SOMETHING FOR everyone could be the way to describe the Civic League sponsored Cisco Folklife Festival which was held in last May 5-6 at the Cisco Junior College Ag Building.

Both adults and children enjoyed participating in the events at the festival. Aaron Whitley, Rick Roark and Joe Miller Gosch are shown painting cookies on Saturday. (staff photo)

## About Half Of Qualified Voters Turnout Saturday

SEE VOTER TABULATION TABLE INSIDE

About half of the qualified voters in Eastland County turned out Saturday to mark decisions in the party primaries.

The predominantly Democratic County voted 4,487 in nine precinct boxes and the Republicans turned out 92 from the county voting in one box.

There were some surprises and some expectations met.

Don Underwood handily won the Democratic nomination for sheriff and County Commissioner (Eastland) Richard Robinson was re-nominated (by 16 votes). Eastland Constable Bill Hunter was re-nominated and Jesse Brown got the nod in Ranger. Gene Hicks won the Constable in Rising Star as did Dewey D. Keese in Gorman.

The County Democrats went heavily for Kent Hance for U.S. Senate and the Republicans gave Phil Gramm 76 votes.

In no surprise, the Republicans went for president Ronald Reagan with 88 votes.

In the Democratic caucuses, Sen. Hart got 26 votes and Mondale, 55, uncommitted 34. Jackson got no delegate votes.

The voters drawing the most local attention was that for county sheriff and the voters did as their neighbors did in a number of area counties: picked a replacement for the

incumbent. Underwood drew 2,809 votes to beat Johnny Morren who polled 1,492. Third candidate Albert Biggs got 386. Underwood carried every box.

Incumbent Commissioner Robinson was challenged by former Commissioner Danny Woods who got 668 votes

**Cisco Civic League Will Not Meet Thursday**

There will be NO meeting of the Cisco Civic League this Thursday May 10, 1984.

There will be a salad supper May 24 at 7:00 at Ruth Hiedenhimers.

**Cisco Gun Club Will Hold Jackpot Shoot**

The Cisco Gun Club will hold a Junior (under 18 years of age) jackpot shoot beginning at 2:00 p.m. May 13 at the Rifle Range. There will also be adult shooting matches for those that wish to participate.

The public is invited so come on out and help the youngsters have a good shoot.

to Robinson's 684. It was not know whether a re-count on the 16 votes would be asked.

Cong. Charles Stenholm easily carried Eastland County as he did in every county in his 35-county district to win re-nomination to the 17th District. He polled 3,900 votes here to his opponent's 569.

Senate candidate Hance carried every box for 2,842 total. Kruger got 776 and Doggett, 637. Hance and Doggett are slated for a runoff pending results of a re-count bid by Kruger, who trailed Doggett by some 350 votes state-wide.

In local un-opposed races, State Sen. Bob Glasgow got 3,901; State Rep. Jim Parker, 3,799; Appeals Judge Raleigh Brown, 4,115; District Judge Jim Wright, 4,007; and County Treasurer Nancy Trout 4,157.

Eastland Constable Bill Hunter got 1,085 and Eddie Squiers, 385. Ranger Constable Jesse Brown got 467 and Alford Bush, 455. Rising Star Constable Gene Hicks got 442 and Rudolph Sayas, 88. Cisco Constable Ted Parrish, unopposed, got 680. Gorman Constable Dewey D. Keese got 371 and Brent Foster, 365.

Justice for the Peace, Pct. 2 (unexpired term) Jimmy Veal got 859 votes, unopposed.

**Christmas In May Project Set Saturday**

Christmas in May project will take place Saturday, May 12. There have been eight (8) different projects selected to be done. Anyone wishing to help on a project should meet at the Corral Room at 7:30 a.m. Saturday, May 12, for coffee and doughnuts.

**Pre-Registration For Kindergarten During The Month**

Pre-registration for 1984-85 kindergartners will be in Mrs. Webb's room at the Primary School any afternoon in May from 2:30-3:30.

Please bring your child's shot record and birth certificate with you.

Only children who will be 5 years of age on or before September 1, 1984, may attend public school kindergarten.

## Season Tickets Available For Roof Garden Theatre

Season tickets are now available for the Roof Garden Dinner Theatre's professional 1984 Summer Season. Plays selected for this summer include Charley's Aunt by Brandon Thomas running June 14-16, 21-23; Blithe Spirit by Noel Coward running July 12-14, 19-21; and Guys and Dolls, a musical comedy by Frank Loesser, Jo Swerling and Abe Burrows, running August 2-4, 6-11.

Charley's Aunt is the world-famous comedy set in Victorian England in which two young undergraduates at Oxford, Jack and Charley, contrive to see their sweethearts by having a fellow student disguise himself as an older woman (Charley's aunt) to serve as a chaperone. The plan backfires on them however when the guardian of one of

the girls decides to court the "aunt" and things become thoroughly confused when the real aunt makes her appearance under an assumed name. However, through quick wit, fast action, and incredible luck this farce reaches a happy conclusion guaranteed to tickle your funnybone.

Blithe Spirit is also a classic comedy, but with a different twist. The novelist, Charles Condomine is planning a book on the occult and invites a breezy lady medium into his home in order to discover her "tricks of the trade." Little does Charles or his lovely second wife, Ruth, dream that the seance staged by the medium will summon back Charles's first wife, now "passed over" for seven years. But the lady from beyond, still beautiful, still

mischievous appears - a wraith who torments Charles by reminding him of their days and nights together. Only Charles (and the audience) can see or hear her. The first wife has a ghostly plot in mind: if she can get Charles into an automobile accident and make a ghost out of him, life in the spirit world will have more appeal for her. Mistakes occur, however with twists and turns in abundance making this one of the funniest and most cockeyed plays ever written.

Guys and Dolls tells the story of Miss Sarah Brown, whose Salvation Army mission near Times Square in New York is a total failure until Nathan Detroit, a cheap hood who runs a "floating game" in order to get money to rent a safe hideout, bets a handsome gambler and ladies man, Sky Materson, that he can

name a "doll" that Sky cannot convince to accompany him to Havana. The bet is accepted, the romance begins, and the ladies' man finally finds a girl who wins his heart. However, in order to win hers, he must make the mission a success by recruiting his gambler associates - not a very easy task.

The plot thickens - the "game" floats - and a great time is had by everyone. Well known songs from the score include "Guys and Dolls," "A Bushel and a Peck," "Can Do", and "Luck be a Lady".

Season tickets can be ordered by sending a check or money order for \$32.00 to Roof Garden Theatre, Box Office, Cisco Junior College, Cisco, Texas, 76437. Reservations need to be made for individual shows and may be made by calling (817) 442-2589.

**Country Western Musical Set Saturday At 7**

The Country Western Musical will be at the Cisco Corral Room on Saturday, May 12. It will start about 7:00 p.m.

Everyone is invited especially area musicians. There will be a concession stand.

## Harmony Prevails In Democratic Caucuses

In the post-election Democratic caucuses, harmony prevailed and Mondale drew the greater number of delegate votes, which go to the County Democratic Convention to be held Saturday, May 19, at 2 p.m. at the District Courtroom in the Courthouse.

Eleven delegates will be elected to go to the State Democratic Convention to be held in Houston, on June 15.

By Precincts the delegate voted went like this:

Eastland-Hart, 10; Jackson, 0; Mondale, 15; and Uncommitted, 7.

Olden-none.

Ranger-Hart, 13; Jackson; Mondale, 10; Uncommitted, 0;

Desdemona-Hart, 3; Jackson, 0; Mondale, 7; Uncommitted, 3.

Gorman-Hart, 6; Jackson, 0; Mondale, 7; Uncommitted, 0.

Carbon-none.

Rising Star-Hart, 13; Jackson, 0; Mondale, 10; Uncommitted, 15.

Cisco-Hart, 11; Jackson, 0; Mondale, 3; Uncommitted, 5.

Lake Leon-Hart, 0; Mondale, 2; Jackson, 0; Uncommitted, 4.

In the Republican balloting, President Reagan got 88 votes; Gramm, 76; Mosebacker, 1; Ron Paul, 12; Henry C. Grover, 2; Henderson, 84 for R.R. Commissioner; Bates, 82 for

Supreme Court; Mulanez, 80 for Appeals Court; Jim Kefter, 82, for county chairman; Earl Bradley, 34, for Eastland Precinct Chairman; Edwin Davidson, 1 for Olden precinct; Floyd Aldredge for Ranger; Mildred D. White, 0; Martha Jane Wood, 1; W.H. Adkins, 1; Dan Montgomery, 2; Raymond Butler, 6; Gordon Woolam, 1; Bill K. Fry Jr., 1; Dr. Goldeman, 1; Carol B. Goode, 1; Stanley Prtle, 4; and Mrs. Bill Mitchum, 1.

