

NEWS FROM ALL OVER WESTERN PART OF TEXAS

R. C. Graves, a prominent ranchman of Brownfield, died suddenly at that place April 5.

W. H. (Bill) Putman, a well-known Garza County ranchman, died Tuesday after a brief illness of a few days. He was 62 years old.

Frank Wright, an early settler of Jones County, died Friday at Anson at the age of 94 years. He had been a resident of Anson for more than 40 years.

Mrs. E. M. Boyles died at O'Donnell last week at the age of 82 years.

Mrs. J. A. Nelson died at her home near Big Spring Monday night at the age of 72 years.

H. L. Jennings, formerly connected with the First National Bank at Sweetwater, died the past week at Cleburne of pneumonia. Deceased was 82 years old.

The First State Bank at Valera, in Coleman County, was robbed late Monday evening and between \$3,000 and \$4,000 taken. The cashier, assistant cashier and two customers who were in the bank were all lined up against the wall while the other bandits proceeded to get the cash. There were three in the gang.

Albany is to have a three-story hotel that will cost \$83,000. It will be built by local capital.

MADE FIVE DOLLARS.

"I know I made five dollars by reading the ads in this week's Times-Signal," remarked one of Scurry County's prosperous farmers, Monday. "I saved \$5.00, and 'A dollar saved is a dollar made,'" he added, proudly. "And I want to tell every reader of the Times-Signal that they are standing in their own light if they fail to read the ads. I don't see how anyone living in Snyder's trade territory can afford to be without your good paper. We are using it as our shopping guide, as you have suggested, and it is worth many times what it costs us."

It is no longer a question as to whether people read ads. The only question is whether the advertiser really offers inducements for the public to trade with him. The merchant who follows up his previous ad from week to week, with an appealing message, is bound to get results. The Times-Signal carries the messages of its advertisers into about 1,500 homes in Snyder's trade territory each week. Those 1,500 homes are places the Times-Signal always is welcome, because it contains something that every member of the family enjoys.

Then, why stand in your own light by not using its columns? Readers of the Times-Signal are using the very best people of Scurry County, and no advertiser should think for one moment that the Times-Signal readers are not reading the advertisements each week and noting every inducement offered.

WHEN ARE WE GOING TO QUIT IT?

Every line in a newspaper costs the proprietor something. If it is for the benefit of the individual it should be paid for. If the grocer were asked to contribute groceries to an abundantly able to pay for them, he would refuse. The proprietor of a newspaper must pay for the free advertising if the beneficiary does not, and yet it is one of the hardest things to be learned by many, that a newspaper has space in its columns to rent, and must rent for anything less than living rates is as fatal to a newspaper as for a landlord to furnish rent free.—Exchange.

And the public will keep on asking for free rent from newspapers, and will keep on getting "sore" if the editor even hints that his space is his stock in trade so long as editors keep on giving his space away.

FLUVANNA NEWS.

Church Affairs.
Perhaps the most outstanding event occurring in our community since last article is the beginning, last Thursday, of work on the new Baptist church. The concrete foundation is being poured into the forms and it is expected that work will progress with a fair degree of regularity until the building is completed. The church is to be 40 by 60 feet and will probably afford a seating capacity for about 325 people.

The congregation feeling the need of a special urge at a time like this which always tries, not only the hearts of men and women, but purses as well, knew where to go for just the help needed; hence, they, together with the pastor, Rev. A. D. Leach, secured the services of Dr. J. C. Burkett of Abilene, the man who held the splendid union meeting here last summer, for last Saturday night and Sunday. We cannot undertake to tell our readers of the many good things set forth by Dr. Burkett, in the course of the four fine sermons delivered here. Suffice it to say that "He delivered the goods;" rallied the forces and "went over the top."

The subscription list, already well started, was raised to the splendid level of \$2,688 at the close of the eleven o'clock service. These subscriptions are to be paid in the course of a two-year period. However, it goes without saying that much of it will be paid within the next few months. It is thought that this, together with the 75-acre cotton crop, which the congregation is already endeavoring to bring a liberal fruition, will enable them to complete, furnish and pay for their building.

We all love Dr. Burkett. He is really a wonderful man, but, after all, the secret of his powers is not far to seek. This village preacher, who states in few words, to-wit: he is a scholar, a gentleman and a real spirit Christian. That is the whole thing in a nutshell. Any of us might really be great and good for something if we would only be willing to pay the price. God bless you, Dr. Burkett.

Rev. B. A. Moores, Methodist, was gracious enough to call off his regular services last Sunday, thus giving the Baptists the right-of-way for one day. That is the way each one should act, and that is the way we act up here—sometimes.

On Friday night, April 9, the three young people's societies of this place—the B. Y. P. U., the C. E. and the B. L.—will hold a social affair at the Methodist church. Doubtless they will have a great time.

If it be the will of the Lord, the village preacher hopes to begin anew in his effort to preach the gospel again in his old pulpit in the Presbyterian church next Sunday. He invites you to attend. Will you invite others?

