

### Mrs. Sybert Rites Conducted

Mrs. J. T. Sybert, who had been making her home with her son, Cecil Osborne, of Post, passed away Dec. 22 at 2 o'clock. Mrs. Sybert had been ill for some time. Her husband preceded her in death on March 1 of this year.

They had been residents of Muleshoe the past four years. Funeral rites were said by Rev. M. E. Robinson of the Main Street Baptist Church of Muleshoe, assisted by Rev. Huron Palnac of the First Baptist Church of Post.

She is survived by her four children: Cecil Osborne, Post; Walter Anderson, Plainview; Omar Anderson, Temple, Okla.; Mrs. R. E. Dort, Muleshoe. There are thirteen grandchildren and eight great grandchildren.

Those from Muleshoe attending the funeral were Rev. and Mrs. M. E. Robinson, Mr. and Mrs. J. S. Horsley, Mr. and Mrs. Robert Kimbrough, and the grandchildren, Mr. and Mrs. H. D. Crawford, Mr. and Mrs. Hardy Burrow, and Mr. and Mrs. Cecil Osborne, Jr.

### Muleshoe Shivers During Icy Spell

Ice covered the walks, the streets and windshields when Bailey county people awoke Wednesday morning. Footing was precarious and many a staid citizen got his downfall, losing his standing position and his dignity in a sudden reversal of things.

R. J. Klump, weather recorder here, said maximum temperature for that morning was 17 degrees above zero. Very little moisture fell and the spell was expected to end by Thursday.

### HELD CHRISTMAS PARTY

Rockey Motor Co. and Rockey Tractor company owners and employees held their Christmas party Monday night of Christmas week. There was an exchange of gifts, after which a banquet was served at the Cross Roads. Twenty-two attended.

Mr. and Mrs. Jack Beddingfield returned from Greenville Monday after visiting with Mrs. Beddingfield's mother, Mrs. Grover Sullivan, who returned with them to spend several days here.

### Corbin Announces For State Senator

**KILMER B. CORBIN**  
 Lamesa—The first hat was tossed into the 1948 West Texas political ring here today when Kilmer B. Corbin, County Judge of Dawson County, announced his candidacy for State Senator from the 30th Senatorial District.

The 28-year old Dawson County is now serving his third term as County Judge, the last two of which have been without opposition. He has a varied background which he feels equips him in every respect to serve the people of the 30th District in the Texas Senate.

### CHRISTMAS THANKS FROM BOYS' RANCH FARM

We, the boys of Boys' Ranch Farm and the personnel, wish to express our sincere gratitude for the wonderful way in which the many individuals, the civic clubs, the churches, and the community as a whole contributed to our Christmas at the farm. This has been the finest Christmas that we have ever known and really no words can express the deep appreciation we have in our hearts for your making it possible for us to have a home and enjoy the comforts that we have not known before; the things that go to make up a boy's life and which he will always remember. Again we can only say, THANK YOU.

Alton G. Weeks, Supr. of Boys' Ranch Farm.  
 C. C. Mardis who was stricken with a stroke Christmas day, is reported to be somewhat improved.

### W. L. Jackson Dies At Cisco

W. L. Jackson, 67, resident of Muleshoe for about two years, died Tuesday at 2:30 p.m. at his home in Cisco. Mr. Jackson had engaged in the real estate business here. He was a retired minister of the Primitive Baptist Church, having preached until a few months ago.

Mr. Jackson had been in ill health for several months. He and Mrs. Jackson left about three months ago and Mr. Jackson was for a time under treatment in an Abilene hospital.

He was born in Wise County, Texas. For a time he lived at Floydada and after moving to Muleshoe he served as pastor of the Primitive Baptist Church here.

Mr. Jackson is survived by his wife; one daughter, Mrs. Crystal Brown, Oklahoma City; four sons, Terrell of Cisco, J. C. of Guyton, Okla.; Newman, of San Angelo, and Howard, of Levelland.

Other survivors include three brothers, B. L. Jackson, Muleshoe; J. P. Jackson, minister of Anton, Texas; Elmer Jackson, Alvord; and three sisters, Mrs. Minnie Daniels, Marlow, Okla., Mrs. Bonnie Robinson, Oklahoma City, and Mrs. O. H. Royston, Visalia, Calif.

B. L. Jackson left for Cisco Wednesday morning. Funeral services will be held here today, Thursday, at 2 p.m. and burial will be in Cisco cemetery.

