## Texas Sales Tax Holiday is this weekend

Texas Comptroller Glenn Hegar reminds shoppers the annual sales tax holiday is scheduled for this Friday, Saturday and Sunday, August 7-9.

The law exempts most clothing, footwear, school supplies and backpacks priced under \$100 from sales tax, which could save shoppers about \$8 on every \$100 they spend during the weekend.

Lists of apparel and school supplies that may be purchased tax-free can be found on the Comptroller's website at [TexasTaxHoliday.org](http://TexasTaxHoliday.org).

This year, shoppers will save an estimated \$87 million in state and local sales taxes during the sales tax holiday, which has been an annual event since 1999.

## Mini Cheer Camp set for Robert Lee

A Mini Cheer Camp will be held Monday-Thursday, August 10-14, 2015, from 9 am to 11 am at the RLHS tennis courts.

The 2015-16 RLHS Cheerleaders will teach cheers, chants and sidelines to children going into Pre-K through 6th grade.

Thursday is designated as Crazy Day and Friday is Steer Spirit Day. Presentation and awards will be held at 10:30 am Friday.

Snacks and new Steer football t-shirts will be available for purchase, but campers need to bring their own water bottle.

Campers will get to perform at

one high school pep rally and 5 minutes at a home football game.

For more information, email [maranda.hood@rlisd.net](mailto:maranda.hood@rlisd.net).

## Longhorn Band Camp continues

Members of the Bronte Longhorn Band are attending summer band camp the first two weeks in August.

The camp began Monday, August 3, 2015, and concludes Friday, August 14, 2015. It is being held from 6 pm to 9 pm Monday, Tuesday, Thursday and Friday evenings of both weeks at the band hall.

## 7th Grade Orientation set for Bronte ISD

Bronte ISD will be hosting a 7th grade orientation the first day of school for incoming 7th graders and any parents/guardians who wish to attend. On Monday, August 24, everyone will meet in the auditorium at 8 am. After the general student assembly, the 7th graders will go to their 1st period class and then they will meet in the library 2nd period to begin orientation. Procedures, class schedules, lockers, supplies, and athletics will be discussed, as well as a tour of the secondary campus and an opportunity to meet teachers. Questions students or parents may have will be answered. For more information, please call the Bronte I.S.D. secondary school campus at 473-2511.

**First Annual Steer Tourney!** The first annual Robert Lee Steer Golf Tournament took place at Mountain Creek Golf Course Saturday, July 25, 2015. The event was sponsored by Golf Coach Austin Dunham and the Robert Lee Golf team as a fundraiser for the purchase of new golf bags. Overall the tournament was a success as some 28 players participated, including 7 members of the RLHS Golf Team. Everyone enjoyed good weather, fellowship and a round of golf on a pristine course. Members of the winning team are Billy Wayne Roe, Jesse Flores, Sandra Flores, and Buddy Wallace. All those who sponsored, assisted, and participated in this worthy cause are greatly appreciated.

**Medical Emergency!** The Bronte Volunteer Fire Department blocked State Highway 158 and East and West Railroad in Bronte Monday morning, August 3, 2015, to accommodate the Medivac helicopter. East Coke County Ambulance Service was called to a local residence just before 11 am and transported the patient to the helipad.

**1st Day of School for  
Blackwell, Bronte &  
Robert Lee is  
Monday, August 24!**

## Obituaries

### Fenley

Coleta Alice Fenley was born on July 5, 1913, in Coleman County, Texas. She was the youngest of four children and her parents were W.D. and Emma May Mullis. She married John H. Fenley on December 31, 1937, in Seguin, Texas. Her husband was a WWII veteran and they traveled to several post war countries. As a young woman, she served as post mistress in Brookesmith, Texas. She was also a hairdresser for many years.

Coleta passed away in the Robert Lee Care Center on August 2, 2015. She is survived by nieces Tommye Wright and Lucretia Cargile, and nephews Charles Mullis and Jimmy Mullis. She was also loved and will be missed by many great nieces and nephews, great-great nieces and nephews and even great-great-great nieces and one nephew. She is also survived by cousins Jack and Marie.

