

City Has Been Put On Spot

Whether or not you do or do not like it, Brownfield has been put on the spot. It is now or never. We can now dig in where we are, and remain on the defensive. Or we can charge the breastwork and go on and make a real little city. You may hum and haw and cringe, but the cards have been dealt and are on the table. It is a square deal, and all of us are the players.

Here is the proposition. We can provide for the newcomer and the new additions, and make them happy and helpers as new tax payers. Or we can tell them to go jump in the river, and provide for themselves, and stunt the growth of our city so badly that it will take years and years to recover. In the meantime, some more progressive towns not so strategically located to make a thriving city, will take up where we left off. Building will stop, and we'll have a real slump when we ought to be growing like rip.

Of course its going to cost something. None of us can add a new piece of machinery or household utility or time saver without some cost. We can't even run our school and churches without cost to us, but we need them, and we'll have them, cost what they may. There never was a town more ideally situated to grow than Brownfield, but there comes a time in the life of man or city when the end of growth is reached without recourse to artificial means.

Right now the city is expanding its utilities just as fast as the physical and financial ability of the city income will permit. But right now that is not fast enough. The surplus above necessary expenses is not sufficiently large to take care of expansions that must be made if our city goes forward with its plans of growth. Otherwise we might as well settle down to the fact that we have a pretty good trading point and let it go that.

There is many other questions to be considered when we get ready to go to the polls to vote, April 8th. A special one is health. If we by our vote, reject sewerage and sewerage disposal as well as good pure water to the new additions, they will be forced to drill wells and dispose of their refuse as best they can, and that will not only menace the health of the new additions, but will be a

Elmer Edwards Irrigation Well Producing 1700 Gallons Per Minute In Check

Tuesday afternoon, the writer, along with Virgil Walker, Knight Implement mechanic, and two gentlemen whose names we did not get, but who like us were mere sight seeing, were driven out 12 miles southwest of the city to see the new irrigation well just completed for Elmer Edwards on part of the old Scales ranch. Mrs. Edwards being a daughter of the late Mr. and Mrs. Scales. We had been hearing of some real gully washing wells in that and the Union section, and we were not disappointed.

Mr. Edwards made his purchases through the J. B. Knight Implement here, and his rig is equipped with a 72 HP LeRoi engine that uses butane for power, and a Layne Bowles pump. Engine turns up to 1700 revolutions per minute, and it has been found that butane gas is not only very economical, but powerful and efficient. The lead pipe from the pump is ten inch pipe. The Knight Implement has a short lead that has a pressure tester on it, which gives uncanny accuracy of the amount of water per minute flowing through the lead. But as we are a poor mechanic, we will not try to describe it.

Anyway, Mr. Edwards and Virgil and a farm hand or two on the Edwards place, soon had the pumps going, and such a sluice of water! Man, it came out of that well and ran down the ditches like a heavy rain in those old hillside ditches back in the old states. All of us soon saw that Mr. Edwards and his crew have a great deal of work to do to get those ditches to hold that aging

menace to the health of the whole city.

Possibly Brownfield has more blocks of paved streets than any city of its size in this section of the state, or any portion of the state perhaps, but 60 new blocks of paving is urgently needed to take care of the new growth. The proposed \$100,000 for this and urgent repair of streets already paved, is not too much to be expended right now. Nor is \$50,000 for water and \$225,000 for extension of sewerage and enlargement of the disposal plant excessive. And our little old City Hall is now crowded until the office of the Mayor and City Marshal look more like coops than offices. Other employees are also fenced in as it were, and need more room to do the maximum of work.

Yes, we are aware of the fact that cost of construction is high, perhaps at the very peak. But no family man would camp under a mesquite tree and call it home with winter coming on if he could do better. Civilized man is just not built that way. And if we wait, we are liable to lose a good chance that perhaps we'll never have again to grow and expand, and we lay all the outlying addition to exposure to disease and shabbiness, with no water for grass, shrubs and sewerage.

In the honest opinion of the Herald, we do not believe we are flirting with chance. This city will soon grow to the pattern set by all these extensions, and we will have thousands of other good citizens to help us pay the new taxes, whatever they are. Not even railroads or the huge utilities are able to expand without bond issues against their present property, so why should we expect it. If Brownfield just elects to remain a good country town, our income would perhaps meet the requirements.

But our leaders and city officers have no idea for Brownfield to get on the beam and stand there, or even fade back a few steps. Their idea is to provide these means of growth and watch the city grow.

There is not an element of chance in making such a decision. However, if you don't see face to face with the writer, that is certainly your business.

flow of water, although the main ditches are kept on as near level as possible. But the force of so much water causes much caving, and in ten minutes, water had broken through at several places some 100 yards from the well, and the head of water had reached a half mile down in the field.

Until the ditches are greatly strengthened, and become set, the pumps will have to be set low, around 900 or 1000 gallons per minute and not 1700 as per the test, Tuesday. But Mr. Edwards already has his plans laid, and the machinery needed to build better ditches. Just a few men with shovels and spades would be out of the question. It's a big job and will take big measures.

There are two other wells on the Scales farms. Malcolm and his sister, Miss Gladys, who live in the old home, have a good one, but we understand that Harmon is having trouble with his well, as it is trying to cave on him, way down where the water lies. Water is reached around 100 feet but they go some 60 feet deeper to insure a good supply.

It is our intention to again go out when the crops are up and well started. We learn that neighbors like Lee Lyon and Mack Chambers are talking wells, as well as perhaps others.

DR. RICHARDSON ATTENDS OPTOMETRIC MEET

Dr. Gordon E. Richardson, local optometrist attended the South Plains Optometric Society meeting at Plainview, last Monday.

Fly And Insect Control Needed Now

With spring time one week old and the weather warming up it is time to clean up and spray liberally with DDT to get the early crop of flies and mosquitos. This will help in the control of polio, according to Walter Breedlove, Public Health Engineer, of the South Plains Health Unit.

With polio cases occurring now in South and East Texas it is time to begin a strenuous campaign to prevent its spread in this area by spraying liberally the inside and outside of all houses, barns and out buildings; and the inside of cow lots, chicken pens, etc., with a 5 per cent solution or stronger of DDT which will kill out the early fly menace and aid in the control of these pests throughout the summer.

It is also important that all cow lots, privies and fly breeding areas be thoroughly cleaned and that all garbage be placed in covered cans. These measures afford the best known prevention of polio and other filth borne diseases. It is generally known that preventative measures may save heavy expenditures for treatment and that a thorough campaign of clean up and spraying with DDT will pay in the reduction of polio, the dysenteries and the insect borne diseases throughout the summer months.

Pre-Easter Services Scheduled For Community

On Friday afternoon at 2:00, April 4th, a pre-Easter service will be held in the Methodist church that our community might commemorate the death of Jesus Christ upon the Cross.

The service shall be an hour of sacred music, prayers, and devotional messages, given by several musicians and ministers of the local churches. It is not known at this time all of the ministers who will be able to assist, but the order of service as now planned will include: Organ Prelude, 1:45-2:00; Scripture Reading and Prayer; Duet by Mrs. P. C. McCord and Dr. W. A. Roberson; Three Devotional Messages, "The Sayings From Him on the Cross," Rev. J. Preston Murphy, "The Sayings About Him on the Cross," Rev. R. N. Huckabee, "The Events Attending The Death on the Cross," Rev. P. C. McCord, with a musical interlude between them; solo by Mrs. P. C. McCord and Benediction.

This kind of service will be new to our town. But in many American communities for years the Friday before Easter, traditionally called "Good Friday," has been held sacred. Our Christian consciences bid us allow this Friday of Christ's crucifixion as well as the Sunday of His resurrection.

The Lions Club and the business men of the community contacted so far have voiced their approval of the service. All of the businesses will be asked to close from 2:00 to 3:00 o'clock next Friday afternoon that the people may worship on that day.

Texas Tech War Vets Opens Drive

The Texas Tech War Veterans association has opened a campus-wide drive to secure money for its memorial loan fund, which will finance future education of children of its members.

The drive will include collection of used textbooks for sale and an all-college dance. The TWVA will establish a loan fund for children of members and after 25 years, when the funds are not longer needed for this purpose, the money will revert to the College for campus improvement under the program.

Spring Housecleaning Needed In Every Community

A good old fashioned spring house cleaning in every city and community in Texas would do a great deal toward furthering good health in this state according to Dr. Geo. W. Cox, State Health Officer, who said in Austin today.

"From a practical standpoint the old adage that 'Cleanliness is next to Godliness' is still well worth emphasizing."

A general clean-up program of state-wide proportions with the objective of bettering health conditions for our citizenship should include surface cleaning, drainage, the graveling of streets and alleys, the cleaning of all parks and playgrounds and the clearing of weeds and rubbish off of vacant lots.

"The destruction of mosquito breeding places and rat harborage, the proper disposal of garbage and trash and the general cleaning up of all premises," said Dr. Cox, "will be of inestimable value in helping to keep down summer health hazards such as dysentery, typhoid, and poliomyelitis. Good community housekeeping and ordinary sanitary measures require the prompt removal of all waste matter in and around yards and homes in order to abate the danger of such diseases, and insure good health protection throughout the State."

Dr. Cox stressed the fact that many dangerous diseases are filth-borne, and the only possible way to control them is to eliminate the insanitary conditions responsible for their spread.

Post Stampede And Rodeo To Be Held June 11 to 14

The annual Post Stampede and Rodeo will be held June 11 to 14 inclusive instead of the last four days in May as previously announced.

The dates were changed to avoid conflict with college examinations, in order that more girl sponsors could be on hand to add glamor to the rodeo which will inaugurate the new arena which is being built for the annual event.

Bill Lyons of Petrolia is providing stock for the rodeo from his enlarged herd. Included will be some of the same big Brahma bulls that were considered "plenty tough" last season. The string of saddle broncs also will include some of last year's wild favorites, but Lyons also has promised some fresh, wild and mean stock that will be performing for the first time.

Homemaking Is Feature of 4-H Girls' Program

Valuable incentives to rural girls who aspire to become successful homemakers are offered in the 1947 National 4-H Girls' Record program. In this activity, which is conducted under the direction of the Extension Service, participants learn all phases of homemaking through 4-H Club projects which serve to develop housekeeping skills and home management ability. To buy wisely and use farm and home resources intelligently are featured in their training.

A typical 4-H girl's record in homemaking shows that during eight years in club work she prepared and served 5,081 dishes for family meals; sewed, made over or mended 107 garments and canned 3,292 jars of foods. She also made 80 home improvement articles, raised 12 1-2 acres of garden, prepared 2,771 packages of food for freezing, gave 59 demonstrations, and served her club as junior leader. In addition, her home grounds beautification achievements won state honors.

As incentives for "all-around" achievements in homemaking, merit awards are offered by Montgomery Ward for the twenty fifth consecutive year. The awards include medals of honor to county winners, an educational trip to the 4-H Club Congress in Chicago to the state winner, and \$200.00 college scholarship to six national winners.

Last year's state winner in Texas was Margie Gail Burks of Mt. Enterprise. County winners were named in 61 counties.

Scholastic Census Missing Youngsters

School authorities complain that nearly every year many parents whose oldest child becomes eligible, neglect to enumerate it in the census. This deprives the school of its badly needed apportionment of state funds.

City Lets Sewerage Contract Locally

The city early this week let a contract to dig the ditches, install sewerage mains for the Chisholm and Southeast additions of the city. Local force will install the piping, which material is now on hand.

Total cost will be about \$10,000. This will be tied into the present nearby main line.

Mr. and Mrs. Charles O. Sears and Mrs. A. P. Daugherty visited relatives in Big Spring Sunday.

