

**Show Of Quality Livestock Planned
Connection With Muleshoe Fair**

Mr. Muleshoe

Note to Bud Holdeman: Desiring your mother-in-law's presence, it did not rain August 26 or 27. Bud planted his crops by her forecast of rain in the spring and did right well. He just knew it would rain this week. The lady is Mrs. M. Y. McGuire, who has had quite a run of success in predicting rain, but Bud admits her calendar won't work in some localities.

The city commission is squarely behind the effort to organize a functioning, effective fire department here in Muleshoe. The department has more than twenty members, but needs a few more, and it needs men, not boys, for this is a man's job. Now, men, had you rather see our key rate go to 96 cents so that we will pay double on our fire insurance premiums, or would you prefer to spend an hour or two a month studying and practicing the profession of fire fighting? It comes down to that alternative. If we don't turn out, more than twenty of us, twice a month and keep our fire fighting equipment and know how up to standards we are going to pay through the nose. The department is not going to let us get by much longer. Some of you veterans, who have had time to rest up by now from the strenuous war years ought to get with us and help build a fire department of which you and the whole community will be proud. Start by attending the fire school now being conducted here by A & M College.

Voters Oppose Amendment

Bailey county voters registered an emphatic opposition to the college building plan constitutional amendment in the election held last Saturday. They voted against the proposal 200 to 10.

The measure carried, however, winning the approval of a majority of Texas voters.

Voting in the county by boxes was as follows:

Voting Box	For	Ag.
Muleshoe	4	46
Progress	0	20
West Camp	2	15
Fairview	0	24
Circle Back	0	24
Longview	0	12
Baileyboro	0	13
Stegall	0	13
Bula	3	23
Mays	1	9
Three Way	0	16
TOTAL	10	200

**TO ATTEND ANNUAL
36TH DIVISION REUNION**

Charles Alsop said today he is planning to attend the annual reunion of the 36th Division, to be held at San Antonio September 6 and 7. There are several other ex-members of the famous fighting 36th Division of Texas living around Muleshoe, including Leon McCarty, Curtis Spivey and Red Foster.

**METHODIST REUNION
TO BEGIN SEPT. 1**

Revival services will begin at the Methodist Church in Muleshoe Monday, September 1, and will continue through September 14. Services will be held daily at 10 a. m. and at 8 p. m. Rev. T. G. Craft, pastor, announces.

Rev. J. B. Baker, pastor of Amherst Methodist church, will preach for the revival and Mrs. Baker will conduct the young people's work.

"PURSUED"

Tues. and Wed., Sept 2 and 3
"QUEEN OF THE YUKON"

The Muleshoe Trade Territory Fair offers junior and adult breeders of livestock an opportunity to show the public a sample of their breeding stock during the two days showing in Muleshoe, September 26-27.

All breeders of registered livestock living in the Muleshoe trade territory are eligible to come to our show. Each breeder will be allowed to exhibit one registered animal. The three judge system of classification judging will be employed. Fifty per cent of each animal's score will depend upon that individual's type and body conformation regardless of size, age or sex. Raymond King has consented to assist in appraising this phase of the judging. Mr. King is county agent of Castro county and is well known for his ability to select good livestock that carry off top honors in the leading shows of Texas. The remaining fifty per cent of the animal's score will depend upon the grooming the animal has received and general neatness and attractiveness of the exhibit.

Registration papers must be presented on demand. This is a breeder's show and "Subject to Register" animals and common market animals will not be exhibited.

Show animals scoring in the top one-third of all animals shown will be awarded three dollars in money and a blue ribbon from the Fair Association. A red ribbon and two dollars will be presented to the owners of animals comprising the next highest scoring third exhibited, the remaining one-third will each receive an appropriate ribbon and one dollar in premiums.

Plans are under way to place livestock pens between the building that houses agricultural produce and the space occupied by the Carnival so that more people will view the livestock thus affording the maximum amount of advertising for the breeders with livestock to sell.

J. K. Adams, county agent, is in charge of the livestock exhibits and Edward White, Muleshoe High School Vocational instructor, is in charge of Agricultural Crops exhibits. Either of these men will accept entries by personal call or by mail. Prospective exhibitors are urged to notify them of their desire to exhibit. The Fair Association reserves the right to bar any animal from competing that was not entered by the owner prior to Sept. 25.

Breeders of livestock in the entire Muleshoe trade territory are cordially invited to enter the pride of their farm. It is the sincere desire of the Fair Association to fill the total allotted space with top quality breeding stock. Shows of fat animals will be delayed until the regular Fat Stock Show next 9 March.

Hospital News -

Miss Juanita Blair underwent a tonsilectomy last week. She has gone home.

Mrs. A. L. Garrett is a medical patient here. She is doing fairly well.

Mrs. Tye Young is a medical patient. She will soon be discharged. Stanley Myers, small son of Mr. and Mrs. Ed Myers, had a tonsilectomy one day this week. He has gone home.

Alton Loe is a surgical patient. He is doing fine and will soon be discharged.

Mrs. Bina Graves underwent surgery here this week. She is doing fine.

Joannah Schuster, daughter of Mr. and Mrs. Henry Schuster, underwent a tonsilectomy. She has gone home.

D. R. Tuten is an accident patient. He is resting fairly well.

Congratulations to:
Mr. and Mrs. Boyd Burismith on the birth of a daughter, Sandra Jean, August 23. Weight 7 pounds, 4 ounces.

Mr. and Mrs. H. B. Stubblefield on the birth of a son, Robert Eugene, August 26. Weight 5 pounds, 2 ounces.

Mr. and Mrs. Bob Kindred on the birth of a son, August 26. Weight 8 pounds, 7 ounces.

Mrs. Kenneth Pharr and little daughter of Lubbock spent the week in the home of Mr. and Mrs. Charles Lenu.

Stanley Kennedy returned to his home in Mountainair, N. M., after spending a week here with his grandmother, Mrs. Birdie Paul.

