

Miss Perry was one of my favorite teachers when I went to school at Brownwood High School. She enjoyed a good joke, she enjoyed studying history and teaching it and she understood young people. Like most of us, she had a problem or two. She was nearsighted. She didn't need glasses to read with and she didn't need glasses to see the students on the front seat but she couldn't see to the back of the room. This created a problem or two, especially if someone threw a piece of chalk, an eraser or some other projectile. Unfortunately, I always had to sit in the last or near the last assigned seat.

When she jumped to her feet she started searching for her glasses. By the time she found them everything was quiet and back to normal on 'the western front'. She had a great ritual when it came to hunting for her glasses. She wore the kind of glasses that set on your nose without any ear pieces and they clamped on. They were pretty glasses and they were unusual but she had trouble locating them. They were on a little gold chain that pulled out from a retractable container. Sometimes she had them fixed to her hairpiece, sometimes they were on her left shoulder, sometimes on her right shoulder, sometimes on the center of her blouse. When something happened that she couldn't see, she bounded to her feet and started the search.

"Mr. Vaughn," she would say when finally locating her glasses, (He was the one with the ringworm on the back of his head), "did you see what happened?" "No mam," he would say. "Mr. Woods," she would say, "did you see what happened?" "Not exactly," I would say. How could you see something when you did it?

But on with the history class. Miss Perry had a few favorite jokes she told and if there was anything my brother Paul taught me it was to laugh at teachers' jokes. One time Miss Perry told me "Mr. Woods, I want to see you after class." Now history was my favorite subject. I knew it couldn't be my grade because I had an "A". But I stayed and she told me the following story.

"Mr. Woods," she said, (she's the first teacher ever had to call me mister) "I knew your brother Paul well. He always laughed at my stories, but you're too much like him. I want you to answer this one question. Are you laughing with me or at me?" I couldn't afford to tell her the whole truth.

She would look like a Catholic saying her prayers when looking for her glasses except that those glasses were hung in many more places. Anyway, I liked her because my older brother Paul was intelligent, he was smart, and he was good looking (29 in the waist and 43 in the shoulders).

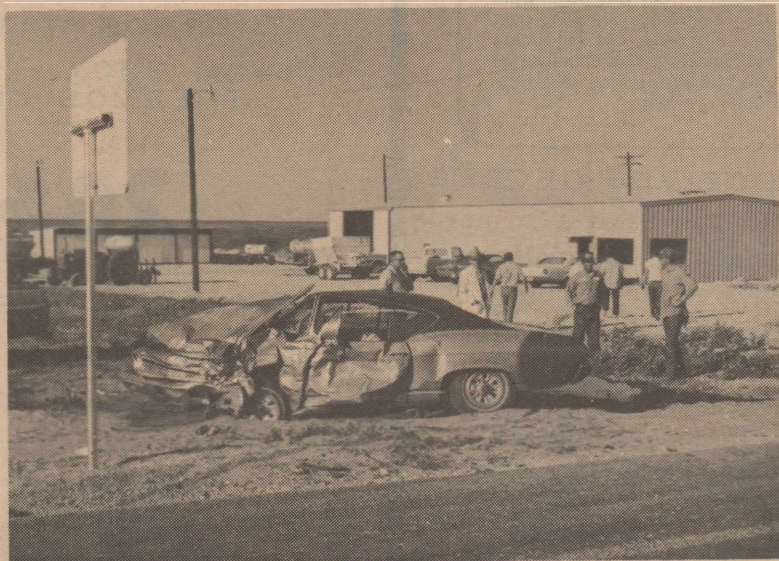

It was delight to go to history class at Brownwood High School.

WRECKS, WRECKS, WRECKS THIS IS WEST TEXAS

The 1968 Chevrolet driven by John Byron Dennie. The A. V. I. office can be seen in the background.

Dessie Marie Dennie, 69, was killed last Saturday morning at 8:15 a. m. in a near headon auto accident 16.7 miles west of Seminole on the Hobbs Highway. Her husband, driver of the 1968 Chevrolet, John Byron Dennie, 71, remains in critical condition in the local hospital with a broken foot and internal injuries.

