LITTERA SCRIPTA MANET—THE WRITTEN WORD ENDURES

MULESHOE, County Seat of Bailey County, TEXAS, THURSDAY, APRIL 20, 1942

TWENTIETH YEAR, No. 15

Producers Of Wheat To Vote On Quotas May 2

Wheat producers over the nation will go to the polls Saturday, May 2, to decide whether they desire to continue wheat marketing quotas.

In this referendum producers will be deciding a most vital question. At the present time there is the largest surplus of wheat in the nation's history. This same condition is true of the other principal wheat producing nations of the Western Hemisphere (Canada and Argentina).

The United States has at the present time enough surplus wheat to supply domestic and export needs for two and one-half years without producing another kernel of wheat in that period. Reliable agriculture surveys show that we will produce an unusually large wheat crop in 1942.

If marketing quotas are defeated in the referendum, we will not have a price supporting loan on wheat as we have had in past years; such a condition would probably cause the wheat producer to sell his 1942 wheat crop for 35 or 40 cents a bushel.

Each farmer engaged in the production of wheat for harvest in 1942 on a farm on which the normal production of the acreage planted to wheat of the current crop is 200 bushels or more, and on which the acreage planted to wheat is in excess of 15 acres, who is entitled to share in proceeds of the 1942 wheat crop as owner, landlord, tenant, or sharecropper, is eligible to vote in the referendum.

Ballot boxes will be at the following places in Bailey County: West Camp: Schoolhouse. Muleshoe: District courtroom. Progress: Schoolhouse. Sigall: Schoolhouse.

The polls will be open from 8 a. m. to 8 p. m.

Euinice Florence Transferred To Lubbock Office

Miss Euinice Florence, who has been home management supervisor of Farm Security for Bailey County for several years will become home management supervisor for Lubbock county. She took up her new duties there last Monday.

Transfer of Miss Florence came as a surprise to many friends here, as she had worked with the people of Bailey county so long that she had been looked upon as a citizen. Proof of her excellent work was shown in the loyalty and respect of those with whom she worked.

Succeeding Miss Florence for Bailey county will be Miss Evelyn Jennings. Miss Jennings has been teaching home management on an Indian reservation at Crowpoint, N. M.

Tires, Tubes, And Retreads Issued To 22

Tires, tubes and re-treads issued by the Bailey county board for the week of April 22-29, went to the following:

Richard L. Jenkins, farmer, two re-tread passenger car tires.

Marvin May, farmer, one re-tread passenger car tire.

Bernice May, farmer, one re-tread passenger car tire.

E. W. Billingsley, farmer, two re-tread passenger car tires.

Wendell E. Young, mail carrier, two new passenger car tires and two new passenger car tires.

Bailey County REA, one new passenger car tire.

Gilbert Willard, mail carrier, one new passenger car tire.

W. B. McDaniels, mail carrier, one new passenger car tire.

A. J. Lenderson, Gulf wholesale agent, two truck retreads.

E. B. Richardson, farmer, two truck retreads.

Marvin Moore, Conoco wholesale agent, three truck retreads.

Baker Johnson, farmer, two truck retreads.

Sam E. Fox, Texaco wholesale agent, one truck retread.

Joel W. Lee, trucker, one new truck tire and one new truck tire.

H. L. McCandless, bus driver, two new bus tires and two new bus tire tubes.

Roy R. George, wholesale and retail gasoline agent, one new truck tire and one new truck tube.

Raymond Elmo Sanders, farmer, one new pickup tire.

Grover P. Howell, farmer, one new truck tire and one new truck tube.

Guy Nickels, farmer, one new truck tire and two new truck tubes.

Rudolph Weidubush, Magnolia wholesale agent, two new truck tires.

James A. Gowdy, farmer, two tractor tubes.

Joe Rone, farmer, one pickup tube.

Perry A. Altman, county road worker, one new pickup tire.

FFA Winner Is Awarded Plaque

Presentation of the plaque to the winner in FFA work for the past year was made Tuesday afternoon at the High School. R. L. Brown made the presentation in behalf of the chamber of commerce. Alfred Hicks received the plaque this year, and presented it to the school.

Each year, for twelve years, the name of a winner will be inscribed on the plaque. The winner also received a registered gilt.

Roy Howard, who made almost the same grades as Alfred, was given a second place award. The chamber of commerce decided to purchase a gilt for Roy, but first place winner was given choice of the swine.

GILBREATH RITES HELD

Funeral services were held at Circleback Monday afternoon for C. L. Gilbreath, 54, who died Saturday, April 25. Burial was in the Sudan cemetery. Mr. Gilbreath had been a resident of the Circleback community several years.

U. S. Wheat Bins Are Full

World War II finds the United States well supplied with wheat, according to the U. S. Department of Agriculture. As the chart indicates, the supply is double that of 1917 when America entered the first World War. It is estimated that on July 1, the Nation's supply will be near 1 1/2 billion bushels, enough for two years of domestic use. Instead of plowing up new land and expanding wheat acreage, farmers are able to use land, labor, and equipment in turning out other war commodities more vitally needed—such as dairy, poultry, and meat products, vegetables, and oil crops.

