MRS. DAVE PATRICK

Formal Ceremony Unites

Miss Hardin, Dave Patrick

Miss Marilyn Hardin became the bride of Dave Patrick in a formal double-ring service performed by Rev. Bill Curry, Baptist minister from Andrews, at four o'clock Saturday afternoon, June 16, at the First Baptist Church in Silverton.

The bride is the daughter of Mr. and Mrs. Buck Hardin of Silverton, and the bridegroom is the son of Mr. and Mrs. Arthur Patrick of Quitaque.

A candelabra arch accented with greenery woven with spring

flowers decorated the church altar and provided a background for the marriage ceremony.

Escorted to the altar and given in marriage by her father, the bride wore a princess style gown of candlelight soft-glow satin designed with round scoop neckline and long, full sleeves trimmed with double-edge lace and seed pearls.

She added a waist-length mantilla of Alencon lace and carried a large bouquet of spring flowers.

EMS Club Hears Program On Burns

Mrs. Kathy Oslar, a registered nurse from Amarillo who has had extensive training in the evaluation and care of burn victims, presented a program for the Silverton EMS Club at the Silverton City Hall Tuesday night. She told ambulance service volunteers and other interested persons from Tulia, Quitaque, and Silverton how to assess, take care of and reassure people who are burn victims in order to get them to hospitals in the best condition possible.

Silverton EMTs reported transporting to Tulia over the weekend an 18-month-old child who had accidentally fallen into a campfire at Lake Mackenzie.

Among those attending the in-service training meeting were Mr. and Mrs. Wilton Whitehead and ambulance personnel from

To carry out bridal tradition, she wore a gold locket belonging to her mother, carried a handkerchief belonging to the bridegroom's mother and added a satin garter.

Serving her sister as maid of honor was Miss Linda Hardin of Amarillo. She was attired in a pink princess-style gown with deep ruffle collar and had matching silk flowers caught in her hair. She carried a single long-stemmed yellow rose.

Bridesmaids were Miss Melissa Greenhaw of Silverton and Mrs. Ramona Craddock of Hollis, Oklahoma. They wore green and yellow princess style gowns and had matching silk flowers in their hair. Each carried a long-stemmed yellow rose.

Little Miss Shelley Bethel of Cedar Hill, niece of the bridegroom, was flower girl. Kelly Joe Patrick of Quitaque, brother of the bridegroom, was ring bearer.

Serving as best man was Randy Woods of Turkey. Groomsman were Larry Curry of Quitaque and Lewis Willey of Littlefield. Guests were seated by Jesse Ferguson of Turkey and Don Douglas of Quitaque.

Mrs. Bena Hester of Silverton, sister of the bridegroom, played several wedding selections and accompanied Miss Ruth White, cousin of the bride, when she sang "If," "You Light Up My Life," and "The First Time Ever I Saw Your Face."

A reception was held in the fellowship hall of the church immediately following the ceremony. Refreshments were served by Mmes. Pam Monk, Kay Bethel and Mitchie Patrick. Also assisting with the reception were Mmes. Carolyn Lowrey, Sharon White, Lois Walker and LaRue Garvin.

The bride's sister, Mrs. Ann Payne, was in charge of securing the signatures of the wedding guests for the bride's book.

Following their wedding trip, the couple will be at home in Quitaque.

REHEARSAL PARTY
 A rehearsal party was hosted by the bridegroom's parents in the fellowship hall of the church Friday night.

Tulia; Mr. and Mrs. Jimmy Davidson, Mrs. Phil Barefield, Elgin Conner and David Brunson, Quitaque; Emmett Tomlin, Jerry Patton, Ted Kingery, Stan Fogerson, W. J. Copeland, Anthony Kingery, Lynn Frizzell, Bill Boling, Mrs. Ted Strange, Mrs. Charles Sarchet, Jeff Jones, Mrs. J. L. Self, Jerry Bean, Bruce Tiffin, Glen Kingery, Jarus Flowers, of the Silverton Volunteer Ambulance Service, Brenda and Donna Boling and Mrs. Jesse Dea, all of Silverton.

Participate In Health Clinic

Forty-eight residents participated in the Blood Pressure and Diabetes Screening Clinic held in Quitaque June 14.

