### Wellman Whisperings

Mrs. Dora Galvin and children of Amarillo are visiting this week in the home of her parents, Mr. and Mrs. J. W. Massengale.

Gertrude E. Coleman is on an extended visit in the home of her parents, Mr. and Mrs. A. M. Crews. Mrs. Coleman formerly lived at Wellman, but has been in California several years where she is a traveling saleslady for a line of ready to wear for men and ladies. See ad in classifieds.

J. T. Jones has returned home from Austin where he attended the 14th annual conference of School Administrators. Subjects discussed were "Health and Safe-

ty" programs. Mr. Jones reported that West Texas Administrators put in plenty of "plugs" for the West Texas district.

Mr. and Mrs. Burl Watkins, Mr. and Mrs. Carl Watkins and children visited in Denver City Sunday with L. C. Bennett and family.

Mr. and Mrs. A. M. Crews, Gertrude E. Coleman and Patty Thomas visited with an old time friend, Mrs. Jack Bryan of route 3.

Mr. and Mrs. D. D. Yancy have returned from Coolidge, Arizona, where they visited several weeks with their son, E. K. Yancy. Mr. Yancy reported that E. K. owns two nearly grown wildcats which he captured when they were very young. Although caged, he turns them loose in the house and they are quite expert at chewing up the furniture and clothing if not watched.

J. W. Bishop learned Thursday of the death in Amarillo of the infant daughter of Mr. and Mrs. J. G. Bishop, youngest brother of J. W.

A. L. Fleming is remodeling his home south of Wellman.

Mr. and Mrs. W. R. Wade of Seminole visited in Wellman Friday.

Mr. and Mrs. Marvin H. Clark and Marvene visited Mrs. Clark's father in Altus, Okla., over the week end.

Mr. and Mrs. Jack Holt and Mrs. Granam Smith and Charlotte visited Mr. and Mrs. Jim Graves in Seminole Sunday.

### Pigs Still Short; More Than 1946

Texas raised more pigs in 1947 than in 1946, but the total is still below the 10-year average of 1936-46.

That's the gist of a report from the USDA's office of Bureau of Agricultural Economics in Austin. According to the report, 2,244,000 pigs were raised on Texas farms in 1947, about three per cent more than in 1946, but 14 per cent below the 10-year average.

Fall farrowings were up 12 per cent above the 1946 number for the state as a whole, but some west north central counties reported a drop due to short grain reserves.

The production picture doesn't look any better for 1948. According to breeding intention estimates, 186,000 sows will farrow in the spring of 1948, just about the same number as in 1947, but 19 per cent below the 10-year average of 230,000 head.

Breeding intentions for the United States indicate that the 1947 spring farrowing of about 7,723,000 sows will be the smallest number since 1938.

E. M. Regenbrecht, extension swine husbandman for Texas A. and M. College, says that the pig outlook for 1948, insofar as prices are concerned, is pretty good. Hog prices are likely to remain at a high level. However, rains will be in much demand and consequently may be hard to get.

### Should Advertise Towns At Depots

Down San Antonio way, the Jefferson Life Insurance Co. agency, are backing a plan to get every town or city to put up a sign at or near the depot where passenger trains stop, telling the travelers a bit about the town, such as population, principal products or places of interest.

That is alright and good on a main line where passenger trains run, but we are afraid that outside the train crew, or local people who have business at our depot, few would see the sign here.

Now if we could just erect one at the bus depot? But that is out as it is on a main thoroughfare, and would have to be put up in front of a store, unless a kindly county commissioners court would grant a place, which is again unlikely.

Anyway the Jefferson sent the Herald a nice, shiny new penny—a copper one—and advised as long as we had it we would not be broke. —Shore nuff.

The 1947 acreage of commercial truck crops in Texas for fresh market is estimated at 347,650 acres with a total value of \$52,016,000.

There is no economy in feeding hogs to extremely heavy weights, Regenbrecht says. Hogs weighing from 225 to 265 pounds are preferred on the market and can be produced more efficiently.

Over 10,330 Texas peanut farmers favored allotments and marketing quotas on their 1948, 1949 and 1950 crops.

### COTTON QUIZ

WHY IS COTTONSEED MEAL A GOOD FOOD FOR LIVESTOCK?

ANS — BECAUSE 100 LBS. OF COTTONSEED MEAL IS THE PROTEIN EQUIVALENT OF 250 TO 300 POUNDS OF OTHER FEEDSTUFFS!

### KITCHEN MEMO

He-man favorite, and for most women too, is any dish with Sauerkraut. This recipe uses Beef Brisket—a good item for price-conscious cooks and a pleasant change from the usual franks or spareribs combination. Flour 3 lbs. beef brisket with 2 tsp. flour and brown in 2 tsp. hot fat in heavy frying pan. Add small amount of water, cover, cook until almost tender. Add 1 qt. sauerkraut, 1/2 cup sliced onion, 1 1/2 cups grated raw potato, 1 tsp. caraway seed, 1 tsp. sugar, 1 cup boiling water. Cover, cook about 30 mins. over low simmer flame.

Deep fat frying isn't too complicated a cooking process if you remember that it's most important to maintain even heat. Keeping the flame at correct heat also saves waste of food and fat. Fat that gets too hot can't be used more than once or twice.

If you have recently bought a new gas range, particularly one built to "CP" standards, remember that the oven preheats faster than older models and needs less gas to keep fixed oven temperature.

Fudge won't boil over if butter is rubbed around the top of the pan.

A change from the usual cereal for breakfast, and nourishing too, is French toast. It's a saving use for stale bread usually thrown out. Dip stale bread slices in an egg and milk mixture, fry same as pancakes over medium low heat.

### Three Times More Births Than Deaths

It is estimated that during 1947 there were 195,000 live births and 61,000 deaths in Texas. The number of births in 1947 far exceeds the former record of 180,000 in 1946. The excess of births over deaths last year gave Texas a natural increase in population of 134,000 people, according to Dr. Geo. W. Cox, State Health Officer.

It has been apparent for some time that reductions in the mortality due to preventable causes could not any longer offset the staggering increase in the number of deaths to cancer and the various heart diseases. For this reason, it was not difficult to predict that 1947 would see the general death rate begin an upward trend.

