RLHS Classes of '59, '60 and '61 to hold reunion

The Robert Lee High School Classes of 1959-61 will hold a reunion Saturday, July 25, 2015, at the old Rec Hall in Robert Lee. This building is now called the Senior Citizens Center.

The building is reserved all day Saturday until midnight for the reunion. Bring your annuals and any music you have from the 1950s and 1960s.

For information on the reunion, please call Sondra "Sandy" (Roe) Caves at (325) 896-2503, or send a note to PO Box 42, Christoval, Texas 76935, or contact Jerry Blair at (940) 569-0472 or Pat (Fowler) Clement at (325) 453-4627.

Longhorn Band Camp slated

Members of the Bronte Longhorn Band will need to attend summer band camp the first two weeks in August.

The camp will begin Monday, August 3, 2015, and conclude

Friday, August 14, 2015. It will be held from 6 pm to 9 pm Monday, Tuesday, Thursday and Friday evenings of both weeks at the band hall.

Mini Cheer Camp set for Robert Lee

A Mini Cheer Camp will be held Monday-Thursday, August 10-14, 2015, from 9 am to 11 am at the RLHS tennis courts.

The 2015-16 RLHS Cheerleaders will teach cheers, chants and sidelines to children going into Pre-K through 6th grade.

Thursday is designated as Crazy Day and Friday is Steer Spirit Day. Presentation and awards will be held at 10:30 am Friday.

Snacks and new Steer football t-shirts will be available for purchase, but campers need to bring their own water bottle.

Campers will get to perform at one high school pep rally and 5 minutes at a home football game.

For more information, email maranda.hood@rlisd.net.

Happy Birthday! Coleta Fenley of Robert Lee turned 102 on July 5, 2015. Mrs. Fenley was honored with a party at Robert Lee Care Center on Friday, July 3. In an interview with a local television station, she talked of her stay in Japan when her husband was stationed there during his military years and when she turned 100 that "Little Debbie's" sent her a Little Debbie blanket. When asked how times have changed over the years compared to when she was growing up, she replied, "Well everybody is always on their phones and taking pictures with it." Her secrets to a long life include "Little Debbie's and Dr. Pepper and just living a good life."

Daughters of the Republic of Texas Turn Over Management of the Alamo after 110 Years

Friday, July 10, 2015, marks the end of the 110-year management by the Daughters of the Republic of Texas (DRT) of the Alamo Shrine. After Friday, the state of Texas will take full control of the property of the Alamo and its expenses.

"Bittersweet is the word that comes to mind," said Betty Edwards, M.D., President General of the DRT. "Our organization cherishes its 110-year history as managers of the symbol of Texas independence, but recognizes a greater role from the state is required to address the ever-increasing needs of the structure. Finally,

that day has arrived."

In response to the call of DRT members Clara Driscoll, Adina de Zavala and other women who called for the rescue of the decayed and neglected site of the 1836 battle, in 1905 the Texas Legislature named the Daughters of the Republic of Texas as the custodians of the Alamo. The efforts of these women and the generations of leaders who followed in their footsteps have made the Alamo one of the world's most important historical destinations. This week that was affirmed by the UNESCO World Heritage Committee naming the Alamo and the San Antonio missions as a World Heritage Site.

"Since the Daughters were named custodians of the Alamo, we have had 25 governors, 22 lieutenant governors, 14 land

commissioners and thousands of state legislators," noted Dr. Edwards. "While our elected officials have come and gone, we have remained steadfast and unwavering in our commitment to preserving this special piece of Texas history. With no significant state support over these years, it has been a burden we willingly and proudly carried, but many in our organization always believed the state should be sharing in the responsibility of maintaining the site."

On Friday, members of the Daughters of the Republic of Texas gathered in front of the Alamo for a brief ceremony marking their last day as managers of the historic site. Although the DRT will no longer be caretakers of the Alamo Shrine, President General Edwards said the organization "will remain there in spirit forever."