The clinic was sponsored by the Briscoe County Family Living Committee of the Texas Agricultural Extension Service. Screening was done by the Regional Public Health Nurses from Memphis and Canyon.

Johnnie Morrison, Lillian White and County Extension Agent Lynda Fogerson assisted with the health screening program.

Ginger Morgan and Frankie Bell were in Lubbock Sunday, visiting with relatives.

Mr. and Mrs. Farris Martin of Roscoe visited their daughters, Mr. and Mrs. Jerry Bob Smith and Mr. and Mrs. Ronald Mullin and families.

Patricia Killman of Midland was in Turkey to attend the wedding of Gary Meacham and spent the weekend with her parents, Mr. and Mrs. Ralph Meacham.

Chlorene Melton and Ruby Apelin visited their brother, Tom Pierce, at Central Plains Hospital in Plainview Tuesday.

Lois Lipscomb returned home Tuesday after visiting relatives in Harrison, Arkansas.

Mrs. Buster Hanna underwent back surgery Monday at St. Anthony's Hospital in Amarillo. Mr. and Mrs. Olen Hogue and Mr. and Mrs. Leroy Stone were there for the surgery and reported she was doing well.

Spend a quiet evening at home without electricity... and see just how quiet it really is.

Forget about watching TV or listening to the stereo. How about reading a good book — that's a great idea if you do it before dark or if you plan on using Abe Lincoln's lighting, the fireplace. Nobody has to tell you how important electricity is in your life. It surrounds you daily, lighting the way, entertaining you and making life more comfortable. And that's the way it should be, but we at West Texas Utilities hope you'll use electricity wisely and efficiently. Make sure your home is properly insulated and weatherized, turn off unnecessary lights and appliances, and above all, watch that thermostat setting. These things not only conserve valuable energy, they can help to lower your monthly bills. And that's important now and in the future.

Briscoe County Extension Agent

Briscoe County producers and commercial pesticide applicators are reminded that certain pesticide products now on the market are restricted and available for use only by or under the supervision of certified applicators.

The Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) as amended provides for (1) classification of all uses of pesticides as either restricted use or general use and (2) establishes the requirement of certification of applicators (private and commercial) as a requisite to use or supervision of use of restricted-use pesticides.

The Texas Pesticide Control Act requires certification of commercial pesticide applicators but not of private applicators. However, the act authorizes the Commissioner of Agriculture to establish a program to certify private applicators on a voluntary basis who wish to use or super-

vises the use of restricted-use pesticides in compliance with federal law (FIFRA).

The term "private applicator" means a person who uses or supervises the use of any restricted-use pesticide or state-limited-use pesticide for purposes of producing any agricultural commodity on property owned or rented by him or his employer or, if applied without compensation other than the trading of personal services between producers of agricultural commodities, on the property of another person. The program established by the Texas Department of Agriculture (TDA) enables a private applicator to become eligible for certification by completing an approved training program conducted by a qualified institution or training group or by home study including submitting a completed questionnaire to TDA following review of self-study material.

Training opportunities for persons seeking to qualify for certification as private applicators are provided through county Extension offices across the state. Persons may participate in training meetings conducted by the county Extension agent, or they may elect to qualify through

home study using self-study materials available at the county Extension office. To date, more than 110,000 persons have participated in private applicator training through meetings or through home study option.

Commercial-noncommercial applicator requirements for certification include written examinations administered by the appropriate certifying agency. The term "commercial applicator" means a person who owns or manages a pesticide applicator business engaged in applying restricted-use or state-limited-use pesticides to another's land. The term "non-commercial applicator" means a person or government agency or department which wants to use restricted-use or state-limited-use pesticides or the authority to demonstrate restricted-use or state-limited-use pesticides and does not qualify as a private applicator and is not required to have a commercial applicator's license. Commercial-noncommercial applicator training is provided by District Pesticide Applicator Training Committees located at Texas A&M University Research and Extension Centers. Training is provided through workshops and by

previous appointment through an autotutorial system available at each location. To date, more than 6,000 persons have participated in commercial-noncommercial applicator training programs.

