and C. S. Tarpley.

S. 2/C J. C. Beaver, son of Mr. and Mrs. H. C. Beaver, of Rt 3, city, has just completed boot training at San Diego, and is spending a five day leave here with his family and friends.

MR. AND MRS. CATES HOSTS WITH DINNER

Mr. and Mrs. P. R. Cates were hosts with a steak dinner last Thursday evening at 7 o'clock, honoring the boys who are preparing to leave for service and the ones visiting here.

Those attending were Raymond Houchings, Morgan Copeland, Andy Griffin, Charles Wayne Bandy, Wayne Brown, Don Cates, Mon Telford, jr., and Mr. and Mrs. Mon Telford.

JACKIE GREENFIELD HONORED ON BIRTHDAY

Mrs. L. A. Greenfield honored her son Jacky, with a birthday party Saturday Sept., 29, to celebrate his 11th birthday.

Birthday cake and ice cream were served to Ellen Faye Greenfield, Denie Ballard, Jo Ann Zant LaDne Craven, Max and Rex Black, Larry Webb, Robert Wilgus, Don Noble, Bobby Peterman, Bobby Latham, Tom and Mack Hord.

ROBERT LEE SPEED HONORED ON BIRTHDAY

Mrs. Belle Speed entertained her son, Robert Lee, with a birthday party, Friday Oct., 9th, in the home of Mr. and Mrs. Cecil Vest.

Devils food cake and white birthday cake with twelve candles, and iced punch were served to thirty-one young people.

KENNETH LEE KENDRICK 4. HONORED

Mrs. Clovis Kendrick entertained with a birthday party for her son, Kenneth Lee, who was 4 years old last Wednesday.

Birthday cake, ice cream and punch were served to Dick Ray and Joe Latham, Herbie and Sammie Kendrick, Ronnie Minnick, Bobby Latham, Barbara and Patsy Stice, Deana Tiernan, Mary and John Holmes, Jack and Sharon Applewhite, Jacky Purtell, Jerry Huckaber, Don and Ann Copeland, and Mike Smith.

Bryan Lane has returned from the north Panhandle where he has been working for the past two months, and is visiting his parents, Mr. and Mrs. Sig Lane.

Herald \$1. Per Yr., Terry County

Testing Cattle For Bangs Disease

The possibility of testing cattle for Bangs disease should be kept in mind by livestock owners, throughout coming months according to A. L. Hartzog, the County Agent, with an eye to eliminating reactors from the dairy herd at the earliest possible date. Bangs disease causes considerable losses in livestock numbers each year, through failure of cow to raise a live calf. The danger to human health from possible infection from undulant fever through the drinking of milk from Bangs cows is always present when the family uses such milk.

During the past 16 months, farmers and dairymen of Terry county have tested something over 650 head of cattle for this disease, through the cooperative Bangs disease program being sponsored in Terry county by the County Agent. Farmers desiring to have their cows tested, should list them at the County Agent's office at their earliest convenience. At such time as the list reaches 50 or more within a locality, the services of a competent Veterinarian will be procured to make the test for the owners. The Veterinarian's fee is considerably less when cattle are tested in this manner on the group basis, than when tested privately and in smaller groups.

Health officials in recent months have frequently expressed their approval of this plan of eradicating Bangs infected cattle. Yoakum and Hockley counties are also carrying on similar programs and the percentage of cows reacting to Bangs disease are steadily decreasing as herds are tested the second or third time, according to the agent. Again, farmers should keep in mind that they may list their cows in the County Agent's office to have them tested on a voluntary Bangs program.

THREE SERVICEMEN HONORED WITH LUNCHEON

Mrs. W. H. Collins entertained with a luncheon, Sunday Oct. 1, to honor three servicemen who are visiting here, Pvt. Wilson Collins and Cpl. Edgar Self, of Camp Roberts, Calif., and Sgt. Dick Collins of Texarkana.

Others present were Mrs. Wilson Collins, Mr. and Mrs. Ned Self, W. H. Collins, Mr. and Mrs. W. B. Collins of Lamesa, and Mr and Mrs. Bill Collins and children of Lubbock.

Almer Thomas of Gresham, Oregon, is here visiting his mother, Mrs. T. Thomas. His wife and small son expect to come in soon and spend the winter here.

RIO

The Rio will be open Sat., Sun., Mon., Tue. of each week.

Mr. W. A. Herron received a letter from a son, Sgt. Owen Herron, who is in the air corps, last weekend. Owen said he was traveling a lot, and had recently visited Paris. He said it was the most beautiful city he had ever seen, and that it has not been effected by the war as badly as thought. That little damage was done to the cities by the French forces.

Mr. and Mrs. M. M. Wardell, of Fort Worth, are visiting in the home of Mrs. Wardell's twin sister, Mrs. J. P. Miller.

Flem Mcpadden and E. L. Sturgis, attended business in Cisco, last weekend.

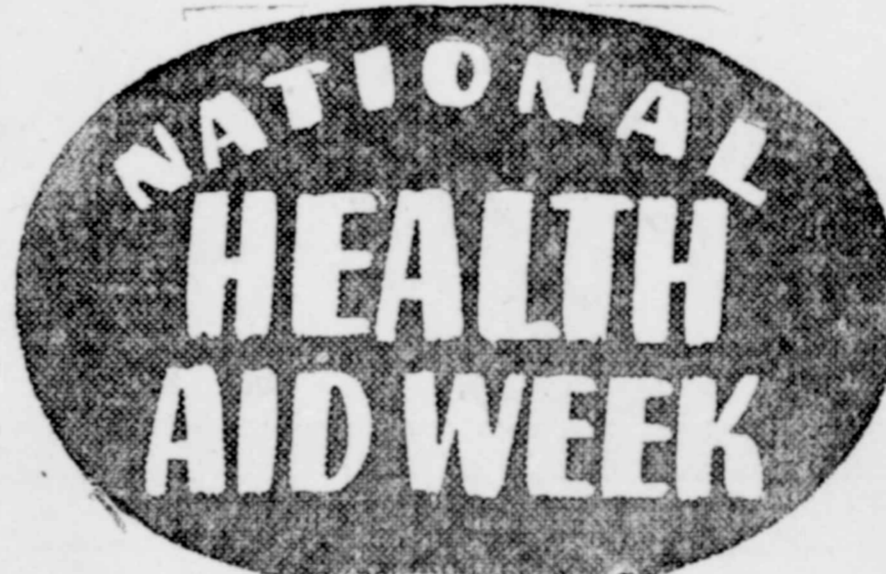

These men had no other choice—they were lucky, we say, to escape with their lives, but unless we do all we can to aid them, their fate may not be considered so lucky. We can give them aid—we must give them aid—by giving generously to—

OCT. 6th TO 16th

America celebrates her
National Health Aid Week

We should be proud we live in a land where freedom of medicine has prevailed along with all our other freedoms. This freedom has allowed us to attain far greater heights than ever before in the history of man. We must protect our heritage at all cost. When in need of expertly-filled prescriptions, see us, we'll never fail you.

