

Mr. Muleshoe

Ever since Monday morning we have been wondering, ever since we heard the results of a hunting expedition staged by three of our local Nimrods. Now, how did Jim Cox, Bob King, and Marion Harris divide that green head mallard that they bagged in a single hunt? Perhaps it was loaned from one to the other to show family and friends that they really had been successful. Anyway, what's one green head duck between friends.

M. F. Harris (At Chamber of Commerce Meeting): "You, who missed the FFA sponsors banquet missed a very nice affair. The whole meeting was conducted by the younger boys, and it went off mighty well."

Pat Bobo, (At same meeting): "I can endorse everything Mr. Harris says. In my twenty-some-odd years of residence in Muleshoe and Bailey County, it was the most satisfactory meeting, most inspiring meeting I have attended. If one despairs of the future of America, let him attend an occasion such as this, and he will never despair again. To watch those youngsters, clean-cut, fine-looking, conduct a meeting, was an inspiration to me, and I enjoyed every minute of it."

Nobody said so, and perhaps no one thought of it except you writer, but we had a right to be a little disappointed with Plainview's caravan that visited our city Tuesday. When the visitors arrived here they had only five cars, including a sound truck, whereas the literature sent out in advance indicated we might expect some 100 cars of people.

Many of our folks turned out just to see what Plainview people look like. The school kids of Muleshoe furnished the entertainment and carried off the occasion in grand style. Difficulties of one kind or another is the reason for the light turnout of the visitors. But you know when you go visiting you ought to put your best foot first. But welcome back to our city and county, Plainview.

When Conrad Williams, of Stegal, gets ready to come to the county seat, he neatly steps into his airplane and air cruises over. It takes about ten minutes or so for a trip that by ear would take around an hour. And then, old Conrad ain't wearing out the roads when he uses his plane. Only trouble is that when he lands at Muleshoe airport he's afoot, and has to hoof it to all the places he has to visit on business that day.

FFA Boys Win District Honors

Muleshoe Future Farmers came back from the district leadership contest held at Littlefield Wednesday with an outstanding victory. The ten schools of the district competed for the first place banners. The local boys placed as follows:

In Senior Chapter Conducting, Muleshoe won second with Littlefield at the top of the list.

In Junior Chapter Conducting, Muleshoe won sixth place. The farm demonstration contest ended with the Muleshoe boys in first. Johnny Seid won first place in the news writing contest.

Junior Chapter Conducting was coached by F. W. "Chief" Jones and the Senior Chapter Conducting boys were coached by Edward White.

Mr. and Mrs. James St. Clair of Morton spent Sunday in the home of Mr. and Mrs. I. L. St. Clair.

Water Conservation District Is Organized Here

Last Rites Held For J. B. Burkhead, Who Died Of Heart Attack Sunday

Funeral services for J. B. Burkhead, well known Muleshoe real estate and insurance man, were conducted at the First Methodist church here at 2:30 o'clock Wednesday afternoon. Mr. Burkhead died at 10:50 p. m. Sunday, a few minutes after suffering a heart attack.

Mr. Burkhead, who was 57, had attended church and Sunday school at the church Sunday morning, and with Mrs. Burkhead had gone for a drive Sunday afternoon. He did not attend evening services because he felt badly.

He first suffered a heart attack in June, 1944, and was confined to his bed eight weeks. Then in December, 1945, another attack

Hale County Will Organize Saturday

Hale County irrigation farmers are to meet Saturday at 10 p. m. in the courthouse at Plainview to organize a water conservation district, according to H. S. Hilburn, editor of the Plainview Evening Herald.

Mr. Hilburn, in a telephone conversation with The Journal, said A. B. Tarwater, former representative in the Legislature for this district, will be temporary chairman. He invited interested people of this county to attend the Plainview meeting.

D. L. MacDonald, Amarillo, the well-known water developer, will be a speaker.

Earlier Wednesday Meade F. Griffin of Plainview, an attorney, had extended an invitation to local irrigation men to attend the Hale County meeting.

To Attend REA Meet in Capital

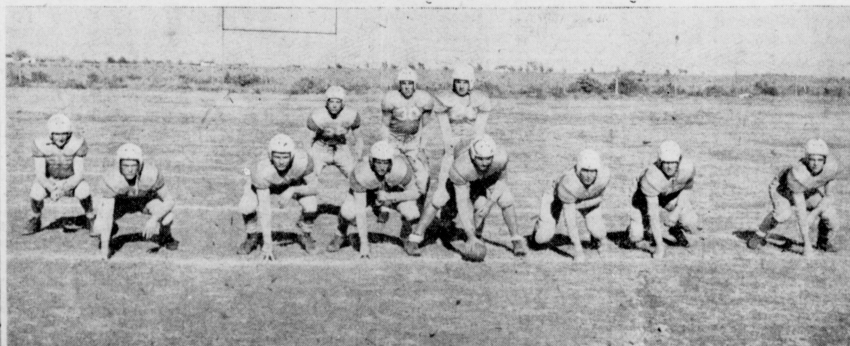

Marty Erell, manager and Walter Damon, president, of the Bailey County Rural Electric Cooperative, will be off in a cloud of dust Sunday, boarding a plane at Amarillo for Washington, D. C., where for five days they will attend a called managers' conference of 80 rural electric groups.

Damon said it will be his first extended flight and he is looking forward to it with great expectations. Erell said that if their itinerary (page H. Taylor) can possibly be arranged to accommodate it, they will grant Mr. Truman at least a five minute interview.

The meeting will end Dec. 14.

Victorious Yellow Jackets Line Up For A Picture

Above are pictured a starting line-up of the Muleshoe high school Yellow Jackets football squad that has just wound up the most successful season for the high school in recent years.

Shown in this picture: back row 1 to 4 - Fuston McCarty, Eugene Huff, Wiley Moore, and Arlo Farrell.

Front row, 1 to 7: Glenn Tibbets, Bill Jim St. Clair, Donald Barnett, Pesky Winn, Jim Bickel, Bobby

Goss, and Poss Lowry. Other members of the Jacket squad for 1946, many of whom were in practically all games are:

Bill Garrett, Jack Baker, Talmage McKillip, Don Bryant, Jack Heald, Max Gardner, DeWitt Tiller, Bobby Precure, Johnny Seid, Herbert Griffiths, David Wyrer, Weldon McCarty, Teddy Lawler, Don Sanders.

James A. Beam is coach of the victorious squad. The Jackets ended

Christmas Decoration Contest Announced

Basketball Game Here Monday Night

There will be a basketball game here next Monday night in the high school gym under auspices of the local American Legion Post and for benefit of its building fund.

An American Legion team is to take the court against a team of "outsiders" from Spring Lake.

The Muleshoe squad lists such stalwarts of former high school teams as Spud Thomas, Skinny Winn, Carroll Howell, Red Foster, Pinky Barbour, Medford Selfers, J. Lewis Morris, Buddy Blackman and Chick Simmons. Admission will be 25 cents, and the game will start at 8 p. m.

Gupton Announces Plans To Rebuild Structure Destroyed By Explosion

Plans are being made by C. D. Gupton to rebuild the structure destroyed by the postoffice gas explosion last Tuesday morning.

Mr. Gupton said he has summoned a Lubbock engineer to

One hundred dollars in prizes are offered Muleshoe residents for the best decorated homes at Christmas time by the Muleshoe Lions Club. The club announced its sponsorship of the contest today.

Prize money will be divided as follows:

First place, \$50.

Second place, \$30.

Third place, \$20.

Any home in Muleshoe is eligible to be entered in the contest.