525 Men, 44-65, Sign Up Monday In This County

Final registration of manpower of the nation was completed Monday, with men between the ages of 44 to 65 getting their names on the roster.

Registration booths opened at 7:30 a. m. Monday, and in Muleshoe, several prospective soldiers were waiting at that time.

Much of the conversation among the registrants was interesting. A good many really expect to be called for combat service, but this is doubtful. Some have already tried to get into the army or navy on other occasions, many of them being old campaigners of 1917-18. It is thought that quite a number of those who are good mechanics, or are familiar with a specialized trade will be called within the next year. Otherwise, it is unlikely that many of this class will see active service.

One registrant, who had tried to sign up in a combat outfit some weeks ago, was heard cussing the recruiting service because they didn't know good soldier material when they saw it. He was fifty years old.

Estimates on the number of men who would sign up were previously set at 750 for the county, but the figure was far short of that. Final total was 525, divided among the four registration places as follows:

Muleshoe, 346; Baileyboro, 55; Bula, 82; Maple 42.

Names of the registrants will appear in an early issue of The Journal, possibly next week.

Ray C. Moore With U. S. Engrs At Camp Bowie

Ray C. Moore left Sunday for Camp Bowie, where he reported to Capt. E. F. Wallace, Eighth Corps Area Engineer officer for duty with the Army engineers. Official notice of his duties was not listed in the telegram last Friday from Capt. Wallace, but it is understood that he will be with the drafting section of the Corps.

Mr. Moore has had three and one-half years training in drafting, and has some excellent work to his credit in that line.

Ray has been in the dry goods business for the past seven years and is the first head of a business firm here to go to service. Mrs. Moore will continue to run the store.

JAR AT GROCERY HIGHEST IN S. A. COLLECTIONS

Collections of contributions to the Salvation Army, made here Tuesday by Major Saunders of Littlefield, showed that the jar at Bavers' Grocery contained the highest amount—\$5.10.

Other contributions included: Sheriff's office, \$4.82; Child Bowl Cafe, \$4.55; Sandhale Service Station, \$4.00; A. P. Stone's office, \$3.00.

The amount collected at the grocery store was said to be the highest ever received from one of the jars in this territory.

Children's Week To Be Observed

The governor of Texas calls for a special observance of one week to consider the interests of the children of our state. The American Legion is giving major attention to this subject at its state convention.

The governor asks that we see that in our emergency the children need for mental, physical and spiritual care in the preservation of democracy.

This important matter will be presented at the Muleshoe Methodist church Sunday morning.

Rev. R. N. Huckabee, pastor, announces that an interesting program on the issues facing our youth will be presented by young people's officers and workers at the church Sunday night.

Music Festival To Be May 6

There will be a spring music festival at the high school auditorium Wednesday night, May 6, at 9 o'clock. The program, as tentatively arranged, follows:

May Pole Dance — Miss Bailey and Mrs. Johnson's group.

Dramatization Songs — By pupils of Miss Cooper, Mrs. Cox and Mrs. DeShazo.

Songs of Rhythm and Motion — By pupils of Miss Smiley, Miss Dunham and Mrs. Scott.

High School Band—Directed by W. J. Finley.

Choral Songs — By pupils of Miss Roberts and Mr. Bentley.

High School Chorus — By Mr. Finley.

"Star Spangled Banner" — By audience.

AT THE HOSPITAL

Born Thursday night to Mr. and Mrs. F. M. Hawkins of Rt. 1, Muleshoe. The baby was named Lowell Richard.

Born to Mr. and Mrs. R. E. Sanders of Goodland, Thursday night, a daughter, who has been named Patsy Ann.

Mrs. Ellen Kinser of Muleshoe has been admitted for medical treatment.

Mrs. Quinella Roberts of Maple underwent a major operation.

R. E. Luttrell of Muleshoe has been dismissed from the hospital.

Mrs. M. F. Green, R. N., has been added to the nursing staff.

The last national election of the Republic of Texas resulted in the election of Anson Jones, in 1846.

Final Exercises Of School Year Begin Sunday, May 10

John W. Wilson, pastor of the Church of Christ at Lubbock, will deliver the baccalaureate sermon before the graduating class on Sunday evening, May 10th, at High School auditorium. Preparations are being completed this week for the full program which will be announced in next week's issue of The Journal.

Dr. J. O. Ellsworth, head of the department of economics and business administration of Texas Technological College will make the graduating address. This will be at 8:30 Friday evening, May 15th, and patrons and visitors are asked to be present at that hour.

This will be one of the largest classes to graduate here. There are 52 members scheduled to receive diplomas. Top honors this year go to Barbara Mae Morris, valedictorian, and Geraldine Taylor, salutatorian. Other honor students will be announced next week.