She was loved by all who knew her and admired for her strong spirit and independence. She was a positive influence in the lives of family and friends. Recently the family joined her in celebrating her 102nd birthday, a local band which included her great nephew, played for her party at the Care Center.

The family would like to express a special thanks to the Robert Lee Care Center for the attention and consideration she received over the last few months.

In lieu of flowers, the family requests donations to Coke County Food Pantry, Vision with a Purpose or any local charity.

Visitation was held all day Tuesday, August 4, 2015, at the funeral home with family present from 6 pm to 8 pm.

Graveside services were held at 11 am Wednesday, August 5, 2015, at Trickham Cemetery.

### Red Hat meeting slated

The Red Hat Society will meet at Golden Corral, 4387 Houston Harte Express, in San Angelo on Thursday, August 6, at 11 am.

Get your red hat and meet us there for some fun and fellowship.

### The Many Faces of Medicine A Look at the Benefits and Types of Massage

By Robin Roller

We have two nervous systems. One is the parasympathetic nervous system which controls the voluntary muscle movement like the muscles of the arms and legs that you can move by sending a signal along nerves that tell the muscles to move. The other is the sympathetic nervous system, which controls the involuntary movements like the heart and the lungs are a part of both. You can control your breathing to a point. If you hold your breath until you pass out, once you are no longer aware the sympathetic nervous system will kick in and you will breath again.

There are massage methods targeting each system. The parasympathetic massage is the back rub type massage that most people associate with the term massage. These include the Swedish massage, the most common, and the deep tissue massage among others. The only massage methods that target the sympathetic system originated in the Far East. Thai massage is one of the sympathetic system affecting methods. Unfortunately, I have no education in that one. However, Zen touch is also a method coming from the Orient in which I am trained. These

styles of massage are done on a mat on the floor, through the clothes, because cloth does not inhibit the transference of energy. Since there is no privacy needed as well as no equipment, table or oils, this is by far the easiest to manage. Because it affects a different nervous system, the mechanics of it are different. Working to unblock meridians, the energy pathways through the body. It is quite complicated and I don't understand the mechanics well enough to tell you how it works, I just know it does. I am trained to look for temperature changes in the body because most pain manifests itself in the body as heat. There are many ways the body speaks to one trained to listen.

I will continue this discussion next week due to space limitations. I hope you all have a great week! Stay informed and stay healthy.

### About Me...

After reading a few of my articles, I thought you might want to know who I am. My name is Robin Roller. I moved to the area in the middle of April after living in San Diego California, for 18 years. I grew up in west Texas, Marathon, Alpine and Ft. Stockton. I have lived on cattle ranches from the Big Bend area to Dripping Springs.

I went to the School of Healing Arts for my education in massage, 110 hours was the license requirements at the time, graduating in March of 2000. I've been working in this field ever since.

I am a firm believer in alternative medicine. I disagree with much of the established medical system. I believe there is a better way. "Medicine for profit is inherently evil".

The ancient Chinese method of paying medical professional makes more sense to me. They got paid only if the patient stayed well.

I hope to inform people about the unethical practices of the big drug companies. There are a few things out there that kill a virus, yet the medical professionals tell you that there's not. Things like food grade hydrogen peroxide, colloidal silver and essential oils all are very effective at restoring balance to the body and maintaining health.

Stay well and stay informed.

### Meet the Hornets and Teachers set for Friday, August 21

Blackwell CISD is hosting Meet the Hornets/Teachers on Friday, August 21, 2015. The event will begin with a meal at 6 pm.

### Football Pages beginning August 28

Football season in Coke County officially begins August 28. With the beginning of football season, the annual "Football Sponsor" pages will begin in the August 28 issue of the Observer/Enterprise.

All 2014 sponsors will be included on the 2015 pages at the same price as last year. If you have a change or wish to discontinue your sponsorship, please call the office at (325) 453-2433 by 12 noon Monday, August 24.

A complete list of the 2014 sponsors is included below.

A budget workshop was held. No action was taken.

Judge Blair adjourned the meeting at 2:05 pm.