However, homes must be entered on or before December 23. Names and home location should be left at Muleshoe Journal office.

Prizes will be awarded for best outside Christmas lighting and decoration in the residential sections of the club decided.

The contest is calculated to spur civic pride as well as to stimulate a display of the Yuletide spirit.

give an opinion regarding the destruction or retention of a part of the wall still standing. He said in his opinion some of the wall yet standing will have to be torn down.

Floor and roof of the part of the Gupton building occupied by the postoffice were ruined also, so it will just about be a new construction job.

He said he expects to rebuild as soon as he can get materials.

The government contract with Mr. Gupton has two more years to run. He said he believed the equipment, box sections, etc., can be repaired to serve well enough for the time being. This was the opinion of a postoffice inspector from Fort Worth, who was here Monday.

Meanwhile the postoffice is about to get straightened out in the Hanover building on South Main street. Part of the building is occupied by Whistler's Bowling Alley, which opened for business yesterday. The latter business had the whole building leased, but consented to let the postoffice use about half of it temporarily.

There is some speculation that the Postoffice Department may see fit to go ahead with construction of a Federal building here, authorized in a measure passed some time ago, but nothing of a definite nature has been heard on that point.

Boy Scout Meet Here Monday

A district meeting of Boy Scouts is to be held in the high school auditorium next Monday night, when Muleshoe Scouts will be hosts to boys of five outside troops.

Members of two troops at Littlefield, and troops at Amherst, Anton, Sudan and Muleshoe will compete in several contests. There will be a potluck supper afterwards, with the local Scouts furnishing coffee.

Contests will be held in knot tying, signmaking, three problems of first aid, and in fire building.

Executives of the South Plains Boy Scout Council, Lubbock, will be among the speakers.

Scoutmaster here is Horace Edwards, and assistants are Lee Pool and O. E. Bowman.

Everyone is invited to attend.

G. W. Goucher, Frederick, Okla., is expected this weekend for a visit with his brother, Dr. S. E. Goucher, and to see after property he owns in the community.

Osborn Named Group President

The Bailey County Water Conservation District was formed here Tuesday night at a meeting of irrigation farmers, and Jess Osborn, Muleshoe banker, was elected president. Ross Goodwin, well known irrigation farmer, was elected secretary.

The organization will study the irrigation subject and try to be prepared to work in unison with other Plains counties if legislation is proposed having for its purpose control of water resources of the Panhandle-Plains area.

Officers and directors of the association will meet next Tuesday night at Muleshoe State Bank to consider resolutions to be adopted by the organization district.

By vote of the assembly, membership dues were set at \$5.00, and Osborn said this money would be used for expenses of trips by the directors or officers, should such a trip become necessary, and if the money is never used, which he said he hoped would be the case, then it will be refunded to the members.

County Agent J. K. Adams discussed the most recent report of the Texas Water Board dealing with the subject of irrigation here, describing logs of wells and sections relating to decline or fall of the water tables in counties of the shallow water irrigation belt.

County Agent Lem Weaver, of Lamb County, discussed the same report at length, giving also some data collected by him on wells in his county.

Weaver brought out that the tables prepared by the Board showed that in the counties of Bailey, Lubbock, Crosby, Hockley, and Lamb, all along the Blackwater Draw, the water level is shown to have risen in 1945 over the level in observed wells, while, in the counties of Deaf Smith, Hale, Briscoe, Floyd and Castro, along the Running Water Draw, the water level had declined in the same period. The average rise in Bailey County observed wells was shown to be 3.3 feet.

Weaver gave the log of a Lamb County well where the water level was 22.2 feet in November, 1934. Water level was as high as 11.0 ft. in 1941, the year of the big rainfall, and still is far higher than in 1934, standing in February, 1946, at 18.33 feet.

Communities represented at the meeting, called on the initiative of Muleshoe Chamber of Commerce, were Y. L. Progress, West Camp, and Muleshoe. Lonnie Arnold was named in absentia to organize irrigation men in Needmore-Baileyboro community.

Osborn named men in each of the communities to call meetings and elect community directors. Community meetings were called immediately after the session was adjourned.

F. W. "Chief" Jones suggested that more definite information than any yet available should be sought as one of the objectives of the organization. He suggested the U. S. Geological Survey might be induced to make a thorough investigation of the subject, saying that three or more theories held as to where our water comes from.

Other counties of the Plains are already organized to take part in any future discussion relating to a possible control measure.

Another Lamb County man at the meeting here was Wade Frey, assistant county agent.

M. F. Harris, secretary of Muleshoe Chamber of Commerce, acted as temporary chairman until organization was effected.

Cattle Feeding On Big Scale

Bovina. — One of the biggest cattle feeding operations in this area is being carried out in Parmer county by Triplett and Pringle, cattle feeders and buyers of Bovina.

At the present time the firm has 7,000 head of cattle grazing on wheat fields in Parmer and Curry counties.

Cost of feeding, rental on the wheat land, and other expenses involve the expenditure of some \$40,000 per month in that area.

Fifteen hundred head of young heifers and steers are now on full feed in the feed lots at Bovina, and will be fed out there before being shipped for slaughter.

Bob Pringle, one of the partners, says that during all the widespread feeding operations during the past five years, there has been no trouble with cattle thieves. "If we ever had a single animal stolen, we don't know it," he said.

We have learned that good grade Whiteface Herefords do better and yield us better returns than any other grade," Pringle said.

Biggest problem of the firm at the moment is a growing mountain of manure at the feed lots in Bovina, Pringle says he has been unable so far to dispose of it as fertilizer, and doesn't know what to do with the steadily growing pile.— State Line Tribune.

BAILEYBORO 4-H

The Baileyboro 4-H club met November 26. For a place of meeting Mr. Spbert's school room was borrowed.

The meeting was called to order by our president, Miss Tommy Bridwell.

The minutes were read by our secretary, Miss Dorothy Underdown, and they were corrected. The president asked for old business, and they learned when their shells and pen they had ordered were expected to arrive.

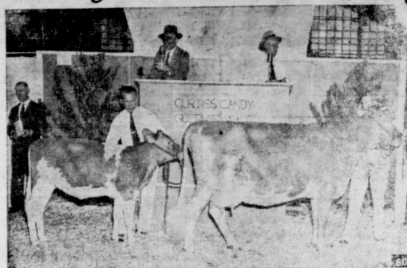

Some of the girls had forgotten the money for meeting before for the shells, so that was collected by the treasurer.

Our sponsor, Mrs. Williamson, asked some of the girls questions on their 4-H reports, and we discussed them.

CITIZENS WARNED ON USING MILITARY DRESS

New Orleans, Nov. —A friendly warning was issued today to fascists who might be wearing portions of armed services uniforms

Calf Brings Record Price at Guernsey Sale

CARY, ILL. — A new world's record was hung up at the Curtis Candy Guernsey sale when the six-months-old calf, Curtis Candy Noble Deborah, was sold for \$10,800. Purchaser was Mrs. F. L. Weyenberg of Thiensville, Wis., and consignor was Curtis Candy Company.

More than 3,000 Guernsey breeders attended the sale. Fifty pure-bred Guernsey cattle sold for a total of \$145,400, or an average price of \$2,908 a head. The cattle were consigned by leading breeders from 19 states and represented some of the most famous herds in the country. "Debbie," shown here with her dam, Quail Roost Noble Deborah, was sired by Curtis Candy Levity Chum.

without authorization.

The law provides a heavy penalty for any person not an officer or enlisted man of the United States Army, Navy, Marine Corps, or Coast Guard who wears "a uniform any part of which is similar to a distinctive part of the duly prescribed uniform" of the military services. Eighth Naval District headquarters said.

