THURSDAY, FEBRUARY 7, 1946 TWENTY-FOURTH YEAR, NO. 6

REA Meeting In Muleshoe Feb. 13

Bud Holdeman In Sheriff, Tax Assessor Race

C. H. (Bud) Holdeman, who recently received his honorable discharge from the Navy, has authorized The Journal to announce that he is a candidate for the office of Bailey County sheriff, tax assessor and collector, subject to the action of the Democratic primary in July.

Mr. Holdeman made the following statement to the voters of the county:

"Well, folks, I am not much for formal speeches, so I will get to the point and say that I am a candidate for Sheriff, Tax Assessor and Collector of Bailey County.

"As for my past life, I was born in 1911, and came to Muleshoe some ten years ago, and as most of you know, I have worked as a blacksmith and machinist until the war broke out. In May, 1944, I enlisted in the Navy. My Navy life was not anything to brag about; there were thousands of other boys who did as much or more than I did toward winning the war. I was in the service 19 months, 16 of which I served aboard the U. S. S. Gilmer.

"To my friends I want to say that since returning from service I see a lot of folks that I don't know and a lot of you that I don't know and I will appreciate it, as my financial standing will only afford a limited amount of campaigning, and as I may not make it around to see all the voters, I will appreciate anything that you can say or do for me.

"I am afraid that I will turn out to be the world's worst campaigner, so just in case I should come up and say to you, 'Hey, Joe, how about giving me a growl on the election' this will be my way of saying, 'Mister, I sure would appreciate your vote and influence in this election.' For after all it is Old Bud Holdeman that I am running for sheriff and there isn't any use in my trying to make you folks believe that I am a Mr. Big Shot.

"This is purely a Bud Holdeman for sheriff, which means that the formal speeches are out.

"I am not going to make any promises, other than that I will, if elected, each case no matter how small, will receive my careful attention if brought to my knowledge.

"In my business dealings with the public in Bailey County I have dealt mostly with the men, but along with these men I invite their wives, and also the service men and women, and all other voters of Bailey County to help me in this race for sheriff."

C. H. (Bud) HOLDEMAN.

BASKETBALL GAMES HERE
Muleshoe high school A and B boys' teams will play Citron teams here next Tuesday night. The girls' team also will play Three Way girls. Monday night the Littlefield girls defeated Muleshoe girls 23 to 17. Muleshoe A boys won 21 to 17 from Littlefield A team and the Muleshoe B boys defeated Littlefield B team 18 to 10.

"A THOUSAND AND ONE NIGHTS"

Tues., Wed., Feb. 12, 13
Al Pearce — Dale Evans
"WATCHDOG TO HAPPINESS"

B. W. Chesser of the Applications and Loan Division of the Rural Electrification Administration, and G. W. Haggard, manager of the Texas Power Reserve, will be guest speakers at the annual meeting of members of the Bailey County Electric Cooperative Association, which will be held at the Valley Theatre in Muleshoe, Texas, on Friday, Feb. 13th. This meeting was to have been held January 18th, but due to snow and bad weather a quorum was not obtained, therefore this meeting is necessary.

The purpose of the meeting is to elect seven directors to serve the Cooperative for the year ending January 18, 1947, the presentation of reports of officers, directors and manager of the Cooperative, and any other business which may come before the meeting.

In connection with the election of directors, the nominating committee met at the office of the cooperative on January 5th, 1946, at which time the following were nominated pursuant to the by-laws of the Cooperative:

H. B. Abbe, W. W. Branam, Mrs. M. A. Snider, H. E. Schuster, Walter R. Damon, V. C. Weaver, and O. M. Jennings.

Other nominations may be made at the meeting.

There will be an interesting program after which refreshments will be served. It is hoped that every member of the cooperative will feel it his responsibility to be present at this meeting.

Needmore Plans Soil Conservation

Farmers of the Needmore vicinity will meet with W. R. Carter, supervisor of the Blackwater Valley Soil Conservation district, at the Goforth-Shafer Garage at 7:45 p. m., Tuesday, Feb. 12 to plan group action in developing a conservation program on their farms. Fifteen farmers of that vicinity have made application to the soil conservation district in preventing wind and water erosion on their farms.

Technicians of the Soil Conservation Service, cooperating with the district, have made soil surveys and contour maps on many of these farms. N. S. Abbott, conservationist for SCSS, will present these maps to the farmers for their assistance in planning the program.

These farmers have two problems in common—wind and water erosion, said Abbott. In addition, some of the farmers plan to develop irrigation systems. Some phases of irrigation will be discussed.

\$560 Raised In Paralysis Drive

Bailey County people gave about \$560 in the drive to raise funds for the fight on infantile paralysis, according to a preliminary summary made Tuesday by R. L. Brown, county director.

The annual birthday ball brought \$187.50 after expenses were paid and a fund night held at the high school gym in Muleshoe raised \$155.00.

One-half of the funds raised in the county go to the national chapter and the other remains here to meet emergencies should an infantile paralysis outbreak occur.

Mr. Brown listed contributions as follows:

Dance	\$187.50
Fun Night	155.00
Misc. Contributions	59.13
Progress Women's Club	10.18
G. H. Daveport	5.00
E. N. Dorey	2.00
Cash	18.00
Progress 42 party	27.43
Longview School	70
Muleshoe Schools	60.00
West Camp	5.90

MULESHOE SOLDIER DECORATED—The Soldiers Medal is being presented to Technician Fifth Grade J. J. McDonald, 20, route 1, Muleshoe, by Brig. Gen. Fremont B. Hodson, commanding general of the Okinawa Base command, in the picture above.

Dr. Marion F. Green Joins Staff Of Green Hospital & Clinic Here

Judge Russell Has Announced For Reelection

Judge C. D. Russell, Plainview, has authorized The Journal to announce that he is a candidate for reelection as judge of the 64th Judicial District.

Judge Russell issued the following statement to the voters of the district:

"To the people of this, the 64th Judicial District:

"You have heretofore elected me as your District Judge. For this I am sincerely grateful, and have to the best of my ability, endeavored to make an efficient and impartial public servant.