The Republican County Convention will be at 10 a.m. on Saturday, May 12, at the County Commissioners Courtroom.

## Fifth Grade Holds Poster Contest For Hospital Week

The Fifth grade class at Cisco Intermediate School held a poster contest in honor of Hospital Week in Cisco.

Winners were: 1st place, Jimmy Parker, Mrs.

Bassham's room; 2nd place, Amanda McGinness, Mrs. Bassham's room; and 3rd place, Justin Heyser, Mrs. Schaefer's room.

Several posters were turned in for the contest and the

judges said it was very hard to pick only three winners.

Students with posters that deserved an honorable mention were Heidi Arnold, Ken Roark, Eddie Garza, Kelly Rhodes, and Kyle Crockett.

WINNERS IN the 5th grade poster contest for Hospital Week are shown with their posters. Shown are (left to right) first place winner, Jimmy Parker; second place winner, Amanda McGinness; and third place winner, Justin Heyser. They won \$10.00, \$7.50 and \$5.00. (Staff Photo)

## HALL OF REMARKS

BY HERBEL HALLMARK

**HATS OFF** to the Cisco Civic League for their fine presentation of the Cisco Folklife Festival this past weekend. The Festival is always a super credit to Cisco and there is always a lot of traffic generated by the event.

**SPEAKING OF** the Festival, we were told that someone purchased beads at the Folklife Festival and left them behind. If you will call 442-2447 to identify them and tell how much they cost, then you can have them.

**LOUISE PRYOR** called Tuesday morning to report that Wayne Pryor has been released from the hospital in Abilene and is now staying at the Cisco Nursing Center. He is in room 37 for anyone who would like to visit.

**THE SUTTON** Crofts are expecting their sons, Robert

Sutton and Dash, both of Los Angeles, to arrive May 11th at D-FW Airport. They are to attend a family reunion with their sisters and parents.

They will be in the Metroplex for the most part, but expect to come to Cisco

Sunday night, Monday and Tuesday, the 13th, 14th and 15th, and would be happy to have any old friends call at the family home.

**DON'T FORGET** to wish your mother a happy day this Sunday, and thank her for all the years she put up with you and tell her how much she means to you.

**HASN'T THE** weather been something the past few days? Saturday and Sunday we seemed to experience a heat wave, with the local thermometer at First National Bank showing temperatures in the high 90s and low 100s.

Monday was not near as warm and Tuesday morning was extremely chilly compared to the weekend.

Who knows what the next few days will be like? Let's just pray there will be some rain coming soon to the area.

## CHS Band Receives First Division Rating

The Cisco High School Band was awarded a First Division Rating at the Sandy

Lake Festival Saturday, May 5. The group performed "concert variations"

by Claude T. Smith.

Mr. Smith who was a judge at the festival is from Kansas City, Mo. Other judges were Mr. Bill Moffit, director of bands at Perdue University, Mr. Jerry Novak, noted band arranger from New Jersey and Dr. Tom Rhode, former University of Texas director. All of the judges were highly complimentary of the Lobo Band's performance.

An usual aspect of the Sandy Lake Festival is its performances. All of the groups performed on a cement stage under a huge tent which is not air conditioned. During the Lobo Band's performance at 1:15 the temperature was approaching the high 90's making everyone quite uncomfortable. Spectators were sitting in grand stands at the other end of the tent. A total of 491 bands performed at the Sandy Lake Festival in the past two weeks.

After their performance the group spent the remainder of the day at Six Flags Amusement Park in Arlington.

Sponsors on the trip were Mr. and Mrs. Al Young, Mr. and Mrs. Bill Roberts, Mr. and Mrs. Jack Stephenson, Mrs. Lanell Anderson, Mrs. Lennie Johnson, Mrs. Varnell Reich, Mrs. Betty Hastings and Mrs. Beiva Yeager.

## Nichols & Bennie Defend Golf Title

Bennie Nichols and Bob Bennie of Cisco successfully defended their title in the annual PAR - TOT - SCRAM Golf tournament with a decisive victory over second place Delbert Schaefer and Bobby Smith, both of Cisco.

Third place went to Archer Marx and Gerald Wimpee of Arlington. Day Money in the Championship flight was won by Ralph Glenn of Cisco and Don Johnson of Athens.

The tournament played to a different format each day with the first day a low-ball partners and Sunday's round played Scramble. Cash was given for prizes. Bobby Smith, Delbert Schaefer and Vandel Weathers were tournament directors.

The list of winners and their scores are as follows: Championship Flight: 1st, Bennie Nichols and Bob Bennie - 261; 2nd, Bobby Smith and Delbert Schaefer, 280; 3rd, Archer Marx and Gerald Wimpee, 295; Day Money, Ralph Glenn and Don Johnson, 66.

First Flight: 1st, Geep Mitcham and Bob McCoy, 297; 2nd, Walter Sneed and David Willoughby, 306; 3rd, B.J. Perry and Stacy Roberts, 311; and Day Money, Rob Robinson and Tim Stubbs, 70.

Second Flight: 1st, Bill Vass and Billy Wood, 311; 2nd, Ed Wende and Roy Gevara, 324; 3rd, Rich Frazier and Dink Davis, 338; Day Money, Don Deardorff and Dan Deardorff, 72.

**Photographs Of Frontier Jubilee Parade and Folklife Festival Are Printed On Inside Pages.**

**"There's power in the blood. Will you give yours?"**

**CARD OF THANKS**  
I want to thank everyone for the nice flowers, cards, and especially for everyone's prayers and all you did for me while I was in the hospital and what your doing since I am out of the hospital. Thank you again. I love you.  
Mrs. Cora Lee Herring

For the past 11 years Cisco Civic League has put hundreds of tedious hours into the organization and presentation of the Folklife Festival.

As the outgoing president of Civic League I thank each member for her participation in what I feel was another good Festival.  
To the husbands and children of our members, thank you for tolerating dirty dishes, unwashed clothes, a lot of "half baked" meals and perhaps a sometimes slightly half minded wife or mom. A special thank you to those family members who gave us their arms and legs in moving things to set up, baby sitting and a dozen more items we CCL members need from our families every time Folklife rolls around.

However, our club could never have accomplished a single one of the 11 Folklife Festivals without you. Our very special THANKS goes to you citizens of Cisco. You are our reason for doing the Festival and your continued support of this family event gives encouragement to do it again each year. We could not say enough how much we appreciate the businesses, schools, CJC, other Cisco Club groups and many individuals for their donations of time, money and supplies. Cisco is a fine community, you are a good group to work for and with which to work. Thank you one and all.  
Sharon Elton

## Graham's Celebrate 50th

A reception will be held at the Bullock Community Center from 2:00 p.m. to 4:00 p.m. May 12, to honor Mr. and Mrs. Wince Graham on their 50th wedding anniversary. The couple were married on May 2, 1934 and are life-long residents of Morton Valley. Mr. Graham is retired from Lone Star Gas. The reception will be hosted by the couples eight children and they invite friends and relatives of the couple to attend.

## Beware Of Insect Dangers

COLLEGE STATION--Spring weather can mean danger for Texans who get bitten or stung by insects. Insects cause a number of injuries to people each year when outdoor activities increase. The worst offender are bees, wasps and yellow-jackets. The greatest peril from insect-people encounters is allergic reactions, points out Dr. Phil Hamman, entomologist with the Texas Agricultural Extension Service, Texas A&M University System. He notes that insect bites kill at least nine times more Americans than do snake bites.

People have different reactions to insect venoms, and allergic reactions are classified by the severity of one's body reaction, notes Hamman.

He cites at least three levels of reactions insect bites and stings can cause: --Slight reactions, including itching, inflammation of the skin or anxiety. --Moderate reactions, including swelling, abdominal pain or nausea. --Severe reactions, including difficulty in breathing or swelling, hoarseness or confusion.

Most severe would probably be a shock reaction that causes a drop in blood pressure, collapse or unconsciousness, says Hamman. Moderate and severe reactions from an insect bite or sting are enough cause to see a doctor. Capture the offending insect if possible to help the doctor in providing treatment.

