## Holy Week to be Observed at First United Methodist Church

A traditional belief in the Methodist Church is that one cannot experience the true joy of the resurrection of Jesus without also experiencing the depth of the pain he suffered in death on the cross. The time known as Holy Week begins on Palm Sunday (March 29) with Jesus' triumphant entry into Jerusalem to participate in the Passover with his disciples. Maundy Thursday commemorates the last supper that Jesus served to his close followers. Good Friday is the somber acknowledgment of his crucifixion. Then comes the glorious Easter morning celebration of Christ overcoming death and arising from the grave. Palm Sunday will be celebrated with the younger members waving the symbolic palm leaves as they progress down the aisle to begin the regular 10:45 worship service. Both the Maundy Thursday communion service and the Good Friday services will be at 6:00 p.m. in the church

Cross Plains High School Band

Cross Plains 6th Grade Band

## Cross Plains 6th Grade and High School Bands Receives Superior Ratings

The 6th Grade Band and the High School Band attended the annual Cisco College Music Festival on Wednesday, March 25 in Cisco. Each band performed three pieces for the judges. The 6th Grade's pieces included Centurions, Dojo, and Air of Nobility. The 6th Grade made three ones, or a superior rating from the judges. The High School Band performed three pieces as well for the judges. Their music included Onward and Upward, Dance Celebration, and Majestica. The High School received three ones or a superior rating as well. Both groups of kids did an exceptional job and represented Cross Plains well! I am so proud of the hard work these kids have put in this year! Congratulations to both groups you did an exceptional job!

## Cross Plains VFD Fish Fry Friday April 10th

Friday, April 10th is the date for the Cross Plains Volunteer Fire Department's Annual Fish Fry. Serving starts at 5 p.m. You'll get fried fish (or chicken), beans, coleslaw, French fries, onion rings, hushpuppies, peach cobbler and iced tea — all for only \$8.00 for adults, \$5.00 for children under 12. The first 90 people through the serving line will get Blue Bell ice cream to go with their cobbler. The dinner will be held at the First Baptist Church Family Life Center. Take out dinners are available. Stop by on your way home from work. Local Cross Plains firefighters

will be cooking the dinner, frying the fish and preparing the fixings for this fundraiser. Proceeds from the evening will go toward completing the new firehouse. While the CPVFD has moved into the new firehouse, there are still many parts of the building that need to be completed including plumbing, cabinets, flooring, tables and chairs. If you'd like to help out the Cross Plains VFD, but won't be able to make it to the Fish Fry, you can send a donation to: CPVFD, P.O. Box 339, Cross Plains, Texas 76443. Your donation and support is greatly appreciated.

## Callahan County 4-H Shotgun Team Competes at the San Angelo Junior Shoot-Out

Members of the Callahan County 4-H shotgun team recently participated in the San Angelo Rodeo Junior Shoot-Out on March 20 & 21. This event was held in conjunction with the San Angelo Stock Show & Rodeo and was open to 4-H and FFA members at the San Angelo Claybird Association gun range. Competition consisted of a 50-bird trap event, two 50-bird whiz-bang events and a 100-bird sporting clays event. Those competing from Callahan County 4-H were Colton Bradley, Brandon Hobbs, Will Meier and Ted Pitzer. Also competing were fellow shotgun team members Matt Jacob and Megan Jacob from Runnels County and Cory Hays from Stonewall County.

Over \$20,000 in prizes and cash awards were presented to top shooters in four age groups in each event. The two day contest proved a challenge as San Angelo experienced some very unusual but much needed rainfall. However, this did not stop the shooting. After a slight delay the first morning, shooting began and continued until

Saturday afternoon with most contestants shooting all their events in the rain. Local youth placing in the Shoot-Out were Brandon Hobbs and Ted Pitzer, both competing in the Senior 2 age division. Brandon Hobbs' trap score qualified him for a 4th place tie-breaking shoot-off. He won the shoot-off and was presented a 4th place medal. Ted Pitzer's trap score qualified him for a 2nd place tie-breaking shoot-off. Still tied after the initial shoot-off, an additional tie-breaker was held and Ted ended up 3rd. He was presented with a 3rd place medal and a cash prize.

The Callahan County 4-H shotgun team will be hosting a novice shotgun shoot at our range on Saturday, April 11. This is our third year to host this special shoot designed for first-year shooters with less than 300 targets in competition. It is designed to be a slower-paced learning experience with focus on shooter safety. We welcome everyone to come out and watch these youngsters learn how fun shooting clay targets can be!

## Cross Plains High School Academic UIL District Champs

Cross Plains students competed against Rising Star, Eula, Baird, May, and Moran this past Thursday to win their third consecutive Academic UIL Championship with a total of 718 points. Cross Plains won most of the team events and was also the overall Speech and Journalism Champions. Students placing in the top three in their event and top teams will be traveling to San Angelo to represent Cross Plains and compete in the Regional Academic Meet on Saturday, April 25<sup>th</sup> in hopes of making it to the State Academic Meet in Austin, Texas.

Cross Plains teachers and students have worked hard to take at least one student to the State Academic Meet for the past five years. We will be taking over 30 students to the Regional Meet in San Angelo and hope to need a bus as well to travel to Austin, Texas in May. Congratulations to all students and coaches for a job well done and a special thanks to all who helped make the meet such a huge success!

