### The Tax Story

It is a good feeling to have people tell you something nice. There are probably very few Seminole people who have not been told by someone from another place--"Seminole is where the schools are so good," or, "isn't that the town that's known all over the state for its excellent schools?" People far and near know about our good school system. This reputation did not come about by accident. There were many who cared--dedicated teachers, devoted parents and citizens, conscientious administrators, concerned tax paying institutions and interested school board members.

How lucky we have been to have lived in Gaines County, and to pay taxes in Gaines County. We can take our hats off and say "thanks" to the oil companies and the utility companies. They pay 95 per cent of all school taxes in our County. Be thankful that you live in a County where there is a lot of industry paying taxes. The tax story would be different one if we lived in a majority of Texas counties.

The maximum maintenance tax rate that was allowed by law for a Common School District (such as Seminole) was \$1.50 on each \$100.00 evaluation. With the passage of Bill #1123 that amount was increased to \$2.25. The Seminole rate is still \$1.50. It should be remembered that property is not evaluated at what you paid for it, or what it would sell for, but it is evaluated at about 10 to 15 per cent of its real value. The only way this tax can be raised is by an election by the people--and if a majority of the qualified voters (who are tax payers) approve the increase. The school board has asked the Commissioners Court to call an election to raise this tax from \$1.50 to \$2.00 per \$100.00 evaluation. The present need is for only \$1.71 and it is anticipated that the \$2.00 maximum will meet the needs of this district for 3 to 5 years.

In previous years, an increase in taxes was not necessary because in 1960-1961, assessed valuations climbed to \$63,766,200.00. Last year it dropped to \$62,057,340.00--this difference resulting from oil production decreases. During this time we have all felt the effects of increased price of goods and general inflation of 3 per cent per year. We have lost 20 per cent of our collected taxes to inflation in the last 6 to 7 years.

The school board has asked for a needed and reasonable tax increase. Let's all do our part in keeping abreast of the times and with other schools in our area. We feel the Board is justified in this request.

### Tax Vote Set for June 17

MAINTENANCE TAX RATE ELECTION SET FOR JUNE 17th

At the regular Commissioner's Court Meeting, Monday, May 22, the Commissioners set the date, June 17, for the Maintenance Tax Rate Election.

Dwayne Herman will be election judge and Finley Moore the assistant election judge.

Absentee voting will begin May 29, and end June 13th. The absentee ballots may be secured from Chester Browne at the County Clerk's office. If you should write in for a ballot, it will be necessary to include your registration number.

In order to be a qualified voter, you must be a property owner and a registered voter.

BY MRS. OPAL (R.M.E.) HUGHES

Our pastor, Brother Smith, preached on 'Faith in God' on what the Bible said.

Mr. and Mrs. Hugh Castleberry were at church today. We have missed them very much.

Mr. and Mrs. Clay from Bill Cox Gin were at Church Sunday. Everyone was glad to see them, Fair View needs every one. We hope they will come many more times.

Continued on page 8.

There was a visitor in Seminole on Monday, May the 8th. He was an unusual fellow and pleasant to be around.

May 8th was a pleasant day and nothing out of the ordinary seemed to be in the offing. When stepping out of the News Office, we saw this stranger. His appearance was picture material. After pictures were taken, a conversation began. He was easy to talk with, interesting and it was evident he was a 'gentleman'.

"I've been out of the Navy about a year, and I want to see the country for which I served. I want to know the land and the people," said Allen Johnson, 22.

He decided on the bicycle trip, an easy way to learn first hand, his land, and a leisure and pleasant way to meet nice people. That was Al's idea.

He spent the night in Seminole in the home of Mr. and Mrs. Walter Woods, Larry and Lindy. They each liked him--he was 'somebody'.

Al was killed Tuesday, May 16th, near Shamrock nine days after leaving Seminole. He had spent time in Lubbock, Plainview and Amarillo, during those days and had made friends in each of those places as he had here.

He was bearded, but not akin to people associated with the beatle set of our time. A good talk, a real meal, a clean bath--these he enjoyed.

"Let me tell you about my bicycle"; this pleased Larry and Lindy. "It has ten forward gears. It is an American bike, but the parts were built in Italy and Germany, and the decals from the U.S. The bike cost \$258.00. It is a Schwinn Paramount with campagnollo pedals, (pedals to push and pull)."

Allen talked about his home, his family, his Mother's cooking, and what a nice world this was to live in. He wanted to know about our people here, what grew on our land, and

Courtsey Gary Weaver

Ginner:

The Farmer Programs Division of the U.S. Department of Agriculture in Washington, D.C. has just issued approval to the State ASCS office on the ACP practice for application of cotton burs in all Texas counties. W. Lewis David, executive director of the State ASCS, said counties desiring to use the practice should add it to their county program by supplementation in the regular manner.

Here's the instruction all county ASCS offices have received for supplement 2 to the Texas Handbook for the 1967 Agricultural Conservation Program:

The 1967 Agricultural Conservation Program for Texas is amended as follows:

Section 10. The following practice has been added:

E-4. Application of cotton burs as a mulch to control wind and water erosion and to improve soil structure and permeability. Federal cost-shares will be limited to cotton burs hauled onto and evenly distributed upon the land at the rate of not less than six tons per acre--heavier applications are recommended. Cotton burs must not be turned under until after March 31 in Wilbarger, Baylor, Haskell, Jones, Taylor, Runnels, Concho, Tom Green, Irion, Reagan, Upton, Crane, Ward, Reeves, and Loving counties and counties north of these counties.

Federal cost-share: 50 per cent of the cost of cotton burs spread on the land, not to exceed 75 cents per ton or \$6.00 per acre.

