MRS. WALTER W. TAYLOR

★ ★ ★ ★ ★
Taylor - Dirks Ceremony Performed

Miss Kathryn Dirks and Walter Wayne Taylor, both of Lubbock, were united in marriage Thursday, January 3, 1974, in St. Paul's Presbyterian Church in Big Spring, Texas. The Rev. Jim Collier, pastor, officiated the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Henry B. Dirks, jr., 1735 Purdue in Big Spring. Parents of the bridegroom are Mr. and Mrs. Walter Taylor of Quitaque.

The altar was decorated with multi-colored flowers flanked by a spiral candelabra, palms and greenery.

Miss Connie Gary was organist, and Miss Mary Dirks, sister of the bride, and Miss Ranette Miller of Lubbock were vocalists. Traditional wedding marches from Wagner and Mendelssohn were played. The "Wedding Song" and "Lord's Prayer" were sung.

Given in marriage by her father, the bride wore a gown of candlelight crepe overlaid with Chantilly lace. Fashioned with sweetheart neckline and shirred bodice, the gown's waistline was accented with a lace cummerbund embroidered

ed with pearls. Wrist-length puffed sleeves tapered into points. The skirt extended into a cathedral train. Her silk illusion veil was held by a Camelot cap of candlelight Chantilly lace adorned with seed pearls. She carried a bouquet of miniature roses, cornflowers, daisies and baby's breath with her Grandmother Dirks fan made into it. She wore a necklace, a gift from the groom. Something old and borrowed was her dress, the veil was new and she wore the traditional blue garter.

Miss Mary Dirks was maid of honor, and Miss Barbie Dirks, another sister of the bride, and Miss Anna Jean Taylor of Quitaque, sister of the bridegroom, were bridesmaids. Their sleeveless, royal blue velvet A-line dresses were floor-length with V-necks and cape collars edged in white fur. Each carried a white fur muff decorated with blue cornflowers and baby's breath.

Walter Taylor served his son as best man. John R. Baker, Lubbock, and Henry Dirks, Dallas, brother of the bride, were groomsmen and ushers. They wore boutonnières of

Vows will be exchanged March 2 in the Canyon Hills Church of Christ.

CELEBRATES BIRTHDAY

Lon McKay celebrated his birthday anniversary (49) Sunday, January 20, 1974. Those of his children present to help him enjoy the day were Mr. and Mrs. Corky Davis and Scotty, Amarillo; Trent McKay and Donna Long, Plainview, and Mr. and Mrs. Eldon Martin, Chuck, Kirk and Lori of Quitaque, who were there for lunch. Several of the children called to wish him "Happy Birthday."

Mrs. McKay also reports her son-in-law, Dean Purcell, who recently suffered a heart attack, is out of the hospital and walking around the house.

blue carnations. The groom wore a white carnation boutonniere with a yellow rosebud in it.

Mrs. Phil Barefield of Childress, sister of the bridegroom, registered the guests.

Mrs. Dirks chose a mauve double knit gown of street length for her daughter's wedding. She wore a green orchid corsage. Mrs. Taylor wore a red and gold metallic checked dress. Her corsage was a white and purple orchid.

A reception was held in the church parlor with Miss Nell Davis serving the three-tiered wedding cake. Mrs. Ann Drysdale poured the punch. The refreshment table was laid with a royal blue cloth and silver, crystal and china appointments were used. Others in the houseparty were Mmes. Joe Knight, Huey Rogers, Kay Gibson, Mae Rodman, J. W. Tipton, James Cope, Eugene Peters and Jim Layman. They wore corsages of wedding bells tied with white ribbon.

After the reception, a luncheon at the Holiday Inn Patio Room was served for the immediate family and friends.

A rehearsal dinner was held in the Conquistador Room of LaPosada Restaurant by the bridegroom's parents. The couple presented gifts to their attendants.

Mrs. Taylor attended Big Spring High School and studied Home Economics education and clothing and textiles at Texas Tech University where she received her Bachelor of Science degree. Now studying physical education and working as an assistant in the graduate school at Tech, she is also employed by Pizza Inn.

A graduate of Quitaque High School, the groom received a degree in education at McMurray College in Abilene. He is manager of Pizza Inn in Lubbock, where the couple make their home.

Out-of-town guests included Miss Marla Gaither, Mr. and Mrs. Ron Riley, Tony Ballew, Miss Karen Kenwright and Miss Jeanne Beth Winton, all of Lubbock; Mr. and Mrs. Phil Barefield, Childress; Miss Rita Nell Davis, Rankin; Miss Carolyn Davis, San Angelo; David Diffy, Midland; Mr. and Mrs. Bobby Jordan, Friona; Miss Ann Drysdale, Dallas; and Otto Hines, Morse Bluff, Nebraska.