**Buffaloes Baseball vs. Goldthwaite**

The Cross Plains Buffaloes played Goldthwaite on Thursday, March 26. They played a tough game, keeping the score close. At the end of the 4th the Buffs were down 7-3. The buff's came back 8-7 at the end of the 5th. The Buffs played hard but came up short in the end. The final score was 10-8.

## Heart to Heart Ministry Collection at Old Firehouse Saturday April 11th

There will be a collection of cleaning supplies for Heart to Heart Ministries on Saturday April 11th, 10:00am-4:00pm, at The Old Firehouse on North First Street in Clyde. Heart to Heart ministers to families and individuals in Callahan County that need a helping hand from time to time.

During times of financial need cleaning supplies are often difficult for families to obtain. However, having a clean environment is an important part of providing for children and families. Children are able to function better in school and social events when they have the advantage of a clean environment at home. Families are healthier in a clean environment.

Each one that brings cleaning supplies to donate is entered into a drawing for a gift basket provided by the vendors of The Market at Clyde. This will be a very nice gift and varies from month to month, depending on what the vendors place in the basket.

To learn more about the donation of cleaning supplies for Heart to Heart Ministries contact Vivian Smith 325-893-5459.

## Lady Buffs Softball vs. Richland Springs

The varsity girls softball team played Richland Springs in Richland Springs this past Tuesday. The Lady Buffs played as a team and worked hard to keep the score close. The game was tied going into the sixth inning with a score of 7-7. The Lady Buffs managed to score one more point before the seventh inning started with a score of 8-7. The Lady Buffs stayed strong to keep ahead, but Richland Springs ended up scoring in the seventh inning making the score at the end of the game be 9-8.

Lady Buff Hannah Cowan

## Lady Buffs vs. DeLeon

The Lady Buffs this past Friday played DeLeon in Cross Plains. They had a tough loss, and the game ended earlier than the Lady Buffs expected. They lost in the 5th inning with the score being 15-5. The Lady Buffs are shaking that game off and are ready to come back and play Monday night against Goldthwaite.

**Report from The Market at Clyde**

On March 14th The Old Firehouse in Clyde was a hub of activity in the community. Vendors and customers from several surrounding areas came together for a time of fun and shopping. The weather was beautiful and vendors were inside as well as outside. Many enjoyed the festive atmosphere as they visited and purchased one of kind items from crafters, artist and home cooks. After shopping many of the out of town guest requested information on places to eat in Clyde. Some shopped, left to

eat and then returned to spend the rest of the day shopping and visiting with the vendors. An addition to The Market in March was music. Sue Stokes, one of the vendors from Coleman, sang as she accompanied herself on the guitar. Sue plans to sing again at the April Market. Watch this paper for information and advertizing for The Market at Clyde that takes place the second Saturday of each month. The next Market is scheduled for April 11th, 10:00am-4:00pm.

**PUBLIC NOTICE**

**Annual Weed Notice**

The City of Cross Plains would like to remind its citizens of the Nuisance & Weed Ordinance. For a copy of the Ordinance in its entirety please contact City Hall. Article II, Section 9 states the following:

*It shall be unlawful for any person, firm corporation, owner, agent, occupant or anyone having supervision or control of any lot, tract, parcel of land or portion thereof, occupied or unoccupied, improved or unimproved, within the corporate limits of the city to suffer or permit grass, weeds or brush that is uncultivated to grow to a greater height than twelve (12) inches on any lot, tract or parcel of land within the corporate limits of the city, five (5) acres in size or less.*

Annual notice may be given to property owners, as above provided, prior to the grass-growing season.

In addition to court action, the city may enter upon the property found in violation of this article and mow or have said property mowed at thirty day intervals during such annual growing season in the event such owner fails to mow same.

Expenses incident to the action taken by the city to correct any condition coming under the provisions of this article, which includes a service charge of Fifty (\$50.00) dollars to cover administrative costs shall be assessed against the owners of all outstanding interests in the lot or parcel of land involved. An itemized bill of such costs shall be mailed by the city secretary to each such owner if his address is known.

If the bill for the city's expenses in correcting any condition

Winners of open class #1 were Mike Mallory & Logan Daniels, open class #2 were Scott Odom & Sherry Odom, masters class

were Scott & Sherry Odom, and ladies only class were Sherry Odom & Ginger Bunn.

The Callahan County Sheriff's Posse will hold its next ranch sorting on Saturday, April 18. There will be 5 classes available for entry including (1)

experienced riders & sorters, (2) less experienced riders or sorters, (3) masters over 50, (4) ladies only and (5) youth. For information contact President Steve Goldsmith (518-8805) or Director Teri Hollis (668-4181).

## Texas Unemployment Rate Falls to 4.3 Percent in February

**Job growth continues with the statewide addition of 7,100 positions**

AUSTIN - Fueled by an impressive expansion in the Trade, Transportation and Utilities industry, Texas saw continued seasonally adjusted job growth in February. The Trade, Transportation and Utilities industry saw its largest monthly increase in more than 20 years with the addition of 16,300 jobs. The state experienced a net gain of 7,100 nonagricultural jobs in February with 357,300 positions added over the year.

"We are pleased that Texas employers continue to create opportunities," said Texas Workforce Commission (TWC) Chairman Andres Alcantar. "Our state offers many competitive advantages to employers who choose to do business in Texas, including a highly skilled workforce."

Texas' seasonally adjusted unemployment rate fell to 4.3 percent in February, down from 4.4 percent in January. Texas continues to maintain an unemployment rate well below the U.S. national unemployment

rate which now stands at 5.5 percent.

