Pat R. Bobo Announces For County Attorney

Pat Bobo this week authorized The Journal to announce his candidacy for the office of Bailey County Attorney, and issued the following statement:

To the voters of Bailey County, Texas: I take this opportunity of announcing my candidacy for the office of County Attorney of Bailey County, and thank you for your vote, confidence and cooperation in the past. I assure you that your vote and influence will be appreciated.

PAT R. BOBO

Claude Riley Is Given Discharge

Claude Riley received his honorable discharge from the U. S. Navy in San Pedro, California January 25 and arrived in Muleshoe Tuesday. He served as Metalmith 2-c aboard the USS Belle Isle, a repair ship. He was in the service two years and 16 months, and served most of this time in the South Pacific. He was with the Southwestern Metal Service Co. when he entered the service.

ENROLLS AT TARLETON

Boyd Lowry, of Muleshoe, is among the two hundred veterans who recently enrolled at John Tarleton College in Stephenville this semester. Boyd is majoring in Agriculture. While in the Air Force he saw service in the European Theatre, and is entitled to wear the Air Medal with 1 cluster and 3 battle stars.

F. F. A. Banquet Was Held Friday Night

The Muleshoe Chapter of Future Farmers of America held their annual Father and Son Banquet last Friday night with the greatest success in the history of the chapter. The achievement was due to the splendid fellowship and cooperation shown by the members and business firms of this community. The chapter entertained approximately 175 guests including members of the Lions Club and Chamber of Commerce. The main attractions of the evening were featured by the Muleshoe Hot Shots, who gave the musical entertainment, and Mr. Charlie Whitcare of Lubbock who delivered the address for the evening. As for the Chapter we wish to express our deepest appreciation to the Speer and Western Drug Companies, Ray Griffiths Elevator, Steffens Ice Cream Company of Amarillo, and the Borden Company of Lubbock for donating the ice cream, Beans, and spoons for the occasion.

FIRE DAMAGES HOME

Fire which started in an overstuffed chair last Friday night destroyed the chair and caused smoke and water damage to floors and walls of the living room at the N. L. "Red" Johnson home. Smoke awoke members of the family about 3:30 a. m. Many local men leaped from their downy beds to go and lend assistance in quenching the flames.

Anita M. Butler, Mary L. Pinson, and Mrs. Marty Ezell announce the opening of the Muleshoe School of Fine Arts. Registration has started and classes will begin Monday, March 3. Private and class lessons for all school age children and adults are offered in Piano, Voice, Music Theory and Speech. A special feature of the school is the Musical Kindergarten for pre-school children. The Musical Kindergarten is a well-planned and integrated course of study, adapted to the age and ability of the four and five year old child. We hope to develop the love of beauty, to provide an opportunity and desire for self-expression in creative experience, to develop the desire and power to respond to different types of rhythms and moods with a joyous bodily response and to cultivate an appreciation of good music through listening to the best in music. The work will be given in an understanding, interesting, fun-like manner which will make of music a pleasure for the small child. There will be periods for rest, play and refreshments. The hours will be from one to four in the afternoon, Monday through Friday. The faculty includes Anita M. Butler—piano, Mary L. Pinson—voice, and Mrs. Marty Ezell—speech and Mrs. Butler and Mrs. Pinson—Musical Kindergarten.

Those interested in any phase of the school are invited to contact either Mrs. Butler or Mrs. Pinson at the studio or through Box 103, Muleshoe. The reasonable tuition is within the reach of everyone. We invite you to visit the school at anytime, and your interest is solicited and appreciated. For further details, see advertisement.

LIONS LADIES NIGHT MONDAY

Muleshoe Lions Club are to have their Ladies Night program Monday night, March 3. The banquet will be held at Fellowship Hall of the First Methodist Church. Charlie Dean, Plainview, the district governor of Lions International, will make his annual visit to the club, but no one has been able to learn just what else the program committee has cooked up.

