

THE MULESHOE JOURNAL

Dedicated to the Progress and Development of Bailey County and the South Plains of Texas

TWENTY-FOURTH YEAR, No. 40

MULESHOE - COUNTY SEAT OF BAILEY COUNTY, TEXAS

THURSDAY, OCTOBER 3, 1946

Mr. Muleshoe

Lanham Higginbotham: "Let everybody pitch in a half dollar every time our Yellow Jackets win a ball game. At the end of the season we would have a nice fund to give the boys a real banquet, trip or whatever the authorities think would be appropriate. I will do the collecting myself, if it meets approval."

Homey Price: "Write an editorial warning people about getting too close, or even out upon the playing field. Some player is going to get a broken leg, or we are going to have our team penalized if we don't quit it."

This column has not given its full approval, as yet, to one of our best sellers, a Revised Standard Version of the King James translation of the Bible, which has in its first six months sold to the tune of 800,000 copies.

For, even though this writer is only a cursory reader of the Book, it seems that the modernized, Americanized version loses something of the spirituality, something of the "good reading" quality of the older language. For instance, observe changes made in this verse, Acts 17:23 (Paul speaking):

King James version: For as I passed by and beheld your devotions, I found an altar with this inscription, TO THE UNKNOWN GOD. Whom therefore you ignorantly worship, him declare I unto you.

Revised Standard Version: For as I passed along, and observed the objects of your worship, I found also an altar with this inscription, 'To an unknown god.' What therefore you worship as unknown, this I proclaim to you.

In the next verse we read: 24. God that made the world and all things therein, seeing that he is Lord of heaven and earth, dwelleth not in temples made with hands:

And this has been revised to read: 24. The God who made the world and everything in it, being Lord of heaven and earth, does not live in shrines made by man:

Wow! Said the smart aleck. When the Yellow Jackets play the Hornets, somebody is going to get stung! There seems to be no limit to the things an editor has to listen to.

And I told you about that paving program. A story about it is in this week's paper for all to read, as I promised last week. It's "good news tonight" Turn and read it and see how it applies to you.

Farm Bureau Elects Officers

The Bailey County Farm Bureau Association elected officers at a county wide meeting held in the district court room here Monday night, Sept. 30. W. R. Carter, Longview community was elected president and W. L. Key, West Camp community was chosen secretary-treasurer.

W. R. Tilson, director for district 2, and R. V. Edwards, state organization supervisor, of Waco, were the principal speakers.

The district meeting of the Farm Bureau is to be held at Lubbock Hotel, in Lubbock on Wednesday, October 9, beginning at 10 a. m. It was decided to urge as many as possible of the Bailey County members to attend this meeting, and it was suggested that at least one car load from each community should attend. Since all communities were not represented, individual members are urged to go, so that their community will be represented at the important Lubbock meeting.

Some of the principal speakers at the Lubbock meeting will be Hon. George Mahon, Congressman from this district, J. Walter Ham-

Tough Tussle Seen For The Yellow Jackets At Sudan Friday Evening

Numbers Assigned

Muleshoe fans, here is a list of Yellow Jackets, together with their identifying numbers

NAME	NO.	POS.
Farrill	31	Back
Moore	30	Back
Huff	25	Back
F. McCarty	23	Back
St. Clair	33	Back
Lowry	23	End
Winn	36	Center
Garrett	26	Guard
Barnett	34	Tackle
Tibbets	29	End
Gess	32	Tackle
Tiller	39	Tackle
Griffiths	35	Back
Lawyer	21	Back
W. McCarty	24	Back
Gardner	38	Guard
Preure	22	End
Bryant	27	Guard

Muleshoe's badly crippled Yellow Jackets take on their hardest game of the season to date when they meet Sudan's Hornets under the lights there Friday night. On the eve of the game, fans learn that Wiley Moore definitely will not play.

The star back has a busted leg, received in the Otton game last week. With Farrell as running mate, Moore has given the opposition the jitters all season. Bill St. Clair, hard hitting blocker and tackler may play for short periods.

Eugene Huff, another starting back, will move to Moore's slot at tailback and Herbert Griffiths, utility man, will step into Huff's place at fullback. Fuston McCarty at wingback and Arlo Farrell at quarter will complete the backfield.

Starting in the line will be: Post Lowry, left end; Jim Bickel, left guard; Jack Baker, left tackle; Perry Winn, center; Bill Garrett, right guard; Don Barnett, right tackle; Glen Tibbets, right end.

Coach James A. Beam is expecting Sudan to shoot the works in an effort to get by Muleshoe in their first conference game. Sudan has beaten Springlake, but took a loss last week at Seminole. Beam says the latter team is plenty tough, so the Hornets' loss there doesn't mean so much.

A very big crowd is expected for the stadium, because the Sudan fans will be augmented by practically the entire sports loving roster of the Muleshoe countryside.

Substitutes included: Don Bryant, Dewitt Tiller, Bill St. Clair and Herbert Griffiths.