**Quick Facts given on Environmental Crimes**

Property owners and local governments spend large amounts of money each year cleaning up wastes deposited by uncaring individuals. These monies easily reach into the millions of dollars and some of the money is your tax dollars. These individuals do not care that their waste pollutes our lands, water and air or that future generations will be affected by their selfish acts.

Sec. 365.012. ILLEGAL DUMPING; DISCARDING LIGHTED MATERIALS; CRIMINAL PENALTIES. (a) A person commits an offense if the person disposes or allows or permits the disposal of litter or other solid waste at a place that is not an approved solid waste site, including a place on or

within 300 feet of a public highway, on a right-of-way, on other public or private property, or into inland or coastal water of the state.

(a-1) A person commits an offense if:

(1) the person discards lighted litter, including a match, cigarette, or cigar, onto open-space land, a private road or the right-of-way of a private road, a public highway or other public road or the right-of-way of a public highway or other public road, or a railroad right-of-way; and

(2) a fire is ignited as a result of the conduct described by Subdivision (1).

(b) A person commits an offense if the person receives litter or other solid waste for disposal at a place that is not an approved solid waste site, regardless of whether the litter or other solid waste or the land on which the litter or other solid waste is disposed is owned or controlled by the person.

(c) A person commits an offense if the person transports litter or other solid waste to a place that is not an approved solid waste site for disposal at the site.

(d) An offense under Subsection (a), (b), or (c) is a Class C misdemeanor if the litter or other solid waste to which the offense applies weighs five pounds or less or has a volume of five gallons or less.

(d-1) An offense under Subsection (a-1) is a misdemeanor under this subsection if the litter or other solid waste to which the offense

applies weighs less than 500 pounds or has a volume of less than 100 cubic feet and is punishable by:

- (1) A fine not to exceed \$500;
- (2) Confinement in jail for a term not to exceed 30 days; or
- (3) Both such fine and confinement

A State or US Highway, Farm to Market or Ranch Road, or a County maintained road is not a permitted site for you to get rid of your garbage. If someone you hire hauls away trash or materials and then dumps them illegally, you may be held liable and charges filed against you.

**Check Out  
Coke  
County  
Library**

Library winners for the week of July 28-31 are Gabriel Cerritos, Max Garcia, Alex Munoz, Zane Avants, and Zachary Avants. These children need to stop by the library and claim their prizes!

School is right around the corner and we have two more weeks for prize drawings, so make sure you visit the library between now and then.

If you have books that you need to return, please remember that the library has a book drop for after hours returns. Library days and hours are: Tuesdays 8-12, Wednesdays 8-4, Thursdays 1-5, and Fridays 8-12.

**Attend Your 2015  
County Convention  
Thursday, August 13**

Dear Farm Bureau Member:

The Coke-Sterling County Farm Bureau cordially invites you to attend the Annual County Convention and Dinner on Thursday, Aug. 13, 2015. The convention will be held at the Robert Lee Recreation Center in Robert Lee.

Dinner will begin at 6 pm. Val Stephens, TFB District 6 state director, will be the guest speaker. The business session of the meeting will begin at approximately 7 pm.

All Coke-Sterling members are invited to attend this meeting. Members are urged to bring a guest. Any member signing up their guest for membership in our county Farm Bureau will receive a free membership for one year. Please bring this card with you to the convention to register for door prizes.

For 1 lucky winner a 40" flat screen TV will be awarded.

