Reds Say U. S. Is More Cooperative

MOSCOW (AP)—Communist party chief Nikita Khrushchev told 10,000 cheering Russians today the United States is moving in the direction of cooperation with the Soviet Union.

His speech was broadcast and televised throughout the Soviet Union from Moscow's central military airport, where Khrushchev and premier Nikolai Bulganin had just ended their return from a 10-day tour of Britain.

Both Bulganin and Khrushchev praised British hospitality and the results of their negotiations with prime minister Eden. But they had scathing words of denunciation for the Labor party, the British Socialist movement, which they accused of following "a reactionary anti-Soviet policy."

The bold overture to the United States indicated Bulganin and Khrushchev aim at developing direct negotiations with President Eisenhower on world problems. The Moscow radio broadcast in detail the news of the return of the Communist party boss and Soviet Premier Nikolai Bulganin from their 10-day visit in Britain. Bulganin was quoted as saying the trip was of great political and practical significance.

By the broadcast account, as monitored in London:

Khrushchev blamed "certain influential circles in the United States" for blocking an end to the cold war and added:

"Yet we think that in the United States, too, there are signs of a desire for improvement. Eisenhower's speech to newspaper editors testifies to this, although we cannot agree with some of the things he said. The Soviet government is in favor of establishing good relations with the United States." (Continued on Page Four)

Trial Postponed In Connection With Shooting

An Artesia man, J. B. Carnor, 71, of 707 W. Adams, is being held here on a charge of firing a gun inside the city limits, pending the possible filing of more serious charges, according to Deputy Ike Funk.

Carnor was arrested at a north side cafe early Sunday after it was reported that he fired a gun which penetrated a shirt worn by George Jones, 405 Bush.

Carnor was to have come before the police judge for trial on the lesser charge today, but the trial was postponed for further study by the district attorney's office, it was announced.

K. D. Graham, Abilene, Tex., was picked up here by Deputy Sheriff Ike Funk and Jesse Sosa and is being held for the Sheriff's Office in Anson, Tex.

Graham was under a grand jury indictment for forgery in Anson, and was free on bond. A pick up order was issued by Deputy Dave Reeves from Anson when Graham failed to appear for his hearing.

Graham waived extradition and is being held pending arrival of Texas officers. According to Deputy Ike Funk, this is the second time that Graham has been picked up here on the same charge. The first time he returned, and the matter was straightened out.

San Antonio Sports Writer Cracks \$300,000 Burglary

HOUSTON, Tex. (AP)—Police arrested three men yesterday and said they had recovered more than \$95,000 in cash in what they called a \$300,000 burglary.

Police said the money was recovered in a raid on the home of Harvey Marley, 31, in San Antonio by Houston and San Antonio police and Texas Rangers.

Marley and Edwin Roy Hamlett, 24, Houston automobile salesman, are held in jail here. San Antonio police are holding Arthur Eckert, a used car dealer.

The three men are charged with burglary and felony theft in the shooting of a closet safe the night of April 22 at the home of Paul D. Denny, a bakery owner.

Police said the raid was the result of efforts of San Antonio sports writer Dan Cook to solve the burglary and get his "big story."

Cook, of the San Antonio News, took \$3,055 to Houston police last Thursday and said he and Jimmy Parks, San Antonio boxing promoter, had taken the money from

Diagrams Of Time Bomb Seen At Trial

DENVER (AP)—An FBI agent testified today in John Gilbert Graham's murder trial that Graham drew for the FBI four diagrams of the dynamite time bomb that allegedly blew up an airliner carrying 44 persons.

The drawings were shown to the seven men and five women jurors trying the 24-year-old defendant in the death of his mother, Mrs. Daisie E. King, 55.

The FBI agent, James R. Wagner, said Graham prepared the drawings last Nov. 14, a few minutes before the trial.

Building Permits Show Decrease From Last Year

Building permits for the month of April this year were down \$30,592 from the corresponding month last year.

Permits for the month of April totaled \$69,610. This compares with \$34,846 for the preceding month of March, and with \$100,202 for April, 1955.

For the first four months of the year building permits have totaled \$267,750 as compared with \$449,322 for the corresponding period in 1955. This represents a loss of \$181,563 for the first four months of 1956, as compared with the first four months of 1955.

Junior High Music Department Puts On Show

Featured dancers, featured vocalists—the Hornet band, the Hornet Chorus—all under the direction of Augusta Spratt and Herb Beasley—will highlight the Spring Frolics, Junior High School music department stage show to be presented Thursday and Friday, April 3rd and 4th at the High School.

A vocal duet by Claire Carper and Phil Downs, "Two Lost Souls" will be the feature of the third act. This act will also introduce the Hornet Swingsters, Junior High dance band. The third act features a fire baton twirling act by Billie Ruth Ellinger.

The stage show opens with the Hornet band, followed by the Hornet chorus in a variety of popular choral selections.

Tickets are now on sale by all students of the Junior High School music department.

IGNORING PLEAS of Soviet ambassador for them to return to their homeland, four Russian seamen (from left), Michael Ivanov-Nikkolov, Victor Soloviev, Victor Tatamikov and Ben Ermenko decide in Washington to stay in U. S. "until Russia is free."

Freedom Is Frozen In Cuba Following Abortive Revolt

HAVANA, Cuba (AP)—Cuba's Cabinet today ordered a 45-day freeze on constitutional guarantees after 70 civilian rebels attacked an army base 60 miles east of Havana in an apparent bid to take over the country.

The government of President Fulgencio Batista said the revolt at the Domingo Goicuria army base, just outside Matanzas, had been crushed swiftly with 11 rebels killed and a number wounded. It said only three Cuban soldiers were wounded.

The army announced that former President Carlos Prío Socarras, who has been reportedly charged with plotting against the government, had been arrested with a number of his friends.

Gen. Francisco Tabernilla, army chief of staff, said Prío Socarras, who was ousted by Batista in a bloodless revolt in March 1952, had been taken into custody "to protect the personal safety of the former President."

When word of the revolt reached Havana, Batista reportedly left the capital to take personal command of the army.

The government communique said all police, army and navy leaves had been canceled and all members of the armed forces ordered to quarters. (Continued on Page Four)

Distribution Of Civic Improvement Forms To Begin

Distribution will begin tomorrow of suggestion forms for civic improvements in the city of Artesia. The forms will be published in the Artesia Advocate and other news media, and will be distributed through the schools and by all grocery stores.

Citizens of Artesia are urged to fill out the forms and return them as soon as possible, setting forth their ideas for civic improvements and how these improvements might be accomplished.

The project is being carried out by the new Civic Improvement Committee, a semi-official city body. (Continued on Page Four)

New Scout Ship To Be Organized Here Tonight

A new Sea Scout Ship is to be organized here at 7 p.m. today. Interested boys may meet at Clem & Clem Plumbing Co. offices. The Scout Ship is open to boys 14 years of age and older.

Mike Strickland, district scoutmaster, is helping to form the new unit, and Glen Clem will be the new scoutmaster.

One of the first projects of the Scout Ship will be to build a large flat-bottomed boat, designed by the Scouts, to be placed on Lake McMillan.

Presbyterians Hold May Day Breakfast Here

The Presbyterian Women's Association asks Artesians not to forget the May Day breakfast at the Presbyterian Parish Hall tomorrow from 6 to 9:30 a.m.

The menu: choice of strawberries or orange juice, ham or bacon and eggs, any style, Margaret Anderson's homemade biscuits, coffee, tea or milk.

