Influenza hits Muleshoe children hard

By VANETA GREGORY
Journal writer

The pharmacies and doctor's offices in Muleshoe have been packed with people. The schoolrooms have been half-empty. It's flu season again.

For the week of November 17-20, the number of absences at Dillman Elementary has been in the high 60s, according to the school secretary. This is out of a total of 416 children who are enrolled at that school.

According to Dillman's school nurse, Donna Burton, she had sent home five to eleven kids per day that week. "The majority of these kids have had influenza (flu) symptoms—fever, headache, nausea and sore throat," she said. "A few have been diagnosed later

with strep throat or bronchitis." For the same week, the secretary at Mary DeShazo Elementary reported about 40 absences per day. She also said they were sending home almost

10 children per day with symptoms of flu or strep or both.

At Watson Junior High that week, the number of absences had slowed down, according to the secretary there. The previous week had been bad for them with over 70 absences per day. The junior high has 306 children enrolled.

On Monday of that week, Muleshoe High School reported 55 absences but by Thursday, it was down to 26.

According to Michele Barton, the High School nurse, it was much worse the week before that. "Last week, I sent home 12-15 kids per day. Now, it's about 3-5."

Walter Sain awarded high school diploma

By ROSE SAIN
Guest writer

Walter Franklin Sain, of Muleshoe, received his high school diploma Monday morning November 11, 2002 during the Veteran's Day Assembly in the Hollis Oklahoma High School Auditorium.

Sain

Hollis School Board Member Terry Bogel awarded the di-

ploma to Sain on behalf of the Hollis Public Schools.

Sain attended school all of his life at Gould, Oklahoma Schools, but Gould Schools consolidated with Hollis Schools a few years ago.

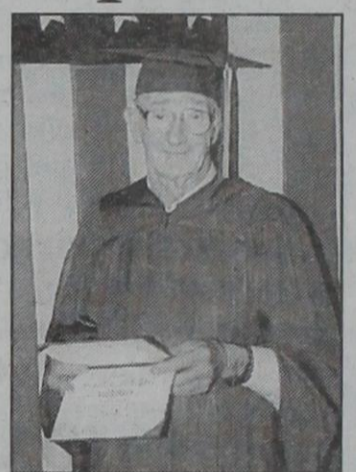

Recent legislation allows school boards to award veterans diplomas they missed out on because of the war.

Sain was 17 years old when he entered the military service, January 12, 1944, by volunteering to serve in the United States Navy. He served aboard an air-

craft carrier in the South Pacific, defending America against the aggressors of World War II.

He was discharged as a machinist mate 2nd Class on May 22, 1946, missing graduation ceremonies at Gould, Oklahoma High School where he had been a student prior to entering the service.

Thirty-five family members and friends of Sain, plus a packed auditorium of high school and middle school students and many veterans attended the Veteran's Day Assembly.

Walter Sain accepts his high school diploma at Hollis Oklahoma High School on November 11.

Lady Tigers trounce Lady Mules, 61-58

By DELTON WILHITE
Journal sportswriter

The Lady Mules jumped out to an early lead in their season opener against the Lady Tigers of Frenship. In the first six minutes of the contest, the Lady Mules owned Frenship and led 14-1 with just over two minutes left in the first period.

Ashleigh Brady entered the game for Frenship and rallied the Lady Tigers to a 61-58 win over the Lady Mules. Brady is an all-state move-in from Fredericksburg and provided the offensive spark Frenship lacked in the opening minutes.

Lady Mule Coach Shana Simms remarked after the game, "We have to learn from the game tonight and move on with the season."

The Lady Mules took the lessons learned in the Frenship game and blew the Nazareth Swiftettes out of the Muleshoe

Athletic and Convocation Center.

Like a West Texas wind scatters the leaves of fall, the Lady Mules blasted Nazareth 61-36.

Using a swarming defense and scoring in transition, the Lady Mules cruised to a 24-18 lead at intermission. Following the break, the Lady Mules turned up the heat in the third period and outran the Swiftettes 20-8.

