Valley Boys And Girls Each Drop A Game

The wild hosses proved to be bad news for the most part for the Valley High School basketball teams over the past few days—plus conditions over which the locals had no control, and as a result the Valley boys and girls came away with the short straws at Claude last Friday night, the girls losing their second game in district competition and the boys their first in the second round of play. Tuesday night of this week the Valley boys were upset at Wheeler by another set of Mustangs.

Last Friday night the Valley teams drove to Claude for a very important double-header plus a B girls game and came away with three losses on their record, by a total of 8 points. The B girls lost the opener by a 2 point margin, the varsity girls lost 29-34 and the varsity boys lost by a heart-breaking 43-44.

The girls game was one of those cliff-hangers although neither team was setting the world on fire. Claude put four points on the board before the Patriots scored but the Valley girls came back to tie the count at 6, at 8 and at 10, and the first period ended with Claude ahead by one, 11-10. The second quarter was more of the same with the score being knotted at 12, 14 and at 16. The Mustangettes led by 3 points, 21-18 at the halfway mark.

The Valley girls rallied in the third quarter and with 1:11 left in the quarter led Claude 26-21. The Mustangettes scored their only points in the quarter during the closing seconds to trail 26-23. The fourth period was mostly Claude's as the Patriots managed to score only three points. The Valley girls did not get a break in the whistle-tooting all night long, and if that sounds like sour grapes we would be happy to let anyone see our bookkeeping on the game. The Patriots did not get a chance at the free throw line until midway of the second period and had only four chances at free shots the entire game. The Patriots made more field goals than the Mustangettes but Claude had too many chances at the free throw line. Janna Turner hit for 14 points to lead the Patriots in scoring. Mitchie Lipscomb notched 8 points and Eva Cheatham 7 points. The Mustangettes' Lovrance scored all but 3 of their point total.

In the boys game the two teams traded shot for shot in the opening minutes before the Mustangs pulled out to a 11-14 lead at the end of the quarter. At the end of the first half of action the Mustangs still led by only three points, 27-24. The margin was still the same, 34-37 at the end of the third period and the game was literally not settled at the final buzzer for Kim Coker was fouled under the basket as the final buzzer sounded. The Mustangs were leading by two points at the time and before a packed house (what a world of pressure to be under) Kim dropped in the first of two free shots, but the other fell short. The Patriots gave it a good try and Patriot fans loved it.

Saturday of last week the Valley teams played Silverton in a pair of makeup games that had been postponed earlier due to bad weather. Valley won both games, the girls taking an 81-21 win and the boys winning over the Owls 55-26. Tuesday night the local teams drove to Wheeler for a pair of district games with the girls taking a 58-45 win with Janna Turner winning scoring honors with 27 points. Mitchie Lipscomb hit for 16 points, Cherri Brown 10 and Eva Cheatham 4.

An Editorial

by O. R. Stark, Jr.

A few days ago Secretary of Agriculture Earl Butz, with several of his key USDA officials, gathered in Temple to announce what they chose to call the "one stop service" concept of relocating a number of federal agencies into multi-county units under one roof. This move would relocate about 7800 government offices across the country, and in the centralization process it would combine the Briscoe County ASCS office with at least one or more counties. The ASCS office at Silverton would be eliminated, and this would mean a drive to either Floydada or Tullia every time we needed ASCS services. It is the same old bureaucracy story of trying to "gain efficiency and save money" by more centralization of power. This theory has not worked before and there is little reason to believe it will work now.

Very few times in government do you get better ANYTHING by taking away decisions from the local people, and concentrating power into a larger, more centralized government body. Sometimes these things look good ON PAPER, but they seldom turn out that way. Most of the time it is VIRTUALLY IMPOSSIBLE for a government planner to sit in a distant city, or county, or state and then try to dictate or administer policies and practices for people somewhere else. The local people EVENTUALLY LOSE REPRESENTATION, among other things, under such a system, and the outlying areas (such as Briscoe County) stand to suffer most of all.

You seldom need a "one stop service" in agriculture anyway. You almost always of necessity go to a government office for ONE PURPOSE and at different times. For instance, this week you may need to sign up for a specific conservation practice, so if you live in Quitaque, under the proposed centralization program, this would mean a drive of 50 miles to Tullia or Floydada. It wouldn't help one bit if five other government offices were located in that same city or the same building, for when you arrived probably all you'll need to do would be to sign up for the conservation practice and get back home to work. But a week later might be the FIRST DAY you'd be eligible to sign up for a greatly needed pipeline addition, so it would be imperative that ANOTHER trip be made then. A trip of 100 miles takes TIME AND MONEY, to say nothing of hard-to-get gasoline. Centralization of government offices at greater distances WILL NOT HELP, but instead will HURT the farmer unless all of his agricultural needs can be handled at the SAME TIME—and of course this is absolutely impossible. Besides, most of these services are already available in each county, and a multi-county consolidation will just compound the farmer's problems.

