

Commencement Exercises Set For Seniors Friday

Commencement exercises for the graduating seniors of the 1983-84 school year will be held at 8 p.m. Friday, May 25, in the Harrell Fine Arts Auditorium on Cisco Junior College campus. The Friday night exercises will conclude the school year for the Cisco Public School System.

There are 54 members of the senior class this year and the graduating students will receive diplomas as a highlight of the program, which will open with the pro-

cessional by Susan Wester. The invocation will be given by Robert Sherman of the senior class.

The program highlights will include the salutatory address by Margaret Yeager, daughter of Mr. and Mrs. Claude H. Yeager, and the valedictory address by Tracey Couch, daughter of Mr. and Mrs. James Couch. Miss Yeager had a four-year grade point average of 97.06, while Miss Couch maintained a four-year grade point average of 98.18.

Cisco High School principal Mike Turner will present the valedictorian and salutatorian, as well as presenting Cisco Service Club scholarships for two senior girls. Scholarships for Cisco Junior College will be presented by Clois Purvis, dean at CJC.

Mr. Turner will also pre-

sent members of the senior class who will be certified by Superintendent James Couch. Diplomas will be awarded by Emmett Rich, member of the board of trustees, and father of one of the graduating seniors. The singing of the school song and the recessional will conclude the program.

Members of the senior

class were honored at the baccalaureate service at Harrell Fine Arts Auditorium last Sunday night. Benny Hagan, father of one of the graduated and well known area minister

was the speaker.

The baccalaureate program included the invocation by Frank Williams, minister of the First United Methodist Church, a scripture reading by Charles

Bradford, and the benediction by the Cecil Deadman, pastor of East Cisco Baptist Church.

Friday, May 25, was to be the final day for classes to meet. Students were to be

dismissed by 2:30 p.m. High School students will be taking their final examination for the school year on Thursday and Friday, with qualifying students being exempt from taking finals.

The Little Miss Cisco Pageant Set Saturday

The Little Miss Cisco pageant will be held at 2 p.m. Saturday, May 26, at the Corral Room. The pageant will be sponsored by Merle Norman Cosmetics. There will be three divisions: 1 year olds and under, 2 and 3 year

olds, and 4 and 5 year olds.

Registration will continue until Friday noon, May 25, at the Merle Norman Studio, 614 Conrad Hilton Avenue. Entry fee will be \$5.00 for each girl. The public is invited to attend the pageant.

'Mission Celebration'

Set Sunday, May 27th

REV. STEVE KING

Sunday, May 27th, will herald a "Mission Celebration" in Eastland, Texas. The Eastland area is currently being studied for the establishment of a new mission congregation of the American Lutheran Church. However, this "mission" is different from most in the ALC, in that it is being done entirely by another congregation, Emmanuel Lutheran Church of Knippa, Texas.

Sunday, May 27th, a chartered bus will be bringing 50 men, women and

children from the Knippa Church to share and celebrate with their "partners in mission." The day will include a barbeque dinner at 1:30 p.m., worship at 4:00 p.m., and Bible study at 5:15 p.m. This occasion demonstrates very tangibly their commitment to one another.

For the last month, this ministry has been called Eastland Outreach Ministries and draws families from Eastland, Ranger and Cisco. As the mission study is being done, interested individuals are meeting each Sunday at Holy Trinity Episcopal Church in Eastland at 4:00 p.m. for prayers and study.

This coming Sunday, May 27th, the guest speaker will be the Rev. Steve King. Pastor King is a nationally known speaker and Bible teacher. He is also pastor of Emmanuel Lutheran Church in Knippa, Texas. As a adult convert and a combat veteran of three and a half years in Viet Nam, Pastor Steve speaks with integrity and rather piercing clarity.

The public is encouraged to come and share this day with us at Holy Trinity Episcopal Church, 604 South Seaman, Eastland.

HALL OF REMARKS

BY HERREL HALLMARK

MAKE YOUR plans now to be in Cisco on Saturday and save at the downtown Sidewalk Sale and the Flea Market planned for the weekend at Cisco Steakhouse and Inn's parking lot.

See an inside page of this edition for some of the participating merchants of the sidewalk sale.

After you take advantage of the bargains available Saturday, hang around for awhile and attend the Little Miss Cisco Pageant. More information on this event may be found elsewhere in this edition.

IF YOU MISSED the Kiwanis barbeque Saturday afternoon at the Lake Cisco Park, then you missed a great meal and some fun time of playing miniature golf. The \$4.00 ticket entitled you to a plate of barbeque

brisket, beans, cole slaw, and tea, as well as a game of miniature golf to work off the good food.

I understand the food was prepared in an unique way by digging a large hole, burning several truck loads of wood for coals several feet thick, then placing galvanized tin on top of a layer of sand. The meat was then placed in tin foil and inside a toe sack which was soaked with water.

The meat was laid on top of the tin, covered by another layer of tin and the hole was filled in with dirt. The meat was then allowed to cook overnight and it was certainly tender and good on Saturday.

ANOTHER GOOD barbeque which could have been enjoyed lately, was the catered meal from Oscar's Barbeque, which was served at the All Sports Banquet on Monday night at the Cisco High School gymnasium.

Numerous awards were presented to local school athletes and a story and photos appear elsewhere in this edition of the Press.

Flea Market Will Be Held Here This Weekend

A Flea Market will be held at the Cisco Steak House on I-20 & Hwy. 183 this Friday, Saturday, and Sunday. Vendors from Ft. Worth, Cleburne, Weatherford, Rising Star, and Buffalo Gap, and several other towns will be there selling their goods.

The Flea Market will be a monthly attraction for Cisco. It will be held every fourth Friday, Saturday, and Sunday of each month. There is a charge of \$6.00 for a space at the Flea Market. All dealers are welcome.

For more information call the Cisco Steak House at 442-1851 and speak to David or Linda Allen, managers of the Cisco Steak House. Linda Reported that they were pleased with the Flea Market last month and ex-

City Hall Will Close Monday

City Hall will be closed Monday, May 28 for Memorial Day. There will be no trash pick-up on Monday, but the landfill will be open.

Free Blood

Pressure Check Set Wednesday

There will be a free blood pressure clinic at Cisco Chamber of Commerce on May 23rd, 1984 from 1:30 p.m. to 3:30 p.m. This clinic is provided by the Eastland Manor Home Health Service nurses.

Everyone is invited to come to the Cisco Chamber of Commerce and take advantage of this service.

Called Meeting

Set May 23

There will be a called meeting of the general membership of the Cisco Softball Association on Wednesday evening, May 23, 1984 at 7:30 pm at Whitley Softball Field.

Changes Supper

The location of Cisco Civic League's salad supper Thursday, May 24, at 7:00 p.m. has been changed to Mrs. Effie Kamon's home. Mrs. Ruth Heidenheimer regrets she can not have it at her home on that evening as previously arranged.

Dothan Cemetery Meet Planned For May 28th

A cemetery meeting is planned for May 28 for all persons who have relatives and or friends buried in the Dothan Cemetery. The gathering will begin about 10 in the morning for a cleanup time, lots of visiting, a sack lunch and a business meeting to formulate a plan for a perpetual care organization.

If you are able to help in the cleanup, bring your tools. If you cannot work, come to meet your friends and talk over yesteryear. This will be the first gather-

ing the Memorial Day weekend to be even better. She invites everyone out to see the bargains!

Summer Swim

Lessons Add

New Dates

The summer swimming lessons planned at the City Park swimming pool for May 29 thru January 2nd, and from June 4th to June 8th are all filled, according to an announcement here by City Manager Mike Moore.

Mr. Moore said more classes will be scheduled for June 18, and anyone who is still interested should go by City Hall and get their name on the waiting list.

June Water

Bills Will Be

'Little Different'

Cisco water bills will be a little different for the month of June, since they will be stapled to a water conservation brochure, according to City Manager Mike Moore.

Mr. Moore said the brochures are being mailed to water customers with regards to the low water condition of Lake Cisco. Cisco residents are being encouraged to be as conservative with their water usage as possible, on a voluntary basis.

Saturday Is

Free 'Splash

Day' At Pool

Saturday, May 26th, will be a free splash day at the Cisco City park swimming pool and the facility will be open to the public. The splash day will kick off the 1984 season for the pool to be open during the summer.

Pool hours will be from 1 p.m. to 7 p.m., every day except Monday. On the weeks when Monday is a holiday, then the pool will be open.

The price for admission to the pool this year will be the same as in the past: \$1.00 for the main pool and 50 cents for the baby pool. Season passes are available at City Hall.

Shirley Darr, who managed the pool the past two years, will be the manager again this year.

Dothan Cemetery Meet

Planned For May 28th

ing for Dothanites since we all scattered. Do come if you can only stay a part of the day.

Bring a sack lunch and a thermos of water. A shade will be provided. There has been a lot of enthusiasm shown and some are coming from as far away as California.

Mark May 28 on your calendar and meet your friends and former neighbors for a good day at the Dothan Cemetery from 10 a.m. until we all give out. If you need a ride or information call 442-2116.

1984 FOOTBALL AWARDS— Recipients of the football awards for the 1983-84 season were named at the All Sports Banquet held Monday night. They are (left to right, front row): Joe Perry, Manuel Gonzalez, and Darrell Stuart.