Nazareth opened the final frame with a 3-pointer. Tabatha Obenhaus set up Sara Benham on the blocks with a perfect pass. Benham scored and completed an "old fashioned" three-point play by making the free throw to answer the Swiftettes.

The Lady Mules finished off Nazareth with a 17-10 run in the final period.

Benham paced the Lady Mule scoring with 25 points and Tori Barton added 12.

Brandi Wood and Kelsi Friskup each added six points and Lindsey Wood scored five.

Ashley Gutierrez dropped in three points and Amber Cowart and Jamie Carpenter made two points each.

Lady Mule Assistant Coach Carey Sudduth said, "We saw a clinic on defense this afternoon."

Benham also led the Lady Mules in scoring against Frenship with 21 points and Carpenter dropped in nine. Obenhaus, Barton and Friskup added six points each and Cowart and L. Wood each made a 3-pointer. B. Wood and Gutierrez rounded out the night's scoring with two points each.

The Lady Mules tangled with the regional finalist Lady Bulldogs of Tahoka on November 25 and will travel to Hale Center December 5 to meet the Lady Owls.

Muleshoe man dies in work accident

By VANETA GREGORY
Journal writer

Samuel Alvarado, 61, of Muleshoe died in a work accident at a Farwell grain elevator owned by AGP Grain Marketing on Thursday, November 20. According to an article in the Clovis News Journal, Alvarado suffocated inside a grain silo in about 8 to 12 feet of wheat. Apparently, he had been inside trying to clear out the wheat while it was being emptied and he was sucked underneath the surface.

That same article states that the federal Occupational Safety and Health Administration is investigating the accident. The investigation is

expected to take about a month or more before a final report is issued.

Alvarado had only worked at this particular elevator for two years, but it is believed that he had several years of prior experience in the grain elevator business.

The article goes on to state that employees of the elevator and Alvarado's family members are being offered grief counseling in order to deal with the tragedy.

Church Services were held Monday, November 24, 2003 at Immaculate Conception Catholic Church for Alvarado with Rev. Joe Augustine officiating. Burial was in Mule-

shoe Memorial Park Cemetery. Ellis Funeral Home handled arrangements.

Alvarado was born March 14, 1942 in Durango, Mexico. He married Maria Marrufo in Torreon, Coah., Mexico. She passed away on July 16, 1995. He then married his present wife, Angela Rodriguez, in Muleshoe on March 22, 1999.

He moved to Muleshoe in 1978 from Del Rio, Texas. For the past two years he had worked for AGP Grain Corporation in Farwell. He was a general laborer and a member of the Immaculate Conception Catholic Church of Muleshoe.

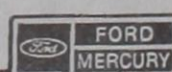

He was preceded in death by two brothers, Juan Alvarado in

1965 and Ignacio Alvarado in 1966; and one sister, Nicolasa Gonzales in 1996.

He is survived by his wife of the home; three sons, Joe of Lubbock, George of Austin and Samuel Alvarado, Jr. of Muleshoe; six daughters, Martha Alvarado, Norma Alvarado and Amy Melendez of Muleshoe, Sylvia Ramirez of Ft. Hood, Texas, Denise Esparza of Muleshoe and Alejandra Alvarado of the home; his mother, Rita Alvarado of Dalhart; five sisters, Paulita Lopez, Maria Huerta, Julia Martinez, and Alicia Ruelas, all of Mexico, and Benia Cansino of Dalhart; and twelve grandchildren.

Many thanks from our family to yours....

Lady Mules go down against Lady Pirates

By DELTON WILHITE
Journal sportswriter

The freshman Lady Mules had to battle both the flu-bug and Lady Pirates in their season opener. The bug began to take its toll on the Lady Mules in the second half to allow Cooper to finish off the ailing Lady Mules 34-18.

The first half was a defensive struggle that left the Lady Mules trailing the Lady Pirates 11-10 at intermission. Cooper opened with a 6-point scoring run before Irma Torres nailed an 8-foot jumper. Torres added a free throw before the period ended with Cooper leading 6-3.