Make sure your producers check with the county ASCS office for complete details before delivering burs to farms under terms of the practice.

We hope this extra incentive will help gins handle the trash disposal problem created by the demands of air pollution control regulations.

Growers in the counties which previously did not approve transfers of cotton acreage allotments will vote from May 15 through May 19 on whether to permit the transfer of acreage allotments to other counties by sale or lease. If in any county at least two-third of the growers voting favor the transfer, growers will be permitted to transfer their allotments by sale or lease to farmers in other counties within the same State. Where approved, transfer of allotments to other counties for 1968 and 1969 will be permitted.

Counties which have already approved the transfer are not involved in the vote.

The Referendum will be held by mail vote. To be counted, all votes should be in the office of the county ASC committee before the close of business on May 19 or be postmarked by midnight May 19.

Our apology to Louis Duncan for leaving his name off of The Farm Hand last week.

## Mass Water Meeting Set

MASS WATER MEETING MAY 24 -- History in the making, literally. 2:00 p.m., KoKo Palace, Lubbock. Don't miss it. If you live in this area, you're invited.

Association called WATER, Inc., will be organized -- the first step toward an ample supply of water on the Plains for irrigation of 18 million acres (compared to 5 1/2 million under irrigation now), for cities, for industry, for recreation.

IT CAN BE DONE! Engineers say so. Economists say so. Government says so. All we've got to do is show the state and the nation WE WANT THE WATER. Show them by organizing and working for it. It's not enough to just "say" we want it and wait for somebody to bring it to us.

Charter and By-Laws for Water, Inc., are drawn. They'll be explained to you at the May 24 meeting and you'll be asked to approve them, then elect directors.

Some engineering studies have already been made. Others are in progress. A representative of a major engineering firm will report on these. An official of the U.S. Bureau of Reclamation will tell you what the Bureau has done and plans to do towards importing water to this area. The U.S. Corps of Engineers will send a man to do the same. A member of the Texas Water Development Board will be on hand to explain that group's part in the project, and it's a substantial part.

And, so far as possible within the limits of man's imagination, there will be an analysis of the economic impact that can be expected on the area.

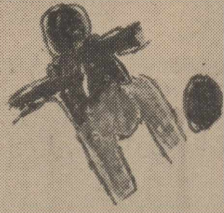

It's almost impossible not to get excited about the Plains potential when water is imported. Gross annual income from agriculture alone should triple from an average of about \$500,000,000 to at least \$1,500,000,000. That's not allowing for any technical advancements, increased demand for agricultural products or any of the other improvements that are a reasonable certainty. A jump in land values can be expected long before the water gets here-- in fact the minute it becomes known a contract for the water will be signed, and that could be in a very few years if things progress according to plan.

Experts are saying the possibility is for 3 to 5 million acre feet annually within about 10 years, then 15 to 18 million acre feet (from out of state) in about 20 years. Our guess is that power supply breakthroughs, engineering developments and the cry of the world for food could well set the latter part of that timetable up by several years.

You can't afford not to be informed on this subject. Don't miss the May 24 meeting!

There is now a Teen-agers Employment Center in Seminole. Students from the eighth grade through high school, and some college students desire some jobs. Inquiries are welcome and we will try to fill your needs on short notice.

The boys are interested in farm work, yard work, and work around town. The girls will do baby-sitting and other jobs that might be available.

The Youth Center is the head-quarters for the Employment Service, but it will be closed until June 2, however Mr. Bob Black, Youth Center Director, said that he would be at the Center a good portion of the time. He also said to call the Youth Center number, PL8-2779 and he will try to assist you.

After June 2, the Youth Center will be open afternoons and nights except Sunday and Mondays. If you have work for the young people of Seminole be sure and contact the Youth Center at PL 8-2779.

Mr. and Mrs. James W. Kennedy were in Brownfield last week visiting in the home of the Jim Morins. They also visited with Mr. and Mrs. Ray Maneer of Winnipeg Manitoba, Canada. Mr. Kennedy, Mr. Morin, and Mr. Maneer are board members of the Western Christain College in Canada.

Wanda Watson will be working in the F. J. Young Library for the month of June and will attend second semester, summer school at North Texas State University in Denton this summer.

Mrs. Loma Underwood is in Cleveland, New Mexico near Las Vegas. She will return home this week-end.

## IN OUR FAMILY KITCHEN

Mr. and Mrs. H.B. Loyd moved to Seminole from Hobbs nineteen years ago this month.

H.B. has retired after thirty-three years with Humble Pipe Line. His hobbies are golf, rocks, and at present is enjoying the yard. He is a member of the First Presbyterian Church.

Dickie, the Loyd's son, graduated from Seminole High in 1965. He was valedictorian of his class. He is a sophomore at Texas Tech where he is studying Electrical Engineering and he is a member of the Tech Band.

Mrs. Loyd is a member of the First Baptist Church and teaches in the beginner department at Sunday School. She is a member of American Association of University Women and Nueta especially enjoys the Mental Health Study Group of the A.A.U.W.

The Loyd's hobbies are varied. They are members of Gaines County Golf Association. H.B. and Dickie play and Nueta enjoys watching. She will be playing now that school is out. Substitute teaching takes much of her time from September through May.

This is from Nueta's kitchen and it is one of her favorite recipes:

### SNICKERDOODLES

Pre heat oven to 400°

Mix together thoroughly: 1 cup soft shortening  
1 1/2 cup sugar  
2 eggs

Sift together and stir in: 2 3/4 c. flour  
2 teaspoon cream of tarter  
1 teaspoon soda  
1/2 teaspoon salt.

Roll into balls the size of small walnuts. Roll in mixture of 2 T. sugar and 1 t. nutmeg. Place about two inches apart on ungreased cookie sheet.