### THANKS TO ALL

Members of the Muleshoe Independent School District Board of Trustees and school officials wish to thank those who took the interest to vote in Monday's school election. We appreciate the fact that a majority of those who did vote saw fit to approve the plans that had been made for our school. Yours for a great Muleshoe school system.

Muleshoe School Board,  
 By N. H. Greer, Pres.

### SPENT CHRISTMAS HERE

Mr. and Mrs. Leroy Holley of Mankato, Minn., have been spending Christmas holidays with their parents, Mr. and Mrs. O. Q. Holley, route 2. They will leave for Minnesota about the first of January. Mr. Holley will resume his studies on the fifth. He is studying radio, appliance service, small motors and refrigeration.

## School Issues Win By Big Majorities

### Sub-Zero Weather Accompanies Snow

Sub-zero weather hit the Muleshoe country Wednesday night, along with a two inch snowfall. R. J. Klump, weather recorder here, said the official thermometer registered a low of 1-2 degree below zero.

Snow fell intermittently Wednesday. Moisture content of the snow was recorded at .11 inch, and the territory thus began the new year of 1948 in a proper manner.

A summary of last year's weather will appear in this paper next week.

### Coke Stevenson Runs For Senate

COKE STEVENSON

Austin, Jan. 1.—Ex-Gov. Coke Stevenson of Junction observed New Year's Day by announcing to the people of Texas that he expects to be a candidate for United States Senator in next summer's Democratic primaries.

Stevenson followed his usual campaign custom of not presenting a specific platform.

"I do not believe the average political platform is worth much of anything," he said in his Thursday address, delivered in Austin. "My candidacy is based on certain fundamental principles of sound government. It is based on my record as your public servant in the past."

The former Governor declared that if he is sent to Washington he will continue to follow the pattern set by him in his service as Governor, Lieutenant Governor, and Speaker of the Texas House. "As your United States Senator I shall hope not only to be for the right things," he said, "but to be able to do something constructive about getting the right things done."

### NEWS BRIEFS

Kirk Dewees, of Tucumcari, spent Christmas here in the home of his sister, Mrs. Henry Clementes. The Clementes also had for Christmas dinner, Jack Young and Bill Jim St. Clair.

Mrs. Howard Carlyle and son, Howard, Jr., spent Christmas here in the home of Judge and Mrs. R. J. Klump. They were all guests for Christmas dinner in the home of Mr. and Mrs. W. J. Matthews, south of Texico.

Miss Elaine Jordan, of Mason, fiancée of Joe Sam Damron, was a guest this week in the home of his parents, Mr. and Mrs. Joe Damron.

Rev. and Mrs. E. L. Merriott and sons spent the Christmas holidays with Mrs. Merriott's parents, Mr. and Mrs. C. E. Merriott at Plainview.

Mr. and Mrs. Finis Jennings and family of Lazbuddie had as their guests for the Christmas holidays, Mr. and Mrs. John Hughes and son David of Petersburg, Mr. and Mrs. Paul Pittman and son Don of El Paso and Mr. and Mrs. Floyd Williams of Las Cruces, N. M. Mrs. Hughes, Mrs. Pittman and Mrs. Williams are sisters of Mrs. Jennings.

The Muleshoe Public Library takes pleasure in thanking its readers for their courtesy during the year, hoping that each of its readers will continue their reading in the following year.

Muleshoe schools received the equivalent of a blood transfusion Monday when voters of the independent school district voted building bonds in the sum of \$350,000 and placed the maximum rate for school maintenance tax at \$1.50.

Voting was at the high school, and people came from all parts of the district to cast their ballots. All three propositions carried by majorities of more than three to one. The third proposition voted on at this time was the assumption of indebtedness outstanding in the various districts that went to make up the big Muleshoe independent school district.

Supt. W. C. Cunningham, who has labored on Muleshoe's school problem for more than a year and a half, thus saw his efforts crowned with success. As usual with him, he assigned credit for success of the campaign to begin the work of building a first class school here to others. N. H. Greer, president of Muleshoe school board, expressed the gratification of that group because the people had approved the plans on which they had worked so long.

The firm of Butler & Brashear, of Lubbock, has prepared plans for a new high school building, to be erected on ground bought by the school board in the south part of town. The Journal hopes to be able to print a picture of the proposed building soon.

It is expected that some, at least, of the increase granted by the voters in the tax rate maximum will be employed for the first two or three years in accumulating a fund to provide for the modernization of the older buildings in Muleshoe's school plant. The grade school building and the high school building are sorely in need of such work.

