THURSDAY, MAY 16, 1946 TWENTY-FOURTH YEAR, NO. 20

HOP HALSEY, LUBBOCK, IS IN RACE FOR CONGRESS, 19th DIST.

Hop Halsey, of Lubbock County, has authorized The Journal to announce his candidacy for Congress from the 19th Texas District.

The 19th district is composed of the following counties: Andrews, Bailey, Borden, Cochran, Crosby, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Haskell, Hockley, Howard, Kent, King, Lamb, Lubbock, Lynn, Martin, Mitchell, Scurry, Stonewall, Terry and Yoakum. The district had a population of 275,339 people in the 1940 census.

Halsey is a son of Mark Halsey, well known Lubbock druggist. Hop Halsey was born in Bell County at Salado. He came to Lubbock with his father 20 years ago. He is 31 years of age a graduate of Lubbock high school and an ex-student of Texas Technological College. He is now associated with his father in the operation of the Mark Halsey Drug Stores in Lubbock. Served in Texas Legislature.

Hop Halsey served two terms in the Texas Legislature and during those two terms was a member of the Higher Education sub-committee and the Appropriations committee of the Texas House of Representatives.

While a member of the Legislature he passed a bill through the House to re-district the state of Texas; this bill died in the Senate. This was the first time in 30 years that a bill of this kind had passed the House.

Halsey was elected to his first term in the Texas House over one opponent by a vote of four to one and ran for his second term unopposed, that being the first time that a man had sought a second term in the House from the 19th district without having opposition.

Volunteered in Marines. At the end of his second term as Representative of the 19th district, Halsey volunteered in the Marines.

At the end of his second term as Representative of the 19th district, Halsey volunteered in the Marines.

HOP HALSEY

and served 27 months as an enlisted man. Four months overseas, seeing action in the Gilberts, Marshalls and Marianas Islands.

Hop Halsey has always been active in civic affairs that have been beneficial to West Texas. He believes that there should be less bureaucratic control of affairs of the people and that the government should serve the people and not demand the people to serve it. In other words, he says, he believes in a government of the people, by the people, for the people and not a government of bureaucrats, by bureaucrats, and for the bureaucrats.

Not Machine Candidate. Halsey declares that he is not a candidate of any clique or political machine, but as a West Texas citizen he is asking for the vote and support of all of the people in the coming Democratic July election. Hop Halsey started very early in life with the ambition that you could render no finer service than to serve the people.

signed a new man to Washington; elect Hop Halsey Congressman from the 19th District of Texas," is the slogan of his campaign. Halsey is married and has a small son and daughter. He owns his home and resides at 3308 21st street in Lubbock.

Pioneer Round-up Set Saturday

Members of the Business and Professional Women's club are hard at work preparing for the 18th annual Pioneer Round-up which is to be held in Plainview May 18. The plans are moving forward and the affair promises to be one of the best in Round-up history.

Miss Curdie Mae Rogers is chairman of the parade committee, busy rounding up floats and other parade entries. All service clubs and business were being urged to cooperate in making this year's parade an outstanding one. The will be places for floats, also for horses, horse drawn vehicles and bicycles.

A reception will be held from 10 a. m. to 6 p. m. in the Chamber of Commerce office at city auditorium. The program begins at 8 o'clock. Gifts will be presented to the oldest pioneer man and woman present and to the pioneer with the largest number of children. There will be a prize for the man with the longest beard, also.

There will be an old fashioned square dance after the program, and a modern dance at the American Legion home.

FIRST CALF FOR CLUB PROJECT

The first calf to be born by a FFA club heifer since the recent inauguration of the Registered Jersey program in Bailey County is reported by club boy Earl Henry, whose heifer brought a fine new calf into the world Tuesday of this week.

And it is a heifer. Under the contract between sponsors who loaned the money to buy the heifers and the club boy who received her, the first heifer to be dropped by the better goes to the sponsor in payment.

The club boy then owns his registered heifer and the sponsor is repaid for his loan. Heifers are therefore most welcome at this time.

The sponsor in this case was Dudley Malone the creamery man. The new arrival has been named Oakland's Refugee Jester.

Lloyd Bingham Gets Discharge

Lloyd Bingham, P. R. 3-c, son of Mr. and Mrs. L. Bingham received his honorable discharge at San Pedro, California, April 30. He served with the Naval Air Corps 21 months, 25 months overseas in the Hawaiian Islands. He attended Muleshoe high.