Harris Elected C. C. Secretary

Marion F. Harris has been elected secretary of the Muleshoe Chamber of Commerce on a paid part-time basis. Harris, who is representative here for the Southwestern Life Insurance Company, will maintain chamber of commerce headquarters in his office.

Harris is experienced in chamber of commerce work and has been offered full time jobs in several larger towns. He has selected Muleshoe as his home and accepted the local work only because he felt he could be of service to this territory in that capacity. Since coming to Muleshoe he has been active in the Lions Club, Chamber of Commerce, and American Legion. Mrs. Harris is a teacher in Muleshoe schools.

The Chamber of Commerce has been reorganized under a constitution and by-laws recently adopted. Charles Lenuu is president and Glenn Rockey is vice-president. At the meeting Friday the body elected Roy Holland, and J. M. Forbes as directors, completing the official list. The three others mentioned above are also directors, making five on the board. Holland is manager of the Southwestern Public Service and Forbes is editor of The Journal.

A membership campaign is to get underway in the next few days, with the objective of enlisting all business firms and professional men and women in the organization.

C. C. Member Drive To Begin Friday At Noon

About twenty teams of business men will take to the field in the next few days in a campaign to enlist every business and professional woman in town in the Muleshoe Chamber of Commerce.

Charles Lenuu will hand a list to ten teams of two at the Chamber of Commerce, and these teams will proceed in the following week to contact all on their lists.

A list of nearly two hundred men and women was compiled Monday night at a meeting of the board of directors. This list was compiled from old members and from records of new citizens and firms in the city.

The body decided to have a membership fee of \$2 a year or \$1 a month in order to have as large a membership as it is possible to get.

High School Students Entertained Lions

Waneen Beller, accompanied by Billy Don Barbour, entertained members of the Lions Club at their Wednesday luncheon, singing "Sentimental Journey" and "I'm A Big Girl Now". As an encore she sang "Doing What Comes Naturally". The two, who are high school students, were guests of Pat Bobo, in charge of the program.

Boar Show Winners

In the boar show, winners, type of hog; and awards were: First, Clifford Mardis of Muleshoe, Bailey county, Poland China, \$35; second, Elton Farley of Lamb county, Duroc Jersey, \$30; third, Ben Mac Dopper of route 2, Dawson county, Duroc Jersey, \$27.50; fourth, Donald Carpenter of route 2, Post, Garza county, Poland China, \$27.50; fifth, Wayne Hickey of Lubbock county, Poland China, \$25; sixth, Billy Lee Dillard of Roaring Springs, Motley county, Poland China, \$25.

Certificates Presented

Certificates of award were presented to the boys by W. C. O'Mara, manager of the local Sears store, who complimented the boys highly on their program with pigs. O'Mara also sponsored a barbecue lunch at noon.

Winners in the gilt show, type of pig exhibited, and awards were: First, David Stovall, Jr., of Muleshoe, Bailey county, Poland China, \$35; second, Doyle Redding of Roaring Springs, Motley county, Poland China, \$30; third, Wayne Hood of route 2, Plainview, Hale county, Poland China, \$27.50; fourth, Glyn Baston of Ackery, Dawson county, Duroc Jersey, \$27.50; fifth, Jimmy Burgess of Earth, Lamb county, Duroc Jersey, \$25.

City Paving Program Announced

City County Library Getting Many New Books

Longer hours for the City and County Library, located on the first floor of the courthouse, have been arranged to accommodate school children as well as others who wish to use this public institution.

Hereafter the library will be open from 12 noon until 5 p. m. each week day including Saturday, according to announcement of Mrs. Charles Lenuu, who has been appointed to represent the Muleshoe Study Club, sponsors, in direction of the library.

The library is supported by both city and county, which pay the librarian's salary. Mrs. Jessie Wright is the librarian.

Membership cards in the library are 75 cents a year; 50c pays for six months; and 25c for three months.

Reestablishment of the rental feature of the library was announced by Mrs. Lenuu. A number of new volumes, including some of the best of the recent novels, will be found on the shelves of the rental section within the next few days.

A list of new titles in this department will be carried in this paper when the volumes arrive.

Books will rent for 10 cents for 3 days; after that the cost will be 3 cents per day additional.

City Valuations Show Increase

Valuations of Muleshoe property for city tax purposes totals \$1,553,977 for this year, compared with \$1,231,422 valuations for last year, city officials announced.

At a recent meeting they set the city tax rate at 88 cents on the \$100 valuation, the same rate as that for last year.

Valuations increased 26.2 percent. Estimated revenues from taxes will be \$13,200.

The city owns its water and sewer system and derives revenues from its customers. Taxes are just about sufficient to maintain a sinking fund for payment of bonds voted in the past, while revenues from the water and sewer system meet other expenses of the city government.