Among other things, the new building will have a large auditorium, which will be available for many public gatherings, providing this community with a facility that has been virtually lacking.

The vocational agriculture building is being erected on the new school campus. The athletic stadium was completed on the grounds in time for last season's games.

Overwhelming majorities were recorded in the vote on all three propositions: Bond issue, 132 for, 29 against; Raising tax rate maximum, 140 for, 32 against; assumption of indebtedness, 142 for, 30 against.

### Shady Rest News

Mr. and Mrs. Lee J. Sanders had as their guests for Christmas dinner, Mr. and Mrs. Lue Kolar, Mr. and Mrs. Marion Stetham and Mr. and Mrs. Barnee Roberts and children, Barbara and Joel of Plainview. Mrs. Robert is the daughter of Mr. and Mrs. Sanders.

Mr. and Mrs. M. Peterson of Kansas City, Mo., were holiday guests of Mrs. Peterson's sister, Mrs. Lewis Stewart and husband.

Mr. and Mrs. O. W. George and son, Bobby, visited relatives in Plainview, N. M., during the holiday.

Mr. and Mrs. O. B. Harrah had as their Christmas dinner guests, Mr. and Mrs. Lewis Stewart.

An example of the rejoicing of families united were the family of Mr. Ona Sigman. They were united after eight years, during the Christmas holidays. The children present were Carol, San Antonio, Reel of Canyon, Stanley of Lubbock, V. J. of Earth, Cecil of Muleshoe, Mrs. Faye Jones of San Antonio, Mrs. Lois Bluck of Littlefield, Mrs. Leon Smith of Muleshoe and Missy Sigman of Lubbock. Mrs. Sigman has sold her home here but we hope she will continue to make Muleshoe her home.

Mr. and Mrs. J. L. Hardin and children, Barbara Ann and James of Plainview, spent the holidays with Mrs. Hardin's parents, Mr. and Mrs. Dee Smith.

## No Depression Seen For 1948 —But Babson Says Look Out After November 2

**By ROGER W. BABSON**  
 1. 1948 will be, more or less, of a duplicate of 1947. Certainly there will be no "depression" as so many pessimists are talking about, but fundamental conditions will become increasingly less favorable. Watch out after November 2, 1948.

**General Business**  
 2. The above paragraph applies mostly to gross business. Certain industries will show smaller net profits. This means that, in some cases, dividends may be less in 1948. Remember some things may be allocated or rationed again in 1948.

3. The reconversion from war to peace has been entirely completed; war surpluses are pretty well disposed of; and 1948 will even show a resumption of military purchases.

4. Inventories, quoted both at their price values and their volumes will increase during 1948. Both raw material piles and manufactured goods will be in greater supply during 1948.

**Commodity Prices**  
 5. Notwithstanding the above paragraph, some allocations or priorities may be reinstated in 1948. The public is sick of high prices and will make demands for some price controls in the case of certain products in short supply.

6. The retail price of some goods, other than food products, will be higher during 1948 as the final turn has not yet been reached for all types of goods.

7. We expect to see the peak in wholesale commodity prices sometime during 1948. We, therefore, advise going easy on inventories, especially on borrowed money.

8. Retail price changes will lag after wholesale price changes. This explains why we expect retail prices on good quality merchandise to hold up for awhile after wholesale prices begin to decline. **BUT 1948 WILL BE A YEAR OF WAR**

### 1948 IN A NUTSHELL

**BUSINESS:** Watch out after November 2, 1948.

**COMMODITIES:** Wholesale price peak in sight.

**TAXES:** Personal income taxes will be somewhat lower.

**LABOR:** Wage workers to use Taft-Hartley Bill as check on labor leaders.

**REAL ESTATE:** Increased suburban building.

**POLITICS:** Election year propaganda.

**STOCKS:** A year for switching.

**BONDS:** Low-coupon rate, long-term bonds will be lower.

### PREPARATIONS. FARM OUTLOOK

9. The total farm income for 1948 should approximately equal that of 1947; but we forecast lower prices for wheat, corn, and certain other products. Farmers should certainly diversify more in 1948, get out of debt, put money into improvements, and prepare for real trouble someday.

10. The supply of certain vegetables, fruits and fish products should increase during 1948 and the price of these should fall off barring some weather, insect, or blight catastrophes.

11. Meat will be in shorter supply in 1948 than in 1947. Should the current propagandas to "eat less and have a better figure" gain popularity, upward pressure on meat prices would be greatly reduced.

