## Valley FFA Members Receive Lone Star Farmers Degree

☆☆☆ ☆☆☆

Voting delegates to the 51st annual Future Farmers of America Convention in Lubbock July 11-

13, 1979 were Mike Rice and Dane Cheatham, who represented the Valley FFA chapter.

Reported by Randy Robbins  
Vocational Agriculture Teacher  
Over 6,000 FFA members and guests gathered at the Lubbock Convention Center July 11-13 for the 51st Annual Texas FFA Convention. Nacogdoches Future Farmer David Alders was elected the new State President, and Mari Jayne Carlisle of Plainview was elected to be the new FFA Sweetheart. Over \$300,000 in scholarships and awards were presented to FFA'ers during the three-day convention.

Eight members of the Valley FFA were honored by receiving their Lone Star Farmer Degree from State President Mark Baker. The recipients were Rodney Carpenter, Dane Cheatham, James Green, Lex Herrington, Derrel Johnson, Mike Rice, Bruce Setliff and Joe Kirk Smith. Rice and Cheatham also represented Valley as voting delegates to the convention.

Sophomores Richie Fuston and Brent Brown were honored by being selected as ag members of the Courtesy Committee. Other Valley FFA members attending the convention were Dee Dowd, Robert Johnson, Kirby Chandler, Shane Smith, Kevin Hawkins, Randy Fuston and Brett Cheatham.

## Attendance Higher At Musical Drama

At the end of the second week, attendance at the musical drama, "TEXAS," for the first two weeks was higher than in 1978. Triangles had been awarded to people for coming the greatest distance to see the show from Thailand, Japan, Singapore, India, Arabia, Austria and Kuwait. Craig Skaggs, who has made many friends for "TEXAS" with his genial program sales, brought a cake several feet square to the

fourth of July show reading "Happy Birthday America" and served it to the staff and crew and visitors.

A doe and a fawn joined the cast on two occasions, ambling onto the grass between the stage and the cliff, and remaining for some time in the lights, watching the audience and the show.

One evening, the buggy horse slipped out of his harness and climbed up the cliff.

And in all the excitement, the cast went its steady way, "Inviting you all to come to 'TEXAS!'"

There have been no shortages of gasoline in the Texas panhandle, and New Mexico, just 100 miles away, is advertising that gas there is plentiful.

For tickets write P. O. Box 268, Canyon, Texas 79015 or call 806 655-2181. It is well to make reservations in advance. A good selection of seats is available except for some Saturdays.

## H. C. Gilly Rites Held At Floydada

Services for H. C. (Cliff) Gilly, 62, of Floydada were conducted at 2:30 p.m. Wednesday at the First Baptist Church.

Dr. Floyd C. Bradley, pastor of First Baptist Church, officiated. He was assisted by the Rev. Vance Mitchell, pastor of the Assembly of God Church at Cedar Hill.

Burial was in the Lockney Cemetery under the direction of Moore-Rose Funeral Home.

Mr. Gilly was married to Lytle Mills on December 2, 1934. She preceded him in death May 13, 1971. On August 11, 1972 he married Ernestine Noland.

The Floydada native died Monday at Lubbock's St. Mary's Hospital following a brief illness.

Survivors include his wife, Ernestine; two daughters, Shawna Wolfe of Martinsville, Indiana and Mellane Parson of Hereford; two step-daughters, Janice Davis of Plainview and Lisa Noland of the home; a step-son, Larry Noland of Floydada; a brother, C. L. (Cobb) of Floydada; two sisters, Gertrude Hammit of Plainview and Willie Hammit of Stephenville; and four grandchildren.

Pallbearers were Mark Gilly, Craig Gilly, Gene Hammit, Marvin Hammit, Freddie Hammit and Frenchie Gafford.

## Dennis Cloyd Buried At Flomot

Dennis Cloyd, 79, died Tuesday.

Services were conducted at 11 a.m. in Flomot Baptist Church. The Rev. Charlie Lummis, pastor, officiated. Burial was in the Flomot Memorial Park Cemetery by Seigler Funeral Home.

Mr. Cloyd, born in Bell County, moved to Flomot 16 years ago from Plainview. He was a retired cotton ginner and a member of Flomot Baptist Church.

Survivors include two sons, Norris of Lubbock and Keith of Bath, England; a daughter, Mrs. Joyce Gruner of Downer Grove, Illinois; five grandchildren and two great-grandchildren.