Paul Craig and Fred Johnson, of King Bros. Grain were in Maude, Okla., last week to get Mr. Craig's furniture. The Craigs have been living here for several months and are now getting their household goods moved, having found a house to live in. Mrs. Craig and the children remained in Oklahoma several days because of the death of a relative.

THE MULESHOE JOURNAL

Dedicated to the Progress and Development of Bailey County and the South Plains of Texas

TWENTY-FIFTH YEAR, No. 35

MULESHOE - COUNTY SEAT OF BAILEY COUNTY, TEXAS

THURSDAY, AUGUST 28, 1947

**School Children
Must Be Age 6
By September 1**

Children to be admitted to school must have reached their sixth birthday by September 1, Supt. W. C. Cunningham of the Muleshoe schools announced today.

If a child is not listed on the census rolls of the school, a birth certificate should be presented, he said.

Muleshoe schools begin next Wednesday, September 3, and regular classes will be run Friday. The lunch room will begin to serve meals that day.

Teachers are reminded that there will be a faculty meeting September 2, at 10 a. m. in the high school building.

**Two Released On
Bond; Assault
Charges Are Filed**

Deputy Sheriff Roy Hogan is being treated in the Amherst hospital and T. M. Cox, city policeman, is under treatment in a Memphis, Texas, hospital as a result of an altercation here at 2 o'clock last Saturday morning.

Two young men, Donald Kemp, 18, of Muleshoe, and a cousin, J. W. Brannon, were charged Monday in a complaint filed by County Attorney Pat Bobo with assault with intent to murder in connection with the case. Sheriff Buchanan said the two officers were in the act of arresting the two men. Kemp is charged with assault on Cox, and Brannon is charged with assault on Hogan in the complaint.

The two waived examining trial and Justice of the Peace R. J. Klump set their bonds at \$3,000 each. They will await action of the grand jury, which will meet in regular session November 1.

They were released on bond Tuesday.

Deputy Sheriff Hogan had a broken nose. Several stitches were taken to close wounds in the nose and forehead. He had other bruises. Mr. Cox had several facial bruises. They were treated at Green Hospital & Clinic.

**SPOTTED SHOWERS FALL
IN BAILEY COUNTY**

Showers were reported to have fallen from Baileyboro to Needmore Tuesday afternoon. Only a small territory was covered, but crops probably were benefited where the rain fell. Northeast of Muleshoe another shower is reported. Mrs. R. L. Roubinek said a shower fell at the Roubinek farm Tuesday. Rains have been falling in scattered portions of Texas but little has reached Bailey County.

Flowers Department Of Muleshoe Fair Announces Premiums, Rules

PLANTS AND CUT FLOWERS

All potted plants must be entered not later than 10:00 a. m., Friday, September 26.

2. Premiums on cut flowers will be awarded Friday, September 26. Flowers must be entered by 10:00 a. m., Friday, September 26.

3. An exhibitor must be an amateur who raises and cultivates flowers purely for pleasure and ornament.

4. All entries under potted plants must be rooted.

New Longview Baptist Church Dedicated

Above is a picture of the group at the recent dedication ceremonies of the Longview Baptist church, recently completed.

Rev. Gerald Moore, pastor, and Mrs. Moore are pictured in the center.

Rev. Moore has preached his last sermon for the Longview congregation, having resigned because he and Mrs. Moore are moving to Corpus Christi.

The Longview church is of tile and stucco construction.

**Charges Filed
In Fatal Road
Accident Sunday**

Charges of negligent homicide were filed in county court here Monday by Pat Bobo, county attorney, against Louis Franklin Dickson, driver of a truck which figured in a fatal accident Sunday night near the south line of the county on Highway 214.

Carl Loiser of Dimmitt, was killed outright when the car in which he was driving south collided with a towed truck that had turned over on the highway. Loiser is a son-in-law of W. T. Autrey, long-time resident of the Emmons community, now residing at Dimmitt. A cousin of Mr. Autrey, Leo Short, was in the car with Loiser and was critically injured. He is being treated in the Morton hospital.

Sheriff J. C. Buchanan investigated the accident. Dickson was driving one empty truck, towing another.

**Three Way Church
Holding Revival**

A revival is being held by the Three Way Baptist church, with Rev. V. M. Lollar, of San Angelo, conducting the preaching. The meeting, which began last Friday, will continue through the coming Sunday, August 31.

Services are being held in the newly completed church building.

**Grid Training
To Begin Monday**

Candidates for the Muleshoe high school Yellow Jackets football team for 1947 will meet with Coach James A. Beam Monday afternoon, September 1, the coach announced today. Coach Beam came in this week after spending a part of his summer vacation in college.

He looks fit and fine, and boys who report Monday may expect to get right down to the job of learning to play football.

The Yellow Jackets for 1947 are an unknown quantity. Many of the bigger boys graduated last spring, leaving a tough season's job on the shoulders of younger and less experienced lads, but everyone is expecting them to do their best, which is what counts.

It is a tough schedule faced by the boys, for some of the other teams, perennially the leaders of the league in District 5-A, lost few of their more experienced players.

First game of the season will be against Canyon high school at Canyon the night of September 12, Coach Beam said. He has his work cut out for him to whip up a team in twelve days, but it has been done before and right here in Muleshoe last year, after only a few days practice, the local lads took on Canyon and gave them a nice lesson on the finer points of the game, winning handsly.

The grass is growing pretty well on the new football field and the lights will be installed in time for the first game to be played at home.

**Painter Funeral
Services Held Here**

Claude T. Painter, 73, passed away at Amherst hospital Monday, August 25. Mr. Painter had lived in Muleshoe the last year.

He is survived by his wife, one daughter, Mrs. Fred O'Hair of Goodland and two granddaughters.

Funeral services were conducted at 4 o'clock Tuesday afternoon at Main Street Baptist church here by the pastor, Rev. E. N. Robinson. Interment was in Muleshoe cemetery under direction of Steed Funeral Home.