The energy crisis alone should rule out any consolidation of government offices. Farmers need to tell their story, and tell it in places where it will be heard. Our nation right now is ENERGY CONSCIOUS, and people will listen when you tell them how the fuel shortage affects you. Here's one way our Congressman can help that will REALLY BE FELT at the grass roots level. Even under our present one-county system there is a TREMENDOUS AMOUNT of travel necessary for trips to government offices by farmers and ranchers—and if you double and triple the mileage for these trips they will become ALMOST PROHIBITIVE, especially during this severe energy crisis.

In a recent issue of our newsletter we mentioned that over 1000 miles of driving had been saved one Thursday morning by farmers and ranchers who lived in the vicinity of Quitaque. This saving had resulted because on that particular morning, when ASCS representatives were in Quitaque, farmers had to travel only 3 or 4 miles for service, when otherwise a trip of some 20 miles to Silverton would be necessary. If 1000 miles was saved by a relatively small number of farmers in an instance like that, think how many more miles of driving will be involved when you travel 50 miles EACH WAY for service instead of only 3 or 4! It shouldn't take too much projecting for someone with a computer to figure out what a terrific impact this would have nationwide by adding to our fuel consumption and increased energy costs. It just stands to reason that when you can save 100 miles of driving in 3 hours time in a small place like Quitaque by having an ASCS office close to home—then a centralization movement involving 7800 government offices will surely have a PROFOUND IMPACT on our critical energy crisis!

There are some things in our country today that simply do not need changing—so if you feel, as do we that we need to retain our present locations of ASCS offices, not only in Briscoe County, but all across the country, we urge you to let your feelings be known. Contact the Secretary of Agriculture, your Congressman, farm leaders, or ANYONE ELSE who will listen to your story. IT JUST MIGHT make a big difference.

Cancer Society To Hold Meeting

Bill McDavid of Lubbock, district representative of the American Cancer Society, will meet with the people of Briscoe County who are interested in organizing a chapter for Briscoe County.

We urge anyone interested to come to the P. C. A. community room in Silverton Thursday, January 31 at 7:30 p.m.

Mrs. E. G. Wheeler and Mrs. E. D. Richmond were in Memphis Monday visiting Mrs. Maudie Williams and Mrs. Ethel Eudy.

Mr. and Mrs. David Cecil of Amarillo visited Sunday with Mr. and Mrs. Doc Connor.

Wheeler took a 63-61 decision over the Patriots to knock the Valley boys out of a tie for the leadership in the second round of play in district. Alvin Ivory hit for 19 points to spark the Patriots. Scotty Setliff tossed in 10 points and Ernie Lucero 7 for Valley.

Valley hosts Wellington for a triple header Friday night, the last home game of the season. There will be two boys games and one girls game. The B boys will play at 5 o'clock. The regular season will be over Tuesday of next week when the locals go to Silverton for a four-game set to begin at 4 o'clock. This will be the last game for the Valley boys, but if the Valley girls win over Wellington Friday night and Silverton Tuesday night, and if Claude wins all of its remaining games, then the two schools must have a playoff to determine the district champ, just as happened last year.

Charges Filed Against Kress Man

A Kress man has been charged with involuntary manslaughter in connection with the death of Mrs. Elmer Lacy, who was killed in a car-pickup collision about 9:40 a.m. Monday, January 21, four miles west of Turkey in Briscoe County.

Charges were filed Monday against Jerry Yates, 34, who drove the pickup involved in the crash. District Attorney George Miller of Floydada filed the complaint in the court of Justice of the Peace Barbara Pigg in Silverton.

Because of inadequate jail facilities in Briscoe County, officers transferred Yates to Floydada where he was arraigned before Justice of the Peace H. E. Porter. Bond was set at \$7,500 and Yates remained in Floyd County Jail late Tuesday.

The head-on crash occurred on Texas Highway 86 in Briscoe County. Mrs. Lacy's husband received a broken pelvis, broken ribs, lacerations and contusions, and was listed in satisfactory condition at Lubbock's Methodist Hospital. Yates was treated at the clinic in Silverton and released.

Funeral services for Mrs. Lacy were conducted at 3:00 p.m. last Thursday in the Turkey Church of Christ with Clark Johnson, Lubbock Church of Christ minister, officiating. Assisting were Odell Purdy of Plainview and Herbert Gipson of Amarillo.

Burial was in Dreamland Cemetery at Turkey.

Eiland Johnson returned home Saturday after a week's stay in Methodist Hospital. He is reported to be some improved.

Valley B Girls Win Championship; B Boys Win Third

The Valley B teams retained two trophies in its tournament held last weekend, the girls taking the championship trophy and the boys winning third place.

Both teams played Silverton in the opening round of play and both teams won, the girls taking a 59-7 win and the boys winning 56-36. In second round action the Valley girls won over Memphis 38-29 while the boys lost to Memphis 74-51.

In the game for third place Valley took a 44-41 victory over Floydada with Ron Eudy sparking the way with 19 points. Joey Barefield hit for 11 points, Doyle Proctor 8 and Mickey Smith 6. Others seeing action in the tournament were Gene Payne, Barry Wheeler, Rex Fuston, Reggie Cathey, Bruce Patrick and Joe McKay.

The Valley girls won over Lockney for the championship but the reporter could not get the details or score in that one.