Price: \$1.25 adults, and 75 cents for children. Ummmm! Sounds delicious! (Continued on Page Four)

Air Transport Crashes With Fifty Aboard

STANSTED, England (AP)—A transport plane loaded with British servicemen, their wives and children, bound to strife-torn Cyprus crashed on takeoff today. Two persons, a serviceman and a child, were killed. Six were injured seriously.

The four-engine York plane, carrying 45 passengers and a crew of 5, rumbled off a shoulder of the runway at this Royal Air Force field and spun, crumpling under the strain. Five persons were trapped in the wreckage, but were freed quickly by firemen.

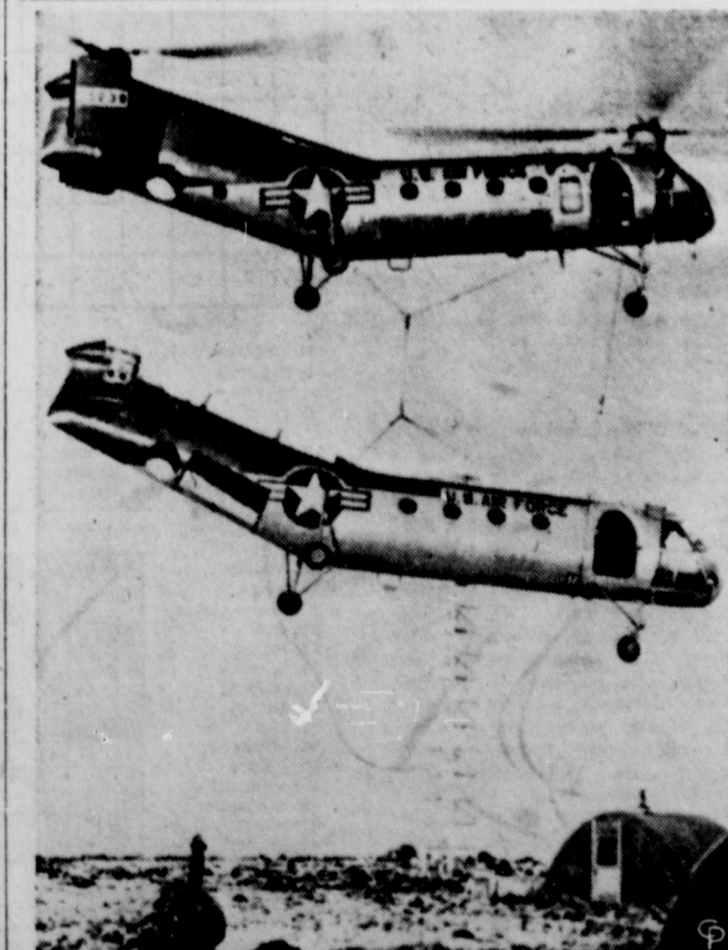

Eyewitnesses said the big plane, civilian counterpart of the World War II Lancaster bomber, lurched off the runway just as it began to rise. A wheel dug into soft ground and the plane smashed a wing and crumpled the fuselage as it swerved.

Of the passengers, were infants less than a year old, and 14 were elder children. Airport firemen raced to the scene and sprayed the wreckage. No blaze broke out. U.S. Air Force personnel at the base also helped and brought in heavy rescue equipment.

Airport officials said the reverse seats used on British transport craft undoubtedly saved lives, since the passengers were cushioned against the shock.

PARENT - TEACHERS MEET

GALLUP (AP)—A three-day convention of the New Mexico Parent Teachers Assn., wound up here this weekend with an election of officers in which Miss Reecene Ashton of Silver City continues as president of the group for two more years. The meeting was termed the "largest ever" by officials who said that some 416 delegates attended.

RESCUING DAMAGED helicopter from Alaska mountain top radar communication site, sister plane hoists copter and tows it to home base for repairs. Without airlift it would have been necessary to make repairs at mountain top site of crash under adverse weather conditions. (International)

Ike Warns That Cuts In Foreign Aid Program May Endanger Security

Flare Up Of Fighting Kills Three Israelis

JERUSALEM (AP)—Israel said today its casualties from weekend incidents on the Egyptian-Israeli border mounted to three dead and one wounded.

Egypt and Israel, parties to a 12-day old cease-fire agreement, each blamed the other for the flareup.

The accusations came as U.N. Secretary General Dag Hammarskjöld was trying to button up his all-but-completed peace mission in the Middle East. Sources in Cairo close to the secretary general did not believe the latest incidents would affect the outcome of his trip.

An Israeli spokesman said Foreign Minister Moshe Sharett had complained to Hammarskjöld of "acts of renewed Egyptian aggression."

An Israeli army spokesman said a recently laid mine had exploded, killing one Israeli soldier and wounding two, inside the Israeli border near the Egyptian-held Gaza Strip.

A Foreign Ministry spokesman said the Egyptians had returned the mutilated body of a 22-year-old Israeli farmer who he asserted had been dragged across the Gaza border yesterday by Egyptian soldiers. The spokesman said a U.N. Mixed Armistice Commission investigation had disclosed that the soldiers were engaged in illegal harvesting in the Nahal Oz area. (Continued on Page Four)

Cigarettes Taken In Local Break-In

Seven cartons of cigarettes were taken in a break-in at 911 N. Roselawn sometime Saturday night, it was reported yesterday by Anita Sanchez.

Thieves gained entrance to the place of business by breaking a glass in the door, reaching through and unlatching it, police said.

Band Aide Club Holds Last Meet

The Band Aide Club holds its last meeting of the year at 7:30 p.m. tomorrow in the high school band room, it was announced today.

George Favors Expanded World Political Activity

WASHINGTON (AP)—President Eisenhower sent word to Congress today that any substantial cuts in his \$4,900,000,000 foreign aid program at this time "would greatly endanger the security of the United States."

Eisenhower's views were relayed to the Senate Foreign Relations Committee by Secretary of State Dulles following a White House conference.

In an all-out defense of the program which has undergone repeated attacks on Capitol Hill, Dulles testified:

"To have this program appreciably reduced, interfered with, or put into jeopardy would gravely endanger the security of the United States. That is the considered judgment of the President and all his advisers who are charged with safeguarding our national security."

Dulles said that judgment was expressed in the President's message of March 19 and "has not been altered."

"The President told me that this morning," Dulles said. In advance of Dulles' appearance before the committee Sen. George (D-Ga.) said he favors expansion of the international political activity of the North Atlantic Treaty Organization but does not believe it should enter the economic field.

George heads the committee and serves as chief Democratic spokesman in Congress on foreign policy.

Voicing general approval of Dulles' proposal to try to give new vitality to NATO, the Georgia senator said, "I don't see how it can be made into an economic agency."

Dulles reiterated that the administration supports a restudy of the overall foreign economic and military aid program, as called for by George, who heads the committee.

"But none of these questions relates to the basic validity of the program itself," Dulles argued. "It would indeed be ironic if, now that the Soviet has begun giving aid . . . the United States should withdraw from that program which it invented and let the Soviet take over that field."

"It is true that Soviet policies and doctrine now seem to put less emphasis on violence, and that is encouraging," he testified. "The danger of general war seems somewhat less, and that is an immense relief."

Dulles, who takes off tomorrow for a North Atlantic Treaty Organization meeting in Paris, testified against a background of threats to the Eisenhower program. (Continued on Page One)

Thompson's Hearing Opens At Santa Fe

SANTA FE (AP)—The New Mexico Game and Fish Commission today opened its hearing for Fred A. Thompson, ousted Assistant state director, with a sharp clash, not immediately settled, over the extent of the hearing's scope.

Commissioner Paul Wright of Silver City opened the session by suggesting a compromise, which he said might possibly solve the deadlock and "avoid the distasteful things that might be brought out."

