

City Election

SIX MEN IN RACE

INCUMBENT — HUGHES

Karl Don Hughes, incumbent for the city council election, is owner of Hughes Gulf Station. He has lived in Seminole all his life. He and his wife Sandra have 4 children, Greg, 9, Kammy, 8, Kelly, 4, and Terri, 2. He was first elected to the city council in April of 1967.

INCUMBENT — PULLAM

Ed Pullam, incumbent for the city alderman election, made the following statement. "I have enjoyed serving as a city alderman. I am for good city government and hope we can always keep it this way."

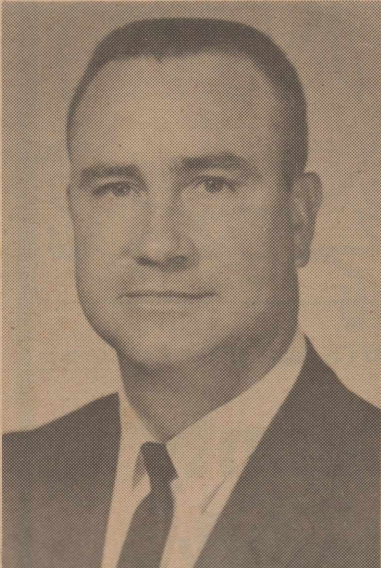

INCUMBENT — PATTON

Raymond Patton is the owner of Seminole Radiator Shop. "For my hometown of Seminole I want good, clean, honest and efficient city government."

"I'll tell you, it's been pretty lately and if there's anybody in the world that knows how to enjoy pretty days, Seminole does. Did you hear about the mother kangaroo that said "Don't you hate these rainy days when they can't play outside."

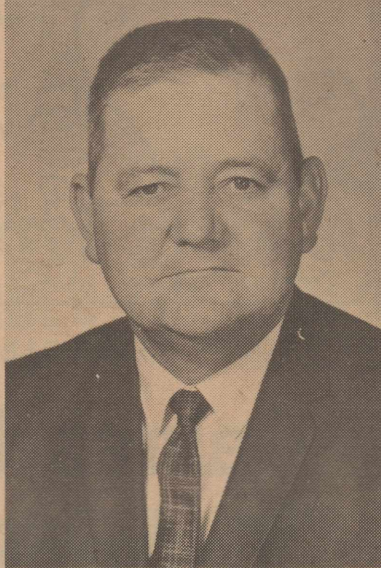

SCHOOL BOARD ELECTION FOUR MEN IN RACE

INCUMBENT — CAVITT

Glen Cavitt has lived in Seminole 8 years. He and his wife Pat are the parents of three sons, Wade, Ricky and Shane. He has served on the school board one term and is part owner and manager of OK Gas. The Cavitts attend the South Seminole Baptist Church.

"I think we have the best teachers in our school than any system that I know of. I want our schools to remain academically strong."

INCUMBENT — FOOTE

Leon Foote, incumbent, "After having two sons and a daughter graduate from our schools, I know what a good system we have. We are most fortunate in this area to have the money to maintain a good plant, a good school and excellent teachers."

Leon and Tommie have one other son, Roger, a junior in Seminole High School. Leon is a businessman and farmer. The Footes attend First Baptist Church.

HOPEFUL — ERICSON

Lester Ericson, in making his statement in the upcoming school board election said, "I am not unhappy with the way the school is going but I am interested in our school and our community."

Lester is a member of the First Methodist Church, has lived in Seminole 5 years and is the father of three sons, Tim, 16, Jimmy, 11, and Bob, 5. Mr. Ericson's mother and father, Lester, Sr., make their home with Lester and his sons. Ericson is farm manager for Gaines County Land Corp. (CBK).

