PRICE TEN CENTS PER COPY

## LETTER TO THE EDITOR FROM CURTIS TUNNELL

Your presence at this dedication is appreciated. In my opinion, this is one of the most important historical markers ever placed in Texas. Its purpose is not to meet a county quota or to commemorate the finding of some stone artifacts. The purpose is to permanently mark an important event in human history in the New World.

This site is not only significant on the local and state level, but is certainly of National significance as well. No more than 10 sites such as this are known in all of North and South America. The events that occurred here, and the artifacts found, are older than the Crusades to the Holy Lands; they even predate the civilizations of Greece and Rome; in fact, this site was ancient when the first pyramids were being built along the Nile in Egypt.

Picture a time about 10,000 years ago (radiocarbon date for Folsom Culture):

The climate here was much wetter and a good deal colder than it is now. These valleys were filled with vegetation choked ponds; and pine forests covered the border of the plains, where only cedar and mesquite are found today (as shown by pollen samples from pond deposits).

The deep-grass plains teemed with herds of mammoths (elephants), giant bison, camels and many species of antelopes. Saber-tooth tigers and dire wolves preyed on the grazing herds. The area resembled closely the famous Serengeti Plains of Africa today. On the place where we stand (about 15 feet below the current surface), was a small community composed of several families—people just like us. They were dressed in skin clothing and lived in huts made of bison hides.

The men had just been successful in killing several giant bison, near the pond (represented by the grey deposits seen across the gulley), and there was great rejoicing and excitement in the little band. The women and children would move the camp from its previous spot nearby and several weeks would be spent processing the meat and hides. An abundance of food, clothing, tools and shelter would be derived from this successful hunt.

Years later, the climate began to change. A long period of hotter and drier weather arrived. Great droughts dried up the ponds, killed the forests, burned the grass, and exterminated many of the vast herds of animals. The hunters bison followed some of the remnant bison herds into the eastern woodlands and survived to become ancestors of the modern American Indians.

Dust from the dry lakes on the plains covered this old camp—the

stone tools and bison bones—to a depth of 10-15 feet. There it lay, forgotten through the millennia.

In recent years, active gulleys exposed the ancient campsite and made it available for careful archaeological study.

The ancient people would never have dreamed that their little camp would one day receive a commemorative marker from their descendants.

Who can guess what may be happening on this site 10,000 years from now. One day I hope there will be a fine Interpretive Center on this spot with in situ exhibits of the bison bones, dioramas and other devices to show the importance of this ancient site and this great State Park. With your help it can be accomplished.

Thank you!  
Curtis Tunnell  
State Archaeologist  
Texas Historical Commission

## Horticulture Short Course To Be Held At Valley School

Homeowners, farmers and other interested persons are reminded of the Horticulture Short Course to be held May 15-18 at 7:30 p.m. in the Valley High School vocational agriculture department.

John Williamson, Horticulture Specialist with the Texas A&M University and the Texas Education Agency, will conduct the short course.

Subjects to be covered in the short course are plant growth and development, propagating media, plant propagation, vegetable gardening, developing and maintaining the landscape, establishing and caring for lawns, houseplants, and greenhouse management.

Further information may be obtained from Jay Eudy, vocational agriculture teacher.

## DAVIDSON NAMED "MOST OUTSTANDING" AT COLLEGE

Jimmy Don Davidson of Quitaque was honored as the "Most Outstanding" student of Clarendon College in graduation exercises at the college last Friday.

An agriculture major, Davidson served as Student Senate President this year and has been active in the Rodeo Club and Sportsman Club of the college.

The award goes each year to the student chosen by the faculty of the college that has shown exceptional qualities of leadership, citizenship and academic progress.

Davidson is the son of Mr. and Mrs. James Davidson. He plans to continue his agriculture studies at Texas Tech next year.

## Hee Haw To Be Staged In Quitaque May 12

Hee Haw, a production originated to benefit the Silverton Lions Club, will be produced in the Valley High School Gym at 8:00 p.m. Friday, May 12. Proceeds will go to the Quitaque Lions Club and Silverton Lions Club.

The program is a show case for talent from Silverton and Quitaque. A lot of good music and wholesome family entertainment is in store for those who attend. A complete new show will be given at the Valley School.

Included in the cast and band this year are Alton (Tobe) Riddell, the Brown Sisters, Eva Cheatham, Genie Curry, Rhenda Burson, Sybil Martin, Carol Stodghill, Joy Stodghill, Clifton Stodghill, Michael Greenhaw, Darla Greenhaw, Mabry Greenhaw, Ted Kingery, Wayne Nance, Wayne Stephens, Ruth Purcell, Dianna Johnston, Janice Hill, Jimmy Burson, Odis Honea, Benjie Brown, John T. Francis, Jerry Miller, Ted Hester, Ruby Hester, Ronnie Hester, Ricky Hester, Dee Davidson, Bill Willis, Aaron Younger and Anne McMurtry.

Support your local Lions Club and its community service projects by attending Hee Haw. Admission for adults is \$2.00, and students are admitted for \$1.00.

## VALLEY SCHOOL CALENDAR 1978-1979

- Aug. 24—Teacher Inservice
- Aug. 25—Teacher Inservice
- First Semester
- Aug. 28—First day of school
- Sep. 4—Labor Day
- Oct. 6—End first six weeks
- Oct. 9—Begin second six weeks
- Nov. 3—District TSTA
- Nov. 17—End first semester
- Second Semester
- Nov. 23-24—Thanksgiving holidays
- Dec. 22—Dismiss at 2:30 for Christmas holidays
- Jan. 2—Teacher Inservice
- Jan. 3—Resume classes
- Jan. 12—End third six weeks
- Jan. 15—Begin fourth six weeks
- Jan. 29—Teacher Inservice
- Feb. 23—End second semester
- Third Semester
- Feb. 26—Teacher Inservice
- Feb. 27—Begin third semester
- Mar. 19—Teacher Inservice
- Apr. 6—End fifth six weeks
- Apr. 9—Begin spring break
- Apr. 16—Begin sixth six weeks
- May 20—High school graduation
- May 24—Last day of classes
- May 25—Teacher Inservice

Mr. and Mrs. E. T. Smith returned to their home in Florida after a two week visit with her mother, Mrs. Solon Owens. While here Mrs. Smith sold her book at the Bob Wills Celebration and also attended an author's party held at the Memphis Public Library.

## Garner Defeats Incumbent In Voting At Turkey

Incumbent James Fuston, Commissioner of Precinct 4 in Hall County, lost his post to Dale Garner of Turkey Saturday in the Democratic Primary election held statewide.