TIM HOLLAND COMPILING IMPRESSIVE GRADES AT TECH

Tim Holland, son of Mr. and Mrs. L. Holland of Turkey, is compiling an impressive scholastic grade average at Texas Tech University.

Tim, who is now a senior at Tech, has a grade point average of 3.43 for his three and a half years at the school and the semester just ended Tim's grade point average was 3.85.

"Battle Of Bands" To Be Held Soon

The Silverton High School Auditorium will be the scene for the "Battle of the Bands" between two local rock groups. The event is scheduled to take place on Saturday, February 9, at 8:00 p.m.

The concert is being sponsored by Mr. Ted Lanham, head of the music department in Silverton Public Schools.

Advance tickets are \$2.00 and tickets at the door the night of the concert will be \$2.50. For tickets, contact Mr. Lanham or Scott Hutshell.

The challenging band is from Quitaque, and is called "Blue Feathers." It consists of Rudolph Munoz, lead vocals; Servando Leal, drummer; Jesse Munoz, bass and vocals; Roy Martinez, lead and rhythm guitar, and Manuel Cruz, lead and rhythm guitar.

The challenged band will be representing Silverton and is called "Revue." Its members are Terry Scott, bass; Russell Hickerson, lead guitar; Ronnie Hester, rhythm guitar and lead vocals; Scott Hutshell, organ, piano and vocals, and Tony Hardin, drums and vocals.

Mrs. Mike Killman of Hurst is spending this week visiting her parents, Mr. and Mrs. Ralph Meacham, and the Sonny Mullins and James Lipscombs.

Sgt. and Mrs. Thomas Self and son, Anthony, of Dyess Air Force Base in Abilene spent the weekend at Quitaque visiting his parents, Mr. and Mrs. Bill Self, and his grandparents, Mr. and Mrs. Odis Honea. The baby remained here to spend a week with his grandparents and great-grandparents.

Turkey Native Is Killed by Robber

Funeral services for Jay W. Mullin, 34, who was shot to death last Thursday in a Grand Prairie grocery store where he was a part-time clerk, were held at 3:00 p.m. Saturday in the Turkey Church of Christ.

Local minister Ken Castello and Earl Cantwell of Silverton officiated. Burial was in Dreamland Cemetery.

Mr. Mullin became the 18th grocery store or drive-in market victim of gunshot death during the past three months within the Dallas Metroplex area. Most of the victims have been employed in suburban stores near Dallas or the Dallas outlying areas.

Dallas police report they are holding a suspect now which may result in a link toward tying all the crimes together.

Two customers of the store told Dallas police they found Mr. Mullin unconscious on the floor behind a checkout counter about 9:40 a.m. Thursday. He was pronounced dead at the scene. He had been shot one time in the head, according to police. Officers estimated that \$150 was taken from the cash drawer in the register, which they found empty.

Apparently Mullin was alone at the time of the incident, the police said.

Born in Turkey, Mullin lived at 145 Cotton Square in Grand Prairie. A graduate of Turkey High School, he was a landscape architect.

Survivors are his parents, Mr. and Mrs. Jess Mullin of Turkey; one brother, Conrad of Lubbock; and two sisters, Mrs. Don Mills of Turkey and Mrs. Gary Edwards of Skellytown.

Pallbearers were Keith Green, James Lipscomb and Irving Seymour of Turkey, James (Bunky) Mullin of Lubbock, and Wilmer Studer and Lavon Gafford of Amarillo.

JUNIOR HIGH BOYS WIN TWO OVER CLARENDON

After dropping some very close games recently the Junior High A team boys came back last week with a win over Clarendon. The boys looked much better at times although it was a low scoring game with the final 21-14.

Jeff Crump and Kenny Chandler each had 6 points, Jesse Ferguson and Randy Woods each had 4 and Kirk Proctor had 1.

The B team boys who have been winning came out on top by the score of 24 to 14. Larry Curry had 7 points, Greg Ramsey 6, Jon Davidson 4, Vance Price, Darrell Dowd and Terry Brittain 2 each and Beegie Pierce 1.

These boys are now playing in the McAdoo Tourney which started Monday. They dropped their Monday game to Matador in a close game.

Valley has two freshman teams and two Junior High teams entered in this tournament which is one of the best in the area. Finals will be played Saturday afternoon and night in both divisions. You Valley fans turn out Saturday at McAdoo as we should have some teams in the finals.

IMMUNIZATION CLINIC WILL BE HELD SOON

Immunizations that will prevent polio, diphtheria, whooping cough, lock jaw, measles and rubella will be given at no cost at the Turkey-Quitaque Valley Consolidated School February 20, from 9:00 a.m. until 12 noon.

Because of inclement weather, a number of infants missed a part of a series of immunizations during January. A complete series of immunizations against polio, diphtheria, and lock jaw is recommended by doctors. Health officials urge parents to have their children completely immunized.

NOTICE

The Turkey Lions Club offers a \$250.00 reward to anyone for information leading to the apprehension and conviction of anyone selling dope in the Turkey area.

Public Notice

A group of farmers, with B. J. Robison of Turkey leading, are working on a fresh water line from the Greenbelt Lake Water beginning at Northfield, through Wolf Flat, Bridle Bit and to the Briscoe County Line. The group called the Red River Authority of Texas and they promised to extend the line to the Caprock if there are enough interested.

