## Loboes Will Play Final Game In Baird Friday Night

The Loboes of Cisco High School will play their final game of the season this Friday night in Baird when they

take on the Bears in a District 11-AA contest. Kick-off will be at 7:30 p.m. Thursday night games will

be played in Cisco as the Baird 8th grade and Junior Varsity teams travel here. Baird does not have a 7th grade team so there will be no 7th grade game this week. The 8th grade game will begin at 8:00 p.m., and Cisco's 7th grade players will suit up with the 8th grade, although they may

not get to play. The J.V. game will follow the 8th grade game and will start at 7:30 p.m. In Friday night's game against Baird, the Cisco team and Baird may be a pretty close match, according to Cisco Head Coach John Parchman. Cisco is 5-4 in season play and 4-2 in

district, while Baird is 4-5 for the season and 3-3 in district. Baird has defeated Ranger, Winters and Jim Ned in District 11-AA play while they lost to Coleman, Albany and Eastland. The Bears were defeated by Eastland last Friday night by a score of 13-10. Coach Parchman said

Baird has a pretty good team which is better than it has been in the past few years. They run veer offense and throw the ball. Not really a power team, Baird has some fast backs who were on last year's team. At quarterback they have Mark Harris, 6'1" and 195 pounds. He teams up

with Doug Turek and Jody Turnbow for the offensive backfield. Baird also has some pretty good sized players to go along with their fast backs. They have a player who weighs 265 pounds and one who weighs 215. Cisco will have basically

the same starting line-up as they have all season. District 11-AA will be represented in the play offs this year by the Eastland Mavericks and the Coleman Bluecats. Both of these teams were the only teams to defeat Cisco in district play.

### CJC Homecoming Queen

(...more photos inside.)

**HOMECOMING QUEEN** for the 1984 reunion of the Cisco Junior College Ex-Students Association was Miss Shawn Fisher, sophomore student, who is pictured above with her escort, Joe Sercy of Abilene. She is the daughter of Mr. and Mrs. Clyde Fisher of Cisco. Other queen nominees introduced during the half-time ceremonies were Miss Kelly Lindsey of Eastland and Miss Debbie Rodriguez of Fort Worth. —Staff Photo

### HALL OF REMARKS

BY HERREL HALLMARK

**LOBO FANS** will want to make plans now to attend the final football game of the season this Friday night in Baird. Cisco will be finishing out their season Friday. Also finishing out the season this week will be the Junior High teams and the High School's Junior Varsity team. The 8th grade and J.V. teams will play here Thursday night.

The 7th grade will not have a game, but plans call for the 7th grade players to suit up with the 8th grade team.

A NUMBER of folks had already voted in Cisco by noon Tuesday with over 600 having cast their votes in the general election. Forecasts called for a large group to vote throughout the remainder of the day.

**HALF-TIME** activities at the Cisco-Jim Ned football game last Friday saw Miss Dana Carlile crowned as Band Sweetheart. Dana was escorted on the field by M.D. Lee.

As luck would have it, our picture of Dana did not turn out when the film was developed Monday afternoon. Guess the camera setting was wrong, since the other pictures on the roll turned out alright.

Other nominees were Cheryl Casey, escorted by Thomas Casey; Janet Glenn, escorted by Billy Joe Glenn; Laura Hutchens, escorted by Lewis Hutchens; Lela Lambeth, escorted by Jerry Lambeth; Jeanine Reich, escorted by Harold Reich; Shelly Schaefer, escorted by Delbert Schaefer; Vicki Stephenson, escorted by Jack Stephenson; and Melissa Wylie, escorted by Ron Wylie.

Keith Reich, president of the band, presented Dana with a bouquet of flowers.

Other half-time activity included performances by the sixth grade and junior high

**SOME PEOPLE** try to tear things up while others try to do good for others. That seemed to be the case here last Saturday when volunteers worked on the Girl Scout house.

The City of Cisco loaned the volunteers the use of a city dump truck to fill up with trash and debris. The truck was left parked at the scout house where it was to be picked up on Monday by City employees who would haul the load to the City landfill.

When City employees went to get the truck Monday, all six tires were flat. When the tires were taken off for repair, small, round puncture holes were found which leads one to believe maybe an ice pick was used on the tires sometime between Saturday evening and Monday morning.

Incidents such as this seem to tarnish the good work which was accomplished. It seems a shame that people can't be taught to put their energy and spare time into good use, instead of destructive actions.

A **BIRTHDAY** lunch was enjoyed at the Cisco Steak House Sunday by Mr. and Mrs. Ray Pace and family of Lubbock. Mr. Pace was celebrating his 71st birthday.

**ALSO HELD** at the Steak House was a meeting of Chiropractors. The meet was sponsored by Dr. and Mrs. Chief Brown of Cisco and the banquet room was used at the local restaurant. I understand Chiropractors from all over came to Cisco for the meeting, with a number of them flying into the local airport.

**LOCAL FLAGS** are to be flown at half-mast on Sunday, November 11 in memory and honor of all who served and died in the armed forces. Sunday is Veteran's Day.

The First National Bank, Otney Savings and the Post Office will be closed here on Monday in observance of the holiday.

## Goodfellows Need Help From Citizens

By **HERREL HALLMARK**  
The Goodfellows of Cisco need help from all the citizens of Cisco if they are to be very effective this Christmas season in providing food baskets for those more unfortunate than ourselves.

Newly organized, the Goodfellows will be taking donations, buying food with those donations and then allowing the Kiwanis Club of Cisco to distribute baskets to needy families who have filled out a Goodfellows application.

Applications for the food baskets may be picked up at the Cisco Chamber of Commerce office, 619 Conrad Hilton Avenue. All applicants are asked to return their application, along with a letter of request, for review by the Goodfellows Board of Directors.

As of press time Tuesday morning, three applications had been given out but no donations had been received, other than those received by last week's organizational meeting.

Letters of request will accepted through December 10, 1984.

All solicitation for funds

will be made through The Cisco Press and everyone is urged to donate to this worthy cause. The money you donate will be used to help those right here in our own

community. Donations may be mailed to: Goodfellows of Cisco, Box 1072, Cisco, Texas 76437. A donor list will be published in The Cisco Press listing

donors and their contributions. Anyone wishing their contribution to remain anonymous will be listed as such upon request. All checks are to be made

payable to: Goodfellows Fund of Cisco. **GOODFELLOWS DONOR LIST** Kiwanis Club of Cisco—

\$400.00. D.D. Williams—\$100.00. James Jones—\$100.00. Stanley Pirtle—\$100.00. Anonymous—\$100.00. Oscar Weeks—\$100.00.

Pictured from left to right—Margaret Jan Yeager, daughter of Claude and Belva Yeager of Cisco, Karen Fisher, daughter of Mr. and Mrs. Clyde Fisher of Cisco, Susie Elizalda, daughter of Jessie and Commie Elizalda of Cisco, Delia Ramirez, daughter of Ralph and Dora Ramirez of Cisco, Paula Potter, daughter of Benny and JoAnn Gary of Cisco, Jana Jeffcoat, daughter of Jerry and Davene Jeffcoat of Cisco.

### District Governor Visits Cisco Rotary Club

District Governor Louis Pitcock of Graham paid an official visit to the Cisco Rotary Club last Wednesday and Thursday, Secretary Bill Reynolds reported. The governor met with club officials Wednesday night and attended their luncheon on Thursday.

Mike Turner, principal of Cisco High School, is president of the Cisco club and presided at both meetings.

### Hilton Project On TV

Cisco's Mobley-Hilton project will be one of the features of the television magazine program, "Big Country Reporter," to be aired on KTAB-TV, Channel 32 (Cable Channel 7) tonight (Wednesday, November 7),

### CJC Journalism Class Conducts Voting Poll

The journalism class at Cisco Jr. College recently conducted a poll on campus to determine Presidential preference. The sample included 141 participants, of whom only 108 were registered to vote.

Journalism students interviewed 65 freshmen, 59 sophomores, and 17 faculty, administration, and staff members, a total of 82 males and 59 females. Registered voter preference was as follows:

Male participants voted as follows: Reagan, 44; Mondale, 15; Third Party, 2; Undecided, 3.

Female participants voted as follows: Reagan, 34; Mondale, 4; Third Party, 0; Undecided, 6.

Total percentages of both registered and unregistered voter preference showed Reagan with 68 percent; Mondale with 20 percent; third party 1 percent; and undecided 10 percent.

## CJC Band and Belles To Appear In Macy's Parade

The Cisco Junior College Wrangler Band and Belles are preparing for an unprecedented 5th appearance in the Macy's Thanksgiving Parade to be telecast on NBC, November 22. Included in the Wrangler Belles is Margaret Jan Yeager, Karen Fisher, Susie Elizalda, Delia Ramirez,

Paula Potter and Jana Jeffcoat, all of Cisco. The Wrangler Belles are a precision dance team that performs throughout the Big Country in the promotion of Cisco Junior College. Membership on the team is accomplished through an audition process. Each Wrangler Belle receives an activity scholarship each semester and is automatically enrolled in classes for which she receives college credits in Fine Arts and Physical Education.

Performances by the Wrangler Band and Belles include CJC football and

basketball games, area parades, special events and at least one featured traveling appearance each year. Besides Macy's Thanksgiving Parade in New York other appearances have been in the Shenandoah Apple Blossom Festival in Winchester, Va. and the San Antonio Fiesta Parade.

Auditions for the Wrangler Belles are held at various times during the year. The next scheduled audition is December 1 at Cisco Junior College. For more information, contact Nicki Harle, Director of Wrangler Belles, Cisco Junior College.

## Turkeywalk Set Here Saturday

All interested people are again reminded to participate in the American Heart Association Turkeywalk Saturday, November 10, at the Cisco City Park. All walkers are asked to meet at the park at 8:45 a.m. Saturday morning for registration.

A five mile country road course has been mapped out for the walk. Don't forget, anyone who collects over \$60 in pledges will receive a Turkey T-shirt and anyone collecting over \$100 in pledges will receive a free Thanksgiving turkey!!!

As well as helping the American Heart Association, her is your chance to compete for great prizes! This year's prizes include a 10-speed bicycle or dirt bike donated by Olney Savings, a brass tray donated by

Austin's Furniture, a case of motor oil donated by Dixon Auto Supply, and a catfish and shrimp dinner-for-two from Cisco Steak House and Inn.

Think of your participation in this event as doing something nice for yourself or for someone you love!

### Cisco Gun Club Will Hold Two Turkey Shoots

The Cisco Gun Club will hold two Turkey Shoots on Saturday November 10, beginning at 1:00 p.m.

One shoot will be for adults and will be 22 rim fire rifle, shooting off hand at 50 yard targets.

The other shoot will be for juniors shooting shot gun.

The turkey shooting matches will be restricted to MEMBERS ONLY. Following the turkey shoot, the club will hold its monthly shooting match which will include all rifle/pistol calibers and shot gun. The general public is invited to shoot in these matches.

Lake Cisco caught five feet of new water to measure 40.5 feet at the dam during the month of October, City Manager Mike Moore reported Tuesday. The water level was 37.5 feet below spillway level, he added.

Lake Bernie was still running over into the creek that connects it to Lake Cisco.

**Cisco Volunteer Firemen Called To Royal Oaks**

Cisco volunteer firemen were called to the Royal Oaks Apartments at 3:15 p.m. Sunday after a clothes drying machine caught fire in the laundry room of the apartment house, Fire Marshal Bill Webb reported. There was more smoke than fire and damage was confined to the machine and its contents, Mr. Webb said.

