

Watson Club

The Watson Home Demonstration club met Wednesday afternoon, April 10, 1946, in the Jim Henderson home, with seven members and two visitors present.

The marketing committee are desiring information from the club members regarding the amount of pineapples each wishes to buy this spring. Mrs. Campbell, the council delegate, also dropped a hint that club ladies may be able to order sheets, gingham and other cotton materials through the local H. D. Extension Service in the near future.

Mrs. Simpson gave a most interesting report on the Texas Home Demonstration Association meeting held at Brownfield, a few days ago. Mrs. Simpson resigned as club president and in due order Mrs. Dane St. Clair was elected as the new president. Motion was made and seconded that the club adjourn. The club will meet April 24 with the agent in the home of Mrs. V.

Paul Hill. The lesson is to be on Interior Decoration and Controlling Household Pests.

Progress News

There were 99 present at Sunday school Sunday. Mr. and Mrs. John Rogers and family visited relatives in Turkey, Texas, Sunday.

M. O. Nigh visited his parents in Lockney, Texas, Sunday. Mr. and Mrs. J. M. Bellar attended a funeral of a friend at Sudan, Tuesday.

Mr. and Mrs. Fred Griffin and boys visited in the home of Johnnie Westbrook and Other Richards Sunday.

Mrs. J. J. Meason arrived home Monday to spend a few days. She plans to return to Oklahoma.

Singers from Progress community attended the singing at Muleshoe Sunday.

Mrs. Raymond Butler and daughter, Dona, visited with her mother, Mrs. Arthur Hill and family last Wednesday.

Mrs. Arthur Hill and two daughters spent Saturday night in Clovis with Mr. and Mrs. Raymond Butler and Dona.

WEST CAMP CLUB

Never skim on your curtain material, whether for bedroom or living room. Mrs. Wilson told the West Camp Home Demonstration Club, Wednesday, April 10th, which met in the home of Mrs. J. S. Williams. "And no matter what type of shade we may choose, be sure it is in good repair," Mrs. Wilson told the club. She also gave tips on colors, kind of curtain materials, etc.

Miss Kate Hill, district agent, and Mrs. Maltby from the Progress club, were visitors.

Refreshments were served to the two visitors and following members: Mesdames W. L. Key, W. W. Williams, W. W. Couch, M. A. Sander, Elmer Willingham, Nathe Harding, Jess Cummins and two new members, Mrs. Carl Willingham and Mrs. W. D. Winstead, and the hostess, Mrs. J. S. Williams. Next meeting will be April 24th in the home of Mrs. Elmer Willingham.

Mr. and Mrs. J. C. Cummins and Mrs. Claude Sooter of the West Camp community attended the funeral services of Jack Reynolds

last Thursday, held in Lubbock. Mr. Reynolds was a long-time friend of the Cummins and was a brother of Mrs. Everett Wallace who formerly lived and taught school at Fairview.

Overseas Service Now Offered WAC Enlisted Personnel

Overseas service is now being offered to enlisted personnel of the Women's Army Corps, the Public Relations Office of the Clovis Army Air Field announced today. Openings are available in the European theatre for 600 women in five specialist categories. This applies equally to WACs who reenter the service, who will be given the grade they held at the time of discharge, and to those still in uniform who volunteer to remain beyond their scheduled time of discharge. All applications for reentry must be filed in local U. S. Army recruiting stations by midnight, April 30. "The whole basis for the reentry and volunteer programs now being conducted by the Women's Army Corps is the need for skilled personnel," General Paul continued. In spite of the fact that there are some military installations where WACs are no longer needed, there is an acute demand in others for certain skills.

Actually wheat has never been a large item in the brewing process—only $\frac{8}{10,000}$ of the entire U. S. wheat crop was used in 1945.

In accordance with United States Government policy, the brewing industry has used no wheat whatever since March 1, 1946.

OTHER MATERIALS CUT 30%
The other grains used have been reduced by 30%—that is, to 70% of the 1945 amount.

Wheat alone can solve the problem of feeding the hungry. The grains to which the industry is now restricted, are of a variety and grade not normally consumed by the people of the world as food.

LESS BEER AND ALE
Altogether, the brewing industry is using 30%

less materials than in 1945. This results in a proportionately lower production. But since the current demand for beer and ale is about 25% greater than a year ago, the real shortage is nearer 50%.

Consequently, your dealer will not be able to supply you with all the beer and ale you would like. We know you will understand the reason for this.

Your attention is earnestly directed to the recommendations of President Truman's Famine Emergency Committee, which are summarized in the box below.

This statement tells in clear, simple terms what each of us individually can do to help during the emergency.