Broyles Is Given Army Discharge

Pfc. J. C. Broyles son of Mr. and Mrs. R. E. Broyles received his honorable discharge at Fort Sam Houston and arrived home Sunday, May 12.

He served as an M. P. with the Army for 28 months in Houston and Galveston.

J. C. attended Muleshoe schools.

SPRAY FRUIT TREES NOW

A look at fruit trees and vines in Bailey County will indicate a record breaking fruit crop this year.

A closer look might reveal a horde of insects which are bent on sucking or eating the fruit and leaves and thus saving the housewife the trouble of gathering and using the crop.

It is especially recommended that leaf hoppers on grape vines be eliminated now. The mean fellow can be controlled very effectively by spraying the entire grape vineyard with a water and lead arsenate spray using 2 pounds lead arsenate to 50 gallons of water and spraying leaves and grape blooms thoroughly. Repeat following a hard rain.

Vets Claims Man Here Tuesday

Unemployment benefit claims, as well as Servicemen's Readjustment Allowance applications, will be accepted next Tuesday, May 21, at 9 a. m. at the Courthouse in Muleshoe. Mr. H. W. Richardson, who will be here, is the duly authorized representative of the Texas Unemployment Compensation Commission.

He cautioned both claimants and veterans to be careful and accurate on statements they make on claims and applications. Both the unemployment law and the G. I. Bill of Rights provide stiff fines and prison sentences for obtaining payments under false pretenses, he pointed out.

Mr. and Mrs. W. H. Bethany, Mr. and Mrs. W. E. Mason, of Amarillo and Mr. and Mrs. Bob Harlan of Odessa were here over the weekend visiting in the homes of Mrs. I. W. Harden and Mr. and Mrs. Buford.

HOMEMAKING DEPT. RECEIVES A NATIONAL RECOGNITION

The local Homemaking teacher and department will receive national recognition in an article which is to be published in the next issue of the "American Vocational Journal," a nationwide magazine published in New York City.

The article is a plan of work which was followed this year in the Homemaking Department of Muleshoe high school was planned and

written by the local teacher, Mrs. Gerald Moore.

The title of the article will be "Interpreting the Homemaking Department to the community."

For some time the Vocational Department of the state and nation have felt the need of interpreting the homemaking program, thus, Miss Armstrong, Area one Supervisor, after reading the plan received

OES School Of Instruction Held

Several members of Muleshoe Chapter, OES, attended a school of instruction held at Masonic hall in Plainview last Monday. They are:

Mrs. Cecil Tate, Mrs. Irvin St. Clair, Mrs. Jim Cox, Mrs. Morris Douglass, Mrs. Edward White, Mrs. Chet Layne, Mrs. Jim Burkhead, Mrs. Eddie Lane, Mrs. A. J. Gardner, Mrs. W. C. Cox, Mrs. Delma McGary and Mrs. Howard Elliott.

Eleven of the ladies received their certificates for proficiency at the end of the school.

Mrs. Lillian Volus, Worthy Grand Matron of Texas, Norman Read, Worthy Grand Patron, Mrs. Alice Mae Stewart, grand examiner, Mrs. Ovetra Buzbee, district grand matron, and Mrs. Ia Stinson, of Olton and other grand officers were in attendance at the school.

Mrs. W. C. Panter left Thursday to visit her mother, Mrs. Mary Allier, of Minneapolis, Minn., for about three months.

Mrs. E. B. Bobo, of Rhome, Texas is here visiting in the home of her son, Mr. and Mrs. Pat R. Bobo.

W. H. Taylor of Spur, Texas is here visiting in the home of his son and family, Mr. and Mrs. W. L. "Rip" Taylor.

MRS. GERALD MOORE

commended it for publication in the "National Vocational Journal" as an aid to other teachers.

The Muleshoe Journal was given credit for its interest and help in the publicity program of the Department.

Very few schools the size of Muleshoe ever have this chance of recognition.

Mrs. Moore also has a manuscript approved for publication by the Baptist Standard.

Lazbuddy News

The Lazbuddy seniors left last Wednesday, May 8, for their trip. They arrived in Carlsbad Wednesday evening and went through the Caverns Thursday morning.

Then they went to Ruidoso where they stayed until Saturday. They camped outside two nights.

