

MRS. BARRY GENE FRANCIS

★ ★ ★ ★ ★  
**McDonough - Francis Vows**  
 Exchanged In Plainview

Miss Michelle Renee McDonough became the bride of Barry Gene Francis in a formal ceremony at 7:30 p.m. Friday, December 29, at the 11th and Amarillo Street Church of Christ in Plainview. Donald Lacy, minister of Canyon Hills Church of Christ, officiated the double-ring ceremony before a pair of seven-branch candelabra entwined with greenery and accented with blue ribbons which held white tapers and formed an archway.

The bride is the daughter of Mr. and Mrs. John F. McDonough, jr., 1600 Oakland, Plainview, and the bridegroom is the son of Mr. and Mrs. Alvie Francis of Silverton.

Given in marriage by her father, the bride wore a gown of white organza over peau designed with high lace neckline, fitted bodice with sheer yoke and Chantilly lace trim sprinkled with pearls. Her sheer sleeves were trimmed with Chantilly lace and her A-line skirt had a Chantilly headed flounce ruffle that fell full to the back to form a chapel-length train. A lace band held her Chantilly lace fingertip veil. She carried a cascade bouquet of mixed pixies, pom-pom mums, snowflakes, long white lace streamers, all tied with touches of blue, pink, yellow and green.

She placed in her shoes six pence minted in the years of birth of the bridegroom and herself. Further carrying out bridal tradition, she wore the engagement ring of her maternal grandmother, Mrs. C. S. Mickey, as something old and added a blue garter made by Mrs. D. C. Caswell.

Attending her sister as matron of honor was Mrs. Terry Vieregg of Lubbock. Bridesmaids were Mrs. David Adams, Halfway; Susan SoRelle, Wayside, cousin of the bride, and Cindy Caswell, Canyon. They wore full length dresses of medium blue polyester designed with gored skirts, high stand-up collars and capes of contrasting light and medium blue polyester accented with a satin bow at the neckline and a satin ribbon at the waist. Each carried a blue long-stemmed silk rose with streamers and had a blue silk rose caught in her hair.

Candles were lit by Katy Francis of Silverton, sister of the bridegroom, and Mitchell McDonough of Plainview, brother of the bride. Miss Francis wore a gown styled identically to those worn by the other attendants and added a wristlet of blue carnations.

Groomsmen were Ronald McCracken of Tulla, a cousin of the bridegroom; Byron Brunson, Canyon; and Joe Ray Riley, McLean. Guests were seated by Mike Mc-

Wedding selections included "Whither Thou Goest," "Let It Be Me," "The Lord Bless You," "Follow Me," "The Twelfth of Never," "The Wedding Song," and "Annie's Song," sung by Becky Francis of Lubbock, sister of the bridegroom, and David Langford.

The bride's mother chose a rose-colored polyester floor-length gown and a corsage of pink silk roses for her daughter's wedding. The bridegroom's mother wore a white lace and burgundy velvet floor-length gown and also added a pink silk rose corsage.

A reception was held following the ceremony in the Centennial Room of the Hale County State Bank in Plainview. The bride's bouquet was used as the centerpiece on the serving table which was covered with a lace cloth over blue underlay. The wedding cake was made in three tiers with three small side cakes decorated with blue roses.

Serving refreshments and assisting with the reception were Mary Chris Cantwell, Mrs. Byron Brunson, Mrs. James Markgraf, Connie Young, Mrs. Cleburne Annett, Mrs. Birt Lane, Mrs. Worthy Cantwell, Mrs. J. D. James, Mrs. J. D. Sams, Mrs. Irving SoRelle and Mrs. Dan Hayes.

Debra Annett and Mrs. Roland Smith were in charge of securing the guests' signatures in the wedding book.

The bride is a 1975 graduate of Plainview High School and holds a B.S. degree from West Texas State University. She is employed as a teaching assistant in the West Texas State University math department.