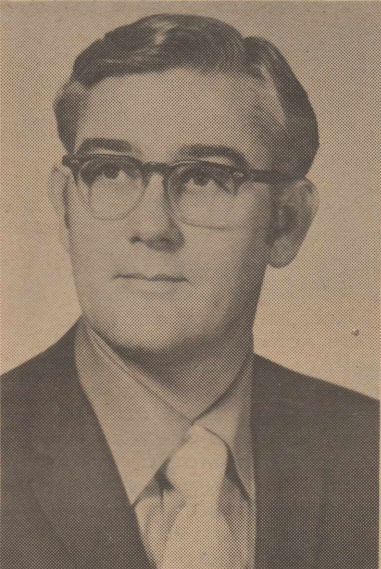

HOPEFUL—LIVINGSTON

J. Lloyd Livingston and wife Jean have lived in Seminole 19 years. He has been employed with Shell Oil Co. 23 years. Mrs. Livingston has been employed at Anthony's for the past 10 years. Their daughter, Carole, lives in Midland. Their married daughter, Sharon, is Mrs. Dennis Skidmore and their son, Jim, is a junior in Seminole High School.

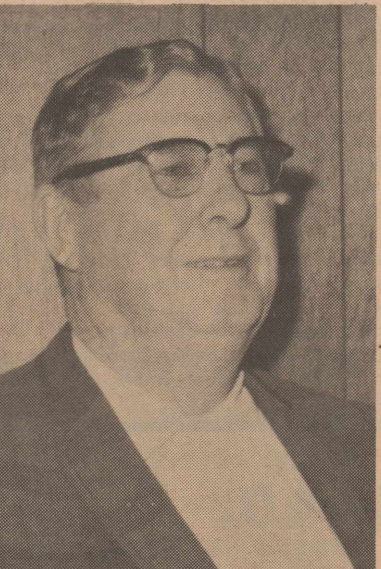

In seeking the office of a school board member, Mr. Livingston said, "I am willing to serve and help in any way I can for a good school system. I think we have one of the best in the state. I am proud to be a Seminole resident."

The Livingstons are members of the First Methodist Church.

HOPEFUL — CLARK

Bob Clark gave the following statement in seeking an alderman's position on the city council, "I want Seminole to become more aggressive in seeking out and trying to get new businesses. I am for councilmen not drawing a salary, so the money may be used in other areas."

HOPEFUL — DENTON

W. Earl Denton has lived in Seminole for 25 years, having raised three daughters. He was one time mayor for six years and councilman for one year. "I have no ax to grind but would like to give the people a choice when they go to the polls next Saturday. One of the things that hurts our country is that people do not vote. This will give them a choice."

HOPEFUL — KEPHART

In seeking a position on the city council Dick Kephart said, "The reason I am seeking a position on the city council is that I feel that we should look into the possibility of having a city manager and a representative from each section of town to serve as a board of directors. Even though the time spent as a councilman may justify the salary they receive I feel that we would receive more for our tax money with a full time person managing the affairs of our city, governed by a board of directors."

VOTE

SATURDAY, APRIL 3RD

Saturday, April 3, School Board election voters will cast their ballots in the Commissioners Court Room in the Courthouse. Entering from the west it is the first door on the left. Polls will be open from 8 a. m. to 7 p. m.

Voting in the city election will be held at the city hall on the northwest corner of the square. Polls will open at 8 a. m. and close at 7 p. m.

SOIL CONSERVATION SERVICE

A NEW BOOKLET OUTLINING BROAD PHASES OF CONSERVATION WORK UNDERWAY IN TEXAS IS NOW AVAILABLE FROM THE SOIL CONSERVATION SERVICE ACCORDING TO CHARLES MICKELSON OF THE LOCAL SCS OFFICE.

MICKELSON SAID THE NEW BOOKLET "SOIL AND WATER CONSERVATION IN TEXAS" TELLS HOW SCS PROGRAMS ARE HELPING TEXANS CONSERVE, DEVELOP, AND PROTECT THE STATE'S SOIL, WATER, PLANT AND WILDLIFE RESOURCES.

"THE BOOKLET IS A MUST FOR THE CONSERVATION TEACHER, URBAN CONSUMER, AGRICULTURAL LEADER OR BUSINESSMAN HONESTLY INTERESTED IN THE CONSERVATION STORY AS IT IS--A NON-SPECTACULAR, CONTINUOUS, DIFFICULT JOB OF TRYING TO INTELLIGENTLY MANAGE OUR STATE'S RENEWABLE NATURAL RESOURCES."