Basket Tourney Set at Farwell

Farwell basketball tourney will be held December 4, 5, 6, and 7, according to announcement of H. G. Clift, superintendent and Jack Williams, principal of the high school.

Both boys and girls games are to begin Thursday.

In the boys' division pairings for initial games are: Farwell vs. Lazbuddie; Friona vs. Bula; Bovina vs. Morton; Oklahoma Lane vs. Farwell "B".

Girls' teams are paired as follows: Texico vs. Lazbuddie; Friona vs. Bula; Oklahoma Lane, boys; Bovina vs. Hansville; Grady, N. M., boys; Farwell vs. Pleasant Hill.

Approximately 85 per cent of the veterans receiving self-employment allowances from Veterans Administration are farmers.

LETTERS TO SANTA CLAUS

Muleshoe, Texas, Box 283.

Dear Santa Claus:— I want you to bring me a piano, a baton, some molding clay, a ring, a locket and identification bracelet and a stove. Please bring my baby sister, Vicki, something too.

Your friend,
Janice Prather.

Box 842
Muleshoe, Texas
November, 29, 1942

It's Time to Check Roofs
OPEN a tight roof is blamed for water seepage when in reality the cause is loosened mortar in the chimney brickwork or corroded flashings and valleys. Moisture coming in through such openings has a way of running under the roof covering and eventually appearing some distance away.

If inspection shows the flashings and valleys to be at fault they can be painted with lead and oil paints or asphalt roof coatings. Dubious

spots can be cared for by a coat of asbestos roof putty. The chimney brickwork can be repaired in most cases by replacing broken mortar.

If the roof inspection discloses that new roofing is in order, it is advisable to use a fireproof material such as asbestos cement shingles. They require virtually no maintenance and will outlast the building itself. They will not burn and this eliminates the hazard of wind-borne fires, always a highly important consideration for any rural dweller. Being made of asbestos fibers and portland cement, they have a rigidity that enables them to withstand high velocity winds.

Dear Santa Claus:— I would like a telephone and a bracelet, water colors and a paint book, also any kind of nuts, and candy. I am four years old.

Love
Elaine Buzard.

Dear Santa:—

I am a girl seven years old. I am in the second grade. I have tried to be a good girl. I want a book and a ring and a jumping rope. Remember my mother and daddy and also my teacher please. Good-by now.

Martha Wuerflein
Muleshoe, Texas.

A few Santa Claus letters already have been received by The Journal, and these we have printed in the paper as they arrived. We will continue this policy, publishing letters to the old gent lest some should be left out if we wait until the last paper before Christmas. Send them on, kids, and we will do our best to transmit your message to Santy.

Mr. and Mrs. D. C. Rogers and daughter, Bethelene of Lubbock spent Thanksgiving day with her parents, Rev. and Mrs. S. A. Ribble.

QUESTIONS AND ANSWERS

Q.—If a disabled veteran completed his on-the-job training and is unemployed can he draw unemployment compensation?

A.—Yes. Under Public Law 346 (G. I. Bill), he may be entitled to readjustment allowance up to a maximum of 52 weeks provided he is able to, and available for, work at any time. Any prior periods used for such purpose would be deducted from his maximum eligibility.

Q.—May the wife or child of a veteran be granted hospital or domiciliary care by Veterans' Administration because of the relationship to the veteran?

A.—Admission to a Veterans Administration hospital or home is based on the service of a person in the armed forces and may be granted only to the persons who served.

Ham and Bacon Stacks Offer Luscious Treat

"For a special luncheon there isn't any better dish than Ham and Bacon Stacks," writes Marjorie Griffin, Rural Home editor of nationally-circulated Capper's Farmer.

"This luscious treat offers ham and pineapple slices rolled inside bacon, and in the middle of it all is a mashed sweet potato patty," she tells homemakers in the magazine read by 1,300,000 farm families."

HAM AND BACON STACKS

4 strips bacon 1/2 lb. ground ham
4 slices pineapple 1/2 c. mashed sweet potato

Cross two strips of bacon. Lay on one slice of pineapple. Shape the mashed sweet potato into 4 patties and the ground ham into 4 patties. Top each pineapple slice with a sweet potato patty and a ham patty. Fold over ends of bacon on top of each stack and fasten ends together with a toothpick. Place in baking dish. Bake in 350° F. oven for one hour. Serve while hot.

Plastics Brighten Home

Plastics are making their home entrance in everything from window screens to furniture upholstery. Tharen Petersen points out in nationally-circulated Capper's Farmer.

These adaptable synthetics will be seen in many forms. Some will be pressed into fine films, some made into thread to be woven into fabrics and some molded into thicker sheets, giving a leather-like appearance, she writes in the magazine read by 1,300,000 farm families. Molded plastics are being made into dishes, accessories, furniture and other parts for home equipment.

AD GOT RESULTS

"I received such good results from the ad you put in your paper that I sold the 1931 Ford coupe the day the paper was mailed," writes Joe S. Menefee of Muleshoe. Thanks, Mr. Menefee, try selling something else you don't need. These warrants really work.

Of the sport and sweat clothes: first place, Mrs. Gale Ho, Muleshoe club; second place, Mrs. W. W. Williams, West Camp club; third place, Mrs. W. M. Dudley.

The winners of the 4-H club girls' exhibits were: Skirts, first place, Peggy June Cummins; second place, Ivy Dell Evans; boys' play suits, Katherine Black; Dresser scarfs, Ivy Dell Evans; Tea Towels, Ivy Dell Evans; Pillow Cases, Ivy Dell Evans; Canned Foods, Katherine Black. An exhibit of good foundation

Karr Purchases Store in Sundown

R. L. Karr, former resident of Muleshoe, and R. L. Karr, Jr., a student of Draughon's Business College, have purchased a grocery store from George E. Taylor, former Muleshoe merchant, at Sundown, Texas. R. L. will finish school, and Mr. Karr will manage the store. The Karr's left Tuesday, December 3.

SINGS IN "THE MESSIAH"

Among the personnel of the group giving Handel's "The Messiah" in Fort Worth December 17 is Miss Ida Lou Glaze, of Muleshoe, according to announcement from Southwest Baptist Seminary, whose students are to give the famous oratorio. It has been presented by the Choral Club of Ft. Worth seminary for 26 consecutive years.

Earl Thomas and family of Oklahoma City was here this weekend visiting with the father, E. J. Thomas, and brothers.

From where I sit... by Joe Marsh

How to Stop Worrying

I guess folks in our town do about as much worrying as in yours—over housing and prices, and crops, and jobs—and the little domestic problems that are always coming up.

Dad Hoskins, who's lived to the happy age of eighty, has a simple formula for stopping worry. About every problem, he asks himself: Is there anything I can do about it? If there is, he never postpones making a decision, or taking necessary action.

If there isn't anything he can do he sets aside a "worrying

hour" after dinner, and gets his worrying over in one concentrated period. When that's over, he relaxes over a friendly glass of beer with Ma Hoskins—and they talk about pleasant things together, until bedtime.

From where I sit, that's a workable a formula as you could find... right down to the mellow glass of beer that seems to wink away your worries.

Joe Marsh

Plainview Men Visitors Tuesday

Muleshoe schools turned out en masse for the visit here Tuesday afternoon of the Plainview auto caravan which the Junior Chamber of Commerce sent to the four corners of the territory to pub-

lize Plainview's Santa Claus day, December 5. Alton Hale, Plainview shoe merchant, was in charge of the whole program for the celebration. Chip Elliott headed the delegation visiting here. Only 9 cars remained in the caravan, which had split up at Olton, so that all points might be visited in the time remaining.

