

What kind of a neighbor are you? Do you have an old car setting up on blocks in the front of your house or in the back of your house to aggravate your neighbors with? Do you have a dog that runs loose in the neighborhood? It's hard for me to believe that people in Seminole will dump their trash near someone else's house, but these three pictures will show you different. This dump ground has been made adjacent to Southwest 20th Street. It is within one block of residents living there. Raymond Buhman's house can be seen in the background. Outstanding citizens in our town have dumped magazines and business invoices in the area. There's old trees, tin, mattresses, chairs, divans, old cook stoves, washing machines, dryers and dead animals. No doubt, the people dumping in this area would cry the loudest if other neighbors dumped their trash where it would blow over on them. City ordinances forbid dumping except at the city dump. Would you please cooperate and use the city dump? One man, when approached, said the city dump was not open. This editor drove immediately to the city dump and it was open. Please help by observing the law, a good neighbor policy and a good health policy. Violators are subject to a fine. The health officer this past week filed on local residents. Your cooperation is needed!

I become intoxicated with pure delight when I think about this time of the year, planning for a trip and being gone for the summer. "Daddy," our married daughter said, "the times I remember best are camping beside a small stream, eating breakfast in the mountains and stopping in the middle of the afternoon to swim."

The Mrs. painted a picture a few years ago that brings back many pleasant memories. We were traveling down the highway and decided to stop and eat lunch. We backed Tag-Along, a 16 foot vacation trailer, back into the aspens and the lunch hour turned into a real campout. As I review the scene that hangs behind my desk I can hear the quaking of the aspens, I can smell the fragrance of an outdoor fire, I can hear the running of a mountain stream and I can see the Tetons with their snowcaps off in the distance. The brown leaves under the trees are checked with sunlight and shadow. There's the death-like music of the midday locusts and the wind crooning among the trees.

There are probably prettier mountain ranges in the world but I've never seen them. Why, we ought to walk over there in a few minutes and just climb to the top of them. How far away are they? A mile? Three miles? Ten miles? Twenty miles? At least forty miles and they are pretty. Most of the snow's gone except on the shady side.

So, what did we do? We didn't walk to the mountains. We just got out the lawn chairs and Mom and I sat in the shade of the aspens and watched the kids play in the water and just enjoyed living.

The stream itself was not over a foot deep but it was in a hurry to get where it was going. The kids would play in it for a few minutes and jump out because it was as cold as West Texas iced tea. The lawn chairs were just not comfortable enough so we migrated to a good bed and an afternoon nap.

Remember JUNE 19th is the date to VOTE on the hospital district and the hospital bonds. Vote YES for medical facilities!

Seminole News

Vol. V Page 1 No. 11 Pages 24 SEMINOLE, GAINES COUNTY, TEXAS 10¢ June 16, 1971

"With malice toward none—With charity to all." Abraham Lincoln

Editorial

The hospital district needs a happy blending of thinking people, also we need to stay in line with accustomed principles, what we can afford, what we want and what we need. A unity of effort is needed. First of all, the proposed cost of a new hospital is staggering. The cost of anything this day and time is staggering, especially construction. The cost of automobiles has doubled and tripled in the past 25 years. Education cost keeps spiraling. However, most of us do not have plans to quit driving or to stop sending our children to school simply because prices are jumping. This area cannot afford to depend upon the government to furnish medical facilities.

Mr. George Mahon said on October 13, 1970: "I regret that officials have not, as yet, taken a more realistic approach in meeting the hospital needs of the smaller communities. I am supporting legislation and other steps which would provide certain relief for this whole problem, particularly with regard to toe registered nurse requirement."

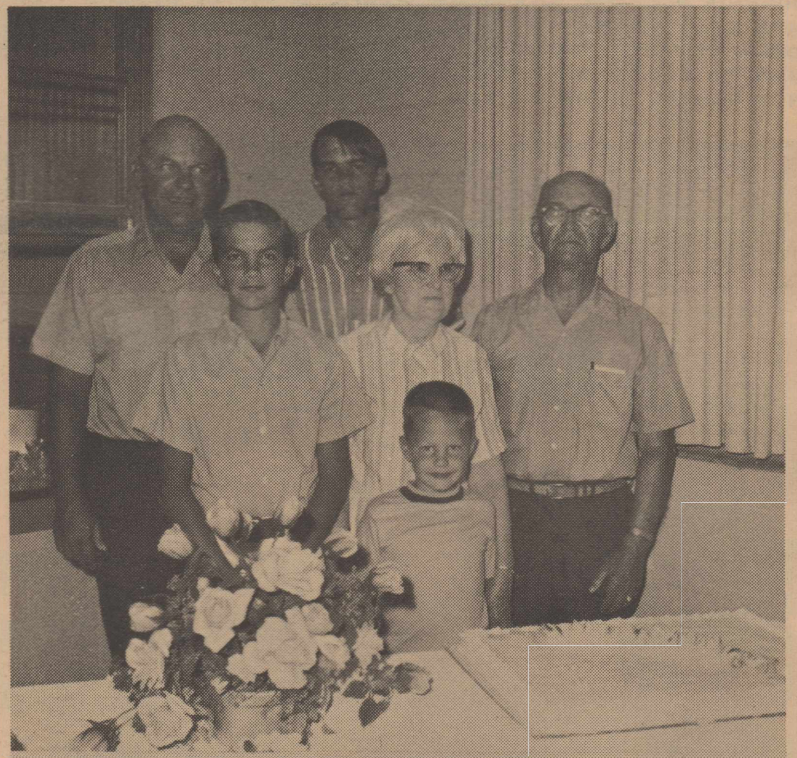

If Seminole residents are to enjoy hometown hospital facilities, Seminole and the Seminole area will have to build them. Seminole has tried to do something about the future needs; first of all for the entire county. That failed when Seagraves and Loop boxes block voted against it. In March of this year Senate Bill #443 was passed, creating a new hospital district coinciding with the Seminole Common Consolidated School District. Next Saturday, June 19th, voters of this district will have the opportunity to vote for the hospital district itself and bonds to build a new 49 bed hospital. The approximate cost of houses and land will be as follows:

	100% VALUE	(16%) ASSESSMENT VALUE	BOND COST 30¢	TOTAL TAX OF 45¢
HOUSE	\$ 5,000	\$ 800.	\$ 2.40	\$ 3.60
	10,000	1,600.	4.80	7.20
	15,000	2,400.	7.20	10.80
	20,000	3,200.	9.60	14.40
	#LAND VALUE PER ACRE		¼ SECTION	
RANCH \$30	4,800	768.	2.30	3.46
	40 6,400	1,024.	3.07	4.61
CULTIVATED DRY LAND				
\$40	6,400	1,024.	3.07	4.61
80	12,800	2,048.	6.14	9.22
IRRIGATED				
\$70	11,200	1,792.	5.38	8.06
140	22,400	3,584.	10.75	16.13
180	28,800	4,608.	13.82	20.74

The 30¢ listed is for the bond cost or repaying money borrowed on bonds. The 15¢ is for the upkeep of the hospital district.