"The continued decline in our state's unemployment rate is encouraging," said TWC Commissioner Representing Labor Ronny Congleton. "The Texas workforce is strong and employers know that they will find skilled workers to match their hiring needs in our state."

Five of 11 major industries added jobs in February. The Leisure and Hospitality industry added an estimated 9,700 positions in February and grew by 55,500 positions over the year, for an annual growth rate of 4.8 percent. Texas employers also added jobs in Construction, Other Services and Financial Activities, which increased by a combined total of 2,800 jobs.

"Private-sector employers added 9,700 jobs in Texas in February," said TWC Commissioner Representing Employers Hope Andrade. "We appreciate the investment that these companies have made in their local communities and we look forward to being a resource

for them as they continue to grow in the Lone Star State."

The Midland Metropolitan Statistical Area (MSA) had the lowest February unemployment rate in the state at 2.8 percent, followed by the Amarillo MSA with a 3.1 percent rate and the Lubbock MSA at 3.3 percent (not seasonally adjusted).

Zach Bennett at REH Museum

## History Student visits REH Museum

Zach Bennett recently visited the Robert E. Howard Museum to do some research for a paper he is writing for a class at Cisco Junior College. The class is focusing on various aspects of area history and Bennett has felt that the Museum has always been a historical asset to Cross Plains. A graduate of Cross Plains High School, Bennett had served a tour of duty in Afghanistan before starting his college career. He currently lives in Abilene and commutes several days a week to get some of his pre-requisites finished before he transfers to a larger school in Austin.

Bennett had inherited a love of reading in general and history in particular from his father Phillip. This interest naturally led him into Howard's Conan stories as he admired the way Howard used a wide scope of history in his writings, as well as the use of his vivid imagination in creating his own historic world that he labeled *The Hyborian Age*.

Bennett admitted that he was probably reading Conan before he was really old enough to totally appreciate the stories. However, this led to his interest in many of Howard's other character stories and he has become well versed in several of Howard's numerous genres.

H.P. Lovecraft is another of Bennett's favorite writers and as he's always been fascinated by

the professional relationship between Howard and Lovecraft, he was excited to hear that the upcoming Robert E. Howard Days will be exploring that very friendship. By the time he was informed that a discussion panel during the two day event will focus on one of his favorite stories, "Conan vs Cthulhu", that the new role-playing board game featuring Conan the Cimmerian will get a sneak review here in Cross Plains and that the well-known illustrator of Howard's works, Mark Schultz, will be the guest of honor, Bennett was asking how he could get registered for the event.

Bennett is another local fan of Howard's impact on the literary world, joining Mrs. Austin's 11th grade English class that visits the Museum as the culmination of a unit on his writings and the 3rd grade classes who visit the Museum every year as part of their social study class.

As Arlene Stephenson, President of the Project Pride organization that owns and operates the Museum, puts it, "It's very rewarding to see the inroads that Howard's writings are making in the academic world. Local students are slowly realizing that Howard had a unique style of developing his characters, a most descriptive approach to defining the environment and the ability to draw a reader immediately into the story."

Note: If rained out event will be rescheduled for April 17th.

## Texas Registration and Inspection Stickers are Partnering Up in County

Callahan County is gearing up for a new Texas Two Step. Beginning March 1, 2015, the state will no longer issue vehicle inspection stickers and will move to a "Two Steps, One Sticker" program. Under the new system, Texas vehicle owners will need to pass inspection prior to renewing their registration. The familiar blue-bordered Texas Department of Motor Vehicles (TxDMV) registration sticker will serve as proof of both inspection and registration.

"Callahan County is prepared to make this transition as smooth as possible for our residents," said Callahan County Tax Assessor-Collector Tammy T. Walker. "During the first year of the program beginning March 1, 2015, all you will need to do is make sure you already have a valid passing vehicle inspection before you renew your registration in our office, online or by mail."

When vehicle owners renew their registration, the system should automatically verify whether the vehicle has a valid inspection. Without a passing inspection, the vehicle will not be eligible for registration renewal. You will be given a Vehicle Inspection Report (VIR) and you will want to retain this form just in case it is not certified in the system.

During the second year of the program, beginning March 1, 2016, vehicles' inspection and registration expiration dates will align to the date that is on the registration sticker. Once the

expiration dates are aligned in that second year, you will have a convenient 90-day window to pass inspection first and then renew your registration before the end of the month listed on your sticker.

"When the 'Two Steps, One Sticker' program is fully implemented, Callahan County residents will appreciate having just one sticker in the corner of their windshield and only one expiration date to worry about," said TxDMV Executive Director Whitney Brewster. "And because a passing vehicle inspection will be a requirement to renew your registration, more vehicle owners will comply with inspection requirements leading to safer and more environmentally sound cars on Texas roads."

The implementation of "Two Steps, One Sticker" is a result of House Bill 2305 which passed during the 83rd Legislative Session in 2013. The program is joint effort by the TxDMV, the Texas Department of Public Safety (DPS) and the Texas Commission on Environmental Quality, in collaboration with the 254 county tax assessor-collector's offices which process vehicle registrations and vehicle inspection stations across the state.