There will be a meeting Friday, February 1, at 3:00 o'clock in the afternoon in the Chandelier Room of Peoples State Bank in Turkey. When this line is built and finished, there will be no new users added, nor will the line be extended. Another line was built a few years ago, and many more farmers need the water but the line will not accommodate them. The same thing will apply to this line.

If you are interested and need the water, be sure and be at the meeting.

Child Development Seminar Slated Here February 4

Bridge the "Generation Gap" by attending the Child Development Seminar February 4 at the First Baptist Church in Quitaque, says Mrs. Dorothy Powell, Briscoe County Extension Agent.

The seminar will begin at 10:00 a.m., and registration will be conducted from 9:30 until 10:00 a.m. A registration fee of \$3.00 includes lunch and a packet of materials.

Child care will be provided. The fee is 75c for the first child and 25c for each additional child. It is asked that you bring a sack lunch for each child.

Seminar topics and speakers are "Your Child—Birth to 3 Years," by Mrs. Laura Vincent, Director of Children's Services, Central Plains Mental Health Center, Plainview; "Your Child—3 Years to 5 Years," by Dr. Ruth Lowes, retired Education professor, West Texas State University, Canyon; "Feeding Little Folks," by Mrs. Dorothy Cazzell, Dairy Council, Inc., Amarillo; "Making Play Materials," by Mrs. Dorothy Powell, Briscoe County Extension Agent.

The information to be presented at the seminar will be helpful to mothers, Sunday School teachers, grandparents, school teachers, and anyone else who is interested in children.

The seminar is sponsored by the Briscoe County Home Demonstration Council and the Briscoe County Family Living Committee.

Educational programs sponsored by the Texas Agricultural Extension Service are open to everyone regardless of race, religion or socioeconomic level.

Mr. and Mrs. Jack Lacy and Reona Holcomb went to Groom Sunday to visit with their brother and wife, Mr. and Mrs. Jake Lacy. Jake has had eye surgery recently and is reported to be doing just fine.

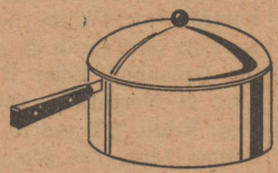

Mr. and Mrs. Doc Williams and Mr. and Mrs. Barry Smith of Amarillo are leaving for Florida Friday for a week's visit with the Williams' daughter and husband, Mr. and Mrs. Forest Johnson at Tampa.

Mrs. Billy Wheeler and Mrs. Dennis Denton and Roger shopped in Amarillo Saturday and visited with their brother and family, Mr. and Mrs. Sherrill Arnold and Kelly.

6 WAYS TO CONSERVE AND SAVE ON ELECTRIC COOKING

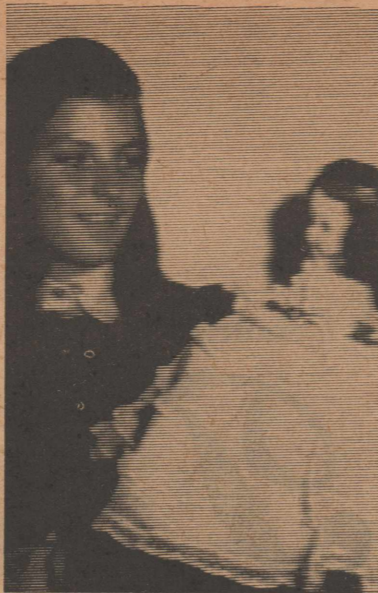

Today's modern electric range offers you a host of special features which assure uniform cooking results each time. You'll find that cooking electrically is clean, cool and economical.

- For best results, use flat bottom utensils with tight fitting covers. Utensils of medium or heavy weight aluminum conduct heat faster, transfer heat evenly and respond quickly to temperature changes.
- Match the utensil to the size of the unit. Use 8 inch units for large utensils. Use 6 inch units for small to average sized pans.
- Use high setting for a quick start for any surface cooking, or to boil water quickly. When cooking temperature is reached, switch to a lower setting.
- Do not pre-heat the oven for roasting or broiling, but do pre-heat the oven to the temperature given in the recipe for baking.
- Select correct, measured heat. The accurate heat selector switch or oven thermostat enables you to select, exactly, the same correct temperature each time you use it.
- For good heat distribution around the pans, when baking, they should not touch the sides of the oven or each other. Allow one inch clearance. Check for doneness at minimum baking time on recipe, don't keep opening oven door to peek.

CONSERVE & SAVE ... use energy wisely!

SUSAN BUTCHER of Vacaville, California, shown with one of her collections of dolls.

NIECE OF THE J. T. PERSONS WINS PAGENAT HONOR

"Our Little Miss" preliminary pageant, held recently in Vacaville, California High School Little Theatre, was truly a little girl's dream come true for all who entered. One of 42 girls to compete in the three division pageant for La Petite, girls ages 3-6, Our Little Miss, ages 7-12 and Ideal Miss, ages 13-17, was Our Little Miss contestant, Susan Pauline Butcher, 12-year-old daughter of Staff Sergeant and Mrs. Wayne Butcher, granddaughter of Florence (Babe Burdine) Teed, and niece of Mr. and Mrs. J. T. Persons of Quitaque.