Also named were captains of the 1983-84 team shown on the back row. They are Craig Foster, Franky Seabourn, Doug Hendricks, Robert Sherman, Joe Perry (front row), and Johnny Seabourn (not shown). —(staff photo)

1984 BASKETBALL AWARDS— Recipients of the 1984 basketball awards at Monday night's All Sports Banquet were: (left to right, back row) Johnny Rameriz, Tommy Elrod, Butch

Jessup, and Wade Shackelford; (front row) Paula Potter, Wendy Endsley, Lucinda Hagan, Tammy McCulloch, Laurina Gage, and Karen Davis. —(staff photo)

Athletes Are Presented Awards At Sports Banquet

Awards were presented to numerous athletes of Cisco High School at the annual All Sports Banquet held Monday, May 21, at the High School gymnasium. All Junior High and Senior High athletes were to attend the 1984 banquet.

CHS head coach John Parchman welcomed those attending the banquet and expressed his appreciation to the cheerleaders, their sponsor Diane Fisher, and Ruthie Keyes, for decorating the gym for the event.

Coach Parchman stated, "This was a good year for athletics in Cisco High School and this will be a good banquet to close out the year."

Coach Doyle Walker gave the prayer and Coach Parchman introduced the coaches' wives, Mr. and Mrs. Al Anderson, Martha and Manning Davis, principal Mike Turner, Mr. and Mrs. James Couch. Also asked to stand were members of the school board and teachers.

Tammy McCulloch, on behalf of the female athletes presented a gift to Coach

A special thank you and a gift of appreciation was made to Shirley Darr, who Coach Parchman said "sold enough cokes and hamburgers to pay for this banquet."

Coach Ron Mouser introduced members of the girls' tennis team, Junior Varsity basketball team, Varsity track team, and Varsity basketball team. He also introduced student trainers Shelley Smothers, Stephanie Clinton and Kay Donica.

Special awards for girls' basketball were made by Coach Mouser to: Tammy McCulloch for Leading Scorer and for Leading Rebounder; Karen Davis for Best Free Throw Percentage; Lucinda Hagan for Outstanding Defense; Laurina Gage for "Miss Hustle"; Wendy Endsley for Most Valuable Player; and Paula Potter for Outstanding Female Athlete.

Tammy McCulloch, on behalf of the female athletes presented a gift to Coach

Mouser.

Football awards were presented by Coach Parchman and Coach Walker to the following athletes: Manuel Gonzalez, the Stormy Davis spirit award; Joe Perry, Offensive Player of the Year; Darrell Stuart, Players and Coaches award; and the entire defensive team, the Defensive Award. Also named were six captains chosen by their teammates for the past year. They are Joe Perry, Johnny Seabourn, Franky Seabourn, Craig Foster, Robert Sherman and Doug Hendricks.

Coach Parchman also introduced the Varsity football players and the ninth grade football players. He explained that all of the football awards were voted on by the players.

Members of the Junior Varsity basketball team were introduced by Coach Rick Land, as were the Varsity basketball players. Basketball awards were presented to the following: Johnny Rameriz, Defensive

Player of the Year; Wade Shackelford, Free Throw Award; Tommy Elrod, Arumby award; and Butch Jessup, Leading Rebounder award, Most Valuable Player, and Leading Scorer.

Members of the Junior Varsity track team and Varsity track team were introduced by Coach Rusty McCleskey. He expressed appreciation to Coach Walker for his help during the past year with the track team, and Coach Walker thanked Coach Galen Kaemingk and Coach Land.

Margaret Yeager presented gifts of appreciation from the CHS cheerleaders to their sponsors, Mrs. Fisher and Mindy Stevenson. Mrs. Stevenson also presented scrapbooks to the cheerleaders.

Scrapbooks were presented by the CHS cheerleaders to each of the Varsity football players for remembrance of their accomplishment in the past year when they won the Quarter-Finals.

CARD OF THANKS

The family of John Albert Knott would like to take this opportunity to thank each and everyone for their kindness in our time of sorrow. A special thanks to Knox Waggoner, Norma Strohan and Shandy Wheeler for the message and music. To the Cottonwood Baptist Church and the ladies of the community for the meal. To all our friends and neighbors for the food and flowers. It is times like this when you realize how special people can be.

Letters To The Editor

Dear Editor,
An alarming bit of information has come to my attention. Delegates to the Eastland County Democratic Convention on May 19 refused to pass a resolution urging Texas Congressmen and legislators to support a Human Life Amendment aimed at ending abortion on demand in this country.

On January 22, 1973, the U.S. Supreme Court in a flagrant act of raw judicial power, licensed the medical profession to kill. The resultant legally sanctioned holocaust has to this date claimed upwards of sixteen million lives.

That decision in 1973 declared that unborn human beings are not legal "persons" according to the U.S. Constitution. It is reminiscent of the Dred Scott decision in 1857 that declared that black people were not "persons" and could be used or killed at the discretion of their owners. Now an unborn child can be killed at the discretion of its mother and her doctor.

We were told before 1973 that abortion on demand would drastically reduce child abuse because many abused children were not wanted by their parents in the first place. Child abuse

has in fact risen over 400% since 1973, a predictable result when the ultimate form of child abuse, killing the unwanted child, is sanctioned by the nation's highest court.

That the mother should have the freedom of choice about abortion is the main argument proposed by those in favor of abortion on demand. Choice, however is not the issue. Taking the life of another human being is the issue.

The questions of rape, incest and endangering the mother's life are always raised. Those are difficult questions, but the fact of the matter is that those situations account for less than 5% of all abortions performed in this country. Fully 95% of abortions performed in the U.S. are for sake of convenience.

Abortion on demand has brought about a cheapening of human life which as led to a further curse on our society, infanticide, the killing of newborns. Dr. C. Everett Koop, our current Surgeon General, had predicted just such an effect.

The Infant Doe case in Bloomington, Indiana in April 1982 is the prime example. It is now only one of many. Infant Doe was a Down's Syndrome baby and

also required surgery on his esophagus. The parents refused the surgery and chose to allow their baby to starve to death.

Their lawyer coined the phrase—treatment to do nothing—and argued that if the surgery did correct the digestive problem, the baby would still be retarded. Conclusion: Being mentally retarded is sufficient reason to starve a baby.

This cheapening of human life is shown in many ways in Wichita, Kansas in August of 1983 where it was discovered that aborted babies from Wesley Medical Center were placed in bags labeled "biological wastes" and were being burned in the same incinerator used by the city to dispose of dead dogs and cats.

And now on the other end of the age spectrum, Colorado's pro-abortion governor Richard Lamm has publicly advocated that terminally ill patients should not tie up valuable medical resources, but rather should "die and get out of the way." This country for almost two hundred years guaranteed protection of "life, liberty, and pursuit of happiness." Number one on that list is life. Now for the most defenseless segment of our society, the unborn, that protection is gone and it is slipping away from those next most defenseless, the newborn, the dependent elderly, and the terminally ill.

And the killing goes on. Sincerely,
Richard W. Watson

Piano Recital Set Sunday

Patricia Ferrell will present her piano students in recital at 3 p.m. Sunday, May 27, in the theatre of the Tyde H. Wells Fine Arts complex, Tarleton State University, Stephenville.

The students will present a total of 38 selections including classical, folk, and ragtime. A trophy will be

awarded to the student who has shown the most improvement during the year. Award Piano Letters will be presented to those students who have lettered in piano.

Students appearing on the program are Josh Schecht, Michiel Clark, Charley Scroggins, Coby Allen, Tiffany Sedillo, Lara Walter,

D'Anna Green, Delores Hitt, Mindi DeShazo, Shawnell Dool, Hadley Powell, Kathy Muirhead,

Martha Bradberry, Leigh Ann Christian, Jon DeShazo, Noelle Newby, and Amy Neeb. Students assisting but not appearing are Dwayne Dool, Barbara and Richard Rossander, Jean Scroggins, Dr. LaVelle Mills, Dr. Mike Wade, Sam Robbins, Dr. Monty Banks, and David Whitenton.

Mrs. Ferrell has taught privately for 23 years. She is a member of the National Music Teacher's Association, Texas Music Teacher's Association, National Guild of Piano Teachers, Stephenville Music Club, and is Student Affiliate Chairman for the Cross Timbers Music Teacher's Association. She has used computer assisted instruction for the last year and has taught class piano through the Continuing Education Department at Tarleton State University. She and her husband, Johnny reside at 1021 N. Neblett, Stephenville, and

they have three sons, Richard, Larry, and Billy Cato. A reception will follow the recital to honor the students. It will be held in the green

room behind the theatre in the Fine Arts Complex. No admission will be charged for the recital and the public is invited to attend this musical event.

Absentee Voting For Run-Off Elections Are Set In May

Absentee voting for races, including state senator and state representative run off election will be held Wednesday through Friday, May 23-25, and Tuesday, May 28, in the County Clerk's office in the courthouse. There will be no voting Monday, May 28, as the courthouse will be

closed for Memorial Day. There are no local races on the run off ballot.

Office Closed

Due to vacation schedules, the Driver License Office in Eastland will be closed Wednesday and Thursday, May 23 and 24th.

New Book Traces Life Of 'Meanest Man' In Texas

A new book titled *The Meanest Man in Texas*, traces the life of one of the most notorious men ever to serve in Texas prisons.

