Tom Christian Enters Race For Representative

Tom Christian

☆☆☆

Tom Christian, an Armstrong County farmer and rancher has entered the Republican primary election for the office of State Representative of the 75th Legislative District. The district comprises Armstrong, Briscoe, Carson, Collingsworth, Donley, and Randall Counties.

Mr. Christian has been chairman of the Armstrong County Republican Executive Committee since 1960, and he was a state delegate at the 1962 convention. He is a strong advocate of state government, sound law enforcement, and is opposed to a state income tax.

"Last year for the first time the Texas Legislature went into one year financing and this will cost the taxpayers \$15,000 per day just to conduct the session," Mr. Christian said. "As a Republican I feel I would be free to work for a more responsible handling of state funds."

Having taught school he realizes the necessity of a strong educational system in the state and favors local control of the schools at the secondary level.

Mr. Christian is a graduate of Claude High School and received his B. S. degree from West Texas State in 1955. He served two years in the U. S. Naval Ceremonial Guard in Washington, D. C.

He is an active member of the Claude Methodist Church. He is also a director of the Greenbelt Electric Co-op, a director of the Panhandle Livestock Association, a director of the Armstrong County Medical Center, and a member of the American Legion, and the Claude Chamber of Commerce. He helped organize the Palo Duro Shooting Preserve and is an outfitter for the organization.

Mr. Christian is married to the former Anne Thomas of Ralls and they have three children, Frances Anne, age six; Joe, age four and Richard, one year old. Mr. Christian's grandparents settled in Armstrong County in 1888.

MAIN STREET GETS MORE BUILDING IMPROVEMENT

Another building on West Main Street has taken on a new look, thus adding to the good looks of that end of town.

The building belonging to Mrs. Carrie Jago which houses the recreation parlor owned by Joe David Payne, has been completely redone inside and out.

A new aluminum and glass front has been installed, along with a general modernization and clean-up on the inside of the building.

The modernization and face lift on the building adds much to the appearance of that side of the street. The Tribune expresses its appreciation to Mrs. Jago, who makes her home at Amarillo, for helping make our town a better-looking town, and thus a better place to live.

Mr. and Mrs. M. E. Loving attended the Fort Worth Fat Stock Show the last weekend in January.

J. C. Fowler Enters Sheriff's Race

The Tribune has been authorized to announce the candidacy of J. C. Fowler for the office of Sheriff, Tax Assessor-Collector for Briscoe County.

Mr. Fowler is a native of Briscoe County, and was born in the Gasoline community. He has lived in the county all of his life.

Mr. Fowler stated that he realizes the importance of the job of being sheriff, tax assessor-collector and the responsibilities it entails, adding that he feels that he is capable of taking care of the job.

He says it is his intention of seeing everyone in the county before election day and talking with the voters.

Mr. Fowler said that he will appreciate the vote and support of everyone.

SID McFALL SPENDS A WEEK IN PLAINVIEW HOSPITAL

Sid McFall returned home Friday last week after spending a week in Plainview Hospital & Clinic.

Mr. and Mrs. Billy Joe McFall and family of Pampa visited his parents over the weekend.

J. W. Dianes of Kress visited Mrs. J. W. Ewing Sunday.

Mrs. Travis Gilliland, Sr. of Cisco is spending this week with her son, Travis, Jr. and his family.

Flomot Teams Win Three of Four Games Played

Flomot's High School's basketball teams hosted the Lakeview High Eagles and Eaglettes Tuesday night and came out all even with the girls losing to the visitors, 66-56 after being ahead 48-47 at the end of three periods. The Long-horns raced by the Eagles 65-46.

Tuesday night the Flomot teams drove over to Matador and won both ends of a doubleheader, the girls taking an easy 52-26 victory over the county seaters. Flomot also took a lopsided 82-62 win over the Matadors.

In the Lakeview game Susie Gilbert poured in 25 points to lead the Longhornettes in that contest. Tonda Hatley of the Eaglettes won scoring honors for the night with 37 points.