## April issue offers 108 pages of wild drives, outdoor fun, food, much more Texas Highways Magazine welcomes spring with colorful wildflower issue

March 25, 2015 AUSTIN – The April issue of Texas Highways is bursting with beauty as "The Spectacular Wow!" guides readers to four stunning wildflower drives. Featuring lesser-known places across Texas with potential for wonderful photographs and memories, each wildflower tour is comprised of helpful maps, text and astonishing images of the region. From April 25 through May 31, the Lady Bird Johnson Wildflower Center in southwest Austin will feature a Texas Highways photo exhibit showcasing the springtime images in the April issue along with highlights from previous years. Stay tuned to [TexasHighways.com](http://TexasHighways.com) and social media for more details.

Also in the April issue, visit modern and historic fusion along the Llano River where big-city commodities have been added to this 19th century ranching community. Readers will discover the South Llano River State Park, Eckert James River Bat Preserve and the downtown Sandstone Cellars Winery.

Readers also learn "the ropes" at Milton Reimers Ranch Park, located 30 miles west of Austin. Offering rock-climbing routes for all skill levels, the park covers more than 2,000 acres along the Pedernales River and truly is an outdoor paradise, complete with mountain biking trails, swimming or paddling in the river, and birding and fishing opportunities.

Long-known for its wealth of innovative chefs, Dallas is now making a name for itself in the world of true Texas barbecue. Restaurants including Pecan Lodge, Lockhart Smokehouse, The Slow Bone and Ten 50 BBQ are opening in what some call an "underserved" area, the DFW Metroplex.

There's much more in the April

TEXAS HIGHWAYS MAGAZINE APRIL COVER ISSUE NOW AVAILABLE

issue, including a special tour of Space Center Houston's Level 9; the Grand Masonic Lodge in Waco; the "Daytripper's" guide to Johnson City; the revival of downtown Houston; as well as the rare beauty of Concho River pearls.

Throughout 2015, readers are invited to submit nominations for their favorite Texas comfort food dining establishments. Nominations will be collected over a period of several months and the Top 40 dining destinations will be revealed in a single Texas Highways issue this fall.

About Texas Highways magazine

Founded as a travel magazine in 1974, Texas Highways has been inspiring travel in Texas for 40 years. Today, Texas Highways has 200,000 subscribers and 400,000 monthly readers across the United States and around the world. According to a 2014 economic impact study conducted by Strategic Marketing & Research Insights, approximately 54,000 trips by Texas Highways subscribers can be directly attributed to the magazine over the past two years. In addition, subscribers who already planned to take trips were influenced to extend their visits as a result of reading the magazine. For every dollar spent on operating costs, Texas Highways magazine returns \$63 in travel revenue and \$3.47 in tax revenue. Texas Highways' mission is to encourage travel to and within the state. According to estimates from the Texas Office of the Governor, Economic Development and Tourism division, travelers to and within Texas in 2013 spent more than \$67.5 billion, an increase of 3 percent over 2012. This directly supported 601,000 jobs and generated \$4.7 billion in state and local taxes. To learn more about Texas Highways, visit [www.texashighways.com](http://www.texashighways.com).

## Cottonwood News by Beverly Brown

With the good rains, every one has been out mowing and shredding and weed eating and getting their yards ready for Easter egg hunts and their gardens ready for planting.

Easter services at the Cottonwood Baptist Church start at 11 a.m.

The First United Methodist Church in Cross Plains is hold special Holy Week services - Maundy Thursday Service on Thursday, April 2nd at 6 p.m. and Good Friday Service on Friday, April 3 at 6 p.m. Followed by Services on Easter Sunday - Sunrise service at 7 a.m. and Easter service at 10:45 a.m.

Take the kids out to the CPISD Practice Field this Saturday, April 4th, for an old fashioned Easter Egg Hunt! From 10 a.m. until 12 p.m., kids 9 years and under can hunt for eggs and get their photo taken with the Easter bunny. The Easter Egg Hunt is being put on by the Cross Plains Chamber of Commerce.

Be sure to check out the Cross Plains Garden Club's Plant Sale on Friday, April 10th in the park next to the Library in Cross Plains. The plant sale starts at 9

a.m. and runs until 4 p.m. - unless they run out of plants beforehand. Several of our Cottonwood folks will have plants at the sale.

Joe and Kathleen Terstegge will cooking onion rings on Friday April 10th at the Cross Plains Volunteer Fire Department's Annual Fish Fry. The dinner is \$8 for adults and \$5 for children and includes fish or chicken, beans, coleslaw, french fries, peach cobbler, iced tea - and of course, Joe's onion rings. It starts at 5 p.m. at the First Baptist Church Family Life Center in Cross Plains.

The Burn Ban is off. If you are planning a control burn, call the Sheriff's Office at 325-854-1444 to let them know before you light the match. Also, contact the fire departments - the fire chiefs of both departments - to let them know you are going to burn. It's always better to be prepared, just in case the wind kicks up unexpectedly.

## It's Our Turn To Give Back

**Volunteer:** person or organization that gives of their time, talent, and personal resources to help another improve their circumstances.

Cross Plains and the surrounding area are so very blessed to have the number of people who share their lives with others without any monetary compensation.

Where would we be without the EMS, Fire Departments, people that deliver meals, help men and women earn their GED, sponsor reading programs for children, just stop by to help dust or sweep, stay with a shut-in so their caretaker can breathe for a few minutes, or take blood pressure and offer diabetic foot care and manicures, at no cost, to anyone who needs it, and the list just goes on and on.

April 12-17 is National Volunteer Week. Please take this opportunity to write a note, place a phone call or just give a hug to a volunteer that has touched your life.