With a minute left in the first half, Kindra Pruitt borrowed a Lady Pirate pass and drove the floor for a layup. Abby Lawrence

was hammered on a turnaround jumper and made Cooper pay by dropping in both free throws.

As the final seconds of the first half ticked away, Pruitt picked a Lady Pirate's pocket and found Madison Myers open for a 10-foot jumper on the baseline. Fatigue took its toll on the Lady Mules in the third period and Cooper outscored the Lady Mules 15-5.

The Lady Mules applied the breaks in the final frame to hold Cooper to eight points but only managed three points of their own.

Torres led the Lady Mules with seven points. Myers and Pruitt added four points each; Lawrence dropped in two points; and April Ocha rounded out Lady Mule scoring with a free throw.

The Lady Mules traveled to Littlefield November 24 and will travel to Slaton December 1.

The Lady Mules compete in the Denver City tournament December 4-6 and will return home to face the Dimmitt Bobbies December 8.

Copyright © John A. Lehti, Christian League Press, Muleshoe, TX. ALL RIGHTS RESERVED. This Devotional Series, P.O. Box 1024, Muleshoe, TX 79202

This is a dramatized version of facts taken from the Book of Esther, intending to show some of the customs of these ancient and traditional times.

EVIL HAMAN
HAMAN'S DELIGHT KNOWS NO BOUNDS WHEN HE IS INVITED TO A PRIVATE BANQUET, WITH THE KING, BY QUEEN ESTHER—NOW, AS HE LEAVES THE PALACE...

NOTHING IN THIS WORLD CAN NOW SPOIL MY LITTLE HAPPINESS!

BUT, IN HIS GREAT JOY, HAMAN SPEAKS TOO SOON, FOR...

LET ALL MY FRIENDS AND ALL MY HOUSEHOLD GATHER UNTO ME!

ONCE AGAIN, SITTING IN HIS OFFICIAL PLACE AT THE KING'S GATE, MORDECAI REFUSES TO BOW DOWN—ENRAGED AT THIS INSULT, HAMAN RUSHES HOME...

NOW HAMAN TELLS THEM OF ALL THE GLORY AND THE RICHES BESTOWED ON HIM BY THE KING—HOW QUEEN ESTHER WAS INVITED TO A BANQUET—BUT HIS GREAT JOY IS DIMMED WHENEVER HE SEES MORDECAI, THE JEW, REFUSE TO BOW DOWN AND DO REVERENCE TO HIM, WHICH IS CERTAINLY DUE A MAN OF HIS GREAT POSITION!

Conservation recognizes Miller at state convention

Mike and Pam Miller from the Lazbuddie area recently attended the state convention for the Texas Soil and Water Conservation Districts (SWCD). Miller represented the Parmer County Soil and Water Conservation District. They were joined at the convention by Earl Behrends, who represented the Natural Resources Conservation Service of Parmer County.

The convention was held in El Paso October 19-22.

Many current topics were discussed in the areas of soil and water conservation. Many state legislators were in attendance as well as the president of the National Association of Conservation Districts.

Water and the growing importance of water management was the key issue discussed at this convention. With the dry weather across the state for the last few years severely affecting agriculture and with the current depressed agricultural situation nationwide, the focus of

Mike Miller

the presentations were on what has been happening across the state as large companies try to gain control of the underground water.

Miller was presented a certificate of appreciation for donating his time to the Parmer County SWCD for the past 20 years.

The board of directors of the Parmer County SWCD acknowledges Miller for his hard work and the personal time logged on behalf of the district.

Seventh grade loses home opener to Littlefield

By DELTON WILHITE
Journal sportswriter

The seventh grade Mules dropped their home opener to the Littlefield Wildcats 34-29. In the final period, the Mules cut Littlefield's lead to only two points. Wes Wood drew the double team on the blocks and passed across the paint to Lane Wood for an easy deuce.

The Wildcats went on an 8-4 scoring blast that ended the Mules hope of a come back.

