

At the annual Junior Livestock Show there are always people that help - the clerks, the check writers and the auctioneer. On the far end is Red Hand, Andrea Hand, Judy Hancock, Mrs. Dink Wilson and Paul Caughron. Monte Paxton sits on the stool, directing traffic in the sales. Thanks to one and all.

EDITORIAL

On page 9 is a letter from Stiles Belcher stating that the auctioneer who gave of his time and equipment at the livestock show was never mentioned. How many years this has been going on I do not know. Evidently several. Show officials certainly did not do it on purpose and this newspaper did not intentionally slight Monte Paxton. The letter was received after the picture on the left was made and I personally had thanked Monte and Daryl Jeffcoat for doing a good job. Last year at the sale we made a picture of the people running the calculators, figuring prices, checks, etc. No doubt others have been missed.

A few years ago I remember the fellows picking up trash at our backyard were not doing a very good job. One day I met them out there and instead of fussing at them we discussed how difficult their jobs were, what they were making and some of their problems. I thanked them for doing as good a job as possible for us. It was amazing how much better service I got. I saw Mrs. Floy Purvis, the school teacher, a few days ago and I told her again how good a teacher she was. She likes me and did an outstanding job with one of our children. How many times have we failed to recognize a preacher, a teacher, the clerk at the store, the secretary in our office, the plumber, the politician, the milkman, the paper man and the auctioneer?

If you helped to make the Junior Livestock Show a success, contributing to the food, cooking the food, buying an animal, growing an animal, giving of your time in any way, the directors, the participants and this newspaper would like to say thanks.

EDITORIAL

There have been meetings of recent date, discussions from house to house, from club to club and from business office to business office, concerning new hospital facilities. For the last twenty-six days the hospital's twenty-eight beds have been 98 percent filled. No doubt, if this continues a call for addition and new facilities will be forthcoming from the hospital board.

1. For a new hospital to be feasible it will have to be properly staffed (present doctors staying happy here).

2. A majority of citizens willing to vote a sizable bond.

3. Extra hospital beds needed (no doubt the time is fast approaching if it has not already arrived).

4. If Seminole is going to need a hospital within the next few years let's build it while there's oil tax money available.

Ernest Foote declares his brother in Petersburg gets the News and says that we do not know how to spell asafetida (asafoetida). Here we go again. The BLUE BACK SPELLER, he says, spells it assofoetida. Please, Mr. Foote, send the Blue Back Speller. (I've been wanting to see one anyway.) Insured or whatever it takes, just send it.

Even Granny McKinney (Lyda B.) of 100 S. W. 10th St., is after me. "You started it" she said, "you started it when you started talking all about asafetida and like you were an authority on it - and the itch - I'll tell you, you'd just better start asking someone that knows."

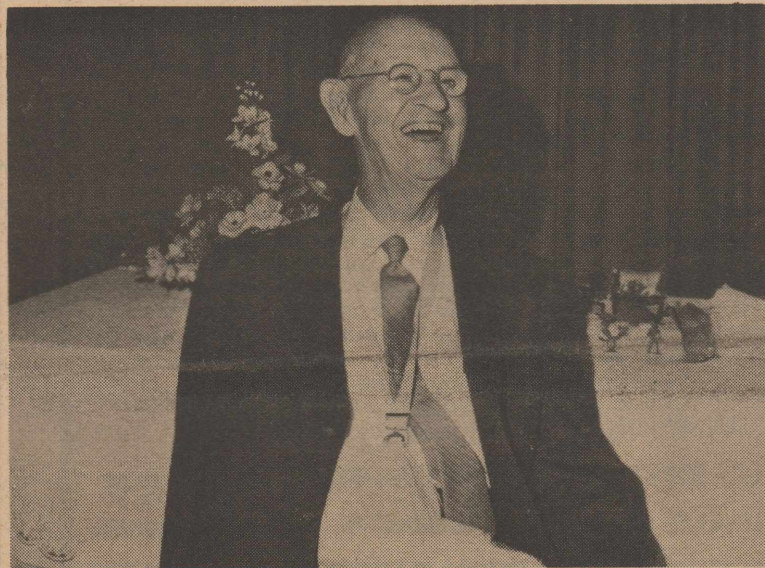

"Okay, okay," I say to her, "there is something else I would like to know. My boy came home from school sometime back with this simple question, 'Daddy, can you churn goat's milk?' Since I've been an authority through the years on milking goats and cows I give the son a real good, straight answer. No, I told the boy. 'Why?' he said. Because a goat's milk is already homogenized. The cream does not separate from the milk and the cream does not rise on goat's milk like it does on cow's milk, so you can't churn goat's milk.

"Well, this worked real good I told Mrs. McKinney, until he came home from school a few days later and says 'My teacher, Cont'd on page 8

NINETY YEARS YOUNG --- Hard of hearing and with a broken arm but what's to stop a fellow like R. L. Smith from Brownfield (formerly from Loop) from being so happy!