CONT. FROM P. 1

I always liked to camp out and I always liked the hardships of a campout - when I had screens on the windows, a good mattress to sleep on and a little butane in case the wood was wet. I never did mind it raining at night when we were camped out as long as we had a good roof over our head, we were dry and we had old Tag-Along tied down.

I'll bet there's somebody camped right now in our spot and I'm not mad about it, I'd just like to meet them and be there with them. In all probability, they'd have a tent fold-out trailer or a Silver Streak. They'd have two to four kids and they'd have hamburger patties and beans for dinner.

The husband and the wife would both be doing the cooking, feeding the kids and hurrying to get the lawn chairs out, to find out where you were from, what you did, where else you'd been, where you were headed and when we might meet again.

It's a pleasant time of the year. The Tetons are still there, the mountain stream is still there, the aspen trees are still whispering and I'm still in Seminole and not liking it. While my memory is capable of taking the highest view in reliving some of the unforgettable scenes there are many more that I'm looking forward to seeing also. There's the Davis Mountains, the Guadalupe Mountains (to be opened someday), there's the Western Slope, Oregon, Washington and Glacier, just to mention a few.

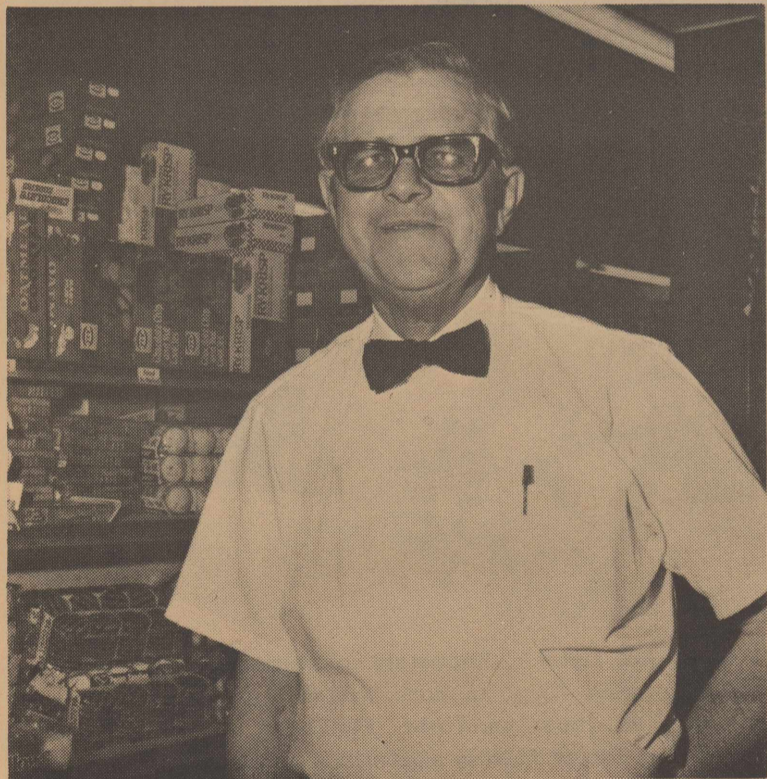

A persec is an astronomical unit of measure nineteen billion miles long.

EDITORIAL CONT. FROM P. 1

It is our choice!

Yes, I've been glad to say on many occasions, I live in Gaines County where they have the beautiful courthouse. Yes, I've said again and again, I live in Seminole where they have the outstanding school system. "Yes! I've been told, "you live where they have that pretty party house and golf course north of town." In future years I would like to give this further answer - yes, I live in a town where people cared enough at one time to want a good hospital, good doctors and a fine medical facility. Then we can say we were not content with mediocre, we were not content with half-truths and and backstairs gossip. We united in effort, we united on principles, and had a happy blending of voting talents and stand with pride with a community that has the best courthouse, schools, party house, golf course, Scout facilities and youth center.

DEAR EDITOR,
THE UNDERSIGNED MAJOR HOMER F. BERRY USAF RETIRED. DOCTOR OF WEATHER 25 YEARS EXPERIENCE. HAVING VISITED YOUR CITY FOR 10 DAY ASSESMENT. I OFFER THE FOLLOWING RECOMENDATIONS. -- THAT 25 COUNTIES LAYING 5 X 5 AGAINST NEW MEXICO AND 4 X 5 NORTH AND SOUTH INSIDE NEW MEXICO EQUAL 9 X 5 RUNNING EAST AND WEST. SET UP GOVERNMENT FUNDS. 45 COUNTIES, 2 BOATS 1000 MILES OFF LOS ANGELES, 10 SMALL RIVER BOATS ON THE COLORADO RIVER, 7 S SMALL PICK UP TRUCKS OPERATING ALONG THE BANKS OF THE RIO GRANDE RIVER, 5 SMALL PICKUP TRUCKS OPERATING 50 MILES WEST OF HOBBS, NEW MEXICO. THE REASON FOR TRUCKS IS THE RIVER IS TOO SHALLOW FOR BOATS. THE ABOVE WOULD TRIFLE YOUR ANNUAL RAINFALL AND RAISE YOUR GROUND WATER TO PAST HOLE DEPTH, 30 YEARS HINCE THIS WILL BE THE ORDER OF THE DAY.
NOW LET US GET BACK TO TODAY'S POSSIBILITIES. I COULD HELP THESE PEOPLE THROUGHOUT THIS AREA. I WOULD BACK UP 50 MILES WEST OF HOBBS AND MAKE THE MOST OF WHAT NATURE SENT. IF THE SUPPORT WAS GREAT ENOUGH, I WOULD THEN BACK UP TO THE RIO GRANDE OR EVEN TO THE COLORADO AND IF THE SUPPORT SURPRISED US ALL I WOULD BRING MY OWN BOATS AND TELL THE GOVERNMENT TO GO JUMP IN THE LAKE. WHICH IS WHAT OUR COUNTRY IS BASED ON -- FREE ENTERPRISE -- PERIOD