To reduce contacts with venomous insects, Hamman advises people not to walk around in the yard barefooted; to avoid wearing sweet smelling colognes or perfumes; to keep riped fruits, watermelons, soft drink cans or other sweet smelling materials covered

when outdoors; and to avoid mowing lawns or walking in working in flower beds when bees or wasps are active. Insects are less active in the early morning hours. Remain still if a stinging insect is near, says the entomologist. Brush it off it attacks but don't slap it to prevent a sting. If attacked by a swarm of wasps, yellow-jackets, hornets, or bees, leave the area immediately while protecting the face with hands and arms.

Among the variety of venoms produced by insects are these:

--Those producing blisters, caused by certain stinging caterpillars, centipedes and biting beetles. --Those attacking the central nervous system, pro-

duced by scorpions, black widow spiders, bees, wasps, yellow-jackets and hornets. --Those destroying skin tissue, produced by fire ants, wheel bugs, brown recluse spiders, mites, scorpions, chiggers, bees, wasps, yellow-jackets and hornets. --Those preventing blood from clotting, caused by fleas, lice, mites, ticks, biting flies and true bugs.

## Texas Historical Commission Publishes Book Of Markers

The Texas Historical Commission (THC) is pleased to announce the publication of a new book, *Shadows on the Land: An Anthology of Texas Historical Marker Stories*, written by Myra Hargrave McIlvain.

*Shadows on the Land* is a compilation of more than 50 stories written from research gathered for application of Official Texas Historical Markers. The stories first appeared in newspapers across Texas,

### CJC Summer Classes Will Begin June 5th

Summer classes at Cisco Junior College will begin June 5 at all locations. Students may register from 9:00 a.m. to 4:00 p.m. and 6:00 to 8:00 p.m. on the following dates and locations: Cisco Campus, Monday, June 4 in the Registrar's office; Clyde campus, Wednesday, May 31; Abilene campus, Wednesday, May 30 and Thursday, May 31.

The Cisco and Clyde campuses offer both day and night classes. The Abilene campus will offer night classes only.

For more information call the appropriate campus at one of the following numbers: Cisco - (817) 442-2567; Clyde - (915) 893-5976; Abilene - (915) 698-2212.

where they generated much interest in the state's historical marker program. Each story includes the location of the related historical marker. Fourteen illustrations also are included.

With over 9,000 historical markers in Texas, the THC's marker program records the people's history of the state and reflects its rich heritage and cultural diversity. The state markers chronicle the history of the individuals, architecture, events, and archeology that shaped Texas.

Myra Hargrave McIlvain is an Austin freelance writer and public speaker. She is the author of *6 Central Texas Auto Tours and Texas Auto*

*Trails: The Southeast*. McIlvain also has written the texts for several Official Historical markers, as well as numerous other articles and short stories.

Ordering information for *Shadows on the Land* is available from THC, P.O. Box 12276, Austin, TX 78711.

### Oil Facts

G.L. Page Petroleum Inc. of Cisco has filed for permit to drill the No. 2 Speer, a 3,600-ft. developmental well two miles southeast of Necessity. Location is in an 80-acre lease in the Stephens Regular Field, T&PRR Survey.

## Sales Tax Rebates to Cities Reported Up 12% - Bullock

State Comptroller Bob Bullock Friday sent checks totaling \$98.5 million in local sales tax payments to the 988 cities that levy the one-percent city sales tax.

"These payments are running 12.5 percent ahead of last year," Bullock said. "And for the first time this year, we can say that virtually all of this increase came from growth in tax collections and not from the changes in our bookkeeping in the Legislature made when they moved up due dates for the sales tax last year."

Houston received the largest check—\$17.9 million—for a 1984 total of \$63.7 million, up 5 percent from last year. Dallas' check was for \$11.9 million, bringing the city's total 1984

payments to \$42.4 million, 16 percent ahead of 1983. San Antonio received \$5.9 million for a 1984 total of \$20.8 million, an 18 percent increase.

Austin's check for \$4 million increased year-to-date payments to \$14.7 million, up 24 percent. Fort Worth's payment was \$3.6 million for a yearly total of \$12.8 million, a 9.5 percent increase. El Paso's check for \$2 million pushed the year's total to \$7.7 million, more than 20 percent ahead of last year.

Bullock also sent checks to Metropolitan Transit Authorities in Houston, Dallas and San Antonio. The Houston MTA received \$20.6 million. The Dallas MTA got a \$14.7 million payment and the San Antonio MTA got \$3.2 million.

May's checks reflect sales made during March and the

first quarter and reported to the Comptroller by April 20. Eastland County cities received checks totaling \$82,978.25 for this period.

Cisco's check was for \$28,247.15 for a decrease of 1.48 percent over last year's total. Eastland's check for \$33,896.94 reflected an increase of 38.73 percent over the same period last year.

Gorman received a check for \$4,486.63, a decrease of 11.92 percent, and Ranger's check for \$14,430.98, a reduction of 3.92 percent from last year. Rising Star's check for 2,006.55 was an increase of 22.99 percent for the same accounting period last year.

Overall, Eastland County's checks showed an increase of 12.89 percent over last years total of \$86,947.21 during the same period. 1984 payments to date for the county are \$295,052.07 compared to \$261,360.24 for 1983.

Game Day at Lone Cedar last Friday drew a large crowd as usual. Players were there from Eastland, Cisco, Ranger, Breckenridge, Cross Palins, Dublin and Stephenville. Our thanks go to the Eastland Telegram and KEAS for their excellent publicity. The Lake Leon Ladies were hostesses.

## YOU AUTO KNOW

00000  
IN THE INTEREST OF SERVING THIS AREA, JIM CALDWELL BRINGS YOU THESE IMPORTANT MONEY-SAVING ARTICLES:

Wheel bearing trouble may disguise itself as harder steering, road wander, abnormal tire wear—problems that you might blame on something else. Best protection is regular maintenance.

If the alternator/generator light goes on and stays on while you're driving, something's probably wrong with the electrical system. Turn off electrical accessories and drive directly to a service facility.

Here's an inexpensive safety repair job; replace windshield wipers if they squeak or chatter or leave streaks. A new blade may be all you need.

When a car starts losing smoothness, power, and gas mileage, the first thing to check is ignition timing.

When did you last read your owner's manual? You'll find important tips there—not only on how to handle the car when it's new, but on keeping it running well longer.

**NEW-USED CARS**  
Get a car that will run well longer—one of the new (or late model used) winners at JIM CALDWELL MOTORS, 314 W. Main in Eastland, 629-2636. Our cars have a good reputation—and so do we!

**AUTO REPAIR**  
The key to a car that runs well longer: regular, expert maintenance. You can depend on the knowhow of the mechanics at JIM CALDWELL MOTORS, 314 W. Main in Eastland, 629-2636.

**BODY SHOPS**  
Your car will last longer if the body is cared for. Let us repair any nicks, scratches, or dents at JIM CALDWELL MOTORS, 314 W. Main in Eastland, 629-2636.

## The Garden Editor

Ted Brice

Box 5766 Richardson, 75080

### THE LAST WORD IN A NEW MOWER

Recently while staying at a Holiday Inn, I saw the yard men mowing the grass around the Inn and the pool area on a most unusual looking mower. Upon closer inspection of this mower and visiting with the operator, I learned that it was a Walker Mower made in Colorado. This mower has many new items incorporated into its design that has been just a gardener's dream for many years.

The trim 36-inch wide front deck is shallow and compact enough to slide under low trees and shrub branches. The compactness is made possible by a sliding power-take-off drive shaft straight from the engine, eliminating space-taking belts and pulleys. Because the discharge is to the rear, you can trim close to objects on either side. Special mower blade design gives a smooth cut along the edge of the deck. Flexible deck suspension with spring counterweights and front munter guage wheels provide for smooth cutting over uneven ground, leaving no scalps or skips.

Two 20-inch counter-rotating blades overlap four inches in the center to help produce the compact design. The Blades are not staggered as on some mowers. The maneuvering is done with the aid of Walker's drive system and zero turning radius built into the machine. Yes, I said zero turning radius. It has been the gardener's desire for a mower to run in its own radius for many years.

Each of the two drive wheels has its own hydrostatic transmission. They operate independently. Each is controlled by a lever with no shifting, clutching or foot pedal operation. Operating levers are side by side in front of the operator for finger-tip control.

A rear pivot wheel gives immediate turn when you pull one lever. The firmer the pull, the faster the turn. With little practice, you can quickly maneuver around objects. The machine is able to make close, fast turns around beds and at the edge of the lawn, even on slopes.