Practically all of the increase in the mortality during the first nine months of 1947 may be attributed to the steadily mounting toll of death levied against the population by heart disease, cancer, and apoplexy. Considerable satisfaction should

come to those engaged in public health work in knowing that during the first three quarters of 1947 the lowest death rates ever recorded in Texas were reached for the following diseases: typhoid fever, diarrhea and dysentery, scarlet fever, diphtheria, measles, poliomyelitis, tuberculosis, malaria, syphilis, pellagra, and typhus fever.

Mrs. G. W. Graves is visiting in McAllen, Texas with Mr. and Mrs. Clifford Horn, returning with them after their visit here during the holidays.

# NOTICE TAXPAYERS

Your 1947 TAXES are now due and must be paid before the first day of February, 1948 to avoid penalty.

Both men and women are required to pay their poll tax. Unpaid poll taxes are a lien upon any real or personal property you may own or come into possession of.

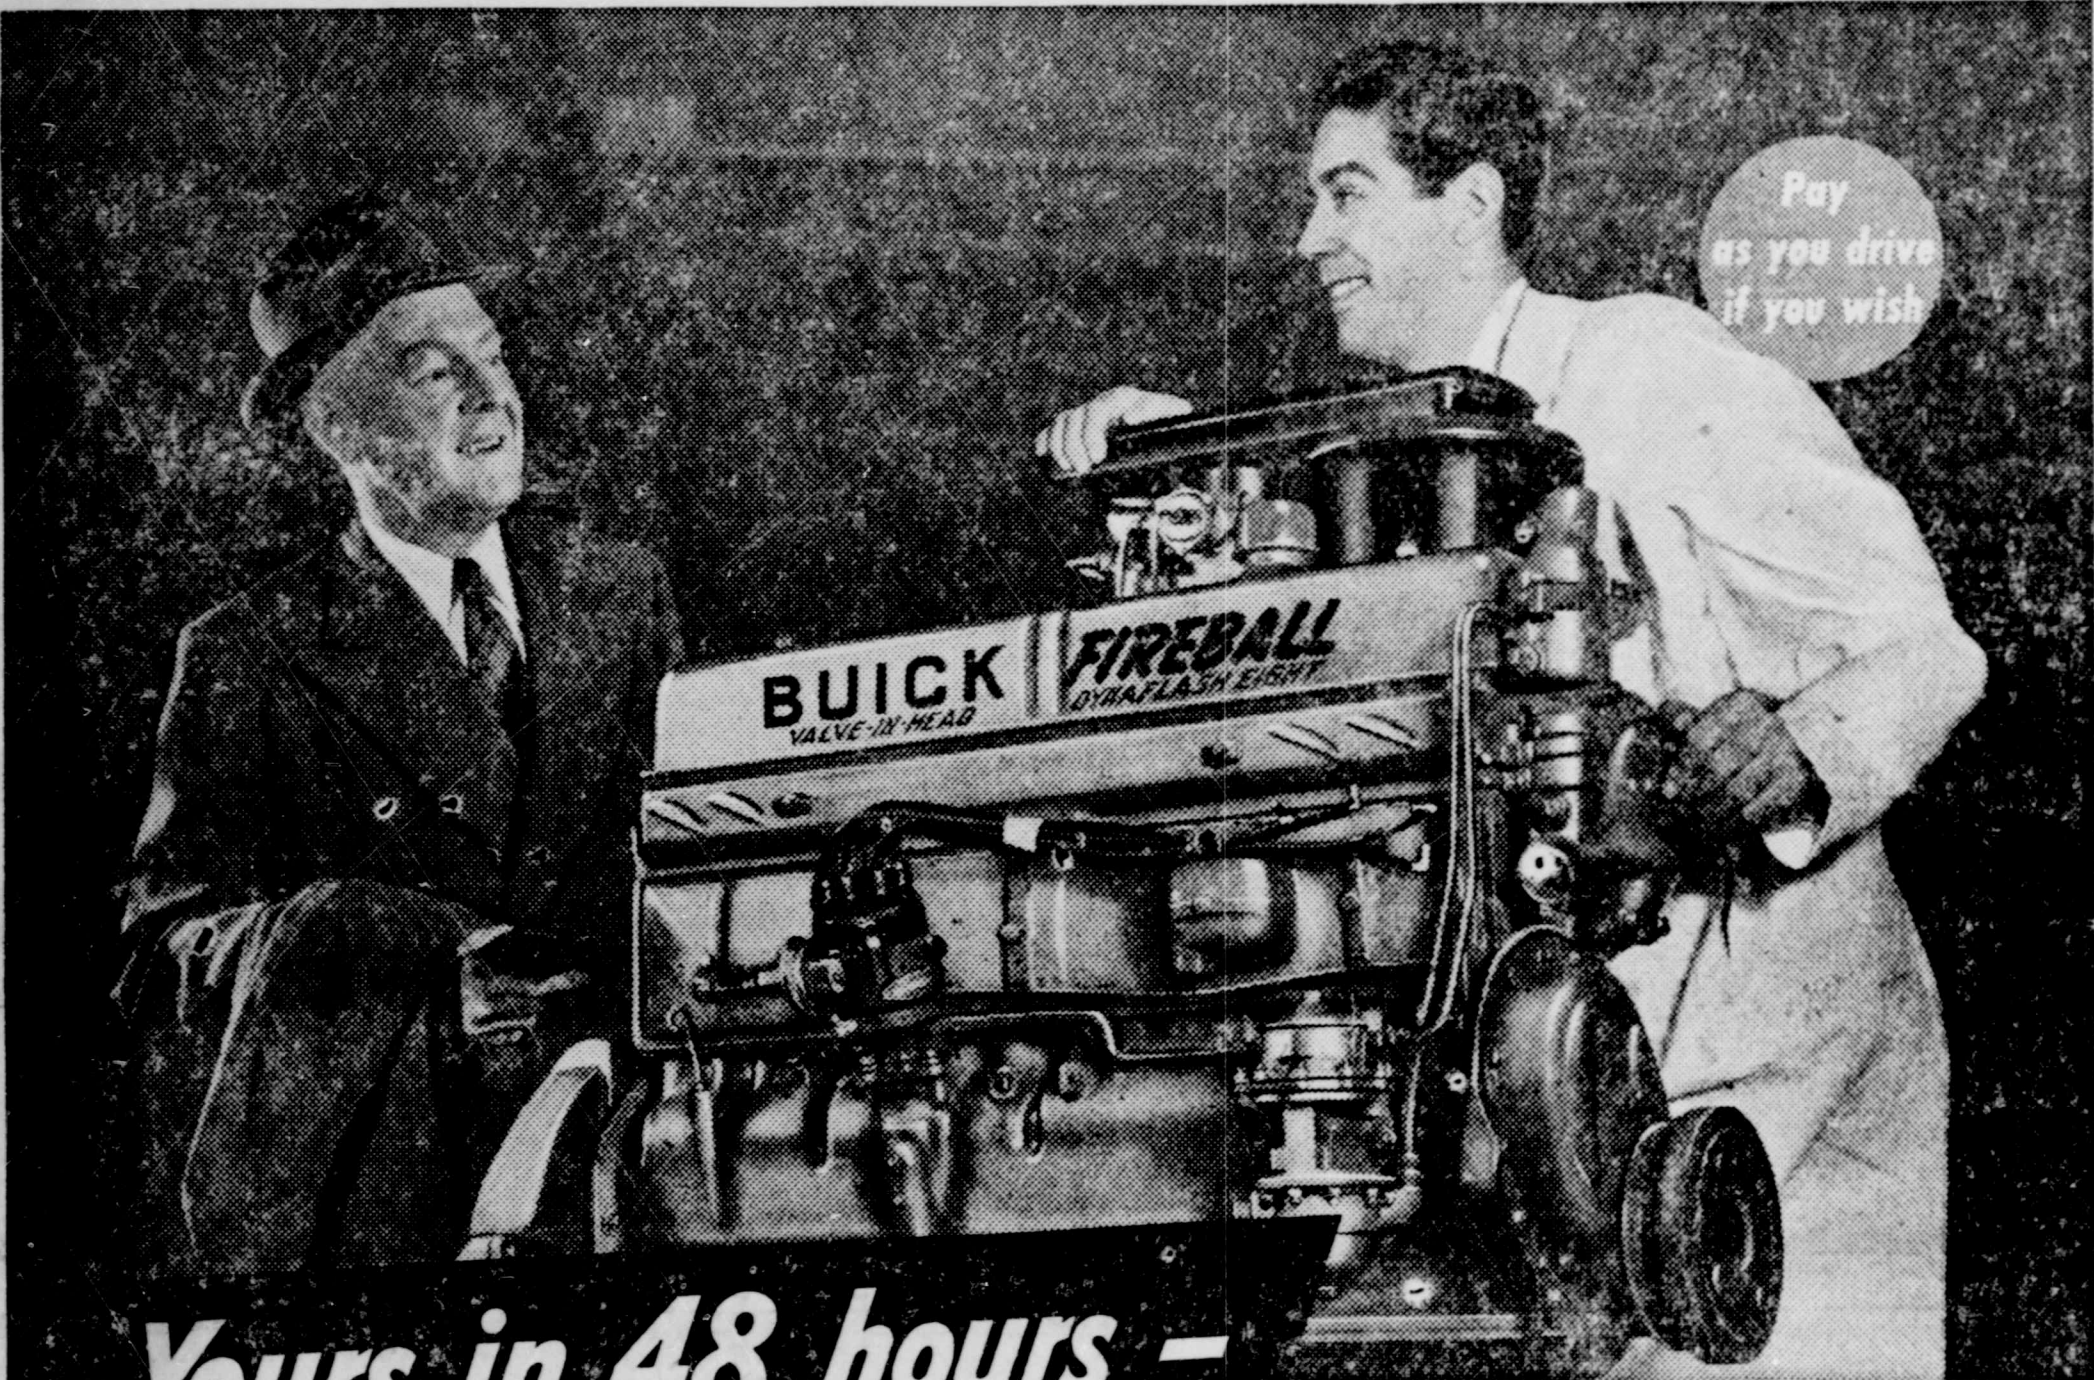

Those who are 60 years of age or more are not required to have an exemption to vote; those who have moved into the county since January 1, 1947, are required to have an exemption; those who have become 21 years of age since January 1, 1947, or will become of age during 1948 are required to secure an exemption certificate during January, 1948, before they may vote in any of the elections during the year; no charge is made for these exemptions.

## New power for your BUICK!

**Today's Power, Today's Performance,  
Today's Zip — for Buicks  