## Rudy Power Dies In Dallas

Mrs. Leon McCracken received word Tuesday morning of the death of her brother-in-law, Rudy Power, husband of Daisy Chandler Power, in Dallas Monday night.

Funeral services were set for Wednesday afternoon at a Catholic Church.

A complete obituary will follow in next week's Tribune.

Mrs. McCracken, Mrs. Frankie Bell, Mrs. Ginger Morgan and Mrs. Paultette Lipscomb drove to Lubbock Tuesday afternoon to emplane for Dallas to be there for the funeral services.

A retired minister and former District Superintendent, Luther Kirk of Lubbock, was guest speaker at the Quitaque Methodist Church Sunday morning.

Johnny Butler was taken to Hall County Hospital Saturday night by Quitaque ambulance. His wife talked to him Monday evening and he was resting some easier.

## Attention Taxpayers

The Turkey-Quitaque ISD has extended the deadline for Homestead Exemptions to July 31st. All homeowners are qualified for \$5,000 exemption. Persons 65 years or older on January 1, 1979 or disabled will qualify for an additional \$10,000 exemption. These exemptions apply only to the residence. To get these exemptions you must come to the school tax office and sign an application.

## Do It Now!!!

WHAT? Pay your \$1.00 to have your name embroidered on the Community Friendship Quilt. "We the Women" is striving to get all 480 sections of the quilt filled with names of any and every one interested in Quitaque. The quilt will be beautifully completed in time to be sold or auctioned off at the Annual Bazaar in November.

This will be an "heirloom" keepsake, so don't wait. Add your name, the entire family or clan's names. The deadline for turning in names is August 15. Those of you who live out of town may mail your name and \$1.00 to Delene Tyler, Box 237, Quitaque, Texas 79255.

## Attends Reunion

Mrs. Elvie Hamner of Quitaque was guest of honor at a family reunion held at Lake Palestine near Tyler, Texas July 13-15. Co-hosts were Votis Stegall of Tyler and Victorene Barr of Lake Palestine, nieces of Mrs. Hamner.

The 44 relatives attending enjoyed picnicking, swimming, fishing and fellowship.

The group decided to make this an annual event, meeting again at Lake Palestine in July 1980.

The Communications Committee appointed was Lisa Stegall of Tyler, Wanda Avery of Arlington, Frankie Cade of Fort Worth and Linda McCormack of Lufkin.

Among the things Mrs. Hamner enjoyed most were her first motorcycle ride, her first dance in an evening club with her son, and a few drinks (Cokes, of course).

Relatives attended from Hobbs, New Mexico, St. Joseph, Missouri, Abilene, Childress and other Texas towns.

## Ordis Chandler Suffers Stroke

Ordis Chandler of Dallas, brother of Mrs. Leon McCracken of Quitaque, suffered a stroke on Thursday, July 5. He is in Baylor Hospital in Dallas. Mrs. McCracken reports he is improving, with feeling in his arm and some in his leg.

Corky Morris of Dimmitt visited his parents, Mr. and Mrs. Buddy Morris, in Quitaque Saturday. He brought his parents a bushel of apricots.

Tab Morrison of Estelline visited the Buddy Morris Saturday and brought them a bushel of peaches. Mrs. Lela Mae Hutcheson visited them while Tab was there.

Paula Stockton of Estelline visited her grandmother, Mrs. Olivia Stockton, in Quitaque from Friday until the following Tuesday.

## Baseball Season Ends

Quitaque Pee Wee League lost two out of three games to Turkey in the play-off series. Turkey won the first game 21-8. Quitaque took the second game 12-5. Turkey came out on top in the final game of the series, with a score of 15-8. The youngsters played well in every game.

The scores of all three games were as follows: Turkey, Craig Setliff, five; Derek Mullin, five; Lacy Price, one; Joe Silva, six; Shane House, four; Bobby Williams, four; Isaac, two; Billy Robinson, two; Brandon Smith, four; Manuel Reyes, two; Jacky McNary, one; Paul Fuston, three; Suzie Farley, one, and Jaclyn Bell, one.

The Quitaque Pee Wee boys played hard and hustled in every game, showing good defense and good hitting. The scores were: John Harmon, four; Kelly Patrick, four; Lane Myers, three; Kirk Martin, four; Eric Scoggins, two; Bengie Hughes, two; Brandon Mullin, four; Lance Fulbright, three; Scott Saul, one, and Jay Hawkins, one.