Susan will be entering the same pageant system this coming March in Fresno, California, but with one slight change. Susan must enter the "Ideal Miss" division there as she will be 13 years of age on January 31.

Girls winning the division titles in these preliminary pageants go on to compete in the California State Pageant on July 6 in Palm Springs, California.

The recent pageant and those to follow are affiliated with the Universal Pageant System. U.P.S. is a youth development program designed to give young ladies early goals in social graces, good grooming and talent training. It also provides scholarships. Founded in 1962, U.P.S. is described as the world's foremost beauty and talent contest.

After early morning registration and rehearsal, all the girls were hosted by Mrs. Butcher at a luncheon held in the new Vacaville Community Center.

During the pageant, Susan performed as her talent a gypsy dance. Then she modeled an ice skating sportswear ensemble, and finally a party dress.

Susan was sponsored by Mr. and Mrs. Julius Variara of Vacaville, a Sunsweet grower, and very dear friends of the family.

Susan's hobbies are doll collecting, 4-H exotic cooking, water skiing and ice skating.

Mr. and Mrs. Doc Williams attended the funeral services for Mrs. Sallie McArthur in Paducah Sunday. She was an aunt of Doc's.

Mrs. G. J. Hinders and Mrs. Mona Robertson of Memphis visited last week with Mrs. J. L. Rice.

Brucellosis Program Is Explained

Livestock producers in Briscoe County will have a definite interest in the 1974 Texas Brucellosis Eradication Program, which officially began January 15, believes Jimmy Vanstory, County Agent for the Texas Agricultural Extension Service.

Texas became "modified-certified" in August 1973, which meant that less than five percent of the cattle herds and less than one percent of the cattle were infected. The new plan will make Texas a Brucellosis-free state.

Brucellosis, commonly called Bang's, is a costly, contagious disease of livestock that may also affect human beings, points out Vanstory. The disease in humans is known as undulant fever. Although it may attack most farm animals, it is more common in cattle, swine and goats. Herds with brucellosis may produce as much as 20 percent less milk and 40 percent fewer calves. Thus millions of dollars are lost across the state each year.

The new program is designed to locate the infection, contain it and assist the owner of infected animals to eliminate the disease, explains the Agent. Three different methods are used to locate infections: Brucellosis Ring Test for dairy herds, Market Cattle Test of all breeding cattle slaughtered, and Blood Test of all breeding cattle exchanging ownership.

All infected and exposed cattle are quarantined and their movement is limited to slaughter only. Blood testing procedures are used to assist owners of infected herds to free their cattle of the disease.

Vanstory outlines the new Brucellosis Eradication Program. All cattle, except steers, spayed heifers and vaccinated animals under two years old, must be tested within 30 days of any change of ownership.

A relatively simple "card" test has been developed that gives quick results — an improvement over the old system of sending blood samples to a laboratory. The cost of this initial test by a practicing veterinarian or other authorized person must be paid by the cattleman.

If a brucellosis reactor is found at a sale yard or slaughterhouse, federal or state personnel trace the animal back to its herd of origin. Traceback tools include registered back tags or ear tags that many sale facilities are routinely putting on consigned animals. Ear tags are required for interstate shipment of most cattle.

Other animals in consignment where the reactor was found can be handled any of three ways—sold immediately for slaughter, sent to a quarantined feedlot, or returned to the ranch for quarantine.

All members of the herd of origin are considered exposed to the disease and must be tested at 30 and 120 days after the first reactor is found.

Government agencies conduct these additional tests and pay the direct costs. All reactor animals must be branded with a "B" on the jaw and sold immediately for slaughter. Meat from these animals is not tainted, notes Vanstory.

Final clearance on a state basis can be granted when no more than one percent of the herds in any one county and not more than two percent of the cattle in that county are confirmed reactors during an 18 month testing period.

The program is vital to Texas if we want to keep our interstate trade with Brucellosis-free states, emphasizes Vanstory.

Additional information is available at the County Extension Office.

VALLEY SCHOOL MENUS

February 4 - February 8

MONDAY

Barbecued Weiners, Potato Salad, Buttered Corn, Hot Roll, Butter, Apple Crisp, ½ Pint Milk

TUESDAY

Meat Loaf, Seasoned Green Beans, Buttered Carrots, Loaf Bread, Butter, Pineapple Pudding, ½ Pint Milk

WEDNESDAY

Chicken Pot Pie, Creamed Potatoes, Peach Cobbler, ½ Pint Milk

THURSDAY

Macaroni and Cheese, Coleslaw, Chilled Tomato, Brownies, ½ Pint Milk

FRIDAY

Chili Beans, Turnip Greens, Pickled Beets, Cornbread, Butter, Fruit Cup, ½ Pint Milk

Mr. and Mrs. Barry Smith of Amarillo visited Mr. and Mrs. Doc Williams and Mr. and Mrs. Jim Majors from Thursday until Sunday. Harve and Kyle Williams of Hereford visited over the weekend.