Sheriff Murry's Force Busy

Early this week it looked as if Sheriff Ocie Murry, was opening up a used car lot, on the court yard, without permit, but upon interviewing we learn, the trailer parked there was a recovered stolen one and the coupe had been driven by two colored "geman," who since Sunday had been sleeping it off, in Ocies dormitory, but were released Wednesday.

The Jeep towed in Monday night by the Sheriff and a Highway patrolman had been found parked a few miles out on the Levelland road, with a ranch brand printed on the outside and a New Mexico license, had been stolen Saturday at Clovis. It was owned by a GI at Clovis, who came for it Thursday. It is presumed to have been taken by two scapes from Albuquerque jail, and when they encountered engine trouble, was abandoned. No arrests have been made.

Deputy Powell and Patrolman Cole, by some alert work, apprehended a local 14 year old girl, at Crane who had runaway from home here, Sunday. She is back home with her parents.

NEW SORORITY FORMED

The Beta Theta Alpha, sorority for business and professional women was formed here Tuesday.

ROGER BABSON DISCUSSES LABOR AND WAGE PROSPECTS FOR YEAR 1947

The economic well-being of any country is largely determined by (a) the amount of food, homes, clothing, recreation, etc., which is produced by its people; and (b) the way these goods and services are divided up among you and me and our neighbors. If, therefore, we are to be prosperous in 1947 we must produce. We cannot afford to lose another 110,000,000 man days through some 6,027 strikes as we did in 1946.

Strikes On The Wane

It is my belief that the struggle between management and labor has already begun to slough off. Of course, there will be continued demands for small wage increases. Where industries cannot afford further basic wage increases there will probably be demands for certain concessions as portal-to-portal pay, paid sick leave, increased paid holidays, health and welfare funds, etc.

There is no question but that some of these demands are legitimate. The real trouble is that many of them are simply camouflage to cover up the real struggle between the unions, owner-management and the government for the control of industry. Knowing this, both employers and employees ought to muster every ounce of courage and common sense in order to negotiate wisely, not only for their own mutual benefit, but for the ultimate preservation of our American way of life.

Reason's For Labor's Change In Attitude

While strikes will remain a nuisance, a thorn in the flesh, if you will, of industry throughout 1947, the fact remains that the incidence of strikes has tumbled appreciably since November (July 720; September 541; November 477; December 228; January 191). I attribute this change for the better to:

(a) the fact that price controls have been lifted, which allows a greater latitude for bargaining; (b) the political complexion has changed considerably in recent months; (c) a warning handwriting is very clearly upon the wall for future strikers. Messrs. Green, Lewis and Murray all have sense enough to know that under pres-

Saturday, April 5th is the date set by law for annual school trustee elections to be held in the four Independent districts of Terry county.

Three are to be elected County School Trustees. The terms of George Alexander, precinct No. 3; J. L. Lyons of No. 4 and L. D. Hamm of Wellman, trustee at large, expires at this time. We learn they will be available if re-elected. H. H. Harred of Union, and B. F. Finley of Meadow hold over another term.

Brownfield District: The terms of H. C. Glenn and R. D. Jones, expire this time. Trustees, Martin Line, J. L. Langford, Al Muldrow, Orb Stice and J. M. Teague hold over. Only two are to be elected. The names of Glenn and Jones are up for re-election, with Johnny Bost, Gene Gunn, Jack Griggs and W. G. Smith, as candidates.

Wellman District: The terms of Carl Golden, Leo Hawkins and G. I. Simms expires this time, with J. F. Thomason, Hugh Hulse, M. C. Chambers and S. R. Loe as hold overs. It is understood the three outgoing are up for reelection.

Union District has two expirations: R. H. Decker and A. L. Wood with O. G. Lewis, Frank Sargent, J. C. Herring, Carl Shultz and one other, are hold overs.

Meadow District has two expirations, but names are unavailable at this time.

ent conditions continued belligerence and aggression can only lead to public hostility and a possible immediate retaliation from the new Congress. In the light of these trends I predict that 1947—much to the surprise of many employers and employees alike—may see the fewest critical labor disputes since 1939.

Wage Outlook For 1947

As a result of this return to normalcy there have been during December and January some wage increases for workers in the Trucking, Clothing Stores, Cotton Textiles, Printing, Painting, Plumbing and Shipping industries. You can expect that where unrest continues, the greatest pressure for wage increases and fringe concessions will probably come from the Shipping Industries, Motion Pictures, Chemicals, Household Furnishings, Radio and Metal Fabricating. Reason: The desire of the unions to share the reputedly high profits in these businesses.

Frankly, I am not now too concerned over this upheaval. I believe that after union labor has secured real power, it will find that its employers are better friends than its labor leaders. Labor will not give up collective bargaining and certain other new privileges; but it will listen more to the advice of its resident employers than it ever did before. This means that when the liberal interests are faced with full responsibilities, they become much more conservative and demand "checks and balances" for their own protection.

The Need For The Practice Of Basic Principles

Bear in mind these truths, however: Three fundamental economic principles must be understood before we can realize any true measure of prosperity. These are:— (1) Only by increasing our national production will there be more to divide; (2) Our true national income can be increased most readily by extending free enterprise with a minimum of interference by government bureaucrats. (3) The masses are on the march and we should not handicap legitimate desires to better their condition.

They watch him stride to the star of hope
And they see themselves there, too,
For that star will be a reality
With the help that comes from you

MEMBER 1946
TEXAS PRESS ASSOCIATION

Well, we note that The Herald made the "Editorial of the Week" section in the Scurry County Times, Snyder, last week, in competition with all the big bull throwers. They have to really be good to make that department of the Times, they tell us—or do they?

The Herald had a lengthy press release from Col. E. O. Thompson of the railroad commission at Austin last week, which with all the whereases and therefore's eliminated, simply means, after a certain date all the many flares we see around the oil fields in Texas day and night, around the refineries, must be pulled down, and this waste of billions of feet of precious fuel must stop. It can still be used as carbon black material, etc., or piped back into wells. But Col. Thompson says this gas is now becoming valuable and marketable, and the waste in the shape of huge flames must be stopped.

The Crosbyton Review reminds us that we have just passed National Doughnut week without any heavy celebration, due to the fact that few of us are familiar with doughnut dates. Even the Review was somewhat behind when the error was discovered. So the best thing the Review could do to square itself with the doughnut eating public, was to give a few statistics, and came up with the following about the dunkers: "The local bakery reports that Crosbyton and area consumes 175,000 doughnuts yearly, exclusive of what is shipped in by grocery men from the larger cities." With that information, the Review is very likely back in the good graces of the hole-in-one eaters.

Of course we would not know. You may be as strong as horse radish for the bond issue for improvements. Then again, you may be teeth and toe nail against it. Whether pro or con, that's your privilege; you paid for your poll tax receipt—not neighbor Ned.

WELLMAN 4-H MEETS IN HOME EC ROOM

The WWW and WAC 4-H Clubs of Wellman met in the Home Economics room Tuesday morning, March 18.

Betty Zo Dean, recreation leader of the WAC club led the group in singing "Little Sir Echo." The club discussed adopting a child from the Lubbock Orphan's Home. "Of course we won't really adopt it," said Mrs. Heafner the club's sponsor, "we will just make clothes for the child and take care of it."

The demonstrations were given by Jo Marie Crowder and Marjorie Seales. They gave several demonstrations of finishes on gowns and pajamas. Also some uses of bias tape in finishing clothing. Then Anna Jo Dean told the group how to make a plant bed.

Two members of the WWW Club, Zona Lea Chesshir and Mona Faye McBeth were again unable to attend the meeting because of a conflict in classes. They were greatly missed.

Sgt. and Mrs. T. Charchenko, of Denver, Colo., are here visiting her parents, Mr. and Mrs. J. D. Williamson.

Mrs. W. T. McKinney was a Lubbock visitor Monday.

Notice To Bidders

Sealed proposals will be received by the City Council of the City of Brownfield, Texas, at the office of the City Secretary, City Hall, Brownfield, Texas, until 8:00 o'clock P. M., April 11, 1947, for the Construction of STREET REPAIRS AND IMPROVEMENTS, and at that time and place the proposals will be publicly opened and read aloud.

The proposals must be accompanied by a bidder's bond or a Certified of Cashier's Check in the amount of Fifteen Hundred Dollars (\$1,500.00) payable without recourse to the order of the City of Brownfield, Texas, as a guarantee that the bidder will enter into a contract and execute a Performance Bond in the forms provided within ten (10) days after notice of award of contract to him.

The successful bidder will be required to furnish a Performance Bond for 100 per cent of his total bid, written by a responsible surety company satisfactory to the City Council of the City of Brownfield, Texas. The City reserves the right to reject any and all bids and to waive formalities.

Bidders are expected to inspect the site of the work and to inform themselves regarding local conditions.

Plans, specifications, and other proposed contract documents are on file at the office of JOE E. WARD, Consulting Engineer, 545 Nacoli Building, Wichita Falls, Texas, and at the office of the City Secretary, City of Brownfield, Texas. Copies may be secured upon the deposit of Fifteen Dollars (\$15.00), which will be returned if the Contractor submits a bona fide bid and or returns the plans and specifications before the bid opening.

The proposed work includes approximately the following: 500 square yards of 8" caliche base course, 10,750 square yards of reconditioning existing base course, 11,250 square yards of triple asphalt treatment, 75 tons of asphaltic concrete levelling existing pavement, 40 square yards repairing pavement, asphaltic surface on caliche base, 149,000 square yards of single asphalt surface treatment or double asphalt surface treatment.

FRANK JORDAN, Mayor
City of Brownfield.
Attest: THOMAS D. ZORNIS,
City Secretary.

MEADOW COLLEGE GIRL SIGNALLY HONORED

Freda Beth Walker, daughter of Mr. and Mrs. Lee Walker of Meadow has, because of her outstanding work in physical education, been chosen as a new member of the Campus Service organization at Abilene Christian college, Abilene. This is an honor and service organization for girls of sophomore level or above.

JOHN L. SQUAWKS

John L. Lewis and his miners lost their case before the Supreme Court. They are going to have to pay their fines for striking against the government Lewis and the miners have contended that the government should operate the mines, and now are caught in the very trap which they themselves set.

The American people were very fearful that the new dealers on the Supreme Court might favor Lewis and the miners in this vital decision. But the decision is a clear cut victory for the people of the nation over the willful leadership of unscrupulous labor leader who's word is law with a half million union men.

Congress now has a rather distinctly marked course in dealing with labor leaders. Up to this decision, Congressional leaders were not certain as to the type of bills which should be passed and whether or not it could pass any sort of restraining law which would be upheld by the Supreme Court.

Labor racketeers have gone beyond all reason, and a halt must be expressed that Congress might go too far in passing restraining measures affecting labor, it is now pretty certain that this will not be the case. A sensible labor law is all the people wish. Honest labor leaders should recognize the ruthlessness of their past performances and now join hands in the passage of needed legislation before it is too late.

So far as Lewis is concerned reason of sensible laws of any kind cannot be expected. He is determined to have his own way, and the present slap of the Supreme Court will give him incentive to work out some other kind of scheme to impose his rule on the American people— Canyon News.

Sue Langford Wed To Frank Gray

Miss Sue Langford, daughter of Mr. and Mrs. J. L. Langford, of Rt. 1, became the bride of Frank Gray Saturday, March 15th at 8:00 o'clock in the home of the brides parents. Mr. Gray is the son of Mr. and Mrs. C. N. Gray, of Meadow.

Rev. R. L. Shannon, pastor of the Meadow Baptist church read the single ring ceremony before an improvised altar of baskets of white, orchid and pink gladioli.