The accident occurred when Frankie Joe Bailey, 38, of 400 S.W. 14th Street, attempted a left hand turn in a 1971 Dodge pickup while going west and struck the Dennie auto which was traveling east.

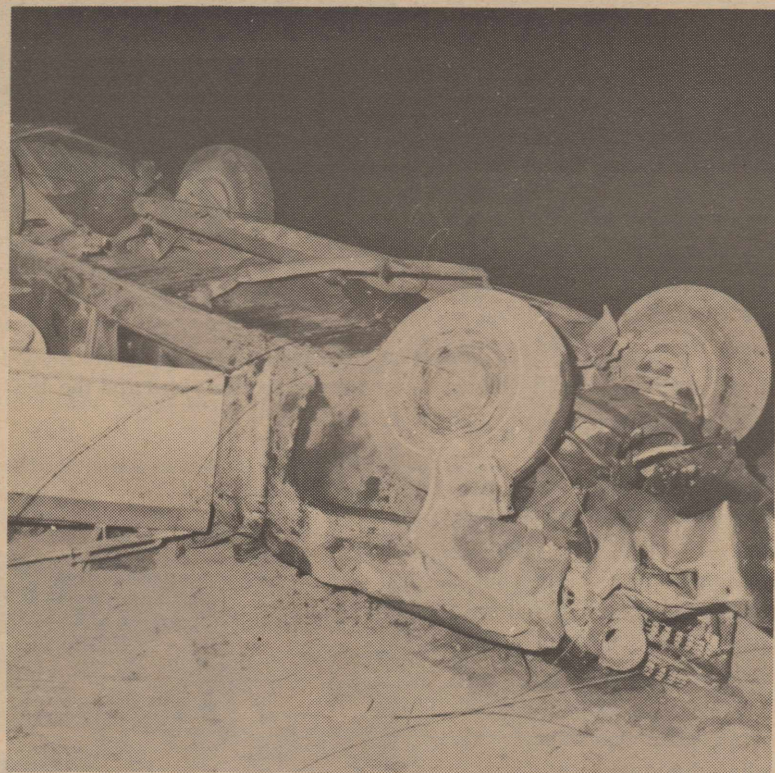

Clayton Koonce, TDPS, gave the Dennie address at 4404 Jennifer, Ft. Worth, Texas. The body was taken to Singleton Funeral Home in Seminole and later transferred to Owen Brunley Funeral Home in Ft. Worth. The accident occurred after another fatality earlier in the morning. Both vehicles were damaged beyond repair.

Mrs. Dennie was born December 9, 1901 in McAlistler, Okla. She was found on a wagon train in Oklahoma territory and raised by foster parents, Mr. and Mrs. Aaron Davis, who are deceased. She was a resident of Seagraves several years ago.

Funeral services will be held at 10 a. m. today in the Bethel Temple Church in Forth Worth under the direction of Owen-Brumley Funeral Home of Forth Worth. Local arrangements were by Singleton Funeral Home.

Survivors other than her husband include 7 sons, 4 daughters and 56 grandchildren.

In another accident Saturday John Ray Clifton, Plainview, Texas was following too close in a 1969 Plymouth and struck a 1969 Ford that was attempting a right hand turn 8 miles west of Seagraves. The accident occurred at 3:30 p. m. A approximately \$100 damage was done to each auto. CONT. P. 2

The 1964 Oldsmobile in which Thurman Dale Mullins was riding.

Thurman Dale Mullins was pronounced dead on the Higginbotham Road, FM 1757, at 2:30 a. m. last Saturday morning in a one car mishap. Ronnie Kuykendall and Aubrey Lee Oliver were carried to the Yoakum County Hospital at Denver City. They were listed in fair condition by Phil Upton, TDPS.

The driver, Oliver, evidently lost control while traveling east, knocking out some warning posts, two signs, and going through a bar ditch, over a small embankment and through a ranch fence.