## Second Place Ag Winners

**SECOND PLACE**—The Cisco Greenhand Parliamentary Procedure Team, shown above, placed second in the Big Country Leadership Contest held at Cisco Junior College on Saturday. The team members earned the right to compete in the Area IV contest to be held at

Tarleton College on Nov. 17th. Team members demonstrated the proper procedure for conducting business meetings. Cisco students are, left to right: Ronnie Ingram, Matt Reed, Gordon Davis, Mark Reed, Shannon Berry, and James Ledbetter. (staff photo)

## Drilling Bits

An Odessa-based operator has staked location for the No. 2 Weise, a developmental well to be located two miles southwest of Romney. With projected total depth of 500 feet, the well is in a 40-acre lease in the Eastland Regular Field, Mary Ann Clark Survey, A-51. The operator is John Hoestebach, Jr.

Richey & Co. of Ft. Worth has revealed plans to drill a 4,200-ft. developmental well in the Richey Field. The operator has 155 acres leased, with drillsite in Eastland County's BBB&C Survey, A-35 and has designated the venture as the No. 1 L.M. Lawrence. Drillsite is one mile northwest of Cisco.

Drillsite has been staked for the No. 1 Hildegard, a 3,500-ft. developmental well in the Eastland Regular Field. The operation will be located four miles east of Eastland in a 149-acre lease in the HT&B Survey. The operator is Ridge Oil of Breckenridge.

The No. 1 Brown, a 4,000-ft. developmental well, is scheduled to be drilled in Eastland County's Cameron Field. Snow Oil of Ft. Worth is the operator. The well will be spudded in a 174-acre lease one mile northwest of Eastland in the H&TC Survey, A-212.

A 650-ft. developmental well is planned by Supreme Oil of Abilene at a drillsite three miles northeast of Carbon. The location is in an 80-acre lease in the H&TC Survey, A-209. Well's designation is the No. 1 Craighead. It is in the Eastland Regular Field.

Plug-and-abandon orders have been issued for the No. 1 O'Bryant, a wildcat venture of PD Petroleum Inc. in Eastland County. Spudded 8-23-84, the well had reached 3,400 feet total depth. Drillsite was two miles southeast of Romney.

Stan Williams Inc. of Breckenridge will be the operator at a 1,999-ft. wildcat well in Stephens County three miles east-northeast of Frankell. The well will be known as the No. 1 Cook Heirs. It will be drilled in a two-acre lease in the T&P Survey.

Wildcat drilling action is scheduled one mile northeast of Frankell when J.E. Conner of Breckenridge spuds two 5,000-ft. explorer wells.

The wells are designated

as the No. 7 and No. 8 Edliaman. They are situated in a 90-acre lease in Stephens County's T&PRR Survey.

Gal Energy Properties of Mineral Wells has driven stake for a Stephens County wildcat venture four miles east of the Caddo community. The well carries permit for 4,600-ft. maximum depth. It is in a 640-acre lease in the T&PRR Survey. It will be known as the No. 1 Green.

Breckenridge-based Vinson Energy Inc. is preparing to conduct a re-entry and plugback for shallower pay at a wildcat location three miles south-southwest of LaCass, Stephens County.

Originally completed in September of 1982, the well produced from the Marble Falls Formation at 3,726 to 3,732 feet. It originally had been designated as the No. 1 Glass-Goforth. Now designated as the No. 2 Jay, it will seek new pay at about 2,000 feet into the wellbore. Location is in a 160-acre lease, P. Lerman Survey.

Auburn Oil of Houston is preparing to make hole for a 4,600-ft. developmental well in the Stephens Regular Field about two miles northwest of Gunsight. The operation will be in a 160-acre unit in the T&PRR Survey. The well will be known as the No. 2 Trammel.

The No. 2 McIntire is scheduled for spudding in the Stephens Regular Field by Weatherbee Petroleum Inc. of Abilene. With total depth projected to 4,200 feet,

it is located in a 47-acre lease, T&PRR Survey, about two miles north of the Gunsight community.

First production data have been filed for the No. 1 Dunigan, a new producer in the Stephens Regular Field about one mile southwest of Necessity.

McClummond Brothers Inc. is the operator. The well flowed 466,000 CF gas per day on a 375-in. choke and was rated at 870,000 CFD on absolute open flow. Flow pressure was gauged at 165 PSI.

The well probed to total depth of 4,565 feet with plugback to 4,255. It will produce from a perforated interval in the Bend Conglomerate, 3,870 to 3,877 feet into the hole.

Palo Pinto County gained a wildcat producer when Thomas Hydrocarbons Inc. completed the No. 1 Million two miles north and four miles east of Metcalf Gap.

The well indicated ability to flow at the rate of 849,000 CF gas per day on a 16/64 choke. It was rated at 2,500,000 CFD on absolute open flow.

It was taken to a 4,724-ft. bottom and will produce from a set of perforations in the Bend Conglomerate Formation, 3,580 to 3,601 feet into the wellbore. The operation is in the J.H. Johnson Survey.

Eastland County's Marsan Field gained a new producer when Brazos Resources completed the No. 1 Riddle Tract 3, five miles south and one mile east of Carbon.

The well indicated ability to flow at the rate of 212,000 CF gas per day on a 15/64 choke. The absolute open

flow rating came in at 225,000 CFD.

It was taken to a 3,177-ft. bottom and will produce from a set of perforations in the Conglomerate Formation, 3,013 to 3,028 feet into the wellbore. The operation is in the A.C. Williams Survey, A-1985.

### WORD OF GOD

But let him ask in faith, nothing wavering; for he that waveth is like a wave of the sea driven with the wind and tossed.

A double-minded man is unstable in all his ways.

James 1:6,8

# Styles Change Particularly With Newspapers

By Viola Payne

I have become convinced that the television news media, on a nationwide level, leans heavily on interpretation and opinions rather than straight factual reporting.

Even big city newspapers have more of a balance in content, although some deal in personal details and slant the news.

In looking over the papers from this county and the adjoining ones I note that they are generally more restrained and factual on local happenings than the large papers are. After all, local reporters plan to live around the people they write about!

This was certainly not the case in pioneer days, when newspapermen and readers sometimes came to blows over what was printed.

Yes, styles have certainly changed, and occasionally I like to read old newspaper articles and study the difference. Maybe modern articles are not as flamboyant and colorful as articles used to be, but neither are they as inflammatory and opinionated!

Some stories which really show the changes are reprints I have from material published from 1887-90 in the Silver City Enterprise, out in Grant County, Southwestern New Mexico.

A number of distinctive characters were converging upon Silver City, none of whom seemed to particularly care for each other. There were miners, Apache Indians, ranchers, Spanish, Mexicans, cowboys and outlaws from Texas, and Chinese.

Maybe this interaction called for some unusual writing. At least the reader got it, even in the headlines. They were drawn into the stories by such tidbits as: SHOOT THEM DOWN, DR. THATCHER'S SUICIDE, MOTHER DESERTS INFANT, PILAR PEREZ PAYS THE PENALTY, WOMAN TROUBLE, A HUMAN DEVIL, TERRIBLE TRAGEDY, AN UNPROVOKED MURDER, and TEXANS ACTING UP.

A sampling of the various articles give not only a vivid picture of pioneer life, but the Editor's opinions as well. "Good For Grant" reads one lead story. "Train Robbers Killed in Mexico by Native Troops", states the sub-heading.

"It seems that Grant County has one thing to thank Mexican troops for, and that is for 'doing up' the Stein's Pass robbers and saving the expense of trial here ...."

GORMAN MILLING CO. Phone 817-734-2252 Texas 76454

from nearby San Lorenzo, New Mexico brought out some of the difficulties of the time. "During the months of November and December there have been some unknown fiends around here doming some crooked work," it began. "They have twice robbed the story of N.Y. Ancheta and killed two or three head of cattle from the Lassater Bros...."

The courts were in operation, however. One article says: "John Brockman has brought suit against Gibson and son, owners of about 400 head of cattle which they recently brought in from Texas and turned loosed in Mr. Brockman's cornfield, for \$99 damages. The Texans did not stop at this, but moved their effects into one of the Brockman's houses, and declare that they propose to stay right there. They seem to have no respect for the rights of property owners, and start into buffalo, bulldoze and intimidate men who have expended thousands of dollars and many years of hard work in improving their homes...."

With some Apache Indians still attempting to survive in the area, clashes between them and the settlers were frequent. This account of one such incident appeared in the Enterprise: "The murderers of 'Big Mike' Grace, well known in Grant County, and Diehl, who were killed during the Indian outbreak, have been identified among the Indians prisoners recently taken in Tucson. One gave the name of the Indians who committed the murder...."

The Editor managed to communicate his dislike of some of the behavior of women in the town. "Two colored girls," he wrote, "Of the soiled variety, in imitation of their white sisters, were yesterday promenading Broadway, attired in Mother Hubbards and puffing away on cigarettes. There is no other town in the west where this class of humanity is shown as much liberty as in Silver City. If

there is no ordinance to prohibit such vulgarity one should be passed immediately."

Later he stated: "A bill has been introduced to prohibit women from entering and drinking in saloons. Such a law should have been passed years ago. Now let the city pass an ordinance prohibiting the demi monde from parading the streets in droves, and appearing in public in Mother Hubbard gowns."

The newspaper took a shot at the local courts now and then. "There is a good deal of truth in the remark made by Judge Henderson while on the bench in this city not long ago, when a murder was turned loose on our streets, to the effect that he had seen enough of American juries in this section, that he preferred a Mexican jury in criminal cases.... The sentiments of the people of this section seem to be with the live man ... and our courts of justice are almost a farce...."

Well, the Editors of the Enterprise lived out a normal lifespan, although they must have carried guns with them at all times. The newspaper survived too, so much that it is still published under the same name. Its format and style is quite different now, however.

Descendants of the pioneers around too, although some of their cultures never did quite blend. But at least they learned how to coexist, and even appreciate each other's differences.

But I will never forget how strange I felt, a few years ago, when a citizen of the town turned and asked me: "Ma'am, I don't mean to insult you - but are you from Texas?"

Talking about the lingering power of the press!

# Texans Are Getting 'Head Start' On Christmas

COLLEGE STATION

Thousands of Texans are getting a head start on Christmas by placing mail or phone orders for gifts now so they will get here in time for the holidays.

Most of these consumers will be satisfied with the merchandise they order, but some will be disappointed. And whether they can get any satisfaction for their complaints or not will depend on how they placed their orders, says Texas A&M University Agricultural Extension Service home economist Nancy L. Granovsky.

Many mail-order companies now offer toll-free telephone numbers for easy ordering. "Using the telephone may seem more convenient than ordering by mail," she says, "but it's also riskier, since phone orders are not covered by the Federal Trade Commission's mail-order rule."

The mail-order rule - which applies only to orders placed through the mail, or shipped through the mail - requires companies to ship your order within the time they promise, or within 30 days after they receive your order, Granovsky explains. So if you order gifts by mail in October, you can reasonably be sure they will arrive in time for Christmas.

When you order by phone, you aren't covered by this rule and you assume responsibility for merchandise that is not delivered or is delivered late, cautions the home economist. So television ads that say "allow four to six weeks for delivery" may not make good on their promise.

If you receive unsatisfactory merchandise, you can ask the company for a refund, just as customers who order over the phone can. But mail order customers can also look to the post office for assistance if the

company does not satisfy their complaints, notes Granovsky.

Since not every complaint results in an investigation and not all investigations result in refunds, the best policy for consumers is to be careful, whether they order by phone or mail, she says.

Before placing any order, consider the company. An established, well-known company is likely to be one that satisfies most of its customers, suggests the home economist.