Half Century Club Met At Hall Home

The Half Century Club met in regular session with Mrs. Mattie Hall, hostess, February 21 in the home of Mr. A. J. Gardner. The meeting was called to order by the president, Lucy Lyvie. The minutes of the last meeting were read and approved. Mrs. Bulah Carles was able to be present after her recent illness and regret the absence of a number of members. A delicious plate lunch was served to Mesdames: Parsons, Snyder, Carles, Davis, Paul, Stone, Welch, Farris, Moller, West, Mardis, Panter, Williams, Witte, Ingram, Layne, Hall, Gardner, and Jones. A few musical selections were played by the hostess also accompanied the theme song, after which we were adjourned. We will meet in Mrs. Willie Lee of Clovis, Monday, March 4.

R. C. Sheegog Funeral Rites Held Tuesday

R. C. Sheegog, 63, resident of the West Camp community since 1939, died last Sunday, February 24 at the school house, where he was stricken while attending church. He passed away without regaining consciousness. Funeral services were conducted at West Camp Tuesday at 2:30 p.m. by Rev. Robert B. Mathis, Shamrock. Mr. Sheegog had been a member of the Baptist Church since August, 1908, when he united with the Prairie View Baptist Church near Chillicothe, Texas. In 1918, he was ordained a deacon in the Westview church, near Gainesville. Interment was in Muleshoe cemetery under the direction of Steed Funeral Home. Members of Odd Fellows lodge assisted in funeral and burial rites. Mr. Sheegog had been a member of that order since 1928. He was teacher in the West Camp Sunday school. Mr. Sheegog is survived by his widow and seven children: Mrs. J. C. Cummins, Mrs. R. H. Brown and Miss Joyce Sheegog, all of Muleshoe; Mrs. W. D. Winstead, Coahoma, Texas; Robert L. Sheegog, Lake, Kansas; Mrs. Carl Van Mechelen, West Falls, New York; and Mrs. R. L. Mitchell, Lubbock. Other survivors include a sister, Mrs. A. R. White, Minola, Texas, and two brothers, Sam Sheegog, Muleshoe, and W. H. Sheegog, Shamrock.

HD COUNCIL MET FEBRUARY 22

Representatives of six Home Demonstration clubs of Bailey County met February 22 in the district court room here for the regular Council meeting. Mrs. G. T. Maltby was principal speaker. Members voted for a contribution of \$125.00 from each club council expense. Each club is to elect one delegate for the district meeting April 9 in Brownfield. A sewing machine clinic will be held March 9, at 10:30 o'clock in the Fellowship Hall. A covered dish luncheon will be served at 12:30 o'clock with a council meeting in the afternoon.

JOHNSON & NIX IN NEW HOME

Johnson and Nix, International Harvester dealers here, have moved to their new building on the Clovis highway. The firm had been using the E. R. Hart Company shop building in the rear of the hardware store since purchasing the dealership from Mr. Hart. Fred Johnson, manager of the firm, said that he plans later to announce a formal opening. Meanwhile the company is ready to do business in the new building, although it is not entirely completed.

SCOUT EXECUTIVE TO BE HERE

J. A. Stevenson Rites Conducted At Needmore

Funeral services for J. A. Stevenson, 71, who died in Newhall, Calif., February 23, at 10:00 in the Needmore Methodist church, Needmore, in Frenot, Texas, cemetery beside the grave of his wife, who died 24 years ago. Steed Funeral Home had charge of arrangements. Mr. Stevenson was born June 25, 1874, in Denton County, Texas. He has been living on his farm in the Needmore community of Bailey County until the past year. He was living with his children in California at the time of his death. He was united in marriage to Elizabeth Butler and to this union were born ten children, six daughters and four sons. All children except one, who died in infancy survive and were here for the funeral services. The children are: Muri Stevenson, Muleshoe; C. R. Stevenson, Portales; Leroy Stevenson, Redondo Beach, California; Mrs. Zella Tracy, Pampa; Mrs. Johnnie Belle Wright, Newhall, California; Mrs. Madie Crossland, Hermosa Beach, California; Mrs. Lorine Shafer, Muleshoe; Mrs. Oleta Bono, Portales; and Miss Ernestine Stevenson, Redondo Beach, California. Other survivors include four brothers, one sister, 22 grandchildren and 4 great grandchildren. Mr. Stevenson came to Bailey County in 1932, moving here from Gasoline, California.