12. Farmers will try to get both 1948 Presidential candidates to promise further subsidies.

The above for Farm Forecasts assume normal weather which we do not attempt to predict.

**Lower Taxes**  
 13. The Federal debt will be decreased during 1948.

14. No personal taxes will be in-

creased during 1948 and there will be some reductions,—perhaps 5 per cent to 10 per cent in the upper brackets and the entire elimination of those in the lowest bracket.

15. We forecast that the new tax bill will enable a man to share his income tax equally with his wife without sharing his income or property.

16. The 25 per cent tax limit on long-term gains will remain unchanged.

**Retail Sales**

17. Goods on counters will be of better grade in 1948, even if retail prices hold up.

18. There will be many "mark-down sales" of goods of inferior quality and curbs on installment buying may return.

19. The dollar value of all retail sales in 1948 should at least equal 1947.

20. The unit value of retail sales will be less in 1948 than in 1947; there will be fewer customer purchases in most stores, although each customer may visit more stores to "shop around."

### FOREIGN TRADE

21. Our foreign trade will be less in 1948 than in 1947. We shall help Europe; but it will be on a more economical and efficient scale.

22. More foreign loans will be made during 1948; but many of these will be direct to business concerns rather than to political governments.

23. There will be considerable competition from other countries in legitimate foreign trade where the credit is good. Other countries will not compete with us in our "charities"; but they certainly will compete for all profitable business.

24. Throughout 1948 war talk and uprisings will continue; but no World War III will start in 1948. **WAR PREPARATIONS WILL ACCELERATE.**

**Hog Mange Causes Average Loss of \$2**

**New Insecticide Proves Effective in Control**

Common mange of hogs is another widespread disease that has yielded to the results of animal health research. The U. S. department of agriculture says the average losses from mange probably amount to \$2 a head. This figure covers the loss from stunted growth, delay in fattening, occasional deaths and dockage when mangy hogs are marketed.

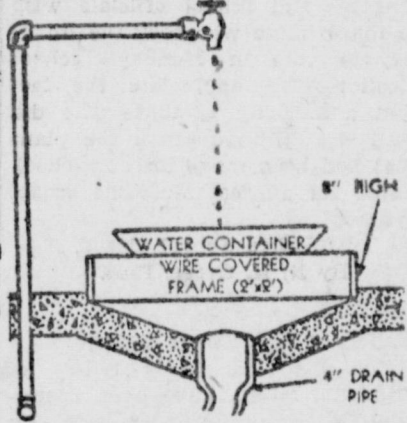

The effective weapon against mange is benzene hexachloride, frequently referred to as "666." In Nebraska tests this newly-discovered insecticide was so effective it eradicated mange with one treatment. Not only did it eradicate mange — it also got rid of lice. This makes the old mange treatments obsolete.

In the Nebraska tests, crude benzene hexachloride (a wettable powder) was mixed with water (10 pounds powder in 100 gallons) and sprayed on the hogs.

One objectionable feature of the crude benzene hexachloride is its terrific odor. This odor is not present to any marked degree in commercial hog oils prepared by use of a solvent which takes the active ingredient (the gamma isomer) out of the crude benzene hexachloride and leaves behind the ineffective ingredients—the ones that have the disagreeable odor.

**Herds and Flocks**

Pond water piped to farm buildings for livestock can be filtered by building a solid housing of soft brick (laid in cement) over the end of the pipe in the bottom of the pond.

Water filters through the pores of the brick.

First treatment for cattle grubs should be made early in winter, as soon as the tell-tale bumps appear on the backs of animals. Several treatments a month apart will be necessary. Use a cattle grub dust containing 1 1/2 per cent rotenone.

The current shortage of feed makes it important to do continuous culling in the laying house.

Dairy cows lose a lot of energy pulling through heavy mud in the barn lots. Lost energy means less milk. Paved lots that take cows out of the mud soon pay for themselves.

**Mow and Spray in One Operation Pays Well**

Prof. B. B. Robb of Cornell university demonstrates a mow and weed gadget for applying 2,4-D to lawns. A regular garden sprayer is filled with 2,4-D mixture and pumped up ready for use. Fastened to the lawn mower the sprayer carries a two nozzle boom ahead of the blades and contains enough mixture to cover at least half an acre of lawn.

**Midwest Barley Growers To Compete in Contest**

A \$30,000 contest which stresses the importance of certified seed, early planting, seed treatment, use of commercial fertilizer and timely and careful harvesting in growing barley as a cash grain crop that under proved methods of production commands a premium price is announced by the Midwest Barley Improvement association, Milwaukee. The prizes are offered to farmers in seven Midwest states.