Last Sunday afternoon several Knights Templar, and a few others who are not Templars, went down to Snyder and attended the Chamber of Commerce Easter service held in the Methodist church at 3:30. It was a great service and, evidently, was a treat to all who attended. Those attending from Fluvanna were: D. A. Jones, J. A. Jones and wife, Wallace Jones and wife, Pat Jones and wife, Murdoch Jones and wife, Ed Jones, Jas. H. Tate and wife, Mrs. Lanham and Waldon Willis and wife.

Sickness.

Our trouble with the flu seems to be easing up quite a bit now; still there are a few cases of recent development, with some earlier cases not yet recovered. Mrs. H. H. Haynes and daughter, Nannie, have been quite sick for several days. It is said that Nannie was critically ill for several hours last Saturday night, but is much better at this writing.

F. C. Ainsworth is said to be critically ill in the home of his son, Harry.

Miss Neely Squyres, teacher in the County Line school, is wrestling with case of flu here in the home of her parents.

Mrs. Mollie (Grandmother) McGregor is reported quite sick for the last several days, but improving.

Earl Browning suffered the unjoining of his right wrist a few days ago, the result of being "kicked by a car."

J. L. Roddy is quite sick of the flu.

Mrs. L. E. Hobbs is expecting to depart Saturday for the T. E. Sanitarium at Carlsbad, Texas.

Mrs. John Boren left last Friday for the bedside of her friend mother in Bell County.

Miss Jonnie Blue, who has for some time been in the Baptist Sanitarium at Abilene, is said to be doing well and is expected home this week.

Mrs. D. A. Jones, who has for some time been in the Alexander Sanitarium at Abilene, is expected to return home the latter part of this week. D. A. Jones, accompanied by Wallace Jones and wife, went down to Abilene Tuesday. Mrs. Wallace Jones expects to have her tonsils removed while there.

Visiting.

Jim Ainsworth's Post is here visiting his sick brother, F. C. A son of the sick man, Joe, of Portales, New Mexico, and three daughters—Mrs. Edna Lawless of Floydada; Mrs. Kate Sainer of San Angelo district for Fluvanna. This is a proposition worthy of very careful consideration.—Jas. H. Tate, Cor.

J. E. VAUGHN DIES SUDDENLY

J. E. Vaughn, one of the most popular men of the Hermleigh community, died rather suddenly at his home near Hermleigh about 7 o'clock last Sunday.

Mr. Vaughn had been repairing a fence near his home. About fifty yards from where he had been working was a considerable mud puddle, and in some way, Mr. Vaughn it seems fell into it or walked into it. He managed to get out, however, without any assistance, and managed to get home. A physician was summoned but it is said that Mr. Vaughn's case somewhat baffled everybody that was called. Although partially conscious, it was known that he was desperately ill, yet it could not be fully determined just what his trouble was. He told some of his friends that he had dropped his hammer into the mud puddle. A search of the puddle resulted in finding the hammer and Mr. Vaughn's hat.

Mr. Vaughn died about 7 o'clock, living only about three hours after reaching his home. He leaves a wife and 5 children. He was 52 years old and was well known in Hermleigh and community. He was a candidate for public weigher of the Hermleigh precinct, and was one of the most popular men in the community.

NEW POWER PLANT AT GRAVEL PIT.

One of Joe Strayhorn's experts went to the gravel pit near Justiceburg Monday and installed a Ford power plant for his sand-washing machine. The Fordson is indeed used for almost every thing imaginable, and in every case it seems to be equal to the emergency.

Mr. and Mrs. W. B. Snodgrass were here from their ranch Tuesday. Mr. Snodgrass told a Times-Signal representative that they had fully an inch of sleet in his corn-crier, and that while grass was set back a few days, everything looks pretty good in Borden County this year.

ANOTHER QUARTER MILLION DOLLARS LOST IN A YEAR BY SCURRY COUNTY FARMERS.

This could be the heading of a true story again next year unless the farmers put hogs on their farms at an early date.

The bankers of the county, among whom are some of the best business men in the county and the Chamber of Commerce, are all of having a few hogs on the farms, and are backing this movement with their money.

Some of the best gifts in the car lot that was brought in by the Chamber of Commerce are left here. These are splendid gifts, and if you wish to get one, see the county agent at his office in the basement of the court house.

IMPORTANT ROAD MEETING.

County judges, commissioners and road committees representatives of Fisher, Scurry, Borden, Dawson and Gaines Counties, met at Snyder late Monday for the purpose of discussing the road situation as applied to State Highway No. 83. This highway is an air-line road of popular travel from East Texas, Dallas and Fort Worth to West Texas and Eastern New Mexico. It is hard-surfaced or the funds have been provided by bond issues for this purpose, west from Fort Worth to the west Fisher County line. The road west from that point is all graded and is being maintained in a high state of condition by the Highway Department. Those present at the meeting and unanimous approval was given for the splendid work accomplished and being done by the divisional superintendents during the past year. Dangerous curves have been eliminated, distances shortened, and permanent bridges and culverts have been constructed of the situation it was found that maintenance superintendents were handicapped and delayed in their work because they lacked proper road machinery, necessitating in many instances the borrowing or hiring of county equipment. With this situation before them, the meeting unanimously adopted the following resolution:

