## Editorial

In our society of today, some things are basically wrong, and in the J. P. Court of W. E. Cox, Jr., it was proved anew.

D. A. Thomas was convicted by a jury trial that the "use of abusive language to provoke a breach of peace" in a public place is not only wrong but can be filed upon and proven guilty. Other courts and other juries should take notice.

The use of profanity in public places by so many people simply makes it less offensive and few are charged. Because so many people drink, it seems to be harder and harder to convict a drinking driver. Because of the tendency to overspend, it becomes harder and harder to convict bad check givers. Because of the attitude of not wanting to get involved, thieves are turned loose, attackers cannot be charged, drunk drivers are simply fined to drive again, wife and children beaters are turned loose, and others get by with breaking a law.

Not so last week! Six men appeared and told the truth, and the subject was convicted.

~~~~~

Last week, I talked about some 50 light bulbs and 40 appliances in our home. You probably don't have any problems with yours but we keep from one to four down all of the time. Two months ago we needed a part and told the repairman, "Buy the part and don't spend too much money working on this one." It worked pretty good for a few days. To make a long story

## Lewd & Obscene Material

### Discussed In Meeting

"If someone were to tell us that there was a worm in a can of beans in our store, we could not afford to open every can to find the worm." Such was the opinion of Club Estep concerning lewd and obscene reading material on magazine racks. He further stated, "Books come in on Monday and magazines on Thursday, and to read all the material in them would be looking for the one worm. We do need some help to keep them out of our stores. We get three westerns (which are ok) and the rest sex, and we can sell all of the sex magazines we get."

In the meeting Monday night of interested people concerning such literature, there were 58 people present. It was pointed out that people distributing or selling to minors could suffer twice the penalty as selling to adults. (It is against the law to sell such material to adults.)

Joe Smith, acting as chairman, stated, "A few people cannot accomplish the purpose, it will take everyone's help that is interested in getting rid of such material."

The owners of some ten stores will be contacted to enlist their help and further check with them so they will not resent people from the Monday night meeting visiting their store. It was further suggested that all interested citizens call to the attention of owners and people on this committee made up of Joe Smith, Jim Savell, Howard Deen, Dr. E. M. Wright, Dan Cocke, and Jim Kennedy. If in your checking you find material that shocks you, please call it to their attention. Again it was suggested that the purpose of this meeting was not to advertise such junk, but to examine books and magazines with the intention of keeping them out of Seminole.

"There was such a contrast between what I used to think was obscene literature and what I found on the shelves recently in Seminole," stated Rev. Kirk. (The magazines and books are so much worse today than they were 8 to 10 years ago.)

The next meeting of this organization will be a called meeting and appointments will be made from the people attending the past meetings to check specific stores.

"We had trouble with distributors of books and magazines all the time. We had to be with them all the time when they check in magazines and books and check them out. We finally kicked them out nearly two years ago," said Rayford Bates.

"If anyone finds dirty or obscene books or magazines on our racks at Piggly Wiggly, they will be doing me a favor to lift them -- either leave them with me or one of the other employees, or put them in the back room. We do not want them on our shelves," so said Daryl Burks.

ROY B. DAVIS

A former Seminole resident has been appointed the 17th president of the National Cotton Council. The council is the central organization of the raw cotton industry.

Newly named president is Mr. Roy B. Davis. Mr. Davis was the first Gaines County, County Agent. He served here in 1927. Mrs. Davis is the former Dennise Cobb of Seminole.

Two of Mrs. Davis' sisters, Miss Ora Cobb and Mrs. Dorothy Hargrove and a brother, Gordon Cobb, are Seminole residents.

As president of the National Cotton Council Mr. Davis will do extensive travelling. He has served in many boards and in varied positions in the interest of cotton. He is general manager of the Plains Cooperative Oil Mill in Lubbock where they reside. Mr. and Mrs. Davis have 2 sons, Dan and Roy Bennett, Jr. and six grandchildren.

### A 'Thank You'

The Rotary Club members say a big "Thank You" to every one for making the annual Chili Supper such a grand success. Thanks! Thanks! Thanks!

## Rising Cost In Hospitals

Hospital costs receive another plank in the floor that continues to push them upward Thursday when the Fair Labor Standard Acts minimum wage requirement for hospital employees becomes \$1.15 per hour. This is the second of five such graduated minimums which will continue to push costs up until at least February 1, 1971 when the hourly wage of the least skilled worker must be \$1.60.

The hospital employees were included in federal minimum wage coverage for the first time last year. The minimum base of \$1 an hour became effective February 1, 1967 and is to be increased 15¢ an hour on February 1 of each year through 1971.

As payroll expense is about two thirds of total hospital costs, Texas Hospital Association Executive Director O. Ray Hurst of Austin, points out that salary increases have a marked effect on the patient's bill. For instance, he says, the average Texas patient is supported or cared for by two and one-half employees each day (20 employee hours). As a result, even a minimal 15¢ pay increase results in \$3 a day additional that must be charged to the patient or his third party payor.

"Of course," Hurst explained, "the minimum wage requirements do not directly affect the professional and technically skilled employees of the hospital. However, the result is the same as if the law did require raises for all.

## COTTON MEET SET-FEB. 15

A top-notch cotton conference is slated in Lubbock for Feb. 15. Noted speakers will be on the agenda. Various subjects included are the World Cotton Situation, Demand for Quality Cotton and other aspects of the cotton program.

All interested persons are urged to attend. The meeting is to be at the KoKo Palace at 9:30 a.m. The conference is sponsored by the South Plains Agricultural Agents and County Program Building Committee.

varieties, growing an orchard, timely irrigation, fertilization, intercropping, cover crop, cultivation, pruning and thinning, disease and insect control, spraying, and harvesting.

After this meeting, time permitting, we will go to the orchards to do some actual pruning and check on growth of trees.

Hoping to see you at the meeting.

Sincerely,  
Calvin D. Holcomb  
County Agri. Agent

## '68 HEMISFAIR

There's less than 100 days to go for the big extravaganza, and it's obvious to see why everyone connected with it is acting like a proud father. Just a short time ago, the area in downtown San Antonio was ticketed for Urban Renewal.