HELP FOR WIG DAVIS

A fund has been started for Bill "Wig" Davis, who is in the Methodist Hospital, Room 213. He is paralyzed from the waist down as a result of an automobile accident January 1, 1970. \$650.00 has previously been contributed and has been applied to his hospital bill. Contributions may be made at the Seminole State Bank.

3 DAYS TO REGISTER

You have three days to register or you cannot vote in 1970. Gaines County, as of 5 p. m. Tuesday, had registered 2965 voters, according to Mary Baldwin, Tax Assessor-Collector. The total potential registered voters runs about 4500 people. The most that have ever registered in the county was 4480 in the 1967 presidential election year.

In some counties registering is lagging to only a small percentage of potential voters. If you have not registered do not wait until the last day - do it today! The tax office will be open through Saturday until 5 p. m. to accommodate late comers.

90 YEARS YOUNG! --- R. L. Smith from Brownfield, who lived in Gaines County most of his life, celebrated his 90th birthday at the Loop Community Building last Sunday. The cake was decorated with frontier designs, a covered wagon and western figures.

"Why", he said, "in Washita, Arkansas in 1897 I worked for one year for a watch, room and board, fifty bushels of corn and \$40 in gold."

In 1901 he moved to Wolfe City, Texas, riding horseback and spent two months picking cotton at fifty cents a hundred. It took 8½ days to ride to Texas and 8 days going back. "I must have got Texas fever."

Mr. Smith was born in Crystal Springs, Arkansas January 29, 1880. In 1905 he married Elizabeth Scrimshire and moved to Oklahoma in 1915. After living in Oklahoma and Arkansas he moved to Gaines County in 1924, then to Quemada and back to Gaines County in 1936 and to Loop in 1946. His wife passed away in 1962 and he moved to Seagraves where he lived till August of 1969, moving to Brownfield where he lives now.

He is the father of five sons and one daughter. All were present except Ollie and his Cont'd on page 8

CONTINUED FROM P. 1

Mrs. Fleming (Doris - 6th grade), says you can churn goat's milk. I rush to the bookcase, get the dictionary, the World Book encyclopedias and what do you know - the book said that you could churn goat's milk and sheep's milk. I got busy and told the boy that his teacher must be right, also to correct it at school. I saw her later and made my apology.

"Granny", I said, "did you ever churn goat's milk?" "A thousand times!" she says.

And there's something else, Mr. Ernest Foote, when you tell Mrs. Foote about eating dinner in town and fussing at me about the asafetida tell her that you not only ate dinner with two nice ladies but we could hear you giggling and laughing clear across the street coming back.

DEAR SIR:

I WISH TO POINT OUT WHAT I CONSIDER TO BE A GRAVE INJUSTICE TO ONE OF YOUR LARGEST FAT STOCK SHOW CONTRIBUTORS - "THE AUCTIONEER". YOU PEOPLE SEEM TO HAVE A PHOBIA ABOUT MENTIONING THE AUCTIONEER'S NAME OR THANKING HIM IN YOUR LOCAL PAPERS WHILE TRYING TO FAITHFULLY LIST THE MERCHANTS WHO BUY LIVESTOCK AT THE AUCTION SALE. THESE BOYS ARE DONATING THEIR TIME, SERVICE, AND IN SOME CASES - THEIR OWN SOUND EQUIPMENT. NOW, LET'S TALK ABOUT YOUR CONTRIBUTORS AND SEE WHO IS REALLY CONTRIBUTING TO YOUR SALE. JUST SUPPOSE, IF YOU WILL, THAT THE AUCTIONEER CHARGED YOU 10% ON A \$15,000.00 STOCK SHOW SALE. THAT AMOUNTS TO \$1500.00 COMMISSION. DON'T LAUGH YET, THE LARGER AUCTION COMPANIES ARE CHARGING 10% ON SALES UP TO AND ABOVE \$100,000.00 GROSS. SO, YOU DON'T HAVE A LARGE AUCTION COMPANY TO SEEL THE SALE - JUST A LOCAL MAN IN THE AUCTION BUSINESS TRYING TO BEAT THE ODDS OF ABOUT 400 TO 1 THAT HE CAN MAKE A SUCCESSFUL AUCTIONEER AND OPERATE A GOING BUSINESS IN YOUR COMMUNITY. LET'S SAY HE CHARGED 5% - JUST HALF WHAT A BIG COMPANY WOULD CHARGE, HIS COMMISSION WOULD COME TO \$750.00 PLUS THE USE OF PROBABLY \$600.00 WORTH OF SOUND EQUIPMENT.

AND YOU PEOPLE TALK ABOUT YOUR CONTRIBUTORS TO THE SALE AND TRY TO THANK EACH ONE IN THE PAPER. IT SEEMS TO ME IT IS RATHER HYPOCRITICAL ON THE PART OF EVERYONE INVOLVED.

BEFORE YOU SAY, "YOU DON'T KNOW WHAT YOU ARE TALKING ABOUT," LET ME SAY THAT I THINK I DO. I'VE BEEN THERE, FRIEND. I HAVE WORKED MY HEART OUT TWO YEARS RUNNING IN YOUR SALE RING.

