

# Slaying Probe At Standstill

PRESTON SHAIN

There will be no verdict on the death of Preston Shain, 50, until later in the week when the pathologist "finishes his study and advises W. E. Cox, coroner and Justice of the Peace". Also the sheriff's office is expecting later in the week a study by the crime lab in Austin, Texas, concerning items sent there.

The mysterious slaying took place at an early hour last Wednesday morning at his cleaning establishment on the east side of the square. The .32 caliber revolver was found under his body. Evidently, the second bullet to be fired into his forehead caused his death. An earlier bullet at the hairline went through the scalp but not the skull. This gash was first thought by authorities to be caused by a foot long pipe wrench found nearby. The bullet holes were approximately two inches apart.

Shain, who had operated the City Cleaners here for a number of years, was found by Mrs. Judy Stidham, an employee, after being called by Shain's wife. The businessman was dressed except for his shoes. The gun was one that was identified as having been in the establishment. Change from the previous day's receipts was scattered upon the floor. Masking tape covered the victim's mouth, also tape was left on his arms. A tubular kitchen chair still had tape on the

upright lower section where the victim had been taped to the chair. On a small table near the chair was a cigarette pack, also the remainder of three smoked cigarettes in an ashtray. Nearby was a spotting table with a blanket on it, used in the cleaning business.

The body was found in a kneeling or crawling position where Shain had crawled 12 to 16 feet. One shot had been fired from the gun while it was wrapped up in a white cloth. Credit cards and billfold lay on the floor near the body. The back door was open with the bolt dropped back in the hasp. There was no evidence of forced entry into the building.

Funeral services for Preston Shain were held at 10 a. m. in the Avenue B. Church of Christ, Joe Harber, minister of the West Side Church of Christ, officiating. Survivors include his wife, Naomi Ann; a son, Michael Don, a student at East Texas Baptist College in Marshall; a daughter, Gail, a student at Seminole High School; a brother, Garnett of Midland and one grandson.

Mr. Shain had been a resident of Seminole for 27 years. He was a veteran of World War II, a member of the West Side Church of Christ, a member of the Seminole Volunteer Fire Department and the Evening Lions Club of Seminole. All members of the fire department served as pall bearers for the funeral.

One of the great problems for African young men is the bride-price (lobola) they are required to pay when they want to get married. This often amounts to half a years pay, or more, in some cases. They usually pay a about half of this on being married, and then pay on the remainder for years. Any time the wife's parents demand money, the husband has to come up with it. Even after many years of marriage, the parents can take the wife back home if payments are not made.

The customs are so rigid that sons-in-law dare not approach the wife's parents directly, but everything has to be negotiated through a "go-between." This past month three of our preachers faced crises on this problem. We tried to get them to put off paying for a month, or manage some other way, but they were most persistent in appealing for loans, of \$30 or \$50.

Grenwell Machakwa, our blind preacher who spends most of his time translating and typing in the office, was most distressed. He had shown the "pfuma" (treasure) of four cows to the parents, and they had agreed, after long negotiation, to accept them as half of the lobola. Because in Tribal Trust Areas each person has to have a "Stock Card" with the number of the cows, it was a long time before the transfer of ownership was made.

In the meantime, Grenwell's cows got lost. They were, no doubt, stolen. The wife's parents sent an ultimatum that he should pay money by September 1. After much negotiation they agreed to \$50 instead of cattle). With this history, Grenwell felt he would be ruined if he didn't come up with the money. I finally dredged up the \$50 from personal funds. There are so many cases where it is impossible to say no, even when we really don't have the funds.

Texas oil fields have produced more than 32 billion barrels of oil during the past 80 years of recorded production, according to the latest compilation of the Texas Mid-Continent Oil & Gas Association.

Last year's production of 1,151,775,000 barrels produced an income of \$3.6 billion for Texas which was distributed widely as 198 of the state's 254 counties produce oil.

Gaines County, which has had recorded production since 1936 has had a total crude oil output of 608,766,862 barrels up to the beginning of 1970. Gaines County production in 1969 was 40,181,646 barrels at the rate of 110,087 barrels a day.

Thirty-four counties in the state produced more than 25,000 barrels of oil. Top producers were Andrews with 203,859 barrels daily, Ector with 184,601 barrels daily, Scurry with 133,035 barrels daily, Crane with 132,719, Gregg with 124,607 barrels daily and Gaines with 11,087 barrels daily.

Gregg County, the only county to produce more than two billion barrels of oil, remained the all-time champ with a cumulative production of 2,195,668,052 followed by Ector with 1,585,815,280, and Rusk with 1,437,128,523.

If oil were worth \$3.00 a barrel and Gaines County produced in excess of 40 million barrels per year in 1969 this would mean \$120 million income on an investment of \$193 million. In the recent law suit brought against Gaines County officials Chester Browne, County Judge; Mary Baldwin, Tax Assessor-Collector; and the Commissioner's Court, they claimed that their oil properties, 100% market value, were worth less than \$200 million.

Can you imagine major oil companies bringing a restraining suit

The farm tour last Thursday stopped on the Weyland Mullins farm, just south of Seagraves to visit one of eleven farms in the county that have planted broadcast cotton. The machine in the background is a stripper type machine designed for solid plant. Mr. Mullins told of seeding this particular field to two plantings of fifty and thirty pounds of seed cotton per acre after Treflan had been put down. The first planting of fifty pounds per acre was made May 25 and the second planting of thirty pounds per acre was made June 6 of Lockett 4789 A variety. Area farmers speculated that the crop would make from two to six bales per acre.

A group of parents met Monday evening at JO'S RESTAURANT to discuss a booster club for our FRESHMAN FOOTBALL TEAM. These boys are hard playing fellows who have had a little hard luck. We parents want them to know we're behind them 100% and hope to arouse enough enthusiasm to get ALL of the parents to attend ALL of their games. We would like to invite football fans everywhere to come out and support these guys. This is the future varsity team. If we don't show them now how much they're appreciated, we may not have enough boys left who will want to play in three years. Everyone make plans now to attend the FRESHMAN GAME Thursday at 7:30. You'll never hear a more enthusiastic rooting section than our Freshman's parents.

I enjoyed getting AROUND TOWN Monday in the rain, especially since it gave me an excuse to wear my new pants suit. As far as I'm concerned we can do away with skirts (Mini, Midi and Maxi altogether). With the pants suit you're as smartly dressed as with any nice frock and they keep you warm in cool weather. Looks like they're here to stay.

at the NOONDAY LIONS CLUB. LITA KING, new Lions queen, was crowned. The speech class from SHS brought a most entertaining program. DR. GEORGE POLIVKA received a most enthusiastic hand. We are most grateful to have him in Seminole. Another honored guest, VIRGIL SYDLOSKI introducing himself to the club. He resembled a tall blond headed fellow at the SOIL CONSERVATION OFFICE. The Methodist women served another delicious meal, making it a most pleasant noon hour.

Our sympathy to the BERYL KING family in the loss of his mother last week in Oklahoma.

We're glad our new employee, BECKI McILWAIN, has a good friend named ANN GADY. The hot DR. PEPPER she brought us Tuesday sure hit the spot.

Look out for me because I'll be seeing you AROUND TOWN.