Bake 8 to 10 minutes in moderately hot oven until lightly browned.

## THE FAIRVIEW NEWS (cont'd from page 1)

Reverend and Mrs. Leon Smith had as their guest this week, his three brothers and their families. Ivan Ray Smith, from Lubbock, Texas, Bill Smith of Dallas, Texas, Bob Smith of Lamesa, Texas. We hope all those folks will come to Fair View Church.

The S.A. Pence visited at Hereford, Texas with their children, Mr. and Mrs. G. C. Merritt Sr., also Mr. and Mrs. G. C. Merritt Jr., and children, Micki, Mitchell, and Missy. Mrs. G.C. Merritt Sr. is the daughter of the Pence's, daughter Irene.

Mr. and Mrs. Randolph Clark and son, John and daughter of Denver City were here for Church at Fair View. Every one misses them.

Mr. and Mrs. A. D. Quillen have been quite busy with their business in town. A.D. is a deacon in the Fair View Baptist Church.

The Fair View people hope to have their parsonage ready for their pastor and family this week.

This parsonage has been remodeled.

We missed Mr. and Mrs. Henry Williams in our Bible Class Sunday. We need every one in our Bible class.

Mr. and Mrs. Jerald D. Quillen and family were at church Sunday at Fair View.

Mrs. Opal Hughes sister and brother spent Sunday with her and their day was very short.

Mr. Hill has been hunting cattle for the Flying H ranch that has gotten out of the pasture.

## WORDS OF APPRECIATION

These 14 Sundays spent in Seminole will always be one of the high lights of our lives and ministry. The association with the First Baptist Church as Interim pastor shall never be forgotten. This is one of the best churches in our convention. She is blessed with so many able men, devoted women and the finest group of young people to be found anywhere. They all have a warm spot in our hearts.

We greatly appreciate the welcome extended us by the business and professional men of all faiths. In every business we were given a warm welcome and the court house and jail personnel went out of their way to be courteous to us. The police force could not have been nicer and more considerate. Those whom we met connected with the school system have been most gracious. The news media by way of radio KTFO, the cable TV and both news papers have been just wonderful to us. The chamber of commerce personnel took us in with open arms. I must mention the fellowship I have had with the other ministers of the city; the regular luncheons together was time well spent.

I have been to and in 175 homes and Mrs. Harrison went with me to many of these. The personal contacts made was 150, not counting the hospital calls. These contacts were made in the places of business, in the court house, schools, here and there. None of this number is a duplication. In every place I have gone nobody could have been treated me any better, for this I am deeply grateful.

Sunday, May 28th, will be our last Sunday with the First Baptist Church. We will be going to our home in Abilene, 325 Woodlawn, Abilene, 79603, on the 29th. So paraphrasing a famous saying, "Old soldiers never die, they just fade away", "Old preachers never die, they just pass on and up". God love, keep each and all of you until the end of the Day and Always.

Your friends,  
Brother & Mrs. Harrison

Mr. and Mrs. L.H. Hughes left on a fishing trip some where. Hope they have good luck this time.

Mrs. Opal Hughes was in Lamesa this week on business. While in Lamesa she saw a number of cousins and Mr. and Mrs. R.C. Pattie who have a ranch in Gaines County, Mr. Pattie has quite a bunch of cattle on his ranch.

Mr. and Mrs. W.M. Hill of Lamesa also their grandson Preston and Mrs. Opal Hughes visited Mr. and Mrs. Karl Hughes Sunday afternoon.

He that fights and runs away  
Will live to fight another day.

The sand storm Saturday afternoon did no serious damage but the sand was awful in the air. Some Gaines County farmers really saw their land move up in the air.

Mrs. J.E. Garland and Edward were in Seminole visiting Sunday afternoon.

Mr. and Mrs. Henry Williams, Mr. and Mrs. Gene Allen visited Mr. and Mrs. L.V. Castleberry Sunday afternoon.

# 'All Aboard' for Seminole

Mrs. Lane, second grade teacher in Mr. Golman's building had a most interesting project. Each of her readers were given a railroad engine with all 26 cars which represented books. When the students completed the 26 books, they received an additional engine.

Shown in Picture #1 is the original engine. Picture #2 shows the trains and added engines. Picture #3 appropriately shows Seminole and some of the trains arriving with as many as three engines pulling.

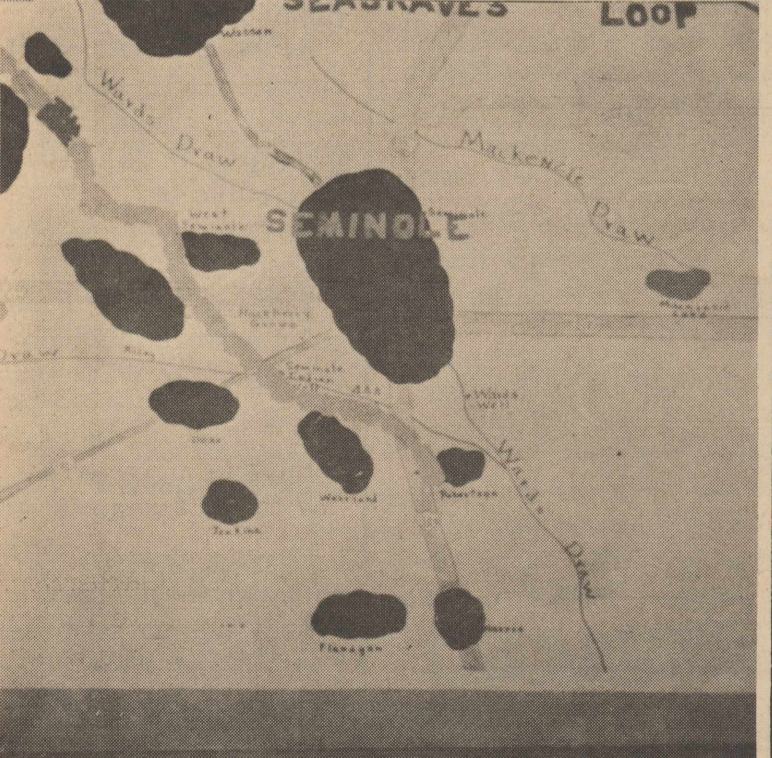

With such a multitude of good reading, it is a wonderful thing to have teachers in our school system who have the originality of ideas in encouraging our youngsters to better reading and a fuller life, plus the joy of having read a good book.