up to Ten Years Old!**

MAYBE this sounds too good to be true. But it's a fact!

Even if your Buick dates back as far as 1937, you can have a hoof of factory-fresh Fireball power—a sleek new power plant that's the same as the engines going into the latest Buick cars.

Everything about it is brand-new. A new carburetor and air cleaner help make every drop of fuel give up all its power. A new distributor, complete with vacuum and centrifugal advance, puts new snap in your get-away and new pep in all driving. A whole new wiring harness prevents electrical loss. And tucked in the flywheel housing is a new smoothie of a clutch that'll make driving more fun than ever.

Yes, it's all new, with the latest Buick engine features you read about—like precision cylinder boring, Oil-Miser rings, Stratoflow cooling and so on.

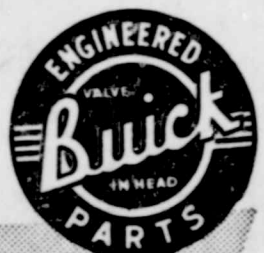

You can get a new engine like this because engine production is not held back by the shortage of sheet steel which limits complete-car production.

So we're able to put one of these

honey into your car and make it young again—give it new power and performance that will get you set for thousands and thousands more carefree miles.

How much does it cost? Not nearly what you'd expect—often less than a comprehensive overhaul. And it's a mighty good investment because it makes your car worth so much more when it comes time to turn it in.

Nice proposition, isn't it? Surely worth talking over. Won't you come in and let us give you all the details?