His ideas was that a neutral administrator to relieve Pickens of some of his responsibilities might be appointed. Pickens and Thompson would be retained at their present salaries at the jobs for which they are best suited, in Wright's view.

No action was taken immediately on the suggestion. Thompson's attorney, Frank Zinn, did not get an immediate ruling on his demand that he be allowed to question State Director Homer C. Pickens, the man who fired Thompson.

Commission Chairman C. M. Botts explained at the outset that on advice of Asst. Atty. Gen. Warner R. Kegel the commission's sole purpose is to determine whether or not Pickens acted capriciously. (Continued on Page Four)

Long-Time Artesia Resident Succumbs

Funeral arrangements are pending for Marion Alexander McLean of 902 W. Grand, who died at noon today at Artesia General Hospital after undergoing surgery, Tuesday, April 24.

McLean was born Nov. 1, 1879 at Okalona, Ark., and had lived in Artesia 34 years. Survivors include his widow, Mrs. Callie McLean, two sons and two daughters.

Nixon's Record Is Political Target

By THE ASSOCIATED PRESS

The political record of Vice President Nixon will be a prime Democratic target in the 1956 presidential campaign, Democratic National Chairman Paul M. Butler said last night.

Butler, in a television appearance, said Democrats also would attack what he called the "failure and fumbling" of the Eisenhower administration, which he accused of "trying to take credit for everything."

On the other hand, Sen. Dirksen (R-Ill.) in another TV appearance declared that Nixon's decision to run again "assures a Republican victory all over the country."

Butler said voters will consider that in voting for Eisenhower this time they would be "taking the risk and possibility" of putting Nixon in the White House.

Nixon's campaign technique, Butler said, not only "demeans but debauches the whole American system." He accused Nixon of "impugning the patriotism" of former President Harry Truman, among other things.

Butler also denied he prefers Adlai Stevenson over Sen. Estes Kefauver as the Democratic presidential candidate. As party chairman he said he wants only to get

a candidate chosen and elected. Kefauver said, meanwhile, he expects to be the Democratic nominee. "All the reports that I received from Florida and California . . . show that we are on the upgrade," he told a rally of District of Columbia supporters.

Residents of the District will choose six-vote slates of national convention delegates Tuesday. Both Kefauver and Stevenson have a Democratic slate of delegates entered.

The Tennessean flew to Tallahassee, Fla., to begin a five-day swing through northwest Florida ahead of the May 29 primary, in which he clashes directly with Stevenson. The two also collide in the California primary June 5.

Stevenson, meanwhile, flew into Oregon for three days of campaigning for write-in votes in that state's May 18 presidential primary. Neither Stevenson nor Kefauver is on the Democratic ballot but both seek write-in votes.

At a press conference, the 1952 Democratic candidate said he feels he is making good progress in his battle with Kefauver for the nomination.

Stevenson planned to leave tomorrow for a stint in California, then go on to Florida to wind up that campaign.

El Paso Is Back On Top In Southwestern League Play

By THE ASSOCIATED PRESS
El Paso is back alone on top of the Southwestern League today. Three teams are just one game back and two are only two behind.

El Paso took an 8-6 victory over Hobbs today. Hobbs fell from a share of the No. 1 position when it lost 12-7 to Roswell. In the other games, Midland whipped Pampa 5-1, San Angelo got Ballinger 10-6 and Plainview crushed Carlsbad 15-5.

The teams all continue in the same locations tonight.

Doug Lewis banged four hits in five trips and Henry Baylis slugged a two-run triple in a vital rally to pace El Paso back into the league lead. Dennis Mannell hit a three-run homer for Clovis.

Pitcher Fidel Alvarez was the big noise for Roswell. The little righthander got four hits in four appearances, including two home runs. One of the homers was a bases-loaded blast in the ninth. The

Roswell victory put it in a three-way tie for second with Hobbs and Midland.

Midland got a five-hit pitching job out of Dean Franks to ease past Pampa. It was Midland's fifth victory in six starts. A four-run burst in the third inning gave Franks more than enough to work on.

The hitters had the edge at San Angelo, however. The Colts banged out 17 bingles in rushing past Ballinger. In all, there were 28 hits in the game. The Colts sewed it up with six runs in the second inning.

It was pretty much the same story at Carlsbad, where the home-standings Potashers lost their eighth straight. Plainview had 19 hits and Carlsbad 15 in the long game. Five Carlsbad errors helped Plainview run up the score.

It was pretty much the same story at Carlsbad, where the home-standings Potashers lost their eighth straight. Plainview had 19 hits and Carlsbad 15 in the long game. Five Carlsbad errors helped Plainview run up the score.

Portales Can Clinch District Title by Two of Four Games

CARLSBAD — The Portales Rams can clinch the district baseball title by winning two of their four games scheduled this week, the final week of play.

Portales won a pressure double-header at Carlsbad Saturday, whipping previously unbeaten Carlsbad 2-1 and 15-8. Lefty Ken Dunaway fired a one-hitter at the Cavemen in the opener as he bested Cavement Ace Richard Vlosich.

Butch Duren was the winner in the afternoon as the Rams pounded three Carlsbad pitchers for 14 hits sandwiched among seven Carlsbad errors.

The win boosted Portales to a 6-0 mark while the Cavemen are 6-2. A Carlsbad win against Artesia Wednesday will qualify the Cavemen for the state tournament and the only chance that Carlsbad has to win the title is for Portales to lose three of its four games this week.

Couch Howard Batson's crew plays a twin bill at Roswell Tuesday and concludes at Hobbs in another twin bill Saturday. A complete collapse by the Rams can see a three-way tie for first, provided Hobbs can beat Carlsbad Friday night at Carlsbad and lose to Artesia Wednesday.

Clovis concluded its season by whipping Artesia in a twin bill Friday 9-0 and 5-1 as Keith Blair

fired a no-hitter for The Wildcats in the opener. The Cavemen whipped Hobbs 18-13 in a wind — and — swept game Friday, and the Eagles clipped Artesia 10-1 in the other game last week.

This week's schedule:
Tuesday — Portales at Roswell (2)
Wednesday — Artesia at Carlsbad (2)
Friday — Hobbs at Carlsbad; Roswell at Artesia
Saturday — Portales at Hobbs (2)

The standings:

Team	W	L	Pct.	GB
Portales	6	0	1.000	—
Carlsbad	6	2	.750	1
Hobbs	3	4	.429	3 1/2
Clovis	4	6	.400	4
Roswell	2	5	.286	4 1/2
Artesia	2	6	.250	5

Archie Moore In Non-Title Bout Tonight

By THE ASSOCIATED PRESS
Light-heavyweight champion Archie Moore takes on Tiger Gene Thompson at Tucson, Ariz., in a non-title 10-rounder tonight and then will begin serious training for his title defense against Yolande Pompey in London, June 5.

At least, that's what Archie says. Moore, who now claims the vacant heavyweight title, too, has won seven straight tuneups since he was flattened by retired heavyweight champion Rocky Marciano on Sept. 21. In his last start Moore stopped Sonny Andres in the fourth round at Edmonton Thursday. The ancient gladiator's weight was announced at 190. He'll have to chop off 15 pounds for the Pompey clash. He has done that before, too, but it becomes more difficult with each passing day.

Cuba's Orlando Zulueta, who has been gallivanting around Europe recently, resumes action in the United States tonight in a television 10-rounder DuMont-TV 9 p. m. EST against young Johnny Busso of New York at New York's St. Nicholas Arena. Once a top-ranking lightweight contender, Zulueta hopes to fight his way back into the top 10. Zulueta's record is 56-26-6 kayos. Busso's record is 25-3-1 with 12 KO's.