"THANK YOU, MONTE PAXTON, FOR YOUR GENEROUS CONTRIBUTION AND A JOB WELL DONE."

WOMEN'S COTTON PROMOTION CLUB HOLDS MEETING JANUARY 12

The Gaines County Women's Cotton Promotion Club held a county-wide committee meeting on January 12 in the Gaines Room of the First National Bank in Seagraves. Attending were Mrs. Weyland Mullins, president; Mrs. William Faulkenberry, Mrs. Neil Sanderson, Mrs. Don Ward and Mrs. Ernest Spradlin, all of Seagraves; Mrs. Robert Sneed, Seminole and Mrs. Robert Freeman, Loop.

It was voted to change the name of the organization to Gaines County Cotton Promotion Club. The reason for the name change is to open the way for interested individuals to belong to the club and have a part in the promotion. This would increase the funds available for the work and the club is in need of additional funds. Present members are encouraged to pay their dues for the new year and all persons interested in becoming a member may contact any of the ladies mentioned above. Dues are \$3.00 per year and this includes membership in both County and District Clubs.

Several events have been scheduled for the coming year. Two all cotton style shows will be held in March. One will be at a luncheon meeting of the Junior Study Club of Seminole and one at the Cultus Club of Seagraves. May will be the Miss Cotton Contest. In September there will be a Sewing Contest with the winner to go to the District Sewing Contest in October. In October there will be the State Miss Cotton Contest at the State Fair in Dallas.

Mrs. Mullins, local president, attended the District meeting on January 6 in Lubbock. She was appointed to serve on two important committees; one a committee to approve State Charter By-laws and also on the budget committee.

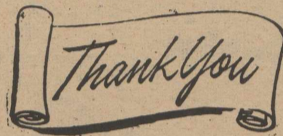

Mrs. Mullins and Mrs. Harry Childers will leave for a meeting of the National Cotton Council in Atlanta, Georgia on January 31. Several local and area gins have helped defray expenses of the trip. Mrs. Mullins, Mrs. L. E. McDowell of McAdoo and Mrs. L. C. Unfred of New Home will appear on the Sunday afternoon program of the council when they will show the District Craft Trunk.

SHOP YOUR HOME TOWN FIRST

Visitors at the barbecue last Saturday were Representative and Mrs. E.L. Short. (He's not praying the cameraman just happened to catch him with his eyes closed.) There's David Harris, Jim Paul Monte Paxton and others.

ON JANUARY 28, 1915 CONGRESS CREATED THE U.S. COAST GUARD.

May I express my thanks to friends and neighbors for the get-well wishes, flowers, gifts and visits during my recent stay in the hospital. My special thanks to Dr. Jules Balette for his services. May God bless each of you.

Section II Seminole, Gaines County, Texas

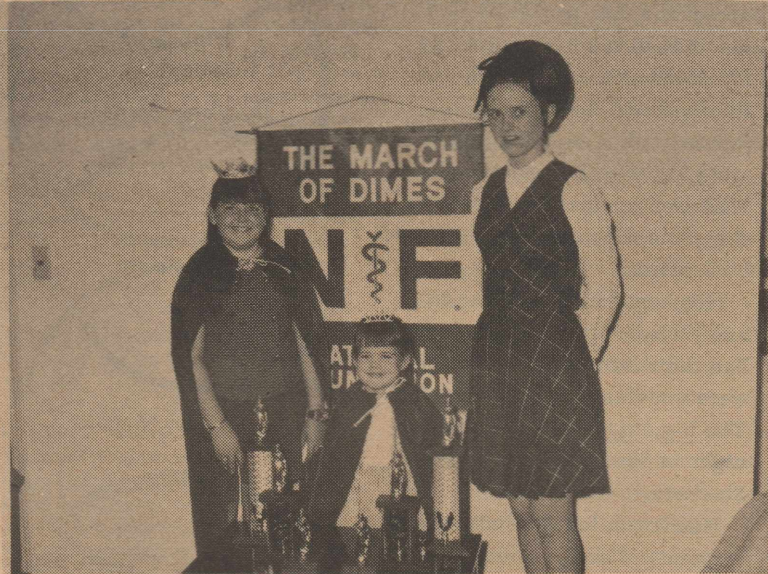

NEW GAINES COUNTY GOLF PRO --- Mr. and Mrs. Mike Smith (Diann).

The Gaines County Golf Club met Monday night with a barbecue dinner at the Gaines County Park to welcome Mr. and Mrs. Mike Smith. He will be the new pro at the local club. He announced a ladies' clinic for this summer and a 'Little One's Clinic'. He said "We are happy to be in Gaines County and work with the golfers here."