When the present \$150,000 in bonds was voted the city then had a bonded debt of \$50,000. The \$100,000 bond voted for improvement and extensions to the water and sewer system will be repaid from city revenues.

A new 100,000 gallon reservoir has been completed and new water mains have been laid to the wells, to give the city a more abundant supply of water. Many parts of the city are getting sewer service now for the first time.

Younger Boys In Football Practice

Material for future Yellow Jacket football teams is being trained now, with the organization of a squad from boys of the seventh and eighth grades, who are working out every day. Talmage McKelip, who was forced to withdraw from football because of his health, is coaching the younger boys.

Coach James A. Beam said nearly 50 boys are turning out for practice, and they have been issued some football togs to make things seem more realistic.

The coach hopes to make a game for these youngsters with a neighboring school before the season is over.

Farm Sale IS SET OCTOBER 9

Farm sales are beginning in the Muleshoe territory. Lee Amerson, who resides 7 1/2 miles north, 1 1/2 east of Muleshoe, this week announces a sale to be held at his place on Wednesday, October 9.

Mr. Amerson will also offer his farm, consisting of 100 acres well improved, at public auction.

A list of fine dairy cattle is carried in the sale auction. The auctioneer, Col. W. D. Wanzor, said Mr. Amerson has some of the finest cows he has seen.

There are 16 head of hogs, one horse, chickens, farm implements, household goods, and many miscellaneous items offered in the sale.

The sale will begin at 10 a. m. Y. L. ladies will serve lunch at noon and there will be free coffee.

Streets To Be Improved In 3 Block Units

Members of the city commission this week announced they have completed all preliminary details and are ready to pave as many as 25 blocks of city streets.

They said arrangements have been made for financing the cost to any property owner over a period of four years. Payment may be made in five equal installments, with the first constituting the down payment.

Paving will be done in units of three blocks, and units must join up with existing pavement or with pavement to be laid in this program.

The commission said cost for 30 foot paving will be \$3,000 per front foot for east and west streets and \$3.50 per front foot for north and south streets. This cost will include construction of curbs and gutters.

Provided blocks proposed for paving hook up with existing paving or with other blocks to be paved under the program, units will be booked for paving by the city commission on a "first come, first served" basis.

Members of the commission hope that the property owners will put on at the same time, a continuous sidewalk paving program. They pointed out the entire lack of continuous paving from the residential district to the business district. Probably such a program could be carried out simultaneously with the paving program at a saving to the property owner.

The local paving program will be put into operation shortly after the first of the year, probably about the time of the county paving program recently voted.

Clifton Griffiths Now Associated With Elevator

Clifton C. Griffiths has become associated with his father, Ray Griffiths in the operation of the Ray Griffiths Elevator here.

Mr. and Mrs. Griffiths, who have been living in Houston, arrived home Wednesday to make their home here. Clifton has been connected with Ernest & Ernest associated firm there the last several months.

Farmers Worked 75.4 Hours a Week

Average Hours of Work per Week—1939, 1943, 1944

The map shows the following average hours of work per week for farm operators in different regions: 72.1, 75.4, 82.5, 79.9, and 83.2. A legend indicates that the figure represents the average hours of work per week for farm operators.

urgent wartime demands of a hungry world.

Farm operators in the West North Central area worked the longest hours, putting in an average of 82.2 hours a week. Second were the farm operators in the East North Central area with 82.5 hours a week, while farm operators in the Middle Atlantic worked 79.9 hours a week.

Farm operators in the Pacific states put in the smallest number of weekly work hours, averaging 72.1 for the three years of 1939, 1943 and 1944.

DON'T LET FIRE PUT YOU OUT OF BUSINESS

With America and the world calling upon farmers for every possible bushel of wheat, truckload of vegetables and pound of livestock, the fight against fire on the farm takes on added importance.

Fire Prevention Week, October 6-12, sponsored by the National Fire Protection Association in co-operation with the U. S. Department of Agriculture, calls for co-operation—and results—from every farmer in America. It is imperative for the farmer himself and for the country that he shall not allow fire to put him out of business.

Fires on farms accounted for the staggering total of 350 lives lost, countless thousands injured, and more than \$85 million in property loss in 1945. This is a loss which can—and could—be cut down, by the use of fire-resistant building materials, fire-safe construction,

and constant care in ridding the farm of fire hazards before they are allowed to get in their deadly work.

Consult with your nearest fire chief and your county agent for advice on what may be done to prevent fire on your farm. That, plus a harking to the commonest causes of farm fires, as listed by NFPA, followed by determined, immediate action to wipe them out, is the best precaution a farmer can take to stay in business.

Most farm fires are caused by: Lightning, defective heating equipment and flues; sparks on inflammable roofs; smoking and careless use of matches; improper storing and handling of gasoline and kerosene; hot ashes carelessly disposed of; ignition of hay; misuse of electricity; and piles of rags, magazines, papers and the like, allowed to accumulate in closets, attics, basements and outbuildings.