Cross Plains Senior Center would like to honor ALL volunteers. Volunteers will be the guests of honor as the community stops in for punch and cookies, **Wednesday, April 15 from 10:00-2:00.** This will be our opportunity say 'Thank You' to our hometown heroes.

Over the year, the number of individuals seeking unemployment insurance benefits declined by 11,800 claimants.

## HAPPENINGS AROUND THE STATE

**Kimberly-Clark Will Build Distribution Center**  
DALLAS, TX (Dallas Business Journal—Candace Carlisle)—Irving-based Kimberly-Clark Corporation is working to build a new \$22 million distribution hub in South Dallas. The consumer products company plans to use the new 55-acre property to move product throughout the region. It's one of a number of companies seeking new distribution space in North Texas.

Kimberly-Clark plans to use a third-party logistics provider to operate the facility, which is expected to employ at least 99 full-time equivalent employees with an associated payroll of \$3.5 million each year, according to Dallas city documents. Additionally, 20 to 100 temporary workers are expected to be at the facility on any given week. Kimberly-Clark Global Sales LLC will be eligible to receive a \$350,000 economic development grant from the city after verification that it's employing at least 99 full-time workers.

**CST Brand Opens Center**  
SAN ANTONIO, TX (San Antonio Business Journal)—CST Brands, the parent company of Corner Store, is opening the company's new distribution center this month in far north San Antonio. The new 365,000-square-foot warehouse will serve as the main distribution hub for food and merchandise for about 600 Corner Store locations across Texas.

CST Brands bought the \$43 million property, in part, through a city and county incentive package and \$2 million worth of cash grants. The Fortune 500 company is required to upgrade the property and retain 305 total jobs, including 280 professional positions. The company plans to create and maintain an additional 100 jobs by 2019. The company relocated from a separate location in Schertz to the new center and brought 215 jobs to San Antonio initially.

**Seaholm to Add Under Armour, Retail Store**  
AUSTIN, TX (Austin-American Statesman)—Under Armour plans to open a new office at the former Seaholm power plant site in downtown Austin.

The sports apparel company's new office will employ more than 100 Austin-based employees, with more than 100 new jobs to be filled in 2015.

Retailer Trader Joe's is scheduled to open up at Seaholm on May 1. The store will be the California-based specialty grocer's third Austin location. In February, Athenahealth, a

Watertown, Massachusetts-based health care information technology firm, moved into their new location in the renovated turbine building of the former power plant.

**Annova LNG Plans Export Facility**  
BROWNSVILLE, TX (San Antonio Business Journal—Sergio Chapa)—Annova LNG Common Infrastructure LLC is seeking approval from federal

regulators to build a natural gas liquefaction terminal along the coast in deep South Texas. After an environmental impact review, construction for the project could begin as soon as September 2017. Annova LNG reports that it plans to invest \$3 billion in a construction project that is expected to employ 675 people and be completed by December 2019. Once complete, the plant is expected to employ 165 people at an average annual salary of \$70,000. The request comes after announced regional plans to build a pipeline from the Eagle Ford shale to a planned LNG export terminal inside the Port of Brownsville.

## Callahan County Historical Commission Dedication of Texas State Marker at Cross Plains Cemetery

On March 24, 2015 a Texas State Historical Marker was dedicated at the Cross Plains Cemetery. An Honor Guard from the Cross Plains American Legion hoisted the American flag as Ariel Hutchins, a student at Cross Plains High School, sang "The Star Spangled Banner". Mrs. Ann Beeler of Cross Plains gave the history of the cemetery. The oldest known tombstone has "son of Uncle Johnnie Lard 1882" engraved. Pictured from the Cross Plains Cemetery Association are members: Bob Harrell, Jerry Castle, Vondell Bailey, and

Burlie Taylor. From the Cross Plains American Legion are Ron Bell, Kenneth Lowry, Roland Jones, and Neil Belote. Callahan County Historical Commission members are Felix Manion, Hubert and Marlene Donaway, Judy Luter, Bob and Cookie Robinson, Paula Windham, Beverly Ross, Elnora Scott, and Virginia and Billy Beard (not pictured). There were a number of guests present, including Sandra Jones and Nona Belotte (pictured) and Ann Beeler (not pictured), who was instrumental in writing the application for the marker.

Pictured above are members of the Cemetery Association, American Legion, the Historical Commission members and a few guests.

Wild for Texas Collection license plates add hummingbird, rattlesnake

## Two New Ways to Keep Texas Wild

AUSTIN — The Texas Parks and Wildlife Department is introducing two new conservation license plates to support native wildlife projects in Texas. One of the plates features a Lucifer hummingbird, while the other depicts a western diamondback rattlesnake.

"These two new plates broaden the choices for those who love nature and the outdoors and want to show their support," says Janis Johnson, TPWD marketing specialist who manages the conservation license plate program.

More than 17,000 people participated in an online survey to select the new conservation plates. Of the six design options, the hummingbird and rattlesnake plates were selected as the most popular designs by a wide margin.

"Conservation license plates provide critical funding for Texas' plants and animals in great need of help," says John Davis, TPWD Wildlife Diversity Program director. "The more plates purchased, the more funding will be available to help wildlife!"

These funds support new projects each year, including habitat restoration, local nature improvement projects, increased access to nature, outreach and education, and scientific research on rare or sensitive wildlife.

In the past, projects funded by these conservation license plates include an education development project with the Chihuahuan Desert Research Institute and Nature Center; creation of wildlife viewing blinds at Camp Lula Sams in Brownsville; and habitat management and restoration at Bracken Cave north of San Antonio, just to name a few.