Austin Wright got the Mule's scoring started with a drive down the lane. Littlefield answered with a four-point run. W. Wood picked a Wildcat's pocket at midcourt and pushed the ball ahead to L. Wood on the fast break.

The Mules led at the end of the first period 12-11. Victor Vasquez dropped in a 19-foot jump shot and

Dillion Gallman completed a fast break to leave the Mules trailing 19-16 at intermission.

Nathiel Chavez dropped in a 12-footer on a Mule in-bound play to knot the game a 19 with just less than three minutes left in the third quarter. The Mules pressed in the final minutes

of the third period and W. Wood borrowed a Littlefield pass at the Mule free throw line and popped the net.

Jackson Myers added a free throw in the final stanza to help fuel the Mule's comeback attempt.

L. Wood and Vasquez set the scoring pace for the

Mules with eight points each and W. Wood dropped in six. Wright, Chavez and Gallman added two points each and Myers had one point for the Mules.

The Mules will host the Slaton Tigers December 1 and travel to Dimmitt to meet the Bobcats December 8.

The Jennyslippers presented Joe Bollinger and Jake Davis with a certificate of appreciation on Friday, November 21. Bollinger, who is the manager of United Supermarket, offered his management personnel and U-Crew to mow the lawn every week at the Mule Putt Golf Course. "The lawn was manicured beautifully all summer long," Brenda Tapley said. "Jennyslippers and the patrons of the golf course all appreciate their hard work and dedication!" Pictured are Elaine Parker, Jennyslippers treasurer; United representatives Jake Davis and Joe Bollinger; and Brenda Tapley, Jennyslippers president.

Mules tame Olton Mustangs 78-35

By DELTON WILHITE
Journal sportswriter

The Mules used a swarming defense and a high-energy offense to tame the Mustangs of Olton 78-35 in their season opener. Mule coach Ralph Mason used a steady stream of Mules in a relay to keep fresh legs on the court.

Both teams set a furious pace in the first period. Tatom Heathington dropped in two 3-pointers to give the Mules a 19-16 edge at the end of the first period. Landon Sheets nailed his first of five 3's to spur the Mules as the

Mules claim fourth district position

By DELTON WILHITE
Journal sportswriter

The final two teams in District 2-3A were eliminated in the second round of the state football playoffs.

The Mules claimed fourth in the district race this season and still claimed 14 positions on the first and second all-district teams. Six Mules were elected to the first team by unanimous votes and one missed being a unanimous choice by just one vote.

Named to the first team offense were Miguel Castorena as an offensive lineman and Daniel Campolla as a receiver. Brady Black was picked as a running back.

Included on the first team defense were Bryan King, defensive lineman, and Juan Nuñez at line backer. Black was chosen to the defensive backfield and Tatom Heathington was voted All-District punter.

Joel Salcido, Ryan Marricle, Heathington, Landon Sheets and Juan Reyes made the second team offensive unit. Marricle and Campolla were named to the second team defensive unit.

Salcido and Tyrel Gear were named as honorable mentions by the district coaches.

Black, Salcido, Reyes and Nuñez will be counted on as key components next year as they return for the Mules.

second frame got under way.

The Mules production in the second period dropped to 12 points. But the game pace and the trapping full court pressure of the Mules held the Mustangs to only three points as the Mules took a 31-19 advantage at intermission.

The Mules returned to the floor with confidence and turned up the heat on the Mustangs. Sterling Via picked off an Olton pass near midcourt and drove the Mustang lane to draw the defense. Via passed the ball out to Tyler Sheets in the corner for a 3-pointer.

Layne Sheets found himself all alone at the top of the key and popped the net from 3-land. Brady Black continued to dominate the inside with power moves to the basket. The Mules racked up 20 points in the third frame to claim a 51-26 advantage.

The Mules seemed to save the best for last as seven Mules scored in the final period to outrun the Mustangs 27-9. The aggressive defense caused the Mules to be called for 22 fouls but Olton only made 9-of-24 free throws.