ALEXANDER DRUG

There's a Shortage of Copies of The Dallas Morning News—But NOT of Our Desire to Serve!

The crucial shortage of newsprint paper has forced a curtailment of the supply of copies of The Dallas Morning News to our dealers in this county. Only a small part of regular shipments is possible until we are permitted by Government Authority to increase our consumption of newsprint.

Distribution for the present will be made from drug stores and newsstands, unless your agent can arrange otherwise.

We realize, with deep regret, that some of our old-time readers are not able to get copies of The News. We trust they will understand and bear with us while we're making every effort to restore service.

In the meantime, although many patrons will not have The News delivered to them temporarily, their names are still on The Dallas News' Big Book and we look forward to serving them again.

Thank you.

The Dallas Morning News

WHY NOT SOONER

Much is being said about the rapid expansion of hospital and medical care insurance. To the question of why could not this have been done before, the magazine Hygenia says: "In addition to the necessary evolution of public knowledge and opinion and of actuarial data, medicine itself had to progress in effectiveness so that an insurance policy might be financially possible to the man of limited means and at the same time be actually sound. Hospitals themselves had to become available. In 1900, there were 1,000 hospitals in this country; today there are over 7,000. Methods of medical care had to be improved so that hospital days of illness could be reduced to a workable number. In 1912, the average hospital stay for appendicitis was eighteen days; now it is eleven days. The average course of lobar pneumonia has been reduced from weeks to days. The case fatality

of epidemic meningitis in 1910 was 80 per cent; in 1935, 30 per cent; today it is 5 per cent. These are only examples of the general improvement in the quality and effectiveness of medical care, which in turn makes possible readjustment of insurance rates to the point at which they are within the reach of the average worker on a sound actuarial basis."

In plain words, until modern medicine came along, the life and health of the human animal was too poor a risk to be covered even the compulsory health schemes of government

Mrs. E. E. Hancock and sons, Jerry and Jimmy, visited her father, Mr. Stegar and six sisters, in Dallas, last weekend. Mrs. Frank Weir and daughters, Jane and Nancy, visited Mrs. Weir's mother, Mrs. J. M. Jordan, in Waxahachie. Mrs. Weir and girls visited the Bethany Presbyterian Sunday school Sunday morning, in Dallas, where Rev. Fred A. Walker, former pastor here,

The G. I. Bill of Rights

Uncle Sam will see to it that veterans who served 90 days or more in active military or naval service after September 16, 1940, and were honorably discharged, or released, will have opportunity to complete their education.

This is provided for under the provisions of the Servicemen's Readjustment Act of 1944, popularly known as the G. I. Bill of Rights, which the U. S. Congress enacted last June.

Interpreting the law, Joe L. Matthews of the A and M college extension service says that a veteran may enroll at any approved educational institution provided he is acceptable to such institution. But three conditions apply: (1) The education or training shall begin not later than two years after his discharge, or end of the war, whichever is latest; (2) No training under the program shall be carried on beyond seven years after the war; and, (3) Any vet-

eran not more than 25 years of age at the time of entry into the service shall be considered to have had his education or training impeded, delayed, interrupted or interfered with.

Persons eligible under these conditions shall be entitled to education or training for one year or its equivalent in continuous part time study. Upon satisfactory completion of the one year course they shall be entitled to additional training equal to the time in active service exclusive to the time the veterans were assigned to ASTP, or Army Student Training Program. But in no case shall the total period exceed four years.

Any course may be discontinued if the conduct or progress of the student is found unsatisfactory. Payment not exceeding five hundred dollars per school year will be made to the institution for each veteran to cover the customary cost of tuition, laboratory, infirmary and other similar fees. This money also may be used for books, supplies and equipment, but not for board, lodging and travel. A veteran enrolled in an

educational or training course may, upon application to the administrator, receive a subsistence allowance of \$50 a month if without dependant, or \$75 a month with dependents.

Mrs. Barbara Minnick and Ronnie, left last Friday to visit their husband and father, Lt. Hartwell Minnick, who is now at Gulfport, Miss.

The Nations cotton crop was estimated at 11,930,000 bales as of Oct. 8th, which is quite a raise from the September estimate. Texas was given 2,500,000 bales of that amount.