HemisFair came along and turned it into a \$156 million jewel-box which really defies description.

It has gone up like clockwork. And, when it is ready for the curtain call April 6, it truly will be something to see.

The focal point, of course, will be the Tower of the Americas, tallest in the western hemisphere. It will have a revolving restaurant at the top, a view of 100 miles around, and has been set up to handle 1,750 people per hour on the two observation decks.

But, no matter how awesome it is, the Tower is only one small part of HemisFair. There will be more than a score of foreign countries showing off their products and culture, a host of private exhibitors, the United States exhibit, and at least two state pavilions.

What really makes those pavilions good to the budget-minded traveler is they are all FREE after admission to the grounds.

Of course, there is plenty more, and it won't be all culture and business. Fiesta Island, Hemis Fair's answer to Coney Island, will have a multitude of rides for all ages, including many that have never before been available in this country.

### NOTICE

April 1 was announced by the Noon Day Lions Club for its next talent show. Participants will not be restricted to Seminole school district this year.

### IT SHOWS IN YOUR FACE

You don't have to tell how you live each day, you don't have to tell if you work or play; A tried, true barometer serves in its place, however you live, it will show in your face. The false, the deceit, that you hold in your heart, will not stay inside, where it first got its start; For sinew and blood are a thin veil of lace, what you wear in your heart, you wear in your face; If you have battled and won, in the great game of life, If you feel you've conquered the sorrow and strife, You've run and endured, in the struggle and race; You don't have to tell it, it will show in your face. If you've played the game fairly, and cheated nowhere, but know that you've played it honest and square; And secretly know that you started on first base, you won't have to tell it, it will show in your face. If your life is unselfish, if for others you live, not for what you can get, but for what you can give; If you walk close to God, in His infinite grace; You won't have to tell it, it will show in your face.

## OUR WISH FOR DONNY -- *Success*

Donny Brasher, son of Mr. and Mrs. J. E. Brasher, 308 S. W. 16th Street, will be one of some 1000 Texas music students meeting in Austin Thursday, Friday and Saturday for the annual clinic-convention of the Texas Music Educators Association. Also attending will be some 3500 music teachers from over the state.

Donny earned his trip to the convention by being chosen for the All-State Band as a trumpet player, the only one selected from this region. Accompanying the eighteen year old senior will be Seminole Band Director, Sammie Robertson, Choir Director Karen Hausenfluke, and elementary music teacher Roy Hendricks.

The event will be the 44th annual clinic-convention held by the TMEA and predecessor organizations and is a part of the organization's efforts to promote and improve music education through in-service training of the state's music teachers.

Music students vie for months in advance on district and regional levels for the honor of performing at the affair and are chosen from all Texas school districts. Those finally invited to attend the clinic-convention are considered to be the "Cream" of the half-million students studying music in Texas.

It is from this group that members are selected for the Texas All-State Symphonic Band, All-State Symphony Orchestra and the All-State Choir. The final result will be a band, orchestra and choir that rank among the finest in the land.

Highlight of the convention will be the 1968 Grand Concert scheduled for 8:00 p.m. Saturday, February 10th during which the three All-State groups will perform under nationally known and internationally prominent conductors.

Because of state-wide interest in music education Programs in Texas schools, the Saturday night Grand Concert will be broadcast live on Channel 9 in the Austin and San Antonio areas and also will be preserved on videotape for telecasting throughout the state at a later date and on audio tape for subsequent radio broadcasting.

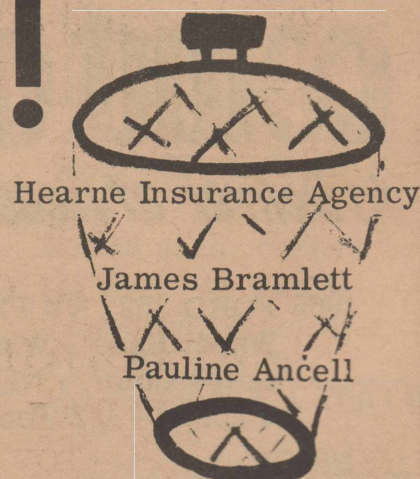

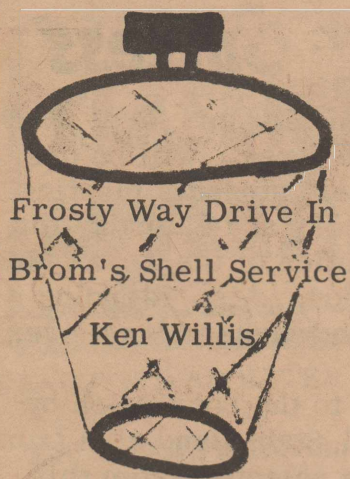

Conducting the Texas All-State Bands will be Dr. William D. Revelli, Conductor of bands at the University of Michigan in Ann Arbor. The All-State Symphony Orchestra will be led by Vaclav, internationally known composer, conductor, and lecturer. Dr. Howard Swan of Los Angeles Occidental College will direct the All-State Choir.

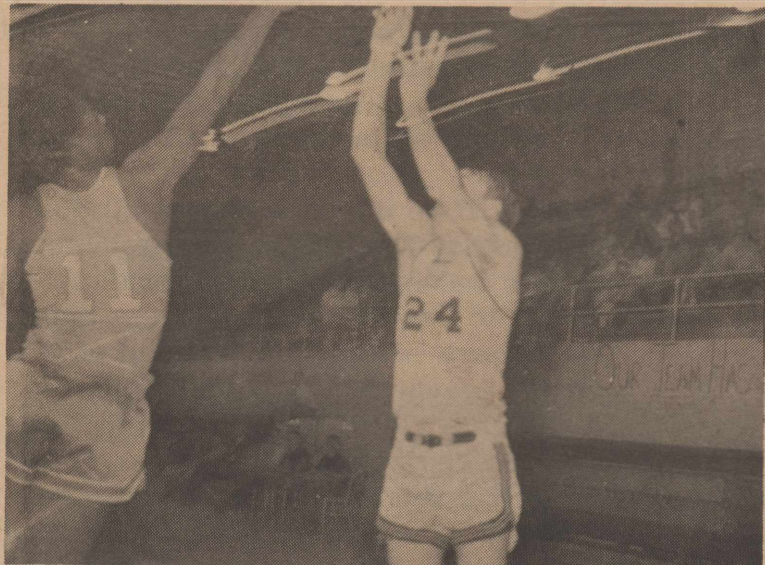

Seminole Volunteer Firemen, Chief Jimmy Pierson and Glen Cavitt.