I feel that with the experience I now have I am better qualified for the office, and relying upon your approval of my service and the manner in which I have discharged the duties required of me, I now ask you to elect me to another term.

C. D. RUSSELL.

Eleven Inches Of Snow In January

Eleven inches of snow fell during January in Muleshoe, according to a summary of the month's weather released this week by R. J. Klump, local weather recorder. Moisture for the month amounted to 1.18 inches.

Coldest weather was January 15, when zero degrees was registered, and the highest temperature was recorded on January 3, 71 degrees.

There were 14 clear days, 12 were partly cloudy and 5 were partly cloudy.

Dr. Marion F. Green has arrived to join his brother, Dr. L. T. Green, in the practice of medicine here and in the operation of the Green Hospital and Clinic.

He recently received his release from the Army Medical Corps, retiring with the rank of Lieut. Colonel. He and his family, consisting of his wife and their three children, the youngest four months old, already are at home in Muleshoe.

Dr. Marion Green was born in Monahoe county, Texas. He received his B. A. degree at Texas Tech in 1928, his Master of Science degree at the University of Chicago, and the M. D. degree at Rush Medical College, University of Chicago.

For five years, he then taught in the medical school of the University of Arkansas. His internship was served in Little Rock General Hospital, and in St. Luke's Hospital, Denver, Colo.

He has had eight years service in the regular Army, the last 15 months in Hawaii. He resigned his Army commission last October.

Both doctor brothers are surgeons as well as medical doctors. Both will be on duty at the hospital. A new home for the two families recently has been built near the hospital, and space in the hospital formerly used as living quarters will be turned into offices and consulting rooms. Two registered nurses are now on duty besides the office staff.

Cpl. Pearson Is Back In States

PEARL HARBOR—Cpl. Burnice Pearson, husband of Lois Pearson of Muleshoe, is one of 1,075 Army veterans returning to the States for discharge aboard the U. S. S. Santee, an escort carrier of the "Magic Carpet" fleet. The Santee left Saipan January 19 and was scheduled to arrive in San Pedro about Feb. 3.

Cpl. Pearson is the son of Mr. and Mrs. John Benson.

BOX SUPPER, FEB. 15

The Muleshoe Rebekah Lodge has planned an old fashioned box supper.

The date, February 15th. The place, High School Auditorium.

The time, 8:00 p. m.

All the neighboring Rebekahs and Odd Fellows have a very special invitation. We have a good program planned. There will be singing and talks by everyone who will participate.

A good Tole act is also in the program. We have a good auctioneer to auction off the boxes.

All you Odd Fellows and Rebekahs you girls and ladies old enough to eat with the man of your dreams, come and bring your box. Everyone is guaranteed an enjoyable evening.

Supt. Cox Resigns Effective July 1

Ray Operating Phillips 66 Service Station

O. D. "Blondie" Ray is now operating the Phillips 66 service station, located at the crossroads, in the building owned by Holt Oil Company, Phillips dealers here. The station formerly was operated by Robert Freure.

The business will now be known as the Blondie Ray Service Station, and will handle Phillips gasoline and oils, as well as other well known brands of oil, including Amalite and Champlin.

The station fixes flats and besides has a nice line of automobile accessories, including Phillips batteries, Fisk and Lee tires and tubes, Frams, fan belts, etc.

Mr. Ray, who returned to civilian life a few months ago after long service in the Army, had operated the Conoco station on the Clovis highway until selling it last week to Carol Goss, Sr.

LaFont In Race For Reelection As Dist. Attorney

Harold M. LaFont today made his announcement for reelection as the office of District Attorney for the 64th Judicial District of Texas. In making his announcement for reelection, Mr. LaFont stated:

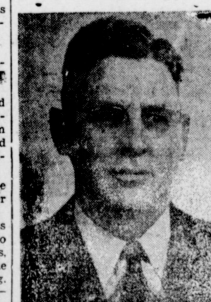

"I want to first take this opportunity to express to the people of this district my appreciation for their loyal support in the past, and to thank them for their vote and influence.

In making my announcement for reelection, I wish to state that I have performed the duties of this office to the best of my ability and have tried hard to represent the people of this district and the State of Texas in the matters that have been brought into court, and that have come to my attention. I have tried to perform the duties of this office impartially and in a business like manner.

If the people of this district see fit to re-elect me for another term, I shall do my best to serve as I have tried to do in the past. I wish to state that I am making this race upon whatever merit that I have and not on the demerits of any person that may announce in this race. I would appreciate your consideration of my candidacy, and if you can see your way clear to vote for me in the Democratic Primary in July of this year, I assure you that no one will appreciate that vote more than I will."

Cpl. Pearson is the son of Mr. and Mrs. John Benson.

Visited Here

Joe W. Jennings, pictured here of Plainview, paid a visit to Bailey County last week and spent the day renewing old acquaintances among the folks here.

Mr. Jennings spent several years in this county, and the family operated a ranch southwest of Muleshoe.

He is now a candidate for Representative, 120th District, Texas Legislature. Mr. Jennings said he intends to return from time to time during the campaign in order to meet all the people it is possible for him to see.

W. C. Cox, superintendent of Muleshoe schools for nearly sixteen years, told The Journal this week that he is resigning the position effective July 1, 1946.

Mr. Cox was reelected by unanimous vote of the board of trustees at a recent meeting but he told the board at that time that he would not serve another year.

He said that he had attempted to resign three years ago, but that he stayed on because of conditions created by the war.

The history of Mr. Cox's tenure of the office is just about the history of Muleshoe public schools. When he came here in 1930 the work of the local schools was not even accredited. The third year of his administration the school was fully accredited.

Financial conditions of the school system similarly have grown and become sound while he has been superintendent.

Recently voters of the district approved a bond issue of \$150,000 to provide funds for remodeling the two old buildings, and to erect a new high school. Actual construction will await more favorable building conditions.

Mr. Cox said he expects to retire from the teaching profession. He plans to enter private business, but has no announcement to make concerning his plans at this time.