**Where's Kilroy?**

**HAWKLOCK, FAMOUS SLEUTH, SEARCHES FOR KILROY WHO HAS DISAPPEARED!**

**TOKIO H D CLUB HOLDS MEETING**

The Tokio H D Club met Jan. 7th with Mrs. P. W. Smith. Ten members and three visitors were present.

Roll call was answered and club business was taken care of. A social hour followed with the hostess serving cake and hot chocolate.

January 21 is the date of the next meeting which will be in the home of Mrs. Stubby Sherron.

Mr. and Mrs. Everett Latham were in Levelland on business Monday afternoon.

**GLADYS SHEPHERD AND LESTER DECKER MARRIED**

Miss Gladys Ruth Shepherd, daughter of Mr. and Mrs. L. C. Shepherd, of Union and Lester Decker were united in marriage Friday January 9th at Snyder. Mr. Decker is the son of Mr. and Mrs. R. H. Decker, also of Union.

The double ring ceremony was read by Rev. Shepherd, uncle of the bride, in his home.

The bride wore a two-piece brown dress with brown accessories. For something old and borrowed she wore a bracelet belonging to Mrs. Ruth McCain. She wore a penny in her shoe for luck.

Mr. and Mrs. Decker are graduates of the Union high school. She is employed in the county clerk's office and he is operating a farm in the Union community.

After a wedding trip to Abilene the couple will be at home in Brownfield.

**GET ACQUAINTED TEA GIVEN SUNDAY**

As a number of new families belonging to the Church of Christ have moved to Brownfield recently and the minister and his wife, Mr. and Mrs. James Wood, are new here, a tea was given in the A. J. Stricklin home Sunday for the purpose of the church membership to get acquainted with each other. Hostess for the affair were Mesdames Joe Chisholm, Ross Black, J. D. Williamson, Jim Nelson, Anna Belle Barrow, Walter Tomlinson, Roy Collier, R. L. Bowers, Homer Winston, Weldon Latham, Jack Stricklin, jr and sr.

Punch and individual cakes were served from a lace laid table centered with an arrangement of assorted flowers. A large number of guests were registered.

**\$1,000 PAID IN BOUNTIES**

Bounties aggregating about \$1,000 were paid last year on coyotes, rabbits and ravens, according to Mrs. O. L. Jones, treasurer of Terry County. Payments, which will be continued in 1948, are \$2 on coyotes, 5 cents each on rabbits and 10 cents on ravens.

Mr. and Mrs. Roy Winger left Sunday for Beloit, Kansas to be with his sister who is seriously ill.

Mr. W. A. Herron was in Clovis, N. M. Tuesday visiting his mother who is ill.

**REBEKAH LODGE INSTALLS OFFICERS**

The Rebekah Lodge met Monday night for a regular meeting and installation of officers. Mrs. Fern Parks was installed as Noble Grand; Mrs. Grace Buchanan, vice grand; Mrs. Dora Lee McCracken, treasurer and Mrs. Jenell Dean as secretary. Twelve appointed officers were also installed.

Mesdames W. B. Brown, Jessie G. Randal and C. A. Wilhite were the installing officers. Mrs. Ruth Acker, past noble grand, was presented with a pin from the lodge.

During the social hour that followed sandwiches, cookies and coffee were served to approximately 45.

**HARMONY HD CLUB MEETS WITH MRS. BARTLEY**

The Harmony Home Demonstration club met in the home of Mrs. C. E. Bartley Thursday, Jan. 8. This was the first meeting of the year.

There were seven members at this meeting. A covered dish luncheon was served at noon.

A business meeting was held in the afternoon.

We have a very interesting program for the coming year and all members are urged to attend all meetings. New members and visitors are welcome.

**HIGHEST QUALITY**

**FRIENDLY SERVICE DAY AFTER DAY**

... the same friendly service and the same high quality you have grown to expect when you shop at our store. We are just "home folks"—that's all, and we're always glad to see you!

**CHISHOLM GROCERY**

**GOMEZ H D CLUB REPORT**

"Producing Clean Milk at Home" was the subject of the program given by Miss Helen Dunlap at the Gomez H. D. Club when it met Thursday afternoon in the home of Mrs. Kenneth Hodges.

Plans were made to try to obtain REA for this community. The club also plans to buy one dozen cups for the school lunch room.

The layette, made by club members for the educational exhibit, was sold to a lady living in St. Louis, Mo.

All women in the community have a cordial invitation to visit and to join the club. Regular meeting days are 2nd and 4th Thursday in each month. Some of the programs for the year include such interesting subjects as "Refinishing Furniture," "Making Cottage and Processed Cheese," "Dressing Chickens" and many others.

On February 19th the club will meet at the school lunchroom with the County Health Engineer discussing "Undulant Fever."

Mrs. Tress Key will be hostess at the luncheon January 22nd for the meeting. The program in on "Making Trays."

Mrs. Ernest Frahs will spend the week end Kermit visiting her husband who is working there and a friend, Mrs. Ekas, of Oklahoma, who is there visiting.

Mr. and Mrs. Jack Hamilton and children and their guests, Mr. and Mrs. Holgate visited the Marvin Hamiltons in Lamesa Sunday.

**VIOLA GRACE BARRETT HONORED ON BIRTHDAY**

Mrs. Claude Buchanan complimented her niece, Viola Grace Barrett, on her fifth birthday with a party Saturday afternoon. Games furnished entertainment for the guests.

The birthday cake was placed on a music box that played "Happy Birthday" as the candles were blown out. Plate favors were little mechanical toys.

Guests were Judy Teague, Ann McBurnett, Beverly Norris, Sandra Kay Collum, John Roy Pierce, Harold Dean Wilson, Archie Proctor and Juana Jay Barrett.

**ALPHA OMEGA CLUB MEETS TUESDAY**

Mrs. Fred Jones was hostess to the Alpha Omega club Tuesday afternoon when they met for a program on Home Management. Phases of the subject discussed were, "A Budget Can Be Practical," by Mrs. Tommy Hicks; "Life Insurance and Social Security," by Mrs. Lee Brownfield and "Insurance for Special Needs" by Mrs. W. T. McKinney.