THE PUBLICATION DESCRIBES SCS SOIL SURVEYS AND TELLS HOW THEY ARE USED BY CITIES, PLANNERS, FARMERS AND CONTRACTORS. IT TELLS HOW CONSERVATION REDUCES POLLUTION AND ENHANCES ENVIRONMENTAL QUALITY. IT ALSO DESCRIBES RESOURCE PLANNING HELP AVAILABLE FROM THE SCS. OTHER PROGRAMS EXPLAINED INCLUDE THE SEARCH FOR IMPROVED CONSERVATION PLANTS FOR LIVESTOCK AND WILDLIFE, THE GREAT PLAINS CONSERVATION PROGRAM, EFFORTS TO HELP MULTI-COUNTY AREAS SPEED UP RESOURCE PROGRAMS, AND UPSTREAM WATERSHED PROTECTION PROJECTS.

MICKELSON SAID CONSERVATION WORK IS COORDINATED THROUGH LOCAL SOIL AND WATER CONSERVATION DISTRICTS. IN THE SEMINOLE AREA, THE GAINES-ANDREWS SOIL AND WATER CONSERVATION DISTRICT IS THE ACTION GROUP THROUGH WHICH CONSERVATION WORK IS DIRECTED.

THE BOOKLET POINTS OUT, HOWEVER, THAT COOPERATION OF STATE AND FEDERAL AGENCIES, CITIES, COUNTIES, CONSERVATION ORGANIZATIONS, CIVIC GROUPS AND OTHERS IS THE KEY TO GETTING THE JOB DONE. MICKELSON SAID THAT THE AGRICULTURAL STABILIZATION AND CONSERVATION SERVICE, THE EXTENSION SERVICE AND FARMERS HOME ADMINISTRATION HAVE BEEN HELPFUL IN GETTING CONSERVATION WORK DONE IN THE GAINES-ANDREWS SOIL AND WATER CONSERVATION DISTRICT.

SINGLE COPIES OF THE BOOKLET "SOIL AND WATER CONSERVATION IN TEXAS" ARE AVAILABLE FROM THE SOIL CONSERVATION, FREE.

CONT. FROM P. 1 Gaines County, as most of West Texas, would be most happy to put up with some sort of a rainy spell or snowy spell. Hail wouldn't be bad if it wasn't too big. (But that's what they say about hell too.)

Some of the sandstorms of late have been bad but it's like I've always said - it takes nice even tempered folks to live here that don't mind taking a bath. And I'll tell you another thing, living in this country a man has to keep on the move. The man who has nothing to boast of but his illustrious ancestors is like a potato; the only good belonging to him is underground. ---Thomas Overbury. If you linger anywhere long your posterity could say the same thing.

Someone has asked if we've ever seen a sandstorm this bad and out of towners and out of staters are simply told "Why, the one today is hardly noticeable." Some of the country roads in the county are almost impassable; at least they're real rough. A bar ditch full of sand is a much better roadway than some of the potholes in the middle of the road. I like this saying when I think about the roads and what wonderful luxuries we enjoy, riding in good cars and on good highways - "Hush, hush, little luxury, Don't you cry, You'll be a necessity, By and By." Why, I expect even in a windblown sandy county, good highways, good cars, air conditioning and other little necessities like that are all I'm looking for, plus a rain.

I guess this is not the only county that has troubles. There's that woman from Freestone County that filed assault charges against a man she had been living with for meddling her on the job. And the police chief there has other problems. His new office chair was painted aluminum by one of their exported nuts, thinking it air fresh deoderant.

Well, the weather is something else - California has their earthquakes and Hawaii's goddess Madam Pela (the goddess of fire) erupts. It's too hot in some places and too cold in others, but on the South Plains of Texas when the sun goes down and that refreshing air hits and a blanket is pulled up, oh, what great sleep! I'm not overly fond of the sandstorms. We lose a few and we gain a few and the ones that get that sand in their craw, we make real neighbors out of.

Seminole residents were sorry to hear this past week and to read the news story in Gaines County News from Seagraves that Dr. Bill McCullough, physician from Seagraves, was announcing his resignation from the Seagraves Clinic-Hospital. The story went on to say that the M. D. would close the hospital effective June 1st but would continue the clinic operation during the summer. Dr. Bill, as he is known in the area, is the only medical doctor in Seagraves.