Mr. and Mrs. F.S. Whitaker returned home Friday from Glorieta where Frity has been doing some carpenter work at Glorieta Baptist Encampment.

Mrs. H.A. Briggs and Elsie Faye of Midland visited friends during the week. Elsie Faye teaches in the Midland High School.

Mr. and Mrs. David Ridens, Mrs. Robert Burns and Karen, and Mrs. Velma Wescott attended graduation exercises at McMurry in Abilene over the week-end. Mrs. Micheal Smith, the former Ann Ridens received her B.S. in Business Education. Also attending the graduation was Anna Lee Wescott of Odessa.

Mr. and Mrs. Don McDaniels and Tish spent Monday in Odessa with their parents, Mr. and Mrs. M. E. McDaniels and Mr. and Mrs. Jack Myers. The occasion was to celebrate Tish's third birthday. Tish is an only grandchild of the McDaniel's and Myers.

All that is left of Graduation is "THE SHOUTING"

Seminole High School Commencement Exercises were held in Seminole High School Auditorium Monday, May 22, 1967. The Honor Graduates were: Charles Wayne Caffey, Charles Edward George, Robert Wayne Hunt, Melinda Marie Melone, Catherine Elaine Parker, Alton Larry Phillips, Darrell Robert Price, Linda Carol Setser, Glen Dale Shook, Deborah Ann Stanley, and Stephen Leslie Stanley.

Master of Ceremonies was Larry Phillips.

Salutatorian, Steve Stanley thanked family and teachers for love and help. He said that the class of '67 should recognize opportunities. "If you wish to open the door of opportunities --Push! We the class of 1967 hope to fulfill your expectations."

Valedictorian, Melinda Melone said that a successful and happy life--like a cake--should have good ingredients. Each must discover his own special ability, and choose the ingredients of life with extreme care.

National Honor Society members from the class of '67 were: Vaudine Brown, Charles Caffey, Charles George, Phyllis Hedrick, Steve Holland, Brenda Hoskins, Wayne Hunt, Katy La Follette, Eddie Melone, Cathy Parker, Melinda Melone, Larry Phillips, Darrell Price, Steve Stanley, Belinda Aten, Linda Setser and Deborah Stanley.

Deborah Stanley also carries the honors of President of the Student Body, Best All-Around Girl, Daughter of the American Revolution and American Association University Women.

Golden Arrow recipients were: Charles George, Steve Stanley, Kathy Parker, Eddie Malone, Melinda Melone, and Deborah Stanley.

Steve Stanley, the Salutatorian, was a National Honor Society Member, Golden Arrow recipient and was given a scholarship from church related colleges and a \$25.00 Savings Bond from the Lions Club. Melinda Melone, Valedictorian, was president of her Senior Class, Golden Arrow recipient, and Cheer leader for the Seminole Indians. She was also presented a \$25.00 Savings Bond from the Lions Club, and a scholarship from church

Graduation is over and the Graduates have big plans for the future. Some of them have shared their plans with us.

Your Board of Trustees of the Seminole Common Consolidated School District has voted unanimously to request an election under House Bill #1123 for a school maintenance tax rate not to exceed \$2.00 per one-hundred dollars assessed valuation. Presently, your school district is operating on a local maintenance tax rate of \$1.50 per one-hundred dollars assessed valuation which is the maximum under the present law.

The decision to request the tax election came after the Board tentatively approved a budget for the 1967-68 school year that showed a deficit of \$25,350.00. This figure does not reflect anticipated professional salary increases now being debated in the Texas Legislature, nor does it include proposed salary increases for local auxiliary personnel, or for a few other services which your Board feels that you as patrons want for your children. Salary increases and these services could cost an additional \$125,000.00.

Since the present maximum rate of \$1.50 per one-hundred dollars assessed valuation will not provide sufficient funds for these needs, your Board of Trustees feels that it is necessary to call for an election under House Bill #1123. This Bill grants a common School district, meeting certain qualifications, the authority to call an election to raise a maintenance tax rate to a maximum of \$2.25 per one-hundred dollars in assessed valuation. Your Board is asking for an election for a 50¢ increase which will make the maximum tax rate \$2.00 per one-hundred dollars of assessed valuation. We feel this will be sufficient to take care of the district for a three to five year period. It is estimated that an additional 21¢ per one-hundred dollars assessed valuation would be sufficient to meet the requirements of the school budget for 1967-68. This would leave 29¢ of the 50¢ for use in future years.

It will be difficult if not impossible to continue to operate and provide a school of high quality with the financial resources now present for your Board to use. We know that you want quality education for your children and that you are willing to provide the financial support necessary when you are shown the need. Also, your Board will always budget in such a manner that if you were present at these meetings, we feel sure that your decision would be the same.

Another reason why a tax increase is necessary at this time in order to continue to give you a first rate school is that for many years county values had a sizable increase each year; for example, they increased from \$41,-294,230 in 1953 to \$63,766,200 in 1960 for

Katy LaFollette was employed to supervise the girls' dressing room this summer and assist with some swimming lessons for two hours each morning Monday through Friday, and serving as lifeguard on Saturday and Sunday while other personnel is gone.