Lightweight champion Wallace Bud Smith, who has been having his troubles lately, may run into some more Wednesday night when he meets rugged Joey Brown, New Orleans, in a non-title, radio-television ABC-TV, radio, 9 p. m., EST bout at Houston. Smith, of Cincinnati, was out-pointed by Larry Boardman and stopped by ex-welterweight champion Tony DeMarco in his last two fights. His record now is 32-14-5 with 18 knockouts. Brown, once a light-weight contender, has won four straight on his comeback. A good all-around fighter, he has a 58-14-8 record, including 25 kayos.

Head Man, No Regrets and High King likely will be starters Saturday regardless of their showing in the Trial. For the others it is "put up or shut up."

Needles will carry the silks of the D. and H Stable.

Two AC Sprinters Capable Of New World's Record

DES MOINES — Sophomore sprinters Dave Sime and Bobby Morrow of Abilene Christian are capable of cracking the world record of .09.3 in the 100-yard dash.

That is the opinion of Drake Relays Director Bob Karnes who watched Sime take the Drake record down to .09.4 in a sensational duel with Morrow in a cold rain and upon a water-logged track last Saturday.

They have the all the potential and I think both can do .09.3 or better," Karnes said, adding: "And I think, too, both Sime and Morrow will be U. S. representatives in the 1956 Olympics."

Baylor was a double winner in the university relays, taking the 440 and 880 events. Iowa, which had taken the sprint medley Friday, won the distance medley; Occidental was home first in the 2-mile; Missouri grabbed the high hurdle shuttle and Oklahoma A&M retained its mile championship.

Abilene Christian was the big winner in the college division. The Texans, with Morrow doing the anchor work, won the 440 and 880 and also was first in the mile.

Head Man, No Regrets and High King likely will be starters Saturday regardless of their showing in the Trial. For the others it is "put up or shut up."

Needles will carry the silks of the D. and H Stable.

CLAIM HEAVYWEIGHT CROWN

READING ACCOUNT OF Rocky Marciano's retirement, Archie Moore, light-heavyweight champion, claims title and "the line forms on the left for contenders." Moore leaves Los Angeles to defend his title in England. (International)

Underrated Outfielder, Wally Post Is A Slugger to Watch

The Associated Press
Attention Ted Kluszewski, if you don't get back in that Cincinnati lineup and start swinging that home run bat at a \$40,000-a-year pace, Wally Post is going to be grabbing the heavy sugar.

Post, a farm boy from St. Henry Ohio, is a vastly underrated slugger who can hit a ball as far as anybody.

They dug into the record books at Cincinnati yesterday when the 26-year-old outfielder hit four home runs as the Redlegs swept a double-header from Chicago 5-4 and 8-4. Only one man, Stan Musial of the St. Louis Cardinals on May 2, 1954, ever hit more. Stan set the record of five.

Post also hit one Saturday to make it five in three consecutive games, also one short of the major leagues record of six held by Tony Lazzeri, Gus Zernial and Ralph Kiner (twice).

With the help of Post's slugging, Manager Birdie Tebbetts' Redlegs finally climbed up to the .500 mark in the won-and-lost column after a sad start.

Ed Bailey and Frank Robinson joined Post's homer party and Harry Chitt, Ernie Banks and Jim King hit home runs for the losing Cubs.

Brooklyn's double defeat by Pittsburgh, 10-1 and 11-3, dropped the world champions out of the National League lead. Milwaukee, idle for seven straight days, took over on percentage basis.

Bob Friend and Nelson King, coming to the relief of Vern Law, did the job on the Dodgers, who saw Don Drysdale, their 19-year-old rookie, and sore-armed Billy Loes knocked from the box.

Jackie Robinson and Duke Snider were injured in the first game but they are not regarded as serious casualties. The thing that hurt Dodger Manager Walter Alton most was the comparison between this year's 7-4 record and last year's 13-2 on the same date.

Jack Shepard, who hit two homers all last season, hit two in the first game for the Pirates. Frank Thomas and Law also homered for the winners and Robinson and Roy Campanella for the Brooks.

Ramon Montant, 23-year-old New York Giants right-hander, turned in one of the season's best pitched games, a one-hitter against Phila-

delphia. A first-inning single by Del Ennis that drove in a run was the only hit.

The Phillies topped the Giants in the first game of the twin bill 5-4. Relief pitcher Jack Meyer won it in the 10th with his first major league home run after pinch hitter George Wilson of the Giants tied the score in the ninth. Andy Seminick had put the Phils out front in the top of the ninth.

Rain, wet grounds and cold postponed double-headers between St. Louis and Milwaukee and Chicago and Kansas City, and a single game between the New York Yankees and Boston.

Herb Score made the headlines the hard way, for the second time this season, by losing a 1-0 game. The Cleveland lefty struck out 13 Detroit Tigers and allowed only three hits, but one of the hits was a homer by Bill Tuttle in the 10th inning. Score had lost a 1-0 game to Chicago 10 days ago. Billy Pierce beat him then. Yesterday it was Billy Hoelt.

CARLSBAD — Adair Gossett, former mayor of Carlsbad, has been named chairman of a newly formed "Montoya For Lieutenant Governor Club." Officials said that some 100 business, professional, and labor people have already joined the organization.

Sole Battle In High School Track Is For Second Place

By The Associated Press
It looks like, as usual, the only real fight going on in the state high school track meet will be the battle for second place.

There are several squads capable of taking that position — but finding one of the same caliber as the mighty Highland Hornets is something of a different matter.

Highland has won four state track titles in a row, and Hugh Hackett's squad this year called by many the greatest he has produced, looks like a shoo-in for an unprecedented fifth straight title.

The Hornets, unbeaten in 39 straight meets, last weekend came up with the Dist. 1-A title with an astounding 148 13-14 points, winning 14 of the 17 events. In all, Highland qualified 26 individuals and four relay teams for the state meet—the largest team to be entered.

Albuquerque High, expected to be one of the top-most contenders for the No. 2 position in the state meet, finished well behind Highland in second place in the 1-A event, running up 55 1/7 points.

Other district winners were Carlsbad in 4-A, Santa Fe in 2-A and Las Cruces in 3-A. The district meets, qualifying rounds for the state meet, all were held last weekend.

All three district champions should rate chances for the No. 2 spot in the state meet, with Hobbs runnerup to Carlsbad in the 4-A meet at Roswell, also figuring in on the fight. None of the teams, however, entertain any serious thoughts of outdistancing Highland. In various meets through the season, Highland has beaten all of them by very convincing margins.

And, just to show what they're capable of doing, the Hornets in the district meet broke five district records and tied two more.

One of the new marks bettered an existing state record. Monte Doyle leaped 12 feet 9 inches in the pole vault, seven and a half inches better than the state mark. Another record better than any ever before recorded in the state was set by Albuquerque's Ronnie Morrison with a heave of 123 feet 4 1/2 inches in the pavelin throw.

Highland's biggest point-getter however, was sprinter Bob Crandall. He won three firsts and ran on two winning relay teams. His individual battle with Charley Pettes of Las Cruces shapes up as one of the highlights of the state meet.

Pettes also took three first place and ran on two winning relay teams in sparking Las Cruces to its district title in the meet at Silver City. Las Cruces piled up 75 points, followed by Silver City with 46 and Alamogordo with 31.

The 4-A meet at Roswell was probably the closest and most well-balanced affair of the weekend. Carlsbad took the title with 63 1/2 points, followed by Hobbs 53 1/2, Roswell 46 1/2, Clovis 36, Lovington 30 and Portales 25 1/2.

Santa Fe looked impressive in taking 99 5/8 points in the 2-A event. Santa Fe was followed by Tucumcari with 75 1/3 and Las Vegas with 70 1/8.