They said it was cold but that they still had lots of fun. They cooked their own meals, which was enjoyed by all.

J. U. Gammons and J. M. Baker took their cars. They were sorry that Rex Steinbock couldn't be with them. Those who made the trip were:

Joy Welch, Clara Trieder, Betty Cantrell, Ikey Suttler, Junior Matthews, Demp Foster, Leroy White, N. J. Goodnough, J. M. Baker, the sponsor, J. U. Gammons and Mrs. Baker.

They all enjoyed their trip and wished they could have stayed longer but they returned late Saturday night.

The Junior class of Lazbuddy high school left Friday May 10 for their trip to Carlsbad, N. M., where they stayed until their return home.

One of the interesting sights they saw was watching the bats leaving the cave. They went through the Caverns Saturday and enjoyed it very much. Henry Ivy and Mr. and Mrs. H. H. Henson took their cars. We were sorry that Beal Dean Broyles and Wenonah Thorn had the mumps and couldn't go. Those who went are:

Billie Welch, Barbara Ivy, Anna Crane, Joy Daniels, Bobbie Trieder, Eugene Broyles, Douglas Gonsler, Laven Smith, and sponsor, Grace Pool.

They all enjoyed the trip and wished to stay longer, but returned home late Saturday night.

TO FRENCH, ARIZ.

Mr. and Mrs. Willie Steinbock and Mr. and Mrs. Rhlenold Steinbock of Lazbuddy community left Thursday for Phoenix, Ariz., to go after their mother, Mrs. Alma Steinbock, who has been ill. Mrs. Willie Steinbock and Mrs. Rhlenold Steinbock were going on to Oregon to visit relatives there.

Our dealers join us in making this frank report to THE FARMERS OF AMERICA

INTERNATIONAL Harvester is getting back into production with all possible speed. Extra shifts are being employed wherever conditions permit. To try to overcome the production losses of the recent strike. Everything is being done to get parts and machines to you.

While we and our dealers would like to tell you that this means an immediate end to the shortage of service parts and machines, it is more accurate to say that it means the beginning of the end of it. If illness or bad weather delays you seriously in the Spring, you know how much it throws you off your schedule. The strike has thrown our schedules off balance, too. There are many "chances" we must do before new machines reach you.

Material shortages

The preliminary chores of getting our plants back into shape for full production are finished. But disturbances in other industries and resulting material shortages may affect our plans. Light gauge steel sheets, brass and copper, fractional horse power motors, and many other items are all very short. The coal situation may also prove serious—we hope not.

Refilling the well

Both our dealers and our branches have run dry on parts and new machines. So the biggest chore is to get their working stocks back to normal. It will take time to fill the pipeline to dealers—just as it takes time for you to refill a well or cistern after it has run dry.

Stock and display rooms of our dealers represent not one, but ten thousand reservoirs which must be refilled. The most heroic pro-

duction efforts will mean that your local dealer can expect only a small number of parts and machines at a time. Since we must play fair with all our customers, there will be a sprinkle of parts and machines all over the country—not a downpour in any one section.

You will be glad to know that all repair parts production schedules are far beyond normal.

No hoarding

You may be sure that every machine will be shipped to dealers as soon as completed. We do not and will not hold machines off the market.

At the start of the strike we had on hand at all our factories and branches just 837 tractors of all kinds—less than two days' production—and 405 of these were not completed. Many of those on hand had one or more important parts missing—principally radiator cores. Most of the rest represented the normal daily "boat" between the end of the assembly line and the shipping platform. Naturally no tractors were made during the strike.

What dealers may have for you

We can report to you that our current production on TRACTORS is good and we are shipping at a normal rate. Even so, there will not be enough to go around. The situation on PLOWS

and DISK HARROWS is reasonably good. On COMBINES, MOWERS, HAY RAKES, ORN-MAN HAY BALERS, CORN PICKERS and many other items, our schedules have been seriously disrupted. We must in fairness say that many of our customers are likely to be disappointed on delivery of these machines. On MILKING MACHINES, STATIONARY ENGINES, and some other small units we are hopeful of making practically normal delivery.

We know you will understand the reasons why your dealer cannot fill your orders overnight. He would like to give you the kind of delivery on machines you would like to get, but his situation is a difficult one and not of his own making. He is doing the best he can.