Present were Mesdames Jack Hamilton, Livingston, A. C. Greer, Sam Teague, V. L. Patterson, J. L. O'Dell, Robert Noble, Homer Newman, McKinney, N. L. Mason, Clarence Lackey, Wayne C. Hill, Hicks, Virgil Crawford and Brownfield.

For the years 1934 through 1938, the U. S. Supplied 4.6 per cent of all grains for world export. In 1946-47, with almost no change in the amount of grains moving in world trade, the U. S. supplied 52.4 per cent.

# Announcement of change of Ownership

We have sold our drug store to Mr. and Mrs. Joel Hyman and it is now under their management.

At this time, we would like to express our fullest appreciation for your past patronage and friendship and at the same time urge and invite you to continue your splendid support with this fine young couple.

MR. AND MRS. G. D. WADE

We are very happy to announce that we have bought the WADE DRUG STORE from Mr. and Mrs. G. D. Wade and will continue to operate it under the old name.

We assure you that we will offer the same courteous service and highest quality of merchandise as has been the policy of the former owners.

We are by no means newcomers to this section and as we invite all our old friends to drop in and see us, we also extend a special invitation to those of you we do not know to come in and get acquainted.

MR. AND MRS. JOEL HYMAN

## WADE DRUG

### PLAINS NEWS

Mr. and Mrs. T. J. Miller of Lubbock visited her mother, Mrs. Sallie Forrest over the week end.

Mrs. T. E. Coke and Sidney spent Saturday night and Sunday with her brother in Clovis, N. M.

Mr. and Mrs. John McKee and Mrs. J. H. Morris were visiting in Lubbock Saturday night and Sunday.

Rev. Curtis Jackson attended the Baptist convention in Dallas the first part of the week. Charles Jackson who is a student at Hardin Simmons was home over the week end.

Mr. and Mrs. Jim Story visited her mother in Lubbock over the week end.

### WELLMAN H D CLUB MEETS

Committee chairman for the coming year were appointed in the Wellman Home Demonstration Club at their January meeting.

Mrs. Bob Burnett, club president, appointed Mrs. Harmon Scales, year book chairman; Mrs. Stanley Emerson, finance; Mrs. Horace Fox, marketing; Mrs. Clyde Heafner, education and Mrs. Roy E. Moore exhibit chairman.

A program on "Producing Clean Milk at Home," was presented by Miss Dunlap following the business meeting.

The next meeting will be on Friday, February 12 at 2 P. M. at the school. The community is invited to come and hear the County Health engineer on the important subject, "Undulant Fever."

The Chisholms write in that they arrived in California on the afternoon of the 6th.

Mrs. Jack Bailey spent the first of the week in Plainview as guest of Mr. and Mrs. Walter Haynes.

Mr. and Mrs. Jack Price plan husband, Mr. and Mrs. Doyle Kelcey is minister of the Church to visit their daughter and her Kelcey in Ackerly Sunday, N.E. of Christ there.

### For a Stronger, Sturdier Chassis

## GET A GMC

GMC trucks have always been designed and built to "take it." Today they are equipped with chassis structure that offers greater strength and stamina than ever before.

Axles are heavier and huskier. Springs are stronger. Frames are tougher. Brakes, steering, transmissions, clutches . . . all have been

improved to give you easier handling, surer control and day-in, day-out dependability on the most rugged hauling jobs.

There's a new GMC . . . light, medium or heavy duty . . . exactly suited to your type of truck work. See us for complete information . . . and all your parts and service needs.

## ANNOUNCING Change of Ownership

We have sold the Hyman Upholstery Shop to Mrs. Ray Duke. Mrs. Duke has been with the firm for some time, has plenty of experience and is fully qualified to give you the same high standard of workmanship we have always maintained.

We also wish to express our heartiest thanks for your past patronage and sincerely hope you will give Mrs. Duke the same splendid support.

Mr. and Mrs. Joel Hyman

I take great pleasure in announcing that I have bought the Hyman Upholstery Shop from Mr. and Mrs. Joel Hyman and will continue to operate it at the same location until February 1, at which time I will move to the Bailey Battery Shop building across the railroad track and due north of the Scott Blacksmith Shop.

In addition to the highest quality automobile upholstery work, I will also upholster furniture. I will be glad to give you an estimate on any type of work in this line.

Mrs. Ray Duke

**Union Utterings**

Supt Dee Hancock was a business visitor in Austin the latter part of last week. He attended the superintendent's meeting there.

The Girls 4-H Club met last Wednesday. Miss Dunlap was present and talked to the girls. They are very proud of their note-book type yearbooks. The mothers might enjoy the meetings these girls have as they are intended for anyone interested in home-making.

This community is losing several of its fine citizens as some are moving to other parts this year. Mr. and Mrs. Odell Collins have moved to Oklahoma; Mr. and Mrs. J. C. Chambers have moved to Wellman and Mr. and Mrs. L. C. Shepherd are moving to Abilene. The writer has not learned who will fill the places vacated by these families.

Everyone is invited to attend Sunday school and church next Sunday morning and also to attend BTU and church services Sunday night. The new families in the community are given a special invitation to come to church each Sunday.

Mr. and Mrs. C. A. Bearden and family visited friends at Mesquite in Borden county over the week end.

Mrs. Juanita Lanious and children visited in the J. W. Lanious home at Pleasant Valley Sunday afternoon.

**World Peace Big Issue Facing Country, Says George Peddy, Candidate for U. S. Senate**

Houston, January 15, (Special)—Declaring that world peace is the abiding problem affecting the future of every Texan and American, George E. B. Peddy, Houston attorney, veteran of both World Wars, with three years overseas service, and an authority on international affairs, today announced his candidacy for the U. S. Senate in this coming summer's primaries.