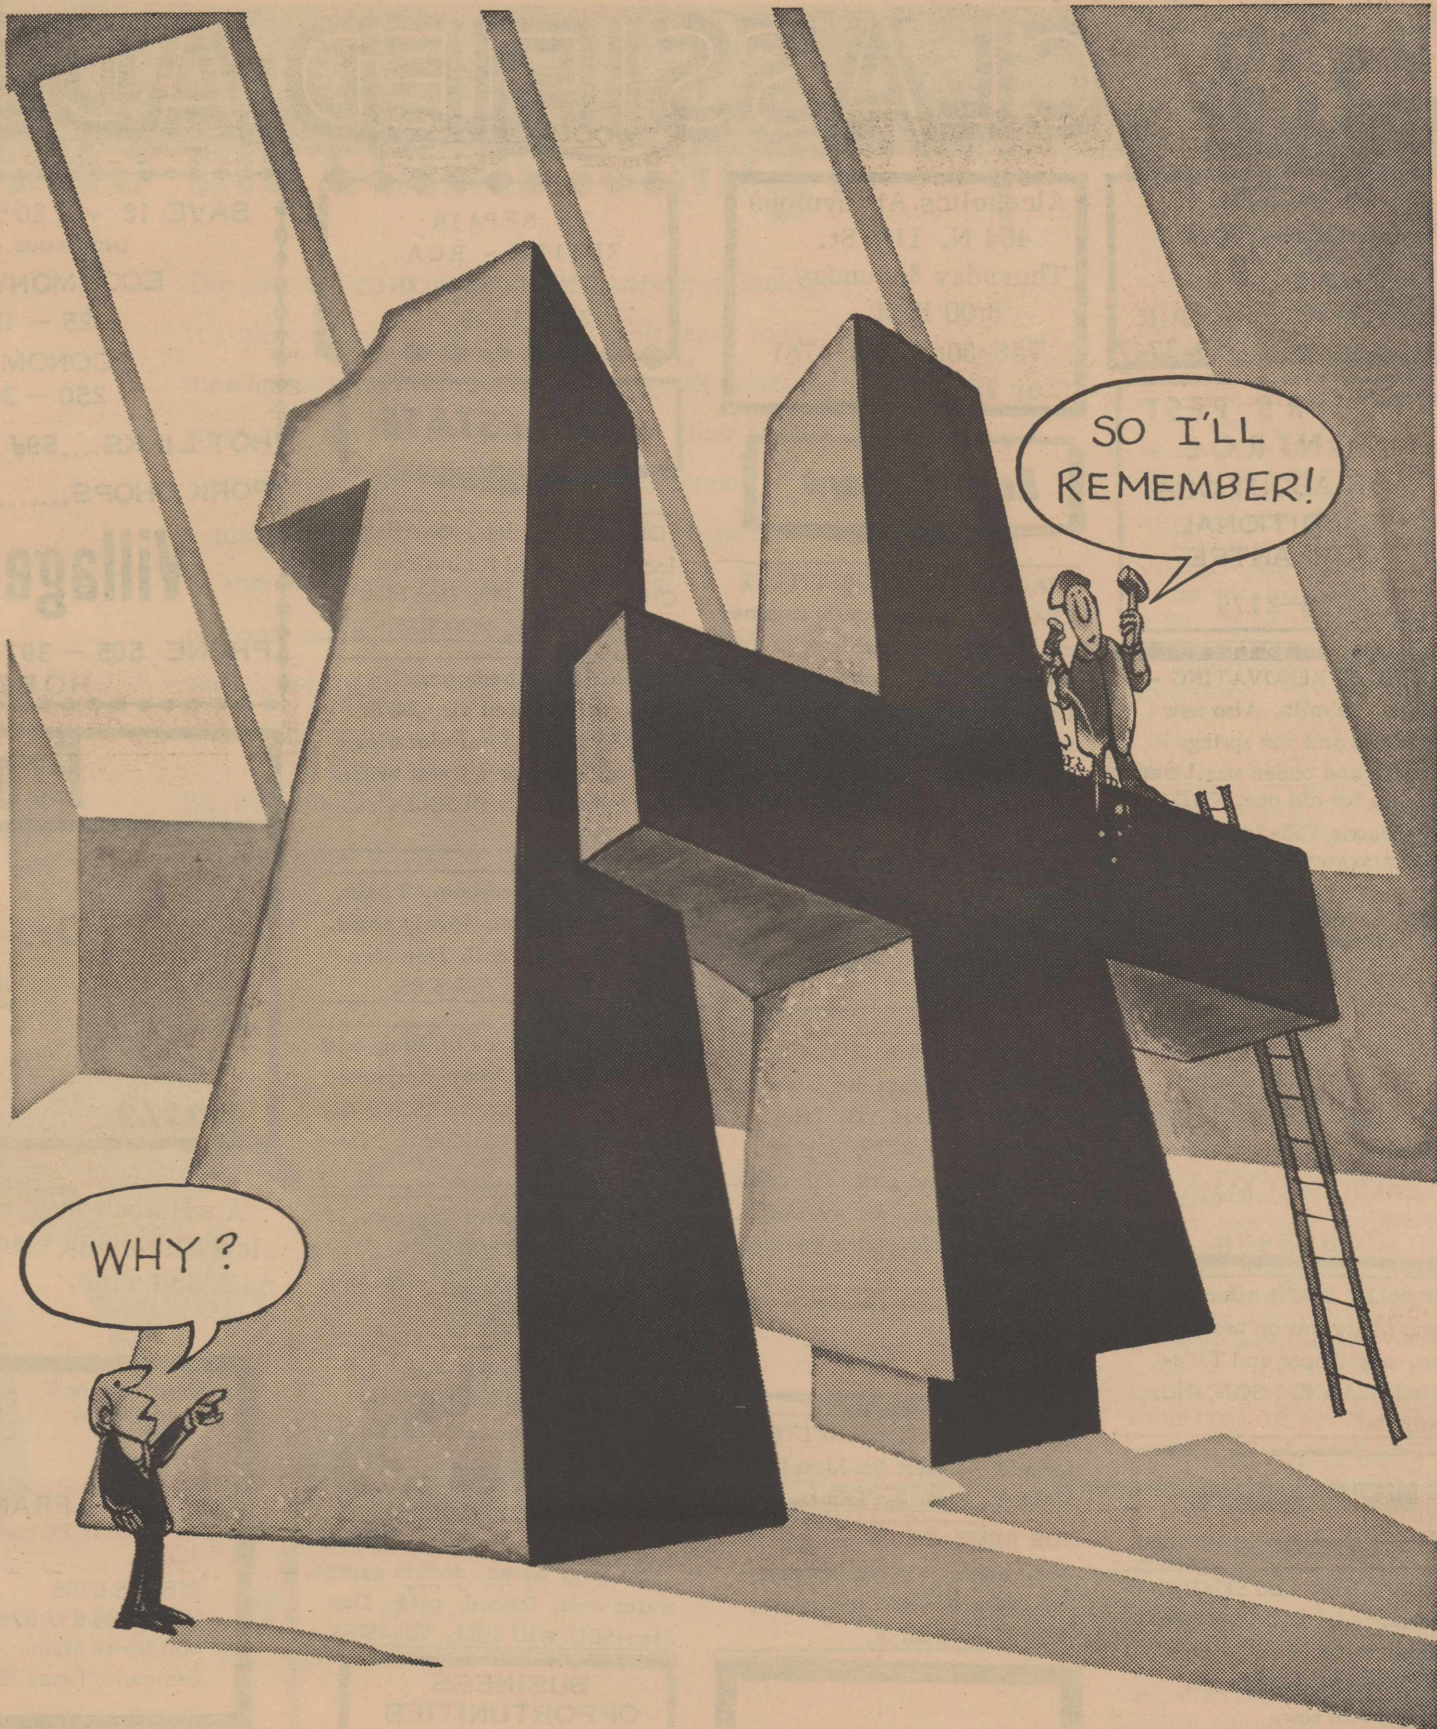

I RECOMMEND \$1.00 PER ACRE OR FRACTION THEREOF. LOTS IN CITIES \$1.00. CHAMBER OF COMMERCE - A GENEROUS CONTRIBUTION. WIDOWS WITH CHILDREN 1 CENT -- IF THEY PAY - THEY CAN COMPLAIN. (BACK TO FREE ENTERPRISE)

THE U.S. GOVERNMENT IS NOT GOING TO DO ANYTHING FOR WEST TEXAS FARMERS IN THE RAIN-MAKING AREA. BELIEVE ME I KNOW - IN THE FIRST PLACE THEY DON'T CARE AND IN THE SECOND PLACE THEY DON'T KNOW HOW AND IN THE THIRD PLACE THEY TRY TO CONVINCE YOU THAT THEY CARE AND KNOW HOW AND IN THE FOURTH PLACE YOU HAD BETTER HIRE A PRIVATE ENTERPRISE OPERATION IN THE FIRST PLACE.

MR. EDITOR, I GUESS BY NOW YOU HAVE CHECKED ME OFF AS A RUGGED INDIVIDUAL - WHICH I MOST CERTAINLY AM.

SIR I WISH A LARGE GROUP OF YOUR FARMERS, RANCHERS, ETC. WOULD HIRE ME. FOR THIS WEATHER CONTROL IT TAKES A LOT OF MONEY BUT CONSIDERING THE WHOLE TERRITORIES IT WOULD BE CHEAP.

LOOKING FORWARD TO LARGE GROUPS OF YOUR AREA, I AM
HOMER F. BERRY

FORBES AFB, KAN. -- Mrs. Tyra L. Hull, wife of First Lieutenant James L. Hull, a forward air controller killed in action in Vietnam, was presented four posthumous awards, earned by her husband, from Colonel Waring W. Wilson, Base Commander at Forbes Air Force Base, Kansas in ceremonies here last month.

Awards presented were: the Silver Star; Distinguished Flying Cross and First Oak Leaf Cluster; Air Medal and first through eighth Oak Leaf Cluster; the Purple Heart.

Lieutenant Hull was Killed Feb. 19, 1971, while on a search and rescue mission in Thau Thien province, Republic of Vietnam. Earlier that morning, Lieutenant Hull had successfully directed the rescue of a survivor of a helicopter crash near the southern portion of the A Shau Valley, for which action the Silver Star was presented.