## SEMINOLE B-TEAM

Hatley against Ector.

After leading three quarters Friday night, the Seminole Bees went down to defeat at the hands of Ector 49-54. Seminole held a 16-9 bulge at the first quarter and increased it to 10 at the half, but found the going tough in the fourth quarter and lost.

Hatley led Seminole with 20, McDonald with 15, Ray and Haley with 6 and 5, and Whisenhunt and Lock with two each.

Shot and shot in the fourth quarter, but they could not score.

Steve Haley led the Seminole Bees to victory over the Eunice Bees Tuesday night at Eunice, New Mexico by scoring 19 points. C. J. Danley was second with 10 points to his credit. The scores by quarters were First quarter, 12-15; second, 28-31; third, 42-42; fourth 52-49.

## FRESHMEN

Sharp goes up high against Andrews as Miller and Gowdey get ready for the tip.

The Freshmen Bees walloped Andrews Tuesday night 40-27. They jumped out with a 15-6 first quarter lead and were never headed. Barker and Satterwhite led the team with 10 points each, followed by Mabry with 8, and Partain and Holbrook with 6 each.

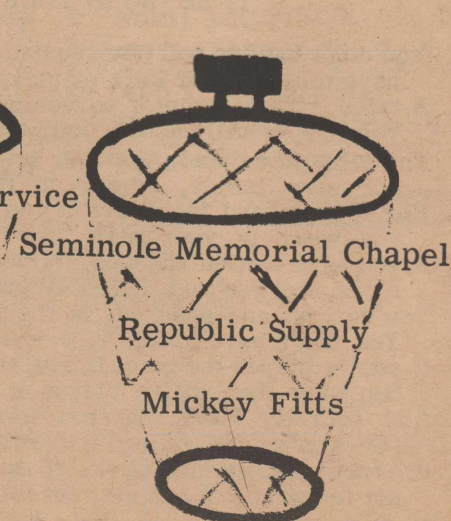

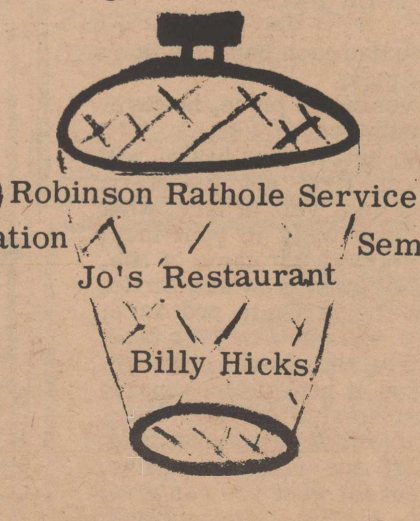

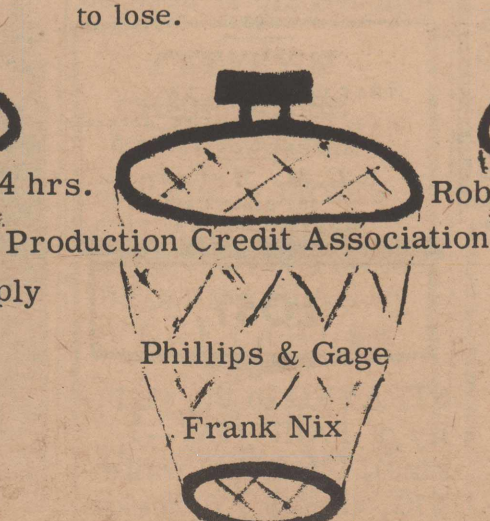

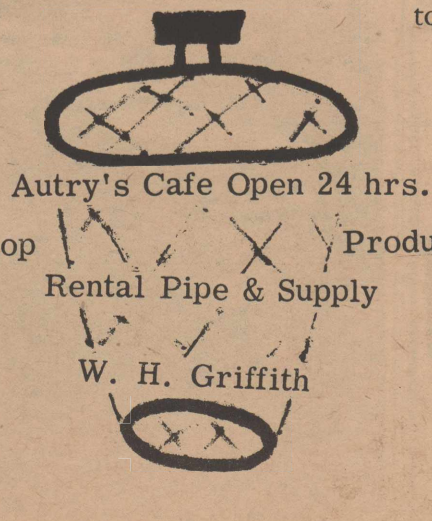

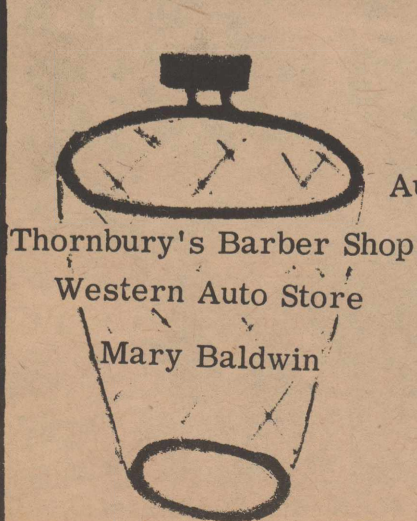

The Freshmen A Team lost to the Andrews A Team 59 - 62 after the score being tied six or eight times. Sims had trouble in the second half scoring only two points after hitting 18 in the first half. Bennett had 17 and Hearne had 12 to lead Seminole scores. These are the tough kind to lose.

Coach Hicks instructs Bennett, Sims, Smith, Hearne, and Pendleton.

The Freshmen B Team played Kermit Monday and won by 11 points. Cecil Holbrook was the boy with the hot hand scoring 17 points, followed by Russ Mabry with 6, Barker with 5, Sharp, Satterwhite and Partain had 4, Gowdey had 2, and Miller and Six had 1 each. The Bees have a 10-2 record and will play Brownfield Thursday in Seminole.