Mr. Bramlett will be extended the courtesy of the meeting of the Board on June 12, to attend the Supervisors Conference at Texas A & M, June 11-14.

The Board voted to let Mr. Bill Morgan drop his training duties and Mr. Charles Wrenn, his coaching duties ask for in their request.

The request was not granted for the Seminole class room teachers to be represented at the Board meetings because they are welcome at all Board meetings.

The Board voted to employ Mr. Sammie Robertson from June 12 to July 12, in the summer band program in the place of Mr. Cecil Douglas.

The medical bills for Nancy Hestor will be paid for by the school.

The School Board hired Tom Rogers as assistant principal at a salary of \$8600 per year, to take the place of Metz LaFollette.

property within the Seminole District. However, since 1960, these values have actually decreased from the \$63,766,200 for that year to \$62,221,550 for the 1966-67 school year. As a result, the rate has had to be increased each year until the lawful ceiling has been reached. Also, all of us are aware of the inflationary condition in the U.S. and the increase in the cost of living.

The Seminole Common Consolidated School District is very fortunate in that 95 per cent of the school tax roll is paid by the oil and utility companies leaving only 5 per cent for the local citizenry. The assessed value of property in the school district is supposedly 10 per cent of its actual value. As an example, we would like to list below what the requested increase in taxes would cost you depending upon your present school tax bill:

The School Board sincerely solicits your questions regarding the request for a tax increase. We feel that the quality of our educational program will decrease under our present financial situation. A "YES" vote for the requested tax increase is a statement from you that you want as fine a quality education program for your children and the SEMINOLE COMMUNITY as can be had.

Sue Ann

The children above are the grandchildren of the James W. Kennedys. Their parents are Lloyd and Betsy Kennedy of East Brunswick, New Jersey. Lloyd is an attorney in the tax department of Shell Oil Company, with offices in New York City.

The children are James Lloyd, Jr., 15, Kerry, 12, Sue Ann, 10. The proud grandparents will be visiting their son and family en route to Paris, France.

WE WELCOME YOUR COMMENTS

Danny, 7 1/2 months old, is the son of Celesta and Dan Vaughn who reside in Houston. Celesta and Dan are graduates of Hardin-Simmons and he is presently office manager for Southwest Wheel and Manufacturing Company.

Danny is the first grandchild for the Raymond C. Goldens and the Sam Vaughn's of Dallas. Fern and Raymond say Danny is the GRANDEST, and Connie is delighted with her little nephew.

Thursday, Danny's Grandmother Vaughn entertained with a "Get Acquainted with Danny" party, for her friends of Dallas. He and his mother barely had time to catch the plane for their visit with his Seminole "kin".

Danny seems to be the center of attraction in a rather vast territory--what a lucky young fellow!

# DREAMS END

(cont'd from Page 1)

where the cowboys had gone.

Last Wednesday reports began to reach Seminole of his death. It was hoped that the reports were wrong. Thursday, the Charlie Benson's received a letter from their daughter, Mrs. Lynn Jones in Amarillo with a clipping confirming the death of Al. He was killed about 5:10 p.m. on Tuesday, May 16th, eight miles east of Shamrock. Officers reported that apparently he was hit after a car had passed another car and was pulling back in the right lane of traffic, failing to see Johnson.

His goal, when leaving Seminole was the state of Maine, and doing some commercial fishing.

Allen Johnson had been welcomed into the homes of families all along the route he took. His death has left a sadness in the hearts of a vast number of people. He will be remembered as a young man who was not mad at the world, but one who loved people, country, adventure, and the delights of a family meal. In the Woods home he said, "No, I've never eaten this kind of a fried pie before. Could I have another one?" These are things we will remember about a young and visitor to our town.

Al was buried in his home town, Laguna Beach, California. He is survived by his mother, Mrs. Ted Covern of Laguna Beach, a sister and brother. His father died in a boating accident 14 years ago.

Al had mentioned while he was here that the swallows flew over Laguna returning to Capistrano. When the swallows fly back to Capistrano--it will be another time of remembering.

# News About Area Men In Service

**P.F.C. C.D. Tynes, Jr.**, arrived home from Viet-Nam Monday morning. His parents, Mr. and Mrs. **C.D. Tynes, Sr.**, and Kathy picked him up at the air port in El Paso Sunday night. C.D. Jr. had been gone almost a year. He is a Marine and is in Communications, also he had a Tap Secret Clearance while in Viet-Nam. He is on a 30-day leave and has volunteered for 6 more months duty in Viet-Nam. C. D. Jr. attended Seminole High before entering the service. His older sister, Aline Morris and family reside in Waco.

Seminole Seaman William Gordan Christopher, is in Long Beach, California. He is on the U.S.S. Yorktown Carrier Ship, which is under-going repairs. A large crack developed in the ship while in Veit-Nam. This crack is being repaired, plus the installation of new motors.

Gordan will be home for Christmas, and then return to Veit-Nam. He has been in Veit-Nam for six months, prior to his ship being returned for repairs. During the next few months, he will be working toward a promotion in rank. Two weeks ago Seaman Christopher received a knee injury and called his parents to tell them he would be going in the hospital for further treatment and test on his knee.

Gordan is the son of Mr. and Mrs. W.C. Christopher of Seminole.

## ROBERT KENNEDY WOUNDED IN VIET-NAM

Mr. and Mrs. Guy Kennedy have been notified that their son, Robert, has been wounded in Viet-Nam. Robert has written his parents that he was hit this past Thursday with mortar fire and had to have 2 pieces of metal removed by surgery. He will have to be in the hospital for a month. Royal Lewis, nephew of Ruby Lewis and Mrs. Howard Dean, was with Robert at the time he was wounded. Royal writes his folks that Robert was hit pretty bad.