The citation accompanying the Silver Star, the Air Force's fifth highest award, noted that Lieutenant Hull, in spite of extremely limited visibility due to haze and early morning light, avoided intense and accurate anti-aircraft fire to find and direct rescuers to the survivor of the crash.

Mrs. Hull, whose mother, Mrs. C.H. Decker, lives at 506 S.W. 14th, Seminole, Texas, is attending Washburn University at Topeka, Kansas. She lives at 229 East 46th St. Terr., Topeka.

The Chamber of Commerce in conjunction with the Seminole Garden Club began its yard of the week contest last Monday. This week's honors go to Mr. and Mrs. Bruce Story, 409 Southwest Avenue J. In the picture are shown Bill Faircloth, Chamber of Commerce manager, Mrs. Luke Skaggs of the Seminole Garden Club, Mrs. Story and her grandson, Monte McCarter.

MANY PERSONS IN GAINES COUNTY MAY BE LOSING VALUABLE SOCIAL SECURITY BENEFITS, DESPITE RECENT PUBLICITY ABOUT CHANGES IN THE LAW REGARDING DISABILITY BENEFITS FOR SOME WIDOWS, WE ARE STILL FINDING PERSONS WHO ARE UNAWARE OF HOW THESE CHANGES AFFECT THEM.

UNTIL THE RECENT CHANGES ONLY DISABLED WORKERS AND PERSONS DISABLED IN CHILDHOOD COULD RECEIVE SOCIAL SECURITY BENEFITS BECAUSE OF DISABILITY. NOW A WIDOW WHO IS AGE 50 AND DISABLED CAN RECEIVE BENEFITS ON THE SOCIAL SECURITY RECORD OF HER DECEAS-

* * *
ED HUSBAND. TO QUALIFY, HER HUSBAND MUST HAVE BEEN INSURED AT THE TIME HE DIED. THE WIDOW MUST BE SEVERELY DISABLED AND UNABLE TO WORK BECAUSE OF DISABILITY. THERE WILL BE A REDUCTION IN HER BENEFITS UP TO 50 PERCENT, DEPENDING ON HOW NEAR SHE IS TO 50 AT THE TIME SHE BECOMES ENTITLED TO PAYMENTS.

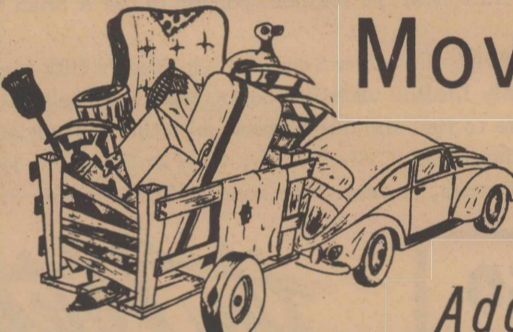

APPARENTLY MANY WIDOWS ARE RELYING ON INFORMATION THEY GOT FROM THE SOCIAL SECURITY OFFICE AT THE TIME THEIR HUSBANDS DIED. THEY WERE TOLD THEN THAT WIDOWS COULD NOT RECEIVE DISABILITY BENEFITS ON THEIR DECEAS-

ED HUSBAND'S SOCIAL SECURITY. BECAUSE THEY WERE TOLD THIS MANY BELIEVE THE NEW PROVISION DOES NOT APPLY TO THEM.