Lonnie Freyburger is seen with part of the 32 coyotes he trapped last January and February. Besides the coyotes he caught 4 bobcats, 8 badgers and 5 part dogs. Some coyote had crossed with a police dog and produced the half coyotes and half dogs that had been catching their small calves. Freyburger trapped the animals on the I V Ranch 27 miles south of Seminole. The coyote pelts brought \$4 to \$7 each, the bobcats \$7 to \$15 each, badgers \$1.50 each and dogs \$1.50 each.

Jury By "Jury Wheel"

"Just as soon as our 'Jury Wheel' comes in I'll call you and you can take a picture of it," said County Judge Marcus Crow. A new state law, effective July 15th, is Senate Bill #369 requiring the use of jury wheels in all counties. The tax collector, sheriff, State of Texas, and the county clerk must meet and reconstitute the jury wheel, using as the sole and mandatory source, ALL NAMES on the voter registration lists from ALL precincts in the county. The jury wheel that will be used is specified and requires two locks, one to be kept by the district clerk and the other by the sheriff. When men or women are called as jurors, when they are impaneled shall constitute a general jury panel as jurors in county and district court.

The new law authorizes additional names where and if needed and specifies methods of drawing of names. Court shall not excuse any juror for economic reasons unless all parties of record are present and approve such excuse. Qualifications are amended to read "He must be a citizen of the State and of the county in which he is to serve and qualified under the Constitution and laws to vote in said county." All competent jurors are liable to jury service, except the following persons: All persons over 65 years of age, and all females who have legal custody of a child or children under the age of ten (10) years. The new law applies to all counties having over 10,000 population.

THE OLD TIMER

The Seminole, 1

Dear Walter Woods,

After leaving this cool cabin built on the banks of the Rio de La-casa (House River), that heads high up in the Sangre Di Christo Mountains (Blood of Christ) and air conditioned by God above, I went back to the old home town of 62 years to the old timers home-coming. I was inspired to meet so many of the offsprings of the old pioneers that came to Gaines County in those early days and stood hardships and inconveniences that the younger generations could not believe. We had no public roads, no markets for what they raised. But they could drive cattle to market and sometimes to grass as drouths seemed worse in the early days and sandstorms was almost unbearable to a green horn from Georgia. I first left the farm to attend the Martha Berry School for boys at Rome, Georgia and a merchant came to the depot looking for me, CONT. P. 2

wanting me to go to work for him in a store at the sum of \$8.00 per month and board. After three months hard work, putting together Georgia Stocks, turning plows and wheel barrows, I longed to get back on the farm and pull the old brogan shoes off and follow that furrow behind a mule a few more thousand miles and feel that warm soil between my toes again. I saw I had made a big mistake by quitting school but did not have the nerve to ask Miss Marth Berry to take me back in her wonderful school for mountain boys, and later girls, that she gave her life to educate. Now she has passed on but she left a 30,000 acre campus of pine timber near Rome, Georgia. Gordon Cowan, who I grew up with, that knew timber land, whom she educated, bought all this land and cut timber to pay for it.

Oh, I must not get off my subject. I was made sad that so many of the old pioneers were gone on across the great divide but am so thankful that I was still left and I praise the good lord for being much better to me than I have been to him. I saddled my horse this morning and rode the pasture and viewed the beautiful mountains and canyon sight here near Cleveland, New Mexico. There are few men above eighty years that can swing up on a horse and ride for miles.

On my way to Cleveland I stopped to visit my old friend, Fish Pollard, in Fort Sumner, New Mexico. I met him at Shafter Lake back in 1909. I always made friends with anyone that could excell in anything even if it was playing marbles, but Fish could ride anything that had a hide. He could lock those long legs around a mean horse and sit up there like he was in a rocking chair. He went down to a big ranch in the south part of Midland County in those early days and asked for a job. The foreman said "Yes, if you can ride I can use you" and he gave him an outlaw that had thrown all the other boys and he saddled him and he pitched a few hundred yards with him and he raked him over with the long shank spurs, then rode back to the onlookers who thought he was through for the present and he threw his leg over the neck of the bronc and directly he broke into again and his spur hung in his mane and he couldn't get it loose. He had to ride him sideways. The boss rode up about that time and asked him what happened and Fish told him that his spur got hung in his mane and he had to pitch a while before he could get it loose. The foreman told the cowboys "You can't ride him astride and Slim can ride him sideways." (Continued next week)

Notice

Marcus Crow, County Judge, reported yesterday that the court had thought there was some change of attitude with the oil companies concerning the recent law suit. "Evidently, there has been no change" he went on to say, "from their past position. If the suit is not settled in the next two weeks, there will be a tax suit filed for delinquent taxes."

