An Editorial

more in this town. What do you have the school windows boarded up for? We decided this community doesn't need school any longer. What's wrong over at the hospital? Nothing's wrong, we just decided that people of this county would be better off going to Lubbock, Hobbs, Andrews and Lamesa. You see, we've let our medical facilities run down in this town to the point that other doctors were not interested in coming here."

This editorial is not intended to scare anyone into voting FOR the two propositions on June 19th, to create a hospital district and to fund it. This is intended to point out to voters of this district that to maintain an overall community spirit, to maintain company employees and to justify our living in Seminole, we need more doctors, we need hospital facilities in the future, so we can take care of our own. Certainly \$2.75 million is a lot of money to spend. I am led to believe that the people that had so much to say about Andrews County building a \$2 million structure a few years ago are the same people that would complain about the \$2.75 million cost. It has been pointed out that a \$10,000 house assessed at 16% would cost \$4.80 for tax per year for bonds and \$7.20 per year for bonds and upkeep, that a \$20,000 house would cost \$14.40 per year. This amount would not pay for gasoline, oil, and depreciation on an automobile for one trip to Lubbock. It has been pointed out that 1/4 section of dry land worth \$50 an acre would cost \$5.76 per year in taxes and that irrigation land valued at \$150 an acre would cost \$17.28 per year. Advocating more taxes has never been a popular thing but where would Seminole be today if someone had never been interested in street pavement, in sewage extensions, in schools, in courthouses or in the care of the sick if someone had not advocated bonds to build them with. How do you think Mr. Woodard and other school board members felt in 1931 when they spent the great amount of \$60,000 building the junior high building and the question was asked "Do you think that you'll ever use all of it?" Someone has to do some dreaming, some planning, some voting and some paying. Hospital board members will be fair. They will be honest and do the very best job they can. They serve without pay and many times are paid off in criticism. VOTE your convictions JUNE 19th and keep in mind responsibilities to the people of tomorrow and be glad that someone dug a water well, someone paved a street and someone built a building for our convenience and what we do on that date will affect this community in 1971, 1981 and 1991.

SUMMER BASEBALL BEGINS

GARNERS FOUND GUILTY

A jury made up of W. M. Wicker, foreman, J. B. Thornbury, Jr., Elvis Williams, Eugene Davis, A. G. Meadows and Mrs. Eugenia Glass found Charley Garner guilty of assault and battery and Rachel Garner guilty of assault in court action last Thursday in assaulting and striking Melvin Clark, a school teacher. Justice of the Peace W. E. Cox, Jr. heard the case. The judge moved the proceedings to the 106th District Courtroom so there would be room available for the 49 people present.

Fines of \$65 were set for Mrs. Garner and \$105 for her husband. Their attorney, Tom Reeves of Colorado City, declared their intentions of appealing the jury decision at the end of the trial. In his final argument to the jury he said "They (referring to Mr. and Mrs. Garner) will take your decision as a final word" and immediately thereafter declared intentions to appeal.

The case grew out of a May 4 incident in which the teacher,

Clark, had given the Garner's son, Charley, three licks with a paddle. According to testimony, the paddling followed a game called "the hypnotism game." Two students would face one another in chairs and one would follow the leader. Both students stood up, both students sat down. Both stood up and one sat down, the other much harder on the floor as the chair was moved.

Little Charley Garner testified "Yes, I moved the chair." His helper also received a spanking. Mr. Clark, the teacher, testified as to threats, abusive language, being pushed by Mrs. Garner and struck with a doubled up fish by Mr. Garner, in their two visits to see the principal, the teacher and then the teacher again.

Another teacher, Tommy Joe Woodard, testified that he saw Mrs. Garner push Clark and further testified that he saw Garner strike Clark. Tommy Matthews testified that he fainted when he hit the floor when

Theresa Whitaker looks into a large hole smashed into the side of her brother-in-law, Lynn Whitaker's, mobile home. The 60 X 14 Detroiter sustained heavy damage when a 70 to 80 MPH wind pushed it off its blocks and turned it over 1/2 time. The accident occurred at 10:30 p. m. last Wednesday.

THESE TWO YOUNG MEN WERE DUMB-FOUNDED LAST WEDNESDAY NIGHT WHEN THEY LOOKED IN THE OFFICE AT SEMINOLE AREO SERVICE AND SAW THIS 4" PIPE WITH A CONCRETE SLAB ON IT THAT WENT THROUGH THE ROOF OF THE OFFICE, DEMOLISHED A COKE MACHINE AND HIT THE FLOOR. THE SIGN ON THE RIGHT "IT'S FUN TO FLY" IS MEANT FOR AIRPLANES AND PEOPLE AND NOT FOR PART OF THE HANGER BUILDING. THE POST HAD TRAVELED COMPLETELY OVER ONE HANGER BEFORE IT CAME TO IT'S RESTING PLACE IN THE OFFICE. THE TWO YOUNG MEN ARE JAMES BURNS, SON OF MR. AND MRS. DALE JOHNSON AND DEE WICKSON, SON OF MR. AND MRS. C. D. WICKSON.

the chair was pulled out from under him. He further testified to injury to his tail bone from a previous accident.