Howard Hassell, a director, pointed out the need for new members at a cost of \$36.00 plus \$7.50 per month which includes the family, children unmarried or under 21. (Where else can anyone belong to a country club at these prices?) Members were also informed that the total services paid by members in 1969 were \$21,367.98. The county does maintain the upkeep on the shop, the house, the water wells and the pipe. The golf club spent their money on other salaries and wages to keep the course, the machinery, fertilizer, etc. (There seems to be some mistaken idea that the county furnished all the money.) For labor on the course alone the club spent \$9,630.88 besides the salary to the pro.

If you are a would be golfer, a dubber, or someone who would like to get out in the sunshine and West Texas weather, call Mike Smith, the pro, L.G. Daugherty, the secretary, or one of the Seminole directors Howard Hassell, Dink Aryain, or Jim Nelson and they will put you to 'following the sun'.

Seminole 59 - Kermit 55

The Kermit Yellow Jackets had their stingers removed last Friday night when the Indians from Seminole beat them 59-55. The Indians did not have one of their better games but the brave Warriors hung on to claim the 4 point victory. Ron Henderson and Stan Pulliam have taught defense, defense, defense and it paid off again.

The outstanding play of Danny Whisenhunt kept the Indians in the ballgame in the first half and the shooting of David Henderson kept them going the second half. It was a tough ballgame all the way as Seminole's strong man, Steve Hatley, got in foul trouble again and sat out a large part of the game.

The Indians managed a first quarter tie, 13-13, and fell behind at the half, 25-27. With Hatley riding the bench they fell behind 3 more, 45-40, at the end of the 3 period mark. Enough cannot be said about the 4th quarter as the Indians were riding, running and shooting. It was 47-45 with 5 plus minutes to go. The Jackets stuffed in 2 to make it 47-47. It was 49-49, 51-51. With 2:15 to go Dobbins went out by the foul route and weakened Kermit. Hatley went to the free throw line and got 2. Henderson was fouled. He made it 55-51 with 1 minute to go. Kermit got 2. Sophomore, Jim Livingston, approached the charity line and calmly dropped in 2 more. It was 57-53. Kermit would not play dead. They got another field goal, 57-55.

They fouled the wrong man again. Little #12, Henderson, approached the free throw line and 'did it to 'em' again. On a 1 and 1 situation Henderson put in both points to make the final score read 59-55 and the Indians had won another one at the free throw line, 59-55.

The Indians got 29 out of 35 for an 83.8 percent. The Jackets had 13 out of 17. It was Henderson again who led the Indians, also the district, with 21 points. Whisenhunt had 11, probably his best game of the year, Steve Hatley 10, Roberts and Livingston 7 each and Donohoe 3.

The B's lost a tough one against Kermit after jumping to a good lead 80-81. Gene Sims got 33 points, followed by Shuler and Howard Baker with 12 each. Smith had 10, Tipping 6, Pierson 4 and Gonzales 3.