NEW ARRIVALS

Mr. and Mrs. John Couchman of Amarillo announce the arrival of their baby daughter, Rachael Jean, born January 23 in Amarillo. She weighs 6 lbs. 12 ozs.

Grandparents are Mr. and Mrs. Aubrey Turner of Turkey.

Mr. and Mrs. Tim Lane of Plainview are the proud parents of a new baby daughter, Amy, born in Central Plains Hospital at 12:06 noon Monday, January 28, 1974. She weighed 6 lbs. 9 ozs. This is the first child for the Tim Lanes, the first grandchild for the Birt Lanes of Plainview and the first great-grandchild for Mr. and Mrs. Leon Lane of Turkey.

Mr. and Mrs. Wendell Morris of Flomot are the maternal grandparents and Mr. and Mrs. Bud Morris of Flomot and Mrs. W. E. Morrison of Quitaque are great-grandparents. Mrs. P. T. Clark of Turkey is the baby's great-great-grandmother.

JUNIOR HIGH GIRLS WIN

The Junior High girls defeated Clarendon in two easy wins last week. This assures the girls of a right to a playoff for the District Championship. The date has not been set for that playoff but according to reports Memphis has won their half of the district again. The Valley girls beat Memphis soundly in their only loss this season, but due to the fact that they have not lost to anyone else this should be a good game.

Against Clarendon the A team won 69-6. Turner had 22 points, Price 19, Scoggins 10, Cawley 10, Eudy 4 and Dossey 4.

The B team pushed their record to 10-0 with a 49-2 win. Shannon had 22 points, Meyers 13, B. Coker 8, Lipscomb 4 and Valdez 2.

Monday the A team girls played their first game in the McAdoo Tourney and defeated Matador 52-27. Details of these games will be in next week's paper. Finals will be played starting at 1:30 Sat-

TURKEY LIONS CLUB MEETS

The regular meeting of the Turkey Lions Club was called to order by Acting Boss Lion U. F. Coker, jr. The invocation was given by Lion Loran Denton and the pledge of allegiance was led by Lion George Setliff.

Lion George Setliff won the "Pot of Gold" which was \$132. Tail Twister Arville Setliff got most of that for the Kitty.

Secretary Keith Green read the following reports. The broom and mop sale was a success because \$676.40 worth of brooms and mops was sold. The Lions Club's part of this will be used to buy glasses for needy children. Also some of the money will be sent to the Texas Lions Camp for Crippled Children in Kerrville, Texas.

The Flag Service has been collected from all of the businesses and will be in operation for an-

aturday afternoon at McAdoo. Freshman boys and girls, as well as Junior High teams, are playing in this tournament.

other year. The next Flag Day will be February 12th.

The club was happy to have as guests Miss Debra Gragson and Bud and Darrell Couch.

Lion George Setliff introduced Mr. Loury, who is director for the Crippled Children's Camp. He showed a film about the camp and passed out some camp pins and literature.

The meeting was closed by the Acting Boss Lion U. F. Coker, jr.

Guests in the Buddy Morris home last week were Mr. and Mrs. Arthur Gregg of Amarillo who stayed from Monday through Wednesday. Mr. and Mrs. Odell Gregg and her mother from Tulsa spent Thursday afternoon with his uncle and aunt. Mr. and Mrs. Corky Morris of Dimmitt spent Saturday night and Sunday with his parents.

Mr. and Mrs. Johnny Lacy of Amarillo visited with the Dennis Denton's Saturday night and Sunday.

YOUR SOCIAL SECURITY

by Mencie King

Social Security Representative
Q. I am almost age 62 and am undecided about retirement. If I get tired of retirement and return to work, may I stop my social security payments?

A. Yes, you may stop and start your payments as often as necessary. You may report by telephone when you start or stop working and payments will be adjusted accordingly.

The problem with starting your

checks at a reduced amount, which would be necessary before age 65, would be that the checks would remain reduced until you attain age 65. An adjustment could be made after age 65 to reinstate the reduction of 5/9ths of 1% for each month you did not receive a full check before your 65th birthday month. Such an increase would be effective with the month you reached 65.

☆

Q. I am 63 and married. I have worked intermittently the past 20 years. My husband is 62 and plans

to continue working until he is 65. Do I have to wait until he retires to get social security benefits?

A. No. You may collect monthly checks now on your own earnings if your work was covered by social security and you earned enough credits to qualify. Get in touch with your social security office to apply. Be sure to bring your social security number, your birth or baptismal certificate, and a copy of your 1972 Form W-2 or income tax return if you had earnings in 1972.

For more information contact your social security office at 1401-B West 5th Street in Plainview, telephone 293-4371. If more convenient, meet with your social security representative, Jim Voyles, at the courthouse in Silverton on the second and fourth Tuesday mornings of each month.

Mrs. Bill Lane of Turkey returned to her home Saturday after spending several days in Houston with her son, Joe Lane. She reports he continues to respond to treatment. He is also taking art lessons, a gift from his brother, Billy Don Lane of South Dakota.

Mr. and Mrs. J. A. Mayfield drove to Tulia and visited Mr. and Mrs. Hayden Boggs Friday afternoon and the two couples drove to Kress and enjoyed a fish dinner that night.