The bride, given in marriage by her father, wore a white gabled suit with black accessories and blue gloves and blouse. Her corsage was red and white carnations. She carried a Bible belonging to the groom's mother for something old and a handkerchief borrowed from a friend. Her suit and gloves were something new and blue.

Mrs. Marshall Loyd was her sister's matron of honor and wore a gold dress with black accessories and red carnations. L. V. Langford served as best man.

A reception was held immediately following the ceremony with a three tiered wedding cake and coffee served to the families and close friends of the couple.

After a wedding trip to points in East Texas the couple will make their home here. Mrs. Gray is receptionist for Dr. W. A. Robertson and Mr. Gray is employed at Lathams.

MRS. GAASCH SHOWER HONOREE

Mrs. Phil Gaasch was named honoree by Mrs. W. A. Robertson Wednesday morning of last week when she entertained with an informal coffee in her home at 214 East Tate. A lovely array of pink and blue gifts were presented the honoree.

An arrangement of pink carnations and purple iris flanked with pink tapers decorated the refreshment table. Coffee and sweet rolls were served to Mesdames T. C. Williams, Jerry Kirschner, Bruce Zorns, P. N. Figley, J. P. Miller, Jack Shirley, W. O. Schellinger, Tom Harris, Logan Redford, Ted Hardy, Ethelda Edwards, Joe P. Murphy, Kenneth Hill and Ralph Ferguson.

WELLMAN GIRLS OBSERVE ST. PATRICK'S DAY

About twenty 4-H club girls of all ages gathered in the home of Mrs. Clyde Heafner for a St. Patrick's Day party Monday night, March 17.

Several games were played. Then the group gathered around Marjorie Scales at the piano and sang Irish songs in honor of the day. The twenty voices harmonized beautifully for over half an hour before Mrs. Heafner called, "Come and get it." The girls then paused to soothe their dry throats and empty stomachs with cokes and ice cream on a stick.

After the refreshments had been taken care of a few more songs were sung and the party broke up with the girls singing, "Good Night Ladies" as they went out the door. The general comment of most of the girls was, "It was the best party I have been to in months."

Dr. and Mrs. M. E. Jacobson and daughters of Amarillo, visited the Roy Herods the latter part of last week.

Showers Given For Mary Chambless

A bridal tea and shower was given for Miss Mary Chambless, bride-elect of Robert L. Heath, Thursday afternoon of last week in the home of Mrs. A. R. Tyler. Twenty-six friends of the honoree were co-hostesses with Mrs. Tyler.

Mrs. A. W. Turner, Mrs. Tyler, Miss Chambless, Mrs. Bertha Chambless, mother of the bride-elect, Mrs. L. C. Heath and Miss Wanda Chambless, sister of the honoree were in the receiving line. Miss Nadine Wagner registered 65 guests in the bride's book.

The tea table was laid with a lace cloth over pink and centered with an arrangement of pink carnations flanked with white tapers. Norma Newman, Ruth Hogue and Hazel Vernon presided in the dining room. A miniature bridal scene decorated the buffet.

The honoree wore a corsage of red roses and her mother and Mrs. Heath wore white carnations. Members of the houseparty wore corsages made of small gifts which were presented Miss Chambless.

Mmes. C. E. Ross, E. M. McBurnett, R. M. Moorhead, Ame Flache, Henry Newman and Hubert Heath displayed the lovely gift arrangements.

The bride-elect was also named honoree at a personal shower and coker party Friday afternoon of last week in the home of Betty Holmes, with Dolores Gillham, Billye Faye Finney, Jane Weir and Eleanor Miller as co-hostesses. An impromptu mock wedding with hep cats and boogie-woogie music furnished diversion.

Iced cokes in a crystal punch bowl centered the refreshment table and were served with cup cakes and candies. Twenty-five guests were present.

MRS. CRAIG ENTERTAINS WITH LINEN SHOWER

Mrs. M. J. Craig, jr., entertained with a linen shower and bride for Miss Knight Thursday afternoon of last week. The Easter motif and colors were carried out in all the table appointments. La Rue Ross, scored high and Mrs. J. C. Powell, jr., of Lubbock received low.

Guests were Mmes. J. E. Smith, R. B. Walls, URe McPherson, Bill Marchbanks, J. C. Powell, Rufus Franks, Tobe Howze, Bill Klutzing and Misses La Rue Ross and Wanda Hahn.

Saturday evening Mrs. J. E. Smith, Mrs. J. C. Powell and Miss Joyce Dungan were hostesses with a bridge party for the couple. A gift of sterling silver was presented the honoree by the hostesses. Guests were Mr. and Mrs. M. J. Craig, jr., Miss Wanda Hahn, Larry Miller, Sammy Jones, Messrs. J. C. Powell, J. E. Smith and the honorees.

Mr. and Mrs. William E. Thurman, of Lubbock were week end guests in the home of his parents, Mr. and Mrs. J. E. Thurman.

Mr. and Mrs. J. H. Parrish, of the Uni community were Brownfield visitors Monday.

Mrs. R. B. Walls and son, Ronnie spent the week in Lovington as guests of Mr. and Mrs. O. G. Cheek.

Mary Chambless Wed To Robert Heath

Miss Mary Chambless, daughter of Mrs. Bertha Chambless became the bride of Robert L. Heath, son of Mr. and Mrs. L. C. Heath, March 22, at 7 p. m. in the Baptist church. Rev. A. A. Brian read the double ring ceremony.

Ruth Huckabee pianist offered "I Love You Truly" before the ceremony; continued with the wedding march and played "The Flower Song" during the reading of the vows.

The bride was given in marriage by her brother, Cecil Crawley, of Clovis, N. M. She wore a gray pin striped suit with winter white accessories and carried a white Bible, belonging to Dolores Gillham, topped with white gardenias. Carrying out tradition she wore a ring belonging to her mother as "something old" and a strand of pearls belonging to Elizabeth Anthony as "something borrowed." "Something blue" was a pair of garters given the bride by Mrs. A. W. Turner.

Immediately following the ceremony a reception was held in the couple's new home at 417 N. Bell St. A three tiered wedding cake and punch were served by Ruth Hogue and Mrs. L. C. Heath.

Mrs. Heath is a senior in the Brownfield High School and has been employed as secretary to Miss Dunlap, home demonstration agent.

Mr. Heath is a 1942 graduate of the Brownfield high school and attended Tech for one year before entering the Air Corps. He was in the service for three years and served in the ETO during the war. He is now employed as a clerk by the Magnolia Petroleum Co.

Out of town guests included Mrs. Allen Kendrick and Mr. Jack Chambless, of Lubbock, Mr. and Mrs. Perry Crawley and family of Texico, N. M., and Mr. and Mrs. Cecil Crawley of Clovis, N. M.

FANNIE LOUISE BUTLER CELEBRATES BIRTHDAY

Mrs. John Butler entertained with a party Monday afternoon for her daughter, Fannie Louise in honor of her fourth birthday. Nursery games and toys furnished diversion for the guests.

Birthday cake and ice cream, with balloons as favors, were served to Becky Burnett, Martha and Harmon Dale Wood, Jimmy Bill and Jerry Bob Warren, Jayne Fuller, Joseph Farley, Jimmie Sadler, Claire Lynn Sayre, Jan Neely, Anna Lee and Curtis Ray Morton, Don Smmonds, Richard Lee Collins, John Leslie, David Ronald and Donald Floyd Butler and the honoree.

Mr. and Mrs. Grady Goin of Corpus were guests of Mr. and Mrs. J. M. Teague Thursday of last week.

Edwards - Oakley Vows Read In Presbyterian Church

In a candlelighted service at the First Presbyterian Church, March 21 at 8 o'clock Ethelda Edwards, daughter of Mr. and Mrs. Tom May, exchanged vows with M. Dyar Oakley. Rev. J. Preston Murphy officiated for the single ring ceremony.

Mrs. Jack Shirley offered, Ave Maria as a prelude and accompanied Mr. Shirley as he sang, "Because." During the ceremony she played, "The End of a Perfect Day."

The altar was banked with baskets of gladioli and fern. White tapers in floor candelabra lighted the altar and marked the aisle.

The bride wore a dress of gold crepe, studded with gold nailheads, with a black sequin beanie and black accessories. Her corsage was blue camellias. For "something old" she wore a ring belonging to her matron of honor and carried a handkerchief for "something new." A gold bracelet belonging to Mrs. Ted Fox was "something borrowed." In her shoe she wore a gold good luck piece which is one of a pair belonging to the groom.

Mrs. Kenneth Hill was matron of honor and wore a dress or royal blue crepe made identical to the bride's. Her corsage was talisman roses.

B. H. Goodwin, brother-in-law of the groom, served as best man.

Wedding guests were registered by Jonelda, assisted by Becky, who wore a white dotted swiss "Southern Belle" style dress trimmed in red eyelet with matching bonnet. Jonelda wore a pink silk chambray dress trimmed in grey eyelet embroidery with a corsage of sweetpeas.

Before leaving on their wedding trip the couple and some of the younger set gathered at the home of Mr. and Mrs. Kenneth Hill for cake and coffee. The refreshment table was laid with a white linen damask cloth and centered with a white china figurine surrounded with sweet peas. White tapers in matching candle holders flanked the arrangement. Mmes. Sawyer Graham and Ted Hardy presided at the silver coffee service.

Mr. Oakley, a 32nd degree mason, attended John Tarlton and Texas A&M and served in the Army Air Corps as a major. He spent five years in the European and North African theatres of operations, making 43 missions and received the Silver Star, Distinguished Flying Cross, Air Medal with eight oak leaf clusters, Purple Heart with two oak leaf clusters, ETO and North African ribbons and the American ribbon with five battle stars. He was taken prisoner by the Germans during the Kasserine Pass battle. He is now associated with the Hughes Tool Co., in Kermit where the couple will make their home.

Out of town wedding guests were Mr. and Mrs. Claude Hoffman, Mr. Charlie White and Mrs. Elmer McKinney, all of Lubbock and Mr. and Mrs. B. H. Godwin and son of Kermit.

Pre-Nuptial Parties For Miss Knight

The prenuptial round of parties continue for Miss Jean Knight bride-elect of Bobby Jones. She was named honoree at a formal tea and shower at the home of Mrs. M. G. Tarpley Tuesday afternoon with Mmes. B. W. Hahn, W. H. Collins, Leo Holmes, Mon Telford, Clarence Lewis, J. O. Gillham, Clyde Coleman, C. R. Lackey, A. W. Turner, A. A. Sawyer and R. L. Lewis assisting Mrs. Tarpley as hostesses.

Receiving the guests were Mmes. Holmes, Tarpley, Miss Knight, Mrs. J. B. Knight, mother of the honoree, Mrs. Tobe Howze and Mrs. Ned Self. Mrs. Coleman presided at the bride's book and Mmes. Telford and Lewis assisted with hospitalities in the reception room.

The tea table was laid with a green damask cloth and centered with a crystal punch bowl flanked with white tapers in crystal holders. Nougats of pastel sweet peas, tied with pink satin ribbons, scattered about the table made a beautiful arrangement. Mrs. M. J. Craig, jr., and Misses Wanda Hahn, Joyce Dungan and Betty Holmes served in the dining room.

Gifts were displayed by Mmes. Collins, Gillham, Lackey and Lewis. Ruth Huckabee and Mrs. J. E. Smith furnished music during the calling hours.

REBEKAH LODGE INITIATES NEW MEMBERS

The Rebekah Lodge met Monday night in the IOOF Hall for their regular business meeting and social hour. Mrs. N. T. House who was sent as a delegate to the Grand Lodge in Amarillo, gave a report on the meeting. Mr. and Mrs. Jeff Farley were initiated into the lodge as new members.