Garner received 202 votes while Fuston tallied 135 votes.

Incumbent James Fuston has served the community well having completed Harold Lane's un-

expired term and serving one term for himself.

Garner is a native of Turkey, the youngest son of the late Dr. J. E. Garner. He grew up in the Turkey area farming, then served as the manager of the West Texas Gin for 10 years until it sold last year to E. J. Robison and the gin name was changed to the North Gin of Turkey.

## Cobb and Chandler To Face Each Other In Runoff For Commissioner

Orval Cobb will face Jack Chandler in the runoff race for County Commissioner, Briscoe County Precinct 2, as a result of last Saturday's Democratic Primary election, having won over the third entrant in the race, Leroy Hamilton.

Chandler, with 163 votes, was the top vote getter in that race. Cobb, the incumbent, garnered 126 votes, and Hamilton received 80 votes.

Hall and Briscoe voters voted pretty much like those outside their home counties. In the race for State Representative, which

was won by Foster Whaley of Pampa, Briscoe voters polled 297 for Whaley and 406 for his opponent Glenn Conrad of Claude; Hall County polled 493 for Whaley and 526 for Conrad.

In the race for U. S. Senate, Briscoe went for Christie while Hall County selected Kreuger over Christie.

Both Briscoe and Hall voters went for John Hill over Dolph Briscoe in the race for Governor.

Both Briscoe and Hall Counties voted "no" on the parimutuel gambling on horse races.

## Valley Girls Take Fourth, Fifth In State Relay Races

The Valley girls track team wound up a very good season last Saturday by placing in the finals in their specialty, the relay races.

The Patriots had qualified both the 800 meter and 1600 meter teams to advance to the state meet in Austin. In addition to the relay teams, Lisa Herrington was runner-up in girls tennis singles at the regional meet which qualified her to advance to the state meet at Austin. Lisa was eliminated in her first match in Austin, 6-2, 6-2. She has had a good year this season and she has two more years of competition, so she just might bring home a state championship trophy before she finishes high school.

The girls' 800 meter relay team came in fifth in the finals of the

meet, and in the 1600 meters the Patriots won fourth.

Coach Robert Phelps and his girl athletes had a very good season and look forward with great expectations to the years ahead for they lose only one member of the relay team. In fact, Sherice Price, who has had a very outstanding career in basketball and track, is the only senior member of the girls' track team. One of the girls on the relay team, Dana Ramsey, is only a freshman; two, Karla Meyer and Dorcas Gaddis are juniors, and the alternates are a junior and a freshman. In addition there are some very promising young athletes who will be coming into high school from junior high next year. The future looks good.

## All Sports Banquet Held Monday

The annual All Sports Banquet, was held Monday, May 8, at 7:30 p.m. in the Valley Cafeteria.

Guest speaker was head football coach of West Texas State University, Bill Yung. His wife accompanied him. The group reported enjoying the speaker very much.

Valley Superintendent of Schools Wilburn Léeper was master of ceremonies.

The coaches presented the awards in their respective fields.

Sherice Price and Jesse Ferguson were awarded the Fighting Patriot awards.

Sherice Price and Darrell Dowd were recognized as having been chosen "Most Athletic" by the student body.

Special recognition was given to the relay teams, composed of Dorcas Gaddis, Sherice Price, Dana Ramsey and Karla Meyer, for competing in the State Track Meet.

Lisa Herrington, who competed in the State Tennis Meet, was also recognized.

Dinner music was presented by Patsy Herrington.

The Booster Club is to be commended for a very successful banquet. A big thanks to all the mothers who helped decorate for the banquet.

Reported by Mrs. Jarrell Rice

"TRAVELING" CHURCH—A little white frame mission church building that has served at Rotan, Jayton and Spur and which was dedicated to Turkey recently, was dedicated Sunday as the new St. Elizabeth Ann Seton Mission Church.

## "Traveling Church" Lands in Turkey

The little "traveling church" of the rugged Big Ranch Country east of the Caprock, has found a home—at last!

The small, white frame mission church structure, constructed in Rotan in 1929, and more recently a parish hall at Spur before it was moved here in March, has been located at various times at Rotan, Jayton, Spur and now—Turkey!

Sunday, the structure, spic and span, renovated, and freshly painted, located on Alexander Avenue east of Highway 70, was dedicated as the new St. Elizabeth Ann Seton Mission Church at 8 p.m. at a consecrated Mass with Bishop Lawrence M. DeFalco as principal celebrant. He is bishop of the Diocese of Amarillo.

Father Malcolm Neyland, who leads Catholic services in Kent, King, Dickens, Motley, and now Hall counties, said: "Without the help of pastors, parish councils, and parishioners who made this dream a reality, we would be saying Mass here at Turkey under the trees!"

He is pastor of the St. Elizabeth Ann Seton Mission Church here, which will serve 48 families, who had quite a struggle getting a meeting place.

The structure of the new mission was once the original St. Mary's Church of Spur. Father Neyland said most of the interior and exterior work on the building was done by the parishioners. Total cost of the mission was only \$5,800, including two lots purchased for future development.

"Funds for the new mission came first and foremost from the outreach program of the diocese, and so the mission church truly can be said to belong to all of God's people."

The history of the altar in the mission church can be traced back to the first Catholic church in the four-and-a-half-county parish. The cross at St. Elizabeth Ann Seton also is the first cross used in a Catholic Church in the sprawling Caprock foothills, where Catholic faith had a difficult time getting started. It is said to have come slowly to this rugged part of West Texas that spawned some of the largest ranches in the heyday of cattle raising on wide-sky, wide-prairie expanses.

But the Catholics came to stay. And Sunday, May 7, in Turkey was a time to recall the hardships of the past, looking into the optimism of the future, Father Neyland said.

## "We The Women" Monthly Luncheon Held May 1

The monthly luncheon and business meeting for "We the Women" was held Monday, May 1, in the Community Center in Quitaque. There were approximately 25 present for lunch.

Robert Phelps and Rick Dill showed the group a film, "A Litter Message," that was obtained from a "Beautify Texas" meeting which was attended by a group of local women in April in Panhandle, Texas.

Mary Stark and Judy Morrison gave a report on the "Beautify Texas" meeting, which included 1. Ways to Dispose of Trash, and 2. Recycling Metal Cans.

The Yard of the Month contest began May 1. This is a personal achievement for all who participate, and it also helps the looks of the city. A plaque will be given to the most outstanding Yard of the Month at the end of the summer.