Veterans Should Inquire As To Entitlement

Many veterans become ill and use their life savings to pay for needed hospital care before they inquire as to their entitlement to be admitted to a Veterans Administration hospital.

Medical and hospital care are very expensive today, and most people who are regularly employed are covered by some type of health and hospitalization insurance. Many veterans fail to realize that they may be eligible for care in Veterans Administration hospitals even though they are covered by insurance.

Eligible for admission to any Veterans Administration hospital is a veteran who was discharged or released under other than dishonorable conditions from either a peacetime or a wartime period of service in the Armed Forces of the United States. Medical emergencies always have first priority for admission, followed by veterans who require hospitalization because of a disability which was incurred during service.

Some veterans must show evidence of inability to pay for the needed care before they can be ad-

Hey! Mr. Employer! Do You Know About New Law?

Here is a message of vital importance to every employer in the State of Texas, brought to you as a public service by your local Independent Insurance agent who is a member of the Texas Association of Insurance Agents. Effective January 1, 1974, the Workmen's Compensation law has been amended to apply to business and professional organizations which have one or two employees. Here is the report: The 1973 Texas legislature enacted S.F. 283 which made many substantial changes in our Workmen's Compensation law. We'd like to call one of these to your attention.

For practical purposes, ALL employees in this state except "domestic servants or casual employees engaged in employment incidental to a personal residence, farm laborers, (or) ranch laborers . . ." should now be protected by Workmen's Compensation insurance, or the employer loses his common law defenses if the injured worker sues him. Formerly you had to have at least three persons on your payroll to be affected. But beginning on January 1,

1974, employers with one or two employees will be brought under the terms of the Workmen's Compensation Act. The question that probably occurs to you at this point is: What if I as a small employer fail to carry Workmen's Compensation insurance? Well, if you don't and one of your employees is injured, he has the right to sue you and will almost certainly be awarded damages. (Your liability doesn't cover either the legal costs in such a case or the court judgment.)

By being uninsured the three so-called common law defenses against a suit by an injured employee can't be asserted in court.

These are: The Fellow Servant Rule (The injury was caused by another employee.); Assumption of Risk (The injured worker knew job conditions were dangerous and assumed the risk.); Contributory Negligence (The injured person was partially at fault himself.)

We are sure that you want to protect yourself and your employees, so let's take a brief look at some of the Workmen's Compensation

benefits.

WEEKLY COMPENSATION

9-1-73 9-1-74

Weekly benefits equal to 66% percent of average weekly wage subject to:

Maximum— \$63.00 \$70.00
Minimum— \$15.00 \$16.00

Fatal Injuries:

To spouse, benefits payable for life—

Unlimited Unlimited
or until remarriage, then 2 years
lump sum:

Maximum— \$6,552.00 \$7,280.00
Minimum— \$1,560.00 \$1,664.00

Children benefits payable to age 18, and beyond in some instances: Various Various

Or to other legal beneficiaries:

360 weeks

Maximum— \$22,680.00 \$25,200.00
Minimum— \$ 5,400.00 \$ 5,760.00

Disability:

Permanent Disability—401 weeks:

Maximum— \$25,263.00 \$28,070.00
Minimum— \$ 6,015.00 \$ 6,416.00

Temporary Disability—300 weeks:

Maximum— \$18,900.00 \$21,000.00
Minimum— \$ 4,500.00 \$ 4,800.00

Medical Benefits:

Unlimited as to time and amount. Employee now has sole right to select doctor or facilities to furnish medical and hospital services.

Waiting Period:

Waiting period before payments begin is 7 days. Should disability continue beyond 28 days, payments shall be retroactive to date of injury. Keep in mind that if you have at least one employee, you yourself are then eligible to be covered, and if your spouse works with you as a co-owner he or she may also qualify for this valuable protection—even if no salary is paid. Also, the owners of an unincorporated firm regardless of size may now be included under the Workmen's Compensation insurance they presently carry. Since it sometimes takes awhile to obtain Workmen's Compensation insurance for a small employer, please contact us immediately.

Don't depend on the mercy of a court to protect your business assets.

mitted. This is not necessary if the veteran is seeking treatment for a service-incurred disability, if he is receiving VA disability compensation or pension, if he was released from service because of a service-connected condition, or if he is 65 years of age or older.

A private doctor may expedite admission by contacting the VA hospital by telephone. Ambulance travel will be authorized if it is required and is justified by the doctor. Application for admission may be made by mail if accompanied by a medical statement from a private physician, or the veteran may present himself at the hospital for examination to determine need for care.

Eddie Monk of Phoenix, Arizona came Saturday, January 19, and spent the night with his parents, Mr. and Mrs. P. John Monk. Sunday morning they all drove to Garland to visit Mr. and Mrs. Dellis Monk and Mr. and Mrs. L. G. Johnson and Tracey. They returned home Tuesday and Eddie returned to Arizona Thursday. He and a partner have opened a photography studio in Glendale, Arizona, a suburb of Phoenix.

Ann Rucker of Amarillo spent Tuesday and Tuesday night with her grandmother, Mrs. C. T. Ruck-

er, and Mary. She was to visit her sister in the Memphis area before returning to Amarillo to school.