Don Evans, student at Wayland Baptist College in Plainview was a guest in the D. C. Jefferies home for the weekend. Their son, Terry, was also home from Texas Tech.

Mr. and Mrs. H. L. Henderson of Amarillo spent the weekend with their son, Mr. and Mrs. Sammie Robertson, Bradley, and Dayton.

Rev. and Mrs. John F. Ivy, John, Glynn and Travis of Amarillo spent the weekend with his mother, Mrs. Dottie Ivy. They also visited her sister and brother, Mr. and Mrs. E. B. Baker and Mr. and Mrs. Jimmy Ivy and Sons.

Freshmen playing defense in Seminole against Lamesa in their game last week. (Get out of the way, Mr. James.)

The Freshmen went down to defeat at the hands of Lamesa on their home field last Thursday by a score of 40-8. Paul Atkinson, halfback, finally dove in for 6 points from the 15 yard line to get the Freshmen from Seminole on the board. He then threw to Phillip Montandon, an end, making the final score Lamesa 40, Seminole 8.

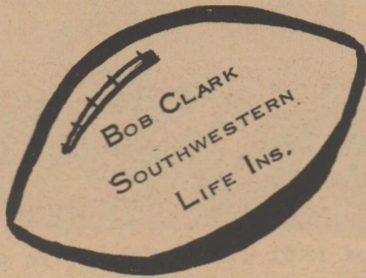

Lamesa scored twice in the first quarter, twice in the 2nd quarter, once in the 3rd quarter, made good on the 2 point plays and won the ballgame 40-8.

Gary Sevier poses with the officials at last Friday night's home game. This is the young man who was severely injured one year ago in Lovington when he received a broken neck during the Seminole - Lovington game.

The 7th grade went up against the 8th grade of Plains last Thursday in Plains and it was a big mistake. The Cowboys from Yoakum County had no mercy on the smaller 7th graders and walloped them 66-0.

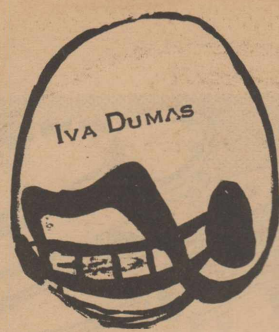

Plains scored 8 times, gouged out 8 extra points and left the smaller 7th hanging on the ropes. (I do hope that if Seminole coaches ever have anyone hopelessly out-classed that they will play smaller boys when they are available or implicate other tactics to hold the score down. ---Editor's note.)

Junior Gary Don Ray moved in a new position as halfback last Friday night against Lovington and was chosen as the 'Back of the Week' by his coaches for his running, his blocking and completing a 68 yard touchdown pass to Roger Allen.

## SEMINOLE INDIANS

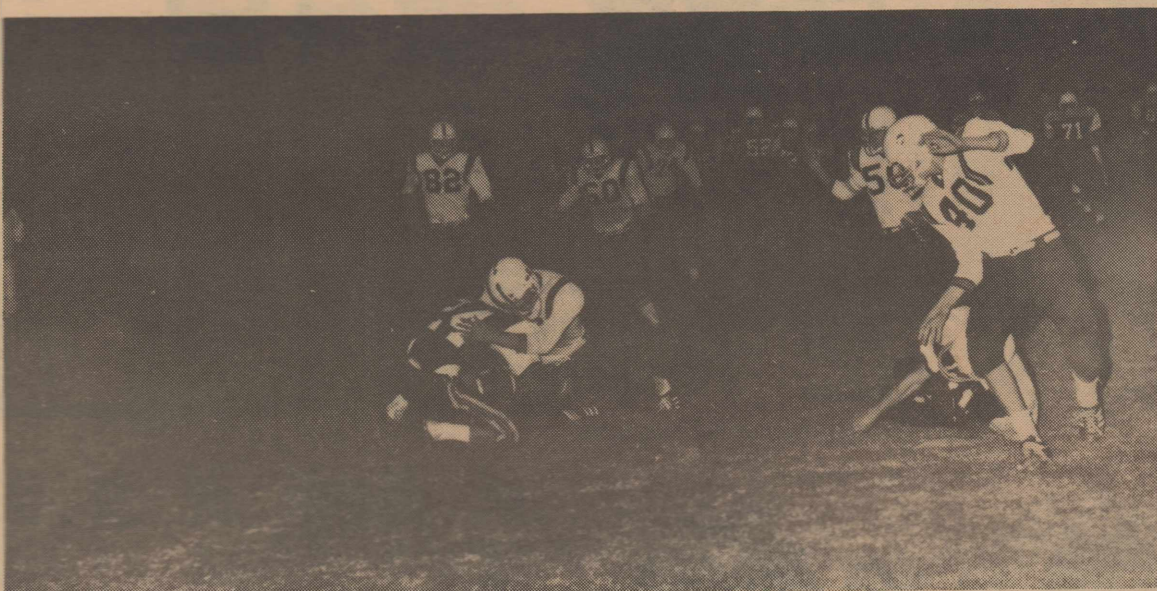

Everett Haller was chosen by his coaches for his outstanding performance on defense as a lineman last week against Lovington. He had two unassisted tackles and helped on eight others for a total of ten. He was cited for his consistent performance.

Don Roberts was the leading ground gainer with 12 carries for 89 yards for a 7½ yard average. Gene Sims caught one pass for 18 yards and Roger Allen caught two for 85 yards.

The Seminole B's on defense against Lamesa last Thursday.

Larry Jackson got things kicked off for the Seminole B's in the first quarter when he pounced on a fumbled punt and made the score 6-0. In the 2nd period Glen Smith skirted end with 30 seconds showing on the time clock. The extra point was good with Wade Johnson kicking. The halftime score read Seminole B's 13, Lamesa 0.

Flud made the score 20-0 in the 3rd period when, with 1 minute, 10 seconds left, he ran 65 yards for the TD.