"Resolved, That it is the sense of this meeting that the State Highway Department should furnish maintenance superintendents in their separate districts with such additional road machinery, tools and equipment as may be necessary to maintain the highways in the best condition possible. Full co-operation was pledged by the various committees to the Highway Department. The representatives from west of Snyder were unsatisfied in their praise of the great work being done on the Cap Rock west of Gall. It was their opinion that in a few weeks this would be one of the best grades up the Cap Rock to be found anywhere. Those who attended the meeting were: Fisher County Committee: S. J. Etter, D. McWhirter and J. F. Parker; from Borden County: R. W. Barlow, J. C. Wallace, H. H. Hugh and E. L. Yeates; Anson Road Committee: J. J. Steel, E. W. Harrell and Sheriff J. H. Byrd and O. P. Thranne; all the counties west of Scurry were represented by Dixie Kilgore, county judge of Dawson, W. E. Bartlett, W. V. Love and R. Y. Lindsey, all of Lamesa.

The meeting adjourned with the belief that much good would come out of the conclaves and discussions. Snyder is the divisional engineer's headquarters for this district.

RESIDENCE BURNS.

J. W. Lee's residence in the northeast part of town burned to the ground Saturday night. The fire seemed to have had its origin in the garret. The family had left the house and the value of the property was not known. The fire was caused by a gas leak in the kitchen. The house was a 6-room structure. Mr. Lee carried \$1,400 on the building and \$750 on the contents. Practically nothing was saved.

If you have no enemies, go do something.

New buildings continue to loom up in practically every part of Snyder, which shows that this good old town is still enjoying a good, substantial growth.

We see where a certain millinery concern in a Texas city is advertising "ladies' hats one half off," as if a fellow ever saw a woman's hat that appeared to be more than half on.

The old policy, "Say nothing, do nothing, be nothing," has about passed with the independent paper and the fellow "on the fence." In this great age, a man must show his colors in order to command the respect of the people.

We see where Carranza's daughter has been divorced, but the report didn't say whether she was about to start an insurrection or whether it was a sort of formal treaty that settled a family fight. At any rate, it was probably almost as bad as a regular Mexican battle.

A popular business man of Snyder said to the Times-Signal editor last Saturday: "Last year I spent enough money for worthless advertising schemes to pay for a full page in the Times-Signal every week in the year, and I can't see where I ever got one dollar in return for such advertising. This year, I intend to do my advertising in the columns of the Times-Signal, as I never fail to get results when I advertise in it."

by-night adgrafter. All he is after is your good money. The Times-Signal has been in Scurry County working for the development of Snyder and Scurry County for 39 years, and is said to be bigger and better than ever before. During those thirty-nine years it has built up a circulation and a following that has very few equals in all West Texas, and is printed on one of the very best plants in the state outside the larger cities. Nearly 2,250 homes welcome it each and every week. In other words, it covers the trade territory of Snyder, giving its advertisers the assurance that an ad-

vertisement placed in its columns will be read by fully 10,000 people each week.

T. T. T. CLUB EASTER SUNDAY

A hike to the home of Pat Jones was enjoyed by a number of the T. T. T. girls Easter Sunday.

A ball game, the best ever seen, was played and of course the side with the best players beat.

An Easter egg hunt was then in order. Jesse Jones, Leroy Fesmire, Ernest Hayley, Jack Isaacs and Andrew Jones hid the eggs and you can just imagine what a time the following girls had in finding them: Pauline Kelley, Myrtle Woodfin, Mary Bob Huckabee, Violet Bradbury, Polly Harpole, Mable Isaacs, "Pat" Jones, "Frantz" Jenkins, Lila Mae Williamson, "Kaggle" Northcutt and "Lily" Nichols.

When all the eggs had been found the old gray mare was soon saddled and the girls who were jockeys rode. Some being jolted very hard and one being pitched off.

The sun was now getting low so we gathered up our glad rags and thanking Mr. Jones and his son, Jesse, for the beautiful music they had entertained us with, we set off on our walking trip for the city of Snyder.—Reporter.

BRUNK'S COMEDIANS TO BE HERE NEXT WEEK.

The Original Brunk's Comedians will be in Snyder all next week. Their big tent theater will be located two blocks north of square on Post Highway, where there will be plenty of space to park your cars.

This traveling troupe is said to be the cleanest snow on earth and it needs no introduction to the people of Snyder, as they have visited our city before and have filled a week's engagement on each occasion. The plays that they present are good, moral plays, with a Christian appeal, and trained players cast each play. Between each act up to the minute vaudeville is presented, which is entertaining and thoroughly enjoyable. Tillie T. Tutt, the comedian of this company is remembered by our folks as a scream, and her appearance with this company again will be a big drawing card to each of their performances.

The opening play on Monday night is "Too Many Crooks," and good vaudeville will be given between the acts of this play. It is a program that the whole family will enjoy, so come and bring them all. The admission price is 30 and 10 cents, and one lady will be admitted free with each paid ticket on Monday night. If you come once you'll not want to miss a single program, so start the week out right, then you'll have no regrets.—Big Spring Herald.

Brunk's Comedians will be in Snyder all next week.

TO THE PUBLIC.