The Freshmen went on a scoring spree against Kermit scoring 83 points and beat Kermit by 19 points. Lavern Bennett had trouble missing and scored 35 points. Gene Sims had 23, Bill Hearne had 13, Thomas Gonzales had 6, Fred Pendleton had 5, Steve Nelson had 1. They were 11-7 on the season. In the first half, the Freshmen scored 38 points with 24 coming on free throws.

## SORORITY MEETS

The Seminole Junior Study Club met Thursday, February 1st. at 4:00 p.m. in the home of Mrs. Don Hughes. Mrs. Glynn Chandler was co-hostess.

During the social the hostesses served frosted brownies with coffee and cokes. The valentine colors of red and white were used in the serving table decorations with white lace cloth covering.

Theme of the day's program was "...In the Knowledge of the Hemisfair." Mrs. Charles Mickelson presented a report, "What is the Hemisfair?" She said that the "Fair of the Americas" will be a six-month long 250th birthday celebration beginning in April, 1968, and ending in October, 1968. The theme of the fair is "The Confluence of Civilizations in the Americas."

The exposition will conduct a centuries-deep probe into the diversified cultures of Pan-America---, the history, art, religion, and socio-economic development of each of the nations of this hemisphere and the significant contributions to their development from other continents. Mrs. Mickelson went on to describe the physical aspects of the fair and concluded by saying that the exhibitions and pavilions, as well as concessions, will be designed to enhance the existing brotherhood of New World Nations with greater knowledge and understanding. They will not only be features of the fair, but the living embodiment of its purpose and pledge.

During the business meeting, officers for the coming club year were elected. Mrs. Don Hughes will be president; Mrs. Kent Denson, Vice president; Mrs. Wayne George, Corresponding Secretary; Mrs. Mike Jenkins, Record-

The Lubbock Christian College A Capella Chorus is scheduled to present a program in Seminole on February 16th. The group will sing at Westside Church of Christ. The public is invited to attend.

*New Officers Are Installed*

Mrs. Fred Farrar, Mrs. George Floyd, Mrs. Bill Wescott, Mrs. Ed Balentine and Mr. and Mrs. Edwin Rodgers were in Morton Saturday night to install officers for a newly organized Ladies Auxiliary for the Cochran Memorial Hospital. They met at the Production Credit Association Room in Morton.

Mrs. Farrar, president of the Memorial Ladies Auxiliary gave the introduction. Mrs. Balentine modeled the Pink Ladies uniform.

Mr. Rodgers told what the Ladies Auxiliary meant to a hospitals. The Pink Ladies give the patients the personal touch that often the nurses don't have time to do. An Auxiliary increases the value of a hospital.

Mrs. Westcott gave the duties of the treasurer and a resume of the floor work that Pink Ladies do. Satisfaction of being a Pink Lady comes from the help and services rendered to the patients. Mrs. Floyd explained ways and means to earn money. She said it was the most rewarding work a person could do.

Mrs. Rodgers spoke on public relations inside and outside the hospital.

Mr. Rodgers installed the officers, President - Mrs. Bill Williamson, First Vice-President - Mrs. Herman Bedwell; Second Vice-President, Mrs. Lowell Jackson; Third Vice-President, Mrs. A. E. Sanders; Recording Secretary, J. C. Reynolds; Corresponding Secretary, Mrs. Lloyd Miller; Treasurer, Mrs. Elwood Harris.

Mr. Rodgers concluded the program emphasizing that if love exists in the auxiliary, everything else fell in place.

After the program refreshments of coffee and cookies were served. The refreshment table was covered with a white tablecloth and centered with a replica of a wheel. The hub represented the president; and ribbons forming the spokes represented the other officers and the rim was representative of the other members of Cochran Memorial Hospital Auxiliary.

The Eighth against Plains.

A big stretch against Plains.

The Seminole Eighth won over the Cowboys from Plains 48-28 last Thursday and followed with a 38-31 victory over Kermit on Monday. In the Plains game, Seminole jumped out to a 14-8 lead in the first quarter and added to it in the following quarters to win by 20 points. In the two games, Tipping scored 22 points, Pierson had 8, Ray had 15, Barbee had 11, Calderon had 11, Shuler had 2, Drennen had 2, Miller had 12, and Jackson had 3. With less than three minutes to play in the Kermit game, Seminole was down one point 31-30 and came on strong in the last 2½ minutes to score 8 points, holding the Yellowjackets to 0. It was never more than two or three points spread until the final part of the game.

Blow the whistle, referee. Bartley has him all tied up.

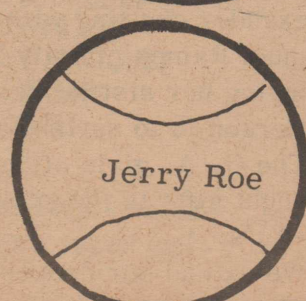

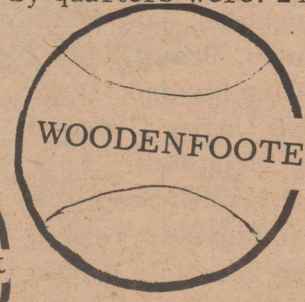

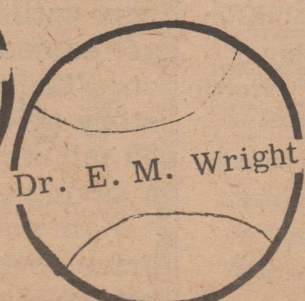

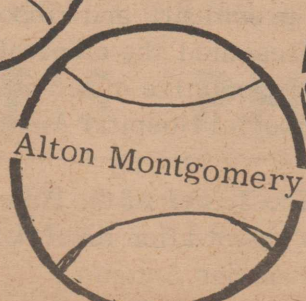

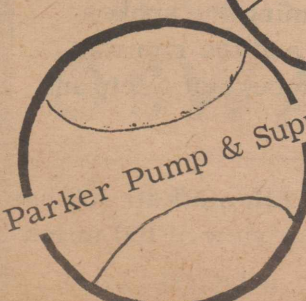

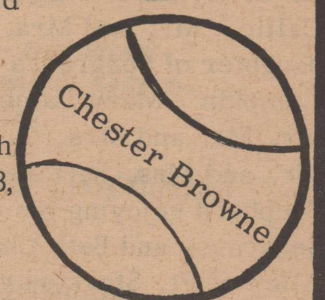

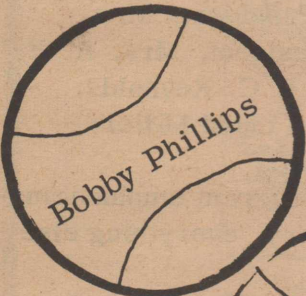

He's little, but he plays for the Mighty Seventh - Carl Brown.