Lane Myers was outstanding with his hitting and fielding. Scott Saul for defense, Kelly Patrick at first base, Kirk Martin, pitching, short-stop and for his hitting ability, Lance Fulbright, for all-around hustle, Eric Scoggins, good play at third, John Harmon, ability to get on base, Brandon Mullin, got on base most every time, Bengie Hughes, ability to get on base and hustle on the field.

The substitutes played a big part in the game. Jody Brunson did a good job subbing in right field and Jay Hawkins was alert playing in left field.

As the Pee Wee Coach, Mrs. Gwen Martin wants to thank all the boys for a very enjoyable season. "Even if you didn't win all the time, you are winners because you did your best, and even more," she said.

The Quitaque Little League

won first place in the season playoffs. The boys came alive in the second game and became big hitters, every one of them.

The first game was won by Turkey, 9-8. The second game was won by Quitaque with a score of 9-4. The last game also was Quitaque's, with a score of 16-0.

Kirk Saul was the winning pitcher for Quitaque. He gave up seven walks and only four scores in the second game. In the final game, he walked only three batters, shutting out Turkey with no runs scored.

Coach Deloy Myers would like to give special recognition to the team as a whole. Turkey got several hits but with the outstanding defense shown by Quitaque's entire team, the players were able to stop Turkey in its tracks.

The coach also wants to give special recognition to the substitutes. The youngsters were always on the job, giving the best they had to the team. They are Gary Brannon, Joe Morrison, James Taylor, Tom Clardy, Ray Taylor, Cynthia Fulbright, Wanda Brittain, Jamie Cox and Gabriel Castillo.

The outstanding players and the reason for their choice were: Matt Barrett, hustle and hits, 2 1B, 1 2B, and 1 3B; Tony Hinojosa, hustle and defense; Steve Price, 3 1B, 1 2B and 1 3B; Shon Phelps, 2 1B; Roger Hughes, 1 1B; Criss Morrison, 1 2B and 2 HR, and great defense; Buster Beavers, 2 1B, 1 2B and 2 HR, great defense; Kirk Saul, 5 1B and 2 3B, also an outstanding job as pitcher; Chuck Martin, 2 1B, 4 2B, and 2 HR, and outstanding defense at shortstop. Chuck made a rarely seen triple play in baseball by catching a flyball, stepping on second base and throwing a catch to third base.

The most valuable Pee Wee player of the week was Lance Fulbright, son of Dorothy Fulbright. He got on base every time at bat and when he played

## Junior Play Day Is Saturday, July 21

The annual Junior Play Day sponsored by the Motley County 4-H Rodeo Association will be held at the Old Settlers Arena in Roaring Springs, starting at 9:00 a.m. Saturday, July 21, 1979.

Halter classes will be provided for mares and geldings. Performance classes will include barrel races, flag races, pole bending, western pleasure and reining.

The Pee Wee group will include those 11 and under; Junior group, 12-15, and Senior, 16-19. Entry fee is \$4.00 per event and buckles will be given for all first places in performance events.

Halter classes will include one year old mares; two year olds; three year olds, and aged mares; also two year old geldings; three year old geldings, and aged geldings.

Trophies will be provided for all first place animals, grand and reserve champions.

Books close 30 minutes before the class is called. Entry forms can be obtained from Dell Bear-den, Box 143, Matador, Texas 79244 (Tel. 806 347-2461) or the County Agent's office 806 347-2733.

at second base and in the outfield, he always hustled. He is eight years old.

## James Mays Vacation In Louisiana

Mr. and Mrs. James May left Quitaque Saturday, driving to New Boston where they spent the night. The next day they drove to Vivian, Louisiana, where they visited his uncle and aunt, Mr. and Mrs. J. M. Lewis, and another aunt, Mrs. Lillian Gilbert, who is in a rest home there. They also attended to business.

Returning home they spent the night in Bonham, driving home Monday.

## MRS. JAN TURNER NAMED COMMUNITY CAMPAIGN HEAD

Mrs. Penny Willhite, chairman of the West Texas Chapter, today announced that Mrs. Jan Turner has agreed to conduct a special event in Turkey to raise money for the West Texas Chapter of the Arthritis Foundation.

Mrs. Willhite said that funds raised from this event will help to support services for arthritics and their families in this area and to advance the National Foundation's research programs that are directed at finding the cause and cure for arthritis.

More than 31,000,000 Americans are afflicted with arthritis serious enough to require medical care, 122 of them right here in Briscoe County. Arthritis, the nation's No. 1 crippler, costs the national economy a staggering \$13 billion annually in lost wages and medical care bills. The cost in human suffering, in pain and disability, is beyond measure.