Read the description of the product very carefully. Words like "jumbo," "giant," or "miniature," have no legal definition, she emphasizes. That means the advertised "giant bath towels" you order could turn out to be no larger than a face cloth. Instead, look for descriptions that include

## Charity Bridge Tournament

The Lone Cedar Duplicate Bridge Club, a member of the American Contract Bridge League (ACBL), will hold a charity bridge tournament at Lone Cedar Country Club on Lake Leon on Saturday, November 10. All bridge players are invited. Play will begin at 1:30 p.m. Funds are being raised in bridge clubs across the United States to aid the ACBL in donating \$125,000,000 annually for two years to the National Committee for Prevention of Child Abuse.

This is a most worthy cause, and support is solicited from all who are interested in preventing Child Abuse. Persons who cannot attend the bridge tournament are invited to send tax-deductible donations, payable to ACBL Charity, to Lloyd London, Box 352, Cisco, Texas 76437, and they will be forwarded to the National Committee for Prevention of Child Abuse.

specific measurements. Some companies offer a toll free number of customer assistance and questions.

your money" when reading return policies.

In the event of a problem with a mail order company, first try to resolve it with the company, Granovsky says. If that's not possible, write a complaint to the postal inspector if the postal service was involved in the transaction, and then notify the Better Business Bureau in your area.

specific, she warns. The promise of an "absolute refund" in the event of dissatisfaction means nothing. You might pay \$50 for an item and return it for an "absolutely refund" only to have the company reply "absolutely no," or send a return of \$1 and say "this is absolutely all you get."

Look for the terms such as "full-refund" or "refund all

# Low Fat Cooking

COLLEGE STATION—A change in your cooking methods may help protect you and your family against heart disease, hypertension and other health problems, says Texas A&M University Agricultural Extension Service nutritionist Mary K. Sweeten.

"Lowering the percentage of fat in the diet appears to be one of the major keys to a more healthful lifestyle," she explains.

The specialist recommends reducing butter, margarine, oil, mayonnaise, lard and salad dressing. To adapt your favorite recipe, start by cutting fat by a third or a half.

For example, in a casserole calling for 6 tablespoons of margarine, try 3 to 4. Or if a muffin recipe suggests a cup of oil, try  $\frac{3}{4}$  of a cup. If that works, use only  $\frac{3}{4}$  the next time around.

"You should experiment," says Sweeten. "Cutting the fat in cakes can be difficult, but you should have success with most casseroles and quick bread recipes."

When recipes call for onions, green peppers, mushrooms or other

vegetables to be sauteed in oil or butter, you can often cut the amount of fat in half or leave it out entirely. Just add several tablespoons of water or broth. Then steam in a covered pot.

Sweeten says you don't even need fat to make an acceptable roux or gravy. Brown flour in a slow oven or in a heavy pan on top of the stove, stirring constantly. Cool, and then slowly add cold water or broth.

After it is smoothly blended, stir the mixture constantly over medium heat until it comes to a boil and thickens. You can make a white sauce or pudding the same way by adding cold milk or fruit juice directly to flour or corn starch.

Another way to reduce the fat in your diet is to trim the fat from meat edges and remove the skin from poultry. Also, broil or bake meat on a rack so that the fat drips off.

Brown ground beef and then drain well in a colander before you add other ingredients. Chill soups overnight and remove hardened fat.

The nutritionist says low fat plain yogurt works well as a substitute for sour

cream in cold dips. It can also be used to stretch mayonnaise in coleslaw, tuna and potato salads and dressings. Try half yogurt and half mayonnaise.

Yogurt can also be used in place of sour cream in cooked foods. To keep it from separating and becoming watery, just whisk some flour into it before cooking.

Better still, add the yogurt after removing the cooked food from the stove. If you need extra incentive, Sweeten says to remember that per cup, low fat plain yogurt has only 150 calories, whereas sour cream has more than 450 and mayonnaise more than 1500, mostly from fat.

"You will be surprised at how soon your family will become accustomed to the adapted recipes and may even prefer the new lighter taste and the less heavy feeling after eating," she observes.

"You may have a few flops as your experiment, but the successes will soon start multiplying. Then, be sure to write down the alterations so you can do it again," says Sweeten.

# Pastor Invited To Minister To People Of Brazil

Rev. John Jones

The pastor of the Great Mountain Top United Pentecostal Church, located ten miles south of Cisco, on hwy. 183, has been invited to minister to the people of Brazil. This is his third trip to minister to Brazil in the past 12 months. The previous trips were involving ministry in the Amazon Jungle as well as the coastal area. This trip Rev. John Jones will be ministering in Sao Paulo and Vitoria areas. The meetings will be YOUTH CRUSADES and each will be three nights of evangelism and "faith" services. Vitoria is North of Rio, Sao Paulo to the South. It has been the happy honor of Rev. Jones to show slides of his trips to various civic groups, the most recent, this past week at the

Cisco Federated Women's Club. He will be happy to bring the slide presentation of the Amazon Jungle & Brazil to any group requesting them.

The ministry of Rev. Jones has spanned sixteen years of pastorate to the congregation of the GREATER MOUNTAIN TOP CHURCH, during which time they have built three new buildings. His present Overseas Evangelism Ministry is in addition to his local pastoring and travels within the United States holding three day "Faith Seminars," as well as revivals and other speaking engagements. He is assisted in the local congregation by three licensed ministers, whose ministry in his absence make his travels possible. The Overseas Ministry is a ministry that is "faith supported" by people within the congregation, friends, and interested persons. At the present time there are additional trips planned into the Amazon Jungle with various preaching points established and also preaching in the continent of Africa during 1985.

This preaching is among the most "primitive people in the world" and some of the most remote places on the earth. The past two interior Amazon Jungle trips

the last twelve months were made possible by Bennie DeMerchant of Manaus, Brazil, flying pastor Jones hundreds of miles into the Jungles of the Amazon by float plane. He will meet Rev. DeMerchant in Argentina before returning from the trip. He leaves on this November 8th.

## In the News

One of the preeminent interpreters of Shakespeare on the world's stage, John Gielgud lists among his many film credits "Gandhi," "Chariots of Fire," "Becket," "Murder on the Orient Express," and "Arthur," for which he received a Best Supporting Actor Academy Award. Added to the list of achievements, Gielgud recently starred in the HBO Premiere Film, THE FAR PAVILLIONS.

## Chicken Pox Virus Also Causes Shingles

When your childhood case of chicken pox ended, you were probably glad to hear you would never get it again.

You won't but the herpes zoster virus that caused chicken pox remains in the body and can strike years later in the form of a disease called shingles, says the Texas Medical Association. (This virus is different from genital herpes.)

A typical case of shingles begins after the age of 50 with four or five days of fever and sometimes chills and upset stomach. A rash resembling chicken pox then appears but is usually confined to one area—often the chest or back—and on only one side.

The rash turns into small blisters that usually begin to dry out and crust over after five days. A funny feeling or sharp pain can precede the rash, but pain more often occurs during or after the rash.

Normally, the pain will gradually go away as the rash disappears, and recovery follows. But this is not always the case.

Older people can experience pain for months or even years after the rash clears up. The rash can involve almost any part of the

body and can lead to blindness if it occurs near the eyes and is left untreated.

The virus that causes shingles dormant in the body because the virus is never totally eliminated after a person recovers from chicken pox. Instead, the virus retreats to nerve cells next to the spinal cord. There, the virus is held at bay by the body's immune system.

But sometimes the virus gains the upper hand, and an infection occurs again, this time as shingles. Generally the infection is restricted to the group of nerves containing the virus and to the skin served by those nerves. The result is pain and a rash.

Most cases of shingles clear up naturally, but serious cases may require

drugs such as amitriptyline, Carbamazepine, interferon, and acyclovir to control the symptoms.

Estimates are that up to half of all people who reach 65 have suffered a case of shingles. Fortunately, only about one-tenth of a percent have a second attack by that age. Shingles can occur at any age.

# County News Briefs

## EASTLAND

Eastland National Bank celebrated its 50th Anniversary on Nov. 5. The Bank held an Open House, with officers, directors and employees alternating in greeting guests. The Chamber of Commerce clipped a golden ribbon at 9:30 to symbolize the Anniversary. Eastland National Bank was located on South Seaman St. across from the courthouse for 46 years; it moved into the new building at 201 East Main in October, 1980. Originally there were five officers and employees; now there are 40. The current Board of Directors consists of Grover Hallmark, Walter F. Johnson, Kitty Z. McCracken, Jim Moylan, M.H. Perry, Dr. M.A. Treadwell, Tommy Warford, and H.T. Wilson.

The new Family Planning Clinic will be held on Wed., Nov. 14, at the Multi-Purpose Center, 204 N. Lamar, Eastland. Applications for services will be taken between the hours of 10 a.m. to 6 p.m. There will be free exams for medicade patients, and a small co-pay fee for those who are income eligible. Private patients are welcome to participate. There will be consultations, physical exams, birth control supplies, and education regarding birth control available. Central Texas Opportunities, Inc. is the provider of these services for the Texas Dept. of Human Resources.

Jesse White, water plant superintendent at Lake Leon, reports that the Lake has gained another foot, bringing it up a total of eight ft. during October. The last runoff was from heavy rains southwest of Eastland on Nov. 1. The latest measurement were 69.80 ft. for the lake, only five ft. and 2 inches below the butterfly.

Immediately following the Eastland Mavericks-Ranger Bulldogs football game on Friday, Nov. 9 there will be a Homecoming Dance at Moylan Exposition Center featuring the Shade Tree Band of Abilene. Admission is \$4 per person. All Jr. High and High School students are invited, as well as all EHS Exes and fans.

The Eastland FFA Chapter will be selling citrus fruit until Nov. 15. This is highly quality fruit - great for Thanksgiving and Christmas. Contact any of the members to place orders.

The Eastland Kiwanis will be hosting their Annual 5K Fun Run and 10K Bike Ride on Saturday, Nov. 10 at 2 p.m. The starting place will be the Texas Department of Public Safety on West Main. An entry fee of \$10 will be charged for the 5K Run, and \$5 for the 10K Bike Ride. T-shirts will be given to all participants, with trophies for places in a number of categories.

## RANGER

Miss Betsy Herrington and Miss Tiffany Sedillo have qualified in the talent competition in the Kids of America Contest, and are headed for the Nationals, which will be held in the Anatole Hotel in Dallas. Betsy is the daughter of Mr.

and Mrs. Larry Herrington of Ranger, and Tiffany is the daughter of Mr. and Mrs. Sedillo of Eastland. Both of these young ladies take lessons from "The Dance Studio" in Ranger, and are part of the Jammie Dee Dance Group.

Merriman Christian School is now enrolling students, and has openings for a limited number of Children in Kindergarten through the 6th Grade. The school features accelerated Christian education, Christian atmosphere, and help for reading problems. Information may be obtained by calling 647-3521.

Central Texas Opportunities Inc. will now be providing a Family Planning Clinic once each month. Citizens of the Ranger area who wish the service may come to the Eastland Multipurpose Center on Nov. 14 from 10 a.m. to 6 p.m.

## GORMAN

The Gorman area has received more than 15 in. of rain recently, and the fields are soaked. Most of the peanut farmers are glad the sun is out to dry the peanuts which need harvesting. It may already be too late for some of the peanuts. There hasn't been too much complaint about the wet weather, especially after of the hot dry summer. Some local person did comment, however, that he would rather see it wet and bad than dry and bad.

Residents from the Gorman area may have assistance in Family Planning if they wish. Come to the Eastland Multipurpose Center, 204 N. Lamar, Wed., Nov. 14, anytime from 10 a.m. to 6 p.m.