Mr. and Mrs. Bobby Kirkland and Kimberly Ann of Abilene visited in Seminole over the week-end with her parents, Mr. and Mrs. Coleman Henson. Mrs. Henson's brother Buddy Teeter from Lubbock also visited in their home during the week.

WRECKS CONT. FROM P. 1

A family of four was injured Monday morning at 8:15 a. m. just west of the Freeman Store in Higginbotham in a three car accident.

A 1970 Plymouth driven by Jimmy Daylon Hord, 30, from Portales, New Mexico was passing a 1970 Oldsmobile driven by Robert Warren Creech, 35, of El Centro, California and struck a 1962 GMC pickup driven by Harry L. Houston, 66, of Lovington, New Mexico. The Plymouth and the pickup in turn struck the 67 Olds. The Creech vehicle had made a U-turn on FM 1757 and then headed west when the Jimmy Hord family in the Plymouth came up behind him. When seeing the Creech automobile pulling back on the road, he pulled over to pass, not seeing the pickup.

Hord was treated and released. His wife, expecting another child, was admitted to Seminole Memorial Hospital for observation. Their two children were taken to the Denver City Hospital by private car. Mr. Houston from Lovington received a cut under his chin and broken left hand. Creech was admitted to Seminole Memorial Hospital and released. He was charged with DWI and failing to give turn signal.

School Board Meets

The School Board adopted a budget for the coming school year of \$2,075,946.00. The group did not set the tax rate because the present law suit had not been settled. It was pointed out if the rate was not set that it would revert back to last year's rate.

7. Bobby Wicker, secretary-treasurer for the Permian Basin Motorcycle Association, granted permission to use the school's parking lot south of the field house for a motorcycle rodeo on the 15th of August. He pointed out that in 8 events in the rodeo there would be riding skills, and not speed races. Further, there would be no damage to the parking lot and that the courses ridden would be no greater than 15 miles per hour. NEW CONTRACT SIGNED BY SOUTHWESTERN BELL TELEPHONE AND DISTRICT 6 COMMUNICATIONS WORKERS OF AMERICA

A NEW 3 YEAR CONTRACT REPRESENTING AN INCREASE COST OF 386,213,000 DOLLARS WAS SIGNED SUNDAY, JULY 18TH BY SOUTHWESTERN BELL AND DISTRICT 6 COMMUNICATION WORKERS OF AMERICA, ACCORDING TO A MONDAY AFTERNOON ANNOUNCEMENT BY A.S. ALSTON PRESIDENT OF SOUTHWESTERN BELL.

THE COST IN TEXAS WILL BE ALMOST 196 MILLION MORE THAN ONE HALF OF THE COMPANIES SETTLEMENT EXPENSE. THE AGREEMENT IS PART OF THE NATIONWIDE SETTLEMENT NEGOTIATED BY THE BELL SYSTEM AND THE CWA. IT IS TO BE EFFECTIVE AT MIDNIGHT JULY 20. CWA RADIFICATION IS REQUIRED BY AUGUST 14. THE SOUTHWESTERN BELL CWA AGREEMENT SIGNED AFTER APPROXIMATELY 4 WEEKS OF NEGOTIATIONS COVERS 57,000 NON-MANAGEMENT EMPLOYEES IN SOME 900 CITIES IN ARKANSAS, KANSAS, OKLAHOMA, TEXAS, MISSOURI AND A PART OF ILLINOIS. THE NATIONAL SETTLEMENT BRINGS WAGE AND BENEFIT IMPROVEMENTS AVERAGING ABOUT 3 1/2 PER CENT OVER THE LIFE OF THE CONTRACT. IN THE FIRST YEAR ALONE WAGE AND BENEFIT IMPROVEMENTS WILL AVERAGE MORE THAN 16 PER CENT.