William A. Glusing shakes hands with his own shadow in the General Electric "House of Magic" science show. A phosphorescent screen enables him to walk off the stage and leave his shadow behind, fold his shadow up in a box, or to do any of the many things you may have wished you could do with your shadow.

**Babson Forecast**

(Continued From Page One)

**LABOR OUTLOOK**

25. 1948 will see an average hourly wage rise of 5 per cent to 7 per cent. Lower income taxes should increase buying power, but this will be offset by further rises in the cost of living.

26. There need be no more unemployment in 1948 than in 1947; but "Unemployment Insurance" will be taken advantage of by too many unprincipled people.

27. Wagerworkers will gradually see that the Taft-Hartley Bill puts a checkrein only on their labor leaders; but not on Union membership. Hence, the bitter hatred against this Bill will gradually subside. The Bill is merely an "SEC" for labor leaders who need it today as much as investment bankers needed the SEC which was started ten years ago.

28. Any labor legislation during 1948 will be to amend the Taft-Hartley Bill and to raise minimum wages.

**INFLATION**

29. The Inflation Era which we have forecast for several years will remain at this stage until November 2, 1948. There will be no reckless printing of currency or government borrowing in 1948.

30. 1948 will see a public reaction against "feather bedding," "workless" jobs, and union rules which result in slow-ups. More labor-saving machinery will be installed. The public is gradually realizing that inflation can be beaten only by increased production.

31. Sometime during 1948 production in many lines will have caught up with consumption which will prevent further price increases in such lines.

32. There will be many inflation and price investigations during 1948. Both the Democrats and Republicans will try to lay the blame for high prices on the other party.

**STOCK MARKET**

33. We believe that 1948 will be a year of switching, for various reasons. One of these will be an attempt to get out of stocks of companies which have most of their assets in big "vulnerable-in-case-of-war" cities into companies whose assets are well distributed and safe from attack.

34. The Administration will try to keep the Dow-Jones Industrial Average between an upper ceiling of around 185 and a floor of around 165. Commodity speculators will be curbed.

35. The wisest will not try to pick any special "winners" in 1948; but will diversify broadly and those who have too many stocks will gradually build up good reserves, in cash or Governments, for the big break which will come someday.

36. Careful buyers of stocks will insist on making full payment and avoid borrowing during 1948.

**BONDS**

37. We are definitely bearish on low-coupon rate, long-term bonds. Many of these will sell at even lower prices in 1948 than in 1947. Money rates will gradually increase.

38. If Congress gives a good reduction in Federal taxes to investors in high brackets, 1948 will see a further falling off in the prices of most municipals and other tax-exempt bonds. As indicated above, however, we do not expect such a desired tax reduction.

39. In view of the large decline in many preferred stocks during 1947, this rate of decline should begin to level off during 1948.

40. Investors will give much more attention to diversification in 1948 and not become too heavily interested in railroad securities, telephone issues and other public utilities, many of which are now selling too high.

**REAL ESTATE**

41. City real estate will continue to hold firm through 1948, due to less available space caused by pulling down structures to save taxes, to provide parking spaces, etc. There also is a disinclination to build city property in view of the present high inflationary building costs.

42. Suburban real estate will continue in greater demand with still higher prices during 1948.

43. Big commercial farm acreage may sell for less during 1948; but subsistence farms located close to established communities will hold up in prices.

44. General building should increase during 1948. Young people are gradually getting accustomed to high building costs and tired of living with their mothers-in-law.

45. Both office and residential rents will be higher in 1948. Property owners are entitled to receive higher rentals. Only as such are

**SOME PIGEON!**

Even the pigeons flock around a brightly colored and white printed wafle-pique created by Link of California. The skirt, with an irregularly cut peplum, is full at the hips and runs to a deep point on the skirt front. Added interest is achieved through the oval collar and ruffled cap sleeves.