Farmers of this territory will be interested to know that Davis-Linderson, John Deere Farm Equipment dealer here, is announcing

Let this be your check list. With it as a guide, go over your farm; room by room, building by building. Rout out now, before it is too late, these potential "incendiary fire bombs" on your farm—and make sure you stay in business.

ALBERT RAMM GETS ARMY SURPLUS VEHICLE

PORT WORTH—Albert R. Ramm, Rt. 2, Muleshoe, a veteran of World War II, was listed today among the successful purchasers at a sale of surplus used motor vehicles conducted by War Assets Administration last week at Camp Hood. A total of 359 used vehicles, recently declared surplus to the needs of the Army were sold exclusively to certified ex-servicemen by WAA. Ramm was awarded a 1½ ton 1944 Chevrolet cargo truck for \$1308.00.

All awards were made of the holders of the oldest date certificates for each type of vehicle in the sale, which included vehicles ranging from passenger cars to large trucks and trailers and all were offered to the veterans at fixed prices in accordance with the used condition.

one of the most important new farm equipment developments in recent years—the new John Deere Hydraulic Power-Trol, illustrated here.

Engineered by John Deere, this time, and labor saving device is a radical departure from the conventional method of lifting, lowering, and regulating drawn implements by hand. Safe, smooth, positive, hydraulic power does the job—relieves the operator of reaching for hand-lift levers on drawn implements, lifting and lowering by hand, and tugging on ropes. He merely drives the tractor and watches his work.

At a touch on a convenient control lever, Power-Trol raises and lowers plow bottoms or discs, grain drill openers, mower cutter bars, combine platforms, corn picker gatherers, potato digger shovels, etc.—angles and straightens disk harrow gangs—instantly changes working angle, depth, or height of drawn implements to meet varying field and crop conditions without stopping the tractor or even slowing down.

Farm Bureau To Meet At Lubbock

A series of 13 district Farm Bureau meetings will be conducted throughout the state of Texas during the month of October, it has been announced by J. Walter Hammond, state Farm Bureau president.

One of the meetings will be held in the Lubbock Hotel at Lubbock on Wednesday, October 9. W. R. Tilson of Meadow, state director, will preside. The meeting, which will begin at 10:00 a. m., will be attended by Hammond and State Organization Director, Marvin Carter.

"The chief job of organized agriculture is to maintain farm prices at a fair exchange level," Hammond said. This was not done following World War I and the result was depression. After the other war farm prices dropped 53 per cent. By 1935 two million farmers were foreclosed. Industrial goods dropped only 14 per cent, which brought about disparity between agriculture and other groups."

Irish Potato Goals For '47 Less Than That For 1946, AAA Announces

The 1947 production goal for potatoes is 573 million bushels it was announced by the Department of Agriculture. The figure is 72 million bushels below the estimated 1946 production and five million less than the 1946 goal.

This production is based on national acreage goal of 2,631,000, of which 283,000 are for the early commercial crop. During 1946 about 1,786,000 acres of potatoes were planted, 384,000 of which were early commercial potatoes.

Potato acreage goals for individual farms will be set soon to insure production in accordance with

needs, to prevent waste through excess production and to provide equitable distribution of acreage among established growers.

Only farmers that plant within their acreage goals will be eligible for price support under the Department of Agriculture's 1947 price-support program for potatoes. This is the first time farm acreage goals will be established in connection with a price-support program carried out pursuant to the "Steagall Amendment" which provides that in the case of farm commodities for which wartime increases in production were requested, prices to producers will continue to be supported during a reconversion period of at least two years after the war emergency.

Department officials explained that a limited 1946 potato production, which exceeds requirements by about 67 million bushels, has necessitated costly price support op-

Individual Goals To Be Established

According to Travis A. Winter, county production and marketing Administration secretary, it will be necessary for all producers who planted Irish potatoes in any year 1942 thru 1946 to report such production history to the County ACA office at his earliest convenience. This information is necessary in establishing Irish potato goals, which are required, on

individual farms. Producers planting Irish potatoes in excess of their acreage goals will not be eligible to participate in the Department of Agriculture's Price-Support program in 1947.

Any producer who planted Irish potatoes in any of these years or any producer who plans to plant Irish potatoes next year should investigate this potato goal procedure at his earliest convenience.

is expected to be relatively plentiful next year, the market for potatoes is not expected to expand. Therefore, the goal has been set at the ten year average production for 1935-1944, which is calculated to meet fully the requirements for civilian and military consumption. The national goal will be broken down to states on the basis of past yields and acreage planted. State

goals will be announced early in October. State goals will in turn be apportioned into county acreage goals by State officers of the Production and Marketing Administration; county offices will establish acreage goals for individual producers.