No cutting corners on quality

There is one thing you can be absolutely certain about: We will NOT cut corners on quality in order to increase production in this emergency. For years we have said: "QUALITY IS THE FOUNDATION OF OUR BUSINESS." Today we say it—and mean it—as much as ever.

We know you need new machines—and need them badly. But we believe it will pay you to wait just a little while longer if you cannot get all you want immediately. By waiting you can be sure your new equipment will have the quality so rightly associated with INTERNATIONAL HARVESTER for so many years.

ATTENTION!

There is a false rumor that I have gone up on our barber work. We have not and do not think that it is time to do so now, with the drouth on —so don't be misled by such talk for we can see why it would start now.

We are here to give you the best that can be had in a barber's line. We invite the children to come in to see us and we will assure you that you will be treated with all the kindness that there is, there are three of us to serve you, so you will not have a long wait with three working.

We invite you to come in and give us a trial.

Sidelights From Washington

By GEORGE MAHON

On Wednesday of last week our seven-men Subcommittee on Military Appropriations began hearings on the Military Appropriations Bill to meet the needs of the Army for the fiscal year beginning July 1, 1946.

We are being asked to appropriate the money for an Army which will number 1 1/2 million men on July 1, 1946, and shrink to 1 million by June 30th, 1947. The huge sum of 7 1/2 billion dollars is being requested for this one-year period. This is a vast sum of money, but it is quite a come-down from the peak annual appropriation for the Army of 72 billion dollars in 1944. The money requested for next year, the first post-war year, is one third of the sum which was appropriated for the year just prior to the

outbreak of the war.

In our democracy the Army makes available for publication many facts which no other nation would think of publishing. The Russians, and even the British, do not make public detailed figures about their military strength.

On July 1 we will have 402,000 men in the Pacific area, 338,000 in Europe, and 737,000 in Continental United States. The Army proposes that by June 30, 1947, the numbers will be reduced to 237,000, 161,000 and 547,000 respectively. These figures do not take into account the men we have in Alaska, Newfoundland, the North Atlantic and the Caribbean areas.

General Eisenhower will not appear before us until early in June, as he is now in the Pacific, but he left word with us that his request for men and money is a "rock bottom" request. The Secretary of War appeared before us last Friday, and we assured him that we would not withhold the appropriation of any sum that was clearly needed. I became a member of the War Subcommittee in 1940 and have always followed the policy of supporting necessary military appropriations.

The Air Forces are requesting funds for the purchase of 1100 new planes of the very latest type. Aviation development moves very rapidly and many of the planes which were built a couple of years ago are now outmoded.

For the atomic bomb development the sum of 200 million dollars is being requested. A short time ago I spent a day in Los Alamos, New Mexico, where the atomic bomb is made. The substance for the bomb is made in Tennessee and in the State of Washington, but the bomb itself is made in Los Alamos. That is, the final processes are completed there.

Having spent a couple of days at the atomic bomb plant in Oak Ridge, Tennessee, in May of last year and observed the gigantic proportions of the project, I struck by the contrast when I saw the relatively small and unimpressive layout at Los Alamos, nestled in the mountains northwest of Santa Fe about 40 miles by auto. Los Alamos is 7,000 feet above sea level and the terrain is such that the place is relatively easy to guard and it is far enough from any city so that experimental explosions do not present a hazard.

Most of the buildings are quite temporary in character. The money which we provided for construction at the project was relatively small when compared to the big plants in Tennessee and Washington State—

less than 30 billion dollars. Now that the work is to go forward on an experimental basis as a permanent thing, many additional provisions will have to be made.

Los Alamos has a population of several thousand. It is a little city within itself, built by the government. I complained that the place did not have a church or chapel. A theatre is used for religious worship. The population is largely adult. I believe someone said that there are only six graduates in the high school graduating class this year.

HONORED AT PORTALES

Miss Frances Leech of Muleshoe was one of the "Yucca Blossoms" and shared honors in the coronation of the beauty queen of the 1946 "Silver Pact" yearbook at Eastern New Mexico College, Portales. Miss Billie Cordine of Hot Springs, N. M. was crowned queen in a colorful ceremony.

Mrs. Young Hostess At Senior Tea

Mrs. Tye Young was hostess Friday evening from 8 to 10 p. m. at her home honoring the high school seniors and faculty with a formal tea.

Guests were greeted by Billy Hoover. Mrs. Henry Hanover presided at the guest book.