Muleshoe school band, under the direction of H. A. Owens met the visitors. The entire student body marched to the downtown point where the visitors were received. A big fireworks display was one of the main features of the big Plainview program.

Thanksgiving At Longview

On Friday evening, November 29, a group of the Young People's Sun-School Class, met at the school house. A very jolly time was had by all. The auditorium was decorated in harvest motif; then a lot of games were played, and all enjoyed a chilli supper and singing. Those attending were: Wanema and Norene McKnight, Ray Lynsky, Jimmie Smith, Doa Marlow, Karl Dean Heard, Bernice Williams, Carolyn and J. B. Moore, Barbara Dee Shafer, Jessie Ray Carter, Katherine Black, Utah Groves, Glenna Miller, Kay Buzard, and Rev. and Mrs. Gerald Moore, Mr. Jim Moore, Mrs. Ira Kitchens, Mrs. Ulysses Cooper, Virginia and Geraldine and

Mr. and Mrs. Dudley Buzard, Jerry and Molly Ela.

Basket lunch Sunday after church services, the ladies, all of whom had brought well-filled baskets prepared a lovely dinner. The chief attraction of the meal was a huge turkey so nicely prepared by Mrs. Wallace Plunkett.

After dinner a short program was rendered by the children, and group singing was enjoyed by all.

Everyone is cordially invited to attend Sunday School, church and Training Union at Longview.

There will be a Christmas Parent and tree, Christmas Eve at the school house. The community is invited to be there.

Y. L. News

Mary John Cole returned to Abilene, Sunday, where she is attending McMurry, after having spent the Thanksgiving holidays with her parents, Rev. and Mrs. J. P. Cole.

A Thanksgiving program and supper was enjoyed last Thursday night.

JOY FOR A GREEK FAMILY

YOUNG MISS GREECE—and her sister, too—eagerly watch grand-mother Kakavias of Corinth open a Greek War Relief Association 35-lb. food parcel. Any American, like the generous person who helped the Kakavias, wanting to supply food to starving Greece merely sends \$12.75 to the Association in New York City and that night his order is telegraphed overseas. In a few days a hungry Greek family is eating nutritious, staple food. In addition to the parcel service, GWRA launches this winter a \$12,000,000 fund-raising campaign to build 40 health centers; to house and feed 275,000 war orphans; and to supply a warm, soonday meal to almost 2 million hungry school children.

Amarillo Group In Visit Here

Mr. and Mrs. Alvin Harper and daughter Sharon Sue, of Amarillo, spent Thanksgiving with her sisters, Mrs. J. E. Embry and Mrs. Leon Lewis.

Mrs. C. D. Hoover returned home Friday night from New York, where she visited her brother.

Mr. and Mrs. Wilterding and family and Chester Embry and Mrs. day dinner guests in the home of Mr. and Mrs. Raymond Geade.

Mr. and Mrs. C. D. Hoover were in Amherst, Sunday, visiting with relatives.

News Briefs

M. M. Simmons, of Frederick, Oklahoma, brother of Mrs. S. E. Goucher, who has been here hauling grain for some time, was joined for Thanksgiving by his family, who have returned home.

Mrs. Joe Crowley and children, of Amarillo are spending the week here with her parents, Mr. and Mrs. Will Harper.

Mr. and Mrs. Henry Clements and Mr. and Mrs. Fred Clements spent Thanksgiving in Tucumcari with Mrs. Henry Clements' parents, Mr. and Mrs. J. B. Dewees. The family had a reunion, 28 attending.

P. L. and Steve Payne spent the weekend with Irvin St. Clair. Their home is in Lubbock, where they and Irvin are attending Tech.

Mr. and Mrs. Cecil Harvey and family returned from Kerrville, where they visited with friends. It was Mr. Harvey's first visit there in 35 years.

Jo Panter of Post was here for the Thanksgiving holidays visiting with her aunt and uncle, Mr. and Mrs. C. M. Osborn, and family.

More than 900 veterans of the Indian Wars that ended 48 years ago were receiving Veterans Administration pensions on Sept. 30.

Amarillo Chamber of Commerce

"put it on the top shelf" Wednesday afternoon with a good will visit to Muleshoe of 100 top flight Amarillo business executives, traveling in a ten car special Santa Fe train. The visitors were met at the station by the high school band and many of the school children, and a large group of the adult population of Muleshoe and surrounding territory.

Among others on the train, this writer got the names of Frank M. Butler, well known Amarillo bank executive; Henry Reitman, manager of the Amarillo branch, International Harvester; Bob Epperson; Sam Elkins, of Texas M & M; Alvin Hill of Hill Motor Lines; Ted Lokvey, of Lokye Tire Co.; Charlie Gibson, assistant to the publisher, Amarillo Times; and C. F. Smith, the building contractor; and E. P. Dudley, assistant general manager, Panhandle & Santa Fe Railway.

This writer visited briefly with Mr. Gibson, who complimented the Muleshoe school band and the people of Muleshoe, saying Amarillo appreciated the very fine reception tendered them here.

In the ten car train there were 8 pullmans, 1 parlor car, and a baggage car. The group are on a four day good will tour. They spent Wednesday night in Clovis, then headed into the Pecos Valley of New Mexico, and were to wind up their trip Friday night.

The group was accompanied by a band from WTCS, Canyon.

Protect Soil By -

On the average 14 to 25 per cent of the annual rainfall runs off the cultivated land or collects in low spots in the field.

It is possible to increase crop yields up to 50 per cent and save tons of fertile soil by holding this water where it falls.

On dry land in this area, moisture at the proper time is the number one limiting factor in production.

If sufficient moisture is available and the average rainfall annually is approximately 18 inches, at the proper time, good yields are obtained. Conservation measures, properly applied, will aid in correcting the loss of run off water from fields.*

WAA Schedules Plainview Visits

Plainview (Special)—Rendering a new service to West Texas veterans of World War II, War Assets Administration will inaugurate a new schedule of visits by field representatives to Plainview for the first time Thursday and Friday, December 5 and 6, according to Harry McCain, Veterans County Service Officer of Hale County.

Arrangements have been completed whereby Houses E. Reardon from the Fort Worth WAA office will be on the second floor of the Hale County Courthouse from 9 to 12 and 1 to 5 each of these two days.

Veterans of not only Hale county, but also of Dickens, Lamb, Briscoe, Swisher, Motley, Parmer, Bailey, Floyd, Castro and Hall counties will find this of great value in obtaining factual data on current surplus property available to veterans. It will also enable a veteran desiring to obtain certification to present his discharge and complete the necessary paper work. Later in December, Melvin M. Calvin and James L. Adkins have a return trip scheduled to Plainview for Friday, December 26, following a Lubbock visit the 19th.

Later in December, Melvin M. Calvin and James L. Adkins have a return trip scheduled to Plainview for Friday, December 26, following a Lubbock visit the 19th.

Attacks Muscles Too

—112 acres, 2 sets of good improvements, big galvanized barn. I mean a large one, about five yrs. old, 900 acres of as pretty wheat as you will see, all summer tilled, all of this land has just been broke out about five years. Red loamy land, real row crop land, as good as the country affords. Can give good terms and possession, \$50 per acre. If you want a real farm, this is it.

—160 Acres all sowed in wheat and the wheat is pretty. Close to town, in the shallow water, REA line and priced at \$75 per acre. Possession.

—80 Acres, level as a floor, no improvements. Close in to town every foot will irrigate. \$75 per acre. Possession.

—32 Acres, improved and under irrigation. Priced to sell, on the highway. Possession.