George Calvert canned 34 points for the Longhorns against 18 for the Eagles' Wayne Wright.

Against the Matadoretttes, Pam Morris and Susie Gilbert shared scoring honors, each pouring in 24 points. Brigit Barton was high for Matador with 9 points.

George Calvert netted 45 points against Matador while Ronnie Welington hit 27 for Matador.

Flomot winds up the round robin part of the schedule Friday at home against Turkey. The Longhorns are currently in second place in district standings, having lost only to league-leading Quitaque Panthers.

Flomot Grade School teams played Matador Monday night of this week and both teams lost, the girls going down 15-24 and the boys taking a 6-58 licking at the hands of the Matadors.

Janine Pigg scored 11 points for Flomot in the girls game and David Martin was high with 3 points in the boys game.

Tuesday night the grade school teams played Patton Springs and the Flomot girls won 26-22 while the boys lost 11-27. Janine Pigg scored 16 points for the Flomot girls and David Martin made 9 points for the boys.

Pantherettes Ease By Estelline Panthers Continue To Roll

IF NECESSARY, PLAYOFF GAME WILL BE TUESDAY NIGHT

Provided the Quitaque Pantherettes and the Estelline Bearettes are not upset in Friday night games, and it is not figured they will, those two teams will meet in a playoff game to determine the winner of the round robin portion of the basketball schedule.

If the two teams win Friday night, officials of the two schools will meet at Turkey Saturday morning at 9 o'clock to determine schools do have a playoff game it will be played Tuesday night and will be at either Silverton, Clarendon or Memphis. If the two schools do have a playoff game it will be the third straight year for the two girls teams to have such a playoff. Neither team has been able to win on the other's home court in the past three seasons.

LOCAL SCHOOL BOARD CALLS SCHOOL TRUSTEE ELECTION

At the regular meeting of the Quitaque School Board Monday night, a School Trustee Election was called for Saturday, April 6, for the purpose of electing three School Trustees.

The terms of Bill Woods, L. B. Monk and Gaston Owens expire this year. At the present time only Gaston Owens has consented to run for re-election.

Anyone interested in becoming a candidate for election as a school trustee is invited to sign an application blank to that effect. Application blanks may be obtained at the office of Supt. Herman Moseley or from Mrs. Josie Johnston at the school tax office. Applications must be in by 30 days prior to the election day in order to have a name placed on the official ballot. Thursday, March 7 will be the last day to file as a candidate for election as a school trustee.

In other business during Monday night's session, the board appointed Mrs. Josie Johnston to render school taxes for the coming year. Patrons are reminded that they may go to the school tax office and render their taxes any time they are in town and get that little chore out of the way. Mrs. Johnston stated that she would be glad to take a rendition of taxes any time.

Lynn and Glynn Hamilton of Richmond, Va. arrived Friday of last week for a visit with relatives here. They flew to Amarillo. Mr. and Mrs. Chester Wayne Hamilton and 4 children of Fort Worth also came Friday night. Their sister, Mrs. S. L. McKenzie, and her husband, also of Fort Worth joined the others Saturday night. All of them were overnight guests of Mr. and Mrs. Raymond Hamilton. All the family were dinner guests Sunday of Mr. and Mrs. Leroy Hamilton.

LAST RITES HELD FOR MRS. ALBINA GARCIA

Gravesides rites for Albina Garcia, 85, were held at 3 p. m. Monday, February 5 with Father James Dattin of Tula officiating. Burial was in Rest Haven Cemetery under the direction of Quitaque Funeral Home.

Mrs. Garcia died at 12:30 p. m. Sunday, February 4 at her home here. She had lived here in Quitaque five years. She was a member of the Catholic Church at Silverton. Mrs. Garcia was born March 1, 1882 in Mexico. She came to Texas in 1926. She lived at Pharr before coming to Quitaque.