THE CONTRACT CALLS FOR ADDITIONAL WAGE INCREASES IN 1972 AND 1973 PLUS COST OF LIVING ADJUSTMENTS. IMMEDIATE WAGE INCREASES UNDER THE NEW CONTRACT RANGE FROM 4.50 AT MINIMUM RATES TO 25.00 WEEK AT TOP RATES. OTHER MAJOR PROVISIONS IN THE CONTRACT INCLUDE IMPROVED VACATION TREATMENTS, A 9TH HOLIDAY (WASHINGTON'S BIRTHDAY), IMPROVED MEDICAL BENEFITS AND PENSION PLAN IMPROVEMENTS. THE CONTRACT ALSO WILL PERMIT A MODIFIED AGENCY SHOP IN TWO STATES WHERE ALLOWED BY LAW, MISSOURI AND OKLAHOMA. EMPLOYEES IN THE BARGAINING UNIT OF THOSE TWO STATES WOULD BE REQUIRED TO PAY DUES TO THE UNION WHETHER A MEMBER OR NOT. EMPLOYEES WHO ARE NOT DUES PAYERS AT PRESENT WOULD BE EXEMPTED ALSTON SAID. THE CONTRACT TAKES INTO CONSIDERATION THE HIGH RATE OF INFLATION IN RECENT YEARS AND IS DESIGNED TO PROTECT EMPLOYEES FROM FURTHER INCREASES IN THE COST OF LIVING. WE FEEL THE NEW AGREEMENT WILL HELP US ATTRACT AND HOLD THE QUALITY OF PEOPLE WE NEED TO PROVIDE QUALITY TELEPHONE SERVICES, ALSTON SAID. WE ARE CONFIDENT THAT WE CAN OFF-SET SOME OF THE COST OF THE SETTLEMENT THROUGH IMPROVED TECHNOLOGY AND OPERATING EFFICIENCY THE COMPANY PRESIDENT DECLARED. HOWEVER, RISING COST IN GENERAL ARE EXERTING PRESSURES IN EARNINGS AND WE MUST CONTINUE TO REVIEW WAYS TO IMPROVE OUR REVENUES.

Editorial

Have you looked up and down your alley lately? Our alley between 18th and 19th Streets is in pretty good shape since I picked up the debris close to me and my house. Did you realize that it's nearly always the same people that get their trash cans turned over, it's almost always the same people that have litter behind their house, in their front yards and behind their back fence? We have people in Seminole that actually enjoy collecting junk - old chairs, old cars and old tires. Now, if you don't believe this, drive up and down the alleys in any part of our town. Why is it that we want to keep something just because it's old and leave it out where it's an unsightly sight for our neighbors and see it tumble down, fall down and rot before our very eyes?

Last year one man said he was so proud of his hometown, he was so proud of his school and also so proud of his neighborhood. "Why," he was asked, "if that is so, don't you get rid of the old car that's been setting up on blocks in front of your house for the past couple of years?" He proved he meant what he said because the old car is gone.

The Health Department, the rat and mice exterminator and the city are impowered to do something about excess trash, old car bodies and other junk. This is being written to encourage you to do something to clean up your properties on your own. If you need help, call the City Hall, the Chamber of Commerce or the Police Department. This just might keep you from going through the embarrassment of being made to pick up or clean up.

Stacy and Traci James celebrated their third birthday last Friday. They are seen at the party with their little brother, Jeff, 18 months, and their big sister, Misty, 4½. They are the children of Jesse and Linda James.

HORSE DISEASE PROBLEMS

Horses and horse diseases are subjects of great interest to Texans currently as a dread disease threatens the half a million horses in our State. And there is some concern accompanying the spread of the disease because the effect the virus could have on humans.

