HANDS ACROSS THE SEA

Not all communications between the British and ourselves reflects a sense of disillusionment as the aftermath of the ending of the peril of war. Recently a handprinted scroll expressing the gratitude of the townspeople of Gosport, England, to the Armed Forces of the United States and to the American people for their generosity during

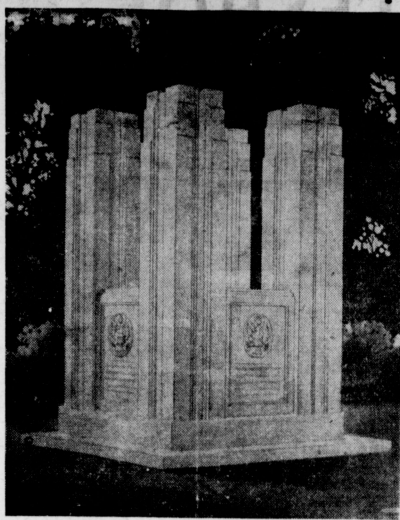

the war years was presented Captain A. Howard McCollum, U. S. N., commanding officer of the USS Helena, flagship of Admiral H. K. Hewitt, commander of U. S. Naval Forces in European waters.

The text of the scroll, which was presented by the Hon. J. R. Gregson, O. B. E., J. P., Mayor of Gosport, reads:

"We, the Mayor, Aldermen and Burgesses of the Borough of Gosport, situated in the County of Southampton, on behalf of our township, hereby record our deep sense of gratitude to the Armed Forces and citizens of the United States of America for the many valiant deeds that they wrought during the recent war years happily now behind us.

"As the inhabitants of a town

that has suffered much from the bombing of the enemy, we would wish to record in this address our thankfulness for the boundless generosity of the American people in providing our townspeople with the material comforts then sorely needed.

Mrs. Charles Didway, Mrs. Cecil Acker, and Era Seaton, of Brownfield, were in Muleshoe last Thursday, attending the South Plains Old Fellows and Rebekahs Association meeting.

Receipt of pension for service-connected disability dies after discharge, the Veterans Administration may pay for burial and funeral expenses and transportation of the body to the place of burial, a sum not exceeding \$100.

Q. What veterans are entitled to special privileges under the U. S. homestead laws?

A. Any veteran who served not less than 90 days, and who was honorably discharged and makes a homestead entry, is entitled to have the term of his service in the armed forces, not exceeding 2 years, deducted from the 3 years' residence required under the homestead laws.

Further information may be secured from the General Land Office, Department of Interior, Washington 25, D. C.

Q. May a veteran who has no service connected disability be entitled to a pension?

A. A veteran may be paid a pension for a non-service connected disease or injury only if the disability resulting therefrom is rated as permanent and total, and providing such action is not due to the veteran's own willful misconduct.

The veteran must have more than 90 days active military service terminated by a discharge under other than dishonorable conditions.

The club entering a membership drive to last through the last meeting in July, so all you inactive members get busy, attend, and bring a new member with you!

The loser of the contest is to entertain the winning side in some form of a party.

Mrs. Wilson, CHDA, gave an interesting discussion on drapes and drapey materials.

Our next meeting will be with Katherine Wittner, May 8, at 2 p. m. Six members and one visitor were present at this meeting.

Information For Veterans

Q. May a wife, widow or other dependent of a veteran be granted hospital care by the Veterans Administration?

A. No. The person must have served in the armed forces.

Q. If a veteran dies after discharge from service may a burial allowance be awarded by the Veterans Administration?

A. When a veteran of any war, discharged from active service under conditions other than dishonorable, a veteran of any war in receipt of compensation or pension, or a veteran of other than wartime service discharged for disability incurred in line of duty or in re-

Fidelis Class Met With Mrs Hart

The Fidelis Class met in the home of Mrs. Mary Hart Tuesday April 30 with Mary Thomas and Elizabeth Barnett as co-hostesses.

Mrs. Ray Griffiths gave a very inspiring devotional taken from 1st Corinthians.

Mrs. Crow had charge of the business session and it was decided to have our meeting time at 3:00. Mrs. Margaret Holt had charge of the games.

Sunshine friends were revealed and names redrawn.

Delicious refreshments were served to the following:

Mesdames: Bertha Pool, Florence Holmes, Margaret Holt, Rose Hozdam, Ethel Burrow, Grace Lane, Ray Griffiths, Virginia McHorse, Arthur Crow, Chet Layne, Gladys McWilliams, Grace McDaniel, E. H. Kennedy, L. T. Green, F. H. Davis, Mabel Bristow, Naomi B. Clair, Lora Jennings, Rena Preure, and the hostesses, Mary Hart, Mary Thomas and Elizabeth Barnett.