During the social hour sandwiches, doughnuts and coffee were served to thirty-five members. Mr. and Mrs. N. T. House and Mr. and Mrs. Johnny Garrison were hosts for the evening.

Mr. Hugh Holmes and son, Ross attended the rodeo in Levelland Sunday afternoon.

Mmes. J. C. Finley and Wade Turnbough, of Meadow were in town Monday shopping.

KAY FRANCES SZYDOSKI ENTERTAINS WITH FORMAL PARTY SATURDAY

Kay Frances Szydoski entertained a group of her friends with a formal party at the home of her parents, Saturday evening. Dancing and games were enjoyed for pastime and Lyle Shelton made pictures of the group during the evening.

Sandwiches and punch were served to Leah Dale Portwood, Freda Anthony, Nelda Miller, Freddie Ruth Lowe, Joann Shelton, Althea Jacobson of Amarillo, Herbie Kendrick, Max Black Charles Ray Duke, Johnnie Cloud, Bobbie Latham and Earle Davis.

KAREN WHITE NAMED PARTY HONOREE

Mrs. C. L. White named her daughter, Karen, honoree at a party Monday afternoon to celebrate her eleventh birthday. The guests were entertained by Mike McCord and his magic tricks. Birthday cake and ice cream, with chocolate Easter eggs as plate favors were served to:

Jane Breedlove, Dean Breedlove, Ladell Moore, Bobby Moore, Mike McCord, David McCord, Marydean Jackson, Alvin Murril, Olen Chambless, Jerry Don Brown, Maybelle Pate, Robert Norrel, Barry Burrows, Mary Sue Travis, Linda White and Mrs. Larry Davis.

CARD OF THANKS

We wish to take this means of thanking all our friends for the many deeds of kindness and the beautiful floral offerings offered during the illness and death of our mother and grandmother, Mrs. Ella McCracken. To Dr. Treadaway, Dr. Daniell and the nurses we express our gratitude for their services.

Mr. and Mrs. W. F. McCracken, Mrs. Noel McCracken, Louise, Jim and Billy McCracken.

Miss Clarice Daniel of San Francisco, Calif., left Tuesday for a visit in Longview after a weeks visit here in the home of Mr. and Mrs. Bill Heflin.

Mrs. Edith Long and daughter, Betty spent Saturday in Amarillo visiting her son-in-law and daughter, Mr. and Mrs. Ike Raferason. Mr. Raferason is a patient in the Veterans hospital there.

JUNIOR MUSIC FESTIVAL HELD IN LUBBOCK

Mrs. W. H. Dallas, counsellor of several junior music clubs of the city, accompanied entrants in the Music Festival to Lubbock March 22.

In the piano division Jo Ann Dickson participated in the difficult class; Bobbie Helen Brian very difficult class; Onagene Walker, moderately difficult class and Marjorie Scales, musically advanced class.

Willa Johnson, Freda Edwards, Ann Snedecker, Charlie Gaston, Lonnie G. Hawkins, Jean Marie Wright, Doris Walls, Patsie Scales, Marjorie Scales, Bobbie Brian and Irvin Nelson participated in the voice division.

Three junior clubs, the Treble Clef, Music and Musicians Club and Junior Hi Choirsters were represented. The judges comments will be sent to the pupils. Certificates were presented each pupil by the State president of Texas Federation of Music Clubs.

JOHNSON REVIVAL TO BEGIN SUNDAY

A Methodist revival will be held in the Johnson community church starting Sunday morning at 11:00 a. m. Weekday services will be at 7:30 p. m. Rev. Ed Tharp will conduct the meeting. A cordial invitation is extended to all to come and worship with us.

WEST WARD SCHOOL WINS PRIZES

Though the physical condition of the West Ward school building, especially the interior, is not conducive to pride, it failed to hamper the ambitions of the students and teachers.

Last Saturday their track team won first at the Meadow track meet. Also the relay team of Chambless, Courtney, Little and Cary win first in 50, 100 and 440

Mrs. R. N. Huckabee was in Big Spring this week attending a conference of the Women's Society of Christian Service.

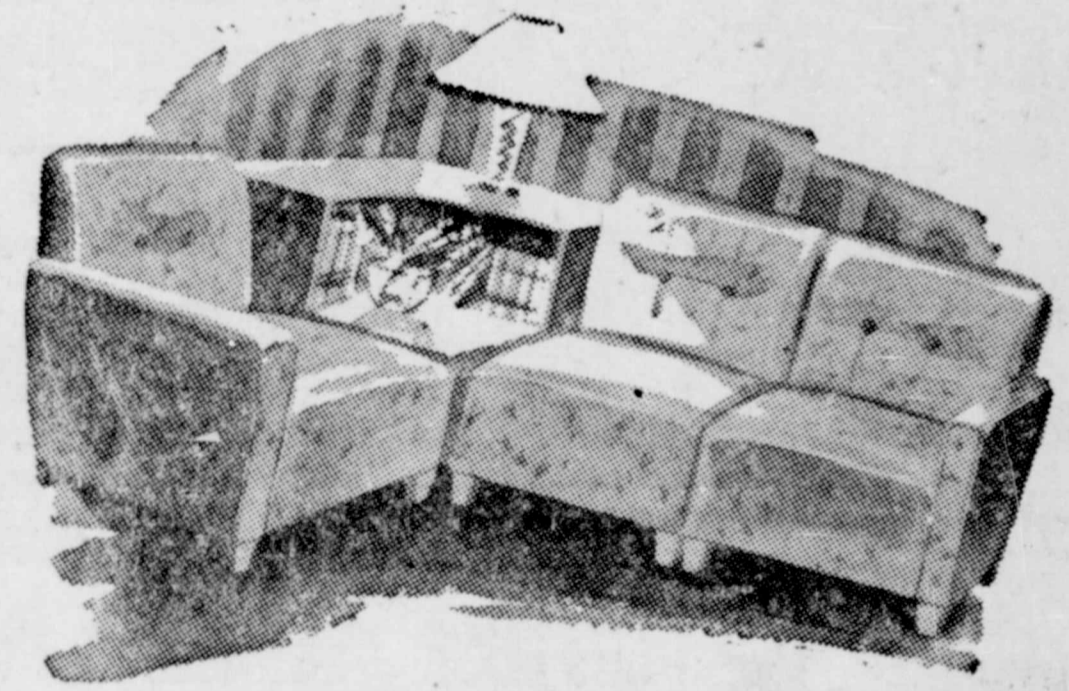

Ida May May and Gene Osborn were in Lubbock on business Monday.

J. W. Sullivan, Rt. 3 Lubbock, was a pleasant caller at the Herald office one day last week.

Young Lawyers Should Seek Small Towns

Ambitious young lawyers in Texas can find greener pastures in small towns and cities, Dean C. T. McCormick advises University of Texas students.

The four largest cities in Texas he pointed out, have one third of the lawyers in the state, and about one-fifth of the population of the state. The present average is one lawyer per 700 people, which is about national average. Advantages for the young lawyer entering the relatively uncrowded practice in small towns and small cities were named as lower expenses with the opportunity of a day off now and then. The disadvantage is that beyond a comfortable living, financial horizons are limited.

Law school enrollment at the University was 750 in 1940, 40 in 1943 and 900 this current school year.

"As Bad As White People"

Albany people have been commenting this week on a report of a court proceedings in the court of District Judge Walter Morris of Fort Worth. It will be remembered that Judge Morris is a former school teacher, lawyer and judge of Shackelford County, and his logic in advising a group of negroes to settle their church problems out of court applies to any race or group. The story is reproduced below:

Judge Walter Morris in 67th district court here (Fort Worth) Friday admonished a courtroom crowded with negroes to resort to prayer instead of legal procedure in settling a dispute over the pastorage of the Greater Mount Gilead (negro) Baptist Church.

"You're getting as bad as white people," Judge Morris told the courtroom. "You can't find God in a courthouse."

The judge then granted a temporary order preventing Rev. W. Bowden serving as pastor of the church and climaxed it with a bit of preaching himself.

"You know Christ said to love thy neighbor," he said, and there was a chorus of 'amens' from the audience.

"If you people had gotten on your knees and prayed, this never would have happened," the court continued (more amens).

Attorney Cecil Morgan (white), representing Bowden, objected that Judge Morris had decided the case without hearing the evidence, and gave notice of appeal to the second court of civil appeals. Albany News.

INTERNAL REVENUE COLLECTIONS

Federal internal revenue collections in Texas bounded upward in February to total \$132,353,831 and recover completely from the temporary January set-back. This represents a 59 per cent gain over collections in February 1946, according to reports released by The University of Texas Bureau of Business Research.

Collections for the 8-month period July 1 to February 28 totaled \$704,569,424 to chalk up a 2 per cent gain over the same period last year. Employment taxes reflected the greatest increase, 14 per cent, during the period, and withholding taxes showed the heaviest dip, 6 per cent.

Evergreens A Fire Barrier

COLLEGE STATION, March 27—Border plantings of evergreen shrubs around rural homes and farm buildings can be a barrier against spreading grass fires, states Miss Sadie Hatfield, landscape gardening specialist of the Texas A and M College Extension Service.

Broadleaf varieties of evergreen shrubs and trees will often stop a grass fire, says Miss Hatfield, provided they are of the right varieties. Plants suited for the purpose are armuriver privet, big-leaf privet, euonymus japonica, cape jasmine, holly, Florida jasmine, cherry laurel, youpon, pyracantha and wax leaf ligustrum. Cedars, pines and others of the conifer family are not recommended as fire barrier plants, since they may burn when green, the specialist says.

Landscape gardeners have found that the shrubs are effective in stopping grass fires when planted from three to six feet away from the foundation of the house. Shrub beds, eight or ten feet wide, and planted against the house foundation, are also grass fire protection.

Keeping a well-trimmed lawn is in itself a partial safety measure, the landscape specialist says, while winter lawns of Italian rye or clover keep down fires as well as provide a green year-round covering.

Neatness, order and cleanliness around the home grounds are not only necessary for good appearance, says Miss Hatfield, but for safety as well.

DEATH CLAIMS PIONEER MEADOW WOMAN

Mrs. J. A. Maddox, 72, a resident of Meadow for the past 27 years passed away at her home there last Friday. Funeral services were held at the Meadow Methodist church, followed by burial in the Meadow cemetery Saturday afternoon.

She is survived by her husband and a daughter, Mrs. J. L. Brooks of Meadow; Mrs. Pat Davis of Dallas; two brothers and sisters of Enola, Ark., and five grand children.

Pall bearers were J. M. Burleson, Lou's Peeler, Allen Wingham, Tom Brown, John Roberts and F. C. Curtis.

Construction On Tech Stadium Started

Construction of the new 16,000 seat concrete and steel stadium at Texas Tech has been started and officials of the building, Old-Midwestern Construction company, say work will be completed in time for all home Tech games to be played on the new field this fall.

Ground for the new structure was officially broken March 17, with Lubbock and Tech officials and members of the stadium committee taking part in ceremonies turning dirt were President W. M. Whyburn of Tech and Mrs. Clifford B. Jones, wife of the president emeritus of the College. The stadium will be called the Clifford and Audrey Jones Stadium, in honor of Dr. and Mrs. Jones. The playing field will be completed first.

—Try A Herald Want Ad—

Wine, Women And Song Mistakes

Usually after the Herald comes off the press and we imagine everything just hunka-dora, some of the most glaring mistakes rise up off the paper to crack our noggin. Sometimes we lay it to the fact that we may have been studying about country ham, streaked gravy and hot biscuits back in Tennessee.