Clyde Thompson was given the "the meanest man" title by prison officials in the 1930s after he was accused of killing his fifth man. The book traces Thompson's life from 1928, when he was convicted in the slaying of two men near Cisco. At the

CALADIUMS
The Caladium is a tuber, not a bulb, and is native to the banks of the Amazon River in South America. Therefore, it comes to us from the tropic region. There are only 50 cultivars of Caladiums. They are very tolerant to varying light conditions from full sun to deep shade. Since they come from the tropic region, they are subject to cold damage very easily. The tuber is stored at a temperature of 55 degrees while it is in the dormant state. The minimum low temperature is 50 degrees. When the day temperature reaches 70 degrees and the night temperature stays above 55 degrees, you may plant the Caladium tuber.

The roots grow from the top of the tuber; therefore, plant the tuber upside down and cover with one inch of soil. Plant the tuber in most compost of vermiculite about 10 to 12 inches apart. You may add well rotted cow manure and sand to your planting medium. The Caladium should be fed every two weeks with a well balanced fertilizer such as 20-20-20 or 6-10-5. Remember to water regularly when the soil becomes dry around the Caladium. The Caladium may be started in pots inside and transplanted outside as the temperature rises to a safe level. When starting the Caladium in pots, a four-inch pot shall be used along with the planting medium described above.

The plants grow about a foot to 18 inches tall. The leaves resemble wet tissue paper texture. All wilted leaves should be removed. The flowers should be removed as they appear since the Caladium is grown for its foliage. The flowers are a pale pink and are usually hidden by the foliage. When frost threatens in the fall, dig up the tubers with the soils and roots as well as the foliage attached. Then let them dry in any airy place out of the direct sun for about a week or 10 days or until the foliage can be removed by an easy pull. Then shake the dirt off the roots and dust with fungicide and store in dry peat moss at a temperature of 55 degrees or above. You may propagate the Caladium now by cutting the tuber and leaving one eye to each piece.

We have been discussing the standard Caladium. The Dwarf Caladium which reaches only 10 inches tall can be handled in the same manner. Caladiums do excellent in windows boxes, planters, beds and pots for indoors. The best effect is moss planting in the bed and planters. The various park departments have used Caladiums well in shade areas to give the needed color to their landscapes.

There seems to be almost endless combinations of red, pink, silver, white and green Caladiums. Some of the more popular ones in this area are Candidum Silver,

and other well-known criminals of his day and to eventually be assessed three life sentences and six years in solitary confinement.

"As the book traces the life of Clyde Thompson," said author Don Umphrey, a former journalist who is now an assistant professor at Texas Tech University. "It also shows what was occurring within the Texas Department of Corrections from the early 1930s through the 1950s. The conditions were so brutal on prison farms that inmates routinely chopped off feet with axes so that they might be assigned elsewhere."

"Though I can't give away the ending," Umphrey continued, "There is much more to this book than blood and

White Christmas, Freida Hemple, Red-Green, Red Flash-red, June Bride, Silver Pink Beauty and Hortulania-pink.

The Candidum which is silver leaf with the green veins showing is the most popular in this area.

guts and prison. It also shows a miraculous transformation in a man's life and contains a very unusual love story between a man and woman."

"Eastland County has a fascinating heritage--the Ranger Oil Boom, Santa Claus bank robbery, Ol' Rip. I really enjoyed doing the research for this book, particularly the parts about Eastland County," said the author.

The Meanest Man in Texas was published by Thomas Nelson Publishers.

Should You Do It Yourself?

COLLEGE STATION—As summer approaches, thousands of do-it-yourselfers will grab their tool boxes and start attacking long lists of home repair and improvement projects. If you're one of them, it could be worthwhile to take a second look at your list and consider the true costs of each job, says housing specialist Dr. Jane Berry. "Many dedicated do-it-

yourselfers will tackle any project without hesitation, regardless of its complexity or the time involved. Yet sometimes a particular job might better be left to a professional," says Berry, a home economist with the Texas A&M University Agricultural Extension Service.

For example, if you plan to purchase carpeting that

costs \$15 a yard installed or \$13 a yard off the roll, the carpeting will account for 86% of the total expense. That means only 14% is saved by doing the job yourself. In addition, laying carpet requires renting or buying special tools, and a small mistake could ruin the entire job.

So where materials count for the majority of the expense, and your own skills

are questionable, it's often better to use the services of a professional, says Berry.

But labor-intensive repair and improvements are another matter, notes the specialist. Finishing an already framed-in attic area, for example, requires relatively inexpensive gypsum board (sheet-rock) and only a few special tools. It is also simple and inexpensive to correct any mistakes. Generally, sheet-rock accounts for 20% of the cost of the job, so the do-it-yourselfer can save about 80% over what a contractor might charge for drywall installation and finishing.

Even for labor-intensive projects, not all do-it-yourselfers jobs will result in saving money, she says, since the cost of the materials is often increased due to over estimating the amount needed and waste.

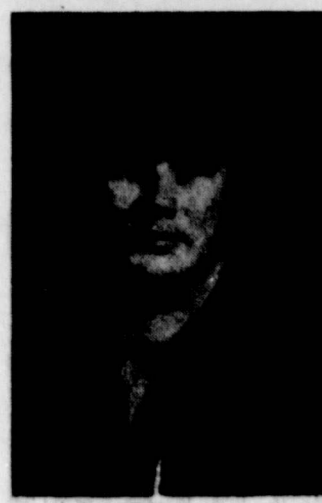

The value of your time is another cost to be considered, says Berry. It can take the amateur 50-100% longer to do a job than it would take a professional.

As you gain confidence, also be careful about attempting jobs beyond your skill level, which can result in accidents, injuries or "botched" jobs that cost even more to repair, she cautions.

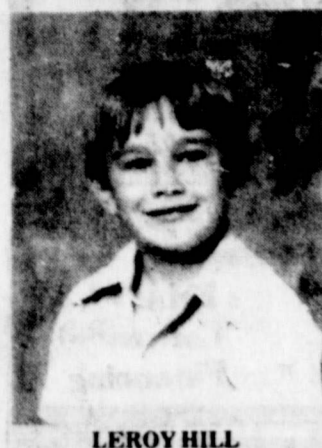

With money, time and quality of the finished product at stake, it pays to consider the pros and cons before starting each do-it-yourself project.

JACK PALANCE AND OLD RIP - Hollywood Star Jack Palance tells the Old Rip story in front of the original cornerstone on the north side of the Square Friday as cameraman grined and watched closely by his (Palance's) make-up girl and Director Mel Stuart. It's all on film and reported by the ABC crew to be a super story. Eastland will be advised when the film will be shown.

GEORGE HILL

LEROY HILL

Hill Brothers Take Honors

The Texas State Technical Institute VICA team in Sweetwater, went to Houston for the state meet and George Hill, son of Freda Hill, of Cisco, placed 5th in Technical and 6th in Skill in the DSM competition.

George Hill is a 1983 graduate of Cisco High School and is attending TSTI studying to be a diesel mechanic. He is in the Vocational Industrial Club of America. He will graduate in August.

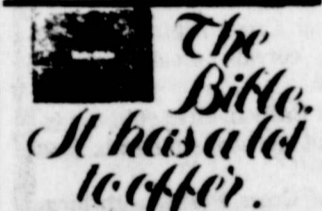

George has a younger brother, Leroy, of Cisco who will be in DeLeon on Memorial Day weekend to race.

Leroy, a fifth grader at Cisco Intermediate School is with the Lone Star 3 Wheeler Association and has placed 5th, in Dublin, 4th in Big Spring, and 3rd in DeLeon races.

Karen Bostick Named To Dean's List

Karen Bostick has been named to the Dean's Honor List for the Spring 1984 semester at Texas Tech in Lubbock, Texas.

Miss Bostick is a junior at Texas Tech and the daughter of Barbara Bostick of Cisco.

Farm Crop Receipts Are Reported Down Slightly

COLLEGE STATION--Texas farmers got about \$4.1 billion from crop sales last year, slightly less than in 1982.

Weather losses had a big impact on crop receipts in 1983, but last year's PIK (payment-in-kind) program helped buoy cash receipts, says Dr. Carl Anderson, economist with the Texas Agricultural Extension Service, Texas A&M University System. PIK payments were included in the tabulation of crop receipts for 1983, but other government payments, such as deficiency payments, were not included.

Cotton continued as the leading crop in Texas, with receipts estimated at \$877 million. Although sales were roughly half the level two years before, the South Plains led the state with a cotton crop totaling \$412 million. South Texas came in second with cotton sales of more than \$96 million.

Wheat was the state's second leading cash crop with sales of \$638 million. The Panhandle boasted wheat sales of \$199 million, with North Central Texas a distant second at \$115 million.

Sorghum receipts totaled \$519 million. The Panhandle's crop totaled \$135 million while the Coastal Bend crop came in at almost \$99 million.

Receipts from vegetables exceeded \$370 million, with sales reaching almost \$68 million in the Panhandle and \$45 million in South Texas.

Corn brought in receipts totaling \$351 million, with the South Plains and Panhandle boasting receipts of \$152 million and \$55 million, respectively.

Nursery crops boasted

receipts of \$333 million across Texas, with sales totaling almost \$106 million along with the Upper Cost and \$71 million in Northeast Texas.

A bumper hay harvest also was made in Texas last year. Leading production areas were North Central Texas and Northeast Texas.

Receipts estimated for other leading cash crops included rice, \$191 million; soybeans, \$97 million; peanuts, \$92 million; pecans \$46 million; oranges, \$36

million; watermelons, \$34 million; grapefruit, \$30 million; sugar beets, \$23 million; peaches, \$20 million; and oats, \$17 million.