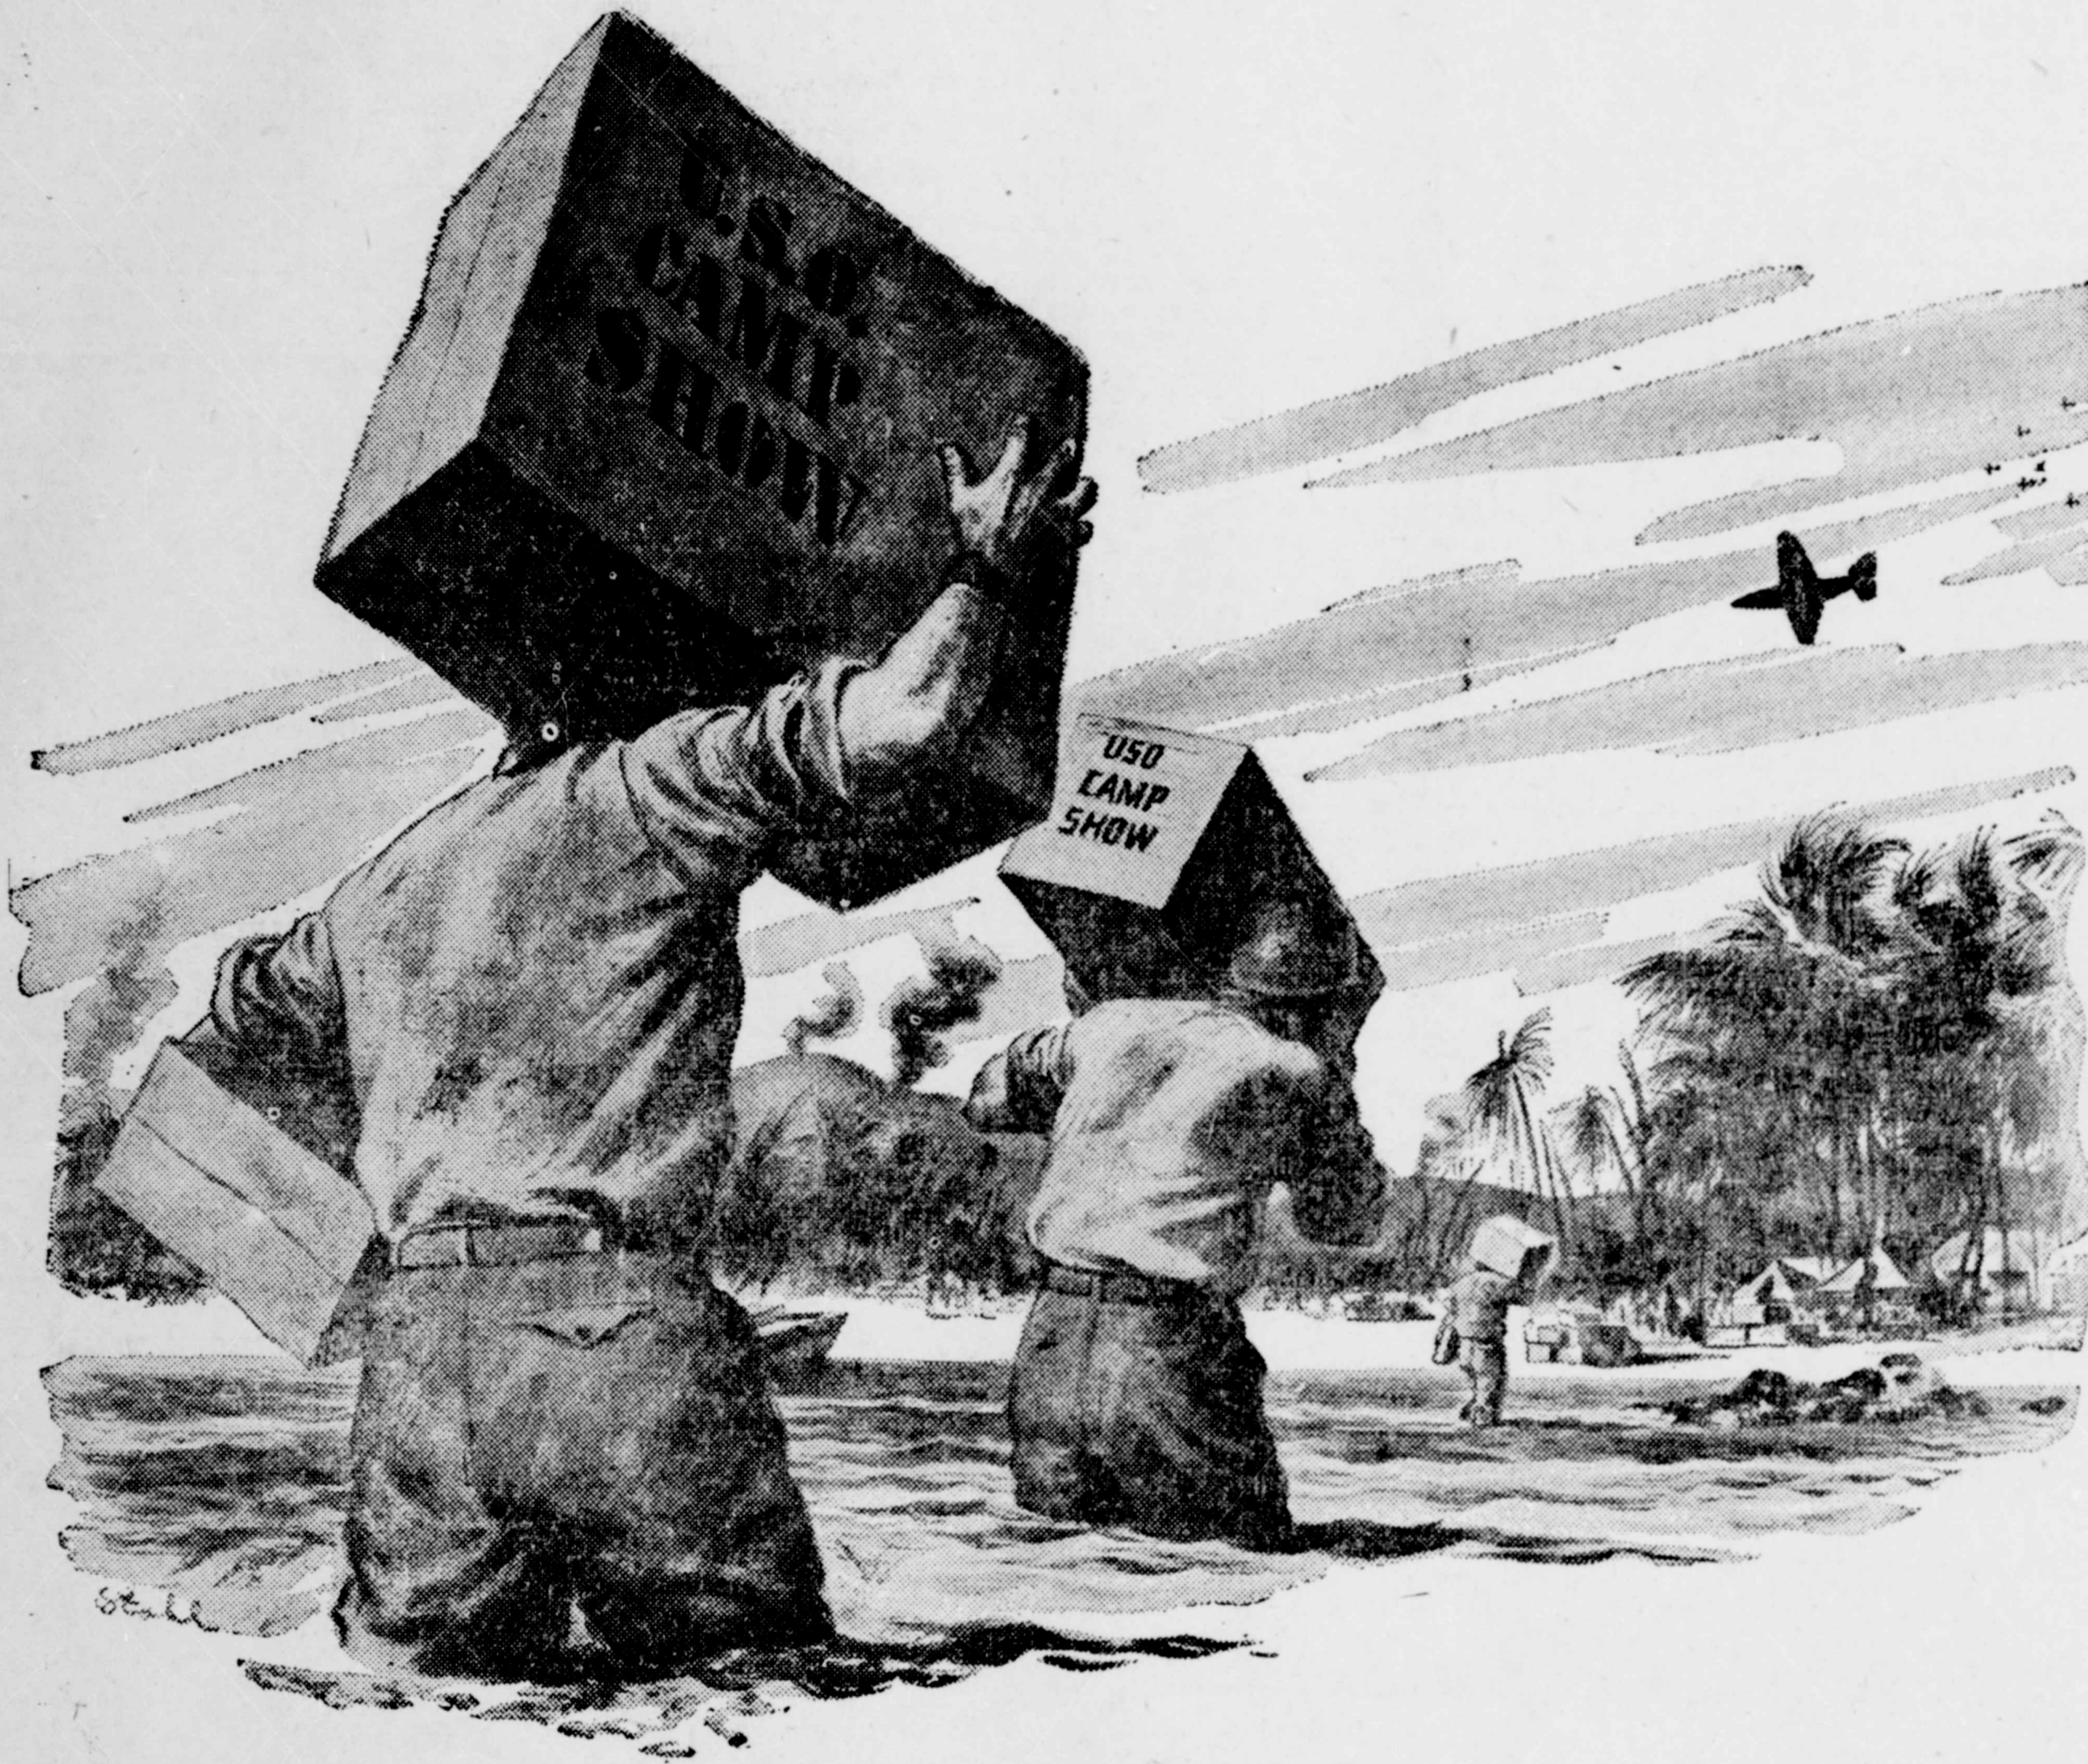

Mrs. Bessie Mack visited her daughters, Mrs. M. E. Willis, in Lubbock, last week. Her little grandson Troyce Edward, returned home with her, for a visit.

Mrs. H. F. Williams, of Lubbock, sister of Mrs. W. H. Morris of Plains, called at the Herald office Tuesday on her way home from Hot Springs, New Mexico.

SCIENTISTS HASTEN TIRE PRODUCTION

One of the chief bottlenecks in tire making has been eliminated by scientists of the General Tire & Rubber company, through the development of a new synthetic rubber. The new method, discovered by Gilbert Swart, head of General's research department, was demonstrated in Washington to members of congress and executives of various government agencies. The innovation saves one third milling time, releases manpower for other essential work, cuts the cost, and produces a better tire, according to General chemists. Pictured above are Swart, William O'Neil, company president, and Stanley Crossland, vice president of the Rubber Reserve company.

Invasion Scene, Act II

Yesterday was Act I.

Same beachhead scene. Same—except today there are no screaming bombs, no burning tanks, no convulsive shells tearing big holes in the ground. Same scene, but today the guys up there on the beach put on the show.

They're ready for Act II. They've pushed the enemy back a few miles. Here comes Act II. Here comes the U.S.O. Camp Show!

Guys NEED this show. They need it desperately, like starving men need food. For an hour or two they'll go back to America . . . back to Broadway, Hollywood, Main Street . . . back a thousand miles from this beachhead. They need to laugh, to forget.

They NEED it, understand?