The projects for "We the Women" are for the good of the community, which include not only beautification, but serving the needs of the people of this community by all working together to create unity and community spirit among all the people.

The decorating hostesses were Judy and Johnnie Morrison and Lillian White.

(Ed. Note: When we look at the

progress of the City Park and Valley View Park, we can appreciate the leadership of the group of "We the Women." A lot of hard work has gone into this effort which began under their interest. The Lions Club has helped and Earl Lewis is employed and has done a marvelous job of keeping the new grass, trees and shrubs watered. It is going to look pretty good by Homecoming in August.

## Public Notice

An appreciation hour for Congressman Jack Hightower, sponsored by Turkey Farmers Union, will be held Saturday, May 13, at 8 p.m. in the Bob Wills Center at Turkey.

Everyone is urged to attend and bring a salad.

Congressman Jack has stood ten feet tall for us. Come out and show your appreciation. It will help.

Buck Blakney

Rex and Charmaine Adamson of Lubbock were in Turkey for the weekend visiting with both sets of parents and grandparents.

## THANKS, FOLKS:

I would like to express my sincere thanks to all who supported me and for their vote in the first primary.

I would once again like to ask for your support and your vote and influence in the upcoming runoff election, on June 3. I want to be your commissioner.

Be sure and don't forget to VOTE in the runoff election.

JACK CHANDLER

## We have the latest SNAKEBITE FREEZE KITS

A revolutionary new snakebite first aid now recommended by Doctors and Professionals as the most effective kit available.

It has been shown that conventional and home remedy snakebite treatments can do more harm than good. SNAKE FREEZE a revolutionary new first aid for snakebite, makes it possible to safely transport the victim to the nearest medical facility without further harm, due to cutting or other home remedies.

SNAKEBITE FREEZE is good first aid for all kinds of snakebite-both poisonous and non-poisonous. It is also good for scorpion, wasp, spider, and other insect bites and stings.

## CITY DRUG

Turkey, Texas

## TO THE CITIZENS OF BRISCOE COUNTY

My sincere thanks to those who supported and voted for me in my bid for the Democratic Nomination for State Representative, and I earnestly solicit your continued support.

I would like to thank my opponent, Mr. Glen Conrad and his wife, Ann, for the clean race they ran and would like to solicit the vote and influence of his supporters in the November election.

**FOSTER WHALEY**  
Democratic Nominee  
For State Representative  
66th District

## Conditions Not Favorable For Good Mesquite Kill

Present moisture conditions in Briscoe County do not appear favorable for a good kill on mesquite using chemical spray this spring. Due to the long period of dry weather we have had, mesquites are not making rapid growth. When using 2, 4, 5-T alone or in combination with picloram or dicamba, mesquites should be making vigorous growth. Spraying should be done within a period of 40 to 90 days after first leaves appear in the spring and when the soil temperature is 75 degrees or higher. When these conditions are met, a good kill can be expected.

Basal spraying with 2, 4, 5-T or diesel can be done anytime and a good kill can be expected when the ground is dry. The lower 12 inches of trunk should be sprayed enough to penetrate the bud zone.

All land treated for brush management should be given a 90 day deferment from grazing by domestic livestock immediately following spraying. During this period of deferment, the important forage plants have a chance to re-establish root systems, establish young plants, and regain vigor to compete against undesirable grasses and weeds. If your major consideration in brush management is to increase forage production, take advantage of the added benefits of deferment.

For more information about brush management, contact the Soil Conservation Service in Silverton.

Mr. and Mrs. Ronnie Buchanan of Garland visited this week in the home of his aunt, Mr. and Mrs. James Fuston.

Dean Lane of Turkey underwent surgery at Hall County Hospital in Memphis on Tuesday, May 2. He returned to his home in Turkey this past weekend.

Mr. and Mrs. E. L. Hill visited in Wellington Sunday in the home of their son, Mr. and Mrs. Rod Hill.

Mrs. Linda Ferguson spent the weekend visiting in the Ike Ferguson home in Plainview getting acquainted with her new grandson, Cory Ferguson.

Mrs. Quay Bowman, mother of Mrs. Del Ray House of Turkey, underwent surgery at St. Anthony's Hospital in Amarillo Saturday. They were in hopes of being able to move Mrs. Bowman to the Hall County Hospital at Memphis this week.

Mr. and Mrs. Oscar Turner of Amarillo spent last Thursday night in Turkey in the home of Mr. and Mrs. Aubrey Turner. Oscar Turner suffered a stroke over the weekend and is a patient in Northwest Texas Hospital in Amarillo.

All this glory from one tiny seed! The sunflower towers taller than a man, its huge golden head filled with thousands of seeds... and every seed contains the mystery of life and growth that science cannot explain.

We are surrounded by miracles that man did not create. Who created them? Who created us? By the reasoning powers of our own marvelous minds we can be guided to see that God the Creator has made all things according to His plan, and that we can only achieve our highest development by living in harmony with it.

How can we know God's will for us? We need only a small seed of faith, for He will lead us in His way if we ask Him... and that seed will grow and flourish under His loving care.

### THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and read your Bible daily.

# KIKER'S KORNER

by Earnest Kiker  
Briscoe County  
Extension Agent

Home gardeners with established asparagus beds will be interested in learning about some special techniques to obtain high yields of tender spears.

Correct harvesting makes asparagus much more productive. The first rule is to harvest all shoots when they are 6-8 inches high, regardless of their diameter. Allowing some shoots to grow into tall ferns early in the season will waste the food reserves which have been stored in the asparagus roots and reduce the total yield of the planting.

Snap off each spear by holding the spear between your thumb and

forefinger and gently bending it to one side. The spear will snap off at its most tender place which is usually about a half-inch above the soil.

Continue harvesting as long as you can find spears that are at least 3/8 to 1/2 inch in diameter. In a health, vigorous bed, the harvest period can usually be extended for at least eight weeks. When you can no longer find spears that are at least 1/2 inch thick, discontinue harvesting for the season.

You must irrigate asparagus every seven to ten days during the harvest season if no rain falls. Fertilize the asparagus by top-dressing with eight ounces of ammonium nitrate or 12 ounces of ammonium sulfate per 100 square feet of bed area. Irrigate with at least one inch of water to carry the nitrogen fertilizer down into the roots zone.