Texas farmers should see some improvement in '84 prices since stockpiles of most commodities have been reduced by the PIK program, says Anderson. Also, increased domestic and export demand as a result of improving economic conditions in the U.S. and abroad should strengthen farm prices.

Eleventh Court Of Appeals

The following proceedings were had in the Court of Appeals, Eleventh Supreme Judicial District of Texas: REVERSED & REMANDED ON STATE'S CONFESION OF ERROR

Season Tickets Available For CJC Theatre

Season Tickets are now available for the Roof Garden Dinner Theatre's professional 1984 Summer Season. Plays selected for this summer include **Charley's Aunt** by Brandon Thomas running June 14-16, 21-23; **Blithe Spirit** by Noel

Howard running July 12-14, 19-21; and **Guys and Dolls**, a musical comedy by Frank Loesser, Jo Swerling and Abe Burrows, running August 2-4, 6-11.

Charley's Aunt is the world-famous comedy set in Victorian England in which two young undergraduates at Oxford, Jack and Charley, contrive to see their sweethearts by having a fellow student disguise himself as an older woman (Charley's aunt) to serve as a chaperone. The plan backfires on them however when the guardian of one of the girls decided to court the

"aunt" and things become thoroughly confused when the real aunt makes her appearance under an assumed name. However, through quick wit, fast action, and incredible luck this farce reaches a happy conclusion guaranteed to tickle your funnybone.

Blithe Spirit is also a classic comedy, but with a different twist. The novelist, Charles Condomine is planning a book on the occult and invites a breezy lady medium into his home in order to discover her "tricks of the trade." Little does Charles or his lovely second

wife, Ruth, dream that the seance staged by the medium will summon back Charles' first wife, now "passed over" for seven years. But the lady from beyond, still beautiful, still mischievous appears -- a wraith who torments Charles by reminding him of their days and nights together. Only Charles (and the audience) can see or hear her. The first wife has a ghostly plot in mind: if she can get Charles into an automobile accident and make a ghost out of him, life in the spirit world will have more appeal for her

Mistakes occur, however with twists and turns in abundance making this one of the funniest and most cockeyed plays ever written.

Guys and Dolls tells the story of Miss Sarah Brown, whose Salvation Army mission near Times Square in New York is a total failure, until Nathan Detroit, a cheap hood who runs a "floating game" in order to get money to rent a safe hideout, bets a handsome gambler and ladies' man, Sky Masterson, that he can name a "doll" that Sky cannot convince to accompany him to Havana. The bet is accepted, the romance begins, and the ladies' man finally finds a girl who wins his heart. However, in order to win hers, he must make the mission a success by recruiting his gambler

associates -- not a very easy task. The plot thickens -- the "game" floats -- and a great time is had by everyone. Well known songs from the score include "Guys and Dolls," "A Bushel and a Peck," "Can Do," and "Luck be a Lady."

Season tickets can be ordered by sending a check or money order for \$32.00 (a savings of \$4.50) to Roof Garden Dinner Theatre Box Office, Cisco Junior College, Cisco, TX 76737. Season ticket holders receive preferential seating. Reservations need to be made for individual shows and may be made by calling (817) 442-2589.

00000

IN THE INTEREST OF SERVING THIS AREA,

JIM CALDWELL BRINGS YOU THESE IMPORTANT MONEY-SAVING ARTICLES:

Get better performance from your car's air conditioner by cleaning it, particularly between the condenser and the radiator. Clean condenser coils, too.

Drunk driving is the leading single cause of death among young Americans aged 15 to 24. Many states are raising the minimum drinking age.

If your car is hard to start after rain-wet ignition parts are usually to blame—solve the problem with silicon spray that repels moisture. Recoot periodically to keep wires dry.

When engine performance is erratic, alternately hesitating and flooding, dirt on the carburetor is often to blame.

Planning a trip? Be certain your car is in first-class running condition BEFORE you start.

NEW-USED CARS
Trips are more fun in a comfortable car from **JIM CALDWELL MOTORS, 214 W. Main in EASTLAND, 629-2636.** And our fuel efficiency saves you money on the road.

AUTO REPAIR
Get your travel checkup from the expert mechanics at **JIM CALDWELL MOTORS, 214 W. Main in EASTLAND, 629-2636.** We really know our business—and your car.

BODY SHOPS
Before you go, have all dents and scratches repaired at **JIM CALDWELL MOTORS, 214 W. Main in EASTLAND, 629-2636.** A clean car makes you happier on the road.

Drilling Bits

At a location nine miles northwest of Eastland, P&R Oil Inc. of Eastland has finished a new oil producer in Eastland County's REB Field.

The well is designated as the No. 5 White, pumping at the rate of 25 barrels of oil and 75,000 CF gas per day on a 3/4 choke.

Location is in a 322-acre lease in the H&TCRR Survey, A-1913. Bottomed at 4,116 feet, the well will produce from perforations in the Marble Falls Formation, 3,584 to 3,600 feet into the hole.

Eastland County's I.C. Field gained a new producer when Leonard Brothers Operating Co. of Ft. Worth completed the No. 1 M.K. Courtney "B", four miles north of Eastland.

The well indicated ability to pump at the rate of 24 barrels of oil and 70,000 CF gas per day. It was taken to a 3,995-ft. bottom and will produce from a set of perforations in the Caddo Formation, 3,218 to 3,230 feet into the wellbore.

The operation is in 40-acre lease in the H&TCRR Survey, Sec. 41, Blk. 4.

Yellow Mound Oil Co. of Cisco has filed for permit to drill the No. 1 Irwin, a 1,500-ft. developmental well two miles northwest of Rising Star. Location is in a two-acre lease in the Eastland Regular Field, ETRR Survey, A-742.

The No. 804 North Pioneer Unit has been finished by Clyde Petroleum Inc. of

Breckenridge.

It is a developmental well in the Eastland Regular Field, two miles northeast of Pioneer. Drillsite is in a 1,731-acre lease in the Plier Survey.

Daily potential of 16 barrels was posted with the Railroad Commission. The well went to a 2,541-ft. bottom. Production will be from perforations 2,455 to 2,514 feet into the wellbore.

Morrison Energy Co. of Abilene has filed first production figures on a wildcat oil well. The No. 3-1 Riddle Unit Showed potential to make 20 barrels of oil and 100,000 CF gas per day.

The operator has 40 acres leased, with drillsite in Eastland County's A.C. Williams Survey, A-1985, four miles southeast of Carbon.

The well will produce from an interval 3,226 to 3,238 feet into the hole. Total drilling depth was 3,400 feet.

A 3,500-ft. developmental well is planned by Southeastern Resources Corp. of Ft. Worth at a drillsite five miles east of Rising Star. The location is in a 168-acre lease in the ETRR Survey, A-1188. Well's designation is the No. 1 A.G. Lawrence. It is in the Eastland Regular Field.

Snow Oil Co. of Ft. Worth has filed first production figures on two new oil wells in Eastland County's H&TCRR Survey, Sec. 18, Blk. 4 and Sec. 52, Blk. 4. The No. 1 Tankersley-

North showed potential to make 14 barrels of oil and 90,000 CF gas per day. The well bottomed at 3,905 feet and will produce from perforations 3,633 to 3,640 feet into the hole. Location is seven miles north of Eastland in a 160-acre lease in the Eastland Regular Field.

The No. 1 Davis-North indicated ability to make four barrels of oil and 60,000 CF gas daily. Bottomed at 3,800 feet, production will be from perforations 3,427 to 3,432 feet into the hole. Location: five miles northwest of Eastland in an 88-acre lease in the REB Field.

The same operator has filed for permit to drill two developmental wells in Eastland County.

The No. 1 Germany is located in an 80-acre lease in the H&TCRR Survey, A-298. With projected total depth of 4,000 feet, it is six miles north of Eastland in the Snow Field.

Proposed total depth of the No. 2 Kimbrell is 4,000 feet. Drillsite is four miles east of Eastland in a 120-acre lease in the Lake Leon Field, McClennan CSL Survey, A-367.

At a location eight miles northeast of Cisco, Richey and Co. of Ft. Worth has finished a new oil producer in Eastland County's REB Field.

The well is designated as the No. 1 B Childers, pumping at the rate of 15 barrels of oil and 60,000 CF gas per day.

Location is in a 40-acre lease in the H&TCRR Survey, Sec. 68, Blk. 4. Bottomed at 3,988 feet, the well will produce from perforations 3,584 to 3,596 feet into the hole.

A wildcat producer has been brought on line in Eastland County, with

WANT TO BUY:
Marginal, shallow production (1500' or less) with acreage for development. Call: 442-2689 (Days) or 442-3647 (Nights) p-311c

Robert E. Bryne of Lubbock as the operator.

Located five miles north of Eastland, the well is in a 40-acre lease in the H&TCRR Survey, A-1872. It is designated as the No. 1 White "A".

The well showed potential to make six barrels of oil and 165,000 CF gas per day. It bottomed at 3,860 feet and will produce from perforations 3,540 to 3,552 feet into the hole.

An Albany-based operator has staked location for the No. 1 Robinson, a developmental well to be located five miles south-southeast of Ranger. With projected total depth of 1,500 feet, the well is in a 128-acre lease in the Eastland Regular Field, S.M. Mathias Survey, A-376. The operator is Tidwell Brothers.

The No. 16 Tarver "B" has been finished by Dalls Sunbelt Oil & Gas Co.

It is a developmental well in the Hawkeye Field, one mile east of Romney. Drillsite is in a 160-acre lease in Eastland County's H&TCRR Survey, Sec. 76, Blk. 3.