But we must have had our old senile mind on wine, wimmen and song over in California, when we failed to get a mistake of the inotyper's proof, in an article in which we wanted to say a "fine" young man from old Terry, but he got it and we overlooked it and left it there as plain as Fido, "wine" boy.

But a mistake that took the rag off the bush was in a paper from a neighboring town last week. If the article, or rather the particular word he sought to use had been used, no one would have given it a second thought, but as was—well we just can't tell you what the word really was, purposely.

NEWMAN BROTHERS AN ASSET TO TOWN

Happened to be browsing around over west of the Santa Fe tracks one day last week, and as we had never visited the Newman Bros. in their new quarters, just took the opportunity to call on them. One of the boys, (we can never tell them apart) courtously showed us about the place.

Newman Bros. were kinder "fenced in" at their old location. There was no room to expand in either direction, so they sold to the city, as the city needed more room to expand their plant, and bought a larger piece of property out of the old Turner Wagon yard block, and built a large plant to their own liking.

We got to watch one of their mixing machines, as it took the powdered alfalfa, hay, grain and what they call concentrates, whatever they are, and make a mixture that every feeder from the A&M college down to the dirt farmer, will maintain gets the fastest and most healthful growth in an animal or poultry, of anything to be had.

Plants like this means a lot to our city. They use a lot of the surplus grain raised locally, employ men at good wages to run the machines and help to load and unload, thus creating employment and a payroll that otherwise would go to other towns.

Any plant, large or small, started in Brownfield to make use of surplus products of our farms, is very much worth while, and should be encouraged.

Mr. and Mrs. D. F. Mathis, of Hereford visited in the home of her brother and his wife, Mr. and Mrs. A. R. Baldwin, of the Foster community Sunday.

And So There Was Another Mistake

Here of late the Herald hardly gets settled in the homes and business houses until someone begins to call about some bust we made. Well, sir, that shows they read the Herald and read it thoroughly. Most of the time, they kinder good naturedly razz us, but now and then there is a sour note undertone.

Last week it was Chad Tarpley, and he wanted to set us right on the 44 houses to be built in the Gore-Tarpley addition. We have been informed by what we

The Low Down From Hickory Grove

Day by day somebody hobs up with a new cure for what is ailing us—it is talk, talk, talk. We go to work and help win a war to make the world safe for democracy—but the talk keeps right on. Our ailments are even getting more aggravated as more and more quacks feel our pulse—and prescribe.

And to add insult to injury—and to accent what kind of sucker we are—the theory boys are eating regular and plenty, and a general good time is being had by all of them, as we watch the income tax man snip off a sizable corner of our check on payday—every payday.

And now I am gonna take a hand—and do some diagnosing and prescribing. Proceed, says Henry. There are 3 things, I says gnawing at our vitals. The first, is the law that makes it legal for a strong-arm organizing gent to take over labor—lock, stock and barrel—and push the boss and his regular old-time men off the sidewalk. Our second ailment is the socialistic germ that is undermining our strength and which, if it breaks out all over, will put us flat on our back.

And the third think we need—is a Congress that will get off the dime and wade in and do something about making our own U. S. A. safe for democracy versus just in Europe, Africa and Asia.

Yours with the low down,
JO SERRA.

Herald Want Ads Get Results

thought good authority at least twice, than an El Paso firm had the building contract. But Chad says the homes will be built entirely by home contractors.

We are really tickled to make this correction. That means that all the money spent in building these forty-four homes will remain right here in Brownfield, to be spent among the business firms of our city, or banked with our fine thriving banking institutions.

But sometimes a reader will get our ads wrong. Last week some lady called us up, about one which she thought meant the house was

for rent, when the owner or agent stated it was for sale, and would rent for so much.

She called us an old rascal a time or two, but the tittering and tone of voice disillusioned any touch of wrath. No, she did not give her name, but evidently she knows us quite well, and knew we could take some kidding.

During the war, between 90 and 95 per cent of all meat sold in the U. S. was federally graded as "choice, good, commercial, or utility."

How you can
Charge Your Santa Fe Tickets

Apply now for your Travel Card entitling you to this service

Effective April 1, 1947, you can charge Santa Fe tickets on the new Railroad Travel Card Plan as easily as you charge department store purchases. There is no "red tape" or deposit necessary. Here's how it works:

Railroad Travel Cards will be available to any individual or company with proper credit rating.

Upon presentation of your Travel Card at any Santa Fe ticket office you can charge rail, parlor car, and sleeping car tickets (amounting to \$5.00 or more) to any part of the country even if part of your trip is on other railroads. Your Travel Card also covers excess baggage charges.

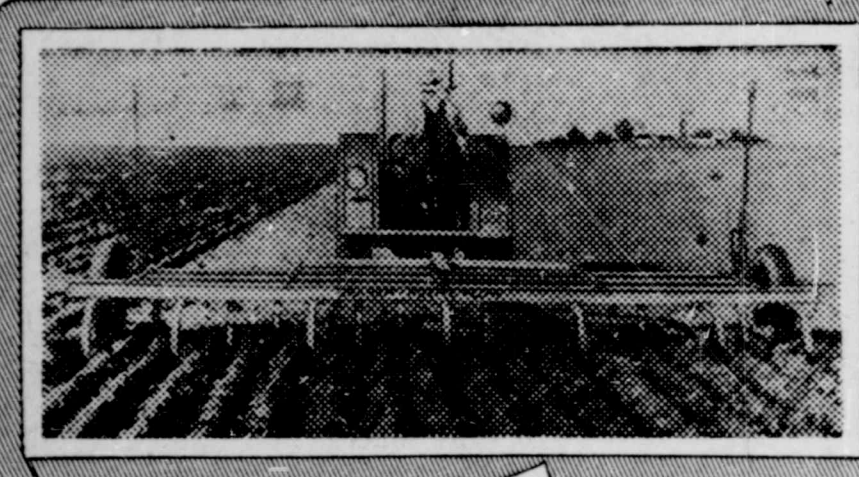

Bills will be rendered monthly for the transportation furnished to holders of Railroad Travel Cards.

Apply Now! To secure an application blank for your Travel Card, simply write to *Rail Travel Credit Agency, 436 Union Station, Chicago 6, Illinois.*

Veterans News

Approval of a 200 bed hospital for Negro veterans at Mound Bayou, Mississippi, has been granted by President Truman and the Federal Board of Hospitalization, the Veterans Administration has announced.

The proposed hospital site is in Bolivar County, near the heart of Mississippi's Delta Section. Approximately 31,000 Negro veterans of World War II reside in this section, which is predominately Negro in population.

The hospital will be staffed entirely by Negro doctors, nurses and other personnel, VA said.

A total of 4,406 World War II veterans of Texas, Louisiana and Mississippi filed applications for conversion of GI term insurance

to permanent plans during February, the Veterans Administration announced.

Veterans throughout the United States converted 94,000 policies during the month, compared with a national monthly average of 50,000.

Although the majority of National Service Life Insurance policies in force are on a term basis, veterans are increasing conversions to permanent plans, VA said. Of the 5,784,000 NSLI policies in force on March 1, 1947, about 7 out of 8 were on a term basis. The remainder were distributed among the six available permanent plans.

Twenty-payment life is more popular with veterans than any other permanent plan, VA said.

Q. Is it true that National Service Life Insurance pays the insured veterans \$5 per month for each \$1,000 of insurance in force while he is totally disabled?

A. If the veteran pays the necessary extra premium, he will be paid \$5 per month for each \$1,000 of insurance in force after he has been totally disabled for 6 consecutive months. Application for the total disability income provision may be made at the time application is made for NSLI or at any time thereafter while the insurance is in force under premium paying conditions.

Q. Is there a time limit for filing for a waiver of premiums on NSLI by the insured, and how far back may a waiver be granted?

A. Application for waiver of premium should be made by the insured immediately after he has been totally disabled for six months. Ordinarily, his waiver will not be made effective for more than one year prior to date of his application. However, the Administrator of Veterans Affairs may make the waiver effective in excess of one year where he determines that the insured's failure to make timely application was due to circumstances beyond his control.

Q. Can I borrow on my converted National Service Life Insurance?

A. Yes, Any converted policy, in force by payment of premiums one year or longer, affords the insured the right to borrow up to 94 per cent of the cash value by submitting a proper loan agreement to the Veterans Administration prior to the expiration of the grace period.

DISTRICT COURT TO CONVENE IN APRIL

A regular term of the District court is scheduled here for April 17th, at which time it is thought the Judge will arraign Romero Dove, charged with the murder of Wm. H. Culver and set a date for trial now expected to be April 25th. A special venire will have to be summoned.