West Camp Club

The West Camp Club met in the home of Mrs. J. C. Cummins, Sept. 18. "Know Bailey County was the topic of discussion. Facts were told from rainfall in inches, elevation in feet, even the number of tractors in county. It was a very interesting discussion. Refreshments were served to the following members: Mesdames W. W. Williams, W. W. Couch, Elmen Willingham, C. E. Roark and the hostess. The next meeting will be in the home of Mrs. C. E. Roark, Oct. 9. At that time Mrs. Williamson will be with us.

Mrs. G. O. Jennings and Mrs. Fred Johnson had charge of the games.

ATTENDED TEA

Mary Nell DeShazo, of Muleshoe was one of the girls attending a tea given at Rhodes Hall, New Mexico A & M College, Las Cruces, September 22. Dormitory girls were hosts to campus co-eds not living in dormitories.

Mrs. John H. Farley and daughter, Elizabeth Ann and Mrs. Bryan Booth and family returned home Sunday from Joplin, Missouri, where they called on account of the death of a brother, S. A. Wilson.

Homemakers Held Formal Initiation

The Mule-shoe chapter of Future Homemakers of America held their annual formal initiation for their high school auditorium for their new members Tuesday October 1. The program was as follows:

Song "Sentimental Journey," Waneen Beller; song "I'm a Big Girl Now," Waneen Beller; pledge to the flag, group, led by Edith Henry; recognition, Maurine Wiltedinger; Speaker, W. C. Cunningham; song "A Perfect Day," Marion Davis, Dorothy Waggoner and Bettie Guthrie; benediction, W. C. Cunningham. The music was supplied by Bill Don Barbour.

Refreshments were served to members and their mothers.

The new members to be initiated into the chapter are: Janie Thomas, Waneen Beller, Ruby Helen Seals, Barbara Shafer, Jane Griffiths, Joyce Jacobs, Martha Roberts, Ollie V. Richards, Billie Margaret Collins, Lois Parker, Dorothy Oles, Almora Magby, Jeanette Kirk, Jeanette Morris, Mary Janet Fried, Mary Jo White, Florence Smith, Nanette Johns, Dorothy Dorse, Shirley Evans, Almola Goodman, Wills Jean Jones, Margaret Sanders, Annie Pearl Ward, Dorothy Turner, Glynn Dole Bartley, Ivra Blackwell, Jean Burris, Rilda Lou Gabbert, Wilma Jennings, Ellen Johnson and Florence Kemp.

Hospital News

H. S. Sanders was admitted to hospital for a few days, undergoing medical care.

O. G. Bower of this city spent a few days under medical care. Mrs. L. S. Mobley underwent major surgery this week.

H. E. Mussons is improving as well as can be expected. Aleda Mae Wright, our night nurse, is having a few days off. She is at her home in Maple.

CONGRATULATIONS: To Mr. and Mrs. Tommy Haley, on the birth of a baby girl, Caryn Gayle, born Sept. 30th. Weight 7 lbs, 8 oz.

Lazbuddy News

The Lazbuddy Club seems to be putting the lunch room over. Several members met Tuesday and canned peas at the lunch room. They will meet in the near future and can tomatoes.

Mr. and Mrs. Roy Hays are the cooks and nothing but praise has been heard about the food served. Mr. and Mrs. Judd Clark entertained Sunday night with a sumptuous chicken supper, including all the trimmings. Those present were Dr. and Mrs. Pittman and son, Bobby, of Muleshoe, Mr. and Mrs. Orbin Nowell and daughters, Betty, Norma and Wilma, Mr. and Mrs. Willie Steinbock and boys, Rex and Max, Mr. John Dyck, Annie and Wanda Dyck, LaVerne Roberts and Emil and Walter Hanson.

Reinhold Steinbock has his irritation well about completed.

Mrs. R. G. Trierer and Mrs. O. Trierer took Craire Trierer to Canyon Monday where she will attend college.

Ralph Broyles, son of Mr. and Mrs. Edgar Broyles, is here from camp on a two weeks furlough.

News Briefs

Ray Griffiths and Bits Holt are to leave the latter part of next week for their annual pheasant hunt in South Dakota. Last year the two got their bag limit in the five days allowed them. Several of their neighbors are hoping they do as well this year.

LIKE A SHADOW YOUR CREDIT RECORD FOLLOWS YOU

The Retail Merchants Association of Muleshoe has been established as a better business move to promote better extension of credits and better business dealings.

We are continuing to add to our files information from our active subscribers. The credit record, upon request from subscribers, will be available to them. If you have established a reputation for the prompt payment of your accounts and obligations, your good record will be protected. If on the other hand, the reverse of the situation is true, see the Manager of the Retail Merchants Association or your Creditor, and complete arrangements for the orderly liquidation of such outstanding obligations.

Retail Merchants Association of MULESHOE Affiliated RETAIL MERCHANTS ASSOCIATION OF TEXAS

Mrs. Mary Lena Pinson and children of Dora, N. M. were visiting over the weekend in the home of Mrs. Anita M. Butler. Mrs. Pinson is a teacher of Music in the Dora schools.