## Farm Income In Texas Reached Nearly 2 Billion

Austin, Dec. 29.—Prosperous Texas farmers took in almost two billion dollars the first 11 months of the year, and prospects for the immediate future revealed no signs of a let-down, according to reports of The University of Texas Bureau of Business research.  
November farm cash income totaled \$199,744,000, a 47 per cent gain over November intake last year, as prices of most farm products continued to mount during the month.  
Farmers in Texas, as elsewhere in the nation, realized that both demand and prices for farm products are increasingly subject to fluctua-

tions resulting from uncertainties in the national and foreign situation.  
Winter vegetable crops were in excellent condition, the State looked to the biggest cotton crop since 1937, and the citrus season was humming along. Fruit and vegetable marketings pushed farm cash income in the Lower Rio Grande Valley 142 per cent above October totals for the greatest monthly gain in the States. The South Texas Plains district came in second, chalking up a 47 per cent hike. These were the only increases in the State, as income in other sections dropped below November's record levels.  
The overall 56 per cent dip in farm earnings between October and November was more than called for in the seasonal pattern, and the Bureau's seasonally adjusted index sagged 26 per cent below October's mark.  
Yearly totals in the high plains areas were bolstered by an unpre-

There were several adverse factors in the November farm picture, however, as normal autumn rains failed to develop, and many sections had not seen a good rain in five months. Farmers in some areas were winter planting in the dust and pasturage conditions were far below average. The feed situation is somewhat less favorable than last year, and the high cost of feed has in many instances caused the farmers to market his livestock.

## Elaine Jordan Is Honoree At Party

A bridge party was given in honor of Miss Elaine Jordan in the home of Mrs. Jesse Osborn Saturday night. Mrs. John Coleman and Mrs. John Smith were hostesses. Miss Jordan, of Mason, who is to be married to Sam Damron in the spring, was presented with a gift by the hostesses.

Refreshments of chicken salad, ritz, chocolate mints and coffee were served to the following:

Mr. and Mrs. Irvin St. Clair of Lubbock, Miss Barbara Morris, Buddy Blackburn, Mr. and Mrs. Frank Lyman of Albuquerque, Miss Ludell Clubb of Lubbock, Mr. and Mrs. Clifton Griffiths, Loyd Alsop, Sam Joe Damron, Mrs. Jess Osborn, Sam Jordan, and the honoree, Elaine Jordan, Mr. and Mrs. John Coleman of Louisville, Ky., and Mr. and Mrs. John Smith.

## Sam Damron To Wed Miss Elaine Jordan

Mr. and Mrs. Elaine Jordan, of Mason announce the engagement and approaching marriage of their daughter, Elaine, to Mr. Sam Damron, son of Mr. and Mrs. Joe S. Damron of Muleshoe. Announcement was made at a bridge and tea Monday afternoon, given by Mrs. Jor-

dan. The Christmas theme was used in the decorations and refreshments. Snow-covered bells, tied with red ribbon, held tiny scrolls which revealed the announcement.

Both young people will graduate from the University of Texas in January. Mr. Damron from the school of pharmacy and Miss Jordan in sociology. An early spring wedding is being planned. —From The Mason (Texas) News.

## Progress Club Met December 18

The Progress HD Club met in the home of Mrs. Ferr. Davis, Thursday, December 18.

The program consisted of several Christmas parts including the Christmas story from the Bible.

Presentations were received by each member of the club. Everyone had a very enjoyable time and are looking forward to the first meeting in 1948. It will be held at the home Mrs. Clyde Henry.

## EUGENIA RUTH ENGLISH ENTERTAINED WITH PARTY

Mrs. Eugene English entertained her daughter, Eugenia Ruth, on her third birthday Sunday afternoon, December 21, with a party. Games were played and Christ-

mas stories read to the children. Refreshments of ice cream and birthday cake were served by Pat English and Marilyn Gupton.

Plate favors were bags of Christmas candy and a balloon. Several sent gifts that were unable to attend.

## Muleshoe HD Club

Miss Katherine Black, Longview community 4-H club girl, was chosen Gold Star Girl of Bailey County for 1947.

A gold star pin awarded by the 4-H club fund of the A. & M. College will be given to Katherine at a later date, according to Mrs. Laurette A. Williamson, county home demonstration agent.

Katherine chose as her projects for the year, Home Food Supply, Home Improvement—Interior, and Clothing.

In her home improvement the floors were sanded, walls kempted, the kitchen linoleum painted, an end table made, pictures for the walls and a rug made, three pairs of pillow cases, two dresser scarfs, and a piano scarf made.

In clothing a sewing box was equipped, how to use a pattern guide correctly learned and she made ten garments and repaired twelve.

In home food supply she treated her seeds for planting them and received a larger yield as a result of the treatment. She canned, froze and preserved the winter's supply of vegetables for her family. She also raised 150 chickens.

She had the care of her younger brothers and sisters for three months while her mother was ill. Besides her regular projects, she helps with the cooking, family laundry, milking, and family recreation in the home.