TPWD now offers seven conservation license plates, including the Texas horned lizard plate benefiting native wildlife, which ranks as the third most popular specialty plate of all available charity plates.

This summer, the largemouth bass plate, which benefits fishing, will be completely redesigned. The white-tailed deer (benefitting big game management); the bluebonnet and

camping plates (benefitting state parks); and the horned lizard (benefitting native wildlife), will still be available for purchase. Collectively, these specialty plates have generated more than \$7 million for conservation efforts in Texas since 1999.

The plates are available for cars, trucks, motorcycles, trailers and RVs at a cost of \$30 per year, with \$22 going to support Texas conservation efforts. This annual fee is in addition to the regular registration cost.

For more information about specific projects that have benefited from funds generated from the conservation license plate program, visit <http://conservationplate.org/projects.phtml>

Specialty plates may be purchased at any time of the year independent of vehicle registration renewal. The new wildlife license plates and the other five designs are available for purchase online and at a county tax assessor-collector's office. Toyota has been a sponsor of this Texas Parks & Wildlife program since 2003.

## Texas Unemployment Rate Falls to 4.3 Percent in February

Job growth continues with the statewide addition of 7,100 positions

AUSTIN — Fueled by an impressive expansion in the Trade, Transportation and Utilities industry, Texas saw continued seasonally adjusted job growth in February. The Trade, Transportation and Utilities industry saw its largest monthly increase in more than 20 years with the addition of 16,300 jobs. The state experienced a net gain of 7,100 nonagricultural jobs in February with 357,300 positions added over the year.

"We are pleased that Texas employers continue to create opportunities," said Texas Workforce Commission (TWC) Chairman Andres Alcantar. "Our state offers many competitive advantages to employers who choose to do business in Texas, including a highly skilled workforce."

Texas' seasonally adjusted unemployment rate fell to 4.3 percent in February, down from 4.4 percent in January. Texas continues to maintain an unemployment rate well below the U.S. national unemployment

rate which now stands at 5.5 percent.

"The continued decline in our state's unemployment rate is encouraging," said TWC Commissioner Representing Labor Ronny Congleton. "The Texas workforce is strong and employers know that they will find skilled workers to match their hiring needs in our state."

Five of 11 major industries added jobs in February. The Leisure and Hospitality industry added an estimated 9,700 positions in February and grew by 55,500 positions over the year, for an annual growth rate of 4.8 percent. Texas employers also added jobs in Construction, Other Services and Financial Activities, which increased by a combined total of 2,800 jobs.

"Private-sector employers added 9,700 jobs in Texas in February," said TWC Commissioner Representing Employers Hope Andrade. "We appreciate the investment that these companies have made in their local communities and we look forward to being a resource

for them as they continue to grow in the Lone Star State."

The Midland Metropolitan Statistical Area (MSA) had the lowest February unemployment rate in the state at 2.8 percent, followed by the Amarillo MSA with a 3.1 percent rate and the Lubbock MSA at 3.3 percent (not seasonally adjusted).

## Sheriff's Corner

By Callahan County Sheriff Terry Joy

### Callahan County Sheriff's Department & DPS Troopers in High Speed Chase

A day in the life of Department of Public Safety Troopers and Callahan County Deputies is sometimes long and dangerous.

On March 25, 2015, the Sheriff's Office in Palo Pinto County called in reference to a subject evading arrest. According to Palo Pinto authorities, the subject had warrants for felony evading arrest with a vehicle and motion to revoke.

Palo Pinto County stated that the subject was in route to Callahan County in a 2013, four door Dodge diesel pickup, black in color. At 11:50 p.m., Department of Public Safety Trooper Eric Pechacek encountered the vehicle on Interstate 20 at Union Hill Road west of Baird. Trooper Pechacek attempted to stop the vehicle for an unreadable license plate. The subject refused to stop for the DPS Trooper; the subject proceeded to flee the officer through Baird at speeds up to 110 mph. The subject traveled south on State Highway 283 turning east on Belle Plains Road. The subject then took to the county roads at this time; Trooper Pechacek lost the subject at County Road 469 and State Highway 36 near Rowden.

Callahan County Chief Deputy Rick Jowers took the lead at this point, which was approximately three miles east of Rowden. Department of Public Safety Troopers spiked the fleeing subject's front tire.

Chief Deputy Rick Jowers stayed with the subject as he turned left onto County Road 455 North onto County Road 430 then onto County Road 431 at speeds 120 miles per

hour. Such speeds were necessary because the subject's vehicle had a high powered chip installed and the subject was driving at speeds in excess of 120 mph.

The subject stopped his vehicle before entering Cross Plains from the west. He bailed out and ran, leaving his vehicle near the Golson Ranch.

Chief Deputy Jowers continued the chase, pursuing the subject on foot for approximately one half miles in the creek bed, briars and brush.

At this point, the Department of Public Safety Troopers called the Middleton Prison unit for dogs and horses to help in the search.

The dogs were able to pick up the subject's trail in the area south of the rodeo arena in Cross Plains. The dogs continued working until about 10 a.m. on March 26th, when the search was ended.

Law enforcement officers believe the suspect was picked up by an unknown person or persons. The subject is still at large; however, the Sheriff does not believe that the suspect is still in the Cross Plains area. Citizens should not be concerned.