Continue regular irrigation on a weekly basis to stimulate the greatest possible amount of fern growth. Do not discontinue irri-

## What Think Ye?

### WORLD'S MEANEST MOTHER

written by Orien Fifer  
of Phoenix, Arizona

I had the meanest mother in the whole world! While other kids ate candy for breakfast, I had to have eggs, cereal or toast. While others had candy for lunch I had to eat a sandwich, and, as you can guess, my supper was different from other kids too! My sister and two brothers had the same mother as I did.

My mother insisted on knowing where we kids were at all times. You'd think we were on a chain gang. She had to know who our friends were and what we were doing. She insisted that if we said we'd be gone one hour that we'd be gone not one hour and one minute. I'm ashamed to admit it but she actually struck us, not once, but each time we decided to do as we pleased. Can you imagine someone hitting a child just because he disobeyed? Now you can begin to see how mean she really was.

The worst is yet to come! We had to be in bed by nine each night, and up early next morning. We couldn't sleep till noon like our friends. So, while they slept, my mother actually had the nerve to break the child labor law. She made us work. We had to wash dishes, make beds, learn to cook, and all sorts of cruel things. I

gation until the fern stops growing and turns yellow. At the end of the season, the fern growth should be cut off at ground level and hauled away to the compost heap.

### SUGGESTED VEGETABLE GARDENING ACTIVITIES FOR MAY

Day

1. Plant seed of lima beans, blackeyes and other southern peas, and okra when soil temperature stays 70° to 75° F. or higher at four to six inches depth.

Plant seed of vine crops, i.e. summer squash, cucumber, muskmelon, watermelon in pasteurized soil mix or prepared peat-lite mix in peat pots indoors. Keep soil temperature 75° to 80° F. if possible. Plants will be ready to set out in 14 to 16 days.

5. Apply grass clippings, straw, or leaf mulch over potato hills to keep soil cool around the enlarging tubers.

Watch development of English peas; they mature fast when weather turns warm.

10. Sow lettuce every two to three weeks to keep salad greens coming along; use heat tolerant varieties, i.e. Buttercrunch, Ruby, Salad Bowl, Tendersweet; plant on east side of a fence to avoid excessive heat.

Irrigate soil of established plantings every three to four days with one to 1 1/2 acre-inches of water unless rainfall amounts reach one inch or more; an acre-inch of water means about 62 gallons per 100 square feet of garden space; tomatoes and squash usually use more water than other vegetables.

15. Thin seedlings to the correct spacing to allow sufficient room for growth and development. Root crop plants should be spaced at a distance equal to 1 1/2 times their mature diameter, e.g., to get 1" radishes, space them 1 1/2" apart.

20. Sidedress tomatoes, peppers and eggplant with one pound of ammonium nitrate per 100 linear feet of row when fruits have started to set; repeat this sidedressing every three to four weeks.

Plant pinto beans, French Horticultural beans, and other dry beans for fall harvest now to mid-June.

Set potted squash, cucumber and melon plants into garden when the two seed leaves are fully expanded but before the first true leaf becomes visible. Protect them from wind; shade from sun for a day after planting.

25. Procure a Home Garden Vegetable Insect Control Guide from your County Extension Agent.

Study insecticide, fungicide and herbicide labels carefully and use pesticides only as directed on the label!

30. Watch for insects and apply correct control measures; cabbage loopers, thrips, cutworms, flea beetles, aphids, squash bugs and harlequin bugs usually cause injury to vegetables.

Visitors in the Roy Hunter home over the weekend were Mr. and Mrs. Loyd Jeffries of Hale Center, Vicky Hunter of Dimmitt and Teresa Gerber of Nazareth. Mrs. Jeffries and Mrs. Hunter are sisters. Vicky is the granddaughter of the Hunters.

Mr. and Mrs. Tom Pierce spent Saturday in Vernon visiting their son and family, the Robert Pierces.

Mrs. Wayne Whittington visited Thursday with her mother, Mrs. Ida Faulkner of Plainview in the home of Mrs. Faulkner's son, L. K. Faulkner. Mrs. Whittington also visited Scott Bolton and Mr. and Mrs. Jess Couch and others at the Heritage Home.

Mrs. Evelyn Manry of Lake Tawakoni and her son, John Manry, jr., of Irving spent the weekend with Mrs. Manry's mother, Mrs. W. W. Cain. John, jr., teaches music at Irving. As soon as school dismisses, he plans to attend the Viennese Orchestra this summer. He has been participating in summers previously, and states that he thoroughly enjoys it.

believe she lay awake at night thinking up cruel things to do to us. She always insisted upon our telling the truth, and nothing but the truth, even if it killed us—and it nearly did.

By the time we were teenagers she was much wiser, and life became even more unbearable. None of this tooting the horn of the car in front of the house for us to come running. She embarrassed us no end by making our dates and friends come to the door to get us.

I forgot to mention, while our friends were dating at the "mature" age of 12 and 13, my old-fashioned mother refused to let us date until the age of 15 and 18. Fifteen, that is, if you dated to go only to school functions, and that was twice a year.

My mother was a complete failure as a mother! None of us has ever been arrested, or beaten his mate! Each of my brothers served his time in defense of his country. And whom do you think we have to blame for the terrible way we turned out? You are right, our mean mother! Just look at all the things we missed—we never got to march in a protest parade, take part in a riot, burn draft cards, or a million other things that our friends did. She forced us to grow into God-fearing, educated, honest adults.

Using this as a background, I am trying to raise three children. I stand a little taller and am filled with pride when my children call me "mean." Because you see, I thank God He gave me the "meanest mother in the whole world!"

—EARL CANTWELL

**Miss Peery Is Shower Honoree**

A bridal shower honoring Miss Jon Elta Peery, bride-elect of Brad Ziegler of Silverton, was held in the home of Mrs. J. D. House in Turkey on Saturday, May 6, from 2:30 until 4:00 p.m.  
 Mrs. House greeted the guests as they arrived. Miss Linda Coker registered the guests while Mrs. Claud Robison, Mrs. Ray Beryl Calvert and Mrs. Smith Guest served refreshments from a white lace covered table centered with a silk flower arrangement in assorted colors. The home was decorated

throughout with the various spring colors, and the mints and tapers were in the assorted colors also. The crystal and silver service completed the table arrangement.  
 Hostesses were Meses. George Setliff, Wayne Loury, Byron Young, James Fuston, Linda Ferguson, J. T. Mullin, Danny Fuston, U. F. Coker, Jr., Smith Guest, Otis Mullin, Laverne Barnhill, Claud Robison, Ray Beryl Calvert, David Setliff, Keith Green, Gerald Lane, J. R. Adamson, Jr., R.