On Thursday the Seminole Seventh took Plains on and beat them handily 56-38. Nelson had the warm hand in this game scoring 30 of the 56 points. Bennett had 10 points and Norris had 7.

On Monday night they returned beating Kermit by 20 points 47-27 for their 15th consecutive victory. Bennett led in scoring with 15 points, followed by Roberts with 7 points, Nelson with 5, Brown with 5, Bartley with 5, Norris with 4, and Butts, Smith, and Gonzales with 2 each. Scores by quarters were: 24-3,

# ED WELCH ANNOUNCES FOR SHERIFF

Ed Welch, 43, a veteran of more than ten years in various departments of law enforcement, has authorized the Seminole News to announce his candidacy for the office of Sheriff of Gaines County, subject to the Democratic Primary on May 4.

A native of Alabama, Ed Welch has lived in Seminole since 1954. He lives at 608 S. W. 15th Street with his wife, Rosa Ray, and four step-children, Richard, a senior, and John, a Sophomore, in Seminole High School; Shelia, an eighth grader and Donna, a seventh grader, in Seminole Junior High School. They are members of the Church of Jesus Christ of Latter Day Saints in Seminole.

For the past three years Welch has been employed by the Seminole Police Department. He has been Chief of Police in Seminole for the past thirty-three and one-half months. He announced his resignation as police chief, effective Monday, February 5, to actively campaign for sheriff. He served on the City Police Department for two years, in 1959 and 1960. He also served as a Gaines County Deputy Sheriff for two years prior to returning to the City Police Department. He is a veteran of eight years and eight months in the U. S. Army, serving during World War II in the European Theater and again in Korea during the Korean War. During his time in service Welch served as a criminal investigator for the Military Police for three years.

In announcing for the office of Sheriff, Welch stated that he will be running on a platform of "Honesty, Friendliness and Fairness."

He added that he will make an effort to visit with every voter in Gaines County between now and the first primary and will welcome any questions pertaining to the conduct of the office of Sheriff.

At 12:46 p. m. Tuesday, Frank Dyer purchased a "Sorry Bout That" Fire Extinguisher from the Girls Scouts at a program given at the Lions Club. At 1:18 p. m., he was at the Chamber of Commerce Office when the fire whistle blew. He rushed to the fire station to be of assistance, finding the fire trucks gone. He is shown using his extinguisher on a small fire overseen by Firemen Paul Combs, Andy Lemmons, and Charlie Benson.

The punch line of this story -- buy a fire extinguisher and help raise the \$1617 for the 159 local Girl Scouts in Seminole.

Mary Russell, Ester Martin, Pat Aryain, and Ruth Lake reported at the Tuesday Lions Club \$789.30 collected with a known \$75 to \$100 pledged. They further stated that they hope the fire extinguisher sales will bring in the rest.

Rides for youngsters of all ages, many appearing for the first time in this country, will be featured on Fiesta Island at HemisFair '68.

## HOSPITAL From P. 1

The 'ripple' effect is set into motion by the mandatory increases for those at the bottom of the scale and the result is not merely a straight line, across-the-board increase, but rather an adjustment of salary scales throughout the hospital organizational structure to provide, so far as possible, adequate compensation for the level of services rendered."

Ed Rodgers, manager of the local hospital, stated, "We cut our forty-four hour work-week to a forty hour work-week to balance the pay schedule, but we had to hire extra help to take care of the lost hours. The first of the year, we went up on our private rooms \$2 per day."

"Actually, the wage law only made our rooms go up about \$1 per day compared to the \$3 Texas wide, but with other continually rising expenses, we had to raise \$2."

**NEWS RELEASE**

Tuberculosis is on its way out! Amazing though the statement may seem, this breakthrough - the beginning of the end - will unfold very simply, very quietly, very undramatically Wednesday at noon at the Lubbock City-County Health Department.

Wednesday marks the first day for an Out-Patient Clinic in this county. Other counties will surely follow. On that day, Isoniazid (INH) will begin an all-out attack on the "Tubercle bacillus" - the germ which eventually activates tuberculosis.

Control and eradication of the disease will not be overnight, but the beginning is here.

Out-Patient clinics will be held at the City County Health Department in Lubbock County on a weekly basis. In other counties, the plan will be similar. The West Texas Tuberculosis Association will help to staff these clinics by furnishing doctors, nurses, a health educator and clerical workers. On Wednesday, the Lubbock clinic will open with thirty-three patients who have appointments to see the doctors.

INH has been recommended for use by the National Tuberculosis Association, the American Thoracic Society and the United States Public Health Department. Private doctors will soon begin prescribing the drug to their patients. The cost is very little - approximately four dollars per month.

INH qualified for this recommendation on four counts. These were effectiveness, acceptability, toxicity and cost. The Lubbock County clinic is but the first. It is hoped that such a clinic will shortly exist in each of the 23-county area served by WTTA. The idea is first adopted by the county medical society, then the county health unit - and finally the drug is received in ample quantities needed for application.

What is INH?

Approximately 25 million people are infected with tubercle bacillus. In past years, the rate of these infected people has increased, and in the period of one year, at least one percent will become active tuberculosis patients. It takes only one tubercle bacillus to cause infection. Yet, in from two to ten

Funeral services for Mrs. Zora Quinn, 83, were held in the First Methodist Church of Nocona Friday, February 2, 1968. Mrs. Quinn died Wednesday morning, January 31, at Twilite Acres, where she had been a resident since last September.

Local arrangements were by Seminole Memorial Chapel.