—160 Acres, well improved all modern with lots of outbuildings, all good and new, all under irrigation, will all irrigate. This is one of the best 160 acres that I know of in Bailey County. Everything new and up to date. Priced at \$125 per acre, with possession.

—160 Acres, all in wheat and good, and level. Priced \$45 per acre.

—40 Acres, practically all level, with good terms. Priced at \$4,000. No improvements.

—480 Acres, 175 in wheat, rest in native grass. Big lot of it can be broke out, all good land. Priced at \$52.50 per acre.

—320 Acres, good five room house, all good red land. No Johnson grass. Will all irrigate. Priced at \$75 per acre, with possession.

—Two houses and two lots, priced at \$2,000 for the two, for quick sale.

We have several other better houses, also resident and business lots that would suit your need. Come in and see us, and give us your listings.

FOR SALE—Antiques, glass, china and silver, lamps. Mrs. Charles Leannu. 49-31c

visitors were H. H. Homaley, superintendent of Three Way School, Baker Johnson and Paul Carmickle of that neighborhood.

Another guest of the club was Meade F. Griffin, Plainview, a former district attorney, who commented the irrigation farmers of Bailey County upon their farming the Bailey County Water Conservation District.

Griffin discussed the proposal to regulate or control irrigation water use in the shallow water belt, saying he is opposed to any such regulation. He invited local people to attend a Plainview meeting to be held Saturday to discuss the situation.

SERMON SUBJECTS LISTED
Rev. T. G. Craft, pastor of First Methodist Church here said that he

Doctor Hails Sister Kenny Polio Method

Paying high tribute to Sister Elizabeth Kenny as a brilliant woman, Dr. John F. Pohl, prominent orthopedic surgeon and professor at the University of Minnesota Medical School, told the 1946 Annual Conference of Kenny Foundation State Chairman that those members of the medical profession who have seen her work are convinced she has discovered "a great truth" about polio.

Noting 100 chairmen and field directors from 25 states heard Dr. Pohl declare "something new has been added" to the old idea of infantile paralysis by Sister Kenny. Treatment in the United States, he added, has not been satisfactory and will not be until Sister Kenny's new concept is accepted generally. He said:

"According to the old idea of the disease as being purely and simply in the spinal cord, deformities were inevitable. All we doctors could do was repair the damage in the limbs after the disease had passed and left us a crippled child.

"Sister Kenny holds that the disease in the spinal cord is only a part of the picture. She believes it works on the muscles too, making them tense and stiff and painful.

"You cannot treat the spinal cord. But this condition in the muscles is a separate thing entirely and it is something which can be treated. When rightly handled, this treatment will cure the crippling and prevent practically all deformity."

Dr. Pohl, one of the first specialists in the United States to give Sister Kenny a hearing when she arrived here in 1940, has been medical head of the Kenny Institute since its founding. He is a graduate of the Harvard Medical School and studied abroad for some time before beginning his practice in Minneapolis.

"Speaking of 1,000 patients who have been treated at the Institute, he said:

"Some of the patients may be weak from paralysis, but they don't have the twisted spines, the shortened limbs and the wasting of muscles once so common when the disease was regarded simply as a paralytic condition."

Polio Not Recognized
He recalled that when Sister Kenny saw her first cases of polio in the Australian bush she did not know it was supposed to be a spinal disorder which could not be treated, adding:

"She treated what she saw and she saw painful tender muscles. The patient cried with pain and tended to get twisted up, to draw himself up in a deformed position. Everybody today knows the result of that treatment. Her patients recovered and they recovered without crippling or deformity."

From this, Dr. Pohl went on, Sister Kenny got her new idea of the disease as something wrong with the muscles, adding:

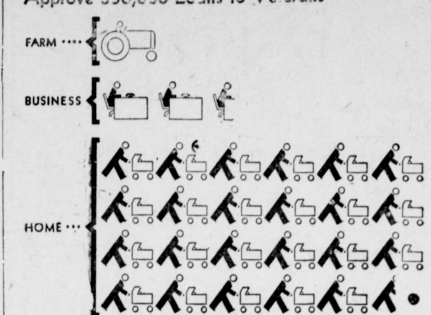

"She does not disagree with doctors who say infantile paralysis affects the spine. That is true. It does affect the spine and Sister Kenny knows it, but she says this idea does not go far enough. Polio also affects the muscles and if it is not treated in the muscles, it stiffens and hardens them, causing deformities. This, she says, is the serious part of the disease and this is the part that can be treated."

will preach Sunday morning on the subject, "Communism or Christianity, Which?" the coming Sunday morning. For his evening sermon he has selected as the subject, "Lamps Without Oil."

Veterans Administration is operating 24 former Army and Navy hospitals to meet the growing need

for hospital space.
ATTENTION, MOTHERS! If looking for a better remedy for Children's Chest Colds try Durham's Nu-Mo-Rub, the new Gualcol-Camphor treatment. Remember—Double the purchase price refunded if you do not find this Modern Chest Rub more effective —35c and 60c at

Approve 350,000 Loans to Veterans

Veterans Administration approved loans to Veterans near the 350,000 mark during September and, as was to be expected, the majority were for the purchase of homes. The total on September 30, as reported to VA by approved lending agencies, was 345,960. Each figure in the above pictograph represents 10,000 loans.

Air Freight Widens Farm Produce Market

Peaches, melons and other farm products being put aboard airline plane for quick haul to consumers.

A thriving new air freight industry crisscrossing the skies with cargo planes is opening a wider market to farmers for perishable products which need rapid transit to reach consumers in top quality condition. Clyde Zimmerman writes in an article in nationally-circulated Capper's Farmer.

In the last 2 years, tonnage cargo flown by plane has increased 600 per cent, he points out.

"Current trends indicate fresh fruits and vegetables, flowers, meat and baby chicks, already moving by air, will vastly increase in amount," he declares in the magazine read by 1,300,000 farm families.

Air freight is fast. New, larger faster-engineered planes will cut transcontinental schedules to 10 or 11 hours. This speed is expensive. Products hauled by air must sell at premium prices.

Current air rates, although still above those of surface carriers, are low enough so crops such as berries, lima beans, spinach, lettuce, tomatoes, cherries, cauliflower and melons are moving in sky vans from certain areas to Middle Western and Eastern cities.

Farmers can look to broader markets with air freight because consumers prefer vine-ripened and tree-ripened fruits and vegetables over those that ripen in transit," writes Zimmerman. "Eating quality and nutritional value of such products are higher."

Railroads may enter the air-freight business, Zimmerman says. A few railroads have already announced the organization of air-freight corporations as affiliated companies to engage in air transportation.

Eugene Roddam was home for Thanksgiving visiting with his parents, Mr. and Mrs. L. C. Roddam and family. He is attending school in Arlington.

Rev. and Mrs. C. E. Jamieson of Odessa, Mrs. Tommie Clements and daughter, Mary Elizabeth, and Mr. and Mrs. Elmer Jamieson of Carlsbad, and Mr. and Mrs. Ross

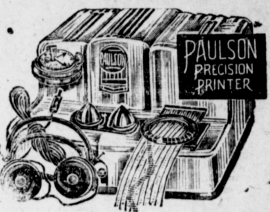

Byars and two sons of Pampa ate Thanksgiving dinner and spent the day with Mr. and Mrs. Noel Woodley and daughter.

Mr. and Mrs. Hillis Duncan and son are here visiting with his parents, Mr. and Mrs. Shorty Duncan. Mr. Duncan has accepted a job in New Mexico, and after a visit with her parents in California, she and the baby will join him.