Littler, winner last year, went into the final round with a 5-stroke bulge over Carl Middlecoff. At the windup Gene's 71 for 281 was 4 strokes in front of Middlecoff's 70 for 285.

The final duet over the sun-baked Desler Inn Country Club course was a rousing one in the early stages, when Middlecoff pulled up to only 2 strokes behind Littler on the seventh hole.

But Littler's putter made up for his tee-to-green game. A 19-foot pressure putt for a par on the ninth, and much of the same type of play in the run for home, won the tournament.

Out of the \$38,500 purse, Littler too, for the second straight year, collected \$10,000.

Singer Frankie Laine cashed in. He bought Littler in the legal auction in midweek. He paid \$12,500 and then, as last year, sold third shares to two friends, Don Frankel of Los Angeles and Chauncey Needham of San Francisco.

Their share from the total auction pool of \$192,000 was \$69,120. Yesterday's featured threesome included Littler, Cary and Gardner Dickinson Jr. Dickinson was very much in line for third-place money, possibly even second, until he got into bunker trouble on the 15th hole and yielded to an enormous 8.

If Men Talked More, Might Live Longer

By HAL BOYLE
NEW YORK — "Would American men, if they talked as much as American women, also live as long, too?"

Dr. Ira M. Altshuler, a Detroit psychiatrist, at least sees this as a possibility.

He has a theory that the big silent male, but keeping his trap shut too much, bottles up his latent hostilities and vexations. But the little lady, when she riles up, gets it out of her system pronto via her vocal cords. She talks herself calm.

Dr. Altshuler, who may fail to emerge as the average American woman's No. 1 pinup hero of the year, also leans to the view men shorten their lives by working too hard to keep their wives happy.

He points out that the average wife "can rest when she chooses." He says household gadgets and the supermarket have made her life "one long day of leisure."

As a longtime defender of the modern woman, I can't ride all the way with Dr. Altshuler.

There certainly is a great deal of truth in his observation that housewives know the art of resting better than their husbands.

They are never more than 30 paces from a couch or sofa at home and all day long, in between chores, they flop down, stretch out for a few quick moments and take life's load off their minds as well as their feet.

If men had half as much sense, they'd run their life at the office

Probably To Become Issue

Although the new truck law enacted by the last legislature and permitting heavier loaded trucks to travel state highways had already been injected into the present political campaign indications are it will receive more attention now.

The Supreme Court has ruled the law is not subject to referendum and that the legislature acted with the powers delegated to it when the law was passed.

This means efforts by a strong group to bring the matter to a vote of the people can not be carried out.

But there have been strong arguments against the law ever since it was adopted. It was admitted at that time that New Mexico is one of few states with a law permitting as heavy truck load to be carried on our highways as is carried today.

The theory, so the arguments stated, is that with New Mexico adopting such a law other states are expected to do the same thing.

Where there will be a determined effort to have the law repealed by the next legislature remains to be seen. There is every indication the fight against the law will be continued.

Efforts have been made to bring the fight down to between the truckers and the railroads. The chances are the movement to secure the passage of the law was prompted by the truckers and without a doubt the railroads are battling the law now it has been approved.

The public, of course, is in the middle of the situation paying high freight rates whether they use the trucks or the railroads.

However, the public doesn't help pay for the road beds or the rails on which the railroads travel and they definitely help pay for the highways on which the trucks travel.

And although there may be a lot of arguments advanced there are many more cars—meaning more gasoline tax is paid by the more car operators—than there are trucks on the highway.

In the meanwhile, however, it will be interesting to note just what does happen and how much this particular issue—the law permitting increased truck loads on the highways—is injected into the election and how much of an issue it becomes.

The public, of course, will continue to be vitally interested in the outcome.

Remember When...

50 years ago
Mr. Stuart, of the firm of Stuart & Carberry, bought a high grade run-about at the New York Store a few days since, to which he will work his fine \$300.00 horse he is expecting in from Big Spring, Texas, tomorrow.

—
Rev. J. H. Messer has been appointed to preach the missionary sermon at the M. E. conference which meets in May.

—
W. Pendergrass, recently a merchant at Weed, has moved his family to Artesia and has opened a dry goods, shoe and racket store just east of the Baskin stone house on Main street.

20 years ago
E. B. Bullock is making plans to erect a one-story brick building on the site of the old Bullock warehouse at the corner of Main and First sts.

Mrs. Wallace Gates complimented at her home Tuesday afternoon with a lovely buffet luncheon with 16 guests in attendance. Mrs. John E. Cochran, Jr., was co-hostess.

George Favors—

(Continued From Page One)
for the fiscal year starting July 1. Chairman Richards (D-SC) of the House Foreign Affairs Committee said he favors marking time on the program on the possibility the administration may offer drastic changes. And George has announced his opposition to American aid for building Egypt's big Aswan Dam project, one of the proposals involved in the administration's long-range foreign aid program.

Dulles said the estimated cost of military and defense support in the coming fiscal year for South Korea, Nationalist China, Viet Nam, the Philippines, Thailand and Japan is in the neighborhood of 1 1/2 billion dollars.

Flare-Up—

(Continued From Page One)
near the Gaza Strip. The farmer rode toward the Egyptians on horseback and was attacked, he said.

Egypt said the man, carrying revolver and grenades, had attacked Egyptian soldiers and farmers inside the Gaza Strip.

Hammarskjold conferred last night in Cairo with Egyptian Premier Gamal Abdel Nasser and other officials. They reportedly discussed ways to prevent border friction.

Egypt and Israel have agreed to a cease-fire. Israel's three other Arab neighbors—Syria, Jordan, and Lebanon—have given tentative cease-fire pledges but Hammarskjold is awaiting final assurances from them.

Hammarskjold in the closing stages of his mission was reported seeking a withdrawal of Israeli and Egyptian forces from immediate contact and freedom of movement along the frontier for an enlarged taff of U.N. truce observers.

Russians—

(Continued From Page One)
States and we shall do everything in that direction."

In a speech to the American Society of Newspaper Editors on April 21, President Eisenhower said a Soviet government genuinely devoted to the legitimate interests of the Russian nation "can have friendly relations with the United States and the free world for the asking."

Khrushchev followed Bulganin to the flag-decked speakers' rostrum at Moscow's military airport, where the radio said, tens of thousands of persons applauded them in warm spring weather.

The two flew to Moscow from Kaliningrad, the former German city of Königsberg. They had departed there from the Soviet cruiser Ordzhonikidze, which had brought them from Portsmouth.

Khrushchev's avowal of a desire for good relations with the United States seemed a hint that he and Bulganin would accept an invitation to visit there.

listed as a "conspiracy leader." Informants have linked him with groups loyal to Prior Socarras.

Girl Scouts To Handle Benefit Sale

The Artesia Girl Scouts are to handle the Generals Mills Benefit sale this year. In the past this sale has been handled by the Band Aides. However, since the Band Aides have their program planned for the rest of the year, the Girl Scouts are taking advantage of the opportunity to conduct the sale.

Beginning today, and last all week, the Artesia Girl Scouts will receive a profit from all sales of the company's products.

This profit will be used by the Artesia Girl Scouts for camperships for both Camp Mary White and Day Camp, also, for improving the Artesia Campsite.

The sale will be handled by adult workers, however, each adult may have a girl scout assisting her. Even though the sale starts today the women will be in the stores only on Wednesday, Friday and Saturday.