Davison Appointed New Manager Of Texas ADA

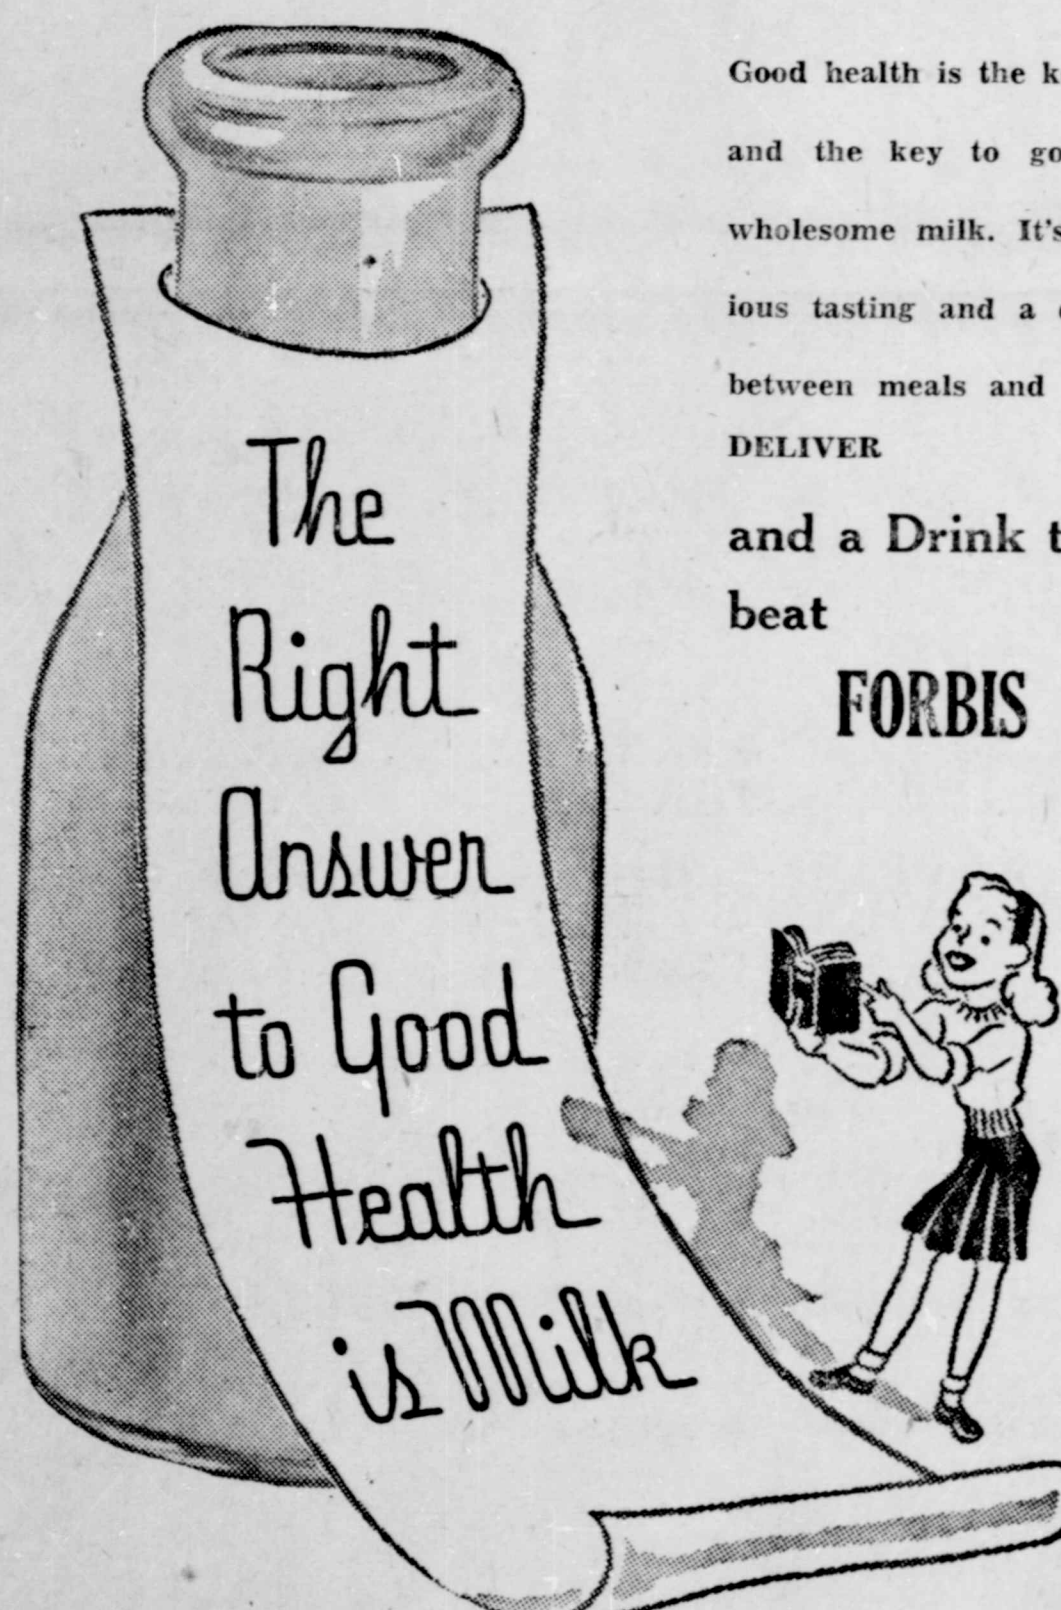

J. C. Davison, Jr., 36, has been appointed secretary-manager of the American Dairy Association of Texas. He took over his new duties at the Fort Worth office March 1.

Davison comes to his new position with a fresh background of dairy experience. Since receiving his BS degree in dairying at Oklahoma A and M College in 1933, he engaged in commercial dairying for a period, was a dairy inspector with the Oklahoma state department, served with the U S Food and Drug Administration and was Dairy Commissioner for Oklahoma.

As secretary-manager of ADA of Texas, Mr. Davison will supervise organization work of the association. He will cooperate with the farmers and dairy industry leaders of the state to give Texas a greater degree of participation than ever in support and expansion of the nation-wide industry-wide ADA program of advertising, merchandising and research for dairy products.

Material for inoculating the seed of many crops is handled by most seed dealers. Inoculation costs little and means added insurance against plant disease.

One ounce of nicotine sulphate and a half bar of neutral soap well-mixed with six gallons of water, is an effective control mixture against sucking insects in the garden.

Come in! GET Safety in the Super-Strength Tire with Easy-Chair Riding

THE Autocrat BY DAYTON

Sign of a Dayton Dealer

Safety in your tires lies in the strength of the cords under the tread, which are the reinforcement against shock and road hazards.

Autocrats give you 6-ply rating. This is achieved by Raytex Fortified Cords of a military truck type, far stronger than those used in ordinary rayon automobile tires. You get a smooth, easy-chair ride since only 4 plies of this super-strength cord are needed to give Autocrats this 6-ply strength.

Sure, quick straight-line stops. Toe-action tread with hundreds of silent, toe-action cogs, bites through road film for positive control of your car.

Notice Of Election For The Issuance of Bonds

THE STATE OF TEXAS: CITY OF BROWNFIELD: COUNTY OF TERRY: TO THE RESIDENT, QUALIFIED, PROPERTY TAXPAYING VOTERS OF THE CITY OF BROWNFIELD, TEXAS:

TAKE NOTICE that an election will be held in the City of Brownfield, Texas, on the 8th day of April, 1947, on the propositions and at the place more particularly set forth in the election order adopted by the City Council on the 14th day of March, 1947, which is as follows: BOND ELECTION RESOLUTION AND ORDER

"BOND ELECTION RESOLUTION AND ORDER by the City Council of the City of Brownfield, Texas, ordering that an election be held in said City on the 8th day of April, 1947, for the purpose of submitting to the qualified property taxpayers voters of said City the following propositions, to-wit: (a) whether or not the City Council shall be authorized to issue \$225,000 general obligation tax bonds for the purpose of improving, enlarging, extending and repairing the Sanitary Sewer System in and for said City of Brownfield, Texas, and to levy taxes sufficient to pay the annual interest on said bonds and to provide a sinking fund to pay the principal thereof at maturity; (b) whether or not the City Council shall be authorized to issue \$100,000 general obligation tax bonds for the purpose of constructing street improvements in and for said City of Brownfield, Texas, and to levy taxes sufficient to pay the annual interest on said

bonds and to provide a sinking fund to pay the principal thereof at maturity; (c) whether or not the City Council shall be authorized to issue \$50,000 general obligation tax bonds for the purpose of improving, enlarging, extending and repairing the Water System in and for said City of Brownfield, Texas, and to levy taxes sufficient to pay the annual interest on said bonds and to provide a sinking fund to pay the principal thereof at maturity; and (d) whether or not the City Council shall be authorized to issue \$25,000 general obligation tax bonds for the purpose of purchasing and erecting street lighting facilities in and for said City of Brownfield, Texas, and to levy taxes sufficient to pay the annual interest on said bonds and to provide a sinking fund to pay the principal thereof at maturity; designating the place at which such election will be held; appointing the election officers for said election; prescribing the form of ballots to be used at said election; and enacting provisions incident and relating to the subject and purpose of this resolution and order."

WHEREAS, it is considered to be to the best interests of the City that the bonds of said City be issued for the purposes hereinafter stated, and that there is a necessity for the issuance of said bonds, therefore

BE IT RESOLVED AND ORDERED BY THE CITY COUNCIL OF THE CITY OF BROWNFIELD, TEXAS:

I. That an election be held on the 8th day of April, 1947, which date is not less than fifteen (15) nor more than thirty days from the

date of adoption of this resolution and order, at which election the following propositions shall be submitted to the qualified electors who own taxable property in said City, and who have duly rendered the same for taxation: PROPOSITION NUMBER 1 "SHALL the City Council of the City of Brownfield, Texas, be authorized to issue the general obligation tax bonds of said City, in the principal sum of TWO HUNDRED TWENTY-FIVE THOUSAND DOLLARS (\$225,000), maturing serially over a period of years not to exceed Thirty (30) years from the date thereof, bearing interest at a rate not to exceed THREE PER CENTUM (3%) per annum for the purpose of improving, enlarging, extending and repairing the Sanitary Sewer System in and for said City of Brownfield, Texas, and to provide for the payment of principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

PROPOSITION NUMBER 2 "SHALL the City Council of the City of Brownfield, Texas, be authorized to issue the general obligation tax bonds of said City, in the principal sum of ONE HUNDRED THOUSAND DOLLARS (\$100,000), maturing serially over a period of years not to exceed Thirty (30) years from the date thereof, bearing interest at a rate not to exceed THREE PER CENTUM (3%) per annum for the purpose of constructing street improvements in and for said City of Brownfield, Texas, and to provide for the payment of principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient

to redeem said bonds as they become due?" PROPOSITION NUMBER 3 "SHALL the City Council of the City of Brownfield, Texas, be authorized to issue the general obligation tax bonds of said City, in the principal sum of FIFTY THOUSAND DOLLARS (\$50,000) maturing serially over a period of years not to exceed Thirty (30) years from the date thereof, bearing interest at a rate not to exceed THREE PER CENTUM (3%) per annum for the purpose of improving, enlarging, extending and repairing the Water system in and for said City of Brownfield, Texas, and to provide for the payment of principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

PROPOSITION NUMBER 4 "SHALL the City Council of the City of Brownfield, Texas, be authorized to issue the general obligation tax bonds of said City, in the principal sum of TWENTY-FIVE THOUSAND DOLLARS (\$25,000), maturing serially over a period of years not to exceed Thirty (30) years from the date thereof, bearing interest at a rate not to exceed THREE PER CENTUM (3%) per annum for the purpose of purchasing and erecting street lighting facilities in and for said City of Brownfield, Texas, and to provide for the payment of principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

II. In no event shall the issuance of bonds for one of the aforesaid propositions or purposes be dependent upon the authorization or issuance of bonds for the other propositions or purposes, it being the intent hereto to provide for the creation of four (4) bond debts each separate and independent of the other.

III. That the City of Brownfield, Texas, constituting but one election precinct, said election shall be held at the City Hall in the City of Brownfield, Texas, and the following named persons are hereby appointed officers of the election, to-wit: J. D. Miller, Presiding Judge L. C. Heath, Judge Darrell P. Moorhead, Clerk, and J. W. Fitzgerald, Clerk.

IV. That said election shall be held under the provisions of and in accordance with the laws governing the issuance of bonds in cities as provided in the General Laws of the State of Texas, and only resident, qualified taxpayers voters, who own taxable property in the City and who have duly rendered the same for taxation, shall be qualified to vote.

V. That the ballots of said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF SEWER SYSTEM IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF." "AGAINST THE ISSUANCE OF SEWER SYSTEM IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF." "FOR THE ISSUANCE OF STREET IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF." "AGAINST THE ISSUANCE OF STREET IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF." "FOR THE ISSUANCE OF WATERWORKS IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF." "AGAINST THE ISSUANCE OF WATERWORKS IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF." "FOR THE ISSUANCE OF STREET LIGHTING BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF." "AGAINST THE ISSUANCE OF STREET LIGHTING BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF."

As to each of the foregoing propositions, each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote on the four propositions, respectively.

VI. That a copy of this resolution and order, signed by the Mayor of said City and attested by the

City Secretary, shall serve as proper notice of said election.

VII. That the City of Brownfield, Texas, constituting but one election precinct, said notice of said election shall be given by posting and publication of a copy of this resolution and order, at the top of which shall appear the words, "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS." Said Notice shall be posted in three public places in the City of Brownfield, one of which shall be at the City Hall, not less than fourteen (14) days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in The Terry County Herald and the Brownfield News, newspapers of general circulation published in the City of Brownfield, Texas, the first of said publications to be made not less than fourteen (14) days prior to the date set for said election.

PASSED AND APPROVED, this 14th day of March, 1947. FRANK JORDAN, Mayor City of Brownfield, Texas

THOMAS D. ZORNS, City Secretary, City of Brownfield, Texas.

THIS NOTICE of election is issued and given by the undersigned, pursuant to authority conferred by virtue of the above and foregoing resolution and order of the City Council of the City of Brownfield, Texas, and under authority of law.

WITNESS MY HAND AND SEAL OF THE CITY OF BROWNFIELD, TEXAS, this the 14th day of March, 1947. FRANK JORDAN, Mayor City of Brownfield, Texas.