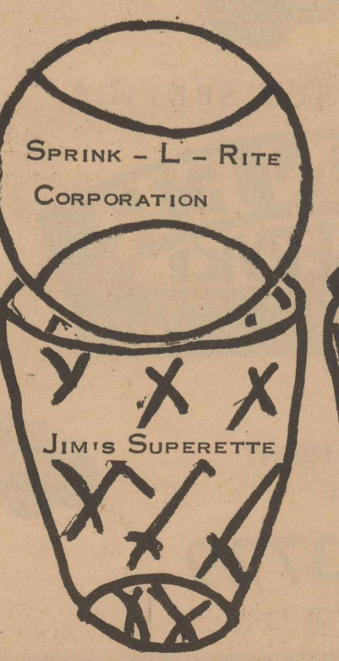

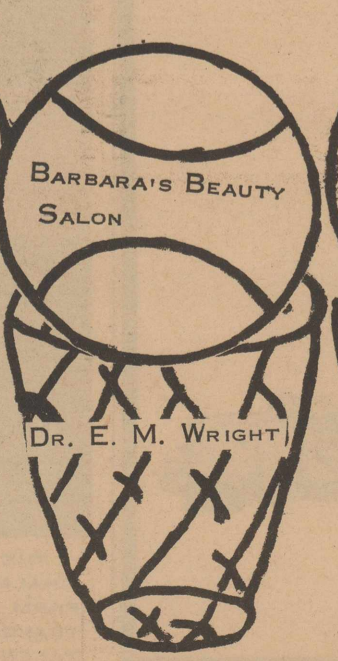

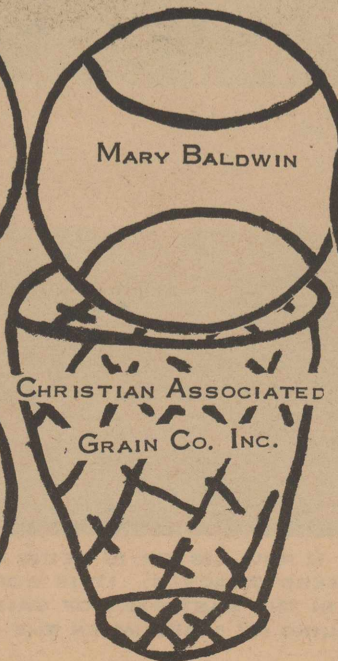

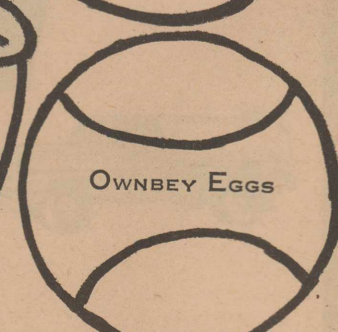

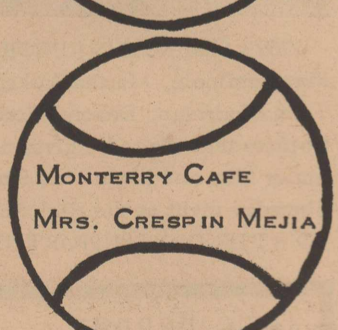

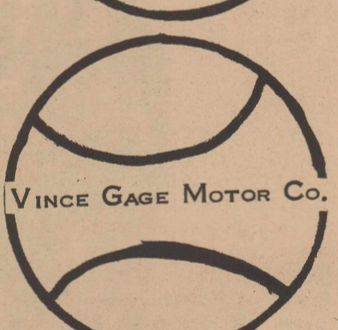

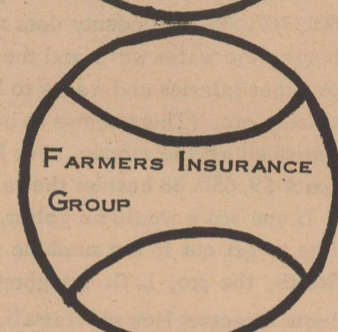

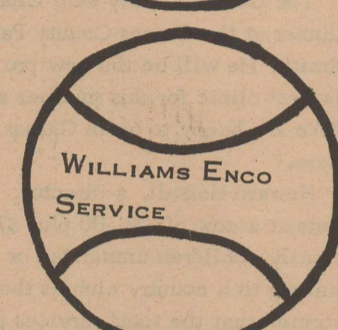

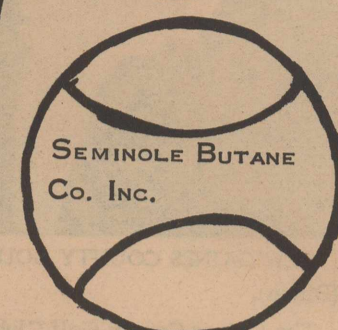

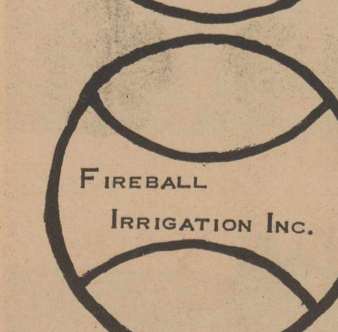

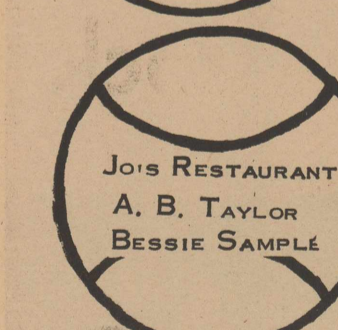

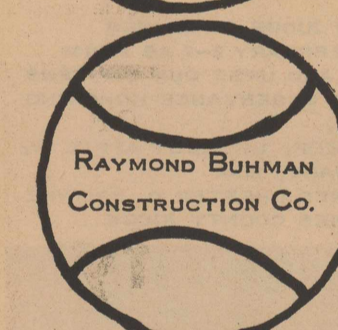

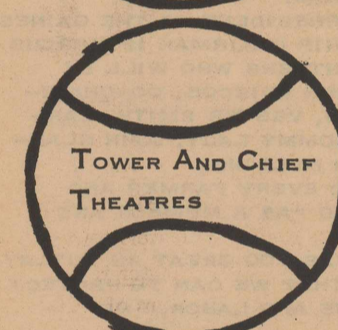

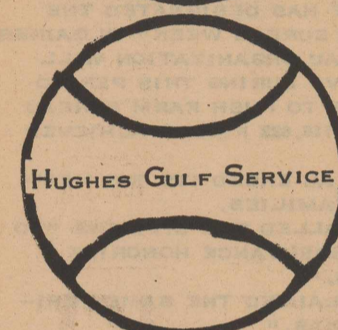

SEMINOLE 58 - PECOS 49

The Seminole Indians did not have their best game last night but it was good enough to beat the Pecos Eagles by 9 big points. The Indians jumped out to a 9-4 lead only to fall behind at the end of the first period 10-14. They led at halftime by 5 points, 24-19, 41-33 at the 3/4 mark and finally found the range in the last two minutes of the game and spurred to a 9 point lead. With two minutes remaining in the game they only led the Eagles by 3 points.

Henderson hit 2 fast buckets, and Whisenhunt 1 and the Indians had their 13th straight win and were undefeated in district play. The big, big game is Friday night in Seminole against Ft. Stockton.