Persons anticipating the need to use restricted-use or state-limited-use pesticide products are encouraged to take advantage of these Extension training programs. Information regarding the private applicator program is available through the county Extension office. Persons interested in commercial-noncommercial applicator training may obtain program information by contacting Extension staff members located at the Texas A&M University Research and Extension Center, Route 3, Box 213AA, Lubbock, Texas 79401, Phone 806 746-6101.

CLEAN UP MOSQUITO BREEDING PLACES

Recent rains have brought a mosquito problem to many Texas communities. Standing water from these showers makes an excellent place for mosquitoes.

Mosquitoes can lay eggs wherever standing water is available for a week or longer. Old tires, tin cans, birdbaths, roadside ditches, rain gutters, temporary wa-

ter containers and swampy places all can hold enough water to provide breeding sites for mosquitoes.

If mosquitoes are a problem, the first thing to do is eliminate their breeding sites.

Empty out old tires and place them where they cannot collect additional water. Flatten and discard tin cans. Change the water in birdbaths every week. Clean out rain gutters, remove temporary water containers and see that rain barrels and water storage tubs are tightly covered. Drain standing water from ditches and swampy areas.

If there is standing water that serves as a breeding site but cannot be drained or eliminated, treatment with a larvicide will be necessary.

One of the most effective larvicides is No. 2 diesel oil with a biodegradable spreader, applied at a rate of 20 gallons for each surface acre of water, or about six ounces per 100 square feet of surface.

Abate, malathion or Dursban applied to standing water at rates indicated on their labels also are effective larvicides. But labels should be read carefully to determine the hazards these in-

secticides pose to persons applying them and to fish and animals that may use the water.

Control of adult mosquitoes offers the most immediate relief. Inside the home, aerosol bombs containing pyrethrin is short-lived, frequent application will be necessary to control adult mosquitoes inside the house. The "pest strip" offers effective indoor control for long periods. One pest strip for each average size room is necessary to control mosquitoes.

Persons who are active where mosquitoes are a problem should use repellents which will protect you from biting mosquitoes from one to three hours, depending upon your type of activity.

Adult mosquitoes around the home can best be controlled by space or residual treatments of insecticides such as malathion, Dibrom, methoxychlor, or Dursban. Space treatments, generally fogs, have little residual activity and require repeating at frequent intervals. Space treatment should be done during the cool hours of the night or early morning and when wind velocity is less than five miles an hour.

Residual treatment applied as mists or sprays to resting sites

Lisa Herrington and Angie Eudy attended Tennis Camp at Texas A&M University under the direction of David Kent.

Valley Cheerleaders who are attending camp this week at Lubbock Christian College are Lisa Herrington, Nadine Rice, Delane Proctor, Angie Eudy, Lana Fuston and Jendy Turner.

Linda Catoe returned home last week after spending several days in the hospital. She is recuperating from hepatitis.

Tom Pierce underwent surgery Monday morning at Central Plains Hospital in Plainview. At last report he was doing well.

of adult mosquitoes gives longer-lasting control than space treatments. These should be applied to vegetation, eaves of roofs, under porches, and similar shaded areas where adult mosquitoes rest by day.

Hot, dry summer weather should dry out these temporary pools of water and give people some eventual relief from these biting mosquitoes.

Pierce Reunion Held In Junction

Members of the late S. H. (Sam) Pierce family gathered in Junction, Texas on Saturday, June 10. A few members of the family arrived earlier in the week and enjoyed fishing and camping along the river on Mrs. Floyd Meacham's place. The main get-together was a picnic meal in the City Park late Saturday evening. Twenty-eight family members from various points in Texas and Oklahoma enjoyed a picnic meal of fried chicken, barbecued beef and all the trimmings.

Those attending were Mr. and Mrs. R. L. (Bobby) Pierce of Los Fresnos, Texas; Mrs. R. F. (Ita) Pierce of Dallas; Lyndall Pierce,

Named To Dean's Honor Roll At WBC

Eva Cheatham, daughter of Mr. and Mrs. W. W. Cheatham of Quitaque, has been named to the Dean's Honor Roll for Spring 1979 at Wayland Baptist College in Plainview.

The May graduate posted a 3.8 grade point average. Announcement was made at the end of the semester by Academic Vice President Dr. Dan McLallen.