**Valley Students Graduate From Clarendon College**

Commencement services for 58 graduates of Clarendon College were held at 8:30 p.m. Friday, May 5.

Among those graduating were seven students from Valley High: Joe Barefield, son of James Barefield, received an Associate of Arts degree; Jimmy Davidson, son of James Davidson, received an Associate of Science degree; Danny Mayfield, who resides with his grandfather, John King, at Quitaque, received an Associate of Arts degree; Kay Eudy, who resides with her husband, Ron, in Turkey, received an Associate of Arts degree; Richard Greene, who resides with his wife, Betty, in Turkey, received an Associate of Applied Science degree in radio-TV; Janna Guest, whose husband is Brent Guest of Turkey, received an Associate of Arts degree;

**Mrs. Cleo Ham Wins Yard Of The Month**

Mrs. Cleo Ham is the May winner of the Quitaque Yard of the Month contest sponsored by "We the Women." Mrs. Ham's home is only a year old and she has already established a beautiful yard with beautiful roses blooming and a weedless carpet of grass.

The five judges point out again that the size of the yard or the amount of landscaping is not considered. A neatly trimmed lawn with grass trimmed around trees and walks is important as well as attractive planting of shrubs and flowers. A small yard can be just as beautiful as a large yard when it is well kept. There will be recognition each month for the Yard of the Month, and for the first time this year, there will be a plaque given at the end of October for the yard which is judged to be the most beautiful for the year.

The attractive sign was made by Teresa Turner and Frank Robertson. The purpose of presenting the award each month is to encourage Quitaque residents to beautify around their homes and help to make the town the neatest little town in the Panhandle. Last summer was a good example of what can be done to make Quitaque more attractive, for more people took pride in their individual yards and in helping the entire community take on a clean, fresh look. The slogan, "Small in Size, Large in Pride," sums up the feeling of Quitaque residents.

**Mrs. Harmon Tells Of Mission Work In Indonesia**

The Baptist WMS met Monday, May 8, at 2 p.m., opening with the scripture taken from Luke 22:31-34, and prayer led by Mrs. Lillian White.

Mrs. Lolita Belle Harmon gave a summary on "Meet the Missionary," Glenn Ingouf of Alabama, a former missionary to Indonesia. This country ranks fifth in population in all the world. It is made up of very friendly people who respond readily to the gospel.

Mrs. Harmon also brought a discourse on "Calvary Love Lives On," the story of an orphan boy who forgave the murderers of his parents and won them to Christ.

Mrs. Austella Brown spoke on "Ministry to the Juvenile Offender." This was also very interesting.

Closing prayers were led by the entire group.

Reported by Mrs. Cora Gragson

**Park Experiences Alcohol Flow**

An excessive number of alcohol consumption violations have been recorded at Palo Duro State Park by park personnel.

"The rule allows no intoxicating liquors or beverages to be sold or publicly consumed within any unit of the State Park System or a portion thereof," said Billy Baker, assistant park superintendent.

State Park visitors are asked to obey all park rules which are posted in all parks in Texas. Further information about state parks can be obtained by calling Palo Duro State Park, 806-488-2227; Caprock Canyons State Park, 806-455-1492; Copper Breaks State Park, 817-839-4331; Abilene Recreation Area, 915-572-3204; Big Spring Recreation Area, 915-263-4931, or call toll free 1-800-252-9327.

L. Brunson, Jan Turner and H. D. House.

**Methodist Youth Attend Rally**

The youth of the First United Methodist Church of Quitaque attended a rally at First Methodist Church in Plainview. They enjoyed fellowship with youth from all over the district and music by the Radiation Singers.

Elections were held for district officers and Cindy Griffin was elected Councilor.

Young people attending were Shane Parsley, Cindy Griffin, Jon David Davidson, Mike Rice, Nadine Rice, Candy Jones, Bobbie Duncan, Kriss Duncan and Michelle Robertson. Mrs. Jarrell Rice and Mrs. Marquis Robertson accompanied the youth.

**Wildlife Regulations Approved Last Month**

The Texas Parks and Wildlife Commission in a public hearing in Austin April 25 approved several game and fish regulation proposals that will affect sportsmen in the Panhandle and South Plains next fall.

Regulatory changes adopted by the commission included:

—Established a mule deer season in the Panhandle from the Saturday before Thanksgiving for 16 days; bag limit, two mule deer, not more than one buck, antlerless by permit. This regulation is designed to treat mule and white-tailed deer separately and allow the department to manage both species more closely. The counties affected include Dallam, Hartley, Moore, Hutchinson, Roberts, Oldham, Potter, Carson, Gray, Deaf Smith, Randall, Armstrong, Donley, Swisher, Briscoe, Hall, Childress, Floyd, Motley, Cottle, Ochiltree, Crosby, Kent, Knox, Garza, Stonewall, Haskell, Borden, Scurry, Fisher and Jones. (Archery season October 1-16, one buck only)

—Establish quail season in the Panhandle, South Texas and Trans-Pecos areas to be the last Saturday in October through the Sunday nearest January 31. This was adapted to allow hunters to take advantage of peak quail populations each fall.

Mr. and Mrs. Horace E. Mullin, Mr. and Mrs. Jess Browning, all of Turkey, drove to Amarillo Saturday to surprise Guy Mullin with a birthday dinner and cake. Mr. and Mrs. Milton Cunningham of Amarillo joined the group with the ice cream. Guy and his wife, Juanita, had a real surprise, and the two brothers and two sisters and their companions all had an enjoyable visit.

Son McCracken of Pecos spent Saturday and Sunday visiting his parents, Mr. and Mrs. Leon McCracken, in Quitaque.

several to receive Proficiency Awards and Agriculture Scholarships.

Jay Eudy is the Valley agriculture teacher, and he has had many young men during his teaching at Turkey and at Valley who have been outstanding in their work.

Mr. Eudy states that these young men have worked long and hard to accomplish these goals and the school and community are very proud of them.

**FFA AREA CONVENTION SLATED IN LUBBOCK FRIDAY**

The Area FFA Convention will be held Friday, May 12, in Lubbock. The Valley FFA has eight Lone Star Farmer applicants, one American Farmer applicant, and

The American farmer builds two things better than anyone else in the world. He builds the next generation, passing along a special kind of wisdom... respect for the soil, honesty, independence, and faith in the future. And he builds his land, leaving it better than he found it. That kind of building usually requires borrowed long-term capital. That's where we have helped for 60 years.

