Some Leaders in the War That Set the Rising Sun of Japan and Made This Glorious Peace Possible

FRANKLIN D. ROOSEVELT

As peace comes again to the world the people of Bailey County think first of their loved ones in the service, now feeling that soon these men and women, scattered about the globe in all theaters of war, will soon be home and turned once more to their normal pursuits.

And many are giving thought to conditions which the service man will find when he returns from war—and are hoping to be of service

PRESIDENT TRUMAN

in helping them to pick up their lives where they left off to go and defend their country.

But mostly, just now, people are not worrying too much about the future. The fact of peace has made them happy and they'll cross the reconversion bridge when they come to it.

An early and safe return home is now the immediate expectation of all who have been in the service for a length of time.

GENERAL MARSHALL

However, the draft is not ended, and the need for a large number of men has not stopped with the advent of peace. Men 26 or over will not be drafted, but there will continue to be calls for those of younger ages.

New men will be trained to take the places of men who have been in the service a long time. Washington authorities expect the discharge of some 7 million men in the next 12 months, or as fast as they

GENERAL MACARTHUR

can be brought home. New men are needed to replace them in Germany and Japan.

Many a soul was made happy by the lifting of the gasoline ration—but most people still can't go anywhere, for they have no tires. Yet, even the tire situation is expected to ease very soon. Auto manufacturers are free to make all the cars they please, and perhaps a new car to replace our five or six year old jalopies isn't too far away in the

GENERAL STILLWELL

future.

Muleshoe people staged an impromptu celebration as the peace announcement came Tuesday evening. Cars paraded and honked the whistles blew, and many rode about on the fire truck. Federal employees here observed two days holiday—as instructed by President Truman—but Muleshoe business people were back at the same old stand after a holiday Wednesday.

GENERAL KRUEGER

President Truman has designated next Sunday, August 19, as a day of prayer to God to support and guide us into the paths of peace.

He said: "I also call upon my countrymen to dedicate this day of prayer to the memory of those who have given their lives to make possible our victory."

Gordon Thurman, Miss Bradley Wed

Gordon Thurman of Muleshoe and Miss Mary Jane Bradley, Amherst, were married Tuesday night at Clovis in a double ring ceremony.

Gordon is the son of Mr. and Mrs. T. Thurman of Pleasant Valley community and graduated from Muleshoe high school.

Mrs. Thurman is a graduate of Amherst high school where her parents live.

Those attending the wedding were Mrs. L. D. Chitwood, sister of the groom, Jack Young, Jess Winn, Effie Jean Powers, Tommie Lou Turner of Muleshoe and Miss Doris Vaughn of Amherst.

Gordon is to report for duty August 21 and the bride will make her home at Amherst with her parents. Gordon is serving in the Merchant Marine.

Claude Warriner Rites Conducted

Claude Warriner, 49 year old resident of the Lazbuddy community, died Monday night at 8:15 o'clock.

Funeral services were held at 4 o'clock Tuesday afternoon in the Lazbuddy church, with Rev. Leroy Thompson officiating.

Interment was in Muleshoe cemetery, under direction of Steed Funeral Home.

Mr. Warriner is survived by his mother, Mrs. Ellen Warriner, Muleshoe; two brothers, Robert and Bill Warriner, Muleshoe; and four sisters, Mrs. Bernice Amerson, Mrs. Lorene Wilson, and Mrs. Juanita Jarman, Muleshoe; and Mrs. Christine Conner, of Shamrock.

Mr. and Mrs. L. W. Proctor of Berger spent the week end here with Mr. and Mrs. Howard Elliott.

Mrs. W. E. Remrow and children, Billy, Loyce, and Betty, Lou of Pease came in Monday for a visit here with friends.

Mayor Brown Back

Mayor R. L. Brown returned to Muleshoe Tuesday after an absence of several weeks because of illness.

He first was treated at the Plainview Sanitarium then went to Dallas where he underwent treatment. Recently he has been at the home of a brother at Lavon, near Dallas.

He told friends here he was going on to New Mexico to spend a time resting.

Over An Inch Rain Fell Here Tuesday

Muleshoe received another nice shower Tuesday night, the rainfall here measuring 1.07 inches, according to R. L. Klump, official weather recorder.

Indications are that the fall covered quite a scope of territory, and many places in the county were reported to have received a heavier precipitation than Muleshoe.

Harry Wilterding Died Sunday

Harry E. Wilterding, 59, pioneer resident of Bailey County, died at his home in Y. L. community Sunday at 3:50 p. m. Funeral services were conducted Tuesday afternoon at Y. L. and interment was in Muleshoe cemetery.

Rev. M. D. King, a neighbor of Mr. Wilterding officiated in funeral services, held in the school house. Pallbearers were Frank Lee, Noah Kinzer, George Harris, Byron Griffiths, Harry Huyck, and Sylvan Robison.