What the President's Famine Emergency Committee asks us all to do

1. Save and share wheat and fat products Go light on fat foods that take wheat, fats and oils—save breads, macaroni, cakes, cookies, pastries and deep-fried foods. Use drippings for pan-frying. Save salad oil—use salad dressings.
2. Buy and serve more plentiful foods Balance diets with the more plentiful foods, such as potatoes, fresh fruits and vegetables.
3. Waste NO food Dress up today's leftovers for tomorrow. Make every crust count with melba toast, crumb-toppings, bread puddings and stuffings. Take no more than you can eat. Clean your plate. Turn in unusable fat salvage promptly.

UNITED STATES BREWERS FOUNDATION

HOME CANNING IS JUST AS IMPORTANT AS DURING WAR

Home canning is just as necessary and just as important this summer as it was any summer during the war, according to Mrs. Laurette Wilson, county home demonstration agent of Bailey County.

Having known shortages of equipment in the past, many of you will be asking what supplies will be available. Mrs. Wilson has given the following report concerning supplies:

First, the prospect for canners is good. Aluminum is fairly plentiful and the enamelware industry is running well above the pre-war production. With these in good supply, it follows that you should have no trouble in getting pressure canner or waterbath canner.

As for jars and tops, the stocks on hand are greater than at any time during the war or before the war.

Rubber rings also will be plentiful, and they'll probably be better quality rings than during the war. Somewhat more natural rubber is being used in the rings at present.

Now about jars. Mrs. Wilson urges you to use glass jars for your home canning this year. The supply of tin for canning continues to be scarce, and the chances are you will be unable to get tin cans for your home canning.

Sugar supplies remain short, but you can use spare ration stamp No. 9 to get sugar for home canning any time between now and October 31. Only one additional stamp for home canning will be issued this year. But the prospect is that you will be able to get up to ten pounds of sugar for home canning for each person in your household. You can put up a lot of good fruit with that much sugar. Mrs. Wilson says.

With the need for food in the world so great, every home canner will want to put up her family's share in 1946. Mrs. Wilson concludes.

Local Students In McMurry Pageant

The McMurry College Chanters presented a Cantata, The Seven Last Words of Christ by DuBois at Radford Memorial auditorium, Wednesday, April 17. It was under the direction of Gypsy Ted Sullivan Wyle.

The Choir, consisting of 79 voices has already given the Cantata in Seymour, Albany, Matador and at the McMurry College campus.

Members of the choir from this locality are Helen Holt of Muleshoe, Roy Hart, Jean Hart, Willie Ellen Williams, and Pat Williams all of Bovina.

Helen is the daughter of Mr. and Mrs. H. C. Holt. They are going to Abilene to bring her home for the Easter holidays.

Music Lovers Club With Mrs. Butler

The Music Lovers Club met in the home of Mrs. Anita M. Butler, Monday, April 15.

During the business meeting Elizabeth Benson and Billie Margaret

Collins were appointed to be on the nominating committee for the next year of club work. There was a short program on which some of Mrs. Butler's pupils gave out with some of their musical knowledge.

Refreshments were served to the following members: Jackie Lawler, Elizabeth Benson, Waneen Beller, Billie Margaret Collins, Carolyn Dennis, Joy Snyder, JoAnn Chitwood, Rufus Aylesworth and the hostess, Mrs. Butler.

Former Residents Marry At Portales

Mrs. Myrtle Maxwell, of Muleshoe, reports the recent marriages of a son and a daughter, both at Portales, N. M.

R. L. Hicks, who completed high school here and has recently served five years in the army, was married April 12 to Miss Pearl Newsum, Portales, in a ceremony read at 9 p. m. at the Hatch Hatchery in Portales. Mrs. Maxwell and two of his sisters, Mrs. Jean Desmond, of California, and Mrs. Kitty Hatch of Portales.

Mrs. Kitty Hatch and Mr. Law-

rence Smith were united in marriage April 13, at 9:45 a. m. She is the owner of the Hatch Hatchery at Portales.

FUN NIGHT AT LONGVIEW

The Longview Home Demonstration Club had their fun night April 12th at the Longview school house.

Music was made by Mrs. Radsdale and Mrs. Smith of Baileyboro, Mr. Earl Dorsey and Mr. Buford Hunt of Longview, which was enjoyed by all.

Refreshments of pop corn and cookies were served to 75.

We plan on having some kind of get-together for the community once a month.

Bridge Luncheon Given By Mrs. Lenau

Mrs. Julian Lenau entertained Friday at one o'clock with a bridge luncheon in her home.