She is survived by one son Elixio Garcia of Quitaque.

History has a way of repeating itself and last Friday night before an overflow crowd of basketball fans who came from far and near, the Quitaque Pantherettes and the Estelline Bearettes staged another of their history-making duels that went right down to the final buzzer before the Pantherettes won by 2 points, 43-41. As has been the case in the district race for the past three years, each team won at home. The two previous years Estelline and Quitaque girls have had to play a tie-off game to determine a winner in the round robin part of the schedule. If the two teams win Friday night, and it appears very likely they will, then there must be a playoff game.

The Panthers had no trouble in winning over the Estelline Bears last Friday night as they won 122-58. Fans started arriving at the local gym by 6 o'clock in order to get their favorite spot in the "cracker box." By game time the gym was overflowing with fans from Quitaque, Estelline, Silverton and Turkey and people were also here from Abilene, Amarillo, Sweetwater, from Vega, Wildorado, Flomot, Roaring Springs, Lockney, and other towns all over the area.

The fans were not disappointed for they saw quite a contest. Estelline's great Cheri Rapp scored first to put the Bearettes ahead. Barbara Chandler tied the score at 2-2, then Rapp shot the Bearettes ahead 7-2 only to see the Pantherettes pull even at 7-7. The visitors pulled away to lead 14-8 at the end of the first period. During the early minutes of the second period it became very evident that the Pantherettes were in trouble for the forwards were missing shot after shot that was usually duck soup for them. Too, Sherry Stark acquired her fourth personal foul about midway of the second quarter. Meanwhile Rapp was pouring them in and the Pantherettes found themselves on the short end of a 10-20 score. When Sherry Stark drew her 4th foul Coach Gilliland sent in Jackie Cheatham, who had not figured to be used since she had suffered a broken nose in the Turkey-Quitaque game on Tuesday night and could not even wear her glasses.

BRISCOE COUNTY HUNTERS NAB GOOD SHARE OF SHEEP

CANYON — Miserable hunting conditions with temperatures hovering down to 10 degrees and 20 mile per hour winds resulted in a lower than expected kill of aoudad sheep, according to Phillip Evans, wildlife biologist in Canyon for the Texas Parks and Wildlife Department.

Evans said during the five-day hunt in the Palo Duro Canyon area, hunters killed 21 aoudads. Seventy of the 84 permits issued to landowners were used by hunters. The kill represented a 30 percent hunter success.

Evans said hunter success averaged 24 percent in previous years. There were 19 sheep killed in 1966, 16 in 1965, 13 in 1964, and 9 in 1963.

Forty - four of the buff-colored natives of Africa's Atlas Mountains were released in the Palo Duro Canyon area ten years ago by the Department on an experimental basis. The population now is estimated at over 600.

Of the 21 sheep killed 13 were rams and 8 were ewes. The largest ram field dressed at 215 pounds and had a horn length of 27½ inches.

"The hunters did not see as many as they normally do," Evans said. "Sheep were killed on ranches where they had never been killed before. This leads me to believe that the sheep may have moved off their home range due to the severe weather."

Twelve of the 21 sheep were killed in Briscoe County, which as O. R. Stark stated in his monthly Bank newsletter, "Comings, Goings and Doings", proves once again that more sheep abound in the Caprock country north and west of Quitaque than anywhere else in the basin. He went on to say that many hunters will tell you that this is the most difficult hunting they've experienced, for the terrain is rugged, and the sheep are well camouflaged, and it takes a trained eye and steady nerves to bag one. O. R. stated that one doctor from Fort Worth said: "No Game hunter's trophy room will ever be complete unless he has one of these trophies hanging on his wall."

BUTCH HAMILTON HOSPITALIZED

Butch Hamilton was carried to Lockney General Hospital Sunday night suffering intense pain in his side and back. It was determined that his trouble is kidney stones. He was still in the hospital at this writing (Wednesday morning).