Eddie Lane In Race For County, District Clerk

Eddie Lane of Muleshoe has authorized The Journal to announce his candidacy for the office of Bailey County district and county clerk subject to action of the Democratic July primary.

Mr. Lane made the following statement to the voters in connection with his announcement:

"I wish to take this opportunity of announcing my candidacy for the office of county and district clerk of Bailey County.

"My many friends have helped me to make my decision. I feel that I can render Bailey County an efficient service as your clerk, having had enough experience along that line to know that I can take care of the work in the office.

"I may not be able to see each and every vote of Bailey County personally but I will assure you that your vote and influence will be greatly appreciated."

EDDIE LANE

M. Sgt. Hacker Given Discharge From Air Forces

M-Sgt Jack Hacker is here visiting with his wife and Mrs. Lois Breedlove and family after receiving his honorable discharge from the Army Air Corps January 23 at Beale, California.

His 12 months of overseas duty were spent in the Philippines, Okinawa, and Japan. His wife resided with her mother during his time overseas.

During his 4 years and 1 month with the Air Corps, he was line chief, inspected and assisted in diagnosing trouble as problems arose, checked repair work performed by maintenance personnel, and directed the maintenance and repair of damaged planes.

After short visit here and in Plainview, Mr. and Mrs. Hacker will make their home in Southern California.

ATTENTION MEN 17 TO 35

Marine Corps Headquarters has announced that it will enlist seventy men from the West Texas and New Mexico district during the month of February. Applications will be accepted from men 17 to 25, in good health, and with no dependents.

Those men enlisting now will have the advantage of one of the best saving plans in the world. Each payday, any Marine may deposit any amount of his paycheck with the paymaster, Marine Corps. This money will draw 4% compounded annually and will be paid to the Marine upon his discharge.

Anyone that is interested, please write or call in person at the Marine Recruiting Office, Post Office Building, Lubbock, Texas.

**BLACKWATER VALLEY
Soil Conservation
District News**

Board of Supervisors: B. H. Black, W. R. Carter, R. Q. M. Beasley, Paul M. Carmickle, and Virgil Nowell.

Progress of the district during the past few months has been good, said B. H. Black, secretary of the board.

Since the number of technicians in the Muleshoe work unit of the Soil Conservation Service has been increased, and since additional equipment is being made available to the district, there are bright prospects for soil conservation during 1946 in the district, Black said.

Scarcely more than half of the farmers in the county who have applied for help have received assistance. It is hoped to reach all of those this year who have been waiting.

Basic purpose of the district is achieved by assisting farmers and ranchers in the establishment of a coordinated program of soil conservation which includes (1) sound land use, (2) the right combination

of conservation practices, (3) the improvement and maintenance of soil productivity and (4) economically sound conservation farming.

Terracing, a conservation practice for dry land having 2 per cent or more slope, has been neglected in the district because of a lack of equipment with which to build the structures. It is hoped that sufficient equipment for this practice will be available to farmers this year.

Other practices, especially adopted on sandy soils, that should be given more attention are: cover crops, strip cropping, crop residue management, and seeding non-productive cropland to native perennial grasses.

There are at least two basic necessities for dry land farms in this county: (1) holding all rain water on the land where it falls (a factor which limits production in this area), and (2) preventing soil blowing or shifting. These problems could be solved to a great extent through the use of contour planting, terracing land having 2 per cent or more slope, strip cropping, leaving all available crop residue on the land, establishing border strips around the fields, striping cotton fields with sorghums, and seeding winter wheat or rye as a cover crop.

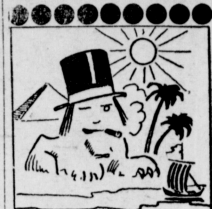

Some of the accomplishments of the district: Contour planting, 2868 acres; cover crops, 1941 acres; crop residue management, 6036 acres; strip cropping, 170 acres; range properly stocked, 804 acres; terracing, 8 miles; farm irrigation land preparation, 3938 acres; improved methods of irrigation water application, 4793; irrigation systems installed or improved, 51.

Miss Dorothy Scott, attending college at Canyon, and Miss Tomlin Turner, formerly of Muleshoe, were here Wednesday visiting friends.

pratures, Mrs. Laurette A. Wilson, county home demonstration agent of Bailey County, has predicted.

Beef frozen at 18 degrees and then thawed is about 9 per cent more tender than comparable unfrozen beef, she said. The unusual freezing temperatures now in use are from zero to 10 degrees.

Mrs. Wilson explained recent findings of the U. S. Department of Relaxation of ODT general order no. 53, which prohibited use of sleeping service for short distances during war time, permits the railway the opportunity of again providing a service which is much in demand.

The service will include a twelve-section standard with one drawing room, leaving Lubbock daily on Train No. 95 at 9:45 p. m. for Sweetwater, thence over the T & P to Fort Worth, arriving there at 7:25 a. m. and Dallas at 9:00 a. m. The west bound sleeper will leave Dallas daily over the T & P at 9:40 p. m. and will leave Fort Worth at 11:20 p. m., reaching Lubbock on Santa Fe Train No. 94 at 9:20 a. m. each morning.

Sidelights From Washington

By congressman George Mahon

As this is being written we are making the final push to have the barracks and housing at Lubbock Army Airfield actually available to Veterans who wish to enter Texas Tech for the new semester just beginning. In early January I attended a meeting with President Whyburn, of Tech, and city officials at which plans were made to try to get occupancy of LAAF housing by February 1 for the use of Veterans. Plans were made for accommodating as many as 1500 veterans.

Upon my return to Washington I presented the matter to high of-

ficials of the Army urging the elimination of red tape and the quickest possible action. Officials of the college and city have been on the job making proper contacts with the U. S. Army Engineers, in Dallas, and with the Public Housing Administration in Fort Worth, the agency under which the city will operate the housing facility. The exact extent of the housing to be available for Veterans at LAAF is not known but it is certain that several hundred vet-rans will be accommodated.

A suggestion has come to me from a Haskell County citizen that flame throwers which were used in the war be made available to counties to combat Johnson grass, cockle-burs, and sunflowers along country roads and public highways. For those who hate Johnson grass, as

nearly everyone does, this is an intriguing suggestion. But the War Department says no — that the flame throwers are too dangerous for such work and would not be practical anyway.