Mr. Painter was born September 8, 1873, in Springfield, Mo.

Mr. and Mrs. Peyton Wofford, of Victoria, were guests in the E. H. Kennedy home Tuesday and Wednesday of last week. Mr. Wofford is a brother of Mrs. Kennedy.

J. A. McGee this week began construction of a residence on South Williams street in Hospital Addition. The house will have four rooms and bath, and will be for sale when completed. Mr. McGee said.

The Muleshoe Assembly of Rainbow girls will meet Thursday, Sept. 4, at the Masonic Hall.

Jack Witherspoon, son of Mrs. J. D. Witherspoon, and Roland Victory of Center, Colorado, visited here over the weekend with his mother and Mr. and Mrs. Wilson Witherspoon of the Longview community.

Judge J. R. Klump, city secretary, is taking his vacation this week and during his absence Miss Frances Williams is in the city office.

**Elevator Men Aid In
Wheat Improvement**

Muleshoe elevators are cooperating with the general Plains movement aimed at improvement of wheat varieties grown in the area.

OUR HONOR ROLL

Among recent subscriptions received by The Journal are the following:
Eugene English, city.
O. L. Christie, city.
Arthur Ryan, Rt. 1.
Wylie N. Grubbs, Rt. 2.
W. D. Kay, Bula.
T. G. Turner, Clovis.
Mrs. John Gammon, Friona.

**Town To Close
For Labor Day**

A majority of the business houses of Muleshoe will be closed Monday in observance of Labor Day. A committee passed a petition Wednesday and secured more than thirty signatures of firms agreeing to close.

The bank, post office, and courthouse will be closed also. Some implement houses, cafes, drug stores will remain open for business.

**NAVY RECRUITER TO BE IN
MULESHOE SEPTEMBER**

A Navy Recruiter, Michael R. Bell, CQM, USN, from Clovis, will be in Muleshoe, September 4, located at the Post Office.

Anyone interested in the Navy is urged to see Chief Bell as he has the latest information concerning an enlistment in the Regular Navy and will be glad to explain the many valuable advantages the Navy is offering young men at this time who wish to get ahead in life. Join the Navy and "Earn while you Learn."

MARRIAGE LICENSES

James R. Jennings and Betty Craft.

Sidney Franklin Davis and Miss Juanita Belle Allen.

Cole Alford Gates and Miss Alta Josephine Hawkins.

**Shuttlesworth
Buys Baker Store**

Mr. and Mrs. Joe A. Shuttlesworth, recently of Sudan, have bought the Baker Mercantile store at Stegall and began its operation last week.

They announce they will carry a complete line of groceries, school supplies, gas and oil and a small line of auto parts. They expect to supply many of the wants of the people of their neighborhood.

Mr. Baker, who has operated the store ten years, will remain in the community and devote his attention to his farming interests there.

**CRUSADERS PLACE
BIBLES IN HOSPITAL**

Mrs. L. T. Green reports the Green Hospital & Clinic has received twenty-two Bibles, one for each hospital room, a thoughtful donation of the Crusaders Sunday School class of the First Methodist Church. She expressed the appreciation of the hospital management for this act on the part of class members.

**Lions Continue
Scout Sponsorship**

Members of the Lions Club voted at their noon luncheon Wednesday to continue their sponsorship of the Boy Scouts movement here.

Lion Boss Cecil Tate named Fred Johnson chairman of the Boy Scout committee, with other members of the committee as follows: Lee Pool, chairman of camp and activities; Norris Douglass, chairman of health and safety; N. H. Greer, advancement; and W. D. Moore, finance.

A court of honor was planned for the evening of Monday, Sept. 29, in the district court room, when medals will be presented. Scout executives of the district will be in attendance and parents of Scouts are invited to be present.

Mr. and Mrs. E. H. Kennedy attended a reunion of her family held last weekend at Wheeler. Eighteen persons were present, including her father, W. B. Wofford, and five brothers and their families.

and in this paper will be found messages sponsored by them on the subject.

Local grain men interviewed indicated a keen interest in the wheat improvement program, sponsored in the main by the Texas-Oklahoma Wheat Improvement association, with headquarters at Oklahoma City. Shortly after the end of harvest here, this paper printed a letter written by Kimble elevators to Ray Griffiths, of Ray Griffiths elevator, deploring the quality of wheat received this year from the Plains. Burrus Mills, one of the largest manufacturers of flour, had complained of their inability to find suitable milling wheat and Kimble had expressed the fear that acceptances from this territory would have to be limited in the future.

Officials of Harvest-Queen Mills at Plainview recently sounded a warning through the Plainview paper on the situation.

County Agent J. K. Adams is working with the local grain men in an effort to bring before wheat growers the desirability of growing better varieties. He announced this week that he has obtained wheat seed of recommended varieties for three demonstrations near Muleshoe.

Adams furnished The Journal with a copy of a letter he had received from the agricultural department of Tex-O-Kan Flour Mills Co., Amarillo, which said in part:

"Preharvest surveys show that the North Plains of the Panhandle had 21 per cent of the wheat acreage in Chiefkan and/or Red Chief and the South Plains had 18 per cent of those poor quality varieties. Certain counties were very heavy in the acreage of poor quality varieties while others had very little of such varieties. The overall figure, however, of poor quality varieties is so high that millers throughout the country are either refusing to purchase Southwestern wheat or are discounting in some manner Southwestern wheat."

"As an example, carloads of wheat reaching the Kansas City market from recognized poor quality areas have been known this season to have failed to receive a bid of any kind. Other carloads of poor quality wheat have been taking severe discounts at certain terminal markets."

"Texas Panhandle wheat has been in the past a good source of high protein, high quality wheat with a good market demand. This year, despite a shortage of high protein wheat, Southwestern wheat, particularly from the recognized poor quality variety producing areas, has not enjoyed a favorable market in comparison to good quality producing areas."

The letter said that carloads of Chiefkan-Red Chief wheat even of high protein have either failed to get a ready bid or suffered a 16 1-2 cents a bushel discount.