GIRLS DOUBLES

In girls doubles Norris and Mayo of Seminole were defeated by Watts and Scott from Midland Lee. Hill and Cortez from Seminole lost to the same team 6-2, 6-4. Cummings and Riley, another doubles team from Seminole, defeated Virdell of Crane 6-1, 6-0, defeated Schade and Thorenson of Eastwood El Paso 6-4, 6-1 and went on to win the finals 6-0, 6-4 against Watts and Scott.

Girls singles was an all Seminole affair when Cindy Bramlett won over Cathy Cates 6-1, 6-0. Cates advanced when she beat Guerrero of Eastwood 6-2, 6-3, and Wigley of Lee 6-3, 6-4. Bramlett took out Stone of Eastwood 6-0, 6-0, Virdell of Crane 6-0, 6-0, Wigley of Lee 6-1, 6-0 and claiming another 1st in girls singles. (She's something to watch on the tennis court. If you've never seen her play, you're missing one of the top girls tennis players in the state of Texas.)

In boys singles Lee from Midland was the winner, beating out Johnson of Crane 6-0, 6-4. Joe Don Bates advanced to the semi-finals by beating Brown of Mason and Martin of Big Spring 6-2, 6-2. Johnson of Lee beat him out in the semi-finals 6-4, 6-2. Terry Watson was beaten out by Lehmborg of Mason after winning his first set over Tromble of Eastwood 6-1, 6-0.

In boys doubles Wickson and Chambliss were defeated in split sets 4-6, 6-2 and 6-1. Woods and Sneed from Seminole lost to Box and Adams of Crane 0-0. Carson and LaRue, 7th graders, were defeated by Hilliard and Hightower of Midland Lee 6-1, 6-0. Holliday and Puga lost to Took and Smith of Crane 6-1, 6-1.

Midland Lee garnered 112 points for the tournament, winning the first place team trophy. Seminole won second with 91 and Andrews third with 70.

ONE PICTURE EDITORIAL --- One of the last iceboxes left in Seminole, this is one of the better kind and later models, but still an icebox. Iceboxes were known as hundred pounders, seventy-five pounders, fifty pounders or twenty-five pounders; this is a hundred pounder. It was a good ice man (nice) that could move the food stuffs around in a refrigerator, put the big block of ice in and leave a housewife happy.

Letter

Dear Editor:

Let's have a cleaner Seminole. Don't sweep your trash out, put it in the barrel and while you are out here, pick up some that has blown in.

Let's show some civic pride and a cleaner town, not one month, but twelve months out of the year.

It can be done if we all put out some effort.

Mrs. A.S. Sutton
Pick up your trash and a little of your neighbor's, too.

Kelley Jameson records winners and losers at the Seminole Invitational Tennis Meet last Friday and Saturday. Just to the right of her list can be seen the brackets for the boys singles. Notice the name Bates having advanced by winning 6-4, 6-2 and again by 6-4, 6-2, only to lose out to Johnson in the semi-finals. The Seminole tennis team finished second to Midland Lee in the meet. Kelley is a freshman tennis player and the daughter of Mr. and Mrs. Robert Jameson.

No. 12, Susan Sanders set-up the volleyball for Theresa Caffey only to have the defense block out and return the ball.

SEMINOLE NEWS

Section II Seminole, Gaines County, Texas

This is a part of the Seminole delegation in Austin to testify before the Senate for House Bill #443 - Delbert Warren, Brom Marchbanks, Ed Rodgers, Bill Faircloth and E. L. Short, representative from this district. Last Tuesday night the subcommittee, made up of Ike Harris, Dallas, chairman; Joe W. Burnell, San Antonio; and Chet Brooks, Pasadena; recommended that Senate Bill #443, creating a hospital district coinciding with the Seminole School District, be passed on to the Senate floor. "It is now considered an uncontested bill and approval will probably be a formality," Rep. Short told the News.