A State agency in Mississippi tried out the flame throwers against the underbrush along the lower Mississippi River. The idea was abandoned.

The ordinary portable flame thrower has a capacity of four gallons of fuel. It has a maximum

range of 60 feet and exhausts itself in nine seconds. The tank type flame thrower has a range of 100 yards and a capacity of 270 gallons of fuel which is exhausted in one minute of operation.

So the answer to the Johnson grass menace is yet to be found. It is too bad that the deadly ferocity of the flame thrower cannot be released against it.

West Point Cadet Max Minor, of Tahoka, broke two records and won top honors at a track meet at the United States Military Academy, a few days ago. His home town of Tahoka did not get due credit in the big write-up about him in the Washington Post. Max was referred to as the speedster from "Cahokia", Texas.

Max has been a great favorite at the Academy.

Social Security Representative In Muleshoe Feb. 14

John Palmer, Social Security Board representative, will be in Muleshoe at the U. S. Post Office at 9:00 a. m. on Thursday, Feb. 14. He is in Muleshoe one day each month for the purpose of answering questions you may have on Social Security; discussing possible benefits and taking claims from persons who seem to be entitled to benefits, and of taking applications for Social Security account number cards.

If you are a worker who is building social insurance protection on the job, you should make it your business to TELL YOUR FAMILY about your social security, said John Palmer, manager of the Lubbock Social Security Board office. Tell them that if you die, they may be eligible for monthly old-age and survivors insurance benefits.

Tell them that if you die, they special provision for widows with children in their care. Show your family where you keep your social security card.

Tell them in case of your death to take it to the nearest Social Security Board office. There they will get all the help they need to file a claim for benefits—free of charge. Tell them to contact the Board office promptly. Monthly benefits are retroactive for only three months and they may lose some of their payments by delay. If they don't know where the Social Security Board office is, the postmaster will tell them.

Gen. Eisenhower Praises Scouting

The Boy Scout Movement "is a prime force in preparing tomorrow's men for their duty to themselves, their country and the world," said General of the Army Dwight D. Eisenhower, Chief of Staff of the United States Army, in a message to the Boy Scouts of America, who mark their 36th anniversary during Boy Scout Week, February 8 to 14.

General Eisenhower's tribute follows: "The Boy Scout Movement merits the unstinted support of every American who wants to make his country and his world a better place in which to live. Its emphasis on community service and tolerance and world friendship promotes a speedier attainment of the enduring peace among men for which we all strive.

"By developing among its members both a spirit of sturdiness, self-reliance and a realization of the need for cooperative effort in every major enterprise, the Movement is a prime force in preparing tomorrow's men for their duty to themselves, their country and their world.

"Here in the United States, the Boy Scouts of America has accomplished much in its 36 years of service. But today, more than ever before, we need expansion of its membership and influence."

Prop Wash

Mat Dudley has taken to the air once again after two months absence. Mat decided to shoot a few "spots" landing and to his amazement his selected "spots" were never under the plane at the right time. You'll have to try more often, Mat!

Did You Know

That the Hughes H-4, giant all-wood flying boat will be able to carry as much cargo as the total gross weight of the B-29, normally loaded, which is approximately 60 tons.

Income Tax Man At Littlefield

"In order to give taxpayers of this locality first hand assistance in the preparation of their returns, W. A. Thomas, Collector of Internal Revenue at Dallas, is sending Deputy Collectors, Carl P. Shaffer and Samuel E. Gillispie to Littlefield."

field Post Office on February 18 and 19.

All taxpayers who need assistance or information in filling their income tax returns for the year 1945 are urged to go to the town nearest them on the date of the deputy collectors' visit. Between March 1 and March 15 most of the Deputies will be stationed at their various Zone Offices. If you miss seeing them on their visit to your town, you will then have to go to the nearest Zone Office for help.

The Collector urges every taxpayer to make an effort to bring his tax problems before the Deputy Collectors named above, on the dates shown. The point is stressed that you must bring with you all of your Withholding Receipts, together with complete information as to all 1945 income, expenses, and deductions. The Deputy Collectors will need this information before they can give you advice as to how to file your return.

News Briefs

Mrs. Joe Cox left Monday for Long Beach, Calif. to visit her sister and other relatives.

Mrs. Woody Lambert and her mother, Mrs. J. W. Arnold, were shopping in Clovis Friday.

R. L. Brown was in Dallas over the week end on business.

Mr. and Mrs. J. W. Arnold, parents of Mrs. Woody Lambert, left Tuesday for their home in Turkey after spending several days here.

Bill Miller left Monday for Temple to be with his father, W. T. Miller, who underwent an operation at Scott & White's Tuesday.

Miss Eunice Florence of Levelland spent the week end with Mrs. Mildred Davis and Mrs. Snow Davis.

O. H. Koch, of Dallas, city planning engineer of Muleshoe, spent Tuesday and Wednesday here conferring with city officials and others interested in the city planning project.

Ministers C. L. Cox and Ebb Randall of Parwell attended the singing held Sunday at Lariat.

Happy Dyer, recently of Lubbock, is now making his home with his daughter and husband, Mr. and Mrs. Charles L. Baker, in Muleshoe.

Mr. and Mrs. Arthur Holmes of Lubbock spent Sunday in Muleshoe, attending church and visiting Mrs. Holmes' sister, Mrs. Bosen, and family.

Those visiting in the home of Mr. and Mrs. J. L. Alsip for the past week are: Mr. and Mrs. Ralms Sparks and daughter, Jane; Mr. and Mrs. Borge and niece, Linda

Combine 1/2 cup lard, 1 cup boiling water, 1 teaspoon salt; bring to boil. Add 1 cup flour all at once; stir vigorously until it forms a ball. Cool slightly. Add 4 unbeaten eggs, one at a time, beating each time until smooth.

Shape the stiff mixture in rounds on oiled cookie sheet, using two spoons. Allow 2 inches between puffs. Place in hot oven (450°F.). After 13 minutes, reduce oven to 350°F. Bake 30 minutes more, or until puffs are done.