THOMAS D. ZORNS City Secretary, City of Brownfield, Texas. (City Seal)

Notice To Bidders

Sealed proposals will be received by the City Council of the City of Brownfield, Texas, at the office of the City Secretary, City Hall, Brownfield, Texas, until 8:00 o'clock P. M., April 11, 1947, for THE CONSTRUCTION OF A 25'x60' EXTENSION TO THE PRESENT CITY HALL BUILDING AND REMODELING OF EXISTING CITY HALL STRUCTURE, and at that time and place the proposals will be publicly opened and read aloud.

The proposals must be accompanied by a bidder's bond or a Certified or cashier's check in the amount of ten (10%) percentum of the total bid price, payable without recourse to the City of Brownfield, Texas, as a guarantee that the bidder will enter into contract and execute a performance bond in the forms provided within ten (10) days after notice of award of contract to him.

The successful bidder will be required to furnish a Performance Bond of 100 per cent of his total bid, written by a responsible surety Company satisfactory to the City Council of the City of Brownfield, Texas. The City reserves the right to reject any and or all bids and to waive formalities.

Bidders are expected to inspect the site of the work and to inform themselves regarding local conditions.

Plans, specifications, and other proposed contract documents are on file at the office of the City Secretary, City Hall, Brownfield, Texas.

FRANK JORDAN, Mayor, City of Brownfield Attest: THOMAS D. ZORNS, City Secretary 35c

Mr. and Mrs. J. C. Wright are visiting friends and relatives in Ft Worth, Weatherford and surrounding points. They plan to be gone a month.

Notice To Bidders

Sealed proposals will be received by the City Council of the City of Brownfield, Texas, at the office of the City Secretary, City Hall, Brownfield, Texas, until 8:00 o'clock P. M., April 11, 1947, for the construction of a Tile and Concrete Warehouse, and at that time and place the proposals will be publicly opened and read aloud.

The proposals must be accompanied by a bidder's bond or a Certified or Cashier's Check in the amount of 10 per cent of the total bid price, payable without recourse to the order of the City of Brownfield, Texas, as a guarantee that the bidder will enter into a contract and execute a performance bond in the forms provided within ten (10) days after notice of award of contract to him.

The successful bidder will be required to furnish a Performance Bond for 100 per cent of his total bid, written by a responsible surety Company satisfactory to the City Council of the City of Brownfield, Texas. The City reserves the right to reject any and or all bids and to waive formalities.

Bidders are expected to inspect the site of the work and to inform themselves regarding local conditions.

Absolutely harmless. 30 days supply nutritious AYDS \$2.25. NOW, phone or call at Alexander-Gosdin Drug Co., Inc.

Tokio Community Has Box Supper

The Tokio Community met at the school house last Friday evening and had a box supper for the purpose of raising funds to finish some repair work on the school. Lee O. Allen came out to auction off the boxes, and certainly did a wonderful job.

For the information of those concerned \$479.05 was netted at the supper and several hundred dollars have already been donated by local people. We want to thank the business men of Brownfield for their donations.

We want to thank Mr. Haynes and Mr. Cary for their contributions to the prettiest girl and ugliest man contest. Delma Green and Joyce Clannah tied in the race for the prettiest girl.

The cooperation of the community has been almost 100 per cent in repairing and helping in every way at the school. We believe it will be a great blessing to the community.

We are sorry Mr. J. C. Meeks fell at the school Friday evening and broke several ribs. We wish him a speedy recovery.

CARD OF THANKS

May we take this opportunity in thanking all those who were so kind and dear to us during the loss of our darling baby girl. Especially do we thank Mr. and Mrs. J. J. Andress for the nice dinner and also those who brought food in and sent flowers. May God's richest blessings be with each and everyone of you.

Mr. and Mrs. Philip E. Thompson,

Mr. and Mrs. Edd Thompson, and family,

Mr. and Mrs. E. A. Neal and family.

We Take Off Down Under The Cap

As Erer-in-law Joe Roberts, Sr., has been complaining some of late, and as it had been some moons since we had ventured down under, the Old He and the Two-Thirds, accompanied by Mrs. Lay, Bernard's Three-Fourths, took off Sunday about nine for Old Howard, where the mesquite and scrub cedar is quite some contrast to the treeless plains. Musta have met Mrs. Lay, Sr., on her way up here.

Arrived at Coahoma around 11, and found that a son-in-law and wife, Bob McKinley were up from San Angelo, and that several of the kith and kin had been fishing in one of the Big Spring lakes south of Coahoma Saturday, and that noon dinner was to be served at the home of another son-in-law, Archie Thompson. Besides a huge rib roast, there was a big platter of cat fish and one of crappie, not to mention a lot of other "go-alongs" including some of the best home canned beans we have wrapped our innards around in a long spell.

The afternoon was spent in talking and sleeping, and after that stomach filling meal, and not too gentle breeze out of the west, but warm, we greatly shortened the afternoon with two naps, another ravishing meal of fish and roast, more small talk and so to bed and a full night of snoozing. But as usual down there, them doggone trains on the T&P kept us awake part of the time. We are not used to night trains in Brownfield.

We found Joe some better and getting around pretty well, but he thinks an operation is going to be the final climax if he gets entirely well.

There is a wonderful season in the soil down there, they getting an inch rain last week. But all the way down grass is beginning to green, and the buds swelling and ready to bust with leaves. In contrast to former years, nearly every farmer that has a spot of harder variety of land has a wheat patch and cattle are grazing on them.

From what we could gather

Death Claims Mrs. Ella McCracken Monday

Mrs. Ella McCracken, 67, succumbed last Monday evening at the home of her son, Forrest, in Southeast Brownfield, to an illness of a month.

Funeral services conducted by Rev. P. C. McCord of the First Christian Church, at the Farley Funeral chapel at 2:30 Wednesday afternoon, followed by burial in the Terry County Memorial Cemetery.

Pall bearers were W. A. Bynum, Virgil Bynum, J. W. Fitzgerald, M. G. Tarpley, Lee Short, J. M. Telford, H. R. Winston and Earl Bond.

Survivors are her only son, W. F. McCracken and his three children, including Miss Stella Louise, now in TSCW at Denton. One brother, D. L. Owen of Sulphur Springs, one sister, Mrs. Sue Harris of Tucson, Ariz., neither of whom attended because of illness.

Mrs. McCracken had been living at Odessa and here for the past ten years. She owns a home in the 200 block of East T&E St.

TROY FORT WINS ROPING CONTEST

Troy Fort of Lovington, N. M., a noted rodeo performer of West Texas, won the calf roping contest over Toots Mansfield of Rankin, the Worlds Champion Roper, at the Levelland Rodeo last Sunday afternoon.

The over-all time was 225.8 seconds for Fort; 234.6 seconds for Mansfield. Fort has appeared often in the Brownfield Rodeos.

Mr. and Mrs. J. T. Fouts and Mr. and Mrs. Ferber Chambers of Rule visited Dr. and Mrs. A. H. Daniell Sunday.

Cream or blackeyed peas can be planted most any time during the spring and summer, and are garden soil-building crops.

from the gab among the kin, the Mrs. and Mrs. Lay aim to slip down there again soon and try their luck with hook, line and sinker in those lakes.

Who Owns The Underground Water?

The theory that the underground water which is in streams that flow beneath a plains farm doesn't belong to the man who owns the land at all but to the public and that a public agency should be named to determine the beneficial distribution of its use, seems to underly the logic for the latest water conservation bill which has been filed for consideration of the Fiftieth legislature now in session.

Somebody or other who got there first must have already acquired the "right" to the water, according to this theory, and thus furnished the basis for the insistence that impels a control by the Board of Water Engineers or some such authority to distribute the right to the water which otherwise plains farmers would use to irrigate the crops they raise and use in this area instead of in another area of the state.

For instance, we happen to know that one concern has arranged with some authority or other for a fresh water canal from the Brazos river and in this arrangement they have a "right" to so many thousand acre feet of fresh water. Whether this fresh water is part and parcel of what some plains farmer thinks he is entitled to use we do not know. What we do know is that there are some conflicting opinions as to who owns what and that the matter is not one that will down any time soon. Which we interpret to mean that an irrigation water farmer in West Texas is going to have to go to bat sooner or later to determine what his rights are. Water is going to be increasingly important in the economy of the southwest, and there are bound to be some legal battles over its ownership as between various interests. What these bills introduced in the legislature may mean is that, the interests downstate want to establish their legal rights to do things they have already done and want to do later. This is speculative thinking based on only a smattering of knowledge. Floydada Hesperian.

It's Your Buick — but our Sweetheart

WHEN you first slipped behind the wheel of that Buick of yours, remember how your heart lifted? Remember your happy smile as your toe touched off the hum of Buick Fireball power? And your widening grin when all roads seemed downy as you winged along on Buicoil springing?

That's what Buicks are built to do. And they'll do it long and well when they're cared for as anything so fine should be.

Not just an occasional oil change, mind you. Not a haphazard "Look 'er over, fill the battery, check the air." But interested, competent, understanding car care that keeps your Buick at its best.

That's exactly what we're set to give. In our shop we have the special Buick tools to do jobs quicker and better. In our parts department is a stock of Buick engineered parts for Buick cars. And we have a staff of thoughtful, capable specialists who know their Buicks lock, stock and barrel.

No, it's not ordinary service you get here. It's expert car care — by an organization devoted to seeing that you get the most out of your Buick. And surprisingly, for the same work done, it costs no more.

Think it over. Isn't it wise to let us care for your Buick? After all, Buicks are our sweethearts, first, last and always.

LOOK AT YOUR BUICK everyone else does

Your Buick has lines and style that win wolf calls. Are you keeping it smart and handsome as it should be? Are you protecting its good looks, its luster and color?

There's a way to do it that Buick engineers say is right. It's called Parcelainizing. This is a power-buffed finish that gives a smooth glaze to the body paint, sealing the pores and protecting the surface against road grime and dirt.

That's the way we do it here. Try it. See how it keeps a new car lustrous longer — how it gives older ones a new lease on good looks.

IT ALWAYS PAYS TO GET BUICK CAR CARE

APOLOGIES EXTENDED

The Herald extends its apologies to the Country Correspondents for our failure to get the Community News in last week. At a late date several legal notices were brought in that had to be run in last week's issue or they were null and void.

Due to the unforeseen circumstance we were forced to leave out the Community News. We will endeavor to avoid such happenings in the future and pray that our correspondents accept these apologies and keep up their good work.

Jones families visiting with their mother, Mrs. W. C. Jones who had been in Oregon and Calif. for several months.

The Jim Nowlins are home after spending the week end at Andrews.

Union News

Miss Glona Purselley was sponsor of an assembly program Wednesday. Her fourth grade pupils presented a good program consisting of songs, readings and a playlet, Lucy Chooses. A part of the program was dedicated to Spring. The class sang two clever robin songs with two-part whistling and also two other novelty songs. During the next part of the program the local declaimers said their declamations for the county meet. Rev. C. T. Jordan favored the crowd with a talk about his experiences overseas. He displayed some semi-precious stones that he had collected in Rome, Italy, and also a lovely piece of fancy work made by an orphan girl in one of the foreign countries he visited. He also had some other souvenirs of South Africa and France. Rev. Jordan is an able speaker and every one in the community would have profited by hearing him.

The study course at the local church closed Friday night with 14 taking the final examination for an award on Building a Standard Sunday school.

Rev. Welch, the local pastor, filled his regular appointments Sunday morning and evening. He ate dinner in the Garner home.

Mr. and Mrs. Loyd Shepherd and family visited relatives in New Mexico Sunday.