Thanks to the folks back home, U.S.O. Camp Show units have played in every combat zone, often immediately behind the front lines. More than 90 units are playing the "Foxhole"; more than 80 units appear regularly at camps and hospitals in the western hemisphere.

It costs money to operate the world's biggest theatrical circuit. Even though most stage and screen stars donate their services without charge, it still costs a lot of money to send hundreds of

other performers. Every cent must come from part of the money you give to your local community drive.

Your gift helps in other ways too. It serves our men in enemy prison camps, sends relief to suffering victims of war, serves our own fighting men and our allies on every front! Through the agencies of the National War Fund it carries new life and new hope throughout the war-torn world!

Give once for all these. There are many war needs to cover. Give now—at least two day's pay. Give all you can.

Give generously to your
Community War Fund

Texas Born May Be First Lady

Frances E. Dewey, wife of the Republican nominee for president, Thomas E. Dewey, is a personality in her own right. Born in Sherman, Texas, she received her early education there and attended high school in Sapulpa, Oklahoma where she finished a four year course in high school in three years and was valedictorian of her class.

Mrs. Dewey is a professional musician, having studied both in New York and Chicago. Her first professional job was as soloist in the Methodist Church in Plainfield, New Jersey.

Despite her absorption in her husband and two sons, Thomas, Jr., and John, she finds time for war work, serving as a "gray lady" in the Albany County Chapter of the American Red Cross.

She declines many invitations to speak—leaving that up to her husband.

Nation-Wide Bible Reading In Progress From Thanksgiving Until Christmas

A nation-wide Bible Reading from Thanksgiving until Christmas, in which millions of American servicemen and women and their families and great numbers of other Americans will join, is being sponsored by the American Bible Society and two National sponsoring committees formed for this purpose.

The national sponsoring committee of laymen, composed of leaders in various fields, include ex-President Herbert Hoover, John Foster Dulles, Admiral Ernest J. King and Ambassador John G. Winant. More than thirty religious bodies are represented on the national sponsoring committee of denominational presiding officers.

Through a nation-wide poll of pastors and Army and Navy chaplains, Bible passages most helpful in times like these have been chosen. The list of 33 passages for daily reading from Thanksgiving until Christmas will be released later.

Reports coming to the American Bible Society continue to indicate strong interest by servicemen and women in carrying and reading their pocket testaments, and in asking their families at home to join them in Bible reading. Their interest has produced a growing conviction throughout America that a home front emphasis on Bible reading is an essential part of keeping faith with our men on the fighting fronts. This has been a major factor in the decision to sponsor a Bible-reading emphasis on a scale never before attempted in this country.

General denominational organizations and religious press have offered to give special promotion to the plan. Pastors will lead in local participation by their own congregations. Arrangements have been made for churches, civic organizations, newspapers, radio stations and other agencies to cooperate in planning community-wide observance throughout the nation.

Mr. and Mrs. J. M. Teague and girls, attended business in Lubbock Saturday and attended the Texas Tech Homecoming and ball game with Oklahoma A. & M.

Sailors call their ship she because her rigging cost so much.

Mr. and Mrs. Dick McDuffie and Richard, spent the weekend in Lubbock and attended the reception which was held in the girls dormitory No. 2, Saturday, Parents Day. Their daughter, Christene, is a freshman in Tech.