ANY WIDOW BETWEEN AGE 50 AND 60 WHO IS DISABLED SHOULD CHECK WITH THEIR SOCIAL SECURITY OFFICE TO VERIFY WHETHER OR NOT THE NEW PROVISIONS OF THE LAW APPLIES TO HER. THE SOCIAL SECURITY OFFICE SERVING THIS AREA IS LOCATED IN ODESSA, TEXAS, OR YOU MAY CONTACT MISS DOROTHY FEAZELL, FIELD REPRESENTATIVE FOR THE ODESSA SOCIAL SECURITY OFFICE ON ONE OF HER REGULAR VISITS TO THE GAINES COUNTY COURTHOUSE.

School Board Meets

THE SCHOOL BOARD MET MONDAY NIGHT AND NO. 1 ON THE AGENDA WAS THE MEETING WITH THE OIL TAX REPRESENTATIVES. EVIDENTLY THEY WERE HAPPY WITH THE WAY THE SCHOOL SPENDS THEIR MONEY, THEY DID NOT SHOW UP. NO. 2, MRS. JEAN MCGEHEE'S RESIGNATION WAS ACCEPTED AS THE HIGH SCHOOL AND F.J. YOUNG SCHOOL NURSE. NO.3, MRS. MARJORIE SIMMONS WAS EMPLOYED AS A SPEECH-ENGLISH-FORENSICS TEACHER FOR THE HIGH SCHOOL, SHE IS FROM THE TEXAS WOMENS UNIVERSITY AT DENTON, TEXAS. NO. 4, THE BOARD O.K.'D THE PURCHASE OF A NEW MAVERICK FROM BENNETT MOTOR COMPANY, SEMINOLE, TEXAS, PRICE \$2,650. NO.5, THE CAFETERIA AND LUNCH PROGRAM WAS DISCUSSED AT LENGTH. THIS PAST SCHOOL YEAR THE LUNCH PROGRAM SHOWED A DEFICIT OF \$13,031.60. ONE-THIRD OR APPROXIMATELY 400 STUDENTS EATING IN THE CAFETERIA ARE ON FREE LUNCHES. THESE STUDENTS LUNCHES ARE PAID BY THE STATE AT 35 CENTS EACH, SO FREE LUNCHES ARE NOT THE CAUSE FOR THE LOSS. MR. BRAMLETT SUPERINTENDENT, STATED THAT HE THOUGHT IT WAS WISE FOR THE PROGRAM TO SHOW A LOSS IN THE AMOUNT OF MONEY COLLECTED RATHER THAN GO UP ON THE PRICES FOR ANOTHER YEAR. THE TRUSTEES CONCURRED. IT WAS POINTED OUT IN ALL PROBABILITY THAT THE DEFICIT WOULD RUN HIGHER FOR ANOTHER YEAR BECAUSE OF SALARIES AND OTHER COST. NO. 6, GEORGE CRISTY, BUSINESS MANAGER GAVE A REPORT ON ARRANGEMENTS TO BORROW MONEY IN LIEU OF TAX MONIES BEING HELD IN ESCROW BY THE BANK (DEPENDING UPON THE OUTCOME OF LAW SUITS OF OIL COMPANIES AGAINST COUNTY OFFICIALS.) NO.7, THE SCHOOL BOARD WILL ATTEND THE STATE MEETING OF ADMINISTRATORS AND BOARD MEMBERS IN SAN ANTONIO, TEXAS ON SEPTEMBER 25TH-27TH. NO.8, THE SUPERINTENDENT MADE THE FOLLOWING REPORT, FOURTEEN STUDENTS ARE ENROLLED IN THE SUMMER SCHOOL REMEDIAL READING COURSE IN GRADES 3-8, AND SEVENTEEN HIGH SCHOOL STUDENTS ARE TAKING GOVERNMENT. DAY CAMP - by Mickey Johnson

Day Camp was officially kicked off June 7th at Camp Oasis held at Florey Park. Girl Scouts from Seminole and Andrews attended. Seminole had 36 girls made up of Brownies, Fly-Up Juniors, Juniors and Papposes. Leaders from Seminole were Mmes. Joe Flud, Sharron Kyle and Shirley Earl. Rusty Knight was program Consultant for the Camp.

The Brownies chose the name "Bull Snake" for their unit. They made name tags from sticks, Necklaces and fringed belts in crafts. During the week they cooked sloppy Joes, Potatoes, and meat salad and baked apples. This was under the leadership of Mrs. Beal and Mrs. Ashmore from Andrews and Mrs. Kyle of Seminole.

The Sparrows was the unit name for the Junior fly-ups under the supervision of Jerry Piper and Francis Longshore of Andrews and Mrs. Joe Flud of Seminole. For crafts they made leather name tags and lashed picture frames. The girls also worked on a conservation program by planting cactus to help beautify the park and also help keep the sand from blowing. These girls cooked frito pie, poked stew, hobo stew and some more during the week. The proper use of a knife was taught and a two mile hike was part of their program.

Wanda Pella of Andrews, Shirley Earl and Kim/et Earl of Seminole were the leaders of the Juniors. "Cool Cats" was their unit name. These girls went into a little more detailed work, lashing wash stands, making vagabond stoves, buddy burners and leather name tags. Working on their Gypsy badge the girls went on two four mile hikes. They also had instructions on the use of their knives and cut greenwood sticks to cook their hot dogs on. They also cooked hamburgers on vagabond stoves and bacon and eggs in paper sacks.

The fly-ups and Juniors spent Thursday night which was fun for all. Friday Morning the Brownies came out to finish their week.

PIANO GIVEN SCOUTS

Thanks to Owen Workman, the scouts now have a piano to play at the M. S. Doss Scout House. From all the scouts and leaders "Big Thank You" goes to Mr. Workman and an invitation to come hear the scouts using the piano. We can really have a good time singing now.

CAKE WALK

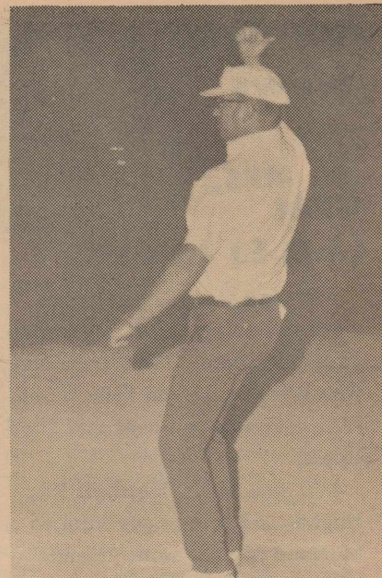

The Girl Scouts will have a Cake Walk at the "Christmas in July Celebration". More details will be given later.

Randall Blau was the winning pitcher for the Pirates when they won in last weeks action, winning their second outing. It led Roy Cypert, their manager, to say Saturday night "We won our second game before losing our first." The first game was finished Saturday night after the lights went out on Tuesday night.