Pie Supper

There will be a pie supper at the Y. L. school house Friday night, October 11, and everyone is invited to attend. The P. T. A. of Y. L. is sponsoring the event.

Mr. and Mrs. J. E. McWhorter and son visited friends in Big Spring over the weekend.

Mr. and Mrs. Sherman Morgan of Lubbock visited in the home of Mr. and Mrs. Harold Weyer Friday. Mr. Morgan is a brother of Mrs. Weyer.

Roy Holland and family and C. E. Dyer have gone to Hot Springs, N. M. for a stay of several days.

Bill Collins and Jack Lenderson were in El Paso Wednesday on business.

Mr. and Mrs. A. V. Evans and Mr. and Mrs. Al Simms of Taft, Calif., have been visiting in the home of Mr. and Mrs. Ray Griffiths and family. They are the parents of Mrs. Evans.

Mr. and Mrs. W. M. McHorse of Bangs, Texas have been visiting the early part of this week with their son, R. B. McHorse and family. Mr. and Mrs. McHorse are now residing at Bangs, Texas, moving there from Muleshoe.

Miss Dorothy Smith of Midland, spent the week here with Mr. and Mrs. Roy Dyer.

Irvin St. Clair spent the week end in the home of his parents, Mr. and Mrs. Irvin St. Clair. He is a student at Texas Tech.

Lloyd Alsop, a student at Texas Tech, visited over the week end with his parents, Mr. and Mrs. J. L. Alsop.

Mr. and Mrs. W. C. Cox were here from Monday to spend the week end with relatives and friends.

Russell Finley, of the Merchant Marine, is here for a visit with his parents, Mr. and Mrs. M. E. Finley, arriving Sunday. Russell has seen service in China and Japan in recent months.

Mr. and Mrs. Jack Hacker, Mrs. Lois Breedlove and children, Robert and Beola, visited in Plainview Sunday with Mrs. Breedlove's parents, Mr. and Mrs. Elmo Head.

METHODISTS CHANGE EVENING WORSHIP HOURS

Evening services at the First Methodist church will be as follows: Young people will meet at 6 p. m. Preaching will be at 7:30 p. m.

P. T. A. Meeting Is Monday Night

Subject for the program at the next P. T. A. meeting the coming Monday night, October 7, will be "Religious Education in Cooperation with the Public Schools."

P. T. A. meetings begin at 8 o'clock and are held in the high

school auditorium.

Parents and teachers are urged to attend and help make the organization more effective in its work in the community.

I. N. Robinson of Muleshoe is operating a shoe shop in Hereford, but still maintains his home here. He recently sold the shoe here that he had operated here for several years.

Golden Wedding Anniversary Feted

Mr. and Mrs. Charles M. West Sunday observed their golden wedding anniversary with open house at the home here of a daughter, Mrs. Connie Gupton. Many friends of the family called at the home from 3

to 5 p. m. Mr. and Mrs. West had their six children all with them for the occasion.

At noon the couple were honored with a dinner given in the private dining room of the Cross Roads Cafe.

Mr. and Mrs. James Maroney and

son, Jimmie Don, of Shreveport, Louisiana, are here visiting with her parents, Mr. and Mrs. Charlie Covington.

Soil Conservation District News

During the week ending September 28, applications for assistance in soil conservation were received from Charles S. Pollard, C. C. Archer, and R. E. Jones. Conservation (farm) plans were worked out with R. C. Day; with Carl Pollard, on the A. X. Erickson farm; and with R. E. Willingham.

Topographic surveys were completed on the farms of E. W. McWilliams, G. F. Parker, A. W. Copley, C. C. Anderson and J. J. Hallmark.

Contour lines were staked out on the Carl Pollard farm. Irrigation ditches were staked out on the farms of J. P. Hallmark and O. C. Thomson.

STATEMENT OF THE OWNER-SHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACTS OF CONGRESS OF AUGUST 24, 1912, AND MARCH 3, 1933.

Of the Muleshoe Journal, published weekly at Muleshoe, Texas, for September 26, 1946.

State of Texas, County of Bailey, ss. Before me a notary public, in and for the State and county aforesaid, personally appeared J. M. Forbes, who, having been duly sworn according to law, deposes and says that he is editor of the Muleshoe Journal and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc. of the aforesaid publication; for the date shown in the above caption, required by the act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in sections 537, Postal Laws and Regulations, to-wit:

LEGAL NOTICE

TO THE SHERIFF OR ANY CONSTABLE OF BAILEY COUNTY, TEXAS, GREETING:

You are hereby commanded to serve the following notice:

TO ALL PERSONS INTERESTED in the estate of F. N. Holmes, deceased, pending in the County Court of Bailey County, Texas, and being Number 135, on the docket of said court, you are hereby notified that May Cramer, executrix, has filed her final accounting in the County Court of Bailey County, Texas, seeking an order of discharge and asking that said estate be closed and you are hereby commanded to appear and contest said final accounting if you see fit, which will be heard at 10:30 a. m. in the County Court Room of Bailey County, Texas, in Muleshoe, on Monday, the 30th day of September A. D. 1946.