## Child Day Care Law Explained

Anyone who uses her home to give regular care to between one and six children not related to her, is required by law to register with the state, but many such individuals may be unaware of this requirement.

Wanda Minchew of Tullia, Day Care Licensing Representative for the Texas Department of Human Resources, said that two such homes are registered in Briscoe County, and she invited caregivers who have not yet registered to contact her for the necessary forms and information.

"Registration differs from licensing," she said. "Licensing is required of facilities which care for more than six children regularly. Registration is a simple procedure, whereby the care-giver checks her home by standards which are furnished and sends us a signed statement that she meets the state's minimum requirements for the health and safety of the children in her care."

The local fire marshal will need to inspect the home for fire hazards, and a check list will be provided for the homeowner to conduct a health and sanitation inspection. Other than these, no other outside inspections are routinely required.

"I will be glad to talk to the care-givers at their request regarding meeting the standards," Mrs. Minchew said. "The law requires the representative to visit a home if a complaint against the home has been received or if it was selected from a random sampling for inspections for compliance with standards. Our state office chooses one home in a hundred each month to be inspected."

"Placing a home on the agency's list of Registered Family Homes does not imply any guarantee from the state about the facility," Mrs. Minchew said. "We do make our list available to parents who are looking for someone to care for their children. But the parents are still responsible for getting acquainted with the care-giver and her home so they can assure themselves that the type care they want for their children will be provided."

Regular care means that care is provided more than four hours a day, more than two days a week, and for at least five consecutive weeks.

The state makes no charge for registration, she said. She invited individuals in Briscoe County who wish further information about registration or licensing to contact her. Her telephone number is 806-995-2321, and the mailing address is 105 Hospital Avenue, Tullia, Texas 79088.

### Turkey Lions Club Meets

The Turkey Lions Club held its regular meeting Tuesday, May 9, at the Big "T" Restaurant. The meeting was opened by Boss Lion J. T. Mullin. Lion Rev. Melvin Clinton led the pledge of allegiance to the flag, and Lion Rev. Elroy Wisian gave the invocation. Lion Darrell Couch won the pot of gold.

Lion Keith Green reported that Lion John Locke from Pampa will be at the meeting May 23 with a CARE program, and all members are urged to attend this important meeting.

Lion Melvin Clinton presented a nominating committee report. He also reported that the annual Broom and Mop Sale will begin next Friday, May 12, at Mullin Motor Company. The broom van will be open from 10:00 a.m. until 4:00 p.m. Friday and all day Saturday, May 13. A price list and listing of the merchandise for sale are on another page of this newspaper. This merchandise is made by blind people who want to work and earn their own living. Proceeds from the sale will go to the Lions Crippled Children's Camp, Hi Plains Eye Bank and Girlstown, USA.

**A stitch in time OR Elias Howe was a SEW-SEW inventor.**

When Howe invented the sewing machine in 1846, he really got needed. Some tailors said a machine could never replace hand work, or so it seemed. But a few followed the thread of Howe's thinking. An automatic stitcher worked faster and more consistently, and the results were highly profitable.

Which happens to be the same reason folks today sign up for the Payroll Savings Plan. It's tailored to let you buy U.S. Savings Bonds automatically. And that makes saving faster and more consistent. With results that are highly profitable.

So, save regularly with U.S. Savings Bonds. You'll have your future all sewn up.

Series E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

**Take stock in America.**

A public service of the publication and The Advertising Council.

# Are We In The United States Going To Make The Full Circle?

Are we in the United States concerned about the form of government we live under? How did we come to have the form of government we have? Is it worth keeping? Can anyone become a president of the United States?

The first forms of recorded governments were tribal chieftans and kings. Kings were absolute monarchs, having full power and sovereignty over their subjects. Most kingships were inherited.

The Greeks were the first to have a form of democracy. Later the Romans used a form of democracy. With the fall of the Roman Empire there were kings with a feudal system. Many nobles paid allegiance to the kings, and each noble had many serfs under them. The serfs were more or less tied to the land, and were virtual slaves.

The subjects did not gain any rights for several centuries and then only slowly.

One of the first instruments setting forth the rights of man was the Great Charter (Magna Carta). One June morning in 1215, surrounded by angry Barons, much against his will, King John of England signed the famous document which established the individual rights of subjects against kings, a turning point in history.

The English Bill of Rights was passed by Parliament in 1689, when William and Mary were brought to the throne by the "Glorious Revolution." It guaranteed to the people a fair trial in the courts, frequent meetings of Parliament, and freedom of debate therein, freedom from taxation except by Parliament, the right of petition, forbidding excessive bail, cruel and unusual punishment.

The most important statement of such rights is the Declaration of The Rights of Man issued by the French Revolution in 1789. It laid down the principle of the freedom and equality under the law, of all citizens and the sovereignty of the people, as well as the right of the individual to freedom of speech, of religion and the press. It has been well said that it "laid down the principles of modern government."

Some of the first 10 amendments to the Constitution of the United States were taken almost word for word from the English Bill of Rights.

Most of the states started their Constitution with a Bill of Rights, setting forth the rights of the individual, that may not be taken by the state.

After 200 years is there any danger of the citizens of the United States losing those rights? Why write down another Constitution? Why so much power invested in the executive branch of the government? Who nominates or picks the presidential candidates? Are we a brainwashed nation?

Originally our government was a Representative Democracy. Jefferson said, "It would be good only as long as we kept it that way."

The English philosopher Thomas Hobbs noted: "Freedom is government divided into small fragments."

In his early years, Woodrow Wilson said, "The history of liberty is a history of the limitation of governmental power, not the increase of it."

The English historian Lord Acton commented: "Power tends to corrupt, and absolute power corrupts absolutely."

How far along is the United States to becoming a member of a world socialistic or communistic order? Would you believe 1980, 1982 or 1985?

If one understands that socialism is not a share the wealth program, but is in reality a method to consolidate and control the wealth, then the seeming paradox of super rich men promoting socialism becomes no paradox at all. Instead it becomes the logical, even the perfect, tool of power seeking men.

Socialism is not a movement of the down trodden masses, but of the economic elite. The plan of the people gaining power is to socialize the United States into a Socialistic World Order.

As we move along the political spectrum toward socialism, all the reigns of power are being centralized in the executive branch of

the federal government. Money is used as bait and the hook is federal control.

Mr. and Mrs. Charlie Grundy and Mr. and Mrs. E. E. Lokey of Lubbock were fishing at Brackettville for ten days recently. Mrs. Grundy caught a 6½ pound bass. They also visited a friend, Mrs. Nanna Diego, in Acuna, Mexico, who has a combination curio and coffee shop there.