The bridegroom is a 1974 graduate of Silverton High School and holds a B.S. degree from West Texas State University. Following their wedding trip, they will be at home southwest of Silverton where the bridegroom is engaged in farming.

**REHEARSAL**

The wedding rehearsal was held Thursday, December 28, followed by a dinner hosted by the bridegroom's parents at Smokey's Barbecue in Plainview.

Mrs. Darlene Cagle and son of Mesquite spent Christmas with her mother, Mrs. Fay Cawley.

Christmas holiday visitors in the home of Mrs. W. E. Wellman at Turkey were her children, Mr. and Mrs. Harvey Wellman and family of Wellman, Mr. and Mrs. Lloyd Wellman and family of Shallowater, Mr. and Mrs. Jay Turner of Mesquite and Mr. and Mrs. Jack Wellman of Quitaque.

Mrs. Zona Lane returned to her home last Thursday after an extended stay in the Hall County Hospital following a recent heart attack.

## American Agriculture Movement Returning To Washington, D. C.

We, the American Agriculture Movement in the Quitaque, Turkey and Flomot area, would like to express our thanks to everyone who has supported and given their time and money for us in 1978. We went to Washington in 1978 and know we made an impact. We do not use violence and we are proud of our American flag. We are proud of our Movement and what we have done. We did get a 4c raise in cotton. We didn't get what we went after but our Congressman and Senator say go back so comes a new year and we are going back. January 15 tractors will leave Amarillo and six other points across the nation and meet in Washington. For some reason all other states look to Texas and District 1 for leadership (District 1 includes Quitaque) so we have to be there in full force doing everything we can to save the "Family Farm" and "A Way of Life."

There will be tractors and people going from the Quitaque area and we welcome everyone to join with us and help us in any way you can. There is something for everyone to do. This movement is not for "Men Alone."

If every farmer who goes to Washington carries a petition with hundreds or thousands of names, Congress can hardly ignore the fact that those people are their constituents.

- How you can Go to Washington and Stay Home:
1. Give Money
  2. Work in AAM Office
  3. Give Tractor Parts
  4. Loan a Camper
  5. Help work land of those who go to Washington
  6. Donate Groceries
  7. Give Moral Support

**NATIONAL EMERGENCY ATTENTION:**

This Nation grew to greatness on a strong agricultural economy. Besides producing food for the country, Agriculture is the biggest consumer of goods and services. When Agriculture is denied a profit, it cannot buy; factories will not produce, and labor cannot work.

Agriculture is being denied a profit today. Thousands of farmers are losing their land. Washington is making agriculture the whipping boy for inflation.

Agriculture today is in the same shape it was in just before the Great Depression. The whole country faces a crisis.

Thousands of farmers and ranchers are going to Washington on January 22 on tractors—not to ask for subsidies, but to get laws which allow them a fair price at the marketplace. They want no handouts.

Readers, Fellow Farmers, and U. S. Citizens, if you cannot take a tractor to Washington, you can donate food, money, loan a camper, or help work the land for someone who is going. By helping you will be helping yourself and your country. It is your personal

responsibility. If we lose the family farm, we lose America as we know it today.

**SAVE A WAY OF LIFE**

by Father Andrew Gottschalk  
The family farm must be saved as "a way of life." It may well be the last bastion of strength for a great country that appears to be coming apart at the seams. Our cultural, spiritual and socioeconomic fabric just "ain't what it used to be!"

So the family-owned farm is taking on a new and vital importance. It is a way of life where folks work together, pray together and play together.

Farmers and their wives have to pull together like a team of horses. Many a liberated farmwife is at home on a tractor as well as in the kitchen. In the kitchen, she can fix things from scratch just like Grandma used to. In the yard, she tends to chores and even helps pull spring calves (midwife). All in all, farm wives are the most beautiful, family-centered, faith-filled, dedicated, liberated, women in the world.