The Texas-Oklahoma Wheat Improvement association is recommending the following new varieties for this hard red winter wheat producing area:

1. Comanche.
2. Westar.
3. Triumph.
4. Wichita.

These varieties are of acceptable milling and baking characteristics and are recommended by State and Federal Agricultural Experiment Stations.

Older varieties such as Kanred, Tenmarq and Turkey are of very good quality and where they are doing well on the farm are recommended. Seeding time is almost here in this area and local grain men and agricultural workers believe it is timely to spread this information before all growers in the interest of the welfare of the whole territory.

Hay Cured in Silos By Electrical Motor

Mechanical Method of Saving New Hay Crop

Although the barn mow still is more extensively used today than any other place for the mechanical curing of hay and other forage crops, it lately has been receiving some competition from other farm structures—notably the silo. Use of silos for curing forage crops is gaining favor with farmers who do not have the space required for installation of necessary equipment in their one-story barns, as well as those who desire to use their mows for other purposes. The accompanying illustration shows a typical silo hay curing installation. In its latest of many newer farm electrification developments, air enters the hay through vents in the

Silo converted for mechanical curing of hay and other forage crops.

walls and passes into a vertical chamber which extends from top to bottom of the silo. It is exhausted from the structure by means of a fan, located above the entrance. The cost of curing hay electrically by this method with a 5 or 7½ horsepower motor is about \$1 per ton, the same as in the case of mow systems. Tests show that the quality of hay, cured in this way, also equals that cured in the barn, being worth from \$5 to \$10 more per ton in feeding value than that dried by the sun.

KNOW YOUR BREED

Dunloggin Mistress La Princess

A new record price for Holstein-Friesian cows was received at a Cary, Ill., sale, when Dunloggin Mistress La Princess brought \$23,500 to her consignor, Elmwood Farms, Lake Forest, Ill. She was purchased by Wern Farms, Waukesha, Wis., which later resold her

at a private sale to Rehder Bros., Gladbrook, Ia.

Her record of 1,047 pounds of fat and 27,478 pounds milk, 3.8 per cent, made in 365 days, three time daily milking, established a new Illinois Holstein record. She was selected as the Reserve All-American Aged Cow in 1946.

U. S. Farmer Is Best

Through improved breeding methods, the farmer today is raising finer livestock than ever before. Through modern medicines, he has a type of on-the-farm control of disease and epidemic such as never before has been possible. This is the view recently expressed by Dr. Ward L. Beebe, authority on animal health care.

All the more remarkable is the fact that the farmer has accomplished this despite a ratio of only one veterinarian engaged in farm work for more than 25,000 farm animals.

Beet Top Silage Cuts Requirements for Hay

The best feeding practices have demonstrated that by use of beet top silage in the ration, the hay requirements may be reduced by one-half in the feeding for production of beef, mutton or milk. The succulent value of the silage supplements its actual feeding properties and that of forage and other feeds. Many feeders think that the silage has a value almost equal to good hay, ton for ton.

BLACKWATER VALLEY SOIL CONSERVATION DISTRICT NEWS

George Hicks, cooperater with the district, was assisted last week by Soil Conservation Service technicians in laying out ditches for watering 25 acres which will be seeded to small grains.

Irrigation systems composed of ditches and borders were laid out last week for B. J. Obenhaus and for W. L. Shafer.

Allison Cassidy and J. E. Mills were assisted in staking irrigation ditch lines.

T. C. Moseley leveling 80 acres of land according to information given by Soil Conservation technicians.

An irrigation system was planned on 30 acres for Sadler and Childress. A well location was made for Floyd Marrs.

A complete border system for irrigating alfalfa and improved pasture was planned with C. D. Julian. Grade stakes for an elevated ditch were set out on land owned by Miss Dattie Wilterding.

Applications for Soil Conservation Service assistance were received last week under the Farmer-District program on 160 acres of farm land owned by Floyd Marrs, on 107 owned by T. A. Miller, and on 32 owned by H. W. Herrington.

An application was made on the VVN ranch, 73,550 acres, under the Rancher-District program which was recently adopted by the supervisors. This brings the total number of applications received to date to 372.

James L. Moore, the new Work Unit Conservationist for this district, has entered on duty at the Muleshoe office.

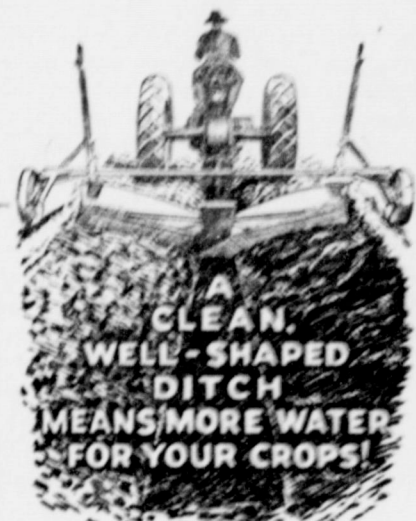

trict, has entered on duty at the Muleshoe office.

Harvie Pool and family of Leveland, visited here with the families of his brothers, Lee and Myron Pool, Sunday. The Pools had with them also their parents, Mr and Mrs. W. M. Pool, Sr. of Lubbock.

Save Time AND MONEY... with the Double Wing

Chaffin

- One Man Operation
- Adjustable Wings, Wheels and Beam
- Less Clogging
- Rigid Construction Electrically Welded Throughout
- Low Cost
- Made in 12 Sizes

Build and Clean Faster, Easier, Cheaper!
Ditch building with the Chaffin Ditcher is a fast, one man operation. Exclusive patented features result in wide-bottomed, evenly banked ditches. Adjustable wings, wheels and beam make the Chaffin Ditcher instantly ready to build or clean ditches any size or shape up to machine's capacity. There's no guessing... a Chaffin will do the job through heaviest alfalfa, stubble, sod, heavy soil, or gravel, requiring less power, less work, less time and less cost!