The 55-year-old Peddy will make the race based on a 6-point program, as follows:

GEORGE E. B. PEDDY

1. World Peace.
  2. Universal Military training.
  3. Halting inflation.
  4. Reduction of government spending.
  5. Clearing the state's rights to the tidelands.
  6. Proper care of the disabled war veterans and adequate housing for veterans and others.
- This is the second time Peddy has run for the U. S. Senate. In 1922 he was drafted by anti-Ku Klux Klan Democrats to lead a write-in ticket in the General Election and, although defeated, received the surprising total of 140,000 write-in votes.
- Peddy, who was born and reared on a small farm in Shelby County and graduated from the University of Texas Law School in 1922, served in the 35th State Legislature in 1917, was assistant criminal district attorney in Harris County in 1920-22 and special assistant United States attorney in 1923-25.
- "World peace is far more important to the people of Texas and America than any other issue, domestic or foreign," said Peddy. "Each proposal must stand one test: 'Will it promote world peace?'"
- Political leaders must explain to the American mothers and fathers that a little sacrifice now is the best assurance that they can have that their sons will not have to fight, perhaps die, in another war.

"We must accept the responsibility for world leadership."

Referring to his previous race for the U. S. Senate, Peddy said, "I opposed the Klan on principle. Should the issue arise again, my stand would be the same. Many people who opposed me in the fight are supporting me now. I make no apology for that fight but I want the people to know all there is to know about me and my past record."

Peddy, who spent 29 months overseas in World War II, is unreservedly in favor of the aid to Europe along the lines suggested in the Marshall plan.

"However, I have no hope for the Marshall plan or any other plan unless America quickly convinces the world that she means to remain strong in military power until a workable United Nations takes over the laboring oar for world peace. I believe she can best do this by adopting universal military training."

**Meadow Musings**

Mr. Guy Nowlin, who underwent surgery at Brownfield is getting along nicely.

Mrs. John H. Myers is at home from the hospital and is getting along fine.

Wilma Hinson of Lubbock visited her grandparents, Mr. and Mrs. W. A. Hinson over the week end.

Mr. and Mrs. T. E. Verner and Carolyn and Mr. and Mrs. Boyce Verner and children visited Mr. and Mrs. Afton Verner at Portales, N. M. Mr. and Mrs. Afton Verner have a new baby.

Mrs. R. L. McNutt has not been feeling well for the past week.

Mrs. W. T. Arnett has been ill for a few days, but is better.

Mrs. Annie B. Morris was in Meadow visiting and on business last week.

Mr. and Mrs. H. Hamilton of Odessa visited Mrs. Hattie Welch over the week end. Mrs. Hamilton was formerly Miss Glenola Welch.

Mr. and Mrs. Carroll Garner and little daughter, Madlyn Carroll, of Beville are visiting Mr. and Mrs. A. E. Vestal.

The Terry County Sunday School Zone Meeting met at the Meadow Baptist church last Sunday afternoon.

Mrs. Ava Gibson has been teaching in the place of Mrs. Guy Nowlin, since Mr. Nowlin has been in the hospital.

Mrs. John Cadenhead has gone

to Kentucky to visit her son, Wayne, who is in the army.

Ronald Brown, son of Mr. and Mrs. Tom Brown has been ill with rheumatic fever for the past six weeks. He is improving.

Miss Maud Alice Zorns, who teaches Home Economics at Post, visited her mother, Mrs. Maud Zorns, over the week end.

Mrs. C. N. Gray's brother has been ill in a Lubbock hospital for several days, but is much improved. He suffered a stroke.

Mrs. Horace Belew and Mrs. Malcolm Timmons gave Mrs. Wanda Jo Gregg a bridal shower last week. A large crowd attended and many nice gifts were presented. Mrs. Gregg was formerly Miss Wanda Jo Hopper. The shower was in the home of Mrs. Belew.

The Meadow High school will have an open invitation basketball tournament this week. It will begin on Wednesday night and run through Saturday night.

Capt. Norris Norman and Sgt. Wayne Gregg have sold their filling station and wholesale oil business at Meadow to the M. and J. Oil Co.

Rev. R. L. Shannon, Mr. and Mrs. J. T. Fulford and Rev. R. D. Hill are attending the Baptist Evangelists Conference at Dallas this week.

Mrs. Lee Bartlett's father and family visited Mrs. Bartlett last Friday. Lee Bartlett was in Brownwood on business last Friday.

**G I Question And Answer Department**

Q. I am a disabled veteran of World War II and would like to know if I can be given a statement of my disability.

A. Information from your folder regarding your disability may be furnished you when, in the judgment of the Administrator of Veterans Affairs, it would not be injurious to your physical or mental health. Your private physician may obtain from VA, upon written request, any information concerning your condition which he

requires to treat you.

Q. Will Veterans Administration pay for tools and equipment while I am taking on-the-job training?

A. VA will pay for those tools and equipment that are needed by all trainees for the satisfactory pursuit of the same training course.

Q. Will VA pay tuition for a veteran to attend school while he is taking on-the-job training under the G-I Bill?

A. Yes. Veterans Administration will pay for such schooling if his course of study is related to the vocation for which he is in training, or if the school course is prescribed and recommended as a part of his job-training.

Q. What should the veteran do if he is not satisfied with the job-training he receives?

A. That is a matter for the veteran to decide himself, but it might be advisable for him to seek the counsel of a VA training officer. He can always discontinue his training, or with VA's permission, he can switch to another training establishment.

Mr. and Mrs. Lee O. Allen visited her mother, Mrs. W. M. Robertson in Lorenzo Sunday.

Mr. and Mrs. J. B. Worsham, Mr. and Mrs. Sid Machen and Mrs. Jessie Machen were in Lovington Sunday visiting friends.

Mr. and Mrs. Jack Gordon of New York, were week end guests in the home of Mr. and Mrs. Glen Akers.

Mrs. R. F. Quinlan, of Robstown, is here visiting her parents, Mr. and Mrs. W. A. Bell.

**SOFT TOUCH**

Over 80% of the water that is used in American homes is hard according to recognized authorities. Hard water versus soft water figures show that hard water requires up to 50% more grounds to make coffee and tea. The life of kitchen utensils is decreased up to 16.6% and hot water heating bills are up to 31% higher. Hard water for dishes, laundry and bath uses from 2 to 3 times as much soap and produces skimpy suds. Culligan Soft Water Service makes soap opera commercials come true! Yes, those billows of lather show what ordinary bath soap can do—in soft water.