That young miss, however, pulled the team together and started to do some scoring on her own, even managing to pull up a bit, trailing by seven points at halftime, 20-27.

Following the intermission the Pantherette guards clamped down on Estelline's scoring attack and allowed the visitors only three points during the third period, all of them free shots. Meanwhile, the Pantherettes were doing some scoring down on their end of the floor and with a minute and 16 seconds left in the third quarter, Jackie Cheatham made a brand-new ball game out of it when she tossed in a field goal that tied the score at 29-29. Estelline made one more free shot to lead briefly at 30-29 but the Pantherettes scored again to lead 31-30 at the three-quarter mark. The Pantherettes were never behind again, although Estelline did tie the score at 36-36 and 41-41. Jackie Cheatham scored the winning two points with less than 10 seconds left.

Billie Cheatham fouled out during fourth quarter, and Barbara Chandler, who normally plays at a forward position, filled in capably in Billie's spot. Jackie Cheatham led the scoring for Quitaque with 17 points. Carol Myers hit for 10 points, Barbara Chandler made 9 points and Sherry Stark wound up with a 7-point total.

PTA To Present Good Program Monday Night

Monday night, February 12 will be a big night for the Quitaque PTA. At 6:30 p. m. the PTA is sponsoring a salad supper honoring the teachers in our school system. At 7:30 the Fifth and Sixth grades, under the direction of Tommy Haralson and Mrs. M. C. Jones, will present a play entitled "Litterbug on Trial."

A speaker from A & M University will present his views on the beautification of a town.

Monday night's PTA meeting gives promise of being a very interesting one. Won't you make plans to attend?

Mr. and Mrs. Bud Bailey and Janet took the Wassom children, Joey and Louie, to their parents, Mr. and Mrs. Joel Wassom in St. Joseph, Mo. over the weekend.

They left Wednesday morning and drove straight through that day, 714 miles with two babies. They report that the Wassoms are liking their new home and work, although they do hate to be so far away from loved ones.

The Baileys left for home Saturday, stopping in Grenola, Kan. to spend the night with Mrs. Bailey's sister and her husband, Mr. and Mrs. Woodrow Kessinger. The Baileys drove on home Sunday.

Mr. and Mrs. Fulton Gregg of Silverton came Thursday of last week and took Mrs. J. W. Ewing to Flodyada where she had an appointment with an optometrist. They brought her back home that evening.

Mrs. Dud Waters of Silverton visited her mother, Mrs. Willie Lou Boyles, Sunday.

MR. AND MRS. M. C. JONES TO HAVE OPEN HOUSE

Mr. and Mrs. M. C. Jones and family have moved into their new home located just east of the high school.

Mr. and Mrs. Jones are having open house at their home Saturday night from 6 until 9 o'clock and invite everyone to come by and see their new home.

That young miss, however, pulled the team together and started to do some scoring on her own, even managing to pull up a bit, trailing by seven points at halftime, 20-27.

Following the intermission the Pantherette guards clamped down on Estelline's scoring attack and allowed the visitors only three points during the third period, all of them free shots. The Pantherettes were never behind again, although Estelline did tie the score at 36-36 and 41-41. Jackie Cheatham scored the winning two points with less than 10 seconds left.

Billie Cheatham fouled out during fourth quarter, and Barbara Chandler, who normally plays at a forward position, filled in capably in Billie's spot. Jackie Cheatham led the scoring for Quitaque with 17 points. Carol Myers hit for 10 points, Barbara Chandler made 9 points and Sherry Stark wound up with a 7-point total.

Cheri Rapp took scoring honors with 32 points. Cheri poured in 24 points in the first half of play, and

The Rev. and Mrs. Al Jennings and children of Vega were here Friday night to attend the basketball game between Quitaque and Estelline. The Jennings spent the night with Mr. and Mrs. Jimmy Davidson and boys and their children visited with friends.