Protect Against VITAMIN DEFICIENCY With

ONE A DAY

MULTIPLE VITAMIN CAPSULES
Each One-A-Day (brand) Multiple Vitamin Capsule furnishes the full basic daily quantity of five vitamins whose requirements in human nutrition have been established.

You can't buy better vitamins no matter what you pay for them. One-A-Day (brand) Multiple Vitamin Capsules are guaranteed to be full potency, as shown on the label.

Make One-A-Day your Buy Word for vitamins. Get them at your drug store.

INSURE Success WITH

Comanche • Westar • Wichita

Were Top Yielders in This Area This Year!

COMANCHE . . . At or near top in all field tests . . . good straw . . . good test weight . . . drought resistant . . . popular with all growers who try it.

WESTAR . . . Consistently high yields . . . similar to Comanche but higher yielding in the Panhandle . . . stands well for combining . . . resistant to leaf rust . . . exceedingly popular in the Panhandle . . .

WICHITA . . . Early . . . equal to Early Blackhull in yields . . . stands much better for combining . . . resistant to drought and disease

. . . safest and surest of early varieties . . . large acreages assured in 1948!

Housewives demand quality bread . . . this requires strong gluten . . . beardless varieties have weak gluten . . . flour mills this year stayed out of areas raising beardless wheat . . . they are shipping in outside wheat to strengthen their mix . . . Exports have been heavy and are present outlet for poor baking flour . . . these are apt to be curtailed anytime . . . We must regain our local markets . . . start NOW to find seed of these new high yielding, high quality varieties!

Avoid future discounts. Help improve our local wheat variety reputation. Seed of these new wheats already in heavy demand. See the County Agent or call on us.

All these thrills are yours when you own this one car giving **BIG-CAR QUALITY AT LOWEST COST**

Here are all the major thrills of motoring combined in one outstanding automobile—the new 1947 Chevrolet. Big-Car styling—Big-Car comfort—Big-Car performance—and big savings, too! They're all yours in this only motor car giving BIG-CAR QUALITY AT LOWEST COST.

One look at this smartly styled Body by Fisher will tell you it's the most beautiful motor car body in its field—both inside and out. It's extra-roomy, extra-comfortable, and extra-safe as well. It's one of the many Big-Car advantages found only in Chevrolet and higher-priced cars.

In the new Chevrolet, riding is like cruising in perfect weather. Your trip is so smooth, so steady, so enjoyable! You ride in solid, balanced comfort over all types of roads, with the famous Knee-Action Gliding Ride—exclusive to Chevrolet and higher-priced cars.

Count on having hair-trigger get-away—power for any hill—all the speed you'll ever need! For this new Chevrolet boasts a Valve-in-Head Engine—the extra-efficient type of engine—giving maximum results from every gallon of fuel. Remember—Valve-in-Head performance and reliability are exclusive to Chevrolet in the lowest-price field.

May we suggest that you keep your present car operating efficiently and dependably by bringing it to us for skilled service, now and at regular intervals, until you secure delivery of your new Chevrolet. Come in for a complete service check-up today!

SCHOOL DAYS

By DWIG

Tech's First Home Game Is October 4

Lubbock—Texas Tech, faced with inability to secure its completed new stadium by Oct. 1, as planned, will play its first four home football games this fall on the present field. The last home game, Nov. 29 with Hardin-Simmons, will be played in the new stadium, it was said.

Because of changed plans reservations for seats in the new stadium will be voided, except for the HSU game, it was announced. Persons having reservations in the old stadium in 1946 will be able to retain

them this year, provided they notify the athletic office by Sept. 13, it was announced. After Sept. 13 reservations not renewed will be thrown open.

It was pointed out that space in the old stadium will be at a premium this fall because of increased enrollment at Texas Tech, the new regulation that all students must buy activity tickets, and need for more student space in the stands.

The stadium was to have been ready by Oct. 1, but fire on June 29 destroyed forms for three sets of seats. Thus games Oct. 4 with West Texas State, Oct. 11 with Tulsa, Oct. 18 with Baylor and Nov. 8 with Arizona must be shifted to the old field. Completion of the new stadium is seen for mid-November.

YOUNG PREACHER FILLED BAPTIST PULPIT SUNDAY

Rev. Autry Brown, young preacher of this community, preached at the First Baptist church Sunday night in the absence of the pastor, Rev. A. W. Blaine, who is conducting a meeting for the Circle Back church. Rev. J. E. Moore, pastor at Circle Back, preached at the morning service in the local church.

CAFE TO REOPEN

Remodeling of Royce's Cafe is nearing completion as this is written and Royce Garth, owner, is making preparations for an early reopening. He hopes to make it by the coming Saturday but is not sure everything will be ready at that time.

KINDERGARTEN TO OPEN

Mrs. Cecil Tate announced today that she would open her kindergarten on Wednesday, September 3, the same day on which public schools of Muleshoe will open. The school is conducted in a building on the premises of Mrs. Tate's home.

DR. COLTON COMING

Dr. C. E. Colton, head of the Bible department of Wayland College, Plainview, will preach at morning and evening services of the First Baptist church here next Sunday. Rev. A. W. Blaine, pastor, will conclude a revival meeting at Circle Back that day.

HOME

My home to me is a haven
For the things I like to do.
Things that other people
Are likely to misconstrue!
If I like I can read all day
Without dressing or cleaning up,
Or else I can eat three times
Without washing a plate or cup.
If I wish I can scream at my husband
Without people shaking their head;
Or I can tease him, or scrap with him,
Or make love to him instead.
Oh, my home to me is a haven
For things I like to do—
It's the one thing I've always dreamed of
My real self's rendezvous.