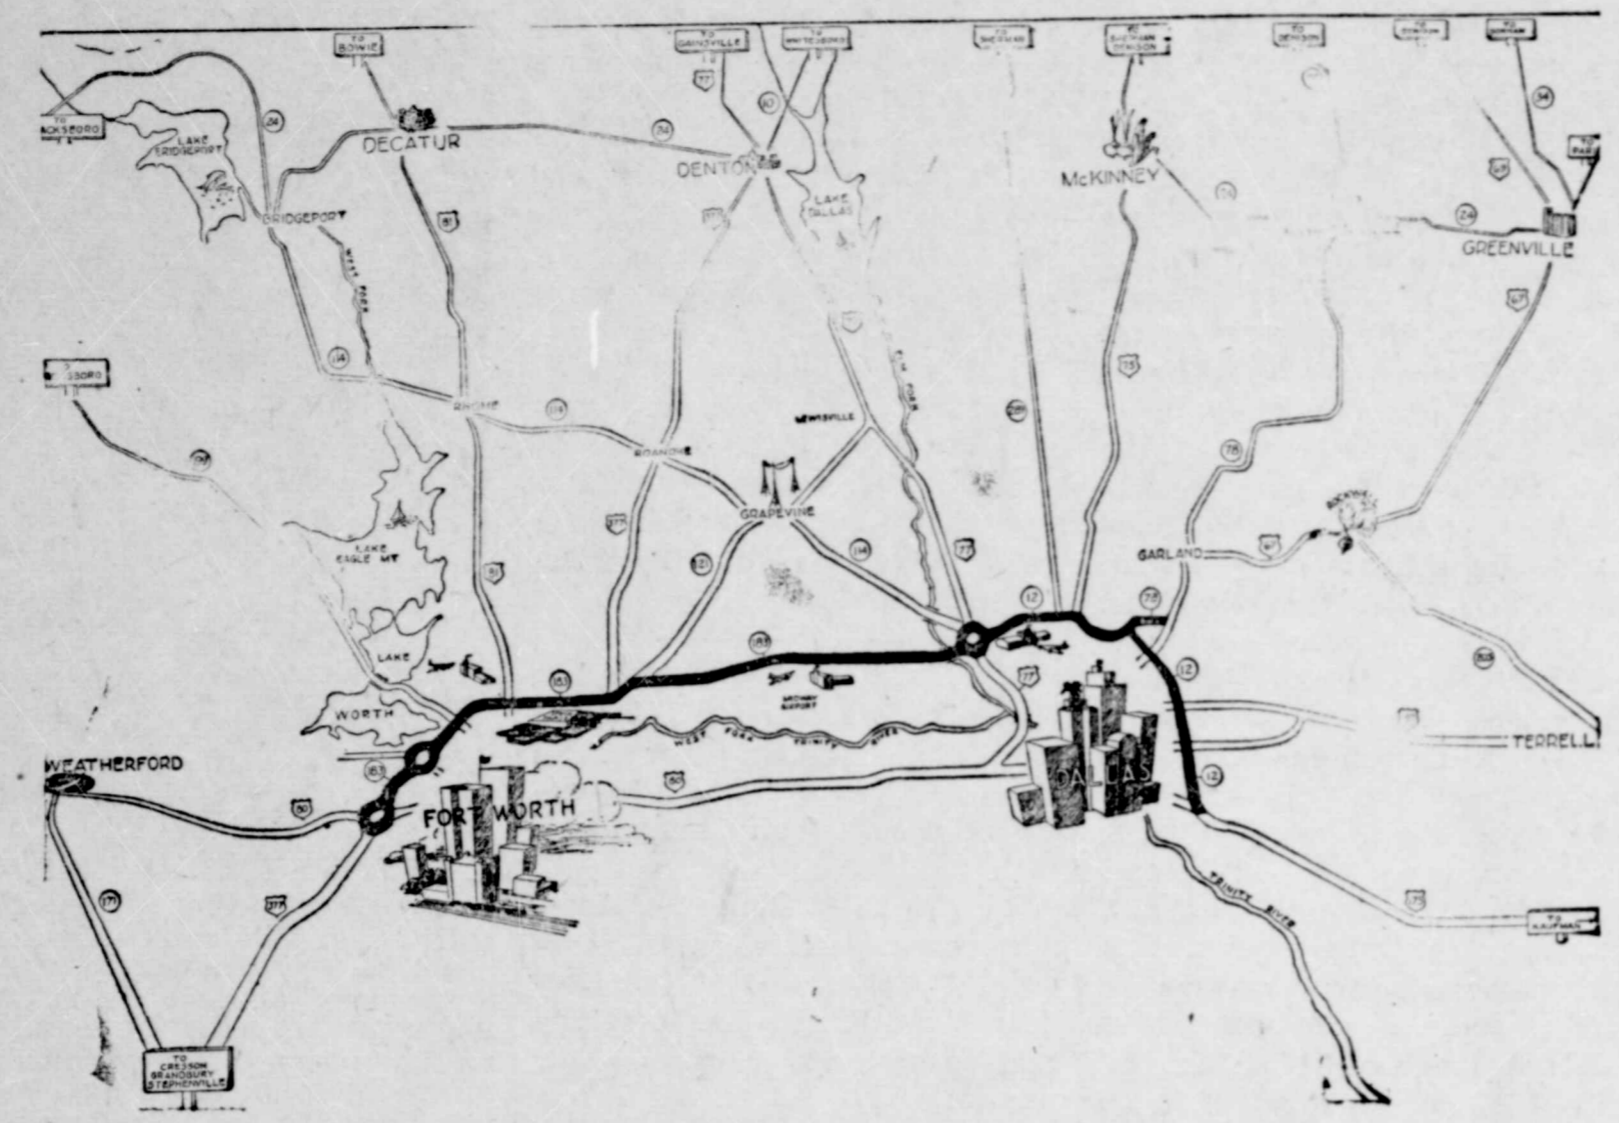

Mrs. Jeanette Cook and son Jack of California, have been visiting her sister, Mrs. Slick Collins.

Supt. J. T. Jones returned early last week from attending a joint meeting of the Teachers Association and Legislative Committee on School Administration at Fort Worth. He reports that a course was agreed on to bring relief to the teachers and transportation problems of the schools and has hopes of legislation at the ensuing term, to prevent such emergencies as the schools now have. Mr. Jones is Superintendent of the Wellman school.

If a representative of the Herald had just had a camera, Tuesday, they'd gotten the picture of the week. The view would be of D. L. Patton, barefooted and his pants rolled up, exposing his shapely legs.

Frank E. Givan, prominent rancher of Hereford, had business in our city last week. He says that the New Deal has just finished a new Postoffice up there, and gave him a new box number. Yep, we know. They sent us a little card that cost us 2c, telling us all about the change.

Tourists May Now By-Pass Ft. Worth and Dallas On New Route

Opening of a new route by the State Highway department enables West Texans to by-pass the heavy congested traffic area in Fort Worth and Dallas. The

above map shows how motorist may reach State Highway 183 at Fort Worth and follow it to traffic circle northwest of Dallas. Here he may choose US 77 to

downtown Dallas, or follow Loop 12 to its intersection with other highways beyond Dallas, leading to North and East Texas points.

DANIEL BAKER TO BE HELP-SELF COLLEGE

Brownwood.—Plans for re-organization of Daniel Baker College as a self-help college have been approved by the trustees.

The college will establish several small industries where students will be employed and will earn their way through school.

The board also voted to elect a new president and a new financial secretary who have had experience in operation of this type of self-help school.

D. Thomas H. Hart, president of Daniel Baker, will remain on the faculty, but he recommended that a new president who is experienced in self-help college administration be secured.

Under the plan, tuition at Daniel Baker will be free, except for small fees. No student will be accepted who is financially able to pay his way through college. All students accepted will be guaranteed work to pay most of their expenses of board, room and fees.

Daniel Baker was established in 1889 under the Presbyterian Church, U. S. A., and became an independent Presbyterian college in 1930.

Mesdames J. H. Morris, Hague, and Kemp of Plains, were short visitors here Monday. They were on their way to Lubbock.

Mr. and Mrs. Eunice Jones, Miss Gertrude Jones, Mrs. Roy Herod and Billie Mack, visited in Amarillo, last weekend. The Jones' visited in the home of Mr. Jones' brother, Douglas, and Mrs. Herod and son in the home of Dr. and Mrs. Jacobson.

P. G. Stanford, county Attorney from Plains, was a recent visitor here and reports crops and range conditions good. When asked about the oil development, he said, "Oh! that's just another well, with us."

Mrs. Dallas Coldiron of Friona, Texas, was here last week with sister Mrs. Roy Jenkins, to Brownfield, after attending the funeral of their father in Rotan.

Mr. and Mrs. Lewis Bates, were Lubbock visitors, Monday.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

COTTON HARVESTING CEILING DECLINED

College Station, Oct. 9.—Because an insufficient number of West Texas cotton farmers petitioned the Texas WFA Wage Board to establish enlistment

of a specific wage ceiling for picking and pulling cotton in the West Texas area, the board has declined to recommend setting of ceilings to the War Food Administrator.