Parnell Rites Held Monday At Baileyboro

Funeral services for Mrs. Mary L. Parnell, 78, of Baileyboro, who died April 23 at the Green Hospital at Baileyboro, with burial in the cemetery there.

Mrs. Parnell, who for the past few years had made her home with her brother, H. C. Holl, of Baileyboro, died as a result of injuries sustained in a fall early last week. She was a native of Arkansas.

Survivors besides her brother at Baileyboro, include two daughters, Mrs. Emma Sullivan of Dodge City, Kans., and Mrs. Florence Loftis of Muse, Okla.; two sons, William Parnell of Turlock, Calif., and Henry Parnell of Turkey, Tex.; 23 grandchildren and a number of great grandchildren. Her husband died several years ago.

Survivors here for the funeral included three granddaughters, Mrs. Myrtle Butler, Mrs. Martha Maxwell and Mrs. Grace Hickman, all of Dodge City, and her son, Henry, of Turlock, Calif.

Denzil L. Smith Within 2 Months Of Becoming Pilot

Denzil L. Smith, 22, of Muleshoe, is within two months of becoming a pilot in the U. S. Army Air Force as the result of his recent completion of basic flight training at Moffett Field, California.

The former Muleshoe youth began his Army flight training at Santa Maria, California. There he received primary instruction on light aircraft.

Successfully completing primary, Smith came to Moffett Field for basic training on heavier planes. At Moffett he learned flying, formation, and night flying.

His recent graduation from basic completes two-thirds of his Army flight training.

The son of Mr. Denzil O. Smith, the Muleshoe youth now is on his way to the final phase of flying instruction at an advanced school. Upon completion of advanced, Smith will be awarded his wings as a second lieutenant in the U. S. Army Air Force.

Smith is a graduate of Muleshoe high school.

Mrs. Holland's Brother Is Killed

Mrs. C. S. Holland left Monday morning for Alvarado, Tex., to attend funeral services for her brother, Charles Pardue, who was killed in a car accident Sunday afternoon.

The car in which Mr. Pardue was riding and another car were totally wrecked when they collided head-on on Highway 81, near Alvarado.

Mr. Pardue, who was 56 years old, was editor of the Alvarado Bulletin, the oldest newspaper in Johnson county. It was established by his father, J. F. Pardue, 56 years ago.

Mr. Pardue is survived by his wife and one son, Franklin; three sisters, Mrs. H. F. Daniel, of Dallas, Mrs. H. T. Chastain of Alvarado and Mrs. Holland of Muleshoe, and one brother, Frank Pardue, of Alvarado.

RED CROSS SEWING ROOM NEEDS MORE WORKERS

Thirteen Red Cross workers were present at the sewing rooms last Wednesday and eight on Thursday. One shipment of bed-sheets was made last week and another is on the way.

A shipment of yarn has been received and this will go into articles for local boys. More workers are needed badly, and all women who can assist in this work for at least one day a week are urged to come and help.

FAILURES DECLINE

Commercial failures in Texas declined perceptibly during the month of March, the University of Texas Bureau of Business Research reports. Only ten companies closed their doors and liabilities were only \$22,000 as compared with 28 failures and \$300,000 liabilities in March, 1941.

Postal receipts higher

March postal receipts in Texas were 11.8 percent above the same month last year and 11 percent above February the University of Texas Bureau of Business Research reported.

James Stephen Here was the first native Texan to be elected Governor of Texas.

More Tomato Acreage Needed In County

Uncle Sam is urging every farmer that can see his way clear to grow tomatoes this year. The government needs five hundred millions cans of tomatoes for our own need and for export. Tomatoes can be grown at a profit under the new \$17.00 a ton guarantee. County Agent Sam Logan stated.

Plenty of seed is available for planting. In addition to this, the Muleshoe nursery and Muleshoe Chamber of Commerce are making available enough tomato plants to set two acres per irrigated farm. These plants could be used to set acres or to reset skips in planned areas.

Many farmers are afraid of not being able to find sufficient labor for harvest, Logan stated. He pointed out, this tomato crop is an emergency crop, one which must be grown and harvested. Information has been received that the migratory labor group here last year for harvest would come back if needed, and the re-employment service has assured farmers of labor for harvest of these emergency crops.

CLASS ROLL

Ansel Ashford, Howard Ashley, Wilburn Barbour, James Bentley, Vernon Borrell, T. M. Cox, Sam Dawson, Claude Garth, Byron Garrison, Harry Walker, Lonnie Wilshire, Earl Luttrell, Helen Arnold, Leona Bartley, Ina Jean Brooks, Sybil Brown, Wilma Carter, Dorothy Cox, Ruth Day, Wynelle Eskridge, Mary Dale Green, Doris Gordon, Gloria Gowdy, Fern Graham.

Wilhelmine Gatewood, Vivian Harris, Ruth Heard, Sarah Heard, Lois Howard, Josephine Jesko, Mary Jesko, Betty Jo Jordan, Mary Frances King, Barbara Mae Morris, Mary Sue Osborn.