RANDY SHOEMATE WINS FIRST

Randy Shoemate, 17-year-old son of Mr. and Mrs. R. O. Shoemate, won first in bull riding last weekend at the Brownfield Rodeo. His best ride was on #267, a bull ridden Saturday night. He won \$240, first place for the three day event. His parents are on vacation at the present time and will return for another tour of duty to Iran where his father is employed by an oil company.

Dick Kephart shows the base calling form that led the Lions Club Tuesday to declare him the official base called for the year.

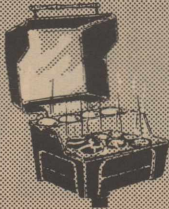

If you're interested in additional medical facilities, vote YES next Saturday for a new hospital and a new hospital dist.

A GAS outdoor grill gives food a tangy outdoor flavor without the time and bother of charcoal fire. Char-broiled flavor comes from the smoke of meat juices dripping on hot briquets. Charcoal itself provides no flavor.

Permanent ceramic briquets in the gas grill reach cooking heat in a few minutes, and there is no long wait to start cooking. The heat is regulated manually so there is no need to move a grill up or down.

The professor answered: "I'll tell you. The others will know."

C.T. MCKEOWN, RECENTLY RETURNED FROM A WEEKS TOUR OF MEXICO CITY.

ON JUNE 3, THE GROUP LEFT SAN ANTONIO BY AMERICAN AIRLINES FOR MEXICO CITY. THE DAY FOLLOWING THEIR ARRIVAL WAS SPENT TOURING THE CITY. THE TOUR INCLUDED SUCH PLACES AS CHAPULTEPEC PARK AND CASTLE, THE NATIONAL MUSEUM OF ANTHROPOLOGY, ZOCALO SQUARE, THE CATEDRAL NACIONAL, AND THE PALACIO NACIONAL. THE THIRD DAY THEY VISITED THE SHRINE OF GUADALUPE, THE PATRON SAINT OF ALL LATIN AMERICA; AND THE WORLD'S LARGEST ARCHAEOLOGICAL ZONE, TEOTIHUACAN (PLACE OF THE GODS).

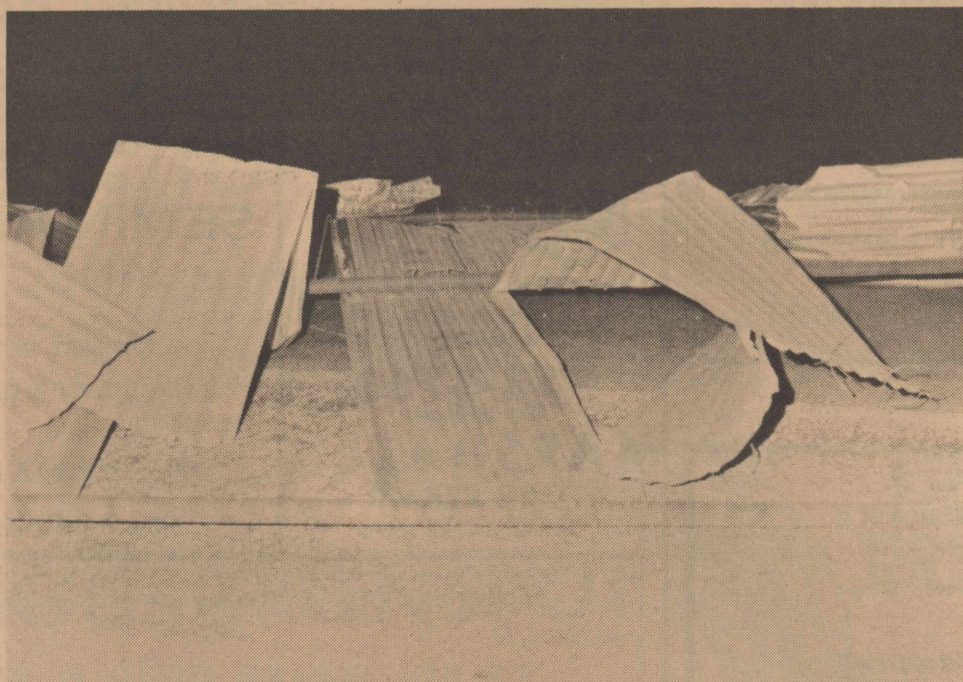

SUNDAY, JUNE 6TH, THEY WENT TO ALAMEDA PARK TO THE PALACIO DE BELLAS ARTES (PALACE OF FINE ARTS) AND WITNESSED THE SPECTACULAR TIFFANY GLASS CURTAIN RAISING OF THE WORLD-FAMOUS BALLETT FOLKLORICO, WHICH INCLUDED FOLK DANCES AND MUSIC FROM EVERY PROVINCE IN THE REPUBLIC OF MEXICO. THAT AFTERNOON THEY VISITED THE FLOATING GARDENS, XOCHINIELCO, THE NATIONAL UNIVERSITY, AND THIEVES MARKET.

THE FOLLOWING DAY WAS FREE FOR SHOPPING AND SIGHTSEEING BEFORE LEAVING FOR SAN ANTONIO ON TUESDAY MORNING.

MR. ROY BARNES, SEMINOLE HIGH SCHOOL SPANISH INSTRUCTOR, GAVE THE FOLLOWING OPINION OF THE TRIP, "AS A TEACHER, I FELT THE TRIP WAS A COMPLETE SUCCESS IN SO FAR AS IT PROVED THAT MY SPANISH STUDENTS WERE ABLE TO COMMUNICATE IN AN ALL SPANISH ENVIRONMENT. EVEN THE STUDENTS WHO HAD HAD ONLY ONE YEAR OF SPANISH FOUND THAT THEY COULD COMMUNICATE, ALTHOUGH NOT QUITE AS FLUENTLY AS THE STUDENTS WHO HAD HAD TWO YEARS OR MORE. IN THIS RESPECT THE TRIP WAS THE ULTIMATE TEST FOR THE SPANISH STUDENTS, AND I MIGHT ADD THAT THEY PASSED THEIR TEST WITH FLYING COLORS.

IT WAS ALSO A DELIGHT TO SEE MY STUDENTS EASILY IDENTIFYING SO MANY HISTORICAL PLACES IN MEXICO CITY THAT THEY HAD READ ABOUT AND DISCUSSED IN THE CLASSROOM. ONE STUDENT, MUCH TO MY SURPRISE PICKED OUT THE MAIN STREET, PASEO DE LA REFORMA, AS THE JET BEGAN ITS DESCENT OVER THE CITY ON THE NIGHT WE LANDED IN MEXICO CITY."

WE ASKED A NON-WORKING HIPPIE RECENTLY—"HOW DO YOU EAT?" HE SMILED AND RESPONDED—"MY FRIENDS FEED ME, I'VE NEVER BEEN HUNGRY."