Even more innovative is the grass handling system. It includes a 9-inch paddle blower that shoots clippings through the rear discharge up an internal chute and out into a catcher behind the operator's seat. It held 6.7 bushels. The head of the chute on the larger of two catcher sizes oscillates, distributing clippings evenly. When the bin is filled, a horn signals. This tells you to stop and empty. To empty, raise the rigid plastic catcher by the rear handle and tilt it over. The smaller size catcher is designed to dump into 30-gallon trash bags which fit the opening.

The mower is powered by an 11 horsepower Briggs & Stratton engine with 12-volt electric key start. The mower rolls on 18x6.50-8 size drive tires and 13x6.50-6 rear tire. The maximum ground speed adjust from a creep to miles per hour.

The blower system creates plenty of vacuum for cleaning up grass clippings, leaves and other debris, even litter that formerly required hand gathering. The vacuum is strong enough to draw-up all dead clippings, making way for a seed bed. This mower is ideal for anyone who saves clippings for compost.

For safety, the engine will not start until forward speed control, and blade clutch, are both disengaged. The engine stops if the operator leaves the seat while the blade is engaged.

As you can see this Walker mower has many of the features that gardeners have

dreamed about over the years. If you would like more information about the new Walker Mower write "The Garden Editor," care of this

### Tomato Varieties

Selecting the right varieties can mean the difference between success and failure with tomatoes. When shopping for seed or transplants, pay particular attention to descriptions of each variety's growth habit, required maturity period, and pest-resisting ability.

Understanding some of the commonly used terminology will make your search for the right varieties easier.

There is an important distinction between deter-

minant and indeterminate vines. A determinate vine is relatively bushy and compact, and will often grow about 3 to 5 feet tall in a supporting cage. The vine sets most of its fruit within a short period of time.

Since most of the fruit ripens about the same time on determinate vines, the harvest period is usually brief. These vines also have a tendency to slow down production after the first heavy crop.

Indeterminate plants grow much taller and may reach 7 to 9 feet and more when supported in a cage. Instead of setting one main heavy crop, indeterminate vines continue to bloom and set fruit over a long period. These varieties are thus suitable for carrying plants through from spring to fall and are the best type of vine for pruning and staking.

Open-pollinated or standard varieties breed true from seed year after year, so you can save seed from your own tomatoes to plant again next year.

Hybrids, on the other hand, are a cross between two uniform parent lines, and will not breed true. The advantage of hybrids is that they are often earlier, more productive, and more vigorous than standard varieties. Since they produce heavier yields, hybrids also need more fertilizer.

Tomato descriptions often include the letters V, F, and/or N. The letter V indicates resistance to Verticillium wilt.

## James Steel Organ Concert Set Tuesday, May 15 Eastland

An organ concert performed by noted Organist James Steel will officially dedicate the new 20-rank Schantz pipe organ at First Baptist Church, Eastland, on Tuesday, May 15, at 7 p.m., pastor the Rev. Jim Hooten has announced.

The public is invited to attend the special organ concert program.

A 1973 graduate of Rising Star High School, Steel is the son of Mr. and Mrs. George Steel of Rising Star. He is presently organist/music assistant at First Baptist Church, Waxahachie, and was a teaching fellow in the School of Church Music, Southwestern Baptist Theological Seminary, Ft. Worth, in the Spring semester.

He holds a B.A. from Hardin-Simmons University, 1978, and of Southwestern Baptist Theological Seminary, with a Master of Music Degree, 1983.

The program will include a number of pieces based on familiar hymn tunes, such as, "Praise God from Whom All Blessings Flow," "Praise to the Lord the Almighty," "O God, Our Help in Ages Past," "Come, Thou Fount of Every Blessing," and "When I Can Ready My Title Clear."

Standard organ literature will also be presented.

The Prelude and Fugue in D Major, by J.S. Bach, will be of particular interest since the organ console will be in the center of the plat-

James Steel

form, where the audience will be able to observe the virtuistic foot work on the pedals.

The concluding piece will be the fiery "Toccata" from the fifth symphony of Charles-Marie Widor.

## SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

There was a river in Greek mythology named Lethe. Every person who drank of the water of that river forgot every unpleasant thing. But David could not forget his sin. That moment of gratification brought a lifetime of remorse. He confessed with sorrow in Psalm 51:3, "My sin is ever before me."

A father told his son that he had been too disobedient. To teach him an unforgettable lesson the father drove a nail in a post in the backyard every time the son was disobedient.

The sight of the post filled with nails reminded the son of his sins, and it hurt him.

He promised his father that he would obey him. And the father offered to pull out a nail for each obedience. When the last nail was drawn the father called his son to see that his record was clear. To his surprise he cried, "The scars are still there!"

One may suffer without sinning, but no one ever sinned without suffering. Sin and suffering are inseparable.

It is better to keep away from every kind of evil than to pull out the nails. Let us pray then. "Lord, keep us clear of temptation, and save us from evil."

## THEY'RE YOUR TEETH Dental Care Should Start Young

Today 95% of all Americans age two and up have some tooth decay. That is a very sobering fact. This has never been true in our society before - but with the availability of junk foods, sugar added to most all foods, and babies being put to bed with bottles, it has reached epidemic stage.

When a couple marry today, they should select a family dentist with the same care that they use to select their family physician. You need to carefully select a dentist you feel comfortable with, and have confidence in. You need a family dentist to consult during pregnancy concerning your dental health, and to answer all those questions we parents have with that first child.

Dentists today have changed as much as the need for dentistry has. They are no longer just someone you go to when you are in pain, with no choice as to which one you use. Your family dentist has the capability, and the technology, to prevent decay and gum disease; just as your physician prevents measles or small pox. But only if YOU give him the opportunity.

Parents need to get their mouths completely healthy, and then maintain that condition, through regular cleanings and check-ups. If you feel comfortable with your dental health, you will be able to give your child the same protection. With the spiraling cost of living today, you owe it to yourself and your family to give them the very best care possible at the greatest savings. You need to be aware that cavities do not heal - they become larger and cause abscess, or even loss of teeth. Calculus and tartar do not disappear, they cause gum disease which results in infections and loss of teeth.

On your first regular check-up with your family dentist, he or his hygienist, will thoroughly clean your teeth and remove the build up of foreign matter from the teeth above and below the gum line. You will be X-rayed to be sure there is no decay between the teeth, that cannot be seen with the naked eye. Your teeth will be checked for decay, your gums checked for problem areas, you will also be checked for cysts, cancer, diabetes, stress, and many other things that your mouth discloses. Your dentist will then sit down with you and explain what is going on in your mouth, and what treatment is needed to correct it. Once your mouth is 100% healthy, annual, or semi-annual check-ups can maintain that condition.

Your child's first visit should be made before age three. You owe it to him, and your family dentist, to allow them to become acquainted before there is a problem. His first visit should be a pleasant experience, with the hygienist showing him how to properly floss and brush. He will be given a fluoride treatment to strengthen the enamel of his teeth. The dentist will check for any problem areas. This way the child is introduced to dentistry before fear becomes a part of his vocabulary.

As soon as the child is old enough, X-rays will be taken. This allows your family dentist to check for dental health and also see that the permanent teeth are developing properly. Occasionally, a child will be missing a permanent tooth, or have more teeth than he should. These are problems your dentist should be aware of early. Much of the time and expense of orthodontics can be prevented, or at least lessened, by early detection of these problems by your family dentist.

Also, there is now a sealant that can be applied to your child's molars to prevent decay. Due to the rough surface of our molars (which we use for chewing) food is packed into the crevices, which allows decay to form. The sealant is an acrylic cover that is painted on the surface of the molar before decay forms. It gives it a smooth, shallow surface from which food brushes easily. If this procedure is applied to the baby tooth, it will be protected from decay - then the sealant can be applied to the adult tooth as it comes in, to protect it. Ask your dentist about this - it is a protection you should not pass up.

With the caring, capable dentist of today and the modern technology available, no child should ever have a tooth ache or suffer the results of lost teeth. It is up to YOU - the parent - to take advantage of what dentistry has to offer for us all.

# County News Briefs

## RANGER

Betty McGee, associated with the Ranger Times for about eight years and its Editor for seven years, has resigned and will become Editor of the Everman Times, near Fort Worth, according to an announcement from H.V. O'Brien, publisher of the Eastland County Newspapers. "We regret losing the talents and dedication of Mrs. McGee," stated Mr. O'Brien. "Her absence in Ranger will be felt. We wish her well in her new responsibilities." Ranger Times employee Jeanne Mackey will become fulltime manager, and Viola Payne, Eastland County newspaper feature writer, will assume the responsibilities of interim Editor.