Pre-Nuptial Shower Honors Miss Craft

Miss Betty Craft, daughter of Rev. and Mrs. Truett Craft, was honored at a pre-nuptial shower in Fellowship Hall of the Methodist Church at 8 o'clock Friday evening. Hostesses were Miss Helen Holt and Mesdames Jack Lenderson, Doc Wilhite, Horace Holt, Elizabeth Woodley and Sam Fox. Guests were received by several of the hostesses, Miss Craft, her mother, and mother of the groom, Mrs. G. O. Jennings, before being shown the gifts which had been opened and put on display earlier in the evening. Refreshments of punch and cake were served by Miss Gayetta Farrell from a table beautifully decorated with a lace spread. A color scheme of yellow and orchid was carried out in dahlias surrounding

the large punch bowl, candies, individual cakes and plate favors of tiny net bags of rice.

Attending the shower were: Mesdames Pete Jenkins, Harold Wyer, Marion Harris, Charles Lenau, Olen Jennings, R. O. Moore, A. A. Walker, Jim Moore, I. W. Haney, David Anderson and Davy Jean, Lois Case, D. R. Aylesworth, Kenneth Jennings, Travis Winters, Inez Bobo, Melzine Elliott, Ruby Cox, Hope King, A. W. Copley, O. C. Kirk, E. R. Wright, J. E. Day, W. B. LeVeque, Horace Edwards, Elaine Griffith, F. B. Pierson, Finis Jennings, Albert Carroll, Fred Johnson, C. R. Farrell, Henry Williamson, A. J. Gardner, H. C. Holt, C. W. West, Clarence Jones and Margaret Collins.

Also present were Misses Norma Osborn, Gwyneth Bigham, Mary Francis Jordan, Elizabeth Harden, Ann Horsley and Doris Jean Copley.

Muleshoe P. T. A. Meets Spetember 5

Muleshoe P. T. A. will have a special meeting September 5, that's the first Friday night after school opens.

Following the business session there will be a reception honoring the faculty.

It is very urgent that all patrons attend this meeting, to become acquainted with your faculty for the coming school year.

FROSTY JONES' FOURTH BIRTHDAY CELEBRATED

Mrs. Forrest (Chief) Jones entertained Monday afternoon, August 25, with a birthday party for her small son Frosty, who was four years old.

Games were played in the backyard during the afternoon and gifts were opened. Serpentine were presented to the children as favors.

Refreshments of ice cream and cake were served to the following guests: Gary Smith, Mary Edna Pierce, Darrell Oliver, Everett McAdams, Judy Lambert, Johnny and Glen Border, Mike Barron, Vic Spivy, Alfred Blaine, Roxanna Hart, Richne Moore, Melba Johnson, Max King, Joe King, Clifford White, Archie Ray Evans, Elaine Evans, Wally Moeller and the honoree, Frosty Jones.

ATTEND FAMILY REUNION

C. E. Briscoe and family last week met with his brothers and sisters and their families for a reunion at Tipton, Okla. They camped out on Otter creek. It was their first reunion in seven years. Five sisters and three brothers with their families, totalling forty-three persons, attended the reunion which began Wednesday and continued through the weekend.

NEEDMORE REBEKAHS HAVE ICE CREAM SUPPER

The Needmore Rebekahs and their husbands and families enjoyed an ice cream supper August 26. Yes, there was just lots and lots of good home made ice cream and cake.

Several special musical numbers were given: a piano solo by Pauline Kelton; song by Wanda Busbee; and a special song by Mrs. Faye Smith.

After playing several games everyone was able to eat some more ice cream and eat we did. Yes, it was really a lot of fun. Reporter.

Many who sent gifts were unable to attend the shower.

The honoree will be married to Mr. James Jennings, son of Mr. and Mrs. G. O. Jennings, in the Methodist Church Sunday, August 31.

ARMY RECRUITER TO BE IN MULESHOE

T-Sgt. Leon A. Reynolds from the Clovis, N. M., Army office, will be in town on Wednesday, Sept. 3. He will be at the postoffice to interview anyone wishing to inquire about the regular army. He states that there are still openings for prior service men at Brooke Army Medical Center, Ft. Sam Houston, Tex.; Beaumont General Hospital, El Paso, Tex., and various other 4th Army areas on camps. Repeat that musicians are still on demand at Ft. Sam Houston.

The Journal editor is in receipt of a folder advertising "Galveston Week," sent us by R. L. Brown. The latter apparently is enjoying his vacation. The folder is replete with pictures of gals in Galveston in their bathing suits.

FARM NOTES

BEE KEEPERS OF BEES

Lubbock—Several thousand bees will accompany four Texas Tech students when they go home after summer school closes Aug. 29.

J. M. Spain of Olton will have 15,000 bees on his motorcycle with him, while a similar number of the insects will go by automobile with Pete Dowell of Wichita Falls, Cecil Green of Bridgeport, and James W. Taylor of Littlefield. F. W. Wright of Thalia has the bees

in laboratory work. Under direction of George W. Elle, assistant professor of horticulture, they have constructed a hive and installed the bees. The unassembled hive body cost them \$60, the bees the same amount for a three-pound pack of about 5000 insects to the pound. Included is a queen bee.

MAIZE AT LORENZO

A load of 1947 grown milo maize was delivered at Lorenzo last Wednesday. The grain had 15 per cent moisture and weighed 56½ pounds to the bushel. Maize harvest appears to be early this year, and local elevator men speculated that Bailey county might be harvesting this week in some spots.

Rev. and Mrs. A. W. Blaine had as guests last week her mother, Mrs. C. M. Speck, and brother, Robert Speck and Mrs. Speck and they returned to their home Saturday.

Uncle Sam Says

How would you like a fat raise? Dream stuff, you say? It isn't. It's a cold-cash, brass backs reality—if you want it to be. How do you get about it? Very simple. Just sign up for the Payroll Savings Plan where you work or the Bond-a-Month Plan where you bank. For every \$3 you put away now, you get \$4 in ten years. Take part of your pay each week in U. S. Savings Bonds. That's all. That's a fat gain in any man's arithmetic. And if ten years seems like a long time to look ahead, just give a thought to the smart Americans who bought bonds ten years ago, and hung on to them. Act now. Ten years will be gone before you know it!