"WHERE," WE PERSISTED, "DO YOUR FRIENDS GET WHAT THEY GIVE YOU?" HE SMILED AGAIN, WAVED HIS HAND AND SAID—"MAYBE THEY HAVE WEALTHY PARENTS."

THAT MAY BE THE STORY IN SOME CASES - BUT IT'S NOT THE WHOLE STORY. BILL FISET WROTE RECENTLY IN THE OAKLAND, CALIF., TRIBUNE ABOUT HOW YOU AS A WORKING TAXPAYER ARE FINANCING HIPPIES. MR. FISET GAVE THE CASE OF A SPECIFIC HIPPIE.

THEN HE ADDS ONE PENNY FOR THE 50 CENTS TO GET HIS \$28 WORTH OF STAMPS FOR THE NEXT WEEK. THE FOURTH WEEK OF THE MONTH HE SELLS HIS FOOD STAMPS TO FRIENDS FOR \$15 CASH. THUS IN A MONTH HE'S PAID OUT 53 CENTS FOR \$112 WORTH OF STAMPS, FOR WHICH HE GETS \$83.53 WORTH OF FOOD AND \$14.47 NET PROFIT IN CASH. Information From Social Security Office

BY DOROTHY FEAZELL

Did you know that social security is one of the most valuable possessions a worker has, and may very likely be the largest asset in his estate? Therefore, it is very important that each employed or self-employed person make certain that all his earnings are properly credited to his social security account.

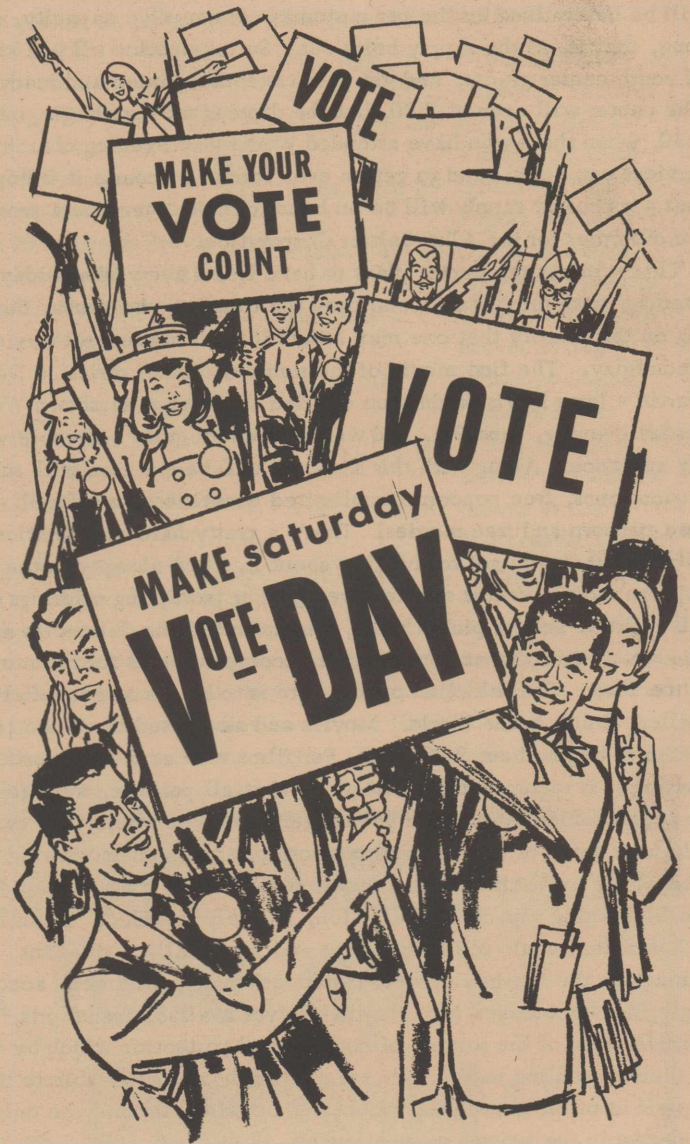

Everyone is urged to check his social security account at least once every three (3) years. To do this easily, the Social Security Administration has available a post card form OAR-7004 called "Request for Statement of Earnings". This form is available from any social security office or you may get one from me when I visit the courthouse. A statement showing total earnings credited to your account, as well as a breakdown of the amounts credited in each of the last three (3) years, will be furnished on receipt of the form. Any error found should be reported to your social security office so that necessary action can be taken to correct it.

M.S. DOSS NEWS RELEASE — BY BOB BLACK

A special treat of Baskin-Robbins ice cream is in store for members and prospective members of the M. S. Doss Youth Center this Wednesday evening. The ice cream will be in three delicious flavors/peach, strawberry and chocolate chip and the per customer limit will be determined by the per customer consumptive capacity, as long, that is, as the supply holds out. So take notice all you kids of youth center grades, and get your tastebuds primed and ready. The center will open at 7:30, but the dipping will not begin until 8:30, when those who have attended Wednesday evening church services can be on hand to get an even start. Of course it is hoped that a sufficient supply will be on hand to make everyone a prospective customer for the Alka-Seltzer Corporation.

This summer the center plans to have treats every Wednesday evening with movies to accompany the treats or vice-versa, depending on the priority that one may attach to such matters - every other Wednesday. The first movie of the summer theater series, a Dean Martin - Jerry Lewis production entitled *Pardners*, was shown Wednesday evening, June 9th, and was enjoyed by quite a sizeable viewing audience. Along with this show, as will be the case with subsequent ones, free popcorn in unlimited quantities was offered. Free popcorn and free movies! That's a pretty hard combination to beat, when you get to thinking about it. And along with the popcorn movie comers also received pucker prompting offerings of dill pickles, and/or pickle juice, which tantalizing delicacies are likewise in prospect as consumptive accompaniments for the movie of the 23rd. The selection of that date is to be the science-fiction chiller, *Crack in the World*. Movies and associated treats are projected to begin about 9:00 p.m. For films such as the one forthcoming it is recommended that girls, if at all possible, arrange to be accompanied by suitable young gentlemen on whom they can rely for a sense of comfort and protection, inasmuch as viewing of the film alone, or in the companionship only of other girls, because of the frightening aspects of the action, is likely to induce sensations of horror that could result in serious and potentially permanent damage to the feminine nervous system. Young gentlemen, accordingly, are encouraged to make themselves available as escorts, in consideration of the service of comfort and protection which by virtue of their masculine nature they are admirably and aptly able to render as well as of the consequent associated benefits they may be calculated to derive in the process of such service.