Mr. and Mrs. Lon McKay talked with W. F. Geissler of Denver City Sunday night and he reports his wife has been back in the hospital with a recurrence of the back injury she suffered during harvest last summer. She went into the hospital on Thursday and was scheduled to return home Monday.

Mr. and Mrs. Donnie Brunson and Mrs. George Setliff of Turkey visited Mrs. B. K. Hamilton from Friday until Sunday. Mrs. Hamilton suffered a very severe heart attack Tuesday last week and she was entered into the Granbury Hospital. She was moved to All Saints in Fort Worth on Friday, and the family reports she is improved.

Willie Gragson and daughter, Laura of Wellington, were guests for lunch Saturday with their parents and grandparents, Mr. and Mrs. A. E. Gragson, in Quitaque. Laura had the misfortune to fall in the gymnasium in Wellington and break an arm.

Mr. and Mrs. Willie Woods attended the housewarming for the Truman Merrells, Slug Ramseys, Joe Edd Smiths, Monte Stephens, Duke Woods and the A. C. Barretts Sunday. A group rode the First Baptist Church bus and made the rounds, ending at the Duke Woods where they had refreshments. The Truman Merrells have recently moved into the W. W. Merrell family home.

The Slug Ramseys moved into the home formerly occupied by Mrs. N. V. Hamilton and the late Mr. Hamilton.

The Joe Edd Smiths have a new mobile home in Quitaque. The Monte Stephens purchased the late Carl Kitchens home.

The Duke Woods purchased the Bill Rucker home in the northeast part of Quitaque, and Mr. and Mrs. A. C. Barrett purchased the A. L. Morris home in east Quitaque. The group were from all the community, not just the church.

Mr. and Mrs. David Cecil of Amarillo were guests for lunch Sunday with Mr. and Mrs. Doc Conner in Turkey. Mr. Cecil spoke at the Church of Christ in Flomot Sunday morning. He spoke at the Quitaque Church of Christ Sunday night.

Norman Carlile of Amarillo spoke at the Quitaque Church of Christ Sunday morning. He was a guest for lunch with Mr. and Mrs. Ralph Carter.

Mr. and Mrs. Ralph Carter met their grandchildren, Scott, Todd, Layne and Kelly Hedrick in Tullia Sunday a week ago and they came home with them to spend the night and Monday, which was a holiday for them from school in Amarillo. Scott had attended school here a few weeks last year and he visited school at Valley Monday.

Eddie Owens and Marcia Hart spent from Saturday noon until Monday night with the Gaston Owens. Marcia got out of Central Plains Hospital Thursday where she had had an appendectomy. Her mother had flown up from El Paso on Sunday and she returned to her home Friday.

Dee Whittington had surgery on his knee at High Plains Hospital in Amarillo Thursday of last week. He returned home Saturday and was back in school Monday. He reports he is doing fine.

REV. AND MRS. J. E. LEE TO OBSERVE GOLDEN WEDDING

Friends and relatives are invited to attend a ceremony renewing wedding vows for the Rev. and Mrs. J. E. Lee of Plainview at 2:00 p.m. Sunday, February 3, 1974, in the Fellowship Hall of the Flomot Baptist Church. A reception will follow until 5 o'clock.

The Lees were married on February 2, 1924, at Post, Texas by the Rev. Joe Grizzle. Mrs. Lee is the former Edna Ross, daughter of the late Mr. and Mrs. Nelson N. Ross of Muleshoe. Lee is the former pastor of Flomot Baptist Church. Having surrendered to preach in 1928, he has held pastorates in Garza, Dickens, Stonewall, Motley and Floyd counties. He is retiring at the end of this month after working for 31 years in the Texas School system.

Honoring the Lees on their 50th wedding anniversary with the reception are the members of the Flomot Baptist Church and the Lee children and grandchildren, Mrs. Carolyn Williams, Dalton and David of Lubbock, Mr. and Mrs. Paul Rains, Vicki, Cindy and Ginger of Midland, Mr. and Mrs. Orville Lee, Roger and Teresa of Flomot and Joey Lee of Clarendon.

Mrs. Ida Faulkner of Turkey entered Hall County Hospital in Memphis one day last week. Her daughter, Mrs. Wayne Whittington, visited her Monday of this week.

MRS. TAYLOR IN HOSPITAL

Mrs. J. A. Taylor was taken to Neblett Hospital in Canyon by her daughter, Mrs. Eula Merrell, and her daughter-in-law, Mrs. Dick Taylor, Friday morning. She is suffering from arthritis and the doctors are giving her a series of tests to determine if there are other complications to cause her weakened condition.

Mrs. Edna Taylor and Minnie Mae Roberson of Quitaque visited her at the hospital Monday. Mrs. Eula Merrell of Clarendon and Preston Taylor of Hereford were at the bedside of their mother also.

Mrs. Olive Owens, Gaston's mother, fell at the Heritage Home Friday of last week while she was talking to her daughter, Mrs. Bill Ebbs in Garland, on the telephone. She was taken to the hospital in the ambulance where she was x-rayed for concussion but she did not show injury. She had a bump