Henderson led the Indians with 18 points. Donohoe went scoreless in the first quarter but came through with 8 in the 2nd quarter and 8 in the 2nd half, scoring 16. Hatley had 10, Whisenhunt 8 and Roberts 6.

The B-team won a tight ballgame 58-50 with Sims and Tipping getting 20 points each, to lead Seminole over the Pecos Bees. The score was tied at 48-48 before the final spurt by the Indians.

DEAR WALTER,
YOUR OLD UNCLE HAD A RATHER UNUSUAL TREAT YESTERDAY. A FRIEND OF OURS, LIVING IN ARLINGTON, VIRGINIA, CALLED ME TO REPORT THAT HE WAS IN FORT WORTH AND WANTED ME TO HAVE LUNCH WITH HIM AND AN OLD FRIEND OF HIS AT THE HOLIDAY INN, WHICH I ACCEPTED. IT TURNED OUT THAT HIS FRIEND, FORMER UNITED STATES SENATOR FROM NEW JERSEY, NOW 92 YEARS OLD, WAS HAVING HIS CHAUFFER BRING THIS GENTLEMAN'S SECRETARY OF MANY YEARS, ALSO UP IN YEARS, TO HIS WINTER HOME IN PALM DESERT, CALIFORNIA. IN GETTING OUT OF THE CAR, THIS LADY FELL AND BROKE HER PELVIS BONE. THEY PUT THE LADY IN THE HOSPITAL, THE CHAUFFER CALLED HIS BOSS, SO HE FLEW IN HERE, THEN CALLED MY FRIEND IN VIRGINIA AND ASKED IF HE COULD COME OUT AND HELP HIM. WHICH HE DID. THIS FELLOW MUST HAVE BEEN QUITE A BIG SHOT IN HIS PRIME. HE IS ONE OF THE MOST INTERESTING CHARACTERS I HAVE MET IN MANY YEARS. HIS MIND IS VERY ALERT AND, UNLIKE A LOT OF OLDER FOLKS, CAN RECALL INCIDENTS THAT HAPPENED YESTERDAY, LAST WEEK, LAST MONTH OR LAST YEAR JUST AS VIVIDLY AS THOSE THAT OCCURED 50 YEARS AGO. IT WAS A DELIGHT TO MEET HIM AND NOW WE HAVE AN INVITATION TO COME OUT AND SEE HIM SOME TIME. HOW'S THAT? MY FRIEND GEORGE SAYS HE HAS A PALATIAL HOME, SWIMMING POOL AND EVERYTHING, HE ALSO VOWS THE OLD FELLOW MEANT IT WHEN HE INVITED US TO COME TO SEE HIM.

MY OLDEST SISTER WILL BE HAVING A BIRTHDAY ON FEBRUARY 2ND, (GROUND HOG DAY), SHE WILL BE 88 YEARS YOUNG AND FOR THE PAST FEW YEARS WE HAVE ALL BEEN TOGETHER ON THAT OCCASION. SINCE IT APPEARS IT WILL BE MORE CONVENIENT TO HAVE THE PARTY A LITTLE EARLY THIS YEAR, MY SISTER-IN-LAW, MY YOUNGEST BROTHER'S WIFE IS HAVING THE PARTY TOMORROW AT NOON. THERE WERE 10 COLLIER CHILDREN ORIGINALLY, NOW ONLY FIVE REMAIN AND IF WE ALL ARE ALIVE IN 1971, THE AVERAGE AGE WILL BE 80, WHICH MAY BE SOME KIND OF A RECORD.

UNCLE WARD COLLIER

NOTICE

THE AMERICAN LEGION AUXILIARY WILL HOLD THEIR REGULAR MEETING MONDAY NIGHT, FEBRUARY 2, AT 7:30 P.M. AT THE LEGION HALL. THE DISTRICT PRESIDENT IS THE SPECIAL GUEST. EVERYONE IS INVITED TO ATTEND.

The Seminole News
Seminole, Texas
Gentlemen:

I would like to pass on to you my feeling of gratitude and good will toward three young people who live in Seminole and who performed a Good Samaritan act toward my son and two other boys in the wee hours of Sunday morning, while on their way back from Andrews to Lubbock, the truck in which my son and the other two boys were riding broke down about five miles out of Seminole. It was cold and they had no heater. These three young people from Seminole came by, inquired as to whether or not they could be of any help, and then, all above and beyond the help actually required, they went out of their way to tow the truck into Seminole, and then brought my son and his friends all the way to Lubbock and deposited them at their various homes. In this day and age when all the news about young people is how rotten they are, I thought you might like to know of this incident of teenagers caring about other people and their welfare and doing something about it. I was extremely grateful to them, as were the boys involved, and want to take this way to thank them, since I cannot do it in person. It has served to strengthen my faith in the future and my belief that this country is going to be in good hands when young people of this character inherit the leadership.