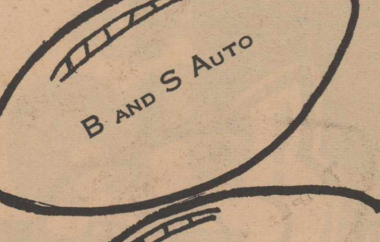

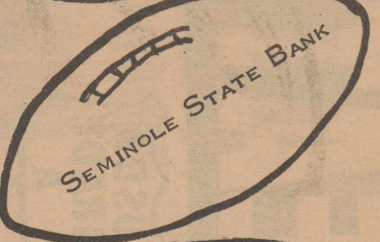

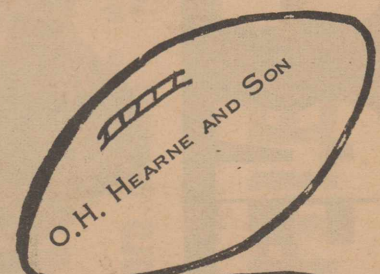

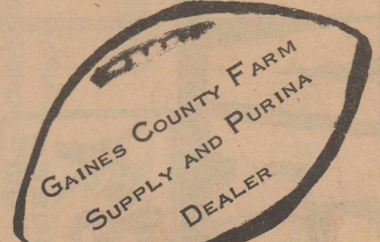

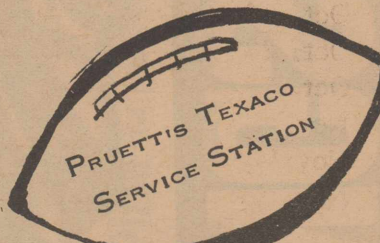

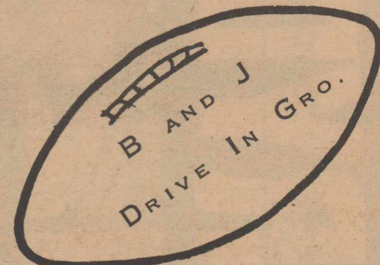

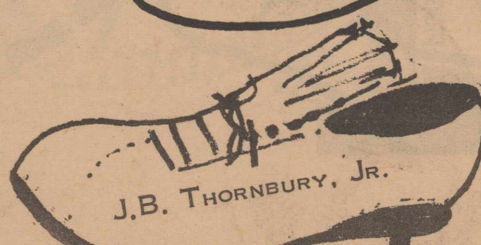

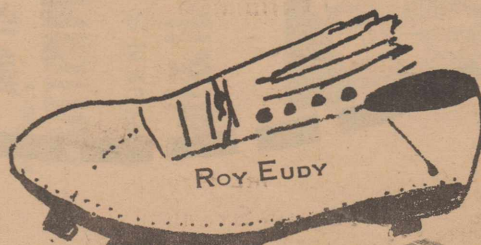

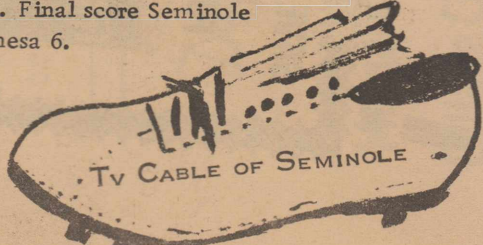

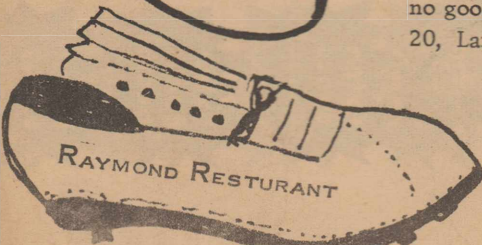

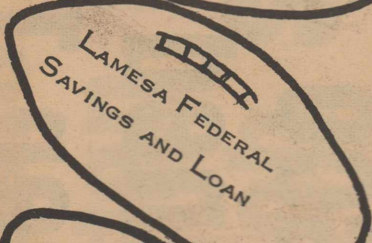

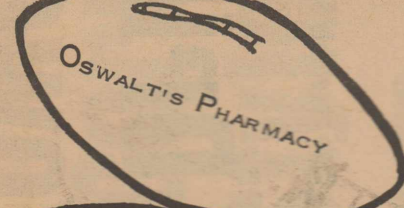

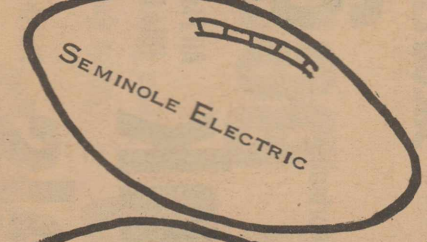

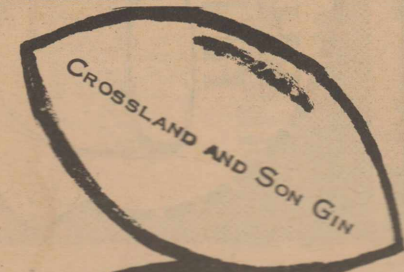

The Lamesa B's scored in the final quarter. The P.A.T. was no good. Final score Seminole 20, Lamesa 6.

Letters of Commendation honoring them for their high performance on the 1970 National Merit Scholarship Qualifying Test (NMSQT) have been awarded to two students at Seminole High School, Principal V. N. Keyes has announced.

Those named Commended students are Linda Aryain and Susan Sanders. They are among 35,000 students in the United States who scored in the upper 2 percent of those who are expected to graduate from high school in 1971. The Commended students rank just below the 14,750 semi-finalists announced in September by the National Merit Scholarship Corporation (NMSC).

Edward C. Smith, president of NMSC, said, "Although Commended students advance no further in the Merit Scholarship competition, their standing in this nationwide program deserves public recognition. Their high performance on the NMSQT gives promise of continued success in college.

"The Commended students should be encouraged to pursue their education since their intellectual talent represents an important and much needed natural resource. Both these students and our nation will benefit from their continuing educational development."

The Commended students' names are reported to certain scholarship-granting agencies and to the colleges they named as their first and second choices when they took the NMSQT in February 1970. The reports include home addresses, test scores, and anticipated college major and career intentions of the Commended students. NMSC encourages these students to make every effort to continue their education.

The Texas Industrial Commission has released some interesting statistics which show just how vital industry is to a community.

When a manufacturing facility brings 100 new employees into town, data compiled by the U. S. Chamber of Commerce shows it means the addition of:

- 296 more people
- 112 more households
- \$590,000 more in personal income
- \$270,000 more in bank deposits
- \$360,000 more in retail sales per year

That's pretty impressive evidence about how important an investment industrial development is to the growth of a community.

WHY PAY MORE FOR GAS??  
PARTAIN'S SUPER SERVICE  
1100 HOBBS HWY.

There are lots of folks who believe that distant relatives are the best kind.

Natural gas is the healthiest, most economical way to heat your house this winter. Gas is economical because it's the direct way to produce heat - you don't pay to convert heat to another energy source and then back to heat. And with gas you can afford to bring clean outside air into your home this winter instead of having to re-heat the same old stale air time after time.

So, if you're building or remodeling, be sure to specify gas heating. Gas is the "natural" fuel. It's like buying direct from the manufacturer. Call your heating contractor, plumber, or Pioneer Natural Gas.

The Tau Upsilon chapter of Beta Sigma Phi met in the Gold Room of the Seminole State Bank at 7:30 p. m.

The program, "Painting the Person", was taken from the outline Beauty and was given by Mrs. Don Mansell.

Mrs. Carl Kemp presided over the business meeting. The chapter scrapbook was sent to the area convention at Marfa, Texas, which several members and their husbands are planning to attend.