The transition, though long-awaited by the DRT, was not without controversy. Land Commissioner George P. Bush and the GLO made statements in announcing an end to the

DRT's Alamo presence that the organization says were not accurate.

Shortly after his announcement, Bush's office then expressed intent to take ownership of the vast majority of the library collection the DRT has amassed and preserved since 1950. The collection is located in a separate facility on the grounds. In response to the state's actions, the Daughters filed a lawsuit on March 23,

2015, in Bexar County to block the GLO's efforts to take the DRT library collection.

"It is time to move forward," Dr. Edwards concluded. "The state has the resources to maintain the Alamo Shrine in the respectful manner in which it should be preserved. The DRT will keep a watchful eye, and we will continue our role in the preservation of the history of the state we love."

**West Coke County
Hospital Board Meeting**

By Pat Stephens

The Board of Directors of the West Coke County Hospital District met in regular session June 30, 2015. President Mary Bessent called the meeting to order at 9:35 and declared a quorum was present. Other Board members present were Sarah Green, Pat Stephens, Dessie Kendall, and Pat Carwile. Jessica Cason, Administrator, was also present at the meeting. The invocation was given by Jessica Cason. Minutes from the previous meeting were approved, and there were no absentees from that meeting.

The census count shows there are currently 32 residents in the facility, as of the meeting date.

In the staffing update, there are openings for a full time housekeeper and janitor.

In the Administrator's report, survey readiness is being addressed in the facility by daily walking rounds. There have been no major deficiencies found to date.

The team participating in the Relay for Life raised over \$3000 total monies, and won the trophy for the top new team. Congratulations, team Star Wars, for a job well done.

Under capital projects, bids have been obtained from three vendors for roof repairs needed for the storage/Food Bank building. A leak at the dining room door was also addressed, and the vent hood expansion for the kitchen fryer will be completed by Atex.

Building maintenance: A window in the dining room was cracked by a rock while weed eating, and is awaiting repair. Touch up painting is going on throughout the facility, and all new equipment is in house and preparing for installation. New

comforters will be purchased for the beds in the facility.

PointClickCare training began early June. Clinical and financial trainings and coaching continues until the go live dates.

Accounts Receivable/Collections were discussed, and an update was given to the Board. The financial statements were discussed and accepted.

The Board went into Executive session at 11:33 AM, and returned to regular session at 11:50 AM. No action was needed.

Future agenda items were discussed, and the date of the next Board meeting will be July 28, 2015. The public is invited and encouraged to attend.

Taking a look at the calendar for July, in addition to the regular activities, residents enjoyed a 4th of July dance with music provided by Rough Creek. There will be a shopping trip to

2015-2016 Texas Minimum State Vaccine Requirements for Students Grades K-12

This chart summarizes the vaccine requirements incorporated in the Texas Administrative Code (TAC), Title 25 Health Services, Sections 97.61 to 97.72. This chart is not intended as a substitute for consulting the TAC, which has other provisions and details. [Click here for complete TAC language.](#)

The Department of State Health Services (DSHS) is granted authority to set immunization requirements by the Texas Education Code, Chapter 38, Health & Safety, Subchapter A, General Provisions.

IMMUNIZATION REQUIREMENTS

A student shall show acceptable evidence of vaccination prior to entry, attendance, or transfer to a child-care facility or public or private elementary or secondary school in Texas.