She is survived by a son, Melvin Quinn, Seminole; two daughters, Mrs. Sibyl Garrison, Seminole, Mrs. Obie Williams, Houston; three sisters, Mrs. Ola Carmichel, Mrs. Ernest Curlin, both of Nocona and Mrs. Cyril Anderson of Fort Worth, nine grandchildren, thirteen great-grandchildren and one great-great-grandchild.

**ATTEND**

**CONFERENCE**

Mr. and Mrs. J. Lewis McCrummen attended the Sixteenth Annual Mid-winter Conference on Communications Disorders at Texas Woman's University in Denton, Texas, February 2-3, 1968.

Mrs. McCrummen said it was a most enjoyable and enlightening program. They attended all the lectures sessions and banquet and enjoyed it all very much.

Guest speakers were: Jon Eisenon, Ph. D of Stanford University School of Medicine; Martin R. Gluck, Ph. D of University of Texas Southwestern Medical School at Dallas; and Nancy E. Wood, Ph.D of University of Southern California. Dr. Jon Eisenon spoke on "Perception As It Relates to Speech Disorders."

weeks, the reproduction of this bacillus can turn a negative reaction into a positive one. These are called "converters".

Previously, all doctors could do was what they called "watchful waiting", meaning that they could only keep a surveillance on the patient until he did become active. Then a TB drug was given.

Now, INH, under the new recommendation, will be given to all positive reactors. This will prevent them from going into a clinical state of the disease - more simply, INH will attack the bacillus and prevent it from ever becoming tuberculosis. INH given to all positive reactors in the country could cut down the disease rate between 75 and 80 percent. All positive reactors are considered infected persons.

It was only recently proven, after nine years of research, that INH will keep positive reactors from becoming active. In eight of those years, WTTA, actively participated and cooperated in the program.

INH actually kills the tubercle bacillus, but at the same time has no harmful side effects since it does not effect the body. It is the least toxic of the TB drugs, and applied alone to positive reactors promises to be a long-awaited miracle in the eradication of tuberculosis.

In the Lubbock County clinic, the long range treatment will begin with all positive reactors who are children under the age of 20 years and all known recent converters, regardless of age. It was also decided that all household contacts of a reported active case of tuberculosis should receive chemoprophylaxis for a minimum of twelve months if their reaction to the test is positive.

The Health Department takes the large x-ray film of the patient. Radiologists from the WTTA read the film free of charge. Public health nurses visit in the patient's home and provide the doctors with medical history of the patient. They also make home visits and notify the patient of an upcoming appointment at the clinic.

Radiologists, internists, pediatricians, and thoracic surgeons - along with clerical workers, health educators and nurses will be provided by WTTA on volunteer basis to all county clinics.

For more information about an out-patient clinic and INH at work in your county, contact your county medical society or the West Texas Tuberculosis Association in Lubbock by telephoning PO2-0506. Complete details are available at your request. Just address your inquiry to 916 Avenue N, Lubbock, Texas.

# SEMINOLE MAIDENS

The B volleyball team brought home the championship trophy from the Permian Bee Tournament. This is the first time the B Team has won a first in the tournament. For the championship, the B's had to defeat four strong teams: Wink, Crane, Kermit and Pecos in that order.

The only match the B's lost was in the opener with Wink, 6 - 15. However, the B's took the next two 15-8 and 15-2 to advance in the quarter finals for a game with Crane. High point for the Maidens against Wink was Linda Lawrence with 3; Frieda Stephens with 8; Vicki Wallace and Stephens with 6 points each.

The B's played only two matches with Crane, winning both by tight scores 16-14 and 16-14. High point for Seminole was Estella Primera with 6 and L. Lawrence and Judy Martin with 4 points.

The foe in the semi-finals was the old rival Kermit. The B's kept their slate clean and took the game with two matches 15-13, 15-11. High point was J. Martin with 5 and L. Lawrence with 8.

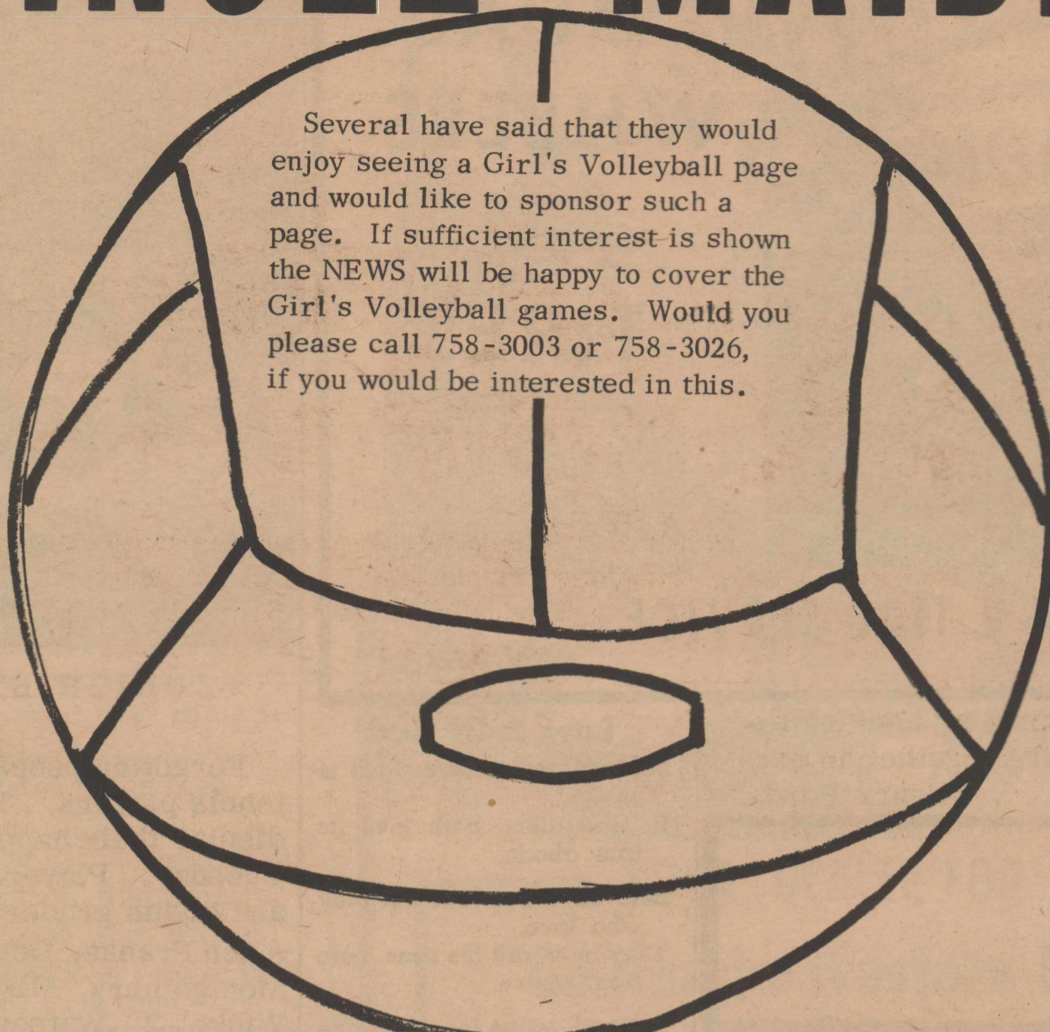

To climax a successful journey to Odessa, the B's met Pecos in the finals. In two close matches, the B's downed their opponent 15-13 and 16-14. High point was Charlotte Moore with 7 and Judy Martin with 6.