The grocery stores participating and chairmen of each store are as follows:

A & D Grocery, Mrs. Allen Daniels; Aaron Grocery & Market, Mrs. Hugh Parry; Gillespie Food Store, Mrs. T. E. Vandiver; H & J Food Basket No. 1, Mrs. Carl McAnally; H & J Food Basket No. 2, Mrs. Charles A. Shaid; Nelson's Super Market, Mrs. Thad Cox; Safeway, Mrs. S. A. Davis; Park Jan Grocery, Mrs. James Drew; and Yeager Grocery, Mrs. R. N. Russell.

San Antonio—

(Continued From Page One)
Police said they do not know what will happen to the charges against Cook and Parks.

Houston Police Lt. A. C. Martindale said "Hicks strictly had nothing to do with this robbery."

Judge—

(Continued from Page One)
Judge Ellicott found Hutson guilty as charged and fined him \$25. Testimony indicated that Hutson was at fault and that Miss Johnson had no recourse but to attempt to get away. She was found innocent of the charge and her bond refunded.

In Justice of the Peace Court, Judge Ellicott levied fines of \$25 against Charles Lindberg Fowler, 28, of Roswell, and Denson Parnell, 26, registered at a local motel on a charge of disorderly conduct as the result of a fight at the Ranch House Saturday evening. A \$25 bond of Doyle L. Parnell, Ft. Bliss, Tex., a third party involved in the disturbance, was declared forfeit when he failed to appear for a hearing.

Diagram—

(Continued from Page One)
utes after he signed a typewritten statement admitting he sabotaged the airliner.

The United Air Lines DC6B exploded last Nov. 1 near Longmont, Colo., shortly after leaving Denver. Graham's written confession—which he has repudiated—said he stuffed the 25-stick dynamite bomb in his mother's suitcase before it was stored on the plane.

Wagner said the four drawings were:

1. A sketch of the two caps and wires which set off the bomb. Wagner said Graham described the wires as yellow in color and the caps a shiny copper or brass color.

2. A diagram of the six-volt hot-shot battery which was the source of electric current to detonate the bomb. Graham said it was painted black and had a slogan on it.

3. A drawing of the timing device which set off the bomb 90 minutes after it was started. It was described as 2 1/2 inches square with a round circular dial and black in color.

4. An outline of the stick of dynamite about eight or nine inches long, one inch around and wrapped in light brown colored paper.

Wagner's testimony emphasized that the wire on the dynamite caps was yellow colored. The prosecution has introduced a 20-inch length of yellow-colored wire which FBI agents said they found in a shirt of Graham's during a search of his residence.

Introduction of the diagrams came after Wagner told of talking with Graham about a mysterious "Karil," who Graham called an accomplice in the case. Wagner said Graham claimed "Karil" gave him most of the technical help needed in assembling the bomb.

Eskimo Thinks For Sure "He Longer Highest Miles Travel"

Editor's Note—Asagook Chester Seveck, a Kotzebue, Alaska, Eskimo, came to the United States from his home above the Arctic Circle as a guest of the Alaska Visitors' Assn. to publicize the territory. A reindeer herder in the winter, he is a summer tour guide. In the following article he tells of his impressions.

By Asagook Chester Seveck
Written for The AP

SEATTLE (AP) — On March 2, 1956, I started by airplane from Kotzebue, Alaska (Small Place). I stop in Fairbanks, Alaska, overnight and in Eeatle to Los Angeles.

I'm surprised and see many many strange things, many peoples different kind of color and talk different languages. To many cars running and go different direction.

I keep open my two eyes always and watching myself very careful. Good country. Easy life but it make me lazy man. I don't have to warm up the water when I take a bath. I don't have to fix my bed, I don't have to sweep the floor, I don't have to use step up and down, I use elevator.

Good country, good food, good home, big houses, clean. The stuffs selling very cheap, easy life I got money in my pocket, \$5

no work no eat and very hard life as poor Alaska Eskimo. Every day go to different radio television stations. We walking day by day. My mukluk fur lined boots hoies already walking on cement and rock street.

Also we go to Mexico. The people in Mexico look like Eskimo, but they trying sale the things in every where in the street, many, many people trying my mukluk everypaces we walk in the street. The worst part is two girls following me about three long blocks to trying to buy mukluk they from \$15.00 to \$25.00.

Then we started homeward 16 of April and reach San Francisco. On 25th we come to Seattle. The most I don in my trip, walking, Eskimo dancing, answering the question about the Alaska how cold and how much hot in summer time, Eskimo life.

The important part I do is to see live animals. I shake hand a live seal I never did in my country. Also almost I lost my hand, I hold a fish in my hand to let the shark-while see them from the water. A pretty girl hold me with her arm around my neck, I may forget my holding a fish in my hand.

I may looking and thinking over that pretty girl, and then a sharp jump about eight feet took my

Thompson's—

(Continued from Page One)

or arbitrarily in firing Thompson. There were indications that they favored a full scale probe along the lines asked by Zinn. However, there was no immediate vote and Judge Botts indicated the commission would get a chance to go on record when the proper time came in presentation of Zinn's case. He then had Zinn proceed to read Thompson's answer in which Thompson denied Pickens' allegations of disloyalty and insubordination.

The start of the hearing was delayed nearly an hour while the commission met privately in Pickens' office.

fish from my hand and splash water all over my clothes. I hold just the tail of a fish in my hand and the pretty girl go right away after I get wet my clothes and lost my fish.

This trip I learn more how to live right. I should talk and plan first with my business neighbors or my friend before we start to build some thing to make better and to make easier job quick done and build well.

All my life I enjoyed and like to travel and working. I think I am highest longer miles travel than anybody in Alaska.

Personnel experts say the best salesman are not the best talkers but the best listeners.

LOST SCOUTS HAPPY
SHERIDAN, Wyo. (AP) — Each year, a group of Explorer Scouts gets lost in the Big Horn Mountains. They do it intentionally.

Escorted by skilled supervisors the scouts take only the basic needs for survival, and leave prepared foods behind. They forage for food, build rabbit snares and peel bark which they boil into soup. After two or three days of survival training, the scouts are led to safety by their supervisors.

The idea is to simulate emergency encies common to this rugged area.

POLITICAL EDUCATION

RICHMOND, Va., (AP)—Electioneering on municipal property during working hours is forbidden by the city of Richmond. So William Chewing Jr., 10, was told to assist from distributing campaign cards for his father, a candidate for City Council during class hours at Mary Munford School.

HOPKINSVILLE, Ky., (AP)—A car driven by John Browder, wrecked a bridge instead of vice versa. The auto hit the side of a span and the railing along one side fell into a creek. Browder wasn't hurt and the car was not damaged, except for a blowout.

Know YOUR Schools

By Jo Connell

DID YOU KNOW that physical education in the grade school starts with learning and practicing simple health rules?

The first-grade teacher begins the school physical education program by teaching her pupils the importance of good health habits such as eating properly, resting regularly, exercising the whole body and practicing rules of cleanliness. In group games such as Three Deep, Flying Dutchmen, Drop the Handkerchief, Cat and Mouse and London Bridge children not only have an opportunity for physical exercise but learn to play together harmoniously, thus gaining social experience. Free play on the school ground affords similar experiences.

As children advance through elementary school, they learn more about the reasons behind good health habits. They learn the meaning of good health and make a more comprehensive study of how it can be maintained.

Through the six years of grade school, pupils develop greater coordination and physical skills. Competitive team sports become important. In the primary grades pupils enjoy mixed group games. As they reach upper elementary level, students gradually turn to sports and games for divided groups, having boys and girls playing separately.

Recognizing the importance of training our students in proper care of the body, the Artesia school administration is giving much thought and consideration to the need for employing one or more teachers specially trained for directing physical education on the elementary school level. Already we have two art teachers and four music teachers for directing these

programs in our grade schools. It is not the aim of the administration to neglect any phase of the program set up for educating the whole child. The administration will advocate the hiring of a physical education teacher for the grade school if this seems best for the children's public school educational program.