Mr. and Mrs. R. J. Harmon were in Plainview Thursday of last week to visit their son and family, Mr. and Mrs. Robin Harmon and children, Robby and Traci. The children came home with them for two days. Dee Dee and John David Harmon joined them for a visit in the home of their grandparents.

## Producers Need To File For Natural Gas Priority

### For Natural Gas Priority

The Briscoe County Agricultural Stabilization and Conservation (ASC) Committee today reminded farmers, food processors, food distributors and other agricultural concerns desiring protection against natural gas curtailments to file a written priority request with their supplier no later than July 15, 1979; however, an extension has been re-

quested. The Federal Energy Regulatory Commission (FERC), originally designated June 15 as the last day for this requirement but extended it by one month.

Users of interstate natural gas have been certified by the Secretary of Agriculture to be protected up to the full requirement against curtailment.

Here is your suggested format for making a request:

Name	Address	Intended end uses	SIC code numbers	Vol. of natural gas needed

DEAR EDITOR:

Even though I receive my mail through the rural delivery post-marked Quitaque, I don't have much occasion to go to Quitaque Texas. A couple of weeks ago I was in town and was so pleased with the appearance of the Main Street as well as some of the other streets I drove down. The new litter baskets and store fronts were such pleasant attributes to your small town. It was certainly evident that a small town can still be attractive as well as clean. The people of Quitaque can take pride in the work and set an example for many towns in our surrounding area.  
 Congratulations on a job well done!  
 Yours truly,

STATE CAPITOL NEWS

The Tribune received a copy of "The Barbed Wire," the rural Texans Watchdog in Austin, and wish we could print it each time. It is enlightening and if anyone wants it sent to them, please contact the Tribune and we will give you the address. It tells what is going on in our State Capitol.

Listed among the best legislators for 1979 were Bill Heatly of Paducah, Mary Jo Polk of El Paso ("She's tough, outspoken, and usually right. Easily among the best first-termers in 1979") and Foster Whaley, Pampa ("Probably the best, certainly the most effective, freshman member").

This makes us feel good to know that we have good representation from our area.

Mary Polk is the daughter of Mr. and Mrs. Leon McCracken of Quitaque. She is in the hospital in Lubbock now recovering from hip surgery.

Barry Francis of Silverton spoke at the Quitaque Church of Christ Sunday evening in the absence of the minister, Elgin Conner.

The Elgin Conners spent a vacation in Grand Mesa, Colorado, where they attended a church youth camp. They also visited friends enroute home.

Mr. and Mrs. Willie Bradshaw and daughter, Annaleta, of Floydada spent Sunday afternoon visiting their parents and grandparents, Mr. and Mrs. Roy Smith.

Mr. and Mrs. Jesse Turner, Teresa and Steve left Quitaque Friday, June 29, for a 16-day trip to Yellowstone National Park. They covered five states. Mr. and Mrs. C. H. Turner of Mobeetie, Mr. and Mrs. Davie Turner and three daughters of Pampa, and Mr. and Mrs. Les Parsley of Shato, Oklahoma accompanied them, taking four cars on the trip. They report a wonderful trip.

Mrs. Josh Smith's sister and great-nephew, Bessie and Tommy Rattliff of Brownfield, visited her Monday afternoon.

Elgin Conner emplaned for Morgan Hill, California Sunday from

Lubbock to attend the funeral services for a cousin, Leta Hawley. The services were scheduled

for Monday afternoon. She was the daughter of Elmore Johnson and a niece of Doc Conner of Turkey.

**NOTICE AFFORDING OPPORTUNITY FOR PUBLIC HEARING**  
 The State Department of Highways and Public Transportation is planning the construction of F.M. Road 3300, from F.M. 2301, in Swisher County, East to State Highway 207 in Briscoe County.  
 The proposed 6.04-mile project consists of grading, drainage structures, base and surfacing of the present narrow, earth road to provide two 10-foot paved tra-

vel lanes similar to other Farm to Market roads in the area. The proposed improvements will follow approximately the same alignment as the existing county road on a minimum right of way of 100 feet, with no displaces or relocations involved.  
 Maps and other drawings showing the proposed location and design, environmental studies, and any other information about the proposed project are on file and available for inspection and copying at the office of O. V. Johnson, Supv. Resident Engineer of Clarendon, and Merlin O. Bennett, Sr. Resident Engineer of Plainview. Also, maps and drawings showing the proposed location and design have been placed on file with the County Judge of Swisher County and the County Judge of Briscoe County.  
 Information about the State's Relocation Assistance Program, the benefits and services for dis-

places, information concerning the relocation assistance office, as well as information about the tentative schedules for acquisition of right of way and construction, can be obtained at the District Office of the State Department of Highways and Public Transportation at 1700 Avenue F, N. # KIKER'S KORNER

Earnest Kiker  
Briscoe County Extension Agent

Be on the lookout for mites this month. Red spider mites and Banks grass mites are both favored by hot and dry weather—and this July may have more than its share of hot, dry days. Weather projections for July

show less rain than usual for all areas except East Texas, where wetter conditions are expected. Temperatures will be above normal in West Texas, but should be around seasonal levels elsewhere.