## RISING STAR

Jack Smith of Atlanta, Ga., a Director of Research and Statistics in the areas of reproductive health for the Center for Disease Control, has recently compiled an account of Rising Star's founding and early history. This was done with the help of his 16 yr. old son, Mark, and from notes written by A.P. Smith, 94 yr. old Rising Star resident. Jack Smith is the grandson of A.P. Smith, and the son of Mr. and Mrs. Curt Smith of Rising Star. The Smiths have consented to have the book published in serial form in the local newspaper, and it should be very interesting. Jack Smith was the speaker for the recent RSHS Homecoming.

Would you like some of the best food in Eastland County? Then come to the Lord's Acre Dinner on Saturday, Nov. 10, 11:00 a.m. - 1:00 p.m. at the First United Methodist Church, Rising Star. The menu will be turkey, dressing, gravy, sweet potato patties, green beans, and all the trimmings. There will be cobbler pie for dessert. Adult tickets are \$4, children 12 or under \$2. The Chairman of ticket sales is Eli Jacobs. Eat at the Church or take out.

Central Texas Opportunities Inc. invites all Rising Star residents who need the service to come to the new Family

Planning Clinic, which will be held at the Eastland Multipurpose Center, 204 N. Lamar, Wed., November 14 from 10 a.m. to 6 p.m. Assistance in birth control is available.

## CISCO

A large turnout was reported for the Cisco Junior College Homecoming and Parent's Day on Nov. 3. A crowd estimated at 1,000 persons assembled at noon for the Barbeque dinner and all the extras. Shawn Fisher of Cisco was presented as the annual Homecoming Queen. CJC won the football game with Northeast Oklahoma College, climaxing the day's activities.

Dean Rexall Drug Store is observing its 75th anniversary all during this week. Store owners Lloyd and Betty McGrew have created a turn-of-the-century atmosphere in the store, with early 20th Century displays and advertisements. A sidewalk sale is set up outside the store, along with an authentic Pepsi Cola stand selling five cent soft drinks. Also available are 10 cent hot dogs and 5 cent coffee. There will be an anniversary sale and prize drawings. The McGrews invited the public out to help celebrate. Dean Rexall is still in its original location on Conrad Hilton Ave.

A Goodfellows has been organized in Cisco, and the first project of the group is to help needy families with food baskets at Christmas time. This year applications for food baskets may be picked up at the Chamber of Commerce office. Goodfellows will have 12 Directors, and 10 have been named. They are: Linton Batteas, Gilbert Garces, Herrel Hallmark, James Jones, Gene Kinser, Allen Master, Debora Moore, Stanley Pirtle, Randy Speegle and Oscar Weeks. All solicitations for funds will be made through The Cisco Press, and everyone is urged to donate to this worthy cause.

All Cisco residents who wish the service of a Family Planning Clinic are advised that this will be available on Nov. 14, 1984 at the Eastland Multipurpose Center at 204 N. Lamar. Come between the hours of 10 a.m. and 6 p.m. to make your application. There will be free exams for Medicare patients, and a small co-pay for those who are income eligible.

# YOU AUTO KNOW

00000  
IN THE INTEREST OF SERVING THIS AREA, JIM CALDWELL BRINGS YOU THESE IMPORTANT MONEY-SAVING ARTICLES:

Safe driving in fog calls for lower speed. Use parking lights or headlights during the day; if fog is very thick, put on your four-way flashers. At night, low-beam headlights will reduce glare and let you see more of the road.

If your car overheats, suspect hose trouble. If leak is not obvious, hose may be rotting from within and becoming clogged. If lower radiator hose is deteriorating, it may collapse at high speeds, cutting off coolant.

Rotating tires will help them wear evenly. Remember that radials must be kept on the same side of the car; switch front and rear tires, but not side to side.

A 1982 study by the Center for Disease Control in Atlanta reported a 55 percent drop in the death rate of your children. Child safety seats in autos got much of the credit.

Regular tuneups are essential to trouble-free driving, according to a survey of auto experts. Schedule a tuneup at least once a year.

**New-Used Cars**  
Trouble-free driving starts with a quality-built car. You'll like the ride—and the service—you get from the new (or late-model used) car you buy at JIM CALDWELL MOTORS, 314 W. Main, Eastland. 629-2636.

**Auto Repair**  
Expert tuneups are a specialty at JIM CALDWELL MOTORS, 314 W. Main, Eastland. 629-2636. Count on us for the quality work that keeps your car running right.

**Body Shops**  
Another essential for your car: prompt repair of dents and scratches to avoid rust and corrosion. We do expert body work at JIM CALDWELL MOTORS, 314 W. Main, Eastland. 629-2636.

### TODAYS BIBLE TRIVIA

Bad and good throughout my life,  
Caused the Christians lots of strife.  
Seven times two was my job,  
I was found among the mob.  
Wasn't beautiful for them to see,  
Many brothers showed love to me.  
In my flesh there was a thorn,  
Affliction had I when I was born.  
WHO AM I?  
ANSWER IN NEXT SUNDAYS ISSUE

### Lights From The Christian World

by Josephine Cleveland  
Peter, the apostle, shortly before his death wrote a letter to the Christians in Asia Minor. They were being persecuted and he desired that they know that in the middle of their problem Christ works. He told them, "Ye are in heaviness through manifold temptations, that the trial of your faith, being much more precious than gold that perisheth, though it be tried with fire, might be found with praise and honor and glory at the appearing of Jesus Christ. I Peter 1:6-7."  
We want our prayers to be answered quickly whenever we have a problem. The

Lord wants to work character into us. We want to change our circumstances. He wants to change us.  
Friend, your problems often last longer than you want them to last. Christ often allows them to continue longer because he wants to perfect you. "Think it not strange concerning the fiery trial which is to try you, as though some strange thing happened to you." I Peter 4:12.  
You, as Christ's adopted child, have an inheritance in him. Do not forget that He has an inheritance in you, also.  
There is only one God. He wants to help you. God has more grace, unmerited favor toward His children, than evil has to try you. He is faithful and will not let you be tempted above that which you are able to bear but will make a way for you to escape. Christ is faithful. If you desire this favor, then be

patience. Good will come. Dear Lord, we thank you for your grace. It is all sufficient. Help us to continually look to you for guidance in all our circumstances. Amen.

## Amanda Blake To Chair Smokeout

The American Cancer Society announced today that television actress Amanda Blake, renowned for her role as Miss Kitty in "Gunsmoke," will serve as honorary chairman of the 1984 Great American Smokeout in Texas.

Claiming she'd rather see a gun smoke any day before seeing a friend or loved one do the same thing, the celebrated Austin resident will be asking Texas smokers to give up their cigarettes for just one day - November 15.

A former smoker, Miss Blake quit smoking eight years ago. "I smoked two packs a day for twenty years and quit cold turkey," she said. "But of course, mouth cancer is a strong incentive to give up cigarettes."

Amanda Blake was diagnosed as having cancer of the mouth in 1976. After undergoing surgery, she is completely free of the disease today.

The annual Smokeout, now in its eighth year, is sponsored by the ACS nationwide to good-naturedly encourage smokers to give up their cigarettes for just one day - if only to prove to themselves they can.

A survey conducted by the Gallup organization last year indicated that almost 36 percent of the 52 million

American smokers tried to quit for the day. Eight percent made it the full 24 hours and about four percent were still not smoking one to 11 days later.

According to Texas ACS volunteers planning the Smokeout, Miss Blake's involvement is particularly timely.

"The ACS recently announced that lung cancer has exceeded breast cancer as the leading cause of cancer deaths among Texas women," said Russell Autry of El Paso, who is the volunteer spearheading the campaign in Texas. "We feel that with Miss Blake as our honorary chairman, we'll increase our chances of reaching this target group."

Last March, Miss Blake received the American Cancer Society's Courage Award from President Ronald Reagan in ceremonies at the White House. The award salutes her personal courage in her battle against cancer and cites the hope and inspiration she gives all Americans in the fight for life and health.

As Texas' honorary Smokeout chairman, she will be making appearances at rallies, parades and other Smokeout celebrations in several Texas cities.

## Peanut Yields Down But Market Good

COLLEGE STATION-- Although Texas peanut producers planted some 235,000 acres to the crop this year, an increase of about 5 percent over last year, yields will likely be down due to the season-long drought.

Yields will likely average around 1,550 pounds per acre compared to 1,685 pounds last year, says Johnny Feagan, an economist with the Texas Agricultural Extension Service, Texas A&M University System.

Nationwide, Feagan says the crop of 1.5 million acres is up nearly 10 percent from last year.

"Such a sharp increase indicates a strong contract market for additional peanuts (those produced in addition to the government's quota system)," says Feagan. "These contracts had to be signed by last April 1 and most were for more than \$400 per ton. More acreage also was planted outside the government

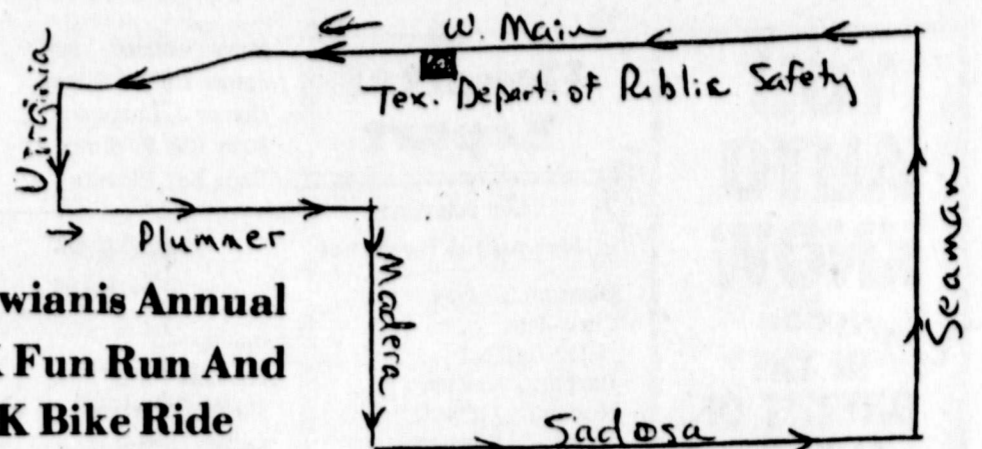

allotment program for export only."

With normal crop conditions, peanut supplies for 1984-85 will be the highest since the 1979 crop, notes the economist.

"Peanut exports are expected to be near 900 million pounds and should continue their strong upward trend which started with the

drought year of 1980," says Feagan. "Even through many customers redirected their supply source because of the drought, U.S. producers are gradually recapturing their export markets."

Feagan also expects domestic food use of peanuts to continue to increase this year.

## Kiwanis Annual 5K Fun Run And 10K Bike Ride

The Eastland Kiwanis Club will be hosting their annual "Run for your Health" 5 kilometer fun-run and 10 kilometer bike ride on Saturday, November 10, at 2:00 p.m. The fun-run and bike ride will start at the Texas Department of Public Safety on West Main and follow the course shown below.

Trophies for 1st, 2nd and 3rd places will be given to both men and women in the following age categories: under 20; 20-29; 30-39; 40-49; over 50. T-shirts will be given to all participants.

An entry fee of \$10 for the 5K run and \$5 for the 10K bike ride will be charged for each participant.