Freedom—

(Continued From Page One)
The Cabinets' move to suspend guarantees went into immediate effect. The action must be confirmed by Congress, but approval appeared certain.

The suspended guarantees are freedom of assembly, inviolability of mail and freedom of speech and of the press.

Under the decree, the government also is empowered to hold arrested persons incommunicado as long as it desires.

A government account of the revolt said the rebels, "heavily armed with machine guns, rifles, carbines and grenades," tried to seize the Domingo Goicuria base.

Gen. Pilar Garcia, military commander at Matanzas, reported the battle was over in three hours, except for the mop-up.

"The attackers were exterminated at the side of their machine guns," he said.

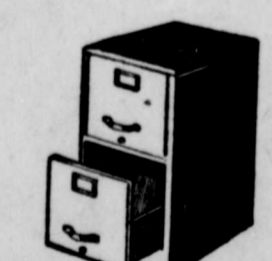

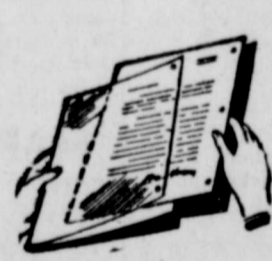

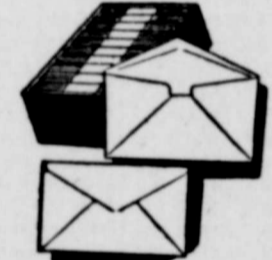

Garcia said the raiders, wearing blue shirts and gray pants similar to army uniforms, rode up to the base in six trucks stolen from a mining concern. Guards opened fire when they tried to break in. Garcia said none of the raiders got into the base.

Among the rebels slain was Reinel Garcia, whom police had

LEGAL NOTICES

NOTICE OF PUBLICATION STATE OF NEW MEXICO OIL CONSERVATION COMMISSION, SANTA FE—NEW MEXICO

The State of New Mexico by its Oil Conservation Commission hereby gives notice pursuant to law and the Rules and Regulations of said Commission promulgated thereunder of the following public hearings to be held at 9 o'clock a.m. on May 16, 1956, Mabry Hall, State Capitol, Santa Fe, New Mexico.

STATE OF NEW MEXICO TO: All named parties and persons having any right, title, interest or claim in the following cases, and notice to the public. (Note: All land descriptions herein refer to the New Mexico Principal Meridian, whether or not so stated.)

CASE 1068: In the matter of the application of the Oil Conservation Commission upon its own motion for an order requiring the various oil well cementing service companies to report monthly on all cementing operations performed in the State of New Mexico. Applicant, if the above-styled cause, seeks an order requiring a monthly report to be filed by every service company involved in the cementing of oil wells in the State of New Mexico. Such report would be as complete as is practical, and would include all pertinent information dealing with each individual cementing job performed by the reporting company.

CASE 1070: In the matter of the application of the Oil Conservation Commission of New Mexico upon its own motion for an order for the creation of new pools and the extension of existing pools in Lea, Chavez and Eddy Counties, New Mexico, and giving notice to all persons and parties interested in the subject matter thereof to appear and show cause why such extensions and creations should not be made.

(a) Create a new pool in Lea County, New Mexico, classified as an oil pool for Devonian production, designated as the North Gladiola-Devonian Pool, and described as:

Township 12 South, Range 38 East Section 6: NE/4 and such other contiguous lands as may properly be included therein as supported by proper testimony and recommendations adduced at said hearing.

(b) Extend the Blinbery Oil Pool in Lea County, New Mexico, to include therein:

Township 12 South, Range 38 East, Section 29: NE/4 and such other contiguous lands as may properly be included therein as supported by proper testimony and recommendations adduced at said hearing.

(c) Extend the Caprock - Queen Pool in Chavez County, New Mexico, to include therein:

Township 13 South, Range 32 East, Section 31: W/2 W/2
Township 14 South, Range 31 East, Section 29: E/2 NE/4 and such other contiguous lands as may properly be included therein as supported by proper testimony and recommendations adduced at said hearing.

(d) Extend the Grayburg-Keely Pool in Eddy County, New Mexico, to include therein:

Township 17 South, Range 29 East, Section 23: NW/4 and such other contiguous lands as may properly be included therein as supported by proper testimony and recommendations adduced at said hearing.

(e) Extend the Terry-Blinbery Pool in Lea County, New Mexico, to include therein:

Township 20 South, Range 38 East, Section 34: NW/4 and such other contiguous lands as may properly be included therein as supported by proper testimony and recommendations adduced at said hearing.

(f) Extend the Townsend-Wolfcamp Pool in Lea County, New Mexico, to include therein:

Township 15 South, Range 34 East, Section 36: N/2 & N/2 S/2
Township 15 South, Range 35 East, Section 31: S/2 S/2 and such other contiguous lands as may properly be included therein as supported by proper testimony and recommendations adduced at said hearing.

GIVEN under the seal of the New Mexico Oil Conservation Commission at Santa Fe, New Mexico, this 27th day of April, 1956.

STATE OF NEW MEXICO OIL CONSERVATION COMMISSION
A. L. PORTER, JR., SECRETARY
S E A L

Pool in Lea County, New Mexico, to include therein:

PIGEON PROOF

BALTIMORE (AP)—While hundreds of pigeons continue to harass Baltimore's War Memorial Plaza, the People's Court Building remains birdless as it has been for years.

Associate Judge William T. Tippet Jr., says he suggested that cornices of the building be constructed in such a way as to be uncomfortable for pigeons. It was greeted with smiles from all except the architect, the late James R. Edmunds.

He liked the idea and designed the cornices at a steep slant to discourage roosting. Hence, the building remains unfeathered, the judge explained.

Free world production of nickel was 427,000,000 pounds in 1954.

NEWLYWEDS HONEYMOON ON ROYAL YACHT

DAILY WAVING from deck of royal yacht, Monaco's Prince Rainier and bride, Film Star Grace Kelly, start Mediterranean honeymoon after marriage. (International)

EDUCATION

(AP)—Election of property due is forbidden by law. So William was told to stop putting campaign signs along one side of the road. William was not damaged.

HOW many different vegetables or edible herbs can you spell out with the letters given above?

REVELATIONS OF A WIFE

CAN you be the detective and solve this crime from the information given? Read the story over once. It shouldn't take more than a minute or two.

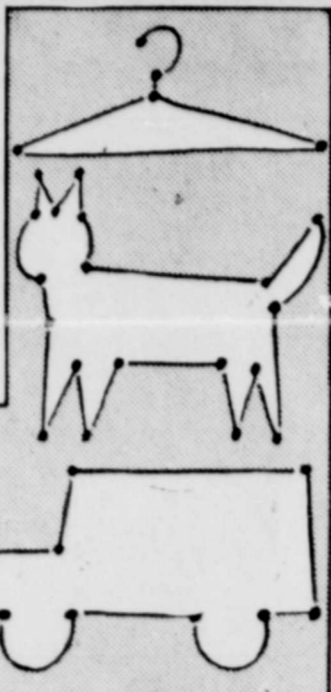

Dots and Dashes

DOTS and dashes form amusing doodles that can be turned into an interesting game. Here's how: Materials: A large piece of paper; pencils for participants.

Brain Teaser

TO SAVE money for his vacation, Carlos decided to cut down on the number of cigarettes he smoked daily.

Street Wise?

- A NUMBER of world-famous streets are listed below. Can you identify the cities in which they are found? 1. Fifth Avenue: _____

Puzzles and Pastimes

It's Sporting of You to Try

IT LOOKS don't lie, 'tis said, but how often they deceive! This test is an example. Solve it as you would a crossword puzzle, inserting letters instead of numbers.