So, during a hot, dry spell, watch for mites in both field crops and home gardens. Mites will attack most any plant but seem to prefer cotton, corn and sorghum in the field and beans, tomatoes, southern peas and egg-

plant in the garden.

Mite populations tend to build rapidly when host plants are under moisture stress, so adequate water is the first defense against mites. In dryland crops, spot treatments of field margins on areas where crop stress usually shows up first may keep mites from spreading throughout the field.

Heavy rains sharply reduce mite populations, so recheck fields to see if control is still required before you spray. Gardeners can keep mite populations low by spraying vegetables with the garden hose every few days.

Hot and dry weather will boost cotton growth—as long as soil moisture holds out—and will tend to suppress major cotton insect pests, too. Boll weevil and "worms" (bollworms and tobacco budworms) do better in wet weather.

Worm moths are attracted to lush, new cotton growth for egg-laying. Eggs and young larvae (worms) have a higher survival rate with higher humidity levels and new growth. So, watch out for "worm showers" and, if possible, schedule irrigations to avoid predicted egg lay periods. Be sure to keep in close contact with Extension entomologists.

Rains during the last week of June were quite varied—so each field may be an entirely different insect situation. July rainfall typically is quite varied, also; so generalizations on insects and weather may be misleading. However, dry weather favors grasshoppers and lesser corn-stalk borers (in peanuts). Dry-out of native plants can also lead to migrations of fleahoppers and

other pests into cropland.

While dry weather tends to hold down population increases of screwworms, fleas and ticks, face flies in cattle tend to get worse, especially when cattle congregate around water.

### CRISIS—FACE IT, RECOVER

Face crisis and recover from it. We all have crises at some time in our lives — some cope with it better than others. Crisis demands action.

Unless individuals and families know how to combat an upset in life's routine—and what feelings to expect, it can cause an unresolved crisis.

When an upset happens, most people go through three broad stages: disorganization, recovery and reorganization.

### DISORGANIZATION

When crisis strikes, so does disorganization—as the person begins to feel.

Many suffer bewilderment. A few remain calm, and a few express their strong feelings in outbursts of fury or screaming.

In most cases, tension arises, and most people feel helpless.

### RECOVERY

When people emerge from this stunned condition, they must cope with a different future life—one changed by the traumatic event.

They have two choices—to hide from the event or face it and fight back.

Those who choose to hide may

escape into fantasy or worry, or they may retreat within themselves.

Some people become resentful. Guilt feelings are common. Also, many will deny what has happened.

To start recovery, it is important to face the crisis, not hide from it.

As a person begins to face a crisis, he can start to measure it realistically and start to get organized.

Many times, people cannot rebound by themselves.

This is when they should ask friends or trained professionals for help in dealing with the situation.

Reorganization is the final step.

It begins once the person decides what to do and starts to accomplish the tasks.

### FAMILY CAN HELP

A crisis can affect individuals—and entire families—emotionally, socially and physically.

Crisis means a change in lifestyles. Old habits may become no longer appropriate, and this strains the individual and the family resources.

All families face various hazardous circumstances, but not all families view the same events as unresolved-crisis events.

A family's resources for meeting each situation will, in many cases, determine whether or not it is an unresolved crisis.

A counselor from the Central MH/MR Center in Plainview will present a program on coping with various events which cause stress in our lives. This will be at the Pioneer Room of the First State Bank in Silverton at 7:00

p.m. July 26.

This will be an interesting and helpful program for the whole family. Plan to attend.

Thomas and Blance Allen of Mayfield visited with Mr. and Mrs. Aubrey Turner Saturday night. They formerly lived in Turkey and were both employed by Lyndon Bynum at the Flash-

O-Gas.

Bob Ham fell at the Midway Theatre Saturday and broke his right arm in the wrist. He is in a cast past his elbow. He was taken to the Health Sciences Center Hospital in Lubbock for treatment. He is still on the job at the First National Bank in Quitaque.