Var-colored spring flowers were used in decorating the living room and each table held a centerpiece of lovely tulips. A two-course luncheon was served before the beginning of play.

High score prizes were given at each table. Guests were Mesdames M. F. Green, A. E. Lewis, Noel Woodley, Buck Wood, Vance Waggoner, Blondie Ray, Forrest W. Jones, Howard Elliott, Homer Sanders, Jr., J. M. Forbes, Charles Lenau and Miss Aurelia Sanders.

Waller-Dorsey Wedding April 13

Mrs. Ruby M. Waller, daughter of Mr. and Mrs. C. E. King and Mr. Oran Dorsey, son of Mr. and Mrs. Tony Dorsey of Muleshoe, were united in marriage Saturday, April 13. The ceremony was conducted by Rev. A. W. Blaine at his home.

The couple was attended by Erald Anderson and Haskell Welch both of Muleshoe.

The bride wore a lovely pink suit with black accessories.

Mr. Dorsey has recently been discharged from the Army Air Corps where he served for 41 months. The bride has been employed at St. Clair's Variety Store, where she plans to continue her work.

The couple plan to make Muleshoe their home.

WINSOME CLASS MEETING

The Winsome Class of the Baptist Church met in regular session Friday night, the 5th of April.

Mrs. A. W. Blaine brought the devotional which was on Stewardship and enjoyed by all present. After which each vice president gave some of her duties and responsibilities and also her plans for the class during the next month. A

number of talks were made in appreciation of the work the class is doing, among them being one from Mrs. Dyer our Department Superintendent.

After our business had been attended to, Dorothy Barron had charge of the fellowship hour, then each drew a number which corresponded to a number on a gift, which the ladies had brought, and each one received a nice gift.

Mrs. Abbott, our hostess, served a lovely salad and drink to the following ladies: Mesdames Blaine, White, Wimberley, Hoyt Morgan, Dorothy Barron, Gene Cox, Jack Oberhaus, R. B. Dennis, Miss Elizabeth Bailey, Gene English, E. E. Dyer, and Lela Barron.

Our next meeting will be with Mrs. A. W. Blaine, with Dorothy Barron as assistant hostess, on the first Friday night in May.

We invite all ladies, married and through 35 years, to our class.

MULESHOE CLUB

"Windows," was the subject of Mrs. Wilson's demonstration when the Muleshoe H. D. Club met April 11th. Inside or outside, everyone sees your windows, so keep them clean and attractive.

Mrs. Ruth, the clothing demonstrator from A. and M., visited with us and gave a few style hints for the coming season, such as sloping shoulders, full push-up sleeves, wasp waists, bustles, and longer and slightly irregular hem lines.

Miss Ruth, Mrs. Wilson, two visitors and eight members enjoyed an Easter egg hunt in Mrs. Holt's yard during recreation period.

Refreshments were served.

Next meeting is with Mrs. D. R. Aylesworth. Sunshine friends will be revealed and new names drawn, so everyone come.

Longview Club

The Longview Home Demonstration Club met April 10th in the home of Mrs. Dudley Buzard.

The sand had several roads impassable so several members were unable to attend.

The afternoon was spent in getting material ready for scatter rugs and making plans for our fun nite.

Mrs. Ikey Bayless received hostess gift.

The next meeting will be with Mrs. Neil Cooper, April 23. Everyone is invited.

Delicious hot rolls, butter, jam and peaches were served to visitor Mrs. Ikey Bayless and members: Mesdames Lois White, Oletta Buzard, Berta Kitchens and the hostess, Mrs. Dudley Buzard.

STEGALL CLUB

The Home Demonstration Club met April 3rd in the home of Mrs. C. L. Taylor.

The president called the house to order. Roll call and minutes were read and approved.

Chair called for new business.

Mrs. Jack Lowe moved that each member pay 25¢ each and buy a pot flower for Joe Myers. Motion carried.

Mrs. J. G. Ann moved that we have a 42 party Friday night, April 19, at the school house and charge 50¢ per couple to make money for our club. Motion carried.

Mrs. Lowe gave a talk on "Save A Tailor Bill".

The first necessity in successful dry cleaning of clothes is a good spot remover. She told us how to make our own spot remover.

The hostess gave us a few minutes quiz.

Delicious refreshments were served.

Meeting adjourned to meet April 17 in the home of Mrs. J. G. Arn.

PROGRESS CLUB

When you have little time to read, the Progress Home Demonstration Club selected "The Readers Digest" as the favorite of the club members when it met in the home of Mrs. Cecil Sigman, Tuesday afternoon, April 16.

Since it was magazine day, the program was a round table discussion of favorite magazines and articles which were outstanding in the minds of their readers.