The subject, once caught, will be charged with felony evading arrest with a vehicle by the Department of Public Safety and the Callahan County Sheriff's Department. Warrants for the subject's arrest will be issued by both agencies. These warrants will be in addition to other warrants already issued.

Callahan County citizens are fortunate to have such dedicated law enforcement officers.

Vol. 3, No. 7

Local News (cont.)

The remains of little Carrie Rice were followed to the grave yesterday afternoon at two o'clock by a large concourse of relatives and friends, including Professor Smith's school, of which she was a member.

A Mr. Gardner, charged with theft of two head of cattle, property of Sam Cutbirth and Mr. Cochran, had his preliminary examination before Judge Austin last Monday, and was bound over in the sum of \$300 in each case to make his appearance before the district court.

An establishment at Baird for the slaughter and shipment of beef in refrigerator cars, and on a large scale, is in contemplation. Baird has good stock yards, an abundance of water convenient, and offers decidedly the best location for this business to be found in the west.

We regret to learn of the serious accident which happened to Mrs. Coppins last Saturday. In stepping out at the door, the step turned over with her weight, causing her to sprain her ankle very seriously. We hope she will soon be about again.

The family of Mr. John Rice, has been doubly afflicted during the past week. In addition to the sickness and death of their little daughter, three others have been sick, two of whom have been quite sick and one of whom, the little sister of the one who died, is still very low.

**Cattle Stealing**  
George Gardner, an old cattle driver, was arrested in Shackelford County by Deputy Sheriff Matthews, on a charge of theft of cattle, last Monday, and taken to Belle Plain. Mr. Matthews informs us that when he arrested Gardner there were twenty-three head of cattle in the herd under his (Gardner's) control that belonged to parties in this county, and which he was driving away without the knowledge or consent of the owners. We are also informed that several cases of this kind have occurred this spring and that the parties have been allowed to escape punishment, after having been caught in the act of driving off cattle that belonged to someone else. Now that the proper remedy has been applied, we trust that all parties found driving off cattle over which they have no control will be reported to the property authorities, and such steps taken as will insure a speedy punishment.

## Health Tidbit- Snakebite

It's springtime in Texas: the birds are singing, the flowers and trees are blooming, and the snakes are crawling. If you have lived in Texas long, you know we have our fair share of snakes. I'm just going to give a reminder on ways to avoid getting bit and what to do if you do get bit.

Prevention is always the best treatment:

Do Not reach blindly under anything! Always look under the house, the car, the doghouse, the bush. Whatever you are reaching under: look first.

Use a long rake or stick to move debris or turn over anything lying on the ground.

Unless you are a professional; Do Not try picking up a snake.

Avoid walking in tall grass if possible. If it is not possible, make noise and use a walking

stick in front of you. If you do happen to get bit there are a few things to remember.

Try to see color and size of snake; it will be important to determine treatment.

Try to stay calm and still to help prevent spread of venom.

Seek medical attention immediately.

It is possible to be bitten and not realize what has bitten you. Here are some signs/symptoms to look for with a snake bite.

Puncture wounds  
Redness or swelling around the bite.

Severe pain at the site.  
Nausea and vomiting.

Laboring breathing.  
Disturbed vision.

Increased saliva and sweating.  
Numbness or tingling around face and/or limbs.

There are some things not to do if bitten by a snake.

DO NOT:  
Pick up snake.

Apply tourniquet.  
Slash wound with knife.

Suck out venom.  
Apply ice or immerse in water.

Drink alcohol for pain.  
Drink caffeinated beverages.

The poisonous snakes of Texas are: Copperhead, Cottonmouth, Harlequin coral snake, and numerous rattlesnake species (rattlesnake, western diamond, timber, Mojave, blacktail, western, massasauga, and pygmy).

ets will be sold. You need not be present to win. Ticket prices are \$20.00 each. Pre-affle tickets for the Colt LE6900 AR-15 can be purchased from any Friends of the NRA committee member or can be purchased at the Clyde Journal.

Proceeds from this raffle will benefit the West Texas Friends of the NRA and the NRA Foundation.

Mike Walker is chairman of the committee which will be putting on this year's banquet. Michelle Ratliff is secretary of the committee. Lyn Walker is treasurer of the committee.

Jack Cannon, Senior Field Representative for the NRA said the Friends of the NRA is a grassroots offshoot for the NRA Foundation 501 C nonprofit organization. He said the NRA Foundation is a nonpolitical organization which has held some 1,100 fund-raising banquets nationwide over the last year. He said the Friends of the NRA donated over \$436,000 to support youth shooting sports, FFA organizations, 4-H shooting sports clubs, Boy Scouts, Junior ROTC, law enforcement organizations, as well as educational, historical, and gun safety course and more than 175 other programs.

*Farmers Have Until April 7 to Update Yields, Reallocate Base Acres, and Make Final Selections*

## USDA Extends ARC and PLC Deadlines

WASHINGTON, March 27, 2015 - Agriculture Secretary Tom Vilsack today provided farm owners and producers one additional week, until April 7, 2015, to choose between Agriculture Risk Coverage (ARC) and Price Loss Coverage (PLC), the safety-net programs established by the 2014 Farm Bill. The final day to update yield history or reallocate base acres also will be April 7, 2015.

"This is an important decision for producers because these programs help farmers and ranchers protect their operations from unexpected changes in the marketplace," said Vilsack. "Nearly 98 percent of owners have already updated yield and base acres, and 90 percent of producers have enrolled in ARC or PLC. These numbers are strong, and continue to rise. This additional week will give producers a little more time to have those final conversations, review their data, visit their local Farm Service Agency offices, and make their decisions," said Vilsack.