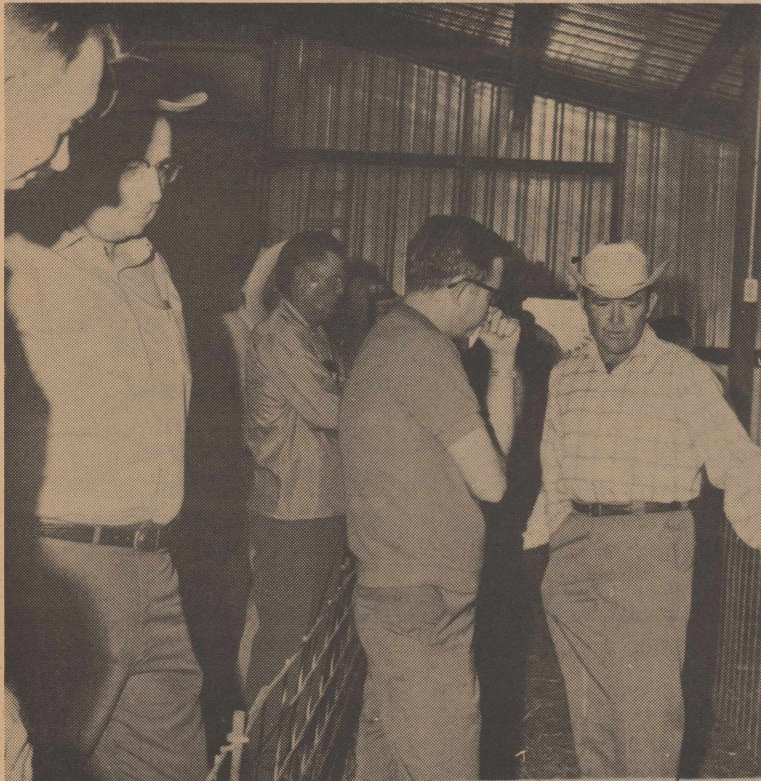

More names were submitted for Rushing. Plans for helping the Girl Scouts get their silver and china were discussed.

Mrs. Don Ashley was elected Valentine queen for this year. She will be presented and crowned at the chapter's Sweetheart Ball on February 13, 1971. Her picture will be entered in the International Valentine Queen Contest.

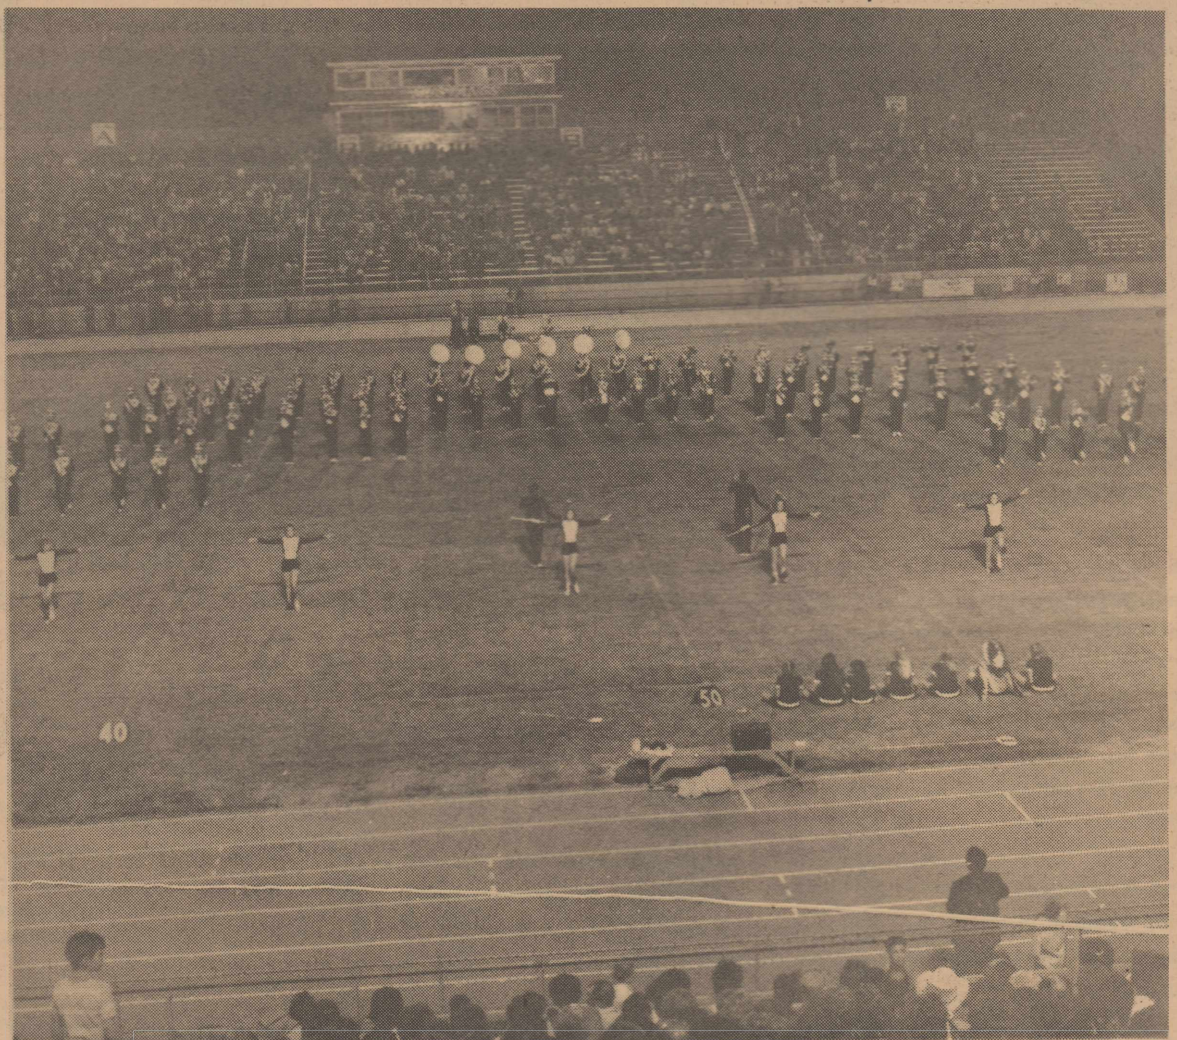

A white elephant auction sale was held after the meeting. Mrs. Wayland McCullough won the door prize for the evening.

Hostesses for the meeting were Mrs. Jim Inman and Mrs. Wayland McCullough who served banana cake with whipped cream, various chips and dips, Cokes and coffee from a table laid with a Mexican theme. The cloth was a Mexican print of green, red, white and the table was centered with a Mexican pottery bowl of dried flowers in red, dark brown and beige.

Those attending were Mmes. Jack Combest, Don Ashley, Carl Kemp, Wayland McCullough, Jim Inman, Wayne Stokes, Albert Cravey, Jerry Cox, Roy Riley, Ron Henderson, Monte Paxton, Bob Harlan and Herman McReynolds.

Harlan Miller explains some of the finer points of sheep raising to Dwayne Herman, president of the Noonday Lions Club. In the foreground is Robert Jameson and Douglas Gibson, president of the Seagraves Lions Club.

## MRS. JAMES ATWOOD Vows Exchanged

An arch entwined with greenery and white pom pom mums formed the setting for the marriage of Miss Diana Fay Tipping and James Edgar Atwood September 26, 1970 at 7:30 p.m. in the First Baptist Church. The double ring ceremony was performed by Rev. Gene Hawkins.

Miss Libby Rossi of Amarillo sang "Somewhere My Love", "The Twelfth of Never", "More" and "People Who Need People", accompanied by Miss Debbi e Milligan, pianist, of West Texas State University, Canyon.

The bride is the daughter of Mrs. Evelyn Tipping and the late Mr. Tipping. Mr. and Mrs. R. G. Atwood of Andrews are the parents of the bridegroom.