Mr. Wilterding came here in 1908 from Nebraska, and had lived in the Y. L. community since. He was a carpenter by trade and worked at the trade here, sometimes being employed at the E. R. Hart Company.

Mr. Wilterding is survived by his wife; three sons, Elmer Wilterding, in the armed forces; Jack A. Wilterding, Muleshoe; and Jim Wilterding, Muleshoe; two daughters, Mrs. Alice Bland and Mrs. Evelyn Harmon, of House, N. M.

Other survivors include his brothers, W. M. Wilterding of Muleshoe and Ashton Wilterding of Ontario, Calif.; three sisters, Mrs. F. A. Egger, Roca, Neb., Mrs. Lucy Hoppe of Sprague, Neb., and Miss Dottie Wilterding of Muleshoe; and six grandchildren.

Birthday Party At Clements Home

The home of Mrs. W. H. Clements was the scene Friday night, August 10 of a lawn party given in honor of Dorothy Ray Jones on her birthday.

The guests enjoyed fried chicken and biscuits and home made ice cream. A lovely gift was presented to the honoree.

Attending were Dorothy Ray Jones, Hattie Ray Jones, Bettye Oliver, Lily B. Nickels, Florene Mayhugh, Doris Tipton, Jane Bates, Marie Spence, Juanita Kirk, Norma Lee Jones, Madge Clements Fred Clements, and Evelyn Nickels.

Revival Planned At Longview

DR. JOHNSON

The Reverend Dr. Roy L. Johnson will be with the Longview Baptist Church for a revival meeting August 19 to 28, according to Rev. Gerald Moore, pastor.

Dr. Johnson is pastor of the First Baptist Church of Canyon, and is recording secretary of the Texas Baptist Convention. He is one of the best speakers and Bible scholars in the state. Everyone is invited to hear him.

Music for the meeting will be under the direction of the pastor.

October Can't Be Counted Growing Month, Data Shows

Bailey County farmers who are overly optimistic in planning on their crops maturing this year will do well to consider the record of temperature readings for the month of October in Muleshoe, says J. K. Adams, county agricultural agent.

The record reveals that the coldest recordings since converting with 1929 are as follows: 30, 20, 28, 26, 27, 33, 29, 29, 30, 29, 22, and 26 degrees.

Obviously, farmers cannot count the entire month of October as a growing season. Crops of grain sorghums planted late this season may reach the medium dough stage just before the recurrence of the above listed temperature readings.

The county agricultural agent suggests that much more feeding value could be derived from such a crop by converting it to bundle feed or making a silage crop before freezing temperatures have had the chance to kill the crop and cause the grain to shrivel and the stalks to lodge.

Mr. and Mrs. Mat Dudley and daughter, Opal Pearson and Imogene Dudley, and Andy Doyle were in Carlsbad, N. M., last week end for a trip through the Caverns.

Mrs. Earl Hicks and children of Plainview spent the week end in the home of Mrs. I. E. Tipton and other friends.

MAPLE NEWS

The Baptist Revival began Friday night. Rev. Louis Self is doing the preaching. Everyone is invited to attend.

Mr. and Mrs. Leroy Ledford were guests Sunday of Mr. and Mrs. J. J. Brockman.

A nice shower fell here Saturday afternoon.

The bean canners canned 99 quarts of beans at the canning center in Muleshoe Wednesday. Mr. and Mrs. Baker Johnson of Goodland, Mrs. Bill Eubanks, Mrs. Ollie Youngblood and Mrs. E. B. Fleming of Maple spent the night at the center, the last beans being removed from the cookers Thursday morning at 6:45 o'clock.

C. J. Kirkpatrick, Buddy Medlin, and L. H. Medlin of Buia are in California.

John Tyson and sons were in Muleshoe Monday of last week.

Mr. and Mrs. H. C. Penney were shopping in Morton Saturday.

Rev. E. R. McGregor, Mr. and Mrs. P. L. Fort, and Mrs. G. R. Fort visited Mr. and Mrs. H. W. Garvin Sunday.

Buddy and Syble Kennington, Bonnie Garvin and Doris Fort visited in the Lee home Sunday.

Mr. and Mrs. F. F. Warton and children were in Morton Saturday.

Mrs. E. R. McGregor and children are visiting her parents in Lamesa.

QUICKIE QUIZ

In 1905 a routine horse named Dan Patch set a mile in 1:53 1/2, setting a new world's record. Experts predicted then that the time would come when a harness race could bring that figure down around 1:50. But to the chagrin of the forecasters, Dan Patch's record stood for 33 years.

Walter Kinsella, star of Mutual laugh show, "Leave It To Me," now the name of the show, finally broke this routine record and set his own at 1:50 1/2. Are you that well up on horse racing?