Daily potential of two barrels was posted with the Railroad Commission. The well went to a 1,194-ft. bot-

tom. Production will be from perforations 1,130 to 1,138 feet into the wellbore.

Two 1,150-ft. developmental wells are planned by Blanco Industries Inc. of Blanco at a drillsite two miles northwest of Rising Star, Eastland County. The location is in a two-acre lease in the ETRR Survey, A-853. Wells' designations are the No. 12 J.T. Alford "3" and No. 13 J.T. Alford. They are in the Eastland Regular Field.

Rainbow Resources Inc. of Kilgore has revealed plans to drill three 1,600-ft. developmental wells in Eastland County's ETRR Survey, A-1949, A-1813, & A-110.

The No. 3 Alma Moreton is located two miles southwest of Eastland in a 160-acre lease in the Eastland Regular Field.

Location of the No. 4 P.H. Boles "C" is one mile south of Eastland, in a 23-acre lease in the Squires Field.

The No. 10 Jerry Squiers is located one mile south of Eastland in a 394-acre lease in the Squiers Field.

Two gas producers have been brought on line in Palo Pinto County's Brazos Field, with LHL Oil & Gas Co. of Mineral Wells as the operator.

Located four miles northwest of Brazos, the wells are in a 168-acre lease in the T&PRR Survey. They are

designated as the Nos. 3 & 4 Chestnut.

On a 1-inch choke, the No. 3 well flowed 817,000 CF per day. It was rated at 1,600,000 CF on absolute open flow. The No. 4 well flowed 615,000 CF per day on a 1-in. choke. The absolute open flow rating came in at 1,300,000 CF.

The wells bottomed at 1,200 feet and will produce from a perforated interval in the Strawn Formation ranging from 1,068 to 1,143 feet into the hole.

At a location six miles northwest of Graford, Cromeens Petroleum Inc. of Mineral Wells has finished a new oil producer in Palo Pinto County's Kevin Field.

The well is designated as the No. 5 Halsell, flowing at the rate of 12 barrels of oil and 268,000 CF gas per day on a 14/64 choke.

Location is in a 402-acre lease in the W.C. Kutch Survey. Bottomed at 4,618 feet, the well will produce from perforations 4,356 to 4,362 feet into the hole.

A 1,500-ft. wildcat well is planned by Michael D. Brown of Ft. Worth at a drillsite two miles east of Carbon, Eastland County. The location is in an 80-acre lease in the H&TCRR Survey A-280. Well's designation is the No. 2 Milligan.

North Ridge Corp. of Dun-

canville has filed first production figures on two new oil wells in the REB Field. The operator has 160 acres leased, with drillsite in Eastland County's H&TCRR Survey, A-299 & A-752, four miles north of Eastland.

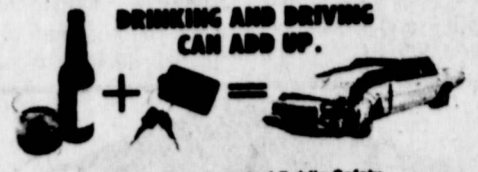

The No. 4 R.O. Morton showed potential to make 29 barrels of oil per day. Bottomed at 3,600 feet, the well will produce from perforations 3,482 to 3,498 feet into the wellbore.

The No. 3 L.S. Ross indicated ability to pump 34 barrels of oil daily. It bottomed at 3,570 feet and will produce from perforations

3,457 to 3,507 feet into the hole.

The same operator has brought another producer on line in Eastland County's Ranger Field. Located six miles northwest of Ranger, the No. 1 C.F. Hamor is in a 300-acre lease in the T&NORR Survey, A-533 and the Ben Willis Survey, A-1212.

The well will produce nine barrels of oil daily. It bottomed at 3,655 feet and will produce from a perforated interval in the Black Lime Formation, 3,396 to 3,457 feet into the hole.

One Thing After Another -
... can and may happen to land titles in the passing of moments. During the time it takes you to read this ad, something could happen to your title that would change your whole financial structure, or indeed it could alter your plans and aspirations for generations to come. The abstracter, in a sense, is your land title guardian, for he keeps the records day by day as you or others make them. Advise with him often about your title.

Clevelands Return From D-FW Visit

Dr. and Mrs. C.M. Cleveland returned to Cisco Monday from Ft. Worth and Dallas where they were visiting the home of their daughter and children. Saturday evening they attended the Dallas Symphony Orchestra performance at the Dallas Civic Auditorium. Grandson, Mark Knippers, member of the Texas Boy's Choir performed with the Dallas Symphony Orchestra to a packed audience. They sang the entire performance of "Carmina Burana, Cantiones Profanae" in Latin. Mr. and Mrs. Shural Knippers, grandparents of Mark, his mother, Carolyn Knippers and his brother, J. Michael Knippers of Ft. Worth also attended the symphony.

Eduardo Mata, conductor of the orchestra is one of the leading podium personalities of his generation. Mr. Mata has guest conducted extensively in Europe and the United States. In Europe he has conducted the French Radio Orchestra, the Royal Danish Orchestra, the London Symphony and most of the British Broadcast orchestras.

The Texas Boy's Choir is directed by Allan Buratto. Mark auditioned for the choir last year and has been receiving intensive training

E.L. GRAHAM Memorial Hospital presented a plaque to the Hospital Auxiliary Monday, at a special awards presentation. Shown in the above photo is (left to right): Kitty McCracken receiving the plaque from Helen Orr, Hospital Administrator. Mrs. Orr said the plaque is to "show that the hospital does care even though they don't say it." (staff photo)

CJC Now Accepting LVN Applications

Cisco Junior College is now accepting application for August 1984 Licensed Vocational Nursing program at Cisco.

In accord with certification requirements, applicants MUST make application in advance and pass a pre-entrance physical and examination.

The twelve month program will hold classes in Cisco with clinical work in the E.L. Graham Memorial Hospital and the Eastland Memorial Hospital in Eastland on a rotating basis.

Satisfactory completion of the program entitles the student to a certificate from the college, and qualifies him/her to take the State Board of Vocational Nurse Examiner's examination.

A prospective student must be at least 17 years of age and must be in good physical and mental health. Students must be high school graduates of have succeeded with this group. The Texas Boy's Choir has performed in foreign countries including Japan and throughout the United States. The group is under contract with RCA records.

cessfully taken the GED examination establishing high school equivalency. The GED examination is given on the CJC main campus in Cisco.

Employment opportunities for a Licensed Vocational Nurse are very good; the demand for LVN's far

surpasses the supply.

For full information, interested persons (male or female) may contact Vocational Dean, Gerald Birt or Program instructor Mrs. Wanda Wheatley in the Vocational-Technical building on the campus or by telephoning 817-442-2567.

Moran News By Mrs. Luke Huskey

A WEDDING SHOWER
Sherry Abney and David Roberts will be honored with a miscellaneous wedding shower on Saturday, May 26, from 2:30 to 4 p.m. in the Fellowship Hall of the First Baptist Church in Moran. David is the son of Mr. and Mrs. Wade Roberts of Moran. The public is invited.

A DEATH
Mrs. Florence Robinson, the former Florence Greer of Moran, passed away Monday in a San Antonio Hospital. Graveside rites were held at 1 p.m. Friday, in the Moran Cemetery.

Mrs. Margaret Schooler and John spent last week end

in Ft. Worth with relatives.

M.H. Gore of Brownwood visited with Mr. and Mrs. Thomas Holland, Melvin and Russell and Mr. and Mrs. Ezra Weir, last Sunday.

Mrs. Cecil Harper received treatment in the Albany Hospital, last week.

Mrs. Ruth King and sons of Denton spent the week end with her father, Robert Thompson, and Mrs. Thompson.

A WEDDING
Miss Connie Seay and Joe Stewart were united in marriage Saturday, May 19, in the home of the groom's parents, Mr. and Mrs. Holly Stewart at 11 a.m. The bride is the daughter of Mr. and Mrs. Roscoe Seay of Hamlin.

Guests of Mr. and Mrs. Charles Reynolds are her mother, Mrs. Margaret Hartman and her sister and husband, Mr. and Mrs. Dick Palmer, all of Tucson, Ariz.

MORAN SCHOOL EXERCISES

The Senior Graduating Class will graduate on Friday night, May 25, at 8 p.m. in the high school Auditorium. Baccalaureate Service will be Sunday night, May 20, at the Baptist Church.

Janet Simmons, daughter of Mr. and Mrs. Sammy Simmons is Valedictorian of the Senior Class with a grade average of 92.96. Blanche Jentho, daughter of Mr. and Mrs. Ed Jentho, is the Salutatorian of the class with a grade average of 89.67.

The eighth grade graduation exercises will be Thursday night, May 24, at 8 p.m. in the High School Auditorium. Valedictorian of the class is Riley Breeden, the son of Davis Breeden. Kenny Shimp is the Salutatorian of the Class and is the son of Mr. and Mrs. Randy Shimp.

The public is invited to attend the Commencement exercises.

Members of the Senior Graduating Class are Janet Simmons, Blanche Jentho, Kitty Pace, Ronda Painter, Rickey Aguirre, Alene Cates, Larry Cauble, Regina Harber, Karen Hill and Cutter Wagley.

Elma May Huskey spent the weekend in Burleson and Ft. Worth with her nephews and wives, Mr. and Mrs. Foy Dunaway, Mr. and Mrs. James R. Dunaway and Mr. and Mrs. Bill Dunaway and families and they all attended the annual Dunaway Family reunion at Handley Park, Sunday.