Mr. and Mrs. E. H. Kennedy had as their guests Thanksgiving her brother and family, Mr. and Mrs. Ben Wofford and son, Bill Ben, Fort Worth; her father, W. B. Wofford, two brothers and families, Mr. and Mrs. Harry Wofford,

and Mr. and Mrs. Frank Wofford, all of Wheeler, and another brother and family, Mr. and Mrs. Craig Wofford and sons, of Lubbock.

News Briefs

Mr. and Mrs. J. M. Bowen were in Colorado Springs for a Thanksgiving visit with his mother, Mrs. J. M. Bowen, Sr., and a brother. Mr. Bowen's mother returned here with them for a visit.

Jack Cox, of Fry and Cox Bros., M-M dealers here, attended a school held at Lubbock for dealers of the district on repair subjects Monday and Tuesday.

W. H. Awtrey, Jr., spent the week end in the home of his parents, Mr. and Mrs. W. H. Awtrey, Sr. He is operating a Texaco station on 19th street in Lubbock.

GUESTS AT THANKSGIVING

Mr. and Mrs. W. H. Awtrey, Sr., had as guests in their home Thanksgiving, Mr. and Mrs. G. W. Bryant and daughter, Justine of Clovis, Mrs. E. T. Ward, a sister of Mrs. Awtrey, and her mother, Mrs. Eula Bryant, both of Portales, and a niece of Mrs. Awtrey's and husband Mr. and Mrs. Elie Thomas of Clovis.

Miss Helen Warner, David Weyer, Mrs. Fred Johnson, and Jim and Reald Johnson, were Sunday guests of Mr. and Mrs. Cecil Davis.

Mr. and Mrs. R. D. Kluttjng of Alamo, N. M., visited with her aunt and uncles, Mr. and Mrs. Cecil Davis, and J. O. Guess, and grandparents, Mr. and Mrs. G. T. Guess, over the weekend.

Mr. and Mrs. Cecil Davis had as Thanksgiving guests her brother, Mr. and Mrs. Carl Guess and children of Clovis, also Mr. and Mrs. Johnny Dowd and daughter. They all attended the football game at Littlefield Thanksgiving day.

Lew Jenkins was in Muleshoe, last Friday, enroute to Chicago, visiting his brother, Pete and Jean, and friends.

Mrs. Easter Jonas and small daughter, Lavonne, of Albuquerque, are here visiting with her parents, Mr. and Mrs. R. T. Tibbets and other relatives.

Mr. and Mrs. E. J. Calloway, Jr., of Jalisco, N. M., spent Thanksgiving day here with her parents, Mr. and Mrs. L. R. Hogan.

Mr. and Mrs. Boyd Burelsmith left today for Ft. Worth, where Boyd will attend a refrigeration school.

Mr. and Mrs. J. F. Shivers of Vernon, were here for Thanksgiving, visiting with her parents, Mr. and Mrs. Edd. Burelsmith and family.

Mr. and Mrs. James Crow spent Thanksgiving in Lubbock with relatives.

MR. AND MRS. CURTIS ALFRED BRASHER

Farley-Brasher Wedding is Pretty Home Ceremony

The marriage of Miss Mary Frances Farley, daughter of Mr. and Mrs. John Henry Farley, of Muleshoe, and Mr. Curtis Alfred Brasher, son of Mr. and Mrs. C. A. Brasher, of Plainview, was solemnized at 2:00 o'clock, Saturday afternoon, November 30th, in the home of the bride's parents.

The double ring service was read by the Rev. Horace Brooks, under an arch of gold and white ribbon and wedding bells, flanked on either side by tall baskets of gold and white gladiolus.

Proceeding the ceremony, "I Love You Truly" was sung by Mrs. Mary L. Pinson, of Dora, N. M. She was accompanied at the piano by Mrs. Anita Butler of Muleshoe, who also played the traditional wedding marches, processional and recessional and "Clair de Lune", very softly during the exchange of vows.

Miss Joan Laney, of Plainview, maid of honor was attired in a blue suit with black accessories and a corsage of white carnations.

Mr. Virgil Brasher served his brother as best man.

The bride, given in marriage by her father, was very attractively attired in a suit of royal blue,

white blouse, black accessories and a corsage of white carnations. She carried a white Bible. For something old and borrowed, she wore a diamond cluster, belonging to her mother, which was her maternal great-grandmother's engagement ring.

Mrs. Farley chose, for her daughter's wedding, a black crepe dress with matching accessories and a corsage of white carnations.

Mrs. Brasher, mother of the bridegroom, wore a light blue suit with black accessories and a white carnation corsage.

Following the ceremony, a reception was held for relatives and intimate friends of the families.

Mrs. Joel Sewell, of Plainview, presided at the punch bowl and Mrs. Bryan Booth, of Muleshoe, served cake, from the lace-covered center table, centered with an arrangement of golden chrysanthemums, lighted tapers and a three tier wedding cake, topped with a miniature bride and groom.

The bride, a graduate of Muleshoe High School, attended Lipert's Business College, and at the time of her marriage, was employed in the office of West Texas Gas Company in Plainview.

The groom received his education in Waco, Texas, and served with the Merchant Marines, in World War II.

For traveling, the bride wore a

black suit with accessories of fuchsia.

After a trip to Houston, Galveston, Austin, San Antonio and other points of interest, the couple will be at home in Plainview.

Bates - Eubanks Vows are Spoken

Miss Winona Bates, daughter of Mr. and Mrs. W. W. Bates, Sudan, and Mr. Hoyt Eubanks, son of Mr. and Mrs. Neal Eubanks, of Marysville, Kans., formerly of Muleshoe, were united in marriage Saturday, November 30, in the home of the Church of Christ minister at Portales, N. M., in a double ring ceremony.

The bride chose a light grey suit with black accessories, with a corsage of white carnations for the ceremony. She was accompanied by her sister, Miss Wanda Bates, as maid of honor. Miss Bates wore a brown suit with brown accessories and a corsage of white carnations. Allan Harris was best man.

Mrs. Eubanks graduated from the Muleshoe high school with the class of 1946, and worked in Amarillo until the first of November.

Mr. Eubanks graduated from New Boston high school in 1944. He attended Draughons Business College at Dallas for a time, then joined the Navy, in which he served nine months.

The couple plan to make their home near Marysville, where his parents are now living, and are to leave here Monday, December 9.

Crusader's Class Enjoyed Turkey

The Crusader's Class of the Methodist Church enjoyed a turkey dinner Tuesday evening, November 28. The dinner was served in the home of Mr. and Mrs. Jim Burkhead. Guests were served from foursome tables, decorated with autumn berries. Individual corsages also carried out the color

scheme.

Following the dinner, the following guests enjoyed an evening of fellowship and games: Messrs. and Mesdames Jim Burkhead, Pershing Busbee, Cecil Davis, Byrl Wingo, Dean Awtrey, J. P. Hallmark, J. T. Shafter, Foy Langford, Gale Holt, Homer Sanders, Jr., David Anderson, J. E. Day and Rev. and Mrs. T. G. Craft.

Dinner Given In Gaede Home Sunday

Mr. and Mrs. Francis Gaede entertained Sunday with a Thanksgiving dinner, honoring Bruce Horsley, Turkey was served to the following guests:

Mr. and Mrs. Robert Kimbrough and family, Mr. and Mrs. Finis Kimbrough and family, Mr. and Mrs. Earl Sybert and family, Mr. and Mrs. Chet Horsley and family, Mr. and Mrs. J. S. Horsley, Mr. and Mrs. Francis Gaede and family, Miss Juanita Smiley, Mr. and Mrs. R. G. Horsley and family, Mr. and Mrs. Skippy Winn, Mr. and Mrs. Frank Prather, Mr. and Mrs. Babe Prather and family, Charlene Prather, and Carroll Howell of Muleshoe; Mr. and Mrs. S. E. Morris of Farwell, Mrs. Vera Williams, and Mr. and Mrs. K. O. Pitner and family, of Snyder.