In the five-year program mass meeting as held some days ago in the district court room at Snyder I was elected chairman and instructed to appoint an advisory committee for the purpose of devising and formulating plans for the holding of a county fair at Snyder this fall. In my selections I have endeavored to select the most progressive list of citizens I could, however, I am quite sure there are plenty of other citizens who could serve perhaps just as well, and may I ask every citizen in the county should we undertake county fair that you co-operate in

every way you can to make it a real success. The following is a list I have appointed as an advisory committee: D. A. Jones, Fluvanna; Oliver Wills, Fluvanna; L. N. Periman, Dermott; A. M. McPherson, Bethel; Harry Winston, Snyder; O. P. Thrane, Snyder; H. P. Wellborn, Snyder; R. H. Curmatte, Snyder; Hoyt Murphy, China Grove; J. C. Beakley, Dunn; J. S. Golden, Canyon; Andy Trevey, Bison; C. N. von Roeder, Knapp; John Carmichael, Snyder; J. J. Koonsman, Snyder; B. L. Baze, Snyder; Geo. Bishop, Iraq; R. D. Kinney, Hermleigh; John Spears, Snyder; J. O. Guinn, Camp Springs; Miss Laura Bell Roten, Snyder; J. L. Martin, Snyder; Cornelius Davis, Ennis Creek; H. L. Williamson, Pleasant Hill.
Also I hereby call a meeting of this committee to meet at the court house in County court room, April 20, 1926. Would be pleased to have any other citizen meet with us who wishes.
J. A. MERRITT,
Chairman.

THE STORY TELLING CLUB.

The story telling club met last Thursday morning. The house was called to order by our president, Lonada Base. The minutes were read and approved. The roll was called then the following pupils gave the program:
Joe D. Grace—The Three Lemons.
Agnes Brown—The Doll in the Grass.
Franklin Eades—Big Claws and Little Claws.
W. H. Gant—The Story of Fido.
Dawson Bridgeman, Reporter.

RIFLE RANGE.

Capt. Sentell reports that construction will begin on the National Guard rifle range, Monday, April 12, and is to be located on

J. W. Harrison's place two and one-half miles southwest of Snyder. The Government has appropriated \$800 which must build and meet the upkeep of this range for three years; \$400 of this amount can be applied to the first year. This will give the local company a chance for training in rifle and pistol shooting at home. This opportunity the Guardsmen will prize very highly because the American soldier has always been and now is the best rifleman in the world. We are glad to have this addition to our community.

J. F. Dowdy, the Fluvanna druggist was here Tuesday on business and called on the Times-Signal while in the city. Mr. Dowdy informed the editor that everything looked pretty good in his part of the county, so good that Mr. Dowdy decided that he would put a new front to his store and do a lot of other improving.
A. C. Elkins was here from Pollar, Tuesday, on business.

Safe Farming

IN A STRICTLY COTTON COUNTRY ONE WILL SEE—

A poor class of people, poorly housed, educated, fed and clothed; few home owners, few landlords living on the farms; few third and fourth renters; few young people staying on the farms; few farmers out of debt even immediately after the harvest; few and sorry livestock and few home-grown products on the table.

IN A DIVERSIFIED FARMING COUNTRY ONE WILL SEE—

A better class of people, better housed, educated, fed and clothed; more home owners; more landlords; more landlords living on the farms; more tenants farming on the third and fourth than on the halves; more young people studying farming for a vocation; more farmers out of debt the year round; more feed, better and more livestock and more home-grown products on the farm and table. Which line of farming are you promoting?

A Community Investment

ANY COMMUNITY'S biggest single investment is in its utilities.

The utility company in order to give the community adequate service must invest large sums of money in plants and equipment.

Once installed, electric light and power property is as much a part of a community as its sewers, sidewalks or streets, and just as readily usable by all residents. If it is necessary for this property to be expanded in order to meet the public demand for service, the same thing must be done as when sidewalks are laid or sewers put in.

In other words, whenever the West Texas Electric Company has to extend new electric light and power lines in order to give increased service the company must go out and get the money to buy material and pay for the labor.

The West Texas Electric Company is just like any city or individual that goes into a bank to borrow money. If its credit is good it gets the loan. If it isn't, it doesn't, the new improvements can not be made, and those who want service—the public—can not get it.

But if it can show that because of its financial soundness and ability to pay the going rate of interest it is entitled to credit, it gets the money, the improvements are built, and the result is Growth, Expansion, Increased Prosperity for Community and Company.

What One Farmer Found Out

A farmer who makes it his business to keep records on his farm, and regular financial statements, recently remarked:

"I found that Financial Statements helped me to pick out the weak and strong spots. I also found that by conducting my farm in a business-like way the bank could more easily extend me credit accommodations. I am now not only making more money, but I am finding it more simple to finance myself."

We urge our farmers, for their own protection, if for nothing else, to keep records of all farm transactions.

First National Bank

Snyder, Texas

game was between Dunn and Deep Creek. Harrison Durham and Fred Firt of Dunn defeated George Brownfield and Paul Claybrook in straight deuce sets 7-5 and 7-5. The games were closely contested and some flashy tennis was played. George Brownfield played a consistent smashing game, while Dunn's covering of ground featured.