Saturday, March 16 is the day for the annual Bailey County 4-H and Muleshoe Future Farmers Fat Stock Show. The day has been set early so that prize animals shown here may be exhibited at some of the regional fat stock shows this spring. Muleshoe Livestock Sales Company has granted use of the corals and buildings for holding the local show. It is to be strictly a fat stock show, however some breeding animals will be exhibited. Plans are being made to take five of the top animals of this show to the Lubbock Fat Stock Show and perhaps to others in the territory. Raymond King, Dimmitt, Casser County agricultural agent, will judge the entries. Arrangements are being made by F. W. "Chief" Jones and Edward White, vocational agriculture teachers in Muleshoe high school, County Agent, J. K. Adams.

By J. K. Adams, County Agent The U. S. D. A. County council voted in a recent meeting to hold a fat stock show in Muleshoe on Saturday, March 16. It was decided that the show this year would be placed on a quality basis and only finished baby beef animals and fat barrows would be exhibited. The show committee's survey reveals between 20 and 30 fat calves will be exhibited with a lighter showing of fat barrows expected. The fat stock will be sold at auction following the show. There will be no O. P. A. regulations to prevent the premium stock being sold to merchants and others at premium prices.

Starkeys Will Move To Clovis

Mr. and Mrs. John Starkey announced this week their intention to move to Clovis, where they are operating a meat packing plant. They operated the Starkey Packing Company in Muleshoe until the plant, a mile northeast of town, burned last year. Until now there had been some hope that the Starkeys would remain here, and people had hoped they would one day rebuild their plant in Muleshoe. They are this week advertising their farm, buildings, etc. for sale. Notice of this will be found on another page of this paper. The Starkeys have built up a big business in Clovis, although they still have their home here, and they said they felt they had to move there and give closer attention to the business. Their two sons have returned and are now assisting in operating the Clovis plant, one being on the road. They will continue to serve this territory "with meats. Mr. Starkey said he will discontinue purchase of hogs here also.

New 80 Per Cent Bread Found To Be Little Changed From Old Style White

The first loaves of bread made from the new 80 per cent extraction flour in the baking laboratory of the U. S. Department of Agriculture proved an agreeable surprise to those gathered for a glimpse and taste.

The bread was made under commercial baking conditions, so offered a preview of the loaves soon to be on the market. The bread was not the "grey" or "dark" color expected by many. It had a slightly off-white or creamy cast but actually differed little in looks from the loaf made with the present standard white enriched flour. Many of the tasters could detect no difference in flavor or texture. Others thought the new bread had a slightly more wheaty flavor. Three different loaves were sampled: One made with 80 per cent bleached and one with 80 per cent unbleached flour, and a third with the familiar white flour. There was no noticeable difference between the bleached and the unbleached loaves and remarkably little difference between these and the white loaf.

Cooking tests are now in progress for the home use of the flour. "To avoid any mistaken impression about the new bread," says Mrs. Laurette Wilson, county home demonstration agent, the Bureau of Human Nutrition and Home Economics offers the following information about the nutrition values of American bread, past, present and future. For many years modern flour has been losing important values. In order to have it white and fine with good keeping qual-

ties, the outer coat of the grain has been removed and with it about seven-eighths of the thiamine and niacin, three-fourths of the riboflavin and four-fifths of the iron, as well as some calcium, phosphorus and better-quality protein.

Some of these values were returned when bread was enriched. Enrichment put back the last 2; B vitamins, riboflavin and niacin, and also iron. If present levels of enrichment are continued, the new 80 per cent flour will give these same values and in addition will improve the protein quality. Unenriched 80 per cent flour has less of these B vitamins and iron than enriched white flour. However, only about 65 per cent of flour and flour products have been enriched. In the remaining 35 per cent substituting the new flour for the old will markedly improve the thiamine content. The new flour is much finer and lighter in color than whole wheat flour. Unenriched it has about 40 per cent as much thiamine as has whole wheat flour, only half as much riboflavin and iron, and a fourth as much niacin.

Most people know that bread and cereals are important for energy value. Many do not know that they contribute more than one-fourth of the protein as well as the calories in the national diet. The amount of protein in these foods is almost as much as the national diet gains from meat, poultry, fish and same combined, though the protein is of poorer quality unless it is eaten with most eggs or other high quality protein foods.