The next meeting will be June 6 with Mrs. L. T. Green, Jr.

Wesleyan Guild Entertain Husbands

The Wesleyan Service Guild entertained their husbands with a covered dish luncheon at the Fellowship Hall, Monday Evening, April 29.

Those attending were Messrs and Mesdames: N. H. Greer, A. J. Gardner, David Anderson, Sam Fox, Olen Jennings, Buford Butts, Delma McCarty, Noel Woodley, Odie Baker, Homer Sanders, Ray Edwards, Jim Burkhead, Curtis Spivey, Rev. and Mrs. W. B. Vaughn, Glenn Rockey, Mrs. Mary L. Pinson, Mrs. Anita M. Butler, Miss Elizabeth Harden, Fred Johnson, Mrs. Clyde Holt and children.

MULESHOE CLUB

The Muleshoe home demonstration club met with Mrs. D. R. Aylesworth April 25.

Save a tailor bill was a topic given for discussion and each lady gave her method, spot cleaners, ingene, naphtha, treated pressing clothes, sleeve board and heavy padded shoulder board along with mild soap were some of the methods used.

The best magazines for the entire family were discussed. Readers Digest, Life, Ladies Home Journal, and their group.

Refreshments were served to three visitors, four new members, ten members and the hostess, Mrs. Aylesworth.

Oilers Win, Chicks Lose First Game

The Muleshoe Oilers finally got in a winning game with the Muleshoe Chicks, Tuesday, April 30. The Chicks is another softball team to Muleshoe's credit organized by Tye Young and consists of a group of boys of high school age.

No runs were made by either team in the first inning. In the second, two outs were made by Middlebrooks and Howell; Dorsey came up with a home run, thus making the first score for the Oilers. The Chicks made 3 scores during that inning. The Oilers made 6 scores in the fourth inning.

The final scores were: Oilers, 7 Chicks, 3. The winning pitcher for the Oilers was Calvin Embury and the pitcher for the Chicks was Olan "Red" Hicks.

Connie Dale Gupton Given Discharge

Connie Dale Gupton, son of Mr. and Mrs. C. D. Gupton received his honorable discharge from the Army Air Corps April 3. He served with this branch of service 3 years, overseas, 1 year.

He completed a pre-meteorology course at Washington University at St. Louis, Missouri. From there, he went to Chanute Field, Illinois, where he spent 11 weeks taking a weather observer's course. He then went overseas and worked in a weather station.

HALF OF POTENTIAL FAT SALVAGE IS UNTOUCHED

Half of the potential fat salvage has been untouched, and one third of the American housewives are not saving used cooking fats, figures indicate.

Every woman can cooperate with the President's Family Emergency Committee by using less wheat and fats and oil products, but probably the most tangible contribution that most housewives can make to this world food shortage is the used

cooking fat she saves and turns over to the meat dealer for four cents a pound.

If every woman currently salvaging fat would set herself up as a committee of one to urge some friend, not currently saving fat, to do so regularly, it would not only double the amount of fat salvaged and ease the strain on edible fats and oils, but it would answer the very personal need for more soap here at home.

Intensive Revival Series Is Baptist Plan

C. E. Matthews

In preparation for an intensive program of evangelism, the Rev. C. E. Matthews, pictured above, has resigned the Travis Avenue Baptist Church, Fort Worth, one of the largest in America, to lead the campaign for Texas Baptists. He was selected because of his success for 24 years at Travis Avenue, during which time he baptized over 4,400 new members. His plans include county-wide revival meetings over the state.

enough fats during 1945 to produce approximately one half of the toilet soap; all of the laundry bar soap; about 25 per cent of the heavy duty packaged laundry soaps; or twice as much as was needed to produce all of the fine fabric packaged soap.

Each individual can constitute himself a famine committee of one and make material contribution in food to men, women and children who are starving for lack of it.

MARCH BUILDING PERMITS CONTINUE TO CLIMB

AUSTIN—In spite of the shortage of building materials, building permits issued in Texas in March were almost twice as large as they were in February, statistics prepared by the University of Texas Bureau of Business Research show.

Totals for 47 Texas cities for the month of March were \$43,065,964, as compared with \$24,069,479 in February and \$9,890,702 in March a year ago.

METHODIST DISTRICT CONFERENCE AT LOCKNEY

The Plainview District Methodist Church Conference will meet in Lockney May 7 and 8. This district is composed of 26 pastoral charges and about 35 churches. The pastors and several laymen from each church will attend. Rev. W. C. Hinds, the district superintendent, will preside.

The following are delegates from the Muleshoe church: A. C. Gaedt, A. W. Copley, Sam Fox, Noel Woodley, Ray Edwards, Mrs. I. W. Haney, Miss Ann Bates, and Rev. and Mrs. W. B. Vaughn. There are

some others who are not delegates who are planning to go.