Evelyn Mueller And Arthur Slater Wed

(From Lubbock Avalanche)

Announcement of the marriage of Miss Evelyn Mueller and Arthur Wilton (Bill) Slater which took place in the Watson Baptist Church Nov. 17 is being made by the bride's mother, Mrs. Albert Ellis, of Baileyboro. The couple is at home near Lubbock.

The bride was given in marriage by her uncle, Edwin Neutzler, and her maid of honor was Miss Esther Marie Landtroop of Baileyboro. E-

gene Bond of Justin was best man. A wedding dinner was served at the home of the bride's grandmother, Mrs. A. J. Neutzler, following the ceremony.

The bride is a graduate of Bula high school and Sul Ross Teachers college. The bridegroom is a graduate of Cooper high school and served five years in the Army Air Forces.

ANNOUNCES PIANO RECITAL

Mrs. Clyde Holland announces a recital of sixteen of her piano pupils to be held at the high school auditorium next Wednesday evening at 8 o'clock.

Mr. and Mrs. E. B. Dennis, Richard and Carolyn, of Lampasas, were here this week end visiting friends.

Anniversary of Morton Auxiliary Is Celebrated

The Ladies Auxiliary, Morton No. 28, met in regular session last Friday night, with good attendance. One new recruit was mustered in. The Auxiliary was celebrating its first anniversary. The president, lady Thelma Gage, presented the lodge with a nice set of dishes, as her anniversary gift and showing her appreciation for the splendid cooperation of the entire membership during her term.

We were badly in need of dishes for the lodge so the set, consisting of 50 plates, 50 cups, and 50 glasses were very deeply appreciated. A picnic lunch was enjoyed by all, the menu being chicken and dressing with all the trimmings. The

Auxiliary will meet again 2 weeks from this date - we will be looking for you there.

—Your reporter.

Progress Club

Tuesday Dec. 3 the Progress home demonstration club met in the home of Mrs. Harold Mardis for the election of officers.

With Miss Elzada McMahan presiding, the club joined in singing of several songs. Mrs. Albert Davis led the devotional prayer.

Plans were completed for two farm sales and the Christmas party was discussed.

The parliamentarian, Mrs. Albert Davis presided during the election of officers. The following were elected: President, Mrs. Raymond Brown, vice-pres. Mrs. J. Simnoch; sec-treas. Mrs. Richard Smith;

council delegate, Mrs. Ross Goodwin; reporter, Mrs. Gordon Murrain; and parliamentarian, Mrs. Albert Davis.

Following the business meeting, Mrs. John Sooter was presented a lovely pink and blue shower. Several who were unable to attend sent gifts.

Delicious frozen fruit cake, Hi-Ho snacks, with coffee and cocoa were served by the hostess, Mrs. Mardis to the eighteen members present.

The Christmas party will be in the home of Mrs. G. T. Maltby on December 17 at 2:30 p. m. Pollyannas will be revealed and new names drawn. Those who do not have pollyannas will bring a gift to be exchanged.

Mr. and Mrs. Robert Trapp and Misses Claudine Trapp and Margaret Aday visited friends in Portales Sunday.

R. L. Clark Mustered Out Of Service

Pvt. R. L. Clark has returned home after spending about two years in the Army. Clark received his discharge Nov. 23. He and Ida Pearl Wagon were married August 12, 1946. Mrs. Clark has been attending Muleshoe high school while Clark was in the service. The couple plan to make their home in Ropesville, Texas, where his parents are now living.

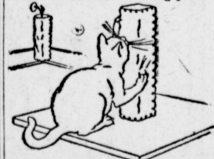

FIXING UP the HOME

By Diane Greizer

KEEP KITTY HAPPY

THE companionship of a cat or kitten in the home is sometimes marred by the animal's destructive habits. Cats have a natural urge to keep their claws very sharp and a fine oriental rug or a good heavy piece of upholstery material makes a very fine sharpening surface. It is a little hard, however, on the furniture.

Give kitty a good sharpening post and a training course and your troubles are over. You can make one of these "clawing posts"

very easily with a piece of 4" by 4" lumber about 18" long, a piece of old carpet large enough to cover the post and a handful of catnip. You will also need, as a base, a piece of one inch board large enough for kitty to sit on when clawing.

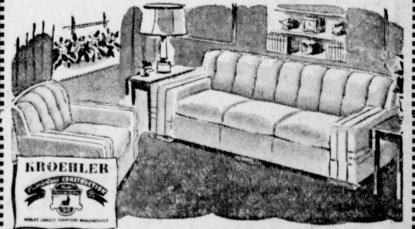

Nail the post to the center of the base, tack the carpet neatly on the post with the catnip inside the carpet and the job is done. Then, every time kitty puts a paw threatening toward a chair or rug, pick him up and take him immediately to his new toy. If he is watched carefully for about a week and punished each time he errs, he will soon give up his destructive habits. If you have little room for a post like this large base, put a hook in the top and hang it in a corner of the kitchen.

Mrs. J. D. Vaughn and daughter, Mrs. Goldie Roberts and children returned home Wednesday after a two weeks visit in Oklahoma, where they were joined by Mr. Vaughn Saturday, when he received word that his mother was seriously ill.

Bula School News

Senior News

The Seniors will soon be starting to work for the publication of the annual. We played a ball game last Thursday night at Morton. The "A" girls beat Morton 8-6, the "B" boys lost to Morton 29-20. The "E" boys and girls won their games 8-6 and 13-5 respectively. These games were at Morton. The Morton Indians will meet the Bula Bulldogs in a return game at Bula Tuesday night, November 28. We are expecting a good crowd and the seniors are going to sell pop and candy.

Junior News

One of the highlights of this six

weeks was the open house given by the homemaking I. and II. girls. Mrs. Crosby was in charge. The program for the evening consisted of various reports given by the girls. Charlotte Hall gave a report on Good Group Relationship. Tommie Ann Bogard gave a report on Co-Operation and Edgar A. Guest's poem "Home." Anita George made a report on Our Program for the Year. Joyce Daniels made a report on Quick Breads. The main attraction of the evening was the photographer taking shots of the mothers and the tables before refreshments were served. The tea table, in white, was accented with a beautiful autumn centerpiece, which consisted of

products of the autumn season. This array of colors made a pleasing background for the photograph.

Refreshments — cocoa, cream cheese sandwiches, olives and carrot curls, orange nut bread, and varieties of cookies were prepared by the Homemaking II. girls.

All in all the evening was very successful. We have studied very hard this six weeks, and all have made satisfactory grades.

The cast for the coming Junior Play, "Gone With the Girls," has been selected. They are as follows: Grandpa — Douglas Cash Marge, eldest of the Capp sisters — Helene Adair Doris—next in line — Doris Alford Eve the baby of the family — Aleone Altman Sonny—the one and only son — Emmett Thomas Alecia—ambitious mother — Anita George Ora, the maid — Thelma Angel Gregory Thatcher Van Stael a socialite — J. C. Snitker Lenny Fair, the nurse — Virginia Tanner Benny Ware, an actress — Dena Richardson Captain O'Malley, of the police — Wendell Lee Speck

This play will be given the 19th of December at the Bula High Auditorium.