Mrs. Harold Mardis spoke on "Save a Tailor Bill" and gave many suggestions on cleaning and pressing at home.

A report of the T. H. D. A. district 2 meeting at Brownfield, April 9, was given by Mrs. G. T. Maltby, one of the county delegates, also Mrs. R. H. Brown, Mrs. Harold Mardis and Miss Elizabeth McMahan, who attended the meeting.

Miss McMahan read her essay, "My Post War Plans," which won first place and recognition at the district meeting.

Plans for their part in the buffet supper April 26th were discussed and partially completed.

Some time during May the club plans to have a pie supper. Watch for the date.

Mrs. Ross Goodwin, education-expansion chairman, and Mrs. G. T.

Maltby, recreation chairman, are leaders in a contest for new members and attendance which is on for three months. Winners are to be entertained by the losers at a theatre party.

Refreshing lemonade and doughnuts were served by the hostess, Mrs. Sigman, to the four guests, Mesdames R. C. Sheegog, Mable Hunkle, Lucille Gross and Hubert Gammons, and the fourteen members: Mesdames Gordon, Murrain, Manuel Self, George Wyle, C. M. Davis, Leola Gully, Joe Simbacher, Ross Goodwin, G. T. Maltby, Harold Mardis, R. H. Brown and Miss Elizabeth McMahan.

The next meeting with Mrs. Lela Gully will be May 7 at 2:30 p. m. Mrs. Laurette A. Wilson, home demonstration agent, will give a demonstration on the sewing center in the home.

INCREASED GRAIN PLANTING IS BEING URGED

Texas farmers are being urged to increase their planting of grains, especially corn and sorghums, in order to alleviate the critical feed shortage. Prospective acreage reports based on intentions to plant as of March 1, indicate that Texas farmers are falling far short of reaching acreage goals for these two crops, according to B. F. Vance, State PMA Director.

For sorghums the goal is 7,800,000 acres and indicated acreage is 7,045,000 acres, 90 per cent of the goal.

The Texas record for wheat and oats planting is much better. Vance declared, with 5,994,000 acres of wheat planted, 115 per cent of the acre goal. Oats acreage is 1,949,000 or slightly more than the goal.

With feed supplies short and with great amounts of wheat being exported to starvation areas, the demand for all grains will continue, Vance said. He called upon Texas farmers to go over their plans and

to increase production of grain this year if at all possible.

Letters From Our Readers

After reading the letter printed below, ye editor opened the door so he could throw out his chest: "Editor of The Muleshoe Journal, Muleshoe, Texas.

"Dear Sir: "Enclosed please find two dollars for which extend my subscription one year. I notice by the label it is quite a bit in arrears.

"I wish to compliment you upon the great improvement in your paper since you have been managing it. It is a credit to your town and your county. You certainly have some good help in order to get out such a fine sheet. Local weeklies up here are so short of help they could never compete with you.

"Thanking you for not stopping the paper, I am,

Yours truly,

Jease F. Hetrick "Farmer Jay"

"P. S.—I lived for six years at Ralls, Crosby County, Texas, going there in 1914, leaving there in 1920. At that time Bailey County was not on the map. I doubt if it had a town at that time. I may be mistaken."

SOCIAL SECURITY MAN TO BE HERE APRIL 25

John Palmer, Social Security Board representative, will be in Muleshoe at the U. S. Post Office at 9:00 a. m., Thursday, April 25, 1946. He is in Muleshoe one day each month for the purpose of answering any questions people may have on social security, discussing possible benefits and taking claims from persons who may be entitled to benefits, and of taking applications for Social Security account number cards.

NOTICE TO BIDDERS

Contract No. 146 Sealed proposals addressed to Julian Lenau, Mayor, of Muleshoe, Texas, will be received at the office of R. J. Klump, until 2:00 P. M. May 1, 1946, for furnishing of all necessary materials, machinery, equipment, superintendence, and labor for constructing certain water and sewer improvements for the city of Muleshoe, owner, of Muleshoe, Texas.

Bidders must submit Cashier's or Certified Check issued by a bank satisfactory to the owner, or a Bidder's Bond from a reliable Surety Company, payable without recourse to the order of Julian Lenau, Mayor, in an amount not less than five (5%) percent of the largest possible bid submitted as a guaranty that Bidder will enter into a contract and execute bond and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without required

check or Proposal Bond will not be considered.