Make plans now for the Kiwanis annual 5K Fun Run and 10K Bike Ride.

ping your line into the same area. If an area looks extra good, perhaps as many as fifteen repeated cast may be made before that lurker will lose control and viciously attack your bait. During your presentation change speeds on your retrieve, fast, slow, and at times even killing your baits movement completely will result in an arm aching strike. While using the jig and pig lure flipping, an angler can also institute many variables during fishing an area which has potential. Flipping a jig in heavy cover and allowing a free fall is the standard method. But as with running baits change your presentation up. During the lures descent stop your bait momentarily then allow it to settle to the bottom. Normally upon the beginning of the fall a bass will seize this chance to strike. Another method is to during the descent shake your bait vigorously thus causing a spontaneous eruption of bass and rod igniting. These are only a few of the unlimited variables an angler can try in an attempt, to bug bass into biting. Perhaps the biggest key in any instant would be inventive and don't allow yourself to fall into a one method rut. Be versatile. Good fishing and take those youngsters next time out. They'll love you for it.

# CJC Wranglers Win Homecoming Saturday, 19-13

Two fourth quarter field goals by Freshman Raymond Hernandez of Wichita Falls enabled the Wranglers of Cisco Junior College to overcome a deficit and win over the Northeastern Oklahoma Golden Norsemen by a score of 19-to-13 in the annual CJC homecoming football game at Chesley Field here last Saturday afternoon.

The Wrangler, 7-2 for the season, go to Corsicana to conclude their 1984 grid season in a game with Navarro County JC at 7:30 p.m. Saturday. The Navarro team is 6-2-1 for the year. They tied Northeastern Oklahoma two weeks ago, 7-7.

Coach Bob Keyes said his Wranglers came through Saturday game in good condition and would be at top strength for the finale. "We'll probably take about 90 men - all able-bodied players - to Corsicana," the coach said.

The Wranglers, who had total offense of 338 yards, were playing a team that was ranked No. 20 in the nation for junior colleges in the Saturday game. NEO had total offense of 333 yards.

Henry Canady, CJC sophomore from Jacksonville, was the game's top yard maker. He was called on to carry the ball 32 times and chalked up 201 yards. Jason Potter rushed for 16 yards, and QB Gene Kennedy had 20 yards. QB Mike Frazier and Kennedy, who alternated, had eight pass completions of 23 attempts for 137 yards. NEO QB Ben-

Ben Washington plowed up the middle to score. Rick Enyart added the extra point.

A few minutes later, the Wranglers recovered a fumble on their eight yard line. Frazier passed to Potter for 14 yards and then hit End Keith McCarty for 15 yards. Canady drove to midfield and then made nine yards. Frazier hit End Mike Robertson for a 41-yard touchdown play. Walter Rule converted to tie the score.

NEO took the kickoff and Eddie Landavazo covered a fumble on the NEO 23. Canady circled right end for a touchdown and Rule missed the extra point.

Midway in the second quarter, a Cisco fumble was lost on the Wrangler 12. On third down, Reed hit End

Joey Howard for a touchdown. The PAT effort failed and half ended, 13-13.

Near the end of the third period, Cisco got the ball by covering a fumble on the NEO 37. Frazier passed for 11 yards, and NEO drew a 15 yard penalty. The Wranglers were bogged down on the NEO 7 and on fourth down Hernandez booted a field goal that carried 19 yards.

Moments later, Killian intercepted a NEO pass on their 18 and on fourth down Hernandez kicked 32 yards for three points, the game's final score.

STATISTICS  
First Downs: CJC 16; NEO 17.  
Passes Thrown: CJC 23; NEO 34.  
Passes Completed: CJC 8; NEO 15.  
Interceptions: CJC 1; NEO 2.  
Passing Yardage: CJC 137; NEO 231.  
Rushing Yardage: CJC 201; NEO 102.  
Punt Average: CJC, 3 for 32; NEO 6 for 21.  
Penalty Yardage: CJC 8 for 60; NEO 8 for 70.  
Fumbles Lost: CJC 5; NEO 6.

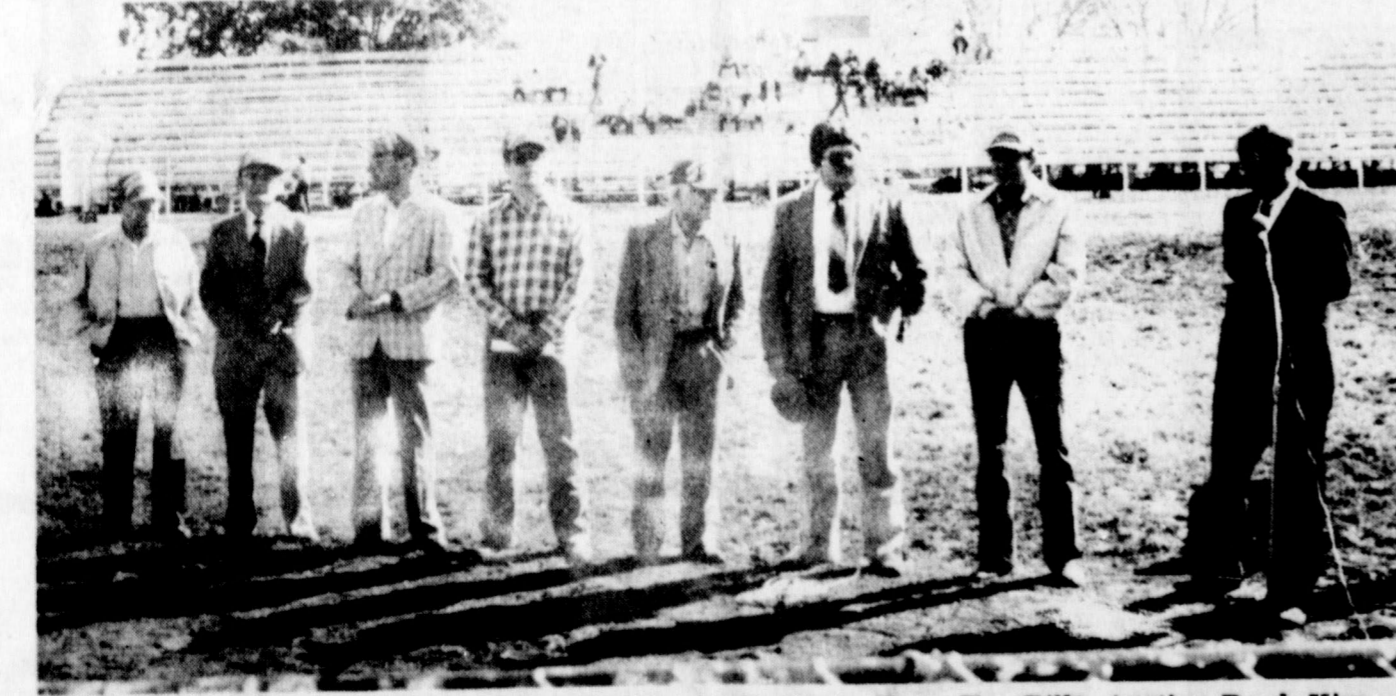

## Homecoming Half-Time Activities

OFFICERS OF the Wrangler Belles, pictured above, conducted a drawing for door prizes at the homecoming football game Saturday afternoon. Shown left to right, are Debra Carey, Merkel; Diana Wright, Abilene; Cheryl Wheeler, Marble Falls; and Debbie Rodriguez, Fort Worth. Miss Rodriguez is the drill team captain, and the other three are lieutenants. John J. Moore, Houston, won the Parents' Day award, while the ex-student award went to Katherine Muller of Cisco.

THE LOBO CHEER Leaders of Cisco High School were invited to serve as pep squad leaders for the CJC cheering section at the homecoming game. Plans call for area schools to be invited to send their cheer leaders to direct cheering section activities during the year. Pictured, left to right, are Misses Jeanine Reich, Lynn Pippen, Leslie Covert and Dana Carlile. CHS Cheer Leaders Brenda Ayala and Laurina Gage and Mascot Angie Bradford were not present when the picture was made.

MEMBERS OF the Cisco Junior College board of regents were introduced during pre-game ceremonies at the CJC Homecoming football game last Saturday. Pictured, left to right, are Rudolph Schaefer, J.D. Yardley, Charles Preston, Wm. E. (Bill) Austin, Brad Kimbrough, Dick Woolley, Roy Dennis and Dr. Henry E. McCullough, college president. Regent Lloyd McGrew was present in the photographer's booth atop the press box.

# CJC Basketball Opens Its Season

After a season opening loss to perennial power Western Texas in Snyder Monday night, the Cisco Junior College Wranglers travel to Midland Thursday to participate in the eighth team Chapparral Classic. They open the Classic against Garden City, Kansas at 5:00 p.m. Thursday. Other teams in the three day event are: Midland, Odessa, Howard, Grayson, Weatherford, and Barton County, Kansas.

The Wranglers open their home schedule here Monday night, November 12, against Western Oklahoma. Game time is 8:00 p.m., preceded by the women's game at 6:00.

The two Cisco teams lost to Western Texas in their 1984 season's opening game at Snyder Monday night. The girls lost a 69-to-62 game, while the Wranglers were defeated 90-to-81.

Both teams were in tournaments this weekend. The Lady Wranglers were playing in the South Plains tournament at Levelland, while the Wranglers were in Waco for the McLennan Classic. Both tournaments opened Thursday and continue through Saturday.

Monday night, the Lady Wranglers will play at 6 p.m. while the men's team will begin at 8 p.m.

Valerie Burnett led Wrangler ladies scoring with 15 points at Snyder Monday night. Clara Campbell shot 30 points to be top for Snyder and the game. Esther Mendez and Ingrid Mitchell

## Eastland Sewing Factory Closes Last Week In October

Their building is for sale, but their memories of Eastland County are not.

Susanna and Richard Chait moved their successful Needleland Inc. from Pennsylvania to Texas this year with bright hopes for establishing it firmly here because it's the part of the country they want to live and because they believe it could benefit the area by providing payrolls.

Due to the nationwide condition of the garment-sewing industry, they've just not been able to secure the necessary contract to make their operation viable.

They purchased the Industrial Foundation building on North College St. and spent upwards of \$50,000 preparing it for manufacturing and doing the necessary market-shopping to secure the contracts. What they have found is that the giant manufacturers who subcontract their work to smaller plants, are now utilizing foreign nationals in communities around the nation on a "cottage-industry" piece-work basis.

had 12 points each for Cisco. Melvin Jones led Cisco Wrangler scoring with 36 points, 15 goals and six free throws.

Box scores for the two games follow:

MEN'S GAME  
WTC (90) - Billy Chambers 3 2 8; James Dawn 3 1 7; Alvin Hicks 4 3 11; Floyd Singleton 7 4 18; Anthony Smith 1 0 2; Victor Spencer 8 3 19; Ed Teal 3 0 6; Vince Turner 3 0 6; Lorand White 6 1 13; Totals 38 14 90.  
CJC (81) - Delton Harper 1 0 2; Cedrick Ellis 6 1 13; Aldon Robinson 5 1 11; Lloyd McArthur 5 0 10; Anthony Bryant 3 0 6; Melvin Jones 15 6 36; Jack McCrin-

## Search Begins For Outstanding Small Business Person In Texas

The U.S. Small Business Administration (SBA) has started a search for outstanding small businesses and small business advocates, who will be honored during National Small Business Week next May.

Trade associations, chambers of commerce and other business organizations throughout Texas today were urged to submit nominations and sponsor candidates.

Members of SBA's Advisory Council will help select the "outstanding small business person" in each state, the District of Columbia and Puerto Rico. SBA's Office of Advocacy, which coordinates Small Business Week activities, will select outstanding small business advocates.

The winners will be invited to Washington, D.C., for Small Business Week activities scheduled for May 5-11.