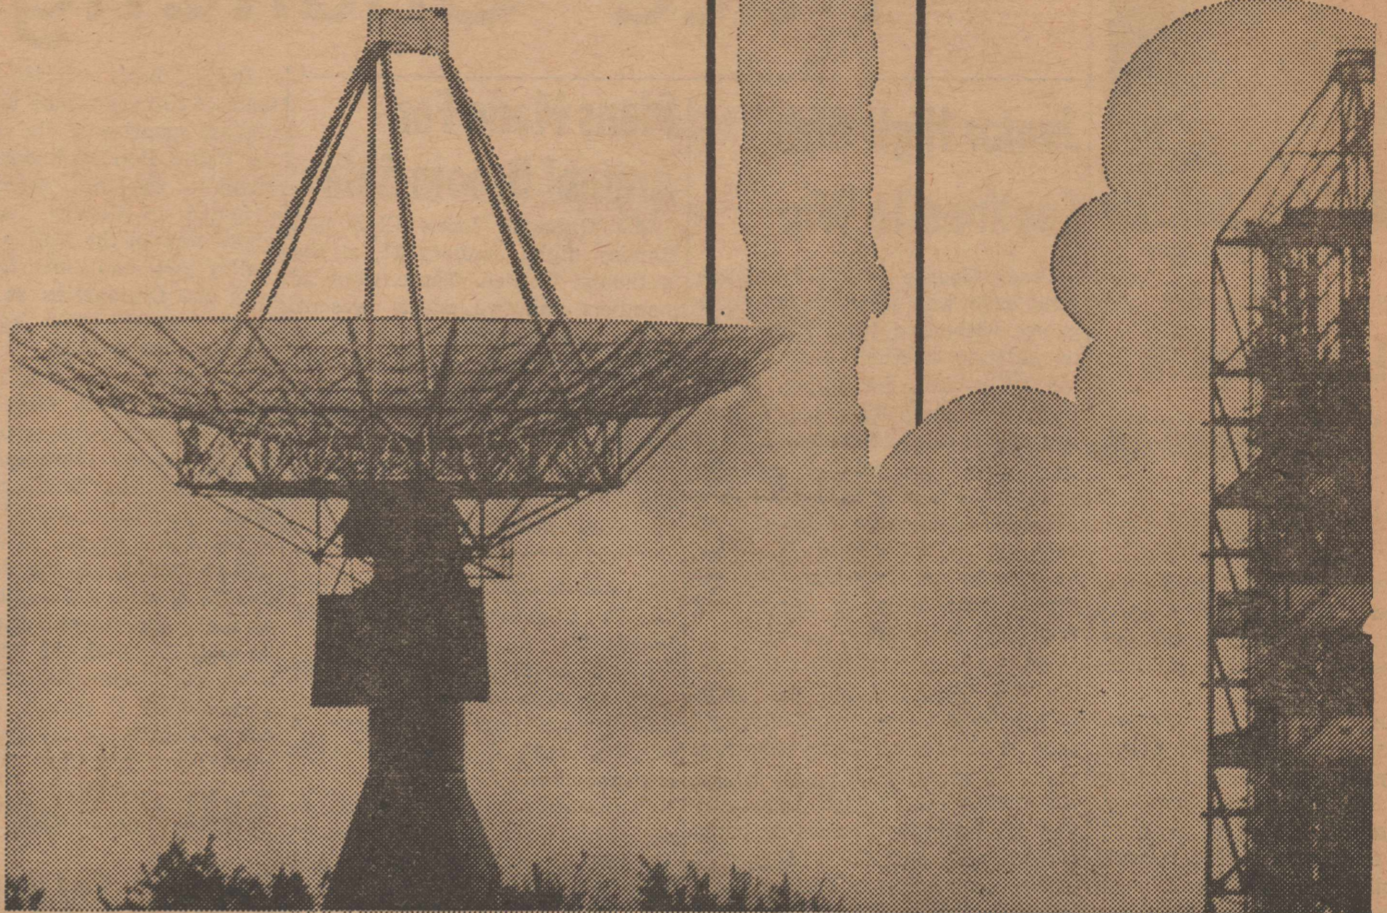

Science rules today's world. Powerful nations harness technology to probe space and to create awesome weaponry which staggers the imagination.

In this age of missiles and megatons, we, more than ever, need Faith—to ward off thoughts of doom, to give us perspective, to reassure us that our lives can be full and complete even under the shadow of technology.

Faith, above all, means trust, a precious commodity in these uncertain times. And Emerson assures us that: "All I have seen teaches me to trust the Creator for all I have not seen."

Join the Faithful in church Sunday.

NEW 6-PERCENT SAVINGS BONDS RATE ANNOUNCED

O. R. Stark, jr., Briscoe County Chairman for U. S. Savings Bonds, reports that now more than ever before, it pays to hold onto your Savings Bonds.

"The new 6-percent rate applies both to Bonds purchased on and after December 1, 1973, and to those bought before that date and still outstanding. So, there's no reason to redeem any Bonds to benefit from the rate increase.

"The higher rate is extremely timely," Mr. Stark said. "These days, more and more Americans are finding it prudent to put extra dollars aside into savings. There is no surer, safer, easier way than by buying U. S. Savings Bonds. And the new rate makes them better than ever."

"We in this area look upon Savings Bonds as old and staunch friends of the family. They've helped us weather many a storm. And, through the Payroll Savings and Bond-A-Month Plans, they're building nest eggs for future demands—weddings, new homes, education, autos, vacations, retirement."

It was pointed out that Savings Bonds are the least - inflationary means the government has for financing the national debt. Dollars derived from Savings Bonds sales also help pay for ways of protecting our environment; improving our standard of living.

SHIRTTAIL SERMON HAPPY NEW YEAR!

by Rev. Bill Green Here we are again in the brand new year. Everything looks good for us. We are making good wages and most things look real promising.

At the first of this year, many people went about making New Year's resolutions. I can hear them now, saying how much better they are going to be and how we will be better to our own families and all kinds of things to make life better.

Then I see most of the same people going out New Year's Eve to a party. To make life better, drinking and having a good time and saying "it will be all right this time. One time never hurts anyone." That is what we all used to say.

Most everyone that lives over the New Year's Eve party goes on through life trying to make it better.

The Lord is the light of the world, shining through us, the Church. The Church is to go into all the world preaching the Gospel.

But what do we do? We make New Year's Resolutions to make our physical lives better, but seldom remember to improve our spiritual lives.

I am talking to all of you Church members. Improve your relationship with God, and then God will improve the world.