Cash on the Clothesline

OKINAWA (Delayed) — On Okinawa, they hang their money out to dry, according to Technical Sgt. Stanford Opatovsky, Marine Corps combat correspondent.

This latest note on the value of money came just after a Marine ambulance driver was paid. Hearing a rum to a ship in the harbor, he was soaked when a wave broke over his vehicle.

Returning to his bivouac area, he planned to use a line with clothespins, left it to dry, and went about his business.

Afraid someone would steal it?

"No," he said. "The money wouldn't do 'em any good out here." But, he added, "somebody might swipe my clothespins—that's what bothers me."

FOR CAR PERFORMANCE

At its Best!

change to CHAMPLIN HI-V-I MOTOR OIL

For best performance, your car needs a HIGH VISCOSITY INDEX oil. For only a HIGH VISCOSITY INDEX oil is thin enough to penetrate in between close-fitting, moving parts, yet TOUGH enough to stand up and not break down under terrific temperatures, high speeds and pressures.

And Champlin HI-V-I is so clear, so pure, so free from carbon, tar, and gum, it washes away sludge and other power-robbing formations. This helps prevent stuck valves and pistons... reduces blow-by... restores compression. Naturally, oil consumption definitely is reduced.

So for car performance at its best, make sure the next oil you buy is a HIGH VISCOSITY INDEX oil. Specify Champlin HI-V-I. Now available from friendly Champlin service stations and dealers.

Meat Stretching Method Explained

How good are you at stretching? No... I don't mean your daily dozens. It's the flavor of meat we are most interested in stretching these days. Miss Grace L. Patterson county home demonstration agent of Bailey County, says a homemaker can get appetite appeal aplenty in her meals with only a little bit of meat.

"For example," says Miss Patterson, "She can serve meat stew or pie." Now we don't know what chef first hit on the plan of cooking meat with vegetables, but who ever she was, she's one of the unsung heroines of our wartime cookery. Because potatoes, carrots, par-

snips, turnips, green beans—fact almost any vegetable you can name—go well in meat pies and stews. Their flavors blend with the flavor of meat to make delicious dishes—dishes that stretch the meat.

Miss Patterson says that by making a cover for our stews, we can stretch the servings of meat even further. A pastry top not only stretches the flavor, it adds a nice body to the stew—a crusty mouthful that's quite pleasing. But we aren't limited to pastry for a meat stew cover either. A layer of mashed potatoes, rounds of biscuit dough, or corn meal dumplings can be used successfully on top of a deep dish of stew. Of course, the crust is browned in the oven just before serving.

In fact, cereal products of all kinds offer another way to stretch

All Canning Sugar Issued by Aug. 31

Issuance of canning sugar for home canning will stop August 31, Chairman E. W. Johnson of the local War Price and Rationing Board announces. Original plans were to continue issuance through October, but the local Board has been advised to issue the entire allotment for 1945 by the end of August so that the home canning sugar program can be completed, he stated.

"This simply means that issuance will be speeded up and what we have for canning purposes will be issued by the end of this month," he

said. Most of the applicants in this county received only five pounds per person after the drastic cut in sugar rations was announced early in the summer. Applicants will NOT have to sign a new application as their second allotment will be issued on their original application.

Board of Supervisors: B. H. Black, W. R. Carter, R. Q. M. Beasley, Paul M. Carmickle, and Virgil Nowell.

"Because an irrigated pasture and alfalfa can be expected to last several years, careful attention to proper leveling and installation of the irrigation system is well justified," says W. B. McAdams, near Muleshoe.

The technicians of the Soil Conservation Service, cooperating with the Blackwater Valley Soil Conservation District, have assisted Mr. McAdams in planning and in laying out an improved system of irrigation on his farm.

AMERICAN HEROES

by WOODY COWAN

DISREGARDING his own safety when a Merchant Marine vessel struck an enemy mine in a heavy sea which broke the ship in half, Third Assistant Engineer Francis C. Rack carried his Chief on deck after all usable lifeboats had shoved off. Seeing an empty boat adrift, Rack dove into the sea and swam to it. He managed to prop it to the sinking ship and transferred the Chief Engineer. Rack was awarded a distinguished service medal. When seamen show such courage in using equipment that War Bonds helped to provide, Americans know that their investment in Bonds never can be big enough.

U. S. Treasury Department

In September of 1943, McAdams selected approximately 8 acres to a mixture of alfalfa, bromo grass and crested wheat grass. After the plants became established, approximately 30 hogs, 45 sheep, 2 cows, 2 horses, and a small flock of hens have been grazed on the 8 acre plot. "It would easily carry 100 sheep and 50 hogs," says McAdams weeks.