An "outstanding small business person of the year" will be chosen from among the 52 state winners.

"Each year, the President designates a week in May as National Small Business Week, to note the contributions of the nation's 14 million small businesses and to especially honor small business persons who have been outstanding in their enterprises and who have made significant contributions to their communities," James S. Reed, director of the SBA office in Dallas said today.

Mr. Reed said nominations for Texas small business entrants should be submitted to

the Dallas District Office at 1100 Commerce Street, Dallas, Texas, 75242. Deadline for nominations is November 15.

Outstanding advocates will be chosen in the categories of accountant, financial services, media, minorities, veterans and women in business. Special advocacy awards will be presented to a small business exporter, a large business that has supported small business, a successful young entrepreneur and a small business owner who has promoted innovative technology. Nominations for these awards also should be submitted to the SBA Dallas District Office by November 15.

SBA's Office of Advocacy also is supporting a contest to select the 1985 National Small Business Week poster. Students, artists and professional designers with graphics, printing and advertising firms are encouraged to enter the contest. A \$2,000 contract for final preparation and design of the winning poster will be awarded to the winning entry. Poster entries must be submitted by December 20 to the Office of Information, Office of Advocacy, U.S. Small Business Administration, 1725 Eye Street, N.W., Washington, D.C. 20416.

Entrants for state outstanding small business awards will be judged on employee growth, sales increase, current and past financial reports, innovativeness of product or service, response to adversity, community contributions and the firm's "staying power."

## Texas Farm Economy Reported To Be Worst In 50 Years

COLLEGE STATION--Texas' farm economy has gone downhill steadily in the past few years, and farmers have found themselves in the worst economic squeeze since the Great Depression.

That assessment comes from Dr. Carl Anderson, an economist with the Texas Agricultural Extension Service, Texas A&M University System.

"The adjusted farm income for inflation nationwide in 1983 was the lowest since the bleak years of 1932-33," Anderson points out.

half of what it was in 1979, says Anderson. This means that the purchasing power of the farm dollar is only about 25 to 30 percent of what it was five years ago.

The current farm financial stress stems largely from depressed crop and livestock prices, steady increases in costs, adverse weather conditions and high real estate rates that increase costs, and strengthen the dollar against foreign currencies, the economist points out. "A strong dollar has discouraged exports and encouraged imports and foreign production," Anderson says, "further squeezing markets for American farm com-

modities." Extreme drought conditions have persisted over much of Texas this year, lowering forage and crop production and increasing production costs. Prices paid by farmers for inputs have increased almost a third in the last five years while average prices received for crops and livestock have fallen slightly.

But Anderson says the present "crunch" on agriculture results mainly from action outside its confines. National economic policies, trade subsidies of other countries, tariffs, trade restrictions and other forces have influenced in-

terest rates, inflation and other economic conditions at home and abroad.

"Extremely high interest rates which support the strong value of the dollar have been the number one problem to farmers," he emphasizes. "When the dollar rises in value, exports decrease and imports increase. All this gives farmers overseas incentive to produce more to satisfy their own needs as well as to export when possible."

Mechanization and chemicals for pest control encouraged farmers to expand and take on lower profit margins in the 1970s. "When interest rates

skyrocketed, export markets began to disappear and stockpiles of surplus grain, cotton and dairy products appeared in the early 1980s," notes Anderson.

These low returns to investments are beginning to show now, especially in the less populated areas where agriculture is the dominant use of land and land values have declined.

Outstanding agricultural debt now exceeds \$13 billion in Texas, a rise in farm debt of nearly 50 percent since 1979. And though ample loanable funds are available to agriculture, the problem is that many agricultural borrowers are unable to

generate a cash flow that can support commercial lending practices, the economist explains.

"Some farmers will either be forced out of agriculture," says Anderson, "or they will have to come under the Farmers Home Administration's emergency loan procedures."

Despite depressed income, Texas agriculture is still financially sound, believes Anderson. Debt, as a percent of assets, is averaging less than 20 percent, and agricultural loan losses have increased only slightly since 1980.

This year's farm may improve slightly as the depressed level last two years. The trend is a mixture of stronger prices for year and livestock conditions by ranchers drought conditions, the economist.

"The greater cash from ranchers being to sell livestock," says Anderson. "The liquid breeding herds have reduced the cash flow that will decrease in coming years."

However, more farmers and ranchers likely be in serious trouble by year-end heavy debt and weather conditions Anderson

## Mononucleosis Produces Weakness, Swollen Glands

At first, you might think you have the flu. The initial symptoms may include fever, headaches, a sore throat, and a generally weak feeling.

But after a day or two, other symptoms may appear—swollen glands of the neck, armpits, or groin, the yellowish skin color of jaundice, or a skin rash resembling German measles.

The disease is mononucleosis, says the Texas Medical Association. Its nickname, "the kissing disease," refers to a common belief that it is spread by oral contact. How this viral infection spreads is unknown, but mononucleosis usually does not become an epidemic as flu often does.

Because the virus can spread to any organ of the body through the blood, the symptoms can vary. The most common are swollen lymph glands and the high fever.

Nonnucleosis is not too common, but it tends to strike mostly children and young adults. It has no cure, but it eventually clears up. Although most symptoms disappear within two or three weeks, patients usually feel weak and lack of energy for about two more weeks. Some feel depressed.

Mononucleosis is not a dangerous disease, but it tends to recur during the same year as the first attack. This can happen several times, but succeeding attacks are usually milder than the first. Fortunately, there are no after-effects once mononucleosis has cleared up. Unfortunately, the body does not build up immunity to the disease.

Flu-like symptoms that last more than a few days, when accompanied by

swollen glands, should be checked by a physician. A blood test may be used to determine if you have mononucleosis.

Rest is essential recovery. Persons with mononucleosis should not return to their daily routine for about a month after the illness begins. They should drink plenty of liquids and remain indoors.

The doctor may recommend aspirin or a substitute to relieve pain. Because mononucleosis is a viral disease, antibiotics will not help. The disease simply must run its course.

### 653 Absentee Ballots Cast

A total of 653 ballots were cast absentee in the general election, according to the County Clerk's office. Absentee voting ended Friday.

These 653 votes were over twice as many absentee votes cast in the last presidential election four years ago. That year some 300 votes were cast absentee. Much interest was generated by this election as evidenced by the long lines at the polling places early Tuesday.

It was reported that 600 votes had cast their ballots by 10:30 a.m. Tuesday in Eastland and there was a line waiting to vote.

At 8 a.m. 75 Carbon residents had voted, and it was reported that the long was long at Ranger's polls.

Cisco voters were lined up at 7 a.m. when the polls opened and by 11:00 a.m. 600 people had voted.

## Tips On Collecting Social Security Retirement Benefits

People in the Big Country area who plan to retire at the end of the year should take some time soon to think about Social Security retirement benefits, Glyn Hammons, Social Security manager in Abilene, said recently.

A person should apply for Social Security benefits 2 to 3 months before they plan to retire. This way, benefits can begin shortly after income from work stops.

Before applying, a person should get the necessary evidence together, Hammons said. This will save time when filing an application. The first item a person needs is his or her Social Security card or a record of the number.

Next, proof of age is required. Preferred proof is an official record of birth or baptism recorded before the age of 5. If this does not exist, other proofs can be submitted. The people at the Social Security office can tell you what kinds of evidence can be used.

Records that might be used include school, church, State or Federal census, insurance policies, marriage passports, employment, military service, children's birth certificates, union, immigration or naturalization. This is not an exclusive list and other records may be acceptable.

Forms W-2 or self-employment tax returns for the past 2 years should be provided. These are needed because recent earnings reports may not yet be in Social Security records.

A husband or wife who also plans to apply should have about the same documents

A marriage certificate may be required, but is not needed in all cases. Information about any previous marriages is also needed.

Birth certificates of any young, unmarried children should be obtained as well. Additional documentation may be required depending on the particulars of certain cases. The people at the Social Security office will be glad to answer questions about retirement applications. The Abilene office is located at 142 S. Pioneer and the telephone number is 698-1360.

## Is there a cancer epidemic?

HOUSTON, TX. — Is there really an epidemic of cancer?

This is an often-asked and understandable question in view of all the allegations about substances in our diet and the environment causing cancer.

"With the exception of lung cancer, which definitely is caused by smoking and is on the rise among some groups, there are no epidemics of malignant diseases," says Dr. Guy R. Newell, director of cancer prevention programs at The University of Texas M. D. Anderson Hospital and Tumor Institute.

Some kinds of cancer seem to be on the upswing, although Dr. Newell observes this trend can be explained in light of the additional numbers of people living longer to develop many malignancies.

Cancer used to be considered a closet disease, one about which few people talked openly. Dr. Newell credits intensified public information and education for boosting the overall awareness that cancer no longer is hopeless.

"We still need to work on clearing up the lingering and awful misconception that cancer is contagious. There has never been an ounce of evidence that cancer can be caught from anyone else, say in the same way the common cold is spread," Dr. Newell says.

His major message is that more than 50 percent of Americans learning they have cancer now can expect to be cured. With relatively easy preventive steps, that outlook can be improved even more by keeping most of these cancers from occurring in the first place.

# CHS Loboes Scalp Jim Ned Indians 45-to-0 Friday

The Cisco High School Loboes scored in every quarter except the second last Friday night in their final home game of the season. They kept their opponents from scoring any points as they scalped the Jim Ned Indians by the score of 45-to-0.

The Loboes are now 4-2 in district play and 5-4 for the season, while Jim Ned drops to 2-4 for district and 2-7 for

the season.

Cisco scored three touchdowns in the first quarter, once in the third quarter, once in the third quarter and three times in the final quarter. Cisco wrapped up a total of 355 offensive yards while Jim Ned managed only 165 total yards.

The first touchdown came about on Cisco's first possession of the ball after Lobo

Willard Johnson recovered a Jim Ned fumble at the Indians' 18-yard line. Josh Potter took the first pitchback from quarterback Wade Shackelford and streaked to the end zone. The extra point kick by Johnny Seabourn was good, making the score 7-to-0 with 10:42 left in the first quarter.

Cisco's Patrick Qualls recovered an Indian fumble to set up Cisco's next scoring drive which started on Cisco's 46-yard line. Runs by Potter and Johnny Ramirez moved the ball to Jim Ned's 34-yard line in five plays, gaining two first downs. QB Shackelford then hit Qualls for another touchdown with 5:38 left in the first quarter. The extra point try was no good, leaving the score 13-to-0.

Two plays later, Cisco recovered another Jim Ned fumble to set up their third scoring drive. Originating at Cisco's 49, the drive took seven plays and two first downs to move the ball to the Indians' one-yard line. Ramirez, Potter and Danny Kearney were the ball carriers during the drive. Ramirez gained the touchdown for Cisco with 1:21 left in the first quarter. A pass to John Gonzales netted the two extra points, making the score 21-to-0.

The next touchdown was also set up when Cisco recovered a fumble at Jim Ned's 43-yard line. Four plays later, with runs by Ramirez, Potter and QB Shackelford, the ball was resting on Jim Ned's 28-yard line. As the time ran out in the third quarter, Ramirez scored on a 28-yard run. The try for two extra points failed making the score 27-to-0, with 00:00 showing on the

scoreboard.

On Jim Ned's very next possession of the ball, they fumbled on their first play and Cisco recovered it at the Indians' 31-yard line. A Cisco penalty moved the ball back five yards on their first play, but a completed pass from QB Shackelford to Qualls netted a 36-yard touchdown play on the next try. Again the try for extra points failed, making the score 33-to-0 with 11:19 left in the game.