The board's acting chairman, E. R. Alexander of Texas A. and M. College, explained the law requires a majority of all cotton producers in the area request such action before the Board can recommend ceilings. Of the 33,277 eligible producers, only 40 per cent voted. However, 93 per cent of the voting producers, or 13,643 of 14,741 voters favored wage ceilings.

Chairman Alexander says the board contemplates no further action on cotton wage ceiling.

Jim Nelson, with the City Street Department, who suffered a slight stroke Thursday of last week, while on duty, received a minor injury when he fell against the car. He is recovering nicely.

TEXAS TIRE PLANT UNDER WAY SOON

WILLIAM O'NEIL

Twenty-five of the country's leading writers will come to Texas in November to see a new industry launched in the state, according to William O'Neil, president of The General Tire & Rubber Company.

First of the new factories authorized by Jesse Jones, secretary of commerce, the General plant is nearing completion at Waco. It will be used to turn out military truck tires and in the post war period will be operated to supply the tire needs of the south and southwest.

The visiting newspapermen will see the dedication of the plant in Waco November 13 and will then tour other cities in the state to see the industrialization of Texas.

Governor Coke Stevenson has proclaimed the week beginning November 13 as Texas in the War Week and will welcome the newsmen at Austin November 14.

Miss Alma Ballard left last week for Almagorda, N.M. where she has accepted a position at the Almagorda Army Air Field. Mr. and Mrs. Ed Ballard accompanied her there and will visit with another daughter, Miss Mary Ballard, a few days.

Mr. and Mrs. Lee O. Allen attended the Texas Tech-Oklahoma A. M. ball game in Lubbock, last Saturday night.

FORMER HEALTH NURSE NOW OVERSEAS

1st Lt. Jessie A. Rinehart, A. N. C., former Terry county Health Nurse, from 1940 to 42, sends her new address, this time an APO, to her very good friend, Mrs. E. C. Davis, stating she wanted the Herald to follow her overseas.

Mr. Henry Pulliam and Mrs. Etta Yeiser were married here Saturday, Sept. 30th, and moved to their farm east of town. Both are well known pioneers of this county.

F. M. Burnett was in this week and stated that his son, Pfc. Arnold S., who has been stationed at Pine Bluff, Ark., had been transferred to Huntsville, Texas. He has been guarding prisoners of war.

Diabetes Can Be Controlled Says Dr. Cox

Austin, Texas, Oct. 12.—Diabetes, a disease for which modern medicine can do so much, took a toll of several hundred lives in Texas during the past year, according to Dr. Geo. W. Cox, State Health Officer.

"While the communicable diseases such as typhoid fever, Malaria, diphtheria, and small pox are causing a decreasing number of deaths each year in this country, diabetes which was unknown in the early pioneer days is now taking an appalling number of human lives," Dr. Cox said.

"Until recent years diabetes was not recognized as a major health problem but it became noticeable in direct ratio to the development of medical laboratory procedures."

Dr. Cox said that diabetes is generally recognized as a class disease. It seems to attack the white-collar class of indoor men and women much more frequently than it does the outdoor person whose work is more vigorous and calls for more exercise. Whatever the actual cause of the disease may be, vocational and economic conditions are factors, since it seems a fact that those who do not indulge in luxurious living and whose occupation calls for manual labor are not frequently affected. Dr. Cox said

that simple living, wholesome diets, sufficient exercise, and sleep are factors in the prevention of diabetes, and an annual physical is important to determine whether or not diabetes is present in the middle age group.

J. M. Matthews, who lives on the Seagraves route in Terry county, was up this week looking for cotton pickers. He had the Herald started to his son, Sgt. R. E., somewhere in Europe.

Hackney To Bring Ace Fighter Here

The American Legion, Rotary, Lions, and state guard of this city have joined in arranging for a barbecue next Wednesday night at the Legion hall, to honor Major Johnson, a World War ace, who is accredited with having shot down 27 enemy planes in our current conflict.

Lt. Burton G. Hackney, former attorney here, now with the army camp at Abilene, who induced the major to come here, will accompany him, it was announced by telephone message to Leo Holmes Tuesday. All members of the above clubs may bring their wives and some guests.

Pvt. Stanley Miller left this week after visiting his mother, Mrs. I. H. Miller. He is stationed at Garden City, Kansas.

Brownfield Defeats Levelland 13-0

In the football game between the Brownfield Cubs and the Levelland Lobos, played here last Friday night. The Cubs made 12 first downs to the Lobos 5, and scored 13 to 0. Calvin Franks made both scores in the second quarter. J. A. Chambliss, Dale Hill and Norris Kempson were prominent for the Cubs, while Blunt Mears and Cairdy were outstanding players for the Lobos. The Cubs have no game this week. The "B" team will play Plains, here tonight.

War Fund Collections Short In County

T. C. Lucas, chairman of the Terry county war fund drive, reports of the \$4,600.00 quota for this county they are minus about \$1200.00. While he expressed gratitude to the excellent work of many of his assistants, and thanks to donors, he urges all to lend a hand and put the drive over by the end of this week.

Mr. Lucas points out that Uncle Sam, by bonds and taxes, pays for the munitions and material, food and pay for the service men, yet this is the way and method for the people to personally fill in an aid badly needed by our boys, and because of its source, brings such good cheer to them.

Mrs. I. A. Lowe and Mrs. Paul Goodman of Lubbock, visited relatives here, Sunday.

FOR SALE

The Harmony school building, two out houses and well casing and sucker rods. All are located on the old Harmony school site, about six miles northwest of Brownfield. All bids must be sealed and accompanied by money or check amounting to 20 percent of your bid. Each of these items up for sale must be bid on separately. Be sure when you send your bid to state plainly what you are bidding on, and the amount you bid, your name and address.