Escorted to the altar by her brother, James Tipping of Dumas, the bride was attired in a floor length gown featuring an empire waist with an overlay of lace. The bouffant three-tier sleeves were edged in lace as was the long flowing train. The bride's elbow-length veil of silk illusion was attached to a flower tiara. The bride's wedding dress was designed and made by Mrs. R. E. Hedrick, a family friend. She carried a graceful cascade of white pom poms centered with a white gardenia mounted on her white Bible.

Mrs. Gloria Calderon of Lamesa served as matron of honor. Brides-matron and bridesmaids were Mrs. Marti Johnson of Shamrock and Miss Brenda King of Seminole. The attendants wore full length deep orchid crepe gowns in empire design and long, full sleeves trimmed in white lace. They carried a long stem orchid chinese mum.

Herman Williams of Andrews served as best man. Groomsmen were Edward and Bobby Tipping, brothers of the bride. They also served as ushers.

Guests were registered at the reception in the Fellowship Hall by Mrs. James Tipping, sister-in-law of the bride. The couple were assisted in receiving by the bride's mother and brother and the groom's parents. The bride's table was draped in a lace cloth over orchid. The bride's cake was a three-tiered confection with light orchid trim and deep purple roses topped with the traditional bride and groom. Serving the cake was Mrs. Wanda Tipping of Shamrock, whose husband, Larry, is presently serving in Vietnam. The bridal punch was served by Mrs. Edward Tipping. Both are sisters-in-law of the bride.

For the wedding trip to Cloudcroft, New Mexico, the bride chose a two piece deep purple ensemble featuring a circular skirt, vest and a white ruffled blouse with white accessories. She wore the gardenia corsage lifted from her bridal bouquet.

Out of town guests were registered from Dallas, Canyon, Shamrock, Dumas, Andrews and Denver City.

The bride is a graduate of Seminole High and attended West Texas State University a year and a half. At the time of her marriage she

## Marriage Vows Are Exchanged

Formal nuptial vows for Miss Rose Arrezola and Edward Acosta were solemnized before an altar graced with two arrangements of gladiolas and four pair of seven branched candelabras entwined with greenery in St. Anthony's Catholic Church at Brownfield. The aisle was marked at each pew with a single candelabra with a white gladiola and Nile green satin ribbon. The ceremony was officiated by Father Aidone Maguire September 19, 1970 at 11:00 a.m.

Rose McClure, organist, played traditional wedding music.

Parents of the bride are Mr. and Mrs. Lewis Arrezola, 203 S. W. Avenue G, Seminole. The bridegroom is the son of Mrs. Eliza Acosta, Mathis, Texas.

Escorted down the aisle and presented in marriage by her father, the bride wore a formal length gown of Chantilly lace, featuring a Sabrina neckline, natural waistline and long sleeves that came to a point over the bride's wrist. The headpiece was of contoured lace beaded with pearls and crystal holding three tiers of elbow length silk illusion. Her bouquet was of white artificial roses with flowers designed of glass on top with long white streamers and green leaves to accent it.

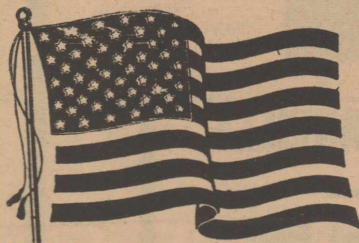

Attendants were attired in formal length gowns of Nile green chiffon. The empire waistline with a yoke of white Venice lace featured a high neckline and long full sleeves with a cuff of white Venice lace. The headpieces were Nile green silk braid bows with clusters of daisies. They each carried a nosegay of white carnations. The best man and matron of honor were Mr. and Mrs. Enselmo Serenil, who presented the couple with the bridal cake. The maid of honors were Misses Mary Ann Sernil and Sylvia Acosta, niece of the bridegroom, from Senora. The other attendants, Mr. and Mrs. Juan Zamora presented the couple with a bouquet; Mrs. and Mrs. Margarito Alleno, satin cushions; Mr. and Mrs. Joe Carazo, a crystal lasso; Mr. and Mrs. Jesse Benavides, an iras; Mr. and Mrs. Joe Curiel, a Bible and Rosary; Mr. and Mrs. Frank Cananco presented the couple with a wedding book; Lilley Arrezola, Charles Rodriguez, Ima O'Campo, Robert Arrezola, Grace Ramirez, Oscar Madrizal, Janie Davila and Frank Gutierrez. Train bearers were Sandra Cavazos, niece of the bridegroom and Albert Arrezola, brother of the bride. Candlelighter was Hector Madrigal.

A reception at the National Guard Armory immediately followed the ceremony. The couple were assisted in the receiving line by their parents and the attendants. The wedding confection was four tiered decorated with green flowers and the traditional bride and groom topped it. Chocolate cake and cookies were offered. Crystal and silver appointments were used.

For a wedding trip to Juarez, Mexico, the bride was attired in a green chiffon dress with long full sleeves and a lace coat over the top with white accessories. She wore a white corsage of carnations.

Out of town guests were from Mathis, Austin, Snyder, Lockney, Seminole, Hobbs, N. M., Lubbock and Brownfield.

The bride was an employee of the Seminole News at the time of her marriage. The bridegroom farms and the couple are at home on Route 4, Brownfield, Texas.

## Letters to the Editor

DEAR EDITOR,

YOU KNOW I WROTE TO YOU ONCE BEFORE, AND THAT WAS FROM GERMANY. WHEN I CAME HOME I FOUND THAT SEMINOLE WAS THE SAME WHEN I LEFT IT, STILL WARM AND WITH A WELCOMING THAT NO ONE COULD DENY. I REALLY HAD A GREAT TIME WHILE I WAS HOME ON LEAVE. BELIEVE ME I REALLY DID. IF IT WEREN'T FOR MR. BLACK OF THE M. S. DOSS YOUTH CENTER I WOULD HAVE FELT COMPLETELY LOST. I DON'T WANT YOU TO MIS-UNDERSTAND ME IT'S JUST THAT WHEN I LEFT SEMINOLE I WAS 17 YEARS OLD AND DIDN'T KNOW MUCH ABOUT NOTHING, AND NOW I'VE BEEN IN THE ARMY FOR TWO AND ONE HALF YEARS. IN THE TIME I'VE BEEN IN THE ARMY I'VE ONLY GROWN TO KNOWN ONE THING, "KILL OR BE KILLED." THAT'S WHAT I WAS TAUGHT EVEN BEFORE I WAS A SO CALLED ARMY "PROFESSIONAL KILLER". LET ME EXPLAIN SOMETHING RATHER BRIEFLY. YOU COME IN THE SERVICE AND YOUR INSTRUCTOR TELLS YOU I'M GOING TO MAKE A MAN OUT OF YOU. AND IN THE BACK OF YOUR HEAD YOU SAY, "SO DO IT FELLOW." HE DOES JUST THAT. HE TEACHES YOU ALL ABOUT COMBAT KILLINGS, HOW TO KILL A PERSON SILENTLY, AND EVEN HOW TO DISPOSE OF HIS BODY, RATHER QUIET I SHOULD SAY. ALL THIS YOU LEARN IN JUST EIGHT WEEKS. UNBELIEVEABLE, UH? WE'LL IT CONTINUES THROUGH OUT YOUR SERVICE TIME. IT NEVER LETS UP. AND FINALLY YOU GET YOUR CHANCE TO PRACTICE YOUR PROFESSION. YOU GO TO VIETNAM. I'VE BEEN HERE FOUR MONTHS AND ALREADY HAVE FOUR KILLS TO MY CREDIT. I'M NOT BRAGGING DON'T GET ME WRONG IT'S JUST THAT I'VE GOT TO BECAUSE HE OR SHE MIGHT DO ONE OF US IN. AND THAT'S WHAT I KEEP TELLING MYSELF. IF ONLY THE YOUNGER OR OLDER PEOPLE WOULD HELP US BY AT LEAST SAYING "HE WAS IN A WAR." BUT INSTEAD THEY RUN US DOWN. "WHY?" I LOVE MY COUNTRY AND DO WHAT I THINK IS BEST. BUT STILL PEOPLE SAY, "HE KILLED." PLEASE MR. EDITOR, I'M NOT KILLING FOR MY OWN GOOD. BUT FOR THE FREEDOM AND PEACE THAT YOU PEOPLE KNOW SO WELL. WE HAVE A SMALL SAYING OVER HERE, "FEAR IS SOMETHING THE FREE WILL NEVER KNOW." AND WE STICK BY IT. SO I ASK YOU WOULD YOU DECIDE MY FATE FOR KEEPING WHAT I THINK IS FREE? MAYBE I'M WRONG TO SOME PEOPLE'S STANDARDS BUT TO MY MOTHER I WISH TO EXPRESS MY GREATEST GRATITUDE FOR TEACHING ME THAT EVERY MAN IS FREE.