Theresa Pierson, Norma Lee Pool, Lois Renfrow, Fern Smith, Geraldine Taylor, Oreene Tipton, Jane Wooley.

E. Lee Ozborn Is New FSA Director

E. Lee Ozborn former assistant regional director of the USDA Farm Security Administration's rural rehabilitation work, has been named regional director for Texas and Oklahoma to succeed Wilson Cowen.

Cowen resigned to become a commissioner of the U. S. Court of Claims in Washington, D. C.

Ozborn has been a farmer all his life — in Texas and Oklahoma — as first a sharecropper, then a tenant, and finally as farm owner. He now operates diversified farms in Floyd county, Texas, and Washita county, Oklahoma.

During World War I he served overseas as lieutenant of infantry with the 28th Division.

Ozborn has been with FSA since 1938 and has served variously as assistant regional director of the farm ownership loan division, state director of Oklahoma, and assistant regional director in charge of rural rehabilitation loans for feed, seed, livestock and equipment.

The Texas-Oklahoma FSA region serves some 60,000 small farmers and stockmen.

SCOUTS PREPARE CAMP

On May 2, Boy Scouts of this territory will prepare 15 acres north of the bath house at Buffalo Lake, Lubbock county, for summer camping, fencing the plot and making it available for all Scout troops. Through W. H. Rodgers, owners, scouts can camp, swim and fish all year for a season ticket of \$1.00. These tickets are available at Scout headquarters.

NOTICE TO SUBSCRIBERS

If your Journal subscription has expired, or is about to expire, please notify us that you want the paper to keep coming, or call at the office and renew. War conditions are such that we must keep our lists up to date, and in the future, those whose subscriptions have expired, will be taken from the lists. Keep The Journal coming to you if possible, as there will be news from time to time which will be of vital interest to every man or woman in the country.

BIOGRAPHER TO SPEAK

Wayne Gard of Dallas, biographer of Sam Bass, notorious Texas outlaw will be speaker at the annual high school press section of the Inter-scholastic League Meet at the University of Texas, May 9. Mr. Gard is an editorial writer for the Dallas Morning News.

David G. Burnett was named Provisional President of the new Republic of Texas at Washington on the Brazos, where the first government headquarters of Texas were established in March, 1836.

SUBSCRIPTION RATES
 In Bailey County, one year, \$1.50; Outside of County, one year, \$2.00

Advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices, it matters not by whom nor for what purpose, if the object is to raise money by admission fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each issue printed.

Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate.
 Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Muleshoe Journal will be gladly corrected upon being brought to the attention of the publisher.
 In case of errors or omissions in local or other advertisements, the publisher does not hold himself liable for damage further than the amount received by him for such advertisement.

On The HOME FRONT

Everybody right here at home has been brought into the Battle of the Home Front, and if not before, he now knows it emphatically, with everyone urged to help lick the High Cost of Living and to cooperate in the many drastic restrictions necessary to conserve vital materials needed for the War Program.

This week's developments have shown the importance of Home Front problems affecting the oldest person to the youngest baby — problems that include equal sharing of commodities as well as what those commodities cost.

To solve the problems, the War Agencies moved rapidly with orders that were in keeping with the times. And as many of these problems sprang from shortages, consumer groups joined in the battle and urged that "if you

don't need it, don't buy it."

Included among the important actions was the start of sugar rationing, beginning with the registration of all dealers and commercial users. The War Production Board delegated authority to the Office of Price Administration to ration sugar at all levels, from the refiner to the consumer, and laid the ground work for consumer rationing after registration May 4, 5, 6 or 7.

The OPA fixed the starting share-and-share alike sugar ration at half a pound per person each week.
 From rationing, the consumer's problems embraced the necessity for getting along with fewer deliveries from stores, so their equipment can last longer also, and the possibility that new telephone installations may be denied, except where service is essential.

Appeals were issued to vacationists to travel during mid-week this year where possible, to relieve weekend pressure on already over-taxed common carriers. In fact, announcements of the Office of Defense Transportation, appealing to auto users to double up, and to everyone to make their normal pursuits and pleasures secondary to the primary demands of war pointed to future possibilities for the necessity to ration travel. Along the Eastern Seaboard, travel rationing already has been ordered with the gasoline ration plan to start May 15.

On delivery service, the ODT issued a general order forbidding special deliveries and "call backs" and placed a limit on the number and mileage of local delivery services. More than one delivery a day to a person is forbidden, and special deliveries can be made only to hospitals and the armed services and where they are necessary to the public health life and safety. The order is effective May 15. And it applies to any rubber-tired vehicle drawn

by mechanical power or horses.