If no changes are made to yield history or base acres by the deadline, the farm's current yield and base acres will be used. If a program choice of ARC or PLC is not made, there will be no 2014 crop year payments for the farm and the farm will default to PLC coverage

for the 2015 through 2018 crop years. Producers who have an appointment at their local FSA offices scheduled by April 7 will be able to make an election between ARC and PLC, even if their actual appointment is after April 7.

These safety-net programs provide important financial protection against unexpected changes in the marketplace. As part of the strong education and outreach campaign launched by the U.S. Department of Agriculture (USDA) in September, to date more than 5 million educational postcards, in English and Spanish, have been sent to producers nationwide, and more than 5,000 events with more than 430,000 attendees, including training sessions and speaking engagements, have been conducted to educate producers on the programs. The online tools, available at [www.fsa.usda.gov/arc-plc](http://www.fsa.usda.gov/arc-plc), which allow producers to explore how ARC or PLC coverage will affect their operation, have been presented to more than 3,400 groups.

Covered commodities under ARC and PLC include barley, canola, large and small chickpeas, corn, crabs, flaxseed, grain sorghum, lentils, mustard seed, oats, peanuts, dry peas, rapeseed, long grain

rice, medium grain rice (which includes short grain and sweet rice), safflower seed, sesame, soybeans, sunflower seed and wheat. Upland cotton is no longer a covered commodity.

Producers need to contact the Farm Service Agency by April 7. To learn more, farmers can contact their local Farm Service Agency county office. To find local offices, visit <http://offices.usda.gov>.

The 2014 Farm Bill builds on historic economic gains in rural America over the past six years, while achieving meaningful reform and billions of dollars in savings for the taxpayer. Since enactment, the U.S. Department of Agriculture has made significant progress to implement each provision of this critical legislation, including providing disaster relief to farmers and ranchers; strengthening risk management tools; expanding access to rural credit; funding critical research; establishing innovative public-private conservation partnerships; developing new markets for rural-made products; and investing in infrastructure, housing and community facilities to help improve quality of life in rural America. For more information, visit [www.usda.gov/farmbill](http://www.usda.gov/farmbill).

## 2015 Gem, Mineral & Jewelry Show at Abilene Civic Center April 11th-12th

The Central Texas Gem & Mineral Society will hold its 2015 Gem, Mineral & Jewelry Show on Saturday, April 11th and Sunday April 12th at the Abilene Civic Center located on North Sixth & Pine in Abilene.

The show hours are from 10:00 a.m. until 6:00 p.m. on Saturday, April 11th and from 10:00 a.m. until 4:00 p.m. on Sunday, April 12th.

Admission is \$3.00 for adults, and \$1.50 for children ages 6-

12. Children under five are free, as are Scouts & Military (in Uniform).

A Silent Auction, Wheel of Fortune and Geodes (to purchase and crack) will be held. Hourly door prizes for adults and children will be announced. A grand prize of \$100 will also be announced.

Fossils, jewelry, gemstones, minerals, beads, crafts, lapidary equipment and supplies and gifts at all prices are available.

## The Market at Clyde in The Old Firehouse Saturday, April 11th

The Market at Clyde meets the second Saturday of each month in The Old Fire House on North First Street. The hours for April are 10:00am-4:00pm. There is a large variety of vendors at this market. Each month the vendors have different handcrafted items to offer. Since all items are handcrafted you will seldom see any duplication.

In April the Woodcrafters will be featured. Larry Davis, a local scroll saw artist, will set up his equipment and give demonstrations of his scroll saw work. This will be a great opportunity to witness the work that goes into the beautiful wood art that is offered at The Market. There are several wood crafters and artist that will be displaying their work.

Other booths will have handcrafted jewelry, soaps and other personal care items, fragrant wax products, fine art, sewn items, baby items, toys,

home decor and many other items to numerous to list. The great variety of home cooked items is always a hit. These will include, but not limited to, home canned jellies and jams, breads, cakes. All of the home cooks have completed training to comply with the Texas Cottage Food Laws.

The Market at Clyde always has a goal to give back to the communities. This month they will be collecting Cleaning Supplies for Heart to Heart Ministries. Each person that brings donations of cleaning supplies is entered into a drawing for a gift basket. The basket is made up of handcrafted items donated by the vendors themselves.

For more information on becoming a vendor call 325-518-3939 or email [HYPERLINKmailto:themarket@clyde@gmail.com](mailto:HYPERLINKmailto:themarket@clyde@gmail.com)

Demonstrations include: Lapidary, Silver-smithing, Wirecraft, Carving, Faceting, Beading, & Jewelry.

Profits support the CTGMS Educational Scholarships.

The Central Texas Gem & Mineral Society is a non-profit organization dedicated to the study of rocks, minerals and fossils. They offer field trips and provide educational opportunities and instruction to members in a variety of areas related to the Lapidary Art and Jewelry making. They also award scholarships to students enrolled at local universities in a field closely related to geology. The society also provides educational displays related to this hobby at shows of similar interest.

The Central Texas Gem & Mineral Society meets weekly on Monday nights from 7:00 p.m. until 9:00 p.m. at their clubhouse at 7607 Highway 277 South in the Caps Community. Business meetings are the first Monday of the month and dues are \$15 per year. Everyone is welcome to attend the society meetings, including children of school age.