8th Grade News

This year the eighth grade has maintained a perfect attendance re-

cord for 58 consecutive school days. We feel that this is a great accomplishment for a class of members to come to school for that long without missing a day.

This week, we are sorry to report that Kenneth Holliday has been taken ill with a bad case of flu, and was in the hospital, but has returned home, and hopes to come back to school in a few days.

David Clevenger was chosen the best citizen in the class for this week.

—Jean Alford, Reporter. Sophomore News We have just put another six weeks into the past, but we hope we have learned something that will help us in the future.

We are going to play Morton tonight, Tuesday, November 26, at Bula.

We have a new boy in our class, and are proud to receive a new student. His name is Donald Joe Cox.

We are sorry to say that no one in the sophomore class made the honor roll this six weeks. Maybe we'll try hard and make it this next.

—Tommie Bogard, Reporter. Freshman News

The Freshman class has been very busy the past week studying for those exams. Today, we are to face the dreaded moment when we are to receive our report cards. The following are to be on the honor roll which has an average of ninety or above.

Last week the high school elected the most popular girl and boy for the year. Beatrice McBe and Emmett Thomas were chosen. Their escorts were Harold Layton and Helene Adair. These were announced at the sock supper, which was held at the school house last Friday night.

The next six weeks we are going to work with a greater determination, and hope to accomplish more than we did last six weeks.

What ADEQUATE WIRING means to you

Every year you depend more and more on low cost electricity to bring you more convenience and economy in your home and place of business. As new appliances and other aids are developed, you use electricity more and more. You improve your lighting, too.

To have electricity accomplish these many tasks successfully and efficiently you should provide ADEQUATE WIRING.

- ADEQUATE WIRING MEANS**
1. enough circuits
 2. large enough wire
 3. enough outlets and switches

When you build or remodel your home call on your Public Service Company for help in planning your Adequate Wiring System.

Adequate Wiring Simply Means

- ENOUGH CIRCUITS
The first step in the center of electrical service in your home. Circuits should branch off from it to each center of electrical use or side roads, branch off from a main highway.
- LARGE ENOUGH WIRE
The wires in your home can be likened to the branches off a tree each must be large enough to bear the weight it must carry, or service the appliance or lights to which it will be connected.
- ENOUGH OUTLETS AND SWITCHES
Each room in your house should have enough outlets and switches to provide service for every appliance. Light you have these now, or expect to have in the future. It's hard to have too many, easy to have too few.

Mrs. Clyde Knight nurse has returned to duty after a visit in North Dakota with her parents.

Explosion Victims Are Recovering

Condition of the five persons injured in last Tuesday's explosion, which destroyed the Muleshoe postoffice, was said to be satisfactory today. One, Gil Wollard, is at home.

Still receiving treatment at Green Hospital and Clinic are Mr. and Mrs. A. J. Gardner, Mrs. W. B. McAdams, and O. B. Troutman.

Mostly Static --

By Berry

Howdy Folks! Christmas is nearly here! Do your shopping early, or you'll do it surly!

This season we all complain of high cost of living.

Christmas is the time when we get the kids something for father to play with.

It's a time when we all want our pasts forgotten and our present remembered.

When Christmas comes, bills cannot be far behind.

And it's the time when only Santa can go around all night with an old bag and not be talked about.

It's also the time when we would like to sell you those Christmas presents you plan to buy.

We have many items that will make beautiful gifts . . . Come in and look them over.

Kitchen Convenience

A hopper designed for the lower part of a kitchen cabinet makes washbasin tending a thing of the past in Mrs. E. Meyers' kitchen in Wood County, Ohio, points out nationally-circulated Capper's Farmer. It connects by chute with the basement fuel bin.

New Kaiser Auto Received Here

New, advanced body lines, unprecedented seating width and increased visibility are features of the new 1947 Kaiser Special automobile now on public display here for the first time at the Speer-Layne Motor Co. Careful attention to the factors which will provide passenger safety and comfort has been given in designing the automobile, a product of Kaiser-Frazer Corp. The new 100-horsepower car is a full-size, six-passenger automobile with a wheelbase of 123 1/2 inches.

A major achievement in passenger comfort has been gained in the new automobile by location of the rear seat well forward of the rear axle and wheel housings, so that all passengers are seated in to best riding position. The advanced location of the rear seat provides greater space in the rear luggage compartment, and has made possible unsurpassed width of seat cushions, 62 inches both front and rear.

Increased visibility has been provided by moving the front pillar posts back, increasing the angle of 765-square-inch windshield, and providing greater side vision for the driver. Exceptional rear vision is provided, too, by the 44-inch wide rear window.

Mechanical features include an all-steel body with safety glass throughout, and a rigid box-type frame, large self-centering brakes and extra wide wheel rims which provide steering safety and stability on turns at high speed.

Mr. and Mrs. Vance Wagon and Sondra left Tuesday for Hot Springs, N. M., where Sondra will enter the Carrie Tingley hospital.

Mr. and Mrs. Joe Crowley and children of Amarillo, spent the weekend with her parents, Mr. and Mrs. Will Harper.

Postoffice In New Quarters

Dolph H. Reeves recently of the Lubbock postoffice, has been placed in charge of the Muleshoe postoffice during the incapacity of Postmaster A. J. Gardner, injured Tuesday of last week in the explosion.

Another man from the Lubbock postoffice, Glenn Ridge, has been sent out as a temporary clerk to serve during the emergency. Both are experienced men, and were sent here by the Postoffice Department.

The explosion injured five regular employees of the local postoffice.

Announcement concerning the personnel was made by V. E. Bell, Lubbock postoffice inspector, who

has been here at all times since the blast. Another inspector, on special work, and in charge of quarters and equipment, leases, etc., is here assisting Bell. He is L. G. Bragdon, of Fort Worth, a veteran of the postal service.

Meanwhile the postoffice has been moved to the Hamover building on South Main, and is gradually getting back to normal so far as mail service is concerned. Employees have worked long hours to bring order to the postoffice.

USO Drive Going Good On Plains

Northwest Texas with twelve "over the top" counties is maintaining its lead for successfully completed drives in the Texas USO campaign. Col. Carl L. Phinney, announced in Dallas today.

This week five counties were added to the list which already includes Castro, Motley, Ochiltree, Throckmorton, Childress Wichita and Roberts counties, Colonel Phinney said.

The new counties and their chairmen are Farmer, H. C. Overstreet, Farwell; Floyd, Cecil H. Hood, Floyd; Baylor, O. C. Harrison, Seymour; Hemphill, Tom Abraham, Canadian; Swisher, J. Ross Noland, Tulsa.

The Texas USO campaign has now reached the half-way mark with 53 per cent of its quota raised, Colonel Phinney reported. Ten Community Chests which included USO in their quota have successfully finished their campaigns, and 30 separate USO drives have turned in compiled reports.

The campaign throughout the state is off to a slow start as the appeal in many communities will not be made until January or February of 1947 because of con-

flicting drives at the present time, the USO state chairman said.

"We are confident, however, that Texas will not fall in this important project. Texas' share in the \$19,000,000 National USO goal for 1947 is 800,000. Texas' men among the million and a half still in the hospitals, overseas or beginning training approximate 125,000. We cannot let them down." Colonel Phinney said.

800 BALES ARE GINNED
Census report shows that 899 bales of cotton had been ginned in Bailey county to November 14. This compares with 487 bales ginned to the same date last year.

CLUB CHRISTMAS PARTY
Watson home demonstration club will have its Christmas party in the home of Mrs. Dan St. Clair, December 11, at 2:30. Everyone is invited.—Mrs. Dave St. Clair, president.