The second round of the tournament was between the Dunn entries and Hermleigh. Milford Davis and Taft Patterson composed the Hermleigh team. Durham and Firt won in straight sets 6-3 and 6-3.

The last round of senior boys doubles was between Dunn and Snyder. Chas. Cooper and Buster Stacy played for Dunn. Cooper and Stacy won in straight sets, 6-3 and 6-4. Stacy played smashing brand of tennis. Cooper also played consistently.

Senior Boys Singles—The first round of the elimination was between Davis of Hermleigh and Durham of Dunn. Durham won in straight sets 6-1 and 6-1. Both players were continually lobbed the ball.

The final round of singles was between Durham of Dunn and Stacy. Stacy won in straight sets 6-1 and 6-2. Stacy smashed through Durham's defense and played him to the back line and corners to win.

Senior Girls Double—The first girls game was between Susie Johnston and Hattie Brown of Dunn, and Alma Browley and Gertrude Caswell of Hermleigh. The Hermleigh entries won 6-4 and 6-1.

The Hermleigh entries and Gwendolyn Chambers and Dorothy Strayhorn. Hermleigh won in straight sets 6-3 and 6-5. Last set was an error on the part of the scorekeeper, as after a set has been started (5-5), one team must get two games in a row to win the set.

Senior Girls Singles—Zelpha Webb of Snyder won from Susie Johnston of Dunn in straight sets 6-1 and 6-4. Zelpha won handily.

VOCATIONAL AGRICULTURE
The work of vocational agriculture, which has just this year been established in our high school is progressing nicely. The farm workshop which was constructed principally by the students is now complete and the boys are being taught how to use the saw, hammer, planes, soldering iron, etc. Tables, bee hives, fed hoppers, milking stools and soldering of buckets, tubs, etc., are some of the jobs that have already been completed. Also about two dozen desks that had been "junked" were revived and repaired by the classes and are now in use.

Every student is also taking care of a home project. Some have been unfortunate as to their profits, while others are more fortunate. One student has a net profit

of \$403.45. Even better and faster progression is expected in the work for another year.

BASEBALL

Friday afternoon, April 2, the Snyder high nine played the county teachers, an aggregation of fast ball tossers made up of school teacher-teachers and town boys. S. H. S. won 5-4 in a seven-inning game. The Tigers played "heads up" ball. Stacy led off with a hit and Fesmire followed with a clean single. The school nine made three runs in the first inning and added another in the second. In the last half of the sixth Curry walked, stole second and scored with what proved to be the winning run on Stacy's second single of the day, to right.

Line-up and Batting order—Stacy 2b, Fesmire 1b, Woodley ss, Joyce p, Jones c, Deakins lf, Curry cf, Ketter and Blackard rf, Boren 3b. Hits, Stacy 2, Fesmire, Jones, Curry and Ketter.

Saturday, April 3, the Tigers again played the teachers but lost 9-5 in a short session (5 innings). In the last half of the fifth the score tied 8-8. Hutchison got hold of one of Joyce's slants and slammed it to right for a clean hit, stole second and went to 3rd on a passed ball, and scored on Kerr's second hit to Jones, who was playing too far back and who made the play at first. Jones should have made the play at the plate because the game was over if he didn't get Hutchison out.

Line-up and batting order: Stacy 2b, Fesmire p, Jones ss, Joyce 1b, Carrell rf, Curry 3b, Cot-

ten c, Ketter lf, Blackard cf. Hits, Stacy and Fesmire led off with clean hits. Fesmire got two, Joyce, Cotten, Carrell. Batteries first game: School, Joyce and Jones; teachers, Kerr, Bullock and McMillan.

Second game: School, Fesmire, Joyce and Cotten; teachers, Kerr, Bullock and Roberts.

Danger In Coughs That Hang-On

Neglected coughs often lead to worse trouble. Yet there is a simple method based on the famous Dr. King's New Discovery, which usually breaks the worst cough entirely in 24 hours.

Here is the method: You take just one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. It has a double action. It not only soothes and heals irritation, but also removes the phlegm and congestion which are the real cause of the coughing. So the most stubborn cough soon disappears completely.

Dr. King's New Discovery is for coughs, chest colds, bronchitis, spasmodic croup, etc. Fine for children, too—no harmful drugs. Very economical, as the dose is only one teaspoonful. At all good druggists. Ask for

WORLD FAMOUS FARCE COMING TO TOWN.
It is a surprising thing, indeed, that the movie makers have not filmed "Charley's Aunt" before. Now it is about ready to arrive via the cinema and is advertised for the Palace Theatre beginning Wednesday.
"Charley's Aunt" probably holds more records for long distance running on the stage than anything outside of "Uncle Tom's Cabin." The farce was written by Brandon Thomas and first produced in England in 1892. The remarkable thing about the play was the fact that it has run continuously for the last thirty-three years and still shows evidence of going strong.
"Charley's Aunt" is also credited with being the funniest play ever written, and in making the picture the producers have designed the scenario to keep all of the biggest laughing sequences in the play intact. Syd Chaplin plays the title role of "Charley's Aunt from Brazil where nuts come from" and he is said to do the best work of his career.