MR. EDITOR, I'VE TOLD YOU WHAT I WANTED TO, NOW I HAVE ONE MORE THING TO ASK YOU, WHAT IS IT THAT TAKES UP SO MUCH OF THE SEMINOLE PEOPLES TIME THAT THEY CAN NOT REALIZE THAT A FELLOW AMERICAN IS OR HAS DIED FOR THE RIGHT TO BE FREE. IS THERE ONE PERSON AMONG YOU THAT WOULD CONDEMM A MAN'S RIGHT TO THINK. ALL I'VE GOT TO SAY IS I LOVE MY COUNTRY AND WOULD DIE FOR IT, BUT THERE ARE THOSE THAT WOULD CONDEMM ME FOR IT. WHY DO I HAVE TO CRY AND PLEAD WITH FREE MEN TO UNDERSTAND I WANT TO STAY FREE. WELL I'VE SAID ENOUGH. BUT ONE MORE THING, BEFORE I GO IF YOU WOULD LIKE TO HEAR FROM THE FRONT LINE YOU WRITE TO--SGT LLOYD G. SEELY

YOUTHFUL DRIVERS CAN SAVE MONEY ON INSURANCE!

MANY INSURERS OFFER PREMIUM DISCOUNTS FOR (1) SATISFACTORY COMPLETION OF RECOGNIZED DRIVER EDUCATION COURSE AND (2) MAINTENANCE OF GOOD GRADES IN SCHOOL. GET IN ON THE ACTION!

INSURANCE INFORMATION INSTITUTE

### CAR OWNERS CAN CASH IN ON INSURANCE DISCOUNTS

Highways are happy ways for motorists on the way to the bank to stash away some currency of the realm. When you need cold cash there's nothing more comforting than nice warm money.

Car owners can pocket extra cash simply by saving on their auto insurance. Here's how:

--If you (and others in your household who drive your car) haven't been tangled up in a car accident that was your fault, and haven't been convicted of a serious traffic violation for the past three years, you qualify for a discount on your auto insurance premiums.

These money-in-the-bank discounts range up to 20 per cent, depending on the state where you live.

--Thousands of high schools and colleges offer driver education courses to teach young men and women how to duck disaster by not driving like a berserk jaybird. You may be eligible for a premium discount if the youthful operators in your household have successfully completed one of these safety courses.

--In some states, perhaps yours, a discount as high as 25 percent is offered to young men and women students who make the grade with high marks--in the upper scholastic strata of their class, have a "B" or better average, or are on the "Honor Roll."

To be eligible for this financial bonanza, the student must be at least 16, a junior or senior in high school or a full-time college or university scholar.

MRS. LARRY GENE LANGLEY, nee Kathryn Taylor

## Vows Solemnized

Miss Tawana Kathryn Taylor became the bride September 19, 1970 at 6:00 p.m. of Larry Gene Langley before an arch entwined with greenery and centered with a white wedding bell and purple streamers, flanked with baskets of white gladiolas. Purple bows marked the pews of the South Seminole Baptist Church for the double ring ceremony performed by Rev. Bobby Phillips, church pastor.

Mrs. Jarvis Brown, organist offered traditional wedding music and accompanied soloist, Don McCre, as he sang "More" and "Whether Thou Goest".

The bride is the daughter of Mr. and Mrs. Loyd C. Taylor. Parents of the groom are Mr. and Mrs. Haskel Langley, who have recently moved to Arkansas.

Presented at the altar by her father, the bride was attired in a floor length gown of peau d'satin overlaid with white lace. The fitted bodice featured a scalloped neckline with seed pearls. The long fitted sleeves came to a point over the wrist. Her elbow-length veil of silk illusion was attached to a cluster of satin sleeves and rosebuds. Her bouquet was a white carnation cross which she carried atop her white Bible.

Miss Linda Langley served her new sister-in-law as maid of honor. Flowergirl was the bride's sister, Miss Debbie Taylor, who was escorted by her cousin, Benny Lee Lauderdale. The bride's attendants were attired in identical lavender satin brocaded floor length gowns featuring an empire waist. Their head-dresses of tulle were attached to a satin bow matching their dresses. The maid of honor carried long stem carnations tied with purple streamers. The flower girl carried a basket of lavender petals. Mike Langley served his brother as best man. Ushers were Len Taylor, brother of the bride, and Bobby Hudson.

Immediately following the ceremony the reception was held in the fellowship hall. The tiered-white wedding confection, made by Mrs. Albert McGuire, was decorated with purple roses and a pair of doves graced the top-tier. Bridal punch, mints and nuts were offered. Crystal and silver appointments completed the setting. Members of the houseparty were Mrs. Allen Taylor, Houston; Mrs. James Huett, Monahans and Mrs. Dick Lauderdale.

After a wedding trip to Ft. Worth and Dallas, the couple are at home at 203 N. W. Ave. C., Apt. B. The bridegroom is employed by Hoffman Oil Well Service, Inc.

...bundle   for winter

**CONVERT YOUR HOME TO COMFORT ELECTRIC HEATING NOW...AND WE'LL INSTALL STORM WINDOWS... free!**

Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating because, right now, with every qualifying electric home heating installation, we'll install free a complete set of storm windows for the heated portion of your home. All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirements for your home.

Modern electric comfort heating is already being enjoyed by over 4 million American families! . . . almost 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the comfort it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating! . . . and now is the time to do it.

Storm windows have proven their value in keeping out cold, wintry winds, holding down

inner heat loss and contributing to lower heating costs. The storm windows now offered free with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

**IS YOUR HOME ELIGIBLE?**  
This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installation, do not despair—we have a special, most attractive plan for you, too.

Miss Connie Golden, daughter of Mr. and Mrs. Raymond Golden, was one of twenty-nine girls to graduate from Patricia Stevens Career College and Finishing school. Graduation exercises were held September 26, in Dallas at Arthur's Discotheque. The theme was "Working on a Groovy Feeling and a Look at Summer Students 1970."