LIFE'S Little TROUBLES

-CAN'T SLEEP-

No need to lie in bed—worry and fret because CONSTIPATION or GAS PRES-SURE won't let you sleep. Be sensible—get up—take a dash of ADLER-I-KA to relieve the pressure of large intestines on nerves and organs of the digestive tract. Adlerika assists old food wastes and gas through a comfortable bowel movement so that bowels return to normal size and the discomforts of pressure stop. Before you know it, you are asleep. Morning finds you feeling clean—refreshed and ready for a good day's work or fun. Caution, use only as directed. Adlerika from your druggist today.

NEW CARS?

Not Yet —

NOT SOON!

KEEP YOUR OLD CAR FIT
TILL NEW CARS GET HERE —

Reconversion is a slow process . . . materials for new cars are still scarce . . . and the first new cars will be rationed to essential users. So, don't count on getting a new car for months, even for a year or more to come. And, in the meantime don't let your old car go to pieces.

Regular lubrication, adjustment - tune up and inspection will be needed if it is to last out the remainder of "the duration."

**Uncle Sam Pins Orchids
On Local Women For
Saving Used Fats!**

Things have really been happening to fat-salvage-collection figures since town and farm women got busy on the job. Latest official government records show that their fat savings have left the excellent record of city women way behind.

But it isn't a drop too much. This year, we face a shortage of 1 billion, 500 million pounds of fats in domestic supplies. Tons more of war and home-front supplies made from fats are needed!

Farm folks get more meat these days than most city people—so it's up to them to save the fats. Skim steers, soups, gravies, Scraps, pans. Melt down meat trimmings. It all helps you fill the fat-salvage can, and you get up to 4¢ and 2 red points a pound. If you have any difficulty, call your Home Demonstration or County Agent. Approved by WPA and U.P.A. Paid for by Industry.

CARD OF THANKS

We wish to thank each and every one from the depths of our hearts for the many kind deeds and expressions of sympathy extended to us during the illness and death of our loved one and for the beautiful floral offering. May God's richest blessings rest on you all.

Mrs. Harry Wilterding, Elmer, Jack and Jimmy.

**Cozy in winter...cool in summer...
no drafts...no dust? Let's have that
NEW QUALITY OF LIVING!**

"No more shivering in our new home!" Jim Wayne announced, looking up from his house plans. "Just listen... In winter, the air will be heated and moistened just right. And we'll have a new QUALITY OF LIVING all year..."

"No more sweating!" In summer, the stifling humidity will be sucked right out of the air... "Sounds like a miracle," said Harriet. "It is!" said Jim. "It's the Servel All-Year Gas Air Conditioner... Just imagine, honey..."

"No more drafts!" There'll be live air circulating all the time! Windows will stay closed. The house'll be quieter, we'll sleep better, because street noises will stay outside—with Servel All-Year Gas Air Conditioning. More than that, sweet...

"No more all-day cleaning for you!" because every breath of air will be freed of dust! Even the pollen will be taken out, so you'll have nary a sneeze. "Hay Fever Harriet!" Harriet gaped. "Oh! That will be a NEW QUALITY OF LIVING!"

"Just a flick of your finger will deliver perfect climate—on cold days, hot days, on in-between days of spring and fall," said Jim. "There'll be clean, live air and just-right temperature in every room of our new house, all year. And one simple unit—the Servel All-Year Gas Air Conditioner—will do it all!" "Oh, Jim," exclaimed Harriet, diving for the house plans. "That NEW QUALITY OF LIVING is a must for this family!"

Jim and Harriet are planning now to make sure their post-war home gives them this NEW QUALITY OF LIVING. And you can, too. With the Servel All-Year Gas Air Conditioner, you'll enjoy not only heating and cooling, but also humidification and dehumidification, circulating and cleaning. Come in and let us tell you more about it.

Hundreds of families put this unit in just before the war. And after four years they say, "We wouldn't be without it. It's wonderful!" So plan on Servel All-Year Gas Air Conditioning when you build, buy or remodel after the war. And meanwhile, keep saving in War Bonds and Stamps.

BALLAD IN BLACK

Styler for romance is Ann Wilder's cool, classic black crepe evening gown. The midriff is embroidered in multicolored sequins and laced for figure-flattery. Ann, of Mutual's "Agatha Christie's Poirot," selected the suavely cut gown, a Miss America original, for the silhouette magic in its hip-draped, ankle-ait skirt and daring open-to-the-midriff neckline.

IT may be some time before you can get a NEW CAR.

It's true that some new cars may be made this year. But it will be some time before every one who wants a new car can get one. So you will be doing yourself a good turn if you keep your car and truck in a good shape for what may be thousands of miles of additional service.

We are interested in helping to keep your car or truck in the best of condition. So why not come by and make an appointment for a complete checkup.