Installation of telephones was brought under strict control by a WPB order. It provides that new service may be denied except to persons or organizations engaged in direct war work, or in occupations essential to the public welfare. Others can't expect service unless it can be provided without disrupting essential service. The order was necessary to conserve large quantities of critical materials and is expected to result in an annual saving of 53,000 tons of lead, 54,000 tons of copper, 35,000 tons of iron and steel, and large amounts of other materials needed in the War Program.

Francis Gilbreath, Woodrow Lambert and Walter Moeller left Sunday for Wichita Falls, Tex., where they will enlist in the U. S. Air Corps.

 Fish an' good corn pone!

EGG DYING PLANT TO BE LOCATED AT CLOVIS, N. M.
 The Clovis Chamber of Commerce announced last week that an egg dying plant, the only one of its kind, would be located immediately in Clovis.
 Capacity of the plant will be 1,400 cases of eggs daily. Production of the plant has been contracted to the government.
 Approximately 150 people will be employed at the plant. Most of the \$30,000 worth of equipment has already been shipped.

A dancing master who has introduced a new dance in which one step is taken forward and three backward, wants suggestions for naming it. Why not call it "Civilization"?

If everything in life went along smoothly, Heaven wouldn't be any attraction.

It seems to us that the average person of today isn't quite so average as he used to be. That's progress.

Eighth Grade Elects Officers

At an organization of the 8th grade class, the following officers were elected:
 Ernestine Gatlin, president; Lee Roy Thomas, vice president; Billy Bentley, secretary-treasurer. Class colors are red and white. The class motto is, "We Build a Ladder by Which We Climb."
 Mrs. M. G. Bass, Mrs. H. E. Clement, Mrs. H. D. Bentley, and Mrs. J. V. Bauldin have been home room mothers.
 One home room mother, Mrs. Clement, has moved away.
 At one time, the class had 58 members and for several days all were present. —Reporter.

Dinner Party Honors Visitor

A dinner party, honoring Corp Ira Thomas of Turner Field, Albany, Ga., was given at the home of Mrs. Finley Pierson last Friday evening.
 The dinner table was centered with three large tapers of red, white and blue, in bowls surrounded with bridal wreath.
 Mr. Thomas has only a few more months as a member of the 55th School Squadron before receiving his commission in the Air Corps.

Those present for the dinner were Clarence Thomas, Imogene Briscoe, Dayton Bearden, Frances Williams, Theresa Pierson and Ira Thomas.

WESLEYAN GUILD MEETS AT FELLOWSHIP HALL

The Wesleyan Guild met at the Fellowship Hall Monday evening with Mrs. R. N. Huckabee and daughter, Elizabeth, as hostesses. Mrs. Clyde Holt had charge of the devotional, and the lesson was on Hawaii, Malaya and Burma.

Plans for the Guild to serve the junior-senior banquet May 1 were discussed.
 Following a march around the maypole, refreshments were served to fifteen members and one visitor.

The next meeting will be May 11 at the home of Mrs. Delma McCarty.

The flag of the United States replaced the Lone Star banner over the Capitol of Austin, Feb. 16, 1846.

Local Happenings

O'Neil Rocky made a business trip to Oklahoma City Sunday.

Mr. and Mrs. R. L. Hobbs, Kathryn and Carolyn visited with Mr. Hobbs' brother, D. G. Hobbs, who is ill in a Littlefield hospital.

Mr. and Mrs. W. C. Vardeman and family of Loveland, spent Sunday in the home of Mr. and Mrs. Wayne Vardeman and family.

Mr. and Mrs. C. L. Lowry, and daughter of Shamrock, Tex., visited in the home of Mr. and Mrs. Tye Young the first of the week.

Francis Gilbreath, Woodrow Lambert and Walter Moeller left Sunday for Wichita Falls, Tex., where they will enlist in the U. S. Air Corps.

LOOKING BACKWARD

FIFTEEN YEARS AGO

(From files of April 29, 1927)
 At a meeting of the school board the first of the week, the teachers for the next year were elected. They are: John C. Jenkins, superintendent; Misses McQuiston, Grace Chapin, Amelia Spencer, Dovie Morris and Edgar Mae Mongole, and Mr. Russell Denison and Mrs. Jay Wyer. Mrs. D. E. Keeney will have charge of the music department.

A. A. Lockier and wife of down in the state, were here the first of the week visiting their daughter, Mrs. W. A. Mathis and other relatives.

O. D. Cope of Melrose, N. M., is the new barber in Walker's shop.

The 18-months-old baby of Mr. and Mrs. E. E. Hale of Baileyboro died Friday night of the measles.

Fred Nichols and Miss Dessie Young of Baileyboro were united in marriage Tuesday morning.

Born to Mr. and Mrs. Orval Fowler, April 24, a baby girl.

Ferrell Hill and Miss Lucille Shepard were married Tuesday night by Judge Kennedy. Mr. Hill is employed with the construction company putting in the waterworks.

TEN YEARS AGO

(From files of April 28, 1932)
 Hiram Bearden, farmer living about five miles northwest on Highway 7, suffered the loss of his barn, shed, two calves, 15 chickens and practically all his feed from fire Friday night.