Ln. Sheets led the Mule scoring with 28 points and Black dropped in 17. Heathington added 10 and Ty. Sheets made five for the Mules. Ly. Sheets, Trevor

Turnbow and Landon Wilson made four points each. Via, Chris Kindle and Kory Atwood each had two points.

As a team, the Mules made 21 two-pointers, nine 3's and converted 9-of-17 free throws.

The Mules defended their home court November 25 against the Tahoka Bulldogs and will travel to Hale Center to meet the Owls December 2.

**LETTERS TO THE EDITOR
MAKE A DIFFERENCE!**

Given our passion for food and people, there is only one thing that would close our stores — a Presidential Proclamation.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A Proclamation.

“...We have been the recipients of the choicest bounties of heaven. We have grown in numbers, wealth and power as no other nation has ever grown.

But we have forgotten God. We have forgotten the gracious hand which preserved us in peace, and multiplied and enriched and strengthened us, and we have vainly imagined in the deceitfulness of our hearts that all these blessings were produced by some superior wisdom and virtue of our own. Intoxicated with unbroken success, we have become too self-sufficient to feel the necessity of redeeming and preserving grace — too proud to pray to the God that made us.

It has seemed to me fit and proper that God should be solemnly, reverently, and gratefully acknowledged as with one heart and one voice by the whole American people.

I do, therefore, invite my fellow citizens in every part of the United States, and also those at sea and those who are sojourning in foreign lands, to set apart and observe the last Thursday of November next, as a day of Thanksgiving and Praise to our benevolent Father who dwelleth in the Heavens.”

HOSPITAL BOARD REPORT

Muleshoe Area Hospital District (MAHD) held its monthly board meeting November 20. Vice President Mike Miller called the meeting to order and the minutes of the last meeting were approved.

Jim Bone, hospital administrator, gave the medical staff report. He reported that the new outpatient general surgeon, Charlie Bayouth, would begin work in December. He also reported that Ryan Johnson and Susann Bunker had been re-appointed. Also, Karen Keil, certified registered nurse anesthetist, signed a new contract with the hospital.

Bone recommended Rosino Guimary as the new compliance officer. The motion was made and passed.

Bone asked for the funds to buy three new computers for hospital staff and the request was approved.

Sharon Novak gave the financial report. She reported that the hospital revenue was down from the past few months due to the fewer number of in-patients. She also reported that the revenue for Park View was slightly below budget for last month.

Novak also reported \$29,440.05 in bad debt for October. The board dis-

cussed filing judgement against patients who do not pay. They discussed putting together a specific policy on how to determine if judgments should be filed to prevent discrimination.

Bill Saxton, Park View director, reported 73 residents at the nursing home. He also said there were 150-200 people at the annual resident and family Thanksgiving dinner. He said the annual Christmas party is scheduled for December 18. He also reported that all of the shelves from the Christmas Card Project have been installed and 85 percent of the new doors have been installed. A safety inspection was conducted at the nursing home on October 27 and there were no deficiencies found. Saxton also reported a complaint investigation for last month. He said the complaint was about incontinent care but the investigation found that it was not substantiated.

Bone reported a complaint investigation about the emergency room at the hospital. Again, he said the investigation found that the complaint was unsubstantiated. Bone said there was a survey done at the X-ray department and no deficiencies were found. Also, the fire marshal found

no deficiencies at the hospital.

The board discussed the purchasing of a new van for Park View but no decision was made.

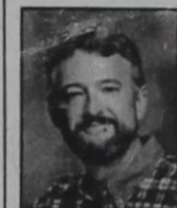

Bone pointed out that volunteers are working on a new

project to paint the walls in the labor and delivery area. He said the hospital would support them any way they can, including supplying the paint.

The meeting was adjourned.

Here's a Parable Cast in Cement

One summer a few years ago I was working hard pouring 8-foot sections for a flower bed border/wall at the house. I called it the "Great Wall of Muleshoe" and it was a huge summer project. I'd borrowed an electric cement mixer which helped me

Focus On Faith

Curtis Shelburne

tremendously in mixing more than a few tons of concrete. It was still hard work.