Mrs. Hubert Brewster is receiving treatment in Dyess Hospital.

Mrs. Jack Moore is visiting her daughter, Mrs. Alvin Finn, and family in Hempstead.

The Cisco Press Thursday, May 24, 1964

ANNOUNCING ANOTHER OLNEY SAVINGS BREAKTHROUGH:

11.25% EFFECTIVE ANNUAL YIELD

1-Year Certificate of Deposit, \$1,000 minimum.

When you invest in a 1-year Certificate of Deposit, you want to earn the highest interest possible. So, Olney Savings has come through again with a 1-year CD that pays 10.8% interest compounded quarterly with an effective annual yield of

11.25. (\$1,000 minimum deposit required, substantial penalty for early withdrawal.)

If you are in the market for a 1-year CD that pays big, it will pay you to come see us at Olney Savings, or call and we'll come see you.

EASTLAND

Needleland, Inc. of Texas, a factory which will initially hire over 100 people, will locate immediately in the Eastland Industrial Building on North College St. Richard and Susanna Chait are owner/operators, and a mid-July start of work is anticipated. Applications for employment are available at the Eastland Chamber of Commerce office. The new plant will sew varied types of items, and will hire a great number of men as well as women. The firm is moving to Eastland from Hazelton, Pa.

The Eastland County Cancer Society will sponsor a "Coping With Cancer" program at Eastland Manor, 1405 W. Commerce, May 29 at 7:00 p.m. The Director will be Nancy Clark of Eastland, R.N., and speakers will be a Doctor, a Dietician, and another member of the team. There will be much helpful information available. The public is urged to come out. There is no charge.

The annual Eastland Chamber of Commerce LET'S GET ACQUAINTED BARBEQUE will be held at City Park Hill on Saturday, June 2, from 6 to 8 p.m. It's an excellent chance to get acquainted with all new people in the area. Tickets are \$4.50 each.

All landowners and stockmen are invited to a brush control tour Thursday afternoon, May 24. The tour will begin at 1:30 p.m. at the Eastland County Livestock Show grounds, states County Agent DeMarquis Gordon. Dr. Tommy Welch, Extension Range Brush and Weed Control Specialist from Texas A&M University will be on the tour to discuss methods of brush control and answer questions. The tour will last about two hours, and cover several treated plots. It will also cover mechanical brush control areas.

Eastland Jaycees, recently reactivated, hope to present an outstanding fireworks display at Park Hill on the Fourth of July. They have little time for fund raising, and ask that citizens of the area contribute what they can to help defray expenses. All will be appreciated, and go toward making this a memorable Holiday.

RANGER

Plans are being finalized for the location of a new water line in Ranger, part of a project which will update the water system. Carl O'Neal, Civil Engineer from Dallas, is Administrator of the project. The initial work will be paid for by a Grant of \$184,000 secured recently. Mayor Raymond Hart invites local pipeline contractors who are interested in bidding on the project to leave names and telephone numbers at City Hall. They will be contacted and the public notified when bids are opened on the work.

The Vocational Nursing Program at Ranger Junior College is now accepting applications for the 1984-85 school year. The program is 52 weeks and divided into two sections: Preclinical for 18 weeks and clinical for 34 weeks. School will start Sept. 3, 1984. For more information contact Dean Marusak or Pat Morgan at 647-3234.

The Methodist Men's Club of Ranger is sponsoring a Steak Dinner Thursday, May 24 at 6:30 p.m. at the Fellowship Hall of the Church, 417 Elm. A limited number of tickets for men are available at \$3.50 each. If the tickets have been sold, bring your own steak and the men will cook it there. All men in

the area are cordially invited.

Commencement exercises for the High School seniors will be held Friday, May 25 at 8 p.m. in the Harrell Fine Arts Bldg. at Cisco Junior College. Valedictorian of the graduating class is Tracey Couch, daughter of Mr. and Mrs. Couch of Cisco. The Salutatorian is Margaret Yeager, daughter of Mr. and Mrs. Claude Yeager of Cisco. Other Honor Graduates of the 1984 graduating class are D.D. McGrew, Glen Starr, Treca Rich, Sue Scott, Rhonda Bradford, and Karen Fisher.

About 200 area people attended the reception Sunday afternoon May 20 in Mamer Memorial Library for Dr. and Mrs. Norman Wallace. Dr. Wallace, President of Cisco Junior College for 11 years, recently resigned his post to accept the Presidency of Bee County College in Beeville. The reception was held in the Texas Room of the Library. Gifts were presented to the Wallaces; a silver tea service from the Board of Regents and a 12 gauge automatic shot gun to Dr. Wallace from the faculty, staff and administration of the school.

A special fund has been set up for Jessica Gaeta, 7 yr. old daughter of Al and Helen Gaeta of Cisco. The child was hospitalized for approx. one month after a bad break to her leg on the school grounds March 1. Mrs. Gaeta was also hospitalized during this time. Contributions may be sent in care of the First National Bank of Cisco 78437.

Lights From The Christian World
by Josephine Cleveland

Peter and John were thrown into prison for preaching Christ. After "further threats" they were released, with orders not to preach. "Out of jail," they met with friends and prayed. "Now Lord, mark their threats and enable us to speak your word with all boldness." Acts 29.

They might have considered the threats and run seeking safety. Sometimes running is best. Joseph ran from Potiphar's wife to keep from sinning. Running to keep from suffering for your faith is not. They did not pray for escape, but for enablement.

When your life is threatened or witnessing, it would be tempting to say nothing. Christ before Pilate remained silent. His silence was louder than speech. Silence to avoid suffering for your faith is cowardice.

The world is in a lost and broken condition. People in many nations are in prison or dying for their faith. Christians in our country are being ridiculed for their faith. This is not the time for timid response or silence. The hour calls for courage. Christ supplies it to all those who commit, trust and ask.

Basketball Camps Set

The fourth annual Cisco Junior College Basketball Camps for girls and boys will

be held July 8-13 and boys camp is scheduled for July 15-20.

Camp participants must be in at least the 6th grade next year through Junior varsity or age 15. Campers will learn offensive and defensive skills plus gain valuable experience by playing against competition of their own age and skill.

Cost is \$75 for campers, which includes noon meals and \$115 for dorm residents. Dorms will be assigned on a first come, first serve basis. For more information concerning the camps contact Charlotte Speagle at (817) 442-2567.

Thinking Slim BY JEAN NIDETCH

SAVORING SUMMER FRUITS

For the weight conscious, perhaps the nicest thing about summer is the wide variety of luscious summer fruits available at every supermarket counter or roadside stand — or perhaps even in your own backyard! Juicy, cool, and refreshing, summer fruits are just the thing for a hot summer afternoon. Best of all, they satisfy your sweet tooth for very few calories! Below are some examples of treats you should be enjoying right now, with hints for buying and storing:

PLUMS — Plums fall into two categories: Japanese plums, which are medium to large and red or yellow, and the more familiar European plums, which are smaller, and blue or purple. When buying plums, pick ones that are plump and firm, but not hard. (A slight softening at the tip end indicates maturity.) Plums may be ripened at room temperature, then refrigerated, for up to five days. On the Weight Watchers plan, two medium plums equals one fruit serving.

PEACHES — Early season peaches are usually the smaller clingstone or semi-freestone varieties, whose flesh clings to the stone, or pit. Later season peaches are the larger freestone, with flesh that separates more easily

from the pit. Peaches are one of the oldest known fruits, and are also among the most fragrant, so use your nose when buying! Select peaches which have a rosy blush and a bright golden background color, with well-defined creases. Avoid fruit which is too hard, as it will not ripen properly. Avoid, too, fruit with soft spots or bruises. Peaches may be allowed to soften for 3-4 days, then transferred to the refrigerator for up to 5 days. To peel a peach easily, place in boiling water for 30 seconds, then plunge immediately into cold water. The skin will slip right off. To preserve color, dip cut peaches into lemon or lime juice.

NECTARINES are similar to peaches, but they are smooth, while peaches are fuzzy. The same buying and storing procedures apply to both types of fruit. 1 medium peach or 1 small nectarine = 1 serving.

CHERRIES do not keep well, so eat soon after buying. Select brightly colored, firm berries and avoid those that are sticky, soft, or that smell fermented. Store unwashed cherries in well-ventilated container for up to 2 days. 10 large cherries make up one diet serving.

In the News

THUMBS DOWN: To help eliminate injuries to the eyes of boxers, a new "thumbless glove" has been introduced to the ring that features the thumb pocket sewn flush against the larger surface area of the glove.

Musings

Cheese is said to be the earliest form of dairy manufacturing. Because of its strengthening qualities, it was fed to Jewish and Roman soldiers.

"And carry these 10 cheeses unto the captain of their thousand and look how thy brothers fare..." — I Sam. 17:18

Family Physician BY DR. JAMES G. PRICE

Q. I have had allergies for years and have spent a lot of time and money trying to spot just what I'm allergic to. So far I have failed. Now I read in the paper that there's a new test being done which mixes white blood cells with different substances and by the cell reactions, identifies the cause of the allergy. Is this a legitimate test?

A. I believe you're talking about "cytotoxic testing" which has been advertised to reveal the cause of a great many health problems including arthritis, obesity, headaches, etc. Some of the clinics which are doing this testing charge patients from \$300 to \$500 for a listing of reactive (allergy causing) substances as well as recommendations for a proper diet. The American Academy of Allergy and Immunology has criticized the lack of controlled tests proving cytotoxic testing to be effective, and suggest that the results are not reliable. Some investigational work is being done which should eventually reveal if the test has value. For the time being, my advice would be to save your money.