Besides her club work and school activities, Katherine takes music lessons. The past year she made money for her music lessons and her clothes.

Katherine is the daughter of Mr. and Mrs. Ralph Black and attends Muleshoe high school.

## Wesleyan Service Guild Met On 22nd

The Wesleyan Service Guild met at Fellowship Hall with Mrs. Olen Jennings as hostess on Dec. 22. They filled bags with candy and nuts to put on the Christmas tree for the church, and also decorated the tree. They revealed each Guild sister, and then served refreshments of sandwiches, cake and coffee.

Those present were: Mesdames Curtis Spivey, Francis Gilbreath, Delma McCarty, Buford Butts, Ray Edwards, Marty Ezell, James Case, G. O. Jennings and Miss Elizabeth Harden. Also one visitor was present, Weldon McCarty.

The next meeting place will be announced by the new president. It will be held on January 12.

## Decoration Contest Winners Announced

Mrs. Will Harper won first place in the annual home decorations contest, held just before Christmas. Other winners were:

Mrs. Henry Clements, 2nd, Mrs. Jesse Osborn, 3rd, Mrs. Royce Garth, 4th. Winners divided \$125 in prizes, the money having been contributed by the Lions Club, Chamber of Commerce and Southwestern Public Service Co.

this year. First too much rain,  
then very dry and hot. Yet we  
still can say hurray for the good  
old U. S. A. that feeds them all.  
A Merry Christmas to all.  
Very respectfully,  
Mr. and Mrs. Levi Jensma.

**BLACKWATER VALLEY SOIL  
CONSERVATION DISTRICT NEWS**  
Well locations were made last  
week on land owned by Albert R.

Q. What is the name of this cut of  
meat?  
A. This is the veal breast.  
Q. Where does the cut come from,  
and how is it identified?  
A. The veal breast is cut from the  
breast section of veal and is a long,  
flat cut containing the breast bone  
and the rib ends. The flank end of  
the breast is ribless.  
Q. How should this cut be prepared?  
A. The veal breast may be stuffed,  
boned and rolled or cut into meat  
for a stew. For stuffed breast, a  
pocket is cut from either side or from  
the flank end, and filled with a  
bread, meat, vegetable or fruit stuff-  
ing. The stuffed breast is roasted in a  
slow oven (300° F.) until tender, al-  
lowing about 30 to 35 minutes per  
pound. The breast may also be  
braised with a small amount of wa-  
ter, allowing 1 1/2 to 2 hours when  
cut into pieces for stew.

Complete topographic surveys  
surveys were completed last week  
on 20 acres of land owned by L.  
M. Hennington and on 20 acres of  
land owned by F. E. Sieron.

Twelve irrigation wells were  
measured; the data obtained will  
be used in an evaluation study.

Soil Conservation technicians as-  
sisted M. A. Collins, who resides  
near Baileyboro, in running terrace  
lines.

An application for soil conserva-

tion assistance was received Mon-  
day, December 15, on 160 acres of  
land owned by Mrs. Zula Thomp-  
son of Olive View, California. O.  
L. Thompson of Clovis, New Mexi-  
co, is operating the land.

An application for soil conserva-  
tion assistance was received last  
week from W. F. Stair, who re-  
sides near Baileyboro, on 160 acres  
of land.

A topographic survey was com-  
pleted last week on 320 acres own-  
ed by L. A. Wells of Amarillo.

A well location was made for W.  
F. Stair.

### Chevrolet Assembles Millionth Vehicle

With the production today of its  
1,000,000th vehicle in 1947, Chev-  
rolet became the first single company  
in the automobile industry to man-  
ufacture a million cars and trucks  
a year since before the war.  
Announcement of the production  
milestone was made by Nicholas  
Dreystadt, general manager of the  
Chevrolet Motor Division, who said  
all of the vehicles were made in  
the plants of Chevrolet in the United  
States, and that the total does  
not include the Canadian output.  
The 1,000,000 total, Dreystadt said,  
includes passenger cars, trucks and  
commercial vehicles. The last time  
Chevrolet manufactured 1,000,000

### Christmas Cheer For Boys Farm

The people of Muleshoe brought the real Christmas Spirit to Boys' Ranch Farm when their representatives County Judge Cecil H. Tate, W. C. Cunningham, superintendent of school, W. D. Young and Tye C. Young came in two pickups with 187 quarts of canned foods, 293 other cans of fruits and vegetables, 2 boxes of oranges, 1 new suit, many new garments, and a generous supply of nice used clothing and a bicycle to add to the happiness of these boys.