We offer you good preaching and good singing.

"Christ, the Hope of the World and the Redeemer of Souls," will be the theme of these services.

You Are Extended A Cordial Invitation To Attend

IT PAYS TO GET GENUINE Factory-Engineered CHEVROLET PARTS

For repairing your Chevrolet car or truck, insist on getting genuine parts... made expressly for Chevrolets to the standards and specifications of the original parts... It stands to reason that Chevrolet engineers know what's best for the vehicles they design. And a part made to fit a number of makes may not be so good for one particular make as the part designed for that one make alone.

Fan Belts, for instance...

Different yearly-model Chevrolets have different-size pulleys with different V-angles—so Chevrolet has a particular belt for each model—just any belt won't do. (In tests genuine Chevrolet belts have stood up 2½ times as long as non-genuine belts.)

As With Fan Belts, So With Other Parts —It Pays to Use Genuine Chevrolet Parts

Listen Mate...OIL-PLATE!

YES, SIR! Molecular attraction does fasten a special ingredient of Conoco Nth Motor Oil so closely to metal surfaces of your engine that cylinder walls are Oil-Plated!

YES, SIR! This extra lubricant does resist gravity... does stay up on cylinder walls... can't all drain down, even overnight! That's why a change to Nth Oil means EXTRA protection from "dry" starts... EXTRA protection from carbon and sludge caused by wear... EXTRA smooth, cool, silent miles!

YES, SIR! We'll be glad to make a date to Oil-Plate your engine... today!

Your Conoco Mileage Merchant

Are the Pistons as Shiny as the Hood?

HOW NEW PHILLIPS 66 PREMIUM MOTOR OIL CLEANS AND PROTECTS YOUR ENGINE!

OF COURSE you want your pistons to be shining and immaculate—every other part of your engine too! Trouble is, you can't always see the pistons!

Then why not use the oil that removes sludge and varnish while it is doing a grand job of lubricating the moving parts of your engine?

WITH PHILLIPS 66 PREMIUM—

1. You get an oil specifically designed to keep the various parts of your engine clean!
2. You get an oil specifically made to reduce sludge, and sticky varnish formation!
3. You get an oil specifically blended to protect bearings from corrosion!

WE'RE MIGHTY PROUD OF THIS OIL!

You know the Phillips 66 reputation—we sincerely recommend this new Premium Motor Oil as one of the finest products to ever bear the Phillips 66 Shield! It costs a little more because it's a lot better. Get it at your Phillips 66 Station now.*

*You can get the new Phillips 66 Premium Motor Oil despite the shortage of cans! Your dealer has it in drums, too!

KEEPING COOL—IN COTTONS

Vivacious Veronica Lake, who has her warm moments, knows how to keep cool, too—she slips into a crisp cotton playsuit, thrusts her toes into a pair of air-cooled sandals, and has the answer to that question of what to do about the heat.

Matching Jobs And Workers Locally Is Employment Aim

For every 100 workers placed on jobs in their own community, one is sent to a job in other localities, according to a report from the Texas Employment Commission. During the last seven months, 3,374 Texas workers have been hired in local offices of the agency for jobs in other parts of the state and nation.

"Employers have little hesitancy about placing job orders for skills which are not available in their local markets," the Commission said, "and present methods of job description and workers analysis have

eliminated most of the guesswork in hiring practices. Today, when we get an order for a certain type of worker, our testing methods prove whether an applicant is qualified to hold that job. We have to know what we are doing when we refer a man or a woman across the state or country to a job."

"When the office is not able to fill an order for workers locally, this job is listed with all the other offices throughout the state," Jordan said. When employments cannot be found for workers, his job application is also placed on clearance order for consideration by all other TEC offices for work in his line.

To insure speed in filling these jobs, local TEC offices deal directly with each other in listing all

jobs and presenting workers for employment, thereby cutting the time involved.

Jordan said this system of inter-office clearance has been operating in Texas for the past 18 months.

Matching jobs and workers locally is the primary aim of the Texas Employment Commission, Jordan said. However, when a worker's skill cannot be used in his home community, and other towns are short on workers it is to everyone's advantage to get them together.

The TEC clearance system offers up-to-date information on employment supply and demand since

Comes to hand a card to ye Journal force from the mighty John Jack DeShazo, a printer's devil on vacation, mailed from Corpus Christi. He and several other boys are touring Texas.

each TEC office is closely tied in with all others throughout the state for a fast moving exchange. This information includes the number of job seekers on file at each local office with skills that cannot be placed locally and lists of jobs for which workers with the necessary qualifications are not available in the community.

MILLS GROWS PEACHES

Some of the finest peaches to come to the attention of The Journal this year were grown right here at Muleshoe by J. E. Mills. Mr. Mills presented several specimens to the editor and wife, who can testify that they have excellent flavor as well as eye appeal. More fruit is needed on the Plains of Texas and Mr. Mills adds another evidence that it can be grown successfully here.

Mr. and Mrs. George King, of Olmitz, Kans. have been here looking after farm property they own.

Latest report from New York State debunks the old comedy routine about women drivers. Records show more auto accidents among men than women who drive, granting that ratio of male to female drivers of 6 to 1.

A woman is just a woman but a cigar is a good smoke is a philosophy promoted by impetuous Victor Herbert to which many modern motorists adhere. Getting an even-burning cigar ash is a trick when driving but it can be done according to Casco design engineers who developed a popout car lighter. A special nichrome element which heats up in the matter of a few seconds to a soft glow of lighting intensity is responsible. With an eye to convenience and safety for motoring smokers, the automatic lighter can be operated with one hand.

Atomic energy may make the cars whiz by within the next five years, according to a statement made by John O'Neill, author-scientist and 1937 Pulitzer Prize winner. He says that the car of the near-future will have a built-in fuel supply, adequate for 1000 years. The source of supply will be lithium atoms which can produce energy without producing dangerous radio-active particles, he predicts.