Q. The doctor told my mother she has "auricular fibrillation" which he described as a disturbance in the rhythm of the heart. He told her not to worry

about it and that it probably wouldn't bother her. Isn't fibrillation of the heart responsible for death in patient with heart attacks?

A. Fibrillation is a rhythm disturbance marked by loss of regular beats of the heart. Auricular fibrillation, as your mother has, ordinarily doesn't cause death because the heart continues to pump blood albeit with irregular pulse beats. In some older people, the condition can only be treated with medications and they do quite well. Recent onset auricular fibrillation may sometimes be converted to a regular rhythm.

Ventricular fibrillation is another story. Since the ventricles are responsible for pumping blood, all the muscle fibers in the ventricular wall must contract together. If they contract independently, no blood is pumped and death occurs within a few minutes. Giving these fibrillating ventricular muscles an electrical shock will sometimes cause them to start contracting together again.

The difference between the two types of fibrillation is in which heart chambers are involved in the disorganized beats — if it is the auricles (upper chambers), the pulse continues irregularly and near normal activities are possible; if in the ventricles (lower chambers), death may occur within several minutes.

Short Takes

Our neighbor grumps that his wife would make a fine cavalry officer — she charges everything in sight.

How did they ever get rid of mouth-puckering pickle chips before fast-food hamburgers were invented?

Why don't they make desk mirrors mandatory, so you can spot the boss sneaking up on you? So asks our resident laggard.

Add to your collection of collective nouns: A smagness of dogooders.

When all's said and done, some nitwit will find a way to prolong the meeting.

The trouble with playing for keeps is that you're stuck with what you'd quite often like to get rid of.

Where on earth do they take some of the pictures which show up in our envelope from the film processor, instead of the ones we took?

The person who says women are always outspoken quite obviously never tried to argue with our spouse.

Suburbia

"This is dullsville. I learned more watching two episodes of 'Days Of Our Lives'."

Tee Vee Laffs

"THEY JUST CAME IN... AS THE FIRST CUSTOMER, YOU CAN HAVE YOUR PICK OF THE LITTER!"

Side Glances

"Will you pay cash, or do you prefer our 'Go now, pay forever Plan?'"

Caring For Children BY ANDREA PAUL

Dear Andrea: With the children out of school for the summer, I am going crazy. "What can I do, Mom?" "I'm so bored," and "We never do anything fun" are all I hear. Do you have any suggestions to help the children and me make it through the months with no school?

Sincerely, Teresa

Dear Teresa: Most children can't wait for school to be out in the summer, but spend most of their summer complaining to their mothers about being bored. It can be very frustrating. Don't try to fill up all their time, no matter how bored they say they are. Children need to learn to cope with boredom and change it to constructive time. Don't hesitate to give them more household chores. Do plan some activities and special events to make summer more fun for you all. I try to plan one event for each day or at least every other day. (Trips to the pool or shopping mall are definitely "special events.")

Comb your local newspaper for events — concerts, races, art fairs, etc. Attend as many as you and your family are interested in and can afford (many will be free).

Go to the library often. Beside getting books, you can get records and games. Many libraries have special features during the summer like free movies and puppet shows. Ask for a schedule.

Most towns have local theater groups or even children's theater groups. Find

out where they are in your community. Let your children try out for a play, or help with painting sets or getting together costumes.

Use the summer months to visit your local museums. Too often we visit museums when we visit a new city, but forget to visit the ones in our own hometown. You may be surprised at the variety and quality in your city.

Check with your parks and recreation department for a list of parks and facilities in your area. You may know the park nearest you well, but other nearby parks can have entirely different facilities and atmosphere. Cities often sponsor special events in parks in the summer — sporting events, art fairs, etc. Get a list.

Explore your city. Explore the surrounding area. Visit local bakeries, fish houses, candy shops, train depot, or airport. Whatever strikes your fancy.

Check your want ads. Often farms in outlying communities will allow people to come pick vegetables at a considerable savings over grocery store prices.

If your children are old enough, encourage them to do volunteer work at a hospital or wherever it might help the community. Get them involved in a political campaign. This is a great way to help them become responsible citizens — interested in politics, and with a sense of responsibility toward their community.

Use your imagination and have a happy summer.

RULES — There are three parts to THE WORD CAGE: (1) clues and (2) quiz, which lead to (3) the final answer, the MYSTERY WORD. The clues and quiz are hidden in the grid — up, down, across, backward or diagonally. First circle the clue words (we've found the first word for you). You may find the same letter in more than one word, so circle each letter clearly. Next, circle the quiz words; the first letter and number of letters are given for each. When you have circled all the clue and quiz words, the remaining uncircled letters will spell out the answer to this week's WORD CAGE.

OSCAR FAVORITE: Current "Terms of Endearment" Oscar winner Shirley MacLaine starred with David Niven in the four-time 1984 award winning picture **AROUND THE WORLD IN 80 DAYS.**

SERVICE WITH A SMILE! Kiwanis Club members are shown serving their barbecue Saturday at the Annual Kiwanis Club Bar-B-Que held at Lake Cisco Park below the dam. There was a good turn-out for the picnic, which included free miniature golf, games, food and lots of fun. (staff photo)

JOE MILLER GOSCH is shown swinging after playing a few games of golf and finishing his dinner of Barbecue at the Kiwanis Club Annual Bar-B-Que at Lake Cisco Park. Joe is the son of Mr. and Mrs. Joe Gosch of Cisco. (staff photo)

LOCAL CISCOANS enjoyed playing miniature golf at the Kiwanis Club Annual Bar-B-Que at the Lake Cisco Park last Saturday. The golf course was open for the participants of the barbecue. (staff photo)

"THIS SURE IS GOOD!" was what everyone was saying at the Kiwanis Club Bar-B-Que Saturday. The barbecue and side dishes were very tasty, and they were served with a smile. (staff photo)

The Cisco Press Thursday, May 24, 1984

Men In Service

Sgt. William P. Farnsworth, son of M.P. and Dorothy Farnsworth of Cisco, Texas, has been awarded the Combat Infantryman Badge for participation at Fort Bragg, N.C.

The badge is awarded to soldiers assigned or attached to an infantry unit that has engaged in active ground combat with an opposing force, as in the Grenada operations.

Farnsworth is a squad leader with the 82nd Airborne Division.

He received an associate degree in 1974 from Cisco Junior College.

Airman Ricky D. Fleming, son of Jim F. and Velma L. Fleming of Cisco, Texas, has graduated from the U.S. Air Force telecommunications operations course at Sheppard Air Force Base, Texas.

During the course, students were taught to operate teletypewriter and other equipment used in the world wide Air Force communications system. They also earned credits toward an associate degree through the Community College of the Air Force.

Fleming is scheduled to serve with the 3rd Combat Communications Group at Tinker Air Force Base, Oklahoma.

His wife, Carla, is the daughter of the Rev. and Mrs. John C. Begley of Cisco.

The airman is a 1980 graduate of Baird High School, Texas.

Mrs. Cleveland Returns Home From School

Josphine Cleveland returned home this past week after attending the Brite School of Christian Writing. Sessions were held at the Rowday Inn in Arlington, May 8-11. Among the instructors was Madeline L'Engle author of twenty-five books, one being the Newbery Award winning book, "A Wrinkle in Time."

Another instructor, Marjorie Cliff George, who played Corrie Ten Bosch in the motion picture, "The Hiding Place," was especially well received as an instructor.

During the sessions, class members were given time to visit with Al Bryant, editor of Word Publishers; Joe Johnson, inspirational editor of Broadman Press; children's story editor for Cook Publishing Company and Mrs. Fanning, editor of By-Line Magazine.

Classes were held during the four days from 8 a.m. to 10 p.m. Mrs. Cleveland reported that the instruction and fellowship with other writers was most profitable.

Dr. Cermin Retains Active Membership

Dr. Ayres R. Cermin of Cisco has completed continuing education requirements to retain active membership in the American Academy of Family Physicians, the national association of family doctors. The Academy formerly was called the American Academy of General Practice.

The requirements call for the members to complete a minimum of 150 hours of accredited continuing medical study every three years. Members become eligible for re-election at the end of the third year following their election to membership. The Academy, the country's second largest national medical association, was the first national medical group to require members to keep up with medical progress through continuing education.

The Academy, founded in 1947 and headquartered in Kansas City, Mo., was instrumental in the establishment of a new primary specialty in family practice in 1969. The new specialty is expected to increase the numbers of family physicians available to serve the public in the future. The Academy's continuing education program is the foundation of eligibility for the family doctors now in practice who apply for certification in the new specialty.

Choose Frigidaire For More ENERGY EFFICIENCY...

The new Frigidaire 18 or 21 cu. ft. size frost-proof models are the most Energy Efficient frostless refrigerators Frigidaire has ever made.