The horse disease is known by the tongue-twisting name of Venezuelan Equine Encephomyelitis, or more commonly by the initials VEE. It spread up from South America -- apparently coming into Texas via flies or mosquitoes which are believed to be carriers.

There is a vaccine available which is being widely used by horse owners. The vaccine is still experimental, but it is the only known means of combatting the disease in horses. Once contracted by horses, the disease is fatal in 85 to 90 percent of the cases.

The vaccine is commonly known as TC83, according to Dr. A. J. Mabry. At press time Dr. Mabry had hoped to have the vaccine available. Horses will need to be given a shot seven to ten days ahead of time for it to do them any good as far as the disease is concerned.

Horses may be hauled in to the veterinarian for shots and then hauled back home. Check with the county agent or Dr. Mabry on vaccine available.

With the shots, horses can be moved 14 days after receiving the vaccine. Owners will be furnished certificates for moving. New Mexico at the present time will not allow a Texas horse to cross the State line regardless of whether he had been vaccinated or not.

Monterrey Cafe MEXICAN FOODS

The Monterrey Cafe was opened in November of 1969 by Mr. and Mrs. Crispen Mejia. The cafe, specializing in both Mexican and American food, was a family venture. Mrs. Mejia cooks in the morning and Tina Mejia, her daughter, cooks in the afternoon. Another daughter, Alice, is a waitress. When Mr. Mejia is not carpentering, he runs errands and does repairs around the cafe. The Mejias moved to Seminole in 1947. Lupe Mejia works with the St. Joseph Home for Girls in Dallas. Mary Ellen, another daughter, is married to Justice Del Llos Santos. They live in Skelly Town, Texas. Sammy, a son, is in electronic school in Dallas.

Mrs. Mejia has worked in several Mexican cafes, one in Seminole and one in Snyder, having originally started in a Dairy Queen. Mrs. Mejia said, "I've had a lot of experience in preparing Mexican food." Anyone having eaten at the Monterrey could verify this.

A Monterrey dinner consists of Chili con Queso, Guacamole Salad, Stuffed Bell Pepper, Beef Tacos, Tamales, Chili con Carne, Enchiladas, Fried Beans, Spanish Rice, Toasted or Plain Tortillas, dessert and coffee or tea for \$2.35. Combination plates may be ordered, enchiladas, tamales, tacos and chili, besides an assortment of A La Carte orders.

IN THE ABOVE PHOTO, DWIGHT SMITH OF LOOP, TEXAS STANDS NEAR THE TANK HE HAS INSTALLED AS PART OF HIS IRRIGATION WATER GATHERING SYSTEM. IRRIGATION WATER WILL BE PUMPED OPEN DISCHARGE INTO THE TANK FROM SEVERAL WELLS. A BOOSTER PUMP AND MOTOR THEN PUMPS THE WATER UNDER PRESSURE INTO THE UNDERGROUND IRRIGATION PIPELINE. WITH THIS TYPE OF COLLECTION SYSTEM WATER CAN BE PUMPED MORE ECONOMICALY THAN IF ALL THE WELLS ARE PUMPED UNDER PRESSURE. THIS TYPE SYSTEM IS ESPECIALLY GOOD WHERE SEVERAL SMALL PRODUCING WELLS CAN BE USED TO PROVIDE ONE GOOD SOURCE OF WATER.

Billie Buthmugar, left, was installed as Vice Grand and Dora Marlan as Right Supporter of Vice Grand at the Rebekkah Lodge No. 42 last Friday night.

It was the White Sox against the Red Sox last Friday night. Joe Rex Bingham takes a healthy swing at the ball to try to break a 6-6 tie, but the old ballgame ended in regulation time with the score tied.

If 'Yard of the Week' contests were won on back yards, Mr. Jesse Hale would have won a first on this one.

Around Town
WITH
Jackie Squires

It's Around Town with Granny Squires this week. My granddaughter TAMMY PIERCE, visited us over the weekend and so I thought it might be fun to take her with me Monday morning.

Bet you're thinking, "Heck, she looks so young, she can't be a grandmother." (You are thinking that, aren't you? Please tell me that's what you're thinking.)