Mr. and Mrs. Ben Foster and Mr. and Mrs. Calvin Clark attended the funeral of their aunt at Newcastle, Texas.

Mr. and Mrs. Olen Ivy and daughter and Mrs. Payne and Pauline Rink spent Wednesday in Lubbock. The seniors had their pictures taken Wednesday.

Mr. and Mrs. Buford and son, Robert and Mr. and Mrs. J. N. Baker and children and Mr. and Mrs. Frank Wagon visited in the home of Mr. and Mrs. S. A. Carroll on Monday night.

Mr. and Mrs. Tony Dorsey and family were called to Panama to be with Mrs. Dorsey's mother, who is seriously ill. Howard Taylor, son of Mr. and Mrs. P. D. Taylor of Muleshoe received his honorable discharge after serving with the Army Air Corps for three years.

Mr. and Mrs. Randall Horner of Lubbock visited in the home of her parents, Mr. and Mrs. E. Ward and family Sunday.

Titles To Autos Needed To Secure '46 License Plates

AUSTIN—The Motor Vehicle Division of the Texas Highway Department today urged all Texas motor vehicle owners to see that the titles for vehicles to be registered in 1946 are in order. The law provides that before a vehicle may be registered, the owner must present to the tax collector the prior year's registration receipt and must have a title.

Many people do not understand the importance and value of the Title Act, and do not realize that the Certificate of Title Act was passed to improve the validity of titles on motor vehicles, thereby making such title comparable to an abstract on real estate.

Motor vehicle owners who have acquired used vehicles, and who have received assigned titles from the previous owners, are urged to apply at once for their titles in order that the transactions may be

recorded and new owners shown on the title records of the Department. Motor vehicle owners are also urged to register their equipment by purchasing the 1946 license plates as soon as possible. It is a common practice throughout the state for owners to wait until the last week in March, thereby creating congested conditions and long lines of applicants in the various tax collectors' offices. The County tax collectors are experiencing difficulty in obtaining temporary help, and you will be helping them and yourselves by obtaining 1946 license plates during February or in the first part of March and not waiting until the last day or days.

There are some persons operating motor vehicles with out of state license plates who may legally operate under 1946 out of state license plates and these persons are cautioned to obtain such 1946 plates and apply same on or before the expiration of their present plates.

There are other operating motor vehicles with out of state license plates who must legally re-register in Texas, and these persons are ad-

ones Has Letter From Commandant Of Marine Corps

Forrest W. "Chief" Jones, Muleshoe is very proud of a personal letter he received this week from General A. A. Vandegrift, Commandant of the Marine Corps. The letter, self explanatory, is printed below:

Headquarters,
U. S. Marine Corps,
Washington, Feb. 18, 1946
My Dear Lieutenant Jones:
Your readjustment to the life of a civilian has, I hope been fully

accomplished, and with as little difficulty as you experienced in adapting yourself to military life when you came on active duty.
No one is more familiar than I with the essential role which you of the Reserve assumed in the War. Together we accomplished our missions, however hard they may have been. Together we developed the Marine Corps into the finest of all fighting forces. It could not have been done without you. Your patriotism and your fine devotion to duty have been an inspiration to the officers and men who shared the responsibilities for final and complete victory.

In the cares and responsibilities of civil life, please carry with you constantly the recollection of your kinship with the Marine Corps. We always think of you as one of our own.

Please accept my personal and official thanks and my best wishes for your continued success.

Sincerely yours,
A. A. VANDEGRIFT

Our Composers -

The Music Lovers Club has designated this space in The Journal for those readers who appreciate good music and its origin. The following is the life story of Johann Sebastian Bach, a composer of oratorios and other masterpieces similar in class. It was written by Rufus Aylesworth.

Johann Sebastian Bach
1685-1750
Bach was born in Eisenach in upper Saxony on March 21, 1685. His father, a great musician, died while Johann was still a young boy. Because his father was a musician, he was trained from early childhood in the art that was later his means of livelihood as well as pleasure. His first paying position was that of a violinist at the court of Weimer, when he was 18 and he later held several organ and choir positions until 1723. He became musical director in the principal churches in Leipzig, where he remained until his death.