The marriage of Miss Lavina Glenn to Owen Head, both of Muleshoe, took place Saturday night in the office of the county clerk at Clovis, N. M., Reverend Nix, pastor of the Clovis Baptist church, officiating.

Miss Jackie Ferguson and Olie Sterling, son of Sheriff H. Sterling, were married at Clovis, N. M., Saturday night.

Finley Pierson has returned to his home in Oklahoma City after a visit with Mr. and Mrs. I. W. Haney.

Clarence Goins and family spent Sunday in Amarillo. Clarence says it was a peculiar fact that after crossing the draw a few miles north of Muleshoe there was no wind and the same boundary of air disturbance was noted upon their return.

FIVE YEARS AGO

(From files of April 29, 1937)
 Martin Shutesworth, formerly of Sudan, has been elected superintendent of the Circleback school for the coming year.

Born to Mr. and Mrs. U. S.

Cooper of the Longview community, April 22, a baby girl who has been named Bessie Virginia.

Mr. and Mrs. Frank Snyder took their son, Charles, to Lubbock Sunday for medical treatment.

Mr. and Mrs. Jesse Osborn have as their guests this week, his parents, Mr. and Mrs. E. M. Osborn, and sister, Mrs. George Griffin, all of Hope, Ark.

Tom Johnson last Saturday purchased the Myers place of 289 acres, belonging to the Fairview Land & Cattle Co.

The head always starts swelling about the time the mind stops growing.

We Ask You To Aid ... in National Defense

THE NATIONAL EMERGENCY has clearly made it impossible for the electric appliance industry to manufacture enough new appliances to meet today's demand. Due to these unusual circumstances, appliances now in use must be reconditioned and repaired to increase and prolong their usefulness.

It is your job—in fact, the patriotic duty of all users of Electric Appliances to see that the "re-mobilization" of their Electric Appliances is carried out with utmost effectiveness.

We, therefore, recommend that all users of Electric Appliances give this thoughtful consideration. We further suggest that users get in touch with their local Electric Repairman and have him examine their appliances. If they need a little reconditioning, let him do it. In this way we release Labor and Material, in the factories, for materials of war.

Home Herb Garden May Be Wise Move

A home herb garden is a pleasant hobby in ordinary times but before the war is over one may become a wise and thrifty investment.

Pioneers grew their own seasonings, and modern homemakers can do it too, if necessary says Jennie Camp, extension service specialist in home production planning. This nation's pepper has been coming from Java, cinnamon from Ceylon, cloves from East Africa and Madagascar, and ginger from China or Jamaica or West Africa. Some of these sources are in enemy hands. And in wartime ships have more important cargoes than spices and herbs.

Seasoning is especially important in making low-cost dishes appealing, and while it has little food value, it helps give food "vitamin Z"—the psychological vitamin of human satisfaction, Miss Camp says.

Plant scientists of the USDA say a space 10 by 12 feet—or, at

most, 10 by 20 feet—will supply all the seasonings for an average size family. Their advice is to lay out the herb garden so the annuals are on one side and the perennials on the other. Then the second year when the garden is spaced for planting annuals, the perennials will be undisturbed.

Among the annuals are parsley, summer savory, and basil, which has a clove-like flavor. Perennials include sage, mint, thyme, chives and tarragon. "With just a few plants you will have a wide variety of seasonings for adding zest to everything from soup to dessert and from sandwiches to fruit beverages," the specialist says.

Information on growing herbs for the kitchen garden can be obtained from the extension service, A. and M. College, College Station, Texas, or from the U. S. Department of Agriculture in Washington, D. C.

"Give me a match, Bill."
"Here it is."
"Well, can you beat that? I've forgotten my cigarettes."
"Too bad. Give me back my match."

Texas is the 28th state to be admitted to the Union.

British dock workers are shown eating a lunch of American cheese sandwiches as they take time out from unloading boxes of similar cheese from a newly-arrived freighter. Cheese is a favorite food of British workmen. Huge quantities were imported from Denmark and other nearby dairy countries, but the English people depend on American farmers for both cheese and other milk products.

Church Bells To Call To Prayer

In response to the request of our government that all bells throughout America ring at 6 p. m. as a signal for prayer, this will be done at the Methodist church. We hope that at the ringing of the bell, all may pause in recognition of our dependence upon God, and that we may remember in prayer our own boys and the American armed forces wherever they may be around the world.

As a practical method for securing the answer to our prayer let us repent and turn from every evil way. Let the bells call us to prayer and to God. Then let every Christian patriot be found in his place at worship on the Sabbath day.

—R. N. Huckabee.

The last shot of the Civil War was shot in the Texas Lower Valley in May, 1865.

KERR COUNTY WILD TURKEYS ARE HEAVIER

Of 114 wild turkeys weighed in Kimble, Kerr, Gillespie and Mason counties during the last open season, those killed by hunters in Kerr county were the heavier. The average weight of 40 turkeys killed in that county was 12.3 pounds.