*Hope to see you there!*

2015-2016 Texas Minimum State Vaccine Requirements for Students Grades K-12				
This chart summarizes the vaccine requirements incorporated in the Texas Administrative Code (TAC), Title 25 Health Services, Sections 97.61 to 97.72. This chart is not intended as a substitute for consulting the TAC, which has other provisions and details. <a href="#">Click here for complete TAC language.</a>				
The Department of State Health Services (DSHS) is granted authority to set immunization requirements by the Texas Education Code, Chapter 38, Health & Safety, Subchapter A, General Provisions.				
<b>IMMUNIZATION REQUIREMENTS</b>				
A student shall show acceptable evidence of vaccination prior to entry, attendance, or transfer to a child-care facility or public or private elementary or secondary school in Texas.				
Vaccine Required (Attention to notes and footnotes)	Minimum Number of Doses Required by Grade Level			NOTES
	K-6 <sup>th</sup>	7 <sup>th</sup>	8 <sup>th</sup> -12 <sup>th</sup>	
Diphtheria/Tetanus/Pertussis (DTaP/DTP/DT/Td/Tdap) <sup>1</sup>	5 doses or 4 doses	3 dose primary series and 1 Tdap/Td booster within last 5 years	3 dose primary series and 1 Tdap/Td booster within last 10 years	For K-6 <sup>th</sup> grade: 5 doses of diphtheria-tetanus-pertussis vaccine; 1 dose must have been received on or after the 4 <sup>th</sup> birthday. However, 4 doses meet the requirement if the 4 <sup>th</sup> dose was received on or after the 4 <sup>th</sup> birthday. For students aged 7 years and older, 3 doses meet the requirement if 1 dose was received on or after the 4 <sup>th</sup> birthday. For 7 <sup>th</sup> grade: 1 dose of Tdap is required if at least 5 years have passed since the last dose of tetanus-containing vaccine. For 8 <sup>th</sup> -12 <sup>th</sup> grade: 1 dose of Tdap is required when 10 years have passed since the last dose of tetanus-containing vaccine. Td is acceptable in place of Tdap if a medical contraindication to pertussis exists.
Polio <sup>1</sup>	4 doses or 3 doses			For K-12 <sup>th</sup> grade: 4 doses of polio; 1 dose must be received on or after the 4 <sup>th</sup> birthday. However, 3 doses meet the requirement if the 3 <sup>rd</sup> dose was received on or after the 4 <sup>th</sup> birthday.
Measles, Mumps, and Rubella <sup>1,2</sup> (MMR)	2 doses of MMR	2 doses of measles and 1 dose each of rubella and mumps vaccine		The 1 <sup>st</sup> dose of MMR must be received on or after the 1 <sup>st</sup> birthday. For K-6 <sup>th</sup> grade: 2 doses of MMR are required.
Hepatitis B <sup>2</sup>	3 doses			For students aged 11-15 years, 2 doses meet the requirement if adult hepatitis B vaccine (Recombivax <sup>®</sup> ) was received. Dosage (10 mcg/1.0 mL) and type of vaccine (Recombivax <sup>®</sup> ) must be clearly documented. If Recombivax <sup>®</sup> was not the vaccine received, a 3-dose series is required.
Varicella <sup>1,2,3</sup>	2 doses			The 1 <sup>st</sup> dose of varicella must be received on or after the 1 <sup>st</sup> birthday. For K-12 <sup>th</sup> grade: 2 doses are required.
Meningococcal <sup>1</sup>	1 dose			For 7 <sup>th</sup> -12 <sup>th</sup> grade, 1 dose of meningococcal vaccine is required upon enrollment. For students 11-12 years of age entering 7 <sup>th</sup> grade, 1 dose of meningococcal vaccine is required.
Hepatitis A <sup>1,2</sup>	2 doses			The 1 <sup>st</sup> dose of hepatitis A must be received on or after the 1 <sup>st</sup> birthday. For K-6 <sup>th</sup> grade: 2 doses are required. Special note: a child will not be considered delinquent in this series until 18 months have elapsed since receiving the 1 <sup>st</sup> dose.

<sup>1</sup> Receipt of the dose up to (and including) 4 days before the birthday will satisfy the school entry immunization requirement.  
<sup>2</sup> Serologic evidence of infection or serologic confirmation of immunity to measles, mumps, rubella, hepatitis B, hepatitis A, or varicella is acceptable in place of vaccine.  
<sup>3</sup> Previous illness may be documented with a written statement from a physician, school nurse, or the child's parent or guardian containing wording such as: "This is to verify that (name of student) had varicella disease (chickenpox) on or about (date) and does not need varicella vaccine." This written statement will be acceptable in place of any and all varicella vaccine doses required.

**Exemptions**

Texas law allows (a) physicians to write medical exemption statements that the vaccine(s) required would be medically harmful or injurious to the health and well-being of the child or household member, and (b) parents/guardians to choose an exemption from immunization requirements for reasons of conscience, including a religious belief. The law does not allow parents/guardians to elect an exemption simply because of inconvenience (for example, a record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem). Schools and child-care facilities should maintain an up-to-date list of students with exemptions, so they may be excluded in times of emergency or epidemic declared by the commissioner of public health.