Other gifts which came for the boys were: Westside Home Demonstration Club, Hale County, a

bedspread, 1 quilt, pop corn, canned foods and cake; Sunshine Club, Muleshoe, sent 14 pairs pillow cases. Chamber of Commerce, Dimmitt, 2 crates fruit; Mrs. Elmer Cleavinger, Canyon, volley ball and net; Mrs. W. Miller, Canyon, Amarillo Times; Circle Sewing Club, 7 pairs pajamas; Mr. and Mrs. L. L. Duke, pair pajamas; Dimmitt Lions Club, 2 new bicycles; Kress Study Club, candy, nuts, canned fruits and vegetables; J. P. McGarr, Plainview, \$30.00 for suit; C. B. Shellabarger, 2 pairs dress pants; G. E. Baer, Popular Store, Hereford, 1 suit; D. Neumayer, Dimmitt, pop corn; Hart Community, 7 pairs roller skates, a bat and ball; Hart Harvester, 1 box water glasses;

There's "satisfaction-plus" in this savory, stuffed veal breast. It provides a meal worthy of the finest family affair, or even a hearty company meal. A garland of golden apricots filled with rosettes of cream cheese circles the meat. Serve crusty bran muffins for a tasty accompaniment.

Hart Home Demonstration Club, Mr. and Mrs. H. E. Loman, Mr. and Mrs. Roy Cluck, Mr. and Mrs. Frank Conard, 2 bedspreads, fruit, canned fruits and vegetables, pop corn, cake and quilt; Plainview Business and Professional Women's Club, bushel candy, nuts and fruit; Mrs. Etta Brashears, Dimmitt, fruit; Cash Way Store, Dimmitt, bushel apples; Roy Woods, Plainview, gave a registered bred gilt, fruit candy and nuts; Mr. O. B. Jackson, Plainview, gave 3 pigs.

Earth Methodist church had a "White Christmas" and gave the boys 4 seats, 4 bedspreads, much fruit and canned foods, 2 boxes of apples, sugar, nuts and candy; Mr. and Mrs. Newman, Earth, gave a football; Dimmitt Boy Scouts gave a punching bag; Mrs. Sawnie Carroll's Sunday School Class, Dimmitt Baptist Church, gave a red wagon; Dimmitt Baptist WMS and Sunday School Classes gave 8 pairs house shoes; Earth Junior Intermediate Girls Sunday School Class, Baptist Church, gave \$3.00 and a lovely blanket; Gillespie's Honey Store, Plainview, bushel oranges; Sunny-side Baptist church, canned foods;

Mrs. A. Ferguson, Sunnyside, dish pan, candy and cake; Mr. Proper, Panhandle Fruit Co., Amarillo, gave fruit and nuts; Mr. and Mrs. Miller, Olton, candy; Sue Hite Club, Canyon, gave subscription to Popular Mechanics; M. and M. Study Club, Plainview, gave candy and canned foods.

Mrs. W. B. Youngblood, Hart, gave 2 registered Hampshire hogs to the boys.

Bill Graham, Dimmitt, raised \$385.00 for suits and clothes for the boys from: Castro County Grain Co., Jack Gregory, Hays Implement Co., Clarence Byrnes Ernest Jones C. G. Maples, Jr., H. T. Bartlett, E. B. Wright, Harrison Ins. Co., J. Woodson Brown, Bob McLean, Bill Graham, J. L. Coke, Jr. Rothwell, C. B. Shellabarger, Dimmitt Wheat Growers.

Howdy Folks: In all this convy about long skirts it's well to remember that when skirts were shorter, men looked longer.

Of course, some women have two slim reasons for liking long skirts.

And those men who hide behind women's skirts find the new long ones advantageous.

And just as a rambling thought, those same men must have a heck of a time in families where the women wear the pants.

Now girls with shapely legs can no longer proclaim the fact from the hose tops.

Well, girls will be girls, for which we are glad.

Just as you'll be glad to have our Deepfreeze home freezer installed in your home. Why don't you try it.

## GREETINGS And Thanks

We have enjoyed a fine crop year in 1947, for which we all are duly thankful. And these old King boys are sure appreciative of the good business you have given us in the few months that our new elevator has been in service.

For 1948 we wish for each of you a good crop, a prosperous, happy year—featured by plenty of box cars. We know that with more cars available we can be of greater service to you.

HAPPY NEW YEAR!