### C. J. McLeroy Tells About Drouth 1917-18

Back during one of West Texas' worst drouths of 1917-18, there was no Uncle Sam Santa Claus to help out the farmer and ranchman in his dilemma. He had to get by himself, or go back to the wife's kin folks back east somewhere. Those who stuck it out, turned Jack, and took the pot.

Among that vast number that had to work like blazes through the day and plan like nobody's business after he went to bed, was one of our prosperous stock farmers, C. J. McLeroy. He told us of some of his ups and downs, recently.

C. J. had a small herd of cattle. They had to be fed or starve. So, he not only planned and worked on his own account, but took jobs with cattlemen as cowboy down in the Haskell section. He has his land all prepared, but no rain till late.

But what fell ran to the middles, so he takes a section harrow and runs across the rows, raking the dry dirt into the moist middles. Then he planted.

The sun blazed down again, but again he got a fair shower, and started his harrow again. His grain got from knee to waist high and harvested it with a row binder.

Nowadays, some folks would just hunt a shade and let Uncle Sammy do the worrying.

### Ten Of Largest 1947 Texas Fires

The ten largest fires in 1947 were listed today by Marvin Hall, State Fire Insurance Commissioner.

Compilations were made from fire marshal's reports from over Texas. Figures are approximate and losses based on property value.

"Number one on the list is of course the Texas City explosions and fires, the greatest disaster not only this year, but the worst in the history of this State, both in lives and dollars," Hall stated.

Originating in the explosion of a ship carrying fertilizer, resultant fires and explosions took 468 lives, injured 3000, and destroyed property worth \$67,000,000.

"A lumber prefabricating plant suffered the second highest loss last year, \$927,000," the Commissioner said. "Cause of the fire was unknown."

Third, was a \$500,000 warehouse fire which originated from undetermined causes. Fourth, vegetable and fruit packing sheds burned with a total loss of \$265,000 and cause unknown.

Two fires ranked fifth: an oil mill company and a football stadium fire, both amounting to \$200,000 losses and both starting from unknown origin. The sixth highest damage was \$178,000 lost in a general mercantile store blaze. Cause was unknown.

A fire-packed bale of cotton set fire to a cotton warehouse causing \$175,000 worth of damage which ranked seventh. Eighth was a \$165,000 fire in an antique and art store which was caught by a cigarette.

Two fires also ranked ninth and were from unknown causes. A laundry fire resulted in a \$150,000, and two buildings of a lumber company burned at a cost of \$150,000.

Tenth, a feed warehouse caught fire from unknown causes with the resultant blaze amounting to \$125,000 worth of damage.

### MRS. CHAD TARPLEY'S MOTHER PASSES AWAY

Word was received Monday that Mrs. Bartlett, mother of Mrs. Chad Tarpley, passed away Sunday night at the Brooks General hospital in San Antonio. Interment was in Macon, Ga., the family's home before moving to Texas.

Mrs. Tarpley was at the bedside of her mother, having gone to San Antonio last week. She and her husband went to Georgia for the burial services.

### Behind the Scenes in American Business

By Reynolds Knight

The high cost of living is pinching U. S. industry, just as it is putting pressure on every family. From figures recently released by the SEC, it is clear that American business needs money. Where is it going to get it? The savings accumulated by business during the war years are being used up to build additions to plants and new factories, to carry heavier payrolls and to carry heavier and higher priced inventories of goods. Savings, in the form of cash and government securities are down some \$10 billion in the last two years. For plants and new machinery, U. S. industry has been spending at the rate of more than \$20 billion a year for the last two years. This rate is without precedent in our economic history. So far, industry has been getting the money it needed by borrowing. It has borrowed heavily from banks and other institutions. It

has borrowed from the public by selling bonds. But this can not go on forever. Business needs "owner capital" which comes only from the sale of common stock. And for this it needs a higher securities price level.

**THINGS TO COME** — Just when it looked as though the bubble-gum craze was under control, a new menace appears in the form of a pogo-stick made of aluminum. Hoping to get the jump on his competitors, the manufacturer says the devices are available now. . . . A gadget of the month club, which promises its subscribers a new house hold item every four weeks. . . . A household photoelectric eye device to close windows when it rains, open garage doors, all automatically, of course. . . . A new bedside lamp that is turned off by tilting the shade. . . . Now pianos are being made with magnesium string plates. . . . Here's another knife sharpener, motor driven, and said to require no skill at all. . . . And for ice skates, a new handy carbide sharpener that looks as though it would work all right.

No. 9 Series Tandem Disc Harrow — for average working conditions. Square, welded, steel tubing frame double the strength of ordinary angle iron.

### Known for PERFORMANCE

Allis-Chalmers Disc Harrows for Every Purpose

Even penetration for full length — less ridging, level work.

Large size bearings stand punishment of high-speed tractor work.

No. 10 Series Tandem and Single Action Disc Harrow — for extra heavy work. Economical use of power on tough discing assignments.

### Hydra-Matic Schools Held by Pontiac

Hydra-Matic transmission as optional equipment on the 1948 Pontiac has led to the most comprehensive training program in Pontiac history, it is reported by L. W. Ward, general sales manager.

Pontiac factory service personnel has already received extensive Hydra-Matic training, and an educational program on a national basis for Pontiac dealers' mechanics now is underway, Mr. Ward said.

Terry Redford attended a dealer's meeting in Amarillo Monday.

If you have any heavy arithmetic problems, you can get an electronic tube that will make all your calculations.

### Gomez Gossip

Mr. and Mrs. A. V. Britton and family spent last week in Tahoka with his mother who was painfully injured when she fell on an ice covered walk at her home.

Sunday visitors in the Cliff McKee home were her mother, Mrs. W. P. Brasher and her brother, Marvin Brasher and family, all of Loop.

Mr. and Mrs. Bill Swain and family spent the week end visiting relatives at Earth.

The W. R. Blocker family are moving from the Gomez community to three miles south of Brownfield.

Mr. and Mrs. Tress Key were in Hereford on business last week.