Eligibility includes a student being enrolled in at least 12 semester hours of academic subjects and a grade point average of 3.5 or above. Eighty-eight students representing 1,313 enrolled, were recognized by the Dean's office.

Proposed in 1906, Wayland Baptist College is celebrating its 71st anniversary. Enrollment has continued to increase the last eight years. Since 1948, when Wayland became a four-year senior college, solid progress has been seen in the growth of the physical facilities, the size of the student body, and the introduction of new and innovative programs strengthening the academic program.

Dr. Roy C. McClung has been president of the college since 1963.

FORMER QUITAQUE RESIDENT BURIED

Funeral services for Claude S. Keeter, 87, were conducted at 2:00 p.m. Thursday (today) at the First Baptist Church in Lockney. The Rev. Dewitt Seago, pastor of First United Methodist Church,

Dana and Donovan, Los Fresnos; Mr. and Mrs. Wesley Adams and Amy, Laredo; Mr. and Mrs. R. S. Pierce, Ennis; J. C. (Doug) Pierce of Lexington, Oklahoma; Mrs. Arthur Askew and Irene Splawn, Muleshoe; Mr. and Mrs. Jay Pierce, Sam and Jason, Childress; Mr. and Mrs. W. B. Mullin, Mr. and Mrs. Otis Mullin, Mr. and Mrs. Burl Pierce and B. G. Pierce, Mr. and Mrs. Ronald Eudy and Ron, all of Turkey.

Present were four of seven living descendants of the late Sam Pierce. The four able to attend included Mamie, Grace, Burl and Doug. Unable to attend were Haskell, Tom and Chlorene, also a step-daughter, Ruby Aplin. The late Bob Pierce was represented by his wife, Ita, plus children, grandchildren and great-grandchildren.

Following the picnic, the family enjoyed games, swimming and fellowship at the Sun Valley Motel prior to the departure of several. Sunday morning nineteen family members attended worship services together at the North Side Church of Christ and then returned to the City Park for lunch and a short time together before many had to depart, envious of the few who remained to fish and visit.

This brief reunion was a welcome treat for family members who had not seen one another in quite some time. Parting good-byes included promises of returning next year and bringing more Pierces.

officiated. Burial was in the Lockney Cemetery.

Mr. Keeter was born in Canton, Georgia, and came to West Texas in 1898 from Canton. He married Fannie Lee Wolf in Turkey in 1910.

He was a retired cattle buyer and meat processor. He had worked on area ranches as a cowboy. He was a Baptist.

Surviving are five daughters, Mrs. Alda Miller of Corona, California, Mrs. Lois Johnston of Salinas, California, Mrs. Mildred Reagan of Lockney, Mrs. Jean Taylor of Hollis, Oklahoma and Mrs. Joy Assiter of Floydada; four sons, Clinton of Sun City, California, Olan of Plainview, Bob of Tulia and Jal of Amarillo; a sister, Mrs. Lois Martin of Lockney; a half-brother and a half-sister, both of Georgia; 27 grandchildren, 28 great-grandchildren and a great-great-grandchild.

When the heat is on, how do you react to pressure? Can you remain calm and collected, or do you become nervous and rattled? Anger and anxiety - provoking situations are the most challenging tests for a person's character and stamina.

When faced by a disturbing personal problem, men and women respond in different ways. Some will face the problem head-on with the purpose of getting to the root of the problem and realistically solving it. For others, the situation causes excessive eating, smoking, drinking and delaying activities. It takes a longer period of time for the second group to face the real situation, if they ever do.

One of the most common pressures that we face daily is peer pressure. Do you have difficulty expressing yourself adequately in a group? Even when you have a strong opinion, do you usually remain silent when a controversial subject is being discussed? Many of us find it difficult to discipline ourselves to stand up under life's inescapable pressures. Differences of opinions, values or beliefs are expressed by most of us daily. Learning to communicate our feelings and relieve pent-up stress is one of the most mentally healthful functions we can perform in our daily lives.

Stress is an important and inescapable part of life. Learning to live under everyday stress is a challenge to all. Relaxed, unworried adults are an asset in family life. So is common sense.

A resource person from the MH/MR Center in Plainview will present a program on coping with stress—"Stretching Without Snapping"—at 7:00 p.m. in the Pioneer Room at the First State Bank in Silverton on July 26. Mark this date on your calendar and plan your schedule so you won't miss this outstanding program.