Three plays later, after the kick-off, Cisco's Ramirez intercepted a Jim Ned pass and returned it 67 yards for a touchdown. The extra point attempt failed making the score 39-to-0, with 9:47 left in the game.

Cisco then blocked a Jim Ned punt on a fourth down situation and took possession of the ball at the Indians' 36-yard line. On the first play from scrimmage, Potter took the handoff and ran for a touchdown. Again, the extra point attempt was no good, making the final score 45-to-0 with 7:29 left in the game.

Individual rushing statistics were as follows: Josh Potter, 18 carries for 166 yards; Johnny Ramirez, 15 carries for 90 yards; Danny Kearney, 2 carries for 10 yards; and Wade Shackelford, 8 carries for -17 yards.

Rushing statistics for Jim Ned were as follows: Kevin Tutt, 21 carries for 93 yards; Jerry Foster, 19 carries for -24 yards; and Lee Dillard, 6 carries for 7 yards.

Passing leaders in the game were Wade Shackelford for Cisco with 5 completions out of 12 attempts for 106 yards; and Jerry Foster for Jim Ned with 6 completions out of 15

attempts for 89 yards.

Receiving leaders for Cisco were Patrick Qualls with 3 receptions for 90 yards, Johnny Ramirez with

1 reception for 10 yards, and Steve Abbott with 1 reception for 6 yards.

Jim Ned receiving leaders were Jeff Hudson with 3

receptions for 61 yards, Lee Dillard with 1 reception for 11 yards, and Russell Brooks with 2 receptions for 17 yards.

Cisco defensive standouts included Josh Potter, Johnny Ramirez, Shelby Nixon, Johnny Seabourn, Willard Johnson, Jeff Dennis, and Patrick Qualls.

Defensive standouts for Jim Ned were Alvin Bentancur, Mark McMillon, and Russell Brooks.

## STATISTICS

SINGING AMERICANS

### Concert Set In Breckenridge

Word of Life Ministries will be sponsoring a concert by The Singing Americans November 17, at 7:00 p.m. in Bailey Auditorium, Breckenridge. Admission is free, but a love offering will be taken.

In just a short time the Singing Americans have become one of gospel music's most requested sensations. The Singing Americans are recognized by many in the gospel music industry as having excellent talent, youth, and sincere approach to their singing.

The Singing Americans travel from coast to coast and border to border singing to many people in churches and on the concert stages. They are at home in the

rural school auditoriums, large city arenas, county and state fairs as well as Christian supper clubs. The Singing Americans are associated with Don Light Talent Inc. of Nashville, Tennessee.

The Singing Americans continually receive national radio attention through their songs which are consistently in the top forty of the gospel trade papers' charts. In both of the national publications for gospel music, the Singing Americans most requested song "Whiter Than Snow," was in the top ten for 1983. The Singing Americans record with the "RiverSong" label, a division of Bill Traylor Associates, Inc.

In addition to the radio exposure, the Singing Americans appear regularly

on many of the nationally syndicated television programs. They also make many guest appearances on many of the local and regional television programs.

The Southern Gospel Music Association voted the Singing Americans "Male Group of the Year for 1983." In doing so, the Singing Americans received the coveted "Gem Award" from the SGMA.

Mr. Walt McKnight, Editor of the Inspirational Gospel Music News, sums up the feelings of the many Singing Americans fans. He writes: "But it's not awards or the song charts that they impress upon you, it's the fact of whose they are, not who they are that makes the difference."

### Putnam News

By Mrs. R.B. Taylor

Putnam has been enjoying more rain this week after being dry for so long it will take a long time to get tired of rain. The tanks are full and weather is cool, what more could we ask!

The Putnam Fire Dept. sponsored a hot dog supper and hay ride for the children Halloween night. There was good Participation and fun was had by all. The citizens of Putnam want to thank the Fire Dept. and city council for this great adventure for the children. We all appreciate what you did.

The van took participants from the Nutrition Center to the Golden Holiday Nursing Home in Baird to distribute goodies to our Putnam residents for Halloween on Wednesday. Those receiving treats were: Mrs. Jobe, Sunderman, Yarbrough, Speegle, Pruitt, also Elvie Payne, R.D. Williams and Myrtle Brown. Myrtle is Virgil Brown's daughter. LaVerne Rutherford delivered Mrs. Free her treat at the Humanna Hospital in Abilene where she is still a patient. She is improving but may not get to come back to the nursing home at Baird. She will be moved where there will be an RN on the floor all the time, due to her feedings.

Mrs. Bobby Donaway and Wilma Stovall from Odessa were guests of Mr. and Mrs. Milton Donaway this week, also visiting their mother Mrs. Nettie Speegle in the Nursing home at Baird who had been ill for a few days. Warren Donaway from Brownwood visited his parents also.

Mrs. Bonnie McCleskey of

Cisco was at the Community Center Tuesday. She quilted and helped her sister, Edith Ivie, celebrate her birthday. Cake and coffee was served to 12 guests during the morning.

Mrs. Bessie Elam from Scranton was at the Community Center on Tuesday. Along with her were her son and daughter-in-law Mr. and Mrs. Bill Hill from Cisco.

Mrs. Margie Weeks and Mary Fry have been on the sick list this week. We wish them a speedy recovery. Also Milton and Annie Donaway had to go to the doctor.

President of the Womens Study Club, Mrs. Ellie Feely states the club will meet the second Monday, Nov. 12th, for the regular meeting and the W.T.U. lady will demonstrate the Christmas goodies. You all are invited to attend.

Lucey Swindle from Cisco was in Putnam doing some China painting Friday.

Ron and Jean Ann Deel of Clyde, Texas are the proud parents of a new baby boy Matthew Harold E. born November 2, 1984 at the Humanna Hospital in Abilene, Texas. Matthew Harold is the grandson of Mr. and Mrs. Hurshel Wagley of Putnam.

### Moran News

By Mrs. Luke Huskey

Mrs. John L. Pettit of Anson last Thursday. John L. was

reared in Moran, the son of the late Mr. and Mrs. John Pettit. Mrs. Pettit is survived by her husband, one son and daughter-in-law, Mr. and Mrs. John Everett Pettit of Abilene.

### RAIN

Moran and community received .9 inch of rain. The rains that the community has received the last month has been very beneficial. The grass and weeds are growing fast. The mowers are being used. The majority of the tanks are full. The creeks are running half bank full. Water is being pumped into the City Lake.

Elma May Huskey attended a Farmers Home Administration meeting in Abilene, Friday.

Mr. and Mrs. Bill Howard and daughter of Midland spent the weekend with their parents, Mr. and Mrs. Jim Howard and Mr. and Mrs. Rollin Fuller.

Walter McCollum of Breckenridge was greeting friends in Moran, Sunday.

M.H. Gore of Brownwood spent the weekend with Mr. and Mrs. Ezra Weir and Mr. and Mrs. Thomas Holland, Melvin and Russell.

Ruth Brooks of San Antonio and Junior Brooks of Dallas visited with Mr. and Mrs. Robert Thompson, Sunday and Monday.

AUXILIARY BOX Remember the Disabled

### Birthday Honoree

**BIRTHDAY CELEBRATION**--A birthday party was held Monday, November 5, at 2:30 p.m. in the lobby of the Nursing Center. The honorees were (left to right) Lillie Beene, age 92, and Etta Judia, age 85. Both ladies are past members of the Ester and Mary Martha Sunday School class at the First Baptist Church. Kay Sitton, Mrs. Buck Estess and present members of the Sunday School class hosted the party. Cake and punch were served. (staff photo).

Veterans Box to be sent to the Veterans Hospital in Waco. Any gift for man, woman, boy or girl will be appreciated. Please, no breakable articles are advised. The Auxiliary members will appreciate your contribution.

LEGION HALL ANNEX The American Legion

members of the Ernest F. Pettit Post No. 343, will dedicate the new addition to the Legion Hall Sat. afternoon, at 5 p.m. The addition will be dedicated to Jimmy Strain, who was killed in action in Vietnam.

Bob Cockrell is receiving treatment in Hendricks Hospital, Abilene.

### Cisco & Eastland Music Clubs Host Luncheon

The Cisco Music Study Club and the Eastland Music Study Club hosted a Third District Luncheon and Workshop, Monday, October 29, from 12:00 - 3:30 p.m., in Cisco at the Colony Restaurant Meeting Room.

The theme of the meeting was Orientation and Leadership Training.

Mrs. J.C. Dyer, Jr., emceed the meeting. Mrs. Hal Lavery, Cisco, led members in reciting the Club's Collect.

In the absence of Mrs. Joseph Perkins, Mrs. Virginia Russell, Eastland, gave the welcome.

Mrs. Dyer introduced Mrs. Betty Hall, State President of Fort Worth, and gave special recognition to two former District Presidents present - Mrs. Nancy Wheat, Stamford, and Mrs. Lydia Krauskopf, Cisco.

Mrs. C.E. Christmann, Lubbock, National Chairman for Orientation and Leadership, gave a discourse on Orientation. In our case, familiarization of music. She compared the function of the Federation to a tree: the trunk represents the National Federation - a part of every living, growing, thing; the limbs reach out to the State; the branches parallel of our District; the leaves corresponding to local club members.

In the United States there are four regions: Western,

Central, Northeastern and Southeastern. Within regions we have Districts. We are in the Central Region. Our area is called the Texas/Oklahoma District. We are in the Third District. Mrs. J.C. Dyer, president of Cisco MSC and the Third District, also serves in State capacities as State Historian and Chairman of Magazine and Literature Promotion.

Each District has American Music Chairmanship congruent with the State and National Chairmanships.

The National Federation of Music Clubs stress the following aims: Performing of the arts, Creativity in the arts, Education in the arts, Speicalized Fields, and Foundation for the advancement of the arts.

Seeing that a musical education is extremely expensive, members were alerted to look for young artists who may qualify for a scholarship and recommend them to the Federation. TFMC offers awards, scholarships and endowments.

Mrs. Hall, state president, emphasized the primary purpose of the Federation is to discover and help young people excel in musical

abilities. Mrs. Hall announced the next State Convention will convene, March 12-15, in San Antonio. A National Convention will be held in April in Wichita, Kansas.

An invitation by Mrs. Bobby Pritchard, president of Stamford MSC, to come to Stamford for the October, 1985 Third District Workshop, was enthusiastically accepted.

Prior to adjournment, delectable apple pie and coffee was served. Those attending were: Dorothy Anderson, Debbie Pritchard, Ola Riddle, Nancy Wheat of Stamford MSC; Wilda Dyer, Lydia Krauskopf, Ada Mobley, Viola Payne, Velma Williams, Ruth Powell, Nell Lavery, Vida Killion of Cisco MSC; Olive D. Shcafer, Rising Star; Lela Mae Shely, Austin; Frances Christman, Lubbock; Betty Hall Ft. Worth; Novella Bigby, Virginia Russell, Eastland MSC.

*The Bible. It has a lot to offer.*

# People n Things

**APPROXIMATELY 800** people took part in last Saturday's annual homecoming out at Cisco Junior College, reports Dr. Henry McCullough, president. And most of them ate Oscar's barbecue at noon at the Corral Room of Hotel Laguna.

Gifts were presented to the Mel Landavazos of Bishop as the parents of a CJC student coming the longest distance. They live at Bishop. And Fred Skinner of Perryton was the student coming from farthest away—Perryton. They received plaques.

**THE BONUS FOR** dropping in at the open house during Saturday morning at Maner Memorial Library was seeing the beautiful color photographs from the cameras of David Foster of Abilene. There must be 50 or 60 pictures in the collection that Mr. Foster, who works for Keaton Color in Abilene, made in travels around the globe.