## Game Warden Academy Set

The next Texas game warden academy will be held in Austin beginning in October and persons interested in this outdoor career opportunity should apply by July 31, 1979.

Application forms may be obtained at the Texas Parks and Wildlife Department's offices in Abilene, Amarillo, Lubbock, Midland and Wichita Falls, or write the P&WD, 4200 Smith School Road, Austin, Texas 78744.

Game warden applicants are required to have graduated from an accredited senior high school and the applicant must be at least 21 years of age and possess good health and vision.

The P&WD's game warden training program will encompass 1,000 hours of study and training in fish and game laws and identification, Texas Penal Code, defensive driving, wildlife habitat study, civil defense, hunter and water safety, and self defense.

Upon successfully completing the training program 4 1/2 months later, the officers will be assigned duty stations across the state.

The new wardens will then perform work involving the enforcement of all game and fish laws, Texas Water Safety Act, water pollution laws, and sand, shell and gravel laws within an assigned area.

All P&WD game wardens maintain a 24-hour on-call status which means they may leave home before sunup and not return till late at night. Many game and fish violations occur at night and to stop this type of

thief, the game warden will work at night during these peak violation periods.

The P&WD is an equal opportunity employer and hopes all persons interested in a game warden career will apply in July.

## PANHANDLE ANTELOPE POPULATION STABLE

The antelope herds are monitored each year by personnel of the Texas Parks and Wildlife Department and a recent aerial count in the Texas Panhandle found the herd population up a little from 1978.

"Antelope are open-country animals which makes them easier to count from the air and we tallied 2,256 animals on a recent aerial survey in the Panhandle," said David Dvorak, project wildlife biologist.

"The P&WD will probably issue the same number of antelope permits to the area landowners as were issued last year which was 353," Dvorak continued.

The wildlife biologist noted that the traditional antelope range observed during the survey was in excellent condition with plenty of forb plants available to the animals.

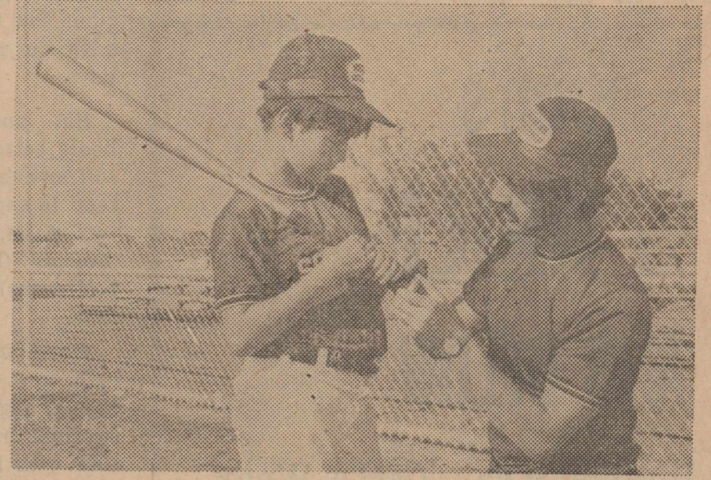

The survey crew also counted 142 coyotes while flying the ranches which is a marked increase over last year's count of the predators.

The 1979 antelope season for the Panhandle, Permian Basin, and Trans-Pecos regions has been set for September 27 - October 7.

Kyle Williams of Hereford has been visiting in the J. W. Lacy home since Thursday of last week. He has also visited with his grandparents, Mr. and Mrs. Josh Smith and Mr. and Mrs. Doc Williams.

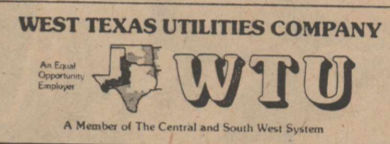

Misti Stone of Lubbock returned home Wednesday after spending two weeks with her grandparents, Mr. and Mrs. Leroy Stone and Mr. and Mrs. Buck Lancaster.

**"When my coach isn't coaching, he's a WTU man"**

WTU people enjoy being good neighbors. That's why you'll find them involved in all kinds of community activities. From linemen to secretaries, WTU folks are busy coaching Little League teams, heading Scout troops, volunteering for hospital work, leading the PTA, ringing door bells for charities.

Their interest in helping people shines on the job too. Their good-neighbor attitudes help us serve you better. Through the concern, the courtesy and the dedication of WTU people you can be assured of receiving the same efficient, dependable electric service you've grown accustomed to.