- ACROSS 1. In what year B. C. was Christ born? 2. 1/2 of this number plus 1/4 of it is equal to 9.

- DOWN 1. How many leap years between 1927 and 1941? 2. Double and redouble 409.

PIONEERING SUITS THIS LAD

NOTHING would suit the young man at right better than to be a pioneer. How quickly can you comply with his wishes?

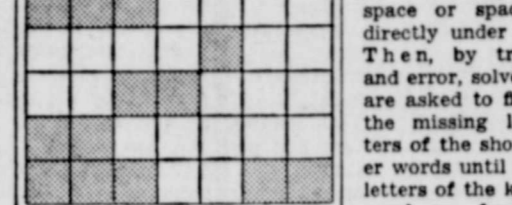

Helping Yourself

BRIEF REPORTS on select new books of interest to the craftsmen, hobbyists and collectors. Selected by Clark Kinnaird.

Fun With Thought Blox

THOSE who easily perspire may have difficulty with Thought-Blox. In these tests you may find yourself ever so close to the answer, but still some distance away.

description of the intruder. She became so tangled that she bursted out a story of justifiable homicide prompted by her late husband's extreme brutality.

ANSWER ME THIS WHICH is longer, a day on the moon or a day on earth?

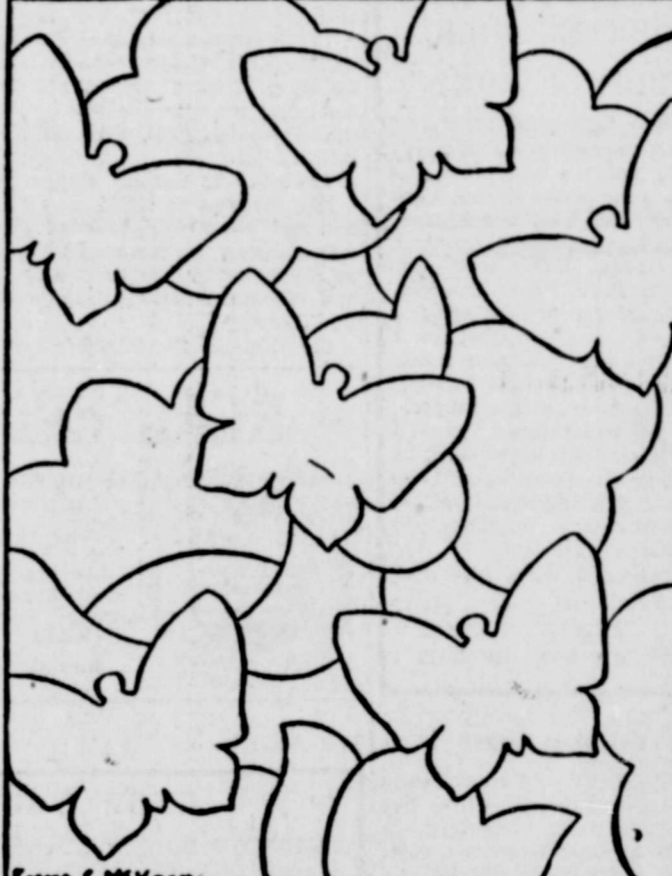

TRAVELING 'ROUND IN CIRCLES

SHARPENING your pencil will help, but you must also sharpen your wits to solve this labyrinthine problem without difficulty. It is a tricky creation because it keeps your eye going 'round and 'round.

Patch-Work

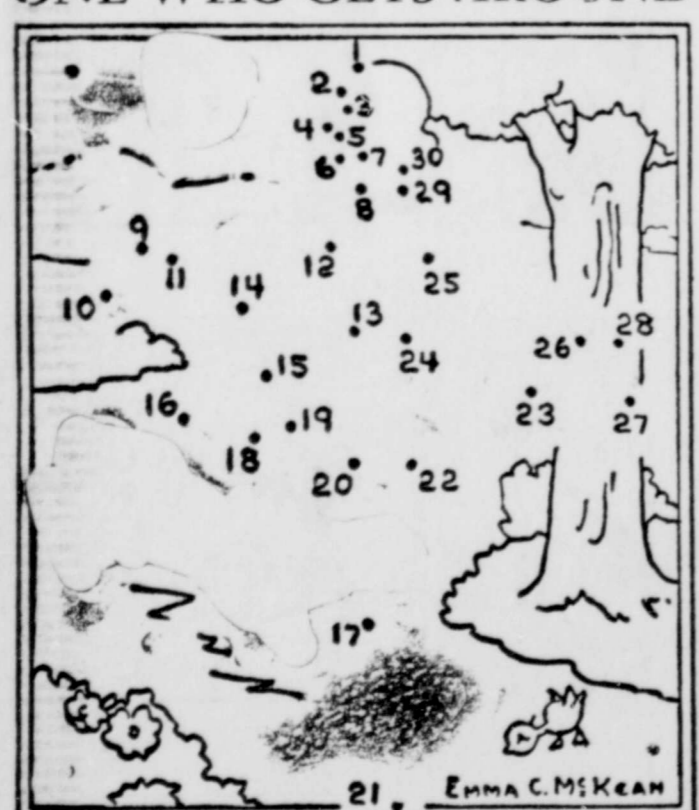

GRANDMA has patches of three colors. She wants to work out this butterfly design so that no two adjoining segments are of the same color.

Riddles

WHAT can you name that continually devours itself in order to keep going?

ONE WHO GETS AROUND

WARM summer days may make you want to lie under a tree and rest. Then again, they may affect you in the manner displayed above by the person whose figure is outlined in the drawing.

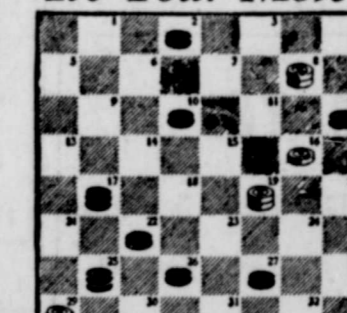

QUIZ CROSSWORD With Wisdom From the Bible

- By Eugene Sheffer HORIZONTAL 1-Samuel killed him (1 Sam. 15:33) 2-Mineral vein.

Figure It Out

INSERT the necessary sign or signs amongst the figures below to make the equation correct. 9 8 8 1 5 4 = 7

It's Your Move

By Millard Hopper IF THERE'S safety in numbers, you can't prove it here. Problem: White checkers to move and win in three moves.

Ike Picked His Way Gingerly On Nixon Issue

By JAMES MARLOW Associated Press News Analysis WASHINGTON (AP)—When a politician climbs the ladder to the top, it's a long time to jump off. So Vice President Nixon's announcement that he would not run for president in 1968 was less than a surprise.

What else would he want to do? He's not only a politician but an ambitious one, as his record shows. He made it in a big way six years: first elected to Congress in 1946, to the Senate in 1950, to the vice presidency in 1952.

And if they both are elected live out their term, Nixon has a good chance for the public presidential nomination in 1960. It seemed only a matter of time before he said he'd like to be Eisenhower's running mate again.

The time element was interesting in itself. Eisenhower has been the question of Nixon's candidacy under the nation's political thumb. No announcement was made on the temperature looked normal.

Nixon has a knack for dropping people either like him or opposing him. Almost everyone seems to like Eisenhower.

Science Finds 'Fifth Disease' In Children

By ALTON L. BLAKESLEE AP Science Reporter HOUSTON, Tex. (AP)—Doctors of the virus causing a "fifth disease" in children was reported today to the Society of American Bacteriologists.