FARMERS, ATTENTION.
The ear of thoroughbred Mebane cotton seed adopted at the mass meeting of farmers for the purpose of raising a long staple cotton in the county has arrived and will be here until the 15th, though the county agent will be glad if those wanting seed will see him Saturday or before.
There is nothing like having good seed to plant, for "whatever a man soweth that shall he also reap."

NOTICE.
A complete report of the Scurry County track meet which was held here last Friday and Saturday will appear in next week's issue of the Times-Signal. It was impossible for the report to appear in this issue for the reason that some decisions are to be made by the county executive committee Saturday of this week.

KYNE ISOLATES HIMSELF WHILE DOING HIS WORK.

Peter B. Kyne, famous California author who wrote "The Golden Strain," a Fox Films production, which comes to the Palace Theatre Saturday, likes to be absolutely alone when he writes. "I want nothing with me then but those vivid, burning characters," said Kyne, discussing his work during the filming of this story in which Madge Bellamy, Kenneth Harlan, Ann Pennington, Hobart Bosworth, Frank Beal and Frank McGlynn, Jr., are featured. "Sometimes I sneak off to my ranch in California, where my chauffeur has a little bungalow, in which a room is reserved for me. Again, I write aboard-ship, or while cooped up in New York. But I prefer the West, for that's where most of my fiction is born, and that's where my heart is." Incidentally, the raising of sheep hogs, cattle and other stock is Kyne's avocation and chief delight. Mr. Kyne declares that his ideas come from anywhere and everywhere. He travels a great deal—and makes voluminous notes. It is of the romantic material of everyday life that Kyne is admirably aware. All these he embraces with a touch that is determined and wisely wholesome. He understands the American—and it is of him that he writes. "The Golden Strain" is shot through with intensely human moments—and Mr. Kyne regards it as one of his best stories. It was adapted by Eve Unsell.

LEM C. SHULTZ FOR PUBLIC WEIGHER.

I hereby present my claims to the voters of Precinct No. 4, as a candidate for the office of Public Weigher of this, my precinct, subject to the action of the July primary. I am a farmer, and, therefore, know what the farmer has to put up with from year to year. I have lived among you for six years, and if any one does not know me or my life, I would be glad to have him ask my nearest neighbors. I also feel that I am qualified for the office, and if elected, promise to perform my duties to the very best of my ability. Your vote or any other support given me will be highly appreciated. LEM C. SHULTZ. MR. WOODFIN THANKS HIS FRIENDS. I wish to thank one and all who supported me in the recent election. On the other hand, I hold no malice to those who supported my opponents, but will try to do my duty as marshal in a capable and impartial way. In performing the duties of the office, I earnestly solicit the support and co-operation of everybody, and promise to do my very best to do honor to the office and to give those who elected me no cause ever to regret casting their votes for me. J. A. WOODFIN. NOTICE TO BAPTISTS. The First Baptist church has voted to go into the call of a pastor Sunday morning, April 11. CARD OF THANKS. I want to thank those of my friends who voted for me in the city election and the good people who voted against me I want to say that I hold no ill will against any one, if they did vote against me. I rather take it that they did me a favor in helping to defeat me. O. F. DARBY. G. R. Taylor of Hermleigh was a business visitor in Snyder Tuesday of this week.

WHAT IS CHRISTIANITY?

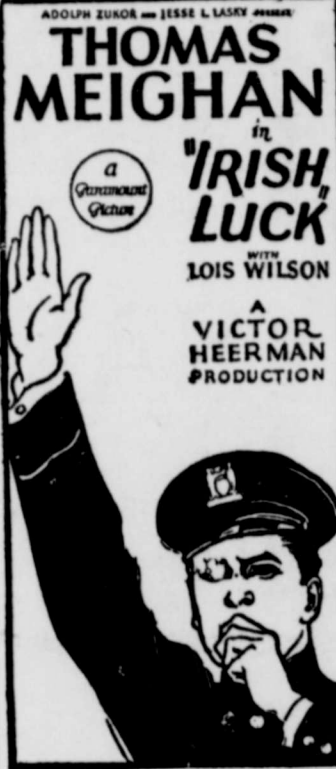

Many things are considered very important in the Christian religion, but what is the real heart of Christianity? Next Sunday at 7:45 p. m. the subject will be "What is the most important thing in Christianity?" At 11 a. m. the subject will be "Is Christianity or Infidelity Worth More to a Nation?" These two sermons will bring a truly worthwhile message to the people of Snyder. Give God a chance to help your soul through the preaching of his word. Come to the church of the glad hand next Sunday. B. W. DODSON, Pastor.

BRIDE-ELECT IS HONORED AT SHOWER.

Mesdames Earl Fish, John Dix of Abilene, and Miss Willie Fern Curry of Post City were joint hostesses at a miscellaneous shower at the home of Mrs. Walla Fish, Monday afternoon, April 5, honoring Miss Janie Martin, whose marriage to Mr. Joe Graham took place Tuesday afternoon, April 6.