In approving Senate Bill #443, the subcommittee also recommended that Senate Bill #444 not be approved. This was a hospital district created by Seagraves overlapping a portion of the Seminole School District. The problems arose over a hospital district last year when a county-wide measure for a 50 bed hospital was approved in Seminole but defeated county-wide by Seagraves residents. On the same proposition at that time was a proposal to create one smaller hospital in Seminole and one in Seagraves. That measure failed in both towns. Senator H. J. "Doc" Blanchard of Lubbock who represents Gaines County asked that the committee and subcommittee make recommendations to Seminole and Seagraves, declaring himself to abide by the decision. Seminole was represented by eighteen witnesses for the bill, of which eleven testified.

SEMINOLE MAIDENS

The Seminole Maidens volleyball team clinched a tie for district last night when they beat Andrews 2 straight games, 15-6 and 16-14. The Maidens made short work of the first game as Teresa Caffey had 7 successful spikes. Robin Hughes had 2, Van Winkle had 2 and Linda Aryain had 2. Susan Sanders led on serves with 7, followed by Robin Hughes with 3. Teresa Hughes proved her worth in the 2nd ballgame when she successfully served 10 of the 16 points made. Susan Sanders had 3.

In the 2nd game it was the drives of Brenda Van Winkle at the net with 5, leading her team on spiking. The Maidens jumped to a 10-0 lead with Hughes serving only to have the game tied up at 10-10.

Susan Sanders cleared the net for 3 straight points on serving and the Maidens jumped to a 13-10 lead but Andrews came right back and tied it up at 14-14. But true champions they were, the Maidens gained the advantage and won the final game 16-14.

Last night in Pecos Ft. Stockton won the 2nd and 3rd games over Pecos, forcing a playoff with the Maidens. Probably a neutral site will be chosen for the contest.

The Maiden B's lost a heart-breaker to the Andrews B-team 9-11, after losing the 1st game 11-14 and winning the 2nd game 15-7.

Patricia Blount led her team, scoring 14 big serves in the 3 ballgames. She was followed by Marrion Harris with 8.

The B's fell behind in the 3rd game 3-12 and came on strong at 11-13 and 11-14 as time ran out, losing the 3rd game 2-11.

THE NEWSIEST GAL IN TOWN!

The whole town is sad this week with JACK and BEVERLY JORDAN selling the furniture store and moving their family to Marshall, Texas soon. The ballgames won't be the same next year without Beverly's enthusiasm in the cheering section. Our best wishes will go with them. ---We will miss the RICHARD TIMMONS and the JAMES FARMERS who will be moving to Marshall also. Another family we hate to see leave Seminole are my neighbors, RAY and BETTY WHISENHUNT who are moving to Ruidoso. ---BILL FAIRCLOTH Chamber of Commerce manager and CHARLES SQUIRES are attending a Chamber of Commerce workshop in Abilene today. Bill said several more had planned to attend but had backed out at the last minute. Charles, taking a week's vacation this week, was looking for an excuse to get out of a few household chores---BART WALDEN is home from the Permian General Hospital in Andrews. BART was severely burned in an accident some weeks ago at his shop---ERNEST BALLARD enjoying a birthday last week because all of his children called to wish him well. Heck, Ern, at your age you may as well enjoy them anyhow---MRS. HOB-DY helping out at the MODE-O'DAY yesterday because LUCILLE McNAIR, the proprietor, was home sick. ---EMERIE GEORGE and MELBA ESTEP waiting for their art class to start Monday evening. They both had been gone over the week-end and for the liefe of me I can't remember where it was, some reporter I make. ---JERRY BAKER back on the job at FAYE'S DRESS SHOP this week. ---We were sorry to hear our old friend DOLLY IVY is in the hospital. Get well soon, Dolly, we miss you. ---Remember to attend the "MISS SLUMINOLE" Pageant Thursday night. The proceeds will go to the Cancer Foundation and we guarantee you'll have a fun evening. ---Someone is always commenting on our little "fillers" throughout the paper. Here's a couple from last weeks paper I thought bears repeating - "What kids need today is plenty of LSD--Love, Security and Discipline." "It's better to be chicken than to end up a dead duck." Look out for me because I'll be seeing you AROUND TOWN.