Connie modeled two ensembles, a grey and off white gaucho with reptile trim, black patent boots and a gaucho hat and a three piece pant suite. The suite was blue tweed style with a long coat. To complete the ensemble, Connie wore a blue turtle neck sweater and the black patent boots.

Mrs. Blair, head of the school, presented each girl with a long stem red rose after the style show.

Mrs. Golden and her mother Mrs. James Stanley, were in Dallas last weekend to attend the school's activities. They also celebrated their grandson and great grandson's birthday on Saturday with a party. Danny son of Mr. and Mrs. Dan Vaughn is four years old today.

## POLICE REPORT

Local police have been harassed by calls - stray cats, stray dogs, chickens, even a white guinea, stray hogs and stray horses.

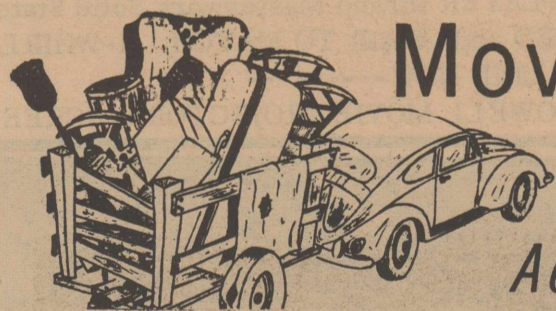

9/23/70 - Gay Nell King reported between 6 p.m. and 7:30 someone entered the residence of 300 S.W. Ave. J. Drawers were emptied on the floor, clothing scattered and furniture turned over.

9/27/70 - Weldon Jenkins reported 47 bales of hay stolen at \$1,30 per bale. Total cost \$61,10. Sheriff Ed Welch reported on Tuesday evening if no one else is picked up we will have housed 604 people in the local jail for the month of September.

Five have been picked up on warrants, 1 picked up for being drunk, 1 for possession of alcoholic beverages on school property, 2 disturbance, 2 minors in possession, 2 minors consuming, 2 driving while intoxicated and 1 drunk pedestrian.

Jim Davis, class of 1961, said "Your teachers are better than our teachers were; we taught them. We had the same gripes as you have about the clothes, the belts, the skirt length and the ducktail haircuts. It'll take about ten years for you to remember what the teachers said was true." Charles Reed from Germany and Mrs. Walter Billings (Mary Jones) from England received gifts for coming the farthest distance.

### LOVINGTON WILDCATS 7

Homecoming is always better when the local tribe goes on the warpath. The Indians did that last Friday night and got sweet revenge against the Lovington, New Mexico Wildcats to the drumbeat of 28-7. The throb of the drums rolled on and the Indians did too and got progressively better as the game wore on, scoring 15 points in the final quarter. The burden of the first half rested upon the outstanding efforts of the defensive crew as Terry Ivy got on the warpath along with Rick Partain, Roger Allen, Gary Don Ray, Bill Hearne, Lloyd Barker, Don Roberts, big Everett Haller (and he was mean a few times), Richard Trevino, Wendell Miller and Tommy Shuler.

This was a part of their record. They stopped them on the 12 yard line, they caused them to fumble on the 4 yard line, they rose up at the 15 yard line and said "No further!" They caused them to fumble on the 37 yard line, all in the first half.

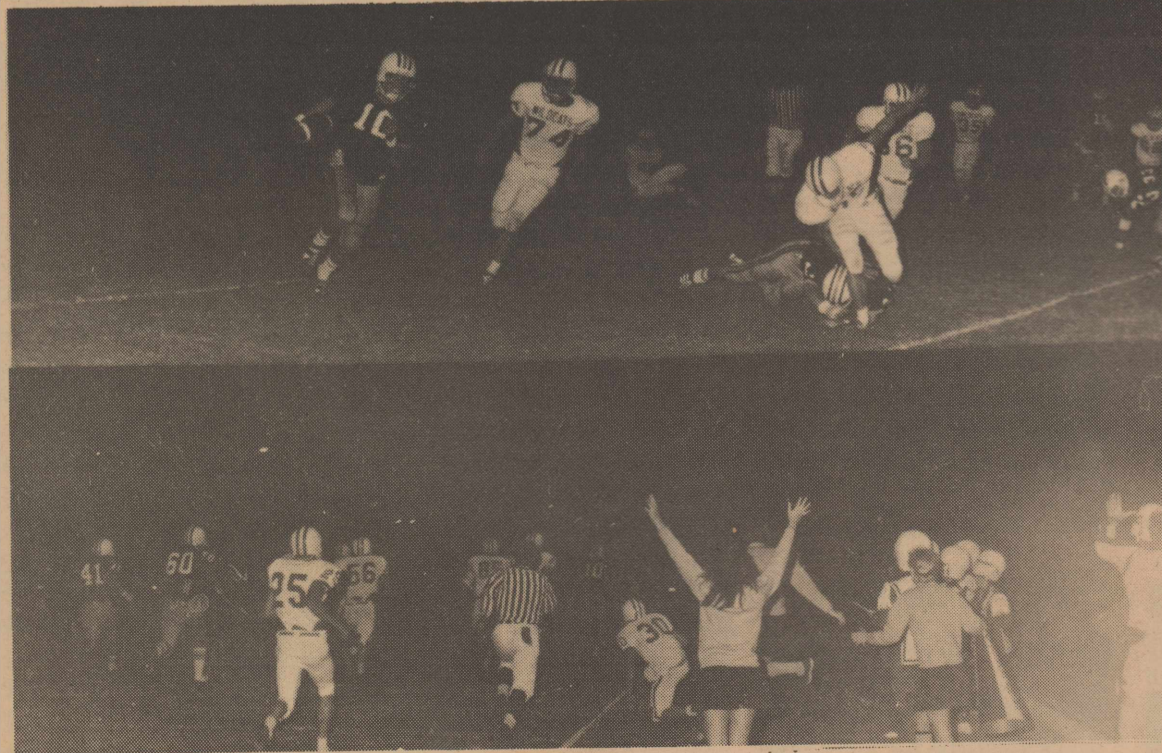

The Wildcats got on the board first when a halfback, Steve Guinn, thieved a pass and was brought down on the Seminole 11 yard line. Lovington was hard come to push over a score from that point as they finally managed a first down on the 2 foot line and the drive was good, so an official said, "by 7/8 of 1 inch". From the 2 foot line it took three plays to make the score 6-0 in favor of Lovington. The kick was good. Time remaining 2 minutes plus to the half.

Donald Roberts, who started his first game at quarterback, pumped new life into the Indian 11 when he kept on a quarterback sweep and rolled for 58 yards and added the P. A. T. to make the score at half-time 7-7. He runs like Crazy Legs Hirsch. He doesn't look tough but they can't get him down.