HEREIN FAIL NOT, but have you this writ before the said Court at the time aforesaid, which your return thereon, showing how you have executed the same.

GIVEN UNDER MY HAND AND THE SEAL OF said Court, at office in Muleshoe, Texas, this 12th day of September, A. D. 1946. (SEAL) M. G. BASS, County Clerk, Bailey County, Texas. 28-4tc

From where I sit ... by Joe Marsh

Bert Childers and the Melon Patch

Bert Childers put an ad in the Clarion the other day. Here's what he said:

"Planted more melons than I can eat this year. Stop by and pick as many as you want. All free."

As you can guess, plenty of folks sent their kids over and plenty of the parents came too. Stripped Bert's melon patch in no time. And as they went away, Bert treated the kids to lemonade, and offered the grownups a glass of ice-cold sparkling beer.

Naturally it puzzled some folks ... but Bert explains: "It gives me a kick to share things when I can afford to—whether it's the melons, or the lemonade, or beer. I guess I just like to indulge my whims."

From where I sit, if we had more "self-indulgent" people like Bert—who believe in share and share alike, live and let live, this tired world would be a whole lot better off.

Joe Marsh

Who Will Benefit?

That's the 12 Million Dollar Question of your Public Service Co.

There are just about as many answers to that question as there are people in the Panhandle Plains Pecos Valley area.

Your Public Service Company's 12 million dollar expansion program will benefit everyone.

There'll be many new industries using low cost, reliable electric power, more homes with the advantages of electrical living, more farmers taking on Reddy Kilowatt as their new "hired hand."

We're happy that in our 22nd year, we're a pioneer in building ahead for the future. Our expansion program will bring better living, electrically, to everyone in the years to come.

A PIONEER IN BUILDING AHEAD FOR THE FUTURE

Another in a series of advertisements designed to help build this fast-growing territory in which we serve.

**SOUTHWESTERN
PUBLIC SERVICE
COMPANY**

22 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

MET AT JETER HOME

Members of the young married peoples class of the Church of Christ met for a social at the home of Mr. and Mrs. Earl Jeter Tuesday night. Out of town people attending included Rev. and Mrs. Silas Howard of Clovis, N. M.

QUILTING WEDNESDAY

Members of the Ladies Bible Class met Wednesday at the home of Mrs. Roy Carney for a quilting.

To Install Fair Exhibit Sunday

F. W. "Chief" Jones and Edward White Sunday will accompany members of the Muleshoe F. F. A. Chapter to Lubbock where they will install a booth at the South Plains Fair.

The Muleshoe boys' exhibit will be based on safety on the farm. Homer Pierce, of Pierce's Studio will be on hand to snap a picture of the booth.

NOTICE TO BIDDERS

Muleshoe Independent School District will receive bids on Fairview School Building, to be moved from ground within 6 months after date of sale; and separate bids on Fairview School ground, containing 7 acres out of SE corner Labor 22, League 191, Ector County School Lands, Bailey County, Texas. Bids will be opened at the Muleshoe School Board meeting Monday night, October 14, 1946, at 8 o'clock. Board reserves option to reject any or all bids. Submit bids to:

DENIM DOES IT

Fresh and crisp as a dewy cotton blossom is Paramount starlet Noel Neill, who's a-waitin' byas outside the oil corral in a blue denim play suit made in the western manner. Ain't she purty, pardner?

PROGRESS NEWS

We had singing Sunday afternoon. Several visitors from other communities were there.

A P. T. A. meeting was held Friday before singing.

Mrs. O. E. Lumsden visited her parents last weekend for their golden wedding anniversary.

Relatives of O. E. Lumsden visited in his home Sunday and attended singing.

Mr. and Mrs. Arthur Hill and Mrs. H. D. Huyck and Oran George have started new homes in Progress.

Mrs. H. D. Huyck spent the weekend in Muleshoe with her daughter, Mr. and Mrs. Corvath.

Sunday school attendance fell a little this Sunday. Try to come on out.

Mr. and Mrs. Luther and family visited in the home of his sister and

family, Mr. and Mrs. J. J. Meason. Mrs. Lena Threet has been ill. Her son, Roy Threet of Texico has taken her to his home.

Mrs. Dene Humphrey has been on the sick list for several days.

The Progress high school boys played the grade school boys a game of baseball Tuesday. The high school girls played the grade school girls Wednesday.

QUESTIONS AND ANSWERS
Q. Since taking out a guaran-

teed loan, my business has become so successful, I find I can pay off this loan before it comes due. Will I be permitted to do this?