Other counties:
Mason — 21 turkeys averaged 11.71 pounds each.

Kimble — 29 turkeys, averaged 10.93 pounds each.
Gillespie — 24 turkeys averaged 10.91 pounds each.
The average weight of all the 114 turkeys was 11.46 pounds each.

By the Compromise of 1850, Texas accepted \$10,000,000 for its claim to all land north and west of the Trans-Pecos region and the Panhandle.

The Proof of the Pudding Is in the Eating!

Your children are your responsibility! Of course you want the best for them, like college, nice clothes, a good home they can be proud of... but good intentions are not enough!

They should be taught the value of properly cooked foods at an early age.

Boy Scout Circus To Be Held May 8 At Lubbock

First rehearsals for the fourth bi-annual Boy Scout Circus at Lubbock May 8, will be held this week and next. O. J. "Bo" Sexton general chairman announced this week. Marshall Harvey, program director, is in charge of the rehearsals.

Thursday (April 23) Lubbock will be the scene of the Tenderfoot and Eagle investiture rehearsal. All boys who have become Scouts or Cubs this year will be invested in the fourth act, Harvey said. Eagles, too, and already six have qualified, will receive badges, the highest award in Scouting. Thursday, the cowboy and Indian acts will rehearse at the American Legion Hall.

Next week rehearsals include rope spinning at football fields Saturday morning at Sudan and Littlefield, and whip-cracking events at Spur and Matador. The following Monday, the Cubs will rehearse at Junior High, Lubbock; pioneering at Dupre school, Lubbock, and blackout units at the Christian church, Lubbock.

Tickets are on sale now for this mammoth spectacle. They are 25c advance sale, 50c at the gate. Some boxes are 50 cents. Scouts and Cubs are selling tickets for commissions and prizes. Troops and Packs are urged to complete equipment for their events and begin unit rehearsals now.

Schedule for May 8 includes the 3 p. m. parade, 4 p. m. final dress rehearsal, 3 p. m. supper, and 8:30 p. m. circus. Troops will return to their home towns that evening.

The Texas public school permanent fund was established during the administration of Elisha M. Pease, 1853-1857.

Weight And Size Of Hill Country Deer Built Up

Controlled hunting that will prevent the killing of so many large bucks and maintenance of the food supply were advanced today as probably the main factors in building up the weight and size of white-tail deer in Gillespie, Kerr, Mason and other Hill Country counties, the executive secretary of the Game, Fish and Oyster Commission said this week.

That progress is being made in that direction was indicated in the quarterly report of the Director of Wildlife Restoration which indicated that the average dressed weight of a Hill Country deer during the 1941 hunting season was 79.44 pounds, compared to an average dressed weight of 73.55 pounds in 1938, or an increase of 5.89 pounds on the average since 1938.

These figures, it was pointed out, are based on statistics obtained from Game Department biologists, who, from the hunting season of 1938 through Dec. 20, 1941, had weighed 2,088 deer killed by hunters in all of the banner deer hunting counties in the Hill Country.

Gillespie county deer showed the highest average dressed weight increase — 6.82 pounds on the average for each deer Kerr county was second with 5.85 pounds, while in Mason county the average increase based on available statistics was shown to be 1.06 pounds.

The University of Texas was opened in 1883 at Austin, during the administration of Governor John Ireland.

Uncle Sam asks us to Hoard Coal Now

Coal is one thing the Government definitely wants us to hoard this spring and summer

● We are asked to buy coal now, if we are coal users, (1) to protect ourselves against a possible coal shortage next winter, and (2) to help make more freight cars available then for moving vital war material. Spreading coal shipments over a longer period than usual will do just that.

● Most folks wait until the last minute to order their winter's coal supply. Many millions of tons of coal must then be moved by rail in a very short time. Next winter's

war needs and the tire shortage will put the greatest load on the railroads in their history. War freight must move first, and those who wait too long to order their coal may not be able to get prompt delivery when they need it.

● So we repeat Uncle Sam's friendly warning to us all. If you use coal, get in your winter coal supply now, in the off season, when transportation is available. You'll help yourself and also help win this war.

AT YOUR SERVICE—subject always to war demands, Santa Fe is maintaining regular and efficient freight and passenger transportation vital to your community. Turn to your Santa Fe Agent for information about it.

Progress News

There were 102 present at Sunday school last Sunday. The revival meeting, conducted by Rev. Amends Bright and Thompson, of Amarillo, closed Sunday night. Mr. and Mrs. S. C. Beavers of Muleshoe attended church here last Sunday.

Mr. and Mrs. H. L. Lowry attended the singing convention at Farwell Sunday.

Mr. and Mrs. Monte King and sons visited Mrs. King's mother

at Canyon over the weekend. Mr. and Mrs. Casper Needham and sons have returned from California.

Mrs. Myrtle Walls visited her parents, Mr. and Mrs. C. L. Parker last weekend.