Mr. and Mrs. G. W. Luker were hosts to a family get-together Sunday honoring their daughter, Mrs. Carl Jones and husband and their children of California. Fifty were present for the affair.

Betty Jo Luker, of Portales, N. M., is visiting Mr. and Mrs. Lloyd Shepherd and family and Mr. and Mrs. G. W. Luker, all of this community.

In the track meet at Meadow last Saturday the Union boys made a good showing. The local boys and the places they won are as follows: 880 yard dash, Carroll Herring, first place; 440 yard dash, James Roe, third place; 12 lb shot-put Charles Bruce, third place; broad jump Charles Bruce, fourth; 100 yard dash Bill Lewis second place; 220 yard dash Bill Lewis fourth place.

The local teachers feel proud of the winners in the literary

BOX SUPPER AT UNION

There will be a Box Supper in the Union high school auditorium Friday night March 28. The purpose of the Box Supper is to raise money for the Red Cross. Everyone plan to be there and aid a worthy cause. The prettiest girl and the ugliest boy will be chosen and presented with an appropriate prize. Don't miss it!

events this year. These were held Friday and were also at Meadow. The local winners are as follows: declamation, senior boys, Carol Herring, second; high school junior girls, Mary Jo Hadaway, first; grade school girls, Margaret Kay, first; grade school boys, Farrel Herring, second. Spelling high school team, Juanita Hadaway, Nathalene Golden, second; seventh and eighth grade team, Yvonne Herring and Laverne Fowler, first, 98 1-2; fifth and sixth grade team, Glenn Sargent and Mickey Anders, first 99. Typing, Joyce Lewis and Tommy Hadaway, fourth.

There will be a box supper at the local gym Friday night, Mar. 28. Proceeds will go to the Red Cross. Everyone is invited to come out and help.

Mr. and Mrs. H. E. Truitt, of Lamesa visited Mrs. Truitt's daughter, Mrs. Juanita Lanious and children Monday afternoon.

Misses Geneva Stewart and Glona Purselley visited Mr. and Mrs. G. A. Purselley Wednesday evening. After a chicken supper they saw the Dawson school junior play, He's My Pal. Mrs. Marie Cornett was sponsor.

Mr. and Mrs. Robert N. L. Brown of Lubbock visited his father and mother, Mr. and Mrs. L. A. Brown Sunday.

In the volley ball tournament last week end the local teams placed. The girls won second and the boys, third place.

GOMEZ NEWS

Paul Martin of California is visiting his sister, Mrs. L. N. Key and family.

Mrs. C. C. Cabool of Levelland visited Sunday in the B. R. Lay home.

Mrs. Imogene Glover of Odessa was here last week visiting her mother, Mrs. Sallie Forrest and Harold.

Mrs. T. E. Coke is visiting her sons Arlin and Clyde in Abilene this week.

Robert Cheek of Tech was home over the week end.

Rev. and Mrs. Curtis Jackson and sons attended the Baptist Conference in Dallas last week. Mrs. E. E. Sloan was in Slaton on business Friday.

W. D. Light and the Boy Scouts attended the show in Denver City Friday night.

Mr. and Mrs. M. A. Huffines and children of Roswell were week end guests of Mr. and Mrs. Till W. Read.

BAND NEWS

The band's concert on Tuesday night was a successful and interesting event. All who attended enjoyed it and we hope you can be here for the next one. We had a few out-of-town visitors from Levelland and other nearby cities. We are starting to work on new and harder music this month and we will be good and ready when football season arrives.

AMERICAN CITIZENSHIP

The United States has the best Machinery for GOOD GOVERNMENT of any nation in the world. But to make that MACHINERY work there must be active participation in that government.

PRIVILEGE: Ballot cast—for or against—is active participation. Opinions expressed develop thinking on the issue involved. Are you afraid to express your opinion, or have you admitted to your self that you are too lazy to form an opinion.

WE are supposed to have the abundant way of life. Ballots and opinions might be the reason. What would the peoples of other countries do—Free Opinions and Ballots? Let us use what our fathers gave us to use freely and wisely.

Vote on every occasion.

Vote for good Government.

ONE OF FIRST COUNTY COMMISSIONERS DIES

Wm. J. Peveler, who died in Lubbock last Friday, was one of Terry county's first commissioners. He and family were residents of Gomez when the county was organized and was elected commissioner from that section, in county seat election. After one term, they moved to Tatum vicinity, where he has resided since. He leaves two sons there and one at Carlsbad. He was 91 years of age.

CAPTURE TWO ILLICIT STILL IN EAST TEXAS

Texas Liquor Control Board Inspectors in February reported the seizure of two illicit stills. Destruction of the stills, which had a cubic capacity of 105 gallons, prevented the potential evasion of \$2,090.24 in State taxes. With the stills, Inspectors captured 105 gallons of mash and made 4 arrests. 3 75 gallons of moonshine liquor were destroyed. One still was taken in Harrison County and one was taken in Anderson County.

Packard Announces All-New Convertible

This 1948 Super-Eight Convertible "new from the tires up," with quantity production scheduled for June, has just been announced by the Packard Motor Car Company as a supplement to its present Clipper line. Among many stand-out features of the car, described as "America's first all-new postwar convertible" and shown above, are "flush-contour" styling and a new 145-horsepower engine cradled in a specially built frame. There are no rear fenders, the body itself sweeping over the wheels. All windows, front seat and top are power-operated. The instrument panel, with keys that push for both "on" and "off," has dial illumination of "black light," which eliminates right-time glare. The distinctive front end design, company officials point out, preserves and enhances Packard identity.

The Price Implement Company, your local Packard Dealer, is located at corner of Hill and 7th Sts.

BROWNFIELD BARGAIN CENTER Southwest Corner Square

Soil Conservation District News

BY RILEY W. CARLTON

A. A. Anderson of the Union school community, requested the District this past week to plan a ditch system on his farm whereby he can use water from his irrigation well upon its completion.

Mrs. Gladys Moorhead had the District technicians to plan a terrace system for her farm. Terraces to be built this fall after crops are harvested. Mr. John Overman is operating her farm this year.

Mr. Monta Simpson, Route 5, Brownfield, requested the planning services of the District this past week to work out details for reseeding about 7 acres to a grass mixture, and on another area adjacent to the acres Mr. Simpson plans to establish a cover for the planting of about 13 acres of fall grass. If conditions are not right this fall then the grass will be planted in the spring of 1948. This farmer will use the SCS grass drill which is to be here around April 1. Mr. Simpson has already secured his grass seed for his spring planting.

Mr. A. E. Vestal had pasture furrows run on approximately 25 acres of native pasture on March 14th. By using this type of treatment, Mr. Vestal will try to hold water on the pasture and thus increase the density of native grass.

The District Board of Supervisors met in Morton Tuesday, March 25th, and transacted several items of interest pertaining to farm planning and the applying of numerous conservation practices for Yoakum and Terry county farms. It was noted with interest that several farmers are having planning done now so work can be applied after crops are harvested. Work of this nature is being requested now for terrace construction, grass reseeding and cover crops for late fall. By planning ahead, farmers will be in line for quick service next fall.

Walter Fulton, who lives north of the Wellman community, completed plans through the district this past week to reseed 40 acres of cultivated land to Weeping love grass. This acreage will be used for seed production and permanent pasture. Mr. Fulton, like a number of others in Terry county is planning on combining farming with livestock by using home grown feeds and pastures. This acreage will be irrigated.

Andrew Cooper, southeast of town, plans to seed alfalfa and grass mixtures for a permanent pasture on about 10 acres. He will use irrigation in developing his permanent pasture.

C. E. Hicks, west of Meadow, expects to reseed about 25 acres in rows to Weeping Lovegrass this spring. He will use dryland methods in developing his permanent pasture.

Riley W. Carlton, Work Unit Conservator of the Brownfield SCS office and L. L. Morin, Morton, Texas, attended an Efficiency Rating Conference in Amarillo on March 20 and 21.

Hugh G. Porterfield, Project Supervisor for the proposed Sub-Experiment Station to be located

STRAYED from farm 1 Brahma heifer calf with UC branded on left hip, cropped left ear, weight about 500 lbs. phone 166 and will kick her up. 7 mi. north of town. Bill Price 35c

WANTED

Whoever borrowed my windmill tools please bring them home at once. Lense Price. 35p

In Terry County, visited the U S Experiment Station, Big Spring, Texas on Wednesday and Thursday of last week.

Since January 1 farmers cooperating through the CYT District program have had the SCS technicians plan contour guide lines on 6,245 acres, planned 114.92 miles of terraces and to date (March 18) 71.97 miles of terraces have been constructed and this mileage means a big saving of water where it falls for farmers in Terry County. In addition to the above accomplishment, the District completed planning for 1,115 acres of irrigated land, thus adding another phase of better water utilization in this area

New Slant On Saving Pigs

A faulty foundation in a hog farrowing house in Kentucky has paved the way for swine breeders in saving the lives of little pigs.

It happened like this: Way up in Kentucky, a foundation in a swine breeder's house gave way, and let one side of the floor down. A few days later, a litter of pigs was born in the house, and the slanting floor proved a life saver for a lot of them. It cut down the danger of the young pigs being crushed by their mother.

E. M. Regenbrecht, swine husbandman of the Texas A and M College Extension Service, says that the idea has proved sound enough, and that a slope of an inch and a half to the foot on a farrowing house floor works well.

The idea takes advantage of two simple facts in the behavior of pigs. One—on a sloping floor, a sow prefers to lie with her back to the high side. Two—clumsy little pigs stagger a bit the first few days, and even on a slightly sloping floor tend to stumble to the low side. The life saving is as simple as that. When the mother pig is ready to lie down, she usually chooses the high side of the pen, and the little pigs are just as likely to be bunched up on the low side.

The slanting floor arrangement cuts down the chances of the sow lying down on and crushing one or several pigs

"Whirlwind" Jones Establishes A Grocery

We had almost forgotten about the man that played Santa Claus to the Herald along a few days before last Christmas. He quietly entered the Herald office with a large box of mixed fruit, and just as quietly left, before we hardly had time to know what it was all about, except that the fruit was ours for free.

Well, this same W. W. "Whirl Wind" Jones is the guy that has established a grocery on west Main in the 1200 block on the Plains road. So he is just another man who came, who saw and who liked Brownfield and decided to make it his home.

You'll find "Whirl Wind" a nice fellow, and easy to do business with.

Change In Policy In Bailey County

Something new is going to be added in row crop farming in Bailey county this year.

Several farmers, reports County Agricultural Agent J. K. Adams have bought new type chisel plows and will "depart radically" from row crop farming customs.

The procedure they plan to follow consists of running the deep cutting chisel plows in the opposite direction that last year's rows traveled. Then following the first spring rains, they will put specially designed chisel sweeps on the plows and travel along their contours to kill the first weed crop. Then will they plant their row crops along the contour lines left by the chisel sweeps.

County Agent Adams says this method or row cropping is being encouraged widely as a means of thoroughly breaking the ground and allowing moisture supply to become distributed evenly through the soil. He believes that grain sorghums and cotton will thrive longer during drought periods if the chisel system is employed before planting.

If It's Smart and New It's Here --

for EASTER!

From some of the country's leading stylists, SHELTON'S brings you a host of sparkling new arrivals in prints, pastels, and dark sheers. Dressy and daytime styles in several quality fabrics.

SCOOP IN LOAM

"Terrain" BY STETSON

A new color—Loam Brown! A new shape—wing-away cloche! A new straw—crisp pique! And the lovely way it hugs your head is the best news of all! \$8.95

*As advertised in MADEMOISELLE.

Lovely Accessories to compliment your EASTER ENSEMBLE.