The men are strong, tough, masculine. There are few jobs they won't tackle. They can fix almost anything with pliers and baling wire. Not only are they experts in the art of farming and raising cattle, they are equally skilled with the saw, hammer, wrench, welding torch. You mention it, and farmers will tackle it.

The children in turn learn all kinds of skills as they work with Mom and Dad. They learn by seeing and doing. Their whole start in life is vocational training. Children not only learn to work, but they learn the values that made our country great. They start learning responsibility at an age when many of their city cousins are at day-care centers.

These same farm families tend to be very much involved in their local communities, their churches and schools. Their dependence on God in the fields tends to develop deep spiritual attitudes and high moral values. These are supported and reinforced in their small, rural churches.

These same values are evident in the schools. The schools are relatively small so that children all learn to know each other. They are not without discipline, and they learn to respect everyone, from the janitor to the bus driver.

Though rural togetherness is not what it used to be, it still is very visible at the county fairs, bazaars, at funerals, etc. Yet the rat race of modern living has had its effect on rural people. Rural people have had to increase their heart's tempo to survive in a manipulated, controlled farm economy.

Our country's cheap food, fuel and fiber policy has all but destroyed our small rural communities. Our farm population has declined from six million since

World War II to approximately 2½ million family farms today. Projections are for 250,000 super-farms by the 1980's. This will be followed by corporate takeover.

Then it will be too late to save "a way of life." It will be too late to save the efficient family farm unit. And America will pay the price a thousand different ways. Justice always has her due.

Truman Young of Turkey underwent major surgery at Central Plains Hospital in Plainview Tuesday at 7:30 a.m. Present to be with their brother were Mr. and Mrs. Byron Young and Mr. and Mrs. David Guest of Turkey. They were joined later in the day by Mr. and Mrs. Ronald Eudy, Rev. Melvin Clinton and Rev. Elroy Wisian, all of Turkey. David Guest reported his brother-in-law to be doing satisfactorily Wednesday morning.

**REPRESENTATIVE OF STATE COMPTROLLER TO BE IN SILVERTON**

State Comptroller Bob Bullock has announced that he is sending a representative from his Plainview office to Silvertown Thursday, January 11, 1979 to assist local taxpayers and answer questions about state taxes.

Bullock said Enforcement Officer Gene Cannon will meet with local taxpayers at the Briscoe County Courthouse from 2:00 until 4:00 p.m.

"If Silvertown-area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing tax forms, Mr. Cannon will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office and we believe these face-to-face sessions with taxpayers help do just that," Bullock added.

Bullock reminded those taxpayers who are unable to meet with his representative on January 11 that they can still get their questions answered quickly by calling his TOLL-FREE tax information number in Austin. That number is 1-800-252-5555.

## The Nuclear Navy. A Job, seasoned with a touch of Salt.

Today the nuclear carriers, cruisers, and submarines of the U.S. Navy explore the oceans of the world.

Right now, the Navy is selecting a group of outstanding young people with a strong math and science background to staff this nuclear fleet. You could be among those chosen for programs which provide training and experience in the field of nuclear power.

It's challenging. It's demanding. But we make it worth your while.

**What Think Ye?**

Because I believe its principles are applicable to both, I have tried to adapt Dr. Frank Crane's "The Fiftieth Boy" as follows:

About one boy (or girl) will remain after the feast and of their own accord offer to help clean things up or to wash the dishes. Do you know this Fiftieth Boy (or Girl)?

There are forty-nine Boys (or Girls) who are looking for jobs; the job seeks the Fiftieth Boy (or Girl).

The Fiftieth Boy (or Girl) makes glad the heart of their parents. The Fiftieth Boy (or Girl) smoothes the wrinkles out of the teacher's forehead, and takes the worry out of her mind. All the frowns and sour-faces brighten when they see the Fiftieth Boy (or Girl) coming for he (or she) is brave and cheery.

The forty-nine "didn't think;" the Fiftieth Boy (or Girl) always thinks.

The Fiftieth Boy (or Girl) makes a confidant of their mother and a pal of their father.