Longer life for cars is promised by recent automobile service industries show. Among the innovations shown are an adjustable seat for mechanics, grinder for taking off high spots on new brake shoes and a device which rocks the car during a grease job ensuring that the lubricant reaches every crevice.

Going UP TOGETHER WITH NEW WHEATS

Comanche · Westar · Wichita

Were Top Yields in This Area This Year!

COMANCHE... At or near top in all field tests... good straw... good test weight... drought resistant... popular with all growers who try it.

... safest and surest of early varieties... large acreages assured in 1948!

WESTAR... Consistently high yields... similar to Comanche but higher yielding in the Panhandle... stands well for combining... resistant to leaf rust... exceedingly popular in the Panhandle...

Housewives demand quality bread... this requires strong gluten... beardless varieties have weak gluten... flour mills this year stayed out of areas raising beardless wheat... they are shipping in outside wheat to strengthen their mix... Exports have been heavy and are present outlet for poor baking flour... these are apt to be curtailed anytime... We must regain our local markets... start NOW to find seed of these new high yielding, high quality varieties!

Avoid future discounts. Help improve our local wheat variety reputation. Seed of these new wheats already in heavy demand. See the County Agent or call on us.

ST. CLAIR
DEPARTMENT STORE

- NEWS BRIEFS -

Mr. and Mrs. R. W. Trapp are parents of a son, Robert Arthur, born Friday, August 22, in Amherst hospital.

Mr. and Mrs. Woodie Lambert little daughter, Judy Kay, were weekend guests of her parents at Turkey.

Mr. and Mrs. Murrell Brown and little daughter, Kay, spent the weekend at Ruidoso.

Mr. and Mrs. Dudley Malone and children spent the weekend in Carlsbad in the home of Mr. and Mrs. Jerry Reid.

Mrs. E. C. Smith and daughter, Kayla, are visiting her sister Mrs. Julian and family this week.

Mr. and Mrs. James A. Wade of Fallbrook, Calif., and children have been visiting here with her parents, Mr. and Mrs. J. H. Engram, and her sister, Mrs. G. O. Jennings. They were accompanied by his brother, Ira Wade and family, of Oklahoma City. The Wades were reared at Texico.

Mr. and Mrs. Charles Clements of Plainview were Sunday guests of Judge and Mrs. Cecil H. Tate.

Janice Jordan and Sandra Wagon spent the latter part of the week in Levelland, with Janice's sister Mrs. Bernice Beatty.

R. B. McHorse, clerk in the Muleshoe postoffice, with his family is visiting his parents at Coleman.

A post card comes to this desk from Mr. and Mrs. Buck Ragsdale, mailed at Las Vegas, from where they were about to tee off for Boulder Dam.

Miss Helen Jones returned home last Wednesday from a visit to Los Angeles and San Francisco.

Mr. and Mrs. W. P. Craft of Dallas, were week end visitors with her sister, Miss Helen Jones.

Mrs. Hazel Dyer is visiting in Fayetteville, Ark. with her parents.

Mrs. Lee J. Sanders spent Monday in Lubbock on business.

Vernon Adair and family, of Clovis, visited here Sunday with his sister, Mrs. Lillian Sellers.

J. D. Klepper recently purchased the home of Mr. and Mrs. Henry Williamson in Hospital Addition and the Klepper family will move into Muleshoe from the farm. The Williamsons have bought a house recently built by Doc Wilhite.

Sunshine Club

The Sunshine Club met in the home of Mrs. Merle Barnhouse August 21 with three visitors and fourteen members present. The meeting was called to order by the president, Mrs. Chambless. A business

session was held and definite plans were made as to taking exhibits to the fair and possibly the club will have a booth there.

Next meeting will be with Mrs. George Chambless, Sept. 5. Refreshments were served to Mesdames John Ladd, Frank Rowland, P. R. Johnson, Dawkins, Dave Coulter, Ike Stinson, H. C. Odom, F. W. Grandy, L. E. Ware, George Chambless, Tommy Meek J. O. Crawford and daughter, Wanda, Miss Dorothy Dawkins, Mrs. L. D. Tipton and the hostess.

Mr. and Mrs. Joe Bill Alsop are expected to arrive this week end from Chattanooga, Tenn., for a visit here with relatives. He is the son of Mr. and Mrs. J. L. Alsop.

NOTICE

Under the law you now have only 10 days in which to apply for transfer of title when buying or trading for a motor vehicle in Texas. A \$5 penalty attaches upon failure to comply with this regulation. Your attention also is called to a provision of the new law which makes it a misdemeanor to leave a part of transfer of title form blank, leaving out information that is required to be furnished, and such offense is punishable by a fine of not less than \$50 nor more than \$200.

Mostly Static --

By BERRY

Howdy, Folks: It's almost fall and the kids are lamenting the shortness of summer.

Florists are putting hair tonic on asters in hope they'll grow up to be chrysanthemums, come football season.

And football coaches are experimenting with atomic energy pills.

Congressmen are home pumped full of air for the coming election, thereby showing signs of inflation.

When these fall election winds start blowing, remember that a candidate is one who stands for anything he believes the people will fall for.

So be careful you don't become a victim of the theory that nothing is what more people believe than anything.

We believe we can make you happy with our high quality, big value Electric and Gas Ranges, and that isn't fall election wind, either.

Bailey High In Wheat Production

Bailey county was high among the wheat producing counties of Texas this year, according to a survey made by the Amarillo Chamber of Commerce and recently released. The survey estimated production here at 1,140,000 bushels. Childress county, with an estimated production of 9,180,000 bush-

els, was the leader in Texas. Other county figures include: Deaf Smith, 7,300,000; Parmer, 4,500,000; Hale, 4,500,000; Castro, 4,000,000; Briscoe, 3,400,000; Floyd 3,000,000; Swisher, 6,500,000; Lamb, 840,000.

Mrs. Delma McCarty and son Fuston, were in Lubbock, Monday on business.