A trophy for the whole team and two members on the all-tournament team highlighted the evenings' work - Charlotte Moore and Stella Primera made the all-tournament team.

The Freshman girls beat Seagraves in Volleyball Thursday night 15-0 in the first game and 16-14 in the second game.

Vanwinkle was high in the first game with 7 and Sanders in the second game with 8 points.

The B Team almost duplicated the Freshman score with a 15-0 win with Lawrence scoring 8 points. The second game was 15-9 in favor of the maidens with Bell scoring 9 points.

Several have said that they would enjoy seeing a Girl's Volleyball page and would like to sponsor such a page. If sufficient interest is shown the NEWS will be happy to cover the Girl's Volleyball games. Would you please call 758-3003 or 758-3026, if you would be interested in this.

The Maiden Volleyball Bees won the tournament and received the trophy as shown in Odessa. **FIRST PLACE -- NO LESS!**

Pictured, from left to right, Kay Huey, Judy Martin, No. 13; Sally Hunt, No. 20; Stella Primera, No. 10; Vicki Six, No. 22. Second row, Robna Roberts, Vicki Wallace, No. 11; Sharon Bell, No. 15; Nancy Hawkins, No. 16. Third row, Pam Buck, manager; Linda Lawrence, No. 14; Freida Stephens, No. 12; Loretta Dyess, Robin Hughes, No. 19; Charlotte Moore, No. 24; and Coach Sandra Ward.

The Maidens successfully defeated the Lamesa volleyball team Monday night in three matches.

In the A game, the Maidens led by a score of 9-0 when Lamesa started their scoring. In the excitement, Lamesa gained the lead after several rotations by 12-14. The Maidens rallied and then the lead was shared a number of

times. At last Seminole finished the first match with a high score for volleyball, 19-17. High point in the match for the Maidens was Donna Carter with 8 points.

With a victory going into the second match, the Maidens ended the game 15-12. High point was Judy Bell with 7 points.

The Maiden A Team met the Stamford Volleyball Team in the opening game in Odessa. In two matches the Maidens defeated their opponents 15-8 and 15-9. High point in both matches was Charlotte Garner with 6 points in each match.

The Maidens would not be so fortunate for their second game. The foe was the Plains Cowgirls. Known for having a strong team, the Cowgirls took a victory from the Maidens. The first match ended 9 - 15 and the second 5 - 15. High point was Margaret Garland and Gloria Calderon with 3 points each; Calderon in the second with 3 points.

The second defeat for the Maidens eliminated them from the tournament but Gloria Calderon made the all-tournament team.

The B Team continued a successful season with victory over the Lamesa B Team Monday night. The victory over Lamesa gave the B's a six-game winning streak. The first match was close 15-13; the second was won also by Seminole - 15-10. High point in the first match was Freida Stephens with 6 and in the second Stephens again with 7 points.

The Freshman got their second victory of the season with scores of 15-5 and 15-9. High point in the first was Susie Smith with 8 and Susan Sanders was high point in the second with 9 points.

**JUNIOR HIGH TENNIS TEAM**

Forgotten people a lot of the time are the tennis players. These were not forgotten and display their happiness before their match on Tuesday. Players are made up of the seventh and eighth graders: Nick Puga, Mike Green, Allen Franks, Donnie Allen, Joe Bates. T. Montgomery, Mike Barnett, K. Dendy, Terry Wicks, T. Watson, B. Cockrell, David Guiterrez, Cathy Cates, Kathy Tynes, Susan Duncan, Ann Berry, Beverly Baker, Dianna McClead, Joneen Cummings, Polly Doss, Janice Huggins, Shirley Carson and Kim Earl.

Nick Puga, on the left, is shown with his coach, Sid Young, after having won the Boys Singles against Andrews. Joe Don Bates, on the right, played to a tie in No. 4 Boys Singles. (The Game called because of Darkness.) The Junior High lost their matches 12-1/2 to 1-1/2.

Inspiration is far more likely to strike a busy man than an idle one.

**Love Is Of God**

Beloved, let us love: love is of God; In God alone hath love its true abode.

Beloved, let us love: for they who love, They only, are his sons, born from above.

Beloved, let us love: for love is rest, And he who loveth not abides unblest.

Beloved, let us love: for love is light, And he who loveth not dwelleth in night.

Beloved, let us love: for only thus Shall we behold that God who loveth us.

If you are in the market for a pump, be sure to get a California Western with genuine Sequoil Tubeline.

Look for the Sequoil name on every length of Tubeline! Don't be satisfied with imitations!

Pumps installed 40 years ago are still operating with original tube and shaft because Sequoil Tubeline reduces critical shaft wear.

Western's famous Tubeline was developed to reduce shaft wear which occurs when bronze bearings are used. Because Western has found the way of reducing shaft wear, Western can rightfully make the claim: "Sequoil Tubeline Makes Western Pumps Last Three Times Longer."