CORN RELEASE LEVEL REACHED

The USDA announced today the National average market price for corn has reached the release level.

This means producers may redeem corn in the grain reserve program by repaying the loan principal plus interest and refund any unearned advance storage.

This release period will be in effect through July 31, 1979 and USDA will continue to pay storage until then.

Another announcement will be made at the close of July and the average price at that time will determine whether or not the release period will continue.

Producers with reserve corn loans that have questions concerning this matter are urged to go to the local ASCS office for answers.

What Think Ye?

I was moved by the following, by Thomas C. Darst, and I simply must pass it on to you.

"I am the best friend of mankind. To the man who prizes sanity, peacefulness, pure mindedness, social standing and longevity, I am a necessity.

"I am hung with sweet memories—memories of brides—memories of mothers—memories of boys and girls—memories of the aged groping their way down the shadows.

"I am decked with loving tears—crowned by loving hands and hearts. In the minds of the greatest men on earth I find a constant dwelling place.

"I live in the lives of the young, and in the dreams of the old. I safe guard man through all his paths — from the first hour life's sun slants upon his footprints until the purple gathens in the west and darkness falls.

"I lift up the fallen. I strengthen the weak I help the distressed. I show mercy, bestow kindness and offer a friendly hand to the man in fine linen and the man in homespun.

"I am the essence of good fellowship, friendliness and love. I give the gifts gold cannot buy, nor kings take away. They are given freely to all who ask and seek.

"I bring the freshness of life, the eagerness, the spirit of youth which feels that it has something to live for ahead. I meet you with outstretched arms and with songs of gladness.

"Some time—some day—some hour—in the near or far future, you will yearn for the touch of my friendly hand. I am your comforter and best friend.

"I am calling you! I AM THE CHURCH."

If the church could have the passion of the communist and the zeal of the early martyrs we would certainly witness a new triumphant entry of Christ into life.

Relative Of Area Residents Working With 'Texas' Drama

The Tribune received a telephone call from the management of the "TEXAS" drama department Monday of this week stating that Miss Selenda Reynolds of Tulia is working with the show this summer. She is a niece of Odie, John and Cecil Reagan of Quitaque. She is an accomplished young lady, and will be working with the hospitality section. She is a pianist, organist, cheerleader, basketball captain, member of All Region band, All Area choir, and state finalist in Miss Teen USA. This may be an incentive for local folk to make an extra effort to see "TEXAS" this summer.

The show opened Wednesday, June 20, and runs through August 25. There will be one Sunday performance on July 1.

For tickets and information, write "TEXAS", Box 268, Canyon, Texas 79015, or phone 806-655-2181. It is helpful if you place your orders in advance.

Larry is in seventh heaven. He got his baseball suit yesterday, and is finally a full-fledged member of the neighborhood team.

He is the youngest one in the lot, and certainly the smallest. But he packs a great deal of leadership ability in that half-pint frame. We had not lived in our neighborhood one month, before he was bat boy and unofficial mascot. In just a few short weeks, morale improved. Two of the boys nicknamed, "Loudmouth" and "Fatso" became "Speed" and "Lefty." The boys began to cooperate and play better as a team. They moved steadily upward in the league.

You can imagine what this did to our spirits. How proud we were, and yet humble too, for we knew we could not take complete credit for his sense of fair play. You see, he has been brought up in the Church as well as in our home. It's a wonderful feeling to realize that in such a few short years our son has shown the influence of Christian training.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

WHAT A COMPUTER CAN'T DO

Scriptures selected by the American Bible Society

| | |
|--------------------------------|------------------------------|
| Sunday Micah 6:1-8 | Monday Jonah 1:1-16 |
| Tuesday Jonah 1:17 | Wednesday Jonah 3:1-9 |
| Thursday Jonah 3:10 | Friday Habakkuk 1:1-13 |
| Saturday Habakkuk 2:1-20 | |

We'd be lost, wouldn't we, if suddenly computers were withdrawn from our daily life? We have become dependent on them to schedule airplane flights, point out scholastic aptitudes and aid the Internal Revenue Service in checking income tax returns.