When puffs are free from beads of grease, remove from oven and cool. Cut off tops. Put puffs with tops and bottoms in a pan, or

Ann Sparks of Amarillo, Mrs. W. N. Wheelock and her sister of Chattanooga, Tenn. Mrs. Wheelock is the mother of Mrs. J. B. Alsip.

Mr. J. L. Alsip received word that his brother, J. L. Alsip, died of Kappern, Texas, died Tuesday morning.

A choice of overseas theater is given to all men who reenlist in the Regular Army for three years.

"Men enlisting in the Regular Army are furnished clothing and shoes which would cost a civilian \$200."

The first post marriage has been extended to those men who enlist in the Regular Army.

Gail Hoover, son of Mr. and Mrs. C. D. Hoover of Muleshoe is home on leave from the Merchant Marine.

R. L. Harding and family, Texaco, spent Sunday here with Mr. and Mrs. R. J. Klump.

ins, where he has served for over a year.

Mrs. J. B. Jennings left Friday for Long Beach, California, to visit her husband, who is in the Navy.

Mrs. Norma Lee Jones left Friday for San Diego, California, to stay with her husband who is in the Navy.

Lee R. Pool was in Lubbock and Plainview on business Wednesday.

Mr. and Mrs. A. A. Suits of Post visited with Mr. and Mrs. E. E. Dyer, Monday.

Mr. and Mrs. Prince Scott of Lubbock were here Tuesday night. They were formerly of Muleshoe and he was on the faculty of Muleshoe schools. Mr. Scott is attending the Tech after receiving his discharge from the Army Air Corps, Corps.

Pfc. Stevenson Returning Home

PEARL HARBOR—Pfc. E. Stevenson, of Muleshoe, is one of 2111 Army veterans returning to the States aboard the U. S. S. Eastland, which left Yokohama, Japan, on January 13, and was scheduled to arrive in Seattle January 28. The Eastland is one of the Navy's fleet attack transports which, in amphibious operations supported the offensive night of the Fleet battleships, carriers and cruisers, carried assault troops from the first landing at Guadalcanal in 1942 through the occupation of Japan.

RIBBLE'S RIPPLES

The Issues of Life. The wise proverb maker said, "Keep thy heart . . . out of it are the issues of life." Again: "As a man thinketh in his heart so is he." The kind of a life we live—the quality and substance—is of the heart, and determined by condition of the heart. P. ov. 4:23.

Once when the apostles of Christ were imprisoned for "filling Jerusalem with their doctrine," the Lord delivered them and said, "Go stand in the temple . . . speak all the words of this life." The life they were holding up for the people was the life of a follower of Christ. "All the words of this life" would be all the messages that concern this life. Jesus had said, "the words I speak unto you are spirit and life. His disciples said, "Thou hast the words of eternal life." Jan. 6:68.

In John 10:10 Jesus said, "I came that they may have life and have it more abundantly." At another time he said, "a man's soul is worth more than the abundance of things he possesseth." Lk. 12:15. The heart issues make the life as it is and not what a man's wealth, social standing, or any such thing may be. Then men should be. Then men should be that heart issued life that Jesus said and does give. This life, the apostles were told, to speak in fullness of all its messages.

Of old it was said, "by every word that proceedeth out of the mouth of the Lord doth man live." Deut. 8:3. "Not by bread (food) alone. Not by bread only, Matt. 4:4 Lk. 4:4. The life we need to live as God would have us live is not from bread as its source, but from the words from the mouth of God. This is the "breath of life," of Rom. 8:4. The modern speech version reads "entirely new life." This life that makes one a new creature in Christ." 2 Cor. 5:17. Of this Paul says, "for neither is circumcision anything, nor uncircumcision anything, but the NEW CREATURE." Gal. 6:15.

Unto this new creature life, men are "begotten again by the Word of God." 1 Pet. 1:23. Of such a life

Paul says "in Christ Jesus I begot you through the gospel." 1 Cor. 4:15. R. V. This is the life of the "born again" man of whom Jesus said, "Ye must be born again. . . born of water and the spirit." This results from a life of the flesh, condemned, killed and buried by sincere faith, genuine repentance, and culminating in being buried in baptism. . . raised to walk in the newness of life" or the entirely new life." Rom. 6:4. John 3:7. The life of a Christian begins in the work of the Holy Spirit through the Word of God begetting (beginning) the new life in Christ, which when "delivered" is to be enjoyed in the fullness which is in Christ, into which men obeying the gospel have been baptized. Gal. 3:27.

This, the new life, demands of those who possess it that "that ye should no longer live the rest of your life in the flesh to the lusts of men, but the will of God." 1 Pet. 4:2. Like Paul "That life which I now live in the flesh I live in the faith which is in the Son of God who loved me and gave himself up for me." Gal. 2:20. Again, "that they that live should no longer live unto themselves, but unto Him who for their sakes died and rose again." 2 Cor. 5:15.

This Christian life reaches out to "lay hold on the life which is life indeed." Having their fruit unto holiness, and the end eternal life." 1 Tim. 6:19. Sowing to the Spirit shall of the Spirit reap eternal life. . . in due season IF WE FAINT NOT." Gal. 6:8.

INFORMATION OF INTEREST TO VETERANS

Q. What is meant by service connected death?

A. Any death which occurs in service in line of duty, is a service connected death.

Q. Is death compensation payable to both a widow and parents from the service connected death of a veteran?

A. Yes, if the parents can prove they were dependent on the veteran, they, too, may receive death compensation.

Q. What reasons for dismissal or discharge from the service render a World War II veteran patently ineligible to any benefits administered by the Veterans Administration?

A. The discharge or dismissal of a veteran by reason of the sentence of a general court martial, or on the ground that he was conscientious objector, or a deserter, or of an officer by the acceptance of his resignation for the good of the service, shall bar all rights of such person under any applicable laws administered by the Veterans Administration.

Q. If a veteran has lost his discharge can he get another one?

A. Yes, by making application to the Army and Navy department, whichever is concerned, for a Certificate in Lieu of Lost or Destroyed Discharge. Any properly accredited representative of a Service Organization or Contact Representative of the Veterans Administration will be glad to assist the veteran in making his application.