They do not lie, steal nor tattle because they do not like to. When

they see a banana peel on the sidewalk, where it is liable to cause someone to slip and fall, or a piece of glass in the road where it is likely to puncture a tire, they pick it up. The forty-nine think it is none of their business.

The Fiftieth Boy (or Girl) is a good sport. They do not whine when they lose. They do not sulk when another wins the prize. They do not cry unless they are really hurt. The Fiftieth Boy is respectful to all women and girls.

The Fiftieth Girl behaves so as to demand the respect of all men and boys.

They are not afraid to do right nor ashamed to be decent at all times.

They look you straight in the eye. They tell the truth, whether the consequences are to them unpleasant or not. They stand upright and are honest. They are neither uppity nor selfish.

Forty-seven out of the forty-nine like them. They are pleasant toward their own brothers and sisters, as they are toward the brothers and sisters of others.

They are not sorry for themselves.

Everybody is glad to see them. They work as hard as they play.

Do you have that kind of a boy or girl at your house?

If not, don't you complain; there are just not enough of them.

Mr. and Mrs. J. T. Persons left the Thursday before Christmas to spend the holidays with their children. They spent the first night in Wichita Falls, then drove to Alvarado to visit Mr. and Mrs. Raymond Hewett and children, Mr. and Mrs. George Kaether and family, then a granddaughter and family and the great-grandchild. On the following Sunday, the great-grandchild, Courtney Quinn Eason, was christened in services at the First United Methodist Church. The family had dinner together, following the services at the church, in the home of Mr. and Mrs. Hewett. On Monday, they were all together for dinner in the home of Mr. and Mrs. Kaether and had their Christmas tree, also.

On Wednesday the Persons drove to Richardson to visit their son and family, Mr. and Mrs. Tad Persons. They returned to their home Friday of last week.

Mr. and Mrs. J. A. McKay left Wednesday to drive to Amarillo to keep an appointment with her doctor. She will have to report to a doctor in Tulsa for more tests when the weather permits.

The McKays had their children visiting them during the holidays. Mrs. Dorothy Scott and her daughter, Dorothy Earline, of Eastland and Mr. and Mrs. Loyd Hulsey and girls of Hereford were here. The Hulsey girls remained for a longer visit after Christmas.

Mr. and Mrs. Marion Wilson of Pampa visited the Morris Wilsons in Quitaque Christmas Day and had dinner with them that evening.

Mr. and Mrs. Dwayne Smith of Dallas spent from Friday before Christmas until Christmas afternoon visiting his parents, Mr. and Mrs. Roy Smith, in Quitaque. Christmas Day they all drove to Floydada where they were guests of Mr. and Mrs. Willie Bradshaw and family for Christmas dinner.

Mr. and Mrs. Lon McKay had most of their children home for the Christmas holidays. Those here for Christmas dinner were Mr. and Mrs. W. F. Geissler, Lonnie Paul, Barry and Myra of Denver City, Mr. and Mrs. Corky Davis, Amarillo, Mrs. Bill Lane, Turkey, Bud McKay of Lubbock, Mrs. Theresa Gregory, Lorenzo, Mr. and Mrs. Mack Kemp, Stewart and Mia, Lubbock, Mr. and Mrs. Melvin Justus, Jeff, Chad and Jake, Binger, Oklahoma, Mr. and Mrs. Eldon Martin, Chuck, Kirk and Lori, Mr. and Mrs. Trent McKay, Quitaque.

**HOW WOULD YOU ANSWER?**

Yes \_\_\_ No \_\_\_ Though I do worry, I feel there's a way to prevent it.

Yes \_\_\_ No \_\_\_ Sometimes I antagonize people because of my actions or attitude. I know there must be a way to correct this.

Yes \_\_\_ No \_\_\_ It seems contrary to reality, but I feel that real happiness is something apart from wealth, power, or fame.

Yes \_\_\_ No \_\_\_ There must be a practical way of raising my family in a better world.