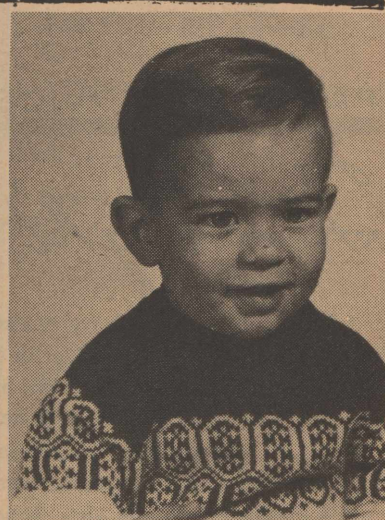

Yours very truly,
Mrs. Lee Denny, Jr.

Information From Social Security Office

BY DOROTHY FEAZELL

Housewives are now among the best informed and motivated groups of employers when it comes to reporting their household employees' wages correctly and on time.

There are now tens of thousands of retired household workers and survivors of such workers receiving social security benefits. This is a direct tribute to the housewives who have been the employers and who have taken the few minutes time necessary every three (3) months to report their wages.

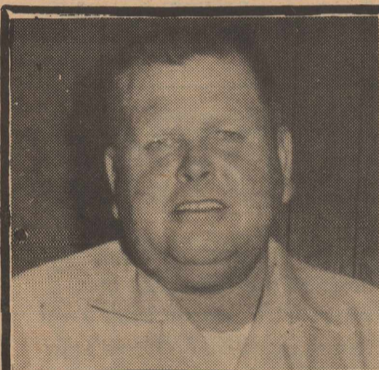

The law requires that any household employees be reported for social security purposes if cash wages paid to the employees are \$50 or more during a three month calendar quarter. Housewives are to be congratulated for their fine spirit of compliance with this law! Any new employer using household help for the first time, may receive full instructions by calling the social security office.

Brownie Troops 471 and 320 met last Wednesday at the Community Building for their weekly meeting. They made pin cushions for their project. LOOP NEWS

BY MRS. BUCK CUNNINGHAM

Ronnie and Russell Armstrong, sons of Mr. and Mrs. Bill Armstrong, were the biggest winners among the Loop 4-H and FFA members who exhibited animals in the County Livestock Show in Seminole last weekend. Ronnie showed his purebred Hampshire lamb to the Grand Championship while Russell had the reserve grand champion lamb. Other young people placed their animals high in the show with several first place ribbons for breed champions.

In the steer division Randy Floyd and Jerry Bingham had two animals each with Mike Young and Tony Hord having one each.

Exhibitors in the Hampshire sheep class were Pam Owens, Bev Owens, Ronnie Armstrong, Randy Armstrong and Russell Armstrong.

Southdown lamb exhibitors were Craig Ancinec, Velma Kelly, Cynthia Glaspie, Jim Schooler, Ricky McConal, Bev Owens, Pam Owens, Elizabeth Caughron and Larry Caughron.

Those showing Dorset lambs were Monty Ancinec, Craig Ancinec, Harold Glaspie, Mike Davison, Tony Davison, Barry McConal, Ricky McConal, Pam Owens and Bev Owens.

Barry McConal had an entry in the Crossbred lamb class.

Swine exhibitors were Jackie Newton, Dane Smith, Randy Armstrong, Craig Ancinec, Virgil Newton, Roger McKenzie, Johnny Frasier, Danny Yocom, Monty Ancinec, Larry Case, Brenda Smith, Ronnie Armstrong, Darrell Frasier, Kent Smith, Derris Shults, Randy Floyd, Russell Armstrong, Ricky Mills and Timmy Smith.

The sale on Saturday was a good one since livestock prices are better than for the past few years. All but a few of the local youngsters placed animals in the sale. Even the weather was cooperative, it being one of the nicest weekends for a stock show we have ever seen.

Some of the local winners were delighted to see themselves on TV when Channel 11 showed some scenes of the stock show and the winning entries on their Monday morning Farm Show.

Mr. J. E. White, Vo-Ag teacher, and the local 4-H leaders extend a hearty "Thanks" to all

those who helped make a successful show and sale.

Mrs. Arit Davison's 4-H Food Group met at the Community Building last Monday. The pledge was given by Dana Ancinec and Velma Kelly led the prayer. We worked in our record books. A visitor was Valerie Woodard. We had refreshments of lemonade and Ritz crackers with peanut butter. - - - Terri Lowe, Reporter.

Mr. and Mrs. Ed Halfast of Kermit are the parents of a son born last week. The Halfasts are former teachers in the Loop School system.

The Loop teachers will go to the Small Schools Association meeting at Gail this Thursday evening.

Last week saw a full round of basketball activity. On Monday afternoon at the local gym the Junior High teams met the teams from Dawson. The Loop girls won 34-12 while the boys lost 20-13.

On Tuesday night the varsity teams went to Sands which saw the girls win a close one, 62-61, to finish the first round of district play undefeated. Scorers for Loop were Vicki Todd 27, Kay Bingham 22 and Evon Smith 13.