But it was never harder than on the day when I'd just got the mixer filled up and turning for one more load—and the power suddenly went out—and in went the shovel. I didn't want that stuff to harden in that becalmed mixer, so I was suddenly thrown into mixing by hand. Before long I felt like I was about to pass out and fall in head-first. Ellis & Company would be able to just plant me at the cemetery feet down and chisel an inscription across my cemented nose. When my neighbor, who works at the electric power plant, drove by, he hollered out of his open window, "Don't you miss the convenience of electric living?" Yes, I did!

While we're thinking particularly about our blessings during this season, I'd suggest that "electricity" should definitely be on the list!

But I thought that Lyndon Latham, a good friend and mentor of mine who was just here talking to our church

during our recent stewardship emphasis had a great suggestion. Here 'tis:

All we have to do is think about it just a moment to realize what a wonderful blessing electricity is to our whole community and, yea, verily, our entire nation and beyond. Don't we all appreciate it? I know I do! So, since we all are so thankful for it, Lyndon suggests that the electric company ought to try NOT sending out bills. Instead, they should try simply sending out some empty envelopes with just a little note attached that goes something like this:

"Dear Friends,
Knowing how much you appreciate our services, we want you to know how much we appreciate you. In the future, we'll not be sending you bills. Just search your heart and use the enclosed envelope to send in whatever you feel you'd like to send to help pay for the electricity which you so appreciate. We don't like to talk much about money, and we're sure we won't have to as each of our customers just sends in whatever they feel led to send, unless sending anything at all is an inconvenience or if this is a particularly tight time. Thank you."

How long, Lyndon asked, do you think the lights would stay on in our community if the power company ran on that basis? Not long.

And yet Christ's church has served, ministered, and prospered under just about that kind of arrangement for 2,000 years.

Amazing. But we have an amazing God. And he does amazing things with the hearts of his people!

Curtis Shelburne is minister of the 16th & D Church of Christ in Muleshoe.

FLU

from page 1

ported that the teachers had been doing a good job of slowing the flu down by making sure the children wash their hands frequently, encouraging them to cough and sneeze into Kleenex, and by using a lot of Lysol on surfaces that are often touched.

Also, all of the schools reported only a few teacher absences during this period. According to Don Wood, assistant superintendent, the teachers were offered the chance to get flu shots and about 50% of them did.

"Even if the latest strain of the flu isn't covered by the flu vaccine, it will still make the symptoms less severe," said Burton at Dillman.

Many of the high school students are coming to school anyway, according to Barton. "They don't want to get behind in their schoolwork," she said. "If the teachers notice they are sick, they will send them to me and I'll send them home, especially if they are

running fever."

David Jenkins, High School principle, recommends the students stay home and get well. "It's best to get over it," he said. "Nothing is worse than a relapse."

According to Wood, the administration did not even consider closing the school. "We would if 50% of the students were absent for 2-3 days and if a lot of the teachers were out sick," he said. "But then we would have to make up those days."

Wood pointed out that the flu is not really worse this year—it's just early. "Normally, the flu hits after Thanksgiving, right around Christmas," he said. "We just hope that the duration is the same and it doesn't last longer."

Barry Wilson, regional epidemiologist for the Texas Department of Health said, "There were 82 reports of flu-like symptoms at Muleshoe Area Medical Center emergency room for the period be-

tween November 10 and 20. The latest flu activity in Texas is reported to be widespread. Increased flu activity or positive flu tests have been reported in 8 of the 11 regions of Texas this week [Nov. 17-21]."

Paul Wilbanks, owner and pharmacist at Western Drug told the *Journal* that they had been really busy for the past two weeks, with the majority of prescriptions being flu medications.

"We have had some trouble getting flu medications in. We are currently out of liquid Taniflu for children. It's on allocation and will be arriving as soon as possible," Wilbanks said. "We have plenty of the capsules for adults though."

Wilbanks also stated he had been at the store after hours more than normal in the past two weeks.

Local physicians are encouraging everyone to get the flu vaccine soon because another strain may come through here later in the season.