Rollin' 'em faster on the Santa Fe

Santa Fe serves the Southwest with two main lines.

The northern route runs across the plains of Kansas, southeastern Colorado, and goes over the mountains at Raton Pass.

The southern route leans south in eastern Kansas, runs through Oklahoma, the Texas Panhandle (where it is joined by other Santa Fe lines serving Texas), crosses central New Mexico, and joins the northern route again near Albuquerque.

Along these main lines Santa Fe has increased its yard facilities, straightened out curves and lengthened sidings to handle more freight trains.

Centralized Traffic Control systems have been installed, virtually adding another "main line" to important parts of the Santa Fe.

A great new double-track steel bridge across the Colorado River removes the "bottleneck" created by the old single track bridge it replaces.

80 giant 5400-horsepower Diesel locomotives—the most powerful freight Diesels in the world—are pulling heavy freights over our steepest mountain grades.

These increased facilities on the Santa Fe are ready to "roll 'em faster" for shippers even more efficiently than before.

BUILDING AHEAD

of a fast growing TERRITORY

Mile on mile of new transmission lines, begun even before the war's end, are now bringing low cost electric power to more homes, more farms, more industries, more businesses.

Our active expansion program includes many more miles of transmission lines, under construction right now. We've always had faith in the future and prosperity of the Panhandle, Plains and Pecos Valley area... and we're continuing to build ahead of this fast growing territory.

Take a look at this schedule of projects, already under way, or awaiting more materials:

Additions to power plants at Borger's Riverview Station, Carlsbad, Denver City, Clovis and Guyton to produce 100,000 additional horsepower, at a cost of \$6,000,000. New transmission lines, power plant and substation facilities costing \$2,500,000. Another \$3,500,000 will be spent on improvements throughout our entire service area to build miles and miles of additional new power lines which will open new vistas to better living, better farming, new industries, and more profitable business.

Yes, the Panhandle, Plains and Pecos Valley area is growing fast... and we're BUILDING AHEAD to the tune of \$12,000,000 to help develop a better, more prosperous territory by bringing more electric power to more people... at lower cost than ever before.

No. 15 in a series of advertisements designed to help build this fast growing territory in which we serve.

That an insurance firm has written a booklet on how poor the safety records of veteran pilots has been. The fact is that during the first nine months of 1945 only seven accidents were at all attributable to the inability of a service-trained pilot to fly a light plane.

Baptist Hospital Collection May 12

Baptist Churches throughout Texas will observe Mother's Day May 12 with their second annual Mother's Day Hospital Fund Collec-

tion to provide charity care for the needy sick in the five Baptist hospitals of the state.

Sunday schools, church congregations, and all church organizations will participate, with every member invited to make a gift to the sick poor as a personal tribute in honor, or in memory of his own mother.

In the initial collection last year, Texas Baptists gave \$30,000. All gifts are used solely for giving free hospitalization to critically ill patients in need of hospital therapy but unable to pay for such treatment. The five Baptist hospitals are Hendrick Memorial Hospital, Abilene; Baylor University Hospital, Dallas; Valley Baptist Hospital, Harlingen; Memorial Hospital, Houston; and Hillcrest Memorial Hospital, Waco.

Patients cared for under the fund are accepted from all parts of the state and need not be Baptists nor of any denomination.

Uncle Sam Says

About this time of year, we hunger for a sight of green sprouts and the first signs of a plentiful fall crop. I am visiting my nephew, Farmer John, in Iowa. John's seeds produce the golden corn we all love. John is also planting financial seeds. These seeds are United States Savings Bonds. Savings Bonds grow to golden hue. Every city worker also can plant and nurture these seeds.

BAILEY METHODISTS TO OBSERVE McMURRY DAY

ABILENE — The six Methodist churches of Bailey County will observe McMurry College day next Sunday, along with more than 300 other Methodist churches in Northwest Texas.

A goal of \$20,000 has been set for

the amount to be contributed by the Methodists of this conference, the money to go to McMurry College maintenance fund.

An annual observance, each church has been given a quota in proportion to its total membership.

Howdy Folks: Heat will allay pain, in many instances, according to a doctor's statement, but getting hot under the collar won't lessen a pain in the neck. On the other hand, sitting in front of an electric fan is a good way to blow your top.

Of course, some men are obsessed with the idea that they can keep fit by throwing one.

We heard about another medical theory that claims a man is shorter at night than in the morning.

We have never tried this theory out but we have noticed a tendency to be short at the end of the month.

Have you noticed how many good people are using our air conditioners around these parts?

There's a real sound habit to form.