A "yes" answer to any of these questions is definite proof of God's concern for you. God talks to man by making him "feel" and "know" of a better way of living. You feel discontent about present conditions, you sense "something better," somewhere.

That's God talking to you. Listen to him. Come to church this Sunday. Read His Living Word in the Bible. This could be the chance you've been waiting for.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

### SAVE A WAY OF LIFE

by Father Andrew Gottschalk  
The family farm must be saved as "a way of life." It may well be the last bastion of strength for a great country that appears to be coming apart at the seams. Our cultural, spiritual and socio-economic fabric just "ain't what it used to be!"

So the family-owned farm is taking on a new and vital importance. It is a way of life where folks work together, pray together and play together.

Farmers and their wives have to pull together like a team of horses. Many a liberated farmwife is at home on a tractor as well as in the kitchen. In the kitchen, she can fix things from scratch just like Grandma used to. In the yard, she tends to chores and even helps pull spring calves (mid-wife). All in all, farm wives are the most beautiful, family-centered, faith-filled, dedicated, liberated women in the world.

The men are strong, tough, masculine. There are few jobs they won't tackle. They can fix almost anything with pliers and baling wire. Not only are they experts in the art of farming and raising cattle, they are equally skilled with the saw, hammer, wrench, welding torch. You mention it, and farmers will tackle it.

The children in turn learn all kinds of skills as they work with Mom and Dad. They learn by seeing and doing. Their whole start in life is vocational training. Children not only learn to work, but they learn the values that made our country great. They start learning responsibility at an age when many of their city cousins are at day-care centers.

These same farm families tend to be very much involved in their local communities, their churches and schools. Their dependence on God in the fields tends to develop deep spiritual attitudes and high moral values. These are supported and reinforced in their small, rural churches.

These same values are evident in the schools. The schools are relatively small so that children all learn to know each other. They are not without discipline, and they learn to respect everyone, from the janitor to the bus driver.

Though rural togetherness is not what it used to be, it still is very visible at the county fairs, bazaars, at funerals, etc. Yet the rat race of modern living has had its effect on rural people. Rural people have had to increase their heart's tempo to survive in a manipulated, controlled farm economy.

Our country's cheap food, fuel and fiber policy has all but destroyed our small rural communities. Our farm population has declined from six million since

World War II to approximately 2½ million family farms today. Projections are for 250,000 super-farms by the 1980's. This will be followed by corporate takeover.

Then it will be too late to save "a way of life." It will be too late to save the efficient family farm unit. And America will pay the price a thousand different ways. Justice always has her due.

Truman Young of Turkey underwent major surgery at Central Plains Hospital in Plainview Tuesday at 7:30 a.m. Present to be with their brother were Mr. and Mrs. Byron Young and Mr. and Mrs. David Guest of Turkey. They were joined later in the day by Mr. and Mrs. Ronald Eudy, Rev. Melvin Clinton and Rev. Elroy Wisian, all of Turkey. David Guest reported his brother-in-law to be doing satisfactorily Wednesday morning.

### REPRESENTATIVE OF STATE COMPTROLLER TO BE IN SILVERTON

State Comptroller Bob Bullock has announced that he is sending a representative from his Plainview office to Silvertown on Thursday, January 11, 1979 to assist local taxpayers and answer questions about state taxes.

Bullock said Enforcement Officer Gene Cannon will meet with local taxpayers at the Briscoe County Courthouse from 2:00 until 4:00 p.m.

"If Silvertown-area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing tax forms, Mr. Cannon will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office and we believe these face-to-face sessions with taxpayers help do just that," Bullock added.

Bullock reminded those taxpayers who are unable to meet with his representative on January 11 that they can still get their questions answered quickly by calling his TOLL-FREE tax information number in Austin. That number is 1-800-252-5555.

## The Nuclear Navy. A Job, seasoned with a touch of Salt.

Today the nuclear carriers, cruisers, and submarines of the U.S. Navy explore the oceans of the world.