CPO John Pearson Visits In Muleshoe

C. P. O. and Mrs. John W. Pearson and Mr. and Mrs. Luther Hampton of Elizabethton, Tenn., are here visiting in the home of Mr. and Mrs. John Benson. C. P. O. Pearson has been serving with the Navy as a cook for

four years and has reenlisted for two more years. After his discharge he and Mrs. Pearson will reside in Tennessee.

He received his boot training at San Diego, Calif., attended Cook's and Baker's school at Jacksonville, Florida, served on the Atlantic aboard a landing craft. Pearson served in the South

Pacific for two years and in Tokyo Bay for two months aboard the USS Oregon. He was in most of the islands of the Pacific but was never stationed on one very long. Mr. Hampton was discharged from the Navy about a year ago. C. P. O. Pearson is the son of Mrs. John Benson.

PROGRESS NEWS

There were over 90 at Sunday school Sunday.

Mrs. George Goss and children, Johnny and Ma.y, visited a few days with Mr. and Mrs. J. J. Goss last week.

Mr. and Mrs. Manuel Gallegos moved to Clovis last week. Mr. and Mrs. Fred Griffin and children moved here Monday from Hildsburg, Calif.

Mr. and Mrs. Dave Brookshire have moved to Clovis.

Mr. and Mrs. Howard Griffin and Peggy Jo and Mrs. Mattie Griffin left Wednesday morning for Bakerville, California.

Mr. and Mrs. Claudis Murrah and three children visited their parents, Mr. and Mrs. Jess Murrah last week.

Miss Gloria Gowdy and Denzil Smith Wedding Announced

Mr. and Mrs. James A. Gowdy of Arch, New Mexico, announce the marriage of their daughter, Gloria, to Mr. Denzil L. Smith, of Muleshoe, Texas, which was solemnized on January 2.

The bride is a graduate of Muleshoe high school, class of '42. She attended Baylor University and has been associated with her father in his law and income tax office in Muleshoe for the past two years.

The groom is also a graduate of Muleshoe, class of '40, entering the Army the following September. He has recently been released to inactive duty after serving 18 months as a First Lieutenant with the Troop Carrier Command in the South Pacific.

Progress HD Club

"For the greatest home comfort and utility, the water supply should be dependable, adequate, convenient and protected in such a manner as to maintain a high degree of safety," said Mrs. Laurette A. Wilson, county home demonstration agent, when the Progress Club met Tuesday, Feb. 5, in the home of Mrs. George Wily, with Mrs. C. M. Carr, co-hostess.

During the business session Miss Elzada McMahan called on the finance committee for a report on the 1946 budget. Duties of the committees were read from the by-laws by Mrs. G. T. Malby.

Regrets over the fatal accident of Miss Dyalthis Swift's brother, Esau, Platview were expressed by the club members.

The following volunteered as demonstrators: Landscaping, Mrs. Manuel Self and Mrs. Joe Simmacher; Home Food Supply, Mrs. R. H. Brown, and Mrs. C. M. Carr; Clothing, Mrs. Harold Mardis and Mrs. Ross Goodwin.

The recreation chairman led a quiz on our Cabinet members and on colored language. A bit of gossip was slightly garbled by the time it circled the room.

Mrs. Wilson discussed home water and sewage systems for her demonstration plans for the best type were passed to the members.

Delicious carrot pie, and cocoa were served by the hostesses, Mrs. Wily and Mrs. Carr to Mrs. Wilson, Misses Maurine Malby and Elzada McMahan and Mesdames Harold Mardis, Chas. Shaw, Ira Martin, W. F. Hays, Sr., Manuel Self, R. H. Brown, Clyde Henry, G. T. Malby, Ross Goodwin, Gray and Joe Simmacher.

The next meeting at 2:30 Feb. 19, will be in the home of Mrs. Chas. Baker. Roll call is to be answered by some unusual hobby you may know.

Goodland News

Mr. and Mrs. O. C. Kirk and son Larry ate dinner with Mr. and Mrs. Clint Everett, Monday.

Mr. and Mrs. Harold Cloddy of Odessa visited relatives of Goodland over the week end.

Mr. and Mrs. O. A. Warren and daughter of Levelland visited in the home of their daughter, Mr. and Mrs. Harland McCraw and family Sunday.

Mr. and Mrs. Woodrow Self had as their guests Sunday Mrs. Self's parents, Mr. and Mrs. H. A. Nebhut and son, Dexter, and grandmother, all of Morton. Also Mrs. Dorothy Nebhut of Phoenix, Ariz.

Mr. and Mrs. J. P. Tarleton and Billie, Mr. and Mrs. Pete Tarleton and family, Mr. and Mrs. Cecil Creamer and family, Mr. and Mrs. Harth and family of Inez, N. M., also Mr. and Mrs. J. A. Johnson visited in the home of Mr. and Mrs. Clint Everett Sunday.

Mr. and Mrs. Morris Gant have been visiting at Lamesa with Mrs. Gant's parents, and brother who was home from Okinawa.

Charles Baker of Muleshoe visited in the home of Mr. and Mrs. Coy Wooten Thursday.

Mr. and Mrs. Donald Tucker and family visited in the home of Mrs. Tucker's parents, Mr. and Mrs. S. B. McCutcheon and family of Brownfield Saturday night. Also visited in the home of Mr. Tucker's parents, Mr. and Mrs. Claude Tucker of Meadow Sunday.

We are sorry to hear that Mr. and Mrs. Pat Love and son are sick with flu. Surely hope they soon recover.

The Goodland Ladies Bible Study Club met Monday, Feb. 4, in the home of Mrs. Clint Everett. The 24th and 25th chapters of Acts were studied and discussed. Nice refreshments were served to the following ladies: Mesdames Coy Wooten, Lucille Myers, Hazel Gant, Clois Tarleton, Ila Mae Tucker, Lyndell Galt, Johnna Lee Self. The next meeting will be in the home of Mrs. Hazel Gant on Feb. 18, when the 26th, 27th and 28th chapters of Acts will be studied and discussed.