PROGRESS H. D. CLUB NEWS

The Progress Home Demonstration club met April 21 with Mrs. Carrie Wilhite.

Roll call was answered with "What I Owe My Child."

Mrs. John Thomson and Elzada McMahan were appointed by the chairman to go to the training school at council April 27.

Mrs. Manuel Self had charge of the program. "Living Together in the Family" was the subject. Mrs. Self, Evadna Holley, Mrs. Carrie Wilhite, Mrs. Roxie Lowry and Elzada McMahan were on the program and all members entered into the discussion.

The meeting time was changed to 3 p. m. wartime.

The next meeting will be with Mrs. Ross Goodwin May 5. The demonstration will be by Miss Gentry on "Preparation of Meat Cakes."

The following were present: Visitors: Mrs. C. M. Carr, Mrs. E. W. Gray and Mrs. H. E. Musson.

One new member: Mrs. Effie Whyte.

Members: Medames W. G. Kennedy, Roxie Lowry, C. J. Thomson, Fern Davis, Ross Goodwin, Marie Matby, Manuel Self, O. Q. Holley, Anna Mae Bearden, Lela Gulley, Miss Evadna Holley, Miss Daphnia Swift and Miss Elzada McMahan, and the hostess.

MRS. BEARDEN HOSTESS AT BREAKFAST SUNDAY

Mrs. Happy Bearden was hostess at a Sunday breakfast April 20, honoring Corp. Ira Thomas of Turner Field, Albany, Ga. Table decorations were spring flowers.

After the breakfast, an hour of kodaking was enjoyed before the group attended church services.

Guests were Frances Williams, Dayton Bearden, Theresa Pierson and Ira Thomas.

Regulations Given For Use Of Hall

At a recent meeting of the executive committee of the Methodist church, along with the members of the building and grounds committee, recognition was given to the purpose and plans for which the building was erected. The church feels that all educational, civic and worthwhile community gatherings are welcome to be held in the building at such a time and in such a manner as to not interfere with its use by the church.

As to the expenses incurred by the use of the building, there will be a nominal fee to care for same as follows:

Banquets: \$2.00.
Book reviews: \$1.00.
Teas: \$1.00.
Shows: \$1.00.

The church will care for such expenses for its own organizations and use by its congregation. In case hired help is needed, the church janitor should be used and paid at the rate of thirty cents an hour. The rooms, furnishings, dishes and cup towels are to be left in the condition and place where they were before their use. The janitor is custodian of the buildings and grounds and will guard the interests of the church.

The young people were granted permission to install and use certain recreational equipment in the church building. The church and school organizations are recognized as competent to judge concerning the appropriateness of all games and programs to be rendered; in case of any doubt, the church board of education may be consulted.

Arrangements to use Fellowship Hall may be made with Buford Butts, C. A. Bray or R. N. Edwards.

An engineer was oiling the locomotive when a farmer stepped up and began examining the machine. The engineer asked the farmer if he would like to buy it. "Well," replied the farmer, "I guess I can buy as much of it as you can sell."

Mrs. Lela Barron and Mrs. Minnie Solomon were visitors in the home of Mr. and Mrs. C. C. Lawler at Happy, Tex., over the weekend.

Here is the text of the pledge: "As a Victory Demonstration doing my best to help win the war, I will produce food, feed, and fiber to assure good health for myself, my family, and others. I will take good care of everything I use — food, clothes, furnishings, equipment, machinery buildings, livestock, and the soil as well as scarce articles, such as rubber and metals. I will buy carefully anything I must have and I will buy U. S. War stamps or bonds with all the money I can. I will work hard with my family and neighbors and help people to be cheerful, to have courage and to take part in all war activities."

Mrs. Dasher: "When we were in Egypt we visited the pyramids and some of the stones were literally covered with hieroglyphics."

Mrs. Gush: "I hope none of them got on you; some of these foreign insects are terrible."

Victory Pledge Proves Popular Over Texas

Requests for 153,500 Victory Demonstration pledge cards have already been filled by the A. and M. College Extension Service and 50,000 more are being printed to fill additional orders. This includes 3,500 printed in Spanish for Latin-American people pledging their cooperation to the war effort.

"The Victory Demonstration is a wartime program, encouraged by the extension service," according to Extension Director H. H. Williamson. "Texas made it for Texans. The Victory Demonstration has an appeal—a patriotic appeal, and while it was planned primarily for country people, I find urban people like it, too. It points the way for every red-blooded American who wants to help win the war on the home front."

Small red white and blue lapel buttons are being worn by several thousand Victory Demonstration in the state. Orders in the last month have aggregated 4,350.

Here is the text of the pledge: "As a Victory Demonstration doing my best to help win the war, I will produce food, feed, and fiber to assure good health for myself, my family, and others. I will take good care of everything I use — food, clothes, furnishings, equipment, machinery buildings, livestock, and the soil as well as scarce articles, such as rubber and metals.