Be sure the Tubeline you get is genuine Sequoil Tubeline. See your California Western Pump Company Dealer Today.

The first National Jamboree of the Boy Scouts of America was held at Washington, D. C., in July of 1937, when 27,000 Scouts from all over the United States came together at the invitation of the late President Franklin D. Roosevelt.

The Scouts, organized into regional groups, camped together for 10 days on both shore of the Potomac River.

The second Jamboree held at Valley Forge, Pa.,

in July of 1950, brought 47,163 Scouts and leaders together for a week's camping together. Nearly 400 Scouts were guests from 21 other countries.

President Truman opened the Jamboree personally and made a radio address.

General Eisenhower was the guest of honor and speaker at a large Fourth of July celebration. The Post Office Department issued a commemorative stamp honoring the Boy Scouts of America. This Jamboree was the largest gathering of boys in the Western Hemisphere.

**"SORRY BOUT THAT!"**

If you have seen the red cans sitting around town, you may have wondered what this was all about. This is our way of telling you about our Girl Scout Fund Raising project. We must raise \$1617 if we are to meet our obligations to the Permian Basin Girl Scout Council. The success of this determines if we are able to participate in the council and its activities such as Mitre Peak Girl Scout and Hat a Camp. We are given no money from any special fund and must rely on our own resources. This year we are combining our money raising project along with a project to help our community. The Girl Scouts are selling "Sorry Bout That!" - a very effective and easy to use fire extinguisher. Through the sale of these, we can raise the needed money and also help our community. Many small fires can be stopped before they become large fires that can cast thousands of dollars.

How many times has a small kitchen fire turned into a large expensive fire and how many cars have burned completely because there was no fire extinguisher handy? Ask any fireman. Many, many of their calls are small kitchen fires and car fires. "Sorry Bout That!" can be carried in the car, boat, trailer, or kept at home. It will put out all incipient fires, electrical, oil, wood, grease, gasoline, paper, fabric or motor. Use it as you would a can of hair spray - push the button and it snuffs out a fire in seconds. It can be used over and over. So safe and easy a child could use it.

When you are asked to buy, don't turn the girls away. \$3.95 plus tax is a very small price to pay for something that can save your home, your car, or even your life. It is a small price to pay to help our Girl Scouts to continue their organization. Girl Scouting helps girls to grow into better and more useful adults. Help the Girl Scouts to help themselves, buy "Sorry Bout That!"

Ray against Ector.

Time about is fair play! But it did not make the Seminole fans like it. The Indians beat Ector in their gym -- Ector returned the favor Friday night in the Indian gym 56-53.

Spencer, who wears No. 22, led the Indians with 22 points, getting 11 in the first half and 11 in the second half. Cottrell had 14 points, Anderson had 6, Wall had 6, and Ray had 5.

The Indians got three shots with less than a half minute to play and were trailing by only one point, but the ball just would not go through.

The Indians got three shots with less than a half minute to play and were trailing by only one point, but the ball just would not go through. They played well.

Spencer with 22 points led the Indians against Ector in a losing cause.

The Seminole Indians defeated the Eunice Cardinals by a score of 71-62 in Eunice Tuesday night. Scores by quarters were: (1) 19-16; (2) 34-22; (3) 51-42; (4) 71-62. High Scorer for the game was Dennis Wall with 17 points. Bobby Spencer followed with 14.

**Lets Go All The Way To STATE!**

**FAIRVIEW NEWS**

by Mrs. R. M. E. (Opal) Hughes

Here comes Fair View now, but we don't have to much news. The flue seems to slow up a bit now.

The Fair View Church sends their deepest sympathy to Mrs. Lemma Stanley and their family. May God comfort their aching hearts. The Stanleys are old timers in Seminole.

All the cotton is about out now and people have begin to deep break their farm's, and also list the lands with their tractors. We have so much moisture to plow the land.

Mr. and Mrs. Hugh Castleberry are doing fine. They work most all the time at home.

Mr. and Mrs. S. A. Pence are doing fine. Their daughter and

family visited them all day Sunday.

Mr. and Mrs. Richard Archer and family visited Mr. and Mrs. Roy Archer. They said they had such nice time visiting. Roy has been stripping cotton all this week.

The Brooks family carried Walter Brooks to Odessa to the Dr down there. He is real sick, and they brought Mr. Brooks back to Andrews. We hope the trip to Odessa will do Mr. Brook real good.

Marion Hays has just finished gathering all his cotton.

Mrs. Opal Hughes went with Mrs. L. V. Castleberry and Amon to the Band Concert at Seminole. Amon plays in the Gold Band.

Mr. Homer Whitaker went to Big Spring on business, and come back by Midland and visited his son Robert and Family. They had a nice visit together.

Mrs. W. M. Hill and grand son, Preston, come to Josie's and ate dinner with (me) Mrs. Opal Hughes. We sisters had such a nice visit together. Mr. and Mrs. Woodrow Wright was real happy when part of their family was home for dinner Sunday.

Mrs. Bill Cox came in from Idalou.

Mrs. Belle Whitaker is still in the Hospital. We hope she will be home well soon.

Mr. and Mrs. Jim Cassell come to church Sunday, they are fine, and have an office in the church.

Mrs. Ethel Garland is doing real good, Mrs. Margret Noble and her Son Edward from California had supper with Mrs. Ethel Garland and Edward. They reported a nice visit together.

Mrs. Edwin Castleberry stopped by and seen Mrs. Roy Archer this week.

Mr. and Mrs. D. F. Rice are doing real good. They stay at home close.

I read a real nice piece of poetry this week: When you get to heaven You will likely view Many Folks whose presence there Will be a shock to you. But do not say a single thing

And do not even stare For there will be lots of folks Surprised to see you there.

Mr. and Mrs. R. C. Pattie are doing pretty good, but don't hear from then very often.

Karl Hughes had a birthday and his granddaughter cooked him a birthday cake.

Mrs. Mary Bell Allen is in the Hospital and her daughter, Mrs. Sheron Holbrook and Mrs. Mary Ann Lee are staying with her.

Mr. and Mrs. C. T. Wescott are visiting on their way home from the Hospital. Hope they have a nice visit with their children.