The Goodland Sunday School will reorganize next Sunday, Feb. 10. We urge everyone to come at 10:30 o'clock.

Get a Pretty Home
By Alice Cole of Florida

QUIT often a man has the most beautiful knack for reducing the mental stature of friend wife to zero minus. For instance, John and I were discussing the purchase of a frozen food storage cabinet and I made the error of mentioning the new models were so "pretty."

"Pretty?" scoffed John. "They're all women ask—fretfulness."

It seems he had been discussing the new home frozen food storage cabinet with a member of the consumers advisory service of the Refrigeration Equipment Manufacturers Association who warned him

against buying from inexperienced makers of refrigeration units—the producers who are taking quick advantage of the growing popularity of frozen foods without knowing the real "do's and don'ts of the business."

Pretty Is As Pretty Does

John says it's only too easy for an inexperienced manufacturer to take a condensing unit, build a "pretty" box around it, shine it up on the outside and call it a frozen food cabinet.

There are three important points women are urged to watch when selecting a home or farm frozen food unit. They are:

1. The insulation of the cabinet—is it sufficient to keep out heat and keep in cold? Proper insulation, of course, means economical operation of the unit.
2. The manner in which the cabinet is sealed—to keep out moisture. The best new models are designed to eliminate the "awesting" which occurs around door and lid openings.
3. Size of the condensing unit. Reputable manufacturers will produce cabinets with condensing units of a capacity to insure constant, uniform temperatures under all conditions.

I didn't want to spoil John's masculine pride in his ability to point out these very important factors to a mere woman. But I could have told him that women today take all these things into consideration just as much as men do, only in addition, we demand and get gleaming, high-clean exteriors and beautiful modern design to harmonize with their kitchen equipment.

SOMETHING NEW IN MULESHOE!

—●—

Watch This Space Next Week For Announcement

THE MULESHOE JOURNAL

Entered as second-class matter at the Muleshoe Postoffice under the Act of Congress, March 3, 1879

J. M. FORBES Publisher

Advertising that does not show in its "ext" or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices, it matters not by whom nor for what purpose, if the object is to raise money by admission fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each issue printed.

Obituaries, cards of thanks and resolutions of respect will also be charged for at the same rate.

SUBSCRIPTION RATES

In Bailey County, one year, \$1.50; Outside of County, one year, \$2.00

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Muleshoe Journal will be gladly corrected upon being brought to the attention of the Publisher.

In case of errors or omissions in local or other advertisements, the publisher does not hold himself liable for damage further than the amount received by him for such advertisement.

The other day I went with George Stokes on a little business trip to Merton. George asked me after every man in town had proved too busy to go, and he just had to have somebody to talk to about that new pick-up. You know (as who doesn't) that George got the first new pick-up the Rockeys got in, and they say he puts it in the front

room at night lest it should get dirty.

But all joking to one side, the editor and George had quite a little trip. George said he had never seen so much land being put up, and put up in such wonderful way. The recent snow put the soil in the exact condition for perfect listing, and the farmers were taking advantage

of the situation. Once you cross the sand hills you see farms on both sides of the road that are listed in making the field ready for planting and preventing excessive blowing.

It was the newspaper man's first trip to the south part of the county and he enjoyed looking at the broad expanse of fertile acres in that section. Bailey County is a good county. It has good farms and good farmers, and we can expect to see progress here with such a combination.

A THOUGHT FOR THE MONTH

Do you remember how, as a boy, you played with a magnet? And do you remember how, like magic, it would draw to itself nails and needles and other steel pieces by holding it over a piece of wood created response?

"Like attracts like" not only is the law of the magnet—it also is the law of the mind.

Psychologists tell us that we cannot store up thoughts of hate and draw to ourselves the love of our fellows. We cannot think disease and be healthy. We cannot think defeat and win victories.

To make our minds magnets for

the best in life, we must fill them with constructive, hopeful, optimistic, harmonious, courageous, confident thoughts. To win friends we must be friendly. To win loyalty, we must be loyal. To become successful we must think success.

We create our own mental magnet—we get back in the long run what we give; we attract the one to which we are attuned.

It is up to us!—Kerr Paper Co.

PAYS TO ADVERTISE

We are beginning to believe that advertising in The Journal is about the cheapest, most effective advertising we have ever come in contact with. Several incidents the past week combine to convince us of this truth.

For instance: Jack Cox placed a notice that was to run three times; he called up Saturday to say the advertising was too good, he had already sold the car advertised.

V. E. Cook, of Lubbock, writes that he has already traded his home for a farm, and to cancel the other three insertions ordered. He wrote: "That's what I call SERVICE in advertising."

McCormick's advertised a car in last week's paper and sold it at once.

Dr. Goucher says the want ads he uses now and then bring him plenty of prospects. He has had as many as 15 responses to a single ad.

The Journal is read by all our people, and the ads no less than the news matter. Especially in The Journal, we believe, it pays to advertise.

Opportunity For Education Now Offered By Army

Young men enlisting in the Regular Army are establishing an "education bank account" that will amount to \$6,500.67, if married, and \$5,798 if single, when they complete a three-year enlistment. Lt. Col. Robert L. Hardy, West Texas District Recruiting Officer revealed today.

Offered under the liberalized GI Bill of Rights, this amounts to an accumulated savings of \$197.07 per month for married men and \$160.72 for single men during their enlistments.

"That's a fast-growing bank account for educational purposes," Colonel Hardy said. "It's outstanding when you consider that every young married man is building up his fund at the rate of \$2,328.89 every year, and \$1,928.66 annually if he's single."

"There probably isn't one young

man in this community—or anywhere else—who earns enough to save this much toward a college education," Col. Hardy said. "Thousands of young men throughout the United States, and many in the West Texas area, are taking advantage of this unprecedented opportunity. Particularly, West State Teachers College of Canyon, Texas Tech at Lubbock, Amarillo College, Hardin Simmons College, Abilene Christian College and McMurry of Abilene, San Angelo Jr. College of San Angelo, Texas, as these colleges show for the Spring semester a remarkable enrollment increase of students who are former service men."