Ranger Junior College will offer a variety of full-credit courses this summer in two separate 6 week sessions. A limited number of day classes will be offered, but most classes will meet two evenings per week from 7:00 to 10:30 p.m. Classes for the first session will begin June 5 and end July 12. The second group of classes will begin July 17 and end August 23. For additional information call Mr. Marusak or Drake at (817) 647-3234.

## EASTLAND

Construction will start about May 15 on a new apartment complex west of the Colony Park Apartments and south of Sabine Terrace Apartments at 900 S. Connellee St. Rogers and Rogers Investments will be owners. Name for the new complex will be Camelot Square, and it will include 24 wood frame, brick veneer one story apartments similar to those in Colony Park. Applications will be accepted at Colony Park in about two months.

There will be a Clown Workshop in Eastland at 9:30-11:30 a.m. May 12 at the Texas Electric Reddy Room. Adults, 4-H'ers and other interested individuals are invited to attend. The workshop will include clown make-up and clothing, balloon art and various skits. Sponsors are the Texas Agricultural Extension Service.

## GORMAN

The Hospital Management Associates (HMA) have relinquished management operations of the Blackwell Hospital, and the South Eastland County Hospital Board has resumed operations of the facility. The HMA has stated that they are continuing with their legal suits, but local citizens are hoping that these matters can be settled soon. The Hospital Board has stated an opinion that people from this area will again use the facilities of the hospital as soon as full operations can be resumed. More details will be given as they become available.

## CISCO

Christian singer/songwriter Randy Mark Miles of El Paso will perform his original gospel concert "The Storyteller" at First Christian Church, 303 W. 8th St., Cisco, Texas on May 12 at 7:00 p.m. The concert consists of eleven original songs complimented with stories, legends and tales of Christian

faith. The concert is being sponsored by the First Christian Church of Cisco, together with Light On Productions of El Paso, Texas.

There will be a Little Miss Cisco Pageant on May 26, 1984, 2:00 p.m. at the Corral Room of the Laguna Hotel. All girls six years of age and under may sign up at the Merle Norman Studio, 614 Conrad Hilton Ave. There will be a \$5 entry fee for each girl.

One hundred and forty students of Cisco Junior College will be graduating in ceremonies planned for Friday, May 11, 8:00 p.m. in the Harrell Fine Arts Building. Dr. Norman Wallace, College President, will make the presentation of awards, the conferring of degrees, and also give the address. A reception in Maner Memorial Library will follow the graduation ceremony.

The City Council of the City of Cisco will conduct a public hearing at 7:00 p.m. Tuesday, May 22 in the Council Chambers of City Hall, 116 W. 7th St., for the purpose of finalizing details of the Community Block Grant Application and Economic Development Block Grant Application. All citizens, particularly low and moderate income residents, are encouraged to attend.

## Lights From The Christian World by Josephine Cleveland

The calendar is one of the first great achievements of the human mind. Once men had learned to measure time, he could also use measurement in his other activities. It makes possible a record of our activities and enables us to meet our engagements and make definite plans. Suppose you could not record the day you were born, the day you graduated from school, or other memorable events in your life. Suppose you had no way to keep a record of your activities. Without the calendar there would be much less richness to life.

Each day of the year symbolizes a new day, a new chance, a new opportunity. A child blots his copybook and wants a new book in which to do better. The teacher gives the child a new page. God gives us a new day and desires us to make a cleaner, finer record.

The calendar is for one

year at a time. God wants us to live honestly, victoriously during this year. He wants us to forget the past. He does not want us to worry what will happen next year. Alcohol Anonymous declares that there are two days in the week which we should not worry. One of these is yesterday. It has passed forever, beyond our control; it is gone! The other day is tomorrow with its possible burdens and sorrows. Tomorrow is beyond our immediate control. This leaves us with only one day. Today. Any man with the Lord's sustaining Power can fight the battles of today. It is only when we add the burdens of the two awful enemies — yesterday and tomorrow — that we break down.

Can you not hear God speaking, "Here is a year, a definite period of time. It is in a sense cut off from the past, in a sense cut off from the future. Take it and live today."

## Direct Marketing - Would It Work Here?

COLLEGE STATION-- Direct marketing by fruit and vegetable growers, in the form of roadside stands or "pick-your-own" operations, reduces packaging and labor costs and gives the grower personal contact with the buyer.

Successful direct marketing depends on several factors, says Gordon Powell, economist in fruit and vegetable marketing with the Texas Agricultural Extension Service, Texas A&M University System.

The production area should be located near the major highway. It should have soda facilities, restrooms, and a separate entrance and exit. Adequate

parking facilities are also essential to accommodate buyers.

Larger buyers should be able to drive their cars close to the field, Powell says. However, limited volume buyers should park their cars and be transported to the field to avoid traffic congestion.

Someone should direct the consumer to the correct locations for harvesting, Powell adds, and someone should supervise harvesting.

Variety is important in a direct marketing operation, he points out. The consumer should be made aware of different varieties and how to recognize the maturity of each.

Thursday, May 10, 1984  
The grower should produce or sell only high quality produce, Powell says. Plantings should be staggered for continuous supplies. From the standpoint of safety, children under 12 years old should not be allowed in the field. If they are allowed, they should stay at the end of the rows. The checkout counter should be in an obvious place, says Powell. A grower may operate on the honor system, but a checkout supervisor is helpful during critical harvesting periods. Charge a fair price, Powell adds. Prices should be posted and produce prices per box or pound. Savings on packing and labor can be high for the grower and the consumer if the operation is managed properly. Occasional customers and regular weekly customers enjoy the fun of picking their own produce as well as the money saved, Powell says. Roadside stands and "pick-your-own" marketing can be promoted through advertisement, notes Powell. The farm atmosphere and the recreational aspects of direct marketing should be emphasized.

# Oil Belt News

Eastland County's REB Field gained a new producer when Ridge Oil Co. of Breckenridge completed the No. 1 Carroll, three miles north of Eastland.

The well indicated ability to flow at the rate of 57 barrels of oil and 75,000 CF gas per day. It was taken to a 3,749-ft. bottom and will pro-

duce from a set of perforations in the Marble Falls Formation, 3,352 to 3,374 feet into the wellbore.

The operation is in a 205-acre lease in the H&TCRR Survey, Sec. 14, Blk. 4.

Two new producers have been brought on line in

Eastland County's REB Field, with North Ridge Corp. of Duncanville as the operator.

Located five and six miles north of Eastland, the wells are in a 160-acre lease in the H&TCRR Survey, A-303. They are designated as the No. 2 Andrew Beck and No. 2 Martha A. Hise.

The Beck showed potential to make 29 barrels of oil daily. It bottomed at 3,920 feet and will produce from a perforated interval in the Marble Falls Formation, 3,424 to 3,444 feet into the hole.

The Hise well indicated ability to pump 17 barrels of oil per day. It was taken to a 3,989-ft. bottom and will produce from a set of perforations in the Marble Falls Formation, 3,416 to 3,485 feet into the hole.

EnRe Corp. of San Antonio has filed first production figures on three new oil wells in the Kleiner Field. The operator has 160 and 320 acres leased, with drillsites in Eastland County's SPRR Survey, A-463, four miles northeast and four miles northwest of Cisco. The wells are designated as the Nos. 1, 2, & 3 J.C. Carr.

The wells showed combined potential to make 42 barrels of oil daily. They will produce from perforations in the Lake Sand Formation ranging from 3,626 to 3,750 feet into the wellbore. Total drilling depths range from 4,113 to 4,250 feet.

A Lubbock-based operator has staked location for the No. 1 Safari "A", a developmental well to be located two miles east of Scranton. With projected total depth of 1,650 feet, the well is in a ten-acre lease in Eastland County's Safari Field, H&TCRR Survey, A-1714. The operator is Kenneth Sanders Investment.

Nimrod Operating Co. of Cisco has revealed plans to drill a 1,400-ft. developmen-

tal well in the Madewell Field. The operator has 60 acres leased, with drillsite in Eastland County's H&TCRR Survey, A-184 and has designated the venture as the No. 1 Cooper. Drillsite is two miles south of Nimrod.

Two new producers have been brought on line in Eastland County's Nimrod Field, with Hoffman Oil Co. of Eastland as the operator.