Mrs. Chesher and her mother, Mrs. Banks visited Mrs. H. C. Whitley and family in Odessa last week end. Mrs. Chesher is the

second grade teacher at Gomez. T. A. Greasham and family have moved to the John Black farm. Mr. Black has gone to Comanche to make his home.

Mr. and Mrs. J. C. Gafford of Brownfield have moved to the Greasham farm.

Weekend visitors in the B. R. Lay home were her mother, Mrs. J. A. Roberts and her sister, Mrs. Ida Collins and Miss Letha Nell Roberts, of Big Spring.

Mr. Connelly, principal of the Gomez school, left for Dallas Friday afternoon to be with his father

who is ill. Mrs. Fletcher will teach Monday in his place.

Plans for a box supper to be held Friday night January 23rd at the Gomez school were made at the PTA meeting last Friday evening. Mrs. Foshee was elected vice president and the organization voted to buy one dozen cups for the lunch room.

The third grade pupils had the most parents present.

During the social hour games of 42 were played and pie and coffee was served.

The second grade pupils sold

Mrs. Abel Pierce and children left Tuesday morning for Needville, Texas to visit her parents and brother, who is home on furlough from the merchant marines.

U. S. farmers grow 92 percent of all the peanuts in North America.

J. E. Anderson, of Dinuba, California is visiting his mother, Mrs. M. V. Anderson, of Tokio.

pop corn balls and purchased a bulletin board for their room with the proceeds.

### FORD Bonus Built TRUCKS

**Bonus\* Built — THE AMAZING RESULT OF AN ENGINEERING PRINCIPLE THAT ASSURES WIDER USE, LONGER LIFE . . . and ONLY Ford Trucks Have It!**

EVERY single one of the great new Ford Trucks for '48 is Bonus Built . . . designed and built with extra strength in every vital part! But that's only part of this vital truck engineering principle . . .

This extra strength provides WORK RESERVES that pay off for truck operators in two important ways:

- FIRST, these WORK RESERVES give Ford Trucks a greater range of use by permitting them to handle loads beyond the normal call of duty. Ford Trucks are not limited to doing one single, specific job!
- SECOND, those same WORK RESERVES permit Ford Trucks to relax on the job . . . to do their jobs easier, with less strain and less wear. Thus, Ford Trucks last longer because they work easier!

Yes, Ford Trucks for '48 are Bonus Built . . . built stronger to last longer! That's why they give their owners wider use and longer life! That's why life insurance experts can certify proof that Ford Trucks last up to 19.6% longer. That's why the record shows there are more Ford Trucks in use today than any other make. Let us show you the revolutionary new Ford Bonus Built Trucks today!

## CARD OF THANKS

We wish to thank our many friends and neighbors for their kindness and sympathy extended us during the death of our dear Jimmie. For the many beautiful floral offerings, the meals served and the lodgings offered our family, relatives and friends.

Mrs. Jimmie Wright and daughter, Jean, Mr. and Mrs. Ira Wright, Mr. and Mrs. Lynn Frederick and family, Mr. and Mrs. L. P. Morris and family, Mr. and Mrs. Lonnie Wright, Mr. and Mrs. Lynn Wright and family.

Mr. and Mrs. Z. R. Magee of Crowell, Mr. and Mrs. Elmo McClellan and Lee Bedford of Lubbock have been visitors in the home of Rev. and Mrs. Ed Tharp.

SIX YOUNG PATIENTS at the Texas Scottish Rite Hospital for Crippled Children at Dallas "turn tables" on the nurses and join in singing Christmas carols to their friends in white on the steps of the latter's home, the Alex A. Slaughter Memorial Nurses Home, unit of the Masonic institution which provides free treatment to crippled children of Texas. The nurses' quarters were built and are maintained yearly by Mrs. Dorothy Slaughter in memory of her late husband.

## 1948 Chevrolet is Massive

The over-all simplicity and massiveness of the new, 1948 Chevrolet is well shown in this three-quarter view of the Fleetmaster Sport Sedan. Fenders, hood, body and door panels all blend; and the crease moulding, below the windows, is wider than that used in previous models. Note the new T-shaped chrome center bar on the radiator grille.

**PRESCRIPTIONS**

When your doctor signs his name to a prescription he is fulfilling a most sacred duty. We regard as equally sacred our duty of filling his prescription — whether it be to trouble-shoot a headache, or to save a life in a crisis only a physician and medication can meet.

**Primm Drug**

**On a heavy-duty job, give me new Advance-Design CHEVROLET TRUCKS and here's a "load" of reasons why ...**

**Only Advance-Design Trucks Have All These New and Finer Features:**

- ★ Cab that "breathes"
- ★ Flexi-Mounted cab
- ★ Uni-weld, all-steel construction
- ★ Larger, more durable, fully adjustable seat
- ★ 22% greater visibility
- ★ New, rear-corner windows
- ★ Stronger, new frames
- ★ Full-floating hypoid rear axles
- ★ Specially designed hydraulic truck brakes
- ★ Valve-in-Head Thrift-Master or Load-Master engines
- ★ More efficient loading (stake and high-rack bodies)
- ★ New, thorough sealing insulation
- ★ Standard cab-to-axle-length dimensions permitting interchange of bodies
- ★ ... and MANY more!

**There's nothing like the cab that "breathes" for comfort! ... fresh air is drawn in from the outside—sealed in cold weather—and used air is forced out.\* The cab is cushioned on rubber—Flexi-Mounted—with 12 inches more foot room and eight inches more seating space. There's 22% greater visibility, too, they tell me. The seat is fully adjustable. Man, this is it!**

**Brother, how these stronger, new frames stand-up! Wheel-bases are longer, too, for better load distribution. And the brakes are exclusively designed for greater brake-lining contact!**

**Here's a special, heavy-duty job and an extra-special truck! Take your pick from 107 different models and eight wheel-bases. There's one made for your special kind of job.**

**Look—rear-corner windows! Now it's a cinch to back up without jacking-up. Yes, sir, these trucks are brand new—really different with Advance-Design. And they're packed with power.**

**In the world's most economical engine for its size—Chevrolet's Valve-in-Head engine. \*Fresh air heating and ventilating system and rear corner windows optional at extra cost.**