Bach was married twice. Eleven of his twenty children were talented musicians.

Most of Bach's compositions were for the organ, piano, stringed instruments, and the human voice. Some of his works included passion music, Oratorios, masses and cantatas. His "Saint Matthew Passion," "Mass in B Minor" and "Saint John Passion" are the greatest of his choral pieces. His preludes and figures for the organ are the most perfect ever composed.

He is one of the composers who gave us the background of beautiful music. He died in 1750.

CARD OF THANKS

We want to thank the neighbors and friends for the many good deeds and kindness shown to Mrs. C. C. West and family during the illness and death of our dear father.

Mr. West bought his home in the Y. L. Community five years ago. He had many friends and relatives to mourn his death.

CORRECTION

Last week, in our write up of Clifton Finley's entrance in the race for County and District Clerk we inadvertently omitted the words "nineteen months," in referring to the time he spent in the Pacific theatre of war. This was the time he spent in the Pacific, instead of the longer period mentioned in our story of last week.

MISS HARDEN ENTERTAINS SUNDAY SCHOOL CLASS

Miss Elizabeth Harden entertained her Sunday School class, the Excel-sior class with a party celebrating George Washington's birthday and a member of the class, We'don McCarty, who had a birthday Feb. 6. The party was given at the Fellow-ship Hall, Friday night February 22.

Those present were: We'don McCarty, Teddy Joe Ladd, Jerry Jul-ian, Billy Green, Earl Ladd, Jr., Warren Beller, Bette Jo Guthrie, Dor-othy Waggoner, Billie Margaret Col-lins, and Peggy Jo Robison.

After the games were played, the hostess served refreshments of ice cream and cookies.

Lazbuddy Club

The Lazbuddy community club met Thursday, February 14. The club has 28 members, 13 of which were present.

New officers were elected as follows:

Mrs. Lavonne Hinkson, president; Mrs. Ray Daniels, vice president; Mrs. H. W. Carpenter, Secretary-treasurer.

Mrs. Glen Dunn is the chairman of the cemetery committee. She gave a report on the cemetery pro-

ject. A large overhead tank has been delivered to the cemetery to be in-stalled. A motion was made and car-ried out to finish the project as soon as possible.

The club meets every second and fourth Thursdays of each month. We would like for all members and others who would like to join to at-tend.

Our government pays \$2 extra per month to Army men holding the Medal of Honor, Distinguished Service Cross, Distinguished Service Medal, Distinguished Flying Cross, or the Soldiers Medal.

Sidelights From Washington

By congressman George Mahon

In this column last week, I referred to our efforts in Congress to pass legislation providing an additional \$100,000,000 loan authorization for REA. This must be done by March 1 if a lag in REA construc-

tion is to be averted in Texas and 20 other states.

On February 14 the house approved an amendment to an appropriation bill making the funds available. It is hoped and believed that the Senate will take favorable action in the near future and send the measure to the President for his approval.

REA loans are being repaid to the Government; people in rural areas are getting the benefits of electricity; industry is being afforded a new market for electrical

received—and he has received the run-around. Certificates have been issued to veterans out of all proportion to the availability of surplus property. It has been impossible for a veteran or anyone else to get accurate and complete information, but there has been an abundance of misinformation that has caused many people to make long and expensive trips, only to be disappointed.

I talked personally with General Gregory yesterday, telling him of the dissatisfaction of the people with the way the program had been administered, and urging him to do something about it. I based my complaint upon facts which I learned from veterans and others when I was in Texas in January, and the letters which I am presently receiving about the surplus property program.

A check up on the disposition of surplus consumer goods in the four state area which includes Texas reveals total sales to date of fifty million dollars. In this same region last month there were 1,366 sales to veterans who held preference certificates. But there are

many thousands of these certificates outstanding.

The over-all job of disposing of surplus Government property is only one-tenth completed. I hope the strong and insistent demand for better service will get results in the future handling of the program.

The Panhandle-Plains and Southeastern New Mexico area is made to order for raising sorghums and many an enterprising farmer has found how easy it is to make new income from this much-demanded product. Extensive tests have been made and experts tell us that sorghums grown in this territory can't be beat. Heavy beef is being profitably finished on these fine sorghums. The climate and soil conditions here are ideal for sorghum—and a lot of other agricultural products for that matter.