Mrs. Thelma Loving and Mrs. Edna Taylor were in Clovis, New Mexico Monday through Wednesday visiting Mrs. Vera Thompson and Mrs. Mary Stephen. The ladies are friends of long standing of Mrs. Taylor. They report a very nice visit, although Mrs. Taylor lost her voice and had to stop in Plainview for medical attention.

Mr. and Mrs. H. B. Finney received word Monday afternoon that their great-nephew, Gary Cowan of Houston, had undergone brain surgery in Houston Monday morning. Gary is six years old. The tumor was thought to be benign.

## M. C. JONES ELECTED TO ROLLING PLAINS PCA NOMINATING COMMITTEE

Rolling Plains Production Credit Association held its 44th Annual Stockholders Meeting in Childress Friday, April 28, and in Stamford, Saturday, April 29, with over 700

Mr. and Mrs. Earl Lee Woods and Kama of Lamesa visited his parents, Mr. and Mrs. Bill Woods, in Quitaque Sunday.

Mr. and Mrs. E. B. Baisden visited in Hobbs, New Mexico over the weekend with their brother-in-law, Dave Arnold. They returned Sunday by Littlefield where they visited with Mrs. Virgie Baisden and her daughters, Maudine Bryant, Peggy Crawley of Lubbock and Patsy Cooper of Midland.

Mr. and Mrs. Bud Bailey visited her mother, Mrs. T. J. Reeves, in Central Plains Hospital Sunday afternoon. Mrs. Reeves has been in the hospital for the past three weeks and they have been going several times a week to visit her. The doctor hopes she can go home in a few days.

stockholders and guests attending. Highlighting the meeting was the election of two directors.

R. C. Cobb, president, reported that the Association loaned over \$70 million in 1977. In his review of the statement of condition, he told stockholders that the Association has capital and surplus of nearly \$8 million.

W. J. Boykin, director from Northfield, gave a report from the Board. He said, "... even though farm operators are declining in number each year, the Association membership continues to increase ..."

John Tower's assistant, Chris Steed, speaking at the Childress meeting presented three major issues confronting congress and the administration since the first of the year. First, the problems of the agriculture industry; second, consideration of the Panama Canal Treaties, and third, continuing work on the Administration's Energy Bill.

Congressman Bob Krueger, speaking at Stamford, supported the American farmer. It is his opinion that additional credit may keep farmers in business on a

short-term basis, but only increased prices can solve the long-range problems farmers face. He feels, "We need comprehensive planning measures incorporating not just flexible parity, which will provide higher prices, and additional credit, which will provide needed cash on hand, but also definite proposals to achieve overseas sales and equitable inspection standards for farmers who compete with foreign producers. Expansion of world trade is of paramount importance to American agriculture."

Elected to serve on the 1979 nominating committee were M. C. (Salty) Jones, Quitaque; Billie J. Holley, Paducah; Walter Heller, Lueders; John Ben Glover, Rochester, and Norman E. Hardy, McAdoo.

A barbecue lunch was served to stockholders and guests.

Mr. and Mrs. Jean Grundy of Lamesa and their daughter, Mrs. Carol Ann Belew and son, Chase, of Lubbock spent the weekend with Mrs. Jess Grundy. Mrs. John King visited her sister, Mrs. Jean Grundy, in the home of Mrs. Jess

Grundy Saturday night.

Miss Jill Johnson of Houston is visiting her mother, Mrs. Amella Johnson, in Quitaque. She is enroute to Chicago, Illinois to visit friends and plans to work there.

Robbie Helms, son of Mr. and Mrs. Joe Edd Helms, underwent knee surgery in Highland Hospital in Lubbock Thursday of last week. It is reported the surgery was more complicated than the doctors had expected beforehand, but he is improving fine. His mother has been with him all the time. His father and his sister, Mrs. L. W. Hamilton, drove up for the surgery.

Mr. and Mrs. Clyde Dudley and family spent the weekend in Lubbock visiting her sisters and families, Mr. and Mrs. Mack Kemp and family and Mr. and Mrs. Melvin Justus and family.

Mr. and Mrs. Melvin Cobb and family of Amarillo spent the weekend with his parents, Mr. and Mrs. Orval Cobb, in Quitaque.

# A "Do-it-yourself" Ad for U.S. Savings Bonds.

If you want it done, you gotta do it yourself. Do what? Well, save for a college education, vacation, or even a down payment on a new home. How do you do it? With U.S. Savings Bonds, the Payroll Savings Plan, and the chart below. So, take pen in hand and fill in the blanks. My dream is \$\_\_\_\_\_. If I joined the Payroll Savings Plan and set aside \$\_\_\_ each week, I could save enough to make my dream come true in \_\_\_ years. Now you know how much and how easily you can save by buying Bonds through the Payroll Savings Plan. So, why not sign up today? After all, nobody's gonna do it for you.

**THANK YOU**

What do you think of... when you see a Church?

To almost everyone, the sight of a slender steeple raised to the sky evokes certain emotions—awe, perhaps, nostalgia, maybe—the sense that by not going to church lately, you've been missing something!

Next time you see a church, take a good look... and let yourself really feel what you see. If that makes you decide not only to look at the outside but also to go inside, that will be all to the good. For no matter how lovely a home you may live in, it can't compare with God's House. If you open the door, you'll find that, no matter how long you've been away, the welcome is warmer and more wonderful than you'll find anywhere else.

**ATTEND ASSEMBLY AT LOUISVILLE, KENTUCKY**

Mrs. Gene (Fredia) Fuston, a member of the Turkey United Methodist Women and a District Officer of the Plainview District of the Northwest Texas Conference of UMW, returned Sunday to Lubbock by plane after attending the Assembly held in Louisville, Kentucky April 27-30.

These Assembly meetings are held every four years to bring together members of the United Methodist Women from all areas of church and society. Theme for this Assembly was "A New People for a New Age."

In 1973 the Assembly's offering provided \$64,000 for "Leadership Development for Church Women" and related projects.

There were 9,000 women in attendance from all over the United States along with a number of international guests of Christian women from Asia, Africa, Latin America and the Caribbean.

Twenty-four hotels in Louisville provided reservations for the women with the Assembly meeting at the Louisville Gardens and Commonwealth Center where the personnel had luncheon provided for 3,705 people within walking distance of the center.

Approximately 2,000 women visited Wesley Community House of Louisville on Thursday. The most visible program they viewed was Wesley's Day Care Center, largest in Louisville.