Located three miles east of Nimrod, the wells are in an 80-acre lease in the H&TCRR Survey, Sec. 94, Blk. 3. They are designated as the Nos. 2, & 3 O. Schaefer "B".

They wells showed combined potential to make 52 barrels of oil daily. Each well bottomed at 1,385 feet, and will produce from perforations in the Patio Formation ranging from 1,304 to 1,322 feet into the hole.

A 4,200-ft. developmental well is planned by Katlaco Operating Inc. of Lubbock at a drillsite three miles northeast of Cisco, Eastland County. The location is in a 40-acre lease in the H&TCRR Survey, A-2037. Well's designation is the No. 12 Katlaco "C". It is in the Ardingier Field.

M&J Petroleum Corp. of Ft. Worth has filed for permit to drill the No. 1 Welton Best, a 1,900-ft. wildcat well two miles south of Scranton. Location is in a 50-acre lease in Eastland County's Albert Brumley Survey, Blk. 17.

Snow Oil Co. of Ft. Worth has revealed plans to drill four 4,000-ft. developmental wells in Eastland County's H&TCRR Survey, A-313, A-299, & A-836.

The No. 1 Snow-Kerr is located in a 40-acre lease in the Mangum Field. Drillsite is two miles northwest of Mangum.

The Nos. 1 & 2 Pearson-Poteek are located in a 160-acre lease. Drillsite is

## Short Course Will Teach Financial Accounting

Farm financial accounting will be taught in a short course during May reports County Extension Agent DeMarquis Gordon. The short course will be on four Thursday nights in May beginning on May 10. Dr. Ashley Lovell, Extension Service Economist, will teach the record keeping.

Each session will be from 8:00 p.m. to 10:00 p.m. in the Eastland County Farm Bureau Conference Room, located on Highway 80 East in Eastland.

Gordon invites everyone who is interested in learning more about farm financial records to attend one or all sessions. There is no fee for attending the short course.

**STATEMENT OF NONDISCRIMINATION**  
Comanche County Electric Cooperative, Assn., has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the grounds of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meeting of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.  
"Any person who believes himself, or any specific class of individuals, to be subjected by the organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250, or the Rural Electrification Administration, Washington, D.C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations."  
With Revisions Through June 1974 T38

four miles northeast of Eastland in the Snow Field. The No. 1 Lyon is located three miles northwest of Eastland in a 160-acre lease in the Eastland Regular Field.

Two 4,000-ft. developmental wells are planned by North Ridge Corp. of Duncanville at a drillsite two and three miles north of Eastland. The location is in a 160-acre lease in the H&TCRR Survey, A-1930 & A-1574. Wells' designations are the No. 1 W.C. Kincaid and No. 1 Well Caton. They are in the Eastland Regular Field.

Ridge Oil Co. of Breckenridge has filed for permit to plugback for shallower pay at the Nos. 1, 3, & 4 Carroll. Location is in Eastland County's REB Field, three miles north of Eastland. Proposed total depths are 3,400 feet. The wells are in a 205-acre lease in the H&TCRR Survey, Sec. 14, Blk. 4.

A new gas producer has been brought on line in Palo Pinto County's Set Ranch Field, with Dallas Production Inc. of Dallas as the Operator.

Located five miles north of Brad, the well is in a 13,284-acre lease in the BBB&C Survey. It is designated as the No. 36 Set Ranch.

On a 1 7/8 choke, it flowed 500,000 CFD per day. It was rated at 1,200,000 CFD on absolute open flow.

The well bottomed at 4,289 feet and will produce from perforations 3,924 to 3,930 feet into the hole.

### County News Briefs

The Ranger Junior College student vocational nurses went to Abilene's Dialysis Center on May 1.

Final grades were achieved Monday, April 30, by each student interviewing a person over 72 years old for the geriatric study.

Three and one-half months remain till the students graduate, August 25th, 7 p.m. They will be working five days a week at the DeLeon and Ranger Hospital from May till the second week of August. Pat Morgan, instructor of the nursing class, will be spending one afternoon per week reviewing and preparing this years students for the State Boards Exam October 26, in Fort Worth.

In June or July the students will be taking the Nipp & Tuck tests to see what areas in nursing they need to work on prior to taking the state boards.

Cyndi Johnson of Sidney has the highest classroom average. The Valedictorian of the class will receive a \$500 scholarship at the graduation.

The students unanimously selected Jim Smith of Comanche, an R.N., who works at the DeLeon Hospital, to give their Graduation Speech.

Pat Morgan is taking applications for next year's nursing class. If interested in the nursing field, contact Ranger Junior College, Ranger, TX, or call (817) 647-3234. Pre entrance exam will be given in July, class will begin the first week in September. Contact Frank Miller for information about financial assistance.

Summer leagues are now forming at the Eastland County Bowling Center. Anyone interested in joining a league should contact the Bowling Center on Hwy 80 East, 629-1661.

There will be leagues for men, women, couples, and youth.

There will be a 9-pin no tag tournament during the month of May.

Thank you, thank you! Once again you came through with publicity for us, and we do appreciate it.

Festival seems to be the most successful yet, dollars up and crowds seem to have been better taken care of - due in large part because of great publicity. Do put us on your calendars for next year and plan to come visit us.

Cisco Civic League  
Yvonne McMillan  
Publicity Chairman

Saturday, Mat 12, is the day for the annual KOKOMO AND SIMPSON Cemetery meeting and homecoming.

Basket lunches will be spread at the Kokomo Community Center at 12:00 noon and the annual business meeting of the Cemetery Association will be 1 p.m.

Everyone interested is invited to join us on this designated day, spread lunch together and enjoy fellowship with friends, neighbors and relatives.

Cemetery Association  
Committee  
Zelda Jordan, secretary

The Social Security schedule for the month of May has been released as follows:

Cisco - Chamber of Commerce, Wednesday, May 9 and 23, 1:30 p.m.

Eastland - Courthouse Basement, Tuesday, May 15, 10 a.m.

Gorman - Senior Citizens Center, Monday, May 21, 1 p.m.

Ranger - Joseph Building, Main Street, Wednesday, May 9 and 23, 10 a.m.

Rising Star - City Hall, Monday, May 21, 10 a.m.

The MADD organization will hold a meeting May 9, at 8:00 p.m. in the Texas Electric Reddy Room on the Breckenridge Hwy.

All board members and regular members are urged to attend.

New officers will be elected at this meeting.

Possum Kingdom will be our lake which we shall fish for this months tournament. Headquarters will be at the State Park. Registration shall be at 4 a.m. until 5 a.m. Fishing hours are 5 a.m. until 2 p.m. You must be in weigh in line prior to 2 p.m. A hearty thank you to the Cisco Women's Civic League for hosting the Cisco Folk Life Festival and giving us the chance to meet and speak with all this year's visitors. Also at this time we would like to say thanks to Edwards Funeral Home and Mr. Roy Dennis, without these folks help, our booth would have been far less a success. Also thanks to all our members who were able to participate in this year's event. For those who couldn't make it you missed some fine fellowship and meeting some nice folks. Winners of the Open Jackpot Tournament held on Lake Leon Sunday, May 6th, were Herman Dunlap and Tommy Maynard, with 5 fish weighing 6 pounds 7 ounces. Second place was won by Chuck Burgess and Kevin Weeks, with 3 fish weighing 5 pounds 3 ounces. These

JOHN C. JONES

## Rev. John Jones Prepares For Amazon Jungle

Rev. John C. Jones, pastor of the Greater Mountain Top Church, located 10 miles south of Cisco, on highway 183, is preparing for his second trip in less than eight months, into the famous Amazon jungle. He has been honored by being asked to be the keynote speaker at the District Minister's Conference for the southern Brazil area of Campo Grande and surrounding District. He will arrive in Rio de Janeiro where he will be teaching to the Bible School of the United Pentecostal Church of Brazil. He will hold a two night crusade in the Headquarters Church of the United Pentecostal Church of Brazil, located in Rio. From there he will travel by auto to the District Conference in Campo Grande where he will teach each day to the ministers in areas particular to the ministry, and in night services be preaching crusade "type" services in the conference. The conference is a three night meeting where ministers come to conduct business and learn better, more effective ways of presenting the gospel. The

## Barbara Mandrell Due At Six Flags Over Texas

Country music and television star Barbara Mandrell will appear in concert at Six Flags Over Texas Saturday, May 12.