Deborah McKay of Amarillo spent the weekend at the home of her parents, Mr. and Mrs. Lon McKay. Sunday visitors at the McKay home were Mrs. Greg Gregory and Keith, Lorenzo, Mrs. Elbert Sperry and Susan of Idalou, and Mrs. Bill Lane, David, Joe and Susanne of Turkey.

Mr. and Mrs. Johnny Ted Bingham of Big Spring spent the weekend with their parents, Mr. and Mrs. James Barefield, and Mr. and Mrs. Bruce Gibson of Turkey. They arrived in time to see the Quitaque-Estelline basketball games.

NEWSPAPER RARITY

The following article appeared in last week's edition of the Floyd County Hesperian in editor Wendell Tooley's Caprock Chat column. The Tribune editor wondered about the same thing but had found no figures to use. It is quite interesting. The article is as follows:

"I want to remind our readers to save the February 29, 1968 edition of the Hesperian. There won't be another like it until 1996

This year is Leap Year and it brings a rare situation for country newspapers that are published on Thursdays. There are 29 days in this month and the first falling on Thursday means the weeklies will publish five editions during the short month.

There are few country editors about who have ever dated their publications February 29. It's not often possible, for in the last 152 years February 29 has fallen on a Thursday only four times. The years were 1816, 1944, 1872 and 1940.

only 8 in the second half, quite an accomplishment for the Pantherette guards.

In the boys game it was only a question of "how much."

Jimmy Pointer poured in 44 points to pace the Panthers' scoring attack. Johnny Pointer was next with 18. Roland Hamilton hit for 16 points, Lyn Payne 15, Pablo Leal 9, David Bruson, 7, Jimmy Monk 5, and Bill Loudermilk, Perry Brunson and Stan Price each made 2 points.

Tuesday night the teams drove over to Lakeview for two games and won both of them.

The Pantherettes won 66-46 and the Panthers topped the century mark for the seventh time in district play, downing the Eagles 104-60. It was the ninth straight win in district competition for the Panthers.

Carol Myers and Sherry Stark shared scoring honors with 22 points each.

Tonda Hatley scored 30 points for Lakeview.

Jimmy Pointer and Lyn Payne shared scoring honors in that contest with 31 points each. Roland Hamilton tallied 21 points for the Panthers, Johnny Pointer hit for 10, Leal 4, David Brunson 3, Bill Loudermilk and Perry Brunson 2 each.

The regular season comes to an end Friday night when the local teams host the Matador High teams. The next weekend, Thursday, Friday and Saturday, February 15, 16, and 17, the Boys District Tournament will be played at Matador. The two top teams, probably Quitaque and Flomot, will not play on Thursday night, and will meet the Thursday night winners on Friday night.

CONDITION OF MRS. CAIN REPORTED IMPROVING

Mrs. W. W. Cain was carried to Lockney General Hospital by ambulance on Wednesday of last week, where she remained until Friday, when she was transferred to Baylor Hospital in Dallas. Mr. and Mrs. Bill Griffin driving her to Dallas. It was at first feared that Mrs. Cain must have surgery, but her daughter, Mrs. John Manry, sent a card to the Griffins stating that her mother was better and it was believed she would not have to undergo surgery after all.

Burl Clark of Jal, N. M. came Sunday of last week and visited until Tuesday at the home of his parents, Mr. and Mrs. Pete Clark.

WILLIE WATTERS BURIED THURSDAY AT SILVERTON

attend a three-day convention in Vernon, February 23-25.

Upwards of 450 delegates from the Caprock south to Lubbock and surrounding communities are expected to attend sessions to be held in Wilbarger Memorial Auditorium.

According to Von Tiffin, spokesman for the group, assemblies of this type are held semi-annually and the purpose is to train Jehovah's Witnesses in their ministry by emphasizing Bible principles regarding integrity, truthfulness and honesty.

The program will include morning, afternoon and evening sessions devoted to Bible talks discussions and dramatizations with delegates from the local congregation participating. There will also be a baptism of new ministers.