The rooms were decorated with roses, which is the class flower. The dining table was laid with a beautiful lace table cloth and a center piece of lighted tapers and roses. Mrs. Lillian Campbell was seated at the table where she served the tea from a lovely silver tea service. Small miniature diplomas were given to each guest as favors.

WEST CAMP CLUB

"Have your sewing center where there is plenty of light," said Mrs. Wilson to the West Camp club May 8 in the home of Mrs. A. J. Jones. After business meeting, the meeting was turned to Mrs. Wilson who gave a demonstration on a sewing center.

Refreshments were served to one visitor, Mrs. L. E. Whitehead and seven members: Mesdames Nath Harding, Carl Evans, W. W. Couch, Willie Williams, W. L. Key, Johnnie Williams; the hostess, Mrs. Jones, and the H. D. Agent, Mrs. Wilson.

THOMAS VISITS OLD HOME AFTER 50 YEARS ABSENCE

E. J. Thomas of Muleshoe has recently had the experience of visiting his boyhood home at Glenwood, Iowa, after an absence of 50 years. Mr. Thomas, who is 70, visited a brother who is 75 and they were joined by a sister, of California, who is 80. The sister, whom he had not seen for 44 years, is Mrs. Lucy Roberts, and she and her daughter, Florrie, are visiting here this week in the Thomas home.

Longview Club

The Longview Home Demonstration Club met Tuesday in the home of Mrs. Oleta Buzard.

The house was called to order by Mrs. Dorsey. She also gave a short talk on the life of Maggie W. Barry who organized the home demonstration club in 1918 and at the time of her death in May 1945, there were over forty thousand club women.

The club will meet during the summer months at the school house. The 4-H club girls will meet with them.

We will not serve refreshments for awhile due to the starvation in Europe.

Behind Your Bonds Lies the Might of America

UNDEVELOPED WEALTH

Pennsylvania leads the Nation in the production of coal, coal tar, pig iron, ferro-alloy, sand, stone, cement, coke, slate and sulphuric acid. It has the largest aluminum producer and is first in machine shop products. Its legion of diversified factories will meet post-war needs, adding billions to the Nation's wealth in which all investors in Savings Bonds are shareholders.

U. S. Treasury Department

Mrs. Ellis led in the singing of "God Bless America" and "The More We Go Together." Both Mrs. Dan St. Clair and her little son gave readings. There followed talks by Mrs. T. L. Smith and Mrs. V. Paul Hill on "Pinalty Manners and Recreation," and "Table Manners" respectively.

Mrs. E. T. Campbell read "It Isn't the Club, It's You" and Mrs. Katherine Wittner gave a report of the Buffet supper in Muleshoe April 6th.

The club contest is starting off nicely, with a tie of 4 on each side present at the meeting.

Next meeting will be with Mrs. E. Campbell May 22. Come, bring someone! Meet at two.

WATSON HOMECOMING

Don't forget Watson Homecoming on May 19! Come, Welcome.

An interesting program has been planned and the women are planning to bring full baskets of lunch.

The Muleshoe Oilers were defeated by the Muleshoe Vets Tuesday, May 14.

During the first inning both scored three times each. 3 scores were made in the second inning by both teams also. The scores were tied until the sixth inning, in which the Vets made 2 scores, which put them ahead. The scores were 6-8 in the Vets favor.

RIBBLE'S RIPPLES

Don't undervalue the church. Do not speak lightly of it, for it is divine. Nothing can possess the grandeur of the church, for it is the temple of God and God dwells in it. 2 Cor. 6:16. Nothing is so wor-

thy of praise and reverence, because it is a "habitation of God through the Spirit. Eph. 2:22

There is no institution so ancient, since the patriarchs and the prophets, the apostles and John prepared the way for it. There is

nothing so solid, seeing Jesus is the foundation of it. "For other foundations can man lay, than that which is laid, which is Jesus Christ." 1 Cor. 3:11.

There is nothing so secure as the church which is the "kingdom which cannot be shaken," since Jesus is its head as well as its foundation. He also is king of kings and lord of lords. Christ's kingdom being "not of this world" is not engaged in carnal, or worldly warfare, but with spiritual weapons battles against the forces of sin and evil in the world.

There is no other such an institution as the church, for its constitution, or the highest law governing it is the "Law of Liberty." No creeds, or laws of human origin, but the teachings and edicts of divine source recorded in the New Testament, foretold and understood in the light of the Old Testament.