Your deposit will be returned to you unless your bid is accepted, but in case the highest bid made is thought insufficient for the property, then all bids will be rejected. Remember the Brownfield School Board reserves the right to reject any and all bids. Mail your bids to the Brownfield Consolidated Independent School Box 367, or bring them to the school office, which is located on the north side of the square, just west of Geo. W. Neill's office. Bids will be accepted until the Board meeting, Monday night, Nov. 6th, 1944. At this meeting the Board will open and consider the bids.

Brownfield Con. Ind. School Board.

To make your dreams come true—wake up.

Wellman Boy Dies From Gunshot

Valdeen Durrett, 17, was found dead at the farm home of his step-father, W. C. Welcher, five miles southwest of Wellman, last Sunday afternoon, by some smaller children. The body, still warm when found, on the embankment of an earthen tank, was rushed to the local hospital, but was pronounced dead upon arrival by physicians Sheriff Telford and Justice of the Peace W. H. Dallas, conducted an inquest and investigation on the premises, and stated their information, was the boy had a new 22 calibre long rifle, had just returned to the house, from hunting, and stepped out of the house again.

The rifle was found suspended by the trigger guard over a dead branch of a large tree near the tank, the body lay beneath, head down on slope of embankment. A bullet had gone through one hand, and then sloping downward through the breast, causing death almost instantly.

As no one witnessed the incident, it was not determined whether he climbed the tree, as it was said he often did, waiting to shoot birds and fell from the tree, or had hung the gun on the limb, preparatory to climbing it, when it was discharged.

Young Durrett had resided in the community several years, a student of the Wellman school.

His father died several years ago, from a railroad accident, during the boys infancy, being the only child. He survived by his mother and foster father, Mr. and Mrs. W. C. Welcher and three half brothers, Jimmie, Larry and Doyle, and one half sister, Sabra, all at home, and his grandparents.

Funeral services were conducted by the Baptist church, in the Wellman Gymnasium, at 3 P. M., Tuesday afternoon, and interment made by the Brownfield Funeral Home, in Terry County Memorial Cemetery.

County Agent Discusses Labor Situation

In discussing the harvest labor situation this week, A. L. Hartzog, County Agent, suggested that where at all possible, cotton producers with small acreages may be wise to try to work out arrangements with their nearby neighbors to pool their housing in order to be able to handle the large crews that are coming in for the harvest. He stated the crews are running considerably larger, even than was the case last year, and that it was difficult to find enough small crews to take care of the needs of farmers with limited picker houses.

As to the number of pulling labor available, the Agent indicated that though we are short of hands, a few days fair weather here and in the counties just south and east of us, may change the picture overnight, and that while he does not anticipate a surplus of labor at any time, it may be that within a short while local farmers will have adequate numbers of pullers at prices prevailing now.

Farm labor market reports from counties throughout the area show that wages have leveled at \$1.25 for pulling and 25c per hundred for hauling, in these several counties. The Agent said that while the cotton wage ceiling movement did not carry sufficient favor with farmers to be enacted, that the discussion meetings of farmers from several counties seemed to have served as a stabilizing factor and it looks as though the bulk of the cotton will be harvested at the wages prevailing. It has been the observation of many local farmers that any jump of prices in the harvest does not make any more help available, when the fact is that more help will be available as the season closes to the east of us and crews move further west.

Several farmers have observed that since their stormproof cotton will be late in maturing, they will probably use mechanical harvesters as the method of pulling.

A. B. Buchanan, Guernsey breeder, stated this week that there would be a sale of 50 registered Guernseys at the fair grounds, Dallas, next Tuesday by the state Guernsey breeders association.

Lt. Marner Price, who has recently been transferred to the Amarillo Army Air Field, from Ontario Army Air Field, Calif., spent the weekend here with his wife and small son and his parents, Mr. and Mrs. W. W. Price.

NATIONAL HEALTH AID WEEK

OCTOBER 6 - 16

AS IMPORTANT FOR YOU TO KNOW

AS THE ABC'S . . .

HEALTH'S GOLDEN RULES

1. Have your doctor look at you every six months.
2. Learn food values; eat balanced, healthful meals.
3. Avoid contagion, keep away from the coughers, sneezers, and crowds.
4. Don't be a germ spreader; stay at home when you are sick.
5. Keep warm, bundle up when it's cold in doors or out.
6. Don't take chances; call a doctor quickly where illness hangs on.
7. Study home First Aid. Be ready for emergencies.
8. Keep clean; germs don't thrive on well-cleaned surface.
9. Get sufficient sleep; lowered resistance invites infection.
10. Prevent accidents — work and play carefully.
11. Relax in off hours; budget a part of every day for play.

A twelfth rule of Good Health might well be added to the eleven recommended as basic. That rule might well be: "Depend solely on your reliable drug store for all of your pharmaceutical needs, for your drug store is indeed the health center of your community."

NELSON-PRIMM DRUG

Donates Brahma Calf To War Fund Drive

A big boost was given this week to the Terry county war fund drive, when Crede Gore, local meat and livestock dealer, donated a fat Brahma calf to the drive, to be used as the committee think best to bring in money.

It has been decided to auction the calf at the carnival Saturday night at 9 o'clock, and all proceeds from the sale of the calf will go to the Terry county war fund quota.

'Rah! for Crede.

Local Electrician Injured at Work

Ernest R. Hutson, 39, an electrician, employed by the city, was severely shocked and burned by 2300 volts of electricity, contacted while on top a pole at the intersection of the Levelland highway and the Santa Fe railroad, about 4 o'clock Thursday evening.

City Superintendent Eunice Jones and other workmen present were unable to reach him quickly, and phoned for the fire department to bring a ladder, a mile distant. Hutson hung by his belt, head down for several minutes before being rescued.

The Brownfield Funreal Home ambulance was rushed to the scene, bringing him to the local hospital. He was severely bruised on the head and face as well as severe electric shock. His injuries were thought not to be serious.

A. B. Buchanan, Guernsey breeder, stated this week that there would be a sale of 50 registered Guernseys at the fair grounds, Dallas, next Tuesday by the state Guernsey breeders association.

Lt. Marner Price, who has recently been transferred to the Amarillo Army Air Field, from Ontario Army Air Field, Calif., spent the weekend here with his wife and small son and his parents, Mr. and Mrs. W. W. Price.