Mrs. Fuston gave a report on her trip to the Turkey United Methodist Women at their regular meeting on Monday, May 1, in the Church Chapel.

Mrs. Fuston had been requested to submit her photograph as a new member attending the Assembly for the first time, and she was greatly surprised to see her portrait on a large screen at the Assembly along with the facts of her having been involved in her community by having been on the ballot of trustee in the Valley School election this year.

Mrs. Sid McFall visited her son and family, Mr. and Mrs. Sid McFall, jr., and children in Matador from Monday until Wednesday of last week. She recently spent a visit with another son and family, the Billy Joe McFalls, at Portales, New Mexico.

Mrs. Denver Anderson spent the weekend in Hereford visiting her daughter and family, Mr. and Mrs. Gerald Foster and son, Shannon. The grandson returned home with her to spend a few days.

Mr. and Mrs. James May visited Mr. and Mrs. Bill Rucker in Canyon Sunday. The Mays, the Ruckers and Donna Martin and friend, Ken Limbocker, drove to Amarillo for lunch.

WE KNOW WHAT YOU MEAN WHEN YOU'RE TALKING PARTS.

**What... heats, broils, roasts; simmers, sizzles, broasts; grills, bakes, stews; panfries, and even barbecues?**

**GAS COOKING OUTDOORS**

Gas cooking outdoors sure makes sense in the summertime. It keeps the heat out, so your house stays cool. You save on air conditioning. Plus there's no charcoal or lighter fluid to buy, and no wait. Gas reaches cooking temperature fast and cooks full family dinners, everything your inside range and oven can cook, with that great outdoor flavor.

Take the heat out of the kitchen. Install a gas grill on the patio. It sure makes sense in the summertime, or anytime!

**Charmglow 2000**

With 351 square inches of cooking surface and deep hood design, this popular grill has the capacity to cook a big turkey or whole ham. Heat sets with the turn of a knob, and the special H-shaped burner and permanent briquettes heat the entire cooking area evenly.  
 Only \$7.11 budget-priced on your monthly statement.

**Charmglow 3200**

This family favorite has a cooking grid that is over two feet wide and a foot deep. Its split gas burner heats each half of the cooking surface separately from the other so you can cook different foods at different temperatures. And its exclusive Charm-Rok® briquettes insure uniform heat over the 461 square-inch cooking area.  
 Only \$9.30 budget-priced on your monthly statement.

**CARD OF THANKS**  
 Many thanks to all our friends for all they have done for us during my surgery and since I have been home. Thanks for the cards, flowers, food, visits and prayers, and most of all, for being our friends.  
 Roberta Farley and family

Roger Brunson returned home from Central Plains Hospital in Plainview Thursday of last week after he was taken there by ambulance early Sunday morning previously. He returned to the hospital today (Thursday) for more tests.

**Helping Mrs. U. F. Coker, sr. to celebrate her birthday on May 8** from out of town were her nieces, Mrs. J. P. Meek and Mrs. Willis Fillingim of Briscoe; Mrs. Bobby Adams, Mrs. Connie Long, Morton; Mrs. Bill Key, Sudan; a cousin, Mrs. John Rogers, Quitaque; a nephew, Carl Crumley, Amarillo; her daughter, Mrs. Evelyn Mayfield, Cleburne. Turkey relatives taking part were Mrs. Estelle Lane, Mrs. Frank Lane and children, Mr. and Mrs. G. O. Coker

**Mr. and Mrs. Homer Hard of Fort Worth visited in the home of Mrs. Solon Owens during Bob Wills weekend.** She is a sister-in-law of Mrs. Owens. Jimmy Owens of Tulsa also visited in his mother's home during the weekend celebration with his sister and aunt. They were joined for their visit by Bart Owens of Quitaque.

**Mrs. R. L. Patrick of Norman, Oklahoma and her friend, Mrs. Katherine Guinn of Amarillo, were in Quitaque on business Tuesday,**

**and visited friends.** Mrs. Patrick and her sister, Mrs. Viola Boyles, are in the process of moving from Norman Route to Tecumseh, Oklahoma. They have been living 30 miles from a doctor and neither of them are well.

**Mr. and Mrs. J. W. Hough of Lubbock were in Quitaque on business Tuesday.** They stopped in the Tribune for a short visit. Mr. Hough is a brother of Mrs. Pearl Powell of Brownfield, a good friend of the Gaston Owens, and a former resident of Turkey. He stops to check on Gaston's health to report to his sister.

### Tucker Included In Awards Program

The Board of Advisors for the Outstanding Young Men of America Awards Program announced today that Martin Earl Tucker of Turkey has been selected for inclusion in the 1978 edition of Outstanding Young Men of America.

The men are selected from nominations received from Senators, Congressmen, Governors, Mayors, State Legislators, University and College Presidents and Deans, as well as civic groups—including the United States Jaycees which also endorses the Outstanding Young Men of America program.

In every community there are young men working diligently to make their cities, as well as their country, better places in which to live. These men, having distinguished themselves in one or more fields of endeavor, are outstanding and deserve to be recognized for their achievements. The criteria for selection include a man's voluntary service to community, professional leadership, academic achievement, business advancement, cultural accomplishments and civic and political participation.

Tucker, along with fellow Outstanding Young Men throughout North America, will be featured in this prestigious annual awards publication.

### BROTHER OF LOCAL RESIDENT HAS OPEN HEART SURGERY

Hayden Carter of Paragould, Arkansas is in Baptist Memorial Hospital in Memphis, Tennessee following open heart surgery Monday, May 1. It is reported that he is improving well now. Mr. and Mrs. Clyde Monk of Lubbock went down for the surgery.

Mrs. Therma Farley had all of her children home for a visit during the Bob Wills weekend. They were Mr. and Mrs. D. F. Martio of Broderick, California; Mr. and

Mrs. Bill Farley and daughters, Yelonda and Yvette, also Mrs. Kathie Phipps and daughter, Val, and all of Alamogordo, New Mexico. They were joined for their visit by Mr. and Mrs. Steve Farley and their children, Revis, Cindy and Stepen of Turkey.

## TO THE VOTERS OF PRECINCT NO. 2

I want to take this means to thank everyone who supported me in the First Primary held last Saturday, and ask for your continued vote and support in the run off election.

I plan to see every voter if I possibly can before June 3 election, and personally ask for your vote and influence, but if I miss someone, I hope that you will accept this as my way of saying "Thanks" and to solicit your vote on June 3.

Sincerely,