The Garners testified that at least two other boys were called in and paddled when they made complaints that others had not been spanked like their son. Mr. Garner testified that his hand slipped as he pushed his wife out of the way when he hit Clark and Mrs. Garner testified that he was telling the truth.

"He (her husband) grabbed me to push me out of the way and Charley accidentally hit him (Mr. Clark). I never whipped one of my children," she went on to say, "and Charley never whipped one."

In summing up his arguments before the jury, Joe McGill, County Attorney, said, "This is simply a case of a little boy getting a spanking. They did not want their little boy spanked. Of course, they didn't mind other people's little boys getting spanked and insisted upon it."

The jury deliberated exactly one hour, from 4:42 p. m. to 5:42 p. m., before bringing in their guilty verdict.

Formal Wedding

The altar of the First United Methodist Church was decorated with white daisies and white Fiji mums, flanked by two candelabras with white tapers and white lovebirds for the formal marriage of Miss Cheryl Lynn Buck and Luther Gragg Miller. The double ring ceremony was held at 3:00 p.m. June 4, 1971, officiated by Dr. Tilden Armstrong. The aisle was covered with white satin. Family pews were marked with yellow satin ribbons and white lovebirds.

Miss Terry Bates at the organ accompanied soloists Miss Cheryl Carey of Levelland as she sang "Walk Through This World With Me" and Miss Gwen Beam of Lamesa as she sang "More". Miss Carey and Miss Beam sang "Twelfth of Never", accompanied by Miss Carey on the guitar.

Presented in marriage by her father, the bride wore a formal gown of peau de soie, accented at the bodice with reembroidered Alencon lace with matching appliques on front panels. Her cathedral mantilla was bordered and appliqued with alencon lace. The bride carried a cascade of white daisies accented with yellow velvet ribbon atop a white Bible presented to her by her great-grandfather, W. T. Buck.

Miss Pamela Kay Buck, maid of honor and Miss Kimberly Denise Buck, bridesmaid, served as their sister's attendants. Flower girl was little Miss Dana Goss, niece of the bridegroom. The attendants were attired in identical princess style gowns of yellow embroidered in rows of spring flowers. The bodice featured cap sleeves edged in lace and matching lace at the high round neckline. They had pill-box headbands covered with the same material and holding short silk illusion veils. The attendants carried nosegays of white daisies with yellow streamers. The flower girl carried a white basket edged in yellow and holding daisy petals.

Dewayne King was best man. Groomsman was Gregory Loyd Buck, brother of the bride, who also served as an usher with Jerry Hatley.

The reception was held in the church fellowship hall. The serving table was covered with yellow overlaid with lace and centered with a bouquet of daisies and Fiji mums. The traditional three tiered wedding confection was decorated with yellow flowers. Lime punch was served from crystal appointments with nuts and mints from silver dishes. Assisting in the house party were Misses Coyet Miller, sister of the bridegroom; Phyllis Rumans, Jowana Earl and Terri Bates.

OUR OPINION

DAYLIGHT SAVINGS TIME WILL BE GIVEN AN OPINION VOTE IN 1972 - ANOTHER WASTE OF TIME - WHY DOESN'T THE STATE LEGISLATURE EITHER VOTE TO KEEP IT OR GET RID OF IT?

ON THE LAST DAY OF THE SPECIAL SESSION A RESOLUTION WAS APPROVED TO TEST THE POPULARITY OF DAYLIGHT SAVINGS TIME.

AS FAR AS WE ARE CONCERNED EITHER TIME WILL BE FINE IF ITS JUST LEFT ALONE.

THE ARIZONIA LEGISLATURE LAST YEAR SPENT AN ESTIMATED \$35,000 ARGUING OVER IT. MAYBE THE TEXAS LEGISLATURE WILL MAKE UP THEIR MINDS AND JUST VOTE - - PLEASE LET IT BE FINAL.

SHE WAS LATE TO CHURCH THE CATTLE HAD BEEN OUT, AND THE TIME CHANGE WAS JUST TO MUCH. THE WOMAN AT CHURCH SAID, "IF YOU MEN DON'T QUIT FOOLING WITH GOD'S TIME YOU ARE GOING TO GET INTO TROUBLE." TO WHICH WE WOULD LIKE TO ADD OUR, "AMEN".

DAYLIGHT SAVINGS TIME ARRIVES EACH YEAR THE LAST OF APRIL AND CLOSES OUT THE LAST WEEK IN OCTOBER.

IMMUNIZATION CLINIC WEDNESDAY, JUNE 16th

Your public health nurse will be giving diptheria, tetanus and whooping cough, also smallpox, polio, measles (red) and German measles (rubella). A physician will be present at the clinic. If you are able to see your private physician, do so, for you must have your child immunized for him to start to school September 1, 1971.