# Girl Scouts to Lubbock

Left to right: Madeline Shelton, Kathi Russell, Janet Russell, Diana McClead, Charlene Shelton, Kim-et Earl, Mary Russell, Sydney McDougal, Sheri Kidd, LaDena Whitfield and Lucille McClead.

The Junior Girl Scouts, Troop 3, met Saturday at 9:30 a. m. at the home of their leader, Mrs. James Russell. Upon arrival of the girls, the cars were loaded and they left for an exciting day in Lubbock.

Before they reached Lubbock and destination, MacKenzie Park, it grew cloudy and a few sprinkles of rain; by the time they arrived at the park, it was very cool. The girls purchased tickets for rides and they rode them all, and couldn't decide which one was the most fun.

The girls had taken a sack lunch for a picnic, but due to dust and cold air, they went to the trailer home of Charles McClead and had their lunch. They later went shopping and ate supper at Furr's Cafeteria before returning home about 9:00 p. m.

Members attending the Outing were Charlene Shelton, Dathi Russell, Diana McClead, Kim-et Earl, Sydney McDougal, LaDena Whitfield, Sheri Kidd; leaders, Mrs. James Russell, and Mrs. Charles Shelton; Committee Mother, Mrs. John McClead; and a guest, Janet Russell. Charles McClead and Diana Bremmer joined the girls for supper.

The Jake McGuires went to Two Butts, Colorado to visit their daughter Mr. and Mrs. Harrol Latta and THREE GRAND CHILDREN.

Mrs. Jan Hill, daughter in law of Mr. and Mrs. Metz LaFollette, and son from Borger were here over the week-end attending the Graduation exercises.

Mrs. Zalphia Loyd of Hereford, mother of Mrs. J. W. Satterwhite, attended the graduation exercises over the week-end.

Mr. and Mrs. Laverne Jones and Steve were in Canyon during the week-end for the graduation exercises for their son and brother, Lynn. They also visited their daughter, Mary and husband in Amarillo.

Mr. and Mrs. Bobby Bingham and Shayne of Hereford visited over the week-end with their parents, Mr. and Mrs. Hiram Bingham and Mr. and Mrs. J.B. Walden and Mark.

Wallace-Taylor Wedding

Miss Janice Etoil Wallace became the bride of Mr. William Randolph (Randy) Taylor. The wedding took place May 20, at seven o'clock in the evening in the South Seminole Baptist Church. Reverend John Gillispie read the double-ring vows.

Parents of the couple are, Mr. and Mrs. C. P. Wallace, of Seminole and Mr. and Mrs. W. L. (Bill) Taylor of Colorado City, Texas.

The vows were exchanged before the Bridal Arch entwined with greenery and flanked with baskets of white carnations. The pews were marked with white satin bows.

The bride was given in marriage by her father, C.P. Wallace. She wore an original gown of white satin with a scooped neckline and bell sleeves. A band of wide lace trimmed with seed pearls accented the sleeves and hemline. A row of small pearl buttons trimmed the bodice. The chapel train was secured at the empire waistline. The train was accented with clusters of lace roses trimmed with pearls. The brides shoulder length veil was of silk illusion. It was attached to a satin ring. She carried a colonial cascade of white roses on a white satin Bible.

Miss Sammie Lou Hill of Seminole, organist accompanied Miss Jane Mallard, soloist from Fort Worth, Texas. Miss Mallard sang, "Walk Hand In Hand" and "The Lord's Prayer". The maid of honor was June Brown of Colorado City, a friend of both the bride and groom. Bridesmaids were, Earlene Hedrick and Jean Moretz, of Seminole. The maid of honor and bridesmaids wore floor-length gowns of red satin, in the empire style. They were fashioned with bell sleeves and scooped necklines. The empire waist were accented by a bow. Large bows were used for headpieces.

Suzanne Sparks of Seminole registered the guest at the church.

Steve Taylor, brother of the groom served as best man. Groomsman were, Mr. Melvin Jones of Seminole and Mr. Floyd Holbrooks of Loop, Texas. Mr. Mark Thompson of Seminole and Mr. Loyd Holbrooks of Loop served as ushers.

A reception followed the ceremony in the Fellowship Hall of the church. Presiding at the table was Miss Jane Mallard of Ft. Worth and Mrs. Edward Tipping of Odessa, Texas. The table was laid with a white lace cloth over red. Two red and white candles stood on each side of the centerpiece of red roses. The three-tier

MRS. SIMS HONORED

Mrs. James Russell entertained, Wednesday, May 17, from 9:30 a. m. to 11:30 a. m. honoring Mrs. L. H. Sims, who is moving to Hobbs with her family this week-end. This was a surprise party as she thought she was helping with a party for Mrs. Gerald Lake, Neighborhood Chairman.

After Mrs. Sims opened her gifts, refreshments of coffee and cookies were served to Mrs. Alton Brerkett, Mrs. Gerald Lake, Mrs. Jerry Oldham, Mrs. Charles Lambert, Mrs. Glenn Martin, Mrs. L.H. Sims, Mrs. Dave Henderson, Mrs. Louis Duncan, Mrs. Charles Shelton, and the hostess Mrs. James Russell.

Mrs. Gerald Lake was presented with an appreciation gift from the Girl Scout Leaders.

THANKS FOR THE HELP

Mrs. Hugh Harold, grandmother of Wayland Griffith and Mr. and Mrs. Bill Griffith, brother of Wayland were here attending the Graduation exercises.

wedding cake was decorated with red roses and topped with a miniature bride and groom.