Instructions for requesting the official exemption affidavit that must be signed by parents/guardians choosing the exemption for reasons of conscience, including a religious belief, can be found at [www.ImmunizeTexas.com](http://www.ImmunizeTexas.com) under "School & Child-Care." Original Exemption Affidavit must be completed and submitted to the school or child-care facility.

For children claiming medical exemptions, a written statement by the physician must be submitted to the school or child-care facility. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

**Provisional Enrollment**

All immunizations should be completed by the first date of attendance. The law requires that students be fully vaccinated against the specified diseases. A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by this rule. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school. A school nurse or school administrator shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in compliance and the school shall exclude the student from school attendance until the required dose is administered.

Additional guidelines for provisional enrollment of students transferring from one Texas public or private school to another, students who are dependents of active duty military, and students who are homeless can be found in the TAC, Title 25 Health Services, Sections 97.66 and 97.69.

**Documentation**

Since many types of personal immunization records are in use, any document will be acceptable provided a physician or public health personnel has validated it. The month, day, and year that the vaccination was received must be recorded on all school immunization records created or updated after September 1, 1991.

**National Cattlemen's Foundation accepting applications for W.D. Farr Scholarships**

The National Cattlemen's Foundation is accepting applications for the W.D. Farr Scholarships for the 2015-16 school year. The annual W.D. Farr Scholarship awards were established by the National Cattlemen's Foundation in 2007 to recognize outstanding students who plan to pursue careers in meat science and animal agriculture. Each \$12,000 award recognizes superior achievement in academics and leadership, and will allow graduate students to further their study in fields that benefit the cattle and beef industry.

To apply for the scholarship, graduate students planning to

pursue a career in meat science or the beef industry should submit a cover letter, curriculum vitae, a description of applicant's goals and experience, a statement of belief in the industry as well as a

review of the applicant's graduate research and three letters of recommendation. For more information and to apply, visit [nationalcattlemensfoundation.org](http://nationalcattlemensfoundation.org).

**PUBLIC NOTIFICATION OF**

**NONDISCRIMINATION IN CAREER AND TECHNOLOGY EDUCATION PROGRAMS**

Bronte ISD offers career and technology education programs in Agriculture and Business. Admission to these programs is open to any and all students enrolled in Bronte High School.

It is the policy of Bronte ISD not to discriminate on the basis of race, color, national origin, sex or handicap in its vocational programs, services or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

It is the policy of Bronte ISD not to discriminate on the basis of race, color, national origin, sex, handicap, or age in its employment practices as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975, as amended; and Section 504 of the Rehabilitation Act of 1973, as amended.

Bronte ISD will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For information about your rights or grievance procedures, contact the Title IX Coordinator, Tim Siler, Superintendent, at 210 S

Jefferson, Box 670, Bronte TX 76933, 325-473-2511, and/or the Section 504 Coordinator, Rose Whitehurst, at 210 S Jefferson, Box 670, Bronte TX 76933, 325-473-2521.

**Medical Emergency!** The Medivac helicopter rises into the air Monday morning, August 3, 2015, on its way to San Angelo. East Coke County Ambulance Service was called to a local residence just before 11 am and transported the patient to the helipad where members of the Bronte Volunteer Fire Department blocked roads and detoured traffic around the helipad area.

**Sheep/Goat event set for San Angelo**

By Steve Byrns  
 What organizers tout as the largest, most comprehensive sheep and goat production educational opportunity in recent times is coming to fruition. A diverse and changing sheep and goat industry will highlight two back-to-back educational opportunities in San Angelo on Friday and Saturday, August 28-29. (Texas A&M AgriLife Communications photo by Steve Byrns)

The venue is actually two events set back-to-back on August 28-29 in San Angelo, said Marvin Ensor, Texas A&M AgriLife Extension Service regional program leader in San Angelo.