Announcement was made of the upcoming event by Robert White, new traveling minister for Texas Circuit No. 9, co-sponsor of the Christian gathering, along with the Watchtower Bible and Tract Society. White will be a tri-annual visitor to Quitaque as well as being one of the main speakers for the Bible seminar.

The main lecture will be on the subject "Why Does God Permit Wickedness?" which will be the

convention highlight to be given by A. A. Catanzaro, district supervisor from the world headquarters of Jehovah's Witnesses who travels an 8-state area.

All convention services will be performed by volunteer workers who are also convention attenders with the entire assembly to be organized and operated by Jehovah's Witnesses themselves, none of whom receive any remuneration for their services.

Announcement is expected soon as to the local delegates that will participate in the program as well as sharing in the convention organization which will consist of 22 different departments that will function during the Christian gathering.

From The County Agents' Desk

Have you decided how to fertilize your pastures and spring planted crops? With recent rains, most soils have been too wet to sample for soil tests. But, these rains have replenished subsoil moisture needed for small grains, spring pastures and other crops.

With favorable moisture, prospects are better for high yields; therefore, it is important that fertilization supply those plant nutrients lacking in the soil in amounts sufficient to meet the higher production requirements.

Even though 1967 was relatively dry in most areas of Briscoe County,

numerous demonstrations show that fertilization according to soil and crop requirements was a highly profitable investment. Since the plant food content of soils varies, as does the crop requirements, a soil test will provide information about the capacity of the soil to supply plant food and provide suggested amounts of plant nutrients to apply.

For information about soil tests, come by the office. I have boxes and instructions for collecting sampling units, collecting a composite sample from each unit, completing the history sheet and mailing to the laboratory along with the \$2.00 fee per sample. From 10 days to 2 weeks is required to get a report back from the lab.

CATTLE LICE

Cattle lice may not create much of a problem in the warm months but it's a different story during the winter season. Closer confinement aids the spread of lice from infested to clean animals.

By the time lice are easily seen, much of the damage may already

have been done. The time to treat lice is while the infestations are light.

Four species of lice suck blood from cattle and one feeds on hair and scales. Cattle infested with lice have a rough, coarse appearance and do not make normal gains. The pests, expalins the county agent, are more abundant during winter and spring when the hair is long.

Because of the restrictions on the use of the various insecticides available for treating cattle, it is suggested that a copy of MP-691, "Texas Guide for Controlling External Parasites of Livestock and Poultry" be picked up at the office. The guide lists the various chemicals along with the amounts to use and the restrictions on their use. Formulations for both dusts and sprays are given.

In addition to information on lice the guide also lists control measures for many other livestock and poultry parasites and also a dilution chart for mixing sprays and dips.

The name of one of the pallbearers for Mrs. Kate Chandler was omitted from the list in her obit-

SWISS SKYRIDE—Sidewalk superintendents are viewing progress on HemisFair '68 from the air with the help of the Swiss Skyride over the World's Fair grounds. These early bird visitors are part of more than 20,000 persons who have taken the skyride since it was opened to the public on Christmas weekend. The 622-foot Tower of the Americas with its six-story tophouse in place draws the attention of many sightseers.

NAMED TEXAN OF THE YEAR—Each January the Texas Press Association designates a native born Texan, now residing outside the State and bringing honor to the state, as its **TEXAN OF THE YEAR**. This year the selection was from the field of sports. Chosen was Raymond E. Berry, outstanding end for the Baltimore Colts. Berry, born in Corpus Christi and reared in Paris, has been with the same National Football League club for the past 13 years. TPA President Harold Hudson (left) of Perryton is pictured here helping the sterling athlete hold his award-winning copper engraved plaque. Presentation was made by President Hudson on behalf of the newspapers of Texas for Berry's outstanding accomplishments, gracious charm, Christian leadership and conduct both on and off the field of play.