WE'RE ON THE MOVE

...WITH EVERYTHING IT TAKES!

THE great Panhandle-Plains and Pecos Valley area is really going places and we've got everything it takes when it comes to industry and agriculture. This area is the land of NEW opportunities. There are great possibilities here for all of us and our Company is doing its part by expanding its facilities to those who want and need our service—which is low cost, dependable electric power—a necessary adjunct to all industrial and agricultural progress—and better living in the home.

There is no better soil than in this territory for growing any number of important and profitable crops—including cotton, wheat, potatoes, alfalfa—and there's a ready market for everything you grow. . . . OIL FIELDS in this vast area are world-known. Everyone knows that our great peacetime industrial growth will demand more and more oil and natural gas. . . . THE PANHANDLE-PLAINS and Pecos Valley area is now producing vast supplies of dairy products, including millions of dollars in butter and cheese. . . . YOU WILL be amazed at the fine industrial opportunities in this area. Already we have scores of large and important industries in this area and from all indications, there will be many more industries attracted to this section of the country. . . . EVERY YEAR finds an increasing de-

mand from all parts of the nation for sorghums from this fertile area. Extensive tests have been made of our sorghums and experts tell us that they're the finest in the world. . . . THE RANCHES in the vast Panhandle-Plains and Pecos Valley area are turning out highest quality beef cattle. . . . and good solid beef that's marketed all over the United States. This territory now produces far more than two million head of beef cattle annually. . . . EVERYONE KNOWS that the climate in the Panhandle-Plains and Pecos Valley is ideal. Cool, invigorating summer nights and our moderate winters keep us comfortable and healthy the year 'round. . . . and the scenery is gorgeous. Yes, we really have something to talk about in the Panhandle-Plains and Pecos Valley—we're going places with everything it takes.

FEDERAL SAVINGS AND LOAN ASSOCIATION OF CLOVIS

Clovis, New Mexico

Pullman Service Is Reestablished

AMARILLO, Feb. 4.—The re-establishment of daily sleeping car service between Lubbock and Dallas, effective from both terminals February 1, was announced today by H. C. Vincent, traffic manager of the Santa Fe Railway. Agriculture research workers which showed that beef frozen at 14 degrees below zero was 29-per cent more tender than unfrozen beef by pointing out that the increased tenderness was due to action of ice crystals. In slow freezing at 18 degrees large ice crystals form within the

crystals because there is not time for the water to be drawn out. As they form, the crystals break he fibers. The lower the temperature, and the faster the freezing, the more small crystals form within the fibers and the more the fibers break, Mrs. Wilson said. At 114 degrees below zero the freezing is so rapid that nearly every fiber in the meat splits.

S. P. Phipps of Goodland was in The Journal office Monday to renew his subscription to the paper. Farmers in his neighborhood are putting up their land rapidly, and the ground is working nicely, he said.

Goodbye Foam— In Motor Oil

PITTSBURGH, Pa.—Blowing through two straws, this young lady shows how the serious handling of foaming oil has been eliminated in high speed motors. Oil in the beaker at the right, treated by an anti-foam agent developed by Gulf Oil Corp., cannot be made to foam or bubble over. The beaker at the left demonstrates how air can make untreated oil froth out of motors like foamy beer, sometimes causing shut-downs of trucks, tanks, pumps, power plants and machinery. Overcoming the foaming problem, considered serious by various Government agencies, was announced recently.

CITATION BY PUBLICATION

THE STATE OF TEXAS To Mary V. Knowlton. Greeting: You are commanded to appear

Junior Music Lovers Organize

The Junior Music Lovers Club held their first meeting in the home of Miss Marilyn Gupton Thursday evening, January 31, and was organized with the assistance of the president and secretary-treasurer of the Music Lovers Club, Jackie Lawler and Carolyn Dennis.

Officers elected were: president, Rebecca Ann Wade; vice-president, Marilyn Gupton; secretary-treasurer, Marie Howell; reporter, Bobbie Collins.

The club selected the carnation as the club flower, and red and white for club colors. Meetings will be held the third Thursday of each month at 7:30 p. m. Next meeting will be in the home of Bobbie Collins with Mary Ellen Wingo as co-hostess, February 21.

Delicious refreshments were served to G. R. Howell, Wanda Pers Black, Roald Johnson, Marilyn

Fashion Frock of the Week

DOUBLE BEAUTY

When spring is just around the corner, you look smarter and feel smarter, too, in a dress-maker suit!

A beautiful Powers model wears this softly detailed Fashion Frock of the Week. The gently curving yoke is the soft answer to the season's request for the rounded, feminine look. And deep tucks whisk away the waistline.

A cardigan suit is as versatile as you make it. It goes to the office by day with a tailored blouse, or with a gray-colored scarf tucked in at the neckline as the Powers beauty has done. And then, is equally poised by night, softened by a frilly blouse and a giddy hat. A cardigan suit lives a double life in your wardrobe!

Gupton, Mary Ellen Wingo, Bobbie Collins, Marie Howell, Carol Pool, Holly Ann Cox, Rebecca Ann Wade, Mary Dana Pinson, Pauline Kelton, Stanley Fox, Patsy Ruth Lane, Gaylon Joy Ezell, Betty Dell Collins, Barbara Douglass, Marlene and Darlene Black, Mr. and Mrs. Jack Cox, and Mrs. Anita Butler. -Reporter.

Mr. and Mrs. Ralph Toombs and sons of Levelland visited his sister and family, Mr. and Mrs. D. V. Terrell, Sunday.

J. W. Warton returned home from the Army last week.

MAPLE NEWS

Mrs. Irene Brackman was hostess for a bridal shower Monday night for Mrs. Frances Gulley, the former Miss Frances Dupler.

Mr. and Mrs. K. K. Krebs entertained the young peoples' class of the Methodist church Wednesday night. Refreshments of peanuts, popcorn and pop were served. All had a lot of fun playing games and contests.

Rev. and Mrs. George Roberts and Mrs. J. Y. Roberts were shopping in Littlefield Friday.