The Successful Bidder must furnish performance bond on the attached form in the amount of 100 percent of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the OWNER.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "Unbalanced") unit prices will authorize the OWNER to reject any bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions. Attention is called to the fact that there must be paid on this project not less than the general prevailing rates of wages which have been established by the OWNER as the following:

Skilled labor \$1.00 to \$1.75 per hour.
Semi-Skilled Labor \$.75 to \$.85 per hour.

Unskilled Labor \$.75 per hour. Instructions to bidders, proposal forms, specifications, and plans are on file at the office of R. J. Klump, City Secretary at Muleshoe, Texas. Copies may be secured from H. N. Roberts & Associates, Consulting Engineers, 2415 20th St., Lubbock, Texas upon deposit of \$25.00 which deposit will be returned to the CONTRACTOR on submission of a bona fide bid on the work, with such Plans and Specifications; or upon returning the Plans and Specifications immediately after examination of same, and advising the ENGINEER that bid will not be submitted; otherwise, the deposit shall be forfeited.

CITY OF MULESHOE, TEXAS.

THE STATE OF TEXAS, County of Bailey. Before me, the undersigned authority, on this day personally appeared Helen Jones, County Treasurer of Bailey County, who being by me duly sworn, upon oath, says that the within and foregoing report is true and correct.

State Soils Chemist Discusses Bailey County Soil Problems

M. K. Thornton, Extension Agricultural chemist from Texas A & M College, spent the afternoon of April 11th with J. K. Adams, Bailey County Agricultural Agent, visiting dry land and irrigation farms in the county. Mr. Thornton is a strong advocate of phosphates for Bailey County soils. He is of the opinion that our grain sorghum stubble is using up nitrogen and phosphorus during the process of decay which takes place during Spring and Summer. Two hundred pounds of 6-12-0 fertilizer per acre of grain sorghum stubble applied in the early spring just prior to listing of stubble would aid in bringing about a balance of available soil nutrients for the following grain sorghum crop, says Mr. Thornton. The practice has not been tried in Bailey County as commercial fertilizers have been generally considered too expensive for use on dry land farms and rainfall is considered inadequate for fertilizers, but fertilizers are now considered low in price as compared to prices of grain sorghum and a 200 pound application per acre applied early in the spring could easily prove a profitable practice for Bailey County grain sorghum farmers. Mr. Thornton inaugurated the practice of applying superphosphate to alfalfa in Bailey County many years ago when fertilizing of our

rich Bailey County soil was unthinkable. Today phosphates for alfalfa is considered a must by all producers of alfalfa. W. T. "Bill" Miller was highly commended for his practice of applying superphosphate to clover, plowing under clover and adding nitrate in order to obtain higher yields of Irish potatoes at a period when high yields of all foods were needed to prevent starvation all over the world. Early county farmers will do well to know that a demonstration is being planned to apply phosphate to our alfalfa in the form of phosphoric acid. The liquid form is over four times as powerful a source of phosphorus as our present form of 20% superphosphate. The county agent plans to obtain a 50-gallon drum of acid and pour it on an irrigation ditch and allow the liquid to flow into the ditch of irrigation water at a controlled rate of speed so that one drum will fertilize approximately five acres of alfalfa. Sounds easy. Let's hope our commercial fertilizer concerns will soon be shipping us barrels of phosphoric acid at reasonable prices.

"Okay, just so the engine's OIL-PLATED!"

"This one is . . . and you're 101% right," the car salesman agrees. He goes on to explain, "We want this car to show you real engine endurance—which means the least carbon, sludge, and upkeep you can have. That's goodwill for us. And all it takes to keep your engine's insides OIL-PLATED is Conoco Nth motor oil. . . . Say, this time you're figuring to treat your new car right! . . ."

Many of the oldest cars, too, are being kept in the running by having their engines OIL-PLATED. This internal wear-fighter—OIL-PLATING—is created by magnet-like action. That comes from Conoco Nth oil's added ingredient—surfacing your engine's insides with durable OIL-PLATING. There's your barrier against lots of wear. You can have it in any car—any model or year—by driving around to Your Conoco Mileage Merchant's station. You'll get your correct Spring grade of Conoco Nth oil—and an OIL-PLATED engine. Mostly Static --

By Berry
Howdy, folks! It's great to wake up these spring mornings and hear the leaves whispering outside your window.

We never could stand to hear the grass moan, though.

Spring, that's the time of year when a young man's thoughts turn to something fancy.

It's also the time of year when the girls begin to think about shorter skirts.

Short skirts are a big advantage to the girls, though. They help them to get up stairs.

Speaking of girls' clothes, we read that high heels were invented by a girl who was kissed on the forehead.

Be that as it may, we are sure that we can make you a satisfied customer with our Admiral line of appliances. Give us a chance to prove it.