When the couple left on a wedding trip, the bride wore a sleeveless Paisley print suit of linen. Her corsage was from her bridal bouquet. The

The couple will live in Alpine, Texas, where Mr. Taylor attends Sul Ross.

The bride graduated from Seminole High School and attended Sul Ross. Mr. Taylor is a graduate of Colorado City High School. He will receive his degree in Business Administration at Sul Ross State College in August.

Guests attending the wedding were from Snyder, Roscoe, Sweetwater, Colorado City, Ft. Worth, Alpine, Odessa, and Loop, Texas.

A rehearsal dinner for Wallace-Taylor wedding party, was held at the Raymond Restaurant. The guests were seated at tables which were arranged to form the letter "T".

The Cecil Douglas' were honored with a barbeque last Thursday night at the Sammy Moore home, 105 SW 10th. Sammy was the chef for the barbeque hamburgers. The guests enjoyed all the trimmings. A going away gift of a towel ensemble was presented to the honorees by those attending. The following guests were present Mr. and Mrs. Bert Hearne, Mr. and Mrs. Dwayne Herman, Dr. and Mrs. E. M. Wright, The Douglas's and The Moore's.

DARLENE GILLISPIE TRACK QUEEN

Miss Darlene Gillispie was recently chosen as Track Sweetheart by the Wayland Baptist College Track Team. Darlene was recognized Friday in a special sports assembly. Robert Pardue, track star from Houston, presented Darlene with a gold charm bracelet and an engraved sweetheart charm from the track team. Darlene is an enthusiastic sports fan. She was queen of the 1966 Seminole Indians Baseball Team.

Darlene is finishing her freshman year at Wayland with plans for attending summer school. She is presently employed in the Business Office at Wayland. She was also one of five nominees for Freshman Favorite.

Darlene is the daughter of Rev. and Mrs. John Gillispie of Seminole.

Mr. and Mrs. Monty Cox, Jr. and Coby of Lubbock were weekend guests in the home of Mrs. Cox parents, Mr. and Mrs. J.B. Walden.

**LOCAL FARM YOUTH RECEIVES HONOR**

Glen Shook, has been announced as the winner of the 1967 DeKalb Agricultural Accomplishment Award given to outstanding seniors in vocational agriculture departments. To receive this award, he excelled in scholarship, leadership and supervised farming activities during his four years in high school. Glen is the son of Mr. and Mrs. Homer Shook of Seminole, Texas. Glen has been Secretary of local chapter, Treasurer of Mesa district, a Member of The National Honor Society and an honor graduate. His farming program consisted of raising cotton and feeding pigs and lambs. After high school Glen plans to attend South Plains College and major in Farming Engineering. Glen is the 9th DeKalb Agricultural Award winner from Seminole High School, and as such his name will be engraved with the other winners on a special honors plaque provided by the sponsor.

That's a money tree Mrs. Lucille Reynolds is so happy about.

**MRS. REYNOLDS HONORED**

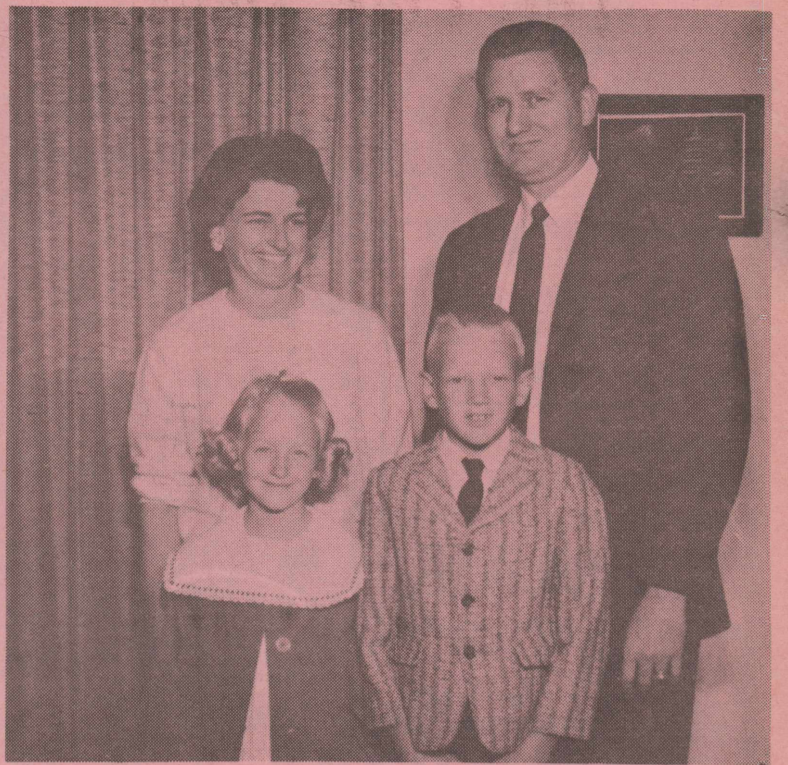

The F. J. Young Faculty and Auxiliary Employees entertained Mrs. Lucille Reynolds with a surprise party honoring her retirement from the school after 24 years.

During the informal affair punch and cake were served to approximately 20 guests and Mrs. Reynolds was presented a Money Tree.

Mrs. Reynolds came to Seminole in 1943 to just fill-in during a period when the cafeteria was first opened. It was strictly an emergency basis on which she worked.

And as the old saying goes 'things just didn't work out as was planned', and Mrs. Reynolds employment stretched into twenty-four years.

It is with much regret that we see Lucille leave the school staff, and our best wishes are expressed upon her retirement. We will miss the "real" bisquits and cookies---but most of all, we will miss her friendly smile.