Golden Wedding Anniversary Is Celebrated

Mr. and Mrs. Jessie James celebrated their Golden Wedding Anniversary Sunday May, 5 with all the children present with the exception of their three sons, who were unable to attend.

Maybe you aren't this big a nut about cars

Maybe you're able to resist taking your engine apart—as long as it runs swell. That's generally enough for most anybody—no matter how curious he is to see Conoco Nth motor oil in the act of OIL-PLATING the engine's insides.

OIL-PLATED engines aren't forever having the top opened up to see about carbon—nor having the bottom opened up to see about sludge. Carbon and sludge are the camp-followers of wear. But OIL-PLATING is in the best position to oppose wear—because it is fastened and held direct to inner surfaces. This is accomplished by the magnet-like action of an added material in Conoco Nth oil—patented.

OIL-PLATING is an addition—a durable protection—to the engine's finer inner finish. Ask new car owners and you'll find them widely adopting OIL-PLATING. This time, with this new car, they want to start out right... And should an older car logically have anything less than the safeguard of OIL-PLATING! Then get Conoco Nth motor oil—at Your Mileage Merchant's Conoco station—now. Continental Oil Company

And a cross action filed by Mary V. Knowlton, against Walter H. Knowlton, Wade H. Knowlton and Mary E. Knowlton, for a partition between said Plaintiff and all of said defendants of the following described real estate, to-wit: Labor Number 11, League Number 178, Motley County School lands, and North 40 acres of Labor Number 20, League 178, Motley County School lands, all of which are located in Bailey County, Texas, and for partition of certain personal property, fully described in said Defendant's Cross Action.

It is alleged in said cross action, that the Plaintiff Walter H. Knowlton, and the defendant Mary V. Knowlton, own an undivided one-half interest in and to said described real estate, and in and to said described personal property; and that the Defendants Wade H. Knowlton and Mary E. Knowlton, own an undivided one-half interest, in and to said described real estate, and in and to said described personal property.

It being alleged in said cross action, that in the event that said real estate, and said personal property is not susceptible of being divided and partitioned between Plaintiff and the Defendants, that said real estate and personal property be sold and the proceeds of sale

be divided between the Plaintiff and the Defendants, in accordance with their interest in said property. It being alleged in said cross action, that in the event that the Plaintiff has disposed of said personal property, that the value of the interest held by the Defendant Mary V. Knowlton, disposed of by the Plaintiff, be fixed, and a lien created, and fixed on and against the interest held by said Plaintiff

in said real estate, to the extent of the value of such personal property so disposed of by Plaintiff. Issued this the 10th day of May, A. D. 1946.

Given under my hand and seal of said Court, at office in Muleshoe, Texas, this the 10th day of May A. D. 1946.

(SEAL) M. G. BASS
Clerk, District Court, Bailey County, Texas. 20-41c.

Lloyd Alsop Is Home From Navy

Lloyd Alsop, Seaman 1c, United States Navy, Friday received his honorable discharge after two years service. He is a son of Mr. and Mrs. J. L. Alsop. Lloyd arrived home Sunday and expects to enter college under terms of the G. I. Bill.

He took his training at San Diego, Calif. He attended a sonar training school at Key West, Fla., then went to Trinidad Island, where he operated a harbor detection station, guarding against lurking enemy submarines.

Sent back to the States for further schooling, Lloyd was sent, because of the end of the war, to Samar Island, in the Philippines. On Samar, he played in the band until his discharge. Lloyd has the distinction of having written the words for a popular song, which already has been published.

Mr. and Mrs. George Speer returned Saturday from a visit in Rogers and Temple, Texas.

L. V. Sparks of Clovis was here Tuesday on business.

Howdy Folks: You know the awkward age of a kid is when he is too old to cry and too young to swear.

And someone has said that a baby is an elementary canal with a loud voice on one end and no sense of responsibility on the other.

Note to parents There's no truth in the rumor that your son will turn out to be a carpenter if you send him to a boarding school.

One of our friends has a new baby that he calls the "prince of wails."

He admits he's proud of the little rascal, but he says there were a lot of other things he needed worse.

When you need a vacuum cleaner, we'd like to sell you our Filter Queen now on display. Come in and see it today.

It's a guaranteed value.