A. Yes, the regulations give the veteran that privilege.

Q. I am a veteran of World War I. Am I eligible for a loan under the "G. I. Bill"?

A. No. The acts benefits are for World War II veterans only.

Q. If I take out a government guaranteed loan for farming purposes must I live on the farm?

A. No, but the act requires that you actually conduct the farming operations.

Q. May a loan to buy an automobile or truck be guaranteed or insured under the G. I. loan setup?

A. Yes, but only if the automobile or truck is necessary to conduct the veterans own business or farming operations, or conditions

of his employment require that he have such a vehicle to carry out his work. He may not obtain a guaranteed loan if the vehicle is merely for transportation.

Q. What will happen if I fail to make the payments on my government guaranteed loan?

A. That will depend upon the terms of the loan, the attitude of the lender and the laws of the state where you are living.

NEW MILO SHOWS PROMISE
COLLEGE STATION—A new selection of combine milo, known as No. 7078 is showing good production possibilities in Taylor County, reports County Agricultural Agent Elmo V. Cook.

No. 7078 was developed by the Lubbock Experiment Station, and two Taylor County farmers, Holland Teaf of Merkel and Billie McCasland, Bradshaw, believe that the new selection may out-produce Martin's combine milo, which is the most popular combine grain sorghum in Taylor County.

McCasland obtained a small quantity of pure line seed from the Lubbock Experiment Station two years ago. He has multiplied the supply and has distributed quantities of the seed over a large portion of the county, where the crop is showing much promise.

Mostly Static --

By Berry
Howdy, folks: The tone of the relations between the nations seems to be "praise the Lord and pass the admonition."

Our foreign relations seem to be poor relations.

It would be a good thing if other countries understood our foreign policy, but a better thing if we understood it ourselves.

Of course honesty is the best policy, but it doesn't seem to work as a foreign policy.

At least we don't have trouble with the Eskimo. They are God's frozen people.

We thought when we disposed of Hitler, our foreign problems would be simplified. You remember Hitler. He was the man who was positively hazing.

Our policy has always been to give you the most of everything in our line for the least money.

That will continue to be our policy even in these times of rising markets.

Pointers On Fire Prevention Listed

Mrs. Laurette Williamson, County Home Demonstration Agent, today called upon farmers to enlist in the fight on fire which last year destroyed more than \$5 million dollars of farm property and snuffed out almost 4000 lives.

Stating that the fire curve continues to surge upward to an all-time high this year, she urged farmers to eliminate the common causes of fire during Fire Prevention Week, October 6 to 12, which is sponsored by the National Fire Protection Association.

Pointing out that 90 per cent of the fires, which are devastating farms at the rate of one every fifteen minutes, can be prevented by practicing constant vigilance, the County Home Demonstration Agent declared: "So many times we have seen the result of a lifetime of work go up in smoke in a

- few minutes and all due to failure to exercise ordinary care."
- Losses would drop immediately and sharply, Mrs. Williamson said, if farmers would:
1. Protect all farm buildings with adequate lightning rods.
 2. Clean and keep clean heating systems, fireplaces and flues.
 3. Check electric systems for adequacy of load, and repair or replace worn cords and equipment.
 4. Cover roofs of all farm buildings with fire-resistant material.
 5. Never discard a lighted match or cigarette.
 6. Store gasoline and kerosene safely, and away from buildings.
 7. Never use explosive cleaning fluids.
 8. Cure hay properly before storing.

However, not all fires are preventable, the NFPA concedes. For the 10 per cent that are unavoidable, it recommends:

1. Know how to call your fire department.
2. Ladders long enough to reach the highest roof not protected with fire-resistant roofing.
3. An adequate water supply, such as a clear cistern.
4. Inspection of fire extinguishers to be sure they are ready in case of need.

NOTICE

World War II Veterans
There are a few more vacancies in the Veterans Vocational school. First come, first served. Contact your county service officer.

Jackets Defeat Olton 13 to 12

Muleshoe's Yellow Jackets asserted their superiority over Olton's Mustangs in the last half surge that netted them two touchdowns and a victory in the first 5-A conference game for both teams here last Friday. Spectators were amazed to see the Jackets, who trailed 12 to 0, take over the ball game and edge the visitors 13 to 12.

Farrell carried the ball over for the first touchdown, and a blocked kick, recovered in Olton's end zone by Glen Tibbets, accounted for the second score. Moore converted for the extra point that meant victory. Don Barnett blocked the punt. Wiley Moore converted for the extra point.

It looked like a field day for Olton in the first half. A blocked punt near the home team's goal set-up the first score and the Mustangs passed for the second marker.

The Kenyon twins and Bob Coleman in the backfield were all they had been advertised to be. They repeatedly knocked off long gains but their scoring rallies bogged

down when the goal line was approached. Frequent fumbling marred our offense in the first half.

It was a different story in the second half. Not until late in the fourth quarter were the visitors permitted a first down, while the Muleshoe boys ran the ball all over the field, remaining in Olton territory most of the time.

The Yellow Jackets went to work Monday to get ready for Sudan's Hornets, who have been showing power and punch in their early season games.