ELECTRI-SAVER SWITCH

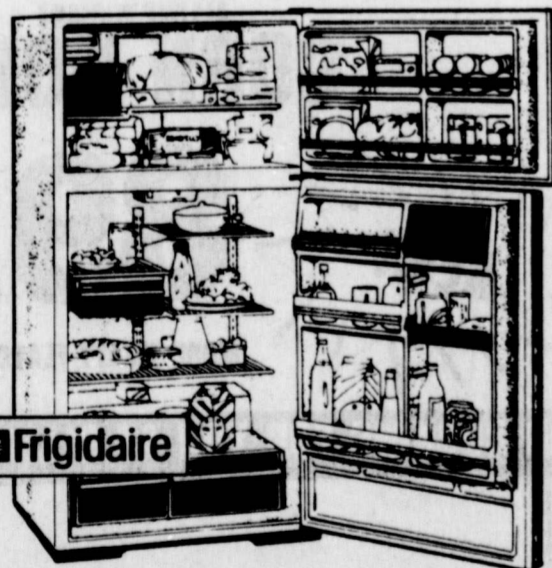

VEGETABLE HYDRATOR DRAWER

AUTOMATIC ICE MAKER (Available at extra charge)

REMOVABLE EGG STORAGE

Automatic Ice Maker eliminates the spilling and filling problems of trying to make enough ice for your family. Available at extra charge.

Electri-Saver Switch eliminates the formation of condensation between refrigerator and freezer compartments. Set it on low to save energy, or high if condensation appears.

Frigidaire Electri-Saver Loop uses warm refrigerant to keep condensation from forming on the sides of the cabinet, saving energy, and eliminating this need for electric heater strips.

FRIGIDAIRE. FOR MORE VALUE.

Every Frigidaire Refrigerator is built to rigid performance standards. The Quality Track Testing label you'll find on your Frigidaire Refrigerator insures that it passed a demanding inspection before it left the factory, and that you can be sure of years of top-quality service.

Quality. Reliability. Dependability. You can count on it from Frigidaire.

"Just-a-bin" Door Shelf moves up and down to make it easy to store items of almost any shape or size. And it's removable — so it can go right to the table or food preparation area.

Fully Adjustable Cantilever Shelves make your fresh food compartment what you want it to be. You can adjust them to store something as large as a turkey or as thin as a pizza.

WEST TEXAS UTILITIES COMPANY

Services For W.A. Burkman Are Tuesday

Services for Walter Anton Burkman, 86, of Cisco, formerly of Lueders, were at 10:30 a.m. Tuesday at Kimbrough Funeral Home. Elder James E. Robertson, pastor of Cisco Primitive Baptist Church, officiated. Burial was at Oakwood Cemetery.

Mr. Burkman died at 10:40 a.m. Sunday at E.I. Graham Memorial Hospital in Cisco.

Born Feb. 8, 1898, in Williamson County, he moved with his family to Lueders as a child. He then moved to Cisco in 1947, where he was employed by the City of Cisco. He married Beulah Jamar July 10, 1918, in Anson. He was a member of the Lutheran Church.

Survivors include his wife; three sons, F.W. of San Antonio, and Henry and Cleo, both of Lueders; a daughter, Mrs. Belva Yeager of Cisco; a sister, Mrs. Lillie Gifford of Fort Worth; 15 grandchildren; and 18 great-grandchildren. Grandsons were pallbearers.

Services For Francis Brown Are Tuesday

Services for Francis Ruth Brown of Cisco were at 11 a.m. Tuesday at Cisco Funeral Home. The Rev. Buddy Sipe officiated. Burial was at Glen Cove Cemetery near Coleman.

Mrs. Brown died at 4:55 a.m. Sunday morning at the Monte Siesta Nursing Home in Austin.

She was born April 13, 1908, in New Mexico and married Perry Brown June 19, 1934, in Amarillo. He died Nov. 15, 1973.

She was a retired schoolteacher and a member of the First Baptist Church, Eastern Star and American Association of Retired Persons.

Survivors include three daughters, Emily Brown of Portland, Ore., Cynthia Richardson of Reno, Nev., and Carolyn Pruett of Austin; and two grandchildren.

Services For Moran Couple Are Sunday

Services for a Moran couple were held at 3 p.m. Sunday at First Baptist Church in Moran. Virgil Emory Morris, 74, and his wife, Ora, 68, were apparently killed in a one-vehicle accident 11 miles north of Cisco on Farm to Market Road 1853 sometime Thursday night, said Department of Public Safety Trooper Steve Foster.

The couple were found dead in their 1984 Cadillac after Jim Blackwell of Moran spotted the wreck Friday morning. Although no one witnessed the crash, Foster said, the automobile apparently failed to negotiate a curve, went off the roadway, and then slammed into a tree.

Thought to be returning from a trip, because luggage was found in the car, the couple was driving northbound on the seldom traveled road to Moran when the accident occurred.

They were pronounced dead at the scene by Justice of the Peace Sid Rhodes at 9:48 a.m., Friday, May 18.

The Rev. Jack Riley, pastor of the First Baptist Church in San Saba, officiated at the Sunday services. He was assisted by the Rev. Jimmy Smith, pastor of First Baptist Church in Moran. Burial was at Moran Cemetery, directed by Melton Funeral Home in Breckenridge.

Morris was born March 24, 1910, in Shackelford County, and graduated from Moran High School in 1928.

Mrs. Morris was born Ora Blanche Compton April 5, 1916, in Stephens County. She was a 1933 graduate of Moran High school.

They were married June 29, 1933. They had lived in Shackelford and Stephens

counties all of their lives. He was a farmer and rancher. They were members of First Baptist Church in Moran, and he served as a deacon of the church. He also was a member of Moran Masonic Lodge.

Survivors include two daughters, Mrs. Jack (Vera Mae) Clack of Russellville, Ark., and Mrs. Cecil (Marza) Adams of Saginaw; five grandsons; a great-grandchild; and three grand daughters-in-law.

Mrs. Morris also is survived by a sister, Ola Mae Whitfield of Moran.

Pallbearers were Peter Morris, Jay Kinnison, Charles Wagley, Thomas Holland, Bobby Moore, and Johnny Hudman.

Services For H.L. Carpenter Are Wednesday

Services for Harry Lee Carpenter, 77, formerly mayor of Fort Stockton and a former Cisco resident, were Wednesday at First Baptist Church in Fort Stockton. The Rev. Howard Schutt, pastor, officiated. Burial was at East Hill Cemetery, directed by Fort Stockton Funeral Home.

Mr. Carpenter died May 14 at his home in Fort Stockton.

Born Jan. 23, 1907, in Copperas Cove, he had lived in Fort Stockton for 59 years, moving from Cisco. He entered business in Fort Stockton as a partner in the Carpenter and Sawyer Variety Store. In 1945, he purchased an automobile dealership and operated as Carpenter Motor Co. until selling it in 1955.

He served on the city council and was mayor of Fort Stockton from 1941 to 1944. He also was a member of the Fort Stockton school board. Carpenter's civic service included work on numerous Fort Stockton Water Carnival productions and fundraising activities for the Girl Scouts of America and other organizations.

A member of the Lions Club, he was a 50-year Mason and a member of Fort Stockton Masonic Lodge No. 1022. He was a member of First Baptist Church.

Survivors include three sons, Tom Carpenter of Houston, Clark Carpenter of Ruidoso, N.M., and Dr. Terry Carpenter of Midland; a brother, Horace Carpenter of Abilene; three sisters, Fran Coleman of Monahans, Jean Ray of Gatesville and Tola Maxwell of Fort Worth; and seven grandchildren.

Pre-Registration For Kindergarten During The Month

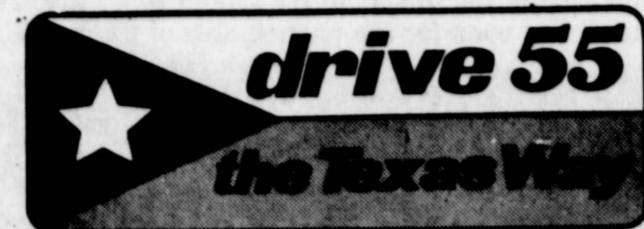

Pre-registration for 1984-85 Kindergartners will be in Mrs. Webb's room at the Primary School any afternoon in May from 2:30-3:30.

Please bring your child's shot record and birth certificate with you.

Only children who will be 5 years of age on or before September 1, 1984, may attend public school kindergarten.

TEXAS SIZE RADISHES are what Dale Schuyler calls his radishes he raised on his farm on the Rising Star Highway. The radishes are pictured with eggs below them to emphasize their largeness.

The Cisco Press Thursday, May 24, 1984

HAPPY BIRTHDAY DODY
You've been a special friend to me,
You were there to pick me up when I was down,
To untie the knots when I felt bound,
You, were there when I was laughing,
To share that with me, too,
I'm not the only one you have shown,
That a friend will be there to lean on,
And, at the same time teach you to stand on your own.
So, this is to show you in a small way,
You, should certainly be saluted on your special day.
Have many more "special lady".
This is what you mean to me.

Carrie

Reception For Wallaces Is Held Sunday

A reception for Dr. Norman Wallace, president of Cisco Junior College and Helen, his wife was held Sunday at the Cisco Junior College Library to bid them "Good Luck" in their new home.

They will be leaving Cisco in June where Dr. Wallace will be the president of Bee County College in Beeville. There were about 200 people who attended the reception.

Two gifts were presented to the Wallace family Sunday. The board of regents gave them a silver tea service, and the faculty staff and administration of the school gave Dr. Wallace a 12-gauge automatic shotgun.

A RECEPTION was held Sunday at the Cisco Junior College Maner Memorial Library to say "good luck" to Dr. Norman Wallace and his wife, Helen. Shown in the picture above are (left to right): Brad Kimbrough, vice president of the CJC Board of Regents; Helen Wallace; Dr. Norman Wallace; and Dick Woolley, president of the CJC Board of Regents.