He said the first of the two is the 42nd Annual Sheep and Goat Field Day conducted by and on the grounds of the Texas A&M AgriLife Research and Extension Center located just north of San Angelo. That event starts with registration at 8 am, followed by the program from 9 am to 1 pm August 28.

The second event is the first ever Texas Sheep and Goat Expo set from 2 pm to 8:30 pm, also on

August 28, and again on August 29 from 7 am to 4 pm at the San Angelo Fairgrounds.

"The Texas sheep and goat industry is undergoing tremendous change," Ensor said. "And the AgriLife agencies, AgriLife Extension and Texas A&M AgriLife Research, are staying abreast of those changes. The industry is as diverse now as perhaps it's ever been, so we are offering these events that will specifically target this diversity."

"As an example, our traditional wool sheep, by far the most predominant variety in the West for generations, are making way for an ever increasing hair sheep population. And while both are sheep, there are significant differences in the management and marketing of wool sheep, a dual-purpose animal, and hair sheep kept solely as meat producers. The expo curriculum will recognize and address the specific needs and interests of these two sheep types and the other major segments of the industry—club lamb, and meat goat production, while recognizing and providing support in the common areas that impact all aspects of the

sheep and goat industry."

The annual Sheep and Goat Field Day is a long-standing tradition of the AgriLife center dating back to the 1970s. The field day is generally scheduled the first Thursday of each September, but Ensor said both events complement one another so well that planners opted to move the field day to coincide with the expo as a convenience to participants.

The expo is to be a premier state-level event with emphasis on demonstrations and hands-on

activities that will follow the center's August 28 field day. Activities on August 29 will start early at the San Angelo Fairgrounds with a chuck wagon breakfast followed by concurrent sessions featuring the various management and marketing techniques specific to wool breeds, hair sheep, club lamb production and meat goats.

Commercial businesses will exhibit new equipment, products and services at both events.

"Both these programs will be packed with information," Ensor said. "We'd like folks to first attend the center's field day that touts work being conducted there, including the extensive flock guard dog work being done, work on using juniper in deer feed to limit the problem of feral hogs eating much of it, insight into factors affecting lamb prices, the latest in prescribed fire management and some very interesting wool garment work. After a sponsored lunch at the center, activities will move to the San Angelo Fairgrounds for the start of the expo."

"It will be a full two days, and participants can take part in any or all of both events. We do hope they will take advantage of both programs though, as we have never offered such an opportunity before."

Ensor said expo presenters will include AgriLife personnel, Texas A&M University faculty, veterinarians, Texas Veterinary Medical Diagnostic Laboratory staff, agribusinesses and area ranchers.

The concurrent expo sessions will include:

- Wool Sheep Session: rancher panels on effective coyote, bobcat, feral hog control; lambing rate expectations and current goals, and how to increase the number of lambs marketed.

- Hair Sheep Session: hair sheep breeds overview; recommended best management practices—rancher panel; tips on selecting breeding stock with a cull-keep demonstration; marketing opportunities for hair sheep; and cause, prevention and treatment of pneumonia.

- Club Lamb Session: ram breeding soundness and semen collection; testing for reproductive and other diseases; breed classification standards; the facts about coccidiosis and other internal parasites; and keys to a successful embryo transfer program.

- Meat Goat Session: use of embryo transfer technology to improve genetics—producer panel; testing for reproductive and other diseases; pregnancy testing using ultrasound and Pregnancy-Specific Protein B technology; coccidiosis and other parasites; and cause, prevention and treatment of pneumonia.

The AgriLife Center sheep and goat field day is free including the lunch there.

Individual preregistration for the may be made online at [agrilife.org/westresults/](http://agrilife.org/westresults/) registration or call Myra Marsh at the center at 325-653-4576, ext. 237.

For more specific information regarding either activity and their accompanying trade shows, contact Ensor at 325-653-4576, [ensor@tamu.edu](mailto:ensor@tamu.edu)

**Farm-Ranch, Commercial, Recreational & Residential Real Estate**

Huge trees shade this cute home, perfect for a family! Master suite is separated from other bedrooms by living room with beautiful rock fireplace! Tons of storage, light, and comfort in this extremely well-maintained home in established neighborhood.