The pictures will be on display during November, and you'll want to go out and see them.

**OUR CJC FOOTBALL** team looked good in their homecoming victory at Chesley Field. They have a 7-2 record for the year, and only three points separate them from a perfect season. They lost by one point to Ranger and by two points to Henderson County JC.

As usual, the CJC Band and Belles put on a super half-time show. It was a final dress rehearsal of the program they've planned for the Thanksgiving Parade that NBC will telecast from New York City this month.

A good crowd turned out for the game and program. Gary Adams of the Bible Chair gave the invocation. Beverly Jones, student from Eastland, led the singing of the national anthem. Miami, Okla., had a radio crew in the press box sending the game back here.

**MR. JAMMIE FRY**, local rancher, has an Australian Shepherd dog, and the dog goes with Jammie when there are ranching chores to perform. Jammie says he has been trying to get the dog to open gates for him as they drive through the pastures. But the dog can't seem to understand what is expected.

Jammie says the dog will drive the pickup through the gate after Jammie opens it, however, proving that maybe he isn't such a dumb dog after all.

Jammie owns the building out on Hilton near I-20 that Marr's Convenience Store vacated recently. And some of his buddies have been offering suggestions about what can be done with it. One

idea submitted to Jammie was to put in a retail-wholesale popcorn store like one in Plainview where you can buy huge bags of popcorn that the whole family can eat for several days.

After considering the idea, Jammie admitted that it had merit. "I'll go for it if you'll run the popcorn store," he said. And that ended that.

**AN ATTRACTIVE** yard full of beautiful flowers in fall colors is the view at Kamon House these days. You'll want to notice next you're out Avenue L and West 14th Street way.

Prof. Wyley Peebles, head of the music department, tells us that he took a group of CJC Singers out to Kamon House at noon Monday and put on a madrigal type program for a group of folks that were being entertained at luncheon by the Kamons. The singers, by the way, will begin their annual madrigal programs soon.

Ken Kamon, son of the Robert Kamons, was due home Monday night for a visit. He's in graduate school at UoT Austin where he's working on a master's degree in petroleum engineering. Ray Melton, son-in-law of the Robert Kamons, received word a couple of weeks or so ago that he passed the state bar exam. So did Kenneth Hawari of Cisco. And we understand Mark Heidenheimer of Cisco and Abilene went to Austin to help them celebrate the occasion. Lawyer Melton works for a state agency in Austin and Lawyer Hawari is with a Dallas law firm.

**A GROUP OF** local hunters are back home after an enjoyable deer hunting trip to the Meeker country of Colorado. Making the trip were Melvin Wende, Brian Fleming, J.V. Rhyne, Allen Fanning and Tommy Thompson.

They got home last Friday night after hunting for five days. They saw a lot of snow. Mr. Rhyne was the only one who bagged a buck.

**BET THERE WAS** a lot of white shoe cleaning in our town last Saturday. Director Wayne White of the CHS band had 208 musicians on the football field at half-time—the 6th grade band, the 7th grade band and the Lobo Band and most of them were wearing white shoes. And the mud was ankle deep in a lot of places.

The Lobo Band put on a good half-time show as usual. They've "won the band" presentations in all of the football program this year.

**THE 75TH BIRTHDAY** part windows at Dean Drug are interesting this week. They're full of things from the olden days. Meg Reynolds, teacher in the Childress schools, spent last weekend with her parents, the Bill Reynoldses. Dr. Robert and Sue (Collier) Sloan and children of Waco spent last weekend here with her mother, Mrs. Lucy Collier.

...Glad to see Bobby Parker walking without crutches. He suffered a leg injury in an oil drilling rig accident recently. Ten folks from First United Methodist Church went to Fort Worth in the church van last Thursday to attend a Senior Citizens Bazaar. Making the trip were the Rev. and Mrs. Frank Williams, Mr. and Mrs. Jasper Cook, Mr. and Mrs. Hershall Penn, Mrs. Jewel Coe, Mrs. Trixie Whatley, Mrs. Carl Gorr and Mrs. Doug Fry. Most of the same group went to Gorman last Friday for another church festival.

**A FEW LINES** were missed by the typesetter or computer from an item in this column last weekend. The item concerned Ed Bradshaw buying 20 cases of lighter fluid while he was a Texaco consignee with several service stations. He planned to sell the fluid at the stations when he made the purchase ten years or so ago.

The omitted lines added that the lighter fluid turned out to be charcoal lighter fluid—not cigarette lighter fluid. And Ed still has a few cases left.

We concluded the item by wondering whether Ed would sell us a can or two at 1970 prices.

**THE MARSTON** Surleses got home last weekend after a Colorado deer hunt. Their son Phillip of Arlington went along. Marston got a nice buck one day and became ill the next. His illness was diagnosed as due to the altitude and not too serious. He was able to go to his office Monday.

They were hunting in southwestern Colorado and their son, Buddy, who lives over in northeastern Colorado, drove down for a visit with his parents. They saw a lot of beautiful scenery and considerable snow and some winter weather, reports Mrs. MS.

## 1st Industrial Club Enjoy Program Nov. 1

The First Industrial Arts Club enjoyed an interesting program last Thursday, Nov. 1st at the Women's Club House. Mrs. Faye Gardenshire introduced John Picklesimer, music and youth director of the First Baptist Church. John sang three selections, "The Impossible Dream," "He Touched Me," and closed with "The Lord's Prayer." He was accompanied at the piano by Susan Wester.

Mrs. Muri Guyter then introduced the Rev. John C. Jones, pastor of the Pentecostal Church at Mountain Top, who showed color slides he had made on one of his missionary trips to Brazil. Most of his slides were made as he was flown over the Amazon River and the adjoining jungles. When an opening in the jungles could be found, they put the plane down, and the people would gather for a religious service.

Mr. Jones had an interpreter with him and was able to teach the people from the Bible. He had pictures of many animals and fowls of the jungle, also pictures of the beautiful cities of Brazil.

John's songs and the Rev. Jones color slides made for a very interesting program, for which the club is very appreciative.

The club then proceeded with its business session.

## Public Notices

The Cisco Gun Club is offering a \$250.00 reward for information leading to the recovery of several guns that were recently stolen from the residence of Mr. Lloyd Evans. All comments or inquiries in this matter should be directed to the Cisco Chief of Police, Billy Rains.

## Volunteers Work On Girl Scout House

During the early years of America, when someone needed help building or repairing a home, a message was sent out to the neighboring families and together the work was done.

In today's fast-paced world, it is so hard for people to take time out of their busy schedules to help someone with re-building. But last Saturday morning, a few Ciscoans turned out for the workday at the Cisco Girl Scout House.

Plans called for work to begin on the roof first thing Saturday, but, since there was not a single roofer present, that part of the re-build had to be delayed for a future work day. Instead, the old exterior siding was

removed from the front and west end of the building. Old boards were replaced and new 1 x 4's were nailed over the spaces between the existing boards.

Future plans call for the remaining exterior of the building to be finished in the same way as those two sides repaired Saturday, and then the complete building to be painted.

Also accomplished on Saturday was the replacing of several windows and some area cleaning. Although quite a bit was accomplished last Saturday, there is still a large amount of work to be done on the building. Volunteer labor is desperately needed if the Cisco Girl Scouts are to have an adequate building for a meeting place.

The City of Cisco supplied the workers with a dump truck in which all trash and debris could be placed for hauling to the city landfill.

Volunteers who worked on Saturday were Ayres and JoAnn Cermin, Allen, Bettye and Mark McGinness, Louise Anderson, Sharene Richardson, Vernon Honea, Fred and Jo Wheeler, Fred Wheeler, Jr., Sarah and Annie Hounshell, Mrs. Johnnie McLaughlin, Herrel and Wanda Hallmark, Lonnie Pevey and William Pevey.

Besides food and drinks donated by those attending the workday, the following persons also donated food for the noon lunch at the Girl Scout House: Mrs. E.E. Ady, Mrs. Frank Barrett, Diane Fisher and Mr. and Mrs. E.D. Anderson.

Mark and Bettye McGinness worked on Friday to get the yard ready for the Saturday workday.

Volunteers are shown working at the Girl Scout House on Saturday. (staff photo)

## Jr. High Students Enjoy Halloween Costume Party

Approximately 100 Cisco Junior High students enjoyed a Halloween costume party sponsored by parents last week on Tuesday night at the high school gym. About 25 parents attend.

Winners of the Best Costume contest were Brady Brock and Aki Kleiner. The break dance contest was won by Keith Davis. Disc jockey Perry Reeves from KVMX Radio played tapes for entertainment and dancing.

Mrs. Helen Gaeta was in charge of decorations, and donations for decorations were made by parents and the Parent-Teacher Organization.

## Two County Girls In Kids Contest

Miss Betsy Herrington and Miss Tiffany Sedillo have qualified for the talent competition in the Kids of America Contest and are headed for the Nationals, which will be held at the Anantol Hotel in Dallas.

Betsy is the daughter of Mr. and Mrs. Herrington of Ranger.

Miss Sedillo is the daughter of Mr. and Mrs. Sedillo of Eastland.

Both young ladies take dance lessons at "The Dance Studio" in Ranger. And both are part of the "Jammie Dee Dancers Dance Group."

## Obituaries

### Services For Vera Curry

### Are Sunday

Vera Curry, 82, of Cisco, died at 12:15 p.m. Friday at Hendrick Medical Center. Services were at 2 p.m. Sunday.

The Rev. Buddy Sipe pastor of 1st Baptist Church, officiated. Burial was at Wilmeth Cemetery in Runnels County. Born Sept. 21, 1902, in Mullins, she was a retired cashier, working in the snack bar at the Professional Building in Abilene for three years. She married Albert Curry March 13, 1921, in Norton, and he preceded her in death.

She lived in Abilene for 30 years before moving to Cisco in 1979. A member of First Baptist Church in Cisco, she also was member of Rebekah Lodge.

She was preceded in death by a son W.D. Curry, three brothers and two sisters.

Survivors include three daughters, Mrs. Harry (Laveta) Cummins and Mrs. Herbert (Juanita) Ellis, both of Cisco, and Mrs. Billy (Doris) Hallmark of Anson; a sister, Mrs. Floyd (Lila) Standard of Norman, Oklahoma; eight grandchildren; and 15 great grandchildren.

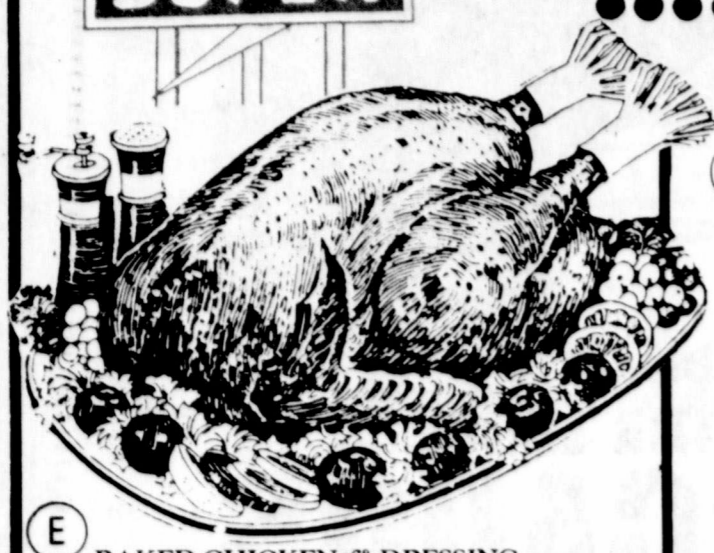

Grandsons were pallbearers.