**Melton Resigns**

Don Melton, Director of Counseling and Guidance for the Seminole Schools since 1963, announced his resignation Monday. Don has accepted a position with South Plains College in Levelland, Texas, where he will serve as Counselor and Director of Testing.

Don attended Tyler Jr. College and Stephen F. Austin State College where he received his B.B.A. and M. Ed. degrees. He has done post graduate work at Texas Tech, New Mexico State University and Sam Houston State College. This work included two N.E.E.A. Counseling and Guidance Institutes.

Don and his wife, Margaret, have two children, Greg, age 9, and Teri, age 8.

"We surely hate to leave Seminole and our many wonderful friends," Don said, "but we feel that this is an opportunity which we could not turn down. We have enjoyed living here tremendously and appreciate our association with the friendly people of Seminole."

**H.D. 'BUSY BEE' CLUB MEETS**

The News is running this ad again this week due to the fact that part of the printing in last weeks paper made it difficult to read. WE APOLOGIZE, THANKS!!!

The Hiram Bingham received word that Dale arrived in San Francisco Tuesday morning. He will be in Dallas tomorrow with his wife Linda, formerly, Linda Wiseman, and daughters, Deborah and Denise.

The Bingham are expecting a visit soon from the Dale Bingham family.

Frank Gady and Joe Coffman were in Lamesa over the week-end visiting in the Joe Greene home.

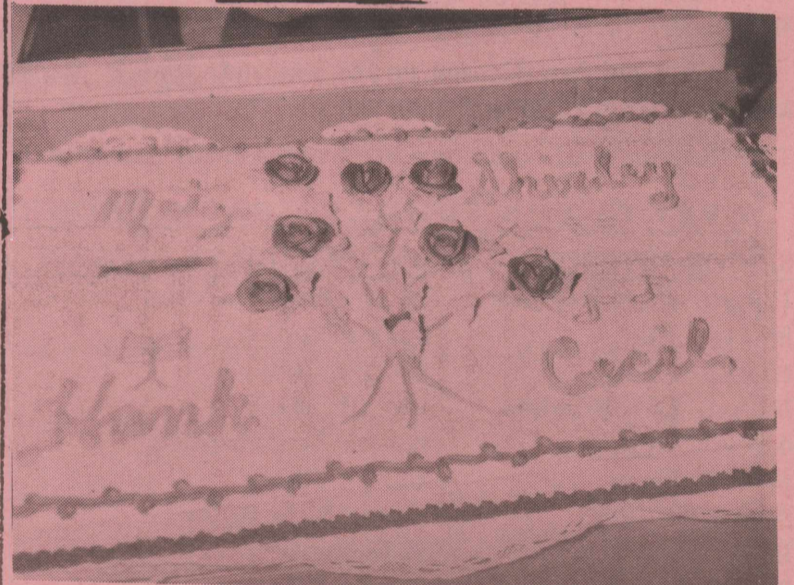

Mr. and Mrs. Dave Ridens left this morning to take Mrs. Micheal Smith to Amarillo. Ann will leave via plane to go to Tucoma, Washington where her husband is stationed.

Mrs. Opal (R.M.E.) Hughes: "I just want to enjoy life, have a clear conscience, and live good, and live among good neighbors."

SO LONG!

The teachers in Seminole High School honored, left to right, Cecil Douglas, Hank Sellers, Mrs. Shirley Thorton and Metz LaFollette Friday with a picture full of cake, coffee, and coke. This was a farwell party for the four, who will be moving from Seminole. The NEWS also wishes each of them a 'good journey'.

## THANK YOU !!

THANK YOU Although the show was held several months back - The Gaines County 4-H Clubs and FFA Chapters want to express a sincere thank you, to the following merchants and individuals who helped make the GAINES CO. JR. LIVESTOCK SHOW the big success that it was.....

## HOUSING STUDIED BY GROUP

A group of interested citizens met in the Chamber of Commerce office Tuesday afternoon to discuss farm labor housing. The discussion also included federal loans and grants available for this type housing.

Loans are available to individual farmers or groups, such as a labor association. The housing can be built anywhere as long as it is used for agricultural labor and provided there is a need for such labor.

The purpose of this housing is to provide low rent that people can afford to pay. Payments on the property can be as long as 33 years at 5 per cent, or the useful life of the house, which ever is less. Grants can run as high as 50 per cent. If a grant is involved, the laborers occupying the housing can work anywhere as long as it is in farm labor.

If a house is owned by a farmer and businessman, the laborer can be required to work on a member farm.

The farmers home administrator does not say how much a farm laborer is to be paid. It is necessary for the group to make a survey to determine how many farm laborers are used per month, and how many houses would be needed for labor is important at this time.

The amount of the loan or grants available from the government is based on the need of the committee. It was stated that it would take possibly 7 to 8 months to get a loan and (or) grant. It took 13 months at Dimmit, Texas.. The project at Dimmit for 196 units cost \$960,000.00. Of that amount 1/3 was granted, 2/3 loaned, and the citizens paid approximately one per cent. If you desire further information, contact the Seminole area Chamber of Commerce.

Attending the meeting were the following: Mr. Charles Reed, of the Seminole FHA, Dwayne Herman, Robert Jameson, B.C. Norton, Richard Watts, Earl Denton, Joe Seagler, Carl Hughes, Dr. E.M. Wright, Bill Wescott, Raymond Bates, Leon Foote, Don Moore, and Clarence Wright.

Senior Darwin McBeth was honored with a graduation party in the home of Miss Annette Shores of Dener City, on Tuesday, May 23.

Mr. and Mrs. Joe Greene of Lamesa were visitors in Seminole Friday. They came over to take their grandchildren Don and Susan Coffman home with them.