THE WAY OF LIFE

HENRY C. SIMMONS, MINISTER CHURCH OF CHRIST LOOP, TEX.

"IF WE DO PUT THE PRIMARY EMPHASIS ON THE SPIRITUAL, WHERE IT BELONGS, I HAVE NO DOUBT THAT GOD WILL PROVIDE HIS MATERIAL BLESSINGS-- AT LEAST AS THEY ARE NECESSARY. PERHAPS HE WON'T MAKE US WEALTHY, BUT I'M SURE WE CAN DEPEND ON HIM TO PROVIDE SUFFICIENTLY FOR OUR NEEDS, ANYWAY. IN FACT, IF HE DID MAKE US WEALTHY AS WE WOULD LIKE TO BE, THAT WEALTH MIGHT EVEN BE THE CAUSE OF OUR RUIN. AND SURELY, SINCE GOD IS IN A POSITION TO KNOW THESE THINGS, WE WOULDN'T EXPECT HIM TO PROVIDE US WITH SOMETHING WHICH WOULD CAUSE OUR DAMNATION, WOULD WE?" I DIDN'T WAIT FOR HIM TO ANSWER THAT LAST QUESTION, BUT I WENT ON, "IN THIS SAME SIXTH CHAPTER OF MATTHEW, AT VERSE TWENTYSIX, JESUS SAID, "BEHOLD THE FOWLS OF THE AIR, FOR THEY SOW NOT, NEITHER DO THEY REAP, NOR GATHER INTO BARN, YET YOUR HEAVENLY FATHER FEEDETH THEM. ARE YE NOT MUCH BETTER THEN THEY?" DO YOU KNOW WHAT THAT LAST STATEMENT IMPLIES TO ME? IT TELLS ME THAT BEFORE GOD FEEDS THE PIGEONS, AND THE SPARROWS, AND THE LARKS, AND ALL THE OTHER LITTLE CITIZENS OF THE BIRD WORLD, THAT HE FIRST PROVIDES FOR MY NEEDS. THAT'S ONE REASON I CAN TRUST HIM SO MUCH, EVEN THOUGH I MAY NOT HAVE A MILLION DOLLARS.

"I TOO, LIKE THE LUXURIES THAT MONEY CAN BUY, AND I DON'T BELIEVE THAT GOD DISAPPROVES OF THIS ATTITUDE SO LONG AS IT IS RETAINED WITHIN REASONABLE BOUNDS, BUT SARGE, I DON'T WANT GOD TO EVER PERMIT ME TO HAVE THE RICHES OF THIS LIFE IF THEY WILL JEOPARDIZE MY CHANCES FOR THE REAL RICHES OF ETERNITY."

P.S. MY SERMON TOPICS AT LOOP FOR THE NEXT TWO OR THREE SUNDAYS WILL BE CONCERNED WITH THE POWER OF THE RESURRECTION. WE WILL INVESTIGATE SUCH QUESTIONS AS--WHAT IS DEATH? WHAT IS MAN? IS MAN WHOLLY MORTAL? IS MAN SUBJECT TO DEATH AND DECAY? WHAT IS THE SPIRIT OR SOUL OF MAN? HOW ARE THE DEAD RAISED, ETC. IF YOU HAVE SPECIAL QUESTIONS ON THIS SUBJECT I WILL BE GLAD TO STUDY THEM WITH YOU, EITHER FROM THE PULPIT, THROUGH THIS COLUMN, OR PRIVATELY. JUST LET ME KNOW.

Happy Home Environment
WHAT'S THE IDEAL?

■ Most people would agree that the ideal happy home environment must take into consideration the environmental aspects as well as the spiritual and human relationships.

■ In the present state of technology, electricity does its job well when it comes to environmental aspects of conditioning the air in your home.

■ The ideal system, now available, not only does its job of comfort heating in winter and comfort cooling in summer but also refines the air itself. Electric humidifiers control the amount of moisture in the air and electrostatic air cleaners remove undesirable dust particles.

■ So then, 4 things to give you a happier home environment... electric heating, electric cooling, electric humidification and electric air cleaning... and all of it automatically. Ask your Public Service manager for complete information.