Yes, the Panhandle-Plains and Pecos Valley area has everything—including plenty of dependable, low cost electricity for irrigation, water pumping, milking and scores of other farm uses.

RIBBLE'S RIPPLES

In the 5th chapter of II Kings there is a very interesting story of a man sick and suffering with leprosy, through the captive maiden in his house, he learned of the possibility of a cure in the land of God's people.

In Naaman's search for healing, he went first to the King, but was sent to the prophet. When he reached the prophet, he was prepared in mind to have a healing by hearing the prophet call upon His God,

strike his hands over the afflicted man's ailing body, and thus heal him.

Being told to do a very simple act of obedience, the Syrian general turned away in rage, explaining, "Behold I thought, he will surely come out to me, and stand, and call on the name of the Lord his God, and strike his hand over the place and recover the leper." It is said he turned away in rage. He seemed to be determined to have God's blessing in on his way.

Doubtless the general expected some consideration on account of his high position. What he heard was rather humiliating to him. "Go

wash in Jordan seven times—and thou shalt be clean." At once his mind turns to the rivers of his home in Damascus, better than all the waters of Israel? May I not wash in them and be clean? So he turned away in rage.

His servant, trained better obedience than his commanding master, remonstrated, "My father, if the prophet had bid thee do some great thing, wouldst thou not have done it? How much rather when he saith to thee, wash and be clean?" What a wonderful well said lesson from the humble servant of the angry man! How wonderfully simple God's ways are. We need his guidance at all times and our egotistical notions "I thought, I think, I believe etc." should not be considered. God has spoken. Listen. Listen.

There was no healing virtue in the water of Jordan. The rivers of Damascus had as much virtue to heal as Jordan did. But in his egotism and rage, he forgot that it was God that healed. Water, in Jordan, was simply obeying God. To obey God under gospel obedience requires now that sinners "wash and be clean" in the waters of the Jordan of Gospel obedience. "He that be-

lieveth and is baptized shall be saved." "Arise and be baptized and wash away thy sins." Mk. 16:16; Acts 22:16.

CHURCH OF CHRIST NEWS

A. R. Tucker, recently out of the service surprised his wife while visiting with her father in Muleshoe. Mrs. Tucker is the daughter of E. E. Holland, and was here on visit not expecting her husband to be out of the Service so soon. Tucker is a Dairy Farmer of Wichita Falls, Texas.

Grandmother G. M. Devoll, was recently surprised by her children with a birthday dinner. She was 76, and greatly enjoyed the cake with its candles, and the visits of her children. Those present were a Mrs. Effie Davis of Medicine Mound, Mrs. Robert O. Hair and children, Mr. and Mrs. E. E. Holland and Mrs. A. R. Tucker.

Minister and Mrs. S. A. Ribble are at Abilene Christian College attending the lectures at the college this

week. They will return the last of the week. These lectures are annual affairs and are attended by many from different states.

Grandmother Howard of Odessa is visiting her daughter, Mrs. Rip Taylor this week. She attended the Church of Christ in Muleshoe Sunday.

PLAINVIEW FAT STOCK SHOW.

Animals exhibited by club boys will be exhibited at Kansas City, ribbons awarded and the livestock sold—a ten-year-old practice.

Hale County lads have 395 lambs, 133 calves and 163 hogs on feed for the show. C. B. Martin, county agent and general superintendent of the show, stated. He also reported that there will be more entries from neighboring counties and that calves are in good shape throughout the

area of the show. Its territory comprises 16 counties.

In addition to regular pay, regular Army men receive five per cent increase every three years, 20 per cent increase for overseas service, 50 per cent additional pay for flying, \$50 per month while rated as an active parachutist.

Let's Talk It Over...

Big problems often become little ones when you can talk them over with some one who is sincerely interested in helping find the right solution and who has the requisite experience to give constructive council.

Many individuals and businesses have found a frank conversation about their financial affairs of very real help in discovering a sound solution for a particular problem. We will welcome the opportunity to discuss confidentially with you any business situation which you wish to talk over.