A show business veteran of more than two decades Mandrell has collected an enviable list of awards. These include the Country Music Association's "Entertainer of the Year" for 1980 and 1981 "Female Vocalist of the Year" in 1979 and 1981, plus four People's Choice Awards.

Mandrell has consistently topped country music charts with hits like "Sleeping Single in a Double Bed," "Woman to Woman," and "If Loving You Is Wrong."

night services are open to the public with strong evangelistic emphasis.

Following the conference Rev. Jones will be flying to Manaus, some fourteen hundred miles away. It is from this point he will fly by float plane into the interior Amazon jungle. There he will be ministering up and down the Amazon river area. He is scheduled to spend one night in the restricted Indian village which requires "special permission" by the government, due to the fact the Indians are classified at best as "pacified." During the trip he will be attempting to arrange for Bibles to be carried into the jungles to the very remote out post preaching points. The Overseas Ministries is a "ministry of faith" supported by gifts of love from interested parties within the local assembly and others interested in the spreading of the Gospel of Christ "to the ends of the earth." Mrs. Thelma Schaefer of Cisco is the secretary of this Overseas Ministries.

The pastor has also been honored to return again later this year to be the evening speaker for the National Youth Convention in Brazil, where youth will come from over that vast nation for a time of consecration.

Currently number three on national country charts is Mandrell's single "Happy Birthday Dear Heartache."

Mandrell's Six Flags concert is set for 9 p.m. in the

theme park's festival seating area. Seating will be on a first-come-first-serve basis.

## What Are Four Red Roses?

The dictionary defines our as more than three, or being one more. Red is defined as the color of blood, pigment color in a light shade, bright to the eye, and colorful. Rose is defined as a lovely flower, grows on a bush of thorns, a very sweet smell, very soft, can be a symbol of love!!

May I give to your how I define four red roses?

Today, my husband gave me for our wedding anniversary four red roses, they are a symbol of our love, and our four children. Two sons, and two daughters. The children to us will be forever a miracle, a gift of love. From the "Father".

Today, I'm sitting here thinking of days gone by. Our lives together, our hopes, our first red rose, a tiny baby boy, was not ours to have and to hold. The Lord said "Come unto Me" he did. The why we don't know. How do we understand? The where we know, he is forever, and ever with the Lord. Again two years later we had a tiny baby girl not ours to have and to hold. The Lord said "Come unto Me", she did. Went home into the beautiful undescrivable Heavenly Home!!

Yes, we loved them, oh, we loved them more. With farewells unspoken they gently entered home!

The Lord smiled, fulfilled

our hopes, our dreams. We had our third red rose. A darling tiny baby girl. Ours to have and to hold. A loan from Heaven. We were so blessed, so thankful, we had our baby in our home. Then we were again blessed with our fourth red rose, a darling baby boy, to have and to hold. Our prayers had been answered.

Today we have children, a son, and a daughter! We ask God to protect them, through life. Yes, we had four red roses! Two are beautiful flowers in our lives, thorns all around them but, we ask God to care for them. Again I say our children are miracles, a gift from our Heavenly Father, our Sun Shine.

For years we walked alone, our home was only a house. Afraid life would become dark and lonely. At times we would wonder will there ever be the laughter and sunshine of our children!!

I looked out into the world, saw children all around me and I wondered why we didn't keep our first two babies.

The Christ came to me and said, "Be still I am God!!"

The clouds of doubt began to part. He loaned us our two babies. He gave us love. He came into our heart. He tore the bars down from our doubt! He renewed our lives, and soul!! To Him we

belong. He saved our soul, restored our hope, our lives are filled with love and song. No more are there lonely days, and clouds of doubt and fear, our spirit is set free!! The Son Himself reigns in our heart!! Our praises today, and tomorrow will be for Him and the sunshine He let us borrow!

Today we have our son and our daughter, also we have two grandsons and one granddaughter.

Our children, "Four Red Roses". Don't give up my friend, God will grant you sunshine!

## Lake Cisco Extension Club Holds Meet

Lake Cisco Extension Homemakers met Wednesday, April 18 at Women's Federated Clubhouse.

The meeting was chaired by the president, Mrs. Maud Bailey.

A program on Eastland County 4-H activities was given through slides and commentary by Faith Ballard from the County Extension Office. It was very informative and interesting and enjoyed by all who were present.

Lake Cisco T.E.H.A. would like to invite any and all who are interested to attend our May meeting.

## Applications Being Accepted For Pageant

Final applications are now being accepted from girls wishing to represent Cisco and the surrounding communities in the official 1984 Texas State preliminary of the U.S.A. Teen Miss Cholarship Pageant to be held in the grand ballroom of the Marriott Hotel in Austin on Sunday, June 10th.

To qualify as a contestant, the teen miss must be between the ages of 13 and 18 inclusive as of the 1984 July 4th National Finals, must be a US citizen of good character and of a charismatic leadership quality personality. Only one contestant will be chosen from a community and will represent the pageant in appropriate local activities during their one year reigns.

The newly crowned area teen misses will compete with other area finalists in Communications, Evening Gown and Interview Competitions for the state title and crown of Tx. Teen Miss, plus, a \$1,000 cash scholarship award. Each of the state's ten semi-finalists will receive a complete, self-study modeling course.

Applications may be obtained by calling the pageant info line at 203/748-6682 or by sending a stamped, self-addressed envelope to: Tx. Teen Miss Applications, 31 Mill Plain Road, Danbury, Conn. 06810.

## 1st Industrial Arts Club Closes Year

The First Industrial Arts Club closed the 1983-84 club year with a covered dish luncheon at 12:00 noon Thursday, May 3rd in the Federated Women's Clubhouse.

Invocation was given by

Bernice Carter. Hostesses were Bessie Fields, Faye Gardenhire and Rhea Merkert. The room was beautifully decorated with spring flowers.

Following the luncheon the president, Mrs. Ruby Lee Pirtle, presided. Three members, Mmes. Bernice Carter, Ruby Lee Pirtle and Evelyn Fry attended the Texas Federation of Women's Clubs Spring Convention in Lubbock April 25-27. They each one gave an interesting report concerning the convention.

After the business session two songs were sung by the group led by Bernice Carter and accompanied by Velma Williams at the piano.

The officers for the ensuing year were installed by Helen Houshell, who used a very impressive candle lighting service. The following officers were installed: Ruby Lee Pirtle, president; Muriel Guyger, first vice president; Faye Gardenhire, second vice president; Bernice Carter, recording secretary; Sue Taylor, corresponding secretary; Evelyn Fry, treasurer; and Jewell Cole, parliamentarian.

In closing, Mrs. Pirtle thanked the members for their cooperation during the past year in helping accomplish the club goals and projects.

Club adjourned to meet again next September.

## Rebekah Class Holds Social

The Rebekah Sunday School class of East Cisco Baptist Church held their Quarterly Social at the Educational Building of the church on Monday, March 26, 1984 at 6:30 p.m. The event was a salad supper with each lady bringing her favorite salad.

The opening prayer was voiced at the table by Mrs. Oma Lee Holdridge.

After the meal a short business meeting was held. Mrs. Leona Morton gave the Treasurer's report, then

## Face Painting At Cisco Folklife Festival

Moran News  
By Mrs. Luke Huskey

gave the devotional from John 3:16-18 after voicing the devotional prayer. Then she read the words of the song "He Paid A Debt He Did Not Owe" arranged by Jack Taylor. She did this to emphasize her feelings about this scripture verse.

There was no old business pending. The new business concerned the giving of money to the special Easter Offering. The class agreed to contribute \$20.00 to the fund.

The closing prayer was voiced by Mrs. Marie Ivie. Refreshments were fruit salads, vegetable salad, english pea salad, deviled eggs, pecan, apple and chocolate pies, crackers, coffee and iced tea.

Those attending were Mrs. Oma Lee Holdridge, Mrs. Marie Brock, Mrs. Leona Morton, the three hostesses, and also Mrs. Marie Ivie, Mrs. Clara Hallmark and Mrs. Jewel Kinard.

**ABRIDAL SHOWER**  
Mr. and Mrs. Stacy Garren will be honored with a miscellaneous wedding shower on Saturday afternoon, May 19, from 2 to 4 p.m. in the Home Economics Building at Moran School. Mrs. Garren is the former Tefany Brooks, daughter of Mr. and Mrs. Tommy Brooks. The public is invited.

**AFUNERAL**  
Funeral for Mrs. Albert Morris was held at the Moran United Methodist Church Saturday, May 9.

Mrs. Morris passed away in the Shackelford County Hospital, after an illness.