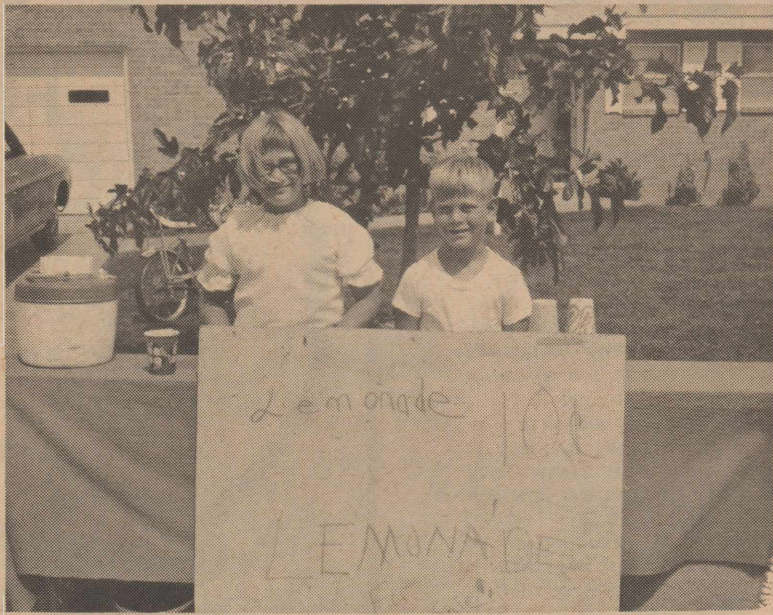

First stop KELLEY'S DRESS SHOP. The great attraction there of course was TOY. She thought it would be fun to add him to her menagerie of 2 horses, a shetland pony, numerous rabbits, chickens, hogs, piglets, a dog, cat and the latest addition, Mr. Frog, but ANN KELLY said "NO".

On to MARYKAY'S (it cost me before we left there, but that's what grandmothers are for. Right?)

FOLKS & FACTS

Who's the boss of this project? "I am" said Debbie Barnes. How much money have you made? Martin said "We lacked 10¢ making \$3.00." They're the children of Mr. and Mrs. Roy Barnes, 500 S.W. 19th. How much profit? "\$3.00, we just sell the lemonade. It doesn't cost anything, my mother makes it."

Can you understand why a mama would cut off pretty feminine tresses like this? (Granny can't.) But then, I didn't have to comb out the tangles every morning either, BEING A GRANDMOTHER IS FUN.

Everyone in town is getting ready for KRAZY DAY Thursday. The more that participate, the better the fun. It doesn't hurt to let your hair down occasionally and act a little crazy, especially when everyone else is. If you don't want to dress crazy, at least make it a point to come to town and see how crazy everyone else looks. A couple of the best looking gals around last year were BOB JOHNSON, manager of ANTHONY'S, and LARRY MEADOWS of the GIFT SHOP (even with his moustache.)

KAREN BOOE giving mom, ELSIE, a hand Monday at the CASUAL SHOPPE.

New County Judge MARCUS CROW threatening to write a book on Aggie jokes, says he hears new ones every day. That's the price you have to pay, for being in the public eye and being an "Aggie Judge".

SWANA PATTON's secret for being one of the best dressed gals in town is a mother that loves to sew. Lucky girl!

MARY SMITH, BOBBIE HALEY with Mary's sister-in-law from Alaska, PAT COLEMAN and daughters SARA, MARY JO and NANCY shopping downtown Monday.

JERRY BAKER and DOLLY IVY out for a drive Monday morning.

BECKY FLIECHER swinging a mean fly swatter at the UNITED DEPARTMENT STORE Monday.

CORA BAGGETT having some bad luck while vacationing in Colorado. She fell and broke both arms. When CHARLES told me of her misfortune, I immediately said, "I need to go take her picture for the paper"and he replied, "She would probably appreciate it more if you took her some food."

LORENE DAVIDSON from Artesia and JESSE MAE ELLISON from Hobbs, surprising me with a short visit last Friday. It nev-