It was a tough grind the first half and the Seminole defensive crew had done their job and done it well. The charges of Chappell came back after halftime and whatever was told the offensive team is exactly what should be told each time before the game begins. Terry Ivy recovered his second fumble and the Indians moved on. Lloyd Barker, who usually has such deft hands, missed a sure T D in the 3rd quarter when he dropped a pass. Roger Allen snared a half-back pass from Gary Don Ray and made it stand up for a 70 yard scoring play. The point after failed. Score 13-7 with 6 minutes 15 seconds remaining in the 3rd quarter. It was Roberts again that took the ball in the first play of the final quarter and sneaked in for the 3rd TD. Bill Hearne, fullback, ran across the 2 point P. A. T. and made it 21-7. Hearne scored again with 7 minutes remaining (remembering the loss last year at Lovington of 14-7) and sent the New Mexicans home not believing what had just happened to them.

The drumbeats faded into the distance. Homecoming was never better. Final score Indians 28, Lovington Wildcats 7.

Seminole plays Levelland in Levelland next Friday and will try to make their record read 3 wins against a single loss.

WILDCATS 7

Here comes Donald Roberts, #10, with a football in his hand, on the way to the promised land. And the score was tied up, 7-7. And there he goes in the distance crossing the goal line. Number 25 missed him, #66 missed him and #30 is seen on the sideline almost as if he's praying about it after he missed him. The joyful yell leaders on the right tell the story.

### The Cancer Nobody Talks About

Cancer of the colon and rectum is the most frequent internal cancer among both men and women in the United States.

Nearly three out of four patients might be saved from this cancer with early diagnosis—and proper treatment. Safeguards: an annual "procto", especially for people over 40; knowledge of cancer's warning signals.

### OIL PRODUCTION - GAINES COUNTY

FROM PAGE 1

against administrators of the county when they mined and admitted, \$120 million (taken from Texas Mid-Continent Oil & Gas Assn., 2920 Southland Center, Dallas, Texas 75201) on properties that they declared were worth \$193 million. No doubt, ranchers and farmers did have a great advantage at one time, but there's very little doubt in most people's minds that oil companies in general had the same advantage on properties they owned. No doubt lifting cost, labor and other items have gone up for oil companies, but the same thing has happened to farmers, ranchers and business people. It would be wonderful if the gross income from farms would reach 62% of the total investment each year. Add gasoline made in the county, carbon black, natural gas, butane, propane and sulphur sales and this pushes the percentage up still further. Ask any rancher with \$30.00 an acre ranch land, 20 cows to the section, \$200 cows, and this is an investment of \$24,000.00 per section. If every cow had a calf and if each calf brought half as much as its mother was worth it would bring in only 17 1/2% gross income. And this is what our Commissioner's Court and others were sued over.

Let's try it once more on farm land. It's irrigated; it's worth \$250.00 an acre. One fourth of a section \$40,000.00 plus irrigation equipment, tractors and other farm equipment. Oh, how happy a farmer would be to receive \$30,000.00 to \$32,000.00 a year gross income for 160 acres. I cannot blame oil companies for wanting ranch land raised in Gaines County but I think they made an Alaska size mistake when they accused Gaines County of not putting a fair re-evaluation on surface when they evidently had the great advantage of underlying wealth.

## EDITORIAL

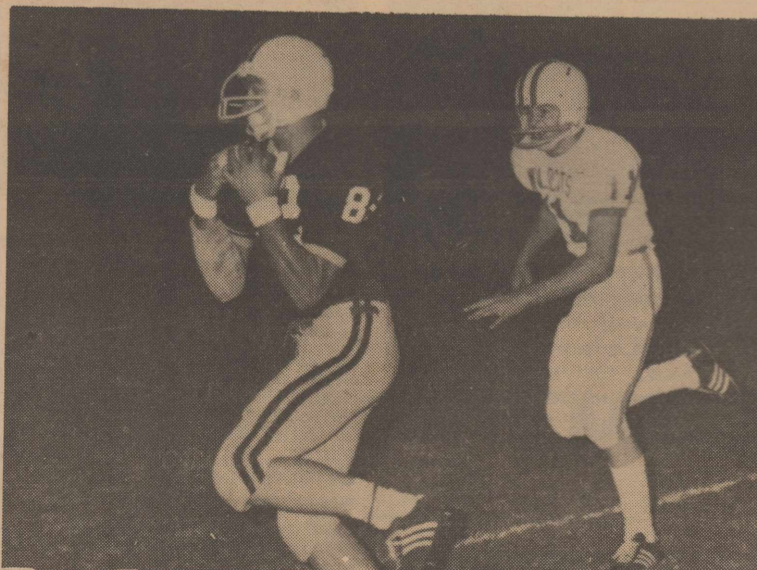

BEWARE OF TOWING VEHICLES - - - Summertime is here. Farmers are pulling farm trailers. Fertilizer is being moved to the farms in trailers. Vacationers are pulling camping trailers. Boats are being towed on trailers to the lakes. Thousands of people are moving in rental trailers. Very few have trailer towing experience.

If you are one that's going to take a trip and pull a trailer, Aetna Insurance would like to give some timely advice. You can start by having a "pro" choose the hitch you'll need and by letting him install it. This means the dealer who sells your make of car or some other well-established automotive expert who regularly handles this type of work. If you're doubtful, check with the dealer who sold you your trailer. In other words, resist the urge to save a couple of dollars by buying the least expensive hitch or installing it yourself.

Next, and failure to take this step is probably trailerer's most common error, cross the safety chains under the tongue of the hitch. This forms a loop that will catch the trailer tongue before it can dig into the ground should your hitch fail. Also, leave only as much slack in the safety chains as you'll need for proper turning of the vehicles. On a recent weekend trip, an engineer found that 19 out of 20 people he saw pulling a trailer had their safety chains improperly installed.

Finally, read and believe in the instructions that come from the manufacturer of your trailer and trailer hitch. Don't pull a heavier load than your rig was built for, and don't pull it under adverse speed, weather or road conditions. If you'll just follow these few precautions, your summer travel plans should go off without a "hitch."

In passing a vehicle towing a trailer, be careful. If he's on the downhill side, he's difficult to pass sometimes. Also, be a good road neighbor. If he's developing a flat on the vehicle being towed, let him know about it. It could save someone's life.

Roger Allen snares one of his two passes and says "It's mine" as he heads down the field for a T. D.

## E.L. SHORT TO AUSTIN

State Representative E. L. Short of Tahoka was in the State Capitol for a Tuesday meeting of the House Interim Committee to study all matters pertaining to the taxation of farm, ranch and forest lands on the basis of their capability to support the raising of livestock and /or to produce farm and forest crops.

The District 73 House Member has been a farmer and rancher in Lynn County for 24 years and will begin his second term in the House when the Legislature convenes in January.

During his stay in Austin, Rep. Short met with Speaker Gus F. Mutscher.

"Rep. Short joins me in my concern over the medical crisis facing Texas if recently enforced rules concerning Class 7C hospitals cause our rural hospitals to close down," Mutscher said. "We certainly appreciate Rep. Short's offer of his assistance in the work of the Texas Health Care Committee."

Mutscher said that Texas has 40 per cent of the nation's Class 7C hospitals because of the large areas in Texas with sparse population, particularly in West Texas. Hospitals who do not comply with the regulations, such as having registered nurses around the clock, are in danger of having Medicare payments terminated, which would in turn force their closure.

Shelby Ownby spent the weekend with his mother, Mrs. Ruby Ownby and attended Homecoming activities and the football game. Shelby is a student at Texas University of Arlington.