Miss Elaine Rosser gave James Whitcomb Riley's "That Old Sweetheart of Mine." Mrs. Earl Fish sang "Dad G. My Cradle Days," and "Always." Mrs. John Dix read "The Guest," by Mable Smith Brooks. Miss Ila Martin read an original composition "The Bride's Future." Little Miss Cyrella Fish, lovely daughter of Mr. and Mrs. Earl Fish, entered, pulling a white decorated wagon loaded with gifts which were presented to the bride.

Those present were: Mesdames W. F. Martin, Sr., the bride's mother, W. M. Morrow, Henry Brice, H. G. Taylor, C. P. Sentell, J. E. Sentell, Hugh Boren, Ixon Joyce, Fish, J. J. Taylor; Misses Marlin and Elaine Rosser, Ophelia Dordard, Davida Curry, Ila and Myrtle Martin, Ora Norred, Erna Taylor, Ruth Bell Boren, Edith Darby, and Mary Ellen and Rhoda Martin, sisters of the bride.

McKEE-PARKER.

Miss Mary Parker of Lamesa, Texas, and Bill McKee of Ralls, were married here Easter Sunday morning at 8:50 o'clock, at the Presbyterian manse, by Rev. H. J. Manley. The bride had been working for some time at the Bryant-Link Co. in Lamesa. The groom has been employed at Higginbotham Bros. in Ralls. Both were warm friends of Mrs. Lee Newton of this city who attended the wedding.

Mr. and Mrs. McKee left immediately after the ceremony for Fort Worth and Dallas. They will be at home in Ralls after Sunday, April 11.

GIBSON-WALKER.

Miss Anne Gibson and Mr. B. Walker were married Tuesday afternoon, April 6, at the Presbyterian manse, Rev. H. J. Manley officiating. Both the bride and groom were of Snyder.

MRS. JOE STINSON HOSTESS TO ALTRURIANS.

Mrs. Joe Stinson was hostess to the Altrurian Club members and guests at her home Friday afternoon, April 2. The lesson on "The Poems of James Whitcomb Riley;" Eugene Field, and Joaquin Miller; was led by Mrs. Earl Porter King. The program had been arranged by the fine arts committee, and consisted of the poems of these artists read by Mesdames J. W. Leftwich and Hugh Taylor, and Miss Elaine Rosser. A musical number was given by Misses Mary Lynn Nation and Dorothy Strayhorn. The hostess served a two-course luncheon to the members and Mesdames B. W. Dodson and J. C. Dordard and Miss Elaine Rosser.

MISS ALLENE WARREN WEDS TOM GATES.

Miss Allene Warren and Tom Gates were married Easter Sunday morning, April 4, at 9 o'clock at the parsonage of the First Methodist church, Rev. B. W. Dodson officiating. Relatives and intimate friends attended the wedding.

The bride is the charming daughter of Mr. and Mrs. Bob Warren and granddaughter of our pioneer physician and beloved citizen, the late Dr. J. W. Warren. She was graduated from the Post high school after which she attended the College of Industrial Arts at Denton, and Simmons University, Abilene, doing special work in the Fine Arts Department. Mrs. Gates is also an ex-student of Simmons University and of Pal

University, a private school in Highland Park, Dallas. His mother, Mrs. T. L. Gates, is a well-known resident of Gorman, Texas. Tom came to Snyder from Gorman about eight months ago and has been employed in the office of the State Highway Department.

Both the bride and groom have many friends in Snyder who wish them happiness and success.

CASALI-OLSOBROOK.

Warren E. Casali and Miss Nora Olsobrook were married Wednesday evening, April 7, at the Presbyterian manse by Rev. H. J. Manley. The bride is a resident of Snyder; the groom came to Snyder from Omaha, Nebraska, to be in charge of the Supply Department of the West Texas Electric Company here.

PRETTY HOME WEDDING.

The marriage of Miss Janie Martin, daughter of Mr. and Mrs. W. F. Martin, Sr., of our city, to Mr. Joe Graham, also of Snyder, took place at 4 o'clock Tuesday afternoon, April 6, at the home of the bride's parents. The house was beautifully decorated with ferns and spring flowers. Preceding the ceremony the bride's sister, Miss Rhoda, wearing a beautiful gown of gold and rose changeable silk taffeta, sang, "At Dawning." The bridal chorus from Lohengrin was played by Mrs. Walla Fish as the bridal party marched to the flower-banked altar from the center of which was suspended an enormous white wedding bell, while soft strains of "Humoresque" were heard throughout the service.

The bride was lovely in an apricot chiffon trimmed in gold lace over a slip of the same color. The bride's bouquet was made up of pink rose buds, sweetpeas, freesias and lace fern. The maid of honor Miss Willie Fern Curry, wore a handsome gown of harvest chiffon over a corol slip.

J. Collie Fish acted as best man to the groom. Rev. H. J. Manley, pastor of the First Presbyterian church, read the impressive ring ceremony. The family and intimate friends joined in celebrating the nuptials.

Following the ceremony Mr. and Mrs. Graham left the city for San Angelo, Christoval and Eastland on their honeymoon. Following the wedding tour Mr. and Mrs. Graham will be at home in Snyder.

NOTICE.