But there are things a computer can't do. It can't make a home a better home or a man a better man. A computer can't heal sorrows and disappointments. It can swallow up a lot of statistics and clank out a lot of conclusions, but it can't direct a man to God's love.

As today's world is run more and more by automation, we need the help of the Church to guide us in the spiritual realm of life. We need to experience God's great love for all men. In our mechanical world, only the Church can help us find God's love.

THE DEE WHITTINGTONS HONORED SUNDAY EVENING

The Quitaque Church of Christ members honored Mr. and Mrs. Dee Whittington and son, Cody, with an old-fashioned "pounding" and an ice cream supper at the Valley View Park Sunday evening after church services. The occasion was to welcome the family back into the community. The church presented the family with a leather-bound Bible as a graduation gift for Dee. He finished Texas Tech at Lubbock this Spring.

Mr. and Mrs. Lon McKay had some of their children home last week. Mrs. Melvin Justus and boys, Jeff, Chad and Jake, Yukon, Oklahoma, spent a week here, returning home Friday of last week.

Also visiting while Deborah was here was Mrs. Theresa Gregory of Lorenzo who came Monday evening and stayed until Wednesday.

On Tuesday, Mrs. Corky Davis of Amarillo and Mrs. Bill Lane of Turkey visited, and on Thursday Mrs. Mack Kemp and Mia and a grandson of Mrs. Kemp, Pat, of Lubbock joined them for a visit.

Mr. and Mrs. Dick Taylor spent Father's Day in Panhandle visiting their daughter and family, Mr. and Mrs. Dan Duncan, Dan Ray and Darcee. The granddaughter, Darcee, returned home with them to spend this week.

Quitaque Methodist Women Meet

The WSCS of Quitaque met Monday, June 11, in the home of Mrs. Estelle Davidson. After the business meeting, Mrs. George Price taught a lesson on "What More Can God Say?"

A new bedroom suite has been purchased for the parsonage and all the ladies are invited to stop by to see it. The WSCS wants to thank all the ladies who don't attend the meetings for the do-

Quitaque Baptist Women Meet

The WMS of the First Baptist Church in Quitaque met Tuesday morning for Bible study. Mrs. R. J. Harmon, president, opened with the business session.

Mrs. A. E. Gragson brought the Bible lesson on Charismata, and what St. Paul taught in I Corinthians 11 - 14.

Mrs. Leon McCracken brought the call to prayer. Mrs. Lillian White read scripture from Amos 5:14-24. Mrs. Jake King led in prayer for the missionaries having birthdays that day.

Others present were Gladys Stroup and Mrs. S. C. Brown.

Mrs. Buck Hale, formerly of Turkey, was scheduled to have surgery Tuesday morning in Hereford. Her condition was not known at this printing.

Shorty Rogers is in High Plains Baptist Hospital in Amarillo, and his condition is reported to be serious.

nations to help pay for the furniture.

Mrs. Davidson served refreshments to nine members and a visitor, her sister, Mrs. Sophie Cook of Memphis.

The next meeting will be July 2 in the home of Edna Taylor.

Mrs. Roy Patterson returned Thursday after spending a few days visiting with her mother, Mrs. J. S. Pinckley, and other relatives in Merkel.

Mr. and Mrs. Corky Morris of

Dimmitt spent Saturday and Sunday visiting his parents, Mr. and Mrs. Buddy Morris in Quitaque. They took Buddy and Leona to Amarillo Monday for Buddy to keep an appointment with his eye surgeon.

OR how DO you COVER A Wagon?

The wild, wild West. Land of hope and opportunity to thousands of courageous settlers. But, if it weren't for the dollars of thousands more Americans taking stock in their country, there might never have been a West to go west to.

You see, money raised from the sale of government securities helped us purchase the Louisiana Territory from the French. Other securities helped buy the states of California, Nevada, Utah, western Colorado and most of New Mexico and Arizona from Mexico. Even settlement of the Oregon Territory was made possible through the issuance of United States securities.

Today, you can still take stock in your country's growth by buying U. S. Savings Bonds.

Just sign up for the Payroll Savings Plan where you work. There's no easier, safer way to save or help your country. After all, U. S. Savings Bonds are still a great way for you to go West. Or East, North and South.

Now U. S. Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America.