Right now, the Navy is selecting a group of outstanding young people with a strong math and science background to staff this nuclear fleet. You could be among those chosen for programs which provide training and experience in the field of nuclear power.

It's challenging. It's demanding. But we make it worth your while.

People who need glasses are apt to find the world pretty fuzzy without them. What appears as only a blur without their "specs" swings into sharp focus, once they've put them on.

If only there were glasses we could don quickly when we need to put ourselves, our problems, our successes and our failures into proper perspective! But that kind of lens has yet to be devised.

We all have moments when we seem to be groping and nothing comes clear. We wonder where we are going and, perhaps, why. We have such moments whether or not we go to church on Sundays—for the Church will not give us spectacles, rose-colored or otherwise, with which to view the world. But . . . the Church *does* teach us of God's world, it *does* teach us the meaning of Faith, it *does* show us life in its proper light.

Try going to church. If you do, you may find your "inner vision" getting a great deal sharper.

## SEARCH CONTINUES FOR

### OUTSTANDING TEXAS CATTLE BRANDS

The search continues throughout Texas for outstanding cattle brands to include in another chapter of their history by "burning 'em in" Texas A&M University "branded stairway."

L. A. Maddox, chairman of the unique branding project, said that some 3,500 brands, or more, are expected to be imprinted on the 254 "county oak panels" in the University's new \$9.5 million Robert J. Kleberg Animal and Food Sciences Center.

"County Extension Agents are working with their local beef cattle committees to select eight brands per county, and with historical societies to select other brands for the panels," Maddox, Texas Agricultural Extension Service beef cattle specialist, said. "We now have slightly more than 500 burned in."

There are some 200,000 brands recorded in Texas and on file with the Texas and Southwestern Cattle Raisers' Association in Fort Worth. This is the state's most complete record.

The branding was an idea for Dr. O. D. Butler, for many years head of Texas A&M's Animal Science Department and now associate vice president for agriculture and renewable resources. He said that not only are cattle brands a rich part of Texas livestock history but are a prized possession of ranchers in identification of their cattle.

"We felt that the branding ceremonies would bring about a closer tie-in between cattlemen and our animal science facilities on campus as well as with research and educational work throughout Texas," Butler said.

Application of the brands was initiated last June during a meeting of directors of the Texas and

## THE VALLEY TRIBUNE

THURSDAY, JANUARY 4, 1979

Mr. and Mrs. R. J. Harmon had their children home for Christmas dinner and tree on Christmas Day. Those present were Mr. and Mrs. Paul Langdon and children of Ralls, Mr. and Mrs. Robin Harmon and children of Plainview, and Mr. and Mrs. Rex Harmon and children of Quitaque.

The day after Christmas, Mrs. R. J. Harmon's brother and his wife, Mr. and Mrs. Claude Fletcher of Marble Falls visited in the

Southwestern Cattle Raisers Association. Officials of other livestock groups also are being invited for a "Branding Party."

Maddox said that branding ceremonies also will be conducted by Extension district groups until "all panels are branded." This probably will be about next April 2-3 when the annual Texas Animal Agricultural Conference is staged at Texas A&M.

Harmon home.

Mr. and Mrs. Dick Taylor spent the Sunday before Christmas visiting in the home of their daughter and family, Mr. and Mrs. Dan Duncan, Doree and Dan Ray in Panhandle.

The Taylors spent Christmas Day visiting their mothers, Mrs. J. A. Taylor and Mrs. J. T. Bradley at the Lockney Care Home.

Mr. and Mrs. Homer Morris of McAllen came Tuesday after Christmas to visit his sister, Mrs. Jessie Hooks, in Quitaque. The next day, Mrs. Hooks accompanied her brother and his wife to Childress to visit a sister, Mrs. Hollis Reavis and husband. The Morris' brought Mrs. Hooks home and spent the night, driving back to McAllen Thursday.