To the Citizens and Voters of the City of Snyder:

As you know, in Tuesday's election I failed to receive a sufficient number of votes to be elected city marshal of your city. Nevertheless, I hasten to thank those who so loyally supported me in that race. I have no sore spot; all I can say is that I didn't receive

ALL WORN OUT?

So Was Mrs. Thompson, Who Tells Her Experience.

Are you tired all the time; worn-out night and day? Does your back ache as if it would break? Do you suffer dizziness, headaches, rheumatic twinges or distressing urinary disorders? You have good cause, then, to be alarmed about your kidneys. Do as many of your townfolk recommend. Use Doan's Pills—a stimulant diuretic to the kidneys. This Snyder case is convincing:

Mrs. M. S. Thompson says: "My back hurt most all the time and when I stooped, sharp cutting pains darted through it. My kidneys acted irregularly, too. Headaches came over me often and I felt tired and worn out. Doan's Pills from the Stinson Drug Store cured me, and the cure has lasted."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Thompson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

enough votes, and I extend my best wishes to Mr. Woodfin and to the citizenship generally of Snyder, and hope and trust that we may continue to live in peace and harmony, and that Snyder will day by day grow into a better place to live, and that we can now lay down any little bitterness that may have come up and scatter more sunshine down the pathway of life towards our fellowman, and let the past bury the past, looking to the future for prosperity and happiness.

Very truly yours,
O. P. WOLF.

Frequent Bilious Attacks

"I suffered with severe bilious attacks that came on two or three times each month," says Mr. J. P. Nevins, of Lawrenceburg, Ky. "I would get nauseated. I would have dizziness and couldn't work. I would take pills until I was worn-out with them. I didn't seem to get relief.

"A neighbor told me of

BLACK-DRAUGHT Liver Medicine

and I began its use. I never have found so much relief as it gave me. I would not be without it. It seemed to cleanse my whole system and made me feel like new. I would take a few doses—get rid of the bile and have my usual clear head, feel full of pep, and could do twice the work."

Bilious attacks are "seasonal" with many people. Millions have taken Theodor's Black-Draught to ward off such attacks, and the good results they have reported should induce you to try it.

Three o'clock soon rushed around, we then decided that perhaps we had better retire to our beds which were spread all over one room. Several ghost stories were told and like all children, this is what it took to put us to sleep.

PROGRESS OF E. B. BARNES.
E. B. Barnes is secretary to the Industrial Accident Board, a position he has held since July, 1922. He came from Snyder, Texas, the best town in West Texas, according to Barnes. Prior to coming to Austin, Mr. Barnes had served as postmaster at Snyder, for eight years and had been engaged in the newspaper work. Shortly after removing to Austin Mr. Barnes entered the university law school at the noon hour every week day, from 12:05 to 12:55, just 50 minutes. As time passed it was necessary for him to spend much time at night to accomplish his ambition. To make a long story short Mr. Barnes passed a highly creditable examination before the state examining board, composed of ex-Governor Sayers, Judge Wm. Sleeper of Waco and John Beckett, Jr., of San Antonio, recently and one last Monday received notice that he had made the necessary grades to admit him to the practice of law. Mr. Barnes is a man of nearly 50 years, has a splendid wife and several children nearly grown. He has lost no time from his regular duties at the Industrial Accident Board and is now a fulfilled lawyer. What Barnes has done others can do.
There are many worthy young men and women working their way through the big university in Austin and we have never known of any of this class failing at examination time.
Friends of E. B. Barnes, especially those in the old home town, Snyder, will rejoice in the splendid record he has made since coming to Austin. The Journal predicts that at some future time Mr. Barnes will be County Judge or prosecuting attorney of his home county. Stranger things have happened. Mr. Barnes is deserving, he is capable, honorable and upright and is sure to progress.—Waco Farm and Labor Journal.

Friday night, April 3, the members of the T. T. Club were entertained by Pauline Kelly and Myrtle Woodfin. At seven-thirty the girls began to assemble and by seven-forty-five each member was present and ready for a good time. Slippers, hats, etc., were hid, when we were ready to go to the theatre we had to wait for the poor children to find their wardrobe. Finally everyone found all that was hidden of theirs and by eight-thirty we left the home of City Marshal Woodfin, with our hearts full of joy ready to see a good picture, which we did. There being so many of us that seats enough could not be found down stairs for us, therefore, we were kindly ushered to the balcony.
The show was over at ten-thirty and again we set out for another good time. By eleven o'clock the girls again assembled at the Woodfin home and a lunch consisting of sandwiches, salad, cakes and lemonade was served to the exhausted girls.
Now the fun began, each girl trying to see how much noise she could make. Mr. Woodfin was in town and he heard the terrible noise and thinking someone was in trouble, rushed to lend them his

assistance and to his great surprise he found the noise to be in his own home.

Three o'clock soon rushed around, we then decided that perhaps we had better retire to our beds which were spread all over one room.

The cock crew at eight o'clock for us to arise and eat the delicious breakfast that had been prepared by Paulie, Myrtle and Mrs. Woodfin.

It now being nine o'clock and each mother had ceased to call to see when her daughter was coming home, we bade Mrs. Woodfin and Myrtle adieu, and were soon on our way homeward.