Dr. William F. Frye and Brom Marchbanks.

Dr. William F. Frye, special consultant to the Texas Tech University School of Medicine and formerly dean, vice president and chancellor of Louisiana University School of Medicine, met with Lions Club members, Rotary Club members, their wives and others at a luncheon in the school cafeteria yesterday. He discussed the Texas Tech University School of Medicine. One hundred twenty-four attended the luncheon.

Dr. Frye mentioned 106 West Texas counties included in planning of the new school from El Paso to Amarillo. The school will serve about 2 million people. "The Lubbock County Medical Hospital will be joined to the school although not a part. It is our plans to include the gamut of medical care people - hospital administrators, nurses and technicians, besides doctors. The school will have the first full class of 200 freshman students in 1975, with a partial beginning in the fall of 1972. If we can't furnish you something here in Seminole, we do not need to be there. The school will offer consultant services, further training and courses for your doctors, including about 3000 in the medical care system, besides the 800 full time students. We will not have an ivory palace in Lubbock, but a place for work, learning and training," Dr. Frye said.

E. L. Short, State Representative for our district, was present at the luncheon yesterday at the Seminole School Cafeteria where 124 were present. He is shown viewing a drawing for the new hospital as suggested by the architects Stiles, Roberts & Messersmith.

Triple R Tire and Standard Service Station.

TRIPLE R TIRE SERVICE

How do you name a business? The Triple R Tire Service, 709 Hobbs Highway, was named after the three sons of Jess and Shirley Strickland - Ross, Ray and Ricky. Ross, 22, is a college student and Ray, 18, and Ricky, 15, are students in Seminole Schools.

The Stricklands have been in the tire business eleven years, sixteen before that in the station business. The combination Standard Station and tire store sells Gates and Star tires and has two self-contained units for road service. They are available for truck, tractor, passenger and farm vehicles.

Besides Mr. and Mrs. Strickland and the boys, C.B. Griffin and Freddy Hemphill are employed to take care of tire needs, fix flats and install new tires. Jess originally opened the Humble Station on South Main. He ran a Texaco and a Shell station that eventually was a Conoco just north of the Pittman Building and across the street. Jess and the three R's, Ross, Ray and Ricky, enjoy looking after cattle together and riding horseback.

COMMISSIONERS COURT MEETS

Golfers and park users of the Gaines County Park met with the Commissioners Court Monday and asked for relief concerning the flies in the area. Joe McGill, County Attorney, advised the News that the Commissioners Court intends to do something about them. He further stated that the flies were being drawn by the chicken houses adjacent to the park and the golf course and had reached the nuisance stage.

In other court action the commissioners worked out arrangements for and with Dr. B. K. Fleming, a D. O. who is moving to Seagraves from Dexter, Mo. The court agreed that the county would operate the Seagraves hospital until November 1 or January 1. At that time the new doctor would have an option to rent the facilities at \$1.00 per year on a similar arrangement to the one the previous doctor, Bill McCollough, had.

On May 17th residents of Seagraves met and raised over \$9000 to improve medical facilities in Seagraves and to contract for a doctor to move to that city. The Gaines County News reported that Dr. McCollough would be leaving in July.

CHAMBER OF COMMERCE

The Chamber of Commerce met Tuesday morning for a breakfast meeting at the Raymond Restaurant.

1. The Yard of the Week contest will begin July 14th.
2. George Cristy gave an athletic report on a swimming meet to be held Saturday, July 3rd, at 10 a.m. with boys and girls divisions and age brackets in each. Saturday, June 19, at 9 a.m. a track meet will be held for both boys and girls with area towns participating. July 5th, 6th, 7th and 8th will be the Highway 80 tennis tournament in Seminole. Several hundred tennis players from over the state will be here, from small fry to adults.
3. Olan Locker reported on the July 4th celebration to be held on Saturday, July 3rd, with a fireworks display that night. The Seminole reunion will be held in conjunction with this, also maybe a band, gospel singing and other entertainment.
4. Thursday morning a Boy Scout drive will kick off at 7 a.m. with a breakfast at the Raymond Restaurant.
5. Ed Rodgers reported on the progress of the hospital district.
6. Tom Rogers gave an outstanding report on junior colleges and how Gaines County and the area might qualify at a future date for a junior college. He pointed out that an area generally had to have 7000 students, but in some cases was approved with as few as 4500 in its district. Gaines County has about 3000. A junior college, he went on to say, has to meet at least three purposes, (1) curriculum offered must be transferable to other schools, (2) a technical program must fit industry in the area and (3) formal training must be offered for those wanting to go back for further study. Joe Smith and Walter Woods were appointed along with Tom Rogers to check into the feasibility of such a program.
7. The Peach Queen Pageant will be held in Stonewall June 18th and 19th.