Prospective youth center members are advised that the new membership year has begun, as of June 1st, and that new membership cards are now available at the usual, bargain-rate, unbelievably reasonable, non-inflationary price of only a mere \$3.00. The new cards, designed by Miss Angela Shepherd are of a very fetching zodiacal character, and of a brilliant combination of green and tiger lilly orange hues, that will enhance the interior decor of any billfold or purse. The deadline for possessing oneself of a card, as a requisite for continued attendance, has not yet been set, but the sooner gotten the better, as a deadline date will be announced in the not too distant future. So buy early and avoid the rush. No Three dollar investment the world over is likely to bring a greater return of benefits.

The youth center is open each day during the summer, afternoon and night, with the exceptions of Mondays, afternoons and nights, and Sunday nights. Friday nights are dance nights, and a lineup of outstanding musical aggregations has been arranged for those whose pleasure it is to engage in the terpsichorean activity to which the rhythmical offerings of such aggregations ia appropriately suitable and conducive.

During all regular sessions of the center a wide variety of recreational opportunities is available for the entertainment and diversionary preoccupation of center comers, ping pong, basketball, table games of multifarious form and fashion, being among the foremost in popularity thereof. An inviting assortment of the finest and delectably best in confections, all afforded and affordable at the centers nifty-thrifty prices, is conjunctively available at the conveniently located snack bar, where dispensation is always accompanied by the smiling countenances of the dispensors, whose pleasure it is to be able to bring to their customers the satisfaction they know is bound to ensue from the excellence of the quality products-solid, liquid and otherwise which it is their privilege to be serving, this in spite of the consideration that the ring of coins in the cash drawer is of so meager a musical volume, albeit still melodious in whatever the pitch of its frequently penny-produced character.

Families having out of town guests of youth center age are reminded that the visiting youngsters are welcome at the center, and need not obtain a membership card to attend, regardless of the duration of their stay.

The youth center employment bureau has been doing an increasing business since the beginning of the school summer vacation, but there are almost always youth center members seeking gainful employment. Therefore anyone desiring a lad or lass of youth center age to work on your farm, in your business, or to perform odd tasks of almost any sort, is invited to contact the center, with the prospect of finding some capable young person to meet your need.

Last years youth center seniors are in the process of winding up their poster and Valet cleaning products sales projects, in which they engaged to obtain money for the graduation dance, but a good selection of both posters and cleaning products (classic concentrate all-purpose cleaner, shimmer glass and utility cleaner, and leather love) is still available at the center, and anyone wishing to obtain any of these items is invited to come by at any open hour to do so. Posters of the colorful and clever stylings in our collection are a

must for every teenage wall if it is to be truly and properly adorned in contemporary vogue. Many of the posters will also be found to prove attractive and desirable to kids of pre-youth center ages, so, parents, if your progeny are of this age category, don't hesitate to bring them by and let them make their selections. The prices are such that you can't have excessive cause for regret. And just think of the delight your young ones will derive from being able to drift into dreamland with the vision of a jolly green alligator, or a great black lion, or a limb full of playful racoons, or a pschedelic elephant, or a groovin' rabbit looking comfotingly down from the wall to his place of repose.

Incidentally, any of last years seniors who still have in their possession a supply of unsold valet products, or the money from this selling, are urged to check in the products and receipts as soon as possible, so that the project can be terminated. It would be appreciated if parents would provide an additional reminder to this end.

During the past week many youth center members joined to send their greetings and best wishes for a speedy recovery to Mrs. M. S. Doss, who has been for several days in West Texas Hospital in Lubbock. A car load of members took the banner on which these expressions were conveyed to Lubbock, and enjoyed a brief visit with Mrs. Doss. They reported that she was feeling much better and hoped to be returning home soon.

EVERBODY'S HANDY MAN

He made all doors to fit aright; and helped at any time of day; He made all faucets to fit tight- All that without a cent of pay! If one for medicine had need, He made a trip to town for that; Never once did he slack his speed, But for us all he "went to bat". If one was ill, he by him sat To help in anyway at all; In a crisis, death to combat And the archenemy forestall! For favors, he asks no return - - Though his own needs he might neglect; Yes, for all men he shows concern - - And none their pleas would he reject!

While paneling the Sanctuary, Bro. Joe was the head carpenter and most of his help was lady carpenters. (he was almost) always right, but they put up some good arguments, but by the grace of God it was all completed.

This past January work was started on redecorating the educational building. It is paneled throughout. It is all Paid for. This time he and sister Thompson did most of the work themselves. One lady carpenter was all he needed. She doesn't talk back as much The Lord must have been with them all the time, for them to have completed this work.

We at Ashmore Baptist Church feel that the Lord has been wonderful to us, letting us keep them all of these years. In the time he had been here her has performed 43 marriages, Baptized 111, preached 29 funerals and assisted 20 more, but they do not take any credit for this themselves. In sister Thompson's own words, " The Lord has wonderfully blessed us and it is through him that we have accomplished it all. We want him to have the praise for it all."

GUTHRIE AND FOUR SIXES - COUNTY SEAT OF KING

COME TO MARLBORO COUNTRY FOR A LOOK AT BURK BURNETT'S 6666 SPREAD

The year 1876 brought Texas a new constitution and 54 new counties. It was our biggest crop of that sort of thing. We are still using both the constitution and the counties. There was all this land out in West Texas, occupied mostly by Indians and buffalo. Only a scattering of cowboys and outlaws could have cared much when lawmakers put a pencil to the cattle-country domain and simply marked off 54 new counties, like making a checkerboard. The typical county was square or nearly so, with an area of about 900 square miles. One of these was named King County. It was on the southeast corner of the rolling plains and it had about 175 inhabitants. Today King is the same size, 944 square miles, as it was in 1876. Its population has grown to 464.

It took 48 years to get those 54 counties organized. King made it in 1891. Guthrie won the county seat from Ashville. It was named for W.H. Guthrie, a Kentuckian who owned stock in a land and cattle company. The cattle business was always big in King County. One might guess it was named for the King Ranch family, but it wasn't!; the name honored William P. King of Gonzales and the Alamo.

Samuel Burk Burnett's Four Sixes brand moved onto the Old Eight ranch in King County in 1900; Guthrie became headquarters for the whole spread, and still is. Other famous names therabout are Pitchfork, SMS and Matador. (Fans of cigaret ads would recognize King as "Marlboro Country.") Burk Burnett was riding the Chisholm Trail at 17; ranching on his own at 21; later making a big name in Fort Worth, Wichita and Baylor Counties, the Indian Territory and New Mexico. In 1905 he was host to President Theodore Roosevelt on a gala wolf hunt across the Red River. Later, through Teddy's intercession, the post office town of Nestorville in Wichita County was renamed Burkburnett. Burnett died at Fort Worth June 26, 1922, age 73. Guthrie, one of the smallest county seats, has had three courthouses. The first was destroyed by a tornado in 1905, in 1913 the second burned. The present concrete-and-steel structure was built to last, and it has since 1914. --- Weldon Hart.