Vaccine Required (Attention to notes and footnotes)	Minimum Number of Doses Required by Grade Level			NOTES
	K - 6 th	7 th	8 th - 12 th	
Diphtheria/Tetanus/Pertussis (DTaP/DTP/DT/Td/Tdap) ¹	5 doses or 4 doses	3 dose primary series and 1 Tdap/Td booster within last 5 years	3 dose primary series and 1 Tdap/Td booster within last 10 years	For K - 6 th grade: 5 doses of diphtheria-tetanus-pertussis vaccine; 1 dose must have been received on or after the 4 th birthday. However, 4 doses meet the requirement if the 4 th dose was received on or after the 4 th birthday. For students aged 7 years and older, 3 doses meet the requirement if 1 dose was received on or after the 4 th birthday. For 7 th grade: 1 dose of Tdap is required if at least 5 years have passed since the last dose of tetanus-containing vaccine. For 8 th - 12 th grade: 1 dose of Tdap is required when 10 years have passed since the last dose of tetanus-containing vaccine. Td is acceptable in place of Tdap if a medical contraindication to pertussis exists.
Polio ¹	4 doses or 3 doses			For K - 12 th grade: 4 doses of polio; 1 dose must be received on or after the 4 th birthday. However, 3 doses meet the requirement if the 3 rd dose was received on or after the 4 th birthday.
Measles, Mumps, and Rubella ^{1,2} (MMR)	2 doses of MMR	2 doses of measles and 1 dose each of rubella and mumps vaccine		The 1 st dose of MMR must be received on or after the 1 st birthday. For K - 6 th grade: 2 doses of MMR are required.
Hepatitis B ²	3 doses			For students aged 11 - 15 years, 2 doses meet the requirement if adult hepatitis B vaccine (Recombivax [®]) was received. Dosage (10 mcg/1.0 mL) and type of vaccine (Recombivax [®]) must be clearly documented. If Recombivax [®] was not the vaccine received, a 3-dose series is required.
Varicella ^{1,2,3}	2 doses			The 1 st dose of varicella must be received on or after the 1 st birthday. For K - 12 th grade: 2 doses are required.
Meningococcal ¹	1 dose			For 7 th - 12 th grade, 1 dose of meningococcal vaccine is required upon enrollment. For students 11 - 12 years of age entering 7 th grade, 1 dose of meningococcal vaccine is required.
Hepatitis A ^{1,2}	2 doses	The 1 st dose of hepatitis A must be received on or after the 1 st birthday. For K - 6 th grade: 2 doses are required. Special note: a child will not be considered delinquent in this series until 18 months have elapsed since receiving the 1 st dose.		

¹ Receipt of the dose up to (and including) 4 days before the birthday will satisfy the school entry immunization requirement.
² Serologic evidence of infection or serologic confirmation of immunity to measles, mumps, rubella, hepatitis B, hepatitis A, or varicella is acceptable in place of vaccine.
³ Previous illness may be documented with a written statement from a physician, school nurse, or the child's parent or guardian containing wording such as: "This is to verify that (name of student) had varicella disease (chickenpox) on or about (date) and does not need varicella vaccine." This written statement will be acceptable in place of any and all varicella vaccine doses required.

Exemptions

Texas law allows (a) physicians to write medical exemption statements that the vaccine(s) required would be medically harmful or injurious to the health and well-being of the child or household member, and (b) parents/guardians to choose an exemption from immunization requirements for reasons of conscience, including a religious belief. The law does not allow parents/guardians to elect an exemption simply because of inconvenience (for example, a record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem). Schools and child-care facilities should maintain an up-to-date list of students with exemptions, so they may be excluded in times of emergency or epidemic declared by the commissioner of public health.

Instructions for requesting the official exemption affidavit that must be signed by parents/guardians choosing the exemption for reasons of conscience, including a religious belief, can be found at www.immunizetexas.com under "School & Child-Care." Original Exemption Affidavit must be completed and submitted to the school or child-care facility.

For children claiming medical exemptions, a written statement by the physician must be submitted to the school or child-care facility. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

Provisional Enrollment

All immunizations should be completed by the first date of attendance. The law requires that students be fully vaccinated against the specified diseases. A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by this rule. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school. A school nurse or school administrator shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in compliance and the school shall exclude the student from school attendance until the required dose is administered.

Additional guidelines for provisional enrollment of students transferring from one Texas public or private school to another, students who are dependents of active duty military, and students who are homeless can be found in the TAC, Title 25 Health Services, Sections 97.66 and 97.69.

Documentation

Since many types of personal immunization records are in use, any document will be acceptable provided a physician or public health personnel has validated it. The month, day, and year that the vaccination was received must be recorded on all school immunization records created or updated after September 1, 1991.