She is survived by one daughter, Mrs. Mae Delle Jones of Moran, two grandchildren Mrs. Jim Weatherby of Beattie and Bert Jones of Moran and three great grandchildren.

**AFUNERAL**  
Funeral for Robert Hill was held at the Moran United Methodist Church on Sunday, May 8. Mr. Hill passed away in a Corpus Christi Hospital, after an illness.

He is survived by his wife, Phillis, three sons, one daughter, his mother, Mrs. Mattie Hill Arnold of Moran, one sister, Mrs. Frances Green of Moran, and one brother, Harold Hill of Austin.

**FISHFRY**  
The American Legion of the Ernest F. Pettit, Post, No. 343, in Moran will sponsor a fish fry on Saturday night, May 19, starting at 5 p.m. The members assure you that they will have plenty of fish and the building has been enlarged, so that more people can be accompanied at one time. Come and enjoy the fish. Proceeds will go to the Building Fund for the Legion.

Mr. and Mrs. Jack Burton of Plainview spent the week end with his mother, Mrs. Erma Elliott.

L.P. Bumpers of Olney and Mr. and Mrs. Bill Raymond of Abilene attended the funeral for their aunt, Mrs. Albert Morris, Saturday.

Mr. and Mrs. H.N. Crocker visited with their son, Jan Crocker, and family in Springtown, Sunday.

Mrs. Kenneth McKinney visited with relatives in Arkansas, last week.

Wiley Jack, Lewis and Mark Lewis were in a motorcycle accident Saturday. The extent of the injury is not known. They were in Hendricks Hospital, Abilene.

**BIRTHDAY PARTY**  
Seventeen members of the Birthday Club met for the regular monthly meeting on Thursday night, May 3, at the Moran Coffee Shop. A delicious chicken dinner with all the trimmings was enjoyed. No one present was to have a birthday in May.

Mildred Smith showed some slides of pictures that she had made in the surrounding area.

Those present were Mr. and Mrs. Hubert Brewster, Mr. and Mrs. Ezra Weir, Reese Woolfolk, Mildred Smith, Georgiana Freeman, Elma May Huskey, Mr. and Mrs. Robert Thompson, Mr. and Mrs. Lucion Brooks, Mickey Miller, Nadine Reynolds, Mrs. Tommy Boyd and Donnie, and Mrs. Vaye Turnbull.

## Final Rites For Carl Graves D.J. Shackelford Buried In Rites Are Wednesday Held Tuesday

Services for D.J. Shackelford, 69 of Rainbow, were at 2 p.m. Wednesday, at Rainbow Baptist Church in Rainbow. Burial was at Squaw Creek Cemetery. He died Monday at Cleburne.

He was a lifelong resident of Summerville County and a deacon at the Rainbow Baptist Church. He retired in 1975 from Sante Fe Railroad as a boiler maker. He married Audrey Barkley on December 23, 1933.

Survivors include his wife, two sons, James of Fort Worth and Rev. Ronnie Shackelford of Cisco; one daughter, Sherri Cleveland of Rainbow; three grandsons; and one brother, Sherrel Shackelford of Houston.

### Attends Funeral

Mr. and Mrs. Virgil Murphy were in Denton Tuesday to attend the funeral of Mrs. Anna B. Huddleston. Mrs. Huddleston, the sister of Mrs. Murphy, died at 5:35 p.m. Saturday in a Berryville, Arkansas hospital after a lengthy illness.

Services for Carl Edwin Graves, 85, a longtime resident of Cisco, were at 10 a.m. Tuesday at Cisco Funeral Home. He died at 1 p.m. Sunday at Hendrix Medical Center in Abilene.

The Rev. Buddy Sipe, minister of First Baptist Church, officiated. Burial was at Oakwood Cemetery.

Born March 31, 1899, in Cisco, he was a cattle buyer for Norvell Miller Grocery Store for a number of years. He also had worked for the Cisco Police Department for several years, retiring in 1969. He was a member of Pleasant Hill Baptist Church.

Survivors include two sons, W.T. of Tucson, Ariz., and Carl Jr. of Odessa; a daughter, Janice Carlene Jones and her mother, Hattie Graves, both of Cisco; a sister, Myrtle White Keller of Eastland; and three grandchildren.

Survivors include two sons, W.T. of Tucson, Ariz., and Carl Jr. of Odessa; a daughter, Janice Carlene Jones and her mother, Hattie Graves, both of Cisco; a sister, Myrtle White Keller of Eastland; and three grandchildren.

# Public Notices

NOTICE OF PUBLIC HEARING ON APPLICATION FOR WASTE DISCHARGE PERMIT AMENDMENT THE CITY OF CISCO, P.O. Box 110, Cisco, Texas 76437 has applied to the Texas Department of Water Resources for an amendment facility. The existing permit authorizes a discharge of 650,000 gallons per day average. The applicant proposes to construct a facility capable of treating and discharging an average of 440,000 gallons per day and upon its completion, to abandon the existing plant. The applicant shall operate under Permit No. 10424-01, approved May 11, 1981, until completion of the new facility described by this permit.

The plant site is to be approximately 4500 feet north of and approximately 1900 feet east of the intersection of U.S. Highway 183 and U.S. Highway 80 in Eastland County, Texas. The effluent is to be discharged into an unnamed tributary of Sandy Creek; thence into Sandy Creek; thence into Big Sandy Creek; thence into Hubbard Creek Reservoir in Segment No. 1233 of the Brazos River Basin.

A Hearings Examiner of the Texas Water Commission will conduct a public hearing at 9:00 a.m., Wednesday, June 13, 1984, Abilene City Hall Council Chambers, 555 Walnut Street, Abilene, Texas 79604, to receive evidence on the conditions, if any, under which the permit may be issued, and determine whether State Certification in accordance with section 401 of the Federal Clean Water Act may be issued. This hearing will be held under the authority of Sections 26.020 and 26.028 of the Texas Water Code, as amended, the Rules of Procedure of the Texas Water Commission and the Rules of the Texas Department of Water Resources.

The record of this proceeding will include evidence and testimony taken at the public hearing. The hearing may be continued from time to time and place to place, if necessary, to develop all relevant evidence bearing on the subject of the hearing. The Texas Water Commission reserves the right to schedule or reschedule hearings as it deems necessary. Further information concerning any aspect of the application, if available, may be obtained by writing Paula Hilsenbeck, Staff Attorney, P.O. Box 13087, Capitol Station, Austin, Texas 78711, Telephone (512) 475-7845. Information concerning any procedures of the hearing may be obtained by contacting Teresa B. Salamone, Hearings Examiner, P.O. Box 13087, Capitol Station, Austin, Texas 78711, Telephone (512) 475-1418.

# Letters to the Editor ...

Dear Editor  
The City has received numerous complaints over the last two months regarding dogs running loose, causing property damage, getting into garbage, and generally being a tremendous nuisance. The City has a "Leash Law" ordinance which requires all dogs to be

either penned-up on the owners property or be on a leash.  
Effective immediately the City will be strictly enforcing its leash law ordinance. Any dog running loose is subject to be picked up and impounded; and, if not properly claimed, will be disposed of. Owners of dogs who are habitual or flagrant violators of the ordinance will be issued a citation, which, upon conviction, could result in a fine of \$200 per violation per day.  
A great portion of the City's problem with dogs running loose can be eliminated by the owners of the dogs acting responsibly and having a little consideration for their neighbors and their community.  
The City's animal control efforts are supervised through the Police Department, with the Animal Control Officer's normal working hours being after 3:00 p.m. on workdays and on-call basis on Saturdays. If any citizen has a particular complaint regarding dogs running loose, please contact the Police Department at 442-1770. Everything possible will be done to address the complaint.  
Billy E. Rains  
Chief of Police

conclusions; describe the location of the protestant's property relative to the application; and propose any amendment or adjustment to the application which, if made, would result in withdrawal of the protest. Persons desiring to present information relating to the application must appear at the public hearing either in person or by representative and present such information, subject to all applicable rules of evidence. Information offered in written form without the writer's presence will be noted by the Commission but will not be considered as evidence since the right to cross-examine is absent. No person will be admitted as a party to the proceeding unless the person complies with Commission Rules which require a justiciable interest and attendance at the hearing either in person or by qualified representative.  
Issued this 2nd day of May, 1984.

Mary Ann Hefner  
Chief Clerk  
Texas Water Commission