The boys' team lost to the Sands team by a score of 81-56. Danny Yocom had 19 points, Barry McConal 13 and Mike Boggan 11.

Friday night saw the teams again on the road, this time at Klondike. The Loop girls were slow getting started as they trailed at one point by 20 points. The scoring picked up in the second half and saw them pull within 2 points of Klondike, finally losing 58-62. Loop had foul trouble with 2 of the starting guards fouling out.

The Klondike Cougars proved too much for the Longhorns in the boys' game as the Cougars took a quick lead and never gave it up. Final score was Loop 50-Klondike 88.

Another tough road game faces the Longhorns this Tuesday night as they travel to Gail. Friday night, January 30, will see the teams in action at the Longhorn gym when they meet Flower Grove. The following Tuesday, February 3, teams play at Dawson and they will finish the season with games at home against Sands on February 6.

The Junior High teams will play in a tournament at Wellman on Thursday night. The game times are 7 and 8 p. m. Other games will be played Saturday.

Visitors at Ashmore Baptist Church Sunday were Mr. and Mrs. Billy Freeman and Mr. and Mrs. Dan Freeman and

daughters.

Mrs. Bill Slaughter was honored at a shower for her new baby daughter at the home of Mrs. Arit Davison last Thursday. Hostesses with Mrs. Davison were Mrs. Earl Owens and Mrs. Keith McConal. Calling hours were from 3:30 to 5:30 p. m. Refreshments of doughnuts, coffee and punch were served to about 25 guests. Many nice, lovely gifts were received.

The Women's Sunday School Class of Ashmore Baptist Church were hostesses for a housewarming at the new home of Mr. and Mrs. H. T. Todd, Sr. last Thursday night. Refreshments of cookies, cake, punch and coffee were served to a host of friends. The honored couple received many lovely gifts for their new home.

Another Thursday afternoon affair of interest to Loop ladies was a pink and blue shower at the home of Mrs. John Pillow in Seagraves honoring Mrs. John Foster of Artesia, New Mexico, who will be remembered as the former Della Jo Hill of this community.

Mr. and Mrs. R. C. Hunt of Lamesa visited last week with his sister, Mrs. Geneva Brandenburg.

The hospital news this week includes Mrs. Bill Oats who is at home and doing well; Mr. John Ingram who spent several days in Seagraves Clinic Hospital suffering from a bout of pneumonia but is back at home; Miss Ruby Fleming is home from Methodist Hospital for the weekend and the Bill Slaughter baby still in Methodist Hospital but improving. Also Mrs. Calvin Young of Lubbock, formerly of Loop, suffered a hip injury in a fall but is recuperating nicely at Methodist Hospital.

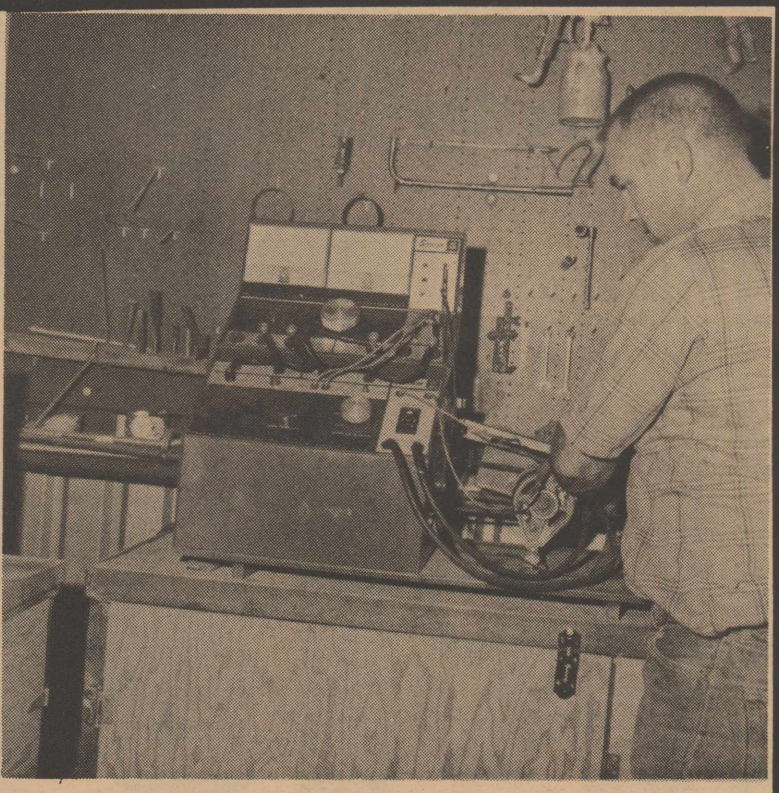

Vickie Jan O'Neil has completed requirements for a Bachelor of Science degree at Sul Ross State University, according to Delbert Dyke, vice-president of the university. She will receive the degree at the Spring Commencement Exercises.

Mrs. O'Neil is majoring in Elementary Education. She is the daughter of Mrs. Jean Strawn of Seminole, Texas.
